Poultry Judging Team Places First; Will Try For State Honors At A&M

Morton's FFA Livestock Judging team, under the supervision of Elwood Harris, cut a mighty fine record last Saturday at Texas Tech as they grabbed a 1st, a 12th and a 20th place in area wide competition and the 1st place team qualified to go to the state finals at Texas A&M May 14th.

The poultry judging team of Billy Woods, Edward Gaffis, Edie Thompson with alternate Merle Newman tied with Lubbock High's team for 1st in that division. The two teams flipped a coin and Morton won the honors.

In the poultry division 60 schools sent teams, representing chapters from all over the state. They were part of 1500 boys from 153 schools, to serve on judging teams in 19 separate divisions.

The Tech meet served as both an open competition and an area event. Morton placed 12th in the overall division. However, of those teams, nine others were from this area and thus Morton's team was 12th in the area. Should one of those nine other teams decide not to go to the state judging, Morton could enter its team as nine are allowed to go from the area.

On that team were Freddie Thompson, Edward Dewbre and Edwin Stephens.

In livestock judging, the Morton team of Wesley Lloyd, Melvin

Box Supper For Softball Thurs. May 12

A box supper to provide funds for lunch what is expected to be one of the most competitive seasons of softball in Morton in many a year has been scheduled for next Thursday, May 12th in the County Activities Building.

The supper, open to anyone who likes box suppers, will get underway at 8 p.m. — that is, the auction sale. The short, pre-league meeting to complete final plans will get underway at about 7 p.m. and all teams are asked to have representatives on hand for that meeting.

J. M. Waller, league commissioner is expected to auction off the boxes to the highest bidder. All proceeds will go into the league which traditionally operates without admission charges, four nights each week, throughout the summer.

The league itself will get underway the following Monday May 16th subject to final approval by the team representatives. It will bypass the nights for the local graduation and will at least be set up so that no teams from the various outlying towns will be asked to play on the night of their school graduations.

This season less Morton teams than ever before and more out of town teams than ever before will make the league a sort of inter-city rivalry. Morton is represented by just one team the old West Siders still under the sponsorship of Rose Auto and Appliance and perhaps other merchants whose names have not yet been released. The name will be changed to Morton and most of the players from various teams that have operated in Morton in the past are expected to play on the Morton roster.

Muleshoe will have two teams, the Printers and REA, both of whom entered last year. Enochs will be back for their 7th season and Three Way will be back for their 5th time. The Gasoline Plant will be represented for the second year. Bula is enrolled for the third straight year. Sundown is represented for the first time, by Howard Shaw Construction Co.

One major change this year will place the date of the invitational tournament in mid-season instead of at the end of the season. The playoffs will be completed by the first of September.

Choir To Sing For Three Schools

A concert for three school assemblies will be given today by the Morton High School Choral group, according to Joe Carroll, director of choirs.

At 9:45 this morning the group sings at Sudan High School and at 11:15 they will sing in an assembly program at Amberst.

After dinner they will make a singing appearance at a 1:30 p.m. assembly at Anton School.

Ray's Offers Admiral TV

Less than a month remains to register for the TV set to be offered by Ray's Hardware next Dollar Day.

Carl Ray, proprietor of Ray's Hardware, said this week that full details of how you can become the owner of the TV set would be gladly supplied by any of the employees at the store.

Soil Expert Speaks Tonight At Auditorium

O. F. Armstrong, member of the State Soil Conservation Board, will be the guest speaker tonight at the County Farm Bureau meeting at the County Activities Building, identifying Merlin Roberts, president of the local group.

Armstrong, long a champion of soil conservation practices, will discuss the problems of long range production and of soil fertility. The meeting will get underway at 8 p.m. and the President has emphasized that everyone, not just members, are welcomed to hear Armstrong's talk.

One of two engineers under the State Board assigned to promoting soil conservation practices in the state, Armstrong is assigned to the vast West Texas agricultural area. His emphasis, in a talk to the Morton Lions a few weeks ago, concerned a misconception on what constitutes a cash crop. He also brings a wealth of experience and background with which to base his ideas. He served for five years as promoter of Soil Conservation, while employed by the 2nd National Bank of Houston. He holds B. S. and M. S. degrees from Texas A&M College.

Armstrong says, praying for better or more favorable agricultural weather is not wrong but he believes we have missed the boat in not making use of the weather we have had and the ideas we have on how to conserve soil.

Brother of Mrs. Steed Dies in Tenn.

Funeral services for Rufus Lee Wankan, 44, prominent businessman of Athens, Tenn., and brother to Mrs. N. H. Steed of Morton, were held Wednesday, April 27, at Athens, Tenn.

Mr. and Mrs. Steed, who attended the services, left here last Tuesday, returning Friday. They flew both ways.

Mr. Wankan, a native of Texas and son of the late John S. Wankan and Nora B. Wankan, died nine days following a heart attack.

He moved to Athens, Tenn., in 1930 and became foreman of the newspaper, operated at that time by his brother, Fred E. Wankan Sr.

For the past several years he had operated a coal business there. He was an active worker in Masonry, belonging to Meridian Sun Lodge 50, AF&M; Athens chapter, Royal Arch Masons; Athens Council 18; Athens Commandary 34; Eastern Star, the Alhambra Shrine in Chattanooga.

Mr. Wankan was a member of the First Baptist Church. He had been active in politics, having been a candidate for the Democratic nomination for sheriff in 1950.

Survivors besides his sister here are his wife, Mrs. Polly Wankan; a son and daughter by a former marriage, Barry Wankan and Charlotte Angela Wankan; three brothers, Fred E. Wankan, Athens, Tenn.; Joe B. Denton, and Henry E. Lufkin; four sisters: Mrs. Everett Steed, Gainesville; Mrs. Gaffey Tuttle, Kilgore; Mrs. Leonard Frederick of Chandler, Ariz., and Mrs. Cecil Deckard Gainesville.

Services were held at 4 p.m. Wednesday at Keith Memorial Methodist Church, with the Rev. Joe A. Hardin officiating. He was assisted by H. Neal Ensminger.

The body lay in state at the church one hour before the service. Burial was in the Cedar Grove Cemetery there.

Palbearers were members of the local Masonic lodge. Other members of the lodge were honorary palbearers.

W. M. Butler Is Burned By Acetylene Torch

W. M. Butler, Cochran County Vocational - Agricultural teacher here, was reported recovering satisfactorily this week from second degree burns suffered last Thursday as he was working in the shop with a group of students.

Butler was severely burned when what was believed to be a backfire of flame in an acetylene torch caught his shirt on fire from the rear.

Three of his students smothered the flames with their bodies and took him to the local hospital where he was immediately hospitalized for burns on his back and arms. It was believed that no skin grafting would be necessary.

It was not exactly known how the machine managed to belch flame on Butler. He was not working on the torch, he had his back to the machine when another boy used it. The flame went out and some how the backfire blew out a safety check. The tank did not explode.

Morton Gets 1.63 Inches Of Rain; Rest Of The County Not So Lucky

Four small rainfalls, some of them almost too light to measure, came to Morton and some of the surrounding area in four nights, last week certainly an unusual occurrence for this dry county.

Last Friday night, as the Tribune Dollar Day Special was on the press, a ten minute outburst of drizzling left what was measured on a local gauge at .03 of an inch of moisture.

Saturday evening, beginning about 8:30 a 15 minute outburst of considerably heavier rain brought .37 of an inch of moisture in Morton.

Sunday night, the skies opened up on two occasions of about 20 minutes each late at night as it dumped .96 of an inch of moisture in Morton.

Monday night as the circus prepared to open, once again the thunder clouds rolled into Morton and this time, though the rains lasted some 30 minutes, only .27 water was recorded.

The total of 1.63 inches of moisture would most certainly have been enough to stir many a farmer yearning to plant, had they received as much water as Morton. But such was not the case throughout the county.

The Friday night rain helped Cochran County farmers very little, coming into the Last Frontier Trade Area but not losing much water in the county proper. Circleback and Baileyboro, the latter just a few miles to the north and west of the county, did get about an inch of badly needed water.

Saturday and Sunday's rain got only a few miles north of Morton, perhaps 5 miles west and maybe four or five miles east. But it hit heaviest south and west of Morton around Bledsoe and below where an inch or more of rain was recorded on many gauges.

Rites Set Today For Mrs. E. Jones Who Died, Mon.

Funeral services will be held in Morton at the First Baptist Church this afternoon at 2 p.m. for Mrs. Emmett Jones, 40, mother of four children who died at the Anderson Hospital, Texas Medical Center, Monday afternoon after a bout with cancer.

Mrs. Jones died at 1:30 p.m. after several weeks in the Houston Hospital where she was undergoing X-ray treatments for the dreaded disease.

Rev. Otis S. Robinson will conduct the final rites this afternoon and the body will be taken overland to Clovis where graveside rites will be held and Mrs. Jones will be buried.

Mr. Jones, his mother; Mrs. Jones' mother, Mrs. W. W. Lindsey and a sister, Myrtle Fry were all at the Morton woman's bedside when she died, Monday. The body was taken immediately to a Clovis Funeral Home.

The Jones' family engaged in farming near Morton, came to this area from Clovis in 1954, after residing there for many years.

Survivors include the husband, four children, Nelda, Sandra and Christine who are at home, and a married daughter, Mrs. Sid Harrison of Morton. Also, her mother, Mrs. W. A. Lindsey; two brothers, Cecil Lindsey, of Corpus Christi and Billy Lindsey of Roswell; and five sisters, Mrs. Vincent Vielle and Mrs. Virgil Humphreys of Levelland; Mrs. Arnel Glaser of Oakland, Calif.; and Mrs. Myrtle Fry of San Jose, Calif.

Tim Ed Waller, Dist. Governor Lions Speaker

Tim Ed Waller, District Governor of District 2-TI was the guest speaker at the Morton Lions club this week, making the annual district governor meeting with the club.

It was the first time Waller had met with the Morton club. He spoke, first, on the condition of the district and then gave the local club an inspirational talk on what Lionism has done and must continue to do.

Following the meeting, Waller met with the directors for a short meeting.

One of the highlights of Waller's speech came when he was discussing the Lions Crippled Children's Camp at Kerrville, Texas. He called Lion Floyd Smith to the center and presented him with plaque in recognition for the support he personally has offered in the up-dated \$100 for the third successive year and thrice has been awarded a life membership by the Camp in appreciation.

Waller pointed out that District 2-TI, with 83 clubs and covering 43,000 square miles is one of the largest Lions Districts in the world. There are 4078 members. During the recent membership drive, 379 new members were added.

He also spoke of the success of the Lions District Convention at Lubbock last week in which 1842 delegates registered, the largest district convention ever held.

The District Governor said he had often been asked how much it costs to join a Lion's club. "It doesn't cost," he said, "it pays." He pointed out the Lions Internationally sponsored sight conservation program and the various other benefits to mankind offered through local clubs.

"Lionism," he concluded, "is a service to mankind founded upon the golden rule."

Injured While Working On Construction

A young 22-year-old veteran, working on a construction crew on a Farm-to-market road just outside of Morton, suffered a broken arm and a crushed leg, Tuesday afternoon, just after lunch as he attempted to change the cables on a road scraper.

Buddy Billington Morton, was changing the cables when the shovel fell on his arm and leg. At the County Hospital he was treated and was to be released immediately.

City Awards Contract

With a low bid of \$71,557.61, Panhandle Construction Company of Lubbock was awarded the water and sewer contracts in the City of Morton, let Monday night by the Morton City Commission.

Engineer Ralph Douglas and Bob Davis, representative of Columbia Securities Co., of Dallas, purchasers of the bonds; both told Commission members that Morton was fortunate in receiving a host of good bids. The Lubbock firm's bid was almost \$2,000 less than one submitted by Brodie Construction Co.

Two bids of several submitted on the installation of a pump for another ground water supply tank were still being considered as Morton officials held up the letting of that contract.

Final details on the planned construction were to be ironed out this week at a meeting of Douglas and City officials.

Commission member Bill Crone moved that the Panhandle bid be accepted and Hume Russell seconded it. The vote was unanimous. Russell then moved that asbestos-concrete pipe be used in place of cast iron, and that was seconded.

The annual spring concert of the Morton High School girls' chorus will be held Friday, May 6th at 8 p.m. in the County Auditorium. Admission is free and the public is cordially invited to hear the chorus on their last public appearance except for baccalaureate services, May 22nd.

A total of 30 girls voices make up the choir. Among selections they will sing are Handel's "Hallelujah Amen," "Beautiful Savior," Dawson's "There Is A Balm in Gilead," Cain's "Night Has A Thousand Eyes" and "Old MacDonald Has A Farm." They also have many others to choose from.

The Junior High chorus will sing next Tuesday night May 10th in the auditorium, at 8 p.m. Again the concert is free and the public is cordially invited. In the Junior High group, there are eight male voices. It will be the first spring concert for the younger singers.

Voices to be heard in the G.I.'s High School choir are those of Gwen Baker, Judy Blackley, Freda Boykin, Wanda Chessier, Sue Coats, Towana Cravens, Doris Dewbre, Kay Doss, Jimmy Embry, Joyce Hanna, Nancy Hiner, Shirley Hobgood, Joan Hodge, Barbara Jeffries, Pat Key.

And, Opal McLendon, Zena Merrill, Jackie Outlaw, Belva Ramsey, Geraldine Ramsey, Deanna Rose, Ray Ann Ross, Louise Ruchardt, Ann Sanders, June Scott, Bootyate Shakespear, Johnny Shelton, Betty Turney and Joa Jo Wallace.

Country Club In Barbecue Dinner Friday At 8 p.m.

The Morton Country Club will host a family barbecue supper for its members, Friday night, weather permitting, at 8 p.m.

The barbecue was originally slated for last Friday night but was postponed according to Luke Cole.

Those planning to attend are asked to bring their own meat to the clubhouse by 4 p.m. so that those in charge can get it barbecued in time.

The barbecue will also mark the end of a golf tourney which got underway Wednesday afternoon with 24 male members of the Club vying for the title in three flights.

In the champions flight are Sewell vs. Van; Salsar vs. Willis; McAlister vs. Russell and Rose vs. Self.

In the 1st flight are Windom vs. Hawthorne; Monroe vs. Cunningham; Silvers vs. St. Clair and Cole vs. Riley. In the 2nd flight, paired are Tye Williamson vs. Monk; R. Kelly vs. W. W. Williamson; Reynolds vs. Nicewarner and Huggins vs. S. Kelly.

None Injured In Car-Truck Collision, Sat.

Extensive damage to a Buick Roadmaster sedan and light damage to a one and one-half ton truck was the result of a Saturday morning collision in Morton, across from the City Hall.

Mrs. T. J. Simpson was driving the Buick and the Chevrolet truck belonged to William L. Cunningham.

The Buick suffered lots of damage estimated at better than \$300. The rear of the truck was only slightly damaged, an estimated \$50 worth by the investigating officer.

"Jaycees Are Young Men With Faith," Says Ford

The invocation was given by Rev. Weir, the meeting was closed by Bridge, newly elected Jaycee chaplain. Guests and the speaker were introduced by Bill Glassford, out-going president of the local club.

"Jaycees are young men with faith to plan, courage to invest, and action for execution of plans," Rocky Ford, immediate past president of the Texas Jaycees, declared here Monday night at the 4th annual installation banquet of the Morton Junior Chamber of Commerce.

Today there are 2,750 Jaycee chapters in the United States and 65 other nations boast Jaycee clubs, he told Jaycees and their honored guests.

Guests included 33 Boy Scouts and Explorers of Morton under the guide of Elra Odon, Explorer advisor, and Bill Bridge, Scout Master.

Past state president L. D. White, of Lubbock, past president Howard Howell of Lubbock, John Ornduff of the Levelland Jaycees, Ike Johnson, installing officer, and past state vice president of Levelland; Rev. and Mrs. S. Frank Weir of the First Methodist church of Morton; out-going president of the Jayceettes, Mrs. Marvin Doss, and incoming president, Mrs. Dexter Nebhut, and other area folks.

High School Girls Choir Plans Spring Concert, Friday 8 p.m.

Two Choral Concerts, one by the High School Chorus and one by the Junior High Mixed chorus are planned for Friday night and Tuesday night, according to Joe Carroll, director of choirs.

The annual spring concert of the Morton High School girls' chorus will be held Friday, May 6th at 8 p.m. in the County Auditorium. Admission is free and the public is cordially invited to hear the chorus on their last public appearance except for baccalaureate services, May 22nd.

A total of 30 girls voices make up the choir. Among selections they will sing are Handel's "Hallelujah Amen," "Beautiful Savior," Dawson's "There Is A Balm in Gilead," Cain's "Night Has A Thousand Eyes" and "Old MacDonald Has A Farm." They also have many others to choose from.

The Junior High chorus will sing next Tuesday night May 10th in the auditorium, at 8 p.m. Again the concert is free and the public is cordially invited. In the Junior High group, there are eight male voices. It will be the first spring concert for the younger singers.

Voices to be heard in the G.I.'s High School choir are those of Gwen Baker, Judy Blackley, Freda Boykin, Wanda Chessier, Sue Coats, Towana Cravens, Doris Dewbre, Kay Doss, Jimmy Embry, Joyce Hanna, Nancy Hiner, Shirley Hobgood, Joan Hodge, Barbara Jeffries, Pat Key.

And, Opal McLendon, Zena Merrill, Jackie Outlaw, Belva Ramsey, Geraldine Ramsey, Deanna Rose, Ray Ann Ross, Louise Ruchardt, Ann Sanders, June Scott, Bootyate Shakespear, Johnny Shelton, Betty Turney and Joa Jo Wallace.

FFA Rodeo Set For May 20-21; Nine Schools Invited To Enter

The annual FFA Rodeo, co-sponsored by the Morton and Bula FFA Chapters will be held Friday and Saturday, May 20-21, Elwood Harris, local FFA sponsor said this week.

The rodeo, to which nine schools in the immediate area have been invited to send entrants, will feature six separate events each of which will find a school limited to three entrants.

Calf roping, steer riding, ribbon roping, bare-back bronc riding, clover leaf barrel race and a trail or race are the various events. Schools invited are Muleshoe, Littlefield, Springlake, Three Way, Plains, Whiteface, Levelland and Morton and Bula. All FFA entrants must be in school.

A parade on Friday afternoon will precede the show at 5 p.m. Merchants are invited to send vehicles to participate in the parade for which the Cochran County Sheriff posse, the Legion Color Guard and the Morton Band have already agreed to perform. The FFA boys who are competing in the rodeo will also ride horses.

Entries should be sent to Mr. Harris, care of the Morton School.

Morton Lions Elect Officers Next Wednesday

The Morton Lions club will elect officers for the coming year, next Wednesday at their regular noon luncheon meeting, according to Lions Boss Lloyd Hiner, who has requested every Lion to turn out and vote.

J. W. McDermott and Tip Windom have been nominated for President of the Morton club and twenty-one others have also been named on the ballots ordered by Fred Stockdale and Charles Jones are nominated for 1st vice-president; Neal Rose and J. C. Stripling, 2nd vice-president; Luke Cole and Homer Thompson, 3rd vice-president; L. E. Huggins and Fred Smith, secretary; Roy Tarver and C. E. Luper, treasurer; Paul Goodman and E. L. Willis, tall-winner; Frank Weir and Jesse Brookshire, Lion Tamer; and J. B. Knox, M. C. Ledbetter, Dan Brown, Norman Monk, R. C. Strickland; W. W. Williamson and Earl Crum, directors.

Missionary Is Slated to Speak

Miss Helen Nixon will be the guest speaker for the Sunday night service, May 8th, at the First Baptist Church of Morton and also at the WMU meeting on Monday, May 9th, at 2:30 p.m.

Miss Nixon is a native of Whiteface and has been serving as a Missionary in Argentina. The public is cordially invited to attend and hear her talk.

Indian Drive-In Opens Saturday

Manager T. J. Simpson of Wallace Theatres in Morton this week announced that Saturday the Indian Drive-In theatre will re-open for the summer, temporarily on a Saturday-Sunday basis.

Beginning Saturday, May 7 and Sunday May 8 the management will show double features every Saturday and Sunday until further announcement.

On this weekend's double bill will be "Column South" and "The Bigamist."

Strong Need For Stubble Mulching Emphasized With Recent Winds

The dust storms which have occurred this last fall and spring renewed interest by everyone in ways and means of controlling wind erosion. One of the practices which Supervisors of Soil Conservation Districts and technicians of The Soil Conservation Service suggest as being most effective is stubble mulching.

Recent results from experiment stations and use of the method by farmers indicate that 20-24 inch row spacing of sorghums will give increased yields over the common 40 inch row. If this method continues to give satisfactory results it will simplify the problems of stubble mulch farming for sorghums.

Highlights and Sidelights FROM Your State CAPITOL

AUSTIN, Texas — All eyes are on the clock now as Legislators vie for position at the Speaker's post, to "run" with their favorite bills. Time is swiftly bringing the legislative "race" to a close. Hundreds of bills will die on the

calendar and never reach the finish line. But, hundreds have passed. House members took a quick look at a long unopposed tax bill under the Senate in two days. Senators are now considering these bills and scrambling to get the House-passed tax bill under the wire before adjournment on or about May 19.

Subject to Senate approval is a two-cent gasoline tax increase, a one-cent-per-pack increase in cigarette taxes, plus a tax on cigars, snuff and packaged tobacco. Also in the omnibus tax bill is a levy on trading stamps and uranium ore. A hike in beer dealers' license fees is imminent. Contemplated too is freezing of the present natural gas production tax at 8 per cent — originally due to drop to 7 per cent in 1956.

It is estimated that the tax bill, as written will produce \$25,000,000 a year in additional revenue for the general fund. That is \$3,000,000 short of the appropriation bill. So, there will have to be more levies, or the appropriation bill cut.

Veterans Land Bill
Both houses voted to submit a constitutional amendment to the people, in November of 1956, calling for an additional \$100,000,000 for the veterans land program. Replacement of the Governor and Attorney General as members of the Veterans Land Board, by two appointed members, is specified in the bill.

Governor Allan Shivers and Attorney General John Ben Shepperd repudiated the minutes of the board as compiled by Bascom Giles former Land Commissioner and the Board ordered the minutes corrected.

Senator Jimmy Phillips, member of the Senate investigating committee, immediately seized, for photostating, all the old minute books. Phillips said he did this, under committee subpoena. "To make certain that there is a permanent record of the minutes as they were originally entered."

Labor Legislation
Three bills by Sen. George Parkhouse, all fought by organized labor, moved ahead in the House.

The "Ford Motor Bill" was softened, then passed, subject to Senate concurrence. It prohibits unemployment compensations benefits to workmen idled by a strike in other plants owned by the employer. It exempts the workman who makes a good-faith offer to return to his job.

Modified by the House labor committee, and reported favorably, was Parkhouse's bill to eliminate "Port Arthur" strike situations. It would stop unions from picketing plants where the majority of the workers were non-union.

Another Parkhouse bill authorizes suits for injunctions and damages.

Workmen's Benefits
Benefits for workmen are destined to improve.

Passed by the House was a bill by Rep. Garth Bates, increasing the workmen's compensation rate from \$25 to \$35 a week.

A Senate bill by Parkhouse increases benefits under unemployment compensation from \$20 to \$25 a week, while restricting those who may receive jobless pay.

Governor Crawford Martin
You can call him Governor Martin now.

Sen. Crawford C. Martin of Hillsboro became governor for a day. As President Pro-Tem of the Senate, he became acting Governor when Governor Shivers went to Washington and Lt. Gov. Ben Ramsey conveniently absented himself across the Sabine River for a day.

Friends of the Hillsboro Senator organized a "junior inaugural" in his honor.

Shivers Has 1,000 Guests

Governor and Mrs. Shivers were hosts to some 1,000 guests at a formal reception at the Mansion. The biennial affair, given for legislative members, state officials and their wives, was the big party of the week in Austin.

Appointments Confirmed
Twenty-nine appointments made by Governor Shivers were approved by the Senate. These included:

PRESIDING JUDGES: Judge W. L. Jack Thornton of Dallas, first administrative judicial district; Judge Howard P. Green of Cuero, fourth district; and Judge Floyd Jones of Breckenridge-eighth district.

BOARD OF REGENTS (State Teachers Colleges): H. L. Mills of Houston, Miss Elizabeth Koch of San Antonio, and Henry Sears of Hereford.

VETERANS AFFAIRS COMMISSION: Marcus Weems of West Columbia.

Dust Storm Disaster

Alarmed by dust storms, John C. White, Agriculture Commissioner says "Much of the land in West Texas is in far worse shape now than at any time in history, including the dust bowl era of the 1930's."

Following a tour of West Texas, White made recommendations to the State and Federal governments that steps be taken to remedy the drought situation.

SHORT SNORTS: The Legislature made permanent 10 temporary district courts and created four more. Congressional and judicial redistricting bills died in the session's log-jam. A constitutional amendment to let the state make retribution to persons who serve time in prison for crimes they don't commit passed both houses and will be voted on at the general election next year. Two House bills to tighten enforcement of narcotics laws passed the House and were favorably approved by the Senate criminal jurisprudence committee.

Local Class In Visit Through Various Offices

We have been reading about Community helpers. Our class decided we would like to go and see the interesting places in our town.

We went first to the City Hall where Mr. Greene, the City Secretary showed us the fire trucks and the fog spray. Mr. Oden showed us the road grader, the street sweeper, and took us through the water plant. We all thought the water tower was swaying but our teacher explained that it was the clouds that were moving.

Our next stop was the bank. Mr. T. K. Williamson showed us the vaults and we found not only money inside but also a sack of suckers with whistles on them.

From the bank we went to the Court House. Mr. Hancock, the Sheriff showed us the short wave set then finger printed each child. He gave us the fingerprints as souvenirs. While in the court house we went through the jail and the court room. We also talked with Mr. Ledbetter, our County Attorney.

We then went to the Tribune office where we watched Mr. Demere set type on the Linotype machine. Mr. Irwin showed us more of the printing office. A boy was printing notices on a hand press. This was fun to watch. Mr. Irwin also showed us the press and demonstrated how the papers are folded.

We, the pupils of grade two and our teacher Mrs. Neal Rose would like to thank all of our Community helpers for their interest and the kindness shown to us.

BUSY FINGERS MET WITH MRS. TAYLOR

The Busy Fingers Sewing Club met April 1st in the home of Mrs. Willie Taylor. The meeting was called to order by Mrs. R. J. Merritt. Ice cream, Angel food cake and Cokes were served to the following: Mesdames L. W. Barrett, B. C. Butler, Mark Kennedy, C. B. Markham, Joyce Roddy, R. J. Merritt, Williams and the hostess, Mrs. Willie Taylor. The next meeting will be in the home of Mrs. C. B. Newton, May 5th.

TAKE THE HELM

VICE ADMIRAL WILLIAM MACCOMB CALLAGHAN, USN, THE NEW COMMANDER OF NAVAL FORCES FAR EAST, HAS HAD EXPERIENCE WITH BIG NAVY COMMANDS.

WITH HEADQUARTERS IN WASHINGTON, HE COMMANDED WORLD-WIDE OPERATIONS OF THE MILITARY SEA TRANSPORTATION SERVICE. TRANSPORTED TROOPS AND SUPPLIES TO KOREA.

AS COMMANDER, AMPHIBIOUS FORCES, U.S. PACIFIC FLEET, HE BROUGHT THAT VITAL ARM TO A HIGH STATE OF READINESS.

HE WAS THE FIRST CAPTAIN OF THE USS MISSOURI AND LED THAT FAMOUS BATTLE-SHIP AGAINST THE JAPANESE HOMELAND IN WORLD WAR II.

Letter to the EDITOR... The members of the Home Demonstration Clubs in Cochran County would like to take this method of thanking all people and concerns who helped to make the district meeting of the Texas Home Demonstration a success. For the use of the County Building: for flowers for decorating the stage from Morton Floral Shop; for the special edition of the Morton Tribune, and to the Chamber of Commerce for providing copies of the Tribune for each person present; to Mr. Joe Carroll and the High School Girls' Chorus; to the 4-H Club girls who served as pages and to the schools for excusing them from classes, and to all others who helped in anyway to make the visitors welcome, we are very grateful. Because of the many hospitalities extended by the city and county, these visitors will long remember a pleasant occasion.

Mrs. G. C. Keith, Chairman County Home Demonstration Council
Mrs. W. B. Barnett, County THDA Chairman

BROWN COUNTIANS

All residents of Brown County will gather May 15th for their annual reunion and picnic. Festivities will start at 10:30 in Mackenzie State Park at Lubbock. Reunion site is in northeast part of park. Look for the Brown County Banner. A large crowd is expected and bring picnic lunch.

Indians Edge Three Way Nine By 5-4 Count

The Morton Indians split even in a pair of baseball games last week losing to Whitharral, 14-4 and then defeating Three Way, 9-4 in a real thriller.

The Whitharral game was a tight one, 0-0 through the first three innings and Morton finally breaking through totaling four runs in the fifth after Whitharral had taken a 6-0 lead. But thereafter Lonnie Stephenson shut out Morton as the Panthers pounded Bill Evans and Dick Kennedy for the triumph.

Johnny Stockdale and Billy Evans combined to pitch the game against Three Way. Morton building up a 4-1 lead only to see Three Way knot the score.

Evans scored the winning run as he tallied from third base on a wild throw by the Eagle catcher.

Ask Your Preacher

for the passage that tells where instrumental music was used in the New Testament Church. Some churches have regular hill billy bands, while others play instruments that make music of a more serious nature. Whether it is a fiddle or a pipe organ is all the same as far as divine authority for its use is concerned. Does the church where you worship use any kind of mechanical instrument in worship? If it does, evidently your preacher approves their use. Do you know where Christ or any of His apostles ever used them or sanctioned their use in religious worship? If you don't then surely your preacher should, if he teaches you to use them. Hence we beg of you, go ask him for the passage in the New Testament that says to use them.

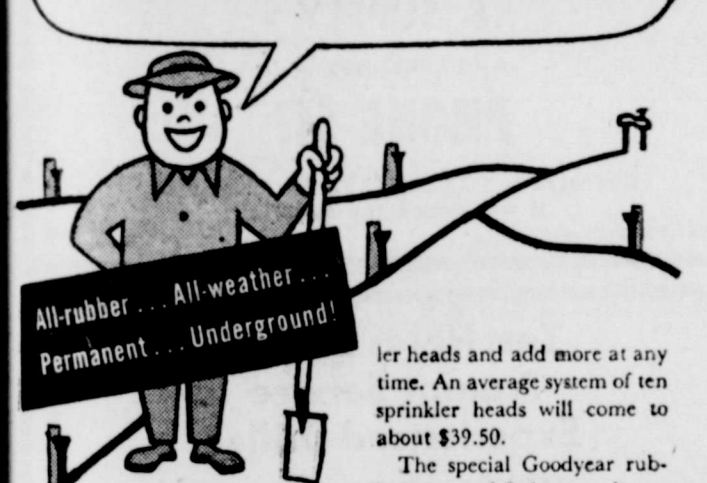

Paul said in Eph. 5:19: "Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord." This certainly refers to praise service of Christians, for Paul was writing to the church at Ephesus. He did not say "playing" nor did he say "speaking and playing", but he did say "speaking". "Speaking is not playing." The same writer said in Col. 3:16: "Let the word of Christ dwell in you richly; in all wisdom teaching and admonishing one another in psalm and hymns and spiritual songs, singing with grace in your heart unto God." "Singing" and playing are two different things, which is what people do who use mechanical instruments in worship. A person may do either one without the other and God said to "sing". He did not say sing and play. So ask your preacher for the passage in the Bible that teaches Christians to sing and play. When he gives it to you, please send it to me, for I am anxious to know where it is.

If he tells you that David used it, then ask him if he is willing to use everything else in worship to God that David used?

Church of Christ

Merton Jesse Brookshire, Minister

NOW'S THE TIME TO INSTALL YOUR OWN UNDERGROUND LAWN SPRINKLING SYSTEM

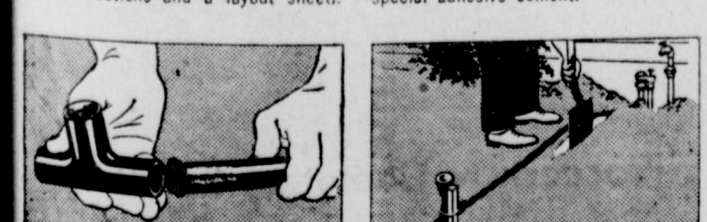

Now, thanks to an amazingly tough rubber pipe and fittings developed by Goodyear, you can install a highly efficient underground lawn sprinkling system on your property—at surprisingly low cost. No special tools required—no digging up your lawn! And you can start with a few sprink-

ler heads and add more at any time. An average system of ten sprinkler heads will come to about \$39.50.

The special Goodyear rubber pipe and fittings won't rot, corrode or rust—they'll last indefinitely underground under any ordinary soil or water conditions. Even freezing won't damage this remarkable system!

Your neighborhood hardware dealer or nurseryman will help you plan your system and supply complete instructions. Or write to the address below. Do it now!

It's Easy! No Special Tools!

1. Plan where heads will go, spacing about 10' apart. Drive stakes to mark heads (your dealer has printed instructions and a layout sheet).

2. Lay Goodyear flexible rubber pipe to each stake, and assemble to "tee" joints and risers, using special adhesive cement.

3. Fittings are molded for perfect joints with pipe—no threads to cut! After assembly, test system above ground and move heads as required for proper coverage.

4. Slit ground 6 to 7 inches deep with spade and sink system in. In a few days virtually all evidence of slitting has disappeared—lawn is undamaged!

AMERICA'S FOREMOST ARTISTS VOTE PLYMOUTH "AMERICA'S MOST BEAUTIFUL CAR!"

"To Plymouth in honor of the men and women who designed the 1955 Plymouth—most beautiful car of the year"

—SOCIETY OF ILLUSTRATORS CITATION

Plymouth is proud to announce this award bestowed by the famed Society of Illustrators. To the trained eye of the professional artist, Plymouth's Forward Look styling represents the year's most beautiful automotive design.

You'll appreciate this beauty, too, and what it does for you. How, for example, it gives you the greatest visibility of any low-price car... the roomiest interiors... the largest trunk space.

But see for yourself. See America's most beautiful car today—the all-new PLYMOUTH!

Card of Thanks
CARD OF THANKS
 The family of L. L. Price wish to express their heartfelt gratitude for the many acts of kindness that were shown during his illness and our bereavement. So very many people helped with their time in the hospital and afterward, with expressions of sympathy, and with flowers, that it has been impossible to thank each one adequately. Our loss is tempered by our faith and our sorrow by the friendship shown for him and for us.
 9-1 tp

CARD OF THANKS
 We wish to thank each of you for your sympathy, kindness and services rendered during the brief illness and passing of our darling son and brother, Earl.
 Mr. and Mrs. J. W. Haralson and children
 9-1 tp

CARD OF THANKS
 We wish to thank our many wonderful friends of this city and the surrounding communities and towns for the many kindness and expressions of love shown to us during the illness and death of our beloved husband and father. To the doctors and nurses of the hospital, and to every one who had a part in the beautiful floral offering and in preparing dishes of food, we can only say "Thank you" and may God bless each one.
 Mrs. A. J. DeBord and family

Spring Cleanup May Save Lives
COLLEGE STATION — Now is the time to get rid of the winter's accumulation of trash and junk. Nature is replacing winter's bleak landscape with the soft green of renewing life of spring and needs your cooperation to complete the job.
 If every farm family would conduct a cleanup campaign at home — inside and out — it would help eliminate fire and accident hazards, make home a safer place to live, and result in happier and more productive workdays, says the Texas Farm and Ranch Safety Committee.
 Farm fires take a heavy toll of life and property each year in the nation about 3,000 lives and \$139,000,000 worth of property. Both figures could be reduced, believes the committee, with good "housekeeping." Cleaner farms will mean fewer fires.
 Inspection, they say, is the first step in fire prevention. Remove the hazards which may cause fires and accidents and ask the neighbors to cooperate in a community cleanup campaign.
 Secondly, points out the committee, stop taking fire risks. Careless smoking habits and the misuse of matches are major causes of fire. Too, kerosene, gasoline or other flammable liquid should never be used for starting or boosting fires in stoves, ranges or fireplaces. Be sure flammable liquids are safely stored and away from farm buildings.
 During the cleanup campaign if trash is burned, pick a still, damp day for burning and have help and equipment handy in case it is needed. Then be sure the fire is out before leaving it unattended.
 The committee believes the dollars spent for fire extinguishers

TRIP TO FT. WORTH
 Mr. and Mrs. T. J. Simpson left Wednesday morning for Ft. Worth to visit T. J.'s sister and other relatives and friends. Also going with them were Mr. and Mrs. J. A. Vernon of Morton. Mr. and Mrs. Vernon were going as far as Grand Prairie where she is to enter a hospital for treatments. They will return later, by way of Wichita Falls, where they will visit Mrs. J. D. Vernon, sister-in-law of Mr. Vernon.
 The Simpsons were expected to return to Morton tonight or early tomorrow.

MINNIE BACK ON THE JOB
 Mrs. L. B. Childs of Minnie's Shop was back at her shop this week following a few days illness suffered as a result of recent dusts.

BEEF BRIEFS
 New crops are catching the eye of Texas farmers.
 And the livestock man is interested. In these prospective producers for Texas, too.
 Government controls have farmers looking around for something that will replace the cotton and wheat which they couldn't grow this year because of the support price programs.
 And lowered support programs on some other crops have caused interest in something new for those acres.
 The Texas Beef Council has been showing good results in its six months' operation, judging by action of its Executive Committee in Dallas, March 21. They voted to continue the program along present lines.
 It looks like the research experts have solved some of the problems of growing soybeans. New varieties are on the scene this year, developed both by private and public institutions.
 Sesame, which caught on last year will be on many new acres. And although castor bean supports have been cut, a good average is expected in some sections.
 There's good news for Texas grain sorghum producers. Seed will be available in 1957 for the new hybrid varieties which are being developed at Texas experiment stations.
 More than 150 farmers will test plant hybrids this year.
 Every farmer and rancher is a sharecropper.
 and other needed fire fighting equipment is a mighty good investment and would like to see every Texas farm family trained in their use. Finally, they say give everything a place and then keep it there... that's good "housekeeping."

Whiteface Trio In State Meet

Carlene Peacock, Reece Washington, and L. S. Salsler will represent Whiteface High School in the state interscholastic meet in Austin May 5 through 7.

Carlene will enter the state journalism contest for the second time. She attended the journalism meet last year and entered the contest from Regional 1. She has won second in regional both years.

Reece Washington will enter the high jump in the state meet. Reece was in the state contest last year as an entry in the mile run.

L. S. Salsler will enter the pole vault in the state contest. This is the first time for L. S. to attend the state meet.

Mr. Tonnie Smethers, high school coach, will accompany Washington and Salsler to the state meet. Frank Ford, journalism teacher, will accompany Carlene and Mrs. Peacock to the meet.

FRESHMAN TAKE HONORSH IN GRADES AT WHITEFACE SCHOOL

The freshmen class tops the honor roll this six weeks with 14 on the roll the fifth six weeks period.

Those making the honor roll this past six weeks in the senior class are: All A's: Mary White, Kathy Kirkpatrick, Melba Bates, Martha Garrett and La Wanda Cooksey. Those making A's and B's are: Reece Washington, James Garlett, Dick Brooks, Mary Huntley, and George Lyons.

Juniors making the all A's honor roll are: Ladois Sides, Peggy May, Carroll Lockett. Those making the A and B roll are: Joe Bob Allen, Mary Jo Gingerich, Laquita Thornton, Darance Bratton, Delma Summers, Gayle Snodgrass, John Green and Claudine Williamson.

Sophomores making the all A honor roll are: Reta Garrett and Billye Peacock. Those making the A and B honor roll are: Sygale Bratton, Margaret Henderson, Arlene Cable and Billy Frank Ham.

Freshmen making the all A honor roll are: Savannah Henderson, Gloria Medley, Janie Caffey, Mike McCoy, Richard Houston, James Green, Peggy Holliday and Ronald Hunt. Those making the A and B honor roll are: Verda Lou Wright, Pat Powell, W. B. Snodgrass, Carolyn Johnson, Don Arnold, Charles Smith and Joel Parsons.

Whiteface FFA's Attend Meeting In Galveston

FFA girls and sponsor attended the state home economic convention in Galveston last Wednesday, April 20. We arrived in Galveston about 9 a.m. Thursday morning. We had a day ahead of us packed full of fun and excitement. We didn't have anything special meeting that day so we went to the beach and sunbathed, Thursday night we went to the carnival and rode a roller coaster, which was really a thrill for all of us. Friday was filled with meetings.

Our main speaker was the Methodist minister from Tyler. His main topic was "As a man thinketh in his heart so is he." His speech was very inspirational to all of us. Our meeting was conducted entirely by the girls except for some of the speakers. One of our speakers said, "I'm still looking for the man who said that youth was going to the dogs." The meeting Friday night was held exclusively for our entertainment. After the meeting Friday, we tried our luck at miniature golf and had a wonderful time.

While in Galveston, we ate foods which are not common place to West Texas. Among the seafoods we enjoyed were: fried shrimp, lobster, fried oysters, and frog legs.

We shouldn't forget to mention that we went to a cruise on the Gulf waters. This was an interesting and new experience for us.

Approximately 4,000 FFA girls and their teachers attended the convention from all parts of Texas.

We wish to express our deepest gratitude to the school which sent us on this wonderful trip. We meet many new people and had many new experiences.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

Washington talks about changed attitudes of native Americans who join State Dept.

There is something about a State Department job that turns a man from an American viewpoint to a fervent desire to promote first the welfare of every other nation on the globe.

In debates proposal to going on over slash tariffs, this attitude is being reflected almost daily by many members of Congress.

Rep. Noah Mason of Illinois the other day took issue with claim that Reciprocal Trade Treaties promote world peace, pointing out that in the 21 years U.S. has been entangled in these matters the long Spanish Civil War, World War II, the Sino Japanese War, the Russian-Finnish War, Korea, eight years of war in Indo-China, fraccases between England and Egypt, between Pakistan and India have taken place.

Rep. Cleveland Bailey of West Virginia states that when Congress originally passed first Reciprocal Trade Treaty it was not the intent to pass power to State Department to engage in a "morass of political intrigue."

Rep. Robert Mollohan, also of West Virginia, gave a long discussion, in which he introduced extensive material showing the damage that already low U.S. tariff rates are working on American industry and business.

For example, it was stated the billions U.S. taxpayers have poured into foreign relief has done nothing to help average citizen, while building up big foreign interests. In Britain in 1938 average National Federation of Independent Business

age wages were 37% of U.S. wages, in 1952 this declined to 28%. In France the decline has been from 43.3% to 31%, in Germany from 46.6% to 22% and in Holland from 41.32% to 20.4%.

Thus, foreign aid programs have depressed living standards of Europeans while building their monopolies to exceed 1938 production levels.

It was also pointed out during Congressman Mollohan's discussion that 32 man Committee for Economic Development that is strongly behind tariff slashing, only has one member who would be hurt by lower tariffs, and he and one other cast only votes against recommendation.

In American pottery business, he stated, man hours worked in the industry dropped from 25,700,000 in 1948 to 16,700,000 in 1953, while sales dropped 25%.

Yet china imports from Japan increased from 206,000 dozen to 3,915,000 dozen between 1948 and 1953, imports from Germany increased from 118,000 dozen in 1948 to 441,000 dozen in 1953, imports from England increased from 188,000 dozen in 1947 to 441,000 dozen in 1953. In 1935, when Reciprocal Trade Treaties were just getting underway, only 30,000 dozen were imported from England.

This is but one of several score industries already being damaged by too low tariffs.

Yet, as several Congressmen point out, it is now sought to give the Secretary of State more powers to go to an international tariff convention in Geneva to further give away more American jobs, more American businesses, without those workers, or businessmen having a voice, or representation in deciding their future. In 1976 issue was taxation without representation; in 1955 issue appears to be annihilation without representation.

Regarding stop and warning signs while their city cousins more often disregarded a signal or officer.

Statistics show 8,600 pedestrian fatalities in 1953 with 36 percent caused from crossing between intersections; more than 1,800 of the 6,650 adult pedestrian deaths were attributed to alcohol while crossing against the signal accounted for 5 percent of those killed. Playing in the roadway accounted for 26 percent of the child pedestrians under 5 years of age killed or injured and 18 percent of those between 5 and 14 years of age.

Finally warns the committee don't depend on luck for traffic

safety. Know and obey traffic laws, they were passed for your protection.

Attend Meeting At Texas Tech

The Whiteface FFA accompanied by Mrs. Arvol Snodgrass and Mrs. S. E. Bratton attended the annual Home Economics Open House at Texas Technological College last Saturday morning, April 23.

After seeing the open house displays, the girls attended the Regional Interscholastic Track Meet.

Only 2 Miss Polio Vaccine

It was revealed this week by Mr. Edwin Stokes, principal of Whiteface Elementary school, that 87 out of 89 first and second graders have been given the Safe polio vaccine.

As far as known no ill effects from the vaccination have resulted. This vaccination proved very successful as an experiment and it is being hailed as another great milestone in the fight against crippling disease.

3 Out Of 10 Involved In Fatal Accidents Were Violating Existing Speed Limits

COLLEGE STATION — No one can continually violate traffic laws without paying the penalty . . . either a fine or involvement in an accident. If you don't know the laws, learn them, advises the Texas Farm and Ranch Safety Committee, and then obey them.

The committee has figures from the National Safety Council which show that records of fatal accidents in 1953 involved 76 traffic violations per 100 drivers. Speeding, nearly 3 out of 10 drivers in fatal accidents were violating a speed law. The percentage in rural areas was even higher, slightly over 10 percent above the rate for cities.

Among drivers involved in fatal traffic accidents, 18 out of 100 had been drinking. Seven out of 100 drivers in fatal accidents did not have the right-of-way. The city rate exceeds by almost three times the rural rate in this classification. Improper passing involved 3 out of each 100 drivers in fatal accidents and 9 out of 100 drivers failed to keep to the right of the center line of the highway.

Disregarding a traffic sign, signal or officer was the violation involving 6 out of 100 drivers in fatal accidents. The committee points out here that rural drivers were more frequently guilty of dis-

FIGHTING SHIPS

THE LAUNCHING OF THE PHILIPPINE SEA WAS AN UNREPEATED EVENT IN 1945. V-J DAY HAD COME AND GONE WHEN SHE SLIPPED DOWN THE WAYS IN BOSTON HARBOR.

AFTER MAKING HER CUSTOMARY "SHAKE DOWN CRUISE" SHE BECAME FLAGSHIP FOR ADMIRAL RICHARD BYRD ON HIS POLAR EXPEDITION INTO THE ANTARCTIC.

RETURNING TO THE CARIBBEAN, SHE ACTED AS DEMONSTRATION SHIP TO FAMILIARIZE NAVAL OFFICERS WITH CASSEER OPERATIONS ATLANTIC FLEET SAILORS QUICKLY DUBBED HER "THE SHOWBOAT."

THEN, KOREA THE PHIL SEA WAS ORDERED WEST AT FULL SPEED. PALOTS OF AIR GROUP II DEADED THEMSELVES FOR ONE OF THE FIERCEST BATTLES OF MODERN HISTORY.

AS FLAGSHIP OF TASK FORCE 77, THE PHILIPPINE SEA SAILED INTO ACTION OFF THE KOREAN COAST ON AUGUST 5, 1951, LAUNCHING AS MANY AS 140 SORTIES A DAY.

HER PANTHER JETS AND COCASARDS HIT RAIL AND COMMUNICATION CENTERS FROM SEOUL TO WONSAN. IN THE YELLOW SEA THEY SOFTENED UP INCHON FOR THE UN'S FIRST OFFENSIVE THRUST.

BUT TWO MONTHS LATER, CHINESE COMMUNISTS MADE A SURPRISE DRIVE IN THE CHOSEN RESERVOIR AREA. THE PHIL SEA AND SISTER SHIPS THREW UP AN ATHUNDEROUS AERIAL UMBRELLA TO COVER RETREATING MARINES.

AFTER NEARLY A YEAR OF COMBAT DUTY IN KOREA, THE PHILIPPINE SEA RETURNED TO THE U.S. FOR OVERHAUL. . . . BUT FIVE MONTHS LATER SHE WAS BACK AGAIN TO BLAST THE COMMUNISTS OFF-BALANCE.

HER MOST IMPORTANT MISSION CAME WHEN SHE TEAMED UP WITH THREE OTHER CARRIERS TO KNOCK OUT VITAL HYDROELECTRIC PLANTS IN MANCHURIA AND STOP 60% OF THEIR POWER OUTPUT TO THE RED FORCES.

IN HER THIRD TOUR THE PHIL SEA DISPATCHED "ROUND THE CLOCK" SORTIES AND AT ONE TIME MAINTAINED CONTINUOUS OPERATIONS, DAY AND NIGHT, FOR FIVE DAYS.

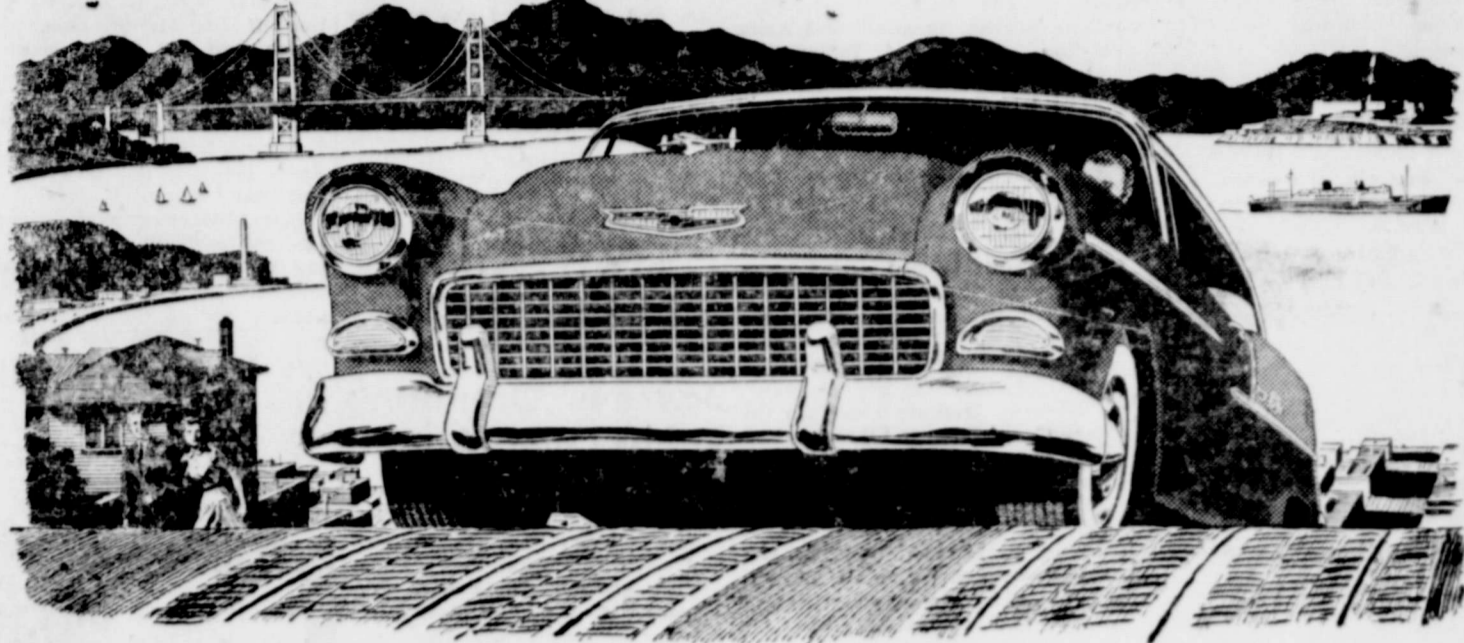

Thurman Smith Leaves for Home Sometime in May

For Immediate Release To: Morton Tribune, Morton, Texas

With the 7th Transportation Port Command C in Pusan, Korea (Sp.) - Cpl. Thurman G. Smith, husband of Mrs. Geraldine Smith, Rt. 5 Weatherford, Texas, will leave for home sometime this month after having served nearly 16 months with 7th Transportation Port Command C here.

The 24-year-old Corporal was a Cargo Movement Specialist here. His official job is an integral part of Seventh Port which for nearly five years has been the busiest military port in the world.

Cpl. Smith's parents, Mr. and Mrs. T. T. Smith live at Rt. 2 in Morton, Texas. Prior to entering the Army, Smith taught at Morton Public Schools in Morton, Texas. He was graduated from Texas Technological College, Lubbock, Texas, in 1951 and from Morton High School in Morton, 1946. The Morton soldier came to Korea in January 1954. He entered the Army in July 1953.

Punch-line to the year's hottest power story -

Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class - and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places - and six of the first ten - went to Chev-

rolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars - and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8".

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower - or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at

extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to every-one else on the road!

*National Association for Stock Car Auto Racing.

Combine your new Chevrolet purchase with your vacation plans! Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

113 EAST WASHINGTON MORTON PHONE 3361

Know Your Government . . .

By Rep. J. O. Gillham

We have a very confused and fluid situation here in Austin as far as Legislative matters are concerned. Anything could happen or practically nothing could happen. The Calendar is so full and mixed up that it is practically impossible to pass any kind of bill. Even some good bills are hard to pass. As a matter of fact, you will find a very determined opposition to most good bills. For instance, we had a day-long debate this week on an Employment Compensation Bill, which I think was a good bill and fair to both labor and management, yet we had a small group of House members who represent union labor districts who opposed the bill very vigorously. We finally engrossed the bill, but we still must get it up on third reading and final passage. I also ran into the same situation on my H.B. 33, which is the Auto Dealers Li-

ensing Bill. I started debate on the bill six weeks ago and finally got the bill engrossed last Friday. I have yet to get the bill up on third reading and final passage, which is hard to do this late in the Session. I hope to get it finally passed today or Monday and send it to the Senate for action. The bill is much amended in the House, yet I have hopes that the Senate will modify some of the amendments put on by the House, and make a more workable bill out of it.

We had some hot debate last week on water legislation, which I was involved in. We had up for consideration the Hardeman Constitutional Amendment Resolution, which passed the Senate and was sent over to us. The Resolution provided for the issuance by the State Water Board of \$100 million in bonds, the proceeds of which could be used by the Water Board to lend to various water conservation districts throughout the State. The proposal called for a 3c per hundred dollar valuation ad valorem tax on all taxable property in Texas, except homesteads were exempted. I opposed this provision of the Resolution, for it is my contention that it is unfair, un-Texan and un-American to levy a tax upon people who will not receive any benefits whatsoever. In a speech on the House floor, I referred to it as "Taxation without Representation". I took the position that in our country, where we have no rivers or creeks on which to build dams, that it would be absolutely impossible for us to ever receive any benefits whatsoever from such a program. Rep. Burkett of Kerrville offered an amendment to substitute a water user's tax for the ad valorem tax as provided in the Senate version of the resolution. Then I offered an amendment to the Burkett amendment to provide that no water user's tax could be levied on water users already paying a water users or ad valorem tax, as members of some already established water conservation district, which district had voted bonds and which bonds were not guaranteed in any way by the State. My amendment was adopted the previous week when the House Resolution by Parish was being considered, but I failed to get quite enough votes to put my amendment on the Burkett amendment. This left us with a water user's tax substituted for an ad valorem tax, which without my amendment was just as bad as the ad valorem levy in the original Senate Resolution. For instance, when the Canadian River Authority is in operation, the various users will be paying a water users tax to support the bonds which will be outstanding against the Authority, and furthermore they will have to pay a water users tax to support the 100 million State Bond from which we will be receiving absolutely no benefits. The Resolution finally passed the House and is now in a conference committee composed of five members of the House and five members of the Senate. I don't know what kind of a proposal they will bring back for our consideration, but I shall have to vote against any sort of legislation which saddles off on the people of our area any sort of ad valorem or water user's tax,

unless we can be assured of some benefits from such a program. I believe that my position is sound, and I have had many letters from our area indicating that the people of the High Plains area endorsed the position which I have taken. Although I am very much interested in conserving our water resources, I think a better and more equitable plan can be evolved. I think that if the Legislature would just simply make an appropriation or guarantee the bonds of various water districts up to a certain per cent - say 20% - I think this would be better than setting up another 100 million dollar bond issue, out of which one ought to grow another scandal. I hope the people of my district approve of the stand I have taken on this very important matter.

We passed also this week a proposal for another 100 million dollar bond issue for the Veteran's Land Board. This is a constitutional amendment proposal on which the people will have to vote in November 1956. I opposed this resolution for the reason that I think one ought to clean house before installing a lot of expensive furniture. As you know, I was the co-author with Rep. Dolph Briscoe, Jr. of Uvalde of the Resolution in the House which set up the House Committee to investigate the Veteran's Land Board. This committee along with a similar committee in the Senate, are moving along with a fair and impartial investigation, but have not yet completed their investigation. The House committee in a preliminary report made to the House about month ago recommended that no additional bonds be authorized at this time for the Veteran's Land Program and that the Legislature give some serious consideration to the liquidation of the program, but I do say that I don't think that we ought to authorize another 100 million dollars until we know exactly where we are, and this will not be known for some time. I want to call to your attention also the fact that only about 2% of the eligible veterans in Texas have taken advantage of the program, and we have already spent 100 million. So, presuming that all Texas veterans might eventually take advantage of the program, it would require the issuance of about 6 billion in bonds to provide the funds to take care of all of these veterans, and I think certainly that any program ought to be open to all veterans. Rep. Briscoe, who is a veteran himself, joined me in opposing the submission of this resolution at this time. I am certainly in favor of a veteran's program, but I do think that we ought to be sure that we have all of the bugs out of this one before we authorize the issuance of any additional bonds, and this opinion is shared by most of those on the Senate and House committees, charged with the investigation of the affairs of the Veteran's Land Board. I say again, that none of us like to put new furniture in an old dirty house. We like to clean the house first, and then get the new furniture. I have voted for every piece of veteran's legislation presented to the Legislature since I have been a member, but felt that I ought to vote against the submission of a constitutional amendment proposal to authorize more funds for this program at this particular time. I hope and believe that my course is right.

We have less than two weeks to go before our 120 day session ends. While no adjournment resolution has yet been agreed upon I feel that we will probably run over our time a few days. And I know that many good bills will die on the Calendar. There is some doubt that the Senate will accept any sort of Tax Bill. If they don't, we might be placed in the position of having to come back for a Special Session, at which only Tax matters would be considered. I hope this does not happen, as I am tired and want to go home. Will write you again next week.

'O HEALTH-HEALTH. WHO CAN BUY THEE AT TOO DEAR A PRICE?

(Author's name below)

All medicines are priceless, but fortunately they are not expensive. The average prescription costs but a few dollars. Even the seemingly expensive "Miracle Drugs", accomplish so much, and do it so quickly, that they actually cost less because they save you sickness-time and medical bills.

We carefully price each prescription as low as good pharmaceutical standards permit.

YOUR PHYSICIAN CAN PHONE 3241 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us, or let us deliver promptly without extra charge. A great many thoughtful people entrust us with the responsibility of filling their prescriptions. May we compound yours?

TCU Will Unveil Famous William Lewis Book Collection

PORT WORTH — The William Lewis Book Collection, one of the finest libraries of rare books and manuscripts in the world, will be formally installed at Texas Christian University the afternoon of May 7.

Purchased by the Amon G. Carter Foundation from the estate of the late president of the Chicago Pneumatic Tool Co., the collection will be on permanent loan to TCU.

William A. Jackson, librarian of Harvard University, will be the main speaker for the installation ceremony. John E. Fleming, director of the Rosenbach Foundation of New York and an international-known authority on rare books, will be one of the special guests.

England itself," said one scholar who saw a part of the collection while it was being catalogued.

William Luther Lewis, who died in 1952, spent more than 30 years gathering the library. He traveled all over the world in his quest and his collection was rated "the finest anywhere outside of a university or library."

On his death, the leading collectors and libraries of the country made efforts to acquire all or part of the collection. But his sons, James L. and Thomas W. Lewis, felt that the library should be kept together and placed in a university for use by scholars.

Since their father had become greatly interested in the Southwest after opening a branch of Pneumatic Tool Co. here in 1952, the sons decided to accept the bid of Amon Carter, the Fort Worth publisher, and to place the collection at TCU.

Jaycees' Drennan Takes Over; Auto Tickets Discussed

The cemetery fund needs money and sport car ticket sales is one way to get it, Jaycees were told Monday at their regular noon meeting at the Eastside Cafe.

Taking over the post of president was Harold Drennan, newly elected to head the organization another year.

Sale of tickets will continue through Tuesday night. Each ticket will serve as entrance to the Rose Theatre that night. Showing will be "Carolina Cannonball," starring Judy Canova and Andy Clyde.

Tickets may be secured from any Jaycee, Dexter Nebhut at Rose Auto and Appliance, Charles Jones at the Morton Drug, Marvin Doss at Doss Food Store, Drennan at St. Clair's Department Store, J. T. Holman or Olen Ray at Ray's Hardware and Appliance, Smiley Monroe or Ty Williamson at the First State Bank, Bill Glassford or Eddie Irwin at the Tribune, Tom Rowden or Buddy Hanna at Allsup Chevrolet Company, Bill Bridge at Hawkins Oldsmobile Co., Andy Behrends at Mahan Motor Company, Ed Howell at Ed Howell Motor Company, Jack Loran at Loran Distributing Company, T. J. Simpson at the Rose Theatre, or any Jaycee.

Reappointment of Notary Publics Is Imminent

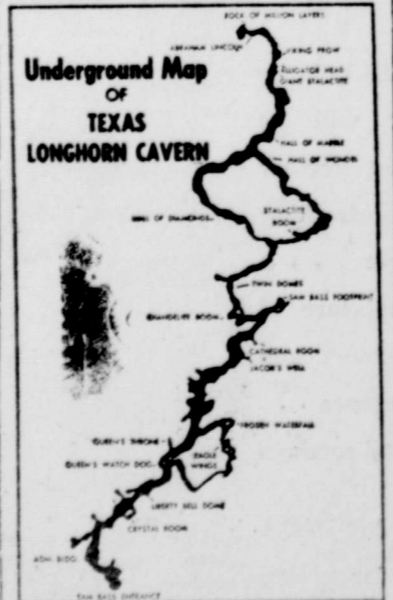

Secretary of State A. N. Muldrow has announced that he will reappoint all persons who now hold Notary Public Commissions and that all such persons must qualify by filing an oath and bond with the County Clerk of their residence between June 1, 1955 and June 19, 1955. The law specifically requires County Clerks to approve Notary bonds and individuals should not send money for commissions direct to the Secretary of State after the County Clerk acts thereon.

Any person who has not heretofore been a Notary Public should apply to his County Clerk between May 1, 1955 and May 23, 1955, if he desires to have this application given prompt attention in the State Department, as the rush of reappointing all old Notaries may slow up the ordinary process of making new appointments and issuing commissions.

Secretary of State Muldrow said, "Each person applying for a commission as a Notary Public must be at least 21 years of age and a resident of the County for which he is appointed; exact names and permanent addresses should be given to the County Clerk in applying for a commission as location of the Notary may be necessary long after he has notarized a particular instrument."

NEW DAUGHTER - Mr. and Mrs. W. B. Walton of Morton announce the birth of a daughter weighing seven pounds and fourteen and one half ounces at the West Texas Hospital, Lubbock Monday. He is associated with Higginbotham - Bartlett Co. here.

TEXAS' BIGGEST CAVE

Underground map of famous Texas Longhorn Cavern shows the two miles of subterranean passageways that have been opened to visitors and some of the amazing natural phenomena that make the cavern one of the most spectacular scenic wonders of Texas and the nation. The tremendous cavern, located in Longhorn Cavern State Park near Burnet, is the largest cave in Texas and the third largest in the world.

Sheriff Department Will Enforce Provision Against Sunday Drinking

The Cochran County Sheriff Department announced this week, effective this Saturday night at midnight, they are going to make a special effort to enforce a portion of the state's liquor code, which had not been heretofore stressed too highly.

The portion of the code deals with the consumption of alcoholic beverages in a public place on Sundays, between the hours of 1:15 a.m. and 1 p.m.

Sheriff Hancock said, increasing late and early Sunday hour drinking has necessitated this clampdown. He noted that far too many persons are of the belief that as long as they are not possessing more than the "granted" amount of alcoholic beverages they are allowed to drink and enjoy themselves.

Article I, section 4 (c) of the Liquor Laws states: "It shall be unlawful for any person to consume any alcoholic beverage in any public place, or for any person to possess any alcoholic beverage in any public place for the purpose of consuming same in such public place, at any time on Sunday between the hours of 1:15 a.m. and 1:00 p.m. and on all other days at any time between the hours of 12:15 a.m. and 7:00 p.m."

warrant to be used as evidence of a violation of law, and any person in possession thereof or who otherwise violated any provision of this section may be arrested without warrant.

(3) Any person who violates any provision of this section, shall be guilty of a misdemeanor, and upon conviction, shall be punished by a fine not exceeding \$50.

RECOVERY GOOD - Word was received here last week that Mrs. Fred W. Nichols, former resident of Cochran County, has completely recovered from an eye operation in which her right eye was removed. Mr. and Mrs. Nichols reside at Box 245, Route 2, Orland, Calif.
