November calendar girl . . .

GETTING READY for the Thanksgiving holidays is Miss Rita Kay Bedwell, daughter of Mr. and Mrs. Herman Bedwell of Morton. Rita Kay is our pretty young calendar girl for November.

She is shown here with a typical Thanksgiving background of pumpkins on the Hub Caldenhead farm near Morton. Miss Bedwell is a junior at Morton High School and "just loves Thanksgiving." Design Studio Photo

## HS students conduct presidential poll; Wallace is favorite

Morton High School government students conducted a presidential poll of the Morton area Thursday, October 24, and the results indicated that George C. Wallace is the local favorite to win the presidency November 5. Wallace received 33% of the votes cast in the poll. Republican Richard Nixon ran 2nd with 25%, and Democrat Hubert H. Humphrey came in 3rd with 22%. A large "undecided" vote of 18%, however, makes definite conclusions difficult.

The total number of votes cast in the poll was 350, which is a figure equal to the number of registered voters in the Morton area. Only adults of voting age participated in the poll. Numerically, the results were: Wallace, 182; Nixon, 140; Humphrey, 119; and undecided, 109.

The poll was taken by the government classes of Morton High School, which are directed by Elvis E. Fleming. The young man is a senior.

WALLACE, Page 2

## Get out the vote

Probably at no time in your lifetime has it been more important for you to go to the polls in November armed with facts as to the records of men and women that we put them in a position of trust by electing them to office.

The next four years are very crucial in the lives of all of us and more so in the lives of our children, grandchildren and in the lives of children as yet unborn. If we do not put the right man at the helm of our ship-of-state at the national level, we alone will be the losers.

All Democrats are liberals, nor are all Republicans conservatives. Therefore,

## Cochran County Farm Bureau passes area resolutions

The Cochran County Farm Bureau held a called meeting October 24 at 8:00 p.m. in the County Activities Building. The following resolutions were passed at the meeting; which relate to Cochran County only.

1. That the Cochran County Farm Bureau support the Morton Industrial Foundation Inc., verbally and morally.

2. That the Cochran County Farm Bureau support the improvement of the Cochran County Airport, verbally and morally.

3. That the Cochran County Farm Bureau support the proposed County Farm to Market Road from Highway No. 116 South from the old Neelyward School house South to Farm to Market Road Number 1669 at the J. C. O'Brien corner.

The resolutions made for the state meeting were: 1. Day Light Saving Time is not wanted for future years, and that it be discontinued after 1968. 2. That the Texas Farm Bureau work closely with the Texas Agricultural Water Commission, especially regarding the use of fresh water to water flood the oil fields for secondary oil recovery; and, that they work toward getting a thorough survey made regarding this practice, especially in the area of the Ogallala aquifer where the high plains irrigation water is located. 3. To support the right of farmers to bargain collectively in the market place on a commodity basis; this would give farmers (agriculture) the same bargaining power now enjoyed by some industries and by the labor unions. 4. Any attempts by non-agricultural interests to force unionization upon farm workers; no person should be deprived to work because of lack of membership in an organization.

5. That the IRS is to leave the present method of reporting agricultural income as it is, using the cash or the accrued method. 6. That a government managed farm program will yield farmers higher incomes than will a market directed economy, without the right of collective bargaining on a commodity basis; the "Free Market" system was what made it necessary that agriculture have a farm program, government managed in 1933. 7. The Bureau disapproves of the IRS Tax Policy of allowing non-farmers to write off farm losses against income earned from other fields. 8. They want to see

See FARM BUREAU, Page 2

### ★ Notice

Mr. and Mrs. W. B. Lackey wish to announce to the people of the Morton area that they have once again assumed management of what was formerly known as Bill's Food Store.

The Lackeys would like to extend a special welcome to one and all to come in and trade with them.

### ★ An Aggie fumbles

In the issue of October 17 the Tribune ran a picture on the front page captioned "Frank Ford with Mortonites." Those pictured with Ford were named as friends of his but not necessarily Republicans, although he is a strong contender for the office of Representative from this 72nd district as a Republican candidate.

According to our good friend Roy Hickman, the picture should have been captioned, "Five Republicans and Two Aggies." Roy is a good friend of the Republican candidate but says, "I am a loyal Aggie Democrat and am going to support Humphrey-Muskie because I think they are better qualified." He further states that "if people will count their blessings before they vote, they shall support Humphrey-Muskie."

We are happy to quote Roy's sentiments and thereby clarify any doubt that might have been created as to his political affiliations by his being seen amongst Republican friends. Roy Hickman has many friends hereabouts and has been the recipient of some good natured "ribbing" during the past two weeks.

However, we doubt seriously if one picture, or a series of pictures, would cause any one who really knows Hickman to think he would change his political philosophy for any reason we can think of at the moment.

### Emlea Smith Jr. Study Club sponsors annual Halloween carnival

The Emlea Smith Jr. Study Club is sponsoring for the third year the Annual Halloween Carnival. Admission for the carnival will be 10 cents, and starts at 6:00 Thursday night.

There are several clubs and groups sponsoring booths at the carnival. They are: Le Fleur, Fishing Booth; Town and Country, Dart Board; Methodist Women's Society Guild, Pie and Coffee; Rebecca Lodge, Spook House; Y. M., Cake Walk; L'Allegro, Frito pie and drinks; Senior Class, Queen's contest; Junior Class, Basketball; Sophomore Class, Psychodelic Booth; Freshman Class, Pie Throwing; Elma Slaughter, Popcorn balls, candy, and soft drinks; Lions Club, Bingo; Future Homemakers of America, Jail House; and the Women's Democrats, Political Booth.

At 8:30 a Special Cake Walk will be held, and at 9:00 the long awaited Queen's contest and the Door Prize drawing will be held.

## Indians stopped by Mustangs; journey to Idalou Friday night

The Morton Indians will have their best chance in recent weeks to pick up their second win of the 1968 season as the Tribe

journeys to Idalou Friday night in a third attempt to pick up a district 4-AA win. Idalou, claiming only a tie with Petersburg, has bowed to Denver City, 48-6, and Tahoka, 26-0. Game time in Idalou Friday is 7:30.

The Denver City Mustangs and the Frenship Tigers appear to be headed on a collision course as both picked up district wins. The unbeaten Tigers ran over Post last Friday, 48-14, while the Mustangs were in Morton trouncing the Indians, 56-0.

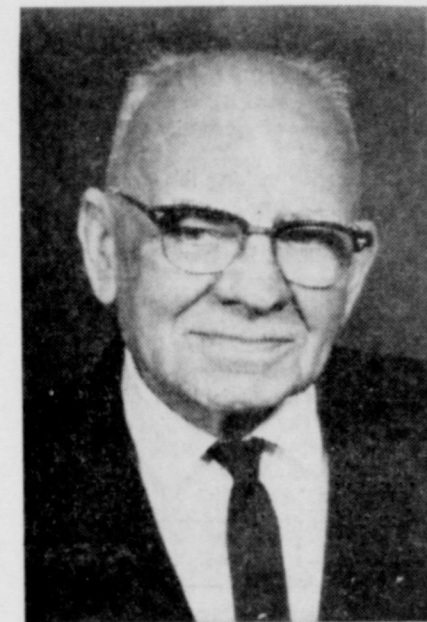

A good crowd from Denver City followed the Mustangs into Indian Stadium for last Friday's district 4-AA encounter, even outnumbering the hometown Morton fans, and the visitors from the south got their money's worth as the Mustangs rolled up 458 yards and 26 first downs in storming to their fourth win of the season. The Indians staved off the DC attack for nearly six minutes, but never could get the offense to rolling.

After the Tribe failed to move the ball after the opening kickoff, Indian quarterback Wayne Thompson punted to the 50. The Mustangs promptly drove to the six, but Mike Bryan pounced on a DC fumble at that point. Still no go for the Indians, so Thompson punted to the Morton 49. Denver City rolled to the Indian 10, but their second fumble in two minutes gave the hosts possession once again. Thompson punted again out to the DC 45, and after a four-yard return, the Mustangs needed only one play to score, a 49-yard rumble by their giant fullback John Powell, and the Mustangs led 6-0 with 6:02 left in the opening stanza. Powell crashed over for the extras.

Three minutes later Mustang quarterback Gene Richardson returned a Thompson punt to the Indian 10, and Powell boomed over from the three just three plays later. The PAT try sailed wide to the left.

The Indians picked up their first first down seconds later as Thompson hit Terry Harvey for an eight-yard gain to the Morton 28, and Mike Bryan crashed for two yards and a first at the 31 one play

S. A. Ramsey

### S. A. Ramsey services conducted

Services for Stevenson Adia Ramsey, 71, were held at 2:00 p.m. Saturday, October 26, in the First Baptist Church of Morton with the Reverend Fred Thomas, pastor, officiating. He was assisted by Reverend Burlie W. Taylor of Ft. Worth with Vernon Stokes of Lubbock as soloist. Burial was in Morton Memorial Cemetery directed by Singleton Funeral Home.

A resident of Cochran County since 1932, Ramsey passed away Thursday, October 24, at 10:45 p.m. in a Levelland hospital in Levelland.

Ramsey was owner and operator of the Ramsey Leather and Shoe Repair Shop in Morton.

He and his wife moved from Littlefield to Morton September 1, 1932 and opened the business September 2, 1932 where they grew up with the town. It was said that Ramsey's hobby was meeting people and studying history. At one time he served on the City Council of Morton.

He was a member of the First Baptist Church where he served as a deacon. He was also a member of the Masonic Lodge of Morton.

He is survived by his wife Cora, five daughters, Mrs. Joyce Marshall of San Antonio, Mrs. Geraldine Taylor of Fort Worth, Mrs. Belva Stokes of Lubbock, Mrs. Sue Pinson of Brownfield, and Miss Peggy Ramsey, a Texas Tech student of Lubbock; one son, Gerald Ramsey of Morton; two sisters, Miss Elza Ramsey and Miss Alva Ramsey both of Morton, and 12 grandchildren.

### Garden Club to have lighting program

Cochran Power and Light Company will present a program on Christmas Lighting techniques for the home at the November 4, meeting of the Cochran County Garden Club.

Mr. Charles Castleberry, lighting specialist from Hobbs, N. M., will discuss and demonstrate design and construction of Christmas lighting effects for the home, both inside and out.

Beginning at 8:00 p.m. on Monday, November 4, the program will be held in the County Activity Building in Morton. There will be no admission charge and the public is invited.

Thompson corralled . . .

INDIAN QUARTERBACK Wayne Thompson is tackled on a roll-out during the Morton-Denver City football clash here last Friday night. Making the grab for Denver City is

Randall Freeman, while Billy Smith comes up to help out. Indians lost the district tilt to the Mustangs, 56-0.

## Morton Indians

from page one

later, but that was as far as the Indians could get, and after a Thompson punt and a good return, the Mustangs started to work again from their own 35. Four plays later, and three seconds into the second quarter, the Mustangs added another TD to the growing total on the board as halfback Robert Hernandez plunged over from the two, and then ran over the extras to build the lead to 22-0.

The Indians began to click for a short while. Aided by a 15-yard penalty and runs of 12 and seven yards by ailing Alex Soliz, Morton picked up four first downs and drove to the Mustang 41, but at that point, Soliz was dropped for seven-yard loss, a pass from Thompson to Harvey netted only two yards, Thompson couldn't find any room around left end, and the Indians had to punt.

Moving from their 14, DC took ten plays to score their fourth TD as Richardson ran the final 14 yards with nearly four minutes left in the half, just enough time for John Powell to tack on another TD with only 13 seconds left. The Mustangs left the field with a very comfortable 34-0 lead.

But, 34-0 was not enough for Coach Don Orr and his eleven-man coaching staff. Powell added eight more points five minutes after the half, but the Indian defense stiffened for the rest of that period, once holding DC at midfield to take over at the Indian 45.

Early in the final period, Richardson passed to end Randall Freeman to make it 48-0, and then, after stealing a Thompson pass at the Morton 34, the Mustangs added their final score as Larry Wolf sprinted over from the two and added the points after.

The Indians finally put together a good

textile and cotton imports, raw and processed, lowered, and restricted to those countries only which maintain a favorable trade relation with the U. S. 9. The present farm program, The Act of 1965, wherein we have control and supports in direct payments and compensatory payments. 10. That greater efforts should be made by all farm organizations to reach agreement on farm legislative programs in Austin and in Washington; legislators get "Lost in the Storm" when they are approached to support or defeat agricultural legislation when the different farm organizations have failed to reach an agreement as to what they want or what they dislike. 11. It is requested that cotton producers on the High Plains be allowed June 15, 1969 and 1970 to declare their cotton planting intentions instead of March 15, as was the case in 1968. 12. That the State Board, or the delegates at the State Convention, change the dates for the State Convention to be held during the first week of October instead of the Month of November; the November date is at the time when the farmers in West and Central Texas are the busiest, and that find it difficult to get delegates to attend the Annual State Convention in November. 13. That the Department of Agriculture and the cotton trade get behind and encourage machine stapling, machine grading and gin sampling of cotton; and, that no one should be allowed to cut the bales for re-sampling before the cotton gets to the mills; we believe that this should have immediate attention. 14. To support the lowering of imports of beef, both live and processed; the increase in domestic production, which is taking place at the present time, together with the increased imports is going to mean trouble for the live stock people in the near future.

drive as Soliz, Bryan, Harvey, and Thompson teamed up on gains in driving deep into Mustang territory. Soliz picked up 20 yards to the DC 43 for the longest Tribe gain of the night, but time ran out at the 15 and the Indians found themselves saddled with their worst setback in two seasons and their fifth game of the season in which they failed to score.

Senior back Alex Soliz led Indian rushing with 68 yards on 16 carries, and Wayne Thompson was the defensive stand-out with 10 tackles.

## Wallace

from page one

people were divided into some thirty teams which canvassed virtually all the businesses in the central area of Morton, as well as substantial portions of the residential areas in the various sections of town. The poll included public employees in the schools, the courthouse, the county activities building, and city hall. In addition, the government students polled their own parents, especially those who live in rural areas around Morton. The young people conducted the poll as one of the activities in their study of political parties and national elections. They plan to compare the poll of the Morton area with the national polls and with the actual election results on Nov. 5.

Fleming hesitated to make any hard-and-fast predictions on the basis of the local poll. He said, "The large 'undecided' vote could swing the local outcome for any one of the candidates. My impression is that most of the 'undecided' will likely vote for Humphrey. Most of the Wallace and Nixon supporters seem to be more willing to express their views, while the Humphrey supporters are more reserved in committing themselves. Our poll, of course, was by secret ballot, but a number of those approached were very eager to reveal their convictions to the student pollsters." In hazarding a forecast of the local election, Fleming stated that he believes that Wallace will carry Morton by a small margin, but that Humphrey will likely edge out Nixon

## Three Way news

BY MRS. H. W. GARVIN

Mrs. R. L. Davis, Mrs. Melba Bledsoe and Mrs. W. T. Simpson were in Levelland shopping Thursday.

Mrs. Paul Powell and Mrs. Daphne well were in Levelland shopping Thursday.

The R. L. Davis home was the scene of a pink and blue shower Tuesday evening Mrs. Lester Driver. Many useful items were received.

## Emlea Smith Jr. Study Club meets in Glynn Price home

The Emlea Smith Jr. Study Club met at the home of Mrs. Glynn Price for a regular meeting. Mrs. Price and Mrs. W. Tyson served as hostesses. Mrs. Sherrill Griffith introduced Mrs. Albert Asbill who presented the program entitled "Water, Water Everywhere Not a Drop to Drink." The program dealt with the problems of water pollution. There are many types of water purification systems designed to take care of these problems, but all of them are expensive to operate. Mrs. Asbill brought plans to demonstrate the process of water purification and removing salt from the water by sunlight and evaporation. The cure for water pollution is preven-

Mrs. Tommy Hawkins presided at the business meeting. Mrs. Mike Holland was elected as a new member. Refreshments were served to the following members: Mrs. Tommy Hawkins, Mrs. James Dewbre, Mrs. Sherrill Griffith, Mrs. Tom Davey, Mrs. Jimmy Harris, Mrs. Ronnie Johnson, Mrs. Ray Tucker, Mrs. Bill Foust, Mrs. Rodney Fralin, Mrs. Earl Polvado, Mrs. Gary Willingham, Mrs. James Walker, Mrs. Richard Houston, Mrs. Thelbert Asbill, Mrs. Bob Polvado, Mrs. Mike Doss, Mrs. Loy Kern, Mrs. J. W. Tyson, Mrs. Glynn Price and to one guest, Mrs. Roy O'Brien.

Texas produced 40% of U.S. natural gas in 1967.

Museum beautification . . .

BULB PLANTING at the Cochran County Museum Thursday, October 24, were students from the special education class at Morton schools. Assisting the students were their

teacher, Mrs. Stroud, and Mrs. Don Samford, Mrs. W. A. Woods and Mrs. E. R. Fincher, all of the LeFleur Garden Club.

## Special Education Class helps LeFleur Garden Club

Members of the Special Education class taught by Mrs. Stroud, joined Le Fleur Garden Club members at the Cochran County Historical Museum on Thursday, October 24 for the planting of daffodil and tulip bulbs.

After being shown pictures of how the bulbs would appear when in bloom and how to plant them, the students proceeded to dig holes and plant the bulbs. The club is grateful for the interest shown by teacher and class in this garden therapy project and the class was invited to come back in the spring and view the results of their planting.

After the work session, garden club members met in the home of Mrs. W. A. Woods for the regular meeting. Mrs. Roy Hill presided over the meeting in the absence of the president, Mrs. E. R. Fincher, club delegate to the recent Chamber of Commerce meeting, reported. Further action will be taken when plans are finalized on holiday decoration plans. Members were again reminded of the one

Meeting in Paducah on November 15, and the Halloween Carnival. The club will again sponsor the "fishing pond".

The program, "Creating Beauty through the Use of Color," was presented by Mrs. Don Samford. The Color Wheel and the Color Triangle were demonstrated and explained. Other characteristics of colors such as warmth, coolness, advancing, receding and apparent weight were discussed.

Association of certain colors with seasons and emotional impact of particular colors on the individual were brought into the discussion.

Related and Contrasting color harmonies and types of each were illustrated by use of the color wheel. In closing the program, it was stressed that in order to learn to use color successfully, it is necessary to understand "color sense" — that is — the ways in which the human brain, eye and psyche react to what is seen.

Members present were: Mdmes: Roy Hill, W. W. Williamson, Eugene Bedwell, Buford Elliot, E. R. Fincher, Elmer Gardener, Don Samford and the hostess.

Next regular meeting will be on November 14, in the home of Mrs. W. W. Williamson.

## Homecoming activities planned at Whiteface

A day of Homecoming activities has been planned for Whiteface exes Saturday, November 2, 1968.

To begin the festivities, there will be a Homecoming Parade at 10:30 a.m., followed by a Barbecue Lunch at 12:00 Noon at the P.E. Gym. The proceeds from the lunch will go to the new Community Park and an All-Sports Banquet. At 1:30 p.m. there will be a football game with Anton. Following the game, an Ex-Student Meeting will be held in the High School Auditorium. The Banquet at 6:00 p.m. in the school cafeteria will honor Mr. Loyd Wall of the school maintenance department.

A special invitation is extended to the Classes of 1965 and 1966 as they will receive special recognition.

Tickets for the Banquet may be purchased at the south gate of the stadium. Price of the tickets will be \$1.75. This ticket enables entrance to the football game without charge.

November 2 will also be Open House at the secondary school. The building was

## BLED SOE NEWS ITEMS

By JAN WEAVER

Mr. and Mrs. Herbert Row hosted a Spaghetti Supper in their home on Saturday night, October 19th, for the young people of the Baptist Church. Those attending were: Monty Hall, Carla Banning, Doug Burns, Don Row, Debbie Burns, Cindy Banning, Paul Row, Steve Dunn, Neva Gilliam, Margie Griffiths, and Mrs. Jo Gilliam.

The young people of the Baptist Church attended the Associational Youth Rally in Brownfield on Monday night, October 21. Twenty attended from the Bledsoe area, including four sponsors. They won the attendance banner for this meeting. A group from Bledsoe composed of Margie Griffiths, Debbie Burns, Kay Row, Sherri Adams, and Nita Gilliam presented some special music for the program. They were accompanied on the piano by Mrs. Edsel Young.

Mrs. Maxine Adams was hostess to a Tupperware party in her home on Tuesday morning, October 22. There was a good group attending and a good time was had by all. It was the third party which Maxine had hosted in a year, which entitled her to a Gold Key that was presented to her by the Tupperware dealer, Mrs. Wilma Morrison of Morton. Mrs. Adams also received a nice set of dishes.

Members of the faculty of the Bledsoe Schools, attended the Teacher-Appreciation Banquet in the Morton High School cafeteria on Tuesday night, October 22. Those attending were Mr. and Mrs. Ted Bryant, Mrs. Myrtle Howard, Miss Clara Florence, Mr. and Mrs. Lee Selman, Mr. and Mrs. Alvin Scott, Mr. Young L. Bowley, Jr., Mr. and Mrs. Michael Doss, Mr. and Mrs. A. A. Chandler, and Mr. and Mrs. Don Weaver.

The Bledsoe Junior High girls, and High School girls opened the Basketball season playing Three Way there last Thursday night, October 25. Bledsoe won the High School game 31-16. Debbie Burns scored 16 points, and Maye Bowley scored 10 points for the winners. The Junior High girls were defeated in their game.

Mr. and Mrs. Dennis Griffiths and young son, Darren, of Corpus Christi, came for a visit with their relatives and friends this weekend. Their daughter, Deedra, had been visiting her grandparents, Mr. and Mrs. Harral Rawls, for two weeks.

Mr. Earl Outlaw had surgery Monday, October 28, in the Methodist hospital in Lubbock.

remodeled in the summer. This will be a come-and-go affair only.

## Announcing . . .

Design Studio Photo

The Morton Gin, formerly owned and operated by Mark Kennedy, is now under the active management of Donald Whittenburg and ready for the present ginning season.

Policies of the past, in connection with the gin's operation and customer relations, will be followed as closely as possible. The new manager is anxious to meet and serve all the customers of the gin and will also welcome any and all who see fit to become new customers. He assured one and all equal and fair treatment as well as the very best in ginning service.

Plenty of trailers will be available for the use of any who need them.

COME SEE US!

## Kay Peterson awarded academic scholarship

Because of her outstanding scholastic achievements, Mareta Kay Peterson has been awarded an academic scholarship by Wayland Baptist College, Plainview, Texas, for the fall semester, 1968. Students receiving these scholarships represented the top 7 of the total enrollment at Wayland.

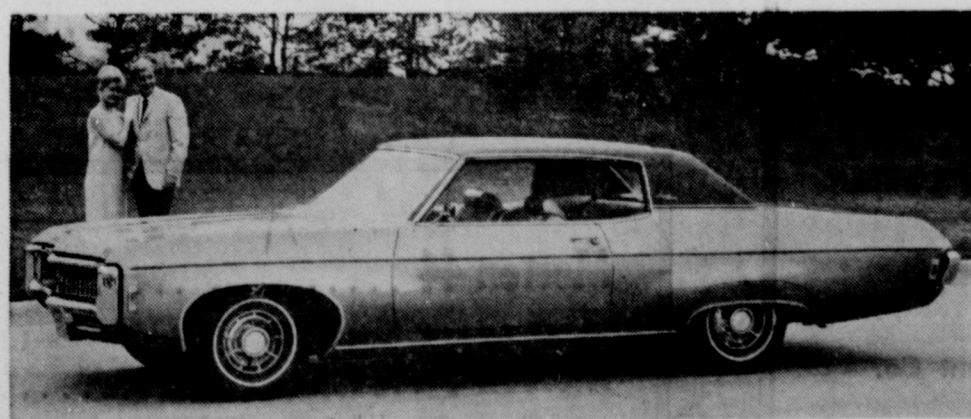

Mareta Kay is a junior majoring in education and is the daughter of Mr. and Mrs. U. B. Peterson, who reside at Route 2, Morton.

Mrs. J. A. Lemons, mother of J. T. Lemons, of the Stegall community was in the University hospital in Lubbock last week.

Mr. E. B. Julian of the Three Way community suffered a heart attack last Tuesday evening. He was taken to the West Plains hospital in Muleshoe and will remain for several days.

# NEWS from WHITEFACE

by: SANDRA KEITH

Plans have been completed for Whiteface's Annual Homecoming Saturday, November 2. Various organizations are now putting the finishing touches on their floats to be entered in the parade Saturday morning at 10:30 a.m. This will be followed by a Barbecue Lunch at 12:00 noon in the Gymnasium. Proceeds from this lunch will be used for an All-Sports Banquet and for the new Community Park. At 1:30 the Whiteface Antelopes will meet the Anton football team. Following the game, an Ex-student Meeting will be held in the High School Auditorium. The Banquet at 6:00 p.m. in the school cafeteria will honor Mr. Loyd Wall of the school maintenance department. Special recognition will also be given the Classes of

1965 and 1966. Tickets for the Banquet may be purchased for \$1.75 at the south gate of the stadium and will also enable the holder to attend the football game without charge.

A Come-and-Go Open House will be held Saturday, November 2, at Whiteface Secondary School. This is to show people what was done during the remodeling of this summer. Everyone is invited.

There is still time to order Homecoming corsages from the Seniors. They get a percentage on all corsages sold by them. Prices range from \$2.00 to \$5.00 and they also have a \$1.00 corsage for Junior High girls. See any Senior and they will be glad to take your order and deliver a corsage for you.

The Rebekah Lodge will have a Halloween Carnival Thursday night, October 31, starting at 6:00 p.m. They will have booths, cake walking, corn dogs, pie and coffee, as well as spooks and goblins. Proceeds will be used for various lodge projects. Everyone is invited to come and have a good time.

Another step was taken in the transfer of the old hotel building last week when the Girlstown Board of Directors voted to accept the building as part of their plant. New windows and new doors have been installed and give the building quite a different look. Present plans are to move some office equipment into it by January 1969.

Paving has been completed on the county road in the north part of town. The Baptist Church also had the areas around their building paved.

Saturday morning, October 26, members of the Whiteface Chapter of the Future Homemakers of America scoured the town of Whiteface in a Scavenger Hunt for the needy. They collected food, clothing, and eyeglasses.

Senior pictures will be made Friday, November 1, beginning at 8:45 a.m.

Also on Friday, November 1, an assembly will be held in the High School Auditorium at 3:00 p.m. to crown the 1968 Homecoming Queen. Candidates vying for the honor are Charla Booz, Diane Deavours, Linda Greer, Gwin Lewis, and Rita Linder. Selection is on the basis of voting by the members of Whiteface High School. The winner will be crowned during the assembly and the Queen and her court will then be presented during Half-time Ceremonies at the football game Saturday.

The Whiteface Antelopes put up a good fight last Friday night, but they were defeated by the Meadow team 42-26.

Mr. & Mrs. Donald Hodge have been home about three weeks and are going to live in Levelland. Donald has just gotten out of the navy and has gone back to work for Mobil Oil Company. He is the son of the Joe Hodges; his wife Mary Lou is the daughter of the Ed Burtons.

Mrs. Royce George Lane

## Nelda Kay Seagler and Royce George Lane exchange nuptial vows

Miss Nelda Kay Seagler, daughter of Mr. and Mrs. C. R. Seagler of Route 2, Morton, and Royce George Lane, son of Mr. and Mrs. C. R. Berry, Sweetwater, exchanged wedding vows at 8:00, Friday, October 18, in the home of the groom's parents. The Rev. Neil Rogers, pastor of Lamar Street Baptist Church, Sweetwater, officiated for the ceremony. Mr. and Mrs. Kenneth Kirley of Abilene attended the couple.

Mrs. Lane is a 1966 graduate of Bula High School and is presently employed with Chrysler Corporation in Lubbock. Lane is a 1962 graduate of Sweetwater High School and is now serving in the U. S. Army at Fort Bliss, El Paso, Texas.

## Elma L. Slaughter Study Club meets

The Elma L. Slaughter Study Club met October 17, in the home of Mrs. Willie Taylor. Mrs. Iva Williams presided over the business meeting in the absence of the president, Mrs. C. E. Dole.

Judge M. C. Ledbetter gave an interesting talk on "Law and Order." He stated that as citizens, we will be quiet and peaceable to our government, and just to our country; we are not to countenance disloyalty or rebellion, but patiently submit to legal authority and conform with cheerfulness to the government of the country in which we live.

In return we have the right to walk the streets of our hometown in safety. We have the right to expect our taxes to be prudently used for our country. We have the right to start our own business if we have the ability to see it prosper. Crime has become a national disgrace and if we are to keep it from becoming a national disaster as well, we must find suitable remedies. It is up to each of us—the responsible citizens of our country to do this because the arm of the law had been twisted out of joint by popular and ill-conceived new notions about justice and obedience.

Refreshments were served by Mrs. Taylor to the following: Mesdames Elra Oden, Dean Jackson, Elmer Gardner, Earl Cadenhead, John L. McGee, Hessie B. Spotts, Iva Williams, Horace Gardner.

## Area teacher's father succumbs

Henry Thea Soules, father of Mrs. Cyrus Fields, a teacher at Morton Junior High School, died recently in Evant, Texas. Funeral services are pending at this time.

**VOTE TUESDAY! RE-ELECT**

**CRAWFORD MARTIN**

**ATTORNEY GENERAL FOR A SECOND TERM**

Pd. Pol. Ad. Crawford Martin for Attorney General.

Searcy Bracewell, State Chairman.

# Whiteface Garden Club meets in J. W. Wood home

The Whiteface Garden Club met in the home of Mrs. J. W. Wood, October 21, with Mrs. D. F. Burris giving the program on "Bulbs for Spring Bloom."

Mrs. Burris discussed a long list of fall-planted bulbs-from Crocus to Wind Flower-that should be planted soon for spring bloom. Many of these flowers are well adapted to this region, and bring bright colors to brighten the landscape at a time when other flowers are scarce.

She stressed the need to prepare the planting beds with great care as most of the bulbs may be left in their locations for many years. The better the preparation before the bulbs are planted, the longer they may be enjoyed. Dig and loosen the soil as much as two feet down for best results; add humus, such as peat moss, to good garden loam. A few inches below the bulbs place 1 tablespoon of bonemeal, cover with soil before placing the bulb the recommended depth for that particular variety. Plant in clumps or groups rather than in single rows, unless outlining a walk or path.

Vice-president, Mrs. O. F. Hemphill

presided. She expressed thanks for the wonderful cooperation that made the Flower Show successful. Special thanks was expressed to every club member, the newspapers, and the radio station for the advance publicity; to the Club President for her unrelenting efforts on the many phases of the work; to the F.H.A., F.F.A., Young Homemakers and the 4-Hers who worked so hard on their exhibits and had such excellent and attractive exhibits. Thanks were also tendered to the School Officials who gave so generously of their time and for the use of the school building—and a grateful thanks to the High School Youth from the Study Hall who helped so much!

Several members plan to attend the District I meeting at Paducah, November 15. Definite plans will be made at next meeting.

Three members of the local Garden Club attended School No. 5 at Lubbock, Oct. 8, 9 and 10th. These were Mrs. Jerry Marks, Mrs. O. F. Hemphill and Mrs. J. L. Schooler.

Plans for the Christmas Craft Show and Tea were discussed, but no definite date has been set for this event, but it probably will be held a day in the first week in December.

Next meeting will be November 4, at the Elementary School Auditorium. Mrs. Ed Jennings will present the program on "Thanksgiving Arrangements". Roll Call will be a presentation of each member's own Thanksgiving arrangement. Mrs. S. J. Bills will be hostess.

Present at this meeting were Mesdames: O. F. Hemphill, R. K. McCoy, Woody Splawn, S. J. Bills, R. D. Hensley, D. F. Burris, Charley Worley, G. C. Keith, Ed Jennings and her mother, Lewis from Gatesville, and the hostess, Mrs. J. W. Wood.

## Mrs. Lester Driver honored with shower

Mrs. Lester Driver was honored with a layette shower Tuesday, October 22, in the home of Mrs. R. L. Davis of Maple.

Yellow and white were the colors, and crystal and silver were used on the serving table. Spiced tea, punch and cookies were served to approximately thirty guests.

The hostess gifts were a gown, robe and baby book.

The hostesses were Mrs. Homer Richardson, Charles Abbe, Bill Dolle, Ted Simpson, Darrell Corkery, Dutch Powell and Mrs. R. L. Davis.

## Richard Nixon and family to arrive in Lubbock this week

Richard Nixon, accompanied by Senator John Tower, will arrive in Lubbock Nov. 1 at 2:30 p.m. Approximately 250 people in tour, including 150 news representatives from U.S., Europe and Canada will be there. Crews of three U.S. major networks will be also aboard.

Also aboard will be Mrs. Richard Nixon, Julie, Tricia and David Eisenhower. A platform will be at southwest corner of the South Ramp of Lubbock Municipal Airport. There Nixon will deliver a "major address" speech.

Along with the tour group will be Senator Thurston B. Morton, Ky.; Senator Melvin K. Laird, Wisc.; Congressman Donald Rumsfeld of Illinois and Lt. Gov. of Calif. Robert Finch.

The three jets' names are "Julie", "David", and "Tricia". Richard Nixon will be aboard the "Tricia".

## Tex-anns to perform for Anton Lions Club

Ten Tex-Anns from South Plains College will perform in Anton Monday for the Anton Lions Club.

The girls drill team members will do two numbers, a jazz and a "cha-cha-cha," at a banquet meeting.

The girls making the trip will be Cathy Shea, Becky Turner, Cheryl Keller, all of Levelland; Phyllis Boothe, Anton; Linda Hemke, Farwell; Shirley McClung, Floydada; Linda Becker, Sunzonia, Arizona; Jeanette Cooper, Dena Smith and Cheryl McDaniel all of Morton.

The Tex-Anns are busy rehearsing routines they will be performing at the Khiva Shrine charity game in Jones Stadium at 7:30 p.m. Thursday, Nov. 7, when the Texas Tech freshmen meet the A&M freshmen.

Thirty-five members comprise the drill team this year.

# IMPORTANT!

To vote for Nixon AND the Texas Democratic Candidates:

1. SKIP the line of party squares across the top of the ballot.
2. MARK the square by Nixon/Agnew.
3. THEN go to the square by U. S. Representative IN THE DEMOCRATIC COLUMN, mark it AND the squares by Preston Smith, Ben Barnes, Crawford Martin and on down.

Whatever your interest — responsible law enforcement; curbing runaway inflation; tidelands; school fund protection; improved foreign relations; expanded education; social security and medicare, instead of political throw-away.....

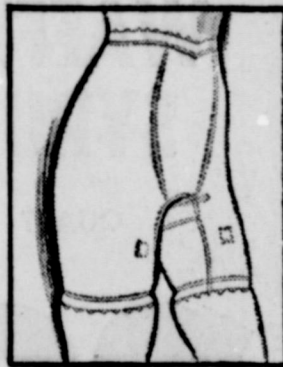

**NIXON is best for TEXAS DEMOCRATS.**

**PIRATES NEAR?**

The jolly roger, the ancient flag of the pirates, threw fear into every ship that sailed the high seas. These armed robbers sought to raid every ship they came across. None was safe when they were near.

The Bible teaches that there is a devil called Satan who is a robber and a thief, who "goes about like a roaring lion seeking whom he may devour." (1 Peter 5:8) But when the pirate threatens, we need not be afraid. We are encouraged by Romans 8:38 & 39: "For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come; nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord."

Our faith in Christ can overcome Satan's fiery darts. Through Him we can overcome all. We invite you to attend the Church of our Lord this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

## Senior class meets

The Senior Class met on Monday, October 28, in Room 105.

The Sponsors, Coach Tannehill and Miss Jackson, presided over the meeting and the order of business was to hand out the Senior Picture Proofs. It was suggested that the proofs be handed in to Mrs. Masten by Thursday, October 31.

## Speech department broadcasts

The MHS speech department went on the air over KRAN last Friday afternoon from 4:30 to 5:00 for the first time. The program, entitled "WarWhoop", is designed to give reports of the current "goings on" of MHS through the week. Last week the program had reports from each organization and interviews with football players and cheerleaders. The program even featured a speech to entertain by Edward York, (senior at MHS) on the "Bread Truck Incident". The speech class, taught by Mr. David Murrah, plans to run three more "War Whoops" for the next three Fridays from 4:30 to 5:00 on KRAN.

## Insurance protection added for farmers

All-risk Federal Crop Insurance for grain sorghum will be available to farmers in 4 additional Texas counties for the 1969 crop year, Congressman Bob Price announced today. Additional Federal Crop Insurance investment protection on grain sorghum in Hartley, Hutchinson, Ochiltree and Oldham Counties will raise to 44 the number of Texas counties where all-risk grain sorghum insurance is available.

Crop Insurance on cotton is available in 35 counties and wheat protection in 28. There are 71 Texas counties where Federal Crop Insurance on one or more crops is obtainable, Price said.

Some \$36.6 million in Texas crop production expenses was protected by Federal Crop Insurance in 1968. An estimated \$2.2 million was paid to Texas farmers for some \$,000 losses during the 1967 crop year, the Panhandle Congressman added.

Mr. and Mrs. Leon Kessler, and Mr. and Mrs. Ray Griffith attended the Lubbock Chamber of Commerce Banquet Thursday, October 24, in Lubbock Municipal Auditorium.

# INSIDE THE TEEPEE

## An Inside Look At Morton High School

Hi gang! I hope you're all doing well this week. As for myself, I've kind of had the "blahs", but I hope to recover by tomorrow night.

The Denver City Mustangs visited here with us last Friday night, and I mean ALL of the Denver City Mustangs! Our crowd(?) looked mighty scarce up beside theirs, and we ought to be a little bit ashamed of ourselves, don't you think? After all, most of us would only have to drive a few blocks to see the home ball-games. Anyway, the Mustang crowd was rewarded as they took a 56 to 0 victory over the Morton Indians. I can't really think of an explanation or excuse for this. All I can say is we'll just have to do better tomorrow night!

However, the pep rally last Friday afternoon was undoubtedly the best MHS has ever experienced. It started out with very little more spirit than usual; the turning point was when Mr. David Murrah gave the pep talk. The speech was not directed toward the football team, as it usually is, but was to the students and teachers of MHS. Mr. Murrah stated that they didn't have any spirit, never had, and if the boys beat Denver City, the student body couldn't say "We won the ballgame", but rather "The boys won the ballgame". Well, this little chewing out seemed to have some miraculous effect, because the gym roof was almost literally raised during the rest of the rally. And it wasn't only the noise that showed the spirit — somehow you could just feel the spirit — everyone was backing the team all the way and had a desire to win. I even heard one of the football players say that it was the first pep rally that had ever given him goose bumps. Let's just hope this spirit wasn't just a passing thing!

The MHS Indians meet the Idalou Wild-cats there tomorrow night at 7:30. We're really looking forward to this game and I just have a feeling that we're going to BEAT THE SOCKS OFF THE WILDCATS! Everyone PLEASE try to come and back our Indians on to this victory, okay?!

Well, I guess that's all that's going on besides the other special stories that you read under the Teepee, so we'll see y'all next week. Come to the ballgame at Idalou Friday night, and GET A WILDCAT!!!

## Football candidates nominated

On Tuesday, October 23, the Varsity football team nominated candidates for 1968 football queen. They are Miss Diane McCasland, Miss Patsy Collins, and Miss Sharon Irwin. The Queen will be crowned on November 9th in the County Auditorium.

## Carnival Queen candidates elected

Class meetings were held in Morton High and Junior High Schools on Monday, October 14. The purpose of the meetings was to elect Halloween Carnival Queen Candidates. Those elected were Dorothy Spence and escort Hershel Lamar, Senior Class; Diane McCasland and Gary Sullivan, Junior Class; Beverly Evans and Larry Elliot, Sophomore Class; Beverly Dolle and Kevin Kuehler, Freshman Class; and Arlene Crow and Jerry Silhan, Junior High.

The queen contest is sponsored by the Senior Class of Morton High.

The carnival is sponsored by the Emlsa Smith Junior Study Club.

## Mrs. Leavitt honored by party

The Analysis class of Morton High School honored Mrs. Elizabeth Leavitt with a surprise birthday party, Friday, October 25, in Room 115.

Refreshments of pink punch and white cake with pink decorations, were served. Those attending were Fred Weaver, Helen Crone, Jerry Steed, Wayne Thompson, Rheda Brown, Todd Fields, and Jeanelle Nebhut.

## Kelly-McDermett vows to be read

Mr. and Mrs. Ruel Kelly of Morton announce the engagement of their daughter Sandra Kay, to Michael Perry McDermett, son of Mr. and Mrs. G. McDermett of Morton.

Sandra is a sophomore at South Plains College, Mike is a junior at Texas Tech. The couple plan a December 21 wedding in Morton's Eastside Church of Christ at 6:30 p.m.

Cecil Williams will officiate. Entertainment is invited.

Pam Reynolds was home for the weekend from Howard Payne College in Brownwood. Miajean Rogers also returned from Pam.

Mr. and Mrs. Danny Joe Ward are visiting in the Vernon E. Sublett home. The Words are from McAllen.

ON TUESDAY, NOV. 5th . . .

## — Editorials — Catch the thieves

The head of a firm specializing in management engineering and investigations states, "Crime in the streets is being overshadowed by white collar crimes in business, not just in dollars and cents, but in the number of participants too." It is pointed out that white-collar employees steal more than a billion in cash and merchandise alone from their employers every working day more than a billion dollars a year. Many of the "thieves" can be found in the ranks of supervisory and executive personnel. In addition to out-thrusting theft, this authority on employee

ethics states that "... even larger sums go down the drain as a result of malingerers on the job, falsification of labor vouchers, improper disposition of scrap and damaged material. . . ." All these losses are finally reflected in higher price tags on everything we buy.

From the standpoint of helping strengthen the moral standards of our society, not to mention the cost of things we buy, everyone of us has a stake in helping in whatever way we can to halt the rising tide of thievery in the nation's business enterprises.

## Water and conservation are key programs of Bill Clayton

Water developments and conservation have been key programs of Rep. Bill Clayton, who is seeking re-election to the Texas Legislature for the 72nd district. Proven leadership has made Clayton re-

cognized by his colleagues, as Ben Barnes put it, to be "the most important water man in the legislature."

As a member of the Conservation and Reclamation Committee of the House of Representatives, Clayton has either authored, co-authored, been on the sub-committee, or conference committee of every major piece of water legislation passed during the last six years. As Chairman of the House Interim Water Study Committee for two terms, Clayton is working for the water importation program, which would maintain the economy in his district.

He also served on the West Texas Chamber of Commerce Water Resources Advisory Committee and the West Texas Advisory Committee to the Texas Water Development Board. He has participated in nearly all the Southern Region Water Resource Conferences and the National Interstate Water Conferences of the Council of State Governments. Recently, he was appointed chairman of the 160-acre Limitation Committee of the Texas Water Conservation Association, and he has been invited to be a principal speaker at the annual American Water Works Association in San Diego, California.

"The only way we can continue to grow and attract industry and make agriculture prosper is by being assured of water supply for the future," Clayton stated. His chief goal is the importation of water to this area, and he counts on established leadership to get the Texas Legislature behind the multi-billion dollar joint federal-state project.

For agriculture, Clayton has been active in promoting market expansion. "There were more appropriated funds this year for this purpose than ever before," Clayton said, "and Texas is beginning to really move out in this field." He authored the resolution that started research on natural fibers and worked on legislation expanding the veterinary diagnostic program, swine research, and vegetable research. Clayton helped pass a constitutional amendment to keep farm land from being taxed at higher rates simply because of being located near a city. He has worked to keep sales tax exemptions for farm machinery and crop supplies.

"This district needs more than just a vote," Clayton concluded. "It needs someone in the legislature who is a real voice. This is more important now than ever before because of our smaller population, giving us less voice in state government than our city cousins have. Therefore, we have to make up the difference with quality in experience, seniority, and influence."

## Passing of amendment No. 12 not urged

AUSTIN — Legislation designed to help small towns and medium-size cities economically may hurt them the most if Amendment No. 12 to be voted on Tuesday Nov. 5, at the general election is approved by Texas voters, Keith Reed of Arlington, President of the Texas Chapter of the Municipal Finance Officers Association, said this week.

Amendment No. 12 gives cities and counties authority to issue tax-free revenue bonds to build industrial plants for private corporations.

Opposition is mounting in both large and small towns against the proposal, a survey by the Finance Officers Association notes.

Mayor Hubert Gorubec of Granger (pop. 1,800) has expressed his concern about the amendment in this way: "For a city to lend its credit for the construction of a plant for a private corporation is to violate the most basic laws of local government finance. This idea has caught on in some other states and has already pushed interest rates on municipal bonds (for schools, hospitals and other justified public needs) to the point that property taxpayers all over the country are feeling the pinch. The idea should be rejected in Texas."

The purpose of the amendment is to help cities and counties, particularly smaller communities, get new industry. However, according to Reed, it will have just the opposite effect in many instances.

Among objections being voiced to the Finance Officers Association against Amendment No. 12 are: 1) The bonds can be issued by cities and counties without a vote of the people; 2) The program would attract many poorly-financed, marginal industries into the State (stable businesses and industries do not need financial subsidies); 3) The program would open the gate for "fast-buck" promoters, and possibly bring about scandals; 4) If bonds are defaulted, the credit standing of Texas municipalities least able to afford it may be seriously impaired; 5) Tax-free bonds for industrial development would drain capital away from communities needing money for needed school hospitals, etc., and when money is obtainable, would be at high interest rates that would up property taxes.

## Committee of 300 for amendment 3 formed

The University of Texas and Texas A&M have joined forces — at least until November 5th. Alumni and friends of both schools have formed a committee to get out the vote for Constitutional Amendment 3 on Election Day.

The group is known as the committee of 300 for Amendment 3 and is composed of volunteers throughout Texas. It is responsible for informing the public about Amendment 3. Co-Chairmen of the Committee are Jack S. Blanton and Jeff Montgomery. The men are presidents of the University of Texas and Texas A&M Alumni Associations.

Amendment 3 would permit more of the Permanent University Fund to be invested in certain types of securities under the prudent man rule.

## New president for Easter Seal Society

Herman R. Baker of Sherman, prominent businessman and civic worker, was elected president of the Easter Seal Society for Crippled Children and Adults of Texas last week during the Society's annual convention in Fort Worth.

Mr. Baker succeeds Robert W. Milam, M.D., of McAllen.

Other officers elected include George L. Allen, Dallas, first vice president; Mrs. John Ben Shepperd, Odessa, second vice president; P. O. Settle, Jr., Fort Worth, third vice president; Robert E. Kennedy, Abilene, treasurer; and William E. Russell, Dallas, secretary.

Additional members of the Board of Directors are B. Stan Cook, Texarkana; George P. Cullum, Sr., Dallas; Mrs. Reagan Jones, Tyler; Mrs. E. R. Winstel, Port Arthur; Royce C. Lewis, M.D., Lubbock; and Hershel McCarty, Vernon.

One of the highlights of the Easter Seal Society's convention in Fort Worth was the dedication of the rehabilitation center

of the Easter Seal Society for Crippled Children and Adults of Tarrant County. Miss Eva Adams of Washington, D.C., director of the United States Mint, presided. Miss Adams also was the keynote speaker at the convention. Her subject was "Be an Angel."

The Texas Easter Seal Society helps support 21 treatment centers where adults and children are provided rehabilitation services such as physical and occupational therapies and speech and hearing training.

Among other speakers at the annual convention were Leon J. Whitesell, M.D., of the University of California Medical Center, John Grenzebach of Chicago, president of John Grenzebach and Associates, and Dr. Milam.

The 1969 State Easter Seal Chairman, the Honorable Ben Barnes, was introduced.

Dallas will be the host city for the 1969 convention, to be held in October.

# The 72nd District Needs Bill Clayton

The economy of West Texas and particularly the 72nd Legislative District is based on water supply for agriculture, municipal and industrial needs.

We need the help, assistance and proven leadership of people like BILL CLAYTON who have the influence, seniority, integrity and ability to get the job done.

Your effective  
voice in  
State Government

Bill Clayton's record stands for itself. It reflects the work of a conscientious young man. The 72nd District is in good hands.

## VOTING RECORD & POSITION

### ★ WATER DEVELOPMENT

Bill Clayton has been directly associated with every major piece of water legislation passed during the last six years. He is recognized by his colleagues as being one of the most effective and well informed members of the Texas Legislature on water and soil resource development and conservation. Bill Clayton knows the vital importance of water, not only to your future, but to the future of the entire State. Past accomplishments and effective leadership have made Clayton vital to continued progress in development of water resources for the High Plains.

### ★ EDUCATION

Child by child we build our nation . . . tomorrow depends on today's children and young adults. Bill Clayton is ever mindful of the need to raise our standard of excellence in the Texas school systems. This can only be done through the uprating of the Texas schools, and dedicated recruitment of the finest teachers. Clayton co-authored a bill that created the "coordinating Board of Texas Colleges and University systems," his voting record shows a continued support of teacher pay-raise and the strengthening of all educational systems in Texas.

### ★ LAW ENFORCEMENT

Today, law enforcement agencies are facing new problems. Bill Clayton is concerned about the breakdown of law and order. Clayton has been active in seeking higher salaries for law enforcement officials and uniform standard procedures. Bill Clayton served on a special House Committee which will suggest revisions of our obsolete liquor laws. Clayton believes that all people must respect the law and that proper enforcement is essential to maintain law and order.

### ★ INDUSTRIAL DEVELOPMENT

Bill Clayton knows that industrial development helps to stabilize the economy of any given city or area. During his six years in the Legislature, Bill Clayton has worked aggressively for industrial development for our area of the State. Several smaller cities in our 72nd Legislative District now have airports as a result of Clayton's assistance in starting a program of State grants. These State grants are financed with unclaimed gas tax refund on aviation fuel. Bill Clayton knows that airports help encourage industry in less densely populated areas.

### ★ TOURISM

Bill Clayton has worked hard for tourism during his six years as State Representative. Clayton, House Speaker Ben Barnes and other interested legislators were successful in establishing a National Park in the Big Bend area of West Texas. The water importation program being led by Clayton will develop many new recreational opportunities with huge water reservoirs for fishing and boating. Bill Clayton realizes both the need for more recreational facilities in his district and increased business activity from tourist trade.

### ★ COUNTY, STATE and LOCAL GOVT.

Bill Clayton has been a strong advocate of local government. He is currently serving as chairman of the Committee on Counties of the Texas House of Representatives. Clayton believes that government at the county and city level are more responsive to the people and whenever possible they should take the lead and the responsibility of many governmental programs and functions. Clayton has authored many bills that benefit the cities and support the idea of allowing cities the option to choose their own method of taxation. Bill Clayton is needed on the job for more effective and responsible county, city, and local government action.

Take advantage of this opportunity to keep your firm grip in the State Legislature by going to the polls on November 5th, and casting your ballot for BILL CLAYTON.

(Pol. adv. paid for by Virgie Haile, Chairman of Bill Clayton for Better Government Fund)

### Frank Ford campaign

Campaigning through the 72nd District the final week before Tuesday's election, Republican State Representative candidate Frank Ford pledged a weekly report to the people on legislative matters affecting our district.

"It is my belief that public officials should keep their constituents informed, seek their opinions and listen carefully to the people at home," Ford said.

"To this end, I will send a brief, con-

cise report to each radio station and newspaper in the district each week, outlining the issues which are to come to a vote so that the people can have a more active part in running their business in Austin."

"The professional politicians have messed things up bad enough", Ford concluded, "So now it's time for the people to have their say".

Ford is a candidate in the 72nd Legislative District, which includes Cochran, Lamb, Bailey, Castro, Parmer, and Deaf Smith Counties.

## ASCS Farm News

By John W. Hall

The U. S. cotton crop for 1968 is estimated at 11,071,000 bales, according to the U.S. Department of Agriculture's latest crop report. This would be 49 percent above 7,455,000 bales produced last year, but 21 percent below the 5-year 1962-66 average of 13,986,000 bales.

Nationally, the indicated lint yield per acre is 515 pounds, compared with 447 pounds last year and the 5-year average of 500 pounds.

Ginnings to October 1, 1968, as reported by the Bureau of the Census, totaled 1,416,362 running bales and accounted for 13 percent of expected ginnings for the 1968 crop. The forecast of 11,071,000 bales in terms of 500 pounds gross weight indicates ginnings for the 1968 season of 11,047,000 running bales and cottonseed of 4,563,000 bale weight and seed lint ratios.

In Texas farmers as of October 1 were expected to produce a cotton crop

of about 3,475,000 bales, with an indicated lint yield of 400 pounds per acre. These figures compare with a State cotton crop of 2,767,000 bales in 1967, and a per-acre yield of 376 pounds.

In Cochran County 50,171.1 acres of cotton was planted, and it is estimated that 50,000 bales will be produced in Cochran County.

Details of the 1969 Upland Cotton Program Announced.

Secretary of Agriculture Orville L. Freeman today announced the following additional provisions of the 1969-crop program for upland cotton:

**REFERENDUM** — A referendum will be held by mail during the period Dec. 2 through 6, 1968, to determine whether farmers approve marketing quotas for the 1969 crop. Marketing quotas and acreage allotments were announced for the 1969 crop on October 14. Notices of farm acreage allotments will be mailed to operators of cotton farms prior to the referendum.

**DOMESTIC ACREAGE ALLOTMENT** — For the 1969 crop, the farm domestic acreage allotment has been set at 65 percent of the farm acreage allotment, the minimum authorized by law. Farmers who sign up to participate in the program and who plant at least 90 percent of their farm's domestic acreage allotment, but not in excess of the permitted acreage for the farm, will be eligible for price support loans and for price support payments on the farm domestic allotment.

**SKIP ROW RULES** — The skip-row rules which were in effect for the 1968 crop will be applicable to the 1969 crop. In general, under these rules, only the land actually planted to cotton is counted as cotton land in determining compliance with program revisions.

**LEASE AND SALE OF ALLOTMENTS** — The final date for filing applications for the transfer of cotton allotments is December 31, 1968. Producers in 394 cotton producing counties in the U.S. have approved for 1969 the transfer of allotments to farms outside the county. Allotments, however, cannot be transferred from one State to another.

**PROJECTED YIELDS** — A projected national yield of 545 pounds per acre has been established for the 1969 crop. This yield is the same as for 1968.

The projected State yields are based on 1963-67 harvested yields, adjusted for abnormal weather conditions, for trends, and for changes in production practices, and are used to determine cotton program payments. The State projected yields average out to the national yield of 545 pounds.

The 1969 projected yield for each State is as follows:

Alabama, Projected Yield (pounds per acre) 523; Arizona, Projected Yield (pounds per acre) 1,199; Arkansas, Projected Yield (pounds per acre) 576; California, Projected Yield (pounds per acre) 1,150; Florida, Projected Yield (pounds per acre) 382; Georgia, Projected Yield (pounds per acre) 502; Illinois, Projected Yield (pounds per acre) 488; Kansas, Projected Yield (pounds per acre) 218; Kentucky, Projected Yield (pounds per acre) 648; Louisiana, Projected Yield (pounds per acre) 640;

Mississippi, Projected Yield (pounds per acre) 750; Missouri, Projected Yield (pounds per acre) 578; Nevada, Projected Yield (pounds per acre) 877; New Mexico, Projected Yield (pounds per acre) 775; North Carolina, Projected Yield (pounds per acre) 398; Oklahoma, Projected Yield (pounds per acre) 318; South Carolina, Projected Yield (pounds per acre) 518; Tennessee, Projected Yield (pounds per acre) 620; Texas, Projected Yield (pounds per acre) 421; Virginia, Projected Yield (pounds per acre) 360;

**EXPORT MARKET ACREAGE** — Under a formula in the law, an export acreage reserve of 187,500 acres is established for 1968. All cotton produced on farms participating in this part of the program must be exported. Price support loans and program payments will not be available for any of the cotton produced on a participating farm, or on any other farm in which the operator with export market acreage has a substantial or controlling interest. Forms for applying for export market acreage for 1969 are available in county Agricultural Stabilization and Conservation Service offices of cotton-producing counties. The closing date for filing applications is December 31, 1968.

Additional program provisions applicable to the 1969 upland cotton crop will not be announced until after the November 8 Crop Report but before the referendum period.

Texas drilling in 1967 totaled about 44.7 million feet of hole.

## Governor Connally proclaims Nov. 17 'Safety Sunday'

AUSTIN, Nov. 4 — Governor John Connally has proclaimed Sunday, November 17, "Safety Sunday" in Texas and called on all citizens to enlist in the fight for greater safety by considering their moral obligations to protect the sanctity of human life.

"It is essential that every Texan realize that safety for himself, his loved ones and his friends, as well as others is a matter of moral responsibility," the Governor said in his proclamation, while pointing out that "accidents continue to take a grave toll in our State each year."

He noted that in traffic crashes alone, 3,367 Texans lost their lives, and an additional 205,308 persons suffered painful injuries last year. The economic loss from these accidents is estimated at some \$793 million.

The purpose of "Safety Sunday," which is sponsored by the Texas Safety Association, is to focus public attention on the necessity for reducing accident tolls especially during the Fall and Winter holiday season. The Safety Association reports that previous experience indicates that accident tolls increase sharply during this period.

Clergymen of all faiths are being asked to join civic leaders, state officials and others in a united effort to prevent additional tragedy on the highways and in the homes of Texas by making Lone Star citizens more fully aware of their individual moral responsibilities for accident prevention.

Attending the auto races in Hobbs Sunday were Mr. and Mrs. Sherill Griffith and Scott, Karl Griffith and Dorothy Spence.

## For Amendment No. 9—

L. S. SALSER is among local teachers who will be working to secure passage of Amendment No. 9 to the Texas Constitution November 5.

The amendment will remove the salary ceiling on which teachers can now contribute toward their retirement. A similar ceiling was removed for state employees several years ago.

Salsler is president of the local unit of the Texas State Teachers Association.

Pol. Adv. paid for by Cochran County Teachers Association, Mrs. W. C. Benham, Chairman.

Recreation report . . .

BUDD FOUNTAIN, SCS, Work Unit Conservationist, presents Chamber of Commerce Manager Leon Kessler, a copy of the Cochran County Recreational Appraisal Report. The chamber requested assistance from the Cochran County Technical Action Panel in getting the appraisal prepared. The project was completed through the combined efforts of the SCS employees and all Technical Action Panel members. The Cochran Soil and Water Conservation District assisted in preparation and co-sponsored the appraisal.

### County Recreation Appraisal complete

The Cochran County Recreation Appraisal was completed through the efforts of the Technical Action Panel for Cochran County. Members of the Technical Action Panel are representatives from the Agricultural Stabilization and Conservation Service, Farmers Home Administration, Soil Conservation Service, County Extension Service, and Vocational Agriculture teacher and any other locally stationed USDA employees.

The Recreational Appraisal is only one of several projects carried out through assistance of the Technical Action Panel. One of the primary jobs of the Technical Action Panels is providing groups or individuals with information about Federal programs and other Federal agencies that might be able to assist them.

Anyone needing assistance should contact one of your local Technical Action Panel Members.

Texas drilling and well service firms employed 42,000 workers in 1967 with wages of \$292 million.

### Whitface study club meets in high school

The Whitface Study Club met Thursday, October 17th at 7:30 p.m. in the homemaking department of the high school.

After a business meeting the program was presented by Mrs. Kay Houston. Mrs. Houston spoke on the care of the hair and showed several styles and colors of wigs and wiglets.

After the program refreshments were served by Mrs. Elmer Evans and Mrs. John Fietz to members: Mesdames Gaylon Baldwin, S. J. Bills, Don Price, Lester Dupler, Marvin Lasater, Louise Lucas, Jack French, Max Dickerson, Billy Wall, Wendell Dunlap, Darwood Marshall, Vern Beebe, DeWayne Smith, Royce Elam, Miss Fredda Bourland and to visitors Mmes. Kay Houston, L. W. Bills, Rube Abney, Junior French, Elj Casey, R. K. McCoy and Larry Baldwin.

Synthetic rubber production from the Texas Gulf Coast amounts to 80% of U.S. total.

THIS IS WHAT

# FRANK FORD

HAS BEEN SAYING  
DURING HIS CAMPAIGN TO  
SERVE YOU AS

## STATE REPRESENTATIVE

### WATER CONSERVATION AND IMPORTATION:

"Water is the life-blood of our irrigated economy, and the importance of total water resources planning cannot be over-emphasized. Feasibility studies for IMPORTING WATER to the high-plains from the lower Mississippi basin should be pushed forward at maximum speed. Funding on these-and importation itself- must come from congress, with maximum state-federal cooperation. At the STATE LEVEL, our district is far behind on planning for flood control and conservation dams on our creeks. We must keep the water that falls in our district rather than seeing it rampaging on down-stream after every big rain. We must use lake water and tail water return systems to the maximum, along with irrigation practice consistent with the water available in any given area. If elected, I intend to work with men who have a proven record of WATER CONSERVATION. Under no circumstance must this issue be allowed to become a political football to be used at election time for partisan gain."

### EDUCATIONAL AND VOCATIONAL TRAINING:

"Texas has fallen from 33rd to 38th during the past eight years in per-student support for education. During the same time, WE HAVE FALLEN FROM 40th TO 44th IN LITERACY. This dismal record cannot be continued if our young people are going to be able to hold jobs which will be available in the 1970's. We must increase our attention to primary education and the development of basic skills, give additional help to children with specific learning disabilities, increase pre-school opportunities with bilingual education where needed. VOCATIONAL TRAINING must be increased, with emphasis on job training by private industry, so that the trainee will know that a specific job is waiting upon completion of the training. Education and jobs are the only effective answer to poverty."

### FRANK FORD IS THE ONLY CANDIDATE IN THE RACE WHO HAS SPOKEN OUT CLEARLY ON:

- ★ The need to KEEP THE FAMILY SIZED FARM UNIT STRONG as it is the backbone of our rural economy.
- ★ Practical measures that should be encouraged in each community for ECONOMIC GROWTH.
- ★ The need for ABOLISHING DAYLIGHT SAVINGS TIME, a measure which his opponent pushed to passage in 1967.
- ★ Ways to REDUCE THE CRIME RATE, which has nearly doubled in the last eight years.
- ★ The need for a TWO-PARTY SYSTEM so that the people can regain control of their state government.

### FRANK FORD WILL REPRESENT THE PEOPLE OF THIS DISTRICT

(Pol. adv. paid for by Frank Ford.)

We All Depend on the Cotton Industry!

## QUALITY GINNING

. . . has always been our main concern and will continue to be uppermost in our mind. We feel that we owe it to each and every customer to see to it that he not only gets top quality ginning here but is also served by personnel who are courteous and friendly toward all who favor us with their business.
