Maize Days Called Success

WRITING A REGULAR column for a publication, whether it be a daily publication, weekly, quarterly, or whatever, can sometimes get to be a chore.

While back while doodling on a scratch pad at my desk, I came up with the realization that I had written about 1,380 columns for the Friona Star in 29 years; about 818 for the Bovina Blade in 18-1/2 years; about 52 for the Ellis Cousins Newsletter in 13 years; and about 100 columns for various and sundry other publications through the years. That's about 2,350 "essays" in all.

For a year, ye editor served as president of the Panhandle Press Association, and as part of his duties, was required to write a column for the association's monthly magazine/newsletter. Now, that's an experience: writing a column for other writers to pick apart!

So, when you consider that my first job was for a daily newspaper, I've written for all manner of publications: daily, weekly, monthly, and quarterly.

You'd think that after some 30 years of being in the business, writing a column would be a snap.

My old friend and publishing associate, Dolph Moten, used to sum it up about as well as anyone I ever heard. "Writing a column isn't hard," Dolph used to say. "All you have to do is sit in front of a typewriter for about an hour and sweat blood!"

Dolph was the first publisher of the Bovina Blade, and his *Whittin* column was a popular weekly feature for the first 17 or so years of the Bovina Blade's existence.

Dolph and I would both marvel at the seemingly endless prolific nature of writers such as Putt Powell, the late Wes Izzard, and even Parmer County native, the late Paul Crume, who wrote the page 1 column for the *Dallas Morning News* for a number of years.

Where would you get your material, if you were required to write five or six columns per week?

We have admired writers of this nature, and wondered at their writing capacity and ability. But the fact of the matter probably is, that whenever it came time for them to crank out a column for a particular edition, they may have had to do more or less like Dolph Moten and myself have done for so many years: just pull yourself up to the old typewriter and sweat blood for an hour or so.

Sometimes you do well: sometimes you don't.

Andy Rooney says that writing a column is like writing an essay, and that it's a writer's duty to assemble, in an orderly fashion, some of the thoughts that everyone has had on a given subject.

Readers take pleasure from recognizing their thoughts in someone else's words, Rooney says. It makes them feel together with the rest of the world. A column writer doesn't necessarily tell people something they didn't know--they should merely remind their readers about something they had known all the time.

Writing a column is more or less akin to the talent of the woodcarver who takes a chunk of wood and is able to "see" inside the block of wood a bucking bronco. All he has to do is chip away the parts of the block that isn't a bucking bronco, and he has it made.

We "word merchants" take the tools of our trade, which are words and ideas, and try to fashion them into a cohesive narrative that hopefully will cause a few of his readers to say, "You know, he (or she) is exactly right. I've thought of that a hundred times."

Maybe next time ye editor can accomplish that. I'll try to work at it a little more with that in mind.

(#1381 and 819)

UNCLE AUSTIN SAYS: The greatest and noblest pleasure which men can have in this world is to discover new truths, and the next is to shake off old prejudices.

"Maize Days 1991 was very successful," says Terri Outland, executive vice president of the Friona Chamber of Commerce and Agriculture.

All activities beginning Saturday, September 14 were well received and well attended. This community deserves a pat on the back for its continued support.

"The Chamber of Commerce would like to extend special thanks to Friona State Bank, Friona Star, Excel, Friona Feedyard, PACO Feedyard, West Plains Feedyard, Cattelton, Friona Country Club, Friona Independent School District, City of Friona, the Women's Division of the Chamber of Commerce and all individuals who participated in the week's events," Ms. Outland said.

PICKUP WINNER...Kenneth Hall, right, was the winner of the new Ford pickup given away by the Friona Volunteer Fire Department, represented by Glenn E. Reeve, Jr. The firemen wish to thank everyone who participated in the promotion. The pickup was purchased through the assistance of Friona Motors.

FHS Hosts Canyon In Home Opener

After playing their first two games on the road, the Friona Chieftain football team gets to play in the friendly confines of Chieftain Field on Friday, although their opponent will be the less-than-friendly Canyon Eagles.

Canyon has tied Littlefield, 15-all, and beaten Tulia, 6-0, two of the teams expected to vie for playoffs in Friona's district.

Meanwhile, the Chiefs are still licking their wounds after successive heart-breaking losses to River Road and Tahoka.

Maize Days Parade Results

Floats (school)--1. junior class; (civic/church) 1. Cub Scouts; 2. Viva Friona; 3. Modern Study Club; (commercial) 1. Paco Feedyard.

Bed races--1. FHS junior class; 2. FHS sophomore class; 3. best decorated, Friona State Bank.

Horses (pairs)--1. Tray and Triston Thorn; 2. Johnny Hand and Dustee Gee; (individual) 1. Tina Walker; 2. Christie Bentley; 3. Ryan Potts; 4. Brady Chaney; (group) 1. C.E. Trimble; (miscellaneous) 1. Bruce

Parade.

Antique vehicles (tractors)--1. Tom O'Brian; 2. Roger Nelson; (cars/trucks) 1. Sherman and Becky Martin; 2. Mike Hanes; 3. Conrad Renner; 4. Sonny Williams; 5. John Renner; 6. Dale Houlette.

Children (boys)--1. Kody Hawkins; 2. Bruce Ramos; 3. Ty White; 4. Justin Jeter; 5. David Stephens; 6. Justin Grimsley; (girls)--1. LaFawnda Mays; 2. Valerie Bandy; (pairs) 1. Amy and Nathan Terry.

RESIDENT HONORED...Blanche Boyle has been selected as "Resident of the Month" at Prairie Acres. Ima Blanche Collier Boyle has lived in Friona since 1945. She married James Boyle in 1931. She had a step-daughter, Julia Warren. She was a teacher for several years and a farmer's wife. Her hobbies include crocheting, growing flowers and cooking. Blanche has lived at Prairie Acres one year and four months. She says she is pleased with her care and is treated well by nurses and staff. Blanche says she will live the rest of her life at Prairie Acres. Shown with Mrs. Boyle is Diana Perez, Prairie Acres staff member.

MARIACHI BAND...Among the acts at the recent Maize Days talent show was a Mariachi Band, which was a big hit with the audience. Members of the band were Christopher Davilla, Roman Garcia, Arturo Perez, Oney Abalos, Jr., Onesimo Abalos, Sr. and Armando Dominguez. The group also rode and played in the Maize Days parade last Saturday.

Friona Area Gets Touch Of Winter

The Friona area had a touch of winter this week, although the calendar indicated that the first day of fall was still a few days away.

Temperatures dropped into the 30s Thursday night following a day of cold, rainy weather when the high temperature on Thursday reached only 43 degrees.

Rainfall during the week amounted to .67 inches through Thursday midnight, and although the immediate area was spared the enormity of the rainfall that has hit the southern part of the region, most farmers are wishing for a clearing trend.

With many of the crops ready for harvest, farming operations have been at a standstill because the fields are too wet for machinery.

The city of Lubbock received up to six inches of rain this week, and that city has had a tremendous amount of rainfall this month. Even with the .67 inch of rain this week, Friona's total for September, through the 20th, comes to just 2.39 inches.

"Corn is probably the safest crop we have at the present," said an elevator operator this week. However, other crops, such as cotton, ensilage, sunflowers and

sugar beets really need some clear, open weather, and a prolonged rainy spell wouldn't help the corn that much.

Date	Hi-Low	Rain
Saturday, September 14	73-60	TR
Sunday, September 15	82-57	.00
Monday, September 16	81-56	.00
Tuesday, September 17	72-56	.00
Wednesday, Sept. 18	75-50	.32
Thursday, September 19	51-41	.05
Friday, September 20	43-37	.30

Legion Sets Steak Meal

The American Legion is planning another steak dinner for Saturday, September 28, from 6-9 p.m.

The menu will be steak, baked potatoes, salad, green beans, dessert and a drink.

Admission will be \$6 for adults and \$3 for children under 12. The public is invited to attend.

The Friona VFW Auxiliary will install officers on Tuesday, September 24 at 7:30 p.m. at the VFW Building. All members are urged to be there.

Hereford Entrant Is Grid Winner

Four contestants in the Friona Star football contest rose to the top of the heap this week with scores of 16. It was the second week of the Star's annual contest.

Of the four, Mal Manchee of Hereford, the defending overall champion, came closest on the Dallas-Philadelphia game score, and claimed the weekly cash prize of \$10.

The other three contestants, Jackie Morgan, Bobby Wied and Don Max Vars, each missed the tie-breaker score by 31 points, and they divided the weekly second and third place money.

Eleven contestants correctly picked 15 games, missing by just one at having a chance at one of the weekly cash prizes. They were Colby Carthel, Cindy Carthel of Portales, N.M.; Mark Blankenship, David George, Mark Neill, Leslee Williams, Francisco Torres, Lance Loooper, Mitchell Smiley, Buford Hartwick and Claire Brown.

Twenty-two contestants had scores of 14 for the week, and another 18 correctly picked 13 of the contest games.

Manchee, Morgan and Wied's good scores gave them a three-way tie for the overall lead in the contest with scores of 33 after the first two weeks.

Vars is next at 32, and Amstutz is at 31. Bill Carter, Cindy Carthel, James Clark, Tim Elmoro and John Seright are at 30.

Contestants are vying for the grand prize of \$100 cash to be awarded at the conclusion of the 13-week promotion.

Manchee and Morgan each missed Tulia-Canyon, Baylor-Colorado, Penn State-USC and Miami-Detroit. Wied missed Tulia-Canyon, Here-

ford-Palo Duro, Baylor-Colorado and Penn State-Southern Cal.

Vars missed Tulia-Canyon, Colorado-Baylor, Penn State-USC and the Giants-Bears.

Another contest appears in this issue of the Star.

PARADE ENTRANT...The Khiva Clowns from Clovis, N.M., were entrants in last Saturday's Maize Days Parade. One of the clowns is shown greeting children along the parade route.

ART SHOW WINNER....Ann Lee Rogers, Perryton, last week took a first place award at the third annual Friona Fall Art Festival, with her self-portrait in pastels, entitled "Life After 50". Her portrait was also voted "Popular Choice" among those who attended the exhibition in Friona's restored depot building located in the City Park. The art show is held each year by the Friona Amateur Artists Association, affiliated with the Tri-State AAA. Approximately 300 persons toured the depot and viewed the art exhibit as a part of the festivities of Friona's 35th annual "Maize Days" celebration.

MD Art Show Is Won With Self-Portrait

Fifty varied pieces of art work adorned the old Depot building in the City Park last week during the third annual art show held under the auspices of the Friona Amateur Artist Association. The exhibition was held in conjunction with the Maize Day festivities.

Artists from Amarillo, Canyon, Happy, Tulia, and Perryton displayed their work, as well as local artists of Friona.

Those winning awards for oil paintings were: first place, Bubbles Good of Amarillo for "San Miguel Market;" second place to Bobby Wied for "First Snow - Taos;" third place to Mary Moudy of Happy for "Deep Purple;" honorable mention to Joan Collins, Amarillo, for "Pickin' Pansies;" honorable mention to Anna Mae Hansen, Amarillo, for "Early Morning," and honorable mention to Marie McCubbin, Amarillo, for "Portrait of Mabel."

Winning in the water color division were: first place, Marie McCubbin for "The Encounter;" second place, Mary Moudy for "Lavender Blue Mode;" and third place, M. L. Lowenstern, Amarillo, for "The Guardian."

A miscellaneous division which included art works of varied mediums: first place, Ann Lee Rogers of Perryton, pastel portrait "Life After 50;" second place, Bobby Wied, acrylic and pencil "Hemerocallis;" third place, Lil Moldenhauer, Amarillo, pastel "Old Stone Chicken House;" honorable mention, M. L. Lowenstern, pastel

"How Sweet It is;" honorable mention, Bubbles Good, pastel portrait "Bear Hug;" honorable mention, Rich Neelley of Amarillo, wood sculpture "Brown Trout;" honorable mention, Betty Louise Rector, pastel "Memories;" honorable mention, Rev. Henry Salley, pastel portrait "Visions of Happiness."

Best of Show honors went to Lil Moldenhauer for a portrait in oils entitled "The Scholar."

Nearly 300 persons toured through the Depot during the week of Maize Days to view the art exhibit. All were asked to vote on their favorite art work for the "Popular Choice" honor which was won by Ann Lee Rogers for her self-portrait in pastels entitled "Life After Fifty." There was a tying number of votes for second place Popular Choice. The two were Anna Mae Hansen, Amarillo, for "Early Morning" in oils, and Carol Ellis for "Down By The Old Mill Stream" also in oils. Receiving the third place number of votes for Popular Choice was Henry Salley for "Visions of Happiness" in pastels.

The local art group is affiliated with the Tri-State Amateur Artist Association with headquarters at WTSU in Canyon. This affiliation allows members of all the associate groups to enter art shows held by other art groups within the association. Membership in the Friona AAA is open to all who are interested in promoting art in the local area. Contact Bobby Wied, president, for further details about this organization.

Friona Flashbacks

...from the files of The Friona Star

60 Yrs. Ago--Sept. 4, 1931
The tonsil and adenoid clinic, held under the auspices of the Parmer County Health Association this past week, was a tremendous success. Dr. R.R. Willis operated on 23 children during the two-day clinic, originally scheduled for one day, but extended by the good response.

55 Yrs. Ago--Sept. 4, 1936
A WPA project has been accepted for straightening, broadening and deepening that part of the channel of Frio Draw which passes through or just south of the city limits. Surveyors have been busy on the project for several days and the actual work of moving dirt will begin in the near future.

A two-weeks singing school closed Saturday night, August 31 at Rhea. An average of 40 persons attended the school.

50 Yrs. Ago--Sept. 5, 1941
The 1941-42 term of the Friona Independent School opened in earnest Monday, when a large enrollment of both grade and high school students arrived at the buildings and got down to the work of the term. Superintendent of Schools W.L. Edelman seemed well pleased with the enrollment and the spirit of both the teachers and the students. A total of 170 students were enrolled in high school. (Editor's note: total enrollment was unavailable.)

45 Yrs. Ago--Aug. 30, 1946
A local building boom finds several new residences under construction, with others having been just recently completed. Among those in the process of finishing new homes are Euel White, H.C. Davis, H.H. Lloyd, J.H. Hinds, Guy Latta, W.C. Osborn and Milton Blalock.

The Parmer County Hospital Board has secured the administration building from the Prisoner of War Camp at Hereford as a temporary home, it was announced this week. The building is to be moved to the hospital grounds as soon as possible.

40 Yrs. Ago--Aug. 30, 1951
Twenty-three boys have signed up for football this year, and Coach Raymond Cook says he anticipates a good year, as nine of the players are seniors with three years' experience. The seniors returning are Max Cruse, Max Wells, Doyce Barnett, Walter Haws, Ross Miller, Frankie Allen, Frank Reed and Jay Cobb. Juniors are Ben Jordan, Arnold Fangman, Darrell Robbins and D.O. Robason.

35 Yrs. Ago--Aug. 30, 1956
In a slight deviation from the way most of the Panhandle counties went in the gubernatorial race, U.S. Senator Price Daniel rolled over his opponent, Ralph Yarborough, 1036-627 in Parmer County in the Democratic primary runoff Saturday. On the local scene, E.G. Phipps captured the office of county commissioner, and will represent Precinct One for the next four years. He won over E.R. Day by a tally of 471 to 348.

30 Yrs. Ago--Aug. 31, 1961
Joe Coronado was hired and began work this week as golf pro at Friona Country Club.

Friona's city commission Monday approved a \$166,705 budget for the fiscal year starting October 1, 1961.

25 Yrs. Ago--Sept. 1, 1966
The Friona Chamber of Commerce ended its search for a manager last Thursday by hiring Mrs. Chuck (Mary Kaye) Everitt for the position.

Carolyn Hamilton, 18-year-old daughter of Mr. and Mrs. James Hamilton, was crowned Friona's "Miss Sugar Beet" in a contest here last Saturday.

20 Yrs. Ago--Sept. 2, 1971
Parmer County scholastics totaled 3,137 at the beginning of this week. The figure was probably a

record for the beginning of school, as two schools indicated all-time records. Friona led the way, with 47 per cent of the total. Enrollment in Friona schools stood at 1,490 on Monday. This was up 42 from the first day total and an increase of 45 from the same date a year ago. The Farwell school system showed 675 scholastics, up slightly from a year ago, according to Superintendent W.M. Roberts. Bovina's enrollment on Monday stood at 662, also up slightly from a year ago. The total enrollment at Lazbuddie amounted to 310 students.

15 Yrs. Ago--Aug. 5, 1976
Residents of the Friona area watched a tornado funnel dance around in a cloud northwest of the city just before noon on Thursday. However, the funnel did not get on the ground to stay, and no damage was reported.

Joe Lewellen was appointed by County Judge Paul Fortenberry to fill out the unexpired term of Thomas Lewellen, Precinct 1 Commissioner, due to his recent death.

10 Yrs. Ago--Sept. 20, 1981
Penni Weatherly, 17-year-old se-

nior at Friona High School, was crowned as the 25th Maize Queen, Thursday night at the conclusion of the annual Maize Queen Pageant. She is the daughter of Mr. and Mrs. Phillip Weatherly. First runnerup was Erika Pope, 16, daughter of Mr. and Mrs. Jimmy Pope. Second runnerup was Amber Smith, 17, daughter of Mr. and Mrs. Dale Smith.

Poppy Ann Grimsley, five-year-old daughter of Lynda and Jimmy Grimsley, was crowned Tuesday night as the "Little Miss Friona." First runnerup was Stephanie Wilcox, daughter of Mr. and Mrs.

Roger Wilcox, and second runnerup was Misty Diane Renner, daughter of Mr. and Mrs. Conrad Renner.

5 Yrs. Ago--Sept. 13, 1986
Seventeen young ladies will be seeking the "Miss Friona" title on Saturday when the 30th annual pageant is held in conjunction with Friona's Sesquicentennial celebration of Maize Days.

McLellan Farms marketed the first load of corn for Friona Wheat Growers' Elevator this week.

Twenty-two contestants are entered in the "Little Miss" Pageant, scheduled for Tuesday, September 16.

Money Matters

A Series Of Informative "Plain Talk" Thoughts Regarding Your Money Matters

Bad Checks Are Bad For Everybody

There's no polite way of saying it: "Don't write bad checks".

Sometimes a mistake in balancing the checkbook can cause you to overdraw your account, which can in turn make it necessary for a bank to return "insufficient fund" checks.

It sometimes seems that the same people continuously write bad checks without the proper funds in the bank to cover them. This causes problems for the merchant, creates extra work for the bank, and creates a very poor impression of the person who does it.

The way a person handles his checking account is carefully considered by the bank when deciding whether or not to loan that person money.

We Think Money Matters!

Letter To The Editor

Dear Editor:

No one could live in a better area than my family and I.

Our mother, Bessie Webb, had been ill for such a long time and had spent a lot of time in the hospital at Friona.

We are so thankful that we have a place that we can go for the medical attention that we need. A place as close as Friona, which at times could mean life or death.

Our families were shown every courtesy from the top of the administration to the maintenance and janitorial ladies.

Our doctor's staff should be rated

at the top of the list. Their knowledge is great, and they should be commended for this. They answered our endless questions always.

The nursing staff always greeted us with a smile, even though there had to be times that we were in their way. They answered our questions with a gentle voice and smile. The concern and care that they have shown us is deeply appreciated.

We appreciate the administration and maintenance man for allowing us to bring campers to the hospital, so we could be closer to our

mother.

The cleaning ladies were always very kind--there were a lot of us around all the time.

We have a good hospital and staff. Our hope is that it will be there for a long time. We need to strive to keep our hospital and staff, as we are in great need of them. Our family is appreciative of each and every one that works there.

Thank you,
Bessie Webb's families

Solid Waste Materials Available

Teachers who need educational materials for classroom activities concerning solid waste issues, including recycling, can now receive them free from the Texas Department of Health (TDH).

The TDH Bureau of Solid Waste Management is offering audiovisual aids and accompanying written literature to teachers, civic groups making community presentations and individuals wanting to be informed on environmental issues.

The TDH Film Library recently acquired an extensive set of new audiovisual solid waste programs. Video tapes are available in VHS format and cover a variety of subjects, including recycling, composting, incineration, and landfill design and operation. Some programs are available on 16mm or as slide presentations.

Elementary school children may enjoy basic programs such as "The Wonderful World of Recycle." Older students can watch children their own age carrying out recycling projects and investigating various environmental problems. At the secondary level, young scientists may learn how to build their own compost pile or a model landfill and use their projects for a Science Fair entry.

In addition, adults who are interested in landfills, incinerators, recycling or municipal composting facilities proposed for their communities can discover the benefits and concerns about each of these waste disposal methods.

Audiovisual aids may be checked out for two weeks and come with packets of supplemental written information. The written material also must be returned.

To obtain the Solid Waste Media Catalog and an audiovisual order blank, write to: Texas Department of Health, Bureau of Solid Waste Management, 1100 West 49th Street, Austin, Texas, 78756, or call the Solid Waste/Recycling Information hotline at 1-800-458-9796.

Williams' Rites Held Thursday

Funeral services for Wright H. Williams, 83, were conducted Thursday at the First United Methodist Church of Friona, with Rev. Elton Wyatt of St. Luke's United Methodist Church, Lubbock, and Rev. Archie Echols of Levelland, officiating.

Burial was at the Abernathy Cemetery, under the direction of Ellis-Blackwell Funeral Home.

Williams passed away September 17 at Lubbock's Methodist Hospital.

He was born May 28, 1908 in Blanket, Texas. He moved to Friona in 1929. He married Jane Johnston, August 13, 1930 in Plainview. She died February 5, 1980. Williams re-married to Eula Dell (Tom) Lewis, September 17, 1983 in Friona, and moved to Lubbock that year.

Williams was a former postmaster at Friona, retiring in 1967. He also served as mayor in 1982-83, and had served on the city council.

He also was a former member and past president of the Friona Chamber of Commerce, as well as the Friona Masonic Lodge, and was a former member of the Friona Evening Lions Club.

Williams served in the U.S. Coast Guard during World War II.

Survivors include his wife, Eula (Tom) of the home; one step-son, Don Edwin Lewis of Boston, Massachusetts; three sisters, Mary Meester of Hamilton, Winnie Cubit of Pierce, Arizona, and Iva Rhodes of Abernathy; one brother, Roy Williams of Neosho, Missouri, and two grandchildren. He was preceded in death by a brother, T.A. Williams, April 20, 1991.

Pallbearers were D.C. Herring, Bill Rhodes, Ted Watts, Johnny Kliennart, Bud Rhodes and Foy Meester.

Honorary pallbearers were Tommy Haley, Jack Christian, Marion Fite, Frank Spring, Jerry Hinkle, Bill Carter, Henry Farrar, Eldon Jones, Buford Hartwick and Robert Neeley.

BLAIR BURNEY

BRIAN HERRING

Chiefs Frustrated By Tahoka Loss

Friona's trip to Tahoka last Friday was one of frustration.

For the second week, the Chieftain offense more than doubled their opponent's showing. In fact, Friona's passing in the game set a modern-day record. But the team dropped a 19-12 heartbreaker.

"Turnovers just killed us," said Coach Steve Williams, referring to the four pass interceptions and two fumbles lost. "But the kids felt better this week than after the River Road game."

Friona clicked for 249 yards through the air and another 190 on the ground. Sophomore quarterback Blair Burney completed 16 of 33 attempts. Both the number of completions and the total yards passing are the most at FHS in the past 30 years.

But inopportune turnovers plagued the Chieftains, and ruined their bid to break into the win column for the year.

After Tahoka caught the Chieftains off guard on their first offensive play and completed a 70-yard scoring pass, Friona's defense played stellar.

The Chiefs allowed only five first downs for the entire game, and 216 total yards. After their first scoring strike, the hometown Bulldogs were never able to complete another pass in the game.

But good fortune just did not shine on the Chieftains.

Early in the second quarter, Burney hit Ismael Rocha on a 41-yard pass-and-run play that went from Friona's 30 to the Tahoka 29. Rocha was just a step away from breaking for a 70-yard TD. But the drive fizzled when on fourth down, Burney's pass to Brian Herring came up a yard short at the Bulldog 15.

Minutes later, Burney hit Herring for a 33-yard gain to the Tahoka eight yard line. Having a first and goal, the Chiefs had a loss, short gain, incomplete pass and on fourth down a three-yard loss, as their second third came away without points.

In the third quarter, Friona finally got on the scoreboard. Burney hit Scott Houston for 22 yards, then

another 33-yard bomb to Herring carried in for the score. Burney was stopped short on a run for two points, and the score became 7-6 with 3:14 left in the quarter.

The Chieftains drove from their own 28 to the Tahoka 10 in the final quarter. Runs by Rocha and Curtis Brady, and two passes to Herring covered the 62 yards in only six plays. But two incomplete passes and no gain on a run called for a field goal try.

Blue Field's kick was just wide to the right with 5:50 left in the game, and Tahoka still led, 7-6.

Friona held, and took over again on their 29-yard-line. A determined drive moved the ball 55 yards. Rocha rambled for 20 yards, and gained another 27 on a screen pass.

But Burney's pass was intercepted, and returned 80 yards for a Tahoka touchdown, and that was a 12-point swing that left the Bulldogs ahead, 13-6.

Friona's goal-line defense at midfield allowed another TD run with just 39 seconds left, making the score 19-6.

But the determined Chieftains came back for a touchdown after all their adversity, as Rocha caught a pass after it was tipped by a Tahoka defender, and raced 39 yards for the score with just two seconds left on the clock.

For another single game record, Herring caught nine passes for 135 yards, to pace the receivers.

Rocha gained 138 yards rushing on 25 tries, besides catching three passes for another 72, for 210 total yards.

With their "run and gun attack," the Chieftains had 72 offensive plays, about 50% more than in an ordinary game.

All of this good offensive and defensive work made the 0-2 season record even harder to swallow.

ENMU Symphony Will Present POPS Concert

"This is meant to be fun!" said Rob Radmer, describing the 1991 POPS Dinner-Concert, to be held October 5 at 7:30 p.m. in the Campus Union Ballroom in Portales. Radmer, who conducts the Eastern New Mexico University Symphony Orchestra, will step to the podium to begin his fourth season. His personal charisma and unique personality lend an air of lighthearted entertainment to the annual affair as he keeps the pace of the concert moving briskly.

The University Symphony League has sponsored this gala event for the past 24 years. The primary purpose of the USL and the POPS Dinner-Concert is to raise scholarship monies for outstanding orchestra members who have demonstrated commitment and service to the symphony. The League has an active scholarship program in place, as well as the University Symphony League Endowment for Strings.

ROB RADMER

"Basically, we just want to give our kids the financial help they need, and the Symphony League helps us do that," said Radmer. "We have kids here from across New Mexico as well as Mississippi, Tennessee, several states." Radmer indicated that although the orchestra will be slightly smaller this year, the caliber of student is definitely higher.

The conductor's enthusiasm for his players has led him to expand the orchestra's concert schedule this year to seven repertoires. Included again will be a special performance in January for approximately five hundred fourth and fifth graders from Portales and perhaps some surrounding communities.

The November concert will feature the ENMU Symphony Orchestra and Choral Department in a spectacular performance of Mozart's "Requiem," as well as an encore presentation of Christmas music in December. Orchestral concerts will also be held in March and April, with the orchestra performing the score for the musical, "Once Upon A Mattress," in February.

"Of course, the POPS Concert is the season opener; it starts the year off with a bang!" said Radmer.

For the POPS Concert, Radmer has drawn from a number of popular sources. There will be a variety

of music that everyone will enjoy--from Broadway musicals to television shows, and to the ever-popular Big Band sound.

The audience will again enjoy the traditional "Name That Tune Contest." Radmer predicts a large number of winners this year and looks forward to seeing a member of the audience take his or her place on the podium to direct the symphony orchestra in John Philip Sousa's "Stars and Stripes Forever." The novice conductor will also receive two complimentary tickets to the 1992 POPS Dinner-Concert, courtesy of the University Symphony League.

The highlight of the evening will be the presentation of scholarships. Recipients will not know until their names are announced that they have been selected.

The dinner menu this year will feature waldorf salad, breast of chicken cordon bleu, stuffed baked potato, green beans amandine, rolls, drink and fruit napoleon for dessert.

Tickets for the POPS Dinner-Concert are \$18 and go on sale September 25-30 and October 1 at the ENMU Theatre Center Box Office. Hours are noon to 6 p.m. daily.

For mail orders, please enclose a check or money order payable to the University Symphony League and mail to POPS Concert, UTC Box Office, Station No. 37, Portales, N.M., 88130, no later than September 28. Tickets will not be sold at the door.

More information is available by calling Symphony League President Nancye Gressett at (505) 762-0619 in Clovis, or Sue Davis, (505) 356-8558 in Portales.

Chieftains Shatter Passing Records

Although Friona lost the game at Tahoka last Friday, the team took consolation in the fact that the game produced a number of modern-day school records in the passing department.

Sophomore quarterback Blair Burney, in only his sixth varsity start, completed 16 of 33 passing attempts, for 249 yards through the air. All three of Burney's figures are school records: attempts, completions and total passing yards, at least in the stat record book tabulated the past 30 years by team scribe Bill Ellis.

Most previous passing yards were gained by Friona in a game at Springlake-Earth in 1973, 224. That is the only other time in the past 30 years that an FHS football team topped 200 yards in passing.

Junior flanker Brian Herring was the beneficiary of nine of Burney's passes, and gained 135 net yards on his catches.

Herring's yardage edged out Dale Cleveland on the all-time list, as Cleveland had gained 132 yards receiving against Farwell in 1974, on just four catches. Herring's nine catches were four more than Cleveland had against Dimmitt in 1973, and Ismael Rocha, who had five against Tula in 1989.

Burney's total yards passing topped Brian Brogden's 188 yards against Tula in 1989 (the 224 yards passing against Springlake-Earth in 1973 was accomplished by two quarterbacks: Clay Bandy, 183, and Dee King, 41).

Friona's total offense against Tahoka last Friday, 439 yards, ranks tenth on the all-time list, and was the most since the Chieftains steam-rolled Pampa for 533 yards behind Daniel Echols in 1987.

DANCE SET OCTOBER 5

A benefit dance will be held at the Friona Community Center on Saturday, October 5th from nine p.m. till one a.m. with proceeds going to assist Prairie Acres, the local nursing home.

Music will be performed by the Carria Band. Advance tickets will be \$4.00 each and tickets at the door will be \$5.00 each.

For more information, call Prairie Acres at 247-3922 or call Brenda De La Paz at 247-2519.

Dixon Race Results Told

Top finishers in the Dixon six-mile race last Saturday: 1. Mark Bussen, 36:55; 2. Johnny Trevino 42:50; 3. Jeff Procter 46:03; 4. Jack Walters 48:31; 5. Angie Price 50:32; 6. Jim Dixon (time N. A.)

Bussen won for second straight year. His time in 1990 was 33:00.

Tool Box Winner:
Ken Russell, Lazbuddie.

Facts About The **BIBLE** BY JOHN LEHTI

MORE BIBLICAL WOMEN'S LIB!

IN THE DAYS OF MOSES, A MAN NAMED ZELOPHEHAD DIED. BY LAW, ONLY MALES COULD INHERIT, BUT ZELOPHEHAD LEFT NO SONS, ONLY FIVE DAUGHTERS, HAVING NO RIGHTS, MAHLAH, HOGIAH, NOAH (YES, A GIRL!), MILCAH, AND TIRZAH. BUT...

...THE DAUGHTERS DIDN'T QUITE RELISH HAVING FATHER'S WORLDLY GOODS DIVIDED AMONGST DISTANT MALE RELATIVES, SO THESE FIVE FEISTY FEMALES WENT BEFORE MOSES HIMSELF, BOLDLY ARGUING THAT THEY SHOULD INHERIT! MOSES, AS USUAL, TOOK IT UP WITH THE LORD (NUMBERS 27:1-11) 'AND THE LORD SPAKE UNTO MOSES SAYING, 'THE DAUGHTERS OF ZELOPHEHAD SPEAK RIGHT...THOU SHALT CAUSE THE INHERITANCE OF THEIR FATHER TO PASS UNTO THEM.'"

THESE COURAGEOUS EARLY "LIBBERS" WON FOR WOMEN THE LEGAL RIGHT TO INHERIT FROM THAT DAY FORWARD!

NEXT WEEK: SIX FORGOTTEN SONS!

THIS DEVOTIONAL & DIRECTORY IS MADE POSSIBLE BY THESE BUSINESSES WHO ENCOURAGE ALL OF US TO ATTEND WORSHIP SERVICES.

Friona's Masonic Lodge Holds Second Open House

Friona Masonic Lodge will hold its second open house of 1991 on Sunday afternoon, September 22, according to an announcement made by Larry J. Knowles, the Master of the Lodge. The Lodge is located at Seventh and Ashland Avenue.

The public is cordially invited to attend and view the lodge room and its unusual furniture and equipment, much of it looking exactly the same as it looked when Masonry first came to Texas in the early 1830s. Light refreshments will be served during the afternoon.

Friona Masonic Lodge was founded in 1951 and has been in its present location since 1972. The lodge has a membership of sixty.

Many local area leaders have been members of Friona Masonic Lodge over the years. Some of the best known include Frank and Paul Spring, Charles Allen, Newton Gore and Charles Russell.

Although it is impossible to determine exactly when the first Masons came to Texas, we do know that Ben Milam came to the Texas County about 1818, and General Zebulon Pike led the expedition into the area a few years later. Both were Masons.

By the 1830s, numerous Masons had come to the area from both Mexico and the United States. Antonio Navarro, Lorenzo de Zavala and Juan Seguin joined others like Stephen F. Austin, Anson Jones and Sam Houston in forming lodges. The first lodge was formed at Brazoria in 1835, and in the same year, the Grand Lodge of Louisiana authorized lodges at Houston, Nacogdoches and San Augustine. In 1837, those first three lodges formed the Grand Lodge in the Senate Chambers of the new Republic of Texas, with General Sam Houston as the presiding officer, and a total of 27 members. Anson Jones, later to be the last President of the Republic, was elected the first Grand Master. Today, Texas Masonry has over 180,000 members and 954 lodges.

The Grand Lodge of Texas met in a lot of places until 1903, when the move was made to a permanent location in Waco. The beautiful Memorial Grand Lodge Temple, completed in 1949, stands on a hill

Cub Scouts Sign-Up At Meeting

Tuesday evening, September 17 at 7 p.m., Cub Scout Pack #56 held its annual sign-up for the new Cub Scouts.

There was a total of 16 new boys who signed up for all the excitement and fun activities of the coming year.

First graders who signed up as Tiger Cubs were: Michael Stanberry, T.J. Randolph, Eric Aguirre, Christopher Ureste, Calvin Shields, Heath Gammon, Lucas Diaz and David Lopez.

Second graders signing up as Wolf Cubs were: Keven Clark, Andrew Cabrera, Lorenzo Villa, Sean Campbell, Roy Loya and Jose Prieto.

Third graders coming into the Pack as Bear Cubs were Benny Lopez and Joey Porter.

The experienced Cub Scouts were in charge of the Pack meeting program, with the opening ceremony, skits and the closing.

The Den leaders had organized outdoor games planned for the boys, while the parents registered their sons as Cub Scouts. With the new Scouts signing up, it brought the total membership of Pack #56 up to 51 boys.

All parents are encouraged to see that their sons attend the weekly meetings, and stay active as Cubs. Parents are invited to attend all Pack meetings (held once a month) and become involved, too. "You'll enjoy Cub Scouting as much as your son!" said a spokesman for the organization.

Congratulations to Pack #56 on winning first place with their float in the Maize Days parade. It was great! Thanks to all the hard work by the leaders who built the float and to Rando Construction for use of the trailer and the barn to build the float. A special thanks to Leroy Cox at Hometown Hardware for materials, and to Monte Allen for the use of her pickup for pulling the float.

on Columbus Avenue overlooking downtown Waco, and is one of the most striking buildings in the city.

The incoming Master was asked, "What is Freemasonry?" He answered: "Basically, it is a society of friends and brothers, banded together for their common good and the good of mankind—men who want to become better men. It's a voluntary organization, and does not solicit membership, but any man can make his interest known, and if he believes in God, and is basically a good man to start with, can become a Mason."

"Freemasonry developed from the stone masons of the Middle Ages, and although Masons do not work in stone, they work on the lives of men, and use the stone mason's

tools as symbols to teach masonic philosophy. The terms "acting on the square" and "being in the level," are purely Masonic terms that have crept into our every day language.

"Although old by modern standards, Masonry isn't nearly as old as some would claim. The oldest Masonic document dates to just before 1400 A.D., or about 600 years. Early Masonry struggled for some 300 years, and then, in 1717, in London, several lodges got together and formed the first Grand Lodge. That was actually the true beginning of Masonry as we know it."

"Today, Freemasonry works very hard to help people of all races and persuasions, and the Shrine Crippled Childrens Hospitals; the Burns Institutes, the Knight Templar

Foundation, Texas' incredible Scottish Rite Hospital for Children at Dallas; the Scottish Rite Learning Centers for dyslexic children; the Knights Templar Eye Foundation; the many, many scholarships; the Grotto's dental care for the handicapped—all contribute to a better life for everybody.

"Some of the world's greatest men have been and are Masons: George Washington, Benjamin Franklin, Franklin Roosevelt, Harry Truman, Norman Vincent Peale, Gerald Ford, Mark Twain, Astronaut Buzz Aldrin—35 Texas Governors, all the Presidents of the Republic of Texas—many, many others. As each of them would say, "Masonry has but one aim: the improvement of mankind."

RECEIVES DEGREE....Sydonia V. Pena graduated Cum Laude from Laredo State University on August 22. Mrs. Pena received her Bachelor of Science degree in secondary education and is certified to teach math and English. She is employed by the Cotulla Independent School District, Cotulla, Texas, as a math teacher. Mrs. Pena is the former Sydonia V. Tongate, daughter of Billie and Joe Tongate of Friona, and is a 1981 graduate of Friona High School. Pictured with Mrs. Pena is Dr. Leo Sayavedra, president of Laredo State University.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 5, 1991

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 114 proposes a constitutional amendment that would authorize home rule cities having a population of 5,000 or fewer inhabitants to amend their city charters by a majority vote of a city's qualified voters at an election held for that purpose. The amendment makes clear that home rule cities that have declined in population below the population required to initially adopt a charter may nevertheless continue to amend their charters.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 10 proposes a constitutional amendment that would allow the legislature to authorize the Texas Department of Transportation to expend money, from any source available, for the costs of the turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority, provided that any monies expended from the state highway fund shall be repaid to the fund from tolls or other turnpike revenue.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment mandating the repayment to the Department of Transportation of monies expended to assist the Texas Turnpike Authority in the construction, maintenance, and operation of turnpikes, toll roads and toll bridges."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 26 proposes a constitutional amendment that would authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Land Fund which are not immediately committed to the payment of principal and interest on bonds issued by the Veterans' Land Board, the purchase of lands, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment would also authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Housing Assistance Fund which are not immediately committed to the payment of principal and interest on general obligation bonds issued by the Veterans' Land Board for the benefit of the Veterans' Housing Assistance Fund, the making of home mortgage loans, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment gives the legislature power to implement the amendment and to delegate such duties and authority to the Veterans' Land Board as it deems necessary.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to authorize the legislature to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would allow the legislature to authorize the issuance of a maximum of \$1.1 billion in general obligation bonds. The proceeds of the bonds are to be used to acquire, construct, or equip new prisons and substance abuse felony punishment facilities, mental health and mental retardation

institutions, and youth corrections institutions, to repair and renovate existing facilities of those institutions and to acquire, repair, or renovate other facilities for use as state prisons or substance abuse felony punishment facilities. The \$1.1 billion is in addition to the \$900 million currently authorized by the constitution to be expended on bond issues for facilities of correctional and mental health and mental retardation institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the state treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of those institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or other punishment facilities."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 39 proposes a constitutional amendment that would allow a county, junior college district, or municipality to exempt tangible personal property from ad valorem taxation if: (1) the property is acquired or brought into the state in an enterprise zone to be forwarded outside the state, (2) the property is assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone, (3) the property is transported outside the state not later than 175 days after being acquired or brought into an enterprise zone, and (4) the person who acquired or brought the property into an enterprise zone is a qualified business. A county, junior college district, or municipality may exempt such property by entering into a written agreement with a qualified business that states the duration of the exemption and the terms on which the exemption is granted. Any action to exempt property must be taken before April 1 of the first year in which the property would otherwise be taxed. The term "enterprise zone" means an area that (1) has been designated as such by a state agency responsible for economic development, and (2) has pervasive poverty, unemployment, and economic distress. The term "qualified business" means a business that meets the qualification established by general law, and requires that the qualified business is actively engaged in a new business in the enterprise zone or is expanding a business that is already active in the enterprise zone. An enterprise zone is created to foster economic development in an area of pervasive poverty and unemployment.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the exemption for ad valorem taxes of certain property in an enterprise zone."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would establish a Texas Ethics Commission with the powers and duties provided by law. The commission would consist of eight appointed members selected as follows: two members of different political parties appointed by the governor from a list of at least ten names submitted by the members of each major political party; two

members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the senate from each major political party; two members of different political parties appointed by the speaker of the house of representatives from a list of at least ten names submitted by the members of the house from each major political party; and two members of different political parties appointed by the lieutenant governor from a list of at least ten names submitted by the members of the senate from each major political party. A major political party is a political party required by law to hold a primary. With the exception of the initial appointees, commission members would serve for four-year terms. A member who has served for one term and any part of a second term would not be eligible for reappointment. The commission would be authorized to recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. If the commission recommends a change in salary, the voters would be authorized to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, that salary would take effect January 1 of the next odd-numbered year; if the voters reject the recommended salary, no change in salary would occur. The commission would set the per diem of the members of the legislature and of the lieutenant governor. The per diem could be raised or lowered biennially as necessary to pay members' costs, but could not exceed the amount allowed as of January 1 that year as a federal income tax deduction for living expenses incurred in a legislative day in connection with a member's business as a legislator, disregarding any federal income tax exception for legislators residing near the Capitol. The commission would have other powers and duties provided by the commission's enabling act (Senate Bill 1, 72nd Legislature, Regular Session). The amendment would also provide that an increase in the emoluments of the office of Lieutenant Governor would not make a legislator ineligible to serve in the office of Lieutenant Governor.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would allow the board of trustees of each statewide public retirement system to invest the funds of the system in such manner as the board considers prudent. The board would no longer be limited to investing the funds of the system in securities.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 21 proposes a constitutional amendment that would permit the legislature to create debt by or on behalf of the state if the legislature submitted the debt question to the voters of the state in the form of a proposition and a majority of those voting approved the proposition. The legislature may call the election, by joint resolution approved by at least two-thirds of the members of each house, during any regular session or during any special session if the subject of the proposition is included in the Governor's proclamation for that special session. A proposition must clearly describe the amount and purpose for which debt is to be created and must describe the source of payment for the debt. The amount of debt stated in the proposition may

not be exceeded and may not be renewed unless the right to exceed or renew is stated in the proposition. The legislature may enact laws necessary to implement the authority granted by a proposition. A law enacted in anticipation of the election on a proposition is valid if, by its terms, it is enacted subject to approval of the related proposition. State debt that is created following voter approval of a proposition and that is approved by the Attorney General is incontestable for any reason.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the voters of this state to consider state debt questions in the form of ballot propositions that must clearly describe the amounts, purposes, and sources of payment of the debt only after approval of the propositions by a two-thirds vote of each house of the legislature."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would authorize the commissioner of the General Land Office to issue patents for certain public free school fund land for which there is not a valid transfer of title from either the State or the Republic of Texas to a private party. A patent is a document of title issued by the state. On application to the School Land Board, a person is entitled to receive a patent if: (1) the land is surveyed public free school fund land, (2) the land was not patentable under the law before the adoption of this proposed amendment, (3) the person acquired the land without knowledge of the title defect of the State of Texas or the Republic of Texas and held the land under color of title, the chain of which dates from at least January 1, 1941, (4) the person has a recorded deed on file in the county courthouse and, in conjunction with his predecessor in interest, has claimed the land for at least fifty years as of January 1, 1991, and (5) the person, in conjunction with his predecessor in interest, for at least 50 years has paid taxes on the land together with all interest and penalties associated with any delinquency. If the applicant is denied a patent, the applicant may file suit against the School Land Board in a district court in the county where the land is located within 60 days from the date of denial. The proposed amendment does not apply to beach land, submerged land, or islands, and may not be used to resolve a boundary dispute. The proposed amendment also does not apply to land found by a court to be state-owned or to land on which the state has given a mineral lease that is in effect when a patent is sought. A patent under this proposed amendment for land within five miles of mineral production shall reserve minerals to the state in the manner provided by law for reservations of minerals in sales to claimants of un-surveyed school land within five miles of production. An application for a patent under this proposed amendment must be filed with the School Land Board before January 1, 1993.

This proposed constitutional amendment is similar to the version of article VII, section 4A, that was in effect between 1981 and 1990. The main difference is that under the earlier version the applicant for a patent to land had to have a chain of title that dated back to at least as early as January 1, 1932.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would allow the legislature to pass general laws to exempt property owned by a nonprofit corporation organized to supply water or provide wastewater service from ad valorem taxation. A nonprofit corporation would be eligible for the exemption if its bylaws provide that

on dissolution, the assets remaining after the discharge of the corporation's indebtedness will be transferred to an entity providing water supply or wastewater service, or both, which is exempt from ad valorem taxation. The transferred assets must be property that is reasonably necessary for and used for water supply and wastewater services.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to pass laws to authorize the State of Texas to operate lotteries and to enter into a contract with one or more legal entities that will operate lotteries on behalf of the State of Texas.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing a state lottery."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment that would increase the total amount of bonds that may be issued by the Texas Water Development Board to provide wholesale and retail water and wastewater facilities to economically distressed areas of the state. The proposed amendment increases the maximum principal amount of the bonds from 20 percent to 50 percent of the \$500 million amount authorized by article III, section 49-d-7, of the Texas Constitution. The proposed amendment would increase the maximum aggregate dollar amount of bonds that the Texas Water Development Board could issue from \$100 million to \$250 million.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment to increase from 20 percent to 50 percent the percentage of Texas water development bonds previously authorized by Texas voters that may be issued for economically distressed areas."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 2 proposes a constitutional amendment that would allow the legislature to pass general laws authorizing Texas Higher Education Coordinating Board or its successor to issue and sell up to \$300 million of general obligation bonds to finance education loans to students. The maximum net effective interest rate to be borne by the bonds would be set by law. The amendment would also authorize the legislature to provide for the investment of bond proceeds and to establish an interest and sinking fund to pay the bonds and provide for the investment of such fund. Bonds authorized under this amendment would be paid from the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in an interest and sinking fund established at the end of the preceding year that is pledged to the payment of the bonds or interest.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds not to exceed \$300,000,000 to continue existing programs to provide educational loans to students, with repayments of student loans applied toward retirement of the bonds."

Estos son los informes explana-torios sobre las enmiendas propu-estas a la constitucion que aparac-eran en la boleta el dia 5 de noviembre de 1991. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

Talented/Gifted Support Group Is Organized

Approximately fifty parents gathered last Monday, September 16, in the Grade School Cafeteria to organize a parent support group for the Friona Talented and Gifted educational program.

Almost 100 students in the Friona school system participate in the Talented and Gifted Program (TAG), from grades 1-12. This program is designed to meet the special needs of talented and gifted children.

Karen Renner, Kitty Gallman and Page McCoy presented a program proposing several purposes for the new organization. These purposes included:

1. To consider how parents can help meet the needs of teachers and students in the TAG classroom;
2. To enable parents to work together with teachers and the school to enrich the TAG students' education; and
3. To learn more as parents about the special needs of talented/gifted children and to broaden knowledge concerning talented/gifted students.

Officers elected for the parent organization were: Page McCoy, chairman, and Patsy Allen, co-chairman. Dues were set at \$5.00 per family per year. It was agreed to hold meetings on a quarterly basis during the school year.

TAG students who helped at the

4-H Club Met Here

Monday night, September 16, the Friona 4-H Club held its first meeting of the school year. Membership forms were filled out for the 1991-92 year.

New officers were elected. They are: Michael Jeter, president; Tony Williams, vice president; Justin Jeter, secretary-treasurer; David Stevens, reporter; Joni Johnson, key person; Dale Williams, Nathan Shrode, Monica Santiano and Jessie Allen, recreational committee members.

Also, Alice Allen, Nicholas Shrode, Joni Johnson, Tony Williams and Clay Hurst, phone committee members; Clint Hurst, Council delegate; Nicholas Shrode, Justin Jeter, Monica Santiano, Dale Williams and Jessie Allen, pledge leaders.

Upcoming events will include the Parmer County Project Fair and Banquet, to be held Saturday, September 28 at the Friona Community Center. Entries for the Project Fair need to be at the Community Center by 9 a.m. The bucket calf show begins at 2 p.m. The Fair will open at 6 p.m. and the banquet starts at 7 p.m.

All Friona 4-H'ers need to help with the 4-H Pig Sale concession stand on Saturday, October 5.

Food and nutrition leaders will meet in Farwell, Tuesday, September 24.

Anyone interested in joining 4-H is invited to participate in these events and come to the next meeting, Monday, October 21 at 7 p.m. at the Community Center. Wear your Halloween costume.

meeting and worked as babysitters were Jaclyn Peace, Mary Cass, Julie Goddard, Tracey Gibson, Aimee Renner, Amanda Taylor, Erika Bermea and Mindy Johnson.

Anyone interested in participating in or knowing more about Friona's parent group for the Talented and Gifted Program should contact Page McCoy (247-2272), Karen Renner (Friona Elementary, 247-3340) or Kitty Gallman (Friona High School, 247-3951).

Happy Birthday

Week of September 22-28

Friona residents having birthdays next week are:

September 22--Debra Baxter, Kyle Cummings, Aimee Renner, Casey Renner, Delton Lewellen, Judy Fleming.

September 23--Jan Rogers, Stephanie Wilcox, Julie Wilshire, Mardee Sifford, Jesse Morales, Sr., Abe Lane.

September 24--Mitch Terry, Wendell Gresham, Cam Buchanan, Dee Buchanan, Luella Maurer, Marie Saiz, Shirley Ferguson.

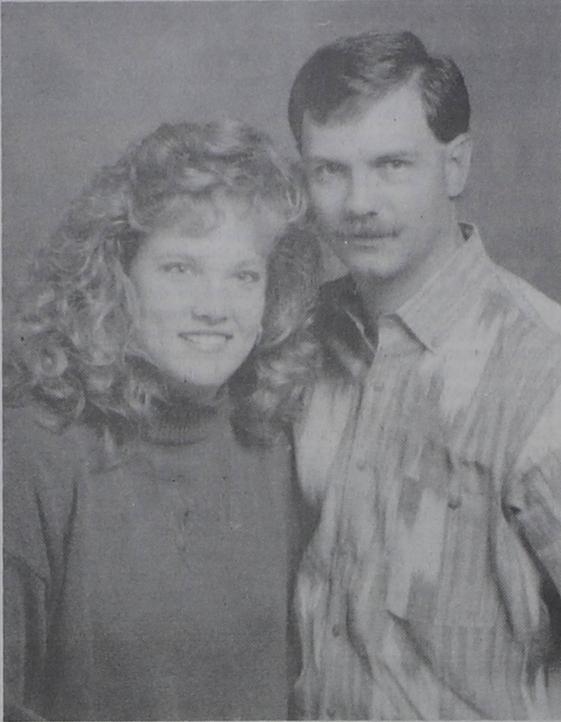

September 25--Louisa Wilson, Dr. Robert Alexander, Robert Alexander, Jr., Erma Raymond.

September 26--Christopher Alexander, Mike Chaney, Chris Barnett, Craig Cranfill, Janie Gonzales, Brent Hinkle, Waymon Wilkins, Addie Moyer, Hector Perez, Kyla Graham, Rachel Clark, Krista Graham, Eunice Widmire.

September 27--Patty Corbell, Dwayne Ridley, Walter Schueler, Logan Bingham, William Osborn.

September 28--Florence Sifford, Keith Black, Virginia Jennings, Kyle Wilkins, Wesley Foster, David Wilkerson, Cindy Mata.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Wednesday noon and report it.

BENA LEANNE BRONNIMAN and JERRY DON GLASSCOCK....Mr. and Mrs. Oscar Bronniman, Jr. of Friona announce the engagement and approaching marriage of their daughter, Bena Leanne, to Jerry Don Glasscock. He is the son of Melvin Glasscock of Sonora and the late Mrs. Melvin Glasscock. The couple will exchange wedding vows Saturday, November 16 in the Sixth Street Church of Christ in Friona. The bride-elect is a student at Tarleton State University, Stephenville. The prospective bridegroom is employed by Norton Company, Stephenville. No invitations will be sent locally. All friends are invited to attend.

State Officer Visits Lodges

The Friona Oddfellows and Rebekahs lodges were honored with a visit by R.A. "Hank" Henry, Grand Master of the Independent Order of Oddfellows of Texas, Thursday evening, September 12.

The meeting was attended by members of the Oddfellows and Re-

bekahs lodges from Friona, Amarillo, Muleshoe and Hereford.

Other Grand Lodge and Past Grand Lodge officers attending were: Tim Schuster, Past Grand Master; Leslie Lambert, Grand Herald; Arnold Gross, District Deputy Grand Master of District 3; and Ben Conklin, Past Grand Patriarch of the Cantons of Texas. Edna Schuster, past president of the Rebekah assembly of Texas, and Wilma Wise, District 3 Rebekah assembly deputy president, also attended.

The Grand Master gave a very impressive talk on Oddfellowship and reported on the Oddfellows and Rebekahs Home for the aged and the nursing home in Ennis, Texas.

The Friona Rebekahs served a delicious meal to those attending.

IKE STEVENS

Allocate Your Assets Into Different Baskets

One of today's most familiar money-management terms is "asset allocation." It has a certain ring that sends many prospective investors scurrying to financial planners. Although "asset allocation" may sound more important than "diversification," the technique is still the same--don't put all your eggs into one basket.

Diversifying, or allocating, your assets involves investing in a wide range of products, including stocks, bonds, real estate, precious metals and more. Each offers unique benefits, depending on the overall climate of the economy. Since it is virtually impossible to accurately predict future economic conditions,

experts suggest taking a diversified approach--invest in several different areas so that an incorrect choice or poor timing does not mean financial disaster.

This system proved very effective in 1990, when assets divided equally between stocks and bonds would have made money on the year. Although the stocks in the Standard & Poor's 500 Index fell 3.1 percent, 30-year U.S. Treasury bonds had a total return of 4.8 percent, resulting in a net gain of 1.7 percent.

This was not a fluke. In 60 of the past 65 years, either stocks or bonds (or both) have gone up. The last time stock and bond indices fell in the same year was in 1977.

Unfortunately, many investors are reluctant to invest in bonds because they do not understand them. They view bonds as inconvenient because of the large sums of money needed to buy them. Additionally, they mistakenly believe that bonds must be kept for years before they get their money back. None of this, of course, is correct, but investors tend to avoid what they do not understand. Planning based on such misinformation could impede financial success.

For those who are uncomfortable owning individual bonds, bond funds offer a reasonable alternative. Recent figures from the Investment Company Institute, the reporting and information source of the mutual fund industry, shows that investors now have more money in bond and income funds than in equities, \$319 billion vs. \$239 billion.

Regardless of the allocation mix, concentrating assets too heavily in one particular type of investment increases the risk of being at the mercy of specific events. The October 1987 crash, for example, saw stocks take the biggest one-day plunge in history, while bonds were rising. Just as the fear of recession may depress stock prices, it may also lower interest rates, causing bond prices to rise.

The investment lesson here is diversification or asset allocation. It is a message you will continue to hear, but don't let fancy names confuse you. It still means don't put all your eggs into one basket.

You worked hard for your money. Now why don't you make it work hard for you. 7.3% Certificate of Deposit.

If you're just saving money, you're losing money. Let me show you how you can earn a higher rate of interest for a better return with insured certificates of deposit. Call me today for all the details.

Town Talk

By June Floyd

Call 247-3681 With Your News Items

Out-of-town visitors in the home of Hazel Weir last week were Mr. and Mrs. K.D. Stone of Howard-wick, Texas; Mr. and Mrs. Kenneth Durstine of McAllen, Texas; and Mrs. Leta Kaul of Hereford.

The Stones, former Friona residents, have lived in Farwell, Plainview and Amarillo since they lived here. However, more recently they moved to their present home on Greenbelt Lake in Donley County.

K.D., who was in the service station business here...first as a partner with the late Sam Weir and later a partner with Alvin Gaines, has retired.

Hazel said, "They needed to live where K.D. could fish and grow a garden, so he and Inez moved out on the lake and are enjoying living there very much."

The Stones also visited in the home of Selma Habbinga while they were here.

Incidentally, we're losing Hazel as a subscriber to the Friona Star. I'm sure she is one of our oldest subscribers from the standpoint of time. When she was asked how long she had been a subscriber, she replied:

"Well, I don't rightly know. It has been so long since Scotty and I first started subscribing that I can't even remember it. It seems like Uncle John White was the editor at that time, but I'm not even real sure of that."

She went on to say, "It's not that I'm mad about anything or don't like the paper, but I just can't see well enough to read it any more."

Jay and Gay Henderson and son, Jace, of Plainview, Texas, were weekend visitors in the homes of Mr. and Mrs. Bob Wyly and Mr. and Mrs. John Baxter and children.

Gay is the Wyly's oldest daughter. Jay was the guest speaker at Tenth Street Church of Christ Sunday.

Roy and Carolyn Trimmell, who live in the Rhea community, visited in the home of her parents, Mr. and Mrs. Elvin Johnston, in Amarillo, Sunday.

Johnston, a former Friona resident, had surgery at St. Anthony's Hospital Tuesday and was released Saturday.

Carolyn reports that her father is making satisfactory recovery.

Robin Crunclenton of Midland, Texas, was a weekend guest in the home of her parents, Mr. and Mrs. Robert Zetzsche.

Enroute to Friona, she visited in the home of Mr. and Mrs. Bobby Zetzsche and daughters, who live in Lubbock, and was accompanied to Friona by the two oldest girls, Kendy and Tiemey.

Sunday, September 22 is Bill Stewart's birthday. This time he's chalking up ninety-two. On Monday, he reported that he had already had his birthday party.

His daughter, Billie Chandler, who lives in Santa Fe, New Mexico, along with his granddaughter and great-granddaughter, Melanie Chandler and Nicole Dewey, both of Phoenix, Arizona, have been visiting here.

He said, "Since Melanie has her birthday September 14, and Nicole has hers September 2, we just had a joint celebration while they were here."

Jim Hartman, who is in the process of moving from Atlanta, Georgia to the New York City area, has been visiting in the home of his aunt, Oleta Houser.

While Jim was here, he and Oleta spent a few days in Albuquerque, New Mexico, visiting in the homes of Mr. and Mrs. Buddy Witherspoon, Neal Witherspoon and other kith and kin in the Duke City.

Recent out-of-town visitors in the home of Ilene Osborn have been Mr. and Mrs. William Osborn and daughter, Catherine, who live in Austin, Texas.

Marlene Drake is at home again. She has been down to Waco, Texas, for a visit in the home of Bobby, David and Lacey Drake. While she was there, she and Lacey attended a very colorful celebration at West, Texas.

West is a Czechoslovakian town and its annual West Fest draws

Call us with your news items. We want to include all your family's happenings in our next issue.

people from far and near. The parade and other festivities are very colorful and a lot of residents wear authentic Czechoslovakian costumes.

Marlene also visited in the home of Ralph and Waneta Taylor, former Friona residents, who now live in DeSota, Texas.

Enroute home, she stopped at Sterling City, Texas, for a visit in the home of Todd and Lezli Thurman and children, Sykeshia and Drake. Lezli is the daughter of Larry and Gloria Drake of Stratford, Texas, and Marlene's granddaughter.

Earlier this summer, Marlene and her two Friona grandchildren, Wes and Misty Drake, spent ten days visiting in the home of Mr. and Mrs. Bob Bedgood, who live in Fort Washington, Maryland. Mrs. Bedgood is Marlene's sister.

They did a lot of sightseeing in that area. Some of the most interesting places they visited included Lancaster County and Hershey, Pennsylvania; Mount Vernon, the Vietnam Memorial, the F.B.I. Building, the Ford Theatre, the Lincoln and Jefferson Memorials and the White House.

Marlene reported that one of the most impressive things she had ever seen was the President's Own Marine Band and Bugle Corps.

She also reported, "One of the things I enjoyed most was a visit to the office of Ted Sanders." I think his title is Deputy Commissioner of Education. At any rate, he's second in command in the United States educational system.

Most of our readers probably already know that Ted is a Friona High School graduate and the son of Jay Sanders of Seymour, Texas, and the late Phyllis Sanders.

Joint memorial services for four Conoco executives and their wives, who lost their lives when a plane crashed on the Island of Borneo in Maylasia recently, were held last Thursday morning in Houston.

Two of them, Kent and Connie Bowden, were the parents of Barry Bowden. Private services were conducted for them that afternoon.

Immediate survivors are Barry and

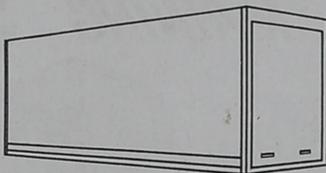

Tracy Horton Bowden of Dallas and Bob, Cibby and Tyler Danyla of Breckenridge, Colorado.

Mildred May attended funeral services for a brother, Charley Shotts of Chickasha, Oklahoma, there Tuesday, September 10.

She also visited a sister, Ann Graham, who lives at Rush Springs, Oklahoma.

Ann had surgery at Oklahoma City recently. Her son and daughter-in-law, Sterling and Joy Graham, spent a couple of days with her recently.

Micro Dieter of
the Year 1990

Keep those pounds off for good with The Amazing Micro Diet, the sensational weight control program that's taking the world by storm. No calories to count, no foods to weigh and no need to go hungry while you lose an average of 14 lbs per month. Already thousands of Americans are calling The Amazing Micro Diet the most effective and affordable plan ever!

What's the secret? It's all in our delicious selection of convenient Micro meals, which provide 100% of the Recommended Dietary Allowances of vitamins, minerals and trace elements in three fully satisfying and delicious meals a day. What's more, there's no picking and choosing items from the supermarket. Just help yourself to a pre-packaged selection and enjoy your meal. You even have your own personal weight loss Advisor to help you every step of the way at no cost to you.

The world's most medically-tested, weight-loss method

No other way to lose weight has been so thoroughly researched and clinically-tested as the method upon which The Amazing Micro Diet is based. The result: it's safe, it's easy, and it works! With our full motivational support, even people who have failed dismally on other programs can lose weight quickly and permanently. Send now for our FREE facts!

Here's what just a few of our successful dieters are saying about The Amazing Micro Diet:

"It was fantastic! With The Micro Diet, I didn't feel hungry all the time. I never felt sick, and I had loads of energy. It's changed my entire life."
-Patti Carlson, Illinois Weight Loss: 115 lbs

"I feel like a new person. I am no longer on blood pressure medication and I don't suffer from shortness of breath. I'm having more fun now than ever before!"
-Sal Serio, Florida Weight Loss: 92 lbs

"I have tried all the other big name programs, but I couldn't stick to them. I decided to give The Micro Diet a shot -- and six months later I'm 93 lbs lighter!"
-Marion Ward, Virginia Weight Loss: 93 lbs

Compare the costs! No contracts to sign...you buy only what you want. No other complete diet system has lower prices.

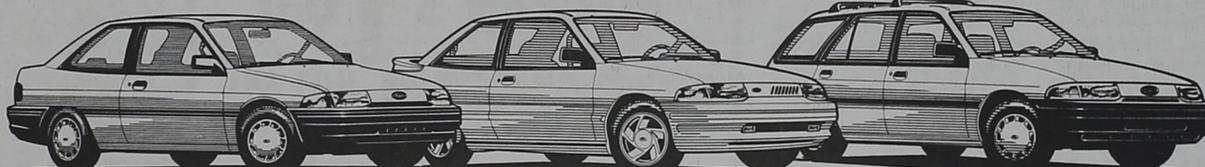

As seen on The
Amazing Micro Diet Show

"Believe me, with The Micro Diet you can succeed. Go for it!"

YOUR EYES

KIDS AND CONTACTS

Many youngsters today -- even very young ones -- are wearing contact lenses successfully. Today's lenses are more comfortable than ever, and disposables obviate the need for special care. What contacts especially offer is enhanced self-esteem for the child and improved self-image in an environment where a child with glasses might still be ridiculed. Contacts may be safer than conventional glasses, too, because they don't get knocked off or broken during play. Optometrists are able to examine and prescribe for very young children -- even those who cannot read or describe what they can and cannot see. If impaired vision is corrected in time, seeing well enough to read the blackboard may improve a child's chances of learning to read well and get good grades. Visual development may not keep up with rapid growth spurts, so it is extra-important to plan regular complete eye examinations.
