MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, AUGUST 24, 1950 NUMBER 26

Crockett, Pierce, Baldwin Face Tough Battles Here

Eighteen county candidates for office who qualified on July 22 for the second primary are winding up their second campaigns this week with just 2 days left in which to campaign for votes.

The second primary to be held this Saturday, August 26, will find 9 county offices contested and another ten men contesting state offices.

Incumbants, Herman D. Crockett and T. W. Joe Pierce, Sheriff and County-District Clerk respectively face what is expected to be a tough battle with their opponents. Crockett was only able to get the second largest total vote in the sheriff's race last

month with W. M. Harryman posting a sizable majority. Pierce managed to control the most votes in a three cornered race for his office but Raymond Strickland, his nearest opponent, needs only a shift of a few votes to claim the victory in the runoff.

Fred Stockdale and Johnny Love, two newcomers to the candidate field will vie for the county judge bench.

Perhaps the hottest battle of all will be waged for the commission of Precinct One where two old timers to the county will battle it out. J. O. Hill and L. M. Baldwin are the two remaining from an original field of six candidates and both of these men claim a host of friends after long careers in Cochran county.

Amos Taylor and Guy Matthews are the Precinct One Constable candidates in a race that seems to be wide open. The same goes for the commissioner's post in Precinct two where anybody's guess is good as to whether E. C. White or G. C. Keith will come out victor.

A. G. (Pa) Jones, a write-in candidate for constable in precinct two will battle it out with Boots Campbell who captured his runner-up spot by casting lots with an opponent who was tied with him.

Roy Hill and H. L. Coon, neither one a candidate for any position in the first election, received enough write-in votes for the office of Public Weigher to

make them opponents in this race but no indication has been made that either would campaign for the post.

The same election judges will preside and they have been charged with duty of naming their own election clerks.

Six Morton girls have entered the "Panorama of the Plains" Queen's contest; they are Misses Beth Winder, Helen Taylor, Lura Taylor, Grace Ann Hawkins, Billye Lee Williamson and Mrs. J. C. Reynolds. Miss Mary Helen Keith of Whiteface, Cochran county, is also a contestant.

Cochran county candidates will compete with aspirants from Bailey, Yoakum, Gaines, Lamb, Hockley, Terry, Hale, Floyd, Motley, Dickens, Lynn, Garza and Dawson counties.

One girl will be chosen from these counties as Miss South Plains; runners-up in the contest will be princesses in the Queen's court.

The Queen's Court will appear each night with spectacular "Panorama of the Plains," an historical pageant of the Plains area which will be held nightly during the Panhandle South Plains Fair.

Mr. and Mrs. Benton Graham and children, Patsy and Sandy, of Barranquilla, Colombia, have been visiting here in the home of his sister, Mrs. Raymond C. Ross and family.

The Graham family have been on a two months holiday and have toured the Eastern and Western United States while vacationing.

The family are friends of Dr. and Mrs. Wendell S. Dove, who now live in Barranquilla but were connected with West Plains Hospital here for a year.

Mrs. Jim Gast left Morton on the bus Tuesday morning for Amarillo, where she was called because of illness.

Mrs. V. L. LAWSON and Mrs. Turner Beard visited Tuesday in Lubbock.

Cochran County Recipient of 6.1 Miles of Highway Projects

A total of 16.1 miles of Cochran County roads construction was included in 29 highway projects tabulated by the State Highway Commission at Austin, Tuesday, August 16.

Lamb and Kent counties are recipients of other road projects included in the \$422,709 program for which low bids were received and accepted during the

Cochran county work is detailed on Farm Roads 1169, 1178 and 301. Grading, structures, base and surfacing are included in the low bid turned in by Kerr and Middleton company of Lubbock. The projects are at Highway 290, 15 miles west of Morton, north 2.6 miles to intersection; from 9.5 miles east of Whiteface west 2.5 miles to Farm Road 769, 6.5 miles west of Lehman, 4.1 miles west of Lehman.

Three more projects were left to be taken up today by the commission. A final total of \$9,000,000 is expected for the three projects.

Twenty-two projects were tabulated for Cochran county. 24.56 miles of highway is slated on Farm Highways 304, 1315, 37 and 1072. Including grading, structures, flexible base and one-course surface treatment. Paving is from Olton east to 5.1 miles; from Hart east to Hale county line; from Fieldton south to end of paved highway and from miles south of Olton to Hart east to Ernest Loyd of Fort Worth low bidder with a bid of \$204,000.

Kent county Harry Newton, of Graham was low bidder with a \$71,594 bid on the construction of a bridge superstructure at the Salt Fork of the river on U. S. highway

Kerr and Middleton of Lubbock also submitted the low bid on 7.3 miles on Farm highway 1259 in Deaf Smith county. Their bid was \$60,527.

Tabulating of a low bid by the commission does not include the letting of the contract. Contractors are awarded when the commission authorizes the money for the projects.

Water Boundaries To Be Designated By State Board

The three-man State Board of Water Engineers will conduct a 21-county hearing in Plainview Aug. 29 prior to designating boundaries of one or more underground water reservoirs for the purpose of creating underground water conservation districts.

The High Plains Water Conservation and Users Association this week reminded irrigation farmers that their testimony at the hearing will have a direct bearing on boundaries designated.

Arthur P. Duggan, Jr., Littlefield, an attorney for the association, said that all farmers who depend on underground water for irrigation should attend the hearing, set for 10 a.m. Tuesday in the municipal auditorium at Plainview.

"Any man who thinks he should be in or out of the district should be prepared to appear before the board, giving reasons for his desire to be included or excluded from the proposed district," Duggan said.

Designation of reservoirs by the State Board is a step towards formation of conservation districts under provision of House Bill 162, passed by the 51st Legislature in 1949. The law provides for district, controlled by elective local boards of five directors, to conserve, preserve and protect underground waters in a program of well spacing, recharging and waste prevention.

The board members are H. A. Beckwith, A. P. Rollins and James S. Guleke.

The hearing is for 21 Panhandle-South Plains counties, Armstrong, Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Oldham, Parmer, Potter, Randall, Swisher and Terry.

CHILDS RETURN FROM CALIFORNIA

Mr. and Mrs. L. B. Childs and daughter, Jeanette, returned Sunday from a vacation trip in San Francisco, California.

Nettles and Wife Return After 3 Years Stay In Germany

Lieutenant Howard Nettles and wife who have spent the last three years in Germany, returned to the United States by the skin of their teeth. They arrived in Morton at his parents home last Saturday.

Lt. Nettles, an 11 year veteran of the U. S. Army, was sent to Germany in September of 1947 transferring from a base in Virginia with his commanding officer. His commandant was sent to the United States a few months ago and Howard was ordered to be returned home in August. On July 28th he heard that all troops in Germany were being frozen there because of the tense situation. He telephoned his headquarters at Frankfurt and when it was ascertained that he was due to return to the United States in August, passage for him and his wife was arranged. They were among the last couples to be allowed to leave the country.

Nettles was stationed at Herzog where he was Special Services Officer in command of recreational facilities. Herzog Base is located near the famed town of Nuremberg. He is now to be transferred to Washington D.C. following this leave.

Mr. and Mrs. Nettles plan to remain here until about September 1st when they will leave and visit other relatives in El Paso and in Louisiana.

Lt. Nettles was stationed at Scofield Barracks when the infamous Pearl Harbor bombing occurred. A brother, Kenneth Nettles, was in Germany during the last war and took part in the Battle of the Bulge.

'T' Day Postponed On Election Day

The Chamber of Commerce has announced that no Trades Day will be observed this week due to voting poll regulations which prohibit the gathering of crowds within 100 yards of the polls.

Snookie Russell serving with the United States Marine Corps has been ordered to overseas duty, according to a message received last Wednesday by his sister, Mrs. O. D. Chesshir.

Snookie, a Morton High School graduate is the son of Mrs. N. J. Russell.

R. C. Barker Buys Todd Furniture

Mr. and Mrs. R. C. Barker arrived in Morton last week-end and at present are making their home with his father, J. H. Barker.

Mr. Barker is the new owner of Todd Furniture Store, located on North side of the square. The purchase was made from R. H. Todd, who was co-owner of the store with his brother the late, David Todd.

Mr. Barker lived here in 1934 and 35 and has visited his family frequently since moving away. He notes many progressive changes in the city and says he is happy to be back and in business. He and Mrs. Barker moved here from Elmore, Oklahoma, where he has been teaching school.

The new store owner invites patrons of the store to come in and get acquainted. He plans on restocking the store and adding a line of household appliances within the very near future. The store name will be changed to Barker Furniture Store.

2 Completions And 2 Locations Reported Last Week For County

Completions were reported during the past week for four new oil wells in the South Plains areas adjacent to Levelland.

Locations were listed with the Railroad Commission for four new projects in the region.

Two of the new oil wells are in Cochran County and in Levelland field.

The new locations are also evenly divided between Cochran and Hockley Counties. There were two in each county.

In addition, amended applications were filed with the Railroad Commission on three projects which had previously been reported. The amendments were making correction in the location which did not mean any material changes.

Cochran County Completions

Cities Service No. 1 Starnes, in the Cochran County field, and in section 11, block A-44, Harrison and Brown survey, pumped 238.84 barrels of oil, plus 12 per cent water on a 24 hour potential test.

Top of the pay is at 4,988 feet. Total depth is 5,028 feet. The production is from open hole after treating with 10,000 gallons of acid.

Ln ETAOIN SHRDLU RDLU PP Skelly No. 4 F. O. Masten, also in the Cochran County field, and in labor 11, league 132, Carson County School Land flowed 289.60 barrels of oil in 24 hours from pay at 5,029-58 feet, which had been treated with 3,000 gallons of acid.

Gravity was 31.1 degrees and gas-oil ratio was 379-1. There was no water.

Cochran County Locations

Amended: Magnolia No. 20-D, D Mallet Land and Cattle Company, 580 feet from south and east lines of labor 14, league 50, Scurry CSL survey, rotary, 5,100 feet depth, Slaughter field, starting at once to deepen.

Lions No. 12 F. O. Masten, 1,999.4 feet from south and 3,471.75 feet from east lines of league 132, Carson CSL survey, combination, 5,200 feet depth, Levelland field, starting immediately.

Amended: Alma McCutchen No. 5 C. L. Grissom, 789.2 feet from south and 1,050 feet from

east lines of labor 1, league 62, Midland CSL survey, rotary, 5,000 feet depth, Levelland field, starting in the near future.

B. F. Phillips and H. J. Heartwell No. 3-A Dela Slaughter Wright, 440 feet from north and west lines of labor 13, league 61, Martin CSL survey, rotary, 5,000 feet depth, Levelland field, starting at once.

Draft Board Calls 100 Men to Report For Examinations

In response to inquiries made by telephone from the office of the Tribune to the Tri-County Selective Service Board in Muleshoe, it was reported that thus far 100 men have been called from the three counties to report for physical examinations.

The Board emphasized that no men have been drafted as yet. None are expected to be inducted until late next month. The Army, according to the Board Clerk, is not accepting married men and no veterans have been notified to report for physicals.

On September 6 and 7 approximately 50 more notices are expected to be mailed out instructing men to report for physicals. The Board is not allowed to release the names of those called upon to report for physicals under a new ruling. As soon as drafting or induction machinery gets underway, news releases will be sent to the Tribune.

Unofficially it is reported that five of those who received notices last week were local boys. The Board at Muleshoe covers Bailey, Lamb and Cochran Counties.

HARVE ANDREWS IS IN MERIDIAN ON BUSINESS

Harve Andrews is in Meridian, Texas, looking after crops on the farm he recently purchased and making preparations to move some time this winter.

Mrs. Andrews returned a few days ago from Meridian to attend to the Andrews place here, which is located west of town.

ART DUNHAM IN SLATON TO HAVE TONSILS REMOVED

The R. E. (Bob) Dunham's all six of them, left Tuesday for Slaton where Art, eldest of the four children, will have his tonsils removed.

Art plans to enter kindergarten in September. The other children are Karen, John and Ann.

RETURN FROM HOUSTON

Mrs. Bill Purifoy, daughter, and son, Linda Dean and Ray returned home Sunday from Houston after spending several days with Mrs. Purifoy's brother, Jesse C. Warren who landed here at local airport to pick them up. While in Houston also visited in Galveston and Quarantine Island.

ROY HICKMAN IS HOME

Roy Hickman who has spent most of the summer in Rising Star, Texas, was in Morton this week.

Mr. and Mrs. T. M. Tanner and Mr. and Mrs. H. A. Barnes fished earlier this week at Conchos Dam.

Morrison's Unveil New Building With Gifts For All, Saturday

Morton Electrical Supply, under the management and ownership of Fred and Wilma Morrison, opens the doors to its new building Saturday with gala festivities.

The Morrison's have arranged a registration of all guests and prize drawings toExxxxxx 1/2 1/4 vd prize drawings to be held intermittently throughout the afternoon. In addition, every guest registered is to receive a phonograph recording as a gift. Demonstrations of the newest electrical appliances will be held all day.

The new 40 x 80 foot building will afford 2,500 extra feet of floor space making it possible to enlarge the stock on hand and introduce a plumbing fixtures department. The brick and tile building is located at 211 and 213 South Main street next door to Dorothea's Beauty Salon.

The Fotoshop has moved into the space at 211 and will occupy approximately 500 feet of floor space. The rest of the area will be occupied by Morton Electric Supply. Two spacious windows cover almost the entire front of the building making possible the display of many refrigerators and other electrical appliances.

Methodist Revival Now In Progress

Fairly good crowds have been attending the revival now in session at First Methodist Church.

Services for children and young people get underway at 6:45 each evening.

The evening song service starts at 7:45 followed by preaching service at eight o'clock. The morning service starts at 10 a.m.

An invitation to the public is extended by the church to these twice daily services.

Three Whiteface Locations Robbed In Break-ins

A lone fingerprint furnished the only clue as county and state police went to work in an attempt to discover who looted three Whiteface buildings Sunday night.

The Santa Fe Railroad Station, the Whiteface City Hall, and the Frozen Food Lockers were victims in the robberies which seemed to have been committed by the same person or persons within a short time of each other.

Estimated loot included \$20 at the railroad station, \$85 at the City Hall, and \$7 at the Food Lockers. In addition a whole ham, a half ham, a slab of salt pork, and some sliced bacon were missing. A partially eaten piece of bologna was also found at the scene of the robberies.

Discovery of the robberies came at about 7 a.m. Monday morning in the City Offices. Hugh Know, Deputy Sheriff from Whiteface notified Sheriff Herman Crockett and state troopers, Wayne Whaltheall and T. A. Row and also investigated the case.

A special investigator from the Santa Fe Railroad, Mr. Nichols was called in and is working with local peace officers on the robberies.

Work Starts On Future Home of Methodist Minister

Work began this week on the foundation of the new Methodist parsonage directly across the street from the church.

Labor on the future home of Rev. Clarence Stephens and family is volunteered. The home will have 3 bedrooms, living room, kitchen and bath.

Mr., Mrs. N. O. Cox Observe Golden Anniversary

Mr. and Mrs. N. O. Cox, parents of Mrs. Truman Doss, former residents of Cochran County, celebrated their golden wedding anniversary with a family party at the home in Ralls last Sunday. Later the group assembled at McKenzie Park in Lubbock, where they were greeted by friends from all over the Plains area.

Monday, Mr. and Mrs. Cox, were guests here in the Truman Doss home for a continuation of the celebration. Other guests in the Doss home Monday were: Mr. and Mrs. J. H. Bramlett, and Mr. and Mrs. Hershel Myer all of Robstown; Mr. and Mrs. Woodruff Cox and children, Terry, Lynn and Kathy of Fort Worth.

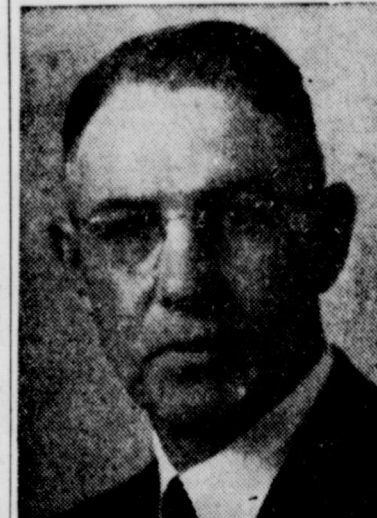

Mr. and Mrs. Joe Cox and children, Nancy, Sherly, Weldon, Ronnie and Leroy, and Mr. and Mrs. James Thompson all of Lubbock; Mr. and Mrs. C. R. Ivey and children, Reggie, Don and Jim of Houston. Also Mr. and Mrs. L. T. Doss, parents of Truman; and the Truman Doss children, Kay and Mike.

HATCHERS TO HENRIETTA

Mr. and Mrs. Pat Hatcher and son, Lowell, have returned from Henrietta, Texas, where they visited her parents, other relatives and friends.

LEAVE FOR FORT WORTH

Mr. and Mrs. Jim Carothers and two small sons left Monday for a visit in Fort Worth with Mrs. Carothers's mother, Mrs. Sue Myers. They also plan to visit in Arkansas before returning.

Rev. C. J. McCarthy, for twenty eight years the Pastor of Calvary Baptist Church in Lubbock, will be the visiting speaker for a series of services at the local First Baptist church from Sept. 1 through tenth. Services will be held twice daily with Jimmy Key, music director, in charge of song services. The Pastor W. C. Wright will be in charge of general visitation. The public is cordially invited to attend these services.

W. A. Johnson of Lubbock visited friends and attend to business here Tuesday. The Johnson family formerly lived in Morton.

MR. AND MRS. M. W. Ellington of Bledsoe were visitors in Lamesa Monday night.

Maple's Five Errors In One Inning Paves Way For Thrilling 8 to 4 Hawkins Comeback Victory

Hawkins Plays Errorless Ball, Retain Hold On League Lead

Maple's outsiders fumbled a perfect chance to take over first place in the city softball league, Thursday when Hawkins came from behind to cop a thrilling 8 to 4 victory and keep astride the league's top spot.

In a nip and tuck pitchers battle Bill Sowder took command for the first three innings limiting Hawkins to one hit and no runs. His mates got to Lefty Hall for just two hits but bunched them for a 1 to 0 lead.

Two runs in the fourth on Sedwick's second triple of the game and a pair of singles made the count 3 to 0 for Maple but Hawkins straining at the leash made a comeback of their own. Three singles, a walk, two fielder's choices, and an error knotted the score at 3 to 3.

Maple bunched their only other three hits of the game in the next inning for a 4 to 3 lead and looked as though they might go all the way but in the last half of the 6th inning, the Maple team blew apart.

G. D. Lewis led off with a single but was forced at second base by McAllister. It was the sixth time the infielders had cut a lead run down at second base and was indicative of the good play furnished most of the evening. McCarthy fanned. Stafford let Early Hall's roller get between his legs for an error and McAllister scored with the tying run.

Ed Neutzler ran into center field for Dunham's fly ball and attempted to make a leaping catch only to drop the ball. He was charged with an error because the center fielder was there to make the play. Lefty Hall doubled in the infield when second base was left uncovered. Two runs scored. Jimmy Willis singled, went to second when the first baseman threw wild, took third when the ball got away from the second baseman and rolled into left field, and scored when the left fielder bobbled the ball for the third error on the play and fifth of the inning.

Each team collected 8 hits with the 6 Maple errors of course spelling the difference. Hawkins did not make a single error. Lefty Hall's double and Sed-

Charlie Van Paces Softball Hitters With .488 Average

Batting averages plummeted sharply in the Morton City Softball League as regular players began to get a sufficient number of times at bat to record the averages.

Only one player was near the .500 mark that so many regulars had stayed above for the first seven weeks. Charlie Van of Arnn Motor blasted the ball at a .488 clip to lead the hitters with games of Friday, August 18 included.

In the individual departments, Dutchy Davis had 26 hits to Duke's 24; Davis had 35 runs with Harold Key second at 27; Keeler's 24 runs batted in led that parade; Keeler also led in homers with 6; Early Hall and Dauchy Davis had three triples; Charlie Van and Duke had 8 doubles, and Dutchy Davis stole 14 bases.

Batting leaders over .400 include:

Charlie Van	.488
J. Willis	.455
Keeler	.449
Dukes	.436
D. Davis	.433
C. Hall	.404
L. Hall	.400
Bill Scott	.400
E. Johnson	.400
E. Irwin	.400

Rains Call Halt To Softball Games

Rains postponed for the time being the crucial battle between Hawkins Oldsmobile and Enochs in the City softball league. The first half champions defeated Hawkins in the first of two other days by a 12 to 0 margin with Johnny Van hurling two hit ball.

Also washed out in the Tuesday, August 15 rains was a game between Arnn Motor and West Side which was played last Friday. The Motormen are still very much in the running for the title but must win every game from here on out to stay there. They led West Side 3 to 0 when the rains came.

Softball League Standings Shuffle In Tight Race

For the first time since the start of the second half of the City Softball League, Hawkins Oldsmobile has been forced to share first place.

Including the games of Monday night, an Enochs victory and a second straight defeat for Hawkins Oldsmobile has tied those two teams for 1st place and leaves Arnn Motor and Maple less than two games behind.

Roaring into the stretch drive with just 10 games left to be played, it looks like anybody's race for the crown. Enochs with a first half championship, has already clinched a playoff berth. Should they also come out top winner in the second half, league rules call for a playoff and thus the second place teams would play a series for the privilege of meeting Enochs in the championship series.

Softball Standings

Hawkins	11	4
Enochs	11	4
Maple	10	5
Arnn	10	5
Reynolds	6	10
West Side	4	10
Texaco	0	14

Enochs Pummels Tiremen; Gains Tie For First

Johnny Vandevanter tossed a five hitter at the Reynolds Tiremen to bring his mates a 16 to 4 victory Monday night and move them into a tie for first place in the softball league.

Enochs jumped on starting pitcher Gene Thompson for two walks to start the game and he was replaced by Groce. Then the roof fell in Jim Green's double gave a pair of runs and Groce gave up 5 hits to go with 4 Reynolds errors in the second inning of hand Enochs 9 more runs.

Enochs pummeled Groce for 13 hits, 12 runs, and three walks. Johnny Van's home run and Elra Oden's triple were the long blows for Enochs.

Reynolds started out smoothly with a double and a single but the leadoff man was thrown out at third to ease the situation. After their two run outburst in the first inning, Johnny handcuffed them on three hits.
Enochs —2 9 0 1 4—16 13 8
Reynolds —2 0 0 0 2—4 5 7

Arnn Measures Hawkins Oldsmobile For 18-7 Win In Crucial Tilt

A wild seven run 1st inning started Arnn Motor off on the right track against Hawkins at Slaughter Field Monday night and they were never headed in coasting to an 18 to 7 win. The victory left Enochs and Hawkins tied for 1st place and put Arnn just a jump behind as the season nears an end.

Four walks by Lefty Hall and three Hawkins errors contributed to the 7 to 1 lead in the initial stanza. The Oldsmobile team

came back with 4 in the 2nd but another Arnn 7 run outburst in the 4th decided the issue.

Altogether Lefty Hall issued 8 walks and had to bear the brunt of 8 Hawkins errors. Arnn got to him for 11 safeties including Harold Key's homerun and triples by Watts and Davis. Key, Watts, and Charlie Van collected two hits each in the rout.

Hawkins never really got anything started. Charlie Van walked in their lead run in the first inning but steadied to allow just four walks in the game and 6 hits. A mild rally in the 5th inning almost prolonged the game but with the runs that would have sent the game into the sixth on second and third base, Bob Dunham grounded out third to first to end the game.

Keeler was the only Hawkins man who didn't have trouble with Charlie's slants. He collected two hits in three trips. McCarthy's triple was the longest blow but quick fielding by the Arnn left fielder held what should have been a homer to a triple.

Line score:
Hawkins —1 4 0 0 2—7 6 8
Arnn —7 0 4 7 0—18 11 2

Postum and Jones Steady Winners In Auto Racing

A steady diet of Saturday night and Sunday evening racing seems to have appeal for Dub Postum and Keith Jones who drive the Butler Brother's junk racers.

The two racing pilots have established several records in their racing efforts and brought home several firsts and seconds in the past two weeks.

On the Buffalo Lakes oval, Sunday, August 13, Jones piloted Car 32 to a pair of first places in the fast heat race and the 25 lap feature event. A week later Dub Postum captured a first place in the fast heat race with Jones running third. In the 50 lap main event they reversed their order with Jones taking second place and Postum running third.

In Leveland competition for the past two weeks, Florene Jones took a second and a first place in the Women's events coming from far back in the field to capture the first place. Postum added some prestige to the local group by edging Littlefield's Flying Red Horse to capture the main 25 lap event two weeks ago and then last Saturday lost a wheel in the first race and took third in the feature.

Keith Jones took 2nd in Saturday's racing for the 25 lap feature race but hard luck plagued him in the others. He crashed into a fence, was forced out of another race with a hot steering gear, and took a 4th place.

Dub set a course record in Car No. 32 churning the oval in 21.7 seconds but a Littlefield Hot Rod eclipsed this mark the same evening.

Reynolds Hammers Visiting West Camp Softballers, 22-9

The bulk of the Reynolds Tire team from the Morton City Softball league with Charlie Van of Arnn Motor on third base and Johnny Van of Enochs pitching, defeated West Camp in a double header at Morton, Sunday.

The only complete game was the opener in which the local boys pounded out 18 safeties and won by the top heavy score of 22 to 9. Nine West Camp errors in the 5th inning proved the visitor's undoing. They entered that inning leading 6 to 4 and Reynolds pushed across 11 tallies and crammed home 7 more in the 6th.

Several batters collected three hits but pitcher Johnny Van was the batting star with a grand slam homer and two singles which drove home six tallies. West Camp got to Johnny for 11 hits but he chalked up eight strikeouts and was tough in the clutches. Reynolds committed five errors while West Camp set a local diamond record by bobbling 21 times.

In the second game, West Camp got to pitcher Groce for 8 hits and 8 runs in three trips to the plate but had to return to Muleshoe with Reynolds holding a 10 to 8 lead. B. Harrington, W. Harrington, and Staniel homered, the latter clubbing two in two trips. Reynolds tallied four times in the first inning and came back for six more in the second for 10 runs. They collected 8 hits and West Camp made five errors. Line score of the complete game follows:
W. Camp—0 3 0 2 1 21—9 11 21
Tiremen—0 0 4 0 11 7—22 18 5

DAKE MERRITS ON EAST TEXAS VACATION

Mr. and Mrs. Dake Merritt are vacationing in Dallas, Houston and Galveston, Texas.

Reynolds Big Bats Pound Out 20-6 Win Over Texaco

Texaco's Refiners came within an ace of chalking up their first triumph of the season on a forfeit victory but Reynolds came up with a batboy in right field and proceeded to smash out a 20 to 6 triumph at Slaughter Field, Thursday night.

The game was as close as any of the customers had bargained for during the first four innings after a four run spurt by Texaco in the 3rd inning. But Reynolds went to work in the 5th inning with six runs on a trio of hits and three Texaco errors and then added another in the sixth inning on three safeties. They wound up with ten runs in the 7th frame that left Texaco hanging on the ropes, never to get back into the ball game.

For Reynolds, Lloyd Pollard was the big show in blasting out four hits in four official trips to the platter. His assortment included a pair of home runs, a triple, and five runs batted in. J. B. Carter also hit for the circuit and Crowder lashed out a triple to feature the 16 hit attack against Ward.

Texaco clubbed Groce for 10 hits but all of them were of the one base variety and Groce proved tough in the clutches. He walked four batters and chalked up five strikeouts over the 7 inning rout.

Line score:
Reynolds—1 0 0 2 6 11 10—20 16 6
Texaco —0 0 4 0 0 2—6 10 13

Ten Homers Clouted as West Side Drops Pair to Enochs, Arnn Motor

Double duty backfired on the West Siders at Slaughter Field Friday night as Enochs dropped the Merchants 10 to 6 in the thrill packed opener and Arnn took their measure in the after-piece 20 to 10.

Enochs collected 14 blows off the pitching of Zeke Sanders with all but three men taking part in the assault. They pushed across a pair of runs in each of the first two innings to grab a 4 to 1 lead but West Side closed the gap to 4 to 3 in the 5th only to leave the tying run stranded on third.

Three run outbursts in the 5th and 7th frames clinched the issue for Enochs although West Side kept pecking away and added a pair in the 7th on Crupper's two run homer. For Enochs Duke homered in the 1st with one man on. Cal Johnson hit for the circuit with the sacks empty in the 5th and then after Pollard had doubled, Lamar homered. Jimmy Green added the final homer, a two run whallop far over the left fielder's head in the 7th inning. West Side collected 10 blows

off Johnny Van who fanned two men and walked four. Sanders issued three walks and fanned one.

Arnn was actually threatened in the second game despite the fact that West Side batted first and drew four walks in the initial frame. They failed to score and Arnn took a 4 to 0 lead at the end of two innings. Rhyne's two run homer led West Side to a three run rally but Arnn came back for 6 more runs due to the wildness of McCum. Sanders relieved him on the mound and was touched for the final seven runs.

Leading the Arnn attack was E. Johnson who collected four hits including a triple and a home run which drove in tallies. Ken Davis also homered. Marcum, Rhyne and Crupper homered for West Side. Crupper was his second of the evening.

Line scores:
Enochs —2 2 0 0 3 0 3—20 16 6
W. Side —1 0 1 0 1 1 2—6 10 13
W. Side —0 0 3 2 2 3—10 11 21
Arnn —2 2 6 4 2 4—20 16 6

Compensation Enough

Softball playing in Morton has accomplished more than a good thing for the city and the people of Morton.

The foremost accomplishment successfully completed has been the providing of good, clean entertainment for the people of the town. The entertainment not only has been interesting and lasting but it has been inexpensive.

Secondly, the ball games have provided outlets for the energy of the players, many of whom get needed exercise after days which provide plenty of work mentally but not enough physically.

The ball games have kept the young people of Morton interested and have given them something to occupy their evenings. This reason alone, most civic leaders would tell you, certainly justifies the existence of the league.

No one can doubt that the softball league has boosted the popularity of Morton. Our teams have been extended invitations to compete in the highest ranking softball tournaments in the state of Texas because the league has functioned so well in our city.

The sponsors of the various teams have been more than pleased with the advertising value of sponsoring a team. They have told league members and officials that they have never regretted the money spent on suits and equipment.

All of this we have known and accepted gratefully. No compensation could be worth more than the good will of those involved in the softball league, as players, as managers, as officials, or as fans.

This fact was brought home to the league again last week when Mr. H. S. Hawkins, sponsor of the Hawkins Oldsmobile team, gave a free barbecue to all league players, managers, and officials. The food was good and the evening was enjoyable, but, most of all, the good fellowship that has been found in the softball league was again present at the barbecue.

Only this remains to be said. The entire group of persons associated with the softball league is pleased that Mr. Hawkins has found their efforts worthy of such a dinner.

The Job Is Worth Doing

One of the hardest problems for any newspaper publisher is to decide whether to give the people what they want or what they need. The first job, of course, entails a great amount of research trying to please the majority, often times only to find that costs prevent carrying out the plan. The second idea presupposes that the publisher is not only a newspaperman but a wise sage, philosopher, and teacher whose tremendous store of knowledge renders him capable of judging what is good for the people and what is bad. In fact, this latter idea carries with it just a twinge of the suppression of news so often found under dictatorship.

Of course, the only solution to this question is to attempt to blend a little of what the people want, a little of what they need, and all that they have a right to know into a newspaper.

No newspaper publisher, editor, or reporter ever knows whether he succeeds. Often, there is not even an indication that people care. But it is the few times when someone openly shows their appreciation of a newspaper, that makes the publisher feel the job is worth doing.

The Morton Tribune sincerely appreciates the honors bestowed upon it by the West Texas Press Association. To be judged the best all around weekly newspaper in competition with other newspapers of your approximate size is flattering. It is even more flattering when fellow newspapermen do the judging. The only greater honor we could hope to achieve would be to have our readers pass this same judgment.

CARE OF VETERANS

Of the 110,675 patients in Veterans' Administration hospitals of this year (1950), only 36,726 were service-connected cases. The remaining 73,949, or 68.5 per cent of the total number, were non-service-connected cases.

WHEN GOVERNMENT RUNS A BUSINESS

The two giant enterprises in the communications field in this country are the Bell Telephone System and the United States Post Office Department. The privately owned Bell System paid \$346,144,000 in taxes last year, while the Post Office Department, of course, paid none. The Bell System operated at a substantial profit, while the Postal Service incurred an operating loss of \$377,471,000. The total value of all physical properties owned by the Bell System is reported at \$9½ billions. The Post Office Department has no idea whatever of the value of its vast property holdings.

PRIVATE VS. GOVERNMENT SERVICE

The average time taken to process death claims in the Veterans' Administration is 80 days. Private insurance companies pay more than three-fourths of their death claims within 30 days.—From a Hoover Commission report.

A NEWSPAPER'S EXPENSES

Newspaper publishers at their recent convention found that they all had much the same problem, expenses increasing more rapidly than revenues. In the period since war's end, circulation and advertising lineages have increased to new high levels but the gains in these respects have been far exceeded by the increases in operating costs. It would be difficult to name a single item that goes into newspaper publication that does not cost far more today than it did five years ago. Print paper, machinery, labor, wire services, features, taxes and the rest, all are far more costly than they were.

The situation in this respect is reflected by the mortality rate. Year by year, the number of newspapers declines, consolidations become more numerous. It is no simple matter even in non-competitive fields, to make subscription or advertising rates higher to meet increasing costs. Still less simple would be the task of reducing expenses by lowering the quality of the product.

The only answer to the problem is for publishers to do the best they can and to hope that increased volume will simplify things to some extent. If there is any easy way out, the publishers would like to know of it.

Everybody is willing to give a man a boost when he gets to the top.

LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

STEPHEN OF THE GOLDEN VOICE

Seven hundred and thirty-eight years ago a shepherd boy with bobbed blonde hair and blue eyes that glittered like the stars came out of the Morvan mountains of central France and began to circulate an exciting tale. He'd experienced a vision, he said: Christ had chosen him to lead a crusade of children into the Holy Land across the sea. He walked among boys and girls who were growing up in a France of bloody strife and confusion. He spoke of wonderful things, made glowing promises that set fires burning in their young hearts. He did not hesitate to call himself a savior.

The boy was named Stephen. He was 12. He had a sweet face and both his words and the timbre of his voice charmed his young listeners. They called him Stephen of the Golden Voice. Children in twos and threes began to follow him as he made his way toward the south of France. His following grew and when the excited band began to hold meetings through the countryside separate parents locked their children in. Even the King warned against the boy and his hypnotic presence.

Logic Rejected.

Sober-minded fathers tried to reason with their smitten sons. However noble might be Stephen's motive, they said the hard facts of life were inescapable: children could not do battle with the barbaric hordes that had held the Holy Land for a century; they couldn't conjure food from thin air as they marched; young mortals could not walk upon the waves of the Mediterranean; and, as for Stephen's glittering promises, the boy hadn't yet demonstrated the power to perform miracles. Other parents claimed to have found a clerk who confessed to manufacturing Stephen's "vision" as part of a plot.

But the shepherd boy only redoubled his exhortation to the children. And his following continued to mass. Turning deaf ears to heartbroken mothers, young boys and some few girls broke away from their homes. Soon there were 20,000 children, mostly boys in their early teens tramping south behind Stephen toward the rugged mountains rising up from the Mediterranean.

Reality Ignored

Worked into the wool blouse across the young leader's chest was a cross. And each child marching in the unbroken ranks behind him bore a crudely fashioned little wooden cross. The children sang as they marched. As this unarmed, unprotected child army moved into the mountains there came flocking to it men of sinister character. The girls were raped and carried off into prostitution. Protesting boys were slain.

In the mountains thousands were hungry; thousands starved. Wild animals and the elements took heavy toll. But the child leader, eyes still glittering, carried on. He now promised his bewitched thousands he would perform a miracle and open an earthen pathway through the very heart of the Mediterranean sea over which they would march dry-footed to Jerusalem and the Promised Land.

The Pitiful Ending

The real control of the army of children had passed however, from Stephen's into older, designing hands and he had become their unwitting tool. These men had evolved a scheme. As the blond shepherd boy led his innocents out of the mountains and down the Rhone valley to

THE LAW AND YOU

by Rob't. (Bob) Kirk
County Attorney
Lamb County, Texas

Do You Know the difference between libel and slander?

Both libel and slander refer to defamation of the character of another.

Libel is the expression in printing or writing or by drawings tending to blacken the dead, or injure the reputation of one alive, or to expose a person to ridicule.

Slander is the malicious and falsely imputing to a female a want of chastity.

One guilty of slander or libel may be punished under the criminal statutes of the state.

Also one who commits libel or slander may be sued, and civil damages recovered by the injured party.

Do You Know what property is exempt from execution to every family in Texas?

1. The homestead. In the city it is a lot or lots not exceeding \$5,000.00 value, plus all improve-

ments—without reference to value. Not in town, it consists of 200 acres of land, plus all improvements.

2. All household and kitchen furniture.

3. All cemetery lots.

4. All implements of husbandry.

5. All tools, apparatus and books belonging to any trade or profession.

6. Family library and all family portraits and pictures.

7. Five milk cows and their calves.

8. Two mules.

9. Two horses and one wagon.

10. One carriage or buggy (the courts have held that an automobile is a carriage).

11. One gun.

12. Twenty hogs.

13. Twenty head of sheep.

14. All saddles, bridles, and necessary harness for the use of the family.

15. All provisions and forage on hand for home consumption.

16. All current wages for personal services.

17. All wearing apparel.

18. Twenty head of goats.

19. Fifty head of chickens.

20. Thirty head of turkeys.

21. Thirty head of ducks.

22. Thirty head of geese.

23. Thirty head of guineas.

24. One dog.

"AS YE SOW . . ."

If you want:

To be respected, you must respect yourself and others;

To control others, you must learn to control yourself;

Friends, be friendly;

Love, don't be stingy with your love;

Consideration, be considerate;

Justice, be fair with others;

To be great, be simple and humble but firm;

Courtesy, be courteous;

To be strong, be quiet but unafraid;

To keep your character and reputation above suspicion, keep good company or none;

To be popular, never say an unkind word about anyone.

Business Leader With Great War Record Tells How Hadacol Has Rebuilt Him Physically

Was run-down, weak, after service in South Pacific due to deficiencies of Vitamins B₁, B₂, Iron and Niacin

Mr. Donald Hedburg, who resides at 1812 Parker in the fashionable Riverside District of Wichita, Kansas, has been an up-and-coming executive member of the staff of the great Wichita Eagle newspaper for over four years.

Mr. Hedburg has an enviable record of combat with the U. S. Army in the South Pacific in World War II. He is very active in civic affairs. And just as he was anxious to pitch in and do a job during the war—he now wants to help his fellow citizens who (like he was once), are physically run-down and weak due to lack of Vitamins B₁, B₂, Iron, and Niacin in their systems.

Here is Donald W. Hedburg's witnessed statement: "When I returned from service, I faced the problem of rebuilding myself physically. I was in a general run-down condition.

"In my present capacity of advertising salesman for Kansas' greatest newspaper, The Wichita Eagle, it's absolutely necessary that I have plenty of vitality—'get up and go.' I had real cause to worry. Nothing seemed to rebuild me constitutionally. Then a friend of mine on the national staff told me about HADACOL—he asked me to try at least five bottles. I'm on my fourth bottle and already I feel like my old self. I look forward to a day's work and go home—play with the children—work in the yard—fish until midnight! Thanks again to HADACOL, energy and vitality once again course through every fiber of my body. You bet, I too, am now a missionary for this great new HADACOL."

Get That Wonderful HADACOL Feeling Everyone Is Talking About

HADACOL gives such wonderful results because it not only supplies deficient, weak run-down systems with more than their daily needs of important

Vitamins B₁, B₂, Iron, and Niacin—but also helpful amounts of precious Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and physical fitness.

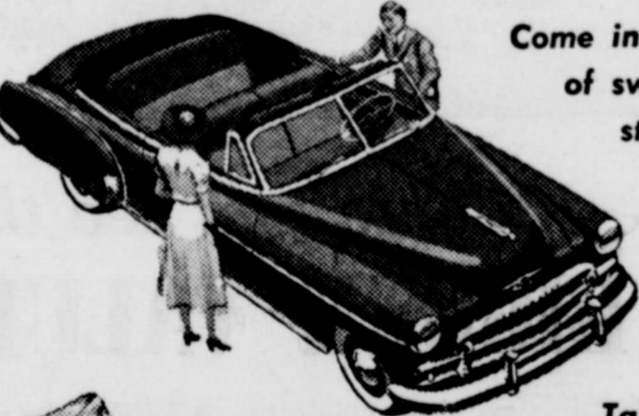

If you are a victim of neuritis, pains, certain stomach and nervous disturbances, constipation, insomnia or a weak, run-down condition due to such deficiencies, HADACOL will start you on the road to feeling better often within a few days. Thousands upon thousands of records of grateful men, women and children proved this to be so.

Many Doctors Recommend It

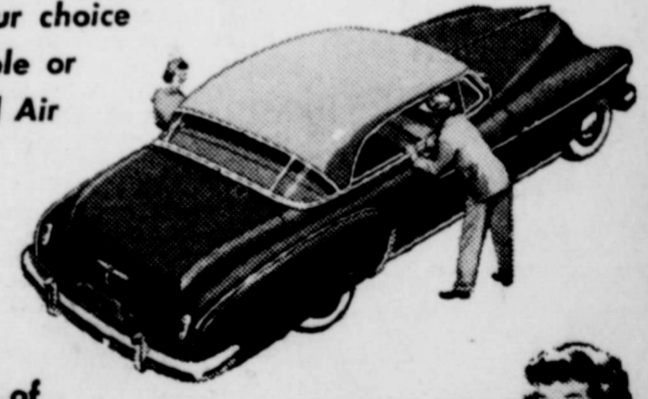

HADACOL is recommended by many doctors not only to their patients but to members of their own families who have such deficiencies. Before giving up hope—you owe it to yourself to at least give HADACOL a chance to help you. Why keep dragging yourself around feeling "half-alive" when it's so easy to have that wonderful HADACOL feeling that everyone is talking about! Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes.

Santa Fe Railway Again Will Offer Educational Gifts

Fifteen educational awards to outstanding young Future Farmers in Texas will be offered by the Santa Fe Railway in continuance of its annual educational program, Fred G. Gurley, Santa Fe's president, announced today.

Winners will be selected by the State Department of Agricultural Education at Austin.

The awards are cash sums sufficient to pay all expenses of the winners to attend the National Future Farmers of America Convention to be held in Kansas City, Missouri, October 9 to 12, inclusive.

Official delegates to the convention, candidates for the American Farmer degree, and outstanding individuals selected by the State FFA Supervisors are eligible for the award.

The Santa Fe Railway annually offers 70 awards in the states of Illinois, Missouri, Kansas, Oklahoma, New Mexico, Arizona, Colorado, California and Texas for the encouragement of agricultural achievement in the states served by the railroad.

The entire group of Santa Fe winners, officials of the National Future Farmers of America organization, State Supervisors, and other agricultural leaders will be breakfast guests of the Santa Fe at the Hotel Muehlebach the morning of Wednesday, October 11.

Rural Youth Day At State Fair To Be October 7

One hundred thousand 4-H Club boys and girls, Future Farmers and Future Homemakers, the largest gathering of rural youth in the world, is the goal set for Rural Youth Day at the Mid-Century Exposition of the 1950 State Fair of Texas, Ray W. Wilson, manager of the Fair's Rural Youth activities program, has announced.

This group of young and enthusiastic future farmers, future homemakers and ranchers, will swarm the grounds of the greatest state fair in the world on Opening Day, Oct. 7, as guests of the State Fair, Wilson said.

The farm youngsters are expected to converge on Dallas from every corner of Texas. They will be admitted free to the Fair and will be furnished with a free lunch, provided by Dallas business leaders and the Dallas Chamber of Commerce.

The State Fair regards its rural youth project as one of its most important educational undertakings. From a healthy start in 1946 when 30,000 boys and girls attended the Fair, the event mushroomed to a record attendance of 75,000 in 1949, Wilson said.

On Friday night, Oct. 6, recognition will be given 50 outstanding Future Farmers, Future Homemakers, 4-H Club boys and girls in the Honor Award dinner in the Crystal Ballroom of the Baker Hotel. The dinner will be sponsored by Dallas business leaders and the Dallas Chamber of Commerce.

Hotel accommodations have been arranged for this group of outstanding Future Farmers, Future Homemakers, 4-H Club boys and girls. Their parents, teachers and extension agents are also being invited to be guests at the Honor Award Dinner.

Even though last year's attendance of 75,000 rural youth broke all records, the 1950 goal of 100,000 will attract more attention than ever before. These young homemakers, farmers and ranchers from every section of the state will receive the recognition they deserve for their part in the development of Texas' agriculture and livestock industries, Wilson said.

School Children Should Have Physical Exams

Parents, has your child had a physical examination this summer? Next month he will be starting to school, and if he is in good health he will have a happier, more profitable year. It's up to YOU to give HIM a healthful send-off, says Dr. George W. Cox, State Health Officer.

After he has his check-up by the family doctor, be sure to take him to the family dentist. Teeth are mighty important, and decayed ones often cause a heap of trouble. They may start infection in other parts of the body. Strong healthy teeth add attractiveness to appearance and personality. Help your child to grow up with good teeth... see that he has a dental examination twice a year.

Sometimes children need glasses and their parents don't realize it. An examination by an eye specialist is important. A child who needs glasses if taken to an eye physician now, will have time to get used to them before school starts.

When children are grouped together in a classroom, they expose each other to communicable diseases. Has your child been immunized against diphtheria and smallpox? Does he know he should use only his own drinking glass? Does he know he should avoid boys and girls who are victims of colds? Do you keep your child at home when he shows signs of a cold?

Plenty of exercise and recreation, the right kinds of foods daily, and 12 hours of sleep a night, are necessary for a child of elementary school age.

Get your child an appointment for a check-up today... the first day of school is not far away!

WILLIAMSONS AT LAKE KEMP

Mr. and Mrs. W. W. Williamson, daughter and grandson, Billye Lee and Warren, spent a few days earlier in the week at Lake Kemp.

Overhead, Not Guns Is Shown To Be Chief Cost of Defense

Figures showing what the \$48½ billion spent for the Military Establishment during the last four years means in terms of Federal taxes to various income groups were released today by the Council of State Chambers of Commerce. These show over the four years that:

A family of three with an income of \$3,000 paid \$645.59, a family of four with an income of \$5,000 paid \$1,130.08, and a family of four with an income of \$7,500 paid \$1,798.92.

In addition, these family groups paid out Federal taxes for other purposes connected with defense. These totaled a little less than \$4 billion and included such activities as arms aid to friendly nations, stockpiling of raw materials and atomic energy projects. But they meant \$49.85 in Federal taxes to the \$3,000 family group, \$87.26 to the \$5,000 group and \$138.90 to the \$7,500 group.

The Council's study revealed that \$6.75 out of every \$10 spent for the Military Establishment went for pay of all personnel, and for food, clothing and supplies for the soldiers, sailors and

marines. Less than \$2 of each \$10 spent for defense was used to buy guns, ships and planes.

The study declared that "Undoubtedly much housekeeping waste in the Military Establishment diminished the value of the \$48½ billion as an investment in preparedness, but efforts begun by Defense Secretary Forrestal and continued by Secretary Johnson to modernize the Establishment and cut out waste have now tended to strengthen that investment."

It added, "In view of the expanded program brought on by the Korean situation, it is all the more necessary that we obtain the maximum return for every dollar that we are investing in our national defense."

ORMANDS TO EL PASO

Mr. and Mrs. Reagan D. Ormand and children, Don and Mary, spent a few days in El Paso last week.

MRS. BOB LIVELY and son, Robert, are visiting here with her mother and brother, Mrs. HESSIE B. SPOTS and Fred Saunders.

Double Birthday Party Held In City Park Saturday

Saturday afternoon, August 19, a double birthday party was held at the City Park honoring Franklin Cook on his sixth birthday and Barbara Mayfield on her fourth birthday. Franklin is the son of Mr. and Mrs. Arthur Cook, and Barbara is the daughter of Mr. and Mrs. K. Y. Mayfield.

Games were played by the children, then refreshments and cup cakes were served to the following: Loretta and Carol McCuiston, Mary Ruth Coon, Sue Ramsey, Delbert Lisenbee, Kathryn, Barbara and Carolyn Mayfield, Franklin Cook, Truman Earl and Bailey Buren Loyd, Donald, Raymond and Jamie Davis, Frankie Ford, Muri Lee Nippert, and Jenelda Ford.

Others attending were Mrs. G. C. Yates, Mrs. Leo Nippert, Mrs. H. L. Coon, Mrs. K. Y. Mayfield and Mrs. Arthur Cook.

Mrs. Arthur Cook and Mrs. K. Y. Mayfield were hostesses for the party.

Some wives wake up the husband when he talks in his sleep, begrudging him even those few words.

Announcing a NEW DODGE-PLYMOUTH DEALER HERE

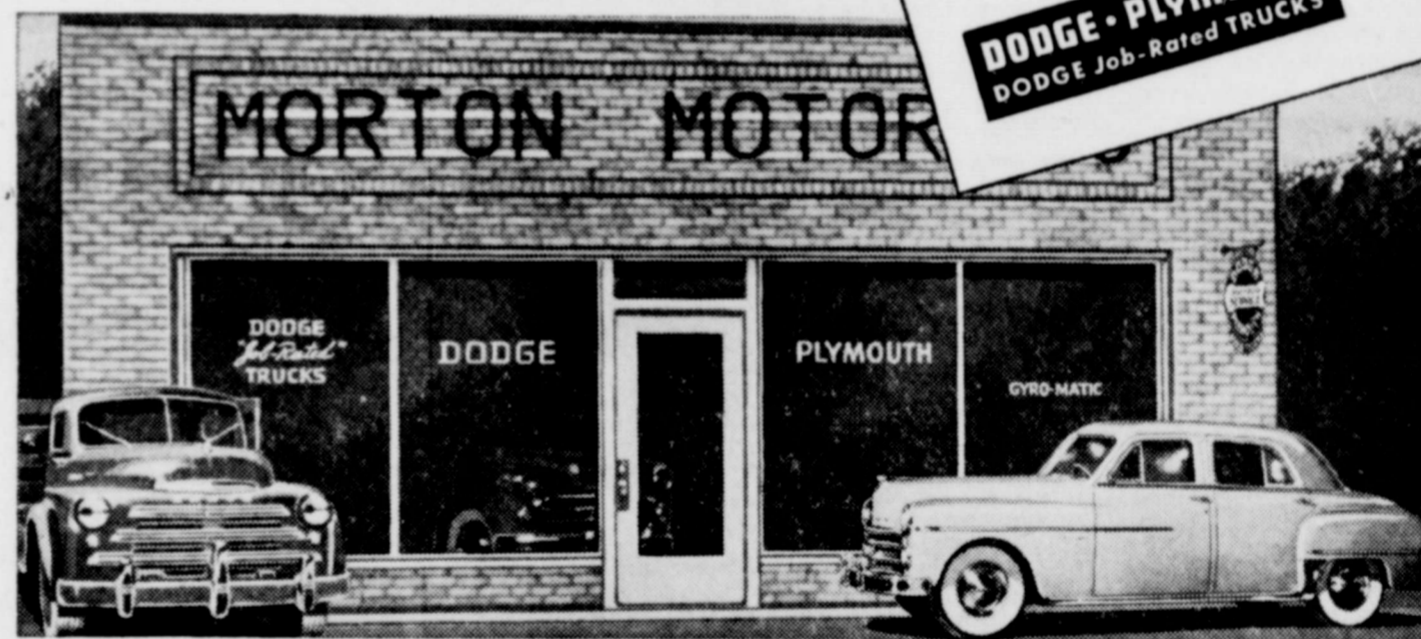

A Personal Word...

"My appointment as your new Dodge-Plymouth dealer is the biggest event in my life. I intend to take full advantage of this opportunity by serving you in a manner that will merit your confidence in me and my organization."

"I've found by experience that it pays to give extra value, and my staff and I have pledged ourselves to give you prompt, courteous service at all times. The same efficient service personnel as served you here before will be on hand to take care of all your motoring needs."

"Please accept my invitation to come in and inspect the beautiful 1950 Dodge and Plymouth cars and Dodge 'Job-Rated' trucks. A warm welcome awaits you, and I'm looking forward to meeting you personally."

LEONARD L. MORIN
Owner

Come and see the smarter styled BIGGER VALUE 1950 DODGE

The "welcome" sign is up! Every car and truck owner is invited to see how we serve owners better, regardless of the make of vehicle they drive.

Come in and see the new 1950 Dodge. Big, rugged, smarter than ever. Step inside the wide-opening doors and see how comfortably extra-wide "knee-level" seats support your weight. Compare the extra room inside... yet notice how compact design makes Dodge easier to park or put away.

Then take a "Magic-Mile"

ride! Feel the surging power of the Dodge "Get-Away" engine... the pillow-soft starts and stops with gyro Fluid Drive.

You could pay a thousand

dollars more and still not get all the extra features of the BIGGER VALUE Dodge.

Make it a date... today or tomorrow.

DODGE "Job-Rated" TRUCKS Are Priced with the Lowest!

You get more for your money whether you operate a single truck or a fleet! Come in and we'll show you the EXTRA VALUE features on any one of more than 350 basic chassis models. They range from 4,250 lbs. to 28,000 lbs. G.V.W. All are "Job-Rated" to fit your job—dependably engineered to stay on that job and LAST LONGER! For the good of your business, switch to Dodge "Job-Rated" Trucks.

-- annegrams --

— by ann england —

★ **Won't be long now—until** school, football, clubs etcetera get underway.

★ **Vacations are being wound up** and every one coming in home and getting ready for various fall and winter activities.

★ **Any number of local people** have had such delightful trips. The Skinner Butler family took off for a month. Skinner just closed up shop, loaded his family of four in a new automobile and away they went. Visited relatives from here to yon—including East Texas, Oklahoma, and then on out to California.

★ **The Hume Russells made a** tour of the Northwest. Hume told us a little of the trip at C of C directors meeting last Tuesday. We too, were intrigued with the Mormons when we with the spouse visited in Salt Lake City, Utah, a few years ago. Their history is very interesting.

★ **A group near Maple, the Neutz-**lers and others attend ed the encampment near Alpine and found it very worth while.

★ **The P. B. Rambsys visited in** California with her mother. Mrs. J. A. Gowdy also made a trip to California—she flew home and from what we hear, is now sold on flying. Mrs. J. W. Alford has been vacationing in California.

★ **Understand the Lloyd C. Mil-**lers are planning a trip to North Carolina.

★ **Any number of home folks** made the big Frontier Rodeo in Cheyenne, Wyoming; including the Bill Weatherlys, L. A. Cochran, H. S. Hawkins and probably others—we seem to have written locals to that effect.

★ **Several families have cabins** at Lake Kemp near Wichita Falls and spend frequent week-ends there fishing and often just loafing. The W. W. Williamsons and Roy Allsups do not confine their trips to the summer season. Have an idea that since the Carl Rays have built a nice stucco cottage at Lake Kemp, they too will make frequent trips.

★ **Think we are more anxious** than ever to have football season start. Now that we have Eddie to do the Indian sports news the Tribune should really go to town. Last year it was our job to struggle along with sports news—and for one who hardly knows one side from the other except by the color of their uniforms you can imagine that it was a struggle.

★ **If it hadn't been for dear** friends Raymond Strickland and the late David Todd, running up and down the side lines, taking notes on plays, we would never have made it.

★ **We have been especially fortunate** tho in a good many ways since coming to Morton, in that just nearly everyone when called upon, has given us assistance in some manner or another. We think we deeply appreciate. We think our gratitude but fail often in getting around to putting it in actual words.

★ **If we have ever accomplished** anything it certainly hasn't been alone and unaided. We look all around and see people with all sorts of talent and imagine that they are more or less self-sufficient—while we are entirely dependent upon the talent of others. This is where we feel so fortunate because in having nothing to offer in exchange we number among our friends and acquaintances many with outstanding ability and qualifications. And they have been most generous in lending their talent to helping us.

★ **Eddie's friend and class mate,** Hans Steilberger, Butler Univer-

sity came in last Wednesday. We had met Hans when he drove down with E in June. He is a good looking young chap, the possessor of many fine traits that we love to see in our American youth. The strange thing is, Hans is an American by adoption.

★ **As a refugee Hans came to** America 13 years ago. He became a member of our own armed forces and served abroad for three years during War II. He is now completing his education in journalism at the Indianapolis school.

★ **Hans' parents died in widely** separated concentration camps during Hitler's regime. Doesn't it sort of stir YOU up to think we might possibly get into a predicament similar to that if we don't see to it that nothing happens further to our old established American way of life?

★ **In speaking of his reactions** when he first arrived in America, Hans said, "The scale of living, which practically every one in the country enjoys, surprised me as much as anything—in the old country it was only the very rich who had all the luxuries people in America take for granted." Another surprise Hans mentioned was our freedom of speech, he said, "the first time I heard a derogatory remark about the President of the United States I looked around to see if the gestapo were not there ready to jump."

★ **Think most of us feel it sort of** a weakness to display sentiment; and we are no different, in that we try to hide any sentimental feeling we may have. But on the other hand we notice the look of hope and ambition in the faces of people who come to our country asking nothing except an opportunity to work and develop them selves into worthwhile citizens. While so many of our own, who's forefathers settled these United States, have developed into nothing short of parasitism.

★ **Remember quite well Dr. Wig-**gins talk at a Lions meeting here last year. He stressed the importance to all of us of each one standing on his own feet. This same thought has been brought out by speakers at every meeting we've attended in the past months.

★ **We are fast exchanging our** heritage for so called security; which in the end, if these analyst are right and we thing they are, will not be security but serfdom and slavery.

★ **Katherine Duff, news reporter** on Abilene Reporter-News, spoke on the woman's forum, at the convention we attended 2 weeks ago. Her subject was, "Am I Worth What the Boss is Paying Me?" K said in preparing her talk she had to sort of give herself a personal interview and came up with some very definite conclusions, namely: "when I do my work willingly and well, use my time to the best advantage, produce to the advantage of the paper I feel I am worth what the boss pays me. BUT if I stall around, kill time, and in any way show disloyalty to the firm that hires me, then I most certainly am not worth what the boss pays me."

★ **We often wonder how many** employees ever take into consideration the fact that he must produce or the firm will not be able to keep him on the pay roll. How many employees are grateful to an employer for providing the means for him to earn a living? How many feel that they have a moral obligation to work diligently at their job, producing to the very best of their ability and show in their actions, loyalty to the firm employing them.

★ **People don't just go around in-**vesting money in businesses solely to provide work for other people. Each individual possesses certain altruistic motives but hardly to that extent.

★ **Oh, dear, now we've gone and** got serious and that is no way to win friends and influence people. But these people who stand around and yell about how they are mistreated and some body ought to give them something for nothing make us sick.

★ **What have I, or you for that** matter, contributed to the world that makes me or you eligible for free hand-outs?

★ **Have you heard our favorite** little story? Two strawberries were talking and Strawberry number one said to number two, "if we hadn't been in that bed together, we wouldn't be in this jam."

Mrs. Babe Vanlandingham and sons are vacationing in Ruidoso, New Mexico.

Miss Yvonne Gipson Marries New York Man

Miss Yvonne Gipson, daughter of Mr. and Mrs. Joe Gipson, and Kenneth Ives Neavitt, son of Mr. and Mrs. H. C. Neavitt, of San Francisco, California, were in a double ring service at the First Missionary Baptist Church here Saturday evening, August 19. Rev. Norman Gipson, Amherst, uncle of the bride, officiated at the double ring service. The couple was attended by Mr. and Mrs. Billy Dane Burns. The bride's parents, Mr. and Mrs. H. C. Neavitt, of San Francisco, and her brother, Mr. B. Gipson of Lubbock. The bride, given in marriage by her father, chose for her wedding a Swansdown suit of hounds check in black and white, with black accessories. Her coronation was an arrangement of roses and stephanotis carried on a white Bible. Mr. Neavitt, a former resident of New York City, is associated with Carr Geophysical Company offices in Littlefield, Texas. The young couple will reside at their home. He graduated from a high school in New York, attended Columbia University of Carnegie Tech.

Drum-Nunnally Marriage Has Been Announced

Mr. and Mrs. Louis Drum have announced the marriage of their daughter, Daphne, to Mr. W. C. Nunnally Jr. The service was held Wednesday morning, August 23, at the First Methodist Church in the parson-

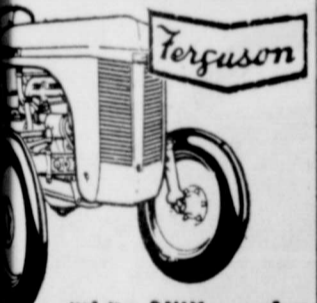

age. The bride-groom is the son of Mr. and Mrs. W. C. Nunnally of New Mexico.

After a wedding trip to Colorado Springs, Colorado, the newly weds will live in Morton.

NETTLES HOLD REUNION

Mr. and Mrs. C. C. Nettles had a family reunion Sunday for the first time in 4½ years. Mr. and Mrs. Kermit Nettles of Big Spring, Mr. and Mrs. Lou Rork of Big Spring, daughter, Judy Carroll of Big Spring, Mr. and Mrs. W. K. Nettles of Denver City and Mr. and Mrs. Howard Nettles of Washington, D. C. were in attendance.

From The Exchanges

GOVERNOR APPOINTS MRS. U. L. WILIE TO COMMISSION PLACE

Mrs. U. L. Wilie of Matador has been appointed to a place on the Texas State Economy Commission by Governor Allan Shivers. The appointment is for two and one half years.

Duties of the commission will include study of the entire structure of the state's income and expenditures. Mrs. Wilie declared. The commission will report its findings and recommendations to the governor.

Secretary of State John Ben Sheppard will preside over the commission.—Matador Tribune.

REDWINE TURNS DOWN CHIEF JOB

Tahoka still is without a police chief.

Norvell "Booger" Redwine, who recently was named by the City Council as the new chief, notified the body this week that he did not wish to accept the appointment.

Roland Autry, formerly of Spiro, Oklahoma, Monday night assumed the job as night watchman.—Lynn County News.

STREETS SPRAYED AGAIN THIS WEEK

Slaton has not had a polio case since the middle of July, but the city is taking no chances of letting it get started again. Spraying of the streets was begun again this week after a temporary stoppage due to the rain. Spraying was stopped during the rain because the water made it ineffective. It will be continued until the weather begins to get cool, and there is not as much danger of disease getting started.—Slaton Slatonite.

40 SMALL BOYS OUT FOR FOOTBALL

Forty of the smallest boys to report for football training since Coach V. F. Bingham came to Post were out Monday to receive equipment, Bingham said.—Post Dispatch.

American Red Cross Offers Welfare Service

The welfare services of American Red Cross field workers in Korea were offered today to the troops of other nations responding to the United Nations call for assistance in the Korean conflict.

In a letter addressed to the Red Cross societies of the nine countries involved, the American organization outlined a four-point program it could offer other UN troops until their own Red Cross workers join them in Korea. The program includes counseling on personal and family problems, transmitting or requesting information through Red Cross channels, distributing comfort articles and providing such recreation facilities as may be requested by the military.

The offer went to the Red Cross societies of Great Britain, Australia, The Netherlands, The Philippines, Thailand, New Zealand, Bolivia, and Canada and to the Red Crescent of Turkey. All of these countries have announced their willingness to send forces to Korea.

Currently there are 21 American Red Cross field workers in Korea, including three women, providing traditional Red Cross services to American troops. Eleven more workers are en route. The aid offered other UN forces parallels that being given to U. S. servicemen.

LEAVE FOR WEATHERFORD

Dr. and Mrs. V. L. Lawson left Thursday morning for Weatherford, where they will visit his mother and sisters.

Judy will return home with her parents, she has been visiting in Weatherford, Waco and other points in Central and East Texas for ten days.

Fall Garden May Be Solution To Rising Food Bill

By Mable Ann Manley

Food prices have increased in the past few weeks and according to indications they will continue to go higher. A good fall garden will go a long way toward taking care of the rising food bill.

There has been enough rainfall throughout the county the past month to put good moisture in the soil and give it good tilth.

Soil preparation, planting and cultivation of the fall garden differs from the spring garden in several respects.

Before plowing the soil, cut and remove all weeds, vegetables and plant refuse. If turned over heating takes place and the top soil dries out. Where good barnyard manure is available spread a coating over the surface and plow to a depth of four or five inches. Rotted compost will also give good tilth.

Since germination at this season is usually poor, about ¼ more seed should be planted for a good stand. Seed with a hard seed coat should be soaked in warm water overnight before planting. Do not plant soaked seed in a dry soil. Irrigate soil before planting the seed by tamping with a hoe and moisture can be held in by placing boards over the freshly planted rows. Just as the young plants can be seen coming through the soil remove the boards.

Vegetables that can be planted now are beans, Irish potatoes, mustard, leaf lettuce and radishes.

Those that should be planted August 1 to 15 are carrots, cabbage, beets, swiss chard and turnips.

Hardy vegetables that withstand light frost may be planted between August 15 and Sept. 1st. Some of these vegetables are collards, English peas, onions, head lettuce and spinach.

CONTRACTORS NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 16.148 miles of Gr., Dr. Strs., Base & Surf, from SH 214, 2 mi. S. of Morton to road int. 6 mi. W.; Fr. Sta. 120+25 to SH 290; from Sta. 1+50 to FM 769; Fr. Sta. 0+25 to Sta. 133+78 on Highway No. FM 1169 595, 1578 & 301 covered by S 1509(1), R 967-1-2, V 1481-1-1 & R 885-1-2, in Cochran County, will be received at the Highway Department, Austin, until 9:00 a.m., Aug. 15, 1950, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

ENGLANDS ATTEND WISE COUNTY REUNION

Mr. and Mrs. Carl England attended the Wise County reunion held at McKenzie Park in Lubbock, Sunday, August 20.

Mr. England is a native of Deatur, Wise County, Texas. Several hundred former Wise county residents of the nearby Plains area registered during the day.

★ ★ ★ ★ ★
IT'S TIME for BROOKS! Because...

Something must be done now about the runaway cost of our state government—a cost which has increased more than 500 percent in the period between 1935 and 1950. Aside from the cost of World War II, the cost of the Federal government did not increase that much during the same period.

With the State plunging wildly towards a financial crisis, the Lt. Governorship is a business rather than a political office. It needs a business man with a business viewpoint.

Only by the election of a business man can the people of Texas be assured of a direct and vigorous attack on this runaway cost, useless waste, and needless extravagance in our State government.

Only a business man who has not been a part of the system which spawned this era of waste and extravagance can give the problem that searching inquiry and impartial analysis needed now. Pierce Brooks is that man.

The next Lt. Governor of Texas should be above any internal friction, beyond all cross currents of politics and completely judicial when clashes of personalities arise among members of the Senate. He must be in a position to treat them all alike, to be fair to each, and also to be true to his obligations to the people. Pierce Brooks meets these tests.

Pierce Brooks is the only candidate completely free from the entangling alliances, political obligations, cliques, clans and groups which grow up when men stay in office too long.

The Lt. Governor to be elected in 1950 should not come from the confused atmosphere of the State government, but direct from the people with a program for the people. Pierce Brooks is such a man.

In these crucial times the next Lieutenant Governor should be answerable to the people of the State and not to any group of special interests that has made millions of dollars off the taxpayers.

Pierce Brooks for Lt. Governor

GI Bill Veterans Regulations Are Clarified By Regional Manager

Regional Office of the Veterans Administration at Lubbock today issued a round-up of rules and regulations that should help veterans plan ahead for GI Bill school terms this fall.

The round-up includes new procedures that were prepared under Public Law 610, signed July 13, 1950.

Now is the time veterans should do their planning, because several weeks are required sometimes to get preliminaries out of the way, according to Robert W. Sisson, Manager of the regional office. Veterans who intend to go ahead this fall with the same course at the same school they have previously attended need not contact VA at all. They should however, make certain the school has room for them.

Those who want to continue in the same course but at a different school should obtain a supplemental Certificate of Eligibility form VA. On the certificate, they must name the school and course. Then they present the certificate to the school at enrollment time.

Veterans who wish to make their first change from one general field of study to another (from law to engineering, for example) may do so simply by applying for a supplemental Certificate of Eligibility from VA.

The same holds true for those who completed or discontinued GI Bill training and now want to make a first change to a different general field.

Veterans who already have changed general fields of GI Bill study and now wish to change

'Scratch Dallas' Campaign Is Sweeping State

The country boys' campaign to "scratch Dallas" in the Aug. 26 run-off election is sweeping the state, Chairman Emmett Alexander of Marble Falls said today.

The Marble Falls businessman who announced plans last week for the revolt against Dallas County's control of state government, said he had received hundreds of letters, telegrams and phone calls in support of his plan.

The plan calls on Texans to vote against the four Dallas County candidates in the five statewide races, to elect their four opponents and to thereby strengthen representation of other areas in the government.

"The reaction to our drive to decentralize the power held by Dallas County in state government has been more than satisfactory," Alexander said. "And we expect it to snowball into victory by Saturday."

"We are not running any one man. We have picked the opponents of the four Dallas candidates because we do not want Dallas to boss the entire state and because we think the out-of-Dallas candidates are equally as well qualified for the different state offices."

Alexander said Texans in all parts of the state, especially in the small towns, were working for the "scratch Dallas" idea.

The Dallas County candidates and their opponents are Pierce Brooks of Dallas and Ben Ramsey of San Augustine County, for lieutenant governor; Will Wilson of Dallas County and Fagan Dickson of Bexar County, for Supreme Court, Place 1; George W. Harwood of Dallas County and Meade F. Griffin of Hale County, for Supreme Court, Place 3; and Robert L. Lattimore of Dallas County and W. A. Morrison of Milam County, for Court of Criminal Appeals.

Alexander said an eight-member committee, including Mayor E. O. Smith of Marble Falls and M. C. Winters, Johnson City rancher and merchants, vice-chairmen, were pushing the "scratch Dallas" campaign.

again, should apply at their VA regional office. If it is determined that the new course is in a different field, they will be required to undergo advisement and guidance.

Purpose of advisement and guidance is to enable VA to decide whether a veteran has need for the course and aptitudes necessary to complete his educational or job objectives.

If VA does not come to a decision whether to approve or disapprove within 45 days after the veteran's application, the new course automatically is approved. The veteran, however, must have appeared at the appointed time for advisement and guidance, and he must have cooperated in receiving this service.

Veterans who have not yet trained under the GI Bill, and plan to start this fall, should apply at the nearest VA office for an original Certificate of Eligibility. VA offices in West Texas are located at Amarillo, Childress, Lubbock, Abilene, Big Spring, San Angelo, Odessa, and El Paso. The name of the school and course must be included in the application, and the application, together with a photostatic copy of discharge papers, should be sent to the nearest VA regional office.

Sisson emphasized that after veterans receive the Certificate of Eligibility, they should keep it until they actually enroll in school.

Restrictions on avocational and recreational GI Bill training, modified slightly by the new Public Law 610, apply to all veteran trainees.

A veteran must submit complete justification that training will contribute to bona fide use in his present or contemplated business or occupation if he wants to take any of the following courses:

Dancing, photography, glider, bartending, personality development, entertainment, music, public speaking and courses in sports and athletics.

Exempted are applied music, physical education or public speaking courses offered by colleges for credit as an integral part of a course leading to an educational objective.

If a veteran desires a course not on the list, but which VA finds is frequently taken for avocational or recreational purposes, he may take one of two steps: (1) submit complete justification, or (2) submit an affidavit, supported by corroborating affidavits from two competent disinterested persons, stating that the training will be useful to him in connection with earning a living.

VA offered veterans one final reminder to be considered in planning GI Bill training. July 25, 1951, is the cut-off date for starting GI Bill courses for all veterans discharged before July 25, 1947. Those few who were discharged after July 25, 1947, have four years from their discharge date in which to begin.

Leaf Worms at Work in County

Leaf worms are getting ready to take their toll of cotton in Cochran County. Some of the fields in which County Agent Homer E. Thompson has examined, as may as four small leaf worms has been found on a single leaf, and will average six to eight worms per stalk. Farmers should keep a vigil eye on their cotton and when in these numbers the least ragging leaves, should warrant immediate poisoning.

Here are the poisons recommended for the leaf worm and the dosage required in this county for good control. Either dusts or spray may be used effectively, depending on the machinery available to the farmer.

Dusts: 20% toxaphene 40% sulphur or 3-5-40 mixture at 10 lb. per acre, calcium arsenate 10 lb. per acre at weekly intervals.

Sprays: Toxaphene, or 2 to 1 mixture, 2 to 3 lbs. per acre (Technical poison) at 5 to 7 day intervals. Technical poison per acre means this: if one gallon of toxaphene containing 8 lbs. of toxaphene per gallon then at least one quart should be used to the acre, said County Agent Homer E. Thompson.

DDT does not give the results desired for leaf worm control, but the above dusts or sprays given for control of leaf worm will give excellent results when applied properly.

If these insecticides are not available on the market then contact the county agent for substitutes that may be used.

W. B. COX HOME UNDER CONSTRUCTION

Construction of a ten room home for Willard B. Cox is well underway.

The new home is being built of pumice tile and is located east of the city limits about 1/2 mile.

The large structure of modern design will feature a playroom and den as well as large living room, and four bedrooms.

NOTICE OF ELECTION CONSOLIDATE DISTRICTS

THE STATE OF TEXAS COUNTY OF COCHRAN TO THE QUALIFIED VOTERS OF THE HEREINAFTER NAMED SCHOOL DISTRICTS:

TAKE NOTICE that an election will be held on the 29th day of August, 1950, in Neely Ward Common School District No. 9, Morton Independent School District at the places, in the manner, and on the proposition set forth in the attached copy of an Order for Election to Consolidate Districts, duly entered by the COUNTY JUDGE OF COCHRAN COUNTY, STATE OF TEXAS, on the 7th day of August, 1950. Said attached Order for Election to Consolidate Districts being made a part of this notice for all intents and purposes.

Silver Service To Given School Ex-Techmen

Former students of Technological College will receive a silver service to the college in commemoration of the school's twenty-fifth anniversary, said B. Ratliff, chairman of the anniversary homecoming committee.

The service will include an engraved punch bowl and 400 cups which are to be sold to members of the Ex-Student Association. Ratliff stated. Donors' names and the year will be engraved on the cup. Tech's Double-T emblem is to be engraved on the cups. The service will be sold for \$25, estimated. The service will be used in the student union building due to be under construction soon.

Other members of the committee appointed by Ed McCullough, president of the association, are: Bruce Zorns, Brown, and Homer Maxey, Dutchington and Dub Rushing.

STATE OF TEXAS

Robert F. Sale Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. the first Monday after the expiration of 42 days from the date of issuance of this Citation, the said being Monday the 2nd day of October, A.D. 1950, at or before 10 o'clock A.M., before the Honorable District Court of Cochran County, at the Court House in Morton, Texas.

The plaintiff's petition was filed on the 23rd day of June, 1950. The file number of said suit is No. 852.

The names of the parties in said suit are: Doris Sale as Plaintiff and Robert F. Sale as Defendant.

The nature of said suit being substantially as follows to-wit: This is an action by the Plaintiff, Doris Sale, against the defendant, Robert F. Sale, wherein said Plaintiff sues Defendant for a divorce and prays for the court to dissolve the marriage relationship between plaintiff and defendant, and as grounds for such action, the plaintiff alleges excessive and cruel treatment on the part of the defendant of such a nature as to render further living together as husband and wife wholly insupportable.

Filed this the 16th day of August, 1950.

Witness my hand and seal of said court, at office in Morton, Texas, this the 16th day of August, A.D. 1950.

T. W. Pierce,
Clerk of the District Court,
Cochran County, Texas.
By Juanita McBee, Deputy.

Civil Service Lists Exams For 3 Positions

The United States Civil Service Commission today announced the following examinations: (1) Psychologist, for work in various Federal agencies in Washington, D. C., and throughout the United States; (2) Dietitian for work in hospitals and regional offices of the Veterans Administration located throughout the United States and in Puerto Rico; and (3) Cylinder Pressman, for duty in the Bureau of Engraving and Printing and the Government Printing Office in Washington, D. C.

The Psychologist examination covers the specialized fields of (a) Experimental and Physiological Psychology, (b) Personnel Measurement and Evaluation, and (c) Clinical Psychology. The positions pay \$3,825 and \$4,600 a year. To qualify, applicants must pass a written test and, in addition, must have had appropriate education and/or experience in psychology.

Dietitian positions pay \$3,100 and \$3,825 a year. Applicants will not be required to take a written test but they must have a bachelor's degree which included or was supplemented by the completion of certain pertinent courses. In addition, they must have completed an approved hospital training course for student dietitians or have had at least 3 years of experience as a dietitian. Additional experience is required for the higher grade.

The positions to be filled from the Cylinder Pressman examination pay \$2.43 an hour. Applicants must have completed an apprenticeship in the trade of printing pressman or have had 5 years of appropriate practical experience. In addition, for positions in the Government Printing Office, they must have had at least 1 year of appropriate journeyman experience, and for positions in the Bureau of Engraving and Printing, at least 3 years of journeyman experience on flat-bed cylinder presses. No written test is required.

Applications for Psychologist and Cylinder Pressman must be received in the U. S. Civil Service Commission, Washington 25, D. C., not later than August 31, 1950. Applications for the Dietitian examination must be filed with the Executive Secretary, Committee of Expert Examiners, Veterans Administration, Washington 25, D. C. They will be accepted until further notice.

Further information regarding the requirements for the examinations, and application forms, may be obtained from the Commission's Local Secretary, Mr. Billie R. Proctor, located at the Post Office, from civil service regional offices, or from the U. S. Civil Service Commission in Washington.

Where Future Lies.—"The future for American cotton does not lie mainly in parity price and in acreage control, but in such efficient production that it can compete successfully with synthetic fibers and for a fair share of the foreign market"—Farm and Ranch-Southern Agriculturalist."

Fred Jones Wins La. Star State Farmer Title and New Tractor

Pictured on the left is Fred Jones, Louisiana Star State Farmer; and Jack Rathbun, Adv. Director, The LeBlanc Corporation. Fred Jones, 17, Mangham, La., was named Star State Farmer at State Convention held recently at Southwestern Louisiana Institute in Lafayette. Jones won over \$1700 in awards in addition to Certificate and plaque. Major prize was 1950 Ford Tractor presented by Senator Dudley J. LeBlanc, President of The LeBlanc Corporation, at whose desk Jones is shown above. It was the most valuable prize in State Star Farmer history. Jones' title was given for having "best supervised farm program" in state. Now a Senior in Mangham High he plans to attend L. S. U. next year and also try for Star American Farmer title.

BOB WEEDS ARE GRANDPARENTS AGAIN

Mr. and Mrs. Bert Whitson of Fort Worth have announced the arrival of a baby girl, Vickie Kay, on August 13. The new baby weighed six pounds. Vickie has a two-year-old sister, Jeanie.

Mrs. Whitson is the former Darlene Weed of Morton. The baby's grandparents are Mr. and Mrs. Bob Weed and Mr. and Mrs. John Whitson of Plainview.

COUNTY TAX RATE MAY BE CUT BY EIGHT CENTS

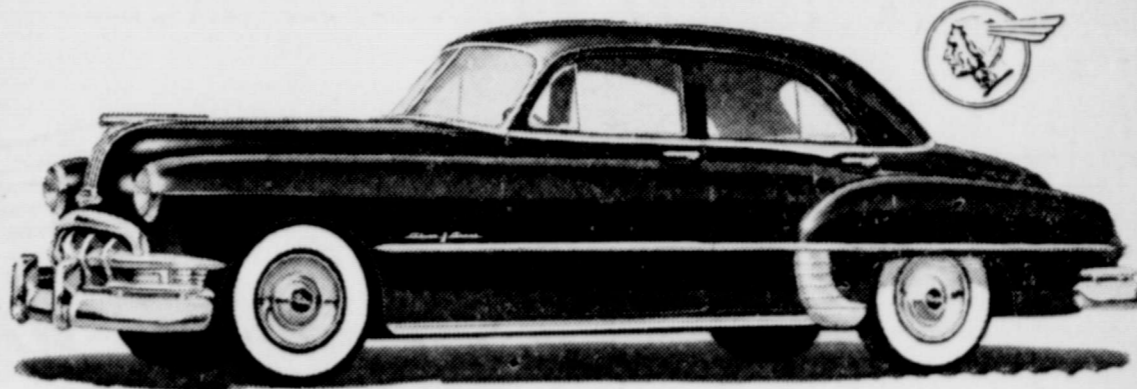

Liberty County's proposed budget for 1951 calls for cutting eight cents off the county tax rate, from the present \$1.12 per \$100 valuation to \$1.04. This reduction is recommended by County Auditor Harold M. Cotten, architect of the new budget. —Cleveland Advocate.

Pierce Brooks Confident of Election Victory

Pierce Brooks, Dallas insurance executive, took his aggressive campaign for lieutenant governor in East Texas this week and supporters that he was sufficiently confident of winning the gubernatorial nomination for lieutenant governor on August 26th. Brooks said he was greatly encouraged by the tremendous number of pledges of support he received in East Texas. "The crowd fell into West Texas," he said, "and into East Texas," he said. "The people are thoroughly convinced of the vital issues in this campaign and the smear campaign launched by supporters of my candidate has been met with cold resentment."

Dallas county candidate for lieutenant governor, Brooks said, "One of the vital issues in this campaign is a business man's political experience that brought the state to the edge of its worst financial crisis in its history." Brooks said, "is not a type of experience to get the best out of the present financial situation."

People have a choice between two candidates for lieutenant governor," Brooks said. "One is a business man with no political obligations; the other is a professional office holder who is supported by a group of thirty and money hungry individuals and corporations." Brooks said, "The Dallas insurance man will support his campaign to a close night at Tyler with a wide radio broadcast over Texas Quality Network."

Gene Huggins, Mrs. Huggins and Cathy.

Study Club Women Donate 14 Volumes Of Children's Books

Young library readers were made happy recently when the library became richer by 14 volumes of children's books. Presentation of the books was made by the local "Study Club."

Volumes included Little Elephant, The Fabulous Flight, A Monkey Tale, Ben and Me, The Door in the Wall, Call it Courage, The Parade, Bobcat, The Return of Silver Chief, Bahar the King, Johnny Texas, Caddie Woodlawn and the ever popular books by A. A. Milne, When We Were Very Young and The House at Pooh Corner.

Winfred Scott Recalled to Active Duty in Air Force

Winfred Scott has been recalled to active duty in the Air Force. He is S/Sgt. in the Air Reserve. Scott is a World War II veteran and remained in the service until early 1947. He has been active in the Air Reserve program since being discharged.

Sgt. Scott reported to Brooks A. F. B. in San Antonio this week for processing and assignment to an A. F. unit. Recall to duty is due to a government plan to bring its A. F. units to full strength.

Scott is married to the former Miss Jackie Fern Dyess, daughter of George Dyess, here on route 1.

HANS STEILBERGER VISITING WITH E. H. IRWINS

Hans Steilberger, journalism student at Butler University, Indianapolis, Indiana, arrived last Wednesday for a visit with Mr. and Mrs. Edmund H. Irwin and son, Michael.

Young Steilberger, European by birth came to the United States as a refugee prior to War II. He served with the U. S. Armed forces during the war with three years of foreign service to his credit.

BUR NAIRNS BUY MOVIE EQUIPMENT

Bud Nairn has joined the ranks of amateur movie makers around Morton with the purchase recently of 16 mm sound movie equipment.

Homemakers Club Meets With Mrs. Cunningham

Mrs. Orville Cunningham was hostess to the Homemaker's Club Wednesday afternoon, August 16. Roll call was answered with, "My Favorite Apron Pattern."

Mrs. Richard Key was in charge of a business session, at which time the club voted to lend 4-H club girls \$5.00 for the purpose of starting a rug.

Mrs. O. D. Chesshir had on display a new record player and several records. The instrument was purchased with club funds for use of the club.

A demonstration of insect control of fruit trees and shrubs was given by the county agent, Miss Manley, and her assistant, Miss Miller. Several fruit trees were sprayed during the demonstration.

The hostess served a refreshment plate to Mesdames Paul Byrd, Key, Chesshir, J. W. Cunningham, D. A. Ramsey, John Buchanan, W. C. Millsap, Ralph De Bord, W. G. Freeland, Misses Manley and Miller.

The hostess was presented with several quilt blocks. Mrs. Paul Byrd will host the club on Wednesday, August 23.

VAN AND FAMILY OFF TO CANADA BY AIR

Van Greene, his mother, Mrs. Joe Greene of Lamesa and Mr. and Mrs. Bill Minnix of Snyder, sister and brother-in-law of Van left early Tuesday on the first lap of a journey to Hardisty, Canada, where they will visit their sister, Mrs. Lloyd Coffman and Mr. Coffman.

They plan to be gone about a week and will fly through Colorado, Wyoming and Montana. They are making the trip in Mr. Greene's four place Piper Pacer airplane.

FAMULINER COMMUNITY NEWS

Mr. and Mrs. O. L. Ramsey and daughter, Jean of Los Angeles, Calif. visited his brother and family, Mr. and Mrs. D. A. Ramsey last week end.
