Kriste Herring Crowned 1983 'Miss Friona Maize'

AT FIRST, WE THOUGHT that the fact that outspoken anti-communist representative MacDonald was aboard the Korean 007 airliner which was shot down by the Russians had to be a matter of coincidence.

You just don't expect that an enemy, no matter how atheistic, would shoot down an airliner carrying 269 people just to get rid of one anti-communist.

But at least one letter-writer to the Amarillo Sunday News-Globe begs to differ. We quote herewith excerpts from a letter by Bradley Upton of Solano, New Mexico:

"The fact that they had to kill 268 others to get him meant nothing to a murdering bunch of thugs that have murdered 144 million people all over the world. It probably didn't bother their conscience one bit.

"Rep. MacDonald was chairman of the ultra conservative, pro-American, anti-communist John Birch Society. Getting the head man out of the most anti-communist group in the world may have looked like a good idea to them. Hopefully, the idea will blow up in their faces."

Did the Russians shoot down the airliner just to get one individual, who dared to oppose them and all they stood for?

It's hard for Americans, raised in a God-fearing atmosphere, to accept such a premise, but if you consider the communist angle, where the "ends" supposedly justify the "means," then we suppose this might not be such a far-out charge.

The world may never know all of the facts surrounding the mysterious downing of the Korean airliner. In fact, it might be shocking to a large number of people if they did know the details.

But the fact remains that it's a tragic affair anytime a group of peaceful citizens, including women and children, are killed, for no worse a crime than the airliner getting off course and over the Russians' air space.

Four Girls Candidates For Queen

Four Friona High School seniors were candidates for 1983 Homecoming Queen. The new queen was to be named in pre-game activities prior to the Friona-Dalhart game Friday night.

The candidates are Faith Ann Wright, Diane Johnston, Kristi Britting and Sharon Frye.

Meanwhile, the Chieftains were preparing for a tough game with the Dalhart Wolves, with two or three starters on the "doubtful" list.

Tim Kirk, injured against Boys Ranch, was expected to see limited action, but Harvey Lafuente and Rudy Bermea were not expected to play. Sophomore Daniel Gowens was to start at middle linebacker.

Kriste Herring, 16-year-old Friona High School junior, was crowned as Friona's 27th Maize Queen at the conclusion of the day long competition last Saturday.

Shannel Woodard, daughter of Clyde and Janet Woodard, performed a "Pink Panther" skit and played the saxophone. The 5-3 green-eyed blonde was sponsored by

Tracey Gibson New Little Miss

Tracey Gibson, daughter of Mr. and Mrs. Lee Gibson, was named Friona's Little Miss for 1983 at the pageant here Tuesday night at the Friona High School Auditorium.

The hot cake and sausage breakfast will be served from 5:30-8:30 a.m. at the high school cafeteria, sponsored by the Friona American Legion Post.

The Maize Days barbecue will be held at 12 noon at City Park, catered once again by Savage's Hickory Pit

Court Fails To Act On Chief's Request

Discussion of a proposition offered by Friona's Chief of Police Bill Thieman was a major item of business at the regular meeting of the Parmer County Commissioners on Monday, September 12.

Thieman had proposed that telephone lines be run from Friona to Farwell, and that the Farwell dispatchers receive all calls placed to the Friona Police Department during the late night hours.

The Friona chief of police also wanted the county deputies available for patrol work in Friona when police department personnel were off duty.

No provisions were made for handling of calls for the Friona Fire Department, the ambulance service or doctors' pagers during these hours, nor mention of monetary reimbursement from Friona to the county for these added services.

Sheriff Bill Morgan stated that with the personnel, equipment and budget the Friona Police Department has, it should be able to furnish 24-hour coverage for the City of Friona, for both patrol work and dispatchers, and suggested no action be taken by the commissioners. This suggestion was accepted by the commission.

In other action, bids were opened for a new vehicle for the Sheriff's Department. Bids were received from Friona Ford-Mercury Sales and Reeve Chevrolet-Olds. After discussing the bids, it was voted to purchase a 1984 Chevrolet-Caprice on a bid of \$9,555.54 with trade vehicle.

After a discussion with County Clerk Bonnie Warren, a motion was

Barbecue of Hereford. Beef, sausage, potato salad, beans, cole slaw, bread and tea are on the menu. Adult tickets are \$5 and \$2.75 for children under six.

A jackpot horseshoe pitching contest will begin at 1 p.m. on the Plains True-Value parking lot. An antique car show will begin at 1:30 on the Sis-Son's parking lot.

The annual children's pet show will be held at 2 p.m. in the parking lot next to Gib's Cleaners. A gymnastics demonstration will be held at 2:30 p.m.

The photography show winners, along with a Country Store and 4-H Project Fair, will be held in the building across from Bi-Wize Health Mart. The Friona Riding Club is sponsoring an open barrel racing event starting at 7 p.m., and an invitational jackpot roping beginning at 8 p.m., at the Riding Club Arena west of town.

After some discussion, a motion was passed providing that when it comes time to divide right-of-way

Ownership Change Is Announced

D.L. and Ruth Harguess announced this week that D.L.'s Thriftway has purchased the former Jack and Jill Supermarket at 1105 W. Highway 60 from Kenneth Moore.

Effective Monday, September 26, D.L.'s Thriftway will be operating from two locations--both at his regular location at 902 Main Street, and at 1105 West Highway 60.

Harguess said that the former Jack and Jill store is to be expanded by about 50 per cent in floor space. "We will be able to offer more variety and expanded departments. We think this will greatly benefit our customers with greater variety and lower prices. We pledge our continued support of our community, working for future growth," Harguess said.

The disposition of D.L.'s old store has not been determined. For the time being, both stores will be operated.

The hours for the new D.L.'s location will be 8 a.m.-9 p.m., six days a week. The store will be closed Sundays.

Further details can be found in D.L.'s announcement on Page 12 of

MAIZE ROYALTY... The top three girls in the 1983 Miss Friona Maize pageant are shown above, shortly after the conclusion of the pageant last Saturday. The queen is Kriste Herring, center. First runnerup is Kristi Britting, right, and second runnerup is Shelia Gresham, left. Fifteen contestants competed in the 1983 pageant.

Elizabeth McLellan Is Week's Football Champ

Three contestants weathered the storm of upsets to claim the cash prizes in the third week of the Friona Star's annual fall football contest.

Elizabeth McLellan, Tammy Bush and Bobby Davis were the top three placers in the weekly event, although a fourth contestant joined them in the running for a cash prize, Johnny McLellan. All four contestants correctly picked 16 of the 22 contest games.

The tie-breaker score, pitting Friona against Shallowater, was used to determine the top places.

Mrs. McLellan missed the score by 20 points, picking the Chieftains to win, 14-7. Miss Bush took second with her score prediction of 20-12, missing by 21 points, and Davis placed third, 24 points away, with his prediction of 21-10.

Johnny McLellan missed out on a cash prize, but was close to the others. He picked Friona to win, 21-8, missing the actual score by 26 points.

In the group of college games, the game listed as TCU at Kansas was an error, since TCU played Kansas State, and was counted correct on every contestant's entry blank.

Conversely, the Arizona State-UCLA game ended in a tie, so this game was counted wrong on every entry, since it is possible (although highly risky) for a contestant to pick a tie.

Besides a tie game, the five games missed by Elizabeth McLellan were Dumas-Dalhart; Notre Dame-Michigan State; Oklahoma-Ohio State; Denver-Philadelphia and San Diego-Seattle.

Tammy Bush missed Tulia-Frenship; Bovina-Morton; Dumas-Dalhart; Rams-Packers and Tampa

Bay-Minnesota. Davis missed River Road-Dimmitt; Dalhart-Dumas; Notre Dame-Michigan State; Denver-Philadelphia and San Diego-Seattle.

Johnny McLellan missed River Road-Dimmitt; Tulia-Frenship; Notre Dame-Michigan State; Oklahoma-Ohio State and San Diego-Seattle.

Eighteen contestants correctly picked 15 games, missing by just a game having a shot at a cash prize; 31 more had scores of 14, and 42 contestants had scores of 13.

With her good score, Tammy Bush moved into a tie with Mike Maynard for first place in the season's contest standings. Maynard correctly picked 14 games for the week, and he and Miss Bush each have scores of 45.

Davis' score of 16 moved him into a second place tie overall with Patches Fleming, each at 44. Jim Hand, Hal Ratcliff and Ron Smiley hold down third place with scores of 43.

Events Slated For Videocast

Several events are scheduled to be telecast by Friona Cablevision, Channel 6 this weekend.

The Friona-Shallowater game is slated to be aired at 12 noon Saturday.

The Maize Days parade will be shown immediately following the football game Saturday afternoon.

On Sunday, September 25, the Maize Queen pageant will be aired beginning at 3 p.m.

LITTLE MISS... Tracey Gibson, center, was crowned as Friona's "Little Miss" for 1983 at Tuesday's pageant. First runnerup was Elizabeth Tullis, left, and second runnerup was LaTawn White, at right. Nineteen girls competed for the title.

MAKE TRANSACTION... D.L. Harguess, right, purchased the former Jack and Jill Supermarket from Kenneth Moore, left. The deal was closed Friday morning, September 23.

Around The House

By LAURA JACOBS
Most of us think that playing with our babies is something we do just to entertain them or to express our love. But research shows that quality interaction with a significant, caring adult also contributes to a baby's mental development.

that infants who receive stimulation during the first year of life are more likely to do well in kindergarten and early elementary school experiences. Parents who read books to their children, sing and talk to their children, answer their questions, and play with them in a stimulating way are more likely to have children with higher levels of mental development.

families.
Since all children benefit from quality interaction with adults, we need to educate all parents to play with their children.

Research done in the 1960's first showed that infants and young children from impoverished homes could increase their mental capacities when they were played with and stimulated in programs such as Head Start.

In spite of all the research, a significant number of babies do not receive enough quality interaction with their parents. For example, babies born to very young mothers are "at risk" for quality mental development.

Today, one girl in eleven is a mother before she is 18 years old. Babies born to very young mothers are much less likely to have IQ's of 100 or above at the end of infancy. Many adolescent mothers come from low-income families and this contributes to the problem of quality mental development of their infants.

Parents who are poor experience stress that robs them of the time, energy, and motivation to respond to their children. Research shows that families under economic stress do not talk to their children or play with them as much as other

Penalty Flags Mar Chieftains' Battle At Shallowater

Fans attending the Friona-Shallowater game last Friday went expecting to see a pair of good teams battle it out on the gridiron.

What they saw instead were a group of officials trying to see who could throw the most yellow flags.

It still isn't clear just which official won out, but in the end, yellow

hankies had been dropped 24 times in all. When you figure there were only about 100 offensive plays, that's a penalty flag every fourth play. Friona fans would have sworn it was more often.

The Chieftains were penalized twelve times for 106 yards, and it would have been 135 yards, except that once the team received a major penalty on its own one-yard line, and you can't get blood out of a turnip. Another time, Shallowater refused the penalty.

Although they got a much later start in penalizing the home team, before the final quarter was over, officials had called ten penalties on the Mustangs for 75 yards, and again, one penalty offered Shallowater was

refused. Had all the yardage offered been stepped off, it would have been around 215, making the referee easily the biggest ground-gainer for the night.

Despite the many penalties, the Chieftains and Mustangs battled on even terms for most of three quarters in a hard-hitting duel. But in the end, a bad snap on a punt, and a fumble inside the Shallowater five-yard line spelled doom for Friona, which lost its first game of the season by a 20-7 count.

A win would have given the Chiefs a 3-0 mark for the first time in nine years.

Friona entered the game as the leading ground-gainer on the South Plains, and started out as though they would add to their lead.

The team marched from their own 29 to the Shallowater 16 in seven plays. Reese Fleming's 14-yard dash, and Alfredo Mata's 19-yard burst sparked the drive. But the drive bogged down, and a fourth down pass fell incomplete.

Friona got a break, however. Shallowater mis-played its punt, and the punter was downed for a loss at his own 15.

Charlie Morgan raced 11 yards to the four, and after the first of many FHS penalties, Mata went over from the four. Doug Carthel's kick gave Friona a 7-0 lead with 4:30 left in the period.

Shallowater answered the challenge by marching 61 yards in just nine plays. They scored (Victor Maldonado, number 17), and kicked the point to tie the game at 7-all with 1:30 left in the opening period.

Ricky Barnett's punt backed Shallowater up to its five-yard line a couple of series later, and after a short Shallowater punt, Friona took over on the Mustangs' 29. Mata went around end for 21 yards, almost breaking for the touchdown. The way things turned out, his tackler really saved seven points against the Ponies.

Two plays gained from the Shallowater eight to the five, and on third down the Chiefs mis-played a handoff and the hosts claimed the

ball.

The score rocked along at 7-7 for almost two more quarters, before the hosts got a break. Facing fourth down from the Mustangs' 43-yard line, Friona went to punt. But a high snap went over Barnett's head and Shallowater got the ball at Friona's 35.

Helped by an offside and a personal foul penalty against Friona, Shallowater scored the lead touchdown for a 14-7 lead with 1:48 left in the third quarter.

Shallowater mounted a passing attack on its next series, and covered 65 yards in only seven plays. The final 40 yards came on a touchdown pass to Joey Alvarado (25) for a 20-7 edge.

For most of the second half, whenever it appeared Friona had a good gain, it was all for naught, as a holding penalty would erase the gain for a ten-yard penalty.

All in all, it was a very frustrating night for the Chiefs and their fans.

Frosh Win Third Tilt By 36-12

The Friona Freshman Chieftains won their third game of the season here last Thursday, blasting the Shallowater freshmen, 36-12.

Peter Malouf scored four touchdowns, on runs of nine, 19, 21 and 45 yards. Mike Elam scored a touchdown on a 20-yard run.

Sam Montoya kicked four for four points after, following each of Malouf's scores, and then the team put the capper on things with a two-point conversion pass from Shy Burney to Malouf.

Malouf, with 26 points in the outing, also was the leading rusher with 121 yards on eight carries. Jimmy Williams added 27 yards on six tries; Mike Elam had 23 yards on five totes; Octavio Chaves ran three times for 16 yards, and Lonnie Phillips gained eleven yards in his only trip with the ball.

The team was playing at Hereford this week. Coach Steve Williams praised the running of Malouf, and also credited the blocking and overall team effort.

JV Chiefs, Shallowater In 8-8 Tie

The Chieftain Junior Varsity and the Shallowater JV team played to an 8-8 tie in a game played here last Thursday.

Shallowater got on the scoreboard first, and scored a two-point conversion for an 8-0 lead.

Friona tied the game when Brad Moyer went over for the TD from the two. Moyer then ran a two-point conversion to tie the game, with 9:18 left to play.

Moyer gained 70 yards in 19 tries, and Woodruff duplicated the feat in just nine tries. The team gained 152 yards overall.

8th Graders Race Past Shallowater

The Eighth Grade Braves downed the Shallowater Ponies, 42-8 in a game last Thursday.

Both teams scored a touchdown in the first two minutes of play. Kevin Fry returned a punt for a TD, but the PAT failed and Friona led, 6-0.

Shallowater answered with a touchdown and a two-pointer for an 8-6 lead.

Before the quarter was over, Michael Valero ran 25 yards for a score, and he also scored the PAT for a 14-8 Friona lead.

Fry scored twice in the second quarter, first on a 14-yard run and then on a 45-yard scamper. Valero ran for one conversion and caught a pass for another, as Friona took a 30-8 halftime lead.

The second half, Friona added a pair of touchdowns, while holding Shallowater scoreless. Valero scored for a 36-8 lead, as the PAT try failed.

Daniel Echols ran 25 yards for a touchdown on a keeper play and the final score of 42-8.

John Cass, Glenn Trimmell and Louis Amador were credited with doing outstanding jobs of blocking. Cass also saved a Shallowater score with a key tackle.

Seventh Grade Falls To Ponies

The Seventh grade Braves dropped a game to Shallowater, 20-8 in a game there last Thursday.

Burney had 38 yards for the Braves; Ben Osborn had 28 yards, and Piaz added 17 yards.

This motion passed by majority, with Commissioner Archie Tarter voting against.

The county's annual dues to the Panhandle Regional Planning Commission (PRPC) in the amount of \$717 were approved.

Another certificate, from the Farm-to-Market fund, in the amount of \$100,000, maturing September 13,

EARLY FREEZE...In case you missed the evidence, there was ice in abundance Wednesday morning in areas such as the Roadside Park just west of Friona. The sprinklers at the park had been running during the night Tuesday, when the mercury dipped to 29 degrees.

Emergency Fund, Red Cross On UW List

(Editor's note: A part of the money collected each year by the United Way campaign stays in an account kept locally, to assist in the event of an emergency. Another beneficiary is the Red Cross.)

The Emergency Fund of Friona was put in the United Way budget several years ago, and has been in the budget every year since. This money was set aside to be used in case of a big emergency such as a tornado or other type of weather or other severe damage. It could be used to supply food or medical service during the emergency.

The Parmer County Chapter of the American Red Cross is based in Friona. The entire support from the Friona area of the county comes from the United Way campaign. Local chapter officers are Steve Bavousett, chairman; Lois Norwood, treasurer; and Marlene Drake, service to military families.

The local chapter's primary ongoing activity is service to military families. Many contacts are made for service men and women and their families in time of need--usually in times of illness or death of some

family member.

The local chapter has also helped many children obtain eyeglasses, or other needed medical and dental help when no other source of funds was available. Funds for a needed trip to a doctor for elderly adults have also been provided when no other help was available.

Friona, and Parmer County, have been very fortunate that no disaster, such as tornado, has occurred; but should such happen, the local chapter would be on the job to help, along with the national organization.

One-half of the funds received remain with the local chapter, and the other one-half goes to the American National Red Cross to be used for disaster relief--such as the hurricane which recently occurred on the Texas coast.

The American National Red Cross has many programs that are available for the Friona area if needed, such as First Aid Courses, Civil Defense Training, Water Safety Course, CPR, etc. If a need arises, or exists, for any program offered, just call one of the chapter officers, and every attempt will be made to obtain the needed program.

Town Talk

By June Floyd

Call 247-3681 With Your News Item

If local residents have ever had a bigger surprise than Wednesday morning's early freeze, it has surely been a long time. Many of us, who have lived in the area more than half a century, have never experienced a September freeze before.

Some northerner once remarked that if Texans couldn't talk about the weather they would have nothing to talk about and if their arms were amputated they wouldn't be able to talk at all.

Both of those accusations may be true, but 1983 will probably be best remembered by local residents as "the year we had a freeze in September."

Flower and vegetable gardens, hanging plants and such like may have been protected had it been a couple of weeks later, but I've not heard of

anyone who had covered growing plants before they went to bed Tuesday evening.

Farmers, who had late planted crops which normally have several more weeks to mature, were understandably concerned yesterday morning, but it was too soon for many of them to assess the damage they had received.

More than one man reported finding ice in water hoses early in the morning. That's most unusual but goes to prove the old saying, "In the Texas Panhandle you never know what to expect next weather-wise."

Maize Days 1983 will almost be completed by the time you are reading this, but if it is before noon Saturday, you still have time to attend the barbecue in the City Park.

The food will be good and there isn't a better opportunity to visit former neighbors and friends than while you're standing in line or eating lunch in the park.

Mrs. Mabel DeLong, who makes her home with her daughter, Dorothy Harrelson, returned home Sunday after a one month stay in Phoenix, Arizona. While she was there she had eye surgery then spent several weeks recuperating in the home of one of her sons, Gerald Kelly.

Mabel lived here several years and says she always feels like she's among friends when she's in Friona, which she's proud to be able to call home.

Mr. and Mrs. Arnold Fangman and daughters, Denise and Terri, who live in Dumas were among the out-of-town persons who attended the Little Miss Pageant Tuesday evening.

Following the pageant the Fangmans visited briefly in the home of Mr. and Mrs. Ted Fangman, Scott, Lana and Leslie.

Mrs. Luella Maurer returned Saturday afternoon after a two week stay in Denver, where she was a guest in the home of her daughter, June Cleveland, and family.

Later the same day Mr. and Mrs. Reuben Gischler, who live in Eugene, Oregon, in the summer and Mesa, Arizona, in the winter, arrived for an extended visit in the Maurer home.

The Gischlers, former Friona residents, will also visit Mrs. Viola Treider, who lives in Hereford, before going back to Mesa. Gischler is a brother of Mrs. Maurer and Mrs. Treider.

Mr. and Mrs. Joe McWhorter of Plainview, Texas, were weekend visitors in the home of Mr. and Mrs. Ted Procter and children, Charlotte and Broxy.

The McWhorters are Mrs. Procter's parents.

Out-of-town visitors in the home of Mr. and Mrs. Terry Wilcox and daughters, V'Lynda and V'Laura, last weekend were Mr. and Mrs. V.R. Wilcox and daughter, Kim, of Trinidad, Colorado.

Also, Mr. and Mrs. Mark Campbell of Gunnison, Colorado. Mrs. Campbell is the former Pam Wilcox.

V.R., Frankie, Pam and Kim are all former Friona residents.

Danny and Debbie Stevens, 1410 Cleveland, and daughters, Melissa and Michelle, are home after a fun vacation. In addition to visiting friends, Mr. and Mrs. Mike Williams, who live in Albion, Pennsylvania, they did some sightseeing in the area.

One side trip took them over into Canada by way of Niagara Falls and another took them to an Amish community in Ohio.

Mrs. Lavenia Duke has returned home from Lubbock, where she spent several days due to the hospitalization of her son-in-law, Walter Cunningham of Odessa.

At the present time Walter is in the cardiac unit of Lubbock Methodist Hospital and is making satisfactory progress. He and his wife, Betty, and daughters, Cathy and Christy, are former Friona residents.

A visitor in the home of Rex and Barbara Williams is Barbara's mother, Mrs. Verna Metcalf of Checotah, Oklahoma. Mrs. Williams lived northwest of town during the late fifties and early sixties.

Mr. and Mrs. J.A. Knowles of Lubbock were weekend visitors in the home of Mr. and Mrs. Larry Knowles and daughters, Rachel and Amy.

The Lubbockites are Larry's parents.

The add-on heat pump is an efficient air conditioner that cools your home when it's hot. But that's not all.

In cold weather, the add-on heat pump works with your present furnace to help heat your home.

Replacing your air conditioner could actually save you money.

If your air conditioner breaks down, you have several choices. Repair. Replace. Buy a whole new system. All major investments.

Southwestern Public Service Company would like you to know about another option, a more efficient alternative: the electric add-on heat pump. The add-on heat pump is a very special air conditioner. It cools in the summer and helps heat in the winter for less than you'd spend on a new heating and cooling system.

It works with whatever kind of furnace you have, to improve the

performance of your furnace by keeping it off completely during a good portion of the winter. It will satisfy your home's heating requirements more economically while temperatures are above 30°. That's about 80% of our area's normal heating season.

As one of the most efficient ways to heat and cool, the add-on heat pump can really make a difference. Helping you use electricity efficiently is another way we're working to justify your trust.

Call us to see what your savings could be.

Lazbuddie YH Members Attend Annual Meeting

On August 27, the Area Young Homemakers of Texas held their Area I Annual Convention and banquet in Plainview at Wayland Baptist University.

The Lazbuddie Chapter had five members present. They were Debbie Weir, Lana Copp, Marca Morris, Susan Renner and Janice Bradshaw.

During the morning session they had election of officers and the new officers were announced. Mrs. Leah Garretson of Hale Center is the new Area I president.

The afternoon session began and the awards for best name tag were announced. They were judged on the way they fit the theme, "Families...America's Promise!!" Littlefield received first place and a ribbon, and Lazbuddie received second place and a ribbon.

Lanny Voss of Plainview, an attorney, spoke on the theme. Mrs. Mary Frank Owen of Plainview, also known as the Erma Bombeck of Plainview, gave a talk on womanhood. Mrs. Christa Smith, also of Plainview, grew up in Germany and told about her experiences.

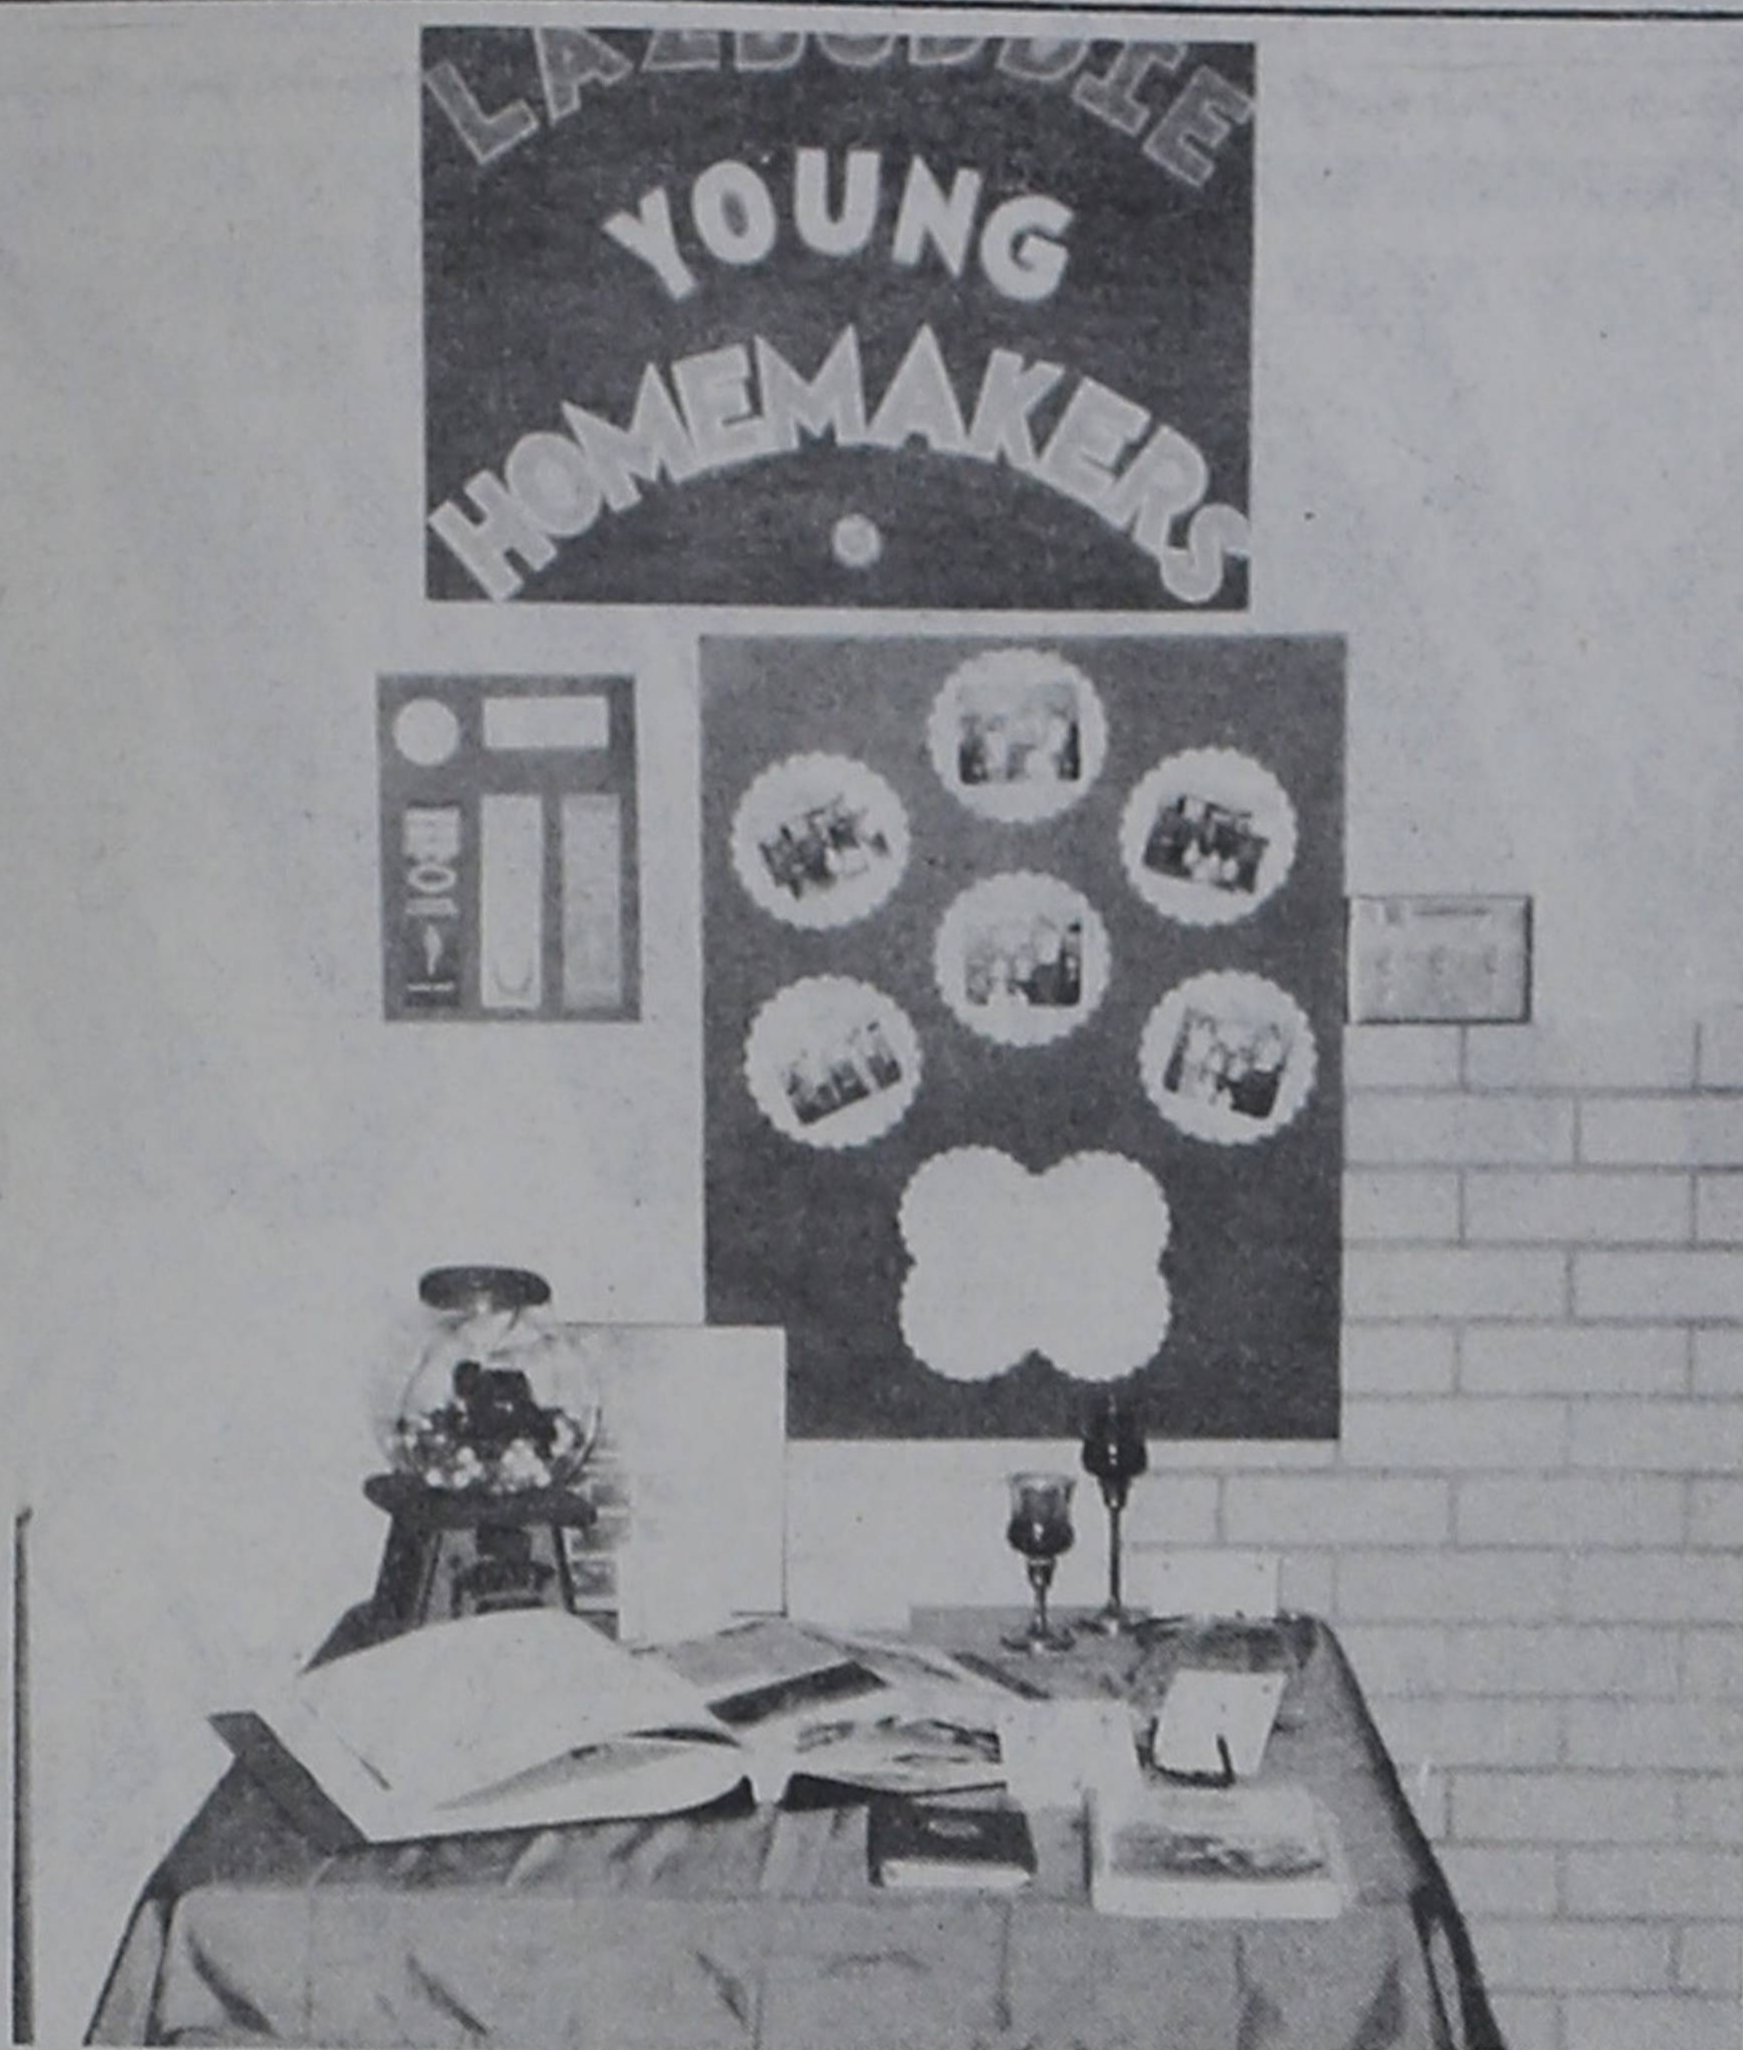

The group attended an evening banquet with the Young Farmers. A meal of ham, roast beef, salads, rolls and cheese potatoes were served to about four hundred Young Homemakers and Young Farmers from Area I.

The Lazbuddie group received third place and a \$10 check for their booth exhibition. The group had to display projects, scrapbook, yearbook and any pictures pertaining to the club projects. Plainview received second place and Hale Center, first place.

Mrs. Lynette Ginn of Hale Center was named "Outstanding Young Homemaker." The "Outstanding Area Chapter" award went to Dimmitt and Ralls was the runnerup.

Before the group was dismissed, they were told that they had attendance prizes this year. Under four chairs they had placed a yellow ribbon worth ten one dollar bills. Janice Bradshaw of the Lazbuddie Chapter had one under her chair and she received \$10.

Sherley-Anderson Elevator of Lazbuddie was one of the sponsors for the evening banquet for the Young Homemakers and Young Farmers of Area I.

Cantaloupe halves filled with melon and fruit, assorted crackers and breads, iced tea and chocolate cake were served by Cherry Wells, Maxine Loafman and Gaye Tannahill.
