VOLUME NUMBER TWENTY

MORTON, TEXAS, THURSDAY, DECEMBER 8, 1960

NUMBER FORTY-TWO

## SCHOOL ENROLLMENT IS HIGHEST IN HISTORY

Morton's total school enrollment has hit an all time high at the end of the second six weeks period, it was announced this week by Supt. John Barnes.

The total enrollment through the second six weeks period was 1,132 students, the first time the total has climbed over the 1,100 mark, Barnes said.

The ADA (average daily attendance) is also at an all-time high as the superintendent said, listing it at 1.06. This figure is reached by taking the total number of students in school all days, and dividing by the number of days of school.

Supt. Barnes said the ADA would no doubt taper off with the

end of the harvest season but had hopes that it would remain over the 1,000 mark for the year.

The number of teachers for which the state helps pay the salary is based on the ADA.

### IT'S TIME TO WRITE TO SANTA CLAUS

The Tribune will again print letters to Santa in the annual Christmas publication which will go into the mail December 22 this year.

All youngsters are urged to mail their letters, or bring them to the Tribune by December 20.

## Mexican Supper Saturday Night, From 5 to 8 O'clock

Saturday night, Dec. 10, is the date of the Morton Athletic Booster sponsored Mexican Supper being served at the School Cafeteria.

Tickets are now on sale with one member of the Booster, at \$1.00 per plate. Serving is to be from 5 p.m. until 8 p.m.

Those who enjoy Mexican Style food are invited to attend.

### CONDITION VERY CRITICAL

The condition of Mrs. Charles Hill, wife of the minister of the East-side Church of Christ, remained very critical Wednesday afternoon.

Mrs. Hill hospitalized since early November, underwent emergency brain surgery November 13 at Methodist Hospital, Lubbock.

## SAGA OF THE SAGGING GAS PRESSURE . . . Cold Snap Catches City Without Enough Gas; Auxiliary Line Was Almost Ready in Time

City Manager Joe Seagler was begging for just three more warm days to complete the auxiliary gas line into Morton when the city's worst cold snap of the season hit Tuesday and flooded City Hall with phone calls as to what was the matter with the gas department.

Morton's "Saga of the Sagging Gas Pressure," as one city employee put it, has been a regular feature of this town for several years, whenever cold weather hits, but it would have been at an end and long forgotten, contends the City Manager, "if we'd just had three more days of warm weather."

Meanwhile, with the auxiliary line dug half way from where it will tie in, at the J. D. Hawthorne farm, to town, and with the new pipe welded and waiting for laying in the ditch, the city was still no better off than it has been previously.

Unable to risk putting more than 250 lbs. of gas pressure on an old gas line coming from south of Whiteface to Morton, over a 17 mile route, the city continued to receive complaints from the citizenry as gas pressure in the city, usually kept at about 15 pounds, dropped to a pound and even less, at times. What was the pressure at its lowest?

"Nearly on the peg," was Seagler's reply.

As tough as the situation is, the manager pointed out how much tougher it would be if City Gas Superintendent Maurice Lewallen didn't stay right at the cut off valve until 11:00 at night and ease the pressure off slowly, as people began to go to bed and turn their gas jets off; and didn't rise at 4:30 to get back to the cut off valve and increase the pressure slowly as people began to rise and turn on every gas stove in the house.

Lewallen had three nights of it by late Wednesday. As people begin to turn off their stoves for the night, if someone wasn't around to ease off the pressure, it would build up far beyond the amount the lines could stand. And again, when people begin to get up in the morning, they quick-

### R. L. PAGE IS TRUETT'S WINNER

R. L. Page of Morton was the trader from the Morton Stamp Center Wednesday of the \$25.00 in ter given by Truett's Food Store, Morton.

Area folks are again invited to drop by and register for another \$25.00 in trade from the Stamp Center at Truett's.

Folks desiring a special order are urged to call Mrs. Maurie Lewallen at 6366 or 5126.

The group plans to have a selection of cakes, pies, brownies, fried pies, and other baked products.

Area residents are urged to drop by Willis Food for their week-end pastries, or, if they have a special order, it will be delivered to the house.

### CHRISTMAS PRIZES AT MORTON DRUG

Along with the giving of "mystery gifts" each shopping day until Christmas, Morton Drug Store is offering area folks an opportunity to register for a Lionel electric train set and Effanbee doll house set.

There is nothing to buy, no obligations, and you need not be present to win. The drawing will be held at 3 p.m. December 24.

Also, Childs' and Minnie's, Cochran Power and Light Co., White Auto Store, Rose Auto and Appliance, Morton Auto Parts, Forrest Lumber Co., Higginbotham-Bartlett Co., and Stricklands.

### Sponsor Floats in Christmas Parade

"Christmas Around the World — through the Ages," is the general theme for this year's annual Christmas parade now scheduled for Monday afternoon at 5:30 'clock in Morton.

Entries listed Wednesday night included the following floats, sponsors, and themes:

Seventh Grade History Class, Clarke's Dry Goods, "The Night Be-

ly suck all the pressure out of the line by turning on their stoves, Seagler said. He said if everyone would just light one stove, the sudden drag wouldn't be so bad.

The City Manager said they had received about 50 calls as to what was going on, but he attributed a

## Trouble Seen if Ice Continues To Build up on Power, Phone Lines

Morton's first cold snap of the 1960-61 winter brought considerable complications with it, though the temperature drop was not very large, and was one of the minor worries.

Complications came in the form of low gas pressure in the City of Morton that caused much discomfort and unhappiness; and in the form of sleet and freezing mist that plagued the area the past two days and "played hob" with power lines and made driving mighty dangerous.

The gas pressure problem floored at least one of the local cleaning establishments, according to City Manager Joe Seagler. He said probably both were forced to shutdown because of not enough gas.

He also advised that two girls had quit operating during some hours because they didn't have enough gas to run their dryers, but theorized that most of the ginning activity was nearly completed anyway.

Some of the older school buildings didn't have enough gas pressure, he said, but the new buildings weren't

## County Employees Find Key to Yuletide Spirit

Employees of Cochran County who office in the Court House, have come up with a new twist for their annual Christmas party, one that is guaranteed to bring more satisfaction than the usual exchange of gifts within the "family" could ever bring.

The employees drew names of residents at Girlstown, U.S.A., and will this year buy their presents for the girls of the home, located south of Whiteface.

## 40,000 BALES GINNED TO DATE

A substantially correct cotton ginning estimate for Cochran County this week put the number of bales ginned at slightly over 40,000 with around 5,000 bales yet to be ginned from the 1960 crop.

In the absence of a TEC report this week, the Tribune secured its figures from a local man in the cotton trade.

### SKILLET WINNER AT McCLAINS

Mrs. Dorothy Enos was the winner Saturday of the Electric skillet given away by McClain's Super Save, Morton.

J. W. Arnold, manager, has announced folks may register until Saturday night of this week for a large stuffed poodle valued at \$24.98.

## Pre-Christmas Parade Postponed; To Be Held Monday, 5:30 P. M.

The annual Texas Last Frontier Christmas parade has been postponed until Monday afternoon at 5:30 o'clock—weather permitting, it was announced Wednesday night by the parade committee.

The action followed a day of bleak winter weather, and a promise of more to follow. Bill Hulse, general director of the parade, said Wednesday night eighteen floats had been scheduled for the event.

In addition to the Morton High School, Junior High, and Grade School bands, the Cochran County Sheriff's posse, the Boy Scout Color Guard, and a bicycle division for girls and a second for boys.

In discussing the possibility of holding the parade on Saturday, other activities—youths working and scheduled basketball—was taken into consideration, and it was decided Monday afternoon would be best.

After the postponement, Hulse announced that there was still room for sponsors and floats. Entry into the parade may be arranged by calling Hulse or the Morton Tribune.

Following the parade, Santa will be in the Western Abstract Building to chat with little folks. Also, he will be handing out candy.

Arrangements for Santa's appearance in the parade and afterwards

is being made by the Morton Jaycees. Plans call for the parade to form at 5 p.m. on hospital road. The parade will get underway at 5:30 p.m. when the downtown Christmas lights "go on."

The parade route will be from the hospital road to South Main, north to the Rose Theatre, west to the Ideal Gift Shop, and south to the Cochran County Activities building area.

An announcer will be stationed on the eastside of the courthouse to give the names of floats and sponsors over a loudspeaker as the floats pass.

First prize for floats will be \$25.00, second prize \$15.00, third prize \$10.00, and fourth prize \$7.50. In the bicycle divisions a first prize of \$2.50 will go to the best decorated bicycle ridden by a girl, and \$2.50 to the best entry ridden by a boy.

## Benefit Show Set December 17

The annual "canned goods" benefit show will be presented at the Rose Theatre, Morton, at 10 a.m. Saturday, Dec. 17, it was announced this week by Ray Keith Monaghan, president of the Morton Jaycees, and Bernie Haley, manager of the Wallace Theatres here.

The show will consist of cartoons and short subjects, Haley said.

Admittance will be by a can of canned goods.

There will be but one show, starting at 10 a.m. All area youngsters are cordially invited to attend the event.

Canned goods collected will be used in making baskets for the "needy" Christmas.

## PHONE ISSUE DISCUSSED AGAIN BY LIONS CLUB

The question of extended area phone service to the Maple area cropped up again this week with the announcement that overtures were being made to get Maple into toll free service with Muleshoe.

Once again the Morton Lions Club voted to make an effort to secure toll-free service into Morton for the Maple area, a task that has failed for the past few years, despite the efforts of many groups.

The Lions named a committee, headed by T. K. Williamson, to work on the project.

The club was told by City Manager Joe Seagler, that he had talked with a General Telephone official that day, and that their offer to Five Area Co-operatives for EAS tie-in still stands, but will not be changed.

Reports were that Five Area Co-operative members were being asked to indicate if they would like free toll service to Muleshoe.

## C&I CLUB MEETS TONIGHT

The regular second Thursday night meeting of the C&I Investment Club will be held tonight at 8 o'clock in the Western Abstract Building, it was announced by Van Greene, president.

## COTTON REFERENDUM SET NEXT TUESDAY

"Don't forget to vote in the Cotton Referendum, Dec. 13th," was the word passed again this week by the Cochran ASC Office.

"You may vote at the place most convenient," was the continued statement concerning this important vote next Tuesday to determine the farmers' feelings toward marketing quotas on cotton for next year.

The choice which growers will make in the referendum is between marketing controls for the 1961 upland cotton crop and price support at not less than 70 per cent of parity, or no marketing control on the crop and support at 50 per cent of parity. Whether or not marketing quotas are approved for the 1961 crop, allotments will remain in effect as a means of determining eligibility for price support.

## Cotton Allotment Up 10,132 Acres Says A S C

Mrs. Ruth McGee, office manager of the Cochran County ASC, took issue this week with the Tribune for stressing the increase in cotton allotment over last year's total figure, rather than the increase over the base.

Although both figures were included in the story released in the Dollar Day paper, Mrs. McGee felt that the increase over the base acreage reflected a truer picture of the increase. She has asked the Tribune to release the following statement from the ASC Office:

"Ruth McGee, Office Manager Cochran County ASC, has advised that the correct allotment for Cochran County in 1960 was 71,906.1 acres for Plan A. The 1961 allotment is 82,038 acres, which gives the county an increase of 10,131.9 acres.

1961 allotments were mailed to the farm operators on December 1."

Also using this figure, Bailey County's increase was 14,260 acres instead of 547 acres; Lamb County's increase was 30,667 acres instead of 19,190 acres; and Hockley County's increase was 30,043 acres instead of 8,989 acres.

## BOWLING MATCH IS POSTPONED

A previously announced inter-city bowling match between Morton and Seminole teams, will not be held Sunday.

A. C. Ward, sponsor of the Seminole ladies team phoned Wednesday notifying that his team cannot make it Sunday, but will try to reschedule a date.

### PLAY CONTINUES TODAY; LOCAL TEAMS PLAY FRIDAY

## Both Morton Teams, Bledsoe Boys and Whiteface Girls Advance in Tourney

Both the Morton boys and girls teams advanced into the semi-final round of the Whiteface Invitational Basketball tourney on Tuesday night by posting victories over Anton teams, while Whiteface advanced in the girls' round and Bledsoe won the other boys' first round game.

The Morton teams do not see action again until Friday night, though the tourney continues tonight (Thursday).

Morton's girls will meet Whiteface in the Friday game slated for 7:30 p.m. and the Indians will face Bledsoe in the other semi-final game slated for 8:45 p.m.

Sadan's boys and the Sundown girls are heavy favorites to cop the tourney.

The Indians carved out a 56-45 triumph over Anton. Behind 15 point scoring efforts by Tommy Morrison and Steve Middleton, the Indians continued to look improved as they posted their triumph.

The girls looked even better in hammering out a 59-52 victory over a good Anton girls team. Melba Cook dropped through 26 points to lead the Morton sextet but it was an unexpected fine scoring effort by Lynn Frelund, who chipped in 24 points that spelled the difference. Lynn is a freshman.

Coach Ted Willcock's girls put out another fine defensive effort, continuing from a fine defensive performance by the Morton guards in

## Grand Opening Of Merle Norman Studio at Danez

"Grand Opening" is being observed all next week at Danez Beauty Salon of a new Merle Norman Studio.

Area folks may register on a registration blank which appears in this publication of the Morton Tribune.

The registration not only makes them available for a valuable prize, but a "delightful" gift will be given them when they bring the ad to Danez Beauty Salon.

## SANTA VISIT SET FOR DOSS THRIFTWAY

Santa will be at Doss Thriftway Super Market Saturday, Dec. 10, from 2:30 p.m. to 5:30 p.m., it was announced this week by Truman Doss.

Also, he extends area residents a cordial invitation to drop by and participate in "Folger's Guessing Game," now in progress at the super market.

In the guessing game, persons guess the number of inches of ribbon wrapped around a display pole.

There is no obligations, nothing to buy, and they need not be present to win. There are ten prizes.

(Details will be found in the Doss Thriftway Super Market ad in this publication of the Morton Tribune.)

The Ken-Lorion Santa will have candy and goodies for the kiddies and dog food and other goodies for the dogs.

## MELVIN McCOY PURCHASES LOCAL FORD DEALERSHIP

W. H. Mahan of Morton announced this week the sale of the Mahan Motor Company to Melvin McCoy of Muleshoe, effective December 1.

The firm will be renamed McCoy Ford Sales.

McCoy, who was tending to business in Morton Wednesday, said he and his family will be moving to Morton as quickly as they can secure a house here.

Mr. and Mrs. McCoy have five

### COUPON . TIME AGAIN AT WILLIS

Another valuable coupon appears in this week's Willis Food Store ad on page two of this publication of the Morton Tribune.

Snoball Willis points out that this is the last of the series, and urges folks to bring it by before the deadline for redemption.

## Services Held

LEVELLAND (Spl.) — Funeral services were held at Levelland recently for E. W. Baudine, 61, longtime employee of Wallace Theatres at Levelland.

Baudine died after being stricken with a heart attack while attending a Levelland football game.

Services were conducted at St. Michael's Catholic Church, Levelland, and burial was in City of Levelland Cemetery.

## Portales Hospital Is "Open Staff"

(Editor's Note: The following article appeared in the Portales Valley News, Friday, Dec. 2, 1960. It is re-printed here as an adult educational article.)

The Board of Trustees of Roosevelt General Hospital, who last week adopted a "statement of intent" to admit qualified osteopaths to practice in the hospital, are awaiting action from the medical staff to determine how this might best be done, it was announced today.

J. Embry Wall, chairman of the hospital board, said that the spokesman for the medical staff had notified him that he was not ready to meet with the representatives of the hospital board last night to discuss the matter.

## INCREASED PORK PRODUCTION MIGHT BE PROFITABLE IN TEXAS

During 1959, Texas ranked 15th in pork production in the United States. For the first 8 months of 1960, grain sorghum prices have averaged 82.5 per cent that of corn.

With the high feed reserve and the large shipments of pork coming into the state, expanded hog production may offer a good potential for expanding incomes of Texas farmers, Bergsma concludes.

1961 PLANS FOR STATEWIDE SWINE CARCASS TEST PROGRAM RELEASED

Hog producers interested should make your entries now. The search continues for strains and families of hogs which are prolific, will make fast, efficient gains and yield carcasses with a high percentage of ham and loin. The state wide swine carcass test offers both purebred and commercial swine producers of Texas an opportunity to get information on their animals and aid in the search.

Since facilities are available for feeding only 108 head of hogs, the specialist, T. D. Tanksley, suggests that entries be made at once. Two littermates of either sex will constitute an entry. The pigs are to be delivered to the Texas A&M College Swine Center between January 2-15.

The pigs will self-feed on a highly fortified ration designed to get maximum gain and muscle development, Tanksley said. They will be finished on concrete feeding floors. The uniform feeding and management plan will help identify the really "meaty" seedstock because the major differences in carcass desirability will be the result of breeding. Tanksley pointed out. It will also permit hog value to be figured on a live-weight basis including dressing percentage.

The evaluation information will be released during the tenth annual Texas A&M College Swine Short Course scheduled for next April 2-4. All pigs entered in the test will be purchased by the Animal Husbandry Department but each will be earmarked and entered in the breeder's name. Information on gains and carcass characteristics will be provided on each animal.

Tanksley said the testing program will enable hog producers to get carcass information on their animals at the lowest possible cost and that purebred breeders could use the pigs for breed certification records. Commercial producers, he added, should find the information valuable for checking their crossbreeding programs.

Local county agents have detailed information on the program and will be glad to answer questions regarding any part of the test. Entries from 4-H or FFA members will be welcomed, Tanksley said.

DECEMBER 13 IMPORTANT DAY FOR COTTON PRODUCERS

All growers of upland and extra long staple cottons in Texas are reminded by B. P. Davenport, Jr., chairman, Texas Agricultural Stabilization and Conservation Committee, that December 13 is referendum day. At stake in the voting is the determination of whether or not marketing quotas will apply to their 1961 crops.

Marketing quotas have been proclaimed for both upland and extra long staple cottons as required by law. However, pointed out Davenport, the quotas do not become operative unless approved by at least two-thirds of the farmers voting in the referendum. Any grower engaged in cotton production in 1960 is eligible to vote.

All upland growers should receive, prior to the referendum, official notice of their 1961 farm acreage allotments. These notices will come from the county ASC offices. The allotments determine the marketing quotas for the individual farm. In a change from the programs in effect in 1959 and 1960, each farm operator will receive only one allotment for 1961. This will represent the farm's share of the national upland acreage allotment of 18 1/2 million acres.

If marketing quotas get the two-thirds favorable vote needed to make them effective, Davenport said all cotton from compliance farms could be marketed without penalty and would be eligible for the full available rate of price support. If quotas are disapproved, compliance with the acreage allotment will determine eligibility for the lower rate of price support available.

During the past two years, farm operators had a choice between reg-

ular allotment and price support rate and a larger allotment at a reduced rate of support. However, the state chairman said, the law that provided this special program ap-

plied only to the 1959 and 1960 crops. Every eligible cotton producer should vote. Local ASC office or committeemen can supply additional information on the referendum.

## HOSPITAL PROBLEM

(Continued from Page One)

Board: Wall, Elridge, Mears, and Gordon K. Greaves, who were designated by the board to meet with representatives of the medical staff, met and discussed the plan which was announced yesterday in Las Cruces where the county-owned hospital is facing the same problem. But in Las Cruces the medical staff has taken the initiative in solving the problem, according to word received here.

Hospital board officials explained that it has only been since September 17 that it has been possible for the hospitals to consider admission of osteopathic physicians on the staff without automatic loss of accreditation.

The Joint Commission, which sets the standards for hospital accreditation in all hospitals in the United States, recently revised its rules so that graduates of approved osteopathic as well as medical schools, could be considered for staff membership.

The Joint Commission's ruling was that membership in a medical society, or fellowship on a specialty board, should not be considered in itself as sufficient criteria for staff membership, but that each applicant's competency and integrity should be judged on an individual basis.

Complicating the problem is that the American Medical Association, which is a part of the Joint Commission, still retains a provision in its "code of ethics" which bars voluntary association of medical doctors with osteopaths.

But the American Medical Association has relaxed its former strict ruling in this point to acknowledge that "involuntary association" required by law is not unethical.

In its letter of intent to the hospital board, the Hospital Board of Trustees pointed out that the board was assuming its authority to determine who should practice in the hospital, and that admission of osteopathic physicians as staff members would not be "voluntary association" between practitioners of the two healing arts.

Although the action of the Board of Trustees followed a formal presentation of the change of policy at a meeting of representatives of the medical staff, the Board was unable to obtain a commitment from the medical staff as to what its attitude would be.

The Medical Staff had twice before formally notified the board that they would not accept any lowering of the standards of medical practice in the hospital. But this was before the Joint Commission ruled that admissions of osteopaths would not automatically cause the hospital to forfeit its accreditation.

The Joint Commission advised the Board that if osteopathic physicians are admitted to staff membership now, the hospital would be inspected in its regular turn in about two

years, at which time its accreditation would depend upon the standards evidenced during the intervening period.

Dr. H. Loree is Chief of Staff for the Roosevelt General Hospital, and Saturday he notified the chairman of the hospital board, Mrs. Wall, that the medical staff would not meet with the board's designated committee to further discuss the pending policy change at the Tuesday session.

In the meantime, members of the hospital board have been busy answering their telephones as worried patients of medical doctors in Portales demanded to know if the hospital board was going to cause their doctor to lose his license, or to leave town.

Board spokesmen denied that any medical doctor would either lose his license, or would have any reason

to leave Portales because of the policy change. In New Mexico, osteopathic physicians are recognized legally as the equal of medical doctors.

After their meeting last night, the hospital board members declared that although their statement of intent still stands, that they are willing to work out any reasonable method of putting it into effect. One suggestion was that an osteopathic wing be built on to the present hospital.

The hospital board members said they had discussed the matter with Dr. E. L. Miller, who has maintained a private osteopathic hospital in Portales for 15 years. Dr. Miller's hospital has been found to be unsafe from the standpoint of fire protection, by a state inspection agency, and he has been formally notified to bring his hospital into conformity with state laws by March 1.

He has advised the county hospital board that he would be unable to rebuild the present hospital to meet modern fire protection requirements, and that he has considered the building of a hospital of his own. But he has assured the Roosevelt Gen. Hospital trustees that he will assist them in any way possible in solving their

dilemma. "This antagonism between Osteopaths and M.D.'s has been going on for 75 years. We can't expect it to be solved overnight," he told the board last night. He indicated that he would cooperate with the Board of Trustees in any course they deemed wise.

Hospital spokesmen declared today that their only concern is with the general welfare of the people of Roosevelt county, and that they are not interested in protecting one professional group above another, but that they do not want to disrupt the practice of any doctor in Portales.

"We want to reassure the people of Roosevelt county that regardless of what course we take, we will still uphold the right of every individual to choose his own doctor, and hope to provide the best possible hospital facilities for both the medical doctors and the osteopaths." The board had reaffirmed its determination to uphold Joint Commission standards.

The spokesman said that they continue to invite the fullest frank discussion of the problem with practitioners from both schools of healing.

"We are sure that this problem can be worked out to the advantage of all concerned if we have their cooperation," said the board chairman.

The spokesman reaffirmed a policy statement made at the time the county-owned hospital was built that osteopaths would be considered for staff privileges at any time this could be done without jeopardizing the hospital's standards of medical practice.

### Tax Meeting Set Tonight At Auditorium

Area farmers, and businessmen or other residents who might be interested, are reminded this week of the records, Income Tax Planning and Reporting meeting tonight at 7:30 p.m. at the County Auditorium. Cecil Parker and John Siebert of the Extension Service will be on hand to discuss new tax law changes, keeping of records for income tax purposes, capital gains and losses, etc.

Anyone with any particular problems in these fields of discussion is urged to attend, according to County Agent Homer Thompson.

## NEW HONOR SOCIETY MEMBERS ARE WELCOMED AT WHITEFACE

WHITEFACE (Spl.)—The National Honor Society met for the first time this school year for the purpose of electing officers and to officially welcome new members.

Odis Summers, son of Mrs. Leota Summers, was elected president of the honor organization. Other officers named by the group are Ophelia Rowe, daughter of Mr. and Mrs. Amos Rowe, vice-president; and Darla Baldwin, daughter of Mr. and Mrs. F. S. Baldwin, secretary.

Each year new members are

added from the various classes, based on their scholastic and other achievements.

New members are: Reva James, daughter of Mr. and Mrs. A. L. James; Cassie Henderson, daughter of Mr. and Mrs. John Henderson; Mickey Cowart, son of Mr. and Mrs. W. C. Nokes, all sophomores.

And, Miss Dowe; Linda Pond, daughter of Mr. and Mrs. J. W. Pond; Bonnie Baggerman of Gristtown, U.S.A.; and Miss Baldwin, all juniors.

Finally, Summers; and Miss Haroldine Reynolds, daughter of Mr. and Mrs. Harold Reynolds, both seniors.

### INDIANS LOSE TO BOVINA . . .

## MORTON MAIDS WIN LAZBUDDIE MEET

The Morton Maids reached the highest peak of a Morton girls team in several years, Saturday night as they blasted out a 44 to 25 victory over Farwell to become champions of the tourney.

Ted Willock's girls, winless going into the tourney won their third game in the meet in an easy manner, taking a big lead, and using all guards in both forward and guard positions in the late stages of the game.

So complete was Morton's domination of the tourney that Ruby Daniels of Morton won the all tourney guard trophy and Morton's Patsy Amyx, who didn't play in the final game because of an injury, won the all tourney forward trophy.

Doris Fleenor paced the girls in the final game with a 21 point scoring effort and the local girls brought home a beautiful first place trophy for the trophy case.

Winner of the boy's championship was the host Lazbuddie Longhorns who took out Bovina in the final game, 38 to 30.

Three Way overcame Amherst in the boy's consolation finale, 50 to 43, as Ted Coffman fired in 25 points.

But the Three Way girls failed in their quest to bring two trophies back when they lost 46 to 31 in the other consolation game to Amherst. Connie Delkoyos had 17 points but it wasn't enough.

The Morton boys were taken out of contention early Saturday afternoon in a semi-final game, losing to Bovina, 57 to 43.

The Indians held their own to halftime, trailing only 23-21 at the intermission. But they fell 18 points behind at the third period's end, cut the margin to 10 points quickly

in the final period, then faltered. Pyburn had 13 points for Morton and Middleton had 8. The tall men for Bovina, were Strawn with 18 points and Ezzell who grabbed a Lion's share of the rebounds in addition to potting 8 points. Lawlis had 15 for the winners.

Bovina made their height advantage pay off, batting down Morton shots & controlling the boards. But the Indians, unable to move the ball, caused their own downfall.

The Maids trailed most of the way but won their semi-final game with a late rally. They trailed 18-13; 25-24; and 41-38 at the end of the first three quarters but won the game with a hot fourth period, 55-46.

Melba Cook led the scoring with 23 points and Patsy Amyx had 16 before injuring her leg. Doris Fleenor added 13. Looney had 26 for Bovina, and Strawn scored 13.

The Morton Indians and Morton Maids both advanced to the second round of play in the Lazbuddie basketball tourney this week-end, with Thursday victories.

Ted Willock's Maids won their first game of the season as they captured a thriller from Amherst, 55 to 52, behind Patsy Amyx' 24 point effort. Melba Cook added 18 and Doris Fleenor had 13. Bowman had 27 for the losers and Hardwick 18.

The Maids were to play Bovina in the second round game.

The Indians evened their season's record at 2-2 with a comparatively easy 54 to 32 triumph over Amherst in a Thursday afternoon game.

Steve Middleton had 14 points and Tommy Morrisin 13 in a well di-

vided scoring effort for the Indians. Blair paced Amherst also with 14 points.

CITY \_\_\_\_\_ TEXAS

TEXAN CAGER—Clyde Brownlow, Morton High school graduate, now a sophomore, member of the South Plains College Texan basketball team, is the son of Mr. and Mrs. Earl Brownlow of Morton. Clyde, a forward, has been one of the team's leading scorers in the past two years, in addition to being one of the highest ranking student scholastically.

### Brownlow Paces S. Plains Win Over A.C.C. Freshmen

LEVELLAND (Spl.) — Former Morton High cager, Clyde Brownlow, Monday night paced the South Plains College Texans to a thrilling 80-78 triumph over the Abilene Christian College freshman team, in a game played at Levelland.

Glenn Huggins dropped in his only field goal of the game just as the final buzzer sounded to cap a final minute six point performance that brought the Texans the squeaker triumph.

With only 40 seconds to play the Texans trailed 78 to 74. Don Ivie drove under for a basket that cut the margin to two points but he was charged with a foul on the play. ACC missed the shot. The Texans stormed back for the trying field goal, and seconds later, just as the buzzer sounded, Huggins let fly with his game-winning shot.

ACC led most of the way and held a 41-35 halftime bulge. Brownlow, a second year man at South Plains, dropped in a total of 22 points to pace the Levellanders who had a well divided scoring effort. Ivie had 15 points and four men scored in double figures.

High scorer for the game was James Reynolds of the Wildkittens with 31 points.

## ONE-STOP SHOPPING FOR A NEW CAR at your Chevrolet dealer's!

Now you can make your car-shopping rounds the easy way—all under one roof! For '61 your Chevrolet dealer offers nearly any type of car you could want—at the kind of price that'll make you want it all the more. There's a whole new crop of Chevy Corvairs with lower priced sedans and coupes and four wonderful new wagons unlike any ever built before in the land. There are new Chevy Biscaynes—the lowest priced full-size Chevrolets, beautiful Bel Airs, elegant Impalas, six easier loading Chevy wagons, including three 9-passenger models.

New '61 Chevrolet NOMAD 9-PASSENGER STATION WAGON

There are six easier loading Chevrolet wagons for '61—ranging from budget-pleasing Brookwoods to luxurious Nomads. Each has a cave-sized cargo opening measuring almost five feet across and a concealed compartment for stowing valuables (with an optional extra-cost lock).

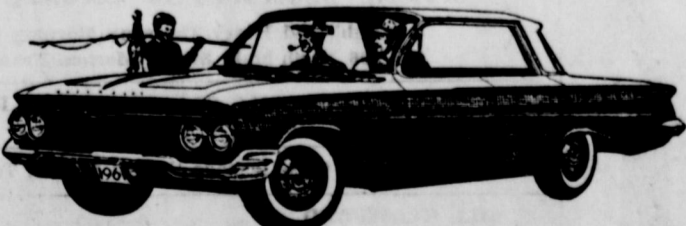

New '61 Chevrolet IMPALA 2-DOOR SEDAN

Here's a new measure of elegance from the most elegant Chevrolets of all. There's a full line of five Impalas—each with sensible new dimensions right back to an easier-to-pack trunk that loads down at bumper level and lets you pile baggage 15% higher.

New lower priced '61 CORVAIR 700 CLUB COUPE

There's a whole crew of new Chevy Corvairs for '61—polished and perfected to bring you spunk, space and savings. Lower priced sedans and coupes offer nearly 12% more room under the hood for your luggage—and you can also choose from four new family-lovin' wagons.

New '61 Chevrolet BEL AIR SPORT SEDAN

Beautiful Bel Airs, priced just above the thriftiest full-size Chevies, bring you newness you can use: larger door openings, higher easy-chair seats, more leg room in front, more foot room in the rear, all wrapped up in parkable new outside dimensions.

New '61 Chevrolet 4-DOOR BISCAYNE 6

NOW—BIG-CAR COMFORT AT SMALL-CAR PRICES—Chevy's new Biscaynes, 6 or V8, are built to save in a big way. They offer a full measure of Chevrolet quality, roominess and proved performance, yet they are priced right down with many cars that give you a lot less.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

By VERN SANFORD

AUSTIN—New efforts to change Texas' "scratch method" of voting are in prospect as a result of disagreements growing out of this year's close general election.

As the law now stands, voters using paper ballots are required to scratch out the names of all candidates for an office except the one for whom they are casting their vote.

Get it at your FAVORITE GROCERY MARKET

the small lists of candidates from the Prohibition and Constitution parties. Some election judges threw out these ballots. Some went ahead and counted them.

Republican leaders contend that they might have won Texas, instead of losing by a thin margin, if the same rule had been applied on all these carelessly marked ballots.

Further, the GOP chiefs charge, the scratch method was designed to encourage voters to vote a straight party ticket.

Actually, scratching is the old, traditional way of voting in Texas. For a time during the fifties the law was changed so that a voter could either scratch out the names he didn't want or put check marks by the ones he did want.

Republican leaders failed to convince either an Austin district court or the state canvassing board (Gov. Price Daniel, Sec. of State Zollie Steakley and Atty. Gen. Will Wilson) that there was any evidence of fraud in the way ballots were counted this year.

But since the Legislature hardly ever has a session without doing something to the election code, the GOP will have another inning.

LAND BOND SALE DISPUTED—House Investigating Committee will study the merits of holding a veterans land bond sale December 5.

Veterans Land Board has scheduled sale of \$12,500,000 in bonds for that date, but Jerry Sadler, due to become land commissioner January 1, says the sale should wait until next year.

Public indignation over the new program has been high. It ups auto insurance rates about 30 per cent on drivers who must pay the full penalty for receiving traffic tickets, regardless of their accident records.

Only other recourse is to do without insurance.

Jackson's resignation means there will be two insurance board appointments to be confirmed by the Senate next session. Price was appointed last spring and has not yet come up for Senate approval.

Merit rating has stirred up strong feelings, pro and con, among legislators and undoubtedly will be a factor in the behind-closed-door discussion of Board appointees.

PAYROLL TAX PROPOSED—State Finance Advisory Committee will recommend a payroll tax, borne equally by employers and employees, to bolster the state's sagging treasury.

up to 3.5 per cent interest on the bonds. Previous ceiling had been 3 per cent—too low to find takers in recent months.

COURT BACK TRACKS—In a rare turnaround, the State Supreme Court reversed its previous decision on an insurance case that construed shock from watching a fire to be "accidental death."

In the case, an accountant died from a blood clot on the brain about a month after having watched fire destroy his office records. Two lower courts held that the beneficiaries of the accountant's insurance policies were entitled to the double indemnity provided for accidental death.

Several months ago the Supreme Court issued a 5-to-4 decision upholding the lower courts. On motion for re-hearing, it reversed this and held, again 5-to-4, that the case was not "accidental death."

INSURANCE BOARD VACANCY—More than usual interest will center on Governor Daniel's appointment of a new chairman of the conflict-ridden State Board of Insurance.

Motorists will lose an outspoken friend on the Board when Penn J. Jackson leaves to return to his old post as district judge in Cleburne.

Jackson has resigned the insurance post effective January 1.

He has been in open disagreement during the past few months with the other two board members over the so-called merit rating plan for auto insurance.

He favors scrapping the present controversial plan and letting companies set up their own basis.

Board members Robert W. Strain and Ned Price want to continue the controversial plan, at least for a time.

Public indignation over the new program has been high. It ups auto insurance rates about 30 per cent on drivers who must pay the full penalty for receiving traffic tickets, regardless of their accident records.

Only other recourse is to do without insurance.

Jackson's resignation means there will be two insurance board appointments to be confirmed by the Senate next session. Price was appointed last spring and has not yet come up for Senate approval.

Merit rating has stirred up strong feelings, pro and con, among legislators and undoubtedly will be a factor in the behind-closed-door discussion of Board appointees.

PAYROLL TAX PROPOSED—State Finance Advisory Committee will recommend a payroll tax, borne equally by employers and employees, to bolster the state's sagging treasury.

Commission plan calls for a 1 per cent tax, half to be taken from the employer's wages, half to be paid by the employer.

It would raise an estimated \$100,000,000 to \$110,000,000 a year. Even this would not cover all the state's new money needs if the legislature attempts to meet demands for school improvements and medical care for the aged.

Payroll tax, actually an income tax on both business and individuals, is certain to meet the objection that it is not graduated according to ability to pay.

TUITION HIKE ASKED—Another money-raising proposal that is already stirring up sand is a proposed \$50 a year raise in tuition for state colleges.

Commission on Higher Education voted to recommend this increase to the Legislature, saying it would bring in an additional \$5,000,000 a year for college support.

It would mean the tuition for a nine-month term would go up from \$100 to \$150.

Tuition increases, when they have come before the Legislature before, have set off hot debates. Opponents charge that it "keeps the poor boys out of college."

Commission also voted to ask the Legislature to admit the University of Houston to the state college system—provided, among other things, that it will not cut down on support of existing state colleges.

NEW CLUB RULES ISSUED—Beginning January 1, private clubs in Texas can operate only if they meet the following requirements set by the Liquor Control Board: (1) Provide food service. (2) Meet basic operating expenses from dues and fees rather than from liquor sales. (3) Be managed by officers elected by the membership. Rules are designed to prevent operation of open saloons under the guise of private clubs.

### Discuss Ways To Improve Public Relations

Ways to improve public relations of the local bar was discussed Friday at the first regular meeting of the Cochran County Bar Association at the Chat 'n Chew, Morton.

Grover D. Edgar, president, presided at the meeting. Other discussion centered on plans to publicize "National Law Day in the United States," May 1.

Members voted to meet the first Friday in each month at 12 noon, E. L. (Max) Hamilton, secretary, reported.

### CHANGE OF ADDRESS

Thomas F. Cook, Denver, Colo., wrote this week asking his address be changed from Fort Lyon to Denver.

### Athletic Banquet Date Announced

Monday, January 16, will be the date of the Morton Athletic Banquet it was announced recently.

Final plans for the type of program have not yet been announced, but the banquet, which annually honors Morton High School athletes, will get underway at 7:30 p.m. at the school cafeteria.

Sponsored annually by the Morton Athletic Boosters, the banquet will cost \$1.50 per plate.

Complete plans will be announced later.

## 4-H ACHIEVEMENT PROGRAM

Ninety or more 4-H members, parents, leaders and friends attended the annual 4-H Achievement program in the County Activity Building Saturday evening. County medals and certificates were presented to 50 4-H Club members and one adult leader.

Refreshments of punch and cookies were served.

## DISTRICT AWARDS BANQUET

Laquita Masten and David Haralson, Cochran County Gold Star winners, were among the 39 boys and girls honored at the district Gold Star Banquet in Lubbock Monday evening. Twelve Electric co-operatives over the district sponsored the banquet at the First Methodist Church in Lubbock. The honored girls and boys received gifts from the sponsoring co-operatives and certificates from the Texas Extension Service.

Attending the banquet from Morton were Laquita Masten, David Haralson, Mrs. James Masten, Charlotte Masten, Mrs. Bill Wood, Mr. and Mrs. J. W. Haralson, Wilma Ruth, Claude, and Nelva Haralson, Lella Petty and Homer Thompson.

## ITS FRUIT CAKE TIME

There is still time to make fruit cakes. A confection type of fruit cake does not need to ripen as long as the batter variety. An example of this type of fruit cake is given below:

- Magic Fruit Cake (Confection type)
- 1 pound candied cherries
  - 1 pound candied pineapple
  - 1 pound pitted dates
  - 4 cups pecans
  - 1 can sweetened condensed milk
  - 1 1/2 ounce package of dry coconut
- Cut up fruit, cherries, pineapple and dates and chop pecans coarsely. Add to milk and coconut. Mix thoroughly with hands. Pack down into loaf pans, stem cake pan or small molds, which have been greased and lined with greased foil, or two layers of greased brown paper or two layers of waxed paper. Bake loaf-sized cake at 300 degrees F. for 1 hour.

Bake cake in stem cake pan 1 1/2 hours. Bake molds 45 minutes. Remove paper when taken from oven.

## CHRISTMAS PARTY

The Cochran County Home Demonstration Council will sponsor the annual Christmas party for Home Demonstration Club members and guests Tuesday afternoon, Dec. 13. The program will begin at 2:30 and will be in the Banquet Room of the County Activity Building.

Officers for the 1961 Home Demonstration Council will be installed. They are Mrs. Edward Brownlow, chairman; Mrs. C. D. Arnold, vice-chairman; and Mrs. Stanley Henderson, secretary-treasurer.

## 4-H CLUBS

All 4-H Clubs will meet next week. **EAT SOME CITRUS FRUIT EVERYDAY**

Citrus fruit is an easy, pleasant way to meet daily requirements for vitamin C—the vitamin that is not stored in the body, but must be supplied each day.

Fresh canned or frozen citrus fruits and juices are rich in vitamin C. They are quickly and easily served as appetizers, desserts, salads, garnishes, with main dishes, as the fruit course for breakfast and as between meal snacks.

Recent surveys show that many Texans are not getting enough vitamin C foods in their diet. How about you and other members of your family?

## CHRISTMAS PROGRAM PLANNED DEC. 19

The Eighth Grade Chorus of Morton Junior High School will present "Christmas In Song" on Monday, Dec. 19th, at 7:30 p.m. The program will be given at the County Auditorium and admission is free. The chorus, under the direction of Mr. Keith Kanipe will present both familiar and unfamiliar Christmas music under the colored lights along with the "Living Tree" during the second half of the program.

Soloists will include Judy Philbrick, Warren Williamson, and Carla McCarty. Accompanists are Peggy Ramsey and Wadonna Strother.

The chorus cordially invites you to attend and to enjoy their performance.

By Mrs. Frank Griffith

## MRS. SAM MAYO IS BABY SHOWER HONOREE

A baby shower honoring Mrs. Sam Mayo Tuesday, Nov. 29, from 3:30 to 5 p.m. was hosted by the 3rd year Home Economics class of Three Way High School.

The school lunch room was the scene of the shower. Gifts were displayed on a table covered with a white cloth. Refreshments of homemade cookies and lime punch, nuts and mints were served from a table laid with a white linen cloth and centered with a miniature baby cradle of pink and blue lace. Plate favors were baby pacifiers made of candy gum drops and mints on pipe cleaners.

Members of the Homemaking class who were hostesses are Barbara Masten, Sandra Lemons, Sue Reed, Kathy Pollard, Elaine Kenley and Dorothy Tucker.

## VISITED IN PETTIT

Mr. and Mrs. Frank Griffith and Mrs. Florence Bailey spent Sunday in the home of Mr. and Mrs. Bob Belcher of Pettit. Mrs. Belcher and Frank are cousins.

## FLOWER DEMONSTRATION AT 4-H CLUB MEETING

Demonstrations on dried flower arrangements and Christmas decorations were given at the meeting of the Three Way Home Demonstration Club Thursday.

Presenting the program were Mrs. Dub Alexander and Mrs. Roy Gardner of Anton.

A sack lunch was served at noon. Mrs. Elbert Adams and the home economics classes of Three Way High School were special guests in the afternoon.

## VISITED BROTHER

Hugh McCelvey of Lubbock spent Friday night in the home of his brother W. C. McCelvey. Sunday guests in the McCelvey home were Mr. and Mrs. C. T. McCelvey of Lubbock. C. T. is a brother to W. C.

## VISITED IN MULESHOE

Linda Jordan visited in Muleshoe last week-end with her sister, Mrs. Euen Martin.

## SUNDAY GUESTS

Sunday guests in the Lewie Jordan home were Mr. and Mrs. L. A. Tippie and Mr. and Mrs. Randall Cook and Glenna of Levelland. Mrs. Tippie and Mrs. Jordan are sisters. Mrs. Cook is a niece of Mrs. Jordan.

## JR. HIGH TEAMS TO PLAY

The high school basketball teams played in a tournament at Lazbud-

## JACKIE OUTLAW ENGAGEMENT IS ANNOUNCED

The engagement of Miss Jacqueline Outlaw and Mr. David L. Tankersley was announced at a coffee given Saturday, Nov. 26, from 9:30 to 11:30 a.m. by the bride-elect's mother at the home of Mrs. Gage Knox.

Parents of the bride-elect are Mr. and Mrs. Earl W. Outlaw, Star Route 2. Parents of the prospective groom are Mr. and Mrs. Burton Tankersley, 3104 39th Street, Snyder.

Each guest was presented with an autumn colored leaf revealing the announcement. These were pinned on by Miss Peggy Patterson.

Mrs. Bob Polvado registered the guests. Other members of the house party were Mrs. Luke Hargrove, Mrs. Wayne Mitchell, Mrs. Ross Shaw, Mrs. T. D. Marshall, and Mrs. Gage Knox.

The table was spread with a yellow linen cloth centered with an arrangement of bronze mums and autumn leaves on a mirror. Leaves within the arrangement bore the names Danny and Jackie and the wedding date, January 27. The vows will be exchanged in the First Baptist Church of Morton.

The bride-elect is a graduate of Morton High School and is now attending Hardin-Simmons University where she is serving as president of Cowgirls and secretary of the Student Council. The future groom is a graduate of Snyder High School and is presently attending Ranger Junior College.

Out-of-town guests were Mrs. Burton Tankersley, mother of the prospective groom, Mrs. Joel Tankersley, Clovis, New Mexico; Mrs. Raymond Golden and Celesta, Seminole; Mrs. Clyde Cravens and Towana, Stanton; and Miss LaRa Petit, San Antonio.

## 8th Grade Wins, 7th Loses to Mules

The Morton 8th grade boys won and the 7th graders lost in a pair of basketball games played at Muleshoe, Monday.

Coach Bob Vanoy's 8th grade charges moved the ball at will in rolling up a 33 to 6 halftime lead and then won their game, 46 to 19, with subs playing most of the remainder.

Vanoy also used subs at will in the 7th grade game, but for a different purpose. Still experimenting to find a winning combination, the 7th graders wound up on the short end of a 24 to 12 score.

The 8th graders are undefeated and the 7th graders are winless in the young basketball season.

die. Both teams qualified to play in the consolation finals and the boys team won the consolation trophy. The girls were defeated by Amherst.

The Junior High School teams play at Smyer Thursday night and at Three Way with Pettit December 12. The high school boys play at Causey Tuesday night, and they play in a tournament at Smyer next week-end.

## CHRISTMAS VACATION DEC. 22 THROUGH JAN. 2

Christmas vacation begins at Three Way schools December 22 and classes resume January 3, 1961.

## ART SHOW PLANNED

An art show is being planned for sometime in January. The date had previously been set for December 18 but was changed due to the Christmas activities in the community.

Watch this column for further information on the above.

## Local Gold Star Winners Attend District Banquet

Top 4-H Club members for 1960 from 20 West Texas counties were honored Monday night, Dec. 5, at Lubbock at the third annual Gold Star Banquet. The recognition event is sponsored by 12 rural electric co-operatives to honor county winners in District II of the Texas Agricultural Extension Service.

Cochran County winners were: Laquita Masten and David Haralson, both of Morton.

Approximately 300 club members, their parents, adult leaders and guests attended the banquet held in Memorial Hall of the First Methodist Church. Guests speaker was U. S. Rep. George Mahon. State Sen. Preston Smith was master of ceremonies. Bob Nash of KFYO was narrator. J. W. Coopedge, manager of the Hall County Co-op, Memphis, gave the welcome address. Gail

Phillips, Tahoka, responded. Dinner music was provided by Olivia Worthen, Petersburg.

Gold Star winners were introduced by Mrs. Aubrey Russell and W. H. Jones, district agents.

Sponsors included: Bailey County Co-op, Muleshoe; Caprock Electric Co-op, Stanton; Dickens County Co-op, Spur; Hall County Co-op, Memphis; Lamb County Co-op, Little-

field, Lea County Electric Co-op, Lovington, New Mexico; Lighthouse Electric Co-op, Floydada; Lone Wolf Electric Co-op, Colorado City; Lyntegar Electric Co-op, Tahoka; Mid-west Electric Co-op, Roby; South Plains Electric Co-op, Lubbock; and Swisher County Co-op, Tulia.

The Gold Star award is the highest honor a 4-H member can achieve on the county level.

## SINGING GROUP MEETS SUNDAY

The regular second Sunday "Singing" will be held Sunday afternoon, Dec. 11, at the First Assembly of God Church, Morton, it was announced this week.

Henry Bedwell will be in charge of the singing. The public is invited.

## Headlines...

By Eddie Irvia

A PERFECT EXAMPLE of how rumors get started occurred in Morton a couple of weeks ago around noon Wednesday, when a Spanish-American farm laborer got his foot caught in a boll puller.

Immediately . . .

A CALL FOR help was sounded and the man who called Sammy Leverett (Funeral Home manager) advised that a welding torch would also be needed to extricate the injured man from the machine.

a few minutes . . .

PRIOR TO ALL of this the fire engine headed east toward Levelland on what turned out to be a routine trash fire run. Nevertheless, all the onlooker knew was that the fire engine headed east.

as Sammy hung . . .

UP THE PHONE and started to leave on his emergency call to where the injured man was caught, he first dialed the Sheriff's Office to tell Chester Miller, deputy, to get a welder to the scene.

consequently . . .

THE AMBULANCE headed out southwest toward the accident and Miller headed out north, toward Morton Welding Shop. When Miller arrived there he found he was minutes late and Mike Walden had already gone home for lunch. So he came roaring back toward Walden's house, and a few minutes later was heading north again, with Walden, taking him back to the Welding Shop to get his torch.

the sum total . . .

OF ALL OF THIS was the fact that the bystanders got a view of ambulance, fire trucks and police cars going every direction with sirens blasting.

while all this . . .

WAS GOING ON, we were out-of-pocket and when we got back to the office we were immediately asked what all was going on. Unaware of anything, we were filled in with the details, that fire trucks, ambulances and police cars were headed in all

directions.

It's amazing . . .

THE NUMBER OF auto accidents, cars on fire, people burned up in house fires, etc., that were announced that afternoon. Fortunately, even though it was Wednesday afternoon, we were able to contact those who knew facts, and get the story straight . . . but, because it was so late in the publication of the paper, all of the commotion that was going on, never did get into the story.

all of this . . .

IS NOT MEANT to prove anything rather to explain all of the goings on at that particular time, which had a lot of folks wondering

but speaking . . .

OF EMERGENCIES, it has been called to our attention that last weekend, a man at Bledsoe was kept alive by some quick thinking on the part of an ex-Navy Corpsman. We have, on several occasions in the past, published information concerning artificial respiration and how, through quick application, a life may be saved. Usually, we chose a time when no one has recently been electrocuted or drowned, so as to spare the feelings of a family that was left behind.

we have had . . .

SITUATIONS in which it is quite possible a life would have been saved, if someone had known what to do. Now we have a situation in which someone was around, and the person who was shocked into unconsciousness, is alive.

the accident . . .

OCCURRED WHILE a man was using a drill atop a tin grainery at Bledsoe. A short circuit sent 110 volts through him and he was immediately knocked unconscious. While aid was being summoned, a Corpsman rushed in and applied artificial respiration and by the time Dr. Flanagan, from Memorial Hospital and the ambulance arrived, the victim was sitting up and didn't require hospitalization, just on the spot medication.

there is . . .

EVERY REASON TO BELIEVE that the victim might have died without artificial respiration. This much is sure. By the time it took for the ambulance carrying the doctor

to arrive, and that was only a short time, it would have been too late to save the man through artificial respiration.

this graphic . . .

PROOF THAT A man's heart was either kept beating or restored to beating after a slight moment of stoppage, should convince everyone of the importance of knowing what to do in an emergency.

in this case . . .

FOR THE CORPSMAN to go summon aid, and then come back and apply artificial respiration would have been too long. The good, to be accomplished by him, had to be administered immediately.

it has been . . .

CALLED TO OUR attention that in our report of the pick-up truck mishap last week we got the location wrong. The mishap, instead of occurring on the Portales Highway, occurred on the FTM Road just west of Bledsoe.

although Texas . . .

DEPUTIES DID go to the scene of the accident, it was "worked" by New Mexico patrolmen, and we did not talk to them. We got our information from an officer who was not at the scene of the accident and we appreciated the "news tip" which came at a late hour on press night.

naturally . . .

WE HAD VERY little time to run down any details about the accident, and we didn't question the location of the accident when we were told it was on the highway west of Morton, just across the state line.

the man who . . .

CALLED IT TO our attention, says that on several occasions when a mishap has occurred on the "Bledsoe curve," in the past, we had the location wrong. It occurred to him that someone might be deliberately "playing down" the many accidents that have occurred on that stretch of road, just northeast of the nearest bar, located in New Mexico.

we are not . . .

CONSCIOUS of such being the case. We have a deep conviction that it is not the case. We are neither so naive that we believe that so many accidents just happen to occur in the area around the bar,

the public . . .

WITHOUT liquor being involved; nor are we so prejudiced that we assume and even insist that because an accident occurs in the area of a bar, that alcohol must be involved.

on more than . . .

ONE OCCASION we have been tipped that alcohol was a contributing factor to an accident. But until such time that alcohol is involved to the extent that a charge is made, we have neither the right to assume, comment on, or editorialize about it.

as for the . . .

REASONS WHY the alcoholic factor doesn't make the police report, the general public is to blame for that. Officers, with dead sure proof that a person has been driving a car under the influence of alcohol, have found out a long time ago that dead sure proof isn't enough in a court room. You have to have MORE THAN dead sure proof. An officer's word isn't worth a nickel, a lot of times, simply because the public and the law profession don't want it that way.

we have sat . . .

IN OUR OWN local courtroom and heard area lawyers (none from Morton, we are proud to say) spend great lengths of time badgering, hammering, hounding officers' testimony, and inferring and even outright questioning the honesty of the arresting officer. We wonder if even laboratory reports are strong enough proof to convince a jury of a man's guilt.

it should be, easy . . .

TO SEE, that after being insulted and hammered around a courtroom three or four times, an officer soon learns to charge a person with DWI only when he feels sure he has an air tight case of proof. The consequence is that often times a drunk driver is charged with a lesser violation . . . not because anyone wants to protect him, but because an officer wants to protect himself. False arrest, or improper charging suits against officers cost the officer grievance and money to fight in court. Though it would be hard to prove an innocent officer guilty of such a charge, all he needs is one or two situations where he has to fight such a case, or thinks he will have to fight such a case, and he soon loses his taste for "protecting" the public at all costs.

the public . . .

JUST DOESN'T APPRECIATE IT.

one of the first things . . .

WE ALL ADMIT, is that we never want an innocent person to be adjudged guilty, either in a court of law or by his neighbors. We as neighbors must work unceasingly to become both the judge and jury of our neighbors.

It is often . . .

A HARD JOB to keep our own personal prejudices from showing. It is often hard to discern the difference between a situation where we have a right to speak out, and the one where we only "think" we have the right. We must unceasingly work toward giving one another the benefit of any "reasonable doubt."

It is our opinion that our present group of law enforcement officers do that. It is our hope that we will always be able to do the same.

Work Begins On Christmas Issue of Tribune

Work began this week on the annual Morton Tribune Christmas edition which will be placed in the mails on Dec. 22.

### GAS SAGA—

(Continued from Page One)

to disgruntled people, without them being satisfied that people with pull had gas pressure and others had none.

But things will be better when the new line is in. At that time the city will have an auxiliary line that will be set to automatically cut in when pressure drops to a certain pre-designated figure.

The contractor said the line was nearing completion when the cold weather hit.

Seagler said the auxiliary line would make possible enough gas service to take care of a town of 10,000 people. He said in the height of the cold snap, the city had about one-third as much gas as it could have sold.

The city had been discussing and dickered over the additional gas service for the past three or four years, and about a month ago signed a contract with Great Plains Natural Gas to tie into one of their lines.

Van Greene, local manager, said everything possible was being done to expedite the installation as soon as the contract was signed this past month.

### JUNIOR HIGH CAGE TOURNEY SET FOR CITY

Morton will host a junior high basketball tournament on December 15-16-17, it was announced this week.

There will be 16 teams entered in the tourney, which will be an 8th grade tourney for boys and girls, but will also include the Morton 7th grade girls team.

Matched in the first round in the boys bracket will be Muleshoe vs. Bula; Sundown vs. Plains; Morton vs. Whiteface and Sudan vs. Pep. In the girls' bracket, the only change will be that Sundown will play the Morton 7th grade team.

### Poll Business On Holidays To Be Observed

A poll was begun by the Tribune this week of firm's plans for the Yuletide holidays.

Firms desiring to express their plans now may contact the Tribune.

### WEEK-END GUESTS

Mr. and Mrs. Ronnie Morgan, Mr. and Mrs. E. L. Morgan and Cle Parsley of Dallas were week-end guests in the home of Mr. and Mrs. M. J. Morgan.

### ICE STORM—

(Continued from Page One)

afternoon and night if weather conditions didn't change, due to the building up of ice on their lines.

Earl Crum of Cochran Power and Light said Wednesday night the ice had reached a half inch thick, and that when it got to 3/4 of an inch in thickness the power lines would be in serious trouble.

Crum said the 3/4 of an inch of ice would weigh about 400 lbs. to the span of wire and it would snap some of the lines. He said they had one line snap early Wednesday on the eastern edge of town, to the bowling alley and Silvers Butane, but attributed that to a falling tree limb. He said tree limbs breaking under the ice strain could also cause serious damage.

He said a check with the weather bureau revealed it should warm up a little this morning (Thursday) but would get colder Thursday night. He said until that time they were bordering trouble and could only hope the ice build up stays under 3/4 of an inch until morning brings a warming trend.

### PARADE—

(Continued from Page One)

Journalism Class and War Whoop, Morton Tribune, "Scribe's Christmas," Junior Class, L'Allegro Study Club, "Christmas in an Atom."

Elementary Art and Choral, Cobb's Department Store, "Christmas in Holland," FHA, Methodist Men, "Christmas in Cannibal Land," Young Women's Auxiliary of the First Baptist Church, Morton Drug, "Christmas in Bethlehem."

Boy Scouts, Windom Oil and Butane, theme unavailable, Eighth Grade Choral, Allsup-Reynolds Chevrolet Co., "Tropic-Artic," High School Choral, "The Human Christmas Tree," Sixth Grade Choral, "Christmas in Hawaii," Seventh Grade Choral, "Christmas in Old Mexico."

Other floats are planned by the Blue Birds and the Morton Lions Club.

### STOP FROZEN PIPES

WRAP-ON electric heating cable or tape protects to 50° below. Easy do-it-yourself job. Just wrap it on. Sizes for all pipes. Priced \$1 up. Don't let your water pipes freeze. See us today.

### JETER HARDWARE

A Good Source of Supplies Southside Square Morton

Complicating matters was the continuing slow drizzle in the early night hours Wednesday, though the temperature had warmed up by a few degrees.

Oddly enough, the temperature

drop was only a few degrees below freezing most of the time, around 25 degrees at the coldest hours, but the sleet and mist, freezing, was causing most of the damage.

Cochran County, through Wednes-

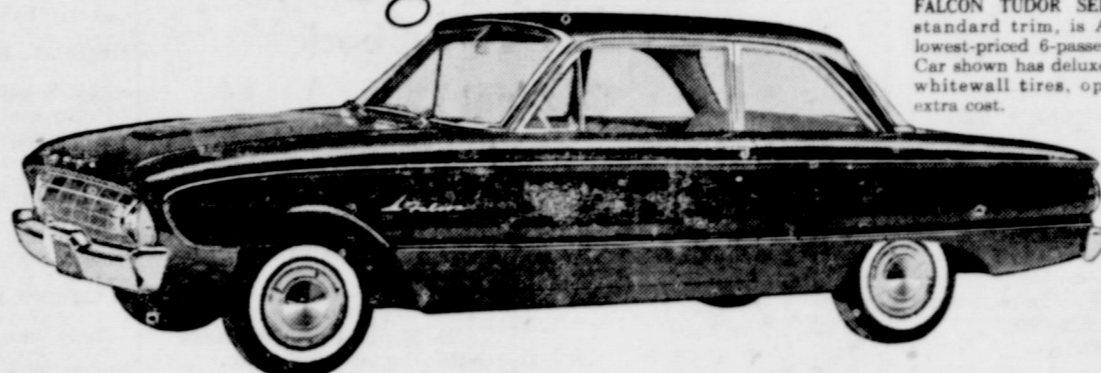

day at 10 o'clock was among those counties fortunate to have few accidents. A couple of fender bendings and one pick-up overturned north of Morton was all that had been reported. The overturning of the pick-

up injured no one, though four people were riding it.

Roads remained in dangerous condition and area residents were warned against driving any more than they have to.

## AMERICA'S LOWEST-PRICED 6-PASSENGER CAR!

Sometimes I amaze myself!

FALCON TUDOR SEDAN, with standard trim, is America's lowest-priced 6-passenger car. Car shown has deluxe trim and whitewall tires, optional at extra cost.

Even more amazing, Falcon is priced as much as \$505<sup>+</sup> less than the new-name compacts recently introduced. But maybe you think more money means more compact car? No! Fact is, Falcon gives you more—much more—of what you buy a compact for.

You see, these new high-priced compacts are just too big and heavy to handle and park as easily as Falcon. That's why they make extra-cost power brakes and steering available. With all their excess bulk, how would they go up to 30 miles on a gallon like Falcon? And although they're bigger outside . . . where you don't want it . . . they have about the same room as Falcon inside. Falcon takes 6 people in the same comfort and luxury as the highest-priced compacts.

Pay more? What for! Only Falcon has that winning combination of compact features. That's precisely why Falcon is America's best selling compact car . . . over 500,000 richer owners already!

WHITEFACE TOURNAY

(Continued from Page One)
and Sundown girls advanced into second round games of the Whiteface Basketball Tourney on Monday night by splitting a pair of games.
Sudan's Hornets poured it on the Sundown Roughnecks by a 43 to 29 margin and in the other Monday boys game, Shallowater trimmed Amherst, 47 to 42.
In the girls division it was Sundown with an equally easy, 50-39 triumph over Sudan and Amherst turned the tables on Shallowater, winning the girls game, 51 to 39. Hot scoring Sue Janes, certainly

one of the most touted girl cagers in this area, poured in 32 points in a torrid performance to pace the unbeaten Sundown girls to their win. Elaine Stokes had 13 points. For Sudan it was Linda Masten 15 and Gale Masten 13.
Judy Bowman's 29 points topped the Amherst girls victory and was aided by Lena Hendrick's 14. For the losers, Ann Brown had 17 and Darla Henderson, 16.
In the boys games, Dewey Kelson of Sundown potted 14 points in a losing cause. But the well balanced Sudan attack was led by Jack Wilson with 13. Tommy Hood and Jimmy Forrest of Shallowater had 15 and 15 points for their team while John Blair potted 15 for the losing Amherst boys.
In games scheduled for today (Thursday) Sudan will meet Shallowater in the semi-final boys match and Sundown will face Amherst in the girl's division. Consolation games will be played by Monday's first round losers.
Friday's schedule will contain two consolation games in addition to the games involving the first round, lower bracket, winners.

NEWS and HAPPENINGS FROM the ENOCHS - BULA AREA

By Mrs. JEROME CASH
REPORTED "IMPROVED"
The mother of Buford Peterson was reported to be much improved last week-end. She is at her home near Spade. She is recovering from a recent heart attack.
STILL HOSPITALIZED
Mrs. Snider was still in Medical Arts Hospital at Littlefield last week, but hoped to go home over the week-end.
PASTORS VISIT
Friends of the families of Bro. Motes and Bro. C. C. Dorn, both former pastors were glad to visit with both families Sunday afternoon at the Methodist Church.

FAMOUS TREE NEAR ROCKPORT
You won't believe it until you see it for yourself.
It's the largest live oak tree in the world, and it's located by Goose Island State Park near Rockport, in Aransas County, on the Gulf Coast.
This majestic symbol of the ages is more than 2,000 years old, having burst into life a hundred years before the birth of Christ.
From its majestic trunk, branches spread forth 118 feet to shade the approximate area of a city block.

REOPEN GARAGE
The garage in Enochs formerly operated by Cleo Hall is being reopened this week by Dexter Sanders and Dwane Bryant.
HOME FROM E.N.M.U.
Janell and Sandra Seagler, Doris McBee, Stanly Smithers, and Keith Fred, all were home from E. N. M. U. at Portales, N. M.
VISIT FROM CALIFORNIA
Mr. and Mrs. Carl Wayne Hallford of California are visiting his parents, the A. D. Hallfords. Her parents are Bro. and Mrs. Motes of Lubbudde.
VISITED HER PARENTS
Mrs. Ronnie Ehridge and son Jerry spent the week-end with her parents Mr. and Mrs. Jerome Cash while Ronnie was deer hunting in California.
OUT OF HOSPITAL
George Autry is home from a Littlefield hospital where major surgery was performed on him last week.
VISITED IN IDALOU
Mr. and Mrs. Pete Hubbard and family and Mr. and Mrs. Bobby Hubbard of Idalou visited in the Enochs Community Sunday afternoon and attended the wedding of Phillis Fred and Norvell Roberts at the Methodist Church.

PREACHES SUNDAY AT EASTSIDE CHURCH OF CHRIST
Mr. and Mrs. Billy Watts and three children, who have been serving the Church of Christ in New Zealand, were guests this week in the home of his parents, Mr. and Mrs. Jack Watts, Morton.
Minister Watts preached Sunday night at the Eastside Church of Christ.
They were to leave this week for Denver, Colo. Their home is in California.

Local Methodists Plans Christmas Program, Sunday
The annual Christmas program will be presented Sunday night at the First Methodist Church, Morton, following a play by the Wesley Players of the Methodist Student Center at Texas Tech.
The Tech students are to present

"The Blue Tea Pot" at 6 p.m. The play is based on events in the life of John Wesley.
The Christmas program will be under the direction of Mrs. W. C. Hulse. The public is invited.
HOSPITAL BOARD TO MEET
The regular second Monday night meeting of the Board of Management of the Memorial Hospital will be held December 12, at 8 p.m. in the hospital dining room.
