MORTON, TEXAS, SUNDAY, FEBRUARY 6, 1955

No. 12

'MISAPPLICATION' PLEAS TUES.

Cases No. 156, 157 and 159 in the Cochran County Misapplication of Funds trials are set for District Court here Tuesday, February 7. It was revealed here Thursday afternoon but no jury has been summoned.

Indications are that they may be the last of the cases to come to court.

Assistant District Attorney Bill Shaver in a surprise move, prepared the cases and felony subpoenas were issued to several who are to be summoned to the witness stand if the cases go to a jury trial.

Shaver, who worked closely with District Attorney Travis Shelton on the cases, took over when Shelton's father-in-law, Lou Metcalf, of Lubbock died suddenly Wednesday. He Shelton, will be in Morton Tuesday to prosecute the cases.

Shaver said when contacted by phone Friday night, the state expects a plea Tuesday in the trio of cases but added someone may change their mind. That was his way of explaining the fact that no jury had been summoned. In the only other trial of the series that has been held, a two day session was necessary in impanelling a jury.

Set for the docket Tuesday are Case No. 156, State vs Earl Cadena; No. 157, State vs T. W. Joe Pierce and No. 159, State vs Lugo Cole.

The cases are to be heard at 10 a. m. Tuesday morning before 72nd District Judge Victor H. Lindsey.

In the only one of the 9 cases yet tried, O'Dell Smith was found guilty and received a four year suspended sentence.

FINAL POLL TAX COUNT, 1770; FALLS 236 SHY OF 1952 RECORD

It's all up to the candidates now. Those who are interested in voting looked to the office of Sheriff, Assessor-Collector before Tuesday night and paid their poll taxes and the final count showed 1770 paid poll taxes and exemptions issued. However, Sheriff Hancock, and assistant deputy Dub Hodge, agreed another two hundred or more persons over the age of 60 can vote without having obtained an exemption, by just showing a receipt for a paid poll tax of a previous year.

Thus the voting population — in possibilities — was estimated at something over 2,000.

The total, though considered a good turnout, was considerably below the record 2006 posted in 1952, but was the highest since that year.

Last year poll tax payment had slipped to an almost all-time low for recent years, of 936. In 1954 the total was 1562 and in 1954 only 1266 paid their poll tax in Cochran County.

Voters got their first opportunity to vote in the new year Saturday, as the tax-paying, land owners of the Morton school district voted on the school Bond issue but a small turnout was predicted, hurt by cold weather and lack of interest.

The rural edition of the Dollar Day Special came out before the election was held so no results can be reported.

ARRESTS 'CLEAR UP' SEVERAL OF RECENT MORTON BURGLARIES

At least most of a series of burglaries were believed solved this week by County law enforcement officers working together. Charged with burglary and bound over to the Grand Jury are John Trevino and Asencion Garza, and a juvenile, brother of Trevino, faces possible revoking of a parole and may be sent to the Boy's School at Gatesville.

The specific burglary the group has been charged with is the break-in at the local Massey-Harris dealership a little over a week ago.

The older Trevino admitted the break-in, Sheriff Hazel Hancock advised but claimed he was alone. However, nightwatchman Billy Burkett spotted Trevino's pickup loitering near the burglarized implement house on the night of the break-in and also spotted two persons in the pickup and two persons, including the juvenile walking about a block behind the truck.

In the yard of the Trevino home officers recovered one of a pair of radios that was stolen and also have recovered three batteries missing in the same break-in.

An estimated 15-30 inertubes, all brand new, various oil equipment including oil, gages, and another radio are still missing.

Bond for John Trevino was \$1500 and Garza's bond was set at \$1,000 which he had not yet met Friday.

The juvenile brother of Trevino had been released to the custody of John Trevino only a week earlier after having been nabbed in a break-in at Collins Packing. The Sheriff said Judge Stockdale, the County's Juvenile Judge, could revoke the parole and send the 15 year-old boy to Gatesville.

Only last week Prudencio Mendez, 46-year-old Mexican, living a mile north of the county line gin, was given a 30-day jail sentence for stealing 4 batteries. He sold them for \$6.

Dollar Day Is Photograph Day At Tribune Office

Don't forget, tomorrow, Monday, February 6th, is the day you can get that long put off picture of your child or children, regular studio style, with no obligation at all.

You'll get proofs to examine, if you especially like one of the photos, you can order copies; but if you want no pictures, there is no obligation at all for you to buy.

And, regardless of whether or not you order pictures, the pose you choose, will be made into a cut and at some time in the future, the Tribune will run a series of these photos providing you with a memento you'll long treasure.

Actually, a lot of the photographers time is already spoken for. If you haven't made arrangements you may want to call first, at the Tribune office, and see what time is available. There'll be time for one picture each five minutes, from 10 a.m. until 5 p.m.

There is no age limit, so long as the parent or guardian accompanies the person whose picture is being taken.

The photographers are from a well known portrait studio, Woltz Studios of Des Moines, Iowa.

The Tribune would appreciate as many persons showing up as possible, for we get a free cut of each subject photographed. A cut is the plate from which we can print the picture in the paper, and usually would cost up to \$1.50 per picture. It gives us an excellent opportunity to build up a file of pictures which we could also run in connection with school activities, 4-H and FFA functions, and even coming birthdays.

The area limit is anyone who reads about this which includes Whiteface, Maple, Three Way, Bledsoe, Baileyboro, Bula, Pep, and several other communities as well as Morton.

MISS MARCH OF DIMES — IN the photo above, a snapshot taken just after she was honored on January 16 as Miss March of Dimes talent show winner, Betty Waller, clutches a bouquet of roses presented to her by MC Gene Benham. Betty, sponsored by the Freshman Class won over 17 contestants. She also received a placque.

Lindsey Feed to Celebrate Twice Next Saturday

Lindsey Feed and Seed, with a double reason for celebrating, will have a formal opening for their new building and an 11th anniversary celebration next Saturday, February 11th, at their new location, two blocks north of the square.

In honor of the double event, the Lindseys will serve coffee, show free movies, pass out treats for the youngsters and will have a drawing for a hog to be given away at 3:30 p.m., Saturday afternoon.

Registration for the hog can be made anytime prior to the drawing by just dropping in and visiting with the Lindseys at their new location.

For the past 10 years the Feed Store had been located in the Markham building on west Washington. Prior to that time they had different locations the first few months they were in business in Morton.

Lindsey's headquarters in Morton for Purina Chows, Baby Chicks, Mathieson fertilizers, quality seeds and custom grinding and mixing, invites everyone in the area to attend the formal opening. Bring the family, they suggest, and have a big time.

L. A. COCHRAN RELEASED FROM LUBBOCK HOSPITAL
The condition of L. A. Cochran, prominent Morton businessman, is reported "good" following his release Friday from the Methodist hospital in Lubbock. Cochran had

HEY! IT'S REALLY SNOWIN' NOW!

Steady blustery snow continued to fall late Friday night as the Tribune Dollar Day Special went to press and had been falling almost 24 hours without a lull. The cold snap had brought up to eight inches of snow to the county and in its wake had left a number of marks.

The cold and snow and ice on the pavements had forced postponement of school Thursday and Friday.

Because of the weather the local choral department's show, "Indian Capers" was called off. Joe Carroll said it might be held in a couple of weeks.

Highways were not all blocked, but all were treacherous and icy Friday night. The Road between Levelland and Lubbock was impassable. Highway 214 south was open to Plains. West of Morton the highway was very dangerous. Road blocks halted traffic at Levelland and Plains.

Strangely enough, and fortunately, there wasn't a single accident reported in or on the highway just outside of Morton on Thursday or Friday, but Sheriff Hazel Hancock said they were expecting a call any time.

The snow we were forced to report as "light, blowing snow", as the Tribune went to press shortly after midnight, Wednesday, reached an estimated more than 2 inches in Morton by Thursday morning and the temperature continued to plunge to 7 degrees before daylight, Thursday. It took another dip Thursday night to 10 degrees and started to snow, lightly at first, but by 3 a.m. was coming down hard.

The cold snap was severe enough to force postponement of the school activities here and in several other area towns Thursday. Cloudy skies remained, with the sun shining only for a few brief minutes late in the afternoon on Thursday bringing hopes of more to follow. Naturally, since the rural Dollar Day edition must be printed on Friday night, no mail delivery Saturday, there was no way to guess what snowfall may have come before the paper is completely circulated on Sunday.

But merchants who expected a "very slow" business on Thursday at least knew that the moisture was welcomed by the farmers and could be a big bonus on next fall's crops.

MOTHERS MARCH ADDS \$257 TO MOD DRIVE; BLEDSOE GIVES \$275

The Bledsoe Community with a superlative effort ran their overall total to \$275 thanks to the efforts of three key workers who gave Mrs. Alvie Harris, Community Fund chairman a big helping hand, and with a special thanks to the Bledsoe schools.

Mrs. Harris, in acknowledging the help she received, pointed out Mrs. Harold Rawls, Mrs. Joe Ellett and Mrs. T. J. Williams.

The final surge of the 1956 Cochran County March of Dimes drive was one of the best surges of the month long parade it was revealed this week with the announcement that the mothers March last Monday night added \$27.53 to the jackpot.

Under Mrs. Roy Hickman, who served as chairman for that phase of the drive, 25 women gathered for the one hour canvas, from 7 to 8 p.m., then met for coffee and doughnuts and counted the take.

Though money was still dribbling in making it impossible to set an overall total very soon, Roy Tarver, Jr., County Drive Chairman, said this week that he believed the county would again exceed the original goal, though he

It was reported that a total of \$100 was made up for Day O'ille Robinson to get a burr hair cut, a Tribune spokesman said Friday he did get the hair cut.

Aiding in the Mother's March were the following ladies in addition to the chairman: Miss Letia Petty and Mesdames Elra Oden, W. E. Akin, Virgil Riley, Andrew Carrillo, Gene Benham, Joy Stripling, A. M. Greene, Hume Russell, Alvie Harris, Leon Hamilton, L. M. Baldwin, Curtis Chapman, J. C. Wylie, E. L. Polvado, Miles Walden, A. D. Mullinax, Hossie B. Swartz, Joe Nicewarmer, John L. McGee, M. C. Ledbetter, Joe Gipsen, George Markley, Rolly Hill, and E. L. Willis.

Farmers Urged To Be In Town Monday Night
County Temporary Chairman, W.illard Cox, Cochran County's two directors to the Plains Cotton Growers and County Agent Homer Thompson called on all farmers to attend the County Cotton meeting tomorrow night at the Cochran County Auditorium at 7:30 p.m.

The letter they sent out to the farmers is printed inside. Businessmen too were invited to attend. The main order of business was to explain how we have lost acreage, how we are in danger of losing cotton parity at 90 per cent, what the Plains Cotton Growers intend to do about it, and to set up a permanent County Committee to work with the Association.

J. P. BURTNER ENTERS TREASURER'S RACE; TWO COMMISSIONERS, SHERIFF ARE UNOPPOSED

J. P. Burtner, of the Whiteface area, became the 12th candidate to file with the Morton Tribune a notice of candidacy in the Democratic primaries in July.

Burtner, this week, announced his candidacy for the office of Cochran County Treasurer and thus became the second candidate for that office. The other is the incumbent, Bill Cronin.

It was the second County "race" to develop, there being two announced candidates for the to be created office of Assessor-Collector.

Other incumbents, Sheriff Hazel Hancock and Commissioner's Ran Holloman and J. N. Foster have not drawn an opponent, yet.

At this time there are no announced candidates for the offices of Constable of any of the precincts. These are the only County offices subject for re-election.

In the district picture, the races looked the same. Two Brownfield men have filed for District Representative, incumbent, J. O. Gillham, Brownfield banker and the present office holder and; a Texas University law student and part owner of a butane business, Robert L. Bowers.

Only Preston Smith, Lubbock theatre man, a former representative and Carroll Cobb, also of Lubbock, a lawyer, have announced for the senate from this district.

May 7th is the filing deadline and the deadline for candidates to request their names be placed on the ballot.

For the benefit of the many who are interested, here is a list of the important political dates to remember before and up to the County Convention.

At the term of Court this month, the Commissioner's Court is to appoint judges of the election and all precinct judges of general elections are to be served notice of their appointment.

On or before March 10th, the Tax Assessor - Collector will file with the County Clerk a statement as to the number of qualified poll tax receipts issued.

By April 1st he shall deliver to the election board a list of qualified voters.

April 24, 10 days prior to the precinct conventions, the County Chairman will post a notice of the precinct convention, date, hour and place.

April 27th, 10 days prior to the County Convention, the County chairman shall post a notice of the time, date and place of that convention.

The precinct conventions shall be held on the first Saturday in May, which will be May 5th.

Request to have names placed on the ballot by the first Monday in May, preceding the primary, which is May 7th.

May 8th, the County Convention will be held. The first Tuesday, after the first Saturday.

The State Convention will be on May 22nd.

Absentee voting opens July 8, and the primary election is held on July 28th.

CONDITION VERY CRITICAL FOLLOWING STROKE
L. H. Drum, prominent Cochran County farmer was in a very critical condition late Friday as the Tribune Dollar Day Special went to press.

Drum, who suffered a stroke on Wednesday of this week while in the Cochran County Hospital.

All of the relatives were called in to be at his bedside.

MARY SILHON VOTED "MOST BEAUTIFUL" ...
Mary Silhon, Morton High school junior won one of the most coveted awards the school has to offer in a recent all-school election to determine the most beautiful girl who will be featured in a full page picture in the school annual.

NEW TROPHY ADDED TO MORTON CASE
Morton has a new bronze and cream colored plastic trophy in the trophy case as a result of the Morton girl's basketball team's fine showing in December at Duncanville where they took third spot in a tourney featuring some of the best girl's teams in the state.

Mary Carolyn Moore, Perry Tice Wed In Ceremony at C. A. Moore's
Rev. Frank Weir read a double ring ceremony, Sunday, in the home of Mr. and Mrs. C. A. Moore of near Morton, uniting their daughter and Perry Jack Tice of Lubbock in marriage.

Tice is the son of Mrs. J. O. Sullivan of Ropesville.

The ceremony was read at 4pm before an improvised altar formed by an arch hung with wedding bells.

Mrs. Bill Proctor, accompanied by Mrs. Charles Taylor, sang because "and the 'Lord's Prayer'".

Given in marriage by her father, the bride wore a powder blue, pure silk suit trimmed with white satin and white accessories. She carried white roses atop a white Bible.

Miss Sylvia Thompson, of Lubbock was Maid of Honor and wore a pale yellow suit carrying a colonial bouquet of blue carnations.

Bud King of Lubbock served as Best man.

A reception was hosted by the bride's parents immediately following the ceremony. The bridal table was laid with lace cloth over blue and complemented by a 3-tiered wedding cake and the traditional miniature bridal couple on top. Powder blue candles flanked the cake.

Mmes J. B. Knox, Pershing Buesbee of Muleshoe, J. E. Hammett of Acuff and Raymond Kuykendall assisted in the hostess duties.

The couple are at home in Lubbock at 2105 14th Street. Both are juniors at Texas Tech, she having graduated from Morton High and he being a graduate of Corpus Christi High.

Cotton Product'n Climbs in Texas With '55 Crop

The U. S. Department of Commerce report on cotton ginned in the country through January 15, released this week, shows that the Texas crop led the nation by a considerable margin, that it exceeded the 1954 total for a comparative date some 105,000 bales but it fell below the 1953 total by some 20,000 bales.

The report, broken down only by states, showed: for 1955 crop, the Texas total was 3,941,806 bales and the next highest was Mississippi with 1,991,495. Third was Arkansas and the next in line and only over 1 million bales, were California and Alabama.

The 1954 Texas total was 3,836,000. In 1953 the total reached 4,216,000 bales.

Field Manager for Cancer Society
JUSTIN (Spl.) — John Marocco of St. Johnsville, New York has been appointed a District Field representative of the American Cancer Society, Texas Division, according to an announcement recently received by the Executive Director.

The newly appointed field representative will serve 18 Districts which comprise an 18 county area including Bailey, Hockley, Lubbock, Lamb and Cochran counties. He will make his headquarters in Lubbock.

How Postponed
The tradition of show business is a real 'set back' here, Friday, the Choral Department's show, "Indian Capers" was postponed because of snow. It wasn't that didn't want to go on with show, they just have an ever-to-playing to empty houses, Carol explained.

New Books In
WHITEFACE (Spl.) — The Junior high library received 98 new books at Whiteface this week, according to Ralph Bradley, principal.

Most of the books are 1954 publications, according to Supt. Noah Cunningham and the series includes fiction, history, nature and biography.

a goal for the year were Mmes. S. E. Bratton, Chas. Cumpton, Leo P. Cunningham, F. L. Fred, Billy Gunter, Wesley Gunter, Lon Harrison, Jess Marks, Chas. Sanders, Arvel Snodgrass and Lloyd Wempken.

The president, Mrs. Chas. Cumpton appointed the club committees for the year.

The program reviewing the responsibilities of Club officers and leaders and duties of committees was presented by Mrs. Cumpton.

A discussion of goals for the club and for individuals was led by Mrs. Cunningham and Mrs. Marks gave an orientation on the subject a "Good Citizen Goes To A Meeting." Mrs. Lon Harrison demonstrated the correct way to fold a contoured sheet.

The group drew names for Pollyanna Pals; the gift exchange is to be held on April 18.

Following the meeting the members all joined in a surprise work shower honoring Mrs. Lloyd Wempken with Mrs. C. E. Howard as hostess and Mrs. S. E. Bratton as co-hostess. Mrs. Carlie Neeley, a cousin of Mrs. Howard, also assisted.

A green and yellow color scheme was carried out in the corsage & the refreshment plate of yellow or green lead angle cake, green sherbet and a yellow punch with green ice cubes.

The organization's next meeting will be February 1st at the home of Mrs. Lloyd Wempken.

Soil Dist. Equip.

To Be Loaned

D. A. Ramsey, chairman of the Cochran County Soil Conservation District, and Gene Benham, member of the Board of Directors, after attending a recent state convention of supervisors took stock of the local equipment being cared for by the FFA boys of the Morton school.

The local district equipment includes four grain drills, three leet, two legume seeders and fertilizers, three instruments for running lines and one wagon type, manure spreader.

Also owned by the district, but up for sale, is one elevating grader, one Ford tractor and equipment, and three bottom John Deere mold boards.

Anyone interested in purchase of this equipment can see it at the Morton FFA department and can contact one of the District supervisors for arrangements.

MISS CAROL OWENS

ENGAGEMENT IS TOLD

Mr. and Mrs. Lewis Owens of Lubbock, former residents of Pepp and frequent visitors in Morton, have announced the engagement

and approaching marriage of daughter, Miss Carol Owens, to Robert J. Primo, a geologist for Stan olind Oil Company in Lubbock.

The wedding has been set for Saturday, February 11, in the St. Elizabeth church, Lubbock.

QUIT KIDDING YOURSELF Mr FARMER

You Can't Afford Not to Irrigate

If Possible;

YOUR BIG PROBLEM IS ANSWERING THE QUESTION OF:
HOW IS THE BEST WAY TO GO ABOUT GETTING THE WATER?

YOUR QUESTIONS

1. What about test holes?
2. How do I know who can do the job?
3. Can I get the whole job done at one place?
4. How do I know the price is right?
5. When can I get the wells drilled?
6. Where will I get advice on how to proceed?

OUR ANSWERS

1. We can make arrangements for you.
2. B & J's years of experience and satisfied well owners will prove to your satisfaction that we can do the job, right.
3. As noted below on this page, we can handle the drilling, testing, selling of pump, and setting of pump.
4. A check with other drillers will prove this point in our favor.
5. We are drilling more wells than any other driller in the area.
6. We are prepared to advise you every step of the way. Our aim is to provide you with a satisfactory well, if possible.

Jaycees Vote To Keep Membership In State Jaycees

The Morton Jaycees voted by an overwhelming 9-2 margin to stay affiliated with the state Jaycees, in a vote taken Wednesday, after the oldest member in point of service in the organization, Bill Glasford reviewed the importance of being affiliated both with state and national.

The discussion grew out of a motion first made by the local group use the money they would pay on state dues for local projects.

A discussion followed on current dues, and on the outstanding bills. It was voted to pay all outstanding bills immediately.

The group then called for a directors meeting which was held on Monday night, to review the situation that had found several key members suddenly too busy to be able to attend meetings. The problem, an ever occurring one in an organization of young men most of whom work for someone else, is not a critical one as far as the organization is concerned, as long as periodic arrangements are taken into consideration to take the burden off the other members.

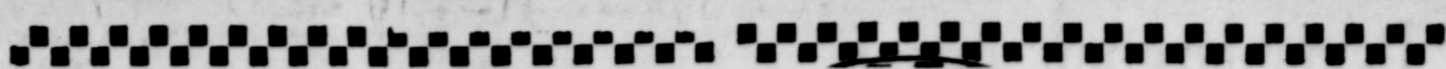

The immediate problem was the fact that both the president and the secretary had switched to other jobs and were to need extra time to square away their new outside duties before they could be expected to resume active Jaycee duties.

Morton, Whiteface Swap Victories In Cage Games

Morton and Whiteface, though in different classes in the Texas Interscholastic League, remain rivals in sports in the county and in a two stand home and home series showed why this month when the Morton boys pulled a big upset in triumphing over the Whiteface five of the Morton court but then were handed a return licking on the Antelope Court.

The same bitter rivalry exists in girls cage games where the local girls, after having been humbled by Whiteface early in the season continued their climb, to top form by garnering an 80-63 win behind Belva Ramsey's 48 points and a stellar effort on the part of the Morton guards.

On the local court both the local teams posted 17 point wins. However, Whiteface was without the services of their key man, L. S. Salsler who led his team to the victory on the Whiteface Court.

butter cakes. o o o
 CLUB NEWS

The County-Wide C.H. Club was to meet Saturday morning at 9:30 a.m. in my office. Barbara Waltrip is president of the group of high school girls. Tentative plans are being made for a visit in a home as part of the meeting's program. o o o

DRY BEANS OFFER GOOD NUTRITION AND EATING
 Hearty winter appetites call for good nourishing meals. For economy, plus flavor and nutrition - dried beans have a lot to offer.
 A serving of home-cooked beans costs about two cents. From the can it costs about six cents. Either way beans are an inexpensive source of calories, vegetable protein, iron, thiamine and riboflavin.

Dry beans can be used as a meat substitute for some family meals, especially if combined with another protein-rich food that con-

tributes from an animal source. Such foods include milk, eggs, and cheese.
 Make the most of plentiful dry beans to help keep food costs low and nutritive values high.

CANNING BAKED PORK AND BEANS

Pick over dried beans. Navy or pinto beans may be used. Wash and soak beans for 12 to 16 hours in soft water. Rinse soaked beans. Cover with fresh boiling water. Boil for 3 minutes. Drain. Place several of salt pork in a bean pot or other container for baking. Add

beans. Cover with tomato sauce (recipe given below).
 Cover container and bake beans in a slow oven (about 250 deg. F) for one and one half hours. Stir well, heat to boiling. Pack, while boiling hot, into clean cans or in clean hot jars. Add one small piece or pork to each can. Cover with hot tomato sauce. Seal at once. Process at 12 lbs pressure. No. 1 cans, 65 min; No. 2 cans, 80 min; No. 3 cans and quarts 95 minutes.

TOMATO SAUCE RECIPE
 (For 1 lb. soaked dried beans).
 4 cups tomatoes
 2 teaspoons salt
 2 to 4 tablespoons molasses
 1 small chopped onion or garlic
 1/2 cup vinegar
 1 bay leaf
 1/4 to 1/2 teaspoon whole cloves
 1/4 to 1/2 teaspoon whole cinnamon
 1/4 to 1/2 teaspoon whole all spice
 1/4 teaspoon cayenne pepper
 1 teaspoon celery seed
 Wash, core and skin tomatoes or use solid pack canned tomatoes.

Chop or grind fine. Add salt, molasses and onion. Boil 20 minutes. The spices in bag. Place in tomato mixture. Add vinegar, simmer 20 to 30 minutes.

Another Dog Is Poison Victim

Morton's dog poisoning fiend may be on the loose again, but operating in a different manner. The Collie dog belonging to the A. N. Wall's was killed Thursday, not poisoned, but fed ground glass.

Church of Christ Complete's Bldg. South of Border

Five years of support to a Church of Christ minister in Delicieux Old Mexico has culminated in a new brick building, situated on the outside, and opened for services last November. Jesse Brookshire, local Church of Christ minister reports.

The Church, located some 270 miles south of El Paso in a rich irrigated farmland district, and in a town of some 25,000 people, is pastored by Juan Garcia and now boasts some 40 members. It has room for approximately 175 regular comers before expansion will be necessary.

The local Church has supported Garcia as pastor for about five years and for the past two years has been working on the planning and construction of the church. Until its completion, the church met in various homes.

Nearly all the money that went into the construction of the church came from local offerings, though money from an estate helped and the Hamilton Church gave \$100 for which the local Church was extremely grateful. The members of the church there did most of the construction work.

The building, of brick structure covered with stucco, has a mosaic tile floor throughout, four class-

rooms, a bath and two modern rest rooms.

SNOW OR NO SNOW

MONDAY IS DOLLAR DAY HERE

Naturally, we realize, if the snow gets too deep; many of you won't be able to get to the stores to take advantage of the Big Dollar Day values advertised within.

But we also realize, neither will the farmers be able to attend the cotton meeting; neither will the school buses be able to run, neither will the people be able to bring their children to the Tribune office for a free photo. But these are things we can

not predict. We must plan our events as usual, even though, at the time this paper is going to press it has been snowing at a steady pace for more than 24 hours. For all we know, the mail carriers may not even be able to get this paper to all our rural friends before Dollar Day.

The sales must, and will go on as planned. It's to your advantage, to be here \$Day, if at all possible.

Church of Christ Cospel Meeting To Open Monday

Rev. J. W. Ross of Portales, New Mexico, will conduct a one-week Cospel Meeting at the Morton Church of Christ, beginning Monday, February 6 and concluding on Sunday, Feb. 12.

Services will be twice daily, 11 a.m. and 7:30 p.m. and the morning services will last just 40 min.

Jesse Brookshire, local Church of Christ minister has extended to everyone in the area, an invitation to attend, "not to be entertained, but to hear what the Bible teaches

Christian Church Formed; Opening Services Sunday

The first services of the newly organized First Christian Church will be held this Sunday, February 5th at the American Legion Hall.

Bible school will begin at 9:45, and worship services will be at 11 a.m.

All of the community and every one from Cochran County has received a special invitation to attend, and especially invited are any who have ever been affiliated with the Christian Church.

A local group of interested people met last week to lay plans for the organization of the new church. This past Monday evening, Mr. and Mrs. Byron Mayfield, the pastor of the First Christian Church of Loveland, met with the group to plan the beginning of the services. Those taking part in the organizational meeting included Mr. and Mrs. Fred Collins, Mr. and Mrs. Leo Cunningham, Mr. and Mrs. Albert Morrow, and Mr. and Mrs. Gene Evans.

The schedule of the worship hour this Sunday will be 9:45 a.m. at the Bible School Superintendent at the First Christian Church of Loveland.

Revival Opens at Assembly of God

A Revival Series to last about 2 weeks will open Sunday at the Assembly of God Church it was announced here Wednesday by Bro Clark.

Services will be held evenings only, except for the regular Sunday morning worship, and conducted by Evangelist Verna Hughes of Hagerman, New Mexico.

The Evangelist is also a talented musician and singer and will also lead the song service. Everyone is issued a cordial invitation to attend any or all of the services.

Lee Benham On NMMI Honor Roll

ROSWELL, N. M. (Sp) — Lee Benham of Morton is one of 46 cadets at the New Mexico Military Institute here to achieve membership in the High School Honor Society for the 2nd semester.

This honor means that Lee made an average of 91 or better in his studies for the fall semester. Honor Society membership is something worth working for, because it entitles a cadet to one long weekend furlough per semester, as well as certain other late-hour and library privileges.

Lee is a sophomore in the High School Division at NMMI. His family lives on Route 2, Morton. This is his first year at the Institute. In the Cadet Regiment of 8 companies, he is a member of Headquarters Company.

With Your... COUNTY AGENT

County Agent... 4-H FAT STOCK SHOW COMMITTEE MEETING

The 4-H and FFA Fat Stock Show Committee members met on January 9th to set up the 1956 Rules and Regulations for the annual Fat Stock Show. The show is to be held on April 6 - 7, 1956. This will be a month later than in future years since the committee has set the first Friday and Saturday in March as permanent Fat Stock Show dates beginning in 1957.

Sifting for this year's show will start at 10 a.m. on April 6th. Paul Gross, Assistant County Agent, of Seminole, has been asked to do the sifting. Judging will start at 1:00 p.m. Friday, April 6th. Jack Bourland, Swift and Company, Ft. Worth, has been asked to do the judging.

Because of limited space it was decided no breeding animals would be shown. There will be only fat calves, fat barrows, and fat lambs.

Pegues Houston was selected to be chairman of the committee to select the winner of the Best Show award for individuals showing lambs, swine and calves, and the Herdsmanship Award by 4-H Club group, or FFA Chapter groups.

Norman McAnelly was elected Superintendent of the Fat Calves Division, Ken Coffman, Supt. of the Swine Division, and Thomas Lynch, Supt. of the Lamb Division.

A list of the committee members is as follows: Auctioneer: Charlie Henry Silvers, chairman; Alvie Harris, Ken Coffman, and H. S. Hawkins. Publicity chairman, Ken Coffman. Members Bill Glassford, F. O. Masten, Norman McAnelly.

Resale Buyers Committee: J. W. McDermott, chairman; H. S. Hawkins and V. E. Collins. Local buyers committee: Bill Williamson, chairman; Cap Lindsey, Roy Allsup, Tip Windom, M. W. Ellington and J. R. Kuykendall. They are responsible for getting local buyers out to the show.

On the weighing and tagging committee are Jake Wylie, chairman. Lelan Seifers, Wayne Walshall, R. K. McCoy and Sonny Ellington.

4-H members who have not received a copy of the rules and regulations for the Fat Stock Show may pick them up at the County Agent's office.

BLEDSOE 4-H TRIO ATTEND TRACTOR MAINTENANCE SCHOOL

The District 4-H Tractor Maintenance School was held at Texas Tech Engineering School, January 4-5-6. Jerry Bryant, Bob Selman, and Louis Young, all 4-H boys of Bledsoe, were the Cochran County attendees at the school.

Tractor Maintenance and tractor safety were two of the main programs during the school. Both used second hand and new tractors in emphasizing their lessons.

One of the points illustrated to the boys showed them some tractors at Tech that had been recently painted on the radiator, grill, and on the white part of the spark plugs. This costly mistake caused the plugs to burn out in 6 hours.

Taking off and putting on wiring and retiming the tractors was another part of the program. They were shown how to remove and replace the magnetos.

CONTINENTAL OIL SUES COUNTY ON LAST YEAR'S TAX ISSUE

The second suit against Cochran County's Commissioner's Court on payment of taxes has been filed in District Court by Continental Oil Company, a companion suit to the one filed against Cochran County last fall by Magnolia Petroleum Company.

Continental, seeking an injunction against paying the taxes on what the county has assessed at more than \$520,000, has filed only one \$187,000. They have paid part of the taxes not included in the property in question.

Basically, the suit, filed against Fred Stockdale, et al, contends the majority of land in Cochran County is rendered at 11.95 percent of its real value; that they have rendered their property at what is supposed to be the rightful rate of 25 percent of its value; and that the figures the county has totaled their tax on would be over 70 pct.

The county got its figures from the evaluating firm which they annually hire to compute oil field evaluation.

The Magnolia suit was filed in the fall of last year but Continental, at that time, testified as to the land on which they are now filing suit.

The action was filed Tuesday.

Morton Girls Only Local Winners

The Morton girls were the only local team to salvage a victory in a recent four game slate with the Sundown Roughnecks on the local court.

Bejva Ramsey's 35 points was high in the 59-46 conference triumph.

The boys took an early lead but lost steam in the middle and late stages and were handed a 67-49 pasting. The boys 'B' team lost, 39-31 and the girls 'B' team lost by 11 points.

New Deal Trims Morton Maids

The Morton girls, playing the team the most feared in the area, New Deal's Lionesses, lost a 13 point decision in a high-scoring tilt played on the Smyer court, Monday night; but satisfied themselves in the process that they can beat the great New Deal team if they work at it right.

The score of the game was 72-59 and Morton stayed in the thick of the fight most of the way.

Freshmen Lead Honor Roll List

Two seniors, one sophomore, and seven freshmen are listed on the third six weeks honor roll at Morton High.

The roll, not for semester average but only for the third six weeks, includes: Edna Wallrup and Bejva Ramsey, seniors; Judy M. Clouston, Betty Waller, Susie Hawkins, Myrlan Cox, Jim Pyburn, Clyde Brownlow and Gary Middleton, freshmen; and Ray Ann Ross sophomore.

WHITEFACE JUNIORS BEAT BLEDSOE TWICE

WHITEFACE (Sp) — The Junior High basketball teams of Whiteface won two games from Bledsoe this week. The boys won their battle by a score of 36-14 and the girls hung up a 26-11 margin of victory.

Lions to Play Donkey Ball Game

The Morton Lions will sponsor a donkeyball game at the local high school gymnasium it was announced this week at the regular meeting, Wednesday.

The only details on the game, as of this time, is the fact that the game will be played March 6th. There was no announcement as to whether they'll split up sides or play some other willing organization.

LADIES NIGHT SET BY LIONS CLUB HERE

The Morton Lions regular ladies night will be held on Thursday March 29th. It was announced by Lion Boss J. W. McDermott at the Lions weekly meeting.

ASK MOD MONIES BE TURNED IN AS QUICKLY AS POSSIBLE

Roy Tarver Jr., Cochran County fund drive chairman for the 1956 March of Dimes campaign, has requested that all MOD workers and clubs turn in to Mrs. LeWallen, monies collected, as soon as possible.

LIONS CLUB GETS NEW 'TAILTWISTER'

Roy Tarver, Jr. and Tip Windom got jobs in the Morton Lions Club this week. Tarver named program chairman for the month of February and Tip Windom as tail twister for the remainder of the present officer's term.

Morton, Texas
February 5, 1956

TO ALL COCHRAN COUNTY
FARMERS & BUSINESSMEN
WHO CARE ABOUT MONEY

Gentlemen:

Do you want to lose more of your cotton allotted acres in 1957 to East Texas, like you did in 1956? Do you want your farm income to be reduced by 15 percent or more by shifting the loan basis on cotton from 7-8 inch staple to one inch staple length and dropping from 90 percent to 75 percent of parity? And you businessmen, do you want your income whittled to practically nothing because you depend on agriculture to supply the money to the farmer that he in turn spends with you — and you suddenly find his supply of money has been cut off? None of us want any of these things — but by sitting around while others are planning, we may get them all rammed down our throat.

The present proposal is to do just that, and you can see what this means to your pocketbook when 78 percent of the cotton of less than one inch staple is grown on the Plains of Texas. Do you want 90 percent parity price on your grain sorghums, by establishing grain sorghums as a basic commodity? These and many other problems will be discussed in a meeting, Monday night, that's tomorrow, February 6th, at the County Activities building, at 7:45 p.m.

The discussion will be conducted by myself and other Plains Cotton Growers, the new organization recently formed to take a look at our situation and do what we can for the interests of cotton growers and grain sorghum producers. In this meeting we will organize the county farmers in the organization that embraces 24 counties.

Please be present and get your neighbors to be present, so we can approach the problems in an organized way. If you fail to attend, do not blame your ASC Committeeman when you are disgruntled about the acreage allotted you. This is not a fight against East Texas, its a fight to keep our fair share of cotton acreage on the Plains.

No amount of effort will be successful, if we fail to join hands with our neighbors to resist the effort being made by East Texas to take more of our cotton acreage allotment next year, which is what they have promised to do. You may be surprised to see what has already happened to you.

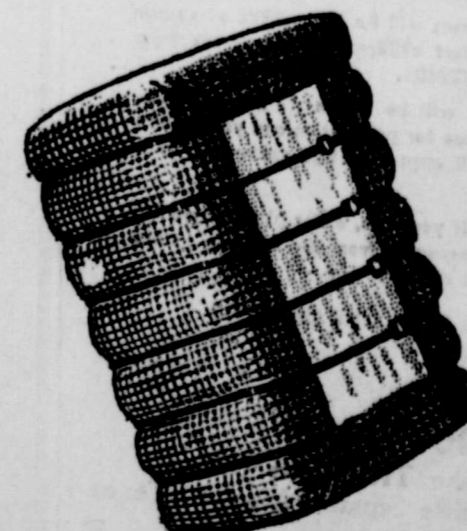

Yours very truly,
Signed,
Willard Cox
Temporary County Chairman

Signed,
Gene Benham, director
for Cochran County
Plains Cotton Growers

Signed,
J. R. Kuykendall, director
for Cochran County
Plains Cotton Growers

P.S. We think you will agree to the importance of the meeting. Through the right kind of organization, this opposition of Texans opposing one another can be turned into a team working together.

Yours truly,
Signed
Homer E. Thompson
Cochran County Agent

Scout Troop 73 Reorganizes At Whiteface Meeting

WHITEFACE (Spl.) — A meeting was held Thursday evening, January 26, in the Board Room of the Whiteface School for the purpose of rechartering the local Boy Scout Troop 73 for another

year. The Troop will again be sponsored by the Methodist Church. Clyde Mote was unanimously elected to serve again as Scoutmaster for the coming year. Truman Swinney was re-elected to serve as explorer - advisor.

Ed Stokes, who has served as secretary-treasurer the past year, was appointed institutional representative. H. D. Galvin was re-elected Committee chairman. G.

C. Wright was elected secretary-treasurer. Other members of the committee are Noah Cunningham, R. E. Bradley, Nathan Tubb and Oscar Stone.

Plans were discussed at the meeting for a more challenging program for this year. Plans for the summer camp are about the same as last year. Camp Solemeyer, located near Menard, furnishes the boys with an excellent opportunity to learn more about camping, hiking, canoeing and swimming.

Raymond Lupfer, assistant scout executive, Lubbock, and Mr. Ralph Parish, district scout executive, Levelland, were present for the meeting and aided in the reorganization of the local Scout program.

Soil Conser. Serv. Had Busy Year Totals Show

Should you as a cooperator of the Cochran Soil Conservation District have seed to sell, by all means send a sample to the laboratory for the purity and germination test. Also if buying grass or legume seed insist on a purity and germination test from the seller.

Cooperators of the Cochran Soil Conservation District during 1955, contoured 3,046 additional acres, 3,421 acres of cover cropping (summer and winter legumes), 2,931 acres of rotation hay and pasture, 52,860 acres of stubble was managed for wind erosion protection, 19,969 acres of range was deferred, 536 acres of brush control, 4 miles of terraces were built, 18 miles of underground concrete pipe was laid; 62 sprinkler systems were installed which will irrigate some 5,600 acres of land. Some 20,000 acres was planted within the district. Fifty farmers became co-operators of the district, increasing the total to 594 to date.

Considerable interest has developed in planting grasses for seed production and may we urge you to buy your seed early, and to buy good seed.

GM MOTORAMA HERALDS FUTURE

NEW YORK—The possible pattern of highway travel of the future is dramatized in the General Motors Motorama of 1956, shown here as a New York audience watched fast-moving Motorama stage entertainment at the Waldorf-Astoria Hotel. After a Jan. 19-24 public showing in New York, the giant admission-free GM display of "dream cars" and other attractions will appear in Miami, Feb. 4-12 and later in Los Angeles, San Francisco, and Boston.
