MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, AUGUST 30, 1950 NUMBER 27

Morton Schools Scheduled to Open Labor Day

Juniors and Seniors Register on Friday, September 1, Others on 4th

High school doors swing wide next Monday as they again start on their regular school year. Juniors and Seniors are registering on Friday, September 1, 10 a.m. to 5 p.m. The first day of school is September 4. The burden of school preparation will be on the shoulders of the students who will sign up for classes on Friday.

Most of the school children are registering on the day that classes begin and the traditional Carl Macon is each student who has not in Cochran County long enough to be included in the school to have a birth certificate to show to the registrar.

Opening the Morton school on the traditional Labor Day opening will be several days, all of which should be school more pleasant. Top on the list is the new \$100,000 school gym which was started last fall and is now complete.

The high school gym complete with \$7,000 worth of equipment and fixtures will seat about 600 of which will be permanent bleachers on one end and another on folding type on the opposite side.

The gym has two practice courts, boys and girls dressing rooms and a fine pean floor surface. The 105-98 foot structure is certainly a credit to the Morton system. Five periods of classes will be held in the structure.

Changes include improvements in the Agricultural room and an enlarged band room that will accommodate two in choral instruction. New and vocational equipment has been added.

The complete list of Morton teachers for the 1950-51 school year follows:

1st grade, Mrs. V. L. Lawson, Connie Gray, and Mrs. Fred Dale; 2nd grade, Mrs. Iva Hanson, Mrs. Neal Rose, and Ermon Miller; 3rd grade, Maude Davis and Mrs. C. Gray; 4th grade, Miss Herva Huff and Mrs. J. W. Watson; 5th grade, Mrs. Turner; 6th, 7th and 8th grades, J. A. Gowdy, Mrs. J. W. Alford, Mrs. L. L. Price, Bill Hartman, R. T. Wilson, A. C. Masterson, Mrs. Carl Macon and Jimmy Key, Principal of the grade

schools will again be Elmo Smith.

High school teachers by subjects will be: English, Mrs. W. W. Smith and Miss Flo Ann Marshall; Band and Choral, Fred Danforth; Commercial, Jack Eudy; Science, Glenn D. Reeves; Physical Education and Social Science, Herman Raphael and Hoy V. Marcum; Mathematics, J. B. Kempson; Vocational Agriculture and Shop, Harvey J. Walker; Homemaking and Crafts, Mrs. Murray Crone and Miss Essie Lee Denny; Librarian, Miss Lonora Jackson; Principal, J. Wendell Watson; and Superintendent, Carl Macon.

Western Auto Associate Store, owned by Neal H. Rose, observes first birthday under management of Mr. Rose, Friday September first.

Mr. and Mrs. Rose and daughters, Deanna and Denise, moved to Morton from Gorman, Texas, just a year ago.

Mrs. Rose teaches in the Morton Public Schools. In speaking of their first year in Morton, Mr. Rose said, "We like Morton and we are very grateful for the fine relations we've enjoyed here, and we hope to stay for a long time."

Visitors flocked to the "open-house" held last Saturday by Morton Electrical Supply in their new home at 213 South Main Street. A total of 805 registered during the day.

Phonograph records were given to each person who registered and six gifts presented to five different persons; Ronald Layton, one of the twin sons of the Johnny Layton's took two of the gifts. Ronald's name was called at the 12 o'clock and again at the 7:30 p.m. drawing. His first gift was a heating pad given by Homer G. Maxey Co., Lubbock; and the second a Westinghouse Sandwich Grill given by Westinghouse. Wanda Butler was happy recipient of a heating pad given by Homer G. Maxey at the 10:30 gift period.

Gary Melton received an electric door chime given by Morton Electrical Supply at 1:30 and Mrs. Tisdale took home a waffle iron following the 5:30 free gift drawing.

Mrs. Lillie Scott, widow, who just last week advertised to do ironing was the very happy possessor of a Universal Iron given by Universal at the 3:30 drawing.

Mr. and Mrs. Fred Morrison and daughter, Martha Deane, owners of the establishment, ably assisted by Merle Ensor, Billy Jo Deavers and a host of friends, were gratified at the wonderful response given the formal opening of their new building. Many congratulatory messages were received by them throughout the day. Flowers were sent by local friends as well as many out of town firms.

Mr. and Mrs. Bill Harris, owners of the Fotoshop who occupy space in the Morrison building, also assisted in formalities.

Morton Lions will begin the new season on Wednesday, September 6.

Club activities and meetings were discontinued early in June. Meetings will be held as usual.

County Voters Back Winners of Every State Office in Election

County voters batted 1,000 percent in backing all five winners of state offices in the runoff election last Saturday. In doing so they reversed their opinions of a month ago in three separate cases.

In the Lt. Governor's election, Ben Ramsey who ran a poor 4th in the July Cochran County balloting, came back strongly to capture the county majority. He added 805 votes to his 32 vote total for July while Brooks polled 382 votes previously wound up with 673.

It appears that the returns were like that all over the state. A last minute anti-Brooks campaign put Ramsey in office over Brooks who had won the July election. Local changes in the voting for that office could be traced to the fact the Preston Smith, area favorite in July, was defeated. That left nearly 800 votes to go either way in the runoff election and almost all of them went to Ramsey.

The same situation prevailed in the election of Judge of Criminal Court of Appeals, Hobert Nelson was the South Plains champion for that office in July but he was defeated. At that time Robert Lattimore polled the 4th largest majority here and W. A. Morrison didn't even get enough votes in Cochran County to rate listing. But in Saturday's balloting, Morrison turned the tables. He gained a sizable majority over Lattimore both in the county and in the state.

J. E. McDonald's Republican tendencies finally caught up with him according to latest results. The present Commissioner of Agriculture running for an 11th term in office, was defeated by John White in that race in what was probably the major upset of the day. Again Cochran County was behind White.

Will Wilson and Meade Griffin captured the Associate Justice runoff races with Griffin polling a huge 1167 to 206 majority for the largest single total garnered in Cochran County Saturday. They both were odds on favorites to be elected.

Mrs. J. S. Crockett Funeral Services This Afternoon

Funeral services will be held this afternoon, Thursday, Aug. 31, in the First Baptist Church of Morton for Mrs. Sharp Crockett, 48 year old Cochran County pioneer resident who died Tuesday afternoon in her home.

Mrs. Crockett, the former Ethel Vinson of Winters, Texas, came to Cochran county about 25 years ago and had lived here ever since. She developed cancer about a year and a half ago and had spent several months in the hospital. Death came at 4:30 p. m. Wednesday afternoon caused by cancer.

Mrs. Crockett was a member of the First Baptist Church and Brother W. C. Wright will handle the funeral. Interment will follow in the Morton cemetery.

Survivors beside the husband who resides in Morton are: 5 brothers, Marshall Vinson, Winters; J. D. Vinson, Winters; Fred Vinson, Fort Worth; Cecil Vinson, Abilene; Ernest Vinson, Indianapolis, Indiana; and one sister, Mrs. Louis Irwin, San Angelo. Immediate members of her family are 3 children living, Mildred Jackson, Lovington, N. Mex.; Johnnie Crockett, Morton; and Reed Crockett, Morton. One son, Perry Lee Crockett died 3 years ago and one baby daughter died in infancy. Three grandsons and two granddaughters also survive.

Pierce Is Re-elected By Slim 37 Vote Margin

Cochran county voters showed an amazing faculty for backing winners in the election last Saturday as they turned out 1614 strong to back every state office winner and elect a new judge, a new sheriff, and two new Precinct Commissioners in county races.

The County races proved as close and as hotly contested as any in many years as W. M. Harryman outpolled Herman Crockett to gain the office of Sheriff-Tax Assessor-Collector. Crockett is finishing up his first term in the office. Fred Stockdale became the winner in the County Judge race by a healthy margin but his opponent J. A. Love came considerably closer than any of Stockdale's opponents had come in the First Primary held last month.

The closest of the County races saw T. W. Joe Pierce elected for another term as District-County Clerk by a 37 vote majority over his opponent, young Raymond Strickland. Pierce's victory came despite a heavy Strickland majority in Morton, Precinct 1, the home of both candidates. There he was outpolled 471 to 403 but returns from Whiteface and Neely Ward went heavily for Pierce and obliterated Strickland's home Precinct lead.

Three County Commissioner's races provided plenty of interest for Cochran residents. Jim Hill, a 62 vote loser to L. M. Baldwin in the first primary, came back strong to defeat Baldwin and become Commissioner of Precinct 1. Baldwin was the incumbent but votes cast for the three candidates defeated for that office in the July balloting went to Jim Hill. It is his first time to hold public office.

E. C. White, Commissioner of Precinct 2 got the same dose of medicine in his race. G. C. Keith, down by 5 votes in July, got busy and earned enough new votes to come out a 26 vote winner at Whiteface.

John Kennedy retained his Commissioner's office in Precinct 3 although his opponent, J. N. Foster cut the margin down to almost nothing. The final count was 87 to 76.

Two new constables were elected in Precincts 1 and 4. Amos Taylor, Morton Fire Chief added another title to his list by defeating Guy Mathews by a 36 vote margin in Precinct and Pa Jones, the candidate who didn't want to run but went on the ballot by virtue of write-in votes last July, outpolled Campbell to become Precinct 4 Constable.

But perhaps the voting that should come of most interest to Cochran County residents has not yet been mentioned. Huelin Coon and Roy Hill waged a battle for the Office of Public Weigher although neither one ever announced his candidacy for the position. Both got on the ballot Saturday by virtue of write-in ballots and Roy Hill was elected to the office 402 votes to 296.

Absentee Vote Sets New County High With 176 Ballots

A heavy 176 absentee ballot total for the election Saturday was received by the District-County Clerk's office. It surpassed the July absentee vote by 80 votes.

Morton box, Precinct 1 showed the largest total with 91 absentee votes. Whiteface box of Precinct 2 had 37. Lehman box did not cast a single absentee vote, Bledsoe cast 10, White's Gin cast 7, and Neely Ward cast 31.

The absentee vote kept in step with the regular vote which was also exceedingly heavy for a second election. The large number of races to be decided in Cochran county got out a total vote of 1614, just some 80 less than voted in July. In other portions of the state where local races had been previously decided, votes for state candidates were very low.

Fred Morrison, Eddie Irwin Head Quarterback Club

Morton Quarterback Club in the first meeting of the season Tuesday night elected Fred Morrison and Eddie Irwin as president and secretary-treasurer, respectively.

The meeting was in charge of M. C. Ledbetter, outgoing president. Season tickets for all home games will go on sale Monday, it was announced during the meeting.

The organization will have charge of selling advertising on the home game football programs as a means of financing the club.

It was brought out during the meeting that "Fights or disturbances during a football game can disqualify a team; causing their dismissal from league with responsibility for order resting solely upon the home team." It was suggested that quarterback club assist in policing all home games.

A plan for filming all games is under advisement.

Two films made last year were shown by Carl England. One was the Slaton-Morton game, filmed by England and the Morton-Muleshoe game filmed by Carl Macon. The Slaton game was played at night and the Muleshoe game in the afternoon. Another film, a comedy, W. C. Fields in "Hurry, Hurry, Hurry" was shown.

There were 25 members present. The next meeting will be held Tuesday night, September 12.

Mrs. E. R. Fincher To Run Cafeteria

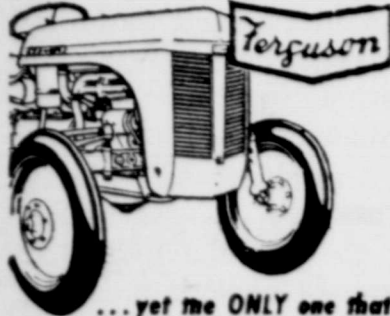

Announcement has been made of the appointment of Mrs. E. R. Fincher as superintendent of the Morton School Lunch room for the 1950-51 school year.

Mrs. Fincher's staff will consist of Mrs. M. L. Doyle, Mrs. John Goodman, Mrs. O. R. Darland and Mrs. John Lloyd. The cafeteria will open September 5, the day after school officially opens.

No changes in the actual operation of the lunch room have been announced. Every attempt will be made to furnish children with a well balanced meal at minimum prices.

-- annegrams -- — by ann england —

Notice in paper (Tribune that is) where Mrs. Carl England won consolation in the recent Country Club golf tournament held here.

★ Guess that discounts the report that "ann doesn't count all her strokes." At any rate we managed to out count any of the others in the tournament.

★ Mrs. Pat Hatcher called us Friday evening and started the conversation by saying, "You've got yourself in a bunch of trouble." Which remark left us completely nonplussed for a few seconds trying to imagine which of our many misdeeds Mrs. H. referred to, or for that matter cared about. It all wound up by our accepting her invitation to speak at a P.T.A. meeting—in April—which is a long time to dread anything.

★ The subject of all things, is "What to do with one's leisure." Who has any? At the time she called, about seven o'clock, we were up to our neck in plaster and wallpaper — redoing the bathroom.

★ The Rolly Hill's, their daughter and granddaughter, Mrs. J. C. Reynolds and Pamela, left last Thursday for a few days visit with the Hill's other daughter, Mrs. Jake Johnson and family at Calhan, Colorado. Soon as that trip is finished Blackie will join

her husband and trek to their summer place at Possum Kingdom.

★ Periodically we decide the house needs redecorating but so far we've never tackled anything but the bathroom. And from year to year we forget what a job it is.

★ The spouse is always such a big help when we get into one of our renovating moods; usually he waits until we have paste in our hair, paint running down elbows and paper draped over shoulders and then offers the suggestion that he had INTENDED to hire someone to do the work. Either that or he asks WHY we are doing it that way instead of some other.

★ Actually we usually haven't a terrific yen for the really hard work entailed in redecorating, even so small a space as the room mentioned, but ever so often we reach a new low in mental depression and the best cure we know of is a goodly out-pour of physical exertion.

Think it was Emerson who made the observation:

★ I know no means of calming the fret and perturbation into which too much sitting, too much talking, brings me, so perfect as labor. I have no animal spirits; therefore, when surprised by company and kept in a chair for many hours, my heart sinks, my brow is clouded, and I think I will run for Acton woods, and live with the squirrels henceforward. But my garden is nearer, and my good hoe, as it bites the ground, revenges my wrongs, and I have less lust to bite my enemies. I confess I work at first with a little venom, lay to a little unnecessary strength. But by smoothing the rough hillocks, I smooth my temper; by extracting the long roots of the piper-grass, I draw out my own splinters; and in a short time I can hear the bobolink's song and see the blessed deluge of light and color that roll around me.

★ Emerson apparently worked his off in the garden—we do a bit of that too.

★ Guess we just thought people around here were finishing up their vacations.

★ Mr. and Mrs. Tom Arnn are on a trip up in Colorado and Yellowstone National Park.

★ Been wondering about that smug look on Paul Goodman's face. It seems they're expecting. Paul and Lavena are among our favorite young couples in this town and we're awfully happy for them.

★ Deanie Arnn had her cherub in the beauty shop the other day while we were getting "fixed" up. That Cynthia Ann is one more cutie.

★ Such a lovely tea at Mrs. C. H. Silver's home Sunday evening. Mrs. Bill Nunnally, the former Daphne Drum was honor guest. Her bridal gifts were out of this world.

★ While admiring the pretty things, and in general just relaxing and having a good time, the wind was sort of taken out of our sails by Helen Butts, who informed us we'd been elected president of American Legion Auxiliary.

★ It is quite an honor and we appreciate it but for the past year we haven't even had time to attend a meeting. In order to do a thing well we feel that considerable time and thought should be put into it and we aren't sure yet that we can do it justice.

★ After the distressing message received here by the Neal Roses' from Dr. Norman Monk that Ann had been injured in automobile accident Saturday a week ago—we were greatly relieved when Artie Hicks called Norman and

**Mrs. Nunnally Jr.
Honored With
Gift-Tea Sunday**

Mrs. W. C. (Bill) Nunnally Jr., the former Daphne Drum, was honoree at a gift-tea in the C. H. Silvers home, Sunday evening from five until seven o'clock.

Hostesses were Mrs. Silvers, Mrs. Reagan D. Ormand, Mrs. Charles Taylor, Mrs. Elsie Gates and Miss Charlotte Lindsey.

Accordion music was furnished throughout calling hours by Miss Norma Ruth Wright, talented daughter of Rev. and Mrs. W. C. Wright.

Mrs. Don Holman served at the refreshment table which was covered with a lace cloth of autumn leaf design and color. Peace roses in an attractive arrangement were used in table decorations.

Miss Doris Drum, sister of the honoree, had charge of the bride's book.

Roses from the garden of Mrs. C. C. Reynolds were used throughout the house. Arrangements were made by Mrs. Elizabeth Greer.

About seventy-five guests called, many from New Mexico.

**Another Girl For
M. C. Ledbetters**

Margaret Lois Ledbetter, fourth daughter and fifth child of Mr. and Mrs. M. C. Ledbetter arrived Friday, August 25, in a Littlefield Hospital.

Mrs. Ledbetter and new daughter came home Monday from the hospital, both doing fine and according to her father, "Margaret is the prettiest one of the lot."

Margaret's sisters are Mary, Vivian and Betty. The little girls have one brother, Charles Coleman.

The new baby weighed seven pounds and three ounces and measured 19 inches.

TRIO FLY TO DUMAS

Judge Glenn W. Thompson flew Rev. W. C. Wright and Rev. Jim Sharp to Dumas, Texas, Sunday where they assisted in funeral services for a friend.

MR. AND MRS. G. E. WORLEY visited recently in Blum, Texas, with her mother.

found that Ann was doing well enough to have been removed from the hospital to the home of her aunt in Austin.

★ It seems she suffered a head injury and was unconscious for several hours. She and her mother were driving in Austin, following the wedding of Ann's young sister, when their car was struck and almost completely demolished. Mrs. Boyd, Ann's mother, escaped with scratches and bruises.

★ Murray Crone asked permission the other day for a look-see around Vagabond House and premises. Now isn't that a compliment? Murray and his cute little blonde certainly have an attractive new home; it's exterior of redwood in modern design.

★ Mary Evans told us that their new home probably wouldn't be finished before October. Some materials they'd planned on using have suddenly become scarce.

★ The Morrison's went all out on formal opening of their new place. A very nice looking chap tried to explain a push button electric lighting system to us but we were so intrigued with his looks couldn't concentrate on light buttons.

★ Well the election is over again—at last. Let's all kiss and make up now and get down to the serious business of making Morton, Cochran County and our share of the word a better place in which to live.

★ On buying another shipment of newsprint the spouse was heard to say, "If the paper shortage continues they are going to have to make our shoes out of leather again."

Tribune, Morton, Cochran County, Texas, Thursday, August 31, 1950

**GUESTS IN
G. W. THOMPSON HOME**

Guests last week-end in the Glenn W. Thompson home were Mr. and Mrs. C. E. Hunt of McLean, and Miss Ozella Hunt of Plains, parents and sister of Mrs. Thompson.

The visitors arrived Thursday, Friday Mr. and Mrs. Hunt, Miss Hunt, Mrs. Thompson and children, Treva Jo and R. E. visited Carlsbad Caverns.

WEEKS TO RUIDOSO

Mr. and Mrs. Roy Weekes and his brother spent a few days last week in Ruidoso, New Mexico.

**C. L. TAYLOR
FRACTURES HIP**

Charles L. Taylor suffered a fractured hip in a fall last Thursday. Mr. Taylor was repairing a door at his place of business, the Morton Drug, when the accident occurred. He was taken to a Levelland hospital where the injured limb was put in a cast.

**MRS. JACK RICE PATIENT
IN LEVELLAND HOSPITAL**

Mrs. Jack Rice, patient at Phillip-Dupree Hospital, Levelland, is reported in good condition, following major surgery last Friday morning.

OVERHEARD ON THE FAIRWAYS OF MORTON COUNTRY CLUB

EDITOR'S NOTE: V. L. L. didn't forget but was so late getting his Country Club news in last week we had to leave it out. Knowing how it is enjoyed by everyone we are using it this week—in addition (we hope) to his regular contribution.
 The only thing wrong with V. L. L. as far as we can see is that he nearly has too many

irons in the fire—what with attending the revival—building a new home—keeping up with a dental practice AND winning championship trophy in just finished golf tournament.
 Besides all that his pride and joy, Judy, has been away from home and neither he nor his wife, Florence, are quite themselves without her.

Well, Dear Readers, (if there be any), you almost got a break this time. I almost forgot to take the time to write this column. Being of a curious nature, I tried to see what six carpenters could do to spend so much money in a mighty little time along with three plumbers and before I realized what was happening it was almost too late to think.
 Now it doesn't take a genius to write this stuff, (I'd be eliminated if it did), but just the same it is a relief from doing a hard task to just rest and relax a few minutes and wander around on the golf course and see who the last ones are taking golf lessons.

Instructor at Lamesa 'Shanty Hogan' told me about him before I moved to Morton.
 Many have taken advantage of Jerry's instruction and have profited thereby. It will require a lot of practice but the instruction received will mean a great deal more if they don't try to put into execution every thing they were supposed to have learned the last lesson. It takes time for all that he says to 'soak in.' So don't be surprised if you don't do exactly what you want to do in a day or so.
 Any one who has played the piano realizes that practice is more important than the lesson. It just takes time to execute what you have learned. Some may be able to do exactly what they want to do right off, but others will require several rounds of good hard concentration and effort before they come thru.
 Golf is the hardest game in the world to play correctly to look as simple as it does. You'll realize this after about twenty years of trying. It's good for what ails you and that's why I like it.
 We're expecting a greatly improved game from some of the following enthusiasts since their golf lessons from the Pro. Better watch out for Mrs. Button Silvers. She can already beat her 'old man.' Mrs. Crum is doing nicely too. Joe Nicevarner, Bill Williamson, Mrs. Williamson, M. C. Ledbetter, Hessie B. Spotts, Babe Van Landingham. Yea, I got some of the benefit of Babe Van's instruction this week. That rascal had me three down at the end of six holes when I had to quit and come home. I guess I got this habit from a certain groceryman. He always quit when he was gettin a lickin. Don't blame him much but it's a bad habit.
 Now I hated to miss the big barbecue and awarding of prizes. I know a lot of folks will be there and eat all they can hold. I sure miss that eatin deal. Wonder if the Lord would excuse me from attendin church to attend. Since we can't be at but one place at a time, maybe it would be best to put first things first, and certainly a fellow's religious obligations should rate above his pleasures. As bad as I hate to miss it, (won't Prexy be glad) I'll just attend church services and leave all the fun to you'se guys I just licked.
 Now that feler St. Clair has been gettin in my hair lately too. With that old style Model T swing of his, (this was before his last lesson from the pro), he just beat the tar outa all three of us last week. I'm afraid Bill W's ailments will really get the best of him cause that drygoods merchant is gettin rougher than a cob here lately.
 Please accept my apologies for a lack of further knowledge on what's going on around the club, but until I get this dern house built, I don't know whether I'm ridin or walkin. Adios.

You can imagine what is going to happen with a jam up good golf professional here to instruct the really serious golfers. They have in mind beating the tar out of their very best friends the next time around the course. I know they are going to suggest a nickle or dime 'cat game' with the expectation of winning the whole jack pot.
 This will handicap our former "pro" Mr. Crum, but I really believe that the paying customer will realize more from his or her instruction. This fellow Jerry Stone who was the assistant Pro to Jimmy Gamewell at Levelland Country Club really has something on the ball.
 He not only is a good instructor, but is an excellent player as well. Ask any of the other travelling pro's and they will compliment him highly. My old

Morton Schools Offer More Courses In Effort to Hold Child's Interest

In an attempt to reduce the number of high school students that are dropping out of school before their senior year, and to reduce the other large group that never goes on to college, Morton schools are rededicating their efforts toward making a better, more interesting curriculum for students.

Carl Macon, Superintendent of the Morton schools, has estimated that the Senior class is one third less in size than the average Freshman and Sophomore classes. This indicates that about one third of the students become disinterested and drop out before

their graduation or are forced to leave school to work. About half of those who graduate from high school, or another one third of the original high school class, never goes on to college, Mr. Macon also pointed out.

"It is these two thirds of the students we are trying to help," Mr. Macon said. He pointed out that if the curriculum were made interesting enough and if students were able to take subjects that appealed to them, they would be more likely to graduate from high school. Those who don't go to college deserve a well rounded high school education that can prepare them for entering the business world.

The Morton school system now boasts 35 affiliated credits which is more than the average school can offer. These affiliated credits are acceptable at most schools all over the country.

Especially built up in the past two years is the vocational program which now includes 4 hours credit in vocational agriculture, 4 credits in home economics, 1 credit in shop, and 1 credit in a new course entitled Arts and Crafts. This course will include instruction in block printing, leatherwork, and all types of crafts for both girls and boys.

Journalism, public speaking and dramatics, and a business course which includes typing, bookkeeping, shorthand and general stenography are also some of the more practical courses offered.

A request for another home economics teacher has been granted by the state so Morton now has two home economics teachers to handle those classes.

Barbara Barton, Lonnie Allsup Exchange Vows

Miss Barbara Barton, daughter of Mr. and Mrs. Ott Barton, and Lonnie (Bo) Allsup, son of Mr. and Mrs. Roy Allsup, were married at the parsonage of Elder P. J. Ausmus, Lubbock, Sunday, August 13.

Mr. and Mrs. Corky Evans attended the couple as best man and matron of honor. Several young couples, friends of the bridal couple, were guests at the wedding.

After a honeymoon at Lake Kemp the popular young couple will be at home in Morton.

MRS. M. A. SILVERS GOLF CHAMPION

Mrs. M. A. (Button) Silvers won the ladies golf championship trophy in a tournament concluded last Tuesday night at a barbecue at Morton Country Club. Mrs. D. C. Bowman won consolation in the first flight with Mrs. Silvers.

Winner in second flight was Mrs. L. W. Ray with Mrs. Earl Crum taking consolation. Mrs. W. W. Williamson was third flight winner. Mrs. Carl England won consolation in this flight.

GROUP TO RUIDOSO

Climaxing a successful golf tournament here players and their wives took off last Friday for Ruidoso where a series of games were played. Those enjoying the three day trip were Mr. and Mrs. Neal H. Rose, Mr. and Mrs. Tip Windom, Mr. and Mrs. Babe Vanlandingham and Mr. and Mrs. Button Silvers.

MRS. H. R. HABERER of Earth visited here last week in the home of her brother, W. E. and Mrs. Angley.

Muleshoe Girl, Former Morton Man Wed in Clovis, N. Mex Ceremonies

Mr. and Mrs. Sam Sims of Needmore have announced the marriage of their daughter the former Doris Sims of Muleshoe and Howard Harris, son of Mr. and Mrs. Olen Harris of Morton. The couple were married last

month in Clovis, New Mexico, and are now residing in Lubbock where Mr. Harris is employed as a salesman for Singer Sewing Machine Company.

Mrs. Howard Harris has been employed at the REA office in Muleshoe for the past five years. She will resign her Muleshoe position and will be employed at the REA office in Lubbock.

Howard is a Morton High School graduate who served in the U. S. Navy during the last war. He returned to Morton and was formerly employed at Allsup Chevrolet Company.

Mrs. Lonnie Allsup Complimented With Gift Tea

Mrs. Lonnie Allsup, nee Barbara Barton, was complimented with a gift tea Monday evening.

Mrs. O. L. Tilger, Mrs. Lloyd Evans, Mrs. C. M. McMaster, Mrs. Charles Glen, Mrs. Minor Yarbrough, Mrs. W. B. Lackey, and Mrs. Hadley Kern were hostesses in the Tilger home.

White daisies surrounding a cut out heart covered in pink satin and maline centered the dining table, which was covered with a lace cloth.

Members of the house party other than hostesses were mothers of the honoree and her husband, Mrs. Ott Barton and Mrs. Roy Allsup; Mrs. Corky Evans, sister of the bride and Miss Linda Allsup, sister of the bridegroom.

The newly weds will leave soon for Abilene where both will be in school.

CITATION BY PUBLICATION THE STATE OF TEXAS

To: Robert F. Sale Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 2nd day of October, A.D., 1950, at or before 10 o'clock A.M., before the Honorable District Court of Cochran County, at the Court House in Morton, Texas.

Said plaintiff's petition was filed on the 23rd day of June, 1950. The file number of said suit being No. 852.

The names of the parties in said suit are: Doris Sale as Plaintiff, and Robert F. Sale as Defendant.

The nature of said suit being substantially as follows to-wit:

This is an action by the Plaintiff, Doris Sale, against the defendant, Robert F. Sale, wherein the said Plaintiff sues Defendant for a divorce and prays for the court to dissolve the marriage relationship between plaintiff and defendant, and as grounds for such action, the plaintiff alleges excessive and cruel treatment on the part of the defendant of such a nature as to render their further living together as husband and wife wholly insupportable.

Issued this the 16th day of August, 1950.

Given under my hand and seal of said court, at office in Morton Texas, this the 16th day of August, A.D., 1950.

T. W. Pierce, Clerk of the District Court, Cochran County, Texas. By Juanita McBee, Deputy.

Merchants Pull Upset By Drubbing Hawkins In Wild 19-13 Contest

Climaxing a great second half stretch drive that has seen them whip Texaco and Maple in succession, the West Side Merchants jumped on Hawkins Oldsmobile for a 19 to 13 clanging of the league leaders.

Hawkins had but to win the game from the 6th place West Siders to clinch the second half crown. But actually, after a 7 run West Side outburst in the second inning, Hawkins never got back in the game.

Solid base hits, walks, Hawkins errors and a full amount of determination were the winning ingredients for West Side. They collected 18 hits most of which were off Bill McAlister, Hawkins starting pitcher. The final four runs came off Lefty Hall.

Bill Scott was the major offensive weapon with a double, a triple, and a home run, but Jim Winder and Buddy Hanna each clubbed out three hits. Hawkins was charged with an even dozen errors.

West Side hurler Zeke Sanders didn't stand up exceptionally well under the 14 hit Hawkins attack but much of his trouble could be attributed to 9 West Side miscues. Shot Mills and

Early Hall each banged out three hits for Hawkins and Lilljedahl hit a home run.

The Hawkinsmen did their scoring in small packages in each of the first 5 innings. When they urgently needed runs late in the game, they were handcuffed on a single hit in the final two cantos. West Side put together a pair of 7 run innings which would have been enough for victory. They scored in every inning but the 1st.

West Side —0717121—19 18 9
Hawkins —3323200—13 14 12

Arnn Notches Win Over Reynolds By Distance Hitting

A terrific burst of home run power featured a 19 hit Arnn Motor attack as the motormen moved into third place in the league standings with an 18 to 8 victory over Reynolds Tire.

Barney Johnson's terrific two run homer to right field in the first inning got Arnn off and running. In the 2nd, Kenneth Watts, Harold Key, and E. Johnson delivered four-base whallops to account for four more runs. Robert Weed's homer in the third featured another five run blast.

Altogether Arnn collected five home runs, five doubles and one triple off Carl Kernell and Groce on the mound for Reynolds. Charlie Van pitched creditable 5 hit ball for Arnn walking only one man.

Although Arnn Motor was charged with 8 errors afield, they turned in a half dozen of the classiest plays pulled all season on the local diamond.

Arnn —2450043—18 19 8
Tiremen—0131030—8 5 8

J. Van's Twirling Gives Enochsmen Win Over Arnn

Given a last ditch chance at a tie for the 2nd half flag by an upset West Side victory of Hawkins, Enochs and Arnn Motor waged a bitter battle for four innings Monday night before the Enochs nine burst loose for 10 runs and the victory.

Either team had a chance to claim a tie for the crown by posting a victory Monday and one more this week. Enochs scored 4 runs in the very first inning which eventually proved enough to win.

Charlie Van was the victim of the terrific assault. The winners jumped on him for 13 solid base hits. Three errors, seven singles, and a walk meant 10 Enochs runs in the 5th inning. Brother Johnny Van pitched superb ball in earning the victory. He allowed Arnn just four hits including a home run by Barney Johnson in the opening inning. He fanned three Arnn batters and allowed just one walk.

Enochs —420010—16 13 2
Arnn —12000—3 4 3

Tribune Sport Page

Enochs, Hawkins Hookup in Torrid Battle; Olds Takes 16 to 11 Triumph

In a free hitting, loosely played ball game before a large crowd at Slaughter Field last Tuesday night, Hawkins Oldsmobile all but clinched the second half championship with a 16 to 11 victory over Enochs.

The game was a preview of what fans can expect in the seven game playoff series coming up two weeks hence. It had everything the fans could desire including some shoddy playing that finally meant the Hawkins victory.

Johnny Van and Lefty Hall lost their pitching duel by allowing the first two men facing each to get on base. Hawkins racked up three tallies in the first inning and Enochs came back with four to cheer their rooters. Three Enochs errors, a pair of doubles and a single gave Olds five more tallies in the second but again their triumph was short lived. Enochs added four on four hits to give them eight runs and eight hits in the first two innings.

The payoff inning was the 3rd. Again three Enochs errors were mixed liberally in the inning as Hawkins bulled five more tallies across the plate and took a 13 to 8 lead. Enochs never got back in the game, thanks to some wild baserunning. Arthur Van and Harry Pollard were both cut down at third base by wide margins with tremendously important potential runs.

Altogether Hawkins collected 14 hits most of them hard singles just over the infield. Early Hall, G. D. Lewis, and Jerry Winder collected doubles and Winston Jerden got a freak home run when his batted ball down the left field line left the playing field for a split second, hit an obstruction and bounced back behind the left fielder.

Enochs outthit their opponents.

Hawkins Captures Easy 18-6 Win Over Texaco Men

Texaco gave Hawkins Oldsmobile two innings of anguish last Thursday with a slowball pitcher that had the heavy hitting Hawkinsmen swinging at the breeze but eventually they caught up with him and poured it on in an 18 to 6 rout.

Four runs in the first three frames gave Texaco a 4 to 1 lead going into the bottom half of the 3rd inning, then the roof fell in on pitcher B. Sides. G. D. Lewis led off with a home run. Two doubles and a single followed but with two outs it looked like Sides would get out of the inning with a tie score. Lilljedahl and Keeler blasted consecutive homers to clinch the game right there. Just for good measure Hawkins piled on 11 more runs in the fourth frame.

Lilljedahl's 3 hits paced Hawkins while B. Sides and Kelly collected two hits each for Texaco. Hawkins collected 16 hits and committed 4 errors behind G. D. Lewis and Bob Dunham who combined to hurl six hit ball. Texaco came up with ten errors.

Line score:
Texaco —12102—6 16 10
Hawkins —017110—18 16 4

District 4-A Gets One New Member, Loses Four Others

Changes in District 4-A where Morton's Indians will compete for the football championship have been announced. Three old members were dropped to a lower District while one new team was dropped down from another District into the 4-A Conference.

Brownfield is the newcomer, having dropped from District 3-AA. They will compete with Morton, Levelland, Littlefield, Muleshoe, Post Slaton, and Tahoka. Dropped from District 4-A into B Districts and O'Donnell, Seagraves, Sundown and Sudan. Morton defeated O'Donnell last season on the local field but the Indians were tripped up by Seagraves.

They crashed out 16 safeties including Cleo Hall's two run homer. They also had two men reach bases on catcher's interference but steadier ball in the field by Hawkins payed off in a victory.

Line score:
Hawkins —3550111—16 14 6
Enochs —440210—11 16 8

Refiner's Hopes Jarred by Late West Side Rally

Weakening for one inning may have cost the Texaco Toddlers their only victory of the city softball league season here last week. The Toddlers raced to a 6 to 0 lead and then saw it whittled to 9 to 6 going into the 6th inning. Eight West Side hits and three very costly Texaco errors gave the West Siders 9 runs, 6 of which were unearned, and the Merchants went on to win, 15 to 12.

It was a hard defeat for Texaco. They had their hitting clothes on and seemed to be coasting well. Ward hadn't allowed West Side a hit in the first three innings and went into the 6th having allowed just 5 bingles.

Meanwhile Texaco got to Sanders for plenty of hits but left seven men on the bases. They racked up 15 hits including home runs by Baker and Kelly. Clyde Carson's three doubles and a single in four trips led both teams at the plate. Baker had three singles in addition to his home run.

Line score:
Texaco —0060321—12 15 6
West Side —0022290—15 13 3

MORTON GRIDDERS GET SET FOR TOUGH SEASON OPENER

Morton's high school gridders traveled to Andrews last Monday to see the results of a week and a half of practice tested in actual scrimmage. The Indians showed progress in nearly every respect but left no doubts in the minds of head coach Herman Raphael and assistant Hoy Marcum that they need plenty of work before their opener a week from tomorrow.

Thirty men began really working in earnest this week with an expected five or six more

slated to begin practice as soon as school gets underway. With registration headaches out of the way by Monday night, Coach Raphael hopes to put the boys through heavy workouts on Monday, Tuesday and Wednesday with probably a light workout set for Thursday. On Friday the Indians journey to Abernathy to open the season. They have been warned to expect formidable opposition from the new conference member.

Morton will pattern its attack around an even dozen returning lettermen and could field an entire first string team of lettermen if necessary. That would include co-captain Johnny Green at one tackle position although Johnny has no letter. Moving from one town to another has kept Johnny sidelined too often, despite his ability.

Sonny Burns will handle the first string quarterbacking duties for the Raphaelmen this season and Burns has come a long way in just one year of training. Last season as a 120 lb. Freshman, Melvin Crawford picked him to mastering the split "T" formation. Now weighing in at 140 or thereabouts, Sonny appears to be headed for less pounding and more respect from opposition.

Don Baldwin, Kenneth Wilson, Kirby Lacky and Mike Bolton will handle the majority of the running chores from wingback posts while Co-captain Jimmy Coats will buck the line from his

fullback position. Waydelle Hill and Jackie Sikes will be counted on to gather the Burn's passes at their end positions while Don Lindsey, James Dewbre, Leon Mills, and Johnny Green are the big boys up front. Fred Stockdale and Bob Poirer will share center duties.

Unquestionably Coach Raphael will miss a host of last year performers who graduated. They can't take men like Clarence Moore, Jimmy Chapman, Wood, and Royce Smith out of the line and leave it in the last season and other teammates would tell you that Moore, Chapman and Wood were every bit as vital to the Indian attack.

Clifford Wall at halfback and Lonnie Allsup at guard will be sorely missed but Raphael has several halfbacks turning and two lettermen at guard posts.

Short passes and sweep runs should form the basis of the Morton attack this season. It won't nearly as much weight on the line as the coaches would like to see, the local boys have to depend on speed to run the ends. Burns should be capable and adept at passing passes.

A week after the opener the Indians will return to Morton to play Rails on the local gridiron and with one game under the belt it will be much easier to tell how Morton may fare.

One More Chance

It seems like an old and tiresome lecture trying to get people in Cochran County interested in a park. Everyone is interested when they talk about it, no one is interested when it comes time to get anything done.

Once again something is to be done. The Morton Chamber of Commerce and other interested groups in town will sponsor a county-wide rally next Monday night on the court house lawn. At that time the citizens of the county will get a chance to speak preview what would be in store for Cochran residents if the proposed County Park's Bond Issue is passed.

Everything else scheduled for that night has been postponed in an effort to get the citizens out. The Chamber of Commerce believes that the chief reason the other park issues lie in the fact that the citizens didn't know about the

If you want a park, a humdinger of a park, this is your chance to get it. It shouldn't take more than a few minutes to convince you that Cochran County can, should, and will have better parks than any neighboring county in the West Plains area.

Another Season Rolls Around

Football seems like such an insignificant thing and yet it can mean so much to a high school student.

This week, in high schools all over the country, the high school boys are hard at work with their preseason grid practice sessions. In every case the coach wishes he had more time to get his team into shape. In every case he wishes he had better equipment and more size. In every case he imagines his backfield is sluggish, his linemen underfed, and his ends too slow.

But somehow those problems work out. They work out because deep in the heart of those boys is the spirit to go out and win a game. Who can tell why each one wants to win. One wants to please his girl, another wants to make his dad proud of him, still another wants to make his school proud.

Football is good for high schools. Not only is it good for boys who are playing but its good for the girl students, for fans, and for the school.

Most certainly there is a place for football in our American scheme of things. And there is a place in football for everyone of us, whether we be players or fans.

If you liked that Morton victory over Muleshoe last year, don't you think the boys deserve another year of backing. At the high school football field on September 15 when the will open the local high school football season. Better to be in Abernathy a week earlier to see our Indians get on the right foot. Remember, September 8, at Abernathy.

The Never Ending Vigil

In a few more days the "Little Red School House" will become the center of attraction for approximately 2,375 Texas youngsters of school age. For the next nine months these children will be going to and from school obtaining the education which will aid them in finding a place in our modern society in years to come.

We citizens of the State have learned that a certain amount of education is essential for a successful life in our modern world. For that reason we have attempted to provide the best education system possible for our school children of today who will be our citizens of tomorrow.

Even though we have gone to great expense in time, effort and money to provide these facilities for our young students, they deny this privilege to many of them each year because of a careless second on the part of some of us. Each year many school children are killed or permanently disabled in accidents involving a motor vehicle. Many of the more seriously injured children never return to school, and scores of those injured in accidents which are less severe are deprived of days, weeks and even months of training.

The Texas Safety Association urges you to accept the responsibility of a never ending vigil to protect the safety of these youngsters while you are driving your car on the streets and highways. These young children do not have the sound judgment necessary to respect an automobile and to fear accidents, therefore it is up to the adult people of the State to protect these boys and girls and to insure their safety when they are around us.

The fact that you would not be liable to legal action for the death of the youngster who darts out into the street and under the wheels of your car would not ease your mind, or bring back the life which would be lost.

DRIVE CAREFULLY, THE CHILD'S LIFE YOU SAVE MAY BE YOUR OWN !!!

THE LAW AND YOU

by Rob't. (Bob) Kirk
County Attorney
Lamb County, Texas

Do You Know that two or more men may be partners, without either knowing that they are partners?

To determine whether there is a partnership, the law does not look to what the parties thought their business arrangement would be when they entered into it. The law looks to the actual facts in the case, and whether or not these facts create a partnership. This is particularly true of the business arrangements, whereby one man puts up money, and the other does the work. If in this situation, the factors which determine a partnership are found to exist, the Courts will declare the same to be a partnership, and hold both part-

ners liable for the actions and debts of the partnership, created by either partner.

Do You Know what a limited partnership is?

This is a business arrangement whereby one or more persons provide money, and the other partners handle the operation of the business. To create a limited partnership a written agreement must be made, following certain statutory requirements, and certain definite steps must be taken. If the proper procedure is followed, the liability of the limited partner putting up some of the money for the business may be restricted to the amount of his contribution to the business.

LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

"AS FREE MEN WE PROCLAIM"

Recently, this column mentioned that in my travels around the country there had been observed the beginning of "an awakening of significant proportions" at the grass roots. People in the cities and towns visited were telling me they'd begun to realize the fuller import of things happening in our nation and were anxious to do something to help safeguard the American way of life.

Since writing the column, many further signs of the awakening have been observed. There has been evidence too that a great many people have begun actually to do something to safeguard liberty against internal encroachment. I've just received in my mail a most inspiring piece of evidence. It was sent to me by an Ohio friend. It is a full page advertisement published in the July 3 issue of the Advertiser Tribune, of Tiffin, Ohio, an industrial city of 18,000.

Another Like It

This advertisement reminded me in many ways, of the historic document I viewed one winter's day two and a half years ago in a coach of the Freedom Train. It was the original Declaration of Independence. Reading that great declaration of freedom and seeing the scrawled signatures of men like John Adams, Benjamin Franklin and Thomas Jefferson filled me with mixed emotion—tingling pride and reverent gratitude. Now I have experienced a kindred sensation while reading this advertisement that came in the mail. It carries a great proclamation and affixed to it are the penned signatures of 410 people declaring themselves gloriously free.

It must be passed along.

Here it is:

"As Free Men We Proclaim—Our belief in the divinity of God, the dignity of man and the destiny of our country.

"Our Belief that man shall live by the sweat of his brow.

Getting On Record.

"Our Belief in a fair day's work for a fair day's pay.

"Our Belief that a man should live within his income and pay his honest debts, and that our government should operate on the same sensible basis.

"Our Belief that under the American Way of Life we already have a higher standard of living than any other governmental system has ever offered—let alone delivered.

"Our Belief that as free men, proud of our achievements and jealous of our right, there is no place in our midst for communists, fellow travelers and other cranks who by wild accusations and empty promises would lead us down the trail to political and economic slavery.

"Our Belief that it is our duty as free men to speak out in defense of our American way of Life and to go on record to that end . . . May God be with us."

Declaration For 1950

The signatures penned to this document were not those of members of the Sons of the American Revolution. Nor was it a politically inspired advertisement.
