Hospital district launches search for new medical staff

Jim McManus, administrator of the Morton Memorial Hospital, announced Tuesday night that a search for doctors to fill the anticipated medical staff vacancies had been launched, but through Tuesday no replacements were in sight.

The move by the administrator, and the hospital board came after the two present doctors, Dr. W. B. McSpadden and Dr. E. C. Fernandez announced they would leave the city by May 31, after efforts to reach acceptable contract terms failed at the meeting on April 15.

The action by the doctors, has apparently ended a long simmering feud between the various medical staffs of the hospital and whatever group that administered the affairs of the local hospital, since neither the doctors nor the administering body give any indications that they will reconsider the contract that was proposed at the April 15th meeting.

McManus who has been at work seeking doctors to fill the staff said he had been in contact with the State Health Department and with the Texas Medical Association, as well as several hospitals in efforts to secure other doctors, but had been told by all that there were not many doctors available at the present time and they did not have any ideas as to where replacements might be found.

In the event the present doctors leave before replacements are found, McManus stated, the hospital would continue to operate for at least 30 days. "We feel that replacements can be found and uninterrupted operation can be continued, but in the event there comes a time when we are forced to operate without a medical staff, then we plan to maintain the hospital for at least 30 days.

I have talked with the entire staff and have advised them of the situation, both

in the event that there is no interruption in services, or if we are operating without doctors for a brief while, and have told them there will be no immediate danger of the hospital closing." McManus stated.

At the meeting last week the board authorized McManus to seek new doctors using the same contract that was offered

See HOSPITAL, Page 2

Williams elected to head school board

Following the swearing in of the three recently elected school trustees the members of the Morton Independent School

District board elected Henry Williams to be its new president and elected recently installed member Don Lynsky as vice president for the coming year.

The nominations of the new officers, which also included the election of Van Greene as the secretary of the board, came last Thursday night as the board met in regular session.

New members seated at the meeting, other Lynsky, included Owen Egger and Ralph Yearly. The trio were selected from a field of five candidates on April 6.

Following the election of the new officers and the installation of the new board members the board got to work by approving free lunches for some 13 students in the system, voting to approve the applications until the next regular board meeting when the applications will again be reviewed and action taken for the remainder of the school year.

In other action the board discussed the existing student insurance program but

See SCHOOL BOARD, Page 2

Lions slate broom sale for Wednesday, May 1

Roy Gentry, overall chairman of the annual Lions Club Broom Sale, announced Wednesday that the date for this year's sale will be Wednesday, May 1.

Gentry said the truck, containing the brooms would be parked on the Cochran County Courthouse square early Wednesday morning and members could pick up the items they intended to sell following a 7 A.M. breakfast in the County activity building.

Team captains for this year's sale will be Neil Rose and Dean Weatherly. Rose will spearhead the "White Hat team" while Weatherly will be the boss of the "Black Hat team."

Proceeds from the sale will go to the Morton Lions Club and to the Light House For the Blind. The brooms and mops being offered in the annual sale are made by the blind.

★ Democrats meet

The women's Democrats will have a luncheon meeting Wednesday, May 1 at 12 noon at the Wig Wam Restaurant. This will be the last meeting before the May 4 Democratic Primary. All women are urged to attend this important meeting.

BEAUTIFY MORTON

Chamber of Commerce launches city wide clean-up campaign

Mrs. Herman Brown, chairman of the anti-litter committee, called a meeting Monday, April 22, 1:30 p.m., for a clean-up campaign beginning Saturday, May 4 through Saturday, May 11. With the help of all civic clubs, school sponsored clubs, etc. "Beautify Morton" is divided up into eight districts.

The represented civic clubs drew for the districts as follows:

Y M Study Club, drew district No. 1, with boundaries, Main street east, and Madison Ave. north to city limits.

Guadalupe Study Club, district No. 2, with boundaries Main Street east and between Madison Ave. and Washington Ave.

LeFleur Garden Club, district No. 3 with boundaries, Main Street east, between Washington Ave. and Buchanan Ave.

Elma Slaughter Study Club, district No. 4, with boundaries, Main Street, east and Buchanan to City limits south and east.

Emlea Smith Study Club, district No. 5, with boundaries, Main Street, west to city limits and between Madison Ave. and

north to City limits.

Cochran County Garden Club, district No. 6, Main Street, west to city limits between Madison and Washington Ave.

L'Allegro Study Club, district No. 7, Main street west to city limits, between Washington Ave. and Buchanan Ave.

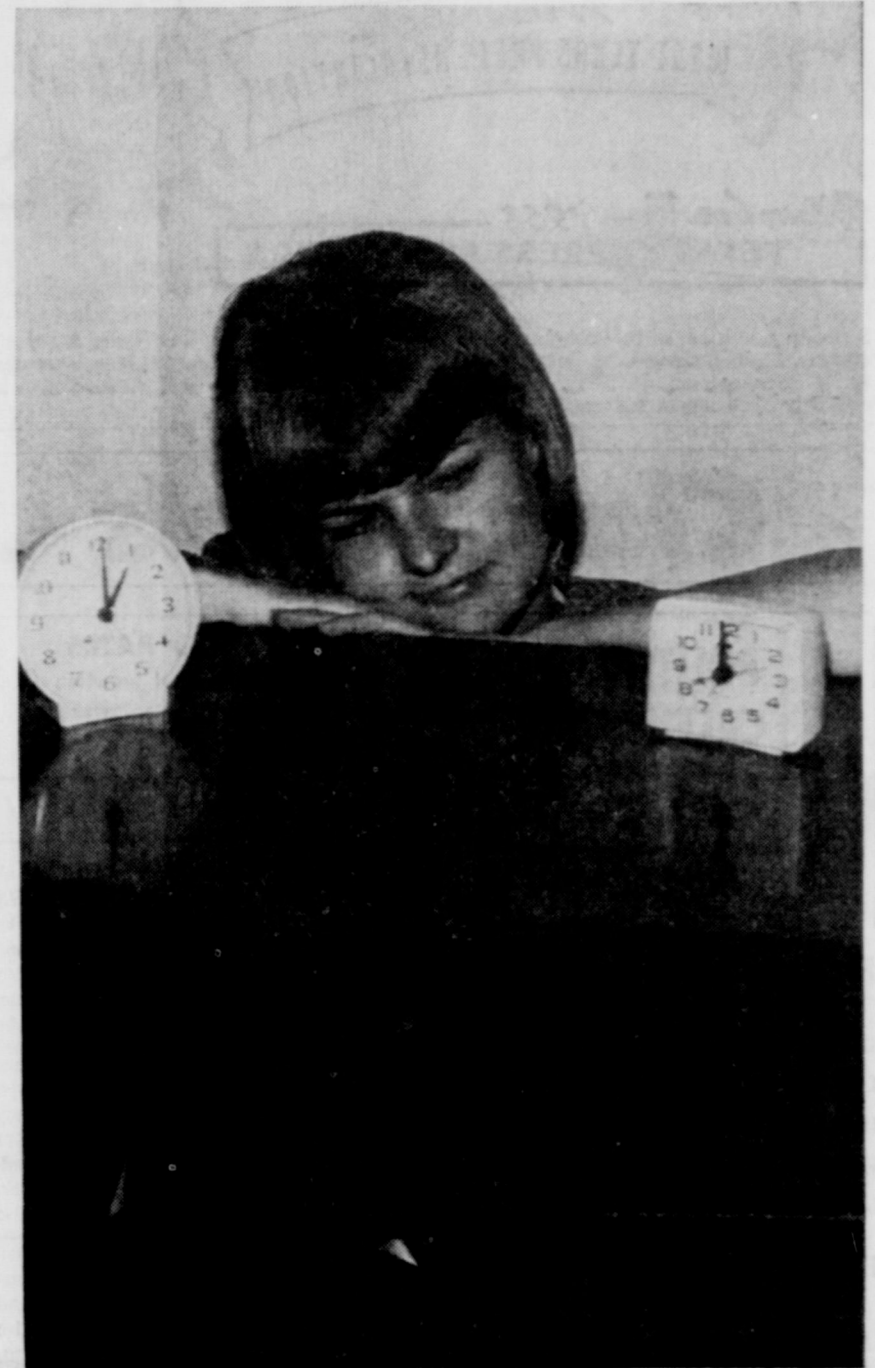

Sagarado Carazon, District No. 8, Main Street, west to city limits, between Buchanan Ave. and City limits.

Each club will be responsible for the designated district and contacting a chairman on each block to get the cooperation of everyone living on that block to "Beautify Morton".

Details for awards will be announced at a later date.

The business' was divided into two districts, the Lions Club, will take Main street east to city limits and the Morton Jaycees will have Main street west to city limits.

If there are any vacant lots to be mowed, trash to be picked up, call City Hall 266-5966 or 266-8850.

Time problem . . .

CAROL FREEDLAND, of Morton, gets started early trying to figure out just what time it is. With the approach of DST Miss Freedland will be only one of several thousand area and state residents faced with the problem of which way to move the clock, as the county and state will officially go on the new time at 2 a.m. Sunday morning. One word to the wise, set your clock before retiring Saturday night, that way you get one extra hour of sleep.

Residents prepare to move clocks forward, un..backward

Residents of Cochran County and the state, will be arising one hour earlier Sunday morning, and will be arriving at their churches just as the sun begins to come up, as the state once again goes on daylight savings time.

The DST program which provides additional daylight hours for various out-door activities will once again be met with mixed feelings as some will welcome the longer hours while others, mainly mothers, will rue the day, as once again they will have difficulty in getting the kids to bed and then getting them up the next morning.

The time change will officially go into effect at 2 p.m. Sunday morning, with residents being reminded to set their clocks back one hour before retiring Saturday night.

About the only persons who will get a large benefit from the new time will be the golfers of the area, who as the summer gets longer will have time to get in about 18 holes before being forced out by darkness. Under the DST program daylight hours in the middle of the summer will remain until 9 p.m. giving as much as an additional hour, to an hour-and-half of time for outdoor activity.

Realizing there are many who do not care for the new arrangement, there is little that can be done this year, however state legislatures, including Bill Clayton of the Cochran County area, have promised they would review the situation at the next session of the state legislature and possibly return Texas to standard-time for the full year . . . But until such time we will be forced to live with longer daylight hours, meaning that for those who retire early . . . you could be going to bed in the middle of the day, but on'y until October.

Little Britches Rodeo set for local arena on May 31, June 1

Members of the Morton Jaycees met Tuesday night to finalize plans for the annual 'Little Britches Rodeo' scheduling the event for May 31 and June 1 at the Last Frontier Rodeo Arena.

Bill Gray who said the plans were completed at the meeting said the queens contest would open May 1, with participants registering with any Jaycee. Girls

interested in entering the queen contest must have a sponsor to put up a five dollar entrance fee and be between the age of 8 and 17. Deadline for entering the queen contest will be 5 p.m. May 31.

Plans at the present time call for the Jaycees to accept entries in the rodeo from all youngsters between 8 and 17 until noon May 30, the day prior to the rodeo. More information as to places of registration will be announced later.

Advance tickets to the rodeo will be 50 cents for children and \$1.00 for adults and can only be purchased from contestants in the queen contest. Tickets at the gate will be 75 cents and \$1.25.

Also on the agenda for the big event will be a rodeo, though downtown Morton at 4 p.m. on the opening day of the rodeo. The parade will feature various riding clubs and junior riding clubs from around the area as well as floats carrying the queen candidates.

Additional information on the rodeo is available from any Morton Jaycee.

Political rally, box supper set Monday

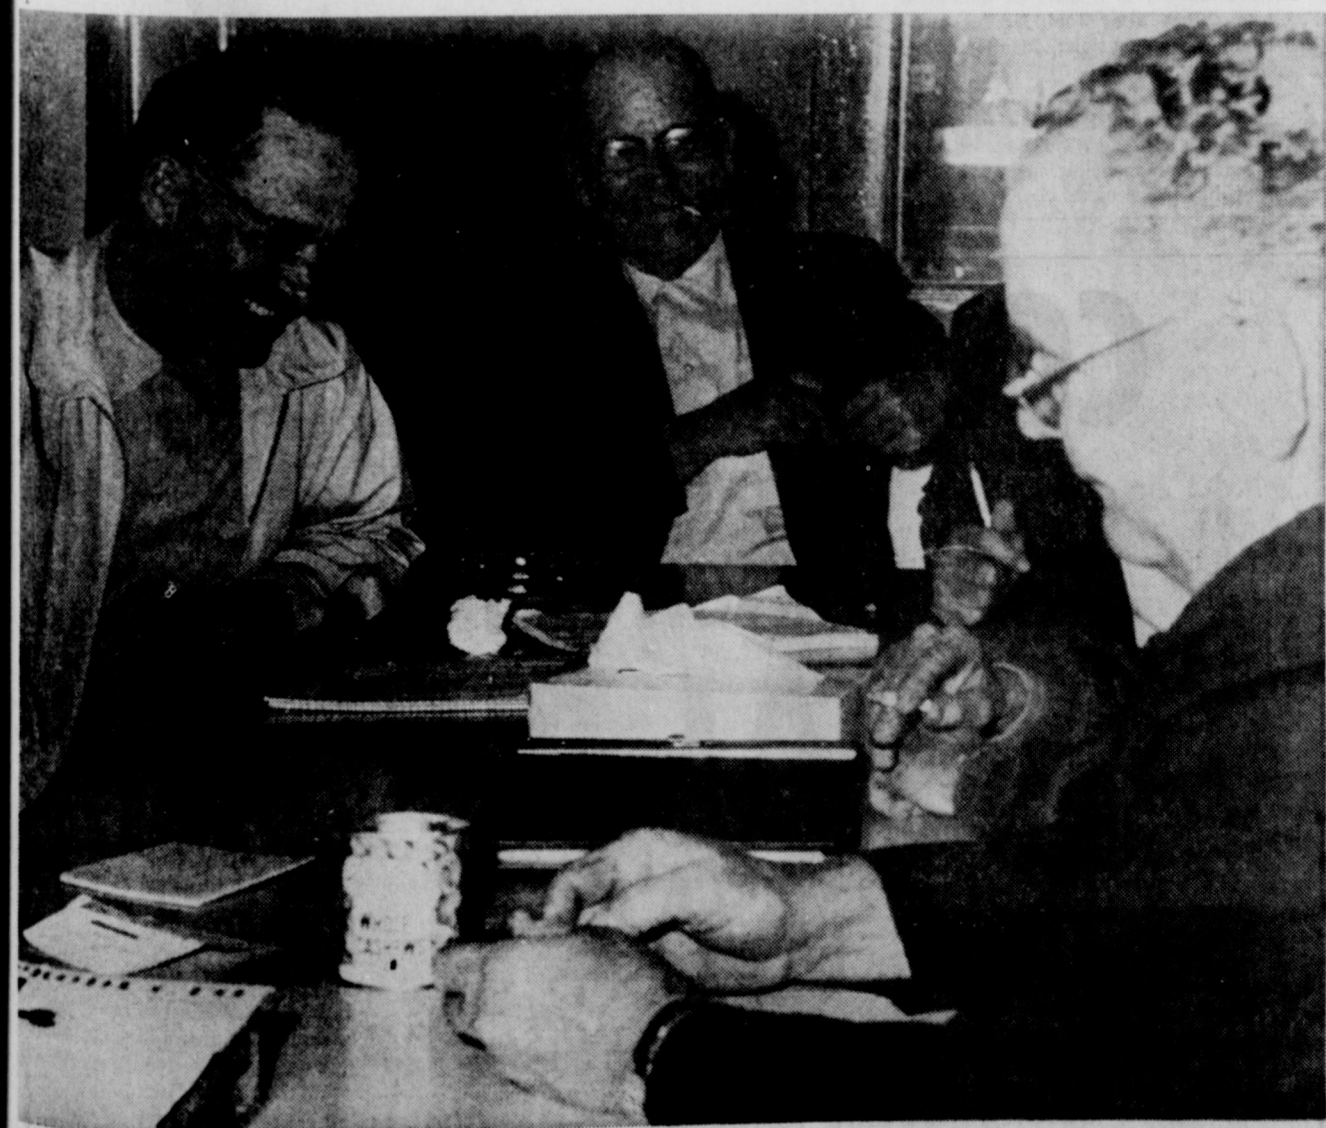

Members of the Morton Band Parents association announced this week that they would sponsor an old fashion political rally and box supper Monday night at 7 p.m. to raise funds to finance the MHS band's trip to the Band Festival in Enid, Oklahoma.

Present plans call for the marching band to give a performance of the football field at 7 p.m., following the performance by the marching band the activities will move into the MHS gym, for a performance by the stage band and the concert band.

After the performances by all the bands of the High School the box supper will be auctioned off by candidates in the May 4 primary election.

Band parents are urged to attend the 'old fashion' meet, with each family being encouraged to bring a box supper.

A business meeting of the organization is scheduled to follow the meal and band performances.

Ponders problem . . .

MEMBERS OF THE Morton Memorial Hospital board of directors spent the entire meeting session, Tuesday night pondering the problem of no doctors to man the Morton Hospital. Board members who state they are anxious to

cure doctors to replace the two who have announced they will leave their practice on May 31, said they have contacted several hospitals with interns but to date have not come up with any serious prospects to fill the vacancies that will exist the first of June.

NOTICE —

SHERIFF'S SALE

NOTICE IS HEREBY GIVEN, that by virtue of a certain ORDER OF SALE issued by the Clerk of the 121 DISTRICT Court of COCHRAN County, on the 5th day of APRIL 1968, in a certain cause wherein SUNRAY DX OIL COMPANY OF TULSA, OKLAHOMA plaintiff, and ROBERT S. DAVIS OF RAMSEY, INDIANA defendant, in which cause a judgment was rendered on the 4th day of DEC. 1967, in favor of the said plaintiff SUNRAY DX OIL COMPANY OF TULSA, OKLAHOMA against said defendant ROBERT S. DAVIS OF RAMSEY, INDIANA, for the sum of \$13,053.80 Dollars, with interest thereon at the rate of 8% per centum per annum from date of judgement, together with all costs of suit, I have levied upon, and will on the 7th day of MAY, 1968, within legal hours, proceed to sell for cash to the highest bidder, all the right, title and interest of ROBERT S. DAVIS in and to the following described personal property, levied upon as the property of ROBERT S. DAVIS to-wit:

All of the interest of defendant, Robert S. Davis, in the Unitized Formation in and under the lands comprising the Unit Area described in the Unit Agreement, Wright Unit, Cochran County, Texas, dated June 1, 1963, recorded in Volume 102, Page 193, of the Deed Records of Coch-

Hospital

from page one

Dr. McSpadden and Dr. Fernandez. The board indicated they thought that the concessions stated in the proposed contract were liberal enough to encourage doctors to move to Morton and establish their practice, and felt the board should not use any additional tax money to subsidize a medical staff for the hospital.

The conflict faced by the hospital and the doctors centers over the fact that the board wants the doctors to assume some of the operating cost of their business paying for a portion of the book-keeping expense, receptionist expense and pay all of the salary of an office nurse.

While the doctors feel the requests of the board is not too unreasonable taken separately they feel that the cost of operation added to the amount of billed accounts which can not be collected would run their individual cost of operation up in excess of \$1000 per month. At the meeting last week Dr. McSpadden said that he did not feel that any doctor would pay that type of overhead just to practice medicine in Morton, and that the board should not expect the present doctors to pay the amount, especially "after we were almost given the hospital to come to Morton in the first place." Dr. McSpadden stated.

The doctors have estimated that the highest figure in the cost of operation is in billed accounts that can not be collected. Dr. McSpadden told the board his accounts would average about \$500 per month which could not be collected.

Dr. Fernandez said his present accounts total about \$7500 and that he had been operating on a 50 to 60 per cent collection figure.

McManus told the Tribune that he agreed with the doctors when they talked about poor collections and said he planned to tighten the credit policies at the hospital. "We do not intend to refuse service to anyone if it can be helped, but we do plan to limit our credit business. Last year the hospital charged off 12 per cent of its accounts receivable of slightly more than \$90,000, and the percentage could have been higher if all of the bad accounts had been charged off. At the present time the hospital district and the doctors have about \$122,000 in accounts receivable, some of the accounts are current but a percentage of the amount represents old accounts. We plan to enforce stricter credit policies and plan to be cautious when granting credit to the patients, not to penalize anyone, but to put the hospital on a business like basis. For some reason some of the patients have the idea that it is not necessary to pay their doctor and hospital bill, and many have become spoiled to this attitude. We plan to change this, primarily to insure that the hospital will continue to function. The hospital is a business in the community and has a payroll of an estimated \$75,000 per year, this expense, as well as other fixed cost can not be borne by the tax payers alone regardless of what some may think." McManus said.

Busy fingers sewing club has meeting

Mrs. J. S. Boydston, Lubbock, entertained the Busy Fingers Sewing Club, Thursday April 18.

Four Morton ladies Mrs. W. L. Miller, Mrs. A. R. Lindsey, Mrs. Rawleigh Hill and Mrs. C. C. Benham were among those attending the meeting. Also attending was Mrs. M. T. Lincecum, a neighbor of Mrs. Boydston. After viewing Mrs. Boydston's garden of multi colored marigolds and beautiful flowers the group enjoyed a refreshment tray of sandwiches, apricot salad, and rum cake. Coffee and punch were also served.

Hazel Hancock
Sheriff Cochran County, Tex.

Published in the Morton Tribune, April 18 and 25, 1968.

School board

from page one

took no action at the April meet. Superintendent of Schools Ray Lanier advised the board that some action would need to be taken in the next few months but that it would not be necessary to act on the matter at the present meeting.

Approved also, were requests that coaches be allowed permission to use a portion of the athletic budget to purchase football shoes for the MHS football team, rather than having the individual player be forced to furnish his own foot wear. The approval was given with the stipulation that the coaches be allowed to purchase any items they deemed necessary, providing that they did not exceed their budget which was approved at an earlier meeting.

In an item, that was tabled, from a prior meeting the board went on record as agreeing that the school system did not have any responsibility of property sold to individuals at a tax sale. After the date of the sale the Sheriff, attorneys handling the sale and purchase of the property are responsible for getting the necessary papers and documents drawn up. The board therefore refused to accept any responsibilities for any losses of property or revenue on the property that was purchased by Hancock Grain Co. The action by the board came from a request that Mr. Hancock be excused from paying a portion of accumulated taxes on property which he purchased at a tax sale, since he said he did not receive a writ of possession within the allotted time and should not be held responsible for the taxes for the period prior to the time he became the certified owner.

Leonard Coleman asks for voters' support

Leonard O. Coleman, candidate for reelection for county commissioner of precinct one . . . would like to take this opportunity send the following message to the people of Cochran County . . . "I want to thank the voters of precinct one for the support given me in the past. I appreciate the confidence shown me by you and I would greatly appreciate your continued support. I have tried to be fair in all cases and problems that have come before the court. I have kept the interest of the county and its people in mind. For those with whom I am not personally acquainted, I am 42 years old, young enough to be progressive, and old enough to know what's going on. I am a 1942 graduate of Mart High School. In 1949, I graduated from Texas A&M University with a bachelor of science degree in agricultural engineering and was selected one of the top five graduating agricultural engineers. I spent 19 months in military service in World War II, and at present hold the rank of captain, inactive reserve, infantry. I have spent 23 years working and serving the people and the public, and am also engaged in business and farming. I feel I am qualified by experience. My wife Beth and I, and our two sons, Richard and Malcolm, reside at 605 East Grant here in Morton. I will attempt to see each voter and solicit your vote and influence. If I should miss you, I assure you it's not intentional. I will run this race on my own merits and on my own records. I appreciate serving you. Thank you, Commissioner Leonard O. Coleman."—Pol. adv. paid for by Leonard Coleman.

Color blindness is known as daltonism and was named after John Dalton, English chemist and physicist, founder of the atomic theory.

There are about 1.2 million people in the U. S. with undiagnosed glaucoma and this disease is responsible for 3,500 new cases of blindness each year.

Lanier to take part in development seminar

Superintendent of Morton schools, Ray Lanier was listed as one of the participants in a state wide educational seminar to be conducted in Salado the week of April 21-25.

The seminar, which will include thirty eight public school superintendents is being sponsored by the University of Texas and its extension division. It is designed to bring school administrators up to date on the newest concepts in the educational field and give them an opportunity to learn about new trends and new knowledge and to acquire new or modified techniques and skills for dealing with problems.

Theme of the meeting will be "Professional Consultation (Negotiation)".

Look who's new!

Mr. and Mrs. Bob Scott of Morton are the proud parents of a baby girl born at 5:10 p.m. Thursday, April 18. Susan Denise weighed 5 lbs. 6 oz. She has two older brothers Doug and Steve. Paternal grandmother is Mrs. Carrie Scott, and maternal grandparents are Mr. and Mrs. Fred Kelley.

John St. Clair, son of Mrs. James St. Clair, and a student at South Plains College spent the Easter holidays in the home of his mother.

Look Who's New!

Joel Ray Luper, weighing 6 lbs. 11 oz. was born April 11, in the Ireland Army Hospital at Fort Knox, Kentucky, to Mr. and Nancy Luper. Warrent Officer Luper is a U.S. Army helicopter pilot with the 1st Air Cavalry at Fort Cavazos, Texas. The grandparents are Mr. and Mrs. Charles Sanders and Mr. and Mrs. Milton Luper, all of Morton.

Pat Brown, daughter of Mr. and Mrs. Elzie Brown visited in the home of her parents over the Easter holidays. Pat is a student at South Plains College.

Mark has this ever been a busy week, and it's just half over! I'll almost be glad when school's out.

Dale Greer, Senior at MHS, and son of Mr. and Mrs. Roy Greer of Morton, took his science project to the regional science fair at Lubbock Christian College last weekend and won overall winner in the Physical Science Division and recognition from NASA. The title of Dale's project was "Phenomena of the Upper Atmosphere" and dealt mainly with the Aurora borealis.

Dale will be traveling to Detroit in a couple of weeks to enter his project in the National Science Fair. He is the first student in the history of MHS to ever achieve such heights in the field of science and should certainly be congratulated for his fine job in representing our school.

I accompanied Dale and Mr. Charles Borland, high school physics and chemistry teacher, to Lubbock last Saturday, as he was entered in the Regional Interscholastic League Literary events under Ready Writing. I was only second in the District meet, but still qualified for regional ready writing is a contest where you're given three titles to choose from and two hours to write an essay on the subject chosen. I chose "Objective Can Be Justified" as my topic, but I'm afraid my performance was quite anti-climatic to Dale's. I lost. Oh well, there's always next year. A girl from Electra, near Wichita Falls, won the contest.

During our stay in Lubbock, Mr. Borland kept Dale and I quite busy going from an art show to a stamp show, then a book (oops! sorry Mrs. Borland) mine-ral show and so on until we were plenty ready to start for home by 5:00. Of course Mr. Borland still had plenty of energy left and went home to run his daily mile. This helps him keep in shape for his caving expeditions.

While we were running about Lubbock Saturday morning other MHS students were grudgingly dragging from one class to the next. But in the afternoon as we were grudgingly dragging from one show to the next (it really wasn't that bad; they were receiving and signing annuals. The dedication was revealed to have been made to Mr. Bob Travis, High School Principal, this year, and he is certainly worthy of that dedication.

The MHS yearbook featured sections on all classes, 1-12, and also sections on athletics and favorites.

The MHS band is still slaving way on its preparations for the Enid, Oklahoma Tri-State Music Festival. They will leave on chartered buses next Wednesday afternoon, May 2, and return late Saturday.

The Band Boosters Club will sponsor a box supper next Monday night in order to make the last bit of money for the ENID TRIP. Ladies and girls will each bring a box supper to be auctioned off to the "men folk." The old-fashioned party promises to be quite a bit of fun, so everyone come!

The class basketball tournament starts tonight in the high school gym, with the finals to be played tomorrow night. The first games will see the Juniors vs. the Fish, and the Seniors vs. the Sophomores. Let's go Juniors.

The Junior-Senior Banquet sponsored by the Junior class will be held Saturday night, April 27, in the school cafeteria. The Juniors have been busy all week putting the final touches on the decorations and it looks like it's going to be real pretty! But I'll have to wait until next week to tell the theme.

Well, I guess that's about it around the "Teen Scene" this week. We have school again Saturday — more torture! If I live through it, I'll be back next week with more goodies. Keep Cool!

Mike O'Brien, a student at Texas Tech visited in the home of his parents Mr. and Mrs. J. C. O'Brien over the weekend.

Candidate makes final pledge to voters

I, H. L. Coon wish to express my appreciation of the considerations and the contacts I have met with in trying to meet each person in Precinct No. 1 of Cochran County, Texas to discuss my candidacy in asking to be elected your Commissioner in the Coming Primary Election of May 4, 1968.

I have been to every place in the Precinct and if anyone has been missed I regret it. But remember I will appreciate your votes and will give all my time to the office and duties to help make this a better community.

I have been living here since March 1958 and understand the needs and requirements of the duties of the Commissioner's Office.

Remember that I will not have any other business or work to keep me from devoting all time for this work if elected. I will be looking forward to and expending your vote on May 4, and will appreciate it very much.

(Pol. Adv. paid for by H. L. Coon)

★ Volleyball tourney

There will be an Outsiders and High School Seniors Volleyball Tournament in Morton May 13, 14, 16, 17 and 18, to be held in the Morton High School Gym. Individual Trophies will be given for first, second, and consolation in both the men and women's divisions. A registration fee of \$6.00 per team will be charged which covers the players for the entire tournament. Deadline for all entries will be noon, April 29. Please mail entries and registration fee to Faye Fincher, % First State Bank, Morton, Tex. 79346.

Council hold routine regular session

With only three members present, the Morton city council Monday night conducted only routine business and tabled several items until the entire council had an opportunity to consider the requests which were made.

Among those items tabled was a request that the city erect a chain link fence around the lake in Strickland park. The request was made by Mrs. Dean Weatherly who presented the council with a petition signed by some 35 ladies from Morton. The petition asked that the council consider the fencing of the lake to protect against accidental drowning or other serious accidents to small children who use the park.

The council, after hearing the request agreed to study the petition and possibly act on the matter at the next regular session, after all of the members had an opportunity to discuss the proposal.

In formal action the council members approved a motion granting the group insurance program to Atena Life Insurance Company. Mayor Jack Russell said the proposal had been studied at earlier meetings and an agreement reached, but the official action was not taken until the meeting Monday night.

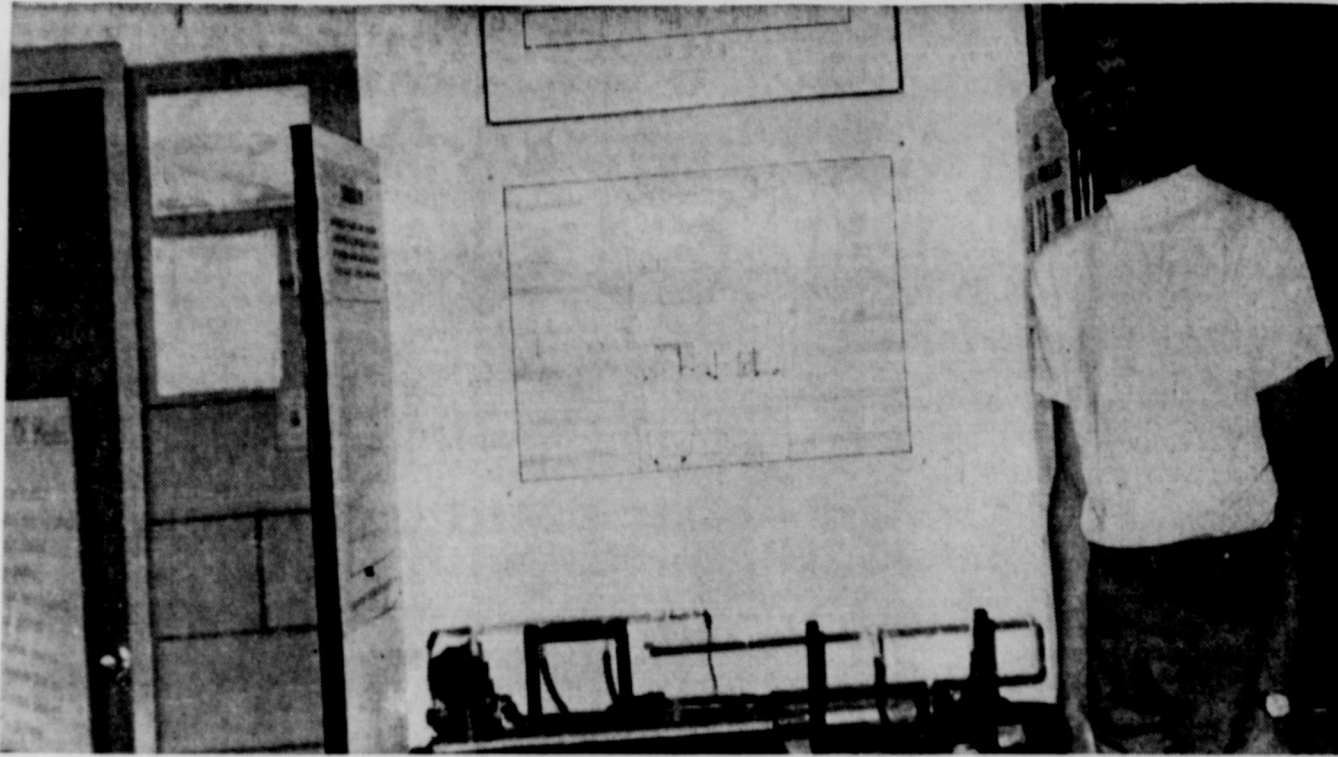

Winners of Marathon bridge tourney named

The Marathon Bridge Tournament sponsored annually by L'Allegro Study Club, held the 5 and final round of play Friday, night April 19 in the Community Bldg. Winners in the ten week tournament were 1st Place Mr. and Mrs. Van Greene, 2nd place Mr. and Mrs. Deryle Bennett and 3rd place Mr. and Mrs. J. C. Reynolds.

If you can not see a "Stop" sign on the highway at least 300 feet ahead, you probably can't see well enough to be a safe driver.

Carrots do not improve the vision. They contain vitamin A, but only a very small amount of it is needed and it is found in many of the foods we eat.

LeFleur Garden Club makes plans for flower show

Mrs. W. W. Williamson was hostess to the Le Fleur Garden Club on April 11, for an Arrangement Workshop in preparation for the annual Placement Flower Show, which is to be held in her home on May 4th.

Mrs. Sammie Williams, president, presided for the business session. Members answered roll call by naming plant materials they expect to have for sharing with others in preparing Artistic entries for the show.

Other business conducted was the decision to sell the remaining Cook Books at cost. They may be obtained from Mrs. Olin Darland for \$1.95. The club voted to allow the project committee to use the \$75 Sears Award on the project at their discretion as to plants, labor or materials. This award check was formally pre-

sented to Mrs. E. R. Fincher and project committee members on April 15 by Mrs. Ella Curry of Levelland, Sears Representative.

Mrs. Don Samford, Flower Show Chairman and Mrs. Roy Hill, Schedule Chairman presented members with the schedule for the Flower Show. After noting room and placements for each class, member selected two entries to be made for the Show.

Mrs. Owen Egger created a diagonal line arrangement using red barberry and tulips. She constructed twin arrangements using a green pottery coffee pot and the matching creamer. A constructive criticism discussion followed.

Members present were Mdmes. E. R. Fincher, Olin Darland, Elliott, L. Z. Samford, Roy Hill, Jack Baker and hostess, Mrs. W. W. Williamson.

Next meeting will be on April 25 at the home of Mrs. Owen Egger.

1936 study club has regular meet April 17

The 1936 Study Club met Wednesday, April 17, in the home of Mrs. M. C. Ledbetter.

Mrs. Joe Gipson presided over a short business meeting when the club voted to give two dollars per member to the International Friendship Garden sponsored by Texas Federation of Women's Club in Brownsville, Tex.

The program was from the Logs of Travellers and Mrs. Joe Nicewarner and Mrs. Lessey Silvers gave reports of their travels last summer to our new states: Mrs. Nicewarner showed slides made in Alaska and spoke of the history, climate, people, customs, geography, and culture of that part of the U.S.

Mrs. Silvers told of her trip to Hawaii where she toured all of the islands and particularly enjoyed the flowers and the food. The scenery was magnificent and she was privileged to see much of it not always enjoyed by the tourist because several of her trips over the islands were by small plane or helicopter.

Present for the meeting were Members Mesdames: Joe Gipson, D. E. Benham, Kenneth Thompson, Joe Nicewarner, Lessey Silvers, James St. Clair, Luke Hargrove, Harold Reynolds, Glenn Thompson, Cyrus Fields, Neal Rose, Gage Knox, and one guest, Mrs. Anna Rose.

Three of the most common defects of the eye are astigmatism, nearsightedness, and farsightedness. All three are usually correctable.

YOURS FOR THE ASKING

New residents can vote in court house

Voters in the May primary who moved into the county on or after November 4, 1967, must vote between April 15 and April 30 in the office of the county clerk in the county of their present residence, according to information supplied by Lesye Silvers, County Clerk of Cochran County.

A new law enacted last year permits registered voters with less than six months' residence in the county to vote on all statewide offices and issues if they have lived in the state longer than one year, but they must vote in the county clerk's office under procedures similar to absentee voting. The new law puts into effect a constitutional amendment adopted in November, 1966.

Formerly, a person who moved from one county to another within the state was totally disfranchised for the first six months after he moved, unless one or more of the various types of districts (congressional, legislative, judicial, etc.) included both the county of his former residence and the county of his new residence. If he had lived in a district for six months before the election, he could vote on statewide offices and issues and on the offices for districts in which he had six months' residence, but he could not vote on local offices and issues within the county.

The new law preserves the voting rights which existed under the old law, but the procedure for voting has been changed. Heretofore, a person entitled to vote on the basis of six months' residence in a district voted on election day at the regular polling place for the voting precinct of his new residence. Under the new law, no one who has resided in the county less than six months may vote at a regular polling place, and all voting by such persons must be done through the county clerk's office. The voter must appear in person at the clerk's office between the twentieth day and the fourth day preceding the election unless he is unable to appear because of sickness or physical disability or unless he is absent from the county during the period. Sick or disabled voters and those temporarily absent from the county may obtain a ballot by mail.

A cataract is a cloudiness of the eye's lens. One of the earliest signs of cataract is dimming of eyesight. Corrective surgery is usually required.

Postal patrons can now aid in battle against offensive mail

Mail patrons offended by pandering advertisements can now take steps to curb such mail, Postmaster Murray L. Crone said today in announcing plans for administering a new law which gives each family the right to decide that an ad is "erotically arousing or sexually provocative."

When an advertisement sent through the mails is offensive on these grounds, a postal patron can now ask the post office to direct the mailer to send no more mail to him and to remove immediately the patron's name from all mailing lists he owns, controls or rents.

To assist patrons, the Post Office Department has published a brief pamphlet — How You Can Curb Pandering Advertisements — which is now available at the Morton post office. In addition to explaining how the law works, the pocket size leaflet contains a form letter one can use when sending his complaint to the post office.

The pamphlet explains that when a patron receives an advertisement which is, in his opinion, pandering, he must send the ad, its envelope and the form letter, or one which includes its language, to his office with the words, "Request for prohibitory order" on the face of the envelope.

Postmaster Crone said: "This new law should give some protection to American families offended by advertisements they believe to be morally harmful, particularly to their children."

"Last year the Post Office Department received some 140,000 complaints from those offended by pandering advertisements. While in most cases the ads were not legally obscene and were therefore mailable, they are often offensive and are usually not the type or material one would want his children to read," Postmaster Crone said.

He added that "because the law gives a mail patron the sole right to decide what is offensive, and does not deny others the right to receive the same mail, the Congress felt it does not violate Constitutional guarantees of freedom of speech."

While the patron's complaint will only be directed to the sender, Postmaster Crone believes that one or two complaints

will provide substantial protection because "the great bulk of this advertising comes from fewer than 20 so-called 'smut dealers' who are frequently swapping mailing lists."

If a mailer does not strike a complainant's name from this mailing list, and the patron receives a second mailing 30 days after the firm has received the prohibitory order, he may bring the matter to the attention of the postmaster issuing the initial order by writing him and enclosing the second pandering ad with its envelope. If the mailer still fails to respect the order, the Postmaster General may ask the Attorney General to apply for a Federal Court order directing compliance. Failure to observe the order may be punishable by a fine or imprisonment.

Homer Henderson re-enlists in Army

SCHWEINFURT, GERMANY (AHTNC) — Specialist Five Homer E. Henderson, 21, son of Mr. and Mrs. Albert L. Henderson, Enochs, Tex., re-enlisted for three years in the Regular Army March 19 while serving with the 3rd Infantry Division in Germany.

Spec. Henderson, a mechanic in Company C, 1st Battalion of the division's 30th Infantry near Schweinfurt, entered the Army in 1965 and completed basic training at Ft. Polk, La. He was stationed at Ft. Benning, Ga., before arriving overseas in July 1966.

He attended Buia High School.

Glaucoma, an eye disease that is a major cause of blindness, can be detected with a simple test and usually treated successfully.

WHITTENBURG UNDERSTANDS... ELECT HIM GOVERNOR

Gaveside rites held for Brakefield infant

Graveside services for the infant daughter of Mr. and Mrs. Warren Brakefield, were conducted Sunday afternoon in Causey, New Mexico.

Mrs. Brakefield is the former Carol Bridges, daughter of Mr. and Mrs. Hoyt Bridges of Morton.

Survivors other than the parents include three brothers, Rocky, John David and Donald Dean, all of the home.

It is estimated that nearly 500,000 Americans are blind, yet half of all blindness is preventable.

"Here you are, Sir. That'll be \$65.12."

"You must be kidding, Mac."

You say you want this "right" so you won't buy a bottle just to get one drink? But you'll drink more (the Annual Review of the Distilled Spirits Industry says 67% more)! At by-the-drink rates that will cost Texans \$781 1/2 million, or \$65.12 per capita.

Whatever your business, you feel it when a half to \$2 billion is siphoned off to buy liquor. Business paid \$2,125,000 for work days lost due to alcohol last year. So you didn't miss a day, but part of that is on your check!

The taxes on this drink don't begin to pay the skyrocketing costs of law enforcement. So you're not a drunk. But if consumption jumps 67%, up go our 1,400,000 arrests for public drunkenness.

Iowa highway deaths rose 30% in two years after liquor-by-the-drink. Liquor is already involved in 38% of our fatal accidents. A 30% rise here would mean a human life tag of \$34,340,000! Our half billion in auto accidents will soar, too. Somebody's going to pay for it. Your insurance company will see to it they don't!

You don't plan to wind up on welfare, but plenty will! And 78% of our children on welfare are there because of alcohol.

More outlets get more people started and make enforcement more expensive. But you wouldn't care about that — unless maybe you've got a teenager!

What I'm saying is — before you order that drink, be sure you're ready to pay the check!

Count the Cost — Vote NO to Liquor by the drink

Annual singing party . . .

ONE OF THE HIGH points in the life of any high school student is the arrival of the annual for the year. The school system which recognizes the importance of the event each year provides the students with an opportunity to sign annual and for a brief time review some of what has taken place during the year. This year the big day came Saturday, with the annual being dedicated by high school principal Bob Travis, and the rest of the day being devoted to just looking.

Meeting held to form promotion council

Approximately 56 women met in the Cochran County Auditorium to arrange a women's Area Organization to promote cotton. Mrs. L. E. McDowell of Crosby County spoke to the women on how to organize a club and how the club can help promote cotton in this area by making people more aware of cotton and cotton's problems. This women's organization is to be called the Last Frontier Cotton

Council. A temporary slate of officers were elected at the meeting: President, Mrs. E. C. Hale; 1st vice-president, Mrs. Loy Kern, 2nd vice-president Mrs. Jim Pat Claunch; 3rd vice-president, Mrs. Ronald Coleman; Secretary, Mrs. Sherrill Griffith, and Treasurer, Mrs. Don Lynskey.

At the close of the meeting several door prizes were given consisting of products made of 100% cotton. These products were contributed by area Gins, G&C Gin, St. Rt. Gin, Griffith Gin, and Claunch Gin. Those winning door prizes were Joey Keith, Whiteface; Barbara Price, Morton; Mrs. Wade Taylor, Whiteface; E. C. White, Whiteface; Jerry B. Denny, Bledsoe; Christene Avery, Morton; Mrs. Lloyd Miller won the \$10.00 gift certificate given by the council.

Judicial candidate

County attorney James Walker announced Wednesday morning that Judge James Joy, candidate for a seat on the bench of the 7th Court of Civil Appeals will be in Morton Friday morning at 9 a.m.

Walker said tentative plans call for the judge to be hosted at a coffee reception, but at press time plans for the reception has not been completed.

The average person blinks his eyes about 25 times per minute, each blink lasting about two-tenths of a second.

There is no cure for nearsightedness, but glasses usually will correct the problem and permit relatively normal vision.

Give her the one she likes best

Cattle like Pioneer's 985 because it tastes so good. Strip grazing tests show they'll graze it first every time—they'll eat more and make more milk or meat for you.

Hybrid 985 gives you more feed per acre, too. In Texas A & M tests at Weslaco (1966), it was the top yielder. In the 1967 Texas Research Foundation performance trials at Renner, Pioneer 985 ranked 1st in yield (oven dry forage) in two of three tests when compared with competitive sorghum-sudangrass hybrids.

Use 985 to fit your needs—with milk cows, beef cattle, hogs, sheep or turkeys—for pasture, green chop, haylage or hay. The extra palatability and extra tonnage gives you more profit.

BAKER SEED and FEED
MORTON, TEXAS

Mrs. Danny Tankersley presents review of book

On Thursday, April 11, the Emla Smith Junior Study Club met in the home of Mrs. Bill Foust with Mrs. Gary Willingham serving as co-hostess.

Club members were led in the club collect by Mrs. Tommy Hawkins. A thank you note was read from the Junior Horizon club thanking us for helping them to purchase their Wo He Lo medallions. Mrs. Ronnie Johnson's name was presented for membership. Mrs. Rodney Fralin, chairman of the social committee asked that club members sign to bring a vegetable, salad, or desert for the Installation Dinner. Club members who were willing to work at the Historical Museum were asked to sign up. A list was also passed for members to sign if they were willing to help with Operation Headstart. Mrs. Gary Willingham, a club member, was chairman of the area Cancer Crusade and in recognition of her outstanding work, it was decided to send a donation of \$15.00 to the Cancer Crusade. A change of officers for the coming year took place with

the election of Mrs. Earl Polvado as second vice-president, and Mrs. Bob Polvado as corresponding secretary.

The program for the evening was presented by Mrs. Danny Tankersley. She reviewed the book Christy by Catherine Marshall.

Christy was a young girl of 19 who set out to become a school teacher in Cutter Gap. She had no illusions of the conditions there and yet she found the people even dirtier and more uneducated than she had ever expected. As she began her teaching career, David Grantland, a young preacher, and Mrs. Alice Henderson, a devout Quaker, became her main supporters. Aside from the many problems she encountered, in the classroom her most constant problem was poor attendance during the winter months. Through Christy's effort all the necessary items plus two horses, a concert grand piano, and a telephone system were contributed by leading manufacturers and the winter boarding house for the school children

became a reality.

The first close friendship Christy was to share with any of the mountain people was with Fairlight Spencer. Fairlight offered her help and friendship and through his friendship, Christy learned a great deal about the lives and thoughts of these mountain people. She found them to be so wrapped up in old beliefs and fears that they could not accept the new ideas of Dr. McNeill who was devoting his life to helping them. Christy felt strangely attracted to this man but considered her feelings for him to be only great admiration for him and his work.

When summer vacation came Christy decided to go home for one month. Before she left David proposed and although she was greatly attracted to him she told him she needed time to decide.

The month away from Cutter Gap seemed too long and Christy was glad to get back. With the summer in Cutter Gap always came typhoid fever. All during the summer Christy, along with Dr. McNeill, David, and Miss Alice nursed the mountain people through the epidemic. Then Christy came down with it. Through the fever and delirium Christy kept hearing someone calling to her telling her of his

★ Installation dinner

The Emla Smith Junior Study Club will hold its Finale Installation Dinner Thursday, April 25, in the home of Mrs. Earl Polvado with the Social committee in charge of preparations. Toastmistress for the evening will be Mrs. Earl Polvado with Mrs. Clyde Brownlow, Caprock District Junior Director as installing officer.

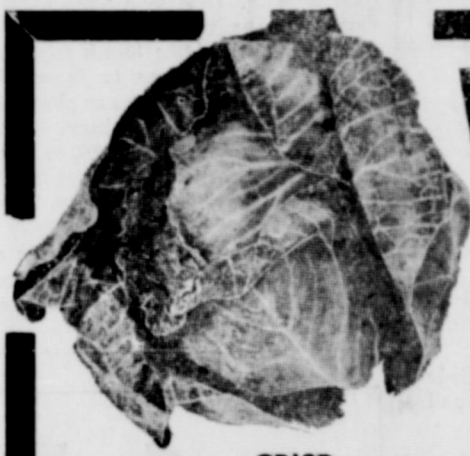

love and need for her. When the fever finally broke she knew in an instant what she had been only vaguely aware of all along — that she was only attracted to David while she was in love with Dr. McNeill.

The meeting was adjourned and refreshments served. Guests for the evening were Mesdames: Jim McManis, Doyle Fowler, and Arlan Simpson.

Peggy Cheek, daughter of Mr. and Mrs. W. A. Cheek, and a senior student at Wayland visited in the home of her parents over the weekend.

MORTON, TEXAS, THURSDAY, APRIL 25, 1968

Cochran County Garden Club presented with Sears grant

For the eighth consecutive year, Sears, Roebuck and Co. and Texas Garden Clubs, Inc. are cooperating in a program of community improvement and beautification. Sears has provided a sum of \$6,000 each of these years to Texas Garden Clubs, Inc. This \$48,000 has been allocated by a committee of Garden Club members to various clubs and councils throughout the state on the basis of project outlines submitted by them, together with their applications for participation.

Garden Clubs in more than forty Texas counties have received Sears grants to implement well over one hundred community improvement projects during this time.

The Cochran County Garden Club received a \$100.00 check from the Sears Roebuck Company as a winner in the Civic Development project of the Texas Garden

Clubs, Inc. The project winner for the club is the landscape of the Strickland Park located on west Grant. Committee chairman is Mrs. Bobby Travis. Her committee members are Mrs. W. B. McSpadden, Mrs. Charles Jones, Mrs. C. B. Jones and Mrs. Willie Taylor.

Much work has been done on this project to date and much work is yet to be done. This is a project of the citizens of Morton, as they are the ones who will benefit when the park is completed. Anyone interested in helping with this project is asked to call one of the committee members.

The Cochran County Garden Club has previously won \$460.00 on the landscape project at the Cochran Memorial Hospital and now has some \$300.00 remaining to complete the landscape to compliment the addition to the hospital.

Town and Country Study Club installs new officers

The Town and Country Study Club held a dinner meeting Saturday, April 20, at 7:30 in the Wig Wam Restaurant.

New officers were installed. The retiring president, Mrs. Joe Seagler, thanked the

members for their cooperation. The club gave Mrs. Seagler, the study club past president's pin as a gift in appreciation for her service to the club.

Mrs. Don Samford, a past president, acted as installing officer. She used the Honeybee as her symbol of service as she installed each officer.

The new officers are Mrs. Bob Spence, Reporter, Mrs. Connie Gray, Historian,

hostess to the following members, Mesdames: Eddie Irwin, Jack Wallace, J. C. Reynolds, Van Greene, Bud Thomas, E. O. Willingham, M. A. Silvers, Jack Russell, Al Mullinax, Truman Doss, and Harold Reynolds.

Glenda Smith, daughter of Mr. and Mrs. Bill Smith, and a student at South Plains College visited in the home of her parents, and in the home of her sister Mrs. Elbert Haggard of Carlsbad, N.M.

Allegro study club has history quiz

The Allegro Study Club met in the home of Mrs. H. B. Barker, Thursday, April 18. The meeting was opened with prayer by Mrs. Harold Drennan.

Mrs. Jack Russell, President introduced Mrs. Bud Thomas who was in charge of the program. Mrs. Thomas divided the quiz into three teams and gave each a quiz on the years study. The theme for the year has been "Texas Our Texas". Things studied have been Forts and Missions in Texas, Famous Women, National parks, State government, Resources and Industry in Texas. The quiz given to the group was actually a test on Texas History. The team with the poorest score will entertain the other teams at the final meeting of the club year in May.

In a business session following the program, club members voted to give \$100.00 from the proceeds of the bridge marathon to purchase trees for Strickland Park. The remainder of the proceeds will be used for the club projects including Girls-town U.S.A. and Roberts Memorial Nursing home.

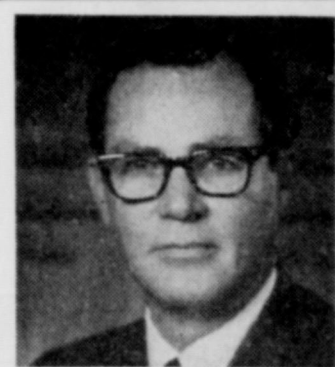

Lovely refreshments were served by the

Sears Grant . . .

MRS. ELLA CURRY, manager of the Levelland Sears Roebuck store, presents a check for \$100 to member of the Morton Garden Club for their efforts in winning one

of the Civic Improvement grants presented by the Sears Foundation and the Texas Garden Clubs, Inc. Accepting the check left to right are; Mrs. E. R. Fincher, Mrs. Sammie Williams and Sanderford.

**NEW! For clean Sorghum...
spray weeds when you see them!
with BANVEL[®]**

Velsicol announces Banvel herbicide for control of all hard-to-kill weeds of major importance in grain sorghum. This includes carelessweed (pigweed), sunflower, lambs-quarter, purslane, morning glory and other annual broadleaf weeds. Banvel herbicide is applied post-emergence, so there are no wasted sprays in years when rain is scarce and weeds are not a problem. With Banvel you see your weed problem and then spray—all in plenty of time to give young sorghum plants plenty of opportunity to grow.

Banvel is sprayed onto weed leaves and translocates to the roots...for new, total control of weeds. Just apply Banvel between the 10th and 25th day after emergence of grain sorghum (approximately 4 to 12 inches tall).

Banvel is not dependent on soil moisture for its effectiveness, so its results are dependable. And it's a liquid that won't clog your sprayers; nor does Banvel need constant agitation.

Banvel increases yields. It's excellent for use on grain sorghum, wheat, barley, oats and field corn. Order Banvel herbicide to get full potential from your valuable, high-yielding sorghum seed.

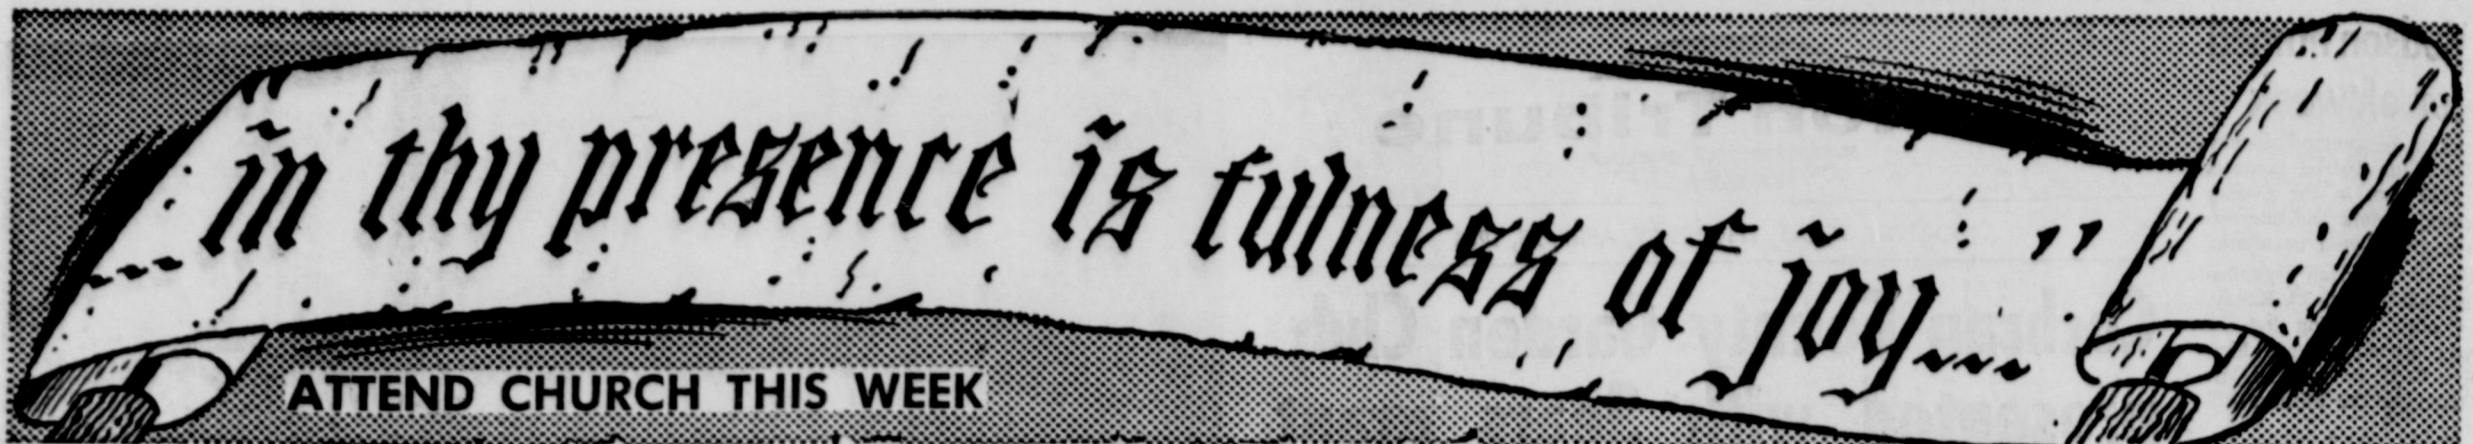

See your dealer today. You'll be glad you did!

SUNDAY MORNING . . .

What a wonderful day . . . what a wonderful time. This is a time to be happy . . . this is a time of joy . . . this is a time to worship the Lord in His house. This is a time for all of the family to enjoy being together. Today, the sun shines bright . . . next Sunday it may rain, but all are days of joy for this is the day to be with the Lord in His house.

*"I was glad when they said unto me,
 Let us go into the house of the Lord."*

Psalm 122:1-10

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Jeanetta Rowden wed to Martin Peter Dowling III

Jeanetta Louise Rowden and Martin Peter Dowling III were united in marri- age, in a double ring, candlelight cere- mony on Saturday, April 13, at 7 o'clock p.m. in the First Methodist Church, Mor- ton, Texas, with Rev. Rex Mauldin of- ficiating.

Miss Rowden is the daughter of Mr. and Mrs. Wayne Rowden, of Morton. The groom is the son of Mr. and Mrs. Martin P. Dowling Jr. of Hyde Park, New York.

Given in marriage by her father, the bride wore a gown of silk organza over taffeta featuring Guinevere sleeves bordered with Alecon lace. The cowl-neck-

line, of the same lace, was encrusted with seed pearls and iridescent beading. From the shoulder of the A-line dress, flowed a chapel train of organza with applique of lace embroidered with seed pearls and beading. Her fingertip, triple layered veil was of pure silk French il- lusion, attached to a cluster of satin pe- tals with scatters of seed pearls. The bride carried a satin covered Bible with yellow roses, white feathered carnations and streamers of white satin ribbon.

For something old, she carried a love letter written to Mrs. Naomi McClure of Morton, by McClure on December 9, 1921, when they were making plans for their wedding. Something borrowed was diamond earrings from a friend. Her blue garter completed the traditional "some- thing old, new, borrowed and blue."

Mrs. J. T. Holloman, of Katy, Texas, aunt of the bride, was Matron of Honor. Miss Jackie Parish, of Springlake, Texas, was bridesmaid. Junior bridesmaid was Susan Rowden, sister of the bride. They wore identical A-line dresses of yellow dotted swiss, and carried nosegays of Dutch irises and yellow roses. Headdresses were circles of yellow net petals with white satin bows.

Candles were lighted by Belinda and Brenda Holloman, cousins of the bride. They wore dresses in the same style as bride.

Mr. Dowling was attended by Mr. J. T. Holloman as Best Man. Mr. Gary Ran- kin, cousin of the bride, from Lewisville, served as Groomseman.

Mrs. Pegues Houston was organist. Mrs. James McClure sang "Walk Hand in Hand With Me". Mr. Budd Fountain sang "The Wedding Prayer".

A reception was held, following the ceremony, in the Fellowship Hall of the church. Misses Patricia McClure, Kay Peterson, Margeret Ledbetter, and Mrs. Gary Taylor, of Morton, served refresh- ments of wedding cake, punch and coffee, while Miss Susan Blackley registered the guests.

The couple returned to Houston on Mon- day, where they will be at home at Spring Village Apartments, 1514 Bingle Road, Houston.

Mrs. Martin Peter Dowling III (nee Jeanetta Rowden)

Groves asks return to second term

Leonard F. Groves, candidate for the office of Cochran County Tax Assessor-Collector, subject to the May 4th Democratic Primary Election, recently made this statement concerning his campaign for re-election to a second term. "If re-elected, I will continue to perform the duties of Tax Assessor-Collector to the best of my abilities. I feel that the office of Tax Assessor-Collector is an important unit of our County Government system and it should be staffed by the most

competent, responsible officers and deputies available."

The candidate further stated that he was not obligated to any particular group, but promised to serve all the people of Cochran County.

Leonard Groves, a native of Hermleigh, attended school at South Plains College, Levelland, and South West Texas State in San Marcos, Texas.

He and his wife, Patricia, reside at 407 E. Garfield, with their two children, Patti and Jeff, and are members of the First Methodist Church, Morton.

Leonard F. Groves asks for and will appreciate your vote and support in the May 4th Democratic Primary Election. (Pol. Adv. paid for by Leonard Groves)
