MILITARY RESERVE WEEK PROCLAIMED—Governor Allan Shivers signs the proclamation designating Military Reserve Week in Texas as April 22-28. The principal objective of Military Reserve Week, sponsored by the National Security Committee and its 19 Constituent Organizations, is to spur enlistments in the Reserve Forces of youths 17-18½ years of age. Witnessing the signing are (L to R): Major General K. L. Berry, Adjutant General, Texas, in charge of National Guard activities; Mrs. A. B. Crow, President, Austin Women's Federation; Governor Shivers; Major General Lewis S. Griffing, Chief, Texas Military District; and Brigadier General J. Earl Rudder, Commanding General, 90th Infantry Division.

SEVEN INDICTMENTS RETURNED BY GRAND JURY HERE TUESDAY

Missionary

Missionary Comes To Assemb. of God

John F. Hall, missionary to Upper Volta, French West Africa, will be guest speaker at the Morton Assembly of God church on Friday night, April 13, at 8 o'clock, it was announced by Rev. H. T. Clark, pastor.

Hall will tell of some of his experiences in Africa since his appointment to Africa in 1931 by the General Council of the Assemblies of God, Springfield, Missouri.

With the execution of furloughs, Hall has served in Africa since that date.

He employs four languages in his work besides English. He has been active in translating the New Testament and parts of the old into More, one of the tribal languages. He has been instrumental in the development of simple, effective methods of teaching tribespeople to read and write their own languages.

He has been given a life membership in the American Bible Society.

During most of his time in Africa, he and his wife and four children were stationed in Ouahigouya district, 700 miles interior. He will tell of the great spiritual awakening which began in 1955, and he states it was comparable to the account recorded in Finney's revivals.

While on wartime furlough, Hall was dean and teacher at the Southern California Bible College in Pasadena, Calif.

Hall is a graduate of Wheaton, Ill., the Missionary Medical Course in the National Bible Institute, New York City, and has studied in France. He is also known as a missionary writer.

The public is cordially invited to hear the missionary talk. Hall will be dressed in West African costume at the service which will begin at 8 p. m.

Still Unconscious

Horace Goodman, Cochran County farmer who was seriously injured in an auto accident two weeks ago, remained unconscious at the Cochran County hospital, Wednesday. Goodman was removed to the local hospital from Wichita Falls. He has not regained consciousness since the mishap. He received a serious head injury.

I. U. Chaddick Is Candidate for Comm. Pct. 3

One of the few remaining uncontested races in the Cochran County Democratic Primaries this week turned into a contest as I. U. (Ike) Chaddick, longtime resident of the Bledsoe area announced as a candidate for Commissioner from the third Precinct.

Chaddick's opponent is, already announced, incumbent, J. N. Foster of Bledsoe.

The announcement left only the Constables' races uncontested.

Choir Banquet Set for Fri. Night At Activities Bldg.

The first choir banquet will be held Friday, April 13th (tomorrow night) at the County Activities Building.

It is hoped that this will be carried out as an annual affair.

The event will honor the Junior High and Treble High Choirs. As special guests the boys who participated in the Indian Caners Show have been invited to attend.

Highlight of the evening will be the presentation of awards to both choirs.

Entertainment will be furnished by a quartet from Loveland High school, whose director is Ralph Benningfield.

Morton Co-Op Gin Barbecue To Be Served at 6 P. M.

Dinner will be served beginning at 6 p. m. this evening, for stockholders and special guests of the Morton Cooperative Gin as a prelude to the annual meeting of the association.

The barbecue dinner, long a specialty of the meeting, will be the highlight for the women and children but the piece de resistance as far as the farmer stockholders are concerned will be the dividing of some \$33,000 in dividend checks.

Also vying for top interest will be some specially planned entertainment; special guest speakers and the annual auditor's report — plus the annual naming of directors to replace those whose term have expired.

Second School on Tractors Set

Another tractor school for all 4-H Club members and dads too, is again to be held at the County Barn, Saturday, April 14, beginning at 8 a. m.

The school is expected to last until about 3:00 p. m. In addition to the actual instruction, movies will be shown on Tractor Safety and Tractor Maintenance.

Boundary Mixups Delay Bonds; Loss To Morton Schools Is Over \$4,000

The Morton Independent District School Board canvassed election returns, said goodbyes to three outgoing members and swore in a trio of new members at their meeting Monday night.

They elected by acclamation, J. E. (Tubby) Holloman as president and then voted Gene Benham as vice-president and Jack Wallace as secretary.

New Board members were Wallace, Roy Brown and Pegues Houston. Outgoing, all expressing their thanks for everything, were Truman Doss outgoing president, Raymond Hoffman and Willard Henry.

The Board made an unusual move as they rescinded an original order hiring the Negro teachers, hired instead only Miss Blanchard, and left it up to her to select her companion teacher.

The new Board stepped right into another headache. It was announced that the school district would lose several thousand dollars because a recent school district boundary dispute delayed the completion of the assessment and the district failed to have the loss in interest caused by a drop in the bond market during the delay. Assured that the raise from an average interest of 3.21 to 3.47 would still be a better rate than any local school bonds have ever sold for, the trustees expected an agreement with Columbia Securities, original purchasers of the bonds.

Bob Davis, representative for the company said the market did not seem to be feeling like they were obligated to stand the loss when a delay should have been avoided. The loss to the school amounts to \$4,717.32 which they will pay to Columbia Securities.

Has Heart Attack

Tone Young, city employee and long time Morton resident was reported resting comfortably in the Cochran County Hospital Wednesday afternoon following a heart attack suffered at his home at 7:45 yesterday morning.

T&C Dinner Nets \$170 Profits Sat.

Approximately 140 people attended the chicken dinner Saturday, served by the Town and Country Study Club in the County Activities Building.

Proceeds, estimated at \$170, will be used for Community projects, with the greater part to go to the Cemetery Brick Fund, announced Mrs. Willard Cox, president.

In addition to the chicken dinner, music, both vocal and piano numbers, was provided by Morton and Bledsoe High School students Sara Jo Wallace, Myrlan Ann Sybert, Christine Gray, and Penny Grusendorf.

Important Meeting Set on Wage Rate Next Week

The Texas Producers Coop. Inc., an organization for supplying of Mexican National laborers to the farmers of the area, is sponsoring a meeting for all farmers who use Mexican National laborers, to discuss the current wage question.

All farmers who used the Nationals last season are urged to bring with them their information and evidence of prevailing wages.

The meeting is set for next Thursday — a week from today — April 19, at 8 p. m. in the County Activities Building.

Pegues Houston, Roy Brown, Jack Wallace Elected To School Board; Other Newcomers Elected to Boards

Pegues Houston, Roy Brown, and Jack Wallace, all well known Cochran County men were elected to the Morton School Board in an election held here last Saturday, which drew a strong but not record vote.

Sizzlingly close elections were also held at Whiteface and Three Way, each getting two new members on their boards. The Tribune had no late report on the vote at Bledsoe or Bula. Bledsoe had one ticket of officers and only a light vote was anticipated.

A total of 277 persons turned out in the Morton District to cast ballots in an election in which nine names were on the ticket, but only eight were running. Raymond Hoffman had asked not to be elected in a formal announcement he published in the Morton Tribune.

Pegues Houston was named on 155 ballots, more than half of the voters naming him. Wallace had 116 and Roy Brown had 107. This last total edged Charles McDermett by just three votes, 104. Willard Henry, seeking re-election drew 94 votes. Others were Al Mullinax, 78 votes; Charles Jones 72. Speedy Scott, 48 and Hoffman 24. Hoffman had served on the Board the past two years. Truman Doss had not sought re-election.

The vote was approximately 100 shy of what is believed to be the record vote cast in 1953, but was nevertheless considered a strong vote on a traditionally poorly supported election, such as a school board vote.

Pet. One voters also balloted on a County School trustee and Elmer Gardner, former Morton Board member and president of the local Board most of last year, defeated incumbent County Trustee Carl Ray, 197 to 69.

In Precinct two (Whiteface), L. W. Bills was unopposed for re-election and gained another term on the County School Board.

Bills received an unusual unanimous 253 votes.

BUYERS TOP MARKET BY \$3,870

Five boys split honors in three divisions of the Cochran County 4-H and FFA Fat Stock Show last Friday and Saturday, but the biggest news of the show was the huge contributions made by the purchasers which brought the youth \$3,867.07 in bonuses over market price.

The first sale of the combined sheep, swine and calves, Saturday brought \$9,321.02. The re-sale was worth \$5,453.95, leaving the net above re-sale.

Show spokesmen proclaimed it one of the best ever held here both in quality of animals and in the prices paid.

A complete list of the prices paid can be found on page seven.

In the fat calf division, Lowell Hatcher displayed both the 1st and 2nd place winners in the heavy-weight class and Douglas Zuber had the 1st place calf in the light-weight division. Hatcher is a Cochran 4-H member and Zuber an FFA member from Morton. Hatcher's animals then placed as Grand Champion and Reserve Champion and

he got a price of 61 cents per pound as purchase price on the show's top calf.

In the Swine division, Eddie Thompson had the top, lightweight Hampshire Barrow and Tracy Enos had the top heavyweight among the Hampshires.

Butch Tucker's lightweight Duroc was first and Ed Dewbre had the top Duroc heavy barrow.

Leo Wallace showed the top lightweight Chester White and Douglas Zuber had the champion heavy weight Chester White.

The show's grand champion hog was Wesley Warren's lightweight Poland China. There were no heavies in the class. G. W. Lyons had the top lightweights of all other breeds.

Charlie Silhon brought the top heavyweight of all other breeds. Warren, from Three Way, and a member of the 4-H from Morton won the top award and Doug Zuber displayed the reserve champion.

In the lamb division, Leo Wallace had the first place winner in the lightweight fine wool class. O. L. Castle had the top heavy-weight. Clinton Webb had the top medium wool lamb. Clifford Williams had the top Southdown lamb and the Hoffman brothers of Morton displayed the top trio of lambs.

The show went off exceptionally well except for a misunderstanding in the awarding of the showman award in the calf class.

Actually, there were two judges

named, neither of whom knew the other was judging. This led to an announcement of one winner by the County Agent while he had another name on the slip of paper handed to him by another judge.

However, the committee in charge of planning the awards, ruled the announced decision stands & Lowell Hatcher won the showmanship award in the calf division. Kirby Hoffman was the top showman of pigs and Freddie Thompson showed the top pig.

Herdsmen awards went to the Whiteface FFA for lambs and hogs and Cochran 4-H won the award in the calf division. All of these last six winners will receive plaques.

Almost before the excitement of the show wore off, directors gathered together to take steps toward making a better show next year. Their complete changes for the show next year will be published next week.

Statement Is Made To Clear Up Show Misunderstanding

The following statement, printed at the request of County Agent Homer Thompson, is published to clarify a misunderstanding which occurred in the Fat Stock Show over the weekend.

"I was asked by Pegues Houston chairman of the showmanship committee of the Cochran County Stock Show, to come and judge the showmanship awards of the show. I agreed to do this and I looked forward to coming to Morton to do this. When I arrived at the show, I carefully selected the Herdman awards, and I want to commend the boys for doing an outstanding job of preparing their animals for show.

Rueben Senterfitt Gubernatorial Candidate Visits City; Speaks to Lions, Asks Constitutional Convention As Method of Curing Administrative Ills

"The real cure for many of our state's troubles today lies in the calling of a Constitutional Convention." Speaker of the House of the Texas Legislature told a full house at a Morton Lions' luncheon, Wednesday.

The speaker was Rueben Senterfitt, San Saba legislator, candidate for Governor of the State of Texas.

The popular seven times State Representative who was the first announced candidate for Governor this year, urged revision of a Constitution that is outmoded in many aspects as the only way to get to the bottom of our present governmental problems. In a non political speech he pointed out that there is a place for investigation of the things that have gone wrong, but maintained these investigations are not a cure for the evils.

He told the group that two very important drives motivated most men: one the seeking of morally good environments in which to settle and raise his family; and the second, seeking of economic security. Both, he felt were very important drives. He pointed out that Texas, a land of almost boundless resources and opportunities is forbidden by the Constitution, to promote and advertise these things on a state level. He said the basic tenets of the Constitution, setting forth the rights of the individuals are still in effect and always will be. But he said the portions of the Constitution dealing with administration are badly outdated.

Senterfitt, brother of two local

women, was here and in the area on a sort of reconnaissance and no political trip. He was visiting as many communities as possible, but had said he will do his campaigning later. A full round of luncheon and speaking engagements is mapped out for him.

Also on hand, all having a few words to say were J. O. Gilham, Brownfield banker and State Representative from this area; Truman Lettmer, young Congressman of Abilene who married a Morton girl recently and Preston Smith, Lubbock Theatre man, former State Representative and now an announced candidate for Senator.

Nine guests were on hand for the meeting including Senterfitt, Smith, Gilham, Lettmer, Art Fowler of Muleshoe; Mrs. Lee Taylor and Bill Glasford of Morton, John Crowder and Leroy Johnson also of Morton.

Summer Water Rates Now Open; Can Be Figured On May's Billing

The City Commission met last Wednesday noon in a called meeting to canvas the election returns. In one other important measure handled at the same time the city fathers authorized the return to summer water rates, a specially set up plan that allows those who will use a lot of water to plant a lawn, a slightly better rate up to point.

City Secretary Van Greene has announced that all who will get an application for summer water rate filed out at the City Hall, by April 16th, will be eligible for the summer rate on the May 1st billing. However if you do not apply until after Monday, April 16th, you will not qualify for the summer rates until the June billing.

"Be sure to act immediately, if you want your May billing to carry the summer rate," Greene cautioned.

Manle Co-Op Gin Will Distribute \$50,000 Dividends

The distribution of approximately \$50,000 in dividends, with about \$20,000 of it to go on retirement of outstanding stock, will be the highlight of the program as the Manle Cooperative Gin holds its annual meeting next Tuesday.

The annual meeting, to start at 7:30 p. m., will be held in the Three Way School Auditorium.

Barbecue dinner will be served and a prize drawing will also be held. Two directors will be elected, five will be holdovers. J. F. Ferguson and Neal Smith both were appointed to fill unexpired vacancies on the board. A. H. Darlock is president of the board. Other directors are D. V. Terrel, Frank Knox, Horace Hutton and Tom my Galt.

Last year was a highly successful year for the Manle Co-Op Gin, according to L. B. Fox, manager. Though not a record, the gin took care of ginning 5882 bales of cotton compared to 2660 the previous year. A lot of the increase was because of new machinery added before the start of the season. And some was because last season was nearly twice as good a season as the previous one throughout this general area.

CONCESSIONS

The 4-H Club girl's Concession stand at the Fat Stock Show last weekend, April 6th and 7th, showed a profit of \$63.20. This was made possible by the generous contributions of time and food by the 4-H leaders, parents, and club members, and discounts by the Moss Food Store. The money will be used for prizes at the Girl's

4-H Contests on April 28th, the dress revue in late summer and for defraying the expenses of Adult leaders to the 4-H camps.

Adult leaders who assisted in the concessions stand were Mimes, C. R. Melton, Clayton Stokes, W. J. Waltrip, Richard Key and J. N. Burnett. A number of 4-H girls helped each day.

YOUNG FARMER AWARDED SCHOLARSHIP FOR HISTORY-MAKING CORN CROP

Lamar Ratliff, center, is shown in New Orleans, Louisiana, where he had just been awarded a university scholarship for his achievement of producing an officially-recorded yield of 304.38 bushels of corn from a measured acre. With the 16-year old champion and extending their congratulations to him are Mr. Boyd Campbell, President of the United States Chamber of Commerce, right; and at left Mr. E. D. Funk, Jr. who made the scholarship award on behalf of the Producers of Funk's G-Hybrid corn. For many years, corn farmers everywhere have been shooting for what at times seemed an impossible goal—a 300-bushel yield of corn. Though only 16, young Lamar Ratliff has himself been trying for this yield since 1950. Last fall, he harvested an officially-recorded 304.38 bushels of corn from a measured acre, to become the first corn grower ever to reach this long-sought, history-making goal.

the animals. And if there are some disagreements as to the reasons behind the show, or anything else in conjunction with it, let's get 'em solved — and give the show a little more overall support.

MORTONITE could be located in a storm cellar Sunday night as a sudden booger of a sandstorm swept in from the north and had no more than got started then the long, low wailing of the fire siren was heard. Many thought it must mean tornado warning and fled to a storm cellar while the firemen rushed to put out a trashbarrel blaze that had tipped over into a fence. Oh, well, there's nothing like being prepared.

MISTAKES, we made a rather bad one last week. We looked at the calendar wrong and gave the wrong date for the boys who want to play ball, from minor leagues to Legion ball, to sign up. That's tonight, (Thursday) April 12th, at

our sincerest SYMPATHIES TO Mike Miller, who certainly took a rooking at a track meet at Denver City last weekend, according to almost all who saw it. We don't know what to say Mike. Certainly everyone can make an honest mistake once, but when the same mistake repeats itself on the sports field, it would seem that someone sure did a lousy job. To carry a long winded essay on what transpired in the paper would do little good. The in-

cident is over, and past repairing. We remember a football game between Morton and Littlefield once, that the officials bullheadedly denied protests on what they well knew to be their mistake, until the game was over. Then, after all was lost, they apologized.

THE SAME TYPE of inexcusable second error has occurred in our own courthouse here, where a second conviction in the past year has been set aside because of a technical, clerical error in typing up a charge. And, that, no more,

but every bit as important as the mistake in your case, was overlooked for. But, with the same kind of foolishness occurring all over the state, it just emphasizes something we've wondered a long time. Why doesn't the Bar Association, if they want the legal profession to be an honorable one, clean it up. Practically every man in the legislature is a lawyer. They could get to the bottom of these "accidental" or corrupt practices if they wanted to. Could it be, they care not for the mockery of the situation, as long as the money rolls in.

Why I Left The Baptist Church

All of my family were members of the Baptist Church and several of my ancestors were Baptist preachers. I attended the Baptist Church from infancy. When about nine years of age, while attending a Baptist meeting near Huntington, Texas, I went forward for the purpose of joining the Baptist Church. Upon confessing that "God, for Christ's sake, had pardoned my sins" and being accepted by a majority vote of the congregation, about one week later, I was baptized into the Baptist church. I continued to attend the Baptist church and was very active in every phase of its work. I was, at one time, president of the B-Y-P-U. and served as a delegate to various conferences of the Baptist Association on numerous occasions. When a Junior in High School, during a summer revival being conducted by O. P. Meadows, near Zavalla, Texas, I "surrendered to preach." I preached at the home congregation and a few other places at various times during my remaining time in high school and upon graduation from high school entered Jacksonville Baptist College, at Jacksonville, Texas.

It was while attending college there, that I began to see some of the inconsistencies in "Baptist Doctrine." An aunt of mine had heard the gospel, obeyed it and was a member of the "church of Christ." She began to talk with me and asked questions that I could not answer, while at the same time she could easily show me where the Bible taught differently to what I believed and taught. I finally turned away from the Baptist church and religion in utter disgust, and for the next few years I lived a vile and sinful life.

In 1938 I rented a room in Lufkin, Texas from a lady who was a member of the "church of Christ." She became interested in my soul's salvation and started discussing the Bible with me. For several months we were constantly discussing the Bible at every convenient opportunity. Finally, I started going with a girl who was a member of the "church of Christ" and due to her faithfulness to the word, if I went with her, I must attend church with her. In January of 1939 I was baptized into Christ upon a confession of my faith in Christ as God's Son, and the Lord led me to His Church. I later married the girl who helped to teach me the truth and began preaching the gospel of Christ in 1946. The following reasons explain why I finally, completely, gave up the Baptist church and its doctrine.

EVERY NEWSPAPER makes a lot of mistakes, that we never do try to deny, but when a newspaper as a mistake and someone else gets the blame, that's a rather uneasy feeling. We make enough of our own mistakes, not to have the stories we call in to the Avalanche Journal garbled up. But, nevertheless, that's what happened on weekend.

OVER AT THE A.J. get "on our back" every once in awhile for not letting them know what's coming on. And, we do get too busy sometimes to comply. But last weekend, we thought we'd play good samaritan and call in the results of the Fat Stock show and the election. After giving them a detailed account of the stock show, including the winners, the purchasers of the animals, a guess at the crowd, a total on money in each division, & a few other things, we proceeded to give them a rundown on the election that evening, being careful to note who the present board members were, that Mr. Hoffman had asked people not to vote for him, repeating the names of the three elected and giving the entire vote, and adding the vote on the Pet One County Board member & calling their attention to the fact that they could get the Whiteface returns and the Pet. Two returns at the same time by calling Whiteface.

so what happens . . .
THEY GOT the trustee election totals mixed up, left one of the elected trustees completely out of the story and took the man with the next highest number of votes and named him as a trustee, forgot about the Pet. One vote & then said Raymond Hoffman failed in a bid to get re-elected. Oh, well. Here's hoping we get the story right in our own paper, anyway. we'll wager . . .

AFTER THAT SESSION Monday night, Roy Brown knew he had been elected to something. We'll wager all the new boys suddenly realized a whole lot about the problems that lie ahead of our local school. After tonight's called meeting, they may be wishing folks hadn't been so generous with the votes.

about the . . .
FAT STOCK SHOW, it was another good one, as far as overall prices were concerned. Local buyers who attended bought a lot of animals at high premium prices. In both the Hog and Sheep sales, the purchase price was way over the market. Yet still, if there had been more of the local businesses represented, there wouldn't have been so much load on those who did show up.

now we know . . .
THERE ARE LOTS of merchant and businessmen who couldn't afford to buy animals. But a lot of others could have afforded it. In many of these instances it may be a disagreement with the way the show is run, that causes some not to come out. Or it may be some petty peeve. We don't know. We do wish more of the local folks would volunteer to help plan the show & more would go out and help buy

WHAT MAKES "THE ROCKET" ROCKET?

Here's why the engine that started the high-compression era still tops the field today!

THE ROCKET BROUGHT HIGH-COMPRESSION performance to motoring . . . set the standards . . . broke the records.

Today it's the same. With a high in compression of 9.25 to 1 and a displacement of 324 cubic inches, the Rocket packs a potent new wallop.

THERE'S AN EFFORTLESS SMOOTHNESS that tells you this one is a masterpiece of balance and precision. What's more, this power plant's big-bore, short-stroke design means shorter piston travel for less friction, wear and longer life.

You'll rarely use the full 230¹/₂ horsepower under the hood. But you'll go for the Rocket's high torque—the force that makes the wheels go 'round. Even at medium speeds, your toe can call a hefty 340 pound-feet of torque into play—to move you away from a light or pass by any emergency. Add Jetaway Hydra-Matic* and you meet Rocket action at its smoothest.

VISIT OUR SHOWROOM TODAY! We invite you to "Rate the Rocket" on the road. You'll get out of the ordinary . . . into an Olds!

120 h.p. and 330 lb.-ft. of torque in Super 88 and Ninety-Eight models. *Standard on Series Ninety-Eight; optional at extra cost on all other series.

We invite you to try GMC's great new RSD* ride

-makes roughest roads boulevard-smooth

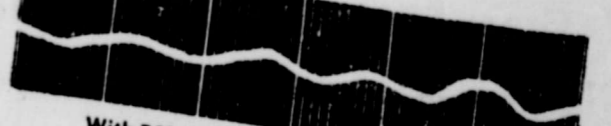

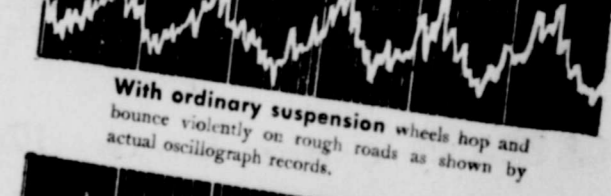

IT'S A FACT—the new 1956 GMC pickups with exclusive Road Shock Damper Suspension give you a ride comparable to the finest passenger cars in smoothness.

Gone are jolting jounces, front-wheel slither, steering-wheel jitters. GMC's amazing RSD ride makes the roughest road boulevard-smooth—eliminates even the drumming from expansion joints on superhighways. No longer need you slow down for rough going. Wheel-hop is ended. Travel is safer—steering easier—driver fatigue greatly reduced. And fragile loads are protected from breakage.

Only an actual ride can show you what a sensational improvement RSD Suspension is. We invite you to try it—over the roughest road you know. Come in today for a demonstration.

*RSD Suspension is standard on the Suburban—optional at slight extra cost on other 4-door models.
Only pickups with these Blue Chip Features • New 180-h.p. V8 and 150-h.p. six engines with the largest displacement in the industry • New optional fast-cruising axle ratio and Safety Power Steering • New Kudu Stabilizer • Tubeless tires and 12-volt electrical system are standard equipment.

PLAINS COTTON GROWERS DISCUSS APPOINTMENT OF EXEC. SECRETARY

Directors of the Plains Cotton Growers, Inc., in their April meeting Friday afternoon in the Lubbock Hotel, heard representatives report on organizational activities of the past month.

W. O. Fortenberry, president, said the approximately 35 directors, the charter for Plains Cotton Growers, Inc., had been received. Directors then passed by-laws for the organization and also heard special reports of members who were sent to Washington, D.C. and Memphis on group business.

Ben Depson, of Dawson County, and Roy Davis of Lubbock, reported on a meeting of the National Cotton Producers held recently in Memphis.

Directors voted to investigate possibilities of the PCG becoming a member of the National Cotton Producers, an organization of farmers and cotton men from nine southern states.

Other special reports were from Paul Lewis, Lamb Co., Fortenberry and Wilmer Smith, Lynn County who were in Washington recently for cotton interests of PCG.

M. A. (Rip) Elms Jr., secretary-treasurer, made a financial report to directors and the group discussed the hiring of a permanent secretary or executive director. No action was taken.

A detailed discussion was held on plans of Missouri, Littlefield, Brownfield and Lamm to observe National Cotton Week, May 14-19. Copies of the activities and objectives of the PCG were distributed and are available to others.

To Attend Church

Morton Jaycees, their wives & children will attend the services at the church of Christ, Sunday morning in a group. It will be the second of their series of five group attendances at different churches of the community.

Last Sunday, 13 Jaycees, 11 wives and several children attended services at the Missionary Baptist Church.

Vegetable Ass'n. Will Organize In Lubbock Meeting

LUBBOCK (Spl.) — Vegetable growers throughout West Texas are invited to an open meeting of the newly formed West Texas Vegetable Growers Council, today (Thursday) April 12th, in the Aggie Memorial Auditorium at Texas Technological college.

The half day session will begin at 2:30 p.m. said Prof. George Elle in charge of arrangements.

Purpose of the meeting is to set up and approve a districting plan and to elect representatives from each district. The men elected will make up the executive committee, from which permanent officers of the group will be chosen.

The movement, started rolling in a February meeting, the work of Ronald Davis, farmer, of Lazbuddy and temporary chairman, has met with cool reception in Cochran County to Plainview to hear the original plans and most of them expressed the opinion that the gamble was too big for them to take. J. W. McDermott, originally named the Cochran representative to the organization, was among this group. He will be unable to make today's meeting and would like other farmers to represent the county.

The organization has been given a definite thought that the successful raising and marketing of vegetables on the Plains is possible but first will require an exhaustive survey of all facts. This survey is in the process of being made now.

DON WALKERS ANNOUNCE BIRTH OF DAUGHTER

Born to Mr. and Mrs. Don Walker of Levelland, on April 4th, a baby girl, named Debra Jean. The infant weighed 7 lb. and 7 oz. and was delivered at the Phillips-Dupree Hospital in Levelland.

The paternal grandparents are Mr. and Mrs. C. D. Walker of Morton and the maternal grandparents are Mr. and Mrs. B. R. Stovall of Morton.

Mrs. Don Walker is the former Barbara Stovall. Barbara and Don are moving back to Morton this week to farm with his father.

Jaycee Meeting

The Morton Jaycees had a full program of discussion but acted on only two matters at their luncheon meeting Monday.

They set up plans for attending the Church of Christ Sunday in a group and discussed the Cemetery Association; state Jaycee policies; the state convention; two area installations; and other matters.

S. M. Monroe and Dexter Nebhut agreed to serve with Eddie Ir-

win on the nomination's committee for officers for the coming year.

The club also voted to, if acceptable to the Lions' club, pay part of the cost of licensing the bus used by the Scouts for their camping trips.

One guest, David Payne, was on hand.

Talent Winners Are Announced At Whiteface

WHITEFACE — Winners of the Talent Show held in the Whiteface High School auditorium last Thursday night have been announced as follows: Harry Throckmorton, Sundown, 1st; Jimmy Peters, Whiteface, 2nd; Sandra and Patricia Poyall, Whiteface, 3rd.

The show, featuring the "Serenaders", was sponsored by the 8th grade and netted \$296.45 which is to be used in financing the annual 8th grade trip to Ruidoso, according to R. E. Bradley, junior high principal.

New Officers Set

The Morton Jayceettes met in the Roy Tarver home Tuesday night and held their annual election of officers.

Following a business meeting in which it was decided to donate \$20 to the Cemetery Fund and to sponsor a group of Bluebirds, the following officers were elected:

President, Mrs. Fred Payne; Vice President, Mrs. Eddie Irwin; Secretary, Mrs. Roy Tarver, Jr.; State Director, Mrs. Dexter Nebhut and reporter, Mrs. Buddy Han-

Win Points for WHS

WHITEFACE — The Whiteface Jr. High placed four men qualified in five positions in the District Track meet held in Lubbock Friday.

Wayland McClelland was fourth in the 50-yard-dash; Raymond Garcia was fourth in the broad jump; Don Rhodes tied for second in the high jump and Bob Garrett brought the only first place, capturing the chinning championship. In addition the Whiteface 440-yard-relay team was fourth.
