City school activities are looming

Three short weeks remain in the 1965-66 school term gets away in Morton Monday, August 23.

Lanier, superintendent of schools, released the official calendar today as an aid to parents and school children in planning school and other activities. The calendar, he said, follows substantially the pattern that has existed in previous years.

Importance to newcomers in the school district, Lanier emphasized, is the registration of all students attending the Morton school prior to the upcoming year. Registration August 23 in the principal's offices. This is all except the first graders who have their own separate sessions set for August 21 and 22.

Lanier stressed that students who attend the Morton schools the year have been already prepared, and need not register on August 23.

Students will not be released to the classrooms until 8:30 teachers in the system reporting for duty earlier.

Members of the faculty are set at 1:30 p.m. August 25, but drivers will convene at 8 a.m. on the same day for a session.

Training for all teachers will be conducted Thursday, August 26-27, from 9 until 4 p.m.

First day of instruction August 30 will be a full and complete schedule, Supt. Lanier said.

Bus drivers will make their initial lunch will be served in cafeteria.

Observing holiday will be observed Thursday and Friday, August 25 and 26, with school dismissed early at 2:30 p.m. preceding Wednesday. De-

vacancies still remain to be filled before the faculty of the schools is completed for the 1966 year, Supt. Ray Lanier said.

Positions include a high school physical education teacher, filling a vacancy caused by the resignation of J. J. Jenkins; a choral director to replace Guy McLain; and a special education instructor to assume duties formerly held by Mrs. Beulah Cross, resigned.

A junior high school principal to succeed Robert Taylor, resigned.

When complete, the faculty will include a total of 71 teachers, and administrators, including counselor and librarians.

Lanier said he was especially interested over filling the high school post, since qualified instructors in that field are difficult to find. The superintendent had to date contacted 17 schools and universities in Texas, and several colleges in New Mexico and Oklahoma, in an attempt to secure personnel. He had contacted one possible candidate from as far as West Vir-

ginia, he expressed confidence that opening day of school will see all positions filled.

September 21 will be the last day of school prior to the Christmas holidays, with classes to dismiss at 2:30 p.m. School will reconvene on January 3.

Students will have their next holiday on March 4, when teachers will be attending the District 8, TSTA meeting in Lubbock. Easter holidays will begin with a 2:30 p.m. dismissal on April 6, and continue through April 11.

Baccalaureate services for seniors have been scheduled for May 15, with May 17 marked as the final day of school for graduates. Last day of instruction for other students will be May 20, the same date as senior commencement.

Final report cards will be issued on May 23, at 8:45 a.m.

The 1965-66 school year will include a total of 176 days, according to the calendar.

Expanded mail service for city is still possible

Possibility of an increase in mail service to and from Morton to twice daily still is very much alive, according to Jesse T. George, state representative from this area and manager of the Morton Area Chamber of Commerce.

George stated today that he had been informed a post office representative from the Dallas regional office would be in Morton in the near future to check on the current situation.

Hopes for doubling of local mail service were first instigated several weeks ago by George in his dual capacity as state representative and Chamber manager, who

requested the help of Senator Ralph Yarborough and U. S. Congressman George Mahon. Both men pledged their cooperation and help, and both have followed through on their promises by working through various channels.

Latest communication was forwarded to George by Sen. Yarborough in a letter to the statesman from the office of the assistant Postmaster General in Washington, D.C.

The letter stated, in part, "Recent changes in transportation have improved connections so that most of the mail that has been arriving at 11:45 a.m. now arrives at 7:30 a.m. The star route from Littlefield, which arrives at Morton at 12 noon, brings in the remainder of the preferential mail that formerly arrived on the 11:45 a.m. trip. For these reasons, the 11:45 a.m. trip was eliminated. However, complaints have been received and regional officials are giving further attention to this matter."

"Please be assured that appropriate action will be taken to insure that adequate postal transportation service is provided for Morton."

Senator Yarborough had advised that a formal request for increased mail service be initiated by the Morton postmaster, and this was done in a communication by Postmaster Crone July 29, in which he explained that the second mail trip in and out of Morton through Levelland to Lubbock, which had been requested, is to take care of businesses in this area.

Crone pointed out that before the 11:45 a.m. trip was eliminated, it was possible to mail a letter on the morning trip and it would be delivered to its Lubbock address

Survives drouth, fire, robbery —

Last Frontier bank celebrates anniversary

Observing almost a quarter century of outstanding service to Morton, Cochran County and the area while successfully withstanding two severe drouths, a robbery and a devastating fire, is First State Bank, which received its original charter 24 years ago on August 2.

Through this 24-year period, the bank has emerged from the sand dunes of the county to its present status of nearly \$6 million in assets — a tribute to its ownership, management and loyal employees.

For the greater part of its history, First State Bank was under

the able administration of W. W. Williamson, venerable dean of banking still residing in Morton, who began his banking career many years ago in Kirkland, and came to this city from Lake View. In late years, the administration passed into the hands of his son, T. K. Williamson who served as president for three years before the Williamson interest was sold to the present stockholders in 1962.

On August 2, 24 years ago, a charter was delivered to the officers and directors of First State

Bank on its opening day by J. M. Falkner, then departmental examiner and now state commissioner of banking. The date coincided with Mr. Falkner's own birthday, and as a result, First State has been intimately and affectionately known by him as his "birthday bank".

W. W. Williamson, with a few minor stockholders, was responsible for the bank's organization, even against the advice of some of the best bankers in this section of the South Plains who had warned that a bank here at that time

would not pay. But Williamson's belief in the future of Morton and its trade territory, together with the confidence of his board of directors and a loyal group of employees, resulted in the enterprise thriving. From an area of all dry land farming and sand dunes it has become recognized as one of the best country banks in the entire state.

It was no bed of roses, Mr. Williamson recalled this week.

Two different years during the early times of the bank, the county ginned less than 1,000 bales of

cotton as it was gripped in the throes of severe drouth.

On September 5, 1945, at 12:30 p.m., the bank, then in the present location of the Cochran Power and Light Company, was robbed at gunpoint of \$17,692.46. Employees and officials alike were herded into the bank vault as the robbers made their escape. It was learned later that the trio of robbers — one being on the 10 most wanted criminal list in the U.S. — had holed up briefly near Biedsoe. All

New ordinance on dogs, cats in city effective Sept. 1

Morton's newly adopted dog and cat ordinance will become effective September 1, and after that date pet owners will do well to be sure they are not in violation of specific requirements as outlined in the ordinance, which was published in its entirety in the July 29 issue of The Tribune.

In preparation of the Sept. 1 date, arrangements have been made for a qualified veterinarian to be in Morton today (Thursday) to vaccinate dogs and cats against rabies. Such vaccination is required for all such animals by the new ordinance.

Hours will be from 1 to 5 p.m., at City Hall and City Secretary Elra Oden said this one visit by the veterinarian was the only one presently scheduled here prior to Sept. 1. Veterinarian in charge will be Dr. Jerry Gleason of Muleshoe.

Oden also reminded owners of dogs and cats that, according to the ordinance, each such pet will be required to have a tag and collar, the tag to be stamped with the year and a number corresponding to a license certificate obtained by the owner at the time the tag is issued.

Salts of the certificates will begin Sept. 1, and will cost \$4 for each dog or cat, and a current certificate of vaccination must be presented at the time the certificate is purchased. Oden said tags have been ordered and are expected to arrive by the time the ordinance is in effect.

According to the ordinance, no unlicensed dogs or cats, or those of fierce or dangerous propensities, or female animals of those species who are in the mating season will be allowed to run at large within the city limits. Those found at large, upon premises other

City equalization board to convene

Members of the city board of equalization are scheduled to meet Monday morning at City Hall to begin review of tax rolls.

The board will check assessments made on local properties for 1965 taxes, payable in 1966, and will make whatever changes they deem necessary. Some property assessments may be found to be entered on the tax rolls at too low a figure, while others may possibly be listed too high.

Property owners whose assessments are changed by the board will be notified by the City, it was pointed out. Anyone desiring may then attend another meeting of the board of equalization, slated for August 20, to discuss changes or taxes in general.

★ Boosters

Kenneth Thompson, president of the Morton Athletic Boosters, has called an organizational meeting of the group for Monday, August 16, at the high school.

Officers for the coming year will be elected, and plans formulated for the coming year. The meeting is scheduled to begin at 8:00 p.m.

Supervisor hired for school cafeteria

Mrs. Opal Priddy, well-known resident of Morton, has been employed as supervisor of the school cafeteria for the upcoming year, Supt. Ray Lanier announced today.

Mrs. Priddy is the former owner of a local cafe, and currently is preparing meals for the Morton Lions Club. Lanier said Mrs. Priddy plans to continue serving the Lions Club by using extra help on Wednesdays.

Supt. Lanier also reported that Mrs. Sue Stevens, cafeteria employee, would be returning this fall on a regular basis. She found it necessary due to illness to relinquish her duties for a short time prior to the close of the past school year.

Tempo of Rodeo activities increases

Tempo of activities is picking up as only one week remains before the three-day festivities here of the Last Frontier Rodeo, set to open Thursday, August 12.

Officials in charge are completing last minute preparations, and announcement was made early this week that a country music

festival would again be held to provide even more pleasure and activity for local residents and the hundreds of out-of-towners expected to converge on Morton for the rodeo week-end.

Members of the Cochran County Sheriff's Posse, in charge of the opening day parade, met Tuesday

night and reported that firm commitments had been received from eight senior riding groups and five junior riding units.

Senior riding groups or sheriff's posses to appear will include Lamessa, New Deal, Andrews, Roosevelt, Chavez County, Levelland, Lovington and Denver City, while junior units will be from Plains, Lubbock, Roosevelt 4-H, Hockley County 4-H and Dawson.

The local sheriff's posse has scheduled a Monday morning meeting at the Wigwam Cafe to determine parade route and complete all other details.

Parade will be held at 4 p.m. next Thursday, when entries will be judged for the awarding of prizes.

Just prior to the parade, men of the area who have gone all out in the beard judging contest will vie for the honor of having the most novel, longest and bushiest beards. Judges will be the six lovely candidates for Rodeo Queen, and site for the moment of truth will be the courthouse square, near the "jail" which has been erected for offenders to the beard-growing edict.

Following the parade, a supper will be served by the Cochran County Sheriff's Posse to all members of visiting riding groups ap-

Who's arresting who? . . .

JERRY DANIEL, left, official Chamber of Commerce "Sheriff," arrests deputy sheriff Chester Miller for being clean-shaven Tuesday afternoon. The "arrest" was penalty for not participating in the C of C beard growing contest in conjunction with the 15th annual Last Frontier Rodeo to be held in Morton Au-

gust 12-13-14. A temporary jail has been set up on the south side of the square to house all offenders, and "Sheriff" Daniel claims arrests will be plentiful next week for non-conformists. After a few minutes in confinement Miller relented and purchased a shaving permit and was turned loose. TRIBpix

Residents watch UFO zip across sky

An unidentified flying object was sighted north of Morton Tuesday night by several area residents. No report of what the object might have been is available.

The object was first sighted by Robert Lanez of Enochs, who reported the object to the Cochran County Sheriff's Office at 9:50 p.m. Night police dispatcher Dwayne Miller who was on duty at the courthouse also spotted the object through binoculars after receiving the call.

Miller stated that the object was northeast of Morton at the time of his sighting. Both Miller and Lanez reported that the UFO

changed colors from red to blue to white and then back to red. Both men also reported the object had a "tail" something like a meteor. Miller estimated the object was at from 10,000 to 12,000 feet, and was traveling fairly fast.

The object was traveling in the direction of Littlefield, and the police department there was advised. Police officers in Anton and Littlefield also reported seeing the object, and they verified that it changed colors and had a tail. Littlefield officers reported seeing the object from five to ten minutes before losing sight of it.

Reese Air Force Base at Lub-

bock was advised of the object and they reported that no planes from the base were in the vicinity. Lubbock radar reported seeing no object on their screen, after being informed of the UFO.

Mr. and Mrs. Jerry Daniel and Mr. and Mrs. J. A. Daniel saw an object soar through the sky Sunday night as they were returning to Morton from Amarillo.

They were in the vicinity of Hereford when they saw what looked like a bunch of roman candles cross the sky in the distance to the south. They said the object turned a brilliant orange before disappearing.

Sing service at 1st Baptist Church

The Sunday evening service at the First Baptist Church will be entitled "A Day of Singing and Praise". The 7 p.m. service will include sermon in song, special music and scripture reading.

Purpose of the evening affair is to strengthen the congregational singing and music in the church and to emphasize hymn singing as a part of the Christian worship.

Federal funds available for low income students

Possibility of an additional estimated \$33,500 in federal funds for school districts within Cochran County was seen today following a meeting of officials from the various schools with a representative of the Texas Education Agency.

According to the limited information available locally, the federal program would allot a total of \$180 per student, which must be used for new educational programs within the various school systems to benefit the low-income scholastic.

The funds, available through the new Elementary and Secondary Education Act of 1965, adopted this year by the federal government, are earmarked to benefit students from families with a \$2,000 or below yearly income.

It is also understood, but not confirmed, that the funds would be available for the current 1965-66 term to school districts.

Details of the program remain vague at this time to county school officials, who expect to be briefed on qualification necessities and degree of federal control at an area workshop, date of which is yet to be announced.

School officials also pointed out that surveys of this type are currently being carried out in all counties by the Texas Education Agency, and that it was different in that respect from other federal proposals which must be applied for by individual school districts.

During the session of school representatives held here, an estimated figure was given of 221 scholastics within the county limits being from homes with an earning of \$2,000 or less per year. Of this number, 111 were considered to be within the city limits of Morton.

Breaking it down further, by school districts, and basing figures on the 1960 federal census, there would be 152 eligible scholastics in the Morton district; 46 in Whiteface; 17 in Bledsoe; two each in Pep and Three-Way. It was pointed out that with the exception of Morton, all other school districts include areas not in Cochran County.

"Proof of compliance with all applicable conditions stated above, shall constitute a complete defense to any suit for ad valorem taxes levied or attempted to be levied by any other taxing entity other than the State of Texas itself."

That amount, as of July 1, represented \$249,689.20 collected from a tax roll of \$260,605.87.

"This Amendment shall be self-enacting."

Last year, at the same July 1 date, Hodge said 96.1 per cent of the school taxes had been collected, with 96.75 per cent paid at the end of August when the tax books are closed.

FOR the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas.

The record of collection is an admirable one, in view of the temporary economic slump due to the drought. Many school districts, according to reports, are considerably below that figure this year.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state on an election to be held on the first Tuesday in November, 1965, at which election all ballots shall have printed thereon the following:

Section 1. That Section 51-a and Subsection 51-a-1 and 51-a-2 of Article III of the Constitution of the State of Texas be amended, to read as follows:

Rainbow observes Founders birthday with swim party

Rainbow girls of Morton Assembly Number 293 celebrated their founders birthday Friday with a swimming party and cook-out.

The girls met at the local swimming pool at 6:30 p.m. Each brought a "bundle of ten", which is a continuing project for the assembly. A "bundle of ten" is ten worn out nylon hose, which are sent to State Hospitals to be used in making stuffed animals, rugs, etc.

Girls attending were Peggy Thomas, Trezelle Hill, Rita Kay Bedwell, Teresa Mullinax, Karen Fred, Brenda Mullinax, Gail Rowland, Kay King, Pam Reynolds, Mary St. Clair, Sandy DeBusk, Deana Jackson, Janice Toombs, Katherine Masten, Doyleene Davis, Frankie Jackson, Charlotte Masten, Rita Monroe, and two guests, Connie Hodges and Denise Stotts of Ralls.

Following the swim the girls were treated to charcoal-broiled hamburgers prepared by J. C. Reynolds and Jack Wallace in the Reynolds home. Janice Toombs, Gail Rowland, Darlene Lytle, Kay King and Mrs. Reynolds made ice cream and cookies.

Mrs. Wallace and Mrs. T. A. Rowland were also present and assisted in the serving of the meal.

FENCE COMPLETED

A fence encircling the city's new water tower and pumping facilities in the Southwest part of Morton has been completely installed, according to city officials.

The cyclone-type fence is seven ft. high, with three strands of barbed wire on top. The approximately 708 feet of fence was an expenditure to the city of \$1633.00.

Installation of the fence is more of a safety factor than it is to keep the public from the water facilities.

4-H summer party held Tuesday District coaches favor DC in grid race; locals 2nd

A 4-H Summer Party, highlighted by presentation of a dress revue and announcement of winners, attracted more than 80 4-H'ers, adult leaders and parents Tuesday night.

WINNER in the junior division of the Cochran county 4-H dress revue, held Tuesday night, was Miss Marilyn Cade, daughter of Mr. and Mrs. A. E. Cade. She modeled an original shift made of brown striped denim, and fashioned with medium length sleeves and large pockets. As division winner, Miss Cade will compete in the district 4-H dress revue in Lubbock Aug. 12. TRIBpix

Junior Olympic games as well as a clever ghost story presentation. Winner in the senior division of the dress revue was Jan Thomas, daughter of Mr. and Mrs. J. D. Thomas, while Marilyn Cade won top honors in the junior section. Both young ladies will participate in the district Dress Revue at Lubbock August 12 where they will be competing against girls from 17 other counties.

Jan Thomas, 4-H Junior leader in clothing, also narrated the revue. Modeling garments made in 4-H clothing classes were Christy Cade, Marilyn Cade, DeAnn Ramsey, Deborah Whitehead, Patsy Jenkins, Sheila Corder, Mikella Windom, Leesa Cagle, Pam Cagle and Jan Thomas.

Home Demonstration Agent Jennie Allen announced the winners who had been judged earlier by Mrs. Jean Martin, home demonstration agent, Bailey County, and Mrs. Keith Bray, assistant educational director, Bailey County Electric Cooperative.

Blue ribbons went to Marilyn Cade Christy Cade, DeAnn Ramsey, Jan Thomas and Patsy Jenkins. Earning red ribbons were Sheila Corder, Leesa Cagle, Pam Cagle, Mikella Windom and Deborah Whitehead.

Miss Thomas, senior winner, made a Vogue Original blue wool ensemble for the competition. The checked jacket had bracelet length sleeves and buttoned to the dress at the collar. The dress was semi-fitted with short sleeves and a set-in dickey.

Miss Cade, junior winner, modeled a brown striped denim shift with medium length sleeves and large pockets. Her alternate, DeAnn Ramsey, daughter of Mr. and Mrs. D. A. Ramsey, had made and modeled a blue and red plaid A-line shift.

All girls who entered the revue received 4-H thimbles, and special prizes were awarded to the owners of the three top garments. A miniature sewing kit was received by Jan Thomas on her garment for the highest score. Marilyn Cade received a length of 100 per cent cotton material for second highest, and a 4-H bracelet was awarded to DeAnn Ramsey for third highest score.

Guests were met at the door as the evening's activities got underway, by Ricki Dansby, Vicki Kennedy, Ronnie Cunningham and Larry Hall. Each had different color crepe paper which was distributed to divide guests into four groups or teams. Guests tied the crepe paper around the heads or used the strips as a scarf.

Randy Clayton opened the party with the 4-H motto and pledge, and Marilyn Cade led songs.

Following the dress revue awards, the program was turned over to Ronald Hale, president of the Senior 4-H Club. He asked those present to align themselves into teams according to the color crepe paper they had been given. Lyndon Henderson, Jan Thomas, Sheila Corder and Marilyn Cade served as team captains for the Junior Olympics which followed. Teams were given points for placing first, second and third in any event. Scorekeeper was Homer Thompson, county agent. Winners received bubble gum prizes.

Lights were extinguished as a one-act play "A Terrible Ghost Story", was presented, and the audience heard the story of a timid young girl who took a lonely midnight ride. Dale Burris, Marilyn Cade, Lyndon Henderson, Jan

Thomas and Sheila Corder participated in special effects.

Cakes and cookies were served by Mrs. Jessie Clayton and Mrs. E. C. Hale, adult leaders, and Whiteface 4-H Club was in charge of vespers. Donna Reeves, Pam Cagle, Nina French, Leesa Cagle, Cathy Winney, Debbie Summerlin and Jackie Grant participated in the closing ceremony.

Decorations for the party were made by Ronald Hale, Janella Nebhut, Sue Srygley, Sheila Corder, Marilyn Cade and Jan Thomas.

Bride-elect is shower honoree

Miss Frances Breeden, bride-elect of Floyd Nesbitt was honored with a miscellaneous shower Friday, July 23 at the activity building of the Fifth Street Baptist Church in Levelland.

Hostesses were Mesdames Glynn Reid, Bob Walke, G. H. Tubb, C. A. Johnson, Jack Kirkham, Gordon McMillan, Guy Hicks, T. W. Moore, H. E. White, Bob Thomas, Earl Bartlett, R. O. Dennis and L. W. Hill. Hostess gift was an electric mixer and an electric can opener. Approximately 95 guests were registered or sent gifts. The bride's chosen colors of apricot and white were featured in the decorations and refreshments.

Miss Breeden is the daughter of Mr. and Mrs. John Breeden, Sr., Levelland, and Mr. Nesbitt is the son of Mr. and Mrs. G. G. Nesbitt, Morton.

The couple will exchange wedding vows August 6 at 7 p.m. at Fifth Street Baptist Church in Levelland. Friends are invited to attend.

Sheriff's Posse sets participation dates

Cochran County Sheriff's Posse will be riding in the rodeo parade today (Thursday) at Plains, it was announced following a meeting of the group Tuesday night. The unit will also participate in the rodeo parade at Ralls August 26, and will appear at the State Fair in Albuquerque, New Mexico, Sept. 18.

District coaches favor DC in grid race; locals 2nd

Football coaches in District 4-AA, without a dissenting vote, named Denver City as the team to win the 1965 district championship. It was revealed last week.

The grid men predicted Morton to finish in second, followed by Frenship, Slaton and Post, in that order.

Using a 5-4-3-2-1 point basis, with five points as a first place finish, four as a second place, etc., Denver City rated a perfect 25 points out of a possible 25 in balloting by the coaches. Morton received 18 points, Frenship 13, Slaton 12, and Post 10.

Morton was named to finish in second place on three ballots, and in third on the other two. Frenship received one second place vote, a third, a fourth, and a fifth, along with a tie for third. Slaton was named third on one ballot received three fourth place votes, and a tie for third. Post received one second place vote, three fifth place votes, and also a tie for third.

Denver City Mustangs, defending champion of the district, is returning 13 lettermen from last year's squad which won 13 games and lost only one. Coached by Don Orr, who has headed the Mustangs for eight years, the D.C. team has three offensive starters as well as four defensive starters back. Strong points of the Mustang team this year appear to be their desire and attitude, while lack of experience is their main weakness according to word out of the Denver City camp. They will run out of the split-T formation again. Quarterback David Mitchell and Jimmy Young will lead the Mustang attack, and both boys are potential all-state material.

The Denver City line appears to be exceptionally strong, with four lettermen returning at end; three at tackle; three at guard, and one at the center slot.

Morton's Indians, under head coach John P. Jones, have twelve lettermen back this year including five offensive and six defensive starters. A wing-T formation will be employed by the Indians, who appear to have power but very

little speed. Jones, who has been working with the Indians six years, can field a starting line-up consisting of all lettermen, as he has men returning in every position.

Frenship Tigers
The Frenship Tigers, who had a 1-9 record last year, look as though they may have one of their best teams in many years. They have nine lettermen back this year, including six regulars. Lettermen are returning in every position except halfback.

Norman Roberts is head coach at Frenship, and has been in charge of the Tigers two years. Speed seems to be a strong point in Frenship's favor, but lack of depth on defense may bother them.

Slaton Tigers
Slaton, who had a 5-5 record last year and one of their finest ball clubs in a long time, has five offensive and seven defensive starters returning in eleven lettermen. Lettermen return in every position for the Tigers.

Neal Chastain heads the Slaton coaching staff, beginning his second year in that position. Backfield strength is a definite asset of the Tigers, as they return five lettermen in that department. Overall improvement and more power appear to be strong points for the Slaton squad, but the Tigers are apparently short of a break-away threat and their kicking game leaves something to be desired.

Post Antelopes
Coach Glynn Gregg begins his first year as head man at Post after serving three years as assistant. The Antelopes have seven lettermen back this year, but only three starters return.

Post will run from a pro-T offense, and they are expected to put the ball into the air a lot this year, because passing is one of their definite strong points. Of the seven lettermen returning at Post, three are ends.

The Antelopes finished second in the district last year, and had a 3-7 overall record. Weak points at Post this year appear to be lack of experience, depth and speed.

PCG voices disapproval of omnibus cotton bill

A budget of \$261,500 for 1965-66 was adopted and disapproval of the cotton section of the omnibus farm bill now before Congress was expressed, at the annual meeting of the Plains Cotton Growers, Inc., directors held in Lubbock Thursday.

The budget adopted is under the previous year's \$319,900 which contained \$30,000 frozen for use in the diapause boll weevil control program. Thus, the amount budgeted is approximately the same.

PCG executive vice president Donald Johnson pointed out that the reduction reflects lower PCG income derived from a lower crop

PCG has opposed the direct payment to producers recommended by the bill, along with the low price support loan level. The bill also calls for a 15 cent cut in average by which a farmer qualifies for support.

A straw vote was taken on the suggestion of PCG President Roy Forkner of Lubbock. It showed that a majority would plant only 65 per cent of their allotment and two men said they'd plant all they wanted.

A cut of \$2 million in income for Parmer County was predicted by Al Hartzog, Parmer County Cotton Growers Association, if the bill passes. His organization represents approximately 1,500 growers.

About 45 persons attended the three hour session, and not one spoke in favor of the bill. Tim Cook of Lamesa said that a provision of the bill permitting unlimited plantings for growers electing to stay outside the program and selling on the open market without benefits of support loans or payments would kill cotton quicker than anything.

Annual Meeting of the Cochran County Cotton Growers Association has been called for tonight (Thursday) at 8 p.m. in the County Activity Building. Two new directors are to be elected. All farmers and business people are urged to attend, according to E. O. Willingham, committeeman for the county.

than usual last year. The harvest was down 184,895 bales last year and Johnson reminded the PCG income was based on a voluntary fee of 15 cents per bale from producers.

Don Anderson, Crosbyton, moved that the group protest the mailing of "slanted information" to producers by county ASCS offices.

"There can be no justification", he declared, "for using a tax-supported agency to lobby for farm legislation."

The motion was approved after it had been brought out that county ASCS offices last week were told to mail producers a statement on the cotton bill issued by Sec. of Agriculture Orville Freeman.

"This bill after 1966 gives the secretary of agriculture more discretionary authority on cotton than he's ever had", Johnson stated. He said that some veteran cotton men described the bill as the most revolutionary change in farm program concepts for cotton since 1933.

than the owner, will be picked up by the dog catcher and impounded.

"Owners, if known, will be notified with three days after impounding and may claim the animal by paying notice and pound fees. In case owners of dogs and cats impounded are not known, a notice will be posted at City Hall for three days describing the animals.

Dogs or cats not redeemed within five days after notice or posting of notice is made may be destroyed.

The ordinance also outlines handling of dogs or cats suspected or proved of having rabies, and makes provisions for assessment of fines against violators.

arrival in Morton on August 14 if entry is made by telephone. Entry fees will be used for prize money.

Entries are to be made with Jesse George, manager of the Morton Area Chamber of Commerce.

Contestants are to report to the Chamber of Commerce office in Morton at 10 a.m. Saturday, August 14, with all acts to perform at assigned times between 10 a.m. and 4 p.m. in Jim Reeves Memorial Park.

First place award will received \$125, second place will be \$75 and third place, \$50. Decisions of judges will be final.

Arriving Tuesday to spend a few days in the home of Mr. and Mrs. C. E. Luper were Mr. and Mrs. Richard Greenwell of Tustin, California.

Bookmobile

The Texas State Library High Plains Bookmobile will be in Morton Saturday, August 7, it was announced today by Georgia Pena, bookmobile librarian. Hours will be from 9:30 to 12 noon, according to the report.

Wednesday, the Bookmobile visited Bula from 10:30 to 12 noon.

Personals

Visiting Thursday through Saturday in the home of Mr. and Mrs. F. G. Kennedy was Mrs. W. H. Ford of Suda. Visiting Saturday were Mrs. Craig Wilkerson and Mrs. B. Brown both of Brownfield.

Rev. Fred Thomas of the First Baptist Church is leading a revival at the First Baptist Church at Trenton. The ten day affair will end Sunday. He is a former pastor of the church, having served there for seven years. Brother O. A. Graves is filling the pulpit.

A group of ladies from Morton including Virginia Moore, Jessie Waldrop, Tina Kuykendall and Velma Earley attended a showing of the new trends in hairstyling which is high and free and small head effect. The showing was presented by Jessie Lee Sharply and her teaching staff at the In Town Inn in Lubbock.

Week-end guests in the home of Mrs. Chester Baird will be her daughter, Mrs. Paul Cornwell and granddaughter and her husband W. T. Waters of Albuquerque, New Mexico and two great grandsons, Steve and Paul.

Mrs. J. D. Hawthorne and Mrs. W. B. McSpadden attended the Northwest Texas Conference School of Christian Missions in Abilene July 26-30. The school was held on the Campus of McMurry College. Mrs. Hawthorne is local Secretary of Missionary Education and Service in the Woman's Society of Christian Service of the First Methodist Church. Mrs. McSpadden is local president.

Grain sorghum may be shredded, says ASCS

Cochran County ASCS Committee has secured approval to permit producers to shred grain sorghum on diverted acres in any area where it is too dry to root plow the grain, Ruth McGee, county ASCS office manager said today.

It will be necessary to shred the grain sorghum prior to August 15, and as many times thereafter as necessary to prevent heads forming until after No. 1, otherwise the land will not qualify for diverted acres, Mrs. McGee explained.

Bank

(Continued from Page 1)

three were identified later — one serving time for the robbery and his other two companions meeting death through violence.

Then on June 18, 1946, fire broke out at the bank, destroying most of the building with the exception of the vault. Fortunately, no records were lost, and banking activities were transferred to Judge Strickland's office in the court house and the commissioners' court room. Monies were transferred daily under armed guard protection from the court house to the bank's vault until newly rebuilt bank facilities on the same site were re-opened July 22, 1946.

The present bank facilities were designed and planned by W. W. Williamson and built by the father and son, and the bank directors at a cost of \$122,000.

On August 28, 1962, the Williamson sold their interest in the First State Bank to a group composed mainly of local citizens. Present officers include J. K. Griffith, chairman of the board; Gene Benham, president; S. M. Monroe, executive vice-president; J. W. Smith, vice-president; James Dewbre, vice-president and cashier; Don Workman, vice-president; Tommy Harris, Nelda Fincher and Mildred Gunter, assistant cashiers.

Directors listed are Gene Benham, James Dewbre, J. F. Furgeason, J. K. Griffith, J. W. McDermott, S. M. Monroe, Hume Russell and J. W. Smith. All are from Morton and vicinity with the exception of Smith, a resident and banker of Lubbock.

Last year, First State Bank doubled its capital stock. Currently, time deposits are nearly a million dollars, funds which are mainly used for small loans, mostly in amounts of less than \$1,000, to responsible local citizens. Savings accounts have been encouraged in the recent years, and an installment loan department has been established, current figure of which now is approximately \$900,000.

First State Bank, through its continued policy of faith and belief in private enterprise shown in its small loans activities, has contributed in an unestimable degree to the continued health and prosperity of the community which it serves so well.

County crop outlook described as "good"

Though a little later than desired by farmers, crops over the county are coming on good and overall prospects are most encouraging.

Rainfall is needed, but the situation is not as yet critical, according to Homer Thompson, county agent, who was asked this week to outline the crop situation as he saw it at this time in Cochran.

"Cotton is now squaring and fruiting heavily", Thompson said, "and insects are not bothersome except in a few isolated fields."

Thompson did warn farmers to watch for nematode or wilt in cotton fields, and while it is too late for treatment now, spotting the infestations will allow farmers to do

something about it next year.

The county agent expressed concern that there is more infestation of nematode and wilt in cotton than in the past, and that it is spreading.

Dryland cotton, he commented, is looking good, and that especially is welcome news since there was very little dryland production last year due to the extended drought.

"We should have a pretty good crop, too, of grain sorghum, practically no feed last year", Thompson predicted. He estimated there was about 180,000 acres or more of sorghum in the county, one reason for the acreage being that a lot of new land has been

broken out this year and not eligible for cotton allotments.

Thompson said it was about time for midge to show if it was going to, and said there had been reports of damage already in counties to the east.

Grassland is in better shape, the county agent reported, than in two years, due to the good rains received earlier this year. Number of cattle in the county has dropped, because the drought conditions of last year, but there were no definite figures available.

Biggest current headache for farmers is the lack of farm help, critically needed at this time to move irrigation pipe and hoe cotton. No bracers are available, and persons willing to do that type of labor are very scarce. Consequently, Thompson said, irrigation pipe is being moved about half as often as it should, and cotton fields are remaining unhoed in many instances.

Jesse George is named by WTCC to top committee

State Rep. Jesse T. George, Cochran County's Austin lawmaker and manager of the Morton Area Chamber of Commerce, has been named to the important Industrial Development Committee of the West Texas Chamber of Commerce, it was learned today.

George, who is serving his first term in the Texas House of Representatives, plans to attend the first meeting of the WTCC committee August 11 in the City National Bank at Wichita Falls.

"The span of new industry into Texas over the past few years has meant new jobs, and in turn, new payroll, for the cities and com-

MHS gridders to report on August 11

A change in regulations of the Texas Interscholastic League this year permit football players to begin working out in shorts ahead of regular work-outs as long as they are not under the supervision of the school's coaching staff.

Morton Coach John P. Jones requested that all prospective 1965 Morton High gridders report to the field house Wednesday, August 11, to check out shoes and shorts so that they can begin working out on their own. Regular workouts will begin on Monday, August 16.

communities of our Great State," George commented. "Continued research and development will place Texas even higher up the scale as we seek and provide additional growth in these areas."

pearing in the parade. In the past, this has been open to the public, but a change in plans has limited it primarily to parade riders.

The rodeo itself, with its rough and tumble competition between man and beast, will get underway Thursday night at 8 p.m. with the Grand Entry, and the announcement of the winner in the Rodeo Queen contest. Rodeo performances are also scheduled for Friday and Saturday nights.

Rodeo events will include saddle bronc riding, bareback bronc riding, bull riding, head and heeling, calf roping, ladies' barrel race, junior flag races and kids' goat sack racing. First place winners in each event will receive a belt buckle and an all-around cowboy trophy will be presented at the conclusion of the rodeo.

Stock is being furnished by the JM Rodeo Co. of Crosbyton, and all entry fees will be returned in prize money. Rodeo offices will be maintained at the Morton Area Chamber of Commerce.

In overall charge of the annual Rodeo is the local Rodeo Association. Members include Rob Richards, president; and representative of the Sheriff's Posse, Leonard Groves, secretary; Don Workman, arena director; James Dewbre, representative of the Roping Club and Joe Seagler, Lions Club representative.

the same day in the afternoon, with return answer possible the following day. "Taking this service from the people of the Morton area is a bad thing", Crone said.

Currently, mail service to Morton is limited to one delivery per day with the possible exception of the small star route. The mail truck arrives from Lubbock at 7:45 a.m., then departs for Morton at 5 p.m.

Until just recently, Morton had two mail deliveries per day and it is to the end of having this schedule returned that local officials are working.

Mr. and Mrs. Richard Biggs and Jim returned recently from a vacation which took them to Snyder, Oklahoma where they visited in the home of her parents, Mr. and Mrs. James Blaine. They then returned their nephew and niece, Robin and Rhonda, to their home in Shreveport, Louisiana and visited with her sister and husband, Mr. and Mrs. Roger Callahan. They also visited with friends in the home of Mr. and Mrs. C. E. Luper were Mr. and Mrs. Richard Greenwell of Tustin, California.

"Let us hold fast the profession of our faith without wavering; (for he is faithful that promised.)"

Have faith in God. He will lead us in the right paths. He will never fail.

As the highways are clearly marked and numbered so that we might easily find our way from city to city and across the nation, God's word clearly marks life's paths

Attend church regularly and exercise your faith in God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

LEGAL NOTICE
Notice is hereby given that the Morton Independent School District will operate Morton Elementary and the Eastside Elementary School to serve the students in grades one through four. All legally qualified students of the Morton Independent School District enrolling in grades one through four will be able to choose the elementary school in which they are to enroll. No discrimination will be shown to any parent or student due to race, creed or national origin. Registration dates will be from August 16, 1965 through August 20, 1965. An opportunity to select the school in which each student will attend will be made at that time. Should one of the elementary schools become overcrowded due to this freedom of choice, the students living the greater distance from the overcrowded school will be transferred to the other elementary school.

Refund checks mailed to Bailey Co-Op members

Mr. D. B. Lancaster, Manager of Bailey County Electric Cooperative announces that the first Capital Credit refund checks were mailed last week to members who were receiving service from the cooperative during the year of 1952. These checks, totaling \$35,620.95, represent the money the member consumers paid in their electric bills during 1952 which was in excess of the actual cost of providing electric service. The cooperative is chartered under the state laws as a corporation and operates on a non-profit basis. At the end of each year's business, after an annual audit, the revenue received in excess of the expenses is credited to the individual members capital credit account in proportion to what he has paid for electric service during that year. The member then receives a capital credit certificate showing the amount of capital credits allocated to each of his accounts for that year. The checks, being mailed to 2,635 persons, are positive proof of the non-profit operations and are a definite advantage of local ownership. They are not dividends or interest payments, as some members have been led to believe. Rather, the checks are for actual capital invested in the financial structure of Bailey County Electric Cooperative. The Cooperative has been using this capital to pay principal and interest obligations on its long term loan; and to build up necessary reserves in order to keep a sound financial structure for self protection and to assure the members that they will receive adequate electric service at a fair and reasonable cost. After completion of an irrigation and Power Requirement Study, an accompanying engineering projection, with a long range financial plan, accepted by the auditor and banker, the Board of Directors and Management now deem that the cooperative is in a cash position to start refunding the members capital.

Student loans now available

Morton Area Council of Federated Clubs have funds available for Student Loans for graduates of Cochran County high schools, it was announced today. A maximum loan of \$200 can be given for each semester. The interest rate is 4 per cent with first payment being due six months after graduation from college. There have been some changes in the requirements for application since last year, making it less complicated to obtain a loan. Anyone wishing further information about the Student Loan Fund can contact their high school principal or Mrs. Garnett C. Bryan, chairman of the Student Loan Fund.

Dr. and Mrs. Carl E. Belk and Stephen have returned from a two week vacation where they visited in the home of her parents, Mr. and Mrs. Edger Taylor of Thornton.

Grand officers of Rainbow honored

Miss Pam Reynolds, Grand Im-mortality of Morton and Miss Jeanie Davis, Levelland, Grand Representative from Alaska to Texas, of the Grand Assembly of Texas were honored with a tea Sunday from 3 to 5 p.m. in the home of Mrs. T. W. Moore of Levelland. The honorees were presented corsages of yellow sweetheart roses. Misses Terry Shiflett, Vickie Goodman, Trezelle Hill and Peggy Thomas played musical throughout the afternoon. Guests registered from Muleshoe, Lubbock, Midland, Slaton, Big Spring, Clovis, New Mexico, Levelland and Morton. Attending from Morton were Pam Reynolds, Terry Shiflett, Peggy Thomas, Vicki Goodman, Zodie Ledbetter, Karen Fred, Teresa Mullinax, Trezelle Hill, Mrs. Jug Hill and Mrs. J. C. Reynolds. Mr. Lancaster points out that the cooperative is current on all of its principal and interest payments on the long term loans from REA. In fact, it has over three-quarters of a million dollars paid in advance, and has the recommended amount in the Renewal and Replacement fund. It is interesting to note that the Bailey County Electric Cooperative members paid an average monthly electric bill on farm meter of \$8.50 in 1952, and that the average amount of these refund checks is \$13.52 which is the equivalent of two months billing.

Nimrods to have 120 half-days for dove hunting season

Morton hunters will have a total of 120 half-days, to pursue the popular sport of dove hunting this year. Many other states have only 60 full days.

The season set by the Texas Parks and Wildlife Commission provides a substantial bonus for white-winged dove hunters in the Rio Grande Valley of Texas. This year, a full limit of mourning dove is permitted in addition to the limit of whitewings.

For mourning doves, the daily limit is 12 and 24 in possession (after the first day). For whitewings, the daily limit is 10 and 20 in possession (after the first day).

Old Fort Davis is vacation site

was established as part of the National Park System in 1963. The Fort is located on the northern edge of the town of Fort Davis, Texas, and can be reached from U. S. Highway 290 on the north, 90 on the south, and then by paved Texas Roads 17 and 118.

At nearby Davis Mountain State Park, motorists will find it a rough south for comfort in the winter, yet high enough for pleasant summer touring.

The Park's camping area is equipped with concrete tables, cooking grills, showers and restrooms. The camping fee is \$1.00 per day per car.
