

# Two-day Homecoming Fete is well attended

Two-day Morton High School Homecoming celebration observed here last night was just a memory now, but not a memory for the hundreds of exes that attended the events staged in their honor. There was a little something for everyone at the gala festivities that saw one and two sweathearts crowned, in addition to a pair of giant pep rallies, one with a huge bonfire, and was climaxed with a traditional homecoming football game Friday night. A social gathering of the schools cafeteria and a get-together by the students in the County Building following the game, marked the two days of activities to a

school gym. The old, traditional brand of enthusiasm was on display for all to see as young and old alike shouted themselves hoarse at the urging of the hard-working cheerleaders. The Indian marching band made its presence felt as it lent accompaniment with several fight songs. The outcome of the homecoming football game against the powerful Floydada Whirlwinds was a source of disappointment to one and all, but appeared not to have dampened the enthusiasm of the visiting exes even a little bit. Final score in the game was 30-0, with Morton coming out on the short end. The Indians' season record now stands at four losses and one win and their District 3-AA record at no wins and two losses. There is always next year, however, and the Indian football squad will undoubtedly look forward to the chance to win the homecoming game as enthusiastically as the old and the new exes will look forward to attending the annual festivities once more.

## 'Action Weekend' set by Methodist, Baptist youth here

Outstanding youth in both the Baptist and Methodist Churches from Brownfield, Slaton, Abemathy and Tahoka will be arriving in Morton to participate in a "Youth Action Weekend" Saturday and Sunday.

The weekend activities have been planned by youth and leaders from the First Baptist and First United Methodist Churches in Morton. For the past four weeks the youth of both churches have been meeting in a joint prayer meeting on Wednesday evenings in preparation for this event.

The schedule of activities will be alternated between the two church buildings. The first being an after game fellowship Friday evening at the County Activities Building.

Saturday the youth from out of town and local leaders will meet at 11 a.m. in the First United Methodist Church to lay plans for the first session. At 12 noon all the youth are invited to a hamburger fry in the backyard of the James Mc Clures, at 501 E. Grant. This will be followed by a general meeting at 1 p.m. in the Sanctuary of the First United Methodist Church.

Saturday at 7 p.m. the second in the series of Fellowship Dinners will be held in the First United Methodist Church to be followed at 7:45 p.m. by a general session in the First Baptist Church.

Sunday the youth will attend church and Sunday school at their separate churches but come together at 12 noon for a luncheon in the First United Methodist Church.

The closing session is set for 7 p.m. Sunday in the First Baptist Church.

Various committees are at work in preparation for the eventful weekend. All youth are invited to attend the dinners and the general sessions.

## ★ Fun & Food

The Cochran County Red Cross drive for funds, which is in full swing in the area, will climax Saturday night with a gala Box Supper to be held in the County Activities Building beginning at 8 p.m.

There will be worlds of delicious food prepared and offered in their boxes by the ladies to be bid on by the men.

So go, girls, go — do your very best on those box suppers — and, you men — bring money! (You will be serving two causes — one to an important community project — and the other to one more personal, your stomach).

## Indians seeking halt to loss streak Friday against Dimmitt 'Cats

The Morton Indians will be out to break a four game losing streak and in the process gain their first District 3-AA win of the season, but they will be confronted by a formidable foe in a scrappy bunch of Dimmitt Bobcats.

Brown L. Smith's team has a 3-2 record for the season, but only 8 points separate the 'Cats from an undefeated season. In the opening game of the season, Muleshoe defeated Dimmitt 18-16, and in the district opener Floydada beat the Bobcats 6-0. Last week Smith's squad evened its district record at 1-1 with a 16-14 win over Friona.

Dimmitt finished in a second place tie with Olton last year and return 13 lettermen from last year's 7-3 team. The Bobcats have four offensive and five defensive starters back to lend experience.

The outstanding back of the 'Cats is senior tailback Daniel Frierson. Frierson scored eight touchdowns last season and is the leading scorer on the team this year. Fullback Nati Anes has good speed and is a tough inside runner. The man who gets the ball to Frierson and Anes is quarterback Jerry Matthews. Matthews is a good sprint out passer and he likes to look for split end Charles McLean on his passing attempts.

The offensive and defensive line is spearheaded by 224 lb tackle Pat Barrios. The defensive line averages 192 lbs which is the largest one the Indians have faced this year, so the Tribe will have its work

FIRST COCHRAN COUNTY BALE . . .

THE 1971 COTTON HARVEST in Cochran county was launched Monday with the turn out of the first bale of this year's crop by the Willingham Gin located approximately seven miles southwest of Morton. Producer of the lint, which was hand-pulled off four acres, is Roy L. Brown at left above. Gary Willingham, right, did the ginning and Lloyd Miller, C. C. Slaughter Farms manager upon whose

land the cotton was grown, is at center. The 2,000 lbs. of loose cotton produced the 506 lb. bale and 900 lbs. of seed. The seed variety was Gregg 35 and was planted May 12 on irrigated land three miles southeast of Morton on the Levelland Highway. Willingham purchased the bale for 40 cents a pound, provided free ginning service and paid at the rate of \$100 per ton for the seed.

## Bookmobile reading program is success

# Quarantine uncovers swine disease

The recent quarantine for hog cholera in portions of Hockley, Lamb and Lubbock counties has resulted in the discovery of swine erysipelas, according to Dr. Gilbert R. Hollis, Extension area swine specialist.

"Positive results of specimens from 27 of 30 different swine herds in the Lubbock South Plains area have confirmed the presence of erysipelas," the specialist says: The discoveries were made by state and federal animal health officials who were inspecting herds for cholera.

"Erysipelas is an infectious disease affecting swine of all ages, but is usually most common in young and growing animals," Hollis explains.

The disease is caused by a bacterium that is resistant to ordinary disinfectants. The organism may be widespread in soil that has been contaminated by infected pigs at an earlier date. Recovered animals sometimes carry the disease and may contaminate water and soil, he continues.

Erysipelas may occur in any of three forms; acute, subacute (diamond skin form) and chronic form. Acute swine erysipelas is characterized by a sudden appearance, with death of one or more animals.

The subacute, or diamond skin form, follows an attack of the acute form. Diamond shaped skin lesions may develop which, at first, are areas of purplish-red discoloration, but may finally result in peeling away of some sections. Chronic

erysipelas may follow the acute form or it may show up independently. The resulting arthritis causes joints to be stiff and enlarged. The extent of arthritis varies with the duration of the infection.

The disease usually spreads by direct contact, introduction of new animals into

a herd, or from the droppings of birds and rodents. The bacterium can survive for some time in the soil and be a source of the disease year after year, Hollis warns.

# Tribe drops fourth straight to powerful Floydada 30-0

The powerful Floydada Whirlwinds came back from a lethargic first-half performance to subdue the Morton Indians 30-0 before a large homecoming crowd last Friday night. Mistakes were once again an important factor in the Tribe's downfall.

The Indians kicked-off to the "Winds and held the "mean green" to short yardage and got the ball on a punt. The Tribe began a march from its 16 which carried to the Floydada 48 before a Morton error cropped up. Keith Embry floated a long pass out in the flat which was intended for Elton Patton, but Walter Harris got to the ball before Patton and raced down the sideline untouched to score the first touchdown of the night. Joe Martinez toed the extra point and the Whirlwinds were in front 7-0.

A short punt following the Tribe's next possession plus a 15-yard penalty put the "Winds in good field position. Using the bull-like rushes of fullback Jim Kunkel, Floydada moved down the field to put 7 more points on the scoreboard. The final three yards of the drive were covered by Kunkel.

The second quarter was a defensive battle as neither team was able to mount a serious scoring threat.

The first half statistics were very interesting because they showed that the Indians were ahead of the Whirlwinds in every category except the score. The Tribe defense held the potent Floydada offense to only 57 total yards that half which is probably one of the smallest outputs in the three years that L. G. Wilson has been at the "mean green" helm.

Evidently Wilson gave his charges a stern lecture during the halftime break, as they came back to totally dominate the last two quarters of the game. So powerful were the "Winds, that the Tribe could only run eight plays all of the third quarter. One of those plays saw punter Ted Thomas receive a bad snap from center and he was trapped in the end-zone for a safety that gave Floydada a 16-0

lead. The final 12 minutes of play saw Kunkel pound out yard after yard through the heart of the Indian defense. He scored his second TD of the night on another 3-yard run.

After this touchdown the Indians put together their only drive of the second-half, but they were finally stopped on the Floydada 29 yard line. It took the "Winds just seven plays to cover the 71 yards to paydirt. The last 27 yards came on a pass from second string quarterback Mike

## Campfire Girls elect officers

The fourth grade Campfire Girls held their first meeting October 11 and elected officers for the new year.

Officers elected were: Melinda Yeary, president; Susan Mastin, vice president, Sherry Molander, secretary and Donna Schaeffer, scribe.

Mrs. Robert Yeary is the leader of the group. Meetings are held the second and fourth Mondays of each month.

## ★ Let's all go

The regular meeting of the Morton Athletic Boosters Club is scheduled to begin at 8 p.m. Tuesday in the schools cafeteria. A discussion of the Indians' next football opponent will be held and movies of the last game will be shown.

Head football coach Doug Reed urges all loyal boosters to make a special effort to be there. That means you and me.

See you there!

Dimmitt's 16-15 squeaker over Frio-

na and Floydada's 30-0 shutout of Morton. Behind the two leaders, Abernathy Lockney and Dimmitt await with 1-1 marks within easy striking distance. The striking could come this week, too, as Olton ventures to Abernathy, Dimmitt goes to Morton, Littlefield entertains Friona and the defending champ Whirlwinds battle Lockney in Floydada. And, depending on the results, the league could be even tighter or some of the contenders could start dropping away. Last week's principal league-tighteners were won by Olton and Lockney, Abernathy went into the Longhorn game unbeaten for the year, but the Antelopes were operating without No. 1 quarterback, Dave Davenport, who had been hurt the previous week. Abernathy drove within field goal distance early but the effort was short, and in the second quarter, Lockney quarterback Tony Ford ran a four-yard keeper for the score. In the third period, half-back Cleo McGee sprinted seven yards

for the other TD, and Lockney, which lost its 3AA opener to Littlefield, was back in the championship chase. Width of two extra points separated Dimmitt and Friona as the Bobcats came from behind in the third period. After Johnny Bandy had scored twice — once on a 70-yard punt return — Bobcat Daniel Frierson found the goal from five yards away for a 14-all tie. The difference came out to be a Jerry Mathews to David Nino pass for two extra points. Floydada got 14 points in the first quarter against Morton and sailed on to its fourth win of the year against one loss. Jim Kunkel rushed for 139 yards and scored twice for the winning Whirlwinds. But the shocker came at Olton and coach Ray Kinnison gives the credit to its defense. Olton lost its first three games in a row, but "I guess they just kinda made up their minds to play football," said coach Kinnison of Friday's game. "We kept thinking all along we were playing pretty good but we didn't get a break. Nothing to get enthusiastic about. We were playing close but couldn't win. But, we beat Friona, then this one was one of those rival-y things, and of course, the kids knew coach (Jerry) Blakely (coach at Olton for two years before moving to Littlefield). "But the other night (against Littlefield), they kicked to us, drove down to the 40 and kicked to them at the 8. They had to punt back to us, and I think they still need eight yards for a first. We threw a screen pass on the next series (Steve Stockdale to Keith Workman for 38 yards) for a touchdown and from there, the defense kinda took charge. "It was our best game by far. Thirteen points is not enough to get excited about; we're not killing anybody. But we had a 70-yard drive, first time all year we've put together a long drive. "But, now we have to play Abernathy, and I know they will be tough; they've shown that." Evidently, all eight teams are tough.

CHEER FOR OLD ALMA MATER . . .

AN OVERFLOW CROWD squeezed into the Morton High School gym Friday for the big pep rally preceding the M-HS homecoming football game that night. Here the cheerleaders are shown hard at work extracting every decibel of

sound possible from the enthusiastic students, exes and townspeople. Everyone had a good time and the rally was not considered all in vain even though the Indians lost the game to Floydada by the one-sided score of 30-0.

### Mrs. Hensley hosts garden club meeting

Mrs. R. D. Hensley was hostess for the October 4 meeting of the Whiteface Garden Club.

Mrs. E. E. Jennings, vice president, presided at the business meeting. Reports of committees was given by Mrs. Joyce Keith and Mrs. J. L. Schooler gave the treasurer's report. Mrs. Keith announced that Tom's Tree Place would give the program, November 8 at 8 p.m., in the Community Center. Slides will be shown and information on landscaping and shrubs will be given. All interested persons are invited to attend.

The program for the day was detailed discussion of flower arrangements entered in the annual flower show.

Refreshments were served to: Mmes Schooler, J. W. Smith, Wanda Stocks, Joyce Keith, E. E. Jennings and S. J. Bills.

Mr. and Mrs. Carol Baldrige of Plainview visited briefly with their many friends in Morton over the weekend.

### CHARLEY ELLIS SAYS:

A frozen radiator on a cold winter morning can give more frustration than a chigger has on a wooden leg.

Why not let us prevent this catastrophe by dropping by Ellis Gulf Service for a complete check of your cooling system?

Gulf Anti-freeze is priced at only 1.59 per gallon, and for just 1.00, Charley will install it and guarantee it against loss until the first day of March. If you lose your anti-freeze for any reason, it will be replaced to the original protection free of charge, if the cause of loss has been corrected. Don't take a chance. A fifty percent solution of Gulf Anti-freeze will prevent freezing down to a minus 34 degrees. See us today.

"Naw, I won't be late fer supper—I'm jast gonna go down to the creek to water my catfish!"

An important milestone was reached when the Prairieland Packing Company became an official part of the Morton-Cochran industrial complex. We at the First join a host of their friends and neighbors in extending a hearty welcome into our community. We are confident that the new industry will make a large contribution to the future prosperity of the trade area.

BY BILL SAYERS

There are those days, of course, when, as our mind directs us back through time and better-to-be-forgotten memories, that we come to the conclusion that, to put it gently, we should have stood in bed. Yes, we should have stood there, with the bedclothes providing a large mound of security up and around and about our person, and never allowing the light of day to penetrate onto our countenance — no matter how silly we might feel standing in the middle of a king size (9 foot) bed. We are speaking, of course, about last Thursday morning.

Without a retrospective thought to the pitfalls outlined above and with the light down to breakfast and took our hard-won Morton Tribune in hand to maybe gloat a little over another week's triumph?

Gloat we didn't. Choak we did. We not only discovered egg on our face, but it was running off our chin and messing up our shirt and tie.

To make an already too long story a little longer — there were so many typos and mistakes in that paper to last us a whole year. But, the clincher was that we had described the return of Libby Mudgett and the "Farmers Wife" in such glowing terms and reintroduced her to our subscribers — only there was no Libby Mudgett and no "Farmers Wife." Daa & \$!%,rn.

Well, she will be in there this week — and every week hereafter until she quits. You can count on that, or else you may have the privilege of belting us with any dangling participle you might see hanging around.

CANOVA, S.D., HERALD: "The U.S. Department of State in Washington, D.C., has a telephone directory, and if you look through it you will discover that some lucky fellow has a fine job, and a terrific title. . . . he is the 'Associate Assistant Administrator in the Office of Assistant Administration for Administration.' Now, how's that for an important sounding job?"

How about ol'e Jim Carlen's blast at the Lubbock football fans?

At first glance it seems quite justified

that he should be put out with fans that would boo Charley Napper, and if that is as far as he had gone, we would have said bully for him and figured the fans had been given their comeuppance. However, that was not as far as he went, he went much further. He not only said he was sick of Lubbock, but he repeated same.

We feel that the Lubbock area has been darn good to Jim Carlen. He has been treated like a king and given every support and advantage a coach could want. Certainly he has it better here than he has ever had it any where else and if he doesn't like Lubbock, or its fans, we would like to remind him that he is not standing in cement.

Any prima donna who, at the very first sign of adversity, screams cop-out and indicates he can't stand the heat, just isn't constructed for the West Texas sports scene. We were there, and observed the entire situation. We realized immediately, as we are sure everyone els did, xcpt perhaps Jim Carlen, that it was his decision they were booing, and incidentally, not without justification.

We, personally, don't think it necessary to wear Carlen's halo when we go to see a football game. If we are to be subject to his particular protocol, his instructions as yet unpublished for the general public, then we will begin a resolute campaign for some changes. We feel that our status as an alumnus and support through the Red Raider club deserves better.

"Would you believe?," asks the Public Service Company of Colorado, "The 12.8 million employees on public payrolls — federal, state and local — exceed the population of 15 states combined and all individual states except the two largest, California and New York, according to the U.S. Office of Management and Budget."

We see by the papers that our soldiers in Vietnam have decided that they not only want to decide which war they will fight, but which patrol they will go on. And, they are appealing to dauntless Ted Kennedy to back them up. Boy, what a combination — the cowards who refuse

to go on patrol and the Senator who would crawl to the peace table. They deserve each other.

We personally know several first sergeants who we are sure turned green when they read that one. Of course, most sergeants have reason to turn green when they observe the rotten mess that our liberal, permissive society is making of the Army, the Navy and the Air Force. Unfortunately, the entire nation is going to pay in the long run for the socialistic experiments forced upon our armed forces by probably the saddest lineup of Senators and Congressmen in the history of America.

One thing the Congressmen can console themselves with, however: their Russian friends are more than happy with their efforts.

CHICAGO, ILL., SOUTHWEST NEWS-HERALD: "Once when kids didn't go to school, the truant officer went after them to find out why. Today, under some of our modern thinking, the school board holds a hearing to see whether the curriculum is meeting the felt needs of the under-dog. Frankly, we feel that the world has gone too far in asking youngsters what they want and then try to satisfy them."

They tell us that a whole bunch Texans got together for a reunion down at a place called, of all things, the Cotton Bowl, last Saturday. As the story goes, some of the boys was whooped up a little and they proposed a little game of football to work off some of the reunion spirit.

Well, it seems that the head of the southern delegation had contracted a sore toe, so he asked one of the other boys from down south to choose up sides which he did. Well, there was these big Texans from the north side and they managed to fool the little guy a little and chose the better team of Texans.

Well, the way it was told to us, that big north bunch of Texans kind of hung it on the south bunch — but, of course, only because they were bigger and their top hand didn't have a sore toe like our little guy did.

The moral of this story is — When playing that game of football, keep your head up (and don't let those big guys get over that north border). Also take care of your feet, you dum, dum. (and wait till next year when that toe heels).

The first bale of cotton has been ginned in Cochran county and we are just so glad! We would be anything but trite in speaking of this event. This is the life

## THE FARMER'S WIFE

# Wage-Price Freeze

By LIBBY MUGGETT

SOMETHING LIKE two or three weeks ago, I promised to write on the wage-price freeze. I shall now explain the delay. (Honest, boss, this is the way it happened.)

I read up on the wage-price freeze, studied it, could see no reason to expect very much from it, so called Washington and asked to speak to President Nixon.

I WAS TOLD he was too busy listening to George M. any to come to the phone and would be until mid-November when phase 2 of the whole mess was supposed to be ready.

So I asked to speak to any spokesman that knew what he was talking about on the wage-price freeze and was honest.

I WAS TOLD to take my choice, I couldn't have both, so I decided to ask for an honest one.

That's what caused the two to three weeks' delay.

Finally, though, Honest Spokesman was found and I did my best.

I ASKED HIM just exactly what was freezing the status quo of anything supposed to accomplish when it was the unsatisfactoriness of the status quo that caused the whole freeze to come about.

He said not to be silly, it wasn't supposed to accomplish anything. The purpose of the freeze was to give everybody time to think and dicker.

I ASKE WHO was everybody.

blood of the county and the whole area. It seems to us a harbinger of many pleasant things to come. The cotton crop seems to be shaping up much better than it was forecast to be and if everything combines to put it all together, this could be the greatest crop in many years.

We congratulate Roy Brown and the Willingham gin on combining their efforts in turning out the first bale. We wish you and all the other producers and ginners the very best of fortune in what we hope will be a fine crop year.

Then, of course, there is this national organization that will not be dissuaded by any amount of argument. They insist on addressing me as:

Mr. Morton Tribune  
P. O. Box 1016  
Morton, Texas 79346  
Dear Mr. Tribune:  
We are etc., etc., etc., etc.,

I asked him what was the matter with it.

He said for goodness' sake, do know that that's not the way things was done nowadays.

I STAMMERED that I'd just know what was wrong with it.

He said well, since he was honest have to admit there really wasn't anything exactly wrong with it, but it just didn't over anymore with anyone, didn't it that everybody was supposed to be paid for equally working.

I SAID SURELY he wasn't name to think that everybody equally doing equal jobs in equally the manner with equally the same result.

He said no, he was honest but was dumb. He also realized that all business weren't that equal, either, but that irrelevant.

I SOBBED that I just didn't see was going to be able to write so intelligently on the wage-price freeze.

He said to go ahead and write anyway, everybody else was.

So I did.

Devon and David Butler of Lubbock spent the weekend with their grandparents, Mr. and Mrs. S. Butler.

Mrs. LeRoy Johnson and Mrs. Rose attended the Texas Tech Band Saturday, October 3.

## WMA members attend Plains District meeting

"This is the day which the Lord hath made we will rejoice and be glad in it" taken from Psalms 118:24 was the theme of the Plains District Women's Missionary Auxiliary held at College Avenue Baptist Church in Levelland Tuesday.

The program consisted of a training and Mrs. Mearl Moore attended the class clinic for officers and Mrs. Buford Elliott or presidents; Mrs. W. E. Childs, Mrs. C. W. Wiggins and Mrs. Eugene Bedwell received instructions on duties of first vice presidents and secretary-treasurers Mrs. Kenneth Coats attended the class for second vice presidents Mrs. C. W. Wiggins and Mrs. Eugene Bedwell attended the class for instruction on Girls' Missionary Auxiliaries; Mrs. Mearl Moore, Mrs. Buford Elliott Mrs. Kenneth Coats and Mrs. W. E. Childs attended the class for Bible teachers.

Mrs. Kenney Coats of Colonial church

in Lubbock was elected vice president to replace Mrs. Bill Henry who has moved out of the district.

It was reported that the W.M.A. had contributed \$702.40 to the home for children in Waxahachie, and \$194.76 for Spanish Literature, which is the district project.

The Spanish Institute, supported by united efforts, was reported to be continually progressing. The Rev. Robert Isaacs, who heads the newly organized work, sent his appreciation for the assistance received from the W.M.A. ladies and stated he now has 13 students enrolled.

The president submitted the suggestion that two W.M.A.'s be spotlighted at each district meeting, telling of their activities and also to strive for perfect attendance.

Ladies were reminded of the District Girls' Missionary Auxiliary meeting October 22 in McAdoo and the State Women's Missionary Auxiliary meeting November 9 in Waco.

A total of 118 attended the luncheon and program.

The next meeting will be January 11 at Bryan Street Church in Lamesa.

## Erysipelas . . .

cases and deaths in the South Plains area, Hollis recommends vaccination against the disease. Pigs should be vaccinated for erysipelas between eight and 12 weeks of age. On farms with severe erysipelas problems, it may be necessary to vaccinate at six to eight weeks and to revaccinate at 12 weeks.

In extreme cases, producers need to vaccinate pigs at three to four weeks of age. Hollis advises consulting a veterinarian for proper dosage levels. Breeding stock should be revaccinated before each farrowing.

"If an avirulent live product is used, vaccinate before breeding," he says. Erysipelas bacteria may be used during pregnancy, preferably about a month before farrowing. The producer should consult with a veterinarian if he is in doubt about vaccinating pregnant sows.

"As with all disease conditions, an accurate diagnosis is important," Hollis emphasizes.

If a veterinarian is consulted early, proper treatment can be started and losses reduced. Antibiotic treatment is usually very effective in acute cases. But, those animals which are chronically affected may not respond well to any treatment, he concludes.

Hale to end Mark Vinson. Langston Williams appeared stopped on his run around right end to gain the two extra points but broke through a host of tacklers to burst into the end-zone and finish off the night's scoring parade.

The Whirlwinds were led by Kunkel who rushed for 139 yards during the night. Defensively, Kim Rose, Jerry Jester, and Jay Jones led a tough unit which held the Tribe to just 136 total yards.

The Indians had good offensive line play from William Grant and were led in rushing by Kevin Kuehler with 44 yards. Ted Thomas and Jimmy Harvey had good games for the Morton defense.

Floydada now owns a 4-1 season record and is tied with Olton for the district lead with a 2-0 mark. The Tribe is 1-4 for the season and 0-2 in district.

## Dimmitt . . .

cut out to establish its rushing attack. The Bobcat linebackers are some of the smallest in the district but if past performances are any indication they never back off from contact and are quite punishing when they stick the ball carrier.

The Indians saw the officials' red flag fly 10 times for 90 yards against Floydada and they were also guilty of some mental breakdowns on defense and both of these situations will have to be remedied if the Tribe is to find itself on the long end of the score Friday night.

## Letter To The Editor

Letter to the editor:

Days, weeks, and months go by and we hear nothing but praises of our fair city, a thought that passed my mind, taken from your editorial in the reverse, which by the way complaints of city officials has been the theme.

Frankly our underpaid officials to my estimation have done a good job. Even though they are constantly under fire for taking coffee breaks, heaven forbid, you'd think they were getting overtime. By the way, for instance, do you recall several times in the past few years when water lines have been frozen and all employees turnout and work overtime till repaired. One of your quotes "we see little evidence of their worth" I beg to differ with you Mr. Editor. I don't know where you've been looking. The constant complaints against the city police are frequent and mostly without provocation. After all how far can three policemen spread themselves?

About the sidewalk, it's your sidewalk why bother the tax payers with that problem go ahead and plant turnip greens there if you like. The State would not be liable even though a state highway does run by there.

One thing makes me appreciate our town, when we came here there was an absence of street signs and from thence it has beautified. Empty buildings have pretty displays, we have a pretty lake and three nice parks, many other nice things could be said, and I'm truly sorry about your sidewalk and empty flower garden.

Mrs. Donnie Simpson

## OES No. 841 hosts friendship night

The Morton FHA chapter initiated Morton Chapter Order of Eastern Star No. 841 were hosts for a friendship dinner October 5 at 8:30 p.m. in the County Activity Building.

Guests attended from Levelland, O'Donnell, Lamesa, Seagraves and Freedom Chapter of Lubbock. Honored guest was District Deputy Grand Matron of Smyer.

Following the dinner, a humorous style show was presented depicting the latest fashions of 1972.

## About local folks . . .

Mr. and Mrs. W. R. Adams returned recently from a three weeks visit in Oklahoma and North Carolina with friends and relatives. While in North Carolina they visited with her mother and sisters. They also attended homecoming at the Lynville Methodist Church. Some of the people who attended were friends Mrs. Adams had not seen since leaving North Carolina in 1918. Enroute home they stopped in Bonham and visited with Mrs. Adams' brothers and other relatives. They reported a very enjoyable trip.

Mrs. LeRoy Johnson was guest speaker at the Tulia Study Club October 12. She was the guest of Miss Leila Petty, former Home Demonstration Agent for Cochran County and president of the Tulia club. Mrs. Johnson will be the guest speaker for Llano Estacado Federation Day Tea October 20 in Lubbock and will also attend the Federation Guest Day, October 21, in Silverton. Mrs. Philip A. Carpenter, TFWC President, will be an honored guest.

Mrs. Buford Elliott, C. W. Wiggins, Mearl Moore and W. E. Childs of the First Missionary Baptist Church attended the quarterly meeting of District Women's Missionary Union at College Avenue Baptist Church in Levelland.

Mrs. Evelyn Smith left Saturday on a tour composed of Methodist laymen and women for two weeks in England. They will spend a great part of the two weeks in London and will be privileged to see many of the birthplaces of people who have played a very strong part down through the ages in promoting the Methodist faith. Mrs. Smith plans to avail herself of all opportunities available in side trips offered.

Mrs. Ethel Montgomery, mother of Mrs. P. B. Ramby, arrived in Morton last week after a 14 month stay in the Panama Canal Zone with her daughter and family, Col. and Mrs. Bruce Semnacker. Saturday and Sunday she was a guest at a family reunion in Sudan. Among those

who attended were her four brothers, Mr. and Mrs. Millard Moore and family of Amarillo, Mr. and Mrs. J. R. Moore, Jr. and family of Muleshoe, Mr. and Mrs. Harvey Oore and family of Commerce and Mr. and Mrs. Marvin Moore and family from Lavon; her daughter, Mrs. P. B. Ramby and David and her daughters and their families, Mr. and Mrs. Eddie Ketchum and baby and Mr. and Mrs. Johnny Owen and three children. This occasion was the first reunion of the Moore family in 18 years. It was held in the home of Mr. and Mrs. B. H. Bickel. Approximately 125 relatives attended.

Among the ormer students of Morton High School who returned for Homecoming were: Lowell Hatcher of Venita, Okla., R. E. Thompson, Hobbs, N.M., Lynn Gandy, Houston Stanley Pace, both of Stinett, Forrest Baker of Jacksonville College and his guest, James Moody.

Mr. and Mrs. Joe Semnacker of Muleshoe visited recently with Mrs. Ethel Montgomery who is a houseguest of her daughter, Mr. and Mrs. P. B. Ramby.

Bill Martin, of Tucumcari, N.M., formerly of Morton, died in a Temple hospital October 1 and was buried in Tucumcari. Several of his friends from Morton attended the funeral. He moved from Morton in 1957 but retained much of his holdings here.

Judges Glenn Thompson and Joe Gipson attended a meeting Tuesday of last week held at the Red Raider Inn in Lubbock and sponsored by the Department of Public Safety and the Texas Transportation Institute. The meeting was for the purpose of inaugurating a program for the control of problem drivers.

Associate Matron, Ada Long, and Associate Patron Joe Gipson hosted a pre-grand chapter tea Sunday afternoon for Worthy Matron and Worthy Patron, Mr. and Mrs. Carrol Shelton in the Joe Gipson home. Lovely gifts were extended to them and best wishes for a happy time at Grand Chapter, October 17-22 in Austin.
