

Floydada Airport Fund Growing

"Something over \$4,000" was deposited at First National Bank of Floydada early this week for assisting with renovation of the Floydada Municipal Airport runway. Tom Farris, chairman of a citizens committee which is raising funds, noted that this was "a little over half of our goal."

Farris told The Hesperian that "there is another \$1,500 that I know about" which has been committed but has yet to be received and does not reflect in the \$4,000 on deposit.

Farris said the committee will make a concerted effort to complete the project "right away." Other committee members, appointed in December by Mayor Parnell Powell and approved by the city council, are: Dr. Charles Craig, Lon Davis, Babe Jones, and Aldine Williams.

MATCHING-FUND GRANT
City Manager Bill Feuerbacher believes a Texas Aeronautics Commission matching-fund grant can be secured. This would mean that City of Floydada

would need approximately \$15,998.50 as its half of the funds necessary to refurbish the airport runway.

Feuerbacher estimates that the total project will cost \$31,997. This includes repairing the south end of the runway, seal coating the entire runway, and repainting numbers.

The citizens group appointed during the December meeting has set at least one-half of the city's share at its goal, approximately \$8,000.

The committee is expected to give a

report to the city council at its February 13 meeting.

Airport needs were discussed by the city governing body and several citizens during the Dec. 12 council meeting. Individuals expressed opinions that the facility is widely used and is necessary for potential city growth.

Farris encourages anyone willing to make a contribution to contact him at the bank or to give their check to any other committee member.

Five Days A Week For Persons 55 And Older

Winter Was Here ...

Senior Citizens Consider Serving Noon Meals

Serving of the noon meal for area residents age 55 and older is "in the planning stage" at Floydada Senior Citizen Center. President Menard Field said the senior citizens "would like

to have the public's thinking in general" about the lunch plan.

If the project is implemented, any local resident 55 and older could eat lunch at the center Monday through Friday. Due to participation in a government program, the center could not charge for the meals, Field points out, but "donations can be made to the center to help pay expenses."

"No one would be denied lunch," the senior citizen president noted.

He adds that parking lot paving is anticipated.

Floydada Senior Citizens has 110 members. "We have about 85 consistent members," Field said.

Ethel Cross is employed as full-time director. She is on duty five days each week.

The senior citizen facility was opened here in 1976.

FHS Basketballers To Tulia Friday

Floydada High basketballers travel to Tulia this Friday for three important district games. Tulia's Hornets won the first round, with one of their victories being in overtime against the Whirlwinds.

Junior varsity boys kick off the tripleheader at 5 p.m. Varsity girls and boys matches follow.

NEW KITCHEN
A new kitchen at the senior citizens center, 201 East Georgia, has been completed and is adequate to prepare the meals, Field said. A deep freeze is planned but has not yet been installed.

"Everything is paid for," Field stated in regard to the senior citizen facility.

Sponsored By SPAG Grant

Aerial Thermal Survey To Determine City Energy Loss

Floydada is one of 43 cities in the South Plains Association of Government's region which has been selected for an airborne thermal infrared survey in conjunction with an energy conservation program.

The towns and cities involved will be photographed from the air with infrared film from an altitude of 1,600 feet after 10 p.m. in the temperature below 40 degrees. These photographs will then be made available to the cities and "results interpreted to determine areas of the city with the low energy efficiency due to heat loss."

Mayor Parnell Powell told The Hesperian that no date has been set for the project to be conducted here.

South Plains Association of Government has been awarded a \$20,000 grant from a program entitled, "Innovative Grants Program for Local Energy Conservation." These funds will be utilized to conduct the aerial thermal infrared survey.

SPAG officials have been provided with a city map which "will enable the contractor to become familiar with the area before the flyover takes place, and will allow the photographs to be labeled as they are processed."

Readers' Photo

In Each Issue

Response to the "Photo of the Week" contest has been strong and a photo will be featured in each issue, if enough photos are received.

The individual whose photo is featured receives \$2. Also, that person is eligible for the \$25 grand prize at the conclusion of 1979.

Pictures from any amateur photographer in this trade area, as well as out-of-town subscribers, are eligible for consideration. They may be left in our office.

... Coming Again!

GROUND HOG DAY

WILL HE SEE IT? — Tradition has it that if Mr. Groundhog sees his shadow Feb. 2, the area can expect six more weeks of Winter. Regardless of whether the groundhog spots his shadow this Friday, the present weather pattern

suggests a continuation of Winter. Bill Kincaid, who contributed this photo, points out that the little fellow actually is a prairie dog serving by proxy for the groundhog.

COCKRELL holds a certificate naming him as "Driver of the Month Award" recipient for city delinquent in the Lubbock Management Section Center of the U.S. Postal Service. Postmaster Ed Wester holds a buckle which has also been presented to Cockrell.

THE JUST MISTERS
You imagine the pressures on school athletes during a tense game. The Winds played three overtimes in four outings.....each extremely clutch situation.

Thompson? Several readers have guessed both men. His identity will be revealed in this Sunday's issue.

Pictures from "back when" are requested from readers for publication in our Whozit picture each Sunday.

SEND HIM A CARD
Friends are suggesting that the public remember Bobby Rainer with a card. Or, better yet, go by and see him. Bobby was injured last Friday.

HOMES FORGOTTEN?
We read and hear a lot about families and homes being less an influence in our lives.

That could be, but it is interesting to note that almost two-thirds of Floydada's fifth graders list their mothers as "My Favorite Woman."

THANKS FOR NEW TIPS
A big "Thank You" to the individuals who have called in news or given us tips. Frequently, we would not know of certain events without information from the public.

The Hesperian wants YOUR news and tips about others and their activities.

James H. Cleveland Emergency Radio Coordinator For Floyd County

JAMES H. CLEVELAND

James H. Cleveland has been selected to lead an organization of amateur radio operators in this county prepared to furnish organized emergency communications in time of disasters, according to an announcement by Communications Manager George Hart of the American Radio Relay League, U.S. and Canadian association of radio amateurs.

Cleveland, who resides at 817 W. Missouri in Floydada, is a vocational agriculture teacher in Floydada High School.

His assignment, which carried the title of emergency coordinator of the Amateur Radio Emergency Corps, is to band together members of the amateur radio service in this county to perfect arrangements for emergency radio communication by hams in the event of natural disasters or other emergencies.

Tom Pearson of Floydada and Mark Montandon of Sandhill community are assistant coordinators. These two are "the only other ham radio operators in the county that I know of," Cleveland said.

'SKYWARN' FORMED
They are Floyd County participants in "Skywarn," which has been established across the South Plains to observe clouds and report threatening conditions to the National Weather Service office in Lubbock.

In addition to use of fixed radio station equipment working from commercial power, amateur stations use

self-powered radio transmitting and receiving equipment as needed and can often deploy portable and mobile units to accommodate a particular emergency requirement.

Cleveland, as AARL emergency coordinator, will call local meetings of amateurs, establish common operating procedures, and arrange regular drill periods when the hams' personal stations may be mobilized under simula-

ted emergency condition. His duties also include liaison planning with relief and public welfare agencies, as suggested in working understandings the ARRL Amateur Radio Emergency Corps has with the Red Cross, Civil Defense, and other agencies. Liaison will be established also with local protective services, such as fire and police departments.

'COMMUNITY SPIRIT'
In announcing the appointment, Hart pointed out that radio amateurs have traditionally had the responsibility of being in constant readiness to offer assistance in time of need with ham-acquired skill, emergency-powered transmitters and a wealth of community spirit.

"When sleet storms disrupt telephone and telegraph service, or floods isolate whole communities," Hart said, "it is amateur radio that comes to the rescue with operators and self-powered equipment, often as the sole agency able to transmit messages calling on the outside world for aid for the stricken community."

"To be prepared for this function requires not only a highly organized program of preparedness locally," Hart continued, "but hams outside the disaster area must be prepared to act as outlets and relay points for emergency traffic. Planning and organization are necessary in either eventuality and that is the job Mr. Cleveland is doing for this area."

Social Events

MR. AND MRS. WAYNE BENNETT

Reception Honors Bennett Golden Wedding Anniversary

A reception honoring Mr. and Mrs. Wayne Bennett on their 50th wedding anniversary will be held on Sunday, February 11 from 2 to 4 p.m. at The First Methodist Church. Children of the couple, Mr. and Mrs. Harold Bennett of Floydada and Mr. and Mrs. Luis Moore of

Dumas will host. The former Hettie Wiggins and Wayne Bennett were married February 10, 1929 in Vera, Texas, and moved Floydada in 1932. The couple has 8 grandchildren and 4 great grandchildren.

Request: No Gifts.

De Lyn Ramsey Performs In Plainview Music Recital

De Lyn Ramsey, daughter of Mr. and Mrs. Dallas Ramsey of Floydada, was presented in the Junior High student recital sponsored by the Plainview Music Teachers Association Sunday afternoon, January 28 in the Fine Arts Center in Plainview.

De Lyn presented Sonata, K. 310 (Presto) by Mozart. De Lyn and Leah K. Lyle, daughter of Mr. and Mrs. Paul Lyle of Plainview, presented La Danza, a duet by Rossini-Russell.

De Lyn is a student of Mrs. Bob Farmer of Plainview.

MRS. RANCE YOUNG

Nancy Puckett, Rance Young Pledge Vows

The First Christian Church of Floydada was the setting for the family wedding of Nancy Gail Puckett and Rance Hanna Young on Saturday, January 27, at 3:00

p.m. Reverend Dennis Swearingin, pastor, officiated at the double ring ceremony. Mr. and Mrs. Sam Puckett of Ruidoso are parents of the bride and the groom is the

son of Mr. and Mrs. Deral Young of South Plains.

Forming the background for the wedding scene was a basket of beige gladioli and blue pom mums, flanked on either side with hurricane type candelabra entwined with floral arrangements. Floor palms of emerald green foliage completed the altar decorations.

Presented for marriage by her father, the bride wore a formal gown of white quiana knit fashioned with an empire waist and long, full bishop sleeves gathered to wide lace cuffs. The Queen Anne neckline was edged in Venice lace and sprinkled with seed pearls. An accadian pleated skirt extended into a chapel length train. The Juliet headpiece of matching lace was attached to a veil of imported illusion. Her bridal bouquet was fashioned of white silk peonies and carnations interspersed with tiny blue and white forget-me-nots and baby's breath and flowing satin steamers tied with love knots.

Something old was the paternal grandmother's wedding band, the wedding veil was borrowed from her sis-

ter, and a new diamond drop necklace was a wedding gift from the groom. She wore the traditional blue garter and a six-pence in her shoe.

Miss Tracey Puckett attended her sister as maid of honor. Other attendants were Carlen Young, sister of the groom, and Mary Martha Trimble of Killeen. They wore identical gowns of fox blue quiana knit designed with draped necklines and blouson waists.

Miss Angie Shurbet, cousin of the groom, was the candlelighter.

Best man was Wes Bradshaw of Ropesville. Other groomsmen were Jackie Foote of Canyon, and Danny Quisenberry of Lockney. Guests were seated by Shannon Shurbet, cousin of the groom; Rex Yeary of Floydada; and Mike Vickers of Lubbock.

Miss Anne Matravers of Lebanon, Indiana, sang two selections accompanied by Misses Penny Bertrand, organist, and Penny Muncy, pianist.

Following the ceremony, a reception was held in the home of the groom's maternal grandparents, Mr. and Mrs. Pike Hanna.

MR. AND MRS. GRADY FREEMAN

Freemans Honored With Anniversary Reception

Mr. and Mrs. Grady Freeman of Floydada will be given a reception Sunday, February 4 from 2-4 p.m. at The First National Bank in Floydada in honor of their 50th Wedding Anniversary. Hosting the event will be

the couple's children and Mrs. Cecil Armond Lubbock, Mr. and Mrs. Webb of Sweetwater. Mr. and Mrs. James man of Houston. The program was married February 1929 in Floydada.

Phone in your family news to The Hesperian at 933-7 or to The Beacon, 652-3318, or mail to The Hesperian, 111 Missouri, Floydada, 79235, or The Beacon, Box 187, Lubbock, Texas 79421.

Jolly Stitchers
Meet With
Mrs. Roberts

The Jolly Stitchers met Thursday afternoon in the home of Mrs. Jewel Roberts. Refreshments of coffee, spiced tea and coconut pie were served to Mrs. Melba Adkins, Mrs. Sylvia Yeary, Mrs. Grace Colson, one guest, Mrs. Edna Cox; and the hostess, Mrs. Roberts.

Ruth Circle
Holds Meeting

The Ruth Circle met in the parlor of the Lockney First United Methodist Church at 3 p.m. Monday. Mrs. Olive Myers brought the lesson on prayer. Members present were Mrs. Helen Huffman, Mrs. Alma McDonald, Mrs. Lillian Cooper, Mrs. Ethel Knox, Mrs. Laverna Sams, Mrs. Olive Myers and Mrs. Grace Colson. The next meeting will be a social, to be held in fellowship hall at the First United Methodist Church at 3 p.m. January 29.

Lone Star Homemakers Club Meets

The Lone Star Extension Homemakers Club met January 23 in the home of Clois King with eight members and one visitor present. A lesson on eye care and the proper fitting of glasses was led by Elvira Stewart. She stated that 50 percent of people wear glasses. The next meeting will be with Lorraine Nance on February 6. Sharon will bring the program. A delicious repast was served by Stewart, Sybil Teague, Kellum, Maudie Ruth Reeves, Helen man, Vera King, Nance and Chris the visitor.

Births

WALKER

Garrett Skyler is the son of Ray and Debbie Walker of Dallas. He was born at 8 a.m. January 24 weighing eight pounds. He was 21 inches long. He has one older sister, Ashley.

Grandparents are Ruth and Grady Walker and Jack and Dot Reagan of Independence, Missouri.

Women At Work

Women today make up almost half the work force, United States Department of

MONTANDON

Paul and Barbara Montandon of Tyler are parents of seven-pound, seven-ounce baby girl, Emily Kay, born at 11:20 p.m. Sunday, January 28 in the Mother Frances Hospital, Tyler. Emily Kay has a two-year-old brother, Shawn. Grandparents are Mr. and Mrs. C.E. Caskey, Tyler, and Tommy and Leo Montandon, Lockney. Glen and Pauline Watson of Lockney are great-grandparents.

Labor Statistics show, and over 35 million women hold jobs outside their homes.

Microwave Oven

Use

Proper use of a new microwave oven can make it an energy and time saver, says Bonnie Peirnot, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

As with all appliances, care will increase the length of service it can give, she explains.

The following information will help the homemaker enjoy her new microwave oven.

READ INSTRUCTIONS

Read the instruction book carefully, the specialist advises.

This is of vital importance with a microwave oven. Learn the oven features in order to know what the appliance is able to do and to give the consumer confidence in using the appliance.

KEEP DOOR SEALS IN TOP-NOTCH SHAPE

Keep door seals on microwave ovens in top-notch condition, Mrs. Peirnot urges.

Regularly, clean both sides of the door, door gasket and the door closure area with a warm, sudsy cloth.

Food particle build-up can prevent proper door closure and create a hazard.

Do not attempt to operate the microwave oven if the gasket or seal is damaged or if particles of food have built up around the closure area, she cautions.

DON'T ABUSE DOOR

Never allow anyone to pull on the microwave oven door, lean on it or mistreat it in any way — proper and permanent close fit of the door is vitally important.

CHOOSE PROPER UTENSILS

Cooking in the microwave oven means learning to do many things differently than before, including choosing proper utensils, the specialist points out.

Don't use melamine plastics, nylons and metals — including metal or metal core utensils — for microwave cookery.

However, metal foils can be used to keep parts of meat or poultry from overcooking.

Avoid using plastic utensils with products containing large amounts of fats or sugar, she says.

Fat and sugar become hot very quickly in a microwave oven and could melt the plastic.

Different colors of utensils absorb microwaves at different rates.

This trait might cause breakage of two-tone dishes due to different expansion rates.

Use this test to see if a dish is safe for use in a microwave oven:

- Place the empty dish and one ovenproof cup of water in the oven.
- Operate the oven for one and one-half minute.
- Remove the dish from the oven.
- If hot, it should not be used in the oven.
- If cool, it is suitable for microwave oven use.

WOOD'S FLEXIBILITY AND STRENGTH make it an excellent construction material.

Members of the Alpha Mu Delta Chapter of Beta Sigma Phi observed their 5th anniversary Saturday, January 27, with a brunch held at Lighthouse Electric. The Chapter's actual anniversary is January 28.

The Alpha Mu Delta Chapter was a 1974 Friendly Venture of the Paducah Chap-

ter, Alpha Eta Kappa.

Decorations represented the sorority's color and flower tradition by having yellow candles and yellow roses set atop a dark gold tablecloth.

After members were seated around the large table according to their individual name cards, the blessing was asked by Carrie Bertrand.

Hostesses Debbie Beaty, Carrie Bertrand, Judy Campbell, and Kay Jones served a delicious brunch consisting of juice, milk, coffee, hot

homemade rolls, hash brown potatoes, scrambled eggs, bacon, sausage balls, and various coffee cakes and nut breads.

Members present were: Donna Anderson, Debbie Beaty, Carrie Bertrand, Debbie Bertrand, Debbie Breed,

Judy Campbell, Pat Cates, Lu Ann Collins, Donna Henderson, Julie Hickerson, Jo Ann Patterson, Revis Pennell, Kaye Powell, Daphna Simpson, Teresa Whittle, Sue Williams and Kay Jones.

FLOYD DATA

Mr. and Mrs. Gilmer Denison of Lubbock visited Sunday with his parents Mr. and Mrs. C.W. Denison.

Other visitors who accompanied them were grandchildren and great grandchildren: Mr. and Mrs. Bob Teaff and boys Trent and Ty; Mr. and Mrs. Keith Denison and Sierra Tye, daughter of Mr. and Mrs. Robert Tye of Lubbock. Sunday night all visited Mr. and Mrs. W.B. Parrack, who have recently moved here from Anson.

L.C.C. Associates Meet At Mrs. Bramlet's Home

Lockney L.C.C. Associates held their monthly meeting on January 21 in the home of Annabell Bramlet. Huggins was co-hostess of the evening.

Missy Smith began the meeting with a prayer, and Mrs. Bramlet gave the opening reading from Isaiah 5:21-33. A short business meeting was held during the program.

The program for the evening was presented by Mrs. McLain of Hart. Mrs. McLain spoke to the group

about several political issues that she said Christian women should become involved in. She gave some background into the International Women's Year just concluded. Then she described some of the things that can be expected to happen or at least be attempted during the International Year of the Child, 1979. She presented example after example of things that are already happening. It was very informative and quite eye-opening to those present. Following a

lively discussion, refreshments of cookies, coffee, and hot spiced apple cider were served.

Those present were: Madge Huff, Marilyn Cates, Elsie Sherman, Faye Sams, Wynona Allison, Mary Glenn Degge, Mildred Gammage, Eunice Greenhaw, Dorothy Smith, Myrl Wofford, Tommie Williams, Mrs. Bramlet and Mrs. Huggins. Visitors were: Jane Archer, Bertha Vernon, Leo Montandon and Cindy Ward.

Rebekah Lodge Holds Initiatory Service

Rebekah Lodge held an initiation ceremony at the O.F. hall on Tuesday.

Less Parkey, Noble Grand, Margaret Pascal, Vice Grand, Artie Webb, Chaplain, Jewell Reeves, Past Noble Grand, Dorothy Reeves, Conductor, Ruby Davis, Warden.

Others taking part were

Dorthe Westbrook, Valree Turner, Ora King, Willie D. Hill, Fay Gooch, Wanda O'Neal, Grace Grundy, Hubert Davis and Floyd Webb, Jewell Price Pianist.

A buffet supper was served after lodge closed.

It's Girl Scout Cookie Time

Approximately 100 Floydada Girl Scouts will participate in the annual cookie sale which begins this Friday, Feb. 2 at 4 p.m. and continues until Feb. 18. Cookies will sell for \$1.25 per box.

Mrs. Paula Pauley is the service unit cookie chairman. "Selling the Girl Scout cookies is a valuable learning experience for our girls, as well as financial aid for our council and the troops," Mrs.

Pauley said. "We hope that everyone in the community will help the girls and support them in their sale," cookie chairman encourages.

Community Education Plans To Be Considered

The Caprock Community Action of Floydada will meet Feb. 5, at 7 p.m. at the A&M West Texas Regional Training Center on the Matador Highway. The center is located on the east side of the Floydada city limits.

A two part program will be presented by Lawrence Stovall, manager of the center. The first part of the program will be a short presentation of Community Education and a step by step process to getting it started in Floydada. A question and answer session will follow the program. A Community School is an almost unlimited number of opportunities. Most of all, however, it is what you

want it to be. The second part of the program will be a tape and slide presentation of Texas Engineering Extension Service and the fifteen divisions and what they teach. This is part of the West Texas A&M University System which covers all of the State of Texas. Texas A&M is the Land Grant Institution for the State of Texas and is dedicated to bringing training anywhere in the state where it is needed and asked for. This program should be heard by everyone interested in providing continuing education in Floyd County. We invite everyone to hear this interesting and important program.

Jan Thayer Chairman For Cystic Fibrosis Bike-A-Thon

Ms. Jan Thayer has been named chairman of a Bike-A-Thon in Floydada by Reuben D. Duke, president of the Lone Star Chapter of the Cystic Fibrosis Foundation.

She will be conducting the Bike-A-Thon to raise funds which will support research and care for children affected by cystic fibrosis, severe asthma, chronic bronchitis, bronchiectasis and other related lung-damaging diseases.

Cystic Fibrosis, an incurable genetic disease, is inherited by one in every 1500 babies born in the United States. Both parents carry the recessive gene for CF and number among one in twenty persons in the U.S. who may be carriers, usually without knowing it. With improved therapy and constant research, many CF patients are now living into early adulthood.

"Most people do not realize there are millions of

children affected by lung-damaging diseases, and by participating in our Bike-A-Thon, you can help these children who can't take breathing for granted," said Duke.

P-TA To Discuss Crosswalk Guards With Co

A trio of P-TA officials met Tuesday with Mayor Parnell Powell to discuss the city's decision to turn over financial responsibility of guards at students crosswalks to the school at the conclusion of its fiscal year, March 31.

Mayor Powell advised the

three some that they would need to meet with the city council. This matter has been placed on the agenda for the Feb. 13 council meeting.

Representing the P-TA during the Tuesday talk with the mayor were Patty Ochoa, Dean Watson, and Connie Lou Bertrand.

THREE WINNERS — A trio of Floydada residents — Stacey Leatherman, Wayne A. Russell and Oscar Hernandez — won framed copies of the upcoming telephone directory cover during open house last Thursday at the Southwestern Bell Electro-

nic Switching office open house. Shown with one of the colorful pictures are, left to right, Miss Leatherman, Hernandez, Mark Wideman of the phone company, and Russell. Almost 300 persons registered for the open house, Wideman said.

Whirlwinds Stop Lockney Cagers

Floydada Teams Capture McAdoo Tourney Titles

When green and red are mixed in a Floyd County athletic event, the normal result is packed stands. This was what happened Tuesday night when Floydada and Lockney basketballers clashed in Graves Gym here: a full house.

After a pair of overtime games against Lockney this season, the Whirlwinds blew strong Tuesday night enroute to a 67-53 victory. Although the contest was closer than the final score indicated, the 'Winds jumped into a 21-12 first quarter lead and owned a lead throughout.

Floydada was in front 36-30 at intermission and 51-41 after three stanzas. Tim Collins and Troy Marquis, both of whom canned six points in the first quarter, ignited the 'Winds early. Eight white uniformed Floydada players scored at least four points, paced by Collins with 16, Marquis with 11, and Kary Helms with 10.

Jimmy Jackson chipped in 8 markers while teammates Mac Collins, Todd Vickers, and Neal Becker each netted 6. Moody Younger put in 4. Rodrigues and Riddley each canned 10 for Lockney.

LOCKNEY GIRLS VICTORIOUS
The Lady Horns from Lockney were victorious 37-22 in the girls varsity match, which also was much closer than the final score

indicated. It was nip and tuck in the third quarter with both the Whirlwinds and Lockney owning two and four points leads. The visitors were in front 25-21 entering the final eight minutes.

Lockney was ahead 7-6 after the first stanza and 16-10 at intermission. The Whirlwinds took the lead midway through the third quarter. Exactly half of their points came during that period.

Kim Curry and Rosemary Barnes led the scoring parade with 8 each. Judy Bean hit 3, LeQuita Davis scored 2, and Janie Guest hit a free throw.

Evans had 10 for Lockney and McCarter added 10.

JV GIRLS WIN FINAL GAME
The Whirlwinds junior varsity concluded its season with a 35-27 win over Lockney. The visitors led 10-9 at the end of the first quarter before the Whirlwinds went in front 22-14 at half and 24-14 after three stanzas.

Julianne Lipham paced scoring with 13 and Amy Jones also was in double figures with 11. Janet Pleasant tallied 6, Tracy Reddy and Lisa Anderson each tallied 2, and Nora Black had 1.

Floydada varsities and JV boys have three more games: Friday at Tullia, next Tuesday here against Abernathy, and Feb. 9 at Idalou.

Floydada's two freshmen teams and the eighth grade Breezers captured championship trophies Saturday in the McAdoo Tournament.

Scheduled Monday games between Floydada and Idalou freshmen, eighth, and seventh grade teams were postponed due to hazardous travel conditions.

These contests are tentatively rescheduled for Thursday of next week, Feb. 8.

Local frosh, eighth, and seventh squads are slated to lock horns with Tullia next Monday. Boys are to play here and girls in Tullia, starting with seventh grade contests at 5 p.m.

Floydada High freshmen will play this weekend in the Lubbock Cooper Tournament. The FHS girls try Plainview at 4 p.m. today (Thursday), followed by the Whirlwind frosh.

FRESHMEN GIRLS
Coach Sally Wylie's Whirlwinds freshmen shot down Motley County 33-26 in the Saturday finals to capture the championship trophy in their division. Debra Alfaro netted 14 points, Terry Pleasant, scored 8, Susan Turner tallied 6, and Kelli Ferguson

put in 5. Debra Alfaro was selected as the most valuable player. Teammates Susan Turner and Terry Pleasant were named to the all-tournament squad.

Alfaro, 16, and Ferguson, 10, were in double figures Thursday as the Floydada quintet had little trouble disposing of Jayton, 34-16. Susan Turner aided the cause with 6.

Turner led the scoring parade Friday as the locals romped 44-23 over Paducah. Other top FHS scorers were Ferguson, 13; Alfaro, 11; and Pleasant, 5.

Coach Wylie's Whirlwinds freshmen now own a 7-2 record.

EIGHTH BREEZERS
Coach Martin says his eighth grade boys are leading the district chase with two games remaining.

The Breezers captured first place honors in the McAdoo Tournament. Paced by three players in double figures, the locals dumped

Lubbock Christian 52-43 in the Saturday night finals. Donnell Weeks netted 22 points, Bruce Williams scored 11, and Marty Covington added 10.

The Breezers notched a 55-37 triumph over Paducah last Tuesday in their tourney opener. Weeks tallied 28 points and Covington added 12.

A close Wednesday skirmish saw the Breezers edge past Motley County (Mataador) 36-34. Weeks led scoring with 20.

Weeks and Williams were named to the all-tournament

team. Weeks also was chosen most valuable player in the eighth grade boys division.

EIGHTH BREEZETTES
The eighth grade Breezettes of Coach Chadwick demolished Paducah 41-8 last Tuesday in their opener at the McAdoo tourney. Pat Cathey tallied 12 and Angie Anderson scored 10.

In a semi-final match Wednesday, the locals were stopped 24-20 by Motley County in a thriller. Pam Cathey paced scoring with 8. Since there was no third place in the tournament, this setback eliminated the Breezettes.

FROM THE LOCKNEY BEACON FILES

Thursday, February 2, 1956
Four local stores began giving Scottie Savings Stamps with cash purchases and payments on account. The stores were Darnell's Grocery, Reecer's Master Cleaners, J.C. Jones Dry Goods, Baker Hardware and Furniture.

The Lockney Chamber of Commerce planned its annual "membership meeting." Committee chairmen were Edgar R. Hays, Bob Miller and R.H. Ford.

Lockney city council called a city election to be held April 5. The terms of aldermen Claude Hammond, J.D. Wood and Lloyd Readhimer were expiring.

The Rev. Luther Kirk was to preach at the Aiken Methodist Church. Members of the Aiken Methodist Church had attended the Sterley Methodist Church the previous week.

New officers of El Progreso Study Club were Mrs. Henry Schacht, president; Mrs. E.M. Quebe, vice president; Mrs. J.C. Kemp, secretary; Mrs. Milton Ashton, treasurer; Mrs. L.M. Honea, critic-parliamentarian; Mrs. Chester Mitchell, reporter.

The "LHS Hit Parade of the Week," as reported in "The Lariat" in the pages of The Beacon, included these songs: 1. "Memories Are Made of This" 2. "Rock and Roll Waltz" 3. "Speedo" 4. "Smoky Joe's Cafe" 5. "He" 6. "The Great Pretender" 7. "Cry, Cry, Cry" 8. "Moments To Remember" 9. "Suddenly There's A Valley" 10. "Tuttie Fruttie".

Candidates for LHS "Most Beautiful" were Peggy Williams, Ernestine Spradlin, Doylene Harrison, Shirley Warren, Katie Rucker, Janney Ansley, Gayle Rucker, Loy O'Brien, Kay Golden, Janice Hays, Elaine Cooper and Debra Ferguson. "Most Handsome" candidates were J.W. Dipprey, Doyle McAda, Dee Nix, David Frizzell, Jerry Workman, Roland Watson, Kenneth Holt, David Howell, Larry Jarrett, Byron Brock, Leslie Wilkes and Ronnie Thornton.

Thursday, February 5, 1953

The West Side Church of Christ was "adding to the front of their church building by enclosing a porch. The room added will provide an entrance room into the main building...."

The Lockney Longhornettes continued their basketball winning streak with victories over Kress, Ralls and Hale Center. They held second place in the district with only one loss, to the powerful New Deal Lionesses. Nancy Holland scored 22 points for the Lockney girls in the 36-35 overtime victory over Kress. Holland was high scorer in the victory over Ralls, too, with 15 points, and in the win over Hale Center, with 14.

The Floyd County Junior Livestock Show was to be held on two days, March 11 and 12. It was the first time for the show to cover a two-day period. The two-day show was "...necessary because of the great difficulty encountered in having the show and sale in one day...."

The roof of Lockney Auto Co. fell in from the weight of a heavy snow combined with ice and water. Estimated loss from the roof collapse was \$15,000.

Friday, February 4, 1949

Earl Cooper resigned as Floyd County deputy sheriff and was employed as a "special officer" for the City of Lockney.

The annual Floyd County Irrigation School was scheduled at the Plains Theatre in Lockney. A special feature was to be the free lunch, served by the Business Men's Club of Lockney.

Mrs. Glen Bowers was the new supervisor of nurses at the Floyd County Co-operative Hospital in Lockney. She succeeded Mrs. Pearl Martin, who resigned.

Two Lockney boys, Calvin Pyle and Bill Thompson, won titles in their weight divisions in Golden Gloves bouts in Amarillo.

At a road meeting held at the Sterley schoolhouse, the people of Sterley assembled there voted to leave the selection of the road to be paved into Sterley up to the Commissioners Court. Four separate routes had been proposed at one time or another for a paving connection with the Lone Star road.

Floydada Building Will Be Auctioned Friday By County

Floyd County will sell a small county owned building to the highest bidder on this Friday morning. Floyd County commissioners appointed Floyd County Auditor O.M. Watson Jr. as a special commissioner to sell the building on block 73, Lot 10 at public auction.

The auction is set for 10 a.m. on the west steps of the courthouse on Friday, February 2.

The Wall Street building just east of the courthouse in Floydada was purchased by the county with plans to

move the Floyd County Library from the second floor of the courthouse to a ground floor location.

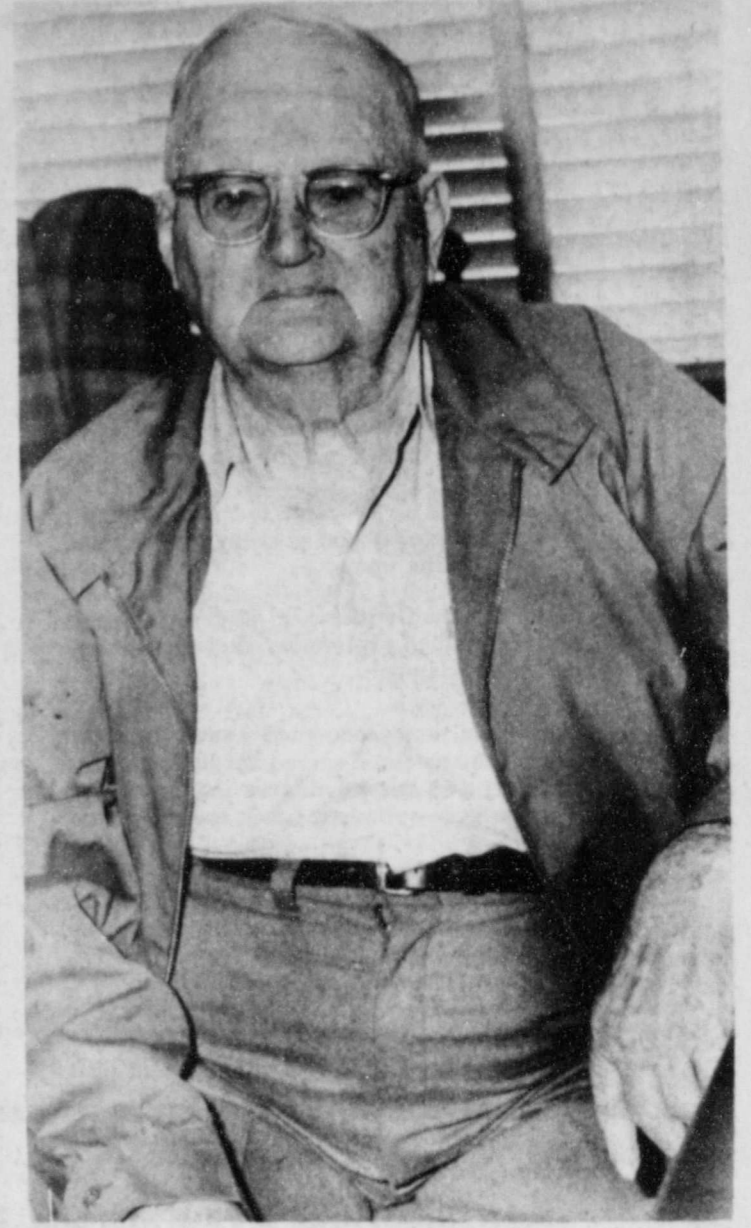

Lubbock architects Whitaker and Hall presented a drawing of the proposed remodeled building which

included an entrance to the library and a parking lot on the property just north of the proposed new library site. The additional property needed for the suggested construction was never purchased and plans for the new library were abandoned.

Floyd Bond Sale Report

November sales of Series E and H United States Savings Bonds in Floyd County have been reported today by County Bond Chairman Os-

car Hernandez. Sales for the eleventh-month period totaled \$136,374 for 68% of the 1978 sales goal of \$200,000.

MARK MARTIN, probably Floyd County's oldest business person, marked his 81st birthday Monday...at work, as usual. The owner of Martin & Co. in Floydada, started in business in 1919 in Floydada when he was 21 years old. "I've just been in one business," said Martin, who spent his 80th birthday visiting his son, Fred Martin, in South Africa. He still reports for work at 7 a.m. every morning and leaves at 6 in the afternoon.

Cedar Hill News

by Grace Lemons

We have been having more cold weather. Snow fell Monday which was preceded by fog and ice.

Edna Gilly, Ruth Hill, Clara Redd and Edith Marr went to Lubbock Saturday shopping and had supper out.

Rev. and Mrs. Buchanan of Lubbock were special guest speakers at the Assembly of God Church with a large number present.

The Buchanans, Mr. and Mrs. Garland Tucker had lunch with Mr. and Mrs. Tom Fortenberry Sunday.

Last weekend Mr. and Mrs. Cephus Fortenberry went to Bridgeport to visit Mr. and Mrs. Doyle Love and Mr. and Mrs. Raymond Love.

Mr. and Mrs. Troy Smith and family of Dumas arrived Saturday to spend the night with Mr. and Mrs. Cephus Fortenberry.

Mr. and Mrs. Cephus Fortenberry visited Charlie Dillard in the Central Plains Hospital in Plainview Sunday. Charlie is very ill and several from here have been sitting with him.

The Cephus Fortenberrys also visited Mr. and Mrs. Fred Fortenberry in Lockney Sunday.

Tom and Gladys Fortenberry spent the day in Lubbock Tuesday with their daughter and family, Patsy Boone who recently had surgery and is reported to be doing splendidly.

Blex Belew was able to leave Central Plains Hospital Saturday and go to her daughter's home, the Stan

Burlesons. We trust that she will continue to make steady improvement.

Mrs. C.V. Lemons was honored with a birthday dinner Sunday evening in the home of her son, Mr. and Mrs. Carl F. Lemons, Mr. and Mrs. Marvin Lemons and family, and Mr. and Mrs. Phil Lemons and family were also present. Mrs. Lemons was 82.

Wanda DuBois took her parents, Mr. and Mrs. Elvie Lackey to Lubbock Monday where Elvie has been taking treatments for some time. The x-ray treatments are showing an improvement in his condition.

Jessica Lemons of Lockney spent Sunday and Monday nights with her grandparents Mr. and Mrs. Carl F. Lemons.

Norma Welch visited Belle Lemons Thursday afternoon.

Mr. and Mrs. Albert Mize, Mr. and Mrs. Stan Burleson, Mr. and Mrs. Jim Conner and possibly others attended the 50th Wedding Anniversary of Winnie and Bill Beedy given in their home at Floydada Sunday afternoon.

Word was received that James Perry, brother-in-law of Mrs. Jim Conner passed away Monday night. Mr. Perry, 86, was in the hospital at Ciscoe when he apparently died in his sleep. Funeral services will be in Ciscoe Thursday and burial will be in Clyde Cemetery. Our heart-felt sympathy is with Jim and Viola Conner at this time.

Frozen Ponds Dangerous Children's Playground

As winter's cold forms a layer of ice on ponds and lakes, children are filled with visions of their northern and western neighbors enjoying winter sports. The novelty of ice, however, lures many youngsters to their death.

"Ponds around here seldom freeze thick enough to support the weight of even small children," James Cox, soil conservationist with the USDA Soil Conservation Service (SCS) in Floydada, said.

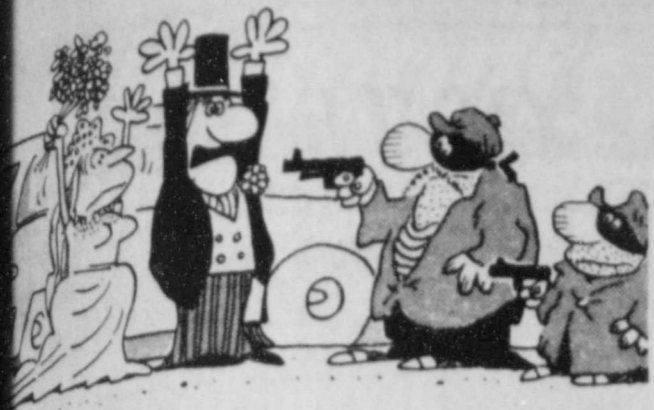

The most dangerous ponds, he stressed, are those that freeze fairly thick in areas around the edges.

"Usually the down-wind edge of the pond will freeze first, and the ice may support a large person for several feet from the edge in that area. But, over deeper water and on the up-wind side of the pond, the ice is usually very thin," Cox continued.

There is no really safe ice thickness for skating, according to the National Safety Council, because ice conditions are always changing. For example, four inches of new ice can support more weight than four inches of "old ice" that has been subjected to the effects of the sun, refreezing after thawing, wind, and changing water levels under the ice.

Realizing how hard it is to curb the natural curiosity in children, Cox suggested that children be made aware of the dangers of thin ice. He has warning posters available free of charge for this purpose, please come by the SCS office at 208 So. Wall St in Floydada.

"Some pond owners keep a life ring or other flotation device attached to a long rope handy at the pool. A long pole can also be used to rescue victims of broken ice," Cox said.

Rainer Improving After Accident

Bobby Rainer suffered injury to three fingers on his right hand Friday afternoon in an accident at his home, 518 West Tennessee. He was taken to Caprock Hospital by his wife following the mishap "about 4 o'clock" and was transferred to Health Sciences Center in Lubbock.

His father said he was able to "walk around" in the hospital Sunday and possibly return home Wednesday of this week.

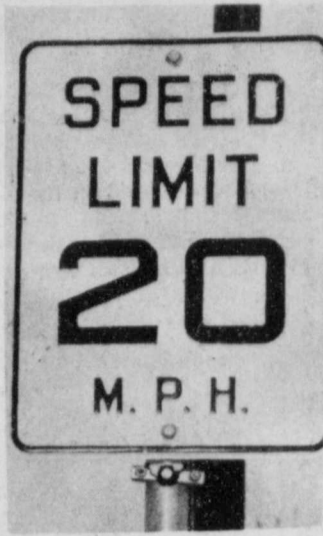

The injured man underwent surgery to repair the fingers. He had exploratory surgery Monday to analyze the damage.

Doctors are most concerned about the third finger, which sustained some joint damage. The index finger and second fingers also were cut, but doctors were optimistic about these fingers.

Rainer, who is music director at First United Methodist Church in Floydada and a student at Wayland Baptist College in Plainview, was "fishing some moulding in the bathroom" of his home when a power saw inflicted the injury.

By Postal Service

John Cockrell Cited As 'Driver Of The Month'

Slow...

.....THAT was fast enough Monday over slick streets and highways.

"The most outstanding thing is that John has been driving since 1936 and to this day has not had a wreck or been issued a ticket for a driving violation.... 43 years of careful driving," Postmaster Ed Wester said during a brief Friday morning ceremony at the Post Office during which John H. Cockrell was presented with the "Driver of the Month Award" for December 1978.

Postmaster Wester points out that Cockrell's selection for the "Driver of the Month" award was made from all city delivery offices in the Lubbock Management Section Center, which includes Zip Codes areas 792, 793, and 794. This award makes him eligible for "Driver of the Year" consideration.

Cockrell's "excellent safe driving practices, with approximately 4,375 accident free hours operating post office vehicles since our office received government Jeeps July 17, 1974," was cited by Wester, who added: "I do not know of any undesirable driving practices and he handles himself in a professional way that is complementary to the U.S. Postal Service."

In addition to his driving record, Cockrell has a prime work record. "He has established a good reporting record for work, he has never been late in 21 years and has accumulated 1,695 hours of sick leave," Wester noted.

Cockrell is active in Floydada community activities. He was a driver for the local Boy Scout Troop 357 for summer camp from 1964 through 1971, taking one week of his vacation time to drive the Scouts to Creed, Colo., for their camp each year. His civic work also includes serving as a Little League baseball coach and umpire, president of the Floydada Band Boosters, and being active in the Primitive Baptist Church.

Quartermaster of the local VFW post for several years, he also served past of a year as acting commander.

FLOYDADA FFA Chapter received a set of livestock clippers last Friday from Production Credit Association. Pictured from left to right are Jay Waller, FFA vice president; Beverly Burleson, chapter sweetheart; Buddy Lutrick, local PCA

manager; Kelly Higginbotham, plowgirl; and Blake Kitchener, Lutrick says the Floydada FFA presents the stock trimmer alternating between FFA chapters in Floydada and Lockney and 4-B.

Attention Floydada Farmers

Don Green recently told me, "This was our last year here with corn and milo. Neither has made a crop for several years." That's the same situation I am running into in dozens of farming districts.

I can readily understand why Bob Bergland told FACE THE NATION, "American farming is on a collision course with disaster."

You know, don't you, that the 1978 Texas cotton yield is only 247 pounds per acre — half the yield of years gone by?

Is it any wonder your Texas Commissioner of Agriculture, Reagan Brown, told the Texas Aglime and Fertilizer Convention, "We have to admit that we lost 3,000 farms in Texas in 1976 and that took 400,000 acres out of row-crop production and put it into grass."

But for lack of communication, you haven't really had the chance to learn that you can reverse that frightening national trend. You are extremely fortunate, because Louis Bearden and Don Green have tested the methods and products which fertility reclaim those dying soils. There is absolutely no reason for an irrigator to discontinue milo, corn, or any other crop ever grown in your part of Texas.

Contact them at Davis Farm Supply, or write directly to us for study information and the 13-year old record of how our methods and products have been returning declining and sterile soils to full productivity.

\$485 Million Due GI Life Insurance Holders

A record \$485 million in dividends will be paid during 1979 to four million veterans holding GI life insurance policies, the Veterans Administration announced today.

In Texas 197,602 insureds will receive \$24,668,000.

No application is needed, VA Administrator Max Cleland emphasized. Individual policy holders who have kept their GI insurance in force from either World War I,

World War II or the Korean Conflict will receive their payments automatically on the anniversary dates of their policies, he said.

The 3,384,000 World War II veterans with current GI insurance policies will receive dividends totaling \$433,300,000. The average payment of \$128 is up \$11 from last year.

Individual amounts will vary from the average, Cleland explained depending on the type of policy, amount of insurance, age at issue or renewal and the time the policy has been in force.

The 99,800 policy holders from World War I will receive an average of \$256 each, up from \$224 in 1978, for an aggregate of \$25.6 million.

County Agent Reports

TOPDRESSING SMALL GRAINS WITH NITROGEN

Fertilization is often overlooked as a means of increasing profits from small grains. Research has shown repeatedly that small grains which have been adequately fertilized will recover more rapidly from stress; yield more grain and forage per inch of water used; and produce a crop with improved quality.

Small grains utilized for forage naturally require considerably more fertilizer than when produced for grain only since a large proportion of the fertilizer, especially nitrogen, is removed in the grazed leaves. Thus, topdressing with additional nitrogen is essential during the growing season in order to maintain high levels of forage production.

A decision as to whether or not to topdress with nitrogen should be based on the nutrient status of a particular soil, the present condition of the crop, available moisture, and whether the crop will be grown for grain or grazed out. Topdressing from 30 to 60 pounds of actual nitrogen per acre should be considered if recommendations based on a soil test are not available.

Higher rates ranging from 40 to 80 pounds of actual nitrogen per acre should be considered if the crop is to be grazed out and adequate moisture is available. Additional nitrogen may be particularly beneficial if small grains

were not fertilized at or before planting. Thus, if moisture is adequate and growing conditions improve, topdressing with additional nitrogen will result in increased grain and forage production.

Severe winter weather and stands will bring higher beef prices sooner than had been predicted by the National Live Stock and Meat Industry Council.

Near-record snowfall and cold have disrupted both the beef and the growth rate of feedlots, explained Jay R. Wardell, Manager of the Meat Industry Council.

"Cattlemen throughout the High Plains states are having difficulty if not impossible to get cattle to market because of the storms," Wardell said. "Packers and processors are reluctant to buy product to food stores with efficiency. This has the effect of limiting availability and prices higher."

On the long-term, however, the greatest impact on supply is from the fact that cattle are growing much slower in cold weather.

"When the thermometer is at 20 below zero, newly calving beef cows are not keeping warm. They are less fed is coming into the market." Wardell said.

Beef prices are expected to increase about 10 percent in 1979, Wardell said. He predicted that the market will reach a plateau in the next few months.

"We had been somewhat stable the first part of the year. Apply sent situation in all that. It looks like prices are starting to rise."

Even though prices are rising, there is a lot of beef "storage" stressed. "There are good supplies of beef in the meat case long," he noted.

The beef industry is going through a cyclical period what lower beef prices than the previous year, Wardell said.

"This is due to the size of the herd, which was extremely low in 1977. During that time, severe cost-price decreases in their herds are seeing the herd decrease."

"But the higher 1979 will encourage the herds, setting for more beef prices in the future will take time. It will be three years before this can be completely picture. Wardell said.

There are some bright spots on the horizon for consumers. Producers have a plan to increase production by 10% in 1979 which will reach the fall and winter months. Turkey producers are bringing about 200 million birds to market.

SERENITY might have been the title of this photo taken by Mark Wideman and chosen as the outstanding picture for this issue. Wideman's photo depicts a windmill and stock tank among grassland.

CONGRESSMAN Charles W. Stenholm newly elected Member from the 17th District, is shown with his wife, Cindy, and the Speaker of the House of Representatives. The photograph was taken on January 15 in the Capitol.

Stenholm Elected Secretary-Treasurer Of House Freshmen

Congressman Charles W. Stenholm has been elected secretary-treasurer of the Freshman Class in the House of Representatives. This post is an important position of leadership for a new member.

Stenholm plans to stay in close contact with freshman colleagues in the House "in order to represent the interests of the District of Texas as known to members of Congress from other parts of the nation."

Fairview News

By Mrs. Clyde Bagwell

January 29 — We have fog, sleet, and ice this Monday. Old Man Winter has really been staying with us for the entire month of January.

Mr. and Mrs. E.W. Walls went to Plainview Thursday and visited Mr. and Mrs. E.R. Walls. They also visited at the Heritage Home with D.D. Tate.

Mr. and Mrs. C.W. Denison and Mr. and Mrs. Clyde Bagwell visited Saturday afternoon in the home of Mr. and Mrs. W.B. Parrack. The Parracks have recently moved here from Anson. Mrs. Parrack is Mrs. Denison's sister.

Ricky Upton of Canyon spent the weekend here with his grandparents Mr. and Mrs. L.H. Blum.

Bobby Cozby and daughter Kara visited in Lubbock Tuesday night with his sister Carol Wilmet.

Mr. and Mrs. E.W. Walls visited Mr. and Mrs. Floyd Fuqua Wednesday afternoon.

Mrs. Ethel Graham and Mrs. Jewell Teague spent Saturday in Lockney in the home of Mr. and Mrs. Gene Collins and all drove to Plainview and enjoyed lunch out.

Mrs. Fred Robertson visited Mrs. Jewell Teague Friday.

Saturday night Mr. and Mrs. Walter Hollums visited Mrs. Lindsey Graham.

Becky Crabtree went to Lubbock Thursday with the all Region Band. This band put on a concert Saturday night at Monterey High School. Becky's parents and brother and sister, Mr. and Mrs. Kay Crabtree, Sam and Anissa, went over to attend the concert Saturday night.

Wednesday Mr. and Mrs. Kay Crabtree went to Idalou to visit her mother Mrs. Elmer Griffith.

Last Monday Jon Sullivan and Mrs. Jack Tice of Roswell, New Mexico, came by

and visited their cousin Mrs. Ray Cook. They were on their way to Wellington to visit Jon's mother, Mrs. Ruby Sullivan, and his cousin Luther Sullivan.

Saturday Mrs. Gus Hammonds and Mrs. Ray Cook visited Mr. and Mrs. Clyde Alexander at Ransom Canyon.

Lee and Richard Burton visited Ray Cook Saturday afternoon.

Mrs. Leonard Finley of Plainview visited her aunt Mrs. Kate Crabtree Tuesday afternoon.

Mr. and Mrs. Craig DuBois and children visited their grandparents Mr. and Mrs. Edell DuBois Monday morning.

Mr. and Mrs. Bill Tye went to Lubbock Thursday to meet Mrs. Alton Clifford and Mrs. Ernie Hankle of Weslaco who came to visit relatives for several days and to attend the 50th wedding anniversary celebration of Mr. and Mrs. Bill Beedy on Sunday.

Mr. and Mrs. A.S. Mize came into town on Friday and are staying in the home of Mrs. Cotton Wilson and visiting among the other relatives.

Sunday afternoon at the home of Mr. and Mrs. Bill Beedy, there was an anniversary celebration hosted by their children and grandchildren. There were about 200 guests registered.

Mr. and Mrs. Jim Tye, Britta and Joshua of Lubbock were here Sunday for the day in the home of his parents Mr. and Mrs. Bill Tye and to attend the golden anniversary celebration in the home of Mr. and Mrs. Bill Beedy.

Sunday afternoon after the wedding celebration a group gathered at the home of the Bill Tyes. They were: Mr. and Mrs. J.R. Nazworth of Dimmitt, Mr. and Mrs. Harvey Allen, Mike and Norman, Mr. and Mrs. Walton Wilson, Mr. and Mrs. Fred Marble and Cindy.

Cotton Milo Corn Make The Most Of Nitrogen Fertilizer With ... N-SERVE nitrogen stabilizers.

Get the most from the nitrogen you apply. Add N-SERVE nitrogen stabilizers to your nitrogen fertilizer. N-SERVE cuts nitrogen loss by slowing the nitrification of the N in the soil. This helps the nitrogen you apply become available to the crop at a slower, more manageable rate. That means more efficient, effective use of the nitrogen you apply. Come see us for more information about N-SERVE nitrogen stabilizers. Just look for the sign with the N-SERVE policeman.

You'll grow bigger with a little help from Dow.

Office Supply & Art Center Closing, Tanya Covington To Call On Customers

The stock of Office Supply & Art Center in Floydada is being closed out with a three-day sale this Thursday, Friday and Saturday. Stock and fixtures are being reduced up to 80 per cent of the retail price. However, Wendell Tooley announces that the interests of the office of Texas are being sold to members of the office furniture from the Beacon Office Supply in Lockney.

"Tanya will visit your place of business, take your order and deliver your merchandise," Tooley said. She may be contacted at 983-3184 in Floydada or 652-3318 in Lockney.

ART STUDIO OPENING
Winnie Carthel is opening an art studio in the building at 111 1/2 East Missouri, which is being vacated by Office Supply & Art Center. The new business is Art Southwest.

Mrs Carthel's studio is to be open Monday through Friday. In addition to giving art lessons, she will handle a full line of art supplies and frames.

An art gallery for exhibiting work by the public is planned.

An open house at Art Southwest is anticipated in the near future. Work of all Mrs. Carthel's pupils, as well as "better known area artists" is to be on exhibit.

South Plains News

South Plains Baptist Church will be involved in a World Missions Conference, Sunday, February 4, through February 7. Each night there will be a different missionary to bring a message, with Taylor Pendley being the missionary for the week. He will be a guest at the parsonage with Rev. and Mrs. Fred Blake. Sunday morning speaker will be Taylor Pendley; Sunday evening Rev. Lonnie Doyle of Brazil will speak. Monday evening Victoria M. Kanuebbe, of the Indian Mission of Phoenix, Arizona will preach Tuesday evening, Ted Brian, from the Pioneer Mission area will be speaking Wednesday evening Glen L. Grosdidier, who serves in the Philippines will bring the message. Please try to attend one or every one of these sessions, for you will be inspired by those who come to speak to you. Everyone is welcomed.

Mrs. Ruby Higginbotham visited Sunday afternoon at the Central Plains Hospital with her uncle, Charlie Dillard who is critically ill. He formerly lived at Cedar Hill.

Mr. and Mrs. Sylvain Kinnibrugh and granddaughter, Melissa Horne of Plainview spent Saturday and Sunday in Truscott, where they spent Saturday night with Mr. and Mrs. W.H. Simmons, and had Sunday dinner and the day with Sylvain's folks, Mr. and Mrs. J.A. Kinnibrugh.

Rise Taylor of Lockney, granddaughter of Mr. and Mrs. J.P. Taylor from South Plains underwent surgery at Central Plains Hospital in Plainview on Saturday, but we understand she is doing fine at this time.

Mr. and Mrs. Fred Marble left January 20 for Ruidoso, New Mexico, and spent several days on a vacation to that beautiful resort, coming home January 24.

Mrs. Glenda K. Pipes of Houston is here at this time visiting with her parents, Mr. and Mrs. Kendall Cummings, and visiting her sister, Mrs. Gregory in Floydada and the Kelvin Cummings here at South Plains.

Bud Higginbotham of Lubbock was an overnight guest Sunday night with his mother, Mrs. Ruby Higginbotham.

There were many neighbors and friends who went to Floydada Sunday afternoon to visit at the home of Mr. and Mrs. Bill Beedy at 814 West Tennessee Street on the occasion of their Golden Wedding Anniversary.

February birthdays in the South Plains area include Kelvin Cummings, Feb. 4; Blake Scaff, Feb. 10; Scotty Scaff, Feb. 11; Jack Gregory, Feb. 9; Ruby Higginbotham, Feb. 12; Mamie Wood, Feb. 13; Penny Mulder, Feb. 14; Jimmy Mulder, Feb. 16; Fletcher Powell, Feb. 17; Bonnie Julian, Feb. 22; Oleta Wilson, Feb. 24; Mildred Hamm Feb. 25; Pam Powell, Feb. 26; and Diane Johnson, Feb. 29.

We extend congratulations and best wishes to those who have birthdays this month, and to those with anniversaries, including Mr. and Mrs. Sterling Cummings, whose anniversary is February 5, and to Mr. and Mrs. Richard Sanders who are celebrating on February 12.

Mr. and Mrs. Jerry Chappell of Duncan, Oklahoma spent the weekend here with her parents, the Grigsby Miltons Jr. and his folks, the E.O. Chappells of Floydada, Jerry and Darla accompanied her parents, Mr. and Mrs. Milton, and her sisters, Mrs. Bud Edwards and Mrs. Donita Powell as they all attended the Golden Wedding Anniversary celebration of Mr. and Mrs. Bill Beedy Sunday afternoon. The Chappells report they have not had much snow in Duncan.

Mr. and Mrs. Dwight Teeple left Saturday by plane for Phoenix, Arizona, where they visited with Mr. and Mrs. Conley Bradford, who were formerly of Floydada. They enjoyed skiing around Flagstaff, and report there was lots of snow there. Their children, Brian and Keith stayed with grandparents Mr. and Mrs. Leighton Teeple.

Hobby Club will meet in South Plains at the home of Mrs. Fred Marble, on Valentine's Day, February 14, at 2 p.m.

Mr. and Mrs. Fred Kroll of Amarillo (she was formerly Mrs. Mickey McDonald) arrived here after church Sunday to have dinner with her cousin, Mrs. Arby Mulder in Floydada. They then attended the Fiftieth Wedding Anniversary of Mr. and Mrs. Bill Beedy.

Mrs. Raymond Upton (Nina) underwent major surgery at the Central Plains Hospital in Plainview Wednesday noon, and among those from here who visited her Sunday afternoon were Rev. and Mrs. Fred Blake, Mrs. Ruby Higginbotham, and Mrs. Murray Julian. She was not feeling well earlier this week but she was sitting up and doing much better Tuesday.

Zach Cummings, son of Mr. and Mrs. Sterling Cummings, ran 1st at the Indoor Meet Saturday at the Lubbock Christian College in Lubbock. Teams represented there were Texas Tech, Wayland College, Abilene College, and West Texas State University. Zach is a senior at West Texas State University in Canyon, and his last appearance will be at West Texas Friday night. Zach

holds three indoor records at West Texas State University at Canyon, and we add our congratulations to Zach, who grew up at South Plains.
