

Indian footballers host tough Farwell Friday

After facing their toughest test of the season so far, Morton's fighting Indians found themselves in the same position this week as they prepare to host tough Farwell Steers Friday at 8 p.m. in Indian Stadium.

While Morton was trimming Sudan to last week Farwell was ripping apart Plains Cowboys 61-20. With a 2-1 record, the Steers have lost only to the powerful Dimmitt Bobcats, probably the biggest AA ballclub in the Panhandle-Plains area. Dimmitt romped over

the Steers, 41-20 in the second outing of the year.

The Steers have already trounced Friona this year, 34-0, a team that bopped Morton two weeks ago, 10-0. Therefore, the Indians, in going after two in a row, will really have their work cut out for them against the Steers.

Morton's head coach Ted Whillock proved himself to be a prophet of the first magnitude last week. He told this reporter on Monday before the Sudan game, "We're going to beat Sudan. Wait and

see." And that they did to the tune of 13-3 in the home opener.

The Indians will be trying to avenge a 43-0 shellacking they received from Farwell a year ago. The Steers rolled up an 8-2 mark last season, and finished second to region 1-A champion Sudan.

Morton scouts reported this week that the Steers were just as good as their performances had indicated. "Farwell can score from anywhere on the field," mused Whillock. He said that their passing game is their most serious threat although they

also have a fine running game.

The key to their offensive punch is probably found in the Steer's all-state candidate Greg Hargrove, a 135-pound senior quarterback. Hargrove threw for four TD passes against Plains last week.

Hargrove's favorite target is swift Dean Stovall, a 170-pound senior end. Stovall was second team all-state material with 821 yards and 14 touchdown receptions to his credit last season. Against Plains, Stovall caught one of Hargrove's passes. See FARWELL, Page 2a

Indians smack Hornets, 13-3

Design Studio

Fourth down and inches at Morton's 32! Trailing 7-3, the Sudan Hornets had no choice but to go for it and time was running out. They called on their speedster workhorse Larry Hanna to pick up the few inches so they could get to work and finish off the pesky Indians. Hanna crashed into the line, but smacked head-long into Morton's senior linebacker Jerry Steed, and when the dust cleared, the ball rested in the same spot, the Indians held, and coasted to an upset victory.

The Morton Indians' exciting 13-3 win over the highly-rated Sudan Hornets last Friday was a product of so many factors that they need to be enumerated.

First of all, the Indians displayed a defense that refused to allow the swift Jerry Bellar and the hard-running Larry Hanna to break away for long gains. The entire defensive Indian line, headed up by the rugged hitting and tackling of Jerry Steed and Gerald Baker, continually stopped the Hornets on crucial third and fourth down plays.

Although the Hornets only punted twice, they were stopped by Morton's defense at the Tribe 27, 19, 25, 32, and 48 yard lines throughout the game. In addition, the Indians held the vaunted Hornets at Sudan's 45, and 44, and 35 yard lines and blocked a punt at the visitor's 22.

Steed and Baker received good help

from other defensive standouts. Senior Larry McClintock nailed Sudan QB Rex Broyles for an eleven-yard loss late in the game to slow down a late Sudan drive. Junior tackle David Carrasco, guard Steve Crockett, and senior Gary Sullivan were in on many of the Indian tackles. M. C. Collins, playing in his first game, also did an outstanding job as did sophomore Monte Dubre, subbing for the ailing J. D. Wisely. Wisely became ill Friday and missed the game.

Secondly, the Indian offense finally came up with the big plays, the punch being provided by reserve quarterback Keith Embry, filling in for the injured Mike Bryan. Playing with a pulled muscle, Bryan refused to miss the game and ran from the halfback position. Embry, starting in his first varsity game, threw for one touchdown and picked up 50 yards on 14 carries. The 140-pound sophomore displayed good broken-field running and second effort as he skillfully executed the quarterback option play.

Ralph Soliz, Morton's hard-running fullback, displayed his own brand of speed as he broke away for a 52-yard scamper to ice the game for the Indians midway through the final quarter. Soliz hit at right guard, found the hole plugged, slid down the line until he found running room at end, and turned up field. Only the swift Bellar was able to touch Soliz, but it was only a touch as Soliz scored his second TD of the young season.

Thirdly, the Indians broke tradition and showed that they could overcome their own mistakes, come from behind, and defeat another team that was picked to beat them.

The game began in typical Morton fashion. Morton got the ball, couldn't move, and had to punt. Then Sudan began to roll in typical fashion and it began to look like a long night for Morton fans. Bellar rolled for 13 on a third and five situation from the Sudan 37 to the 50. Two plays later, Hanna picked up a second first down at the Indian 31. But at that point, the Indians held as Steed stopped Hanna on fourth and eight for a three-yard play.

Then the Indians looked like they might do something. Terry Harvey crashed for six, but Soliz was held for a two-yard gain. Embry then faded and fired to Mike Bryan on a surprise pass that caught the Hornets napping, but the pass slipped through Bryan's hands and the game looked like it might be a repeat of last week's fiasco at Friona.

On their next series, the Hornets drove to the Indian 21 and appeared touchdown-

Morton bank directors attend Hawaii meeting

Seven members of the board of directors of the First State Bank in Morton and their wives are enjoying a combination work and holiday trip to Hawaii this week.

The directors, D. E. Benham, James Swabre, Hume Russell, J. W. McDermott, J. E. Polvado, Jack Furguson and K. Griffith, are attending the American Bankers Association Convention in Honolulu. The E. L. Polvados are accompanying the directors on the trip.

The group departed Morton by automobile Friday morning for Lubbock where they boarded a plane for Dallas. From Dallas they flew direct to Honolulu. A member of the group are expected to return Friday and the remainder Sunday.

Riots and disturbances by militants in connection with the convention have been reported by area news media this week and no information as to whether the Morton group was involved has been received.

RUGGED STAND...

SOME OF THE ROUGH and ready action between the Sudan Hornet and Morton Indian linemen is shown here as they slugged it out deep in Hornet territory Friday night.

Rugged line play was the hallmark of the game which resulted in a well-earned Morton victory in its home opener. The Indians will entertain highly rated Farwell on the home field Friday night.

National scholarship test score brings local girl commendation

Helen Lynch, daughter of Mr. and Mrs. Tommie Lynch, a senior in Morton High School, has been awarded a letter of commendation honoring her high performance on the 1969 National Merit Scholarship Qualifying Test.

Helen is among 39,000 students in the United States who scored in the upper two per cent of those who are expected to graduate from high school in 1970. The Commended students rank just below the 15,000 Semifinalists announced in September by the National Merit Scholarship Corporation (NMSC).

Edward C. Smith, president of NMSC said: "Although commended students advance no further in the merit scholarship competition, their outstanding record in a nationwide program deserves public recognition. Their significant academic attainment gives promise of continued success in college."

"The Commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed national

resource. Our nation will benefit from their continuing educational development."

The commended students' names are reported to other scholarship-granting agencies and to the colleges they named as their first and second choices when they took the NMSQT in February 1969. The reports include home addresses, test scores, and anticipated college major and career intentions of the commended students. NMSC encourages these students to make every effort to continue their education.

Miss Lynch was awarded her certificate of commendation by Morton High School Principal Fred Weaver in a surprise ceremony in the Cochran County Activities Building auditorium Tuesday. The presentation took place at the beginning of a high school student convocation and came as a true surprise to her. Her modest acceptance was roundly applauded by her fellow students.

Dr. L. C. Kay, vice-president of Lubbock Christian College, was the principal speaker at the assembly.

'Miss South Plains' pageant includes strong Morton entry

Morton and Cochran county will be represented by a truly potential winner in a plains-wide beauty contest to be staged in Levelland October 18.

Rheda Brown, is the only South Plains College coed to be entered in the Miss South Plains pageant here.

A freshman from Morton, Miss Brown, is one of five girls representing other counties who attended the first meeting last week to discuss pageant rules.

As a contestant in the pageant, sponsored by the Levelland Jaycees, she is representing Cochran County of which she was first runner-up in that pageant.

Miss Marilyn Cade, winner of Miss Cochran County, is unable to attend as she is a contestant for the title of Miss Cotton in the state pageant at Fort Worth, Oct. 18, the same day as the Miss South Plains Pageant.

"It will be a rewarding experience because you get to meet new people," Miss Brown commented.

At Morton High School, Miss Brown was a member of the pep squad, four

years; choir, four years; sextette, four years; Future Teachers of America, three years; and National Honor Society, two years. She was also Lions Club Sweetheart and received the Orion Award, an award presented to an outstanding music student. Miss Brown was also voted "Most Likely to Succeed."

Undecided as yet on her major, she plans to enter the field of pre-med or music. Upon graduation from SPC, she will enter the University of Colorado at Denver or the University of New Mexico at Albuquerque.

She is the daughter of Mr. and Mrs. Ira Brown of Morton.

Chamber to offer employment service

In order to be of greater service to more people of the area the Morton Area Chamber of Commerce has initiated one new program and is updating another. For the first time the Chamber is offering an employment service. Appropriate blank forms have been prepared for both prospective employers and employees. If you are looking for work or are looking for someone to work for you, you are encouraged to go by the Chamber of Commerce located at 106 S. W. First Street and complete one of these forms. More information concerning the employment service can be obtained by contacting the Chamber office.

The Chamber of Commerce has in the past kept listings of houses for sale and rent. Since most people coming to Morton check with the Chamber office first, we have been able to be of service in this area. However it is felt that in order to be of even greater service it is necessary to change some requirements.

Anyone that has a house or apartment for sale or rent is requested to go by the Chamber office and fill out a card for that purpose. In the past this service has not been as effective as it could be due to persons not informing the Chamber office when houses were rented and no longer available.

It is very important that anyone wanting their house listed, not only let the Chamber office know when a house is available for rent but also when it is no longer available so the card can be removed from the files.

HE ALSO SERVES...

WHO MUST STAND AND WAIT on the sidelines while the drama of his game plan is acted out on the field of battle. Head football coach Ted Whillock seems to take a prayerful attitude as his Indians fight it out with a rugged swarm of hornets from Sudan. Both his game plan and his supplication bore fruit as the home team swatted the bees for a 13-3 home opener victory — and how sweet the honey was!

bound. With a first at the 22, the Hornets began to feel the wrath that the Indians had been waiting to unleash all week, and that they did as Hanna was stopped cold at the 20. Bellar gained nothing on second down and was dropped at the 18 on third down. With fourth and eight facing them, the Hornets decided the only way out was a field goal as Bellar booted a perfect 29-yarder to give the visitors the lead.

Trailing 3-0 the Indians set to work again and Harvey picked up the first Morton first down of the night with a nine yard plunge to the Sudan 31 just as the first period ended. But three plays later, Harvey and Embry had managed to pick up nine yards, and not wishing to gamble, the Tribe's Mike Bryan punted a beautiful 45-yarder that drove the Hornets back to their own 15.

Then the Indians went to work. After exchanging offside penalties with Sudan, the hosts forced a Sudan punt from their own 24 and Embry took it in with a fair catch at the Indian 40. On the next play, Embry launched a perfect pass into the waiting arms of halfback Elton Patton at the Sudan 40. Patton showed onlookers that he had some speed of his own as he outdistanced Bellar and Hanna to the goal as the Indians went ahead to stay, 6-3.

Bryan kicked his second PAT of the year and the Indians led 7-3 with 8:34 left in the half.
A fourth factor in Morton's decisive win was a winning mental attitude expressed by head coach Ted Whillock that caught fire in the minds of his staff and team. Inspired by a good pep rally and fiery speech by junior high principal Jim Middleton, the Indians displayed a silent determination in preparing for the Sudan contest.

Other people, other players, and other factors probably contributed to Friday's big win, their biggest since battering Midland Carver, 44-6, two years ago.

Sudan rolled up 230 yards rushing in absorbing their first loss of the season, but failed to come up with the key gains needed. After driving to the Morton 25 after intermission, Hanna was dropped by Indian captain Jerry Steed at the Tribe 27 for a two-yard loss on fourth down and three.

On the next Sudan possession, Monte Dubre provided the big defensive play for Morton as he dropped Broyles for a minus seven yards and forced a punt that was promptly blocked by an unidentified Indian.

Embry quickly fired to Elton Patton for a second Morton TD from the 19, but a personal foul penalty eliminated the play and the Indians surrendered the ball on the next play as Embry's pass was intercepted by Broyles.

From their 29, the Hornets found themselves facing a do-or-die situation and thus began the crucial series of the game.

for a 45-yard touchdown, returned a punt 70 yards for another and a kickoff return of 85 yards for his third of the evening, in leading Farwell to the 61-20 romp over the Cowboys.

Farwell and Morton's weight averages balance and should not be a determining factor. Left tackle Bob Wiman at 220 pounds is the heaviest. Their line averages 175, the Indians, 173.

Coach Whillock gave no indication as to who might be his starting quarterback this week. Keith Embry, playing for the injured Mike Bryan, rolled up 50 yards in 14 carries last week and passed for one touchdown against Sudan. Morton's leading ground gainer, Terry Harvey, probably will again see limited action as ankle injuries continue to plague the hard-running junior tailback. Harvey has gained 319 yards on 44 carries for a handsome 7.2 yards per carry average.

If the Indians stop Farwell, it will mark the first time since the 1967 season that the Tribe has won two in a row. Following the Steer game, the Indians will host winless Ralls for Homecoming before taking on the undefeated Frenship Tigers in the opening district game.

ALREADY YET SO SOON, I have received several inquiries about the International Society for the Abolition of Data Processing Machines and how to go about joining same.

Well, I can't really recommend joining the I.S.A.D.P.M. The founder and self-appointed president is Harvey Matusow, now of London.

But in the 1940s, he was an American Communist.

THAT WAS BEFORE he turned FBI informer.

And that was before he spent five years in prison for perjury after admitting he testified falsely against 250 people.

But I can tell you a little of his present methods of fighting The Beast of Business (his name for the computer and the title of his handbook of guerilla tactics against this mechanical tyrant).

HE IGNORES as childishly unsophisticated the acts of simply stapling, folding or mutilating computer cards. Says he, "That will nullify the effect of the card, but it will make it easy to spot and will not have much effect on disrupting the

system."

He suggests "computer-card roulette." Place the card on a flat surface, carefully cut out three or four extra rectangular holes with a razor blade and return card to sender.

HE CLAIMS TO have done this to a magazine subscription card and promptly started receiving 23 copies of the magazine weekly and a note thanking him for using same in his current-events class (of which he hasn't one, natch).

He also recommends erasing the magnetic coding on personal checks by running the code number under an electromagnet. He evidently thinks that every well equipped household has one.

"THE EFFECT is that your checks will not be processed by the automatic sorting device. Someone at the bank will have to handle them personally. But after all, it's your money, and it should get the loving care it deserves."

(You can begin to see why this Che Guevara of the Revolution against Computers already has 1500 followers.)

Another Matusow tactic — destroy the

Miss Phyllis Ann Letbetter and Billy Bob Freeland were married in a candlelight ceremony at 8 o'clock in the evening, Friday, August 22, in the home of the

STILL ANOTHER — when paying utility bills, do so promptly, but overpay or underpay by a few cents. This is supposed to send computers into a complete nervous breakdown.

If you have a mad on at the Post Office, he advises that you paste your stamps on sideways so that the scanner cannot read the magnetized strips differentiating between values of stamps. (Obviously, this won't work in rural areas, as all the postal workers I know can turn their heads as sideways as I can paste stamps.)

NOW IF THESE SMALL, subtle victories don't satisfy your frustrations, Matusow recommends direct confrontation, using perfume as your weapon. He explains that computers operate effectively only in clean air, and are highly sensitive to environmental changes.

Quoth he, "Women going into a room with a bank of computers are advised to wear a lot of the cheapest perfume they can find."

THIS IS SUPPOSED to either paralyze the date processor completely, or at least send it into hysterics.

If you were to join the I.S.A.D.P.M., you would receive, free of charge, an identification card decorated with a red slingshot. (Oh you know, symbolic of David's battle with Goliath.)

PLUS A YEAR'S subscription of Matusow's anti-computer newsletter.

bride.

The bride is the daughter of Mr. and Mrs. Alva Q. Letbetter, 2101 South Palm Court, Pasadena. Parents of the bridegroom are Mr. and Mrs. W. G. Freeland of Morton.

Roy L. Daniel, minister of the First Christian Church in Pasadena, officiated the double ring ceremony before an altar decorated on each side with baskets of white gladioli. In the center of the altar stood a fifteen candle candelabrum entwined with magnolia leaves. Throughout the house, arrangements of white gladioli and yellow and white daisies carried out the bride's colors of yellow and white.

Mrs. Odessa Samuelson, organist, presented traditional wedding music.

Miss Donna Letbetter, sister of the bride, served as maid of honor. She wore a formal length gown of yellow and white dotted swiss with an empire bodice accented with white lace daisies. Her headpiece was yellow daisies and she carried a round bouquet of yellow and white daisies.

Jack Vickrey of Pasadena served as best man. Usher and candlelighter was Vaughn Letbetter, brother of the bride.

Given in marriage by her father, the bride wore a formal length gown of white peau de soie with long sleeves. The empire bodice was accented with pearl studded lace. The train was attached with a bow at the empire line. Lace designs and pearls enhanced the train and front of the gown. A cluster of pearls held her elbow length veil of illusion. She carried a cascade bouquet of white carnations surrounding a yellow-throated white orchid.

Following the wedding a reception was held in the dining room of the bride's home. Miss Carol Ann Freeland, sister of the bridegroom, presided at the bride's book. Members of the houseparty were Mrs. C. R. Henniger, Mrs. Cecil L. Lott, and Mrs. Clem Kuehler.

A move to worship GOD
in His HOUSE is a

MOVE in the RIGHT DIRECTION

To attend Church is the first step in finding God.
To attend regularly is to continue in the right direction, and gives one an opportunity to understand God's will in his life. Now is the time to make your move. Choose the way that will lead you to God.
Attend Church

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
