There was a pause, and then came the soft, sibilant accents of Number

"Good! You shall have the money. Boris, you will see to that." Boris asked a question: "Via the Irish Americans, and Mr.

"I guess that'll be all right!" said a new voice, with a transatlantic intonation, "though I'd like to point out. impression of having left the sentence here and now, that things are getting a mite difficult. There's not the sym-A very slow smile overspread the pathy there was, and a growing disposition to let the Irish settle their own affairs without interference from

> Tommy felt that Boris had shrugged his shoulders as he answered: "Does

of the ammunition," said the Sinn Feiner. "The money is conveyed in easily enough-thanks to our col league here."

"That is settled, then," said the sibilant tones. "Now, in the matter of the loan to an English newspaper, you have arranged the details -satisfactotily, Boris?" "I think so?"

"That is good. An official denial from Moscow will be forthcoming if

There was a pause, and then the clear voice of the German broke the

"I am directed by-Mr. Brown, to place the summaries of the reports from the different unions before you. That of the miners is most satisfactory. We must hold back the railways. There may be trouble with the

For a long time there was a silence, broken only by the rustle of papers and an occasional word of explanation from the German. Then Tommy heard the light tap-tap of fingers, drumming on the table. "And-the date, my friend?" said

"The 29th."

The Russian seemed to consider.

"I know. But it was settled by the principal Labor leaders, and we cannot seem to interfere too much. They must believe it to be entirely their

The Russian laughed softly, as though amused.

"Yes, yes." he said. "That is true. They must have no inkling that we are using them for our own ends. populace is infallible." He paused. and then repeated, as though the phrase pleased him: "Every revolution has had its honest men. They are soon disposed of afterward."

There was a sinister note in his The German resumed: "Clymes must go. He is too far-seeing. Number

There was a hoarse murmur. "That's all right, guv'nor." And then after a moment or two: "Suppose

"You will have the best legal talent to defend you," replied the German quietly. "But in any case you will wear gloves fitted with the fingerprints of a notorious housebreaker. You have little to fear."

"Oh, I ain't afraid, guy'nor, All

for the good of the cause. The streets is going to run with blood, so they say." He spoke with a grim relish. "Dreams of it, sometimes, I does. And diamonds and pearls rolling about in the gutter for anyone to
