NUMBER SIX

## REVIVAL TO OPEN AT FIRST BAPTIST SUNDAY, APR. 12

Revival services, in cooperation with a world-wide evangelistic effort on the part of all Southern Baptist Churches, have been scheduled for the First Baptist Church, Morton for the week of April 12-19, it was announced this week.

Southern Baptist are joining with other Baptist groups over the world in this year of evangelism. Churches throughout the United States and abroad are engaging in "an all-out evangelistic effort."

Two scheduled dates were set for simultaneous revivals in Texas. Morton's date fell on April 12-25. Most other Baptist Churches in the area will be engaged in the effort.

The local revival will be conducted by the pastor, the Rev. Harold Walker, who will do the preaching. Harold Drennan, church song leader, will direct the music.

Evening services only have been scheduled for 7:30 o'clock each night. The membership will be asked to pray in their homes before attending revival services instead of having prayer services as usual.

During the week of April 5 a series of cottage prayer meetings have been scheduled for Monday and Friday nights. Intensive visitation will be conducted on Tuesday and Thursday nights of that week according to the pastor, Rev. Walker.

Attendance goals have been set for both the Sunday School and Training Union during the revival. The public is cordially invited to attend all services.

The following schedule for Prayer groups has been announced: Monday, April 6, at the H. B. Barker home, Perk Carrier, leader; at the Charles Jones home, (young people), Wayne Porter as leader; at the L. C. Wenken home, Vincent Logan leader; at the J. O. Gathright home, H. G. Polan leader; at the J. C. O'Brien home, J. C. O'Brien leader; at the W. A. Woods home, Bro. A. R. Coleman leader; at the Wayne Mitchell home, Wayne Mitchell as leader and at the A. R. Lindsey home with A. R. Lindsey, leader.

On Friday, April 10, at the O. R. Huckabee home, Wanda Logan as leader; at the Vernon Blackley home, Bro. Coleman as leader; at the Dub Henry home, Dub Henry as leader; at the Weldon Newsom home, Weldon Newsom as leader; at the Jerry Winder home; at the Rufford Drennan home; at the S. A. Ramsey home, S. A. Ramsey as leader; at the David Rozell home, David Rozell, leader; and at the Bill Crane home (young people), Dixie Lovelace, leader.

## Bledsoe Girl To Represent Cochran County Saturday In Regional Spelling "Bee" To Be Held at Lubbock

For the third time in four years, a Bledsoe student will represent Cochran County in the Regional Spelling "Bee" at Lubbock next Saturday.

Twila Bihrey won the county honors a week ago, Saturday, March 21, in the County Activities Building when she spelled down a trio of Morton and Whiteface students and two of her own school mates.

Twila is the daughter of Mr. and Mrs. Wilson Bihrey of Bledsoe. Saturday's event will be held in the O. L. Slaton Junior High auditorium beginning at 1:30 p.m. and will be broadcast over Radio Station KFYO.

The victory speaks well for the southwestern Cochran County school in the field of teaching spelling. The only time their hold on the title has relaxed was last year when a Morton student triumphed.

Every other year, since the inception of the event, Bledsoe has come out in the winners' circle.

As usual, the county judge was the man in charge of the event, sponsored area-wide by the Lubbock Avalanche - Journal.

Rev. Houston Walker of Morton pronounced the words and representatives of the three schools, Bledsoe, Morton, and Whiteface served as judges for event.

Also a district finalist is Virgil Thomas, son of Mr. and Mrs. T. A. Thomas of Star Route, Maple, a Three Way student who won the county "bee" at Muleshoe two weeks ago.

Thomas' victory kept in tact a string of four years in which the Bailey County crown has been won by either a Three Way or a Bala student.

## Nephew's Wife Killed as Twister Destroys Auto

A tornado that skipped through Bynum either late Tuesday or early Wednesday, claimed the life of the wife of a nephew of H. S. Hawkins of Morton.

Mrs. C. B. Bruner of Waco is believed to have died instantly when the tornado picked up the car in which she and her husband, Dr. C. B. Bruner, and their two children were riding, and dashed it to pieces.

Only scattered reports were available here late Wednesday. The Hawkins first learned of the tragedy when they read the name in the Lubbock Evening Journal, Wednesday. Soon after they were contacted by Dr. Bruner's brother.

Mrs. Bruner was killed, her 2-year-old daughter, Julie, was badly bruised and was believed to have a broken arm; a nine-month-old son, Bryan, was uninjured. Dr. Bruner was also seriously injured and it was thought he might have to undergo amputation of a leg.

The news article placed one twister near Bynum at 9:55 pm Tuesday. But the Hawkins couldn't understand why they were so long in being notified, and thought it might have been another twister which hit Wednesday that killed Mrs. Bruner.

## Trustee Elections Come Up Saturday

With absentee voting concluded on Wednesday of this week, the area is looking forward with interest to school trustee elections Saturday over the area.

Considerable interest has been indicated in elections in the three independent school district in Cochran County.

At Bledsoe eight names are on the ballot for voting at the Bledsoe school house. The names are Buford Webb, W. C. Millsap, James Gusscock, Ross Reaves, B. E. Sutton, M. W. Ellington Jr., C. O. Bryant, and C. B. Evans. Evans and Bryant are incumbents and three posts will be filled.

Five names are on the Morton ballot for three positions open, but only one incumbent is running. Pegues Houston is the incumbent. Others are T. A. McCulliston, A. M. (Van) Greene, Jesse Clayton, and James Masten.

At Whiteface six men are candidates for the trio of positions: Lou Rork, E. C. White Jr., Wade Taylor, all incumbents, and A. J. Norris Jr., George Martin, and L. E. McDonald.

In the County School trustee races only one name appears on each ballot. Ralph Burt is the only candidate for trustee at large; U. F. Willis is unopposed in Pet. Four, and Loyd Brown has no opposition in Pet. Three. All are incumbents.

Voting at Whiteface and at Morton will be at the school houses. Voting opens at 8 am and the polls close at 7 pm.

## Bill Goodman, Buried Tuesday Former Resident

Funeral services were held at the First Baptist Church in Morton, Tuesday, at 3:00 p.m., for 31 year old Bill Mack Goodman, Hobbs, son of Mr. and Mrs. Horace Goodman of Morton, and former Morton resident.

Mr Goodman dropped dead at his home in Hobbs, Monday. He had undergone treatment for ulcers recently.

Rev. A. R. Coleman conducted the services assisted by Rev. Houston Walker, pastor of the First Baptist Church here. Graveside Masonic rites were conducted at the Morton Memorial Cemetery, and burial was under the direction of Singleton Funeral Home of Morton.

Mr. Goodman, who had been a resident of Hobbs for about two years, was a salesman for Star Tools. He was born Nov. 19, 1927, and on Dec. 4, 1948, married the former Miss Ruby Hudson of this city. He had attended Morton schools previously.

Survivors, in addition to the wife, and parents, include two daughters Vicki Lynn and Becky Ann, 7 and 3 years old, respectively, of the home; his grandparents, Mr. and Mrs. L. L. Goodman of Omaha, Texas and Mr. and Mrs. J. W. Smith of DeKalb, Tex.; two sisters, Mrs. J. D. Lusby of Lamesa and Mrs. Melvin Cooper of Pep. N. Mex.; and a brother, Jim Goodman of Marble Falls, Tex.

pallbearers were Q. Petree, Leonard Davis, Mack Fred and Hugh Hansen, all of Morton and Jimmy Denmore and Gene Green, both of Hobbs. Honorary pallbearers include Troy Hanon, Charles Taylor, Bill Burkett and Leon Patterson.

## City Water Storage Tank Undergoes Scouring and Re-Painting Ordeal

If that water you drew for a bath last night, or the stuff that came out of the faucet this morning when you made that first pot of coffee was a mite muddy. . . . Maurice Lewallen, city water Superintendent asks your kind indulgence.

It just couldn't be helped. Lewallen explains it this way: The city has employed a trio of steeplejacks to clean and repaint the main water tank, the one that supplies the water you get from your tap.

While this two or three day job is being undertaken (it started Wednesday afternoon) naturally there'll be no water in the big tank. Consequently, the city will be sending its water to your homes direct from the pump that coaxes the water from the ground here. This type of supply for a city full of people is just a little more difficult than drawing the water from a tank equipped with automatic shut off and starting valves that keep the water supply in the tank at a good level.

Lewallen says the water supply will more than likely cut off completely for a second or two, and also, mo'n likely a little dirt may get through. But it'll only be for a short time. He hopes in two days, and probably for sure in three days, things'll be back to normal.

Your indulgence, your patience, and incidentally, your cooperation in not using any more water than you need, would be greatly appreciated.

## STUDY CLUB TO SELL PIE AND COFFEE ON DOLLAR DAY

Dollar Day shoppers will have plenty of opportunity to ignore diets in Morton.

For one thing, the Town and Country Study Club has announced a bake sale for Dollar Day, Apr. 6, beginning about 9 a.m. in the building formerly occupied by the Morton Pastry Shop on the north side of the square.

Members of the club will offer cakes and pies for sale, and will serve individual slices with coffee; if you've time to stop and chat with a neighbor.

Proceeds from the sale will be employed by the club toward their scholarship award.

Mrs. Keith Kennedy, president of the club, extends area residents a cordial invitation to shop the sale.

## Three Way Baptist Revival to Open Week from Sunday

REV. FRED THOMAS

The Three Way Baptist Church of Maple, Texas announces it's Spring Revival Services, beginning April 12 and continuing through April 19.

Rev. Fred Thomas, pastor of the Jackson Avenue Baptist Church in Lovington, N. M., will be the evangelist and Roland Nitcher, minister of music at the First Baptist Church in Tahoka will conduct the song services.

Morning services will be at 10:30 each weekday and evening services will be at 7:45. Sunday services will remain the same with Sunday school at 10:00 a.m.; morning worship service at 11:00 a.m.; and the evening worship service at 7:30.

Everyone is invited to attend according to Byron D. Hargrove, pastor.

## 3-Day Revival Set for Enochs Baptist Church

A three-day revival meeting has been announced for the Enochs Church of Christ Friday, Saturday, and Sunday, April 3, 4, and 5.

Minister Alva Johnson of Turkey will preach. Minister Johnson conducted a meeting at the church a number of years ago.

Services will be held nightly at 7:30 o'clock and Sunday morning at 10:30 a.m. with the Sunday evening service at 7 o'clock.

Leon Kessler will lead the song services. The public is cordially invited to attend.

## Stampmobile Unit Coming Saturday

The S&H Green Stamp mobile redemption unit will be at Piggy Wiggly, Morton, it was announced this week.

Orville Tilger, owner - manager, said he only learned Wednesday the unit was on the way.

Area residents know that they may carry their filled S&H books to the unit, select the merchandise of their choice, and it will be shipped to them at no additional charge.

The mobile unit, which the company now has more of, originated in this part of the nation.

## Myrlan Cox Named Student of the Year By 7th Dist. Federated Women's Clubs

A 16-year-old Morton High School senior, Miss Myrlan Cox, daughter of Mr. and Mrs. W. B. (Willard) Cox of Morton, has been notified by the Seventh District Federation of Women's Clubs that she has been selected as the student of the year for the district.

Miss Cox, who won't be 17 until August 25, was proposed for the honor by the Federated Clubs of Morton. Her name was submitted, together with a list of her qualifications, to a selection committee headed by Mrs. Forrest Weimhold of Levelland. Mrs. Weimhold reported that it was "very close judging" among a group of fine candidates.

Miss Cox will be honored tonight, along with other district winners, the teacher of the year, the club woman of the year, the family of the year, etc., at a banquet at Berger. The banquet is in honor of club presidents of the seventh district. Awards will be made at that time.

Her scholastic standing, her citizenship, and her tremendous list of activities in church, in school, and in the community were the determining factors in the selection of Mrs. Cox.

Some of her long list of honors and activities include being a cheer leader two years, pep squad officer two years, having held three offices in the choir, three years in the band, football queen attendant, War Whoop staff, annual staff, class officer two years, and many more.

Outside of school she has held four offices in the Rainbow for Girls, including having served as worthy advisor and worthy associate advisor, she has held two offices in the Horizon club (Campfire group) including the office of president of the Flame Horizons, and she has worked the past four years on such community drives as the March of Dimes, CROP, Cancer Crusade, and TB.

Miss Cox modeled girls fashions for Field and Stream coats, and has attended modeling school. In addition to her high school work she is enrolled in a night class at South Plains Junior College.

In the First Methodist Church here she has been vice-president of her Sunday School class, a member of the MYF group, director of singing at the evening services as well as a member of the choir, and has been a substitute Sunday School class teacher.

One of the highlights of her high school work has been an appearance before the Texas Legislature to sing as a member of the Morton Choir and recognition as a member of the all-district and all-state choirs.

MISS MYRLAN COX

## Wardroup Rites Held Tuesday At 3:00 O'clock

Final rites were held at 3:00 p.m. Tuesday at the Church of Christ at Second and Taylor in Morton, for Mrs. Ruby Wardroup, 76, Lubbock, former Morton resident.

Minister Denton Thompson conducted the rites for the one time, long time Morton resident and burial was in the Morton Memorial Cemetery.

Mrs. Wardroup, who died after a brief illness, in Lubbock Osteopathic Hospital at 4:45 p.m. Sunday, had lived in Lubbock for the past several years.

Survivors include three daughters, Mrs. Tom Arnn, Phoenix, Ariz.; Mrs. Virgie Simmons, Lubbock; and Mrs. Lester Moe, Sioux Falls, S. D.; two sons, Maynard of Denver, Colo.; and B. W. of Lorenzo; seven grandchildren and 8 great - grandchildren.

## Revival to Open At Maple Baptist

A Revival meeting will begin on April 5 and continue through April 12, at the Baptist Church of Maple, Texas.

Rev. Cone Morrill, pastor of the Progress Baptist Church will do the preaching and Chester Petree will serve as song leader accompanied by Mrs. Donnie Carpenter at the piano.

Services will be held twice daily, at 10 a.m. and at 7:30 p.m. Everyone is invited to attend.

## Red Cross Fund Drive Lags Near Half-Way Mark; Was to End Today

The Cochran County Chapter of the American Red Cross had hoped to end their annual fund drive today, but members of the drive group said early Monday, it didn't look like they would reach their goal by Thursday.

Carl Ray, Drive Chairman, in praising the work of some of the drive workers, said only about half of the goal of \$1,156 had been reached by Monday.

He urged all potential donors who have not been contacted to mail or bring their contribution to Zeke Sanders, at the Post Office. Sanders is treasurer of the group.

Joe Niewarner is County Chapter Chairman and presided at the Drive Meeting which was held two weeks ago this morning at the East Side Cafe.

The drive chairman, Mr. Ray, said several of the drive captains

had not reported in yet and he was in hopes the total would be close to the drive goal when all tabulated.

## Mike Walden Buys Hoffman Welding

Mike Walden, a resident here since 1921, announced this week the purchase of Hoffman's Welding Shop on North Main, Morton, Texas.

In making the announcement, Walden said he would continue to offer area residents the best in welding and repairs.

The name of the plant will be changed to Morton Welding and Repair.

Hoffman sold the plant on the advice of his physician, and plans to move to his farm as quickly as possible.

He cordially invites his customers to continue to look to the shop for their welding and repair needs.

Walden has been associated with the shop as manager and repairman since 1946. Prior to that he was with the U. S. Army for three years, serving in World War II.

He and Mrs. Walden have two daughters, Patsy Ann, and Reva Carol. They are members of the Church of Christ.

His mother, Mrs. Sallie Walden, resides here in Morton.

Walden invites area folks to bring their welding needs to his shop.

## Elmo Smith Re-elected President of Morton Camp Fire Council and Ass'n.

Elmo Smith was recently re-elected president of the Morton Camp Fire Council at a meeting of representatives of the local Camp Fire Council and Association.

Other officers re-elected include James St. Clair, vice - president; Mrs. Ira Brown, secretary.

Mrs. Truman Doss was elected treasurer. Out-going treasurer is Mrs. Joe Gipson.

Other officers of the board elected were Lloyd Miller, camping chairman; Mrs. Willard Henry, ch-

airman of the group organizations; Mrs. Al Mullhax, adult membership chairman; Mrs. Gene Benham, program chairman; Mrs. M. C. Ledbetter, training program chairman; and M. C. Ledbetter, finance chairman.

Mrs. Ledbetter was also named to the position as chairman of the leaders' association. Mrs. Iva Williams was named vice-president of the association, and Miss Darlene Day, secretary.

AWARD WINNING FAMILY — Shown are the members of one of Morton's most popular families, the M. C. Ledbetter family, who have been chosen the "Family of the Year" in the Seventh District TFWC. They are, front row, Margaret and Zoellen Ledbetter. Rear, Charles, Mary, Mrs. J. A. Gowdy, Mrs. M. C. Ledbetter, M C Ledbetter, Betty Lou and Vivian.

## Missionary Baptist Revival Continues

"We're pushing for 200 persons in Sunday School Sunday morning and 100 in Baptist Training Service at 7 p.m. Sunday." Rev. Austin Steadman, pastor - evangelist of the First Missionary Baptist Church here, said this week.

Worship service, marking the close of the church's present revival meeting, will be held at 8 p.m. Sunday.

Rev. Steadman is conducting the meeting which began Easter Sunday and will continue through Sunday night.

Rev. Jack Bloxom of the Brister Baptist Church near Emerson, Ark is leading the song services.

Services are being held each morning at 10 o'clock and each evening at 8 o'clock.

Tonight, Thursday, is "pack the pews" night; Friday night will be "youth night," and Saturday night is "family night."

Rev. Steadman said he was very happy with the way the meeting was continuing.

The public is cordially invited to attend the services.

## MONDAY IS DOLLAR DAY

## M. C. Ledbetter Family Is Selected As 7th District "Federation Family for '59"

The M. C. Ledbetter family, who last year were named the District Methodist family of the year, have been accorded another honor as a family unit, this week, with the word that they have been named "Federation Family of 1959" by the Seventh District, Texas, Federated Women's Clubs.

Nominated for the honor by four local Study clubs, in a letter to the District Committee, March 17, the Ledbetters were selected by the committee and have been asked to attend the District Banquet at Berger, Thursday, tonight, April 2, honoring Club Presidents. At that banquet they will receive a certificate designating the honor and will be introduced to the group.

Winning family honors is nothing new to the Ledbetters. In 1958 the Brownfield District of the Northwest Texas Conference of the Methodist Church selected the Ledbetters as their family of the year.

In a letter sent to the chairman of the District Committee, Mrs. Alvin Crews, the activities of the Ledbetter family were described, revealing a group of nine persons, active in an almost unbelievable number of community organizations and projects. The letter was signed by the presidents and the secretaries of the four local Federated clubs.

Mrs. J. A. Gowdy, mother of Mrs. M. C. Ledbetter, who lives with her daughter and family in Morton, has been a Federated club member since 1903, holding offices in clubs at Jacksboro, Archer City, and Otton. Her two daughters and one grand-daughter are also Federated club women.

M. C. and Mary Lois are both highly active in organizations in Morton and their six children, Mary Lee, Vivian Ann, Betty Lou Charles Coleman, Margaret Lois and Zoellen Sue, are all in Morton schools and are all honor students.

The three organizations they have been most active in are the Methodist Church, the Boy Scouts and the Camp Fire Girls.

# SENATOR Yarborough's Report

Dear Friends:

This is my fourth Washington Report since you sent me to the House the first time in April 1955. There will be more this year.

**RESULTS ACHIEVED**

This is a brief report on achievements of the 85th Congress in 1957 and 1958. I worked hard for and passed laws to raise old age pensions an average of about 25 per cent per month in Texas and a law to provide \$6 more per person per month in medical care. If the Texas Legislature passes an enabling act, we raised social security payments by 7 percent and an amendment for a 10 percent increase in 1959, and retired federal employees and disabled veterans 10 percent. We raised postal and retail service workers pay 10 percent and military pay, under the Landrum Plan, much more. All this was to meet increased living costs under inflation.

400,000 for a reduction of personal income taxes by raising personal exemptions from \$500 to \$800 per year just in 1958. Exemptions are the soundest of all tax proposals.

400,000 for \$2,000,000 to rebuild Texas and ranches passed, and there today for that purpose.

I co-authored the National Education Act of 1958, the largest for teaching educational act since the Landrum College Act of 1952. It provides for loans for students, fellowships for graduate students, and institutes & conferences to step up our largest educational program.

I co-authored the Highway Act of 1958 to step up the building of Federal Highway to help com-

bat unemployment, and helped sponsor and pass the Airport and Housing Acts of 1958, both vetoed by the President.

And I was co-author of the Small Business Act of 1958, which helped the small businessman on a broad front, with tax adjustments, credit, and other aid, to help him stay in business against the rising tide of merger and monopoly.

These are not all the bills I authored, co-authored, or finally helped pass in 1957 and 1958. I will mention others in my next newsletter.

Without egotism or egoism, I have pride. I hope a pardonable pride in the results achieved for the people of Texas in less than 22 months as a United States Senator.

**WORK DONE IN 1958**

In the first 60 days of the new session of Congress, I co-authored a bill to help make it possible for a million Americans to live in better homes (Housing Act of 1959). I am co-sponsoring a bill to see that our elderly and other needy Americans who qualify for food relief get the minimum requirements for a balanced diet; I am working for passage of a bill which would help less prosperous towns of Texas by planning and building plants to attract new industry. I have testified before Senate Committees in behalf of educational, television and airport construction programs; I participated in major hearings with the National Reclamation Association, the Senate Committee on Interior Affairs, and with the other Western states Senators to help plan a unified water reclamation and development program; I have opposed the administration - Benson anti-farmer farm program and am wo-

orking for a farm program which will mean a fair share of the food dollar to our farmers; I introduced a bill to extend the G.I. Bill of Rights to our young men and women who serve during the cold war.

These were only the highlights of the first 60 days, enough to show you that we have made a strong start.

o o o

**CONGRESS SAVES MONEY**

One of the great concerns of the day is to secure fiscal stability; that is, to curb inflation and to have a sound financial policy. It has been a favorite device of a do-nothing administration, and some hostile newspapers which look only to the past, to try to put the "wild spender" tag on the Congress.

In considering the budget, I am looking not only to how many dollars are being spent, I am also weighing what the American taxpayer will get in return for his dollar. Wise governmental budgeting doesn't simply mean penny-pinching. Just like in the family budget, it means getting a dollar's worth for each dollar invested, and shopping for the bargains.

o o o

**LOSS OF THREE GOOD CITIZENS**

In the last few months, Claude Miller of Wichita Falls, Carl Brazil of McAllen, and Rod McLean of Naples, all close friends and advisors have passed away. Each one of them had fought with me in every fight for good government I had made in Texas. Each had been a leader in his area in my last five statewide campaigns. They were good citizens in the highest sense and our nation is poorer for their loss.

Claude Miller, age 82 at his death, was father-in-law of Federal Judge (and former Governor) James V. Allred. Mr. Miller, once a candidate for Congress in Oklahoma, was a pioneer in and had great influence for good government in Texas for more than a third of a century.

Rodney McLean of Naples, member of a pioneer Texas family of lawyers and leaders, was disabled in war, yet worked constantly for the people. He was elected by the people of Naples to serve as Justice of the Peace last November, but passed away the same month.

Carl Brazil of McAllen, Hidalgo County, fearlessly fought entrenched political machines year in and year out. He died virtually on the Field of Honor. The entire Lower Rio Grande Valley had benefited from his leadership.

### WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

A warning has been issued to small businessmen by the Federal Trade Commission against a loan racket.

The operation of this new hoax came some time ago in the attention of the field offices of the Small Business Administration and were reported in detail to George Burger, Washington vice president of the National Federation of Independent Business when he recently made a field trip to visit all the C. W. Harder SBA offices.

In operation, the scheme is somewhat as follows. Sharp operators ascertain in a given community which small businessmen are seeking a loan for operating capital, for expansion, or for some other purpose. For the hoax player's purposes, it is better if the businessman has so far been unsuccessful in securing a loan.

The gyp artist then makes it a point to inspect the business premises in such a way he is asked the purpose of his visit.

He then reveals that he is an inspector for a group of philanthropic organizations with ample money to loan and whose philosophy is that small business must be helped, and he is sure that a loan could be arranged for the business, usually naming a figure of about twice what the businessman is seeking.

Of course, there is a long and plausible explanation that a contract must be signed, and that this calls for a modest fee in advance in order to complete the formalities of getting the loan.

Usually, too late, and after nothing has happened on securing a loan, the victimized businessman finds that the contract he signed, states in very fine print, that the "con" man, in exchange for the advance fee in cash, has only agreed to recommend to legitimate lending agencies that the businessman is a fine fellow, has a nice business, and should get a loan.

Obviously nothing but a racket.

Small businessmen are advised to shy away from any advance fees for securing a loan.

As a matter of fact, it is recommended that small businessmen seeking a loan first try their bank. If they cannot get the aid needed from this source, they are advised to contact the nearest field office of the Small Business Administration.

This agency of the Federal government will try to work out any possible solution for the individual problem, either by making a direct loan with government funds, or sharing a loan with a private lending agency.

As a matter of fact, the SBA welcomes inquiries from small business firms on financing problems and is prepared to exhaustively study each case in an attempt to work out a solution.

In fact, in many cases, these studies have been so complete that they have revealed valid reasons for a loan that had previously been overlooked by a bank loan officer with the result the private bank has gone ahead and made the loan.

But the official warning is, "Don't pay anybody an advance fee to get a business loan."

**CITY - COUNTRY FIGHT - DEVELOPS**

As reported to you last week the city - country fight erupted on the floor of the House last Tuesday. The country boy coalition was successful in adopting H.J.R. 41 which as amended would limit the larger counties to a maximum of nine members in the House, but would give them an additional member for each additional four-hundred thousand population.

This Constitutional Amendment will, of course, have to be voted on by the people of the state. If it passes such a population vote then the rural areas will be more fully assured of representation more evenly spread over the entire state.

**TAX COMMITTEE SLAPS GOVERNOR**

The House Revenue and Tax Committee last week slapped the Governor's Tax program by killing his "eseheat" tax measure by a vote of ten to six. The Committee reported the bill unfavorable with the recommendation that it do not pass. Then in a surprise move the committee turned around and reconsidered its previous vote, voting to postpone the measure. This parliamentary strategy would keep this tax bill from getting to the floor of the House in a minority report.

This "eseheat" bill is the one which would transfer all dormant bank accounts and all dormant accounts with insurance and transmission companies into the State Treasury.

**APPROPRIATION BILL OUT OF COMMITTEE**

The House Appropriation Committee has read out the giant appropriation measure for the next biennium. This measure consisting of well over one-hundred pages now comes before the one-hundred fifty man House for debate. It will probably be a week or ten days before the bill is brought up for discussion. In the mean time much study will have to be given this spending bill.

Of course, the less money we spend in the appropriation bill the less taxes we will have to raise. Consequently, it seems to me that we should give equal weight to

cutting expenditures where possible before we start levying more taxes on the people of Texas. This is always a hard job but let's hope we can keep our tax bill as small as possible.

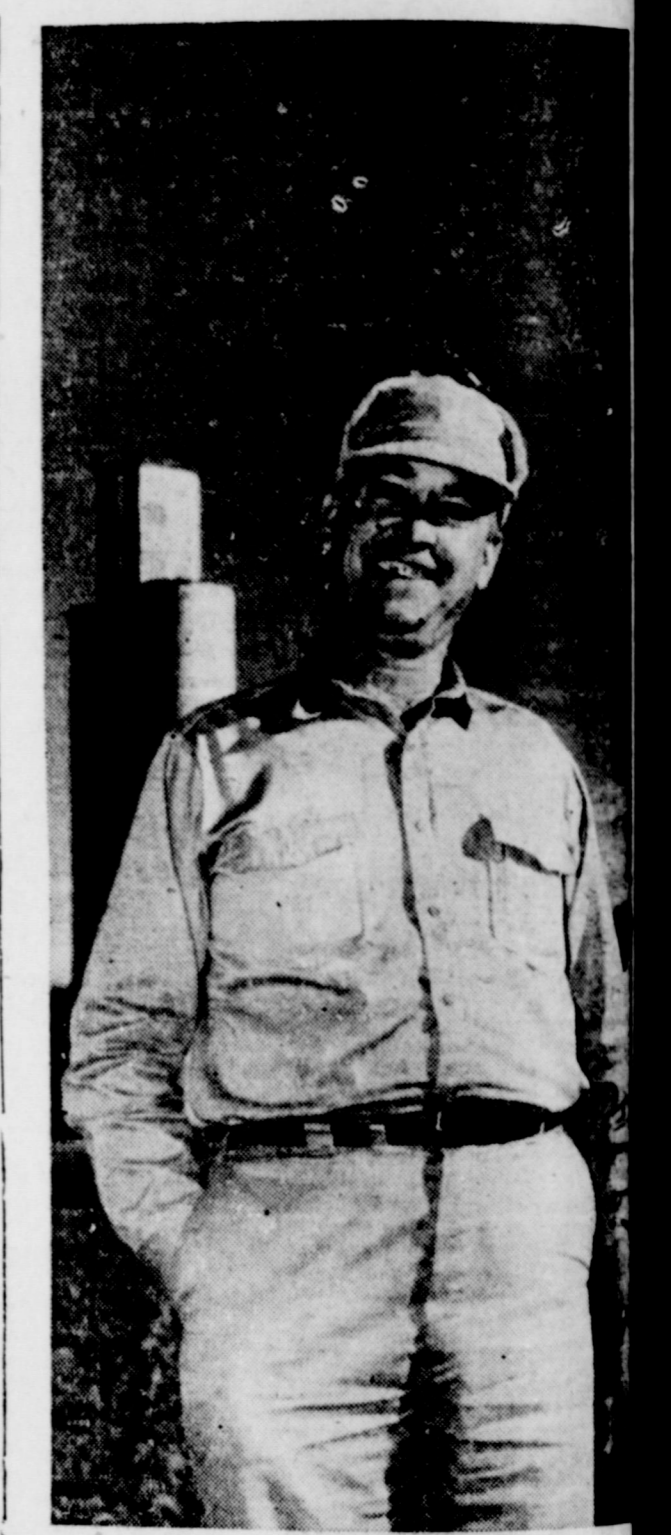

Sincerely,  
R. L. Bowers,  
State Representative  
District 88

South Plains, Tex., Man Reports -

## Maize Yields Increased 1800 Pounds Per Acre

Bryan Karr, who farms 600 acres near South Plains, says: "By side dressing my maize with 90 pounds of Phillips 66 Ammonia, I've increased my yields on an average of 1800 pounds of grain per acre. Year before last, the average would have been raised considerably, because I cut a 4050 pound crop after it was beat down by a high wind. I usually side dress my maize around July 1, when the plants are about 6 inches high."

Other successful Southwestern farmers have discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain or ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be applied pre-plant or as a side dressing. It can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

**WEEKLY NEWSPAPER REPRESENTATIVES, INC.**  
NEW YORK • CHICAGO • DETROIT

**This Week in AUSTIN**  
by Senator Preston Smith

Passing of the half-way mark in this 120-day regular session means no bill can be introduced without four-fifths vote of approval by the House.

This serves as a shut off valve to stem the flow of proposed legislation and prepares for orderly consideration of the many measures already studied by committees.

The half-way mark also means that the time is rapidly approaching for a showdown on the general appropriations bill, which cannot be certified by the comptroller unless he is satisfied sufficient money is available during the spending period to pay the bills.

Therefore, if the appropriations bill is to be backed up, the House must agree upon revenue measures and send them to the Senate.

Pending in the House are as one veteran observer phrased it, "enough revenue measures to float a battleship."

These are merely items of choice. Once a selection is made and sent to the Senate, the upper branch can unleash its own ideas a revenue, substituting them for the House version.

Until now, because the attention on taxes has been focused on the lower house, little speculation has been given to the Senate reaction on taxes.

During the first 60 days, the only legislation which has the greenlight for immediate consideration are the emergency measures submitted by the governor.

In this session, as in previous sessions, there is a basis for a casual approach to these emergency measures since they usually tie into appropriations. And the lower branch of the Legislature in many cases "plays the game with caution."

In any case, passing of the half-way mark means more actual decision-making is bound to get underway in the next two months.

The state's teachers have drawn the fire of several Legislators during this session for their "strenuous" support of proposed teacher laws.

Rep. H. J. "Doc" Blanchard has accused teachers of "lobbying

### Attempt Made to Unionize Lubbock Coop Oil Mill

A petition has been filed by the United Packinghouse Workers, CIO-AFL, with the National Labor Relations Board in Fort Worth for an informal meeting to be held on April 10. It was noted this week by Roy B. Davis, General Manager of the Plains Cooperative Oil Mill.

Davis, in turn, notified his directors and plant managers that he had been requested both orally and in writing to recognize the mentioned association as a bargaining agency for the mill.

Davis said he would present the matter to the Mill's Board at its next meeting, Wednesday, April 8.

### To Study Latest Chiropractic Ideas

Dr. L. J. Morrison, Morton chiropractor, is leaving April 2 for a two-week stay at the Spears Chiropractic Hospital, Denver, Colo.

Dr. Morrison said he will be back in his office Monday, April 20, according to his present plans. He is to study methods employed at Spears Hospital.

Mrs. Morrison will visit friends and relatives in San Antonio while he is in Colorado.

**VISITORS FROM MIDLAND**

Mr. and Mrs. Arlie Barnard and son of Midland were visitors in the city Monday. The Barnards are former residents here. He was associated with Cobb's here just prior to going to Midland as manager of the Cobb's store there.

### Dairy Foods Demonstrator Wins State 4-H Award

"Learn by doing" is the motto of one Carson and two Swisher County girls whose talent in showing how-to-do-it won 1958 state and national honors in the 4-H Dairy Foods Demonstration program conducted by the Cooperative Extension Service, Texas A. & M.

They are national winner Ellen Latta, 17, of Groom; and state winners Edith Herring and Carolyn Jones, both 18, of Tulla.

The Carnation Company presented each girl with a 19-jewel wrist watch. Miss Latta was also awarded a trip to the National 4-H Club Congress and the Carnation 400 college scholarship.

**Veteran Demonstrator**  
Miss Latta's demonstration, which placed her among the six national champions, was "Lemon Parfait Pie." But this Groom High School junior is a veteran of six years of demonstrating dairy foods. She has been Carson County winner three years for individual demonstrations and three years for team demonstrations.

She has been awarded the dairy foods pin three years, dairy achievement medals twice, and while still too young to compete in the district dairy foods demonstration competition, she won the Carnation pin for her records two times.

She is also the winner of county honors in food preparation, frozen foods, and junior leadership. In 1957, she was county winner of the bake show. She is a 4-H Gold Star.

**Swisher County Team**  
The Swisher County team of Herring and Jones were victors with their demonstration, "start the day the dairy foods way." It featured sour cream pancakes topped with cottage cheese and fruit syrup.

The two Tulla High School seniors were county and district winners in 1957 also with a team demonstration on mocha pudding, placing third in the state. Both girls are 4-H Gold Stars.

Miss Jones was named "Best All Around Girl" in the county in 1954, and Miss Herring was chosen "Most Outstanding 4-H Girl" in 1957.

### Mrs. Albert Morrow Is Federated Clubs' 'Clubwoman of the Year' in Morton

The local Federated clubs have chosen Mrs. Albert Morrow as the Outstanding Clubwoman of the City of Morton not only for her service to her own group, the 1936 Study Club, but from her generous contribution in an advisory capacity to the other more recently organized clubs.

It was during her tenure as the President of the 1936 Study Club that the L'Allegro Club was organized, the first junior club to be formed in Morton.

In addition to her local club work Mrs. Morrow has served ten years on the District Board of the 7th District of Texas Federation of Women's Clubs and is at present chairman of the Department of International Affairs of that District.

It was under her guidance as chairman of the International Affairs of the 1936 Study Club that the group received State recognition for its program in that field.

Mrs. Morrow has also done outstanding work in the Texas Fed-

MRS. ALBERT MORROW

eration of Garden Clubs; being responsible for the organization of the Cochran County Garden Club and serving as District President of the Garden Clubs.

An interest Mrs. Morrow has long shared with her husband is that of the American Legion and its Auxiliary. She has been local president, district president and state vice-president of the American Legion Auxiliary and served two summers as a councilor teaching government at Bluebonnet Girls State, a project of that organization.

Possessor of a bachelor's and a masters degree, Mrs. Morrow was for years an outstanding teacher in the Morton schools, teaching the very important subject of English and serving in many positions of responsibility in her professional organizations.

Having a keen interest in the political affairs of her city, state, and country, led Mrs. Morrow to serve for four years as a State Democratic Committeewoman from the 28th Senatorial District of Texas, a position she filled with honor to herself and to her district.

The 1936 Study Club, the Town and Country Study Club, the L'Allegro Study Club and the Young Mothers' Study Club are very proud to have such a distinguished personality to select as their "Outstanding Clubwoman" of Morton for 1959.

Mr. and Mrs. Morrow plan to be in Byrger for the District Banquet tonight.

### Gen'l Telephone in Labor Parlay

The bargaining committee of the General Telephone Company of the Southwest and the Communications Workers of America AFL - CIO District 6, met March 25 for the beginning of negotiations covering amendments and changes to the current labor agreement.

Members of the union committee are Albert S. Bowles of Dallas, chairman and H. H. Galyon of Denton, JoAnne Reed of Ralls, Robert W. Davis of Perryton and Dawayne E. White of Hominy, Oklahoma.

The committee representing the company is composed of F. A. Leinberger, chairman and L. O. Evanson, D. E. Van Ness, W. H. Thomson, G. T. Sims, Peggy Riggs and John R. Caldwell.

Certain of the union demands were discussed and the committees were to reconvene March 26.

### Volleyball Meet Netted Over \$100

The Morton Jaycees will net approximately \$100 from the Volleyball Tourney which closed last Saturday. Dave Beck, Club Treasurer, told the Morton Jaycees at their luncheon meeting Monday.

It was also announced that the national director of the Jaycees from this area will be the featured speaker at the Jaycee installation of officers for 1959, which date is to be set later this week by a two man committee appointed at the Monday meeting.

The committee, composed of Elwood Harris and James McClure will set the time, place, and type of installation program to be held.

### LEGAL NOTICE

**LEGAL NO. 170**  
NOTICE TO BIDDERS  
THE STATE OF TEXAS )

### Camp Dates Set For Camp Fire Organization

Camp date for Morton Camp Fire girls will be the week of June 22, it was announced here last week.

Eligible for the camp are Camp Fire Girls, Horizon Girls, and Blue Birds who will be in the fourth grade next year.

Approximate cost to each girl will be \$12.00. The camp will be at Scott Able at Cloudcroft, N. M.

Applications must be in by the time school is completed this term. Entry blanks will be available through leaders.

### TO UNDERGO SURGERY

Mrs. M. E. McCormick of Morton has surgery scheduled the first of next week in Lubbock.

### VISIT IN KANSAS AND OKLA.

Mr. and Mrs. Grover D. Edgar of Morton visited Thursday through Saturday in Oklahoma and Kansas. They reported running into snow in western Kansas, and as a result didn't continue on into Colorado as they had planned. They reported lots of moisture throughout western Kansas, pretty wheat, and pheasants thick along the highways — so thick, that autos had killed many.

### WEEKEND VISITORS

Mr. and Mrs. L. W. Mowry and son, Jeffrey, of Amarillo visited over the weekend in the homes of Arthur Cook and Cliff Davis. Mrs. Mowry teaches school in the public school at Amarillo. Mr. Mowry is a private teacher there.

### RENEW SUBSCRIPTION

Mr. and Mrs. Leroy (Pee Wee) Barnett in renewing their subscription to the Tribune, write "all doing well here, both working, but we miss Morton." The Barnetts are at home at 115 East Hastings, Amarillo.

**Lions to Sell 'Blind Caravan' Items Wednesday**  
 For the third consecutive year the Morton Lions Club will bring to Morton the Texas Blind Shops Caravan - next Wednesday, April 8

The caravan will be located on the courthouse lawn, as before and will feature top quality brooms, mops and other household items including ironing board covers and pads, door mats, etc. The items to be sold are all manufactured by Texas Blind Workmen in Blind Shops or Lighthouses as they are called, non profit organizations.

Neal H. Rose is chairman of the project and anyone needing extra good quality brooms larger than those generally sold in Morton, should contact a member of the club who will deliver the needed items next Wednesday.

Lions Club members will conduct a house to house canvass.

**New Hospital For Southwest Is Announced**  
 Designed as the nation's most modern combined diagnostic clinic and hospital, this \$10,000,000 building project has been announced by the board of the Scott and White Memorial Hospital of Temple, Texas. It will provide 279 beds and facilities for 50,000 clinic and hospital patients annually. An innovation for care of the critically ill will be a special observation unit on each hospital floor. A nursing station will be surrounded by a circle of 12 private rooms, where all patients will be under constant observation within a few steps of the nurses. This, it was said, will improve service for many of the critically ill.

Four hospital bed floors in the shape of a cross (A) and two clinic floors (B) rise above the first two floors and basement, which contain diagnostic and research laboratories, surgical and X-ray departments, rehabilitation therapies and other jointly used facilities. A Nurses Residence (C) will help meet the shortage of nurses in the Southwest by increasing student nurse enrollment from 50 to 85. The structure marked (D) is a future building for educational purposes.

The consulting architects, Elterbe and Company of St. Paul, Minnesota, designed the new Mayo Clinic and specialize in planning combined diagnostic clinic and hospital facilities. Architectural working plans will be prepared by Wyatt C. Hedrick of Fort Worth.

Jay A. Phillips, of Houston, Chairman of the Scott and White Board of Trustees, said that the target date for starting construction is June 1, 1960. "We already have upward of \$1,000,000 and are aiming at raising the balance over the next year and a half. As a non-profit institution Scott and White serves patients from all parts of the Southwest. This new center will be of tremendous benefit in providing people of moderate means throughout our region with a high quality of diagnosis and treatment at a reasonable cost"

**HD CLUB DINNER TO BE SERVED HERE, SUNDAY**  
 Cochran County Home Demonstration Clubs have announced sponsorship of a dinner Sunday, April 5, from noon until 2 p.m. in the Cochran County Activities Building, Morton.

The public is cordially invited to attend. Tickets will be \$1.25 for adults and 50c for children.

Proceeds from the dinner will go toward sending the county's HD council chairman and delegates to the HD district meeting April 16 in Plainview.

The menu will consist of ham, yams, green and red beans, tossed salad, rolls, home-made pies, coffee and tea.

Mrs. Lewis Walker of Lehman is chairman of the council. Delegates are Mrs. Edward Brownlow, Mrs. G. C. Keith, and Mrs. Leo Brooks.

**Poor Turnout at Babe Ruth League Meeting Monday**  
 Very little progress was reported in making plans for fielding two Babe Ruth league teams in Morton this year when only three men showed up for the meeting early this week.

No definite plans were made. Only tentative ideas were advanced and the trio planned to follow through to determine if there is any interest in a Babe Ruth League, and if any volunteer help is going to be available.

Another meeting will be called in the near future.

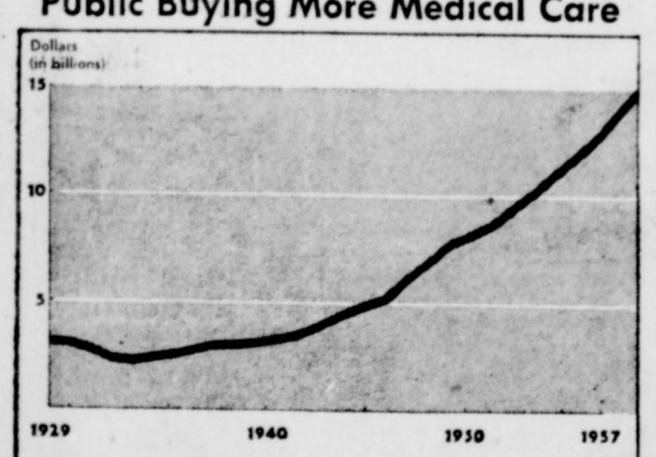

The league suffered another setback when a windstorm a week ago Friday levelled the Babe Ruth - Softball Park fence, the third time the fence has been blown down since original construction began about a year ago.

**Legion Citation For Teague**

Congressman Olin E. Teague of College Station, Texas, chairman of the House Committee on Veteran Affairs (at left) receiving framed citation from National Commander Preston J. Moore of The American Legion. The citation was adopted by the Chicago national convention of The American Legion last fall and lauded Teague for his efforts in behalf of more VA beds for disabled veterans. The presentation was made at the 1959 national rehabilitation banquets of The American Legion in Washington, D.C.

**Public Buying More Medical Care**

Spending for medical care is now a more important part of the average American family's budget than ever before, Health Information Foundation reports.

Last year, for instance, 5.3 per cent of the public's consumer-expenditure dollar went for hospital care, physicians' services, and other health items - a 40 per cent increase over the 1929 figure of 3.7 per cent.

As the chart shows, private spending for medical care is today at an all-time high. The total outlay last year (not counting government, philanthropic, and business expenditures) came to about \$15 billion, five times the total for 1929.

For this stepped-up outlay, the Foundation points out, Americans are receiving a greater quantity and variety of services, as well as vastly improved quality. From 1935 to 1956, for example, the average annual number of patient-days in general and special hospitals in the United States rose from 0.88 to 1.25. During that time the number of births in hospitals increased from just under 800,000 to about 3.8 million a year.

The use of physicians' services is also on the upswing. In 1928-31 an annual average of 2.6 out-of-hospital doctor visits was reported by white persons in this country, against a figure of 4.8 in 1957 for the entire population. In the same period the proportion of persons seeing a physician at least once a year climbed from 48 to 63 per cent.

"In the past," says the Foundation, "pain, disability, and serious illness could be faced at relatively little expense - simply because there was relatively little that could be done for a sick person. Now pain and disability can often be avoided and death greatly postponed - but at the cost of more visits to physicians, more admissions to hospitals, more use of drugs and other treatments."

Medical care, H.I.F. adds, "is now becoming a more important part of the American standard of living, while as an industry it is becoming a more important part of the American economy."

**CAR OF THE YEAR** - The 1959 Pontiac has been chosen as "Car of the Year" by Motor Trend magazine, whose editors described Pontiac with its wide track as being the "best combination of handling, ride, performance and styling of any 1959 car." Motor Trend Editor Walter A. Woron, left, presented the award to S. E. Knudsen, GM vice president and general manager of Pontiac Motor Division.

**Corner on Cotton**  
 BY BOB COLLINS

Don't lose cotton acreage by not planting it and not turning it in... if you are not going to plant all your choice "A" acreage, release it to your county committee for re-assignment... you'll get credit for the acreage just as if you planted it... if the acreage is planted by someone else, it can be considered in the history of the state and county... if it is not planted, it's lost... remember, you won't lose acreage history by turning it in, but everybody will lose if you don't... you can't turn in unplanted "B" acreage, however.

This is important to cotton and to you as a farmer, so don't let it happen... if you know of someone who isn't going to plant his allotment, talk with him... save your planting history... it could mean future money in your pocket if a bill is passed allowing you to sell or lease your allotment to someone else in your county or state.

**Cotton Week**  
 Cotton Week is slated for May 18-23... theme of the week is "It's Cotton Time U. S. A."... National Cotton Council sponsors the program and can supply retailers with just about any kind of help that will sell cotton.

**Texas Story**  
 We've heard about a Texas cottonman who has stopped his friends from wearing synthetic shirts... when they show up wearing the synthetic he just presents them with a wash and wear cotton shirt, tells them to try it and then wear the better shirt... says there's no problem thereafter.

**We Insist**  
 Despite what we recently said, some farmers seem to think they can choose "B" plan and later get permission to switch to "A" if they get a poor stand or don't plant all their acreage... they are going to be disappointed... the law does give the Secretary of Agriculture permission to allow a switch to "A"... but you can be certain he isn't going to permit changes unless you have conditions that will melt the heart of a wooden Indian.

**Veto**  
 People who know say President Eisenhower will veto any bill to make direct payments to farmer... can the veto be overridden???... if Congressional leaders feel it can, there'll be quite a fight in the not too distant future.

**MONDAY \$1 DOLLAR DAY - in MORTON**

**Bob Jamieson Is Lucky Winner of Free Prescriptions**

J. R. (Bob) Jamieson was the lucky name pulled from the box Tuesday at Morton Drug Store.

As a result, Jamieson will receive free all new prescriptions he has filled at the Morton Drug Store for the balance of 1959.

Charles Jones, druggist, has been placing the names of all persons having new prescriptions filled at the drug store in a box for the April 1 drawing.

And Jamieson, who is associated with the Cities Service plant south of here, turned up the winner.

**Modern Hot Rod Saga: Three - Year - Old's Version - One 'Gave 'er the Gas'; the other tried to 'Burn Rubber'**

Two air - conditioners came out to second best Tuesday afternoon when little Dennis Keith Auld got his folk's auto into gear and crashed over the curb in front of Ray's Hardware and Furniture on the westside of the square, Morton.

The father and son, Mr. and Mrs. George Auld of Morton, were "happy" no one was injured - and that they had liability insurance.

The father and son, Mr. and Mrs. George Auld of Morton, were "happy" no one was injured - and that they had liability insurance.

The father and son, Mr. and Mrs. George Auld of Morton, were "happy" no one was injured - and that they had liability insurance.

**Corner on Cotton**  
 BY BOB COLLINS

Let's talk straight about releasing an unplanted cotton allotment... you don't have to do it, but you should... every acre allotted for the purpose should be planted to cotton... you can release your unplanted allotment to the ASC committee without hurting your "history" and some other farmer will benefit... or you can just forget about it, and cotton as an industry will be struck another blow... one thing though: If you have released your allotment for the past two years, or if you don't plan to plant your allotment next year, it might be wise to retain a small part, say an acre... then there will be no possibility of missing out on your share of acres a couple of years from now... the date by which you can release your allotment varies with each section, but you can check with your ASC committee.

**Less Competition**  
 Looks like the low support price of U. S. cotton and the export subsidy that make U. S. cotton competitive are going to cut production in foreign countries... Mexico for certain... Egypt also... some foreign farmers are in financial trouble from last year's low-priced cotton.

**Supports**  
 Extra long staple will be supported at 65¢ of parity or 62¢ cents... cottonseed supported at \$8 per ton to produce... loan basis.

**Better Check**  
 Resale price of "A" cotton is 110% support price of "B" cotton... not 71.5% of parity... there's a difference... quite a difference in some grades and staples because of premiums and discounts.

### Union of Family In Observance of 37th Birthday for Mrs. J. Crow

The annual get together honor Mrs. J. E. Crow's birthday, held in the banquet room of the Activity Building, Easter Sunday, March 19th.

Mrs. Crow was "88 years young" and six persons were present to enjoy a wonderful time to eat and a delicious noon-time dinner.

Present for the occasion were: Mrs. Jack Hodnett and Mr. and Mrs. W. B. Hodnett, Mr. and Dalton; all of Three Rivers; Mr. and Mrs. Noel Crow, Mr. and Mrs. T. T. Smith, Mr. and Mrs. Short Lemmon, Mr. and Mrs. G. O. Cooper and Mr. and Mrs. G. W. Ashill; Mr. and Mrs. D. L. Smith and Mr. and Mrs. Harold Still.

#### VISITED HERE

Mr. & Mrs. L. D. Trantham, former residents, were in Morton early this week visiting with friends. He was manager of Cobb's Department Store here until recently and now has accepted a position as manager of a new department store under construction at Plainview. Trantham said Monday the new store should be completed and ready for opening around August 1.

#### VISITED MRS. NEUTZLER

A. J. Ellis of Ft. Worth and Mrs. Ester Brannen of Dallas visited Mrs. Louise Neutzler over the weekend. A. J. is her grandson and Mrs. Brannen is her sister.

### Track Team Runs At Crosbyton, Sat.

The Morton track team, looking better as a team with each meet, will enter the Crosbyton Relays on Saturday and in this event will get the first good look they've had at their district competition.

Running without Gary Willingham, one of their surest runners, who will be sidelined for a week or two with a cold, the Indian trackmen will still field a team with strong potentialities.

Pyburn and Houston are looking stronger in the 880 and Jeff Jones hit a 19 foot broad jump this week.

The meet will take place early on Saturday and should provide an interesting change of pace in competition for Morton since a lot of the teams Morton has been running against thus far this season will be competing in another meet where bigger competition is entered. Coach Means said he expects AA schools will be the highest classification at Crosbyton.

### Set Dates for Three Of Area Coop Gin Annual Meetings

The annual membership meetings of the area's cooperating gins "will probably all be held in the period of April 16 through April 25," but only three had been definitely set as far as the Tribune could learn this week.

The Morton Coop Gin will hold its meeting at the county barn on Thursday, April 16, according to J. R. Kuykendall, manager, who said he hadn't been able to contact all board members on the subject, but felt that would be the day.

The Maple Coop Gin will hold its gathering of memberships on Monday, April 20, at the Three Way school house, according to John Shepherd, manager.

The Star Route Coop Gin will hold its meeting in the County Activities building on Tuesday, April 21.

Spokesman theorized the other two cooperatives, at Enoch, would probably hold its meeting within the nine-day period.

#### ALLIANCE MEETS NEXT TUESDAY

The Ministers of the Morton and Cochran County area will meet next Tuesday morning, April 7th at 10 am. at the First Missionary Baptist Church of Morton.

Pastor of the host church, Rev. Austin Steadman, will conduct the devotional.

All ministers of Morton and this area are invited and urged to attend.

**NEW SCOTT AND WHITE PLANT**—This will be your room, Commissioner," says Dr. Howard O. Smith of Marlin as he examines a scale model of the new \$19,000,000 Scott and White Memorial Hospital main building at Temple. At left is Railroad Commissioner Olin Culbertson, of Austin, chairman of the Citizens' Council for the Building Campaign, which was launched at Temple Feb. 14 and will continue through 1950. Observing at right is Dr. I. S. Ryzin of Philadelphia, chairman of the board of regents of the American College of Surgeons, and the surgeon who operated on President Eisenhower for ileitis. The background picture shows the 300-acre site on the south side of Temple, where the new plant will be built.

### Girlstown, U.S.A., "Open House"

A number of Cochran Countians turned out recently to help Girlstown, U. S. A., observe its tenth anniversary with an "Open House" at the home's headquarters south of Whiteface.

Missing from the scene was Miss Amelia Anthony, founder of the home, still a member of the board of directors, but no longer active in the operation of the home.

Helping tour visitors through the buildings were Mr. and Mrs. Art Wall of Morton. He is a former director of the home and she has donated many hours of work in and for the home.

Mrs. Wilma Clodfelter, acting director of the home, opened the buildings to residents of Cochran, Hockley, and Terry Counties from 7 to 9 p.m.

Among others greeting guests were R. S. Williams of Lubbock, a director; H. P. Clemons, former superintendent of schools at Whiteface and board president; and Mrs. Kirby Rogers of Levelland, home secretary.

Two new members have recently been added to the board of directors: Mrs. Ben W. Boyd of Denton, president of the Texas Federation of Women's Clubs; and Mrs. Gus Wortham of Houston.

The home was founded March 13, 1928, at Buffalo Gap. Shortly afterwards it was moved to 1,425 acres of ranch land contributed as a site in Cochran County by the late Tom Duggan.

Only last year two new wells were placed in operation on the ranch, resulting in the cultivation of 1,500 acres in an effort to make the home more self-sufficient, it was said.

Directors are now looking for a full-time director of the home. Mrs. Clodfelter, who has been at the ranch for some 40 months, has asked to be relieved of her duties as soon as possible.

Directors present on that night were highly pleased with the "open house," and expressed hope at the home, which now carries for 20 girls will have a new director and 40 or 50 girls by the time school starts next fall.

Apparently they feel they are in a position to start seeking additional girls as they rebuild a program, which they feel offers real hope for dependent and neglected youngsters.

Since its founding, Girlstown has served as a home for 140 girls, a number of whom have found a home and now have husbands of their own, it was announced.

#### GUESTS FOR EASTER

Mr. and Mrs. N. T. Perry of Windom, Mr. and Mrs. Roy Worth of Pecos, and Mrs. W. M. Butler, Jr. of Pecos, are visiting in the home of the girls.

Method of Controlling Cotton Seedling Diseases Is Explained By Cochran County Agent

By Homer Thompson

Use of in-the-furrow fungicides at planting time may be an effective aid in smothering cotton seedling diseases.

Cotton seedling disease is one of the major diseases attacking cotton in Texas. Last year (1958) it cost the Texas farmer a little over

4 1/2 million dollars. Information concerning the use of in-the-furrow fungicides at planting time, a relatively new seedling disease control practice, was first published by the Texas Agricultural Experiment Station in Jan. 1958. About 400 producers used the practice on 26,000 acres last year. Most of the control

practices were used on the high plains area with quite favorable results. For general use, a mixture of Captan, Zineb, and PCNB applied as a spray or dust is recommended.

As a spray, 5 pounds of a formula containing 15 per cent active Captan; 22.5 per cent active PCNB and 26 per cent active Zineb applied in water and the rate of 7 gallons per acre is suggested.

As a dust, 10 pounds of the formula containing 7.5 active Captan; 11.5 per cent active PCNB and 13 per cent active Zineb per acre. Farmers who wish more information on this subject contact the County Agent.

Bacterial blight disease may be controlled for a limited time in this manner, but it seems that nitrogen, 30 to 40 pounds per acre, boosts the cotton throughout the growing season that limits the damage from blight disease - a word of warning about nitrogen - it may be advisable to put on about 30 to 40 pounds of nitrogen per acre as a pre-plant on cotton land and come back and side dress in more nitrogen 30 days after cotton is up if tests call for 60 or more pounds of nitrogen. If cotton is replanted and not loaded up as it should be, then you will be glad you did not put on 60 pounds of nitrogen, because you will likely not need it.

Here are some results on hybrid grain sorghum tests in Texas in 1958. The top winning yield was made by C. J. Roberts of Dalhart,

Texas, in the statewide grain sorghum production program. He planted RS 610 hybrid, used 75 pounds anhydrous ammonia per acre, and harvested 8,461.6 pounds per acre.

The top dryland yield was produced by Henry Mullins, Hill County, Malone, Tex. With RS 610 hybrid! He produced 6,447.6 pounds per acre - he used no fertilizer nor any special cultural practices.

Other winners were two 4-H Club boys of Hereford Tex., with RS 610 varieties. Jim Shearhart produced 7,477 pounds and Lester English produced 6,497 pounds.

You have heard of the vertical integration of Texas agriculture - Good or bad.

Vertical integration means the linking together of two or more stages of production, processing or marketing activities under one management. The key feature is that decision making, risk bearing and supervision are centralized. The present trend is toward partial vertical integration which involves linking together certain specialized stages of production, processing or marketing. Vertical integration may involve farmer-businessman arrangements that extend from the transfer of only one or two risks to complete ownership, and operation of the farm by business vice versa.

Pettit Men, Morton Women Cop Firsts In 2nd Annual J-C Volleyball Tourney

The Morton Jaycees this week offered their sincere thanks to all who attended and competed in the Second Annual Invitational Volleyball Tourney - making it a huge success from the Jaycee viewpoint as well as from the standpoint of the competing teams.

Several forfeit games marred the tourney, but at least some of this is to be expected in a 32 team tourney where many of the competitors have to drive quite a ways to play and where the teams that win early round games have to take whatever playing hour happens to come up, for their remaining games.

Currys Men's team of Pettit, a nucleus of the team that won the event last year, was the runaway winner in the men's division, walloping Kernell's Kernels, 30 to

10 in the finale, after a tight first half that ended 11 to 7. Morton's women, the Ramblers, won the women's division by the barest of margins, 26 to 25, after fighting off a determined bid by Lovelland State Bank. The Ramblers led 22 to 14 with 5 minutes to play but the score was tied at 22 all with only a minute and a half to go.

Pettit Lions and the Twilite Six teams won consolation honors. Sammy Leverett made the trophy presentation for the Jaycees and the winning teams, for the second straight year, emphasized the trophies were by far the nicest awarded in any tourney they played in this year.

The tourney was held Monday, Tuesday, Thursday, Friday, and Saturday night of last week. S. M. Monroe was chairman of the event.

Trackmen Notch 5th Place In Andrews Meet

Morton was considerably more impressive in their track meet at Andrews last week - more than the week earlier - as they garnered 20 1/2 points, the lions' share of them coming as Jeff Jones high jumped 5 feet 9 inches to take first place in the AA-A division.

Other points for the Indians were notched by Gary Willingham in his 880 specialty run and Gathright in the mile run.

The point total was good enough to tie the Indians for 5th place, a notch ahead of Bula, which garnered 19 points thanks to the speed of Norvell Roberts and Keith Fred. Roberts won the century event in the AA-A school class and Fred placed sixth in the 880 run.

## Miss Lonora Jackson is Candidate for Federated "Teacher of Year" Award

The Four Federated Clubs of Morton recently nominated Miss Lonora Jackson for the Teacher of the Year award presented each year by the Texas Federation of Women's Clubs.

The Town and Country Study Club, the 1936 Study Club, the L.A.I. Study Club and the Young

MISS LONORA JACKSON

MELBA and MELBA KELLY FOR ALL YOUR FLORAL NEEDS PHONE 2971

One Block South of the Levelland Highway on Southeast 8th Street

wn and Country Study Club; the Book Lovers Club and the Methodist Church.  
With Miss Jackson's nomination went many letters of recommendation from her superintendent and principal, both present and past, her fellow clubwomen and the mayor of the City of Morton.  
It was the opinion of the members of the Federated Clubs of Morton that they could not find one more worthy to receive recognition for her service as a truly outstanding teacher.

Matron's Study Club jointly made the recommendation to the Seventh District TFWC.

Miss Jackson was considered an outstanding teacher, not only because of her scholastic attainment, teaching tenure and professional attitudes, but for her warm interest and inspiration toward students and the wonderful response she has always given to any call upon her time and energy, beyond that required by her position.

In addition to her teaching career, professional improvement and community activities, Miss Jackson, for many years, provided a loving home and tender care for her mother, the late Mrs. Maggie Jackson, one of Cochran County's early pioneers.

Miss Jackson has a B.A. degree from Texas Tech with a major in Spanish and English and a minor in Government and P.E. She also holds an M.A. degree from the University of Denver. She has the longest tenure of service in the Morton School of any employee, either teacher or administrator, having taught in the Elementary, Junior High and the High School. She organized the Libraries in each of these schools.

Miss Jackson served for five years as a volunteer in the Cochran County Library when it was first begun as a Federated Club sponsored project. She holds memberships and is active in the N.E.A.; the Texas State Teachers Ass'n.; the County Teachers Ass'n.; the American Library Ass'n.; the Cochran County Garden Club, the To-

## WEATHER HURTS FRIENDLY CIRCLE'S CRAFTS MEETING

The Friendly Circle H. D. Club met in the home of Mrs. Dexter Nebbut for an all day crafts meeting, March 20th.

Due to bad weather there were only three members and Miss Betty present.

Posters were made for the council dinner, coming Sunday.

Members present were Mesdames Woodrow Self, Jake Reid and Nebbut. The next meeting is to be on Friday of this week, April 3, in the home of Mrs. Jake Reid.

Everyone is invited to the H.D. Council Dinner on Sunday, April 5, from 12:00 noon to 2:00 p.m. Plates are \$1.25 for adults and 50¢ for children.

## MORTON MAN ON HIGH HONOR ROLL AT TEXAS UNIV.

A Morton man, Charles William Spencer, is one of the top scholars in the University of Texas College of Arts and Science, in a list released this past week.

Listed on the honor roll as "magna cum laude", (with high honors) was Spencer.

## COMPLETES ARMY AIRBORNE TRAINING

FORT BRAGG, N.C. (AHTNC) — Army Pvt. Lawrence J. Shifflett, 19, son of Loyd B. Shifflett of Star Route 2, Morton and Mrs. Oleta Mae Shifflett, Route 2, Snyder, Texas, recently was graduated from the 82nd Airborne Division Jump School at Fort Bragg, N. C. Shifflett received his parachutist wings after completing four weeks of intensive ground and aerial training which included five parachute jumps.

The 1938 Sundown High School graduate entered the Army last September and completed basic training at Fort Carson, Colo.

## SAYS, "THANKS,"

## FOR LETTERS TO HOSPITALIZED VET

In a letter this week to members of the local American Legion Post 374, Mrs. J. M. Waller reported "J. M. was so happy to hear from you . . . I hope he will soon be well and can be with you all again soon . . . He has not had an attack since Wednesday a week ago . . . he is still on the critical list and I stay with him day and night . . . I sleep by his bed in a big chair . . ." She continued by saying she hoped the doctor would let him walk a little this week.

Waller is in the Veterans hospital at Amarillo. Mail may be addressed to him at the Veteran's Hospital, Amarillo, Texas.

## VISIT IN HOUSTON

Mr. and Mrs. C. E. Luper and family Rev. Jerry, and Jane, spent the Easter holidays visiting with his parents, Mr. and Mrs. R. E. Luper in Houston.

## J. L. BROWNING FAMILY REUNION HELD MARCH 29

A family reunion was held March 29 at the home of Mr. and Mrs. J. L. Browning of Morton with the following attending:

Children, Mr. and Mrs. John S. Duke; Mrs. and Mrs. Jack Jones; Mr. and Mrs. F. H. Browning; Mr. and Mrs. Wayne Kuehler, all of Morton; Mr. and Mrs. Gene Newberry, Clovis and Mr. and Mrs. W. L. Beckham of Odessa.

### Youth Treatment

There's a lively, youthful feeling about motoring with Phillips 66 Flite-Fuel. And the reason is: Flite-Fuel is made with extra-lively components.

The extra amounts of high test natural and aviation elements in Flite-Fuel give you easier starting . . . faster engine warm-up . . . quick acceleration. You get the anti-knock benefits resulting from high octane, yet Flite-Fuel actually costs less than many other premium gasolines.

Give your car a "youth treatment." Fill up with Flite-Fuel at your Phillips 66 Dealer's.

**Monday Deadline For Registrations of Cub Scouts**

Reservations for the Cub Scout summer camp at Camp Post must be made no later than Monday night, April 6. It was announced this week by Harold Drennan, Cub Scout master.

The reservations will be accepted Monday night, April 6, at a Cub Scout pack meeting at 7:30 p.m. in the Cochran County Activities Building.

Boys registering for the camp must be accompanied to camp by their fathers or a male relative. Reservations for the two, Cub Scout and father or relative, will be \$5 and must be paid upon registration. The registration will follow the presentation of awards to Cub Scouts.

Charles Jones is assistant Cub Scout master and Charles McDermott is committeeman.

**VISITED SISTER**

Miss Leila Petty spent Easter holidays with her sister Mrs. O. L. McGee of Loving, and other relatives.

**Sesame Growers Set Special Meeting For Activities Building, April 13**

Texas Sesame Growers, Inc., will hold a special meeting Monday, April 13, in the Cochran County Activities Building, Morton, to help farmers plan their 1959 sesame crop. Robert L. Parker, secretary, vice-president of the group announced this week.

The meeting, sponsored by Joe Beseda Grain Co., Texas Sesame Dealer here, will be at 8 pm with Homer Thompson, county agent, in charge.

Area growers are invited to attend. "God farmers in Texas have made sesame a dependable money crop," Parker said, "and last year they produced more than ten million pounds of seed which brought them a gross income of nearly one million dollars."

He emphasized the need for education against over-production of the crop, and stated "sesame prices are lower than previous years, in sympathy with lower oilseed and grain prices all over the world. The competitive position of sesame is probably better than ever," he commented, "because of lower price supports for other crops."

The 1958 sesame harvest was the biggest in the six-year history of commercial production of the crop in the United States.

Average price to all growers for number 1 quality white sesame seed was 9.9¢ per pound; price for number 1 tan was 9.8¢ per pound, number 2 quality

**NEW MANAGER FOR MORTON OFFICE OF WOOD CHEMICAL CO.**

Wood Chemical Company has a new manager of its Morton office, it was announced this past week.

Bill Hipp has taken over as local representative of the company. Don Avery, who has been manager for the past two seasons, has been transferred to Littlefield.

seed average 8.0¢ per pound. All farmers interested are invited to attend the special meeting Monday. A short color film showing how the crop is produced, harvested, and marketed will be shown and refreshments will be served.

**Cochran County Bond Sales Show Good Start for '59**

Cochran County is off to a good start in Savings Bonds sales for 1959, it was evident this week in the latest release of figures from the bond chairman for this county.

"Savings bonds sales in Cochran County totaled \$2,082 during February. Sales for the first two months of 1959 amounted to \$2,278 which was 23.6 percent of the county's 1959 goal of \$32,000," W. Williamson, chairman of Cochran County's Savings Bonds Committee has announced.

Last year the county lagged behind others in the state and throughout most of the year, but the latest figures show Cochran to be one of the top three in the district.

**Sunday Will Be "Guest Day" at Country Club**

Sunday afternoon, April 6, to be "guest day" at the Morton Country Club it was announced this week by members of the club who have been inviting guests to play golf.

A special handicap will be played that afternoon with handicaps being awarded to the guests by special method — whether they have or have not played golf previously.

Tom McAllister, tournament chairman said "we will have a lot of fun — unless there's a storm."
