## Morton Lions Club Minstrel

Morton Lions Club in preparing a minstrel show for the entertainment of the community are to be commended for undertaking a show of such tremendous proportions at a time when everyone is so busy.

Members of the Lions Club, all business men, have spent time, effort and money in preparation for the show and from all indications it is going to be worth much more than the price of admission.

Citizens of Morton are familiar with the work done by the Lions Club in sight conservation, Boy Scouts and many other welfare projects. If you want to see and hear one of the best minstrels ever presented in this area plan now to attend one of the two shows scheduled for Thursday and Friday nights, April 28 and 29. Not only will you have two hours of fun and complete relaxation but you will feel that the money spent on admission will be used for a good and worthy cause.

## Voters Urged to Vote on Bond Issue Sat.

Voters of Morton Independent School District will be given an opportunity to express their opinion on a proposed bond issue at an election called here on April 23. Two of the proposals would have to be decided upon even though no bond election was called for. Of prime importance is proposition number one; to provide a uniform tax rate for the entire district; the third is for the Morton Independent School District to assume its proportionate part of the bonded indebtedness of the new territory now included in the district.

These propositions were brought about by the addition of new territory into the Morton Independent School District and as the Tribune understands this issue, **THERE WILL BE NO INCREASE OF TAXES** since the growth of the district has increased the valuation of taxable property.

The second proposition has to do with a \$100,000.00 bond issue for construction of a new gymnasium for Morton schools. It is a well known fact that the present gym is totally inadequate to care for spectators at any event presented by the school. As it is the old gym will not accommodate more than one half of the student body and there are no dressing rooms.

If the bond issue carries and a new gym built there will be sufficient seating space provided as well as dressing rooms for home and visiting teams.

It is the honest opinion of the Tribune and many others around town that all qualified voters interested in the growth and future well being of citizens and the school should go to the polls Saturday, April 23 and vote for the bond issue. Whether you vote "yes" or "no" study the proposition and vote.

## A Fair Offer in the Public Interest

Vincent Lockhart, publisher of the Canadian Record, might well be speaking for all editors and publishers, in his very timely editorial published in a recent issue of the Canadian Record. The Tribune is heartily in accord with Mr. Lockhart who says:

The Record has had a great deal to say, in recent weeks, about the publication of county and city financial statements, as required by law. This is not the first, nor will it be the last word on that subject in these columns.

We believe that if such publications are required by law, and they definitely are, that officials sworn to uphold the law should certainly obey it.

We believe that the citizens in general are entitled to have information regarding the financial affairs of their city and county governments made available in a public manner through a public journal, as provided by law.

We have repeatedly invited Hemphill county and Canadian city officials to make public their own views on this subject in these columns, and so far none have taken advantage of the offer.

We have been advised, however, through the columns of The Hemphill County News, that "the mayor feels that the publishing of a complete financial statement would be an unnecessary and useless burden on the taxpayers."

We are similarly advised that "the county clerk thinks that it would cost the taxpayers around \$1500 a year to publish a complete financial report."

We would personally like to see the day when we could command \$1500 for publishing a report of any kind in this newspaper. That would require one hell of a big financial statement, and we don't mind saying that it would vastly improve ours.

But that's bunk!

We don't know, because we've not been privileged to see one of the things, just how much the legal rate for such publication may be. We do know that the cost to counties the size of Hemphill which do obey the law is nowhere near that figure.

But whatever the cost, we'll make this offer here and now:

If our county, or our city officials will bring us a certified copy of their financial statements, and inform us that county and/or city cannot afford the cost of their publication at the regular advertising rates, then we'll undertake to publish same free of charge as a public service.

## April Brings Plans For Vacations

The month of April usually brings the first days of near-summer weather to Texas, and literally thousands of Texans commence to make serious and detailed plans for their annual vacation which is of great importance to the health and well being of every man and child.

A vacation can relax nervous tension, bring renewed vigor, and usually supply an opportunity for more sunlight and outdoor activities than is customary for office workers and those of sedentary occupations. But traveling to vacation spots for the purpose of "roughing it" can also bring a serious health menace in the form of typhoid germs from impure water supplies, and for this reason, Dr. Geo. W. Cox, State Health Officer, advises all persons contemplating such a vacation to first be inoculated against typhoid.

"Persons planning a vacation where sanitation standards may not be carefully observed, should protect their health by typhoid inoculation, and thus avoid the risk of serious illness from this debilitating and sometimes fatal disease," Dr. Cox said. "An individual not previously rendered immune, can establish immunity by having one typhoid vaccine injection administered each week for three weeks; if he has kept his immunity from a previous inoculation, one 'booster' shot each year will keep him protected from typhoid."

Dr. Cox warned that impure water is not the only means of spreading typhoid, and cautioned against the careless exposure of food and milk to flies, roaches, rodents, and other germ-spreading pests.

### TO EL PASO AND MONAHANS

Mr. and Mrs. F. F. Roberts left Monday for El Paso and Monahans. Mr. Roberts will attend Shrine ceremonies in El Paso while Mrs. Roberts visits with her sister in Monahans.

### CITATION BY PUBLICATION

THE STATE OF TEXAS  
TO: O. A. ALSTON—GREETING:  
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 23rd day of May, A. D., 1949, at or before 10 o'clock A. M., before the Honorable District Court of Cochran County, at the Court House in Morton, Texas.

Said plaintiff's Amended Original petition was filed on the 7th day of April, 1949.

The file number of said suit being No. 782.

The names of the parties in said suit are: J. B. Nicewarner as Plaintiff, and O. A. Alston et al as Defendant.

The nature of said suit being substantially as follows, to-wit: This is a suit by plaintiff against defendant O. A. Alston for foreclosure upon two automobiles, one 1948 Chevrolet Special, Engine No. FAA-819649, Serial No. 5FKL-55518, and one 1949 Ford, Motor No. 99VA-312924, both now in custodia legis, and alternative, ly for title and possession thereof. The debt sought to be foreclosed is in the principal amount of more than \$1,000.00 each on the two automobiles.

Issued this 11th day of April, 1949. Given under my hand and seal of said Court, at office in Morton, Texas, this 11th day of April, A. D., 1949.

T. W. Pierce, Clerk, District Court, Cochran County, Texas  
By Juanita McBee, Deputy.

## LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

### IS BIGNESS BAD?

Many critics of our American system use big business as a special target for their changes, big business throttles competition, creates monopolies, maltreats labor, and kills small enterprises. Their attitude toward big business represents more than a natural dislike for bigness in business. It also shows their shrewdness in using the propaganda weapon to destroy our system.

Realizing that many well-meaning Americans are somewhat uninformed as to big business, they play on misconceptions to create hostility. They spend large sums of money and countless man-hours of effort in an attempt to discredit big business. If they should succeed in getting public opinion on their side, it soon would be reflected in legislation which could well destroy this segment of our economy, and eventually turn our entire economy into state socialism.

"Grown Up" Business  
Big business is nothing but small business grown up. The beginnings of nearly all our large companies can be traced to small garages and basement enterprises. They grew up because the public allowed them to do so. No business can become big business without public approval. The public, by either rejecting or accepting a product or service, judges whether a company will prosper and grow, or die a quick death.

The only way a company can get this approval is by giving the consumer his dollar's worth. Public approval cannot be bought. It is earned through the hard-work process of competing against scores of other companies and giving John Q. Public a better washing machine, dress, or automobile for his money. As demand for a product grows, facilities must be increased to meet that demand. A business grows as the public, with its buying, dictates.

Good Dividends  
As business grows, it becomes more efficient and makes possible real savings to the public. The hand made automobile of half a century ago cost \$20,000. What happened to it? It gave way to a better, mass-produced machine for \$1,500. Mass purchasing, production and distribution result in economies impossible in small business. Larger investment provides also the

necessary extensive research demanded by keen competition.

This huge investment pays dividends to workers, too. Labor-saving tools multiply the productive capacity of the worker and ease the load from his back. This greater production allows him higher pay and shorter hours and puts him in a class far above workmen of any other nation. There are no sweatshops in big business. Business growth provides more and better jobs with greater security.

Bad for Whom?  
Small business has fared well in this progress story. You see, big business has created thousands of enterprises that owe their existence to its production. Without the huge output provided by the automotive industry, the average city would be without its many accessory stores, radiator shops, repair shops, filling stations, parking lots, and garages. Far from being exterminated, small business continues to develop.

Big business has made a striking contribution to our nation's prosperity and progress. As long as it is operated by human beings, there will be occasions for justifiable criticism. However, minor criticisms must not be allowed to destroy the true importance of big business to a grow-

ing nation. It is essential to a continued dynamic economy. The public, having created big business, will further prosper by its continuance.

## Woman's Work Is Easily Done . . . ELECTRICALLY

Remember when grandmother sighed over the wisdom in the old saying "Man works from sun to sun—woman's work is never done?" It's not like that today—thanks to electricity.

In a home where electricity is used, woman's work can be done much more easily, and rapidly than in the old days. Too, it's done economically, because the cost of dependable electrical service is so slow.

Look around your home and notice in how many ways electric service is making it easier for you to be a real homemaker. You'll be surprised and pleased, and odds are you'll soon be shopping for more electrical appliances to take even more work off your hands.

Lyons, Mrs. Brook's Room, Mrs. Lindsey's Room, Mrs. Elliott's Room, Mrs. Wolfenberger's Room, Mrs. Tubbs Room, Mrs. Smith's Room, Mrs. Rankin's Room, Miss Reid's Room, Mrs. Richardson's Room, Mrs. Patterson's Room, Mrs. Harvey's Room, Mr. Wolfenberger's Room, Mrs. Snodgrass' Room, Mrs. Dennis' Room, Freshman Class, Rupert McCasland, Leah Jackson.

Team captains soliciting funds are commended by Red Cross Chairmen for their splendid cooperation in making a door to door canvass in the interest of the drive. Morton men who took part in the campaign were: Roy Allsup and E. A. Timian; P. B. Ramby and Murray Crone; Courtney Sanders and Scott Hawkins; Truman Doss and Raymond Strickland. C. D. Ray, county chairman, received several checks in response to letters he mailed out to various out of town firms and individuals prior to the campaign.

**FAMILY GATHERING HELD IN W. A. LINDSEY HOME SUNDAY**

The W. A. Lindsey home was the scene of a family gathering Sunday with all the Lindsey children and grandchildren attending. After a lovely dinner an Easter egg hunt was held for the grandchildren.

The following people were present: Mrs. Emmett Jones and girls of Clovis, New Mexico; Mr. and Mrs. Vincent Vialle and boys, Mrs. Virgil Humpherys and Donna Kay of Levelland; and Mr. and Mrs. Cecil Lindsey and boys of Morton.

**CITATION BY PUBLICATION THE STATE OF TEXAS**

TO: O. A. ALSTON—GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 16th day of May, A. D. 1949, at or before 10 o'clock A. M. before the Honorable District Court of Cochran County, at the Court House in Morton, Texas.

Said plaintiff's Amended Original petition was filed on the 2nd day of April, 1949.

The file number of said suit being No. 780.

The names of the parties in said suit are: First State Bank of Morton as Plaintiff, and O. A. Alston et al as Defendant.

The nature of said suit being substantially as follows, to-wit:

This is a suit filed by plaintiff First State Bank of Morton, Texas, against the defendants O. A. Alston, N. C. Faulkner and wife, Vera Faulkner, Pacific Finance Corporation, and Wood Brothers, a partnership lien upon one 1949 Mercury Sedan Automobile, Motor No. 9CM-38343, now in custodia legis and alternatively for title and possession thereof.

That the defendant, O. A. Alston did execute and deliver to plaintiff his promissory note dated January 31, 1949, for the principal sum of \$2,405.00 payable to the order of plaintiff at Morton, Texas, on or before February 5, 1949, and to secure said note and payment thereof the defendant, O. A. Alston executed and delivered to plaintiff his certain chattel mortgage lien against said automobile. That said note is past due and unpaid and plaintiff has made demand for the payment thereof but the defendant, O. A. Alston has failed and refused and still fails and refuses to pay the said note or any part thereof.

That all other defendants are claiming some interest in said automobile, the nature of which is unknown to plaintiff, and plaintiff prays for judgement for the amount of its debt, for foreclosure of its lien against said automobile, and order of sale; and in the alternative that plaintiff have judgement against all defendants for the equitable title to said automobile, and that said title be decreed superior to any right, title or interest of any of said defendants.

Issued this the 11th day of April, 1949. Given under my hand and seal of said court, at office in Morton, Texas, this the 11th day of April, A. D. 1949.

T. W. Pierce, Clerk, District Court, Cochran County, Texas By Juanita McBee, Deputy. (SEAL) 7-8-9-10

**Brown, Fleanor, Neagle Win Style Review Held Tuesday**

Nell Brown, Katherine Fleanor and Sybil Neagle place first, second and third respectively in the style revue in the Home Economics department last Tuesday, according to Sybel Barnett, FHA reporter.

Approximately 6 girls modeled dresses appropriate for school, street, and afternoon. Models were judged on the basis of how well the garment fit, how suitable the accessories were, the

evenness of the hemline, and construction. The high school faculty ladies judged the revue and emphasized that it was the "hardest task they had attempted in a long time!"

Nell Brown modeled a plaid taffeta afternoon dress with green and white accessories, Katherine Fleanor a small plaid taffeta two piece dress with red and white accessories, and Sybil Neagle a two piece brown and white cord street dress with brown and white accessories.

Martha Willis wore a black and white cord school dress with white anklets and saddle oxfords, Janelle Jones a pretty pink school dress with a white belt, and Peggy Lilledahl modeled a two piece pink street dress with black and white accessories.

Ruth Baker was reader for the revue.

First place winner will participate in the Style Revue, April 23 at the Texas Technological College Open House in Lubbock. Approximately 100 high schools will be represented in this revue. All the Home Economics girls desiring to attend the open house will be accompanied by Mrs. Marie Benham, Home Economics instructor.

**Father of Mrs. W. C. Wright Dies at Lamesa Home**

Funeral services were held Friday afternoon, April 15 at 3 p. m. for Charles Douglas Applegate, father of Mrs. W. C. Wright, who died suddenly at his home in Lamesa Wednesday night. Mr. Applegate, well known real estate dealer, lived at 706 South Fourth street, and had made his home in Lamesa and Dawson county since 1924.

**Business Matters Discussed at Lions Meet Wed.**

Regular weekly meeting of Morton Lions Club was held Wednesday noon, April 13 in dining room of First Methodist Church.

President Zeke Sanders conducted a business meeting; at which time it was announced by M. C. Ledbetter, chairman of group to select representative to Boy's State, that Lonnie (Bo) Allsup had been chosen.

**Hospitalization Rules for Vets Are Clarified**

Procedure for gaining admittance to veterans hospitals in emergencies, was given this week by Arthur Cook, Cochran County service officer.

"Arrangements in an emergency may be made by telephoning the admitting officer," Cook said. "Full particulars should be given, and authority for entry should be requested, and also for reimbursement of necessary travel expense."

**Social Security Official to Visit Morton April 28**

Elliott W. Adams, Social Security Administration Representative, will be in Morton at the Post Office at 11:00 a. m. on April 28, for the purpose of answering any question anyone may have on social security; to discuss possible benefits and to take claims from persons who seem to be entitled to benefits; and to take applications for social security account number cards.

Federal old-age and survivors insurance—social security—provides monthly payments for retired insured workers after they are 65 and for survivors of deceased insured workers. Further information can be secured from your social security representative when he visits Morton on the above date.

**LULA MAE WALL RE-ELECTED COLORED SCHOOL TEACHER**

Mrs. Lula Mae Wall has been re-elected as teacher of Morton's Colored school, it was announced here this week by Carl Macon, superintendent of schools.

Mrs. Wall is one of the few teachers in Morton holding a master's degree.

**LEHMAN NEWS**

Not too much going on in the Lehman community at present. Trucks are noted on the highways hauling the rock for the new road which is badly needed. Its completion is eagerly anticipated.

Mr. and Mrs. L. Marlar and Kay visited with the W. H. Bentons in Smyer, Texas last Thursday.

Mr. and Mrs. P. E. Liles and children spent Easter visiting in Sylvester and Longworth, Texas. On the return trip home they stopped briefly at Smyer with Mr. and Mrs. W. H. Benton. Mrs. Benton suffered a broken leg recently and is greatly improved.

Mrs. J. W. Rhodes will host the Lehman H. D. Club this week.

**HARVE ANDREWS VISITED IN SOUTH AND CENTRAL TEXAS**

Mr. and Mrs. Harve Andrews returned a few days ago from an extensive trip to south and central Texas.

They visited in Houston, Galveston, Baytown and Cameron and returned by way of Ft. Worth where they attended the "Ice-captades".

Mr. Andrews said the ice show was one of the best he had ever seen.

While in Cameron the Andrews did some fishing. He caught a forty seven pound catfish in the Little river there.

Approximately 312,000 victims of 303 disasters were helped by the Red Cross last year.

Tribune, Morton, Cochran County, Texas, Thursday, April 21, 1949

**Riding Circle Around Whitefaces**

by Art. N. Wall

In regards to the senior play "Going On Seventeen" everyone agrees on one thing, it was a perfect job of casting. Raymond Galvin fit perfectly into the blundering young brother just going on seventeen. Elsa, the maid was tops, played by Joyce Steele. Margaret Spurlock eased through her part as though acting was something she had done all her life but still this column could not pick a star in the play, as each of the fourteen members of the cast played their parts so perfectly. Mary Lue Moss and Bonnie Lewis have always been favorites of mine due to their basketball playing and now they showed me they can act, too.

At the Church of Christ, Sunday, Brother Barker from Abilene delivered the sermon. This was on Easter Sunday.

Mr. and Mrs. "Red" Stephenson on Sunday the 10th were visited by their son-in-law and his wife, Mr. and Mrs. F. E. McNabb from Ropesville.

Mr. and Mrs. W. C. Whitaker had his mother and sister visiting them from Brownfield on Sunday the 10th.

Brother Gaines preached at the Church of Christ on Sunday the 10th. This church enjoyed a large crowd that day and extend a hearty invitation to everyone to visit them each Sunday.

The Whiteface Lions Club are considering whether to show their minstrel at Sundown. If the club decides to do so it will be a wonderful opportunity for those who failed to see it when staged in Whiteface to visit Sundown and see this minstrel. You would be assured of an evening of good fun.

We were talking horseshoe

pitching the other night and someone asked, "Why don't we have a horseshoe pitching contest?" I think that vacant lot by the post office would be a fine place to pitch. When the folks come in to get the mail there would always be the chance of some old boy riding in who would show us how to really pitch horseshoes.

Gerald Crupper, employee of Stanolind Oil and Gas Company on Mallet "G" lease, with Mrs. Crupper, drove to Borger, Texas on March 11th. They were called there by the illness of Mrs. Crupper's sister.

Thanks, Tack, of the Amarillo Globe-News, for your subscription to the Morton Tribune. I think that was mighty fine of you to subscribe to it. The Tribune is a good paper from a good town. We have lots to be proud of and to talk of here.

Miss Paulene Reid, first grade teacher, of the Whiteface Public Schools, is now teaching again after an absence of a week due to illness. Mrs. Velon Townsend taught during Miss Reid's absence.

The Stanolind Oil and Gas employees have organized a softball team. They are practicing at the Stanolind Slaughter camp. This team has all the promises of being a good one.

Howard Brown, employee of Anderson Prichard, and who lives six miles south of Whiteface, is getting madder than a hornet. Here is the reason—Howard can not find any musicians. Howard plays the guitar and sings. If there is anything he likes it is to get with someone who can play a violin or some other instrument and really warm up to some good old "hoe-downs". So far Herman Bowman and Jess Ramsey are the only two Howard has found who plays with him. Though both are good Howard says he craves more musicians. Anyone who can "whip" a violin real hard write Howard at box 961, Whiteface.

Here is one I heard and if it hasn't been published it should be:

An easterner was visiting San Antonio. He asked a big-batted, booted Texan, with a long wairus mustache, "What is that old ruin over there?"

The old Texan pulled his hat a little lower over his eyes, hooked his thumbs in his belt and answered slowly, "That 'ar am the Alamo. In that building 136 Texans allows as how 15,000 Mexicans couldn't whip them and held them Mexicans off for four days to prove it."

The easterner nodded then pointing to a hill asked, "And that statue of a man on horseback there. Who is he?"

The Texan swayed back on his boot heels a bit, pulled at his mustache a time or two then drawled, "That statue is of a fair-to-middling Texas Ranger. Wasn't too fats on the draw, allow as how he was easy to go for his gun though. He broke up thirty riots single handed and went up against forty Apaches with nothing more than a carbine to back him up. Yep, he was a pretty good Ranger." Then the Texan rolled his chew over in his mouth a time or two, spit, squinted at the easterner and asked, "Where you from, Mister?"

"Boston", answered the easterner. "Now we have our heroes—there was Paul Revere."

"Paul Revere," bellowed the Texan, jerking his hat down tighter on his head and saying as he stalked away, "That man who had to ride for help."

**TEXAS TECH PROFESSOR TO SPEAK AT COMMENCEMENT EXERCISES HERE MAY 17TH**

Dr. E. M. Jones, vice president of Texas Technological College has accepted an invitation to speak at the commencement exercises May 17, 1949, according to Wayne Shaffer, president.

Dr. Jones is the first vice president of Texas Tech and before coming to Lubbock was president of Texas Arts and Industry at Kingsville.

### Jan Hawthorne Honored at Party On 4th Birthday

Little Jan Hawthorne was honored on her fourth birthday with a party at her home Saturday, April 16.

Each child was given an Easter chicken. The birthday cake was decorated with green grass coco-nut, Easter eggs, and topped with four lighted candles. Plate favours were Easter eggs and little chicks.

The children played games and opened the gifts. Cake and punch was served to the following children: Susan, Anna Jo and Terilyn Watson, Judy Lawson, Sandra and Jimmie St. Clair, Sandra Mathews, Missy Barker, Jane Sanders, Mike Todd, Robbie Barnard, Max, Dan and Ray Cravy, Gerry Essary, Mary Katherine and Shirley Miller, Willard Cox Jr., Lowell Hatcher, Kathy Huggins, Janice Timian, and Carolyn Sanderson of Amarillo who is a guest of the Millers. Carolyn Houston, who was unable to attend, sent a gift.

Sharon and Max Hawthorne, older brothers of Jan, were also there.

### Good Neighbor Club Meet Held In Elliott Home

The Good Neighbor Club met Thursday, April 14, at the home of Mrs. Billie Elliott. Several new members were present for this meeting.

Refreshments were served to the following members: Mesdames Dorothy Westerman, Alice Mae Brunson, Mamie Durham, Lur-lene Ray, Billie Lemons, Mary Ann Hanson, Lennie Rountree, Jean Skamblin, Ruth Wilson, Lot-tie Rose, Ruth Watts, Ila Weakes, Myrtle Elliott, Wanda Anglin, Marie Elliott, Mattie Grimsley, Lillie Worthington, Oneta Yeary, Ethlie Evins, Sylvia Masten and the hostess, Billie Elliott.

The next meeting will be held in the home of Mattie Grimsley.

The ladies of the Good Neighbor Club will entertain their husbands Friday, April 22, with a supper and 42 party at Veterans Hall.

### VISITED IN SLATON

Mr. and Mrs. David Todd and son, Mike, visited relatives in Slaton Sunday. Mrs. Todd and Mike remained there to visit for a few days.

### Highlights From Soil Conservation District Office

Fred W. Collins

There is considerable sub-marginal land, either shallow soils or sandy soils, in the CYT Soil Conservation District being seeded to grass this spring. Cooperators that have completed seeding are G. D. Lewis, four acres to Weeping Lovegrass and twenty acres to a mixture of Buffalo Blue Grama, Side Oats Grama and King Ranch Bluestem; E. P. Farmer, 40 acres to Weeping Lovegrass; Alvie Harris, 90 acres to Weeping Lovegrass; W. P. Houston, 16 acres to Weeping Lovegrass; Jo Jack, approximately 200 acres of depleted range land has been sown to Weeping Lovegrass. With the exception of Jo Jack all seedings have been made on dead grain sorghum stubble. This stubble will act as windbreak, in that the wind is kept off the soils surface, thus preventing movement of cutting sand particles injuring the tender grass seedlings.

To date 79 irrigation wells have been dug or drilled in Cochran county. Most of these wells are being used this spring. At the present there are five well machines operating within the county. Farmers that have had wells dug are as follows:

J. M. Rentfrow, T. C. Hodges, T. Roberts, C. A. Moore, G. C. Keith, Geo. Haskins, W. A. Lewis, M. A. and C. H. Silvers, W. B. Cox, F. F.

Rowland, W. S. Moss, R. H. Ward,roup, Sam Kelly, Pat Hatcher, W. C. Key, Max Bowers, R. D. Harrington, W. O. Harrington, Gow-an and Harris, Phillip Sinnacher, H. J. Greener, J. H. Barker, R. Z. Dewbre, W. J. Yates, E. D. Court-ney, J. D. Hawthorne, J. W. Bounds, Estate, Clayton Stokes, Syl Greener, Garrett and Schram, W. O. Willingham, A. G. Willingham, Leo Rizuskey, W. L. Moon-ey, H. Ward, J. H. Taack, C. R. Willis, W. C. Masten, H. Milligan, J. L. Sullivan, Alvin Ray, E. Shirley, Shorty Ware, S. E. Wil-liams, H. Russell, W. M. Neznast, C. E. Hedges, W. J. Bledsoe, A. M. McBee, J. R. Silhan, C. B. Jones, T. Smith, D. E. Benham, Vernon Blackley, Joe Weaks, P. J. Aus-mus, J. D. Slaughter, B. M. Rose and B. Taylor.

A total of 5.56 inches of mois-ture (rain, sleet, snow and hail) has been gauged at the local Soil Conservation District office from January 1, 1949 to date.

### Texas H. D. Assn. District 2 Meeting Held at Floydada

The annual meeting of the Texas Home Demonstration As-sociation for District 2 was held in the High school Auditorium in Floydada on Saturday, April 16. Lunch was served at noon by the Harmony Home Demonstration club. About 300 members and visitors attended.

Dr. Deward N. Jones, vice-president of Texas Technological College at Lubbock was the guest speaker at the meeting. He spoke on "Better Homes Make For A Better World."

Lois Wilson, Cochran county, participated in the program.

Mrs. D. A. Ramsey, Cochran County Chairman of T.H.D.A., Lois Wilson and Mrs. K. A. Wil-son of Cochran county attended this meeting.

### WESLEYAN GUILD MEETS MONDAY IN DANFORTH HOME

Wesleyan Service Guild meets in the home of Mrs. Fred Dan-forth, Monday night, April 25.

Mr. and Mrs. C. N. Hood and family of Ft. Worth visited in Morton over the week-end. The Hoods are former residents of Morton.

### RECENT GUESTS OF BAIRDS

Mr. and Mrs. Paul Cornwell and daughters, Peggy and Patty of Oklahoma City spent several days in Morton visiting Mrs. Cornwell's parents, Mr. and Mrs. C. A. Baird. The Cornwells re-turned to Oklahoma City Mon-day taking Mrs. Baird with them for a visit.

### RAYMOND STRICKLANDS ARE VISITING IN MEDIDIAN, TEXAS

Mr. and Mrs. Raymond Strick-land and daughter left Monday to visit Mr. Strickland's grand-parents in Meridian. Mrs. W. A. Wilson, Mr. Strickland's grand-mother, who has been visiting here, went with them and will return to her home in Hamilton.

### LOCAL MEN ATTENDING SCOTTISH RITE REUNION

## Miss Nelda Brisco Chosen to Attend Girl's State at Austin by Committee

Miss Nelda Brisco, 16 year old daughter of Mr. and Mrs. J. F. Brisco, was chosen by a group of five, to attend girl's state, at a meeting last Wednesday afternoon at high school.

Artie Hicks, representative from Lions Club, Mrs. Jim Gast, American Legion Auxiliary President, Mrs. Albert Morrow, Dean of Government for girl's state; Mrs. Lem Chesher and Mrs. Carl England, Auxiliary members, composed the committee making the selection.

Seven girls entered the try-out and were judged on leadership, character, courage, honesty, scholarship and cooperativeness. Miss Brisco, a junior in Morton High School, started school in Estacado, Texas; entering school here in her freshman year. She is secretary of the Choral Club, plays in the band and is an accomplished pianist. She has been on the school honor roll since her freshman year.

She was chosen Sophomore Football Candidate and is representative of the Junior Student Council. At present she is studying Civics, Grammar, Choral and Band.

Miss Brisco is an attractive blonde with golden brown hair and very blue eyes.

The six girls entering the try-out with Miss Brisco were: Beverly Blackley, Pat Weeks, Joye Seaney, Mona Zuber, Glenda Evans and Jamietta Jeter. Miss Weeks was chosen as alternate in case Miss Brisco cannot attend.

The Blue Bonnet Girls' State is a mythical 49th state organized and administered for citizenship training purposes under the auspices of the Department of Texas, of the American Legion Auxiliary. It is in fact, "A Laboratory in Practical Government," which will be held for high school girls for one week during the summer months.

The purposes is to give the young citizens of Blue Bonnet Girl's State a general outline of the functions and duties of city, county and state offices. The girls will set up their own city, county and state governments. They will elect their city, county and state officials to carry on these governments and will learn the duties of these various public offices. They will make and enforce their own laws and conduct their own elections. The basic laws of the state of Texas, consisting of the existing Constitution and State Statutes will be used as a guide. The caucus and convention system of nominating will be used in nominating the candidates for the various offices. The entire program is non-partisan and is not military in any sense. Problems will be considered without reference to any existing political party and will be free from propaganda. The political parties in Girls' State will be purely mythical. The sole purpose is to enable the girl to grasp the meaning of some of the responsibilities which she will be called upon to assume when she becomes an adult.

The administrative officers consist of the Department Officials of the American Legion Auxiliary, Department of Texas. The Directors, Counselors and Supervisor of Recreation, as well as visiting Staff Lecturers, are persons of high ideals unquested patriotism and academic achievement. Adult women of the highest character and experience in the leadership of girls will be in charge of dormitory units of thirty-three girls each. Visitors at the Blue Bonnet Girls' State will include numerous officials of city, county and state governments in Texas, each of whom will make some contribution to the program.

The standard of the young citizens of the Blue Bonnet Girls' State is necessarily high. Every girl who attends this state must be recommended by her High School Principal or some faculty member certifying that she possesses the ability to function as a leader among her associates and has an influence for good. Only girls who are physically fit will

## LEHMAN NEWS

(delayed one week)  
 Only fair attendance at Lehman Sunday School, probably due to the bad weather.

Lehman H. D. Club met in the home of Mrs. L. C. Keith, Wednesday afternoon, April 6. Mrs. P. E. Liles conducted the business meeting in the absence of the president.

Concluding the business session, Miss Manley, County H. D. Agent, discussed "Planning to Provide the Family Food."

The hostess served a refreshment plate to Mesdames F. L. Fred, Jim Clampitt, P. E. Liles, J. W. Pond, O. B. Huckabee, Wesley Gunter, E. L. Freeland, Charley Sanders and Miss Manley and several children.

Mrs. John Rhodes will host the club next on Wednesday afternoon, April 20.

Guests enjoying a "fish fry" in the W. G. Freeland home, Saturday night, April 9 were Mr. and Mrs. Tom Lynch, Mr. and Mrs. L. W. Marlar, Mr. and Mrs. P. E. Liles, and a large number of children.

Mr. and Mrs. P. E. Liles and children visited in the L. W. Marlar home Wednesday evening, April 6.

## W. G. YATES HOME SCENE OF FAMILY GATHERING SUNDAY

The W. G. Yates home was the scene of a family gathering Sunday with many of Mrs. Yates' relatives attending.

Guests included Mrs. Yates' mother, Mrs. C. H. Harbison of Melrose, New Mexico; Mr. and Mrs. Dell Lewis and daughter, Melrose; Mr. and Mrs. J. M. Keller and children of Bonners Ferry, Idaho; Mr. and Mrs. C. E. Harbison and children of Morton; Mrs. G. C. Yates and Charles of Morton and Odell Baker.

## MOVES TO MORTON

Mr. and Mrs. J. S. Harrison moved to Morton last Thursday. Mr. Harrison is the new clerk for the City of Morton.

MR. and MRS. REAGAN ORMAND and children visited in Sudan with relatives Sunday.

## Morton Indians Outscore Lobos 8-3; District Play

Bill Ed McDaniel of the Morton Indians, held the Levelland Lobos to four hits Tuesday afternoon, April 12, in Morton, as his teammates collected 10, winning over the Levellanders, 8 to 3, in a District 4-A contest.

The conference victory was the first for Morton, but it was the second loss for the Lobos in district play.

McDaniel struck out 16 batters and hit one batsman, Johnny Rayley walked one man and hit one.

Jimmy Winder and Waydelle Hill each got a triple.

## WEEK-END VISITORS

# MORTON HIGH SCHOOL ANNUALS ARRIVED; SPONSORS HONORED

Alan Bryan

The 1949 edition of the Lohah, high school annual, arrived Tuesday morning and approximately 250 issues were distributed, according to Glen Yeary, editor.

The sponsors, Mrs. Fred Danforth, O. L. Tilger, and Alan Bryan were honored by the senior class as having the annual dedicated to them. In the front of the "Lohah" is a picture of the sponsors and the dedication in which the staff expressed thanks and words of appreciation for their diligent and faithful service toward helping the senior class.

The annuals are handsomely bound in black padded leather trimmed in Gold with an Indian insignia on the front. An aerial picture of the city of Morton completely covers the end sheets.

The fly leaf bearing a huge Indian head and the writing was drawn by Bill Ed McDaniel, as was all the other art work throughout the book.

This annual carries the pictures of the Board of Education, the administration, faculty, the classes, favorites, activities, grade school students, five pages of ad-

Mrs. Fred Danforth

vertisements, and pages for autographs. It has a total of 80 pages. These annuals sold for \$3. a book and the business manager reports that the seniors "just about broke even."

Staff for the "Lohah" included the following:

Editor-in-chief, Glen Yeary; Associate Editor, Jim Winder; Make-up Editor, Bill Ed McDaniel; Snapshot editor, Wanda Hancock; Typists, Patsy Barton and Beverly Blackley; Business Manager, Audrey Faye Kelly.

About eight annuals have been published in the history of the Morton school, the first one being in 1938. A contest open to all high school students was held by the first annual staff and the winning name, "The Lohah" meaning "Reaching toward the sun" was submitted by Beverly Price. The library has a copy of each issue of the annual on file except 1947.

## Seven Sets of Twins In Morton Schools

"Two, four, six, eight, ten, twelve, fourteen!" That's right. Morton Schools have seven sets, or fourteen students that are twins. The Layton family has two sets enrolled in school at present. They are Teddy and Freddy who were born on October 15, 1932 and Leona and Lonnie who were born March 10, 1934.

Little Paul and Pauline Cox, born June 16, 1937 have some twin sisters who have not started

O. L. Tilger

to school yet. Royce and Joyce Hanna born September 19, 1937 have an older set of twins, Buddy and Bonnie who have graduated from Morton already.

Marcene and Jimmy Williams are in the second grade and were born December 15, 1940. Geraldine and Gerald Ramsey are in Junior High and their birthdays is January 8, 1936. But are these twins—Freddie Thompson was born April 30, 1940 and his brother, Eddie, was born May 1, 1940?

## WEBB WINS SECOND IN MILE RACE AT DISTRICT MEET SAT.

Veryl Webb placed second in the mile race at the district meet in Lubbock last Saturday, according to Melvin Crawford, coach. Webb beat the AA record by 14 seconds. Kenneth Wynn placed third in high jump.

Wynn is a sophomore and has participated in all kinds of athletics this year. He holds the title of "Tallest student in school" measuring 6 feet and 3 inches, and has potentialities of a good athlete.

Webb is a junior. His hobby and chief interest is athletics. He played with the first string football team some last fall and received a lettered jacket.

Entering in four events, Morton High School students placed high in the District 4A Literary Inter-scholastic League meet in Littlefield Monday, according to Wendell Watson, principal.

Helen Hodges won first in ready writing and third place in number sense. Jimmy Self and Charles Spencer placed 2nd as a team in spelling. Audrey Faye Kelly won third in shorthand with Wanda Hancock placing fifth. These girls took unfamiliar dictation at 80 words per minute.

District winners in all events will compete in the regional contests to be in Lubbock, April 23.

Mrs. Gray's first grade won the prize at the PTA meeting last week for having the most paid members present. This was a picture given by Mrs. J. A. Gowdy.

## OFFER PRIZE TO "MOST HUMANE" BOY OR GIRL

A \$100 U. S. savings bond and a framed certificate await the boy or girl selected by the nation's veterinarians for performing an outstanding act of kindness to animals.

The American Veterinary Medical Association, sponsor of the award, said nominations will be accepted up to May 1, 1949, and invited the public to submit entries now. The winner will be announced on July 11, at the AVMA convention in Detroit.

## VISITED RELATIVES SUNDAY

Mr. and Mrs. N. H. Lovelace, Dixie Dean and Mr. and Mrs. Bill Garrett visited relatives in Tokio, Texas, Sunday.

Nearly 2,000 highway first aid stations and more than 10,000 mobile first aid units were maintained and operated by Red Cross trained volunteers last year.

## WILLIAMSON, SMITH ENTER JOURNALISM CONTEST IN LUBBOCK

Gene Williamson and Sue Smith will represent Morton High School in the Inter-scholastic league regional contests for journalism at Texas Technological College in Lubbock, Saturday, April 23.

Five journalism contests will be held, the same contestants to participate in all five. These are news writing, editorial, feature, copy reading and headline writing. The contestant with the highest score and the one with the second highest score in all contests will be announced and the director general will certify them to represent his region in the state journalism contest at Austin some time in May.

This is the first time Morton has entered students in journalism. Other schools to be represented are Canyon, Lubbock, Tahoka, Fort Stockton and Kermit. Students will be accompanied by Mrs. Fred Danforth, sponsor of the paper.

## GRADES REPORT

Joan Amyx and Frank Head were chosen Good citizens in a meeting recently in the 6-1 class, according to Jan Winningham, reporter. Sheila Chandler and Jerry Embery were bad citizens.

Mrs. Watson's fourth grade brought eggs to class last Friday which they cooked and dyed in class. They had an Easter Egg hunt in the afternoon. All grades reported the traditional hunts and lots of fun.

Fourth grade students picked up rocks, sticks, glass, paper and such from their school yard last week. They also moved dirt from sand hills to lower places.

Mrs. Beard's room reports several new pupils in class and 8-2 welcomes two new ones—Janice Pledger from Kalamazoo, Michigan, and Homer Winslow from Levelland.

The Junior High basketball girls played in a tournament at Sudan Friday night. Results were not available in time for the paper to print it.

Both sections of the eighth grade are working very industriously on a one act play, "The Initiation," and some folk games to be presented Friday night, April 22. This program features famous people from all over the world—and some in Morton! Admission will be charged.

- Inspect radiator, tighten radiator hose and adjust fan belts.
- Road test car.

Why are more and more families  
choosing the Servel *GAS* Refrigerator?

# IT'S GUARANTEED FOR TEN YEARS!

Only Servel

**STAYS SILENT,  
LASTS LONGER**

Talk to folks who've had experience. They'll tell you, "The Gas Refrigerator is your big refrigerator value! It guarantees silent, dependable performance for ten full years!"

How can this be? Servel is different. There's not a single moving part in its freezing system to cause noise or wear. A tiny gas flame does the work. So Servel stays silent, lasts longer. Thousands of Servel's over 2,500,000 owners report theirs still on the job after 15, 18 and 20 years.

See the new Gas Refrigerator models today. You'll find every new convenience. And remember—you're sure of long-lasting noise-free, trouble-free performance with Servel!

You enjoy all these modern features

- Big frozen food compartment
- Plenty of ice cubes—trigger release trays
- Moist and dry cold for fresh foods
- Flexible interior—plastic-coated shelves
- Large dew-action vegetable fresheners
