

Mercury Sizzles--108° Is Modern-Day Record

A thunderstorm Monday evening helped curb the heat and dryness which had gripped the Friona area for the past month.

A zenith in the heat department was reached on Friday, when mercury climbed to a high of 108 degrees, the highest reading locally in at least seven years, and perhaps close to an all-time high.

The 108 reading is the highest since local weather records have been compiled by the City of Friona, beginning June of 1962. Local records are not readily accessible prior to 1962.

Readings over the 100-degree mark have been relatively uncommon during the past seven summers. In the six summers prior to 1968, the mercury hit the century mark only three days. One was a reading of 101 on July 10, 1962, and another 101 on July 4, 1964. The last 100-plus reading was a 102 recording on July 5, 1964.

Following the 108 reading on Friday, the temperature hit 101 on Saturday. It had barely missed 100 on Thursday, rounding out at 99 for a high.

The temperature was again climbing on Monday, reaching 90 by 4 p.m., before showers about 5 p.m., cooled things off

to a comfortable 65 within an hour.

Rainfall from the showers amounted to only .23 inch in Friona, and this was about an average reported for area farmland, but they at least cooled things off somewhat.

Some reports of up to a half-inch were heard of, but they were scattered.

City Manager Jake Outland reported that rainfall during the month of June amounted to only .26 inches, measured over four different days. This was considerably less than the 3.43 inches measured in June of 1967. Rainfall during July of 1967 totalled 3.17 inches.

Sponsors Named For C-C Model Auto Competition

Friona Motors and Reeve Chevrolet will co-sponsor the model car display set for July 10 at the Chamber of Commerce office, it was announced this week.

Ronald Smiley of Friona Motors and Glenn Reeve, Jr. of Reeve Chevrolet will serve as co-chairman of the event. Entries will be judged on the basis of neatness and originality. No entry fee will be charged.

Smiley stated that model ships and airplanes may be displayed, but only the model cars will be judged. Three prizes will be given in two divisions: up to 12 years of age and 13 and over.

Judging will be held at the Chamber office at 2 p.m. on Wednesday, July 10. Free soft drinks will be provided for the contestants.

Judges will be Fred Jackson, Ralph Shirley and Geneva Williams. Some model cars are already being received at the Chamber office, and the public is welcome to drop by anytime and look at the exhibits, Weaver emphasizes.

Services Conducted For Longtime Friona Resident

Funeral services for William Monroe White, 88, long time resident of the Friona area, were conducted from First Baptist Church at 2:30 p.m. Sunday with Rev. Russell Pogue, Petersburg, and Rev. Bill Foll, pastor of the local church, officiating.

White, a resident of Friona since 1929, became ill at the home of his son, L.R., Friday, evening and was dead on arrival at Parmer County Community hospital at 8 p.m.

Survivors include four sons, Irving White, Tacoma, Wash., Henry, L.R., and Ray White, all of Friona; one brother, Sam White, Ocean Grove, New Jersey, and two sisters, Mrs. Clifford Bailey, West Plains, Mo., and Mrs. Nannie Turley, Brea, Calif.

Also fifteen grandchildren, and five great-grandchildren.

Pallbearers were W.S. Crow, Elroy Wilson, Clyde Sherrish, Charles Allen, Paul Fortenberry and G.B. Buske. Honorary Pallbearers were members of the Adult IV Sunday School department and deacons of First Baptist Church.

Burial was in Friona Cemetery under directions of Claiborn Funeral Home.

FIRST MAIL... One of the city mail carriers, Dale Hart, is shown making the first stop on his route last Saturday morning, the first day that city mail delivery was made. Hart and Valton Howard are the carriers.

POSTMASTER PLEASED

City Delivery Begins With 350 On Routes

City mail delivery began in Friona on Saturday, May 29, and by the third day of delivery on Tuesday, Postmaster Wright Williams said he was "highly pleased" with the way the new service was coming along.

"We had all the mail delivered by 12:30 p.m. on Tuesday, our third day. The boys were really rushing, and we hope they will have an opportunity to make this type of schedule without so much hurrying, but I was surprised that they made that

schedule so soon," Williams said.

The city carriers are Dale Hart for the western portion of town and Valton Howard for the eastern portion.

Some 350 patrons signed up and were receiving city mail delivery as of Tuesday. Several new patrons were added to the city delivery list on Monday and Tuesday.

"We've found that there are some problems with the mail boxes. Some appear to be set too high, since the boys are having to deliver out of automobiles at the present. Also, the red flags on the boxes are designed different to any we've ever seen before," he added.

Williams stated that Saturday, the changeover day, was quite a hectic affair, but that he had expected as much.

The Friona office received assistance from personnel from Amarillo and Hereford postal installations in setting up the new city mail routes, and implementing the routes. "If the people will bear with us, we think we will be able to give them good mail delivery service with the new routes," Williams said.

"We're still having a little trouble with house numbers. Some aren't numbered yet, or aren't numbered properly. However, these are problems which will be worked out in time," he concluded.

Ford Reception Here Thursday

Frank Ford, Republican candidate for state representative, will be guest at a reception in his honor on Thursday, July 4 at Friona State Bank's Community Room.

The reception will be held from 3 to 4 p.m., according to Floyd Reeve, Ford's campaign chairman for the Friona area.

SOUVANH

He is a native of Kang Kok. The Teals have two boys, Jerry, 16, will be a junior at Friona High School, Dwayne will be a senior at West Texas State University.

Shades of Franklin Roosevelt and his changing of Thanksgiving (which was ultimately changed back, it is to be recalled).

Not wanting to let FDR have anything on the Great Society, Lyndon Johnson last week signed into law a bill to set up five three-day national holiday periods by making four additional holidays fall automatically on Monday each year.

The new system will go into effect in 1971.

The law will make Columbus Day (Formerly October 12) fall on the second Monday in October each year. Similarly, Veterans Day, which is now November 11, will be observed on the fourth Monday of October.

Memorial Day, which has been doing pretty well on May 30 each year, will, starting in 1971, always fall on the last Monday of May. Labor Day already falls regularly on the first Monday of September.

But here's the kicker -- Washington's Birthday, which any school child knows is February 22, will hereafter be observed on the third Monday in February. Sorry about that, George.

The lawmakers saw fit, or had sense enough, not to tamper with Christmas, New Year's Day, Independence Day or Thanksgiving (remembering Roosevelt).

I guess it would have been hard to explain the Fourth of July falling on the first, second or third of the month; or observing New Year's Day on the first Monday in January.

In signing the bill, LBJ said one thing it would do would be to increase efficiency in business and government operations by reducing the number of midweek holiday shutdowns.

We know that Lyndon dabbles in the radio-TV business, but he has apparently never been around a weekly newspaper office on Monday, to see the chaos that exists. And when we're deprived of Monday as a working day, Tuesday resembles a Chinese fire drill if it is the first working day of the week.

Mind you, we're not against more "long weekends;" actually that's about the only kind of vacation we get. However, if they had set the holidays to fall on Friday it would have suited our fancy a lot better.

As one commentator had to say -- Congress didn't realize the potential mess which could result, since congressmen have three or four-day weekends to begin with. They don't identify with the rest of us.

This sounds like the first step toward granting labor a four-day work week. After the new system has been in effect awhile, the leaders may decide that the long weekends are working out so well that they might as well have one every other week -- and then every week, and there you are.

I always said I wished they would do away with Monday -- but I didn't think I'd live to see Congress actually trying to do the job.

Someone else commented that with the "extra day" and the resulting traffic increase, it would probably be impossible for many people to work out additional trips.

In this case, he said, pity the poor husband, trying to lounge around the house for three days, while his ever-lovin' mate has her brain working overtime thinking up all those messy household jobs which the husband despises.

The way things are now, according to David Brinkley, most of us can pretend to be too busy, with just one day, or a day and one-half, to do those despicable jobs.

However, with a three-day weekend as a prospect, it will take a pretty imaginative husband, Brinkley says, to be too busy doing nothing for three whole days to submit to the wife's nagging.

But for the life of me, I haven't figured out how it's going to improve efficiency to have to roll Monday and Tuesday into one package, and have to finish the week's work in four-fifths of the time.

Friona Riding Club Officers Elected For

Thirteen riding enthusiasts attended an organizational meeting of the Friona Riding Club last Friday night.

Officers elected included Charles Bass, president; C.L. Lillard, vice president; Mrs. Robert Zetsche, secretary; Gerald Shavor, parade marshal. Ted Weaver served as master of ceremonies.

Clark Jarnagin of Canyon, the president of the American Association of Sheriff Poses and Riding Clubs addressed the group as to the national organization.

John Fried of Muleshoe talked to the group concerning the organization of a local riding club.

Dues were established at \$10 per year per family. A second meeting has been set for Saturday, July 13 at the C.L. Lillard residence, beginning at 8:30 p.m.

Anyone interested in joining the club will be welcome to attend, according to a spokesman for the club.

Bookmobile Run Friday, Saturday

The High Plains Bookmobile library will not run on Thursday, July 4, but will make its regularly scheduled stops in Parmer County on Friday and Saturday.

Friday the bookmobile goes to Hub (8:45-9:45), White's Elevator (10-11 a.m.); Lazbuddie (12-1 p.m.) and Clay's Corner (1:15-2:15).

Then on Saturday, the bookmobile makes its regular stop in Friona from 1-4 p.m.

NO PARKING... A new "no-parking" rule went into effect along Highway 60 this week, with motorists asked not to park parallel alongside businesses on the street. Action was taken hoping to prolong the life of Highway 60 through the city.

NEWEST MEMBER... Postmaster Wright Williams represents the Friona Chamber of Commerce in welcoming Joe Sears left, as a new member of the Friona Chamber of Commerce. Sears is owner and manager of Sears Redi-Mix Cement Co.

Pause And Reflect

By Nelson Lewis

On July 2nd, 1776, the resolution for independence, drafted by Richard Henry Lee of Virginia, was adopted by a committee including John Adams.

On July 4th the Declaration of Independence was agreed to, engrossed, signed by John Hancock, and sent to the legislatures of the States.

In a letter to his wife, Abigail, John Adams expressed his personal views of the importance of this occasion.

On July 3rd, 1776, he wrote in part -- "It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty."

If we, the American people, were ever face to face with a time of crisis it is now.

If ever there was a Fourth of July worthy of our "solemn acts of devotion," our Thanksgiving, our prayers and our pledges of loyalty, it must surely be this day that we celebrate today.

Mr. Adams, in the same letter, also suggested that the day be remembered by "shows, games, sports, guns, bells, bon fires and illuminations."

All well and good, but there is a time and place for everything and in this writer's opinion we have placed too much emphasis and given too little thought to the former, more serious, commemoration.

On this July 4th, 1968, the American people of all races creeds and colors should fall on their knees and thank God that, weak and sinful though we be, we are Americans with all the responsibilities and privileges inherent to our citizenship.

We should be joined in these expressions of gratitude by all of those nations of the world that have shared in our moral and material wealth.

This particular Fourth of July, coming as it does in the election year of 1968, is of extreme significance.

It has been often stated that we have a government of laws and not of men.

If we are to maintain this status, and the history of nations indicates that we should, then this year of 1968 is the most crucial we have ever experienced.

There are indications that due to the apathy and indifference of the American voters we may become a government of bureaus and guidelines and regulations that spring full-blown from the minds of certain individuals and have never been graced by a formal adoption by congress.

Both major political parties have become so engrossed with trying to please everybody at the same time and by letting the minority tail wag the majority dog that their stated principles sound like the same old cracked record we have heard for years past.

This United States of America can no longer afford the luxury of petty politicians.

One hundred and ninety two eventful years have passed since John Adams informed Abigail of the days happenings.

If we value this independence as we should we will, on this Fourth of July, 1968, resolve to keep alive the spirit that created this mighty nation and gave to all mankind the hope of self respect that we know as the American Dream.

AN EDITORIAL

Citizens To Protest Fireworks In City

A delegation is to appear before the Friona City Council to request an ordinance making the sale or use of fireworks within the city limits unlawful.

Personally, we feel it is 'way past time that the city of Friona passed such an ordinance. Allowing the use of fireworks within the city limits is one of the "hold-overs" of Friona's small-town beginning, and has no place in a modern progressive city.

We have spoken out several times against fireworks within the city, but thus far, there has been no official action.

* * * * *

Now that Friona apparently is "on the move," in terms of building, getting new residents, new industry, new businesses, city mail delivery, etc., it would appear to be an appropriate time for the city dads to make this progressive step.

* * * * *

Not only is the use of fireworks in the city a nuisance to city residents -- they are a danger to those using them, and to those with which they may come in contact. It seems that the older children get, the more reckless they become with their fireworks.

Most cities have a fireworks display, sponsored through some civic organization, which allows residents to watch an impressive display in a safe and sane manner. Perhaps this would be a project which the local civic organizations could discuss.

We commend the people who plan to attend next Monday's meeting, and hope they will receive a favorable reception from the city officials.

Chamber Notes

BY TED WEAVER
Chamber of Commerce Manager

Last week, this column started an effort to evaluate Friona and thanks to those that have been such a big help. To mention all would take the entire contents of this paper but we appreciate the opportunity to continue.

Nelson Lewis with his humor and native ability is a big booster of Friona. His conscientious efforts for the safety and welfare of our school children deserve mention as do his cultural and historical interests. He is a pleasure to work with on displays and anything for community enjoyment.

Good ole' Steve Struve! The more he works, the more eager and enthusiastic he becomes. His work on the bus tours was excellent but he didn't stop with that. He has become our tour expert and is always ready to help. He enjoys it.

Gary Brown and Chuck Everett are both men that can be called on to get things done. They are both involved with everyone in the community.

Perhaps as modest a type of man anywhere would be A. L. Black. A human dynamo of energy, financial and leadership talents. He adds significance and stature to Friona and in many ways is responsible for the present and continuing prosperity of Friona. He serves on just about every board there is and can be counted on for the push necessary to see any project through.

Steve Messenger is another man we have come to greatly admire. He is deeply concerned with any community project, particularly with those that would benefit our children. Without tooting his own horn, he goes about his daily activities that add up to a better Friona.

The men that work with the baseball teams for our youngsters deserve our continued praise. Their goal is to develop good sports and to train the boys to be men. Often times this interferes with winning ball games and personal glory. These men spend a lot of time away from their families for the benefit of the youngsters of Friona.

ters of Friona.

Dan Ethridge has been a stabilizing force for some time. His continuing efforts are appreciated.

Radio KNNN is playing a continuing role of importance in promoting Friona. Bill McDonald, Ted Lamora, Neva Raybon and Mary Esquivel do a good job.

Fred Jackson with the Texas Employment Commission provides a welcome service to the Friona and Farmer County area. Many many farmers, city merchants and area industries use his office to secure their help.

Dale Cary, Marty Martinez, Jerry Brown, Eric Rushing, Billy Raybon, Bill Nunn, Ronald Smitley, Walt Cunningham, Doyle Elliott, Andy Hurst, Leiland Hutson, Clyde Woodard, Nelson Welch, Glen Reeve, Howard Love, Bill Wooley, Ralph Taylor, Hollis Horton, Wright Williams, Ed Hicks, Wesley Foster, Frank Truitt, Roy Wilson, Dr. Shackelford, C.L. Lillard, Paul Mohr, Gib Boatman, Dub Turner, Keith Brock, Hank Wheeler, Rev. Bill Foul, Vaughn Gowens, Haywood Vaughn, Deon Awrey, Pudge Kendrick, J.G. McFarland, George Taylor, Sloan Osborn, Bud Reed, Herman Jesko, Bill Lewis, in addition to those mentioned before plus many many others have been invaluable friends and dedicated workers. Such a list is very hard because so many people have helped in so many ways. The friendship extended has been sincerely appreciated.

Your Chamber of Commerce board composed of President Charles Allen, Vice President John Bingham, Secretary Paul Fortenberry, and directors Robert Neelley, Ralph Roden, Dr. Bob Alexander, Richard Collard, Wesley Barnett and D.C. Herring have given much of their time and talents for the betterment of Friona and will continue to represent the Chamber membership in promoting Friona. Their job is difficult if done alone but with community involvement and backing, their work can be successful.

Reeve Takes IL Lead, Nunn Tops PW Circuit

Reeve Chevrolet took over an undisputed lead in the Intermediate League, and Nunn Lumber Co. retained the Pee Wee League lead in summer baseball action last week.

Reeve topped Friona Star-Hurst Department Store, 8-5 in its only game during the week, coming up with a big six-run third inning.

In the other Intermediate League contest, Friona State Bank outlasted Friona Feed Yard, 13-11. It was a wild-scoring affair, with each team scoring in practically every inning.

Nunn kept its Pee-Wee League lead with a 6-0 win over Welch Auto. Roy Smith hurled the shutout. Bryan Snyder had a double.

The Bees topped Continental Grain, 9-7, and Tasty Cream, 4-1. Ethridge-Spring outslugged Monsanto, 10-7, and then shut out Continental Grain, 4-0. Continental Grain had been in second place prior to losing the two games during the week, which dropped them into fifth place with a 3-4 record.

(Cont. from P. 1)

Why couldn't Congress stick to such projects as eliminating the poor people (that's another topic we'd like to editorialize on sometime), or giving us a guaranteed income, or such all-American projects, and let people take their long weekends when they really wanted them, or could work them out?

Oh, yes - don't worry about forgetting my birthday. Just mail my cards on the last Monday in December. If it's all right to do George Washington like that, I surely don't have any complaint coming.

Do you know that if you live in a mild climate your plants of snapdragons are likely to winter and come up again, bigger and better, next spring? Even in colder areas a heavy covering of litter often will save the plants for another year.
Snapdragons act this way because they aren't really annuals — we just treat them as if they were. They're really perennials and, given a chance, their roots will survive the cold.

"...O'er the land of the free and the home of the brave!"

Since the days of our struggle for freedom, "Old Glory" has been a symbol to Americans—a symbol of unity and independence. Let's keep the principles upon which this nation was founded before us all . . . by flying our flag proudly on the Fourth.

MAURER MACHINERY COMPANY

THE STAR-SPANGLED BANNER
Our national anthem was written by Francis Scott Key in 1814. He had witnessed the bombardment of Fort McHenry throughout the night with anxiety and when he saw the American flag still flying over the fortress in the dawn, he expressed his feelings in stirring words that will live in American history.

Mr. and Mrs. Gary Williams

Miller-Williams Vows Exchanged In Iowa

New Providence Baptist Church, Confidence, Iowa, was the scene of the Sunday, July 16 wedding of Marie Louise Miller, Ames, Iowa, daughter of Mr. and Mrs. Ralph Miller, Friona, and Gary Richard Williams, Clinton, Missouri, son of Mr. and Mrs. Richard Williams, Clinton, Missouri.

The double ring ceremony was read at 3:00 p.m. by Rev. Kenneth Woods, Chilhowee, Missouri, brother-in-law of the groom, before an altar decorated with white gladioli, mums and daisies flanked by tiered candelabras holding tall white tapered and centered with a satin covered kneeling bench.

Dorothy Miller, Friona, sister of the bride, was the maid of honor. Bridesmaids were Miriam Nelson, Goldfield, Iowa, and Mary Winborn, Kalona, Iowa. Donald Gene and Mary Beth Miller, Friona, brother and sister of the bride, were ring bearer and flower girl. Candelighters were Juanita and Kenneth Miller, Friona, sister and brother of the bride.

Feminine attendants wore formal dresses of apricot col-

ored de-lustered satin designed with short sleeves and A-line skirts. The empire bodice of Miss Miller's dress was covered with white lace and the bodices of the dresses worn by the bridesmaids were covered with matching lace. Their headpieces were bows of matching lace and each attendant carried a single yellow mum tied with white satin ribbon.

Juanita and Mary Beth Miller, candelighter and flower girl, wore dresses designed identically to those worn by the other attendants in matching floral print with white background and orange colored flowers.

Duane April, Warrenburg, Missouri, was the best man. Groomsmen were Larry Leslie, Harrisonville, Missouri and Bill Adair, Chilhowee, Missouri. Carron Hickie, Promise City, Iowa, brother-in-law of the bride, and Floyd Miller, Friona, brother of the bride, were ushers.

Mary Pillant, pianist, presented traditional wedding marches and accompanied Mrs.

Kenneth Woods, soloist, sister of the groom, as she sang "O Day of Golden Promise," "O Perfect Love," and "I'll Walk Beside You."

The bride, escorted to the altar and presented in marriage by her father, wore a formal wedding gown of white satin designed with an empire waistline and A-line skirt. Her chapel length train was attached at the back of the waist. Wide bands of lace accented the sleeves, the hem of the skirt and the train.

She wore an elbow length veil of illusion which fell from a tiara of pearls. Her wedding bouquet was of pom pom mums and white daisies centered with a large yellow mum. She also wore an heirloom necklace which originally belonged to her maternal grandmother, the late Mrs. Maude Zimmer.

The serving table for the reception, which followed in Fellowship Hall of the church, was covered with a white cloth. The wedding cake, which was tiered, was decorated with yellow

TO BE HONORED. . . Mr. and Mrs. Wilbur Charles, 1001 F-M Road 1731, Bovina, will be honored with open house at their home from 3 to 6 p.m. Sunday, July 7. The couple will be observing their Golden Wedding Anniversary. They were married July 5, 1918 and moved to the Bovina area in 1927. Hosts will be Mr. and Mrs. Varnon Estes and Mr. and Mrs. Harry J. Charles, Bovina; Mr. and Mrs. Dan Kaninski, San Jose, Calif.; Mr. and Mrs. Jimmy Charles, Parsons, Kansas; and Mr. and Mrs. Mark Charles, Kansas City, Missouri. The couple has sixteen grandchildren and five great-grandchildren. Friends and relatives are being invited to attend and a request is being made that there be no gifts.

Mr. and Mrs. James R. Thompson

Carol Miller Weds James R. Thompson

In a candlelight service at Grand Avenue Baptist Church Ames, Iowa, at 1:30 p.m., June 15, Carol Anne Miller became the bride of James Russell Thompson of Wooster, Ohio. The double ring ceremony was read by Rev. John H. Hamilton, Ames, Iowa, before an altar decorated with tiered candelabra holding white tapered with baskets of yellow gladioli and carnations interspersed with greenery.

Mr. and Mrs. Ralph Miller, Friona, Mrs. Russell Thompson, Ames, Iowa, and the late Mr. Thompson are parents of the couple.

Rev. Hamilton, organist, accompanied Rick Geiler, Omaha, Nebraska, soloist, as he sang, "The Lord's Prayer," "With This Ring," and "Whither Thou Goest."

Marie Miller, Ames, Iowa, was her sister's maid of honor. Bridesmaids were Dorothy and Diana Miller, Friona, also sisters of the bride. Candelighters were Kenneth and Juanita Miller, Friona, brother and sister of the bride, Mary Beth Miller, another sister of the bride, was the flower girl and Donnie Gene Miller, brother of

the bride, carried the rings on a white satin lace edged pillow. The bride, who was escorted to the altar and presented in marriage by her father, wore a floor length traditional wedding gown of white satin. It was designed with a fitted bodice, long fitted sleeves and a round neckline outlined with lace appliques which were repeated on the hemline. Her chapel length train fell from the waist line. Her elbow length veil of illusion fell from a tiara of pearls. She carried a cascade bouquet of white carnations and yellow and white roses.

The feminine attendants wore street length dresses of green linen with bell shaped sleeves. Headpieces were made of double bows of matching fabric. They carried bouquets of fugi mums. The candelighter and flower girl wore identically designed costumes in yellow.

Dennis Wendell, Ames, Iowa, was the best man. Groomsmen were Don McNeil, Rochester, Minnesota, and Floyd Miller, Friona, brother of the bride.

Mrs. Miller, mother of the bride, wore a Princess dress

of orange lace and a corsage of yellow and white carnations. The groom's mother wore a beige lace A-line dress with a corsage of yellow and white carnations.

A reception followed the ceremony. The serving table was covered with a white cloth and centered with a tiered wedding cake which was decorated with yellow rosebuds and topped with a miniature bride and groom. Cake and punch were served by Mrs. Carron Hickie, Promise City, Iowa, sister of the bride; Mrs. Jim Berhow, Mayfield, Kentucky, sister of the groom; and Nancy Thompson, Ames, Iowa, another sister of the groom.

Following a wedding trip to Brainerd, Minnesota, Mr. and Mrs. Thompson are at home at Wooster, Ohio. She is a 1968 graduate of Iowa State University with a home economics education major and was employed at Farmer House Restaurant, Friona, 2 1/2 months before her wedding.

Thompson, who is an industrial arts teacher in Wooster High School, is also a graduate of Iowa State University.

Billy Perkins, son of Mr. and Mrs. Richard Perkins, completed basic training at Fort Bliss, Texas, last week and re-

I wish to express my thanks to Mrs. Gladys Spring and Mrs. Zora Gaede for their help in writing this column these past seven weeks. I am pleased to be involved again.

The Summer Reading Program had 152 registered readers for the month of June. Twelve children have qualified for certificates having read the required number of books. Every child who has completed grades one through eight is eligible.

Volunteer workers at the library for this week are Kay Riedtmayer and Darla Perkins.

Friona has many young persons who give their time for the betterment of our town. They all deserve and have our special thanks.

We recently received a set of Childcraft Books through the generosity of Mrs. Bill Nunn. The library needs more books of every kind. Please check your shelves and attic. This is a lasting contribution to the growth of the library and its services. We have books given in memory of relatives and friends and these are labeled with a dedication as a permanent tribute. The library buys these books at a discount and the prices range from about three to ten dollars. Occasionally a more expensive volume is given. Please remember the library memorials and the good that they do.

I received a phone call this week asking again about the hours the library is open. On Wednesday afternoon it is open from 3-6 p.m. On Thursday, Friday and Saturday it is open 9-12 a.m. and 3-6 p.m.

The library board has received the resignation of Ted Weaver, the representative of the Chamber of Commerce. His membership on the board was all too brief and he will be missed.

Mr. and Mrs. Bernard Gowens, David, Mike and Daniel visited his parents, Mr. and Mrs. S.E. Gowens, Lubbock, Sunday.

Visiting Choir To Perform

The Youth Choir of Parkdale Baptist Church, Corpus Christi, Texas, will present a program of sacred and secular music on Wednesday evening, July 10, at 8:30 p.m. at the First Baptist Church.

This choir is made up of about 50 young people from 7th grade through college age. They are on their way to Glorietta, New Mexico for the music week program. Their director is Mrs. George Ansley.

Open House Set At Girlstown

Plans have been completed for Open House at Girlstown, USA for Saturday and Sunday, July 6 and 7. Highlight of Saturday's activities will be a barbecue in the evening. Beef for the barbecue has been provided by Friona State Bank, Friona Wheat Growers, Inc., Friona Feed Yards, Inc., and Easley Feed Lots, Hereford.

During the past several years many residents of Friona, Black, Hereford and other surrounding communities have contributed generously to the

support of this home for homeless girls.

Mr. and Mrs. Marshall Cooper, resident managers, invite all residents of the area to attend the Open House and barbecue and wish to express their sincere appreciation for their support.

When you put too much detergent in cotton laundry loads, add a cup of vinegar to the last rinse. Rinse once again to insure that cottons will be sweet-smelling and soft after drying.

FROM SEA TO SHINING SEA

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Fourth of July, and, from sea to shining sea, our flag flies proudly. Across the nation, school bands parade, fireworks splinter, and hometown newspapers carry full-page dissertations on what it means to be an American.

And I wonder. In these troubled days of dissension and White House pickets, what does it mean? Does it mean free speech without responsibility? Does it mean moral freedom that lacks integrity?

To be sure, an American today is a citizen in a changing world; but the things that count have not changed. Inalienable rights still require us to account for our deeds.

As our ancestors migrated across this vast continent, the Church moved with them. It taught integrity, responsibility, and a calm strength in the face of danger.

In today's world of unrest and contention, the Church remains steadfast. The principles it teaches still point the way for us to be a "nation with liberty and justice for all."

Head Start Students Show Social Advance

Friona's Summer Head Start program has been underway for almost a month and its 20 pupils have already begun to show social advancements under the guiding hands of Mrs. O.J. Beene and Sally Perez.

Friona's program is unusual in one way. It is sponsored by the entire community. This was the way the government originally set up the Head Start program. It was to be sponsored by local communities and financed by the federal government. But in most instances it has been easier for the local school systems to sponsor the programs in other communities since school boards and personnel have the background and knowledge needed to undertake such an educational program.

So when it was learned that a group of interested citizens of Friona with no educational background had gotten together and originated the local Head Start program this began to arouse the interest of many area leaders. Local classes have already had two visits from area consultants for the Head Start program and expect to have several more interested leaders visit in the near future.

The Head Start program seeks to prepare pre-school age children of poverty-class families for their first year at school. Many of these children start to school each year with a lac of self-confidence, a built in mistrust of adults and a deep fear of the whole operation.

CLASS PROJECT. . . Mrs. O.J. Beene and her assistants are shown with Friona's Head Start children, as the class observed two small pug puppies, shown to them by Jimmy Fallwell (far left), son of Mr. and Mrs. Joe Fallwell.

The program is designed to be a foundation for the poverty child's education, employment potential and often his health and social well-being.

The five major components of the Head Start program are health, nutrition, education, parent involvement and social and psychological services. Funds for the program are set up by the Office of Economic Opportunity.

The twenty youngsters enrolled in Friona's program

are: Keith Adams, Chito Caballero, Rickey Davis, Manuel Hernandez, Edward Jackson, Rickey Jackson, Pedro Leal, Darrell Polk, Jesse Saiz, Willie Vasquez, Mack Zamora, Della Aragon, Annette Chance, Linda Davis, Nellie Gonzales, Johnie Mae Felder, Zenda Lee, Linda Rando, Maria Villalobos, and Penny Whitesides.

Volunteer aides who work with the teachers are Connie Whaley, Kathy Bandy, Darla Perkins, Leda Wyly, Brian Elliott and Fran Dodd.

Wednesday of this week, the pupils were taken on their second field trip. The group journeyed to Clovis where they visited the zoo, played in the park, and had a sack-lunch picnic. The first field trip for the group was taken two weeks ago when they visited Friona's city offices and the public library.

Health is an important part of the Head Start program, as a child who is in poor health will function at a level considerably lower than that of a well child.

Friona Boy Exhibits Champion 4-H Gelding

The Farmer County 4-H Horse Show was held Saturday, June 29 at the Farwell Roping Arena. The show was held at night.

Two girls tied for the champion 4-H Horseman Award. This award is given the person or persons receiving the highest total points of the show. Letha Templar of Lazbuddie and Laura Doshier of Farwell tied for the award with 17 points each. Herb Howell, Quarter Horse breeder from Bovina was judge for the show.

Donna's Bando a registered quarter horse show by Letha Templar of Lazbuddie was named Grand Champion Mare of the show. The Reserve Grand Champion Mare was a grade mare named Susie and shown by Conda Jones of Oklahoma Lane.

The Grand Champion Gelding was a registered four year old quarter horse named Star Bingo. Star Bingo was shown by Garvin Thorn of Friona, Salty Red Star, registered quarter horse, was named Reserve Champion Gelding and was shown by Laura Doshier of Farwell.

Charles Christian of Oklahoma Lane, exhibited Duke to the Grand Champion Pony honors. Lee Ann Williams of Farwell placed her pony Baby Doll second.

Other 4-H members exhibiting their horse in the halter classes were: Mares, Ellen Denney of Bovina; Geldings; Jack Finley Smith of Lazbuddie, Ernestine Templar of Lazbuddie, H.R. Denney of Bovina, Loy Dale Clark of Lazbuddie, Steven Kaltwasser of Oklahoma Lane, and Harold Jones of Oklahoma Lane.

Showmanship honors were won by Laura Doshier of Farwell. Others competing in the showmanship class were: Letha Templar - second, Loy Dale Clark - third, Charles Christian-fourth, Ernestine Templar - fifth and Ellen Denney-sixth. Judges for the showmanship were Herb Howell and Wendol Christian of Bovina.

Garvin Thorn's Star Bingo also placed second in the junior division of the Western Pleasure competition. He placed first in reining in juniors. Billy John Thorn of Friona served as flagman for the show.

All the local pupils have now received their physical examinations and dental check-ups, small - pox vaccinations and DFT shots.

Head Start also seeks to dispell any fears the children may have of doctors, dentists, nurses, policemen, teachers, and all other persons of authority.

"Everyone has been so help-

ful and kind," says Mrs. Beene. She expresses a keen interest in each and every child enrolled in Head Start and is thankful for the assistance of all in the community. She invites anyone who is interested to drop in and visit while classes are in progress.

Head Start classes are held in the Junior High Cafeteria from 8:30 a.m. to 1:30 p.m. Monday through Friday.

Other information concerning cultural practices, irrigation, fertilizer, etc. will be included in the result demonstration handbook, published by the County Extension Office.

HEIFER HORMONE (MGA)

The synthetic hormone Melegestrol Acetate (MGA) has been approved as a feed additive by FDA. This hormone suppresses estrus and prevents heifers from coming into heat. It also acts as a growth promoter. Texas A&M has not conducted research using MGA but results from other States look good.

Heifers fed MGA have averaged 11.1 per cent heavier weights and increased feed efficiency by 7.8 per cent over those not getting any hormones.

Averages of all trials where diethylstilbestrol (DES) was fed at 10 milligrams per head per day show MGA improved average weight gains by 5.8 per cent and feed efficiency by 7.1 per cent over heifers fed DES. Results so far show no significant differences in carcass.

MGA is recommended at the .30 to .40 milligram level per heifer per day in the feed mixture. FDA requires that heifers be taken off of MGA feed 48 hours prior to slaughter.

MGA does not provide any benefit to steers.

MGA will be marketed as a pre-mix to feed manufacturers who are approved by FDA.

SCREWORM CASES CONTINUE TO INCREASE

Weather conditions continue to be almost ideal for the spread of screwworms and case numbers are climbing. Officials at the Mission Laboratory are emphasizing the need for producers to check their livestock very closely and to submit worm samples whenever worms are found. While cases are most numerous in southern counties in Texas, positive identification of cases from as far west as Pecos County have been made. New Mexico, Arizona and California are also reporting an increase in case numbers.

Vials are available at the County Extension office for sending in screwworms to the laboratory for positive identification.

Electric Blanket Care Is Topic Of Discussion

by Cricket Taylor
County Extension Agent
Now is the time to store electric blankets. Blankets should be stored clean. Never dry clean an electric blanket because some cleaning materials will damage the wiring system, reminds Cricket E. Taylor, Parmer County Extension Agent.

Measure the blanket before laundering so you can block it back to its original size. For automatic laundering, place 1/3 cup of mild soap or detergent in the machine and fill with warm water, about 100 degrees to 110 degrees F. Run the machine for two minutes to mix the detergent, then add the blanket, says the agent.

For an agitator type washer with two wash action speed, wash for 1-1/4 minutes with slow wash action and fast spin.

For agitator and tumbler-type washers with single wash action speed, soak the blanket for ten minutes, then agitate or tumble for 15 seconds.

To rinse the blanket, use cool water, about 70 degrees - 90 degrees to remove detergents and then rinse twice (one minute each time) for best results.

For hand laundering, mix 1/3 cup of mild soap or detergent with lukewarm water, then add the blanket. Soak the blanket for about ten minutes, then squeeze suds through by hand for about two minutes.

Use a soft brush and solution of mild detergent to remove stains and heavily soiled spots from the blanket binding. Remove from sudsy water by gently squeezing the fabric. Rinse two or three times in cool water, Mrs. Taylor recommends.

Set the automatic dryer control on the high heat. Time the drying cycle for fifteen minutes. The blanket will be damp and steaming after drying cycle. Allow the blanket to cool, then finish drying on a line. This will permit the blanket to be blocked to size as it dries.

For line drying, place the blanket lengthwise over two parallel clothes lines about 18 inches apart. As the blanket dries, keep stretching to block it back to its original dimensions. Dry the blanket in the shade, never in direct sunlight, as sunlight may harm fabrics.

The blanket should look soft and fluffy. If the nap becomes matted, it may be brushed in one direction with a clean stiff brush to raise the nap.

The nylon binding may be ironed if necessary. Use low iron temperature setting.

David A. Evans of Texas City, Texas, was elected President of Lions International at the Association's 51st Annual Convention in Dallas, Texas, June 26th - 29th.

Eight Friona 4-H girls have recently completed a 4-H project -- Money Management under the leadership of Mrs. Earl Jameson. A timely subject, this is, especially for the young boy and girl. It does give these youngsters an insight into the importance of knowing how to handle money. Some adults

never learn and thus are always in "Money trouble," while others learn after some sad experiences as adults.

Clothing 4-H project groups are busy trying to complete requirements and be ready for the judging on July 18th. It is amazing what some of these 4-H'ers can learn to do at such

an early age, especially when interested parents are giving the needed cooperation and help.

CREDIT CARDS--thirty days to reality! A credit card makes it easy to obtain credit and charge anything from gasoline to vitamin pills. There are travel and entertainment credit cards--these are geared mostly to high income groups. Interest is always Interest No Matter What It's Called.

ADVANTAGES OF USING CREDIT CARDS

1. No need to carry a lot of cash, however a checking account or travelers checks can eliminate this in many cases.
2. Convenient payment - can write one or two large checks rather than several.

3. Sometimes it simplifies bookkeeping -- if statement is itemized -- if not it is more difficult to tell how much is being spent.

4. One can take advantage of sales -- however too often this results in impulse buying which might not occur if restricted to paying cash.

SOME DISADVANTAGES OF USING CREDIT CARDS

1. May pay more.
2. Cost of credit may be as much as 18% or more.
3. Inflation. Extension of credit can result in prices rise to cover cost of service.
4. Overspending - one of the greatest dangers in use of credit cards is that monthly bills can become staggering without consumer being aware of it.

Get another of these long-lasting light bulbs each time you come into a Texaco Dealer where you see the Light Bulb sign.

Why is your Texaco Dealer saving you money on light bulbs? It's his way of celebrating the arrival of money-saving Sky Chief, the brand-new gasoline that can drive down the cost of driving. New Sky Chief keeps harmful deposits from building up on engine valves better than any other leading gasoline. With fewer deposits, you can get better mileage—and that can save you money. The chance of an expensive engine repair job is much less, too. So drive in for a light bulb, fill up with new Sky Chief—it can drive down the cost of driving.

Farr On Staff At Scout Ranch During Summer

Randy Farr, son of Mr. and Mrs. Alton Farr of Friona, is serving on the staff at Philmont Ranch in New Mexico this summer.

Farr, who has completed his freshman year at Texas Tech, having made the dean's honor roll for the second semester, is in charge of the Rayado Trading Post on the scout ranch.

There are a total of 23 staff members at the Rayado camp, one of the subdivisions of Philmont, where junior scout leaders ages 14-17 are trained. Some 150 boys are in that camp at one time, for two-week training courses.

The trading post is next to the Kit Carson museum, which is the former home of the famous
