"TEXAS' LAST FRONTIER"

VOLUME X.

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, APRIL 7, 1949.

NUMBER 6.

## NEW FIELD OPEN NEAR LEHMAN IN SOUTH-CENTRAL COCHRAN AREA

Stanolind Oil & Gas company has completed its No. 2 Edwards well from the Devonian to open a new field in the Landon-Strawn area of South-Central Cochran county.

## Revival Meeting At County Line April 10th to 17th

Twice daily services will be held during a week's revival meeting at County Line Baptist church, Rev. R. W. Harris, announced this week.

## Morton C. of C. to Hold Meeting Monday Night

Morton Chamber of Commerce will meet at 7:30 Monday night, April 11, in commissioners' court room at Cochran County court house.

Roy Hickman, secretary, urges all members to attend as important business will be discussed.

## Annual Meeting To be Held by WPH Association

Members of West Plains Health Association will hold the annual meeting on Saturday, April 16, at the school auditorium.

A variety of prizes will be given away during the afternoon's program, announced Artie Hicks, business manager of the association.

All members are urged to keep this date in mind and plan to attend the meeting.

## All Memberships In Concert Assn. Sold in Morton

Forty-one memberships, including both adults and students, were sold here last week to the Levelland Concert Association, it was announced by Mrs. Carl Englund, member of the board of directors.

Programs for next fall and winter will be announced soon and memberships will be mailed to all members within two or three weeks, she said.

## Farmers Advised of Change in Rat Control Program in Cochran County

This is to advise all 32 farmers who have signed up at the county agent's office for assistance in killing the rats on their respective farms that a change in method of killing rats has occurred. Last year Carl Jacobs of the Extension Rodent Control Office would use 1080 on the farms and the kill was better than 95 percent on each farm. The county agent was advised last week by Carl Jacobs that this year 1080 is being used on the farms, it could be used in cities.

The county agent is extremely concerned over this action and realizes that each farmer can go back to the old time methods of killing rats with antu, red squill, phosphorus and arsenic poisons, and if lucky can get 10 to 20 percent of the rats, by changing baits and continuing these methods. Yes, we have ample rat control pamphlets available to each farmer who may desire one.

In Cochran county a rat population has increased to an alarming degree, particularly in the east and south part of the county. Many farms are estimated to have more than a thousand rats,

ratio was 51-1. Shakeout of the total fluid recovered on the test was 2/10 of one per cent basic sediment and water.

Production was natural from the open hole at 10,913-955 feet.

This new discovery is 660 feet from north and 528 feet from west lines of section 13, block L, ps1 survey.

The venture was left on 11,660 feet in Mississippian lime and chert.

A drillstem test was run at 11,582-11,639 feet, with the tool open one hour and five minutes. Recovery was a 1,350-foot water blanket, of which 630 feet was slightly gas cut, 350 feet of gas cut drilling mud and 390 feet of drilling mud. There were no shows of oil or water.

A 5,000-foot wildcat is to be started immediately in Central Cochran county, five miles south-west of Lehman, by H. L. Cain and Homer G. Masey of Lubbock. It will be their No. 1 L. S. Roullain, et al. The drillsite is 457 feet from east and south lines of the north half of tract 8, league 130, subdivision 2 of Carson CSL survey, which puts it two miles west of the nearest producers on the west end of the Levelland field.

It is near three dry holes which developed some slight shows insufficient for commercial production. Drilling is to be with combination rotary-cable tools.

## Girl's Volleyball Team to Play for District April 14

The Morton Girls volleyball team advanced to the district play-offs in the tournament held recently at Sundown. The team stands a good chance of coping the district play-offs to be held in Levelland Thursday, April 14, according to Minnie Mildred Monroe, coach.

The locals have lost only two games and have piled up an impressive season record. Only Causey and Pep have defeated Morton, and Morton turned the trick on Pep on the home court.

## Wheeler Wins 3rd At Stock Show In Plainview

In the Plainview Fat Stock Show April 1st and 2nd John Wheeler, Morton FFA member of Three Way, won third place with a fat steer and received \$19.00 in prize money.

Byron Gunter, Enochs, 4-H Club boy of Cochran county, placed sixth in the heavy weight division and received \$11.00 in prize money.

Both boys left for Kansas City Sunday morning and will market their calves Monday afternoon at the stock yards there. This will be an educational trip for the boys and we are anxious to get a report upon their return Thursday evening, said the county agent.

## LOCAL MEN MAKE FLYING TRIP TO ALICE, TEXAS

Dr. H. W. Sanders, his father, Fred Sanders; R. D. Ormand, L. A. Cochran and Carl England made a flying trip to Alice, Texas last week-end. The trip was made in Dr. Sander's five place, twin engine Cessna. Ormand and Cochran flew a BT-13 back to Morton for Dr. Sanders.

Mr. Fred Sanders remained in Alice to accompany Mrs. H. W. Sanders by car to Morton.

## J. S. Harrison New City Clerk

J. H. Harrison, formerly of Brownfield, assumed duties of city clerk of Morton on April 1. W. K. Whitman, city clerk for many years, resigned recently and with his wife has moved to San Angelo, Texas.

Mr. Harrison has been employed by the Joe Ward Engineering Firm of Wichita Falls, Texas.

Mrs. Harrison will join Mr. Harrison here as soon as suitable housing is available. They have two grown children, a son in Germany and a daughter in Dallas, Texas.

## Lindsey, Ross, Stovall Elected Local School Trustees; Others Announced

Results of school trustee elections conducted in Cochran county last Saturday were made available in Morton Tuesday.

In Morton, three trustees were named. They were L. R. Lindsey, 43 votes; R. C. Ross, 34, and B. R. Stovall, 33. Stovall was chosen on the flip of a coin when he tied with E. V. Thompson. Thompson then was appointed to fill the unexpired two-year term of Charlie Cravy, resigned. Others in the race and their votes, were: Roy Hill 26, George Igo 23, C. D. Ray 24 and Pete Todd 22.

Seven were chosen at Whiteface. They were: Lester Bacaus 110, F. E. Baldrige 112, Charles Coffman 131, J. H. Davis 77, J. T. Hall 115, G. C. Keith 115 and Melvin Woodley 132. Others in the race were: Lee Castle 44, T. F. Peacock 55, J. W. Pond 47, Leo Roullain 60, J. P. Smith 44, V. N. Townsend 66, Art Wall 56 and Harvey Whittenberg 76.

C. O. Bryant with 35, and H. H. Rosson with 40, were elected at Bledsoe. Others in the race included Fred Young 1, D. A. Ramsey 1, and Melvin Chandler 8.

R. Z. Dewbre, with 8 votes, was chosen at Neely Ward.

V. H. Bewley and W. A. Woods were elected trustees at large.

## Legion Auxiliary's Pan-American Fiesta Slated Friday Night, April 8

## Morton Teams to Take Part in 4A District Meet Sat.

The district 4A track meet will be held in Lubbock Saturday, April 9, according to Melvin Crawford, high school coach.

Morton will field one of the best improved track teams in South Plains realms in the big event and is expected to make a good showing.

Those who will uphold Morton colors in the meet are:

Hurdles, Royce Smith; 100 yard dash, Wayne Shafer, Glen Yeary and Don Baldwin; Mile, Veryl Webb; 880 yard dash, Clarence Moore; 220 yard dash, Wayne Shafer, George Hargrove and Mike Bolton; 440 yard dash, Royce Smith; Mile Relay, Hargrove, Smith, Moore and Bolton; 440 yard relay, Yeary, Shafer, Hargrove and Don Baldwin; Pole vault, Bill Brack and Smith; Broad jump, Yeary and Baldwin; High jump, Jim Winder and Smith; Shot-put, Winder; Discus, Brack.

## ATTENDED FRIENDSHIP NIGHT

Mr. and Mrs. Joe Gipson, Mrs. E. L. Willis and Mrs. Fred Morrison attended the O.E.S. Friendship Night in Sudar Monday.

## J. S. Harrison New City Clerk

J. H. Harrison, formerly of Brownfield, assumed duties of city clerk of Morton on April 1. W. K. Whitman, city clerk for many years, resigned recently and with his wife has moved to San Angelo, Texas.

Mr. Harrison has been employed by the Joe Ward Engineering Firm of Wichita Falls, Texas.

Mrs. Harrison will join Mr. Harrison here as soon as suitable housing is available. They have two grown children, a son in Germany and a daughter in Dallas, Texas.

Their votes were: Bewley 202, Woods 109.

Joe Hodge was elected Neely Ward county trustee from precinct 4, and Syd Coffman was named county trustee from precinct 3 at Bledsoe.

## Hockley County To Receive Farm To Market Roads

In Hockley County the following described roads are hereby designated as farm-to-market roads subject to the concurrence of the Public Roads Administration and subject to the condition that Hockley County will furnish all required right-of-way free of cost to the State.

From State 51, 3.5 miles south of Clauens, west to road intersection, a distance of approximately 3.5 miles.

From U. S. 84 in Anton east to the Lubbock County line, a distance of approximately 4.5 miles.

Upon fulfillment of the conditions of this Order, the State Highway Engineer is directed to proceed with plans for construction at an estimated cost of \$55,500.00 and to assume the roads for maintenance upon completion of construction.

Several County officials left Saturday for a week's fishing trip in Caddo, La. They are: Herman Crockett, sheriff; Earl Caddenhead, county auditor; Glenn W. Thompson, county judge; John Kennedy, commissioner, precinct 3; Charlie Shaw, commissioner, precinct 4; and M. C. Ledbetter, county attorney.

## County Agent Thompson Urges All Cochran Farmers to Attend Meeting

The 7-Step Cotton Committee of Cochran county met Tuesday evening, April 5 in District court room at the court house in Morton.

The purpose of this meeting was to formulate plans for a long range farm program. These plans will be drawn up in resolution form and presented at a county wide farmers meeting and to members of the Farm Bureau soon, advises County Agent Homer E. Thompson. These resolutions will be read at the county wide meeting for the rejection, amending or approval of the resolutions.

Here are some of the important phases of the program to be drawn up in the form of resolutions:

1. How to establish the cotton base acres on the individual cotton farms, as local farmers see that Congress should allocate same.

2. Size of farm units if affected.

3. Recommend no change of member of tenants on farm units.

4. Payments to farmers to be limited only to carrying out approved soil conservation practices, if the government will guarantee full parity support loan (100 percent) prior on basic commodities as cotton, grain sorghums and wheat.

5. What acres to be allocated on farms the same as approved for allocating cotton acres.

6. Make all cotton classed below grade eligible for loan.

7. Make all 3/4 inch staple cotton eligible for loan.

8. Make a true value loan on graded cotton within one half grade value—example, strick low middling light spot should not be valued at the same loan price as strick low middling spot. Market

price is a great deal difference in value. The present loan price is the same value.

9. That all dusty bales be grade eligible for the loan.

10. Parity loan support price be set at 100 percent parity, instead of the 90 percent now on cotton and 70 percent now on grain sorghums.

11. Left out acres, or acres not permitted to be planted in cotton or grain sorghums, the use of which to be left to the control of the county committee under the direct supervision of the state committee.

12. The 7-Step Cotton Committee went on record to recommend and encourage local farmers to increase farm storage capacities for grain sorghums on local individual farms.

## More Break-Ins Reported Here Thursday Night

Entrance to Strickland's Cleaners was gained through a broken window in the back of the building. About ten dollars in change was missing from the cash register it was reported by Raymond Strickland, son of the owner. The incident was discovered Thursday morning when the building was opened for business.

The back door of Morton Electrical Supply was discovered standing open when Mr. and Mrs. Fred Morrison came down to work Thursday morning; the lock had been broken off. About \$6.37 in change was missing and three harmonicas had also been taken.

Clyde Reynolds, owner of Morton Company, reported a window broken in the rear of his building by prowlers last Thursday night.

Mr. Reynolds said nothing was missing from the building.

## COCHRAN COUNTY OFFICIALS OFF ON FISHING TRIP

Several County officials left Saturday for a week's fishing trip in Caddo, La. They are: Herman Crockett, sheriff; Earl Caddenhead, county auditor; Glenn W. Thompson, county judge; John Kennedy, commissioner, precinct 3; Charlie Shaw, commissioner, precinct 4; and M. C. Ledbetter, county attorney.

## Morton Indians Defeat Sundown 6 to 2 Thursday

Exploding for three runs in the bottom of the first inning, the Morton Indians went on to defeat the Sundown Roughnecks 6-2 in a non-conference game held Thursday, March 31.

Bill McDaniel became the first local pitcher to go the route in limiting the Roughnecks to only one solid hit. Two other Sundown players got credit for hits which were of the fluke variety.

The locals combed the Sundown "southpaw" for five ringing hits in the first inning and hit freely off him all afternoon.

The Indians have not played a conference game this season but after Friday's game, which will be with Plainview on the home diamond, only conference games will remain on the schedule.

The remaining schedule for the season is as follows:

Tues., April 12, Levelland, here.

Tues., April 19, Sundown, there.

Fri., April 22, Levelland, here.

Fri., April 29, Sundown, here.

## Rain and Snow Welcomed Here

Rain and snow falling here last week-end brought 6/10 of an inch of welcomed moisture to the county.

According to reports from the Soil Conservation Office practically all of the moisture went directly into the ground which is of added benefit since most of the land in Cochran county has been prepared for planting.

MR. and MRS. EARL CRUM visited in Dallas over the week-end.

## County Farm Bureau Membership Lagging; Farmers Urged to Pay Dues

"Cochran County Farm Bureau is lagging away behind in membership paid up dues for 1949," advises Gene Thompson, secretary of Cochran County Farm Bureau. "The year 1949 is one of the most important legislative

## Morton Country Club Announces Ladder Tourney

The Morton Country Club announces that, starting this week, a ladder tournament will be played and will run all summer. The ladder will be posted in the south window at Ramby's Pharmacy.

The rules for the tournament are as follows: one must challenge the man immediately above him on the ladder. If the challenger wins the match he will move one rung up the ladder, but if the challenger loses the match, he must give his opponent a golf ball. The man that is challenged must play off the game within the week or forfeit the game to the challenger.

All members of the Morton Country Club are again reminded of the annual general meeting and election of three directors to be held Thursday night, April 7 at 7:30 at the Court House.

## Revival Meeting At Missionary Baptist Church

Two services daily will be held at the Missionary Baptist Church here beginning Wednesday, April 6 and continuing through April 17, it was announced this week.

Morning services will start at ten o'clock and the evening service at eight.

Rev. Wayne N. Stout of Dallas, Texas, evangelist will be in charge of the preaching. Rev. T. L. (Jack) Bullard is the pastor.

A cordial invitation is extended to the general public to attend these services.

MRS. O. R. BRUNSON went to Amarillo Sunday to visit her daughter for several weeks.

## Local School Teams Win Honors in Interscholastic Meet at Whiteface

Winning many first, second and third places, Morton Schools made a good showing in the literary and athletic events of the interscholastic meet at Whiteface last Saturday, according to Wendell Watson, principal.

In high school Jimmie Self and Charles Spencer placed first as a team in spelling; Clarence Moore and Imogene Jeter won first and second place, respectively in typewriting; Glennna Kennedy won two seconds, one in number sense and one in ready writing.

The grand winner of the meet will be determined as soon as four other track events take place.

Grade school carried off ten first places. Following is a list of their honors:

Grade School Literary Events  
Ready writers, 1st place, Norma Ruth Wright, Bobbie Gast and Marie Hancock.

Declamation, boys, 1st place, Jack Russell; 2nd place, Robert Patterson; 3rd place, Wayne Kuehler.

Declamation, girls, 1st place, Anna Lois Alford; 2nd place, Barbara Jo Kendall; 3rd place,

Dorothy Trice.

Number sense: 1st place, Doris Gardner; 3rd place, tie, Norma Ruth Wright and Ed Knox.

Spelling, 7 and 8 grade, 1st place, Robert Patterson, Patsy Patterson and Norma Ruth Wright.

Spelling, 6th grade, 2nd place, Frank Head, Norma Pierce and Royce Hanna.

years in history for agriculture. A long range farm program which affects each farmer's pocket book, just as much as a good crop yield over a poor yield, is now being formulated in Washington. Quotations on basic crop allotments are being considered strongly for next year. This means favoring the farmer who has forced crop acreage allotments, such as cotton, back on us by a controlled program which we do not relish.

It means those who have forced controls to return will again be favored with large cotton acreage allotments on their respective farms, if allocated on history of the farm. This means in turn a big lot of confusion to administer, because lies, poor estimates, and all will enter into the picture of hogging for more base acres. It is impossible to dig up accurate information on 80 percent of the farms in Cochran county or perhaps a 100 percent of the farms. Why? because the acreage was not measured, because farms have changed hands, because farms have split up or increased cultivated acres, and many other reasons," Thompson said.

"Most farmers of Cochran county desire a flat per cent base crop acreage on total cultivated acres. All treated alike, all get same proportion of crop tilled land, this will eliminate guess work, lies, or incorrect estimates, or lack of information on history of farms," the secretary pointed out.

"The Farm Bureau needs you now, and with less than 1/3 of our 1948 membership signed up for 1949 shows farmers are impassive. We need you to join in our discussions as a unit in this great organization and fight now for what we need. Send your dues in now, provided to you in letter of recent date. If you do not, then hold your temper and do not cut the farm program when it lands in your lap, just like it because John will do it for you as he has always done," concluded Thompson.

**Morton Tribune**

"Texas' Last Frontier"

Published Each Thursday at the Lindsey Building, Morton, Cochran County, Texas

Carl England Publisher  
Ann England Editor  
Bill Garrett Foreman

Subscription Rates: In Cochran and adjoining Counties One Year, in advance - \$2.00; Elsewhere: One Year, in advance - \$2.50

Entered at the Post Office at Morton, Texas, for transmission through the mails as Second Class Matter, according to an Act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

**Religion and News**

Is religion news?

Many observers of the American scene have noted a decided trend in recent years, in daily and weekly newspapers, toward publishing more activities and plans of religious organizations.

Most religious leaders seem to believe this is a healthy spiritual trend. "Let there be light" has been the admonition of all the great spiritual leaders through the ages, and today's newspapers, believing that religion is news, offer to spread the beams of light to a world that knows too much darkness.

The Tribune is one of thousands of newspapers in which this trend is reflected. In Morton and Cochran county an upsurge of religious activity seems to be preparing the way for the coming of Easter on April 17.

Revivals are being held in practically every church in the county; with some just closing their services and others beginning.

Religious news, as opposed to religious propaganda, is surely a public reflection of increased interest in things spiritual. The life and teachings of the Galilean who made Easter possible, and of all the great God-following leaders who preceded him, seem to indicate that religion, pure and undefiled, was designed for the masses of the people rather than for a select few who assume the roles of religious leadership. Newspapers, which serve the masses, offer their columns as a free channel for religious reporting.

Religion is news on The Tribune's weekly assignment sheet.

**Quick Action Needed**

Members of the Legislature should waste little time on debate, or discussion, before enacting into law a pending measure which would give Texas real secrecy of the ballot for the first time.

As everyone knows who is even casually familiar with present voting procedure, there is no guarantee of secrecy now. It is simple for election officials, or anyone given access to election records, to ascertain how any individual voted. The present procedure also requires many additional clerks to keep complicated records who could be eliminated, at a substantial saving, by a truly secretive balloting system.

It is true that most election officials are honest and that the ballot is secret in practice now for most Texans. Furthermore, most of us don't care who knows how we voted.

But many people can't be that independent. According to reports stronger than rumors, many individuals in some boss-ruled areas of Texas either vote as they are told or risk joblessness and maybe a knot on their heads. And, somehow, the political boss usually finds out how his minions voted.

Genuine secrecy of the ballot would protect the victims of boss-domination. Of far greater importance, it would safeguard the interests of all Texans against the influence the bosses might exercise by swinging a close statewide election through their control of masses of voters.

Sen. Keith Kelly, of Fort Worth, has proposed the measure which, according to competent observers, should guarantee ballot secrecy and provide a simple method for handling election contests, re-counts, fraud investigations and the like.

The bill has been approved by the Senate State Affairs committee. Passage by the House and Senate should follow in short order to give Texas and Texans a protection they do not have now.

—From the Avalanche-Journal, Lubbock, Sunday, April 3.

**Socialized Medicine**

Congressional investigation has proved that chief propagandists for socialized medicine are those who conceive of themselves holding important positions in a future medical bureaucracy. Their testimony is manifestly not that of neutral observers. The crocodile tears they shed with respect to the medical treatment received by the common citizen serves to disguise from the latter that under private medicine he is the best cared for patient in the world. Essentially, the politician is insisting upon the right to act as broker between doctor and patient on the theory, apparently, that the latter is incompetent to safeguard his own interests.

Before allowing the politician to put himself in the medical brokerage business, a few points should be summarized:

1. The right of a patient to freely select his own physician and to replace him at his pleasure, as in all other human relationships, has created an atmosphere where the self-interest of the physician requires that he deal with the patient as an individual. It is no answer to say that the patient may choose among government physicians since any doctor who derives his salary from the state is not dependent upon a patient's good will. In time, we would expect the human relationship based upon mutual self-interest to dissolve with patients, under state medicine, becoming herded sheep.

2. Socialized medicine would constitute a bureaucrat's paradise. It is estimated that 2,000,000 additional civilian employees could be loaded on the payroll. The bureaucrat delights in rules and regulations, and the jungle of conflicting directives would, undoubtedly, amaze and disgust physicians, nurses and patients alike, with the former obliged to spend a great part of each day filling in forms.

3. With free medicine, waiting rooms, as in England, would be loaded up with hypochondriacs and those with trivial ailments; expensive drugs would be prescribed where unnecessary; and superficial examinations and diagnoses would become the rule rather than the exception.

4. American medical standards, presently the highest in the world, would inevitably deteriorate. Brilliant young men, casting about for a profession, would in most instances prefer a profession which does not apply a straitjacket or ceiling on expectable earnings.

5. Socialized medicine is essentially totalitarian in outlook. Physicians are in the minority and hence their desires are ignored. The vast majority are strongly opposed to nationalizing medicine. Since the government would have the right to order a physician to locate in any community where care was deemed necessary, the doctor at the outset forfeits the citizen's privilege of selecting his place of residence.

6. If medicine may be socialized, and Communists are in the forefront of pressure groups advocating it, much lesser reasons would exist for not going ahead with the complete job of nationalizing railroads, steel, insurance companies, banks, auto manufacture and every other phase of our individual enterprise system.

**Texans Urge New Hospitals for Vets**

Washington Bureau of the News

Two representatives of Texas veterans have told Congress that "hundreds" of needy veterans are unable to gain admittance to Veterans Administration hospitals in Texas.

They reported that some mental patients are kept in jails until room for them can be found in a VA neuropsychiatric hospital.

G. Ward Moody of Austin, American Legion Texas department adjutant, urged a Senate labor sub-committee to reconsider construction of a 500-bed mental hospital at El Paso and to study possible relocation of a 1,000-bed facility originally planned at Houston.

J. Warren Hoyt of El Paso, representing the United Veterans Council, pointed out that the nearest VA mental hospital is in Waco, and that there are none between Waco and Los Angeles, Calif.

Hoyt said the El Paso Water District has put up \$379,725 to enlarge sewer lines and provide sewerage disposal facilities for a 240-acre hospital site located ten miles from the city.

The El Paso and Houston hospitals were among those eliminated by a presidential order cutting 16,000 beds from the veterans hospital construction program.

**April 28-29 Set for Local Lions Club Minstrel Show**

M. C. Ledbetter, director of the Lions Minstrel, announced at Lions Club Wednesday noon that dates for the Minstrel Show had been set for April 28 and 29. The two night performances will be put on at the school auditorium.

R. C. Strickland spoke to the group on the x-ray mobile unit that will be in Cochran county in May. Lion Strickland urged all Lions to lend whatever assistance required in this very worthwhile project.

Dr. H. W. Sanders discussed briefly the benefits of community wide chest x-ray examinations.

Lion President, A. E. Sanders, appointed the following as a nominating committee: Hume Russell, P. B. Ramby, M. C. Ledbetter, J. B. Knox, and R. C. Strickland, all five are past-presidents of the organization.

M. E. Huebel was a guest as was Mrs. Carl England.

Members present, Artie Hicks, Bob Cross, L. E. Huggins, Raymond Strickland, Hume Russell, A. E. Sanders, Jack Rice, W. C. Wright, Van Greene, M. T. Beard, E. L. Willis, J. B. Knox, T. K. Williamson, Fred Stockdale, Carl Ray, L. W. Barrett, Homer E. Thompson, Herman Crockett, M. C. Ledbetter, Paul Goodman, Lloyd C. Miller, P. B. Ramby, David Todd, R. D. Ormand, Earl Crum, G. C. Sanders, Andrew Essary and Dr. H. W. Sanders.

**D'RENE DANFORTH EXPECTED HOME FROM HOSPITAL THURS.**  
D'Rene Danforth is expected home Thursday from West Texas Hospital, Lubbock, where she received surgery last Thursday. D'Rene fell from a swing recently, breaking her left upper leg. Surgery was performed and a plate and splint applied, according to Mrs. Fred Danforth, mother of the injured child.

**How Does One Get Into The CHURCH?**

Not just one step, but several are taken to get into the church Jesus purchased with his own precious blood. It takes all of these steps.

1. Hearing of the gospel. "So then, faith cometh by hearing by the word of God." Romans 10:17.

2. Believing on the Lord. "For if ye believe not that I am he, ye shall die in your sins." John 8:24.

3. Repentance of sins. "And the times of this ignorance God winked at; but now commandeth all men everywhere to repent." Acts 17:30.

4. Confession of faith. "Whosoever shall confess me before men, him will I confess also before my Father which is in heaven." Matt. 10:32.

5. Baptism into Christ. "Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ, for the remission of sins, and ye shall receive the gift of the Holy Spirit." Acts 2:38.

"He that believeth and is baptized shall be saved." Mark 16:16.

"For as many of you as have been baptized into Christ have put on Christ." Gal. 3:27.

In Bible times, when people complied with all five of the above conditions, what happened?

"The Lord added to the church daily such as should be saved." Acts 2:47.

God's law has not changed. Paul said in the Galatians, "Though we or an angel from heaven preach any other gospel unto you than that which we have preached unto you, let him be accursed." Gal. 1:8.

The steps that made people into Christians in Paul's day will make Christians today. The way is so simple—so simple that the Bible says, "A way-faring man, though he be a fool, shall not err therein."

Read it for yourself, and determine to become a member of the New Testament church.

The Way Is So Simple!

**Morton Church of Christ**  
Alan Bryan, Minister

**Larry Wartes, Former Morton School Boy, Outstanding Athlete at H-SU**

Larry Wartes, grandson of Mr. and Mrs. C. M. Wartes, now attending Hardin-Simmons University, Abilene, Texas, is making an outstanding record as an athlete according to a recent release from the school.

Despite a re-injured ankle that about ended his collegiate athletic career, Larry (Mouse) Van Wartes, sophomore letterman guard on the Cowboy quintet which just concluded a successful season by placing third in the Border conference, played brilliantly.

Early in the season, Larry injured the ankle on which his athletic career hinged. It soon mended however, when he took Coach Jack Martin's sound advice and rested one week—and then returned to the line-up.

Considered by some as one of the best basketball prospects to enroll at Hardin-Simmons University, and extremely popular on the campus, Larry is a steady, never-tiring, ever-hustling ball-player, conscientious in that he never makes the same mistake twice.

This diminutive speed-merchant guard is one of the most colorful ballplayers in the Border Conference. His tireless mannerisms have made many fans regard him as a "grandstander", but this midget of 5'10" (compared to some of his giant teammates) is not a showman in any sense, but a steady, dependable performer.

Larry is always a scoring threat. His clever ball-handling has often enabled him to drive in and score a "crip" shot. From the field, his accurate one-hand push-shot usually finds haven in the hoop. While not the sensational scoring threat that "Slats" Stagner is, Wartes and Stagner form a guard combination that's hard to beat in the Border cage circle. They pass the basketball back and forth until across the line, then one will screen for the other momentarily and—it's generally two points.

Like another teammate, Bill Braselton, Larry is also a defensive cog in the Martin "man to man" system. He is generally assigned an "ace" of the opposition, and like Braselton, boxes up his man so that it is seldom he scores more than six points.

Larry was a high school letterman for the Amarillo Sandies where he was an all-district choice in 1946-47 and was listed by the Amarillo Globe-News as one of the all-time basketball greats of Amarillo. He also received honorable mention for all-state in 1947. A letterman, the fiery guard is expected to bolster the Cowboy squad for two more seasons.

He played short-stop on the Hardin-Simmons varsity nine last year, and will be out to regain his place again this Spring.

Larry is a P. E. major and upon graduation in two years, hopes to acquire a coaching position in the vicinity of Amarillo.

Now that the season is over, it is likely that the "Mouse" will find more time to spend with his girl—who resides at the University apartment, and will generally respond to the name of Joyce Hale. "Yep, that's my 'Pee Wee', isn't she wonderful," is Larry's favorite expression.

—THE H-SU BRAND.

**Timely Tips**

Extension Food Specialists Texas A. and M. College

1. One-dish meals are always popular with the homemaker because they are easy to prepare and easy to serve.

2. Generally the addition of a salad, bread, dessert and a beverage completes an adequate meal.

3. Frozen or canned fruits make simple, easy-to-prepare desserts. Serve plain or with cold boiled custard and whipped cream.

4. Cake should be stored in a covered container to prevent drying.

5. Aluminum foil is good for wrapping cake if it is to be stored in the refrigerator for several days.

**LAWSON'S ATTENDED OFFICE MANAGEMENT COURSE IN AMARILLO, MARCH 29 AND 30**

Dr. and Mrs. V. L. Lawson spent Tuesday and Wednesday, March 29 and 30, in Amarillo where they attended the Bosworth course in Office Management. While in Amarillo they visited in the home of the E. A. McAdoo.

The Lawsons returned by way of Lubbock where they picked up Judy who had been visiting with Mrs. Lawson's sister while the Lawsons were away.

**JUNIORS PRESENT "SO HELP ME", APRIL 7 AND 8**

Sue Smith

**Wood, Seaney are  
In Leading Roles**

Ted Wood, an ambitious junior of MHS takes the leading part in "So Help Me," the junior class play. In the play he is a young high school football player and scientist.

The coach, Sandy Baxter, played by Leslie White and Miss Faye, a biology teacher, played by Sue Smith, put Harry Hart into business and cause much trouble for Harry with his girl friend, Sue Roberts, portrayed by Joye Seaney, and the local druggist played by Lavern Corder.

Mrs. Gleason, played by Betty Monroe, and her daughter, Permillia, portrayed by Beverly Blackley, are forever around to cause more trouble for Mrs. Hart, who is played by Doris McMaster, and seemingly everyone in town.

Harry's pals, Yoyo Bruno, Squeaky Rigley and Plato Blair, played by Royce Smith, Lonnie Allsup and Bunky Hargrove, are strictly off girls but in the end they find it isn't worth while.

Mickie, portrayed by Pat Weaks is Harry's kid sister and acts as most of them do.

At the wrong time the sheriff, played by Olin Coon and a newspaper reporter, portrayed by Mona Zuber, are always present and causing trouble, especially the reporter who has an intimate feeling for a certain football coach.

This hilarious comedy will be presented Thursday and Friday, April 7, and 8, and tickets for both general admission and reserved seats are now on sale.

Ted Wood

**Texas Children  
Receive Aid from  
State Department**

Almost four thousand Texas children from more than 225 counties have received beneficial services and aid to happy, normal living under the Crippled Children's Division administered by the State Health Department, during the calendar year 1948. This information is shown by the annual report issued by Dr. Geo. W. Cox, State Health Officer.

According to Dr. Cox, the most commonly treated conditions are late effects of acute poliomyelitis, cerebral palsy, osteomyelitis, tuberculosis of joints, cleft palate, harelip and clubfeet. Although the services are provided for children from birth to 21 years, the largest group treated were from the age bracket of 5 to 14 years.

The help given these crippled children represents 3,747 clinic visits, 43,433 days of hospital care, 2,897 days of convalescent home care, and 4,986 doctor's visits.

"As long as sufficient State funds are available, any crippled Texas child of normal mentality, under twenty-one years of age, whose parents or guardians are unable to pay for proper care, is entitled to the help of the Crippled Children's Division," Dr. Cox said, "if his doctor believes that it is reasonable to expect that the child can be improved through hospitalization, medical or surgical care, artificial appliances, or through a combination of these services."

Parents of crippled children should make application for this assistance by completing application forms, which should be signed by the physician and approved by the County Judge. The application is then mailed to the Crippled Children's Division, Texas State Department of Health, Austin, Texas.

MRS. R. H. TODD and FRANK TODD of Slaton visited Monday with the DAVID TODDS.

**Girl's Volleyball**

The girls, last Monday night, played Bledsoe winning by a good margin. Then Tuesday afternoon, they played Pep at 1:30. This made the second game the girls had won.

Tuesday night at 8:00 at Bula the girls won their third game. They took nine players and everyone got to play.

**PLAY OFFS FOR DISTRICT**

Morton Volleyball girls journeyed to Sundown Friday where they played Levelland and Sudan for the play offs for district.

The team won the first two games with Levelland. The scores for both games were: 4-15, 5-15. After resting about an hour the girls played Sudan. In this game they also won the first two games. The scores were 9-15 and 4-15.

The Morton girls play Littlefield next week. Both teams will go to district however this game turns.

**MORE THAN 125 EXPECTED TO  
GRADUATE FROM McMURRY  
COLLEGE, ABILENE, MAY 24**

A good crowd at Commencement time at McMurry College, Abilene, May 24, was at least partially assured this week. The seniors received their invitations this week, and will spend the next few days preparing them for mailing. More than 125 are expected to be graduated from McMurry College this year, the largest in the school's history.

**COMPRESSION SPRINGS**

Compression springs counter-balance the weight of the trunk lid in 1949 Chevrolets. This offers outstanding convenience and safety advantages. The lid can be lifted by light finger pressure.

They live in Levelland where Mr. Davidson is employed by an oil company.

**VISITED NEW COUSIN SUNDAY**

Merlyn, Carolyn and Willard Cox, Jr., and Minnie Ola Cox went to Lubbock Sunday to see their new cousin, little Alice Jeanette Childs, who was born Tuesday, March 29.

**-- annegrams --** — by ann england —

Alice Jeanette is the name given the baby daughter of L. B. and Minnie Childs. The cousins Carolyn, Merlyn, Willard Cox, Jr., and Minnie Ola Cox were over Sunday to see the new babe and all agree that she is a darling.

Mrs. J. T. Lemons, Baileyboro, in renewing subscription to Tribune wrote, "I look forward to the Morton Tribune, don't believe I could do without it." Thank you, Mrs. L.

We have heard many fine compliments on Betty Barker's review of "The Big Fisherman", so sorry we were unable to attend.

Had a nice letter from Miss Georgia Bain, St. Louis, regarding the Red Cross Drive. Do wish we could get the report in from Whiteface—expect that the folks over there are pretty busy.

The snow that fell here Sunday was not only beautiful but will prove of great benefit to the crops (so the agriculturists tell us). We are concerned about the condition of our lilacs after one or two freezes last week.

Mattie Ramby and Eltha Russell turned in thirty three memberships to the concert association. We think that is wonderful. But leave it a M and E to get a job done.

Mr. Walter L. Taylor bought our coffee Monday morning. He said he only had a nickel left after his college students spent the week-end at home. Mr. T is the one with a house full of pretty girls, including the mama, Mrs. W. L. T., of course.

Several Mortonites got over to Lubbock for the American Legion and Auxiliary convention. The convention was very nice, entertainment put on by the host organization of superb quality.

The printed program was also outstanding. It contained 76 pages of well written material as well as a jillion well made up advertisements. (The latter is of particular importance—financially—for the Allen Post and as desirable publicity for Lubbock merchants and business men.)

It's a shame every one can not see a copy of the program as it certainly gives some interesting data on what has been accomplished by the American Legion. Some facts noted: "The American Legion spends more than \$250,000.00 annually for child welfare." The American Legion, Department of Texas Auxiliary spends more than \$2,000.00 per month for the comfort and convenience of hospitalized veterans."

So many things have been accomplished by the Legion for the benefit of all veterans, their families and the general public that we feel ashamed of not having done more for our own local organization.

Undestand Ray Wells of the VA was responsible for a goodly portion of the printed program. Ray is a good looking chap—and exceedingly pleasant. Oh, he is president of the Lubbock Girl Scouts—sounds like a good deal for a bachelor and vice versa.

Expect we are prejudiced but, know any number of the Veteran Administration staff and think them about the nicest people we ever knew.

We skipped the Legion barbecue at noon Sunday simply because we wanted to eat in the Hilton Coffee shop and listen to the beautiful organ music as played by Nell Oldham.

Even if the coffee shop didn't serve good food (which it does) we would still go in there to eat just to hear Nell. She is an attractive looking gal too, and

nearly always wears something extra special in the way of a hat.

Mildred Monroe was thrilled to a polka dot with her volleyball girls in the week-end tournament. M is a sweet, pretty girl. Another attractive, young school teacher is Marie Baldwin.

Junior high students in a dither getting ready for their play Thursday and Friday nights. It sounds mighty good and we expect they will play to a full house.

Friday night is also Fiesta night—a group from ENMC will be over to put on the entertainment and they are always good.

Heard that Mrs. H. W. Sanders is expected up this week for a visit. From all reports she is a young and lovely person. When she does arrive expect some of us plainer gals had best go off and hide.

Mr. and Mrs. Bill Purifoy recently combined a visit with relatives and a Ford training school for Bill in Dallas.

Heard earlier this week that Bob Dunham and all three of the children were quite ill. Mrs. D. certainly has her hands full with the whole lay-out sick in bed.

Gayle Bishop has gone off to Ft. Worth to take a refresher course in flying. Mrs. Bishop and children have moved into a smaller house—she will continue to teach here.

The Madison, Wis., Capital Times printed these two headlines side by side:

"55 Roosters Stolen at Town of Oregon Farm."  
"Socialist Club to Hold Chicken Supper."

**Farm-to-Market Road for County**

In Cochran County a farm-to-market road from State Highway 214 at Morton easterly approximately 8.5 miles to road intersection is hereby designated subject to the condition that Cochran County will furnish all required right-of-way free of cost to the State.

Upon fulfillment of the condition of this Order the State Highway Engineer is directed to assume the road for maintenance.

**VANNA LOUIS BUTLER HOSPITALIZED IN LUBBOCK**

Vanna Louis Butler, infant daughter of Mr. and Mrs. Bill Butler and granddaughter of Mrs. Albert Morrow, has been hospitalized in Lubbock with pneumonia, according to reports from the family.

Mr. and Mrs. Morrow went to Lubbock Monday upon receipt of a message from Mr. Butler. Mr. Morrow returned Tuesday.

MRS. CHAS DEAN left Sunday to spend several days in Pampa where she will visit her daughter.

**Hospital News**

Medical patients admitted to West Plains Hospital since March 29:

Nelda Brisco, Morton; J. P. Huffman, Sundown; Gloria Marie Salinas, Morton; Marvin Jones, Lingo, N. M.; Alex Kerns, Goodland; J. R. Roddy, Morton; Sue Cooper, Morton; C. L. King, Levelland; Betty Morales, Morton; Mrs. O. S. Cox, Whiteface; Mrs. Wallace Rowan, Morton; Grady Cooper, Morton.

Surgical and accident patients admitted since March 29th:

Mrs. Dennis Yarbo, Morton; Mrs. Walter Taylor, Morton; H. P. Clemmons, Whiteface; Mrs. H. P. Clemmons, Whiteface.

**Carmen Money Honored With Birthday Party**

Carmen Ann Money, five year old daughter of Mr. and Mrs. Charles Money, was honored March 30 with a birthday party by her grandmother, Mrs. O. B. Coats.

A birthday cake, ice cream and pop was served the guests. Plate favors were colored cups filled with mixed candy. Each child was presented with a "Shmoo" balloon. Mrs. David Todd and the following children helped Carmen celebrate her birthday:

Missy Barker, Janice Timian, Bill Ed Rice, Mary Ormand, Judy McCuiston, Glenda Lilledahl, Mike Todd, Patsy Walden, Martha Deane Morrison and Alfred Raye Coats.

**J. B. Knox Home Scene of 42 Club Meeting Friday**

Mrs. V. L. Lawson, Mrs. Lem Chesher, Mrs. Elizabeth Greer, and Mrs. J. B. Knox entertained the 42 Club Friday night at the home of Mrs. Knox.

After a delicious pot-luck dinner games of 42 were played. Members and guests attending were:

Mrs. Dona Doughty, Mr. and Mrs. H. S. Hawkins; Mr. and Mrs. Luther Hargrove; Mr. and Mrs. L. A. Cochran; Mr. and Mrs. J. W. McDermott; Mr. and Mrs. Charles Glenn; Mr. and Mrs. L. W. Ray; Mr. and Mrs. Gage Knox; Mr. and Mrs. Roy Hill; Mr. and Mrs. Clyde Reynolds; Mr. and Mrs. M. C. Ledbetter; Mr. and Mrs. Joe Nicewarner; Mr. Lem Chesher; Dr. V. L. Lawson and Mr. J. B. Knox.

**MOVED HERE FROM MICH.**

Mrs. Eller Pledger and daughter, Juance, have moved to Morton from Kalamazoo, Mich. and will make their home here.

Mrs. Pledger is the mother of Mrs. M. L. Doyle, Mrs. Joy Lane and Carl Pledger.

### Whiteface Stitch And Chatter Club Met Thursday

Mrs. Humert Taylor was hostess to the Whiteface Stitch and Chatter Club Thursday, March 31. Twelve members were present. Each member was presented with a gift by the hostess and a series of Bingo games were played. The spacious living room was decorated with spring bouquets of iris, Chinese flowering peach, and azaleas. A lovely centerpiece of carnations was arranged in a marine globe. Refreshments of ham salad, tomatoes, snacks, angel food cake and ice cream were served. The next meeting will be held at the home of Mrs. J. A. Taylor on April 14.

### SGT. M. T. WYATT VISITED AT. WITH OSCAR VERNON

Sgt. M. T. Wyatt of Ft. Sill, Oklahoma visited here Saturday with Mr. and Mrs. Oscar Vernon. Oscar and Sgt. Wyatt were in the service together during war II and had not seen each other since 1943. The Vernons took Sgt. Wyatt to Brownfield Sunday morning.

### EMPLOYED AT HOSPITAL

Mrs. Betty Crowder visited friends in Littlefield Sunday. Mrs. Crowder moved to Morton from Amherst recently and is now employed at West Plains Hospital.

### LUBBOCK BUSINESS VISITORS

Mrs. J. B. Lilljedahl and Mrs. W. T. Zuber were in Lubbock on business Friday.

BERTHA ROBERTS spent the week-end with her sister, MRS. A. C. ARCHER, at Enochs, Texas.

**DR. V. L. LAWSON**  
DENTIST  
Morton, Texas

### Local FFA Chapter Honored Instructor At Farewell Party

The FFA chapter held a farewell party in the high school gym Tuesday night, March 29, in honor of their departing instructor, Andrew Essary, who resigned his teaching post in Morton High School effective April 1. Mr. Essary plans to make his home in Lamesa where he will manage his own feed and seed store. Thirty-five people attended the party. Basketball and volleyball were played by those attending. As a going-away gift, the classes formerly instructed by Mr. Essary presented him an initialed cigarette lighter.

### Mrs. F. Barker Presented In Book Review to Large Audience Thursday

Mrs. Frank Barker was presented in a review of Lloyd C. Douglas', "The Big Fisherman" by the Wesleyan Sunday School Class, last Thursday night at the First Methodist Church. 85 persons attended the review, which was very capably presented by Mrs. Barker. Concluding the review guests were invited to the church dining room where refreshments of hot punch, open faced sandwiches and plum pudding was served by members of the host class.

### MORTONITES ATTEND BALL GAME AT LUBBOCK

Morton men turned out Tuesday afternoon to see an exhibition game between the New York Giants and Cleveland Indians which was played at Rosenthal Field in Lubbock. The Giants pounded out a 8-4 win over the Indians.

Among those men who attended were: E. L. Willis, Doc Long, L. A. Cochran, Shot Mills, P. B. Ramby, Zeke Sanders, Bill Williamson and C. A. Moore.

MR. T. S. KNOX, brother of J. B. KNOX, spent the night Monday in the KNOX home.

### LEHMAN NEWS

Mr. and Mrs. W. G. Freeland, Mr. and Mrs. Tom Lynch and Mr. and Mrs. Woodrow Cunningham spent the week-end in Carlsbad, New Mexico.

Mrs. Paul Liles and Mrs. L. C. Keith spent Monday in Lubbock shopping.

Mr. and Mrs. Jim Clampitt and Mr. and Mrs. P. E. Liles visited in the L. C. Keith home Sunday evening.

Mr. and Mrs. L. W. Marlar and Kay went to Post, Texas Monday to visit with Mrs. Marlar's brother.

Mrs. F. L. Fred and Mrs. Paul Liles spent Friday in Morton attending the Tailoring School being taught by Miss Mary Ruth from College Station.

Mr. and Mrs. Paul Liles visited with the W. G. Freelands Friday night.

### ATTENDED LEGION-AUXILIARY CONVENTION IN LUBBOCK

Mr. and Mrs. Albert Morrow and Mrs. Hessie B. Spotts attended the Legion and Auxiliary convention in Lubbock last week-end. Mrs. Morrow, auxiliary president 19th district, presided during the Auxiliary sessions.

### C. P. McDERMETTS MOVE HERE FROM LUBBOCK

Mr. and Mrs. C. P. McDermott and son, Michael, have recently moved to Morton from Lubbock. Mr. McDermott will work with his brother, J. W. McDermott, who has the Liquefied Gas Company in Morton.

### VISITED IN WEAKS' HOME

Mrs. T. J. Weak's of Lubbock spent the week-end in Morton with her son and daughter-in-law, Mr. and Mrs. W. J. Weak's. Also, visiting in the Weak's home was their daughter and her family, Mr. and Mrs. Dwane McClintock from Tahoka.

### WEEK-END VISITORS

Mr. and Mrs. C. W. McClintock of Tahoka visited this week-end with their son and his wife, Mr. and Mrs. D. D. McClintock. Mr. McClintock's brother and sister-in-law, Mr. and Mrs. Dwane McClintock also visited there.

### PLAINVIEW VISITOR SUNDAY

Mr. Roy Smith was in Plainview Sunday where he spent the day with his sister and her husband, Mr. and Mrs. Travis Dunn.

### \$176.68 FOR RED CROSS DRIVE

Contributions totalling \$176.68 were received from students and faculty of McMurry college during the 1949 Red Cross drive, Joyce Sherrill, senior from Sudan and Howard Graham of Farwell, chairmen, announced.

**Riding Circle Around Whitefaces**

by Art. N. Wall

On the evening of April 15th the senior class of the Whiteface High School will have their annual class play. This year it will be a three act play by Hilda Maning titled "Going on Seventeen." This play promises to be full of fun and excitement from the first act to the very last. Mrs. Clemmons is coaching the seniors and they are rehearsing very hard in order to give the public an evening of good entertainment on that Friday night.

Tuesday, March the 29th the senior class gave a cake walk. Due to a bad dust storm this affair was not too well attended. The class needed the money too, so it was a shame they failed to draw a good night and a good crowd. Guy Spurlock reported that he faced the "duster" and for his effort won two cakes and a pie. (This is just a tip-off, seniors, now you know where those two cakes and that pie disappeared to).

Friday, April 1st, Bledsoe, Morton and Whiteface had their athletic tournament. School affairs are drawing gradually to a close as the term nears its end so athletic tournaments will be winding up soon till next season.

Rev. Roy Patterson is up and about after his appendix operation but still a mite shaky. Anyhow he hasn't got to where he can pitch horseshoes worth a hoot yet.

Speaking of horseshoe pitching or pitching washers, unless you are really good, don't get in a game with Mr. J. H. Key or Mr. A. D. Walker. Those fellows are positively uncanny with a set of washers or horseshoes. If I remember right I was still trying for one measly little point when they went out. On the other hand, Claude Williamson and Herman Elliott can not pitch horseshoes. The only reason they beat Sam Rankin and Art Wall was that we are getting old, we were pitching at night under a weak electric bulb, and we could not see good. Someone easy to beat at both games in Ben Neal.

Mr. and Mrs. Stephenson of Stephenson's Drug have moved into Whiteface a two room house. It is setting on the lot adjoining the Clemmons home. Mr. and Mrs. Stephenson are remodeling this house and it will be for rent.

Mr. David Alvarado left for California last week. David had made many friends among both older people and the younger set. He had been employed in the construction of the Stanolind Gasoline Plant. But as that work is done he will now live in California where he will be employed by his father.

Mr. Cecil Thompson was ill last week with the flu. Cecil is now back at work. He is employed by Stanolind Oil and Gas Co. The Methodist Church of Whiteface is striving for a goal of at least 100 attendance in congregation each Sunday between now and Easter. Rally cards, seventy-five cards in all, were mailed out to the congregation asking them to attend services at this church on those Sundays. This church has an average attendance of 40 each Sunday out of a congregation of about 219. Each member should make every effort to increase this attendance from 40 to 100. Help your church, it will help you.

Now talk about kids getting a thrill the first and second grades of the Whiteface school got one, Friday the 1st of April. These two grades got on the train at Whiteface and rode it every bit of the way—that whole long distance—to Bledsoe. Now talk, or write about I should say kids excited, folks you couldn't corral any of them with forty good cow ponies. The teachers of those grades went with these all-American youngsters and the round trip was sixty-four cents per student. Congratulations to the person who thought this trip up, its a great idea and gave the kids something to remember their whole life. Congratulations to the teachers for the good care of the

children and congratulations to engineer, fireman and brakeman for getting the kids there and back and last congratulations to the conductor for without realizing, he has trained every kid in Whiteface who took the trip to yell "Tickets please" in real conductor's style.

Personally, I would have given sixty-four cents and then some to have gotten the heck out of there when I first saw my train. I was scared to death and I was "Going on Seventeen" too.

Roping strays—Jaukaleta, pronounced, Walk-a-le-ta. That is a lady's name. Mrs. Howard Brown's name. If you want an enjoyable evening, with Howard Brown playing his guitar and singing, spend an evening at their home. And good eats—Jaukaleta Brown can really produce some wonderful food from her kitchen. Wayne, Betty and Jimmy are the Browns' children and fine kids too. Now isn't that a pretty name, Jaukaleta? An Indian name.

**Wood, Smith are Elected Captains**

In a meeting of Lettermen of this year, who will be eligible for next year's team Ted Wood and Royce Smith were chosen to lead the team into next year's grid season.

Ted, elected captain, will be playing his third year on Morton football teams. He has lettered two years, year-before-last at left guard and the past season at right guard. He plays the lead in the Junior play this year.

Royce, elected co-captain, is one of those all-round athletes; he lettered in football and basketball last season, plays center-field on the present baseball team, participates in 4 events on the track team. He stands well scholastically also, and is in the Junior play. "So Help Me."

**Seniors Plan Trip**

The seniors decided last Monday where to go on the senior trip. The trip proposed by the committee working on the trip was accepted.

The seniors will spend their first night away, in Bryan, Texas, and will reach Galveston to spend the next two nights. Houston and Austin will be "explored" by the seniors before they start home.

MR. and MRS. L. W. RAY and MR. RAY'S father, W. B. RAY, were business visitors in Brownfield Sunday.

**Locals Win One, Lose One Game**

Morton High journeyed to Lubbock last Monday afternoon, and made a very impressive showing before bowing to the highly-touted Westerner "nine" 7-8.

Lubbock built up a steady lead until they had a 6-0 lead at the end of five innings of play, but Morton burst loose for seven big runs in the top of the sixth to take a 7-6 lead and appeared on the way to victory when Lubbock tallied a run in the bottom of the seventh to send the game into extra innings.

The Westerners then won the game with a run in the bottom of the ninth inning.

Tuesday afternoon the Indians journeyed to Whitharral, and this time "brought home the bacon" in the form of a 13-10 victory behind the steady twirling of Harold Brady.

Winder and Wall led the locals at the plate. Winder beating out a bunt and getting two hits against Lubbock, which Wall equaled, then getting two hits, one a triple, against Whitharral, Wall got one.

**BRIEF VISITORS SATURDAY**

Mr. Sam A. Easley of Georgetown and Mr. L. A. Crabb of Lubbock visited briefly Saturday with Mr. and Mrs. Milton F. Brown.

**LOWER AND SHORTER HOODS**

Lower and shorter hoods on the 1949 Chevrolets add 11 feet of highway to the driver's forward vision. Also important to driving safety is improved visibility at the rear. An area 24 feet closer to the car can be seen through the rear vision mirror.

**Woman's Work Is Easily Done . . . ELECTRICALLY**

Remember when grandmother sighed over the wisdom in the old saying "Man works from sun to sun—woman's work is never done?" It's not like that today—thanks to electricity.

In a home where electricity is used, woman's work can be done much more easily, and rapidly than in the old days. Too, it's done economically, because the cost of dependable electrical service is so low.

Look around your home and notice in how many ways electric service is making it easier for you to be a real homemaker. You'll be surprised and pleased, and odds are you'll soon be shopping for more electrical appliances to take even more work off your hands.

**Agricultural Short Shots of Interest**

Modern power resources and mechanical conveniences for the home offer each American family the equivalent of 40 slaves, but a survey of rural housing and home conveniences shows that farm homes do not have as large a share of this "slave labor" as city homes.

Fire destruction in the United States broke all records in 1948, when more than \$711 million of the nation's resources went up in flames. This was the greatest destruction by fire in a single year in the history of the nation, the National Board of Fire Underwriters says.

Ten years ago, in 1939, a dollar would buy a dozen eggs, (39c), a pound of butter (30c), a sack of 20 oranges (25c) and a tall can of milk (6c). Today, the same dollar will buy one pound of butter (80c) and five eggs (49 cents a dozen).

There is a new product on the market. It's a frozen citrus puree from which orange or lemon sherbert can be made. It is satinsmooth and rich in ripe, full, natural fruit flavor.

To mend a frayed or broken electric cord, splice the wires together and solder them. Tape each of the wires with rubber tape, then tape both wires together with friction tape.

Adding Machine Paper at the Tribune Office.

**15 Completions; 13 Locations in Levelland Area**

During the past seven days 15 new completions and 13 new locations in the Levelland area were reported to the oil and gas division of the Railroad Commission of Texas. This is a decrease of five new completions and an increase of one new exploration from last week's total.

Hockley county had 11 of the newly completed wells. The Levelland field had six, the Slaughter field had three, and the Smeyr field two.

The Cochran side of the Levelland field had four new producers.

Applications were filed for eight new projects in Hockley county. Cochran county gained five new drillsites. One amended application was reported for Cochran county.

New locations in this area are as follows:

**COCHRAN COUNTY**

Wise & Hawkins, et al, No. 3 Gunnels, 1,906 feet from south and 440 feet from west lines of tract 15, league 131, F. O. Subdivision, rotary, 5,000 feet depth, Levelland field, starting at once.

DeKalb No. 2 W. C. Elliott, 440 feet from north and east lines of tract 12, section 22, block V, P. B. Penney strip, rotary, 5,100 feet depth, Levelland field, starting at once.

DeKalb No. 3 W. C. Elliott, 440 feet from south and west lines of tract 12, section 22, block V, P. B. Penney strip, rotary, 5,100 feet depth, Levelland field, starting at once.

Amended: Ashland Oil & Refining Company No. 2 Imogene May, 440 feet from north and west lines of labor 20, league A-5, Midland CSL survey, cable, 4,946 feet depth, Levelland field, starting at once to deepen.

H. L. Cain and Homer G. Maxey (Midland) No. 1 L. S. Roulain, et al, 467 feet from east and south lines of tract 8, league 130, subdivision 2, combination tools, 5,000 feet depth, wildcat, five miles south west of Lehman, starting immediately.

**Local Delegates Scheduled to Attend Garden Club Convention at Hereford**

Mrs. Roy Hill, Mrs. Fred Stockdale and Mrs. Cliff Davis are delegates scheduled to attend the District One, Texas Garden Clubs, Inc., third annual convention in Hereford on Friday and Saturday, April 8 and 9. Delegates and visitors will register from 8 to 10 o'clock on Friday morning at the First Christian Church of Hereford, convention headquarters.

Mrs. Albert Morrow of Morton is District, County City Beautification Chairman for District One, Texas Garden Clubs, Inc.

During the two-day meeting, the varied program will include the election of district officers, presentation of awards, and committees reports. Outstanding lectures of interest to all garden club members as well as appropriate slide pictures and movies will be included on each program. Social activities will include luncheons, teas, and refreshments through the courtesy of Hereford clubs and organizations.

Highlights of the first day's program will be a lecture on "Growing Garden Chrysanthemums" by L. F. Bennett of the Cunningham Floral Company in Amarillo. Dr. W. W. Yocum, Professor of Horticulture and Plant Industry Department, Texas Technological College, Lubbock, will be main speaker on the program Friday evening at 7:45. His subject will be "Home Beautification for the High Plains Area."

**VISITING PARENTS**

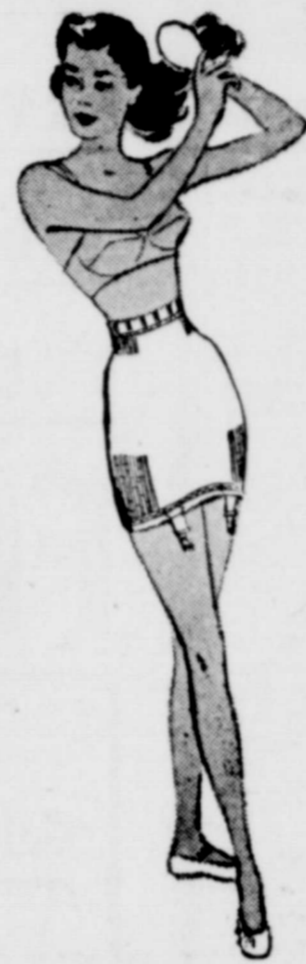

Mr. and Mrs. R. C. Strickland left Saturday to visit Mr. Strickland's parents in Meridian and will go on to Hamilton to see Mrs. Strickland's mother and bring her to Morton.

**VISITING IN OKLAHOMA**

Mr. and Mrs. C. W. Webb, Mr. and Mrs. Lowell Webb and baby, left Thursday to visit the Webb's daughter and her family in Broken Arrow, Oklahoma. They will be gone about a week.

**Summer Courses Offered Airmen At NMM Institute**

Men of Walker Air Force Base, Roswell, New Mexico, have a unique opportunity to better their education this summer through an offer made by the New Mexico Military Institute recently. Base personnel, through their Information and Education Office can register for a wide variety of night classes on either the high school or college level. Over 50 courses are available for Base personnel.

A few of the high school level courses are: Mathematics, shorthand, Science, Typing, English, History and Bookkeeping. Business Writing, Creative Finance Mathematics, Calculus, Effective Speaking, Choral Singing, Applied Psychology, Salesmanship, Accounting, Trigonometry, Analytics, Law and Chemistry—are but a few of the interesting college level classes.

Walker Airmen will register for chosen courses through their Airmen's Information and Education Office at WAFB. As evidenced by inquiries at 1 and E, the night summer classes will be well attended by Air Force men.

**This Will Taste Good in Texas**
