RODEO ENTHUSIASTS from Morton and the surrounding areas will flock into Morton today through Saturday for the annual Texas' Last Frontier Rodeo. All rarin' to go is Cowboy James Darrell Warmark with his pal, Cocoa. James Darrell is the son of Mr. and Mrs. James Warmark. TRIBpix

Hearing on proposed budget set for Monday

The Cochran County Commissioners Court has been studying a tentative budget for 1966 of \$303,550.46, the estimated ending balance being \$196,867.94. The final adoption including alterations, if any, is expected at a meeting next Monday, August 16.

As prepared, the budget sets out estimated expenditures for the fiscal year of \$503,550.46, an increase of only \$14,358.46 over this year's budget. Anticipated balances at the close of 1966 have been placed at \$87,789.76, less than that expected, according to the current budget, at the close of 1965.

In computing the budget for the coming year, county officials have dropped the county tax levy to \$1.10 per \$100 assessed valuation from the previous \$1.25, reducing a special ad valorem levy from 30 cents to 15 cents.

Estimated valuation of Cochran County was pegged at \$28,000,000, approximately \$500,000 less than the preceding year. Total assessed valuation, it was pointed out, will again be based on approximately 17 per cent of the true or market value of property assessed.

Biggest single outlay in the proposed budget will be for salaries for county workers, approximately 40 per cent of the total expenditures.

Major source of revenue to finance the budget will be from ad valorem taxes, \$277,200. This is the amount estimated for collection, 90 per cent of the total tax levy of \$308,000.

Other receipts will account for \$138,560, including vehicle registration, state gasoline tax refund and lateral road monies received from the pro-rated gas tax from the state, bring total receipts to \$415,760. With the beginning of the year balances pegged at \$264,657, this will bring total resources to \$790,418 of that amount, as previously stated; actual anticipated expenditures are marked at \$503,550.46 leaving a balance at the close of the year of \$196,867.94.

Recapitulation of the budget for 1966 as proposed shows \$121,672 budgeted for the officers salary fund. A total of \$205,813.46 has been budgeted for the road and bridge fund; \$12,200 for the jury fund; \$85,215 for the general fund; \$32,900 for the permanent improvement fund and \$45,730 for the interest and sinking fund.

It is anticipated in the new budget that the jury fund will receive estimated receipts of \$12,600.00 — balance 12-31-1965 — \$10,505.01. Total available resources will be \$23,105.01, an increase of \$1765 over the 1965 figure due largely to a higher cash balance; road and bridge fund will be \$155,860.70, up \$2,000; lateral road fund receipts are estimated at \$15,800.00 plus

THURSDAY, AUGUST 12, 1965

Last Frontier Rodeo unreeling

Country music festival to be held Saturday

Entries from all across the South Plains are coming in for the third annual Texas Last Frontier Country Music Festival to be staged in Jim Reeves Memorial Park in Morton.

The free, out door show will be staged Saturday, August 14. Contestants will make appearances throughout the day beginning at 10:00 a.m. Judging will begin about 4:00 p.m. Prize money totaling \$250.00 will be awarded to the three top performers of the show.

Judges will be "Moon Mullins" from station KLLI, in Lubbock, Jimmy Self from KZOL in Farwell, and Stan Skelton from KDAV in Lubbock. Winners will perform Saturday night at the last performance of the Texas Last Frontier Rodeo.

So far there are five contestants. They are Lana Del Gado, from Lubbock, who won third last year; Kim Porter, Petersburg, who sings Lewis Driver, Morton; Elton Williams, Midland; and Elvis Fleming, Morton.

All registrations must be received by mail or telephone by Thursday noon, August 12, and each competing act must return a \$5 entry fee with the entry form if the entry is made by mail. The fee may be paid upon arrival in Morton on August 14 if entry is made by telephone. Entry fees will be used for prize money.

Entries are to be made with Jesse George, manager of the Morton Area Chamber of Commerce. Contestants should report to the Chamber of Commerce office in Morton at 10 a.m.

According to rules, performers who earn more than 50 per cent of their livelihood in the entertainment business are not eligible to compete. The first place award will be \$125, second will be \$75.

See FESTIVAL on page 8

★ Boosters

Members of the Morton Athletic Boosters are reminded that the organizational meeting for the 1965 season will be held Monday night at the high school. Officers for the new year will be elected at the meeting, scheduled to start at 8:00 p.m.

Beards, girls, parade open activities today

With the arrival of some wild rodeo stock in Morton Monday, the tempo was set early for the three-day festivities of the Last Frontier Rodeo, set to open Thursday, August 12.

The colorful opening day parade will be held at 4 p.m., Thursday. The parade will form and start on East Grant just off of Highway 214. It will come down Highway 214 to Harding and will then proceed west one block. The group will then go north by the square passing on three sides before turning east down Washington to disburse.

Riding groups will include the Dawson Jr. Riding Club, the Dawson County Sheriff's Posse, the New Deal Riding Club, the Andrews County Sheriff's Posse, the Roosevelt Mounted Patrol, the Chavez County Riding Club, the Hockley County Sheriff's Posse, and the Lead City Riding Club. There will be about 300 riders.

The parade marshal is Leonard Gandy. Floats will be awarded first, second and third place cash prizes. After the parade there will be a supper for members of the different visiting riding groups.

Just before the parade, men of Morton who have grown beards will be judged by the six lovely candidates for Rodeo Queen. The site of the judging will be the courthouse square, near the "jail." Those being judged will have the dubious honor of competing for the most novel, longest and bushy beards.

The rodeo, said to be one of the roughest in the state, will begin at 8 p.m. with the Grand Entry, the presentation of the Rodeo Queen, the introduction of the Rodeo Association Officials, and the giving of trophies to the winning posesses. The rodeo will run Thursday, Friday and Saturday nights. The announcement of the hand made saddle to be given away by the Roping Club will be made Saturday night.

Rodeo events will include saddle bronc riding, bareback bronc riding, bull riding, head and healing, calf roping, ladies' barrel race, junior flag races and kids goat sacking races. First place winners in each event will receive a belt buckle and an all-around cowboy trophy will be presented at the conclusion of the rodeo.

Goats for the goat sacking event will be furnished by the Rodeo Association from San Angelo. The

Four injured as truck overturns

A 1954 pick up truck carrying hands to hoe cotton turned over east of Morton, on the Lubbock Highway around 6:00 a.m. Wednesday morning.

Four persons were taken to Lubbock by ambulance. They were Jane Thompson, Ema Rogers, Nancy Wallace, and Lula Nell Hymont. According to a spokesman at the Morton hospital, none seemed to be hurt seriously. Also injured were Doris Williams, 33, of Lubbock, and Hester Hastings, age 15.

According to Highway Patrolman T. A. Rowland, the pick up apparently hit a left rear tire and zig zagged into a bar ditch on the right side of the road.

Airport improvement proposal killed

Proposals for improving the airport were shelved Monday, August 9, after a session between the county commissioners court and a group of interested individuals.

The commissioners heard and discussed the need for new improvements to the airport and talked about three proposals for raising the money that would be necessary for the improvements. The three proposals were the issuing of time warrants, the sale of bonds, or the transfer of money from the road and bridge fund.

After the discussion, Leonard Coleman made a motion to "start proceedings for the improvement of the airport property." The motion was seconded and a vote was taken. The commissioners voted two for and two against the proposal and Judge J. A. Love broke the tie by voting no and thus defeating the motion.

Judge Love said that he would have voted for the motion if it could have been stipulated in the motion that the improvements were to be paid for by a portion of the special 15 cents road tax for one year.

Leonard Coleman then made a second motion stating that "improvements for the airport be made by a portion of the special 15 cents road and bridge fund for a period of a year." The motion died for a lack of a second.

Jesse George, Chamber of Commerce manager and state representative said, "The killing of this project is of a great loss to Cochran County." Earlier in the meeting, George had addressed the commissioners saying that he felt that improving the airport would help bring industry to Morton, and that he felt Morton had a need to keep up with other progressive West Texas towns.

In an earlier meeting, Woody Dickson, chairman of a chamber of commerce committee seeking improved airport facilities, presented the Commissioners Court with

Estimate places cotton crop to be 75,000 bales

Another bumper cotton crop appears to be "in the making" on the South Plains.

And the first production estimate of the season, released this week by the Lubbock Cotton Exchange pegs possible cotton production in Cochran County at 75,000 bales.

This is an increase over the 71,300 bales credited to the county, according to LCE figures, for the 1964 year. Some localities might challenge that figure. Cotton production was cut due to drought conditions.

Nevertheless, cotton production at the present time is looking up, and would be considerably enhanced with a much needed rain. Both dryland and irrigated cotton is doing well at the moment, but a week or two more of dry weather could well put a crimp in prospects for an excellent crop.

A heavy rain early in June in the county gave much needed moisture, but .65 of an inch in July and .96 of an inch in date in August has not been sufficient to eliminate concern.

Bailey county's estimate for 1965 was placed at 94,000 bales, and Hockley at 177,000 bales.

Morton area increased Sunday by light rainfall

Strong winds, rain and hail hammered sections of West Texas Sunday as a weak cold front triggered turbulent weather.

The Morton area, however, missed the turbulence, recording only a little more than a quarter of an inch after light rainfall started about 9 p.m.

Officials at the Soil Conservation office was .39 of an inch of moisture, which helped brighten the dry conditions existing since some five inches of rain deluged the county the first of June. Accompanying the rainfall Sunday night was light hail in some areas, not enough, apparently, to do any damage.

The previous 24 hours had seen .96 of an inch of rain falling, to bring the week-end total to .48 of an inch.

Other other moisture received this month was .45 of an inch on August 1 and .03 of an inch the following day.

Officials at the Soil Conservation office noted that only other rainfall to have comparably measured with the five inches of moisture which fell June 2 was once in 1962; once in July of 1960, and in September and July of 1950.

Grid workouts to begin here Monday

Between thirty and forty grid candidates are expected to report for opening workouts of the Morton Indian football team Monday, August 16.

Head coach John P. Jones and assistants Fred Weaver and Ted Willcock will greet the boys for practice at 7:30 that morning, and again at 4:00 that afternoon. Two-day workouts will continue until the starting of school August 30.

Coach Jones reported this week that the vacancy on the local coaching staff still had not been filled, but that he hoped a man would be hired in time to help with the opening of drills.

Twelve lettermen are expected to form the nucleus of the 1965 Indian squad. However, several young men who played freshmen ball last year and some who did not letter are expected to give the returning lettermen a battle for starting positions.

Added federal funds possibility for local schools

School districts within Cochran County may receive an additional estimated \$30,000 in federal funds for the 1965-66 school year.

The funds would be made available through the new Elementary and Secondary Education Act of 1965, which President Johnson signed into law earlier this summer.

Superintendent of Schools Ray Lanier, who just returned from a Texas Education Agency meeting in Canyon, explained how the program worked.

Lanier said, "Basically the money is based on the number of low income families, but it is used for the benefit of all the scholastically deprived children. In other words, the money may be used in the whole school system where it appears that the children need a little help."

Lanier said that some people think that the money just goes to the low income students. He said this is because the funds are based on the number of low income families, but that actually, the money may go to rich or poor depending upon scholastic reasons.

Lanier gave a few examples of how the money might be used. He said, "We could use it for a movie projector, or in the library, to buy new books, to investigate the drop

See FUNDS on page 8

Bailey County Electric to receive loan

A \$448,000 loan to Bailey County Electric Cooperative Association, whose service extends extensively into Cochran County, had been granted by the Rural Electrification Administration, it was announced today.

Notification was received by The Tribune in telegrams from Sen. John G. Tower and U. S. Rep. George Mahon, and confirmed by Joe Harbin, educational director of the association which has its main headquarters in Muleshoe.

Part of the funds will be utilized for a new branch headquarters building here in Morton, it was learned, as well as to finance 90 miles of distribution line to serve an anticipated 600 new consumers, and other system improvements.

In addition, a portion of the loan is earmarked to finance a sub-station at Bula which was constructed earlier this year and energized in June by the association. Harbin explained that the building of the new sub-station was deemed necessary prior to loan approval to care for needs of the Bula area and to make necessary that cotton gins in that community, in particular, would not be short of power this fall.

Harbin said the branch headquarters building in Morton had been in the planning stage for some time, and now with granting of the loan, the go-ahead would be possible for its construction.

Floor plans for the structure, prepared by a Lubbock architectural firm, had been approved by the association board, Harbin said, last September. Further action was delayed until notification of the loan approval.

The building, as planned, will be of brick backed by tile, and will include two offices, a drive-up cashier's window, material room and warehouse space. Cost estimate was tentatively placed about \$35,000.

Harbin said no definite decision had been reached as to site, but that it was probable the structure would go up near the association's sub-station located on Highway 116 on the east edge of Morton. Some question exists as to whether necessary city water and sewer connections will be available.

Harbin estimated that it would be some time before actual construction of the headquarters building would get underway, but said he believed it would be within the year.

With demands for the association's electrical services doubling about every ten years, Harbin pointed out the need for continual building of distribution and tie-lines. He said much of the service is for new irrigation wells here in Cochran County, the southern part of the system, where the small-type well makes it especially profitable to utilize electrical energy.

Harbin says the system currently serves some 2,000 irrigation wells, for a total of about 45,000 horsepower connections. Continual addition of new wells to the system has caused much of the pre-

Farmers are challenged

By ALTON TAYLOR
 Soil Conservation Office

Caesar may have fiddled while Rome burned — what are some of Cochran farmers doing now? There are new concepts being tried each and every day. These are going to provide some answers for the future of our cotton-dependent agriculture.

The past two years have been bad. That's no reason to keep going the same route when each trip makes the ruts deeper and harder to get out of.

Our fathers couldn't farm the same ways their fathers did. Neither can we take the ways of our fathers and make for prosperous farming.

Ways and ideas must continue to change. New needs and demands must be met.

The basic problems are still the same and always will be. Today they must be solved in a space age manner and not with a horse and buggy.

Water, one of the most vital of all factors in farming, was wasted on June 9 and 10. Do you know how much an inch of water is worth to you? It could mean 48 pounds lint cotton or 295 pounds of grain sorghum. These figures are from a number of experiment station records.

Couldn't you sacrifice a little convenience for some of these profits?

The nature of our soils will let them take care of even large rains like those of June. If just given a chance each drop of rain will penetrate where it falls.

If you have the WILL your Soil Conservation District has the WAY. It's not near as far out as shooting a rocket to the moon.

Kids for the kids...

LOTS OF ACTION will be in store for this pen-full of goats at the three performances of Texas' Last Frontier Rodeo this weekend. They will be the "hunted" in the goat sacking race open to youngsters who attend the rodeo. The boy or girl who catches the goat tagged with the winning number will win a prize. TRIBpix

Pettit resident dies on Sunday

Earl L. Hill, 85, long time resident of the Pettit community, died Sunday afternoon about 5 p.m. at Heritage Manor Rest Home in Levelland.

A native of Mississippi, he moved from Oklahoma in 1933 to this area. He was a retired farmer.

Services were held Tuesday at 3 p.m. in the chapel of the George Price Funeral Home, Levelland. The Rev. D. E. Buchanan, pastor of the Assembly of God Church in Lubbock officiated. He was assisted by the Rev. Aaron Mitchell, pastor of the First Methodist Church in Whiteface.

Survivors include his wife, Mrs. E. L. Hill; two sons, Raymond L. and Alva L., all of Levelland; one daughter, Mrs. J. C. (Edna) Pearson, Enoch; twelve grandchildren and seventeen great grandchildren.

Palbearers were D. L. Price, Glenn Smith, R. J. Sanders, J. T. Price, M. L. Collins and Ford Carter.

Burial was in the City of Levelland Cemetery, under the direction of the George Price Funeral Home.

Draft of 19-year-olds seen by state official

If draft calls remain high, the local Board No. 4 at Muleshoe, servicing this area, will be inducting a "considerable number of 19-year-olds" by fall, it was learned today.

The local Selective Service Board, has been so informed by Col. Morris S. Schwartz, state Selective Service director.

"We will induct mostly 21-year-olds in August," Col. Schwartz reported. "Those we'll examine in September for future induction will be mostly 20 years old."

By October, it was predicted, boards will be examining a considerable number of 19-year-olds over the state. If calls remain high, they will be inducted soon thereafter. "We likely will be ordering a few 19-year-olds in September," the director stated.

The forecast followed receipt of an amended September quota for Texas of 1,459 men and an estimated October call of 1780. Recent monthly quotas have been around 700 to 900 for the state.

The state draft director said that the "declining age of involuntary induction" during recent months has focused increased attention upon the classification of college students.

He said draft boards were advised the day after President Johnson announced doubling of the draft that, when they question a student's progress, they should request him to supply additional information to support continued deferment.

Col. Schwartz also announced that local boards were instructed to mail current information questionnaires to all married men 19 to 26 years old who have no children, except in cases where current information is in the files. This action was also taken the day after the President's announcement.

"This is a preparedness measure and screening job," Col. Schwartz said. "Three things can happen to these men as a result of this survey."

"Those who have children, or hardship conditions, will be deferred formally, those who have wives alone will continue to be passed over for the draft for the time being; but those not living with their wives, or wives and children, in a bona fide family relationship will be subject to the draft at once," the state draft director concluded.

Lubbock Veterans Administration headquarters closes doors today

Today, Thursday, is the last day the Veterans Administration regional office in Lubbock will be open for business.

The Lubbock and Waco VA offices are to be consolidated into one regional office, Movement of veterans' records, office equipment and personnel will be accomplished during the weekend beginning August 13. On the following Monday, August 16, the consolidated regional office will be in operation at 121 South Sixth Street in Waco, Texas.

Remaining in Lubbock will be the Outpatient Clinic to continue compensation and pension examinations and outpatient treatment services to veterans of this area. The clinic will remain in the same location, 1612-29 Nineteenth Street, Lubbock, Texas.

In addition to the Outpatient Clinic, there will be some employees remaining in the area to assist in providing direct services to veterans. These will consist of personnel in Contact, Loan Guaranty and Guardianship programs and will be located in Lubbock, Abilene, Amarillo, Big Spring, El Paso and Midland. Counseling service in connection with education and training benefits will continue to be provided in Lubbock.

Correspondence from veterans and others pertaining to medical services should continue to be addressed to the VA Outpatient Clinic in Lubbock and correspondence pertaining to other veterans' benefits should be directed to the VA Regional Office in Waco.

J. J. Jenkins' move this week to Roswell, N. M.

The J. J. Jenkins' who have lived here for the last six years are moving to Roswell this week, where Mr. Jenkins will teach Chemistry at the New Mexico Military Institute.

Mrs. Jenkins, while living here, taught piano, was a member and the organist at the First Baptist Church and a member of the Garden Club. Mr. Jenkins, also a member of the First Baptist Church, was superintendent of the Adult Sunday School Department and a member of the Masonic Lodge.

The Jenkins' and their four daughters, Patty, Nancy, Jayna, and Meri, will make their home at 1000 East La Paloma Lane in Roswell and invite all their friends to come by and see them when in the area.

Mr. and Mrs. W. W. Williamson visited over the weekend in Amarillo with Mr. Williamson's sister, Mr. and Mrs. Marvin Andrews and with his brother, Mr. and Mrs. Douglas Williamson and family. Also another sister, Mrs. Lem Weaver of Silverton was visiting in Amarillo.

Youth urged to inquire concerning IFYE opportunity

Youth people in Cochran County who are interested and can qualify are urged to explore the possibility of being an International Farm Youth Exchange delegate, Homer Thompson, county extension agent, said today.

Applications for 1966 are needed immediately, he said.

Briefly, the qualifications state that an applicant must be from 20 to 30 years of age, single and in good health with a high school education. He or she must have had 4-H or similar rural youth experience, have a sincere desire to participate in a cross-cultural learning experience, and agree to share the IFYE experiences with others upon their return. Ability to speak a foreign language is preferred.

Thompson said this was an outstanding opportunity offered for a young man or woman to experience a chance in a lifetime as an IFYE delegate. Currently the IFYE delegate is a young man, Rudolph Baumgardner, from Plainview.

The county agent urged young people of the county who have the qualifications listed above and are interested in applying to contact him at once.

Wide-eyed . . . and bushy-tailed . . .

NOT LIKING the idea of being vaccinated one bit, this pet cat is firmly confined by its master, Rusty Reeder, while awaiting the needle Thursday afternoon. And one guess as to how the veterinarian tackled the job . . . that's right! Kitty went into a paper sack for the ordeal.

★ LL meeting

There will be a Little League meeting Tuesday, August 17, at the Wig Wam. Officers for next year will be

elected. Plans will also be made considering next year's activities. All interested parents are urged to attend.

Pre-enrollment at high school set

Enrollment of high school students new to the local school system has been scheduled for Friday and Saturday, August 26 and 27, it was announced today by Bill Matthews, high school principal.

Matthews said that in addition the same two days have been set as the time when all high schoolers are to pick up their schedules of classes for the 1965-66 term.

The principal noted that seniors have been scheduled for Friday morning, August 26; juniors Friday afternoon; sophomores Saturday morning and freshmen Saturday afternoon.

Matthews said that further particulars of the registration and schedule procedure would be announced later in the month.

Burns family holds reunion

The N. B. Burns family reunion was held Tuesday and Wednesday in the home of Mr. and Mrs. Norman B. Burns, Bledsoe. This was the first time in 25 years the family had been together.

Children and their families attending were Mr. and Mrs. James Alton Burns, Jimmie Kay and Norman Riley of Rockwood, Tennessee; William B. Burns, Compton, California; Mr. and Mrs. Jack Burns, Jerry and Tommy of Downey, California; J. R. Burns, Norwalk, California; Mr. and Mrs. Ed F. Burns, Linda, Douglas, Deborah and June of Bledsoe and Mr. and Mrs. Leon Callaway and Roxie of Lubbock.

Mr. and Mrs. J. L. McCoy and their sons, Michael and Matthew from Bakersfield, California are visiting Mrs. R. D. Butts. Mrs. McCoy is Mrs. Butts' daughter. Mr. and Mrs. Carl Butts and their children, Carla and Anthony from Andrews also visited over the weekend with his mother Mrs. R. D. Butts.

To compete in Lubbock . . .

JAN THOMAS, senior division winner in the 4-H dress revue held here the past week, is competing today in the district contest on the Texas Tech campus. Miss Thomas, daughter of Mr. and Mrs. J. D. Thomas, is shown above modeling her Vogue original blue wool ensemble which she made for the county competition.

Bailey Electric Co-op represented at meeting

Members of the board of directors of Bailey County Electric Co-operative are attending the Texas Electric Cooperatives' annual meeting in Dallas which got underway Wednesday and will continue through Friday.

They include Clarence R. Mason, Muleshoe, president of the board; Clarence Hamilton, Earth, vice-president of the board; Chester Setiff, Bula; Bernon Blackley and Johnnie Wheeler, both of Morton. Mrs. Blackley and Mrs. Wheeler accompanied their husbands to the meeting and will take part in the women's activities planned during the convention.

D. B. Lancaster, manager, Joe Harbin, educational director and Mrs. Keith Bray, assistant educa-

tional director, employees of the cooperative, also are attending the sessions.

The ladies enjoyed a Silver Tea and fashion show on Wednesday with entries for the Miss Rural Electrification contest acting as hostesses. Thursday's activities were to include a program featuring Erma Angevine, women's activities coordinator for NRECA and Florence Low of Texas Agricultural Extension Service, plus a salad smorgasbord at lunch. Friday morning there will be a small appliance demonstration, then a business meeting.

Clarence Hamilton, vice-president of the board of directors, will be chairman of the General Assembly on Thursday. He has been asked to be in charge of the program about the Government in Action Youth Tour in Washington.

During the Member Services meeting Wednesday, Mrs. Keith Bray was on a panel discussing youth and youth activities. Mrs. Bray's part included ways in which she assists the FHA and Home-making youth in the area.

The power and technical committee of Texas Electric Cooperatives held a meeting Wednesday afternoon. D. B. Lancaster, manager of Bailey County Electric Co-operative, who is a member of the committee, convened with this group.

Guajavdo ends combat training

Marine Private First Class Robert Guajavdo Jr. son of Mr. and Mrs. Robert Guajavdo of Route 1, Morton, completed four weeks of individual combat training July 28,

with the Second Infantry Training Regiment at Marine Corps Base, Camp Pendleton, Calif.

The 20-day course included over 200 hours of rigorous instruction in small unit tactics, night combat, firing weapons under simulated combat conditions and other subjects related to the Marine infantryman.

ASCS office to distribute Form A cotton loans

Form A cotton loans will be disbursed by county ASCS offices this year, according to a memorandum by Ruth McGee, Cochran County ASCS office manager.

Loans will be prepared by approved loan clerks as in previous years. Form G loans will not be affected. Loan documents will be kept in the county office, which will be an advantage to producers when selling equities. More information will be available later, Mrs. McGee stated.

Two countians compete in district 4-H revue

Competing in the annual district 4-H dress revue today (Thursday) in Lubbock on the Texas Tech campus are two Cochran county representatives.

They are Jan Thomas, who won a first division in the senior group at the dress revue held last week in Morton, and Marilyn Cade, junior division winner.

Homer Thompson, county agent, and Mrs. Thompson, Jennie Allen, county home demonstration agent, Jesse T. George, state representative for this district and manager of the Morton Area Chamber of Commerce, and families of the two participants, are all scheduled to be in attendance. Kenny Coats is to be escort for Miss Thomas.

Theme of the revue will be "The Silhouette of Fashion". The 36 4-H'ers taking part will be the jun-

ior and senior division winners from the 18 county dress revues on the South Plains. Four-H members, their families, agents and leaders will be dinner guests of Plains Co-Op Oil Mill in the main ballroom of the Student Union Building at Tech at 6:30 p.m. The public showing and announcement of winners will be held immediately following the dinner.

Four top winners in the senior division of the district Dress Revue will be eligible to compete in the state 4-H dress revue Oct. 18 in Dallas.

Swisher County Home Demonstration Agent Leila Petty, formerly HDA for Cochran County, who is chairman of the revue, said the "Silhouette of Fashion" theme was chosen because of the wide variety of basic dress designs that are currently popular. She also stated that a feature attraction of the revue will be Miss Nancy Bernard, Lubbock Maid of Cotton, modeling some of her wardrobe.

Miss Petty said the junior division girls — those under 14 years old — will enter school or casual dresses. The older 4-H'ers will compete with more elaborate ensembles as they make their bid for a chance to compete in the state contest.

Morton city council met Monday night in regular session

The City Council met briefly in routine session Monday night at 7:00 p.m. in the city hall.

Present were councilmen Tom Rowden and Walter Taylor, along with Mayor Dean Weatherly and City Secretary Elra Oden. Also present were Ralph Douglas, City Engineer, E. L. Reeder, of the Cochran Power and Light Company and Wayne King, commercial representative of General Telephone.

King came to the meeting to present to the Council a proposed fire reporting system for Morton. Because of a lack of quorum, it was decided to discuss the fire reporting system at the next Council meeting.

The fire reporting system is of the type used by volunteer firemen. It would have common equipment located in the General Telephone Company Office. Regular telephone lines would be used in a combination type line for telephone service and fire answering lines. The system is not recommended for municipal fire sirens to be controlled over these combination lines.

Ralph Douglas, City Engineer, spoke briefly to The Council on the merits of the usage of a mercury control valve to regulate water between the city's two water tanks. It was decided that such a valve would probably work well in Morton as it is in use by several other West Texas towns.

No other business could be transacted because a quorum was not present. Mayor Weatherly decided to call a special meeting for next Monday, Aug. 16, at 5:00 p.m., in the City Hall.

★ Grid physicals

Morton boys who will be reporting for football practice next week are scheduled to undergo physicals Friday at 1:00 p.m., at the Morton Memorial Hospital. Coach J. P. Jones asked that as many boys as possible take their physicals at this time so they will be ready to start working out Monday morning.

County Agent's Column

By HOMER THOMPSON

Soil Reaction
Availability of most plant is influenced by the soil pH or degree of alkalinity or acidity of a soil, says County Agent Homer E. Thompson.

Growth and development of plants depends on many factors. These include climatic conditions, diseases, insects, soil texture, soil structure, soil fertility and management practices. If any of these factors are unfavorable, plant growth will be unsatisfactory.

The soil reaction range (pH range) is sometimes overlooked as a soil characteristic that can be used to determine whether sufficient quantities of soil nutrients are available to plants.

Soil reaction can be determined only by a soil test. A laboratory test with a pH meter gives most accurate results. Soil test kits with color indicators can be used but are less accurate.

Certain soil amendments change the reaction. Ground agricultural limestone increases soil pH (makes it less acid). To decrease soil pH (make it more acid) elemental sulfur, sulfuric acid, iron sulfate or aluminum sulfate can be used.

The quantity of these amendments to be used depends not only on the present soil pH but also on soil texture, organic matter content and exchange capacity of the soil.

No general recommendations for using soil amendments can be given. Application rates should be based on the soil test.

For more information concerning pH and how it affects the availability of nutrients for certain plants, Thompson recommends Bulletin L-184, "Soil Reaction (pH) Ranges" available at his office.

Farm safety
If you move your farm implements on main highways, there's a new reflectorized-fluorescent emblem you can buy to warn high-speed motorists to slow down for you. It's good day, dusk, or night and in most kinds of weather.

Many accidents are caused simply because the ordinary motorist often does not realize that the object on the road ahead is moving as slowly as it is until it's too

late to avoid hitting it. That object could be you. The National Safety Council says that accidents could be reduced substantially if the SMV emblem were used by slow-moving vehicle operators and recognized by motorists nationwide.

The new triangle-shaped emblem, designed by Ohio State University agricultural specialists, can be easily mounted on most farm equipment. Highway maintenance and construction machines can use it too. It's to be used only on vehicles designed to travel 25 mph or less.

The center of the SMV emblem is fluorescent yellow-orange and the outside border is reflective red material. It's inexpensive, durable, available and movable and does not interfere with the operation of the equipment.

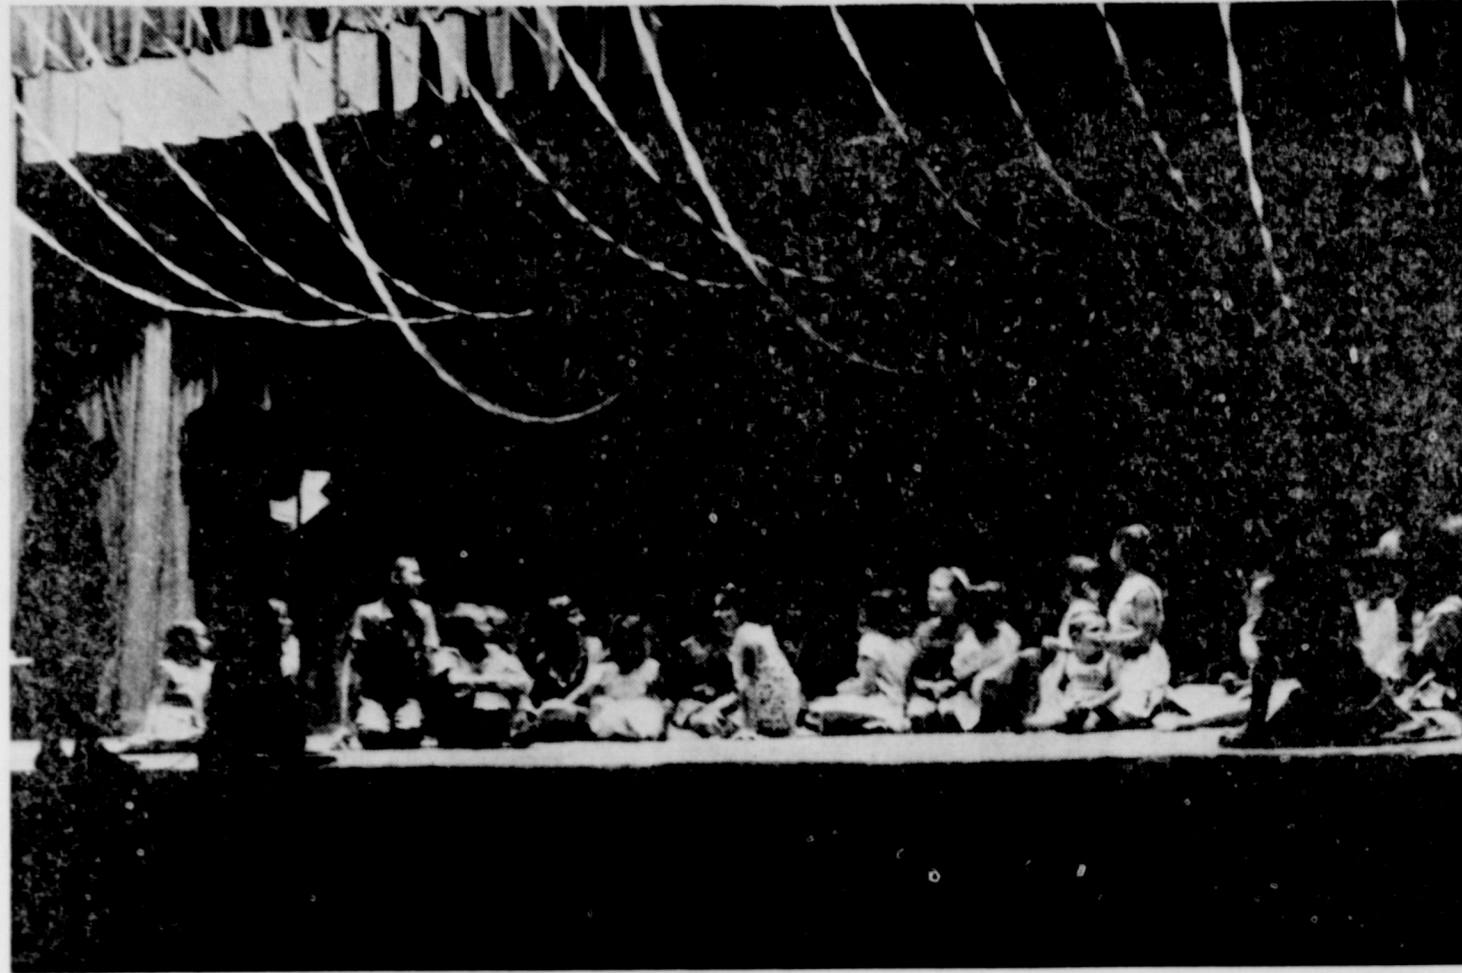

Check into this please — it may save your life.

★ Amendments

Attention of Tribune readers is called to the 10 proposed amendments to the state constitution which are published in full in this issue. The amendments will be voted on by the public at the Nov. 2 general election.

The amendments will be published in the Tribune for one additional issue. Readers desiring to inform themselves of the provisions of the amendments in order to vote intelligently in the election, are urged to save a copy of the amendments at this time, as they will not be republished later on in the year.

Dr. and Mrs. W. B. McSpadden are in Estes Park, Colorado this week where Dr. McSpadden is attending the Post Graduate Course presented by University Colorado School of Medicine. The entire course will be on Pediatrics.

Mr. and Mrs. Leslie Fine of Midland spent the weekend in the home of her parents, Mr. and Mrs. C. E. Luper. Also visiting were the Luper's son and wife, Mr. and Mrs. Ray Luper of Lubbock.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows: "Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, as, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and said bonds or obligations issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price hereof, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder to comply with his bid and accept and pay for such bonds; or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes here provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Texas hunting, fishing licenses to be available by September 1st

The annual scramble for hunting and fishing licenses will be eased this fall by earlier shipment of the permits to the approximately 2500 dealers throughout the state.

Bill Marks of the Texas Parks and Wildlife Department staff, said arrangements have been advanced to have all licenses in the hands of dealers well before the new state fiscal year begins September 1.

The total consignments will comprise 775,000 fishing licenses and 738,000 hunting licenses of which 175,000 will be exempt hunting licenses.

In the past, efforts to make last-minute delivery to avoid conflict with the old license routine caused some inconvenience among sportsmen and also a sizeable problem for the harassed dealers, said Marks.

Mailed soon
"We expect to have the licenses in the mail very shortly," said Marks. "Of course, there will be the usual rare instances of un-received shipments, unavoidable in handling the great number of parcels, but the extra time will help us adjust these cases."

Marks wanted to make it clear that the new licenses will not be good until September 1 and that the old licenses will be invalid after this date.

Sale of hunting and fishing licenses provides more than half of the revenue needed to finance department operations, including costs of the vast experimental projects leading toward better luck for the angler and better shooting for the hunter.

The ordinary sports fishing license cost \$2.15 and the resident

hunting license \$3.15. There are numerous exemptions, such as for those under 17 and older than 65 years. But in the case of deer hunting, these privileged persons need a special exemption license to provide the proper tags, which may be obtained for an issuance fee of \$25 cents per license.

Whiteface coach to S.C. school

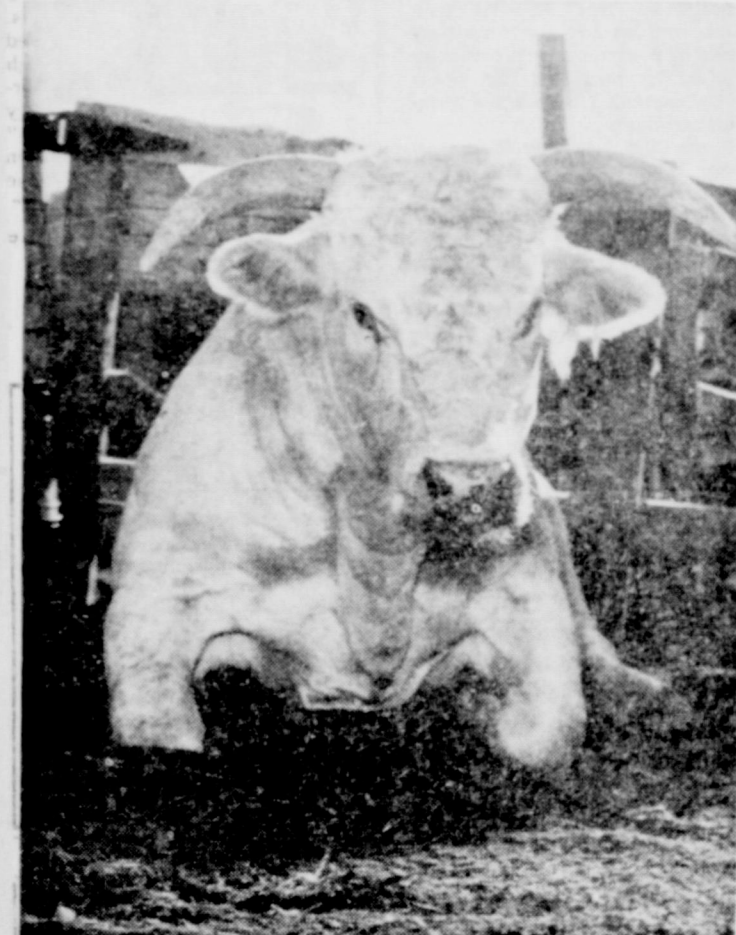

Dale Read, head football coach at Whiteface High School, will attend the South Carolina High School Coaching school rather than the Texas school this year.

Read is concluding studies in the National Science Institute in South Carolina, and will attend the coaching clinics before he returns home to start putting the Antelope through their paces on Monday, August 16, first day of football practice.

MRS. JOE EDD HESTILOW

Burkett-Hestilow vows said in church rites

Linda Carol Burkett and Joe Edd Hestilow were wed Saturday, July 31, in the Church of Christ at Mart. James Haney officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. O. L. Grumbles of Mart. Her father is the late Leonard Burkett of Morton. Mr. and Mrs. Melvin Hestilow of Waco are the parents of the bridegroom.

Given in marriage by her grandfather, George Burkett of Morton, the bride wore a full length bouffant gown. The scalloped neckline featured alencon lace bodice and long sleeves. A double swan pearl crown held a silk illusion veil. The bridal bouquet was of a white orchid, carnations and stephanotis atop a white Bible.

Miss Vickie Baughman was maid of honor. Bridesmaids were Miss Pam Sullivan and Miss Teresa Burkett. Flower girl was Becky Qualls. Their floor length dresses were of blue brocade with matching headpieces. They carried colonial bouquets.

Best man was Denzil Hestilow, brother of the groom. Groomsmen were Larry Burkett, Ronnie Liles and Bobbie Wolske. Ring bearer was Jay Hestilow. Candelighters were Dwayne Armstrong and Gary Burkett.

Music was furnished by Herring Avenue Church of Christ Choir.

Mrs. Hestilow is a graduate of Connally High School and her husband graduated from La Vega High School. They both attended Navarro Junior College. He is associated with National Materials Co. in Bryan where they will make their home.

Moultons host rehearsal dinner on Friday night

Mr. and Mrs. Fleet Moulton of Mount Vernon were hosts for the rehearsal dinner of Miss Denise Rose and their son, Ted Moulton, Friday night in the home of Mr. and Mrs. J. W. McDermott.

Assisting the Moultons as hosts were Mrs. Hume Russell, Mrs. Van Greene and Mrs. McDermott.

A buffet dinner was served to forty guests, all members of the wedding party and their families.

The serving table covered in white linen, was centered with a floral arrangement of melon and white chrysanthemums in a silver container. Nestled in the flowers was a pair of white love birds, and white wedding bells.

Tables for four were covered with white cloths and centered with small arrangements of vogue roses.

Miss Rose presented her attendants with white kid gloves, and the flower girl was given a diamond drop. Old Spice gift sets were given the male attendants by Mr. Moulton. The candelighters were presented tie pins.

The prospective bridegroom's gift to Miss Rose was a strand of pearls and her gift to him was a 35 mm camera.

Out-of-town guests included Mrs. J. Frank Dean, Gorman; Mr. and Mrs. Don Van Pelt, Neal and Valerie, Samnorwood; Mr. and Mrs. Bob Kirby, Cindy and Elizabeth, Pottsburg; Mrs. Jimmie Dean and Debbie, Miss Suzanne Hayter, and Mrs. Myron Hargrove, Messrs. Myron Hargrove, Sherwin Yocom, Tom Scott and Tom Ramsey, all of Dallas; Mr. Fred Upshaw, Stamford; Mrs. Gerard Pevchouse and Mrs. Robert Long of Lubbock and Mr. and Mrs. M. T. Rose of Oklahoma City.

Those present from Morton were Mr. and Mrs. H. B. Barker and Phil, Mrs. Van Greene, Andy and Bob, Mr. and Mrs. Harold Drennan, Mr. and Mrs. Jerry Stamps, Mr. and Mrs. McDermott, Mr. and Mrs. Russell and Mr. and Mrs. Neal Rose, parents of the bride-elect.

MR. AND MRS. R. E. THOMPSON

Sandra Lemons wed to R. E. Thompson Sunday

Miss Sandra Jean Lemons, daughter of Mr. and Mrs. J. T. Lemons, Baileyboro, and R. E. Thompson, son of Mr. and Mrs. Glenn Thompson, Morton, exchanged wedding vows at 2:30 p.m. Sunday in the First Baptist Church. Officiant for the double ring ceremony was the Rev. Harold Drennan.

The candlelight ceremony was performed before an arrangement of white gladioli and carnations. Placed at either side were two spiraled candelabrum entwined with greenery. Four seven branched candelabrum and twelve arrangements of cadulium and a white prayer bench completed the decor.

Given in marriage by her father, the bride wore a white floor-length princess-style gown of slipper satin, the sleeveless bodice featuring a scooped neckline. A jacket of lace with self-covered buttons, square neckline and long sleeves coming to points over the hands extended into a chapel length train of bonded alencon lace. Her shoulder length veil was held by a crown of lace and pearls. Bridal bouquet of white orchids and stephanotis tied with lovers knots and satin streamers was placed atop a white sorority Bible.

Bridesmaids were Miss Libby Rogers and Miss Sandra Bennett, both of Portales, New Mexico, sorority sisters of the bride, and Miss Sharon Irwin, cousin of the bride. They wore street length dresses of red and white dotted swiss with gathered skirts and scooped necklines and sleeveless bodices. Headpieces were of red and white dotted swiss, a red rose and red circle veils. They added wrist length gloves and carried matching purses with a spray arrangement of peppermint carnations.

George Autry, Enochs, brother-in-law of the groom, served as best man. Ushers were Mike Irvin and Terry Lee Lytle of Fort Worth, cousins of the bride. Groomsmen were Terry Hans and Ray Luper, both of Lubbock.

Misses Shonnie and Tressie Jo Autry, Enochs, nieces of the groom, served as flower girls. Eddie Irwin, cousin of the bride, carried the rings.

Organist was Mrs. Earl Polvado and soloist was Jerry Stamps. "The Lord's Prayer" and "Always" were musical selections.

For a wedding trip to an undisclosed destination, the bride changed into a white two-piece suit trimmed in navy. She added navy accessories and a corsage from the bridal bouquet.

The couple will reside in Austin where the bridegroom is a senior law student at the University of Texas. His fraternity is Sigma Chi. He is a graduate of Morton High School. The bride is a graduate of Three Way High School and a senior business major at Eastern New Mexico University, Portales, New Mexico. Her sorority is Chi Omega. She has been employed at Portales National Bank.

Out-of-town guests included J. M. Lytle, Weatherford; W. W. Lytle and Terry of Fort Worth; Mrs. Jeffy Whitworth, and Jerry Rogers of Portales, New Mexico; Miss Ozella Hunt, Denver City and Mr. and Mrs. George Autry and family, Enochs.

The bride is a graduate of Three Way High School and a senior business major at Eastern New Mexico University, Portales, New Mexico. Her sorority is Chi Omega. She has been employed at Portales National Bank.

Out-of-town guests included J. M. Lytle, Weatherford; W. W. Lytle and Terry of Fort Worth; Mrs. Jeffy Whitworth, and Jerry Rogers of Portales, New Mexico; Miss Ozella Hunt, Denver City and Mr. and Mrs. George Autry and family, Enochs.

Organist was Mrs. Earl Polvado and soloist was Jerry Stamps. "The Lord's Prayer" and "Always" were musical selections.

For a wedding trip to an undisclosed destination, the bride changed into a white two-piece suit trimmed in navy. She added navy accessories and a corsage from the bridal bouquet.

The couple will reside in Austin where the bridegroom is a senior law student at the University of Texas. His fraternity is Sigma Chi. He is a graduate of Morton High School. The bride is a graduate of Three Way High School and a senior business major at Eastern New Mexico University, Portales, New Mexico. Her sorority is Chi Omega. She has been employed at Portales National Bank.

Memo from Minnie's . .

WE'RE FATIGUED, WE'RE TIRED . . . from unpacking and hanging all the new fall merchandise.

But WE'RE NOT TOO TIRED to take you through and show you all the lovelies in skirts, sweaters, car coats, suits, hats, and dresses.

Come in, look and lay yours away, while you can have a big choice.

MHS pep squad to host party at Taylors Aug. 27

The Morton High School pep squad will host a party Friday August 27, at 7:30 p.m. in the home of Mary and Betty Taylor. New yell and routines will be presented by the cheerleaders to the girls. Invitations will be sent out. If any girl does not receive an invitation but wishes to be in the pep squad, she is invited to attend. A special invitation goes to girls who are new in Morton.

Yearly dues are 50 cents and may be paid at the party.

Officers for the 1965-66 school year are, President, Mary Taylor; Vice-President, Joyce Stephens; Secretary, Mickey Raindl; Reporter, Jean Raindl; Cheerleaders are Susan Blackley, Juanice Skaggs, Jenette Cooper, Cheryl McDaniels, Sharon Graves and Donna Hoffman.

Mrs. D. T. Smith returned from a visit with her brother, Marlin Fortenberry and her sister, Sylvia Sturrock of Beaumont. Mrs. Smith's daughter, O'Veta Smith, from Berkeley, California went with her. Mrs. Smith and her daughter will leave Saturday morning for Berkeley, Oklahoma. O'Veta Smith works in the school for the deaf in Berkeley.

★ Whiteface

Whiteface High School Band will start its pre-school rehearsal, August 16. Rehearsal time will be 9:00 to 12:00 Monday through Friday. All band members are urged to attend.

Baptist WMS in general meeting

General WMS Meeting of the First Baptist Church was held Monday night in the home of Mrs. Earl Polvado at 7:30 o'clock. Mrs. Newsom, the president, was absent, and Mrs. J. J. Jenkins was in charge.

The Calendar of Prayer was read and offered by Mrs. Stamps. There were no reports given in the business session. WMS Conference was given by Florence Phillips. The program was then turned over to the chairman, Mrs. Hugh Dupler. The theme was "Co-Laborers in Home Missions." Peggy Ramsey sang "Jesus Calls Us" on the program. The conclusion was given by Mrs. Dupler. The closing prayer was given by Mrs. Roy Hill. Twenty-eight ladies were present.

Brother of local resident succumbs

Marion Frank Mings, 62, brother of Lonnie Mings, died last Tuesday in Brownfield General Hospital following an automobile accident August 2 in Brownfield. Services were held at 2:30 p.m. Friday in Branon-Philips Funeral Chapel, Lamesa, with the Rev. James Hardy, pastor of Bryan Street Baptist Church, officiating. Burial was in Levelland Cemetery.

Mings, a retired farmer, was born in Stonewall County and had lived in Lamesa for five years.

Other survivors include two daughters, Vandell and Cordelia, both of Cupertino, California; two sons, Doyle, Hayward, California, Leon, Florida; five sisters, Miss Lillie Mings, and Mrs. Mollie Malone, both of Lamesa, Mrs. Susie Newsom, Tulare, California, Mrs. Emma Englang, San Bernardino, California, and Mrs. Anna Glover, Fort Worth; and 11 grandchildren.

First coeducational college in the U.S. was Oberlin College founded in 1833 in Ohio.

Final rites for Birdean Green, 49 held on Tuesday

Funeral services for Mrs. Birdean Green, 49, were held Tuesday at 10 a.m. in the First Baptist Church in Whiteface. The Rev. Clifford Potts, pastor, and the Rev. Fred Thomas, pastor of the First Baptist Church in Morton officiated. The George Price Funeral Home was in charge of arrangements.

She had been a resident of Whiteface for six years. Prior to that she had lived in Levelland since 1949. Mrs. Green had been a patient in a local hospital for the past three days.

Survivors are her husband, Kenneth J. Green, Whiteface, one son, Earl Green of the home; parents, Mr. and Mrs. Sam Parker, Bridgeport; one brother, John Parker, U. S. Navy, Bainbridge, Maryland; and six sisters, Mrs. Cleo Stonecipher, Santa Maria, California, Mrs. Ralph Reichert, Mendon, Illinois, Mrs. C. A. Vanhoose, Lubbock, Mrs. M. L. Isham, Ft. Worth, Miss Alice Parker, Ft. Worth, and Miss Ala Mae Parker, Ft. Worth.

Pallbearers were Lewis Sims, Don Miller, R. D. Hensley, Jesse Sims, Jack Kirkham and James Poston.

The body was sent to Hawkins Funeral Home in Bridgeport where services were held at 10 a.m. Wednesday in the First Baptist Church in Bridgeport. Interment was in the Thomas Cemetery in Bridgeport.

Sheriff's Posse wins top award

A first place award was garnered by the Cochran County Sheriff's Posse last Thursday in the rodeo parade held at Plains.

The parade was in conjunction with the rodeo held in the Yoakum county town. Placing second was the Denver City Riding Club.

In the junior division, the Cochran County 4-H riding unit was judged second. Winning first was the Junior Riding group from Dawson County.

The United States has 45 per cent of the total coal reserves of the world.

Linda White weds Gary Gene Crupper

Linda White, daughter of Mr. and Mrs. E. C. White of Whiteface and Gary Gene Crupper were married July 26th in Santa Rosa, New Mexico. The bridegroom is the son of Mr. and Mrs. Gerald Crupper of Levelland.

The couple will be living in Levelland. In September they will move to Dallas where they both will attend school.

Car crashes into power pole Friday

A 1956 Pontiac, driven by B. C. Butler, 306 Hayes Ave., Morton, struck a power pole Friday, about 2:00 p.m., in the front yard at the Tom McAlester home, 6205 Main Ave., city police reported.

Investigating officers reported that Butler, alone in the car, said that he thought something went wrong with the steering mechanism of his car. Butler was not given a citation.

Butler had been going north on Main and turned west on Grant when the accident occurred. Damage to the car was estimated at approximately \$300. Butler suffered only minor injuries.

Guests in the home of Mr. and Mrs. John Haggard this week are Mrs. Jane Ann Abil and her daughters, Leigh Ann, Jan and Missy of Austin.

Mr. and Mrs. Cecil Lindsey went to Levelland, Saturday to see Bethany Dian Currington, their great granddaughter, who was born August 6. Bethany is the daughter of Mr. and Mrs. Donny Currington of Levelland. Her grandparents are Mr. and Mrs. C. T. Currington and Mr. and Mrs. Dave Wright of Levelland.

Pets and owners...

Converging on City Hall last Thursday afternoon were local residents with their pets, the animals being vaccinated for rabies in accordance with a new city ordinance. The scene was not always as peaceful as this one appears to be. TRIBpix

Budget

(Continued from Page 1)
\$20,254.93 for total available resources of \$36,054.93, a decrease of \$4200 due to a drop in anticipated beginning balance; general fund, \$163,787.25, a drop of \$21,690 as a result of a lesser amount of funds in the beginning balance, and a \$10,000 increase in the amount scheduled for transfer to the officers salary fund.

A special ad-valorem tax fund, due to a lower tax levy (from 05. to .10) will make estimated receipts \$37,800; permanent improvement operating fund has been made to receive \$28,300 due to the increased tax levy from 05. to .10. There will be an estimated \$35,120.08 in available resources due to less cash balance at the close of the year; permanent improvement-operating fund is expected to receive \$32,900, a slight increase and the officers salary fund is to receive \$124,647.29 as compared to \$120,801.59. Earmarked for the interest and sinking fund is \$97,820.60 of which \$52,000.80 is ex-

Funds may be received by school

out problem, or to bring in special consultants." He added, "Of course I am not sure that we will be able to use the money in all the ways that we might want to. The program is so new yet that people aren't sure as to all the details to it."
Lanier said that one especially good aspect of the program is expected to be an end of the year balance.

Total net outstanding bonds of Cochran Co. on Jan. 1, 1965 was \$132,000. It is estimated in the new budget that on Jan. 1, 1966, the beginning of the year covered by the proposed budget, bonded indebtedness will be \$89,000 and during the year 1966 \$44,000 will be paid on principal and \$1,700 in interest. Indebtedness of the county as of Jan. 1, 1966 was placed at \$35,000 on county park bonds and \$54,000 on activity building bonds. The county has no registered scrip warrants outstanding.

that it gives the school system additional funds. He commented, "In other words, this money is above and beyond what we had before. We will not have to dip into our current funds to help the scholastically deprived, if we get these funds."
"Even though the Elementary and Secondary Education Act of 1965 has been passed, the money has not yet been appropriated by Congress, so we don't know when we will get the money," Lanier added. He said that there would be quite a bit of paper work for the schools to fill out in order to get the funds.

During the session of school representatives that was held here recently, it was estimated that 221 scholastics within the county limits were from homes with an earning of \$2,000 or less per year. Of this number, 111 were considered to be within the city limits of Morton. The Federal government would allot \$180 per student.

Breaking the program down into school districts based on the 1962 census, there would be 152 scholastics eligible in the Morton district; 46 in Whiteface; 17 in Bladsoe; two each in Pep and Three-Way. With the exception of Morton, all other school districts include areas not in Cochran County, and only that portion of the district within the county limits is included in the estimated \$30,000 amount.

Details of the new Elementary and Secondary Education Act were given to Superintendent Lanier at a meeting of the Texas Education Agency held at Canyon. The meeting last one day and Lanier returned home Monday evening.

Festival

(Continued from page 1)
and third place will be \$50. Decisions of the judges will be final.
This year the Festival will again be one of the featured attractions of the three-day rodeo celebration here.
Last year, the festival was held just a few days after the death of Jim Reeves, a top country music artist. Reeves was killed July 31 in a plane crash near Nashville, Tenn., and by resolution the Morton City Council decreed the park to be dedicated during the festival as the Jim Reeves Memorial Park.

event is open to those 12 and under. There will be 24 goats and they will be sold after the rodeo.

Stock is being furnished by the JM Rodeo Co. of Crosbyton, and all entry fees will be returned in prize money. Rodeo officials will be maintained at the Morton Area Chamber of Commerce. Red Whatley and Bobby James are representing the JM Rodeo Co. The rodeo area has been cleaned and painted and is in good condition.

In overall charge of the annual Rodeo is the local Rodeo Association. Members include Rob Richards, president, and representative of the Sheriff's Posse; Leonard Groves, secretary; Don Workman, arena director; James Dewbre, representative of the Roping Club and Joe Seagler, Lions Club representative.

In connection with the Rodeo is

the country music festival which will be held all day Saturday at the Jim Reeves Memorial Park.

Airport

(Continued from page 1)
proposed airport improvements. These included lengthening of the north-south runway by 2 of a mile to a total length of 3,696 feet; paving the north-south runway, 30 feet wide with a 50 ft. shoulder (not paved) on either side; paving of a taxi strip to the north-south runway; and improvement of the airport ramp.

Dickson pointed out that the cost of these improvements would be approximately \$26,000, plus acquisition of the necessary land. This cost included \$1.00 per square yard for hot mix and \$2.30 per cubic yard of base installed.

Jesse T. George talks to Democrats in Denver City

State Representative Jesse T. George addressed the regular dinner meeting of the Yoakum County Women's Democrats, Monday, 7:30 p.m., in the Denver City Community Building.

Yoakum County Democratic Chairman, R. B. (Woodie) Woodward, introduced Representative George, referring to him as "a constructive Democrat whose ideas and ideals have advanced the cause of good government for our District and for Texas." Woodward continued, "We are proud of our State Representative. His drive, determination, ability, and ceaseless efforts to serve his people have made him admired and respected by all who know him."
George, who spoke on the ac-

complishments of the 58th Session of the Texas Legislature, praised the work of the Women Democratic Organization, stating "Your personal interest and timely assistance was an integral part in presenting the viewpoints during the Session. Interested and responsive citizens like you united early to develop a more responsible and knowledgeable attitude among legislators toward the problems of our Great State of Texas."

George presented several of the proposed constitutional amendments to be submitted to Texas voters between Sept. 7, 1965, and Nov. 8, 1968. Keynoting education, George stated that "Public support of a constitutional amendment on Nov. 2, 1965, authorizing loans to students in Texas' institutions of higher education can be a major step forward in our quest for excellence and imminence in this field." George, who served on the

Education Committee of the House, is co-author of the proposed amendment.

Loan

(Continued from page 1)
sent transmission lines to become outgrown, necessitating the installation of heavier wires. This project will get underway in the near future.

In commenting on the continued expansion of Bailey County Electric Co-Operative, Harbin pointed out the association's business was service, and that this service must be furnished as needs developed.

The REA loan, which will be repaid over a period of years, makes such expansion and additional services possible at this time when such service is in demand.

LEGAL NOTICE

Notice is hereby given that the Morton Independent School District will operate Morton Elementary and the Eastside Elementary School to serve the students in grades one through four. All legally qualified students of the Morton Independent School District enrolling in grades one through four will be able to choose the elementary school in which they are to enroll. No discrimination will be shown to any parent or student due to race, creed or national origin. Registration dates will be from August 16, 1965 through August 20, 1965. An opportunity to select the school in which each student will attend will be made at that time. Should one of the elementary schools become overcrowded due to this freedom of choice, the students living the greater distance from the overcrowded school will be transferred to the other elementary school.

Palmer and wife, Jean Palmer, placed in my hands for service, I, Hazel Hancock as Sheriff of Cochran County, Texas, did, on the 7th day of August 1965, levy on certain Real Estate, situated in Cochran County, Texas, described as follows, to-wit:

Lot Four (4), Block Four (4), C. C. Slaughter Addition to the City of Morton, Cochran County, Texas, and levied upon as the property of Charles W. Palmer and wife, Jean Palmer, and that on the first Tuesday in September 1965, the same being the 7th day of said month, at the Court House door of Cochran County, in the city of Morton, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said order of sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Charles W. Palmer and wife, Jean Palmer.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Morton Tribune, a newspaper published in Cochran County.

Witness my hand, this 7th day of August 1965.
Hazel Hancock
Sheriff
Cochran County, Texas

It is no Secret...

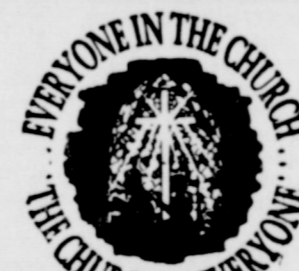

One of the great joys that children have is in telling a secret. This is one way that secrets have of becoming known.

However IT IS NO SECRET what God can do for you. This was never intended to be a secret, for God wants all to know the good news.

Isaiah said: "The Lord hath anointed me to preach good tidings . . . to proclaim the acceptable year of the Lord."

Attend church regularly and hear God's word preached.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

MRS. TED ASTON MOULTON

The Morton (Tex.) Tribune, Thursday, Aug. 12, 1965 Page 5a

Breeden-Nesbitt vows repeated in Levelland

Miss Frances Ruth Breeden and George Floyd Nesbitt were united in marriage, Friday, August 6 at 7 p.m. in the 5th St. Baptist Church in Levelland. The Rev. John Mullins, pastor, officiated in the double ring ceremony.

She is the daughter of Mr. and Mrs. John Breeden, Sr., of Levelland and Nesbitt is the son of Mr. and Mrs. G. G. Nesbitt of Morton.

The bride, given in marriage by her father, wore a white lace suit with white accessories. A shoulder length veil fell from a pillbox hat. She carried white and apricot carnations atop a white Bible.

Gwenda Long was matron of honor. She wore an apricot street length sheath accented with a white carnation corsage and white accessories.

John Breeden Jr., brother of the bride, served the groom as best man. Jimmy Gage of Amherst and Wilson Heflin of Morton were ushers.

For a wedding trip to points in Texas and Louisiana Mrs. Nesbitt wore a suit of apricot and brown with white accessories.

Mrs. Nesbitt is a graduate of Levelland High School and South Plains College in Levelland. The groom graduated from Morton High School.

The couple will be at home at 312 14th St. Levelland. The bride is employed as a cashier at Green's Grocery in Levelland. The groom is self-employed.

Mrs. George Floyd Nesbitt with white accessories. A shoulder length veil fell from a pillbox hat. She carried white and apricot carnations atop a white Bible.

Gwenda Long was matron of honor. She wore an apricot street length sheath accented with a white carnation corsage and white accessories.

John Breeden Jr., brother of the bride, served the groom as best man. Jimmy Gage of Amherst and Wilson Heflin of Morton were ushers.

The couple will be at home at 312 14th St. Levelland. The bride is employed as a cashier at Green's Grocery in Levelland. The groom is self-employed.

Personals
 Glorietta Gray, daughter of Mr. and Mrs. Connie Gray is visiting in Benjamin with her grandparents, Judge and Mrs. L. A. Parker. She was treated with a party in her honor and is planning to visit Shreveport, Louisiana and other points of interest before returning to Morton.

Mrs. Jerry Spears from Albuquerque and her three children visited with Mr. and Mrs. Keith Kennedy over the week-end and they also visited in the home of Mrs. W. A. Woods.

A background of woodwardia fern and English ivy screening the choir loft of the First Baptist Church provided the setting of the candlelight double ring ceremony uniting in marriage Miss Deborah Denise Rose and Ted Aston Moulton, Saturday, August 7 at 7:30 p.m. The Rev. Harold Drennan, officiated. Spiral candelabrum holding tall white tapers were at either side.

Four seven-branched wrought iron candelabrum entwined with fern, Tropicana roses and white asters were placed in front. Lighted tapers and fern outlined the choir rail. A white satin covered prayer bench completed the decor.

Escorted by her father, the bride wore an original gown of Alencon lace and fluted ruffles over satin, featuring the Spanish influence. The gown was fashioned with a portrait neckline outlined with pearl and sequin embroidered lace. Long sleeves were tapered to petal points over her hands. The pearl and sequin embroidery was repeated around the lace apron. The tiered skirt, with voluminous back fullness, flowed into a chapel train. Her veil of Brussels lace over imported illusion was held by a crown of pearls.

The bridal bouquet was a cascade arrangement of white glame-las, stephanotis and English ivy atop a white pearl covered Bible. She carried a handkerchief of white Chantilly lace made from her mother's wedding veil.

Mrs. Don Van Pelt of Samnorwood served her sister as matron of honor, and Mrs. Gerald Pevehouse and Mrs. Robert Long of Lubbock were brides-matrons. Miss Suzanne Hayter of Dallas, was bridesmaid. Junior bridesmaid was Miss Deborah Dean of Dallas, cousin of the bride.

They wore empire style floor-length gowns of melon crepe featuring portrait necklines, elbow-length sleeves and self material hands and bows marking the empire waistline. The slim skirt featured an overskirt which hung in an inverted V from the bodice to the hem of the skirt. Melon crepe bows were worn as headpieces. Each carried a long-stemmed Tropicana rose.

Fleet Moulton, father of the groom, served as best man. Bob Kirby of Pittsburg, brother-in-law of the groom, Myron Hargrove, Tom Ramsay, Sherwin Yocom and Tom Scott of Dallas were groomsmen.

Philip Barker and Bob Greene lighted the tapers, and Neal Van Pelt of Samnorwood, nephew of the bride, was ring bearer. Miss Cindy Kirby of Pittsburg, niece of the groom, served as flower girl. She wore a floor-length gown of white dotted swiss over peau de soie and carried a basket of melon colored daisies.

Mrs. Pegues Houston presented the pre-nuptial music and accompanied Jerry Stamps as he sang "Because", "Whither Thou Goest" and "The Wedding Prayer."

Guests were registered in the foyer of the church by Miss Peggy Patterson.

For her daughter's wedding, Mrs. Rose wore a parchment colored silk sheath dress with a shell top of Alencon lace. She wore a matching lace hat and parchment kid gloves with matching bag and shoes, and carried a corsage of brown orchids on her clutch bag.

Mrs. Moulton, mother of the bridegroom, chose a teal blue silk costume suit with a lace shell, matching shoes and bag. She wore a small hat of blue velvet flowers and carried white kid gloves. Her corsage was a white orchid.

A reception followed the ceremony in the home of the bride's parents at 404 East Lincoln.

The bride's table was laid with a white linen cutwork cloth. The three tiered and pillared all white cake was topped with wedding bells. Mixed nuts in a silver bowl and a silver punch bowl completed the appointments. The centerpiece was a silver candelabrum with white tapers and a showering arrangement of Tropicana roses and white asters.

The groom's table, placed in the den was laid with an ecru linen cutwork cloth. Coffee, mixed nuts and dark cake was served. An arrangement of melon colored gladiola and white asters centered the table.

Assisting with the hospitalities were Mrs. Bob Kirby of Pittsburg, sister of the groom; Mrs. Jimmie Dean of Dallas; Mrs. M. T. Rose of Oklahoma City, Oklahoma; Mrs. M. C. Ledbetter, Mrs. LeRoy Johnson, Mrs. Doyle Brook, Mrs. Lloyd Miller, Mrs. Pfeiffer Ramsey, Mrs. C. D. Windom, Mrs. J. W. McDermott, Mrs. Hume Russell, Mrs. Earl Polvado, Mrs. Bob Polvado, Mrs. Ray Lanier, Mrs. Van Greene and Mrs. H. B. Barker.

For a wedding trip to Las Vegas, Nevada, the bride wore a three-piece Italian knit suit of antique gold with a bone colored jacket featuring gold, yellow and green embroidered polkadots. A gold velvet hat, bone kid gloves and bone lizard bag and shoes completed the outfit. She added a corsage of brown orchids.

Mr. and Mrs. Moulton will reside at 2306 McArthur Boulevard, Number 105, Irving. The bride will teach in the Irving schools. She is a graduate of Texas Tech with a B.S. degree in elementary education. Her sorority is Zeta Tau Alpha.

The bridegroom is a graduate of East Texas State University and is doing graduate work at North Texas State University. His fraternity is Delta Tau Delta. He will teach science and physical education in the Stephen C. Foster School in Dallas.

Out-of-town guests attending the affair were Mrs. Phil H. Gats, Pampa; Fred Upshaw, Stamford; Mr. and Mrs. L. D. Lowry, Jr., Mount Vernon; Jeffrey Latimer, Austin; Mr. and Mrs. Dean Williams, Mr. and Mrs. Tony Nolan, Mr. and Mrs. Rob Roy Spiller, Mrs. Carl England, Mr. and Mrs. Earl Louder, Mr. and Mrs. Gerald Pevehouse and Mr. and Mrs. Robert Long all of Lubbock.

Also Mr. and Mrs. C. W. Patrick and Mr. and Mrs. C. W. Adams, Garland; Miss Shirley Miller, Mrs. Jimmie Dean, Cassie and Jimmie, Jr. of Dallas; Mrs. O. T. Shell, Mrs. J. Frank Dean, Gorman; Mrs. Arnold Peterson, Peoria, Illinois and Mr. and Mrs. M. T. Rose, Oklahoma City, Oklahoma.

Morton resident degree candidate
 Elestia Brannen Davis of Morton is a candidate for a master of education degree from Eastern New Mexico University, it was announced today by Ruth Wheeler, ENMU registrar.

Summer commencement exercises have been scheduled for Friday, with Judge Philip B. Gilliam of Denver, Colo., as principal speaker. A reception for graduates, their parents, and faculty members in the Campus Union Ballroom will follow.

In addition, it was reported that Keith M. Fred of Bula is also a candidate for master of science degree from the university.

Guests in the home of Mrs. Durwood McClintock last week were her father, Mr. and Mrs. L. A. Cochran.
