view, who will continue to be the owner of the building, leasing it to the Post Office Department of the federal government.

James, Whitehead win Gold Stars

The Cochran County 4-H Club boys and girls had their Annual 4-H Achievement Banquet, Monday night, November 18, at the Morton School Cafeteria. We had a good turnout of around some 200 people at the banquet enjoying the fine food provided for the occasion by the Bailey County Electric Cooperative Association.

At the banquet, the 4-H Club members presented their 4-H Motto and Pledge to the guests. The 4-H Motto was presented by the 4-H Club members, and the 4-H Pledge was presented by the 4-H Club members.

leaders, 4-H records and agents. A 4-H'er is eligible for awards on the basis of the project and club work he has done. There are a limited number of awards, so only those doing the very best work in a certain project are able to receive an award. A project award may be received by a 4-H'er only one time and a 4-H'er may win only one award per year with the exception of the Gold Star and Danforth Award for each boy and girl.

The winners of the 1968 Cochran County Awards were as follows: Beef, Kathy and Ralph Mason; Bread, Treva Jackson, Sherita Fluit, Joann Whitehead, and Marilyn Cade; Clothing, Vickie Hall, Penny Woolley, Tamie Young, and Landra Coker; Dairy Foods, Beth Cagle, Mary Jo Hudson, Christy Cade, and Susan Cadenhead; Dress Revue, Vickie Cloud and Becky Melton; Field Crops, Bill Carl Ray; Foods-Nutrition, Denise Aldridge, Velma Goodwin, Nan Ray, Rhonda Smith and Tanya French.

Food Preservation, Stacy Dickerson and Treva Lemons; Home Economics, Sherri Cadenhead and DeAnn Ramsey; Horse, Deborah Whitehead, Mickie Dewbre, Julie Cooper and David Palmer; Leadership,

Jimmy Jones, Sammy Burnett, Barbara Brown, Lee Ray Davis and Morton J. Smith, III; Junior Leadership, Ann Cagle, Rabbits, Doug Crockett; Recreation, Deborah Wilson; Sheep, Donna Allison, Donnie Kuehler and Carla Swanson; Swine, Kenneth Jones, Terry Shaw, Larry Shaw, Mary Cadenhead; and the Texas Citizenship Award to Larry Hale.

Presentation of 4-H Year Pins followed the county awards and 55 boys and girls received year pins for their project work.

Next on the program was the Award of Clover which is an Adult Leader Award to recognize volunteer 4-H Club leaders, for years service to local 4-H Clubs, was made to 36 Cochran County Adults.

A special Alumni Recognition Award was presented after the Award of Clover. The purpose of this award is to honor former 4-H Club members whose accomplishments, following 4-H club membership, exemplify effective community leadership, public service, service to 4-H Club work and success in their chosen careers. The recipients for the Alumni Award were Mrs. C. O. Bryant, former 4-H member for 7 years and leader for 10 or more years; James Dewbre, a former Cochran County Gold

40-voice choir is formed at Girlstown

It was learned this week that a 40-girl choir has been organized composed of girls at Girlstown, USA under the able direction of one George Sharp of Lubbock. Pianist for the choir is Eugene Bruce, a talented 18-year-old, also of Lubbock, who is a Senior at Monterey High School there.

The choir made its first public appearance Wednesday, November 20, when they sang at the revival being conducted at the First Methodist Church in Smyer. Their rendition of "Battle Hymn of the Republic" was well received.

Another long-felt need at Girlstown has been that for a chapel on the grounds. This need will soon be fulfilled if those in sympathy with the efforts being put forth will kindly respond by contributing any funds they see fit to Girlstown, U.S.A., Box 35, Whiteface, Texas.

Morton Indian cagers open season Friday against Stanton

The cold nip of the night air means one thing; it's basketball time again, and the Morton High School roundballers are anxious to hit the hardwoods as they look forward to a tough, but promising season. This year's schedule is loaded with AAA powers, and includes home-and-home games with Levelland. The Indians also will participate in the big Caprock Tournament over the Christmas holidays.

Opening game for Ted Whillock's crew will be Friday night here in Morton as the Indians take on the always tough Stanton Bulldogs. Friday night's program will include both A and B games, as well as all home stands, with the B contest beginning at 6:15.

The Indians will be counting heavily on returning starters Wayne Thompson and Byron Willis, but will have experienced help from several B team starters from last year.

Saturday night, Morton travels to Farwell for A and B games, and then returns to the friendly confines of Indian Gym to take on the Plains Cowboys.

Given below is the 1968-69 basketball schedule for the Morton Indians.

New postal facilities soon to be ready for public use

The all-new United States post office at Morton is soon to be occupied but, according to postal officials here, no definite date has been set for removal from the old facilities to the new. The date will

be announced as soon as it is known. The new building is located directly across the street south of the First State Bank and will definitely be more conveniently located, especially for those having business to transact at both the bank and the post office on the same trip to the business section.

The Morton post office has been moved six times since its inception. Mrs. Mary N. Winder was the first postmaster or, if you will, postmistress, succeeded by A. E. Sanders as acting postmaster, Walter L. Taylor, postmaster, and presently serving as postmaster is Murry L. Crone.

Following is a list of the present personnel at the U.S. Post Office in Morton, Texas 79346: Murray L. Crone, Postmaster; Robble L. Key, Assistant Postmaster; A. E. Sanders and Ohlen E. Ray, Clerks; Winston Jerden, City Carrier; G. F. Cooper Jr., Career Sub and City Carrier; Mrs. M. H. Reynolds, L. L. Hamilton and Freddie Thomas, Temporary Substitutes.

C. F. Winder and Jerry Winder, Rural Carriers; Truman Anglin and B. E. Willis, Substitute Rural Carriers; Bob Mayon, Star Route Contractor and Mrs. Jack Wallace, Star Route Carrier Substitute.

City council meets in regular session

The Morton city council met in regular session at 7 p.m. Thursday, November 14 with Mayor Jack Russell presiding. All members of the city governing body were present.

Bills for the month were ordered paid on motion made by Councilman Earl Stowe and seconded by Councilman Wylie Hodge.

Chas. Newton of Western Catholic Engineers, Midland, appeared before the council and explained the workings of a process for protecting the city's gas system. No action was taken at the time in regards to this matter.

The resignation of Burtis Cloud from the position of Chief of Police was accepted. Charlie Ellis was then hired to fill the vacancy created by Cloud's resignation.

Ellis gave the police report for the month of October which included 18 traffic citations: five for running a red light, two for no driver's license, one for failure to yield right-of-way (accident involved), four for running a stop sign, one for speeding at unsafe speed, two for contesting speed, one for parking on the wrong side of the street, one for driving on the wrong side of the road and one for no M.V.I. sticker and no license plates.

Two accidents were reported (one injury sustained).

There were also 21 arrest cards reported: four for drunk and disturbance, two for disturbance, four for drunk, two for fighting, four gambling, two D.W.I. (released to county). Three warrants were served.

Local girl gets growth hormone

Marilyn Crawford, daughter of Mr. and Mrs. Rex Crawford is finally going to grow.

Marilyn spent two weeks in August at the Children's Medical Center in Dallas taking final tests in order to get her started on Growth Hormone shots.

She received her first shot given by Mrs. Crawford on August 9 before leaving the hospital. Marilyn gets three shots a week which is 1/2 c.c. of growth hormone.

She spent three days back in the hospital in Dallas November 8, 9, and 10, for her first check-up which showed great progress.

Marilyn is a freshman at MHS.

Morton Hi pupils put many questions to George Mahon

Congressman George Mahon was a very pleasant Morton visitor on Monday afternoon, November 18. He appeared before an assembly of Junior High and High School students in the High School Gymnasium between the hours of 2 and 3 p.m.

Congressman Mahon was introduced by Elvis Fleming, High School Government teacher.

After a few brief and appropriate remarks, a selected panel of seven high school students fired questions at the West Texas man who is soon to start serving his 18th term as Representative from the 19th District in Texas.

As usual, George Mahon patiently answered each question in his forthright, down-to-earth manner to the seeming complete satisfaction of his questioners. Further in the program, questioners were picked at random from the assembled student body.

The questions propounded by the students were sincere and mature beyond the point one would expect from high school students and Mahon himself commented on this aspect of the session and stated it was "a stimulating and interesting occasion for him".

As Chairman of the Committee on Appropriations, a post he has held since 1954, Mahon was asked what his main duties

consisted of. He explained that he was put on this important committee in 1939 and it is now divided into 13 sub-committees. He works with each of these branches of the main committee in an effort to work out the differences with the House of Representatives. In doing so he listens to hundreds of hours of testimony in regard to the spending of the taxpayers money.

Asked if the new president would be able to cut expenses, Congressman Mahon replied that he thought Nixon would try but it will be very difficult in view of the fact that Congress has already cut President Johnson's budget some \$14 billion. However, he says Congress will cooperate and help him all it can.

Another question, which was inevitable, concerned what he thought President-elect Nixon would do about the Vietnam war. Mahon replied that he personally thought that the long-range security of the United States was involved and while he couldn't be absolutely sure but that he thought most Congressmen were in agreement as to the settlement terms.

Among the many questions was one asked twice during the session and concerned Mahon's attitude toward voting privileges for 18-year-olds. He drew a

Star Boy and leader for two years; and Mrs. James Jones, a former 4-H member for 4 years and leader for the past 5 years.

The "I Dare You" Award was presented after the Alumni Recognition. This award is to recognize talent for leadership in farm youth, wherever found and to stimulate farm youth to purposeful living. The award is for the most outstanding 4-Square 4-H boy and most outstanding 4-Square 4-H girl in each county. The award is a copy of Mr. Wm. H. Danforth's inspirational book, "I Dare You." The winners of this award were Sherita Fluitt, daughter of Mr. and Mrs. W. O. Fluitt, and Morton J. Smith III, son of Mr. and Mrs. Morton J. Smith, Jr.

After dinner entertainment was provided by the Morton Simplephonies consisting of Harold Drennan, Elvis Fleming and John Coffman.

The highlight of the banquet came when County Judge J. A. Love made the presentation of the Gold Star winners. The Gold Star Award is sponsored by the Texas Agricultural Extension Service to recognize outstanding achievement, leadership and contribution to the County 4-H program. It is the highest award that can be received on the county basis. One boy and one girl are selected on the following qualifications: (1) must be at least 13 years of age by January 1st of the current year (2) must be an active 4-H'er during current year (3) must have completed at least three years of active 4-H work and (4) must not have received Gold Star Award before. Gold Star winners are selected on the basis of their 4-H record, projects and activities, leadership and personal development. The winners of the Gold Star Awards went to Jimmy Jones, 15 year-old son of Mr. and Mrs. James Jones and Deborah Whitehead, 15 year old daughter of Mr. and Mrs. James Whitehead. The Gold Star winners will be recognized and honored again at the Annual Extension District II Gold Star Banquet on December 10 in Lubbock.

Piano recital set for November 25

Mrs. Norma McCarty will present a group of Primary and Intermediate pupils in recital November 25 in the auditorium of First Baptist Church at 7:30. The theme of the program will be "It Takes Every Kind of Music to Satisfy the Soul." Each selection to be heard will be called by its type rather than its true title. First Year Piano students will open the recital, then the other groups will play according to grade in school. Several duets will be played and one trio. Two pre-schoolers will open the program. James Johnson and Renee Lowe; followed by Primary I, II, and III, which includes first, second, and third grade in school, then Intermediate Level pianists, which includes fourth, fifth, and sixth graders in school. Playing in the recital will be Scott Youngblood, Mitzi Scoggins, Lisa Bennett, Gail Lasseter, Joe Lamb, Tressa & Ran Brown, Donna Cox, Mary Smith, Vicki Proctor, Belinda Hunter, Carla Sealy, Melanie & Robin Polvado, Rayma Hall, Karen Clark, Melody Crone, Donna Lynsky, Kim Fred, Rusti Coleman, Susan & Skip Vogel, Debbie Polvado, Cindy Hutcheson, Patti Bowers, Phil Clayton, Kirk Mayon, Allen Steed, Malinda Webb, Sherrill Taylor, Jaye Linn Greer, Teresa Crow, Patti Groves, Tom Johnson, Tonya Hodge, Kathy Mason, Lisa Gerik, Kellye Kennedy, Mickey Dewbre, Rhonda Abbe, Prescilla Minor, Joni Elliott, Renee Beasley, Julie Brown. The recital is open to the public.

ROD PROTECTION

Clear fingernail polish applied several times a year to the thread windings on each guide of a fishing rod makes good sense. The windings stay waterproof, are protected from being scuffed and won't start unraveling.

EMERGENCY SINKERS

An empty, discarded toothpaste tube, or one that shaving cream or hair cream comes in, makes good emergency sinkers. Cut them to size for various weights and simply roll them around the line.

Morton student body states appreciation

The Student body of Morton High School wishes to express its appreciation to the members of the 1968 Indian football teams for their hard work this season.

The boys participating this season on varsity were: Seniors, Wayne Thompson, Dee Merritt, Alex Soliz, Tommy Waters, Curtis Gandy, Tommy DeBusk, Hershel Lamar, Bob Hawkins, and Danny Williams; Juniors, Mike Bryan, Gerald Baker, Larry McClintock, Gary Sullivan, J. D. Wisely, Jerry Steed, Johnny Arnold, and Ralph Soliz; Sophomores, Terry Harvey, Eddie Lewis, M. C. Collins, and Monte Dewbree.

The boys participating this season on the "B" team were: Sophomores, Stan Coffman, Haskell Lamar, Alton Kelley, Jackie Watts, David Carrasco, Steve Crockett, Kirby Gresham, and Darrell Betts; Freshmen; Keith Embry, Rush Coffman, Kevin Kuehler, Willie Holland, Ronny Arnold, Charles Marina, Wendell Keey, Bryant Lewis, Daen Mills, Dwayne Baker, Kim Coats, Elton Patton, and Robin Walker.

laugh when he replied that he thought they should vote "if given the opportunity". However, on a very serious note he commented on the fact that only about 65 percent of the eligible voters took the trouble to vote in this last most recent election.

Another spontaneous laugh was produced when the Congressman was asked what he thought about today's prices and he replied, "well if you're buying they are too high, and if you're selling they are too low." Serious again, Mahon said he thought we need to seek a way to balance supply and demand.

4-H Banquet dignitaries . . .

Shown above are participants in Monday night's 4-H awards banquet. Left to right are Mrs. JoAnne Bray, Assistant Education Director of Bailey County Electric Cooperative Association; Ray Griffith of Griffith Equipment Co.; Mrs. E. C. Hale, mother of three gold star award winners, and Marilyn Cade, who served as mistress of ceremonies at the affair.

One student seemed concerned about narcotics and their use by teenagers. Congressman Mahon says the incoming President will do all he can to stop the narcotics traffic and that he is in agreement with Nixon on his stand that the school plants across the nation be put to year round use in order to keep the

children busy and help to prevent delinquency by utilizing their time more fully. Other questions were concerning how the new administration could be expected to handle the farm program in the future, subsidies, taxes, the population explosion, etc.

NEWS from WHITEFACE

by: SANDRA KEITH

A Community Park Meeting was held Monday, November 18, in the Elementary Gymnasium to discuss available federal funds for construction of a swimming pool and other park facilities. Marvin Smith of the FHA in Morton brought the program. Sponsored by the local committee, the meeting was open to all interested persons.

Doyle Miller arrived home from Vietnam on Friday, November 8. He flew from San Francisco. He has been in Vietnam for a year and was wounded several times. They had a family get-together Sunday at home. The young man's parents wish to say thanks to the community for their concern, words of encouragement, and prayers during Doyle's convalescence and tour of duty. He returns to service on January 20.

Mr. Giles suffered a heart attack last Wednesday night and was admitted to hospital in probable serious condition. Mr. and Mrs. W. C. Chesney of Green Valley, Arizona, and brother and sister-in-law of Mrs. Dayton White have recently been here, the first time in six years. Mr. and Mrs. White then visited with their other brothers and sisters

in Electra, Wichita Falls, Dallas, Sherman, and Abilene, all this over a period of about two weeks.

Mrs. Clema Valentine is in Methodist Hospital where she was taken following a heart attack last week.

The Whiteface Antelopes were narrowly defeated by the Sundown Roughnecks in a wild and close game last Friday night. Final score was Sundown 20 — Whiteface 18. The win left the Roughnecks tied with Amherst for the district lead. Dale Burris passed to Joe Tienda for the Antelope's first touchdown but extra points try failed. Louis Alaniz ran 15 yards to a touchdown and the Antelopes were ahead 12 — 8 at the half. In the third quarter, Dale Burris passed 53 yards to Mike Teer who ran the touchdown and extra points try failed again. Sundown's Mike Morgan was just too much for Whiteface as he made all of Sundown's 20 points. This Friday night the Antelopes meet Amherst in the final game of the season. It will be played in Whiteface at 7:30 p.m.

The Whiteface United Methodist Church held its monthly Fellowship Night on Wednesday, November 20. It was also a special Thanksgiving meal and program.

Three Way Junior High and High School girls played basketball at Bledsoe Monday, November 4. Junior High won 20 to 17. High School girls lost 32 to 21 but are still planning to win their other games.

Homecoming for Three Way High School was Saturday, November 9. They played Bledsoe and won 79 to 10. At halftime the homecoming recreation was the float which was prepared by the Pep Club and Mrs. Conrad Williams. On the float the candidates for Football Queen were: Joy Boyce, Junior; Cynthia Long, Sophomore; Kathy Wittner, Sophomore; and Sandra Simpson, Freshman. The candidates for Hero were: Jackie Dupler, Senior; Bruce Pruitt, Senior; Johnny Furgerson, Sophomore; and Geneo Abbe, Sophomore. The hero, Jackie Dupler, presented the Queen, Kathy Wittner, with a dozen roses.

The Future Homemakers of America

of Three Way is sponsoring a Thanksgiving Supper November 25. Bring a dish and come and eat. The plates, drinks, utensils, and rolls will be provided by the Future Homemakers. The entertainment will be a one act play named SUGAR AND SPITE which will be presented after the supper. It will be at the Three Way School Cafeteria. Everyone is invited!

Lynn Kelley, who was a Senior at Three Way High School last year is still in Ector County Hospital in Odessa. He is suffering from a car wreck he had in the latter part of October. The doctors say he is making some improvement now.

Edward Blankenship, the Vocational Agriculture teacher at Three-Way High School is now the proud father of a baby boy. He was born November 7 in West Plains Hospital in Muleshoe. His name is James Gregory and he weighed 7 lbs 4 oz.

Whiteface youth finishes Navy basic

Seaman Apprentice Dennis W. Martin, USN, 21, son of Mr. and Mrs. George R. Martin of Whiteface, has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service, he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Three Way Cub Scouts held regular monthly pack meet

The Three-Way Cub Scouts, sponsored by the Co-Op gin of Maple, had their monthly Pack meeting Thursday, October 24, in the Scout hut at Maple. Guest speaker was the District Scout Executive for the George White District, Mr. Robert O. Laws from Levelland.

Presentation of awards, for the Scouts that completed their requirements, was presented by assistance Cub Master Don Lowe. Those receiving the Gold and Silver Arrow points awards were: David Hale, Jerry Waltrip, Mark Lowe, and Douglas Vanstorty. Those receiving Gold Arrows were: Bill Hodnett, Mark Hale, Andy Warren, Jimmy Hodnett, and Ronny Altman. Bear Badges and Gold Arrows were: Bill Hodnett, Mark Hale, Andy Warren, Jimmy Hodnett, and Ronny Altman. Bear Badges and Gold Arrows went to Loyd Joyce and Jason Huff.

With the assistance of the Den Mothers, Mrs. Chris Hodnett and Mrs. Judy Hale, the Cub Scouts presented a short skit, "The Ghost of Halloween," which was enjoyed by all.

News from Threeway

by MRS. H. W. GARVIN

We wish to express to the family of Bruce Carpenter who was buried Saturday at Muleshoe. Bruce was the son of Mr. and Mrs. Harold Carpenter, and was a senior of Three Way High School.

Mrs. Johnnie Wheeler was in Clovis shopping.

Mr. and Mrs. Troy Tyson, from Morton and Mrs. Tommy Durham and daughter from Lubbock, visited with their parents the George Tysons Saturday night.

Three Way Junior High Football boys played Cotton Center Thursday night for their last game losing the game to Cotton Center. The Three Way Senior high

team played their last football game of the season with Whitharral Friday night on the home field winning the game. Three Way Girls basketball teams played Bledsoe Tuesday night the High School girls losing but the Junior high winning theirs.

Dennis Avery, son of Mr. and Mrs. Weldon Avery underwent surgery Friday in West Texas hospital in Lubbock.

The W. L. Welch home was the scene of a pink and blue shower Friday afternoon honoring Loyd Scott Warren infant son of Mr. and Mrs. Loyd Warren. Many useful and pretty gifts were received.

Lynn Kelley, who was seriously injured in a car accident in October is doing some better now and was taken from Intensive Care at an Odessa hospital Sunday November 17.

Earlton Wall is a medical patient in Morton Memorial Hospital at Morton. At this time he is doing better.

LeFleur Garden Club holds meeting in home of Eugene Bedwells

At the November 14 meeting of the Le Fleur Garden Club, in the home of Mrs. Eugene Bedwell, Mrs. W. A. Woods presented the portion of the program, "All About Peonies".

She stated that since peonies were among the most permanent of plants they need careful site selection, soil preparation, and planting. They should be set in rich, deep soil in full sun in the early fall. It is most important that the buds at the crown of the roots be no more than 2" below the surface of the soil when firmed and settled. If set deeper, they may not bloom. Newly planted peonies often take two or more years before they become fully established and bloom well. They require a great deal of water in the summer and require no special protection in the winter. Never apply a winter mulch as it is not needed and will encourage disease. Some old, dependable types are: Felix Crousse (Crimson), Festiva Maxima (white), Nick Shaylor (pink), Walter Faxon (rose-pink), and Mon. Jules Elie (pink). For others, consult a catalog from a dependable grower.

Mrs. Buford Elliot discussed "Stump Gardens" from Lone Star Gardener of November, 1967. Stump Gardens are made to simulate Nature's own stumps, as seen in tropical and sub-tropical areas when a tree has fallen and become covered with ferns, moss, etc. They may be made from driftwood, feather rock, limestone or any hardwood tree. A combination of wood and rock is attractive. Plants may be set in depressions of the wood or rock or set near the base in the soil. If they are to remain outdoors all year, plants which are winter hardy must be chosen.

During the business session, presided over by Mrs. L. Z. Scoggins, a nominating committee consisting of Mrs. E. R. Fincher, Mrs. Owen Egger and Mrs. Don Samford; was appointed.

Members present were: Mesdames: E. R. Fincher, W. A. Woods, Buford Elliot, Olin Darland, L. Z. Scoggins and the hostess.

Next meeting will be on December 12 in the home of Mrs. Owen Egger for a gift exchange and program on Christmas Door Decorations.

LAND OF PLENTY

★ THANKSGIVING FOR ...

- PROSPEROUS NATION
- FOOD
- A STRONG NATION
- FREEDOM OF WORSHIP

Pages could be filled with ways that God has blessed us, and we should be continually thankful for God's goodness. At this time, however, we should pause from our daily workday habits and in unison, give special thanks to God, that we still have freedom of worship.

Attend church this Thanksgiving weekend

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

— Editorials — Capitalist holiday

The first Presidential Proclamation of the day of Thanksgiving in the United States was made by George Washington in 1789. The day was set aside for prayers and thanks for the new Constitution. Several states continued the practice, each designating its own day. Abraham Lincoln was the first President to appoint an official Thanksgiving to be celebrated each year on the Thursday of November. Lincoln issued the Proclamation on October 3, 1863. Since that time the Nation has had, on one day, saying its prayers of Thanksgiving, and in remembrance of the small band of religious fugitives who landed, accidentally, at Plymouth.

A fact too often forgotten concerning the Pilgrim Fathers is their trial — of abandonment — of the communal system of joint ownership and communal labor in the colony. A primary reason for their early hardships on the North American continent was the effort to form a Socialist society.

At first, the young colony seemed to be working, but following the first Thanksgiving, the colony went into a decline. Many found that under the system all shared equally so that not a few

began to absent themselves from the fields. Naturally they feigned illness and naturally the number of absentees increased.

The crops failed, and the "starving time" soon followed. Things became so bad in 1623, just three years after they had landed, that the best they could provide was a freshly-caught fish, a lobster, and a cup of water. It was a disastrous comedown after the bountiful feast of 1621, when they had hosted Chief Massasoit and 90 of his braves.

And so it was that in that same year of 1623, Governor William Bradford, at the urging of the governing council, established the free enterprise system, and the Plymouth Plantation began to grow and prosper.

The Pilgrims had learned their lesson the hard way. But, from the agony of "the starving time" there has grown the most productive and most wealthy civilization that the world has ever known. In Thanksgiving, it has shared the product of its hard work with virtually every nation in the world. Thanksgiving is truly a capitalist holiday.

ASCS Farm News

By John W. Hall

COTTON REFERENDUM TO BE HELD IN DECEMBER

The period December 2 through December 6 has been set for the marketing quota referendum for the 1969 crop of upland cotton. The votes will be held by mail, as it has been for the past 2 years. Notices of farm acreage allotments will be mailed to operators of cotton farms prior to the referendum.

If quotas are approved by at least two-thirds of the upland growers voting, the program under which payments are made to cooperators will be in effect.

While all program details of the upland cotton program will not be announced until after the November 8 crop report of the Agriculture Department, the farm domestic allotment has already been set at 65 percent of the farm acreage allotment. Farmers who sign up early next spring to participate in the upland cotton program and who plant at least 90 percent of their farm's domestic acreage allotment but not in excess of the permitted acreage for the farm will be eligible for price-support loans on all their cotton crop and for price-support payments based on the projected yield and the farm domestic allotment.

Upland cotton projected yields — used to determine cotton program payments vary by individual farms, based on county and State average yields. State yields are based on 1963-67 harvested yields, adjusted for abnormal weather conditions, for trends, and for changes in production practices. The State projected yields aver-

age out to the national yield of 545 pounds per acre. Texas' projected yield is 421 pounds per acre.

Cochran County's projected yield is 525 pounds per acre for 1969. This is the same as 1968, but with the proven yields and adjusted yields and the reserve which the county committee has to hold for proven and adjusted yields for 1969 will cause most of the farms to lose about 5 pounds per acre.

The cotton allotment for Texas was 6,835,134 acres of which Cochran County received 74,042 acres.

The cotton Program for 1969 has just been announced by the U.S. Department of Agriculture.

The main points of the program are: 1. There will be no payment for diverting cotton acres from production. For 1969 there will be neither a mandatory nor a voluntary diversion program.

2. The direct price support payment will be given on 65% of the allotment or the so called "Domestic" acreage. Price support payment for 1969 will be 14.73 cents per pound up from 12.24 cents for 1968.

3. The base price support loan rate will remain at 20.25 cents per pound for middling one-inch at average location.

Services held here for Mrs. Boatright

Student Council meets

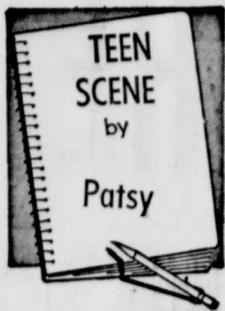

The Student Council met on Friday, November 15, in Room 102.

The president, Wayne Thompson, called the meeting to order.

The students who attended the District Student Council Meeting, presented the discussion. Also preparations were made for the Teacher Appreciation Day.

FOOTWEAR COMFORT

Quick way to break in leather boots is to soak them for 10 to 15 minutes in water, then wear them until they're dry. Next time you put them on you'll find them to be as comfortable as your favorite pair of old shoes.

Well, did y'all make it through football season ok? I'm just now beginning to feel the after-effects of it, I think. I went 10 weeks without so much as a sniffle, but now that it's all over, I practically have pneumonia. Well actually, it's nothing more than a bad cold, but it feels like pneumonia!

The season didn't end as I would have liked, but I guess we can't always have our way. The Morton Indians faced the Post Antelopes last Friday night in the last game of the season as the two teams battled for the cellar position in the district standing. The Antelopes came out on top with a score of 26 to Morton's 8. However the Indians played a fairly good ballgame. We've all been behind the Indians whether they won or lost, and I'm sure next year's season will come out better — maybe they'll even go to 'State'! Each of the cheerleaders received letters of appreciation from the football boys Friday, and I assure you if we had our choice of all the teams in this district, we'd all choose to back Morton's no matter what! They're a bunch of swell guys and should be commended for sticking with it this year!

Last Friday's pep rally was an exceptionally peppy one. During the week, the student body participated in a mystery person campaign. A person was chosen by the cheerleaders to act as the "Mystery Person," but no one except that person knew who it was. This person was to think of a lucky number. For example if the number was 13, then the 13th person to say "Beat Post" to the mystery person was the winner. Well, at the pep rally, the mystery person was revealed to be Johnny Arnold, a junior on the varsity football team. His lucky number was 17 and the winner was Mr. Eddie Allsup, MHS chemistry teacher. Rumors had it that this was rigged by the cheerleaders, and it just couldn't be, but it worked in two ways: It got the spirit up for the ballgame, and it gave the cheerleaders a chance to get Mr. Allsup in front of the student body to pledge his allegiance to the Morton Indians, since he graduated from Post about five years ago. So it all came out in the end.

Tomorrow night sees the opening of

Post Antelopes win victory over Morton Indians, 26-8

In the Post-Morton game, post-mortem set in on the Morton Indians in the second half as the Tribe became as cold as the weather and watched the Post Antelopes run around them to a 26-8 victory. The loss left the Indians with sole possession of the district 4-AA cellar and with a 1-8-1 season mark.

But the loss left some real thrills for several Morton seniors playing for their last time. Danny Williams intercepted a Post pass early in the game giving Morton good field position at the 35. Senior Alex Soliz returned an Antelope punt 94 yards for an apparent TD, but a clipping penalty wiped the run out of the record books, but not out of the minds of Soliz and the Indian fans. Senior Tommy Waters pounced on a fumble that also was a TD.

Senior Wayne Thompson passed for 118 yards on five completions, besting this season's high by two yards. Thompson had previously rolled up 116 yards via the airways against Farwell. Thompson also picked off an Antelope pass.

But, these were about the only bright spots that could be seen as the Indians could not contain a fired-up Post squad after the first quarter. The Indians began the game in typical fashion for this year by marching deep into Post territory, only to have the drive sputter and die. In this game, the ball went over at the three.

But two plays later, the Indians got a rare gift. Post QB Ray Altman was hit at the six and fumbled, and Tommy Waters dived on the ball at the goal line to give the Indians an early 6-0 lead. With 3:54 left in the first period, the Indians led 8-0 as Alex Soliz picked up the extras on a plunge over right tackle.

Following the TD, the Indians appeared on the march again as Thompson fired to Ralph Soliz at the 20, who carried to the 39 in Antelope territory. Alex Soliz

roundball season at MHS as the Morton Indians take on Stanton here in the high school gym. Then Saturday night the team will go to Farwell for a game. We want everyone to be sure and go to every basketball game possible and back our Indians on to victory after victory as they take the District 4-AA Championship title for 1968-69!

I've just come to the brilliant conclusion that this week's column is pretty well jumbled up, so don't get excited if some of the things I've talked about don't make a whole lot of sense. Just keep smiling and everything will work out! Go Indians — BEAT STANTON and FARWELL!!!

then banged for 8 yards to the 31, Thompson rolled to the 18, but on first down, a pass attempt fell short. Soliz got three, but Thompson was stopped at the line on third down. On fourth and seven at the Post 15, Thompson's pass fell incomplete and the drive fizzled. That about finished it as far as the Indians were concerned. Four Post pass interceptions kept the game going their way.

Late in the second period, the Antelopes put together passing plays of 23, 18, and 19 yards to drive to the Indian seven with 32 seconds left. Then QB Ray Altman hit wingback Neff Walker in the end zone for Post's first score. George Torres was smeared on the extra-point attempt.

The second half was all Post. The Indians managed only two first downs and 18 yards rushing, while the Antelopes picked up 14 first downs on 77 yards rushing and 116 passing.

Post drove in from the Indian 34 midway in the third quarter with George Torres crashing over from the 2 to make it 12-8.

The Indians couldn't find the combination against the aroused Antelopes and kept surrendering the ball. Post made it 20-8 as Altman kept picking apart the Indian pass defense. Altman scored the TD with 8:11 left in the game from two yards out and then passed to Walker for the extra points.

A fumble at the Morton 43 set up another Post TD late in the game as Altman and James Pollard teamed up for passing gains of 18 and 11 yards to set up the score. Jerry Crenshaw scored from one yard out with two minutes left, but the pass for extras fell short.

The Indians made a last desperate attempt to get on the board, and Jerry Steed nearly did it as he grabbed a Thompson pass and rambled to the Post 34 late in the game, but the fourth Antelope interception of the night stymied the drive and insured the Post victory.

Playing for the last time for Morton, High School were seniors Wayne Thompson, Alex Soliz, Tommy Waters, Danny Williams, Curtis Gandy, Herschel Lamar, Bob Hawkins, Tommy DeBush, Deo Merritt, and trainer Joe Coker.

AVERAGE CONSUMPTION OF ELECTRICITY BY CO-OP MEMBERS

1970 THE CO-OP WILL BE READY → →

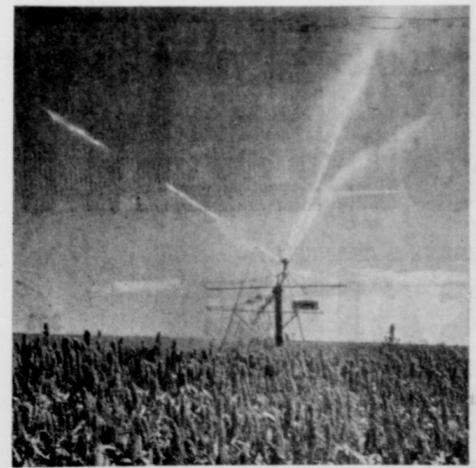

If rural people continue to use electric power at the present rate, by 1970 they will require 600 kilowatt hours per family per month, or about five times more than they were using just 20 years ago. The increased demand for electricity is the result of more electric appliances and equipment in rural homes. Yet, the market for these appliances is far from saturated. Although 91% of the rural homes have TV sets, only 5% have a dishwasher, 2.5% a garbage disposer and only 2.6% have central air conditioning. This means the years ahead will be fruitful ones for the main street appliance store. The electric cooperative will have the power when it's time to plug these appliances in. Advance planning lets the electric cooperative anticipate this need and stay ahead of the demand for electric power that is Helping Texas Grow.

New Concept in Sprinkler Irrigation

The Farmhand Walking Water System!

- New * Kink-proof tower to tower safety system.
- New * Gaskets eliminated by continuous one-piece sprinkler line.
- New * Skids give you better traction, better stability, more floatation.
- New * One oil hydraulic cylinder controls movement. All your irrigation water is evenly distributed. No excess water around the tower.
- New * Patented, positive in-line control. System won't buckle, tangle or go down.
- New * You control both rate of travel AND water flows according to your needs.
- New * Tall towers put the sprinkler line above crops.
- New * Annual lubrication cuts maintenance time to a minimum.

I started ditch irrigation in 1948. I went from ditch, to canvas pipe, to hand move sprinkler line then to wheel move. The Dowd-Farmhand is by far SUPERIOR to any system I have used. I like the single hydraulic oil cylinder located at the pivot point, and the self-alignment feature. The Dowd-Farmhand has been the most trouble-free system I have ever operated.

The Dowd-Farmhand saves roughly 30 hours of labor per week over other type systems I now have in operation.
