CHAMBER OF

Don't forget that next Wednesday, April 24th, is the date of the District Convention of the West Texas Chamber of Commerce at Tahoka, and that we should be in attendance with a large delegation.

Also remember that the Get-Together Banquet of the local Chamber of Commerce and Terry County Farmers is slated for the same night and that it will be held in the Hankins Bldg. just east of the Rialto Theatre at 8 P. M. under the direction of the 4-H Clubs of the county. Citizens are urged to purchase a ticket to the banquet and will be visited by the secretary of the chamber of commerce or some member of the committee.

Upon account of the fact that the streets have been marked and houses numbered together with the sidewalks that are now constructed, it has been found that we are entitled to free city mail delivery by one carrier and that we will be allowed an additional carrier as soon as a few hundred more sidewalks are constructed, which from indications will not be long as dealers report numbers of people having material figured for the purpose.

It has been definitely decided that our County Fair will be held on Friday and Saturday, September 28 and 29. The Panhandle & South Plains Fair will open on September 30th and as we desire to place an exhibit with them, it will be necessary for us to place ours two days earlier than they. Work on the catalog and premium list will be commenced within the next few days and it is expected to have it off the press and in circulation early in May in order that our people may plan the planting of any special stuff. The premium list will be larger this year, that is the different divisions will be enlarged and prizes will be offered in all of them including flowers. Officials of the fair are in correspondence with several amusement companies and good clean wholesome fun will be provided as well as a fireworks display each night and the displays will be enlarged over the one of last year.

Another highway which includes Brownfield on its route is being developed and if present plans are carried out, it will be one of the most important of the several that have been approved by us and is calculated to divert a great amount of travel from other highways that are becoming congested. The route as planned is routed by way of Texarkana, Mt. Pleasant, Mt. Vernon, Sulphur Springs, Greenville, Farmersville, McKinney, Frisco, Denton, Decatur, Bridgeport, Throckmorton, Haskell, Rule, Aspermont, Jayton, Clairmont, Post, Tahoka, Brownfield, Plains, Roswell and intervening points. It has a Federal and State designation for the entire distance, with the exception of a section between Throckmorton and Graham, and as all towns along the line are enthusiastically supporting it, it is thought that very little difficulty will be encountered in securing approval by the highway department and designation of the short section mentioned.

We are also working on the designation of a highway from Hereford to Lamesa, by way of Littlefield and Levelland and it is being enthusiastically supported by every chamber of commerce and other organization along its line.

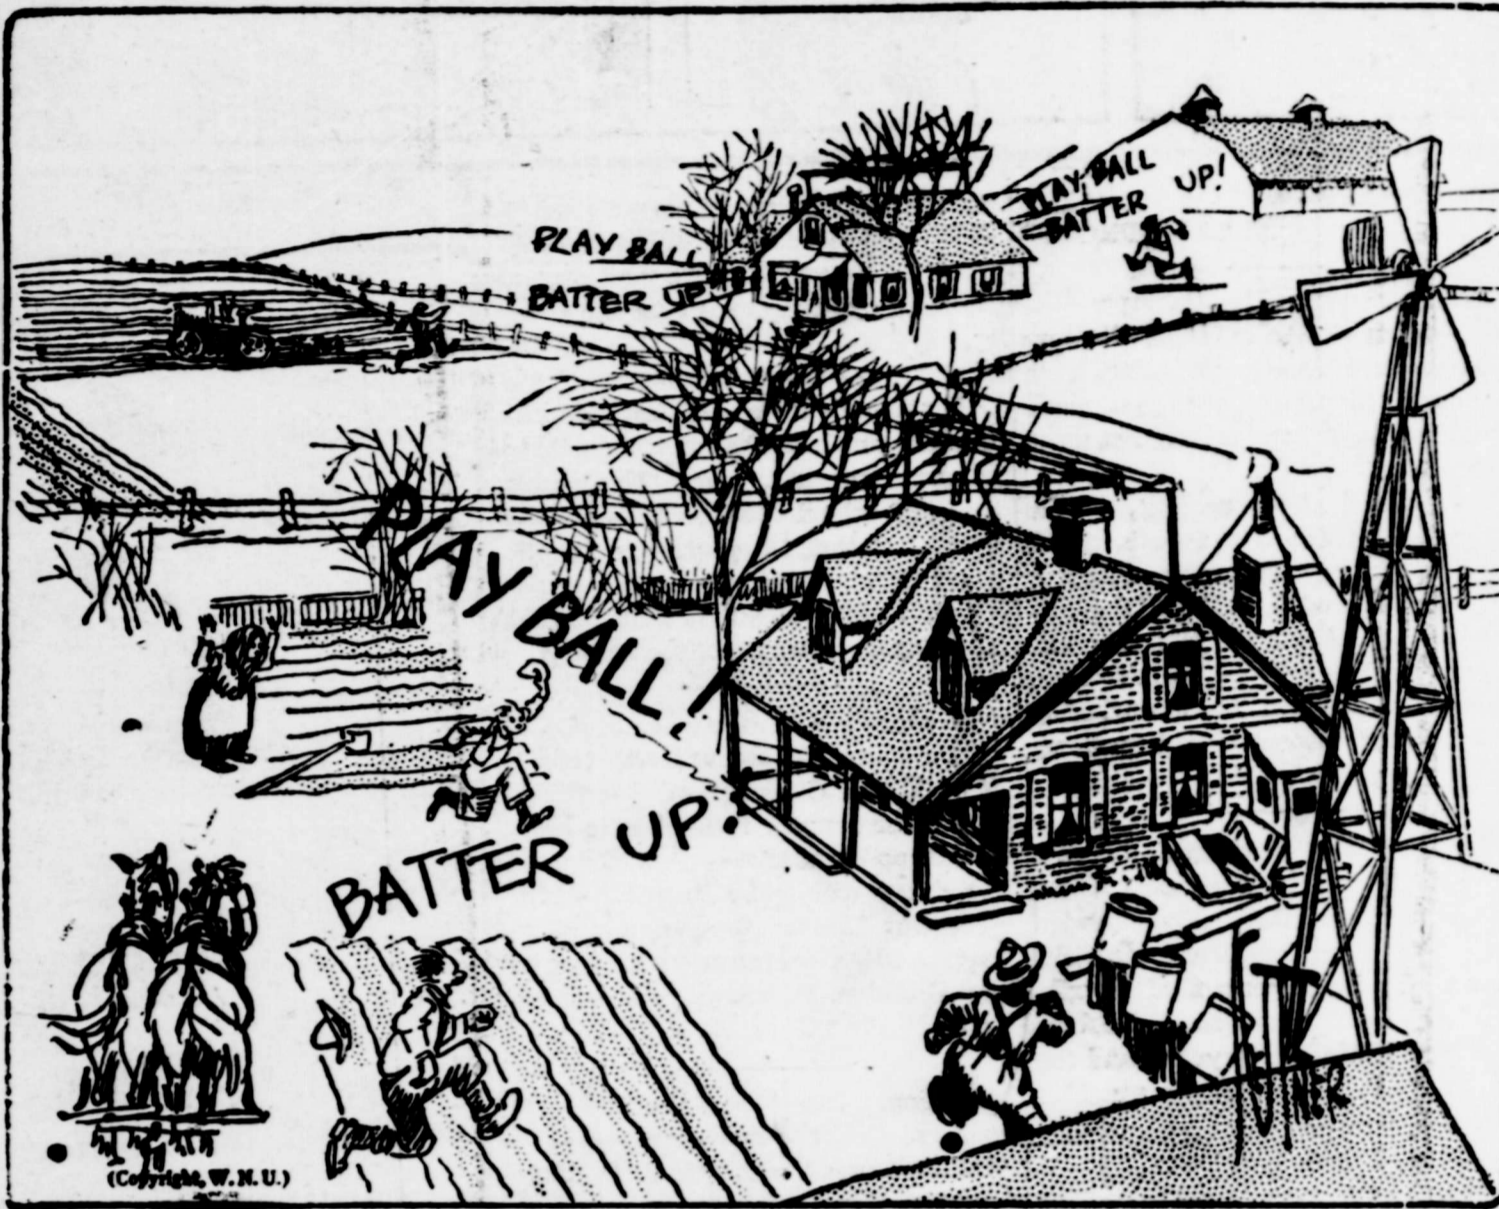

Terry County Singing Convention Here Sun.

The spring session of the Terry County Singing Convention will meet here Sunday for an all day session, at the grade school auditorium, and every one is cordially invited to come and bring dinner as dinner will be spread at noon for the crowd.

This is the first time the convention has met here in about two years and those who love singings and singing conventions are expected to be here in great numbers, and it therefore behooves all to bring plenty of lunch not only for their own families, but also for visitors from a distance.

Spring Work Gets Its First Setback

Spending Millions of Dollars For Airports

We note that cities all over the country, many of them in West Texas are now spending hundreds of thousands of dollars for airport sites. For instance, Abilene will vote in the near future on \$100,000 in bonds for a sight and hangars for planes, and other cities like Snyder, Colorado City, Big Spring and Lubbock are spending a lot of money for landing fields and hangars.

Up to a few months ago, we thought it would be months, perhaps years before this city would be called upon to prepare anything of the sort, but air transportation is developing so fast that it is almost miraculous. Indeed, it is developing much faster than did the automobile in its infancy. Many people are now traveling from point to point in the air. This means of travel, however, has never appealed to your truly, and we don't suppose it ever will, but that does not hinder others from doing so.

In view of these facts, even though at present we are on a branch line of railroad, personally, we believe the time has come for the citizens of Brownfield to wake up to the fact that it had best make arrangements for a landing field before land reaches the value it always is around cities, for a landing field to be of real value must be so located that it is easily reached by good road from the city. Some land could be purchased on easy payment plan, or option taken on a site for a number of years. We don't believe in taking too much land, either, for it is our opinion, and our opinion may not be worth much either, that much less landing space will be required for planes in the next few years than present models.

But when we have expanded to real city proportions, and then we suddenly find we must have a field, we will have to go down in our jeans about \$35,000 worth, like Abilene.

Pentecostal Meeting In Progress Here

Rev. J. B. Mullins, of Silvertown, Texas, began a meeting here last week for the Pentecostal denomination, the services being held at the Presbyterian church. We understand that the meeting will continue on over Sunday of this week. Possibly longer.

Notice of this meeting should have appeared in these columns last week, but in the rush of getting out the paper, it was overlooked, and the Herald begs these people to forgive the seeming slight, which we assure them was not intended.

Commissioners Leave Names of 2 Popular City Streets Changed For Post Tuesday

On: Commissioners Court, including the County Judge, left Tuesday morning of this week for Post, Texas, where we understand they will meet the Commissioners Courts of Lubbock, Lynn and Garza in an effort to try to get the county line disputes straightened out without some costly law suits. There has for years existed a dispute about the line of Lynn and Garza counties, and the fact that it ran to the north line of these two counties, it also involved Lubbock county in the dispute.

County Judge H. R. Winston informed us recently that Terry county was shy about sixteen sections of land somewhere, and an effort was going to be made to recover it. He was not certain what adjoining county had our land, if he did he failed to express any opinion at that time. He, however, informed us that the Land Commissioner, J. T. Robison, at Austin, informed him a few months ago that the county lines of Terry could never be established until the northeast corner of Lynn county was finally established, but then it would be an easy matter.

We hope the matter can be settled without resorting to expensive suits. In fact it looks to us like the counties involved could go in and hire a surveyor that could be recommended by the State Land Office, and get him to run out and establish the lines and corners if he had to go back to Texarkana to get his start, and this would likely be cheaper on them than a long drawn out suit, and leave a better taste in the mouths of these counties toward each other, which have to be neighbors with each other as long as time goes on. But then, on the other hand, maybe the new lines would not suit all of them.

Mr. and Mrs. Chas. Randal, of Seymour, were here the first of the week visiting their brother and sister, Mr. and Mrs. J. L. Randal.

Names of 2 Popular City Streets Changed

Petitioners bearing almost a unanimous expression of the resident property tax payers of two of our popular streets met Tuesday morning with the city council in the offices of the city secretary, and handed in petitions asking that the names of these two streets be changed in order that it could be wired to Oklahoma in time to get the correct new names in the new city directory in time for publication.

The names of the two streets changed were Hardin and Small, the new name for the former being Main, and for the latter Broadway. The four councilmen present voted unanimously for the change. As we understand the matter, the resident property taxpayers on these two streets had nothing against the parties for whom the streets were originally named, but as both streets penetrate the business section, they wanted them named more like other cities. Neither did the city council view the matter in any other light than to comply with the unanimous wish of those who live on these streets and are improving them.

The new signs for the renaming of the streets at each corner is to be paid for by the owners of property on these streets and will not cost the city a penny. This will be in charge of the people who are putting out the directory as soon as they return from Oklahoma. It is also our understanding that in the future any transfer of property on these two streets will have to put a short addition in their abstracts showing that the name of the street has been changed, which will cost an addition of perhaps 25c to 50c.

Brownfield is or was one of the few of the few towns that did not sport a Main street as well as a Broadway, and other high or big sounding names, but it has them now.

John Gracey, of the Needmore community, was in Tuesday and reported that he had planted some corn and maize.

Election Ordered to Vote Paving Bonds

At a recent session of the city council of the city of Brownfield, an election was called for the 20th day of May for the purpose of voting the sum of \$60,000.00 in bonds for the paving of 20 blocks in the city of Brownfield, it being left up to competent engineers where it will be most needed. At the last election last fall, the same issue was defeated by only a small majority, about thirty we believe, and since that time many have changed their opinion, we understand, and it is thought the issue can be put over nicely this time.

Last fall at the time of calling the election, it looked as if we were going to make a big cotton crop, but by the time the election was pulled off, the crop had greatly depreciated, but perhaps if the voters who really, under favorable circumstances, favored it, could have been permitted to look into the future and have seen that we really were not badly hurt, the election tide would have been turned last year. For they did not see the consequences of a large feed and corn crop, or the stimulating effect of some \$20,000.00 worth of produce from Terry county farms each week.

Just so in any bonding election, one should not look just to the immediate future, for these bonds are payable over many years of time instead of all at once, this fall or next. In the course of their payment, there will be good years and bad ones, and no two of them will hardly be alike, or have the same effect upon the citizenship. For instance, this year starts out by giving promise of being one of the most prosperous in years, but no human can see the end of the year or what the harvest will be. You just have to run chances like you do on your private affairs.

Another reason the issue was defeated last fall, we understand, was that little information was available as to where the paving was to go. However, the city had maps made for the benefit of those who would inform themselves, but few knew their location, or put themselves to the trouble of finding out and informing themselves. We understand that this will be remedied this time. Maps showing the proposed paving era will be put at convenient places, and the voters will be told through these columns where to find them.

While the Herald has never been much on heavy bond issues, it nevertheless is constantly reminded of the fact that one sometimes has to spend a dollar in order to make two others. It has learned in the past year that there are really big concerns wishing to invest in our city that are holding back on account of the fact that we do not appear progressive ourselves. It knows that our biggest hotel would not have been built at the time it was had the owners know we would have been this long about paving. We have also learned that a great many farmers in our trade territory are concerning themselves about paving here. Many of them have asked the Herald how it stood on the issue the past few weeks. They are tired of wading mud in order to trade here, they inform us. We should take their requests in consideration if we really appreciate their trade, for without them we would be only a wide place in the road.

If we want to impress those who wish to invest in our city we must show that we have some faith in the future of the town ourselves. No one here who have opposed our progressive steps, such as light, water or sewerage, would now vote to dispose of them and go back to villagehood. Let's do some more toward placing our city on par with neighboring cities of the same size.

MERGER OF TWO OIL CONCERNS REACHED

DENVER, April 9. (AP)—The Denver News will say tomorrow that an agreement for merger of the Continental Oil company of Denver with the Marland Oil company has been reached by officials of the two concerns, according to reports from sources close to the management of both companies.

Will Cunningham was in from the Lou community Tuesday and reported that he had been planting corn.

Lubbock to Entertain South Plains Bankers

Next Monday, April 22nd, the Lubbock Bankers will be hosts to the bankers of some seventeen counties of the South Plains Region. The meeting was scheduled for San Jacinto Day, April 21st, this falling on Sunday, the banks will observe Monday the following day as a holiday.

The meeting of the South Plains Bankers Association at Lubbock, Monday 22nd, will have a very interesting program, such speakers as Josh Lee of the University of Oklahoma and other Texas speakers will appear on the program. During the afternoon the bankers will be entertained by the Lubbock Bankers. Our local bankers will be in attendance.

The officers of the association are, C. F. Drexel, V. P. of Citizens National Bank, Lubbock, President; O. P. Thrane, V. P. Snyder National Bank, Snyder, Texas, Vice-Pres.; and Morgan L. Copeland, Cashier Brownfield State Bank, Secretary-Treasurer.

Ready to Give Brownfield City Delivery

Postmaster Claude Jones informed us this week that a Postal Inspector was here last week to give him the first over since he became our postmaster. So far as Mr. Jones knows, the inspector found everything to his notion, as no complaints were registered. In fact in some things the new postmaster was commended.

The inspector informed Mr. Jones that Brownfield was now ready for city delivery, and all they would have to do was to make application for same, that he was ready without further ado to sign up and recommend same, for our mail business has now reached the point that we are entitled to free delivery and he was ready to start at least one man on a route in the city. Mr. Jones informed us that the business for the post office for the first three months of this year was about \$1,500.00 over that of the corresponding period last year, which shows that Brownfield is growing fast.

The Postal Authorities used to require so much side walks before giving delivery, but Mr. Jones said that they were remitting a lot of that in the dryer regions of the west, and in view of the fact that we were numbering our houses and putting up street signs, entitled us to city delivery.

Phillips Petroleum Co. Building Modern Sta.

The old offices of the Forrest Lumber Co., which for the past two years has been used by Hardin-Burnett for their filling station, and the agency for Studebaker cars, is being moved from its foundation this week some 75 feet east to give room for one of the most modern filling stations on the Plains.

The Phillips Petroleum Co., have purchased 60x60 feet on the corner of Fourth and Main Streets for this thoroughly modern filling station, which is said to be an exact duplicate of two or three they have built in the best sections of Lubbock and other Plains cities. When this station is completed, it will add greatly to that section of the city.

We did not learn who would have charge of the station, but Mr. Roy Harris is the local manager of the wholesale station here of the Phillips interests, and we are sure he will see to it that some one who will give real service will have charge of the station.

TWO LOCAL STUDENTS TO TECH MAKE HONOR ROLL

A note from the Texas Technological College at Lubbock this week said that Adolphus Smith and James H. Dallas had made the honor roll for the winter term, the former with a B average and the latter with a B plus average.

Sunday was rather cooler here, especially in the afternoon after a light shower followed by a norther struck us. Just out of town, quite a nice shower according to travelers.

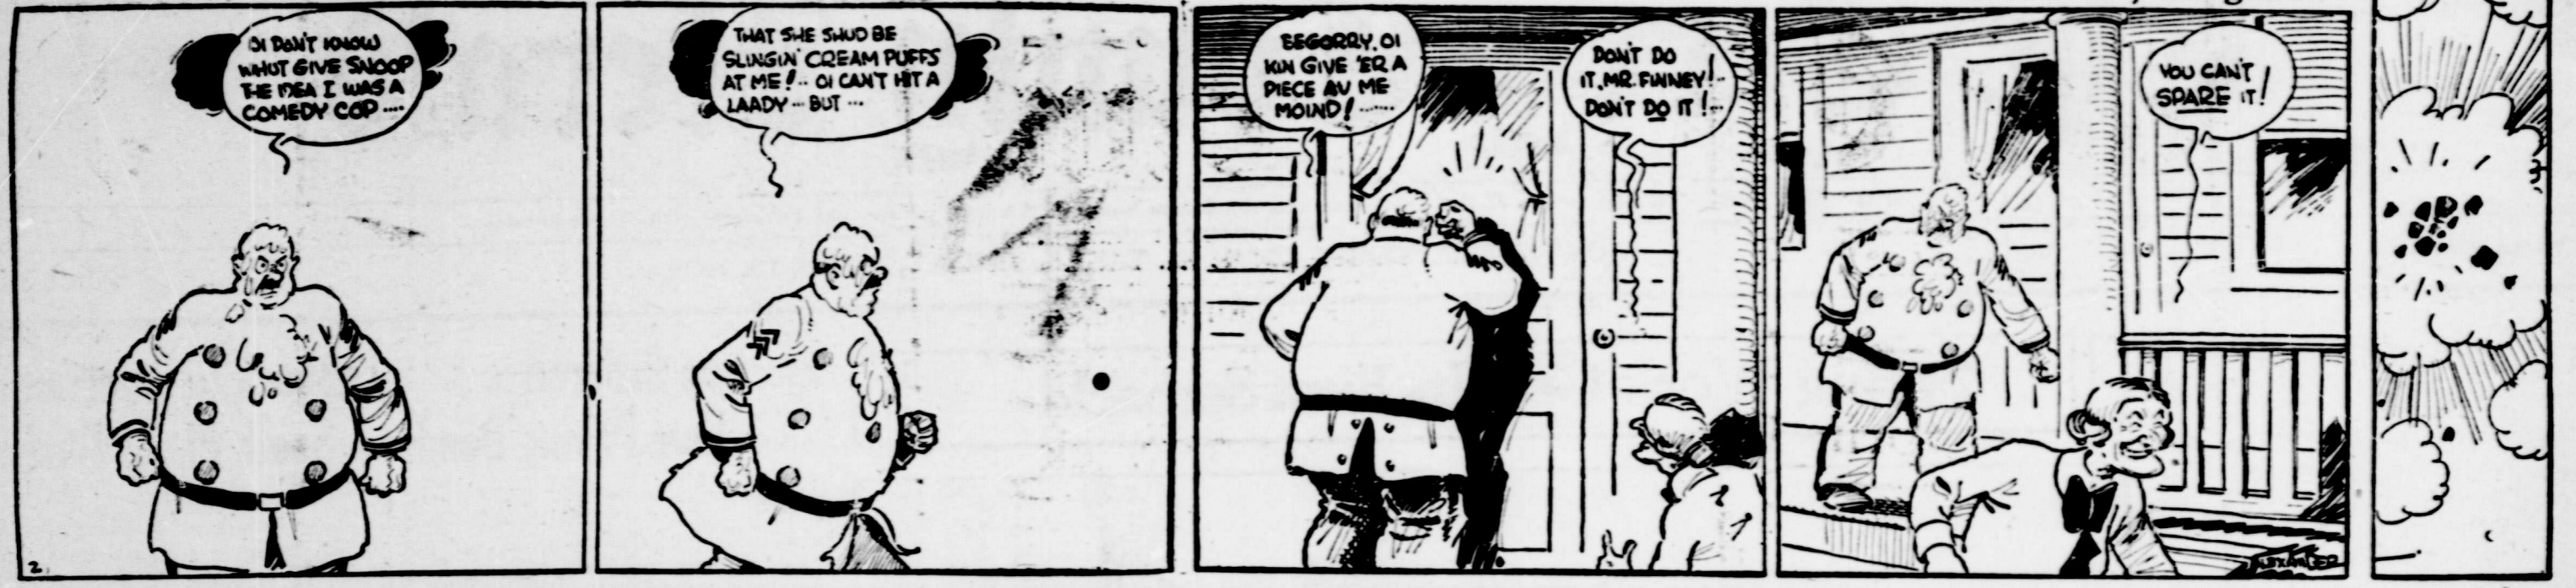

HOLIDAY NOTICE

San Jacinto Day, April 21st falling on Sunday the banks of Brownfield will observe Monday, April 22nd as a Legal Holiday by remaining closed all day. Our customers are respectfully requested to arrange their business accordingly.

MEXICAN GIRL IS "BULLET-PROOF"

NACO, Sonora, Mexico, Apr. 6.—(AP)—One of the greatest displays of courage during today's battle in the Naco federal trenches was made by a Mexican girl apparently not more than 16.

She walked alone, upright, on the firing step of the east trench, shook her fist at the advancing, shooting rebel troops and hurled shrill maledictions on them. Repeatedly the heated "soldadera" was pulled down behind the earthen breastworks by soldiers, but always she leaped up again. She was not hit.

Tulia's two mile caravan of cars filled with representatives to the Panhandle Plains Dairy Show, headed by the Tulia Band returned after the show with a large percent of the ribbons offered. Two championships were won by Tulia Dairymen, and the coveted P. C. Bennet trophy was also won.

Iowa Park is already making plans for her fair next fall. A committee to look after spacious grounds and ample housing quarters has been appointed. Attention will be paid to educational features and exhibits, some of them being by school children.

Pecos, with the completion of a \$40,000.00 tourist camp to be known as Beacon Camp will have one of the most modern and convenient camps in the country. It will have 20 suites and 20 rooms, equipped with garages, children's play grounds, etc. It will be opened by May 1st.

Floydada's first First Monday drew a large crowd, and nearly \$4,000.00 worth of every kind of goods needed on the farm was sold at the auction

which featured the afternoon's entertainment. Merchants of the town financed the auction sale and spread advertising of the event over the county.

Levelland's latest scholastic census showed an increase of thirty-three percent over last year. This shows that 206 school children between the ages of 7 and 18 years are in the community. An increase in population in proportion would indicate that 12,600 people reside in the county.

El Paso will be the scene of the eleventh annual convention of the West Texas Chamber of Commerce late in the summer instead of in May. It is hoped that the postponement of the dates will make it possible for President Hoover to attend and to participate in the convention, and in the Gadsden Purchase commemoration.

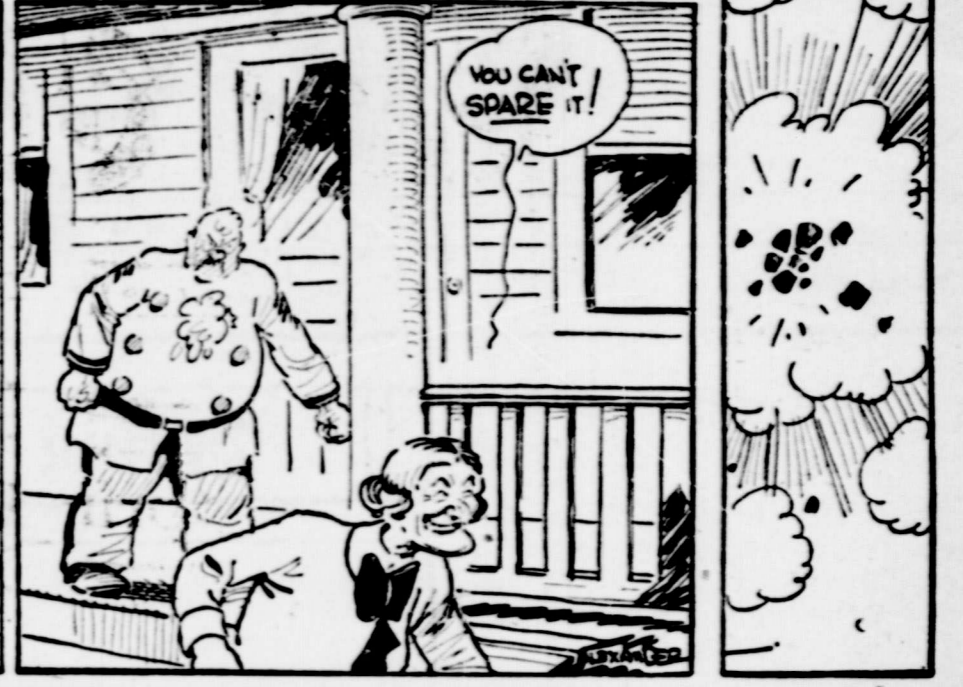

Ballinger entertained the Mid-Texas Educational Association recently. Addresses were made by J. D. Motley, Secretary of the Chamber of Commerce, A. B. Oliver, principal of the Santa Anna schools, Prof. J. J. Brown of Texas A. & M. College, Dr. F. C. Ayer, University of Texas and Dr. T. D. Brooks, Baylor University.

The Olney Interprise, local weekly newspaper has changed hands, Geo. T. Spears of Breckenridge becoming owner of the paper which Ralph Shuffler established twenty years ago, and has been managing ever since. No change will be made in the personnel of the organization.

In the early days of Texas, cattle were so cheap they were killed for the hides alone.

Baptist Mission Study Institute Next Week

The Brownfield Associational W. M. U. will have its annual Mission Study Institute at Brownfield on April 25 and 26.

The purpose of this Mission Study Institute is to train women of our churches who will come back home and organize and help to carry on the W. M. U. The W. M. U. when fully graded, has an organization for children and young people of all ages as well as for the women. Thus the women have the privilege of training in missions and of studying how to promote missions. Mission Study also includes study in Prayer, Stewardship and Bible Study.

The W. M. S. and Y. W. A. will have their class together and will study "The Story of Missions" by White. Their teacher will be Mrs. E. W. Provence of Lubbock. The Intermediate workers will study "Livingstone the Pathfinder" by Matthews, and their teacher will be Mrs. H. F. Caveness of Tahoka. The Junior workers will study "The Upward Climb" by Sara Haskins, and their teacher will be Mrs. Joe Wilson of O'Donnell. The Sunbeam workers will study "The Call Drum" (Teacher's Edition) by Entwistle and their teacher will be Mrs. E. C. Foster of Slaton.

These books may be had from the Baptist Book Store, 1019 Main St., Dallas, Texas. The price of the first book is sixty cents and the price for each of the other books is seventy-five cents. Please get these books and read them before you come to the Institute. If it is not possible for you to do this we will have some books at the same price at the Institute. The following is the suggested program:

Morning
 9:30—10:25 Class period.
 10:25—10:35 Recess.
 10:35—10:55 Devotional.
 10:55—11:50 Class period.
 12:00—Lunch.

Afternoon
 12:10—12:30 Inspirational Address—Miss Annie Long.
 1:00—1:55 Open class: The Why and How of Mission Study—Mrs. E. W. Provence.
 1:55—2:05 Recess.
 2:05—2:55 Class period.
 2:55—3:05 Recess.
 3:05—4:00 Class period.

There will be an address on the night of April 25. Come and stay for all of it if possible, but if necessary you may come from home each day.

Let us make this second Mission Study Institute one which will greatly advance Christ's kingdom in our association.

True Blue Girls

The True Blue Girls of Mrs. Ivy Savage's class gave a party at the home of Mrs. Mary Green's last Friday night. Mrs. Jack Holt's and Mrs. Lewis' classes were invited. Games were enjoyed until about 10 o'clock then apples and candy were served to Juanita Bailey, Stella Mae Parks, Janet Brown, Juanita Tankersley, Elwena Whiznant, Lurline Lauderdale, Mary Jane Letsinger, Geneva Webb, Ruth Adms, Mary Dee Price, Syble Jones, Annie Letha Hamilton, Venus Cason, Lucille Burnett, Bonnie Bell Lee, Mitchell Flache, O. "HUNTER HAPPY HUSTLERS"

Hunter has a prominent 4-H club now. We organized last Friday, April 11. This is our first year of club work, however I believe we are going to have a good club because all the members are very enthusiastic about the work.

We had Mr. Davis with us and with his help were able to get eleven members.

We elected Garland Walsler for our President, Viola Hight, secretary and Hayden Kemp, Reporter.

Our meeting Monday, April 15, resulted in gaining four more members, making 14 members now.

The best vaudeville show that has ever visited Brownfield was here for two night last week, and good crowds attended both nights. It is reported that one of our fine citizens was disappointed for awhile, but finally recovered, and let the show go on, for even the comedians on the stage stopped—not to laugh at themselves—but got tickled at the citizen laughing at them. The editor of this sheet is somewhat jealous, as he has held down the laughter record here for many years, assisted by H. H. Longbrake and Aut Graham. Now our laurels go to another.

SHERIFF'S SALE

The State of Texas, County of Terry.

Whereas, by virtue of an execution and order of sale issued out of the district Court of Terry County, Texas, on a judgment rendered in said Court on the 15th day of February A. D. 1929, in favor of Brownfield Independent School Dist. and against J. M. Williams No. 1063 on the Docket of said Court, and to me, as Sheriff, directed and delivered, I did, on the 23rd day of March A. D. 1929 at 11 o'clock A. M., levy upon the following described tracts and parcels of land situated in Terry County, Texas, and belonging to J. M. Williams to-wit: Lots Number Eleven and Twelve in Block No. 83 of the original Town of Brownfield, Terry County, Texas on the 7th day of May A. D. 1929 being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on

said day, at the Courthouse door of Terry County, Texas, in the town of Brownfield, I will offer for sale and sell at public auction, for cash, all the right title, and interest of the said J. M. Williams in and to said property.

Witness my hand, this 10th day of April A. D. 1929.

J. M. Telford, Sheriff of Terry County, Texas.

NOTICE OF SHERIFF'S SALE

State of Texas, County of Terry. By virtue of an Order of Sale issued out of the District Court of Terry County, Texas, on the 7th day of March, 1929, on a judgment rendered in said Court on the 15th day of February, 1929, in favor of Nelson W. Willard against John Mullins, C. M. Fields, and V. C. King, No. 1107 on the Docket of said Court, for Three Thousand Four Hundred Three and 88-100 (\$3403.88) Dollars, with interest and costs, and for foreclosure of the vendor's and deed of trust liens on the Northeast Quarter (NE 1/4) of Section No. One Hundred Fifty eight (158) Block D-11, less the Railroad right of way, thereon, containing 152.6 acres of land, in Terry County, Texas, against the above named defendants, and C. Wendlandt, A. W. Speckels, Walter Staehely and Theo. W. Carter, I did on the 7th day of March, 1929, at 10:00 o'clock A. M. Levy upon the above described property, and on the 7th day of May, 1929, being the first Tuesday of said month between 10:00 o'clock A. M. and 4:00 o'clock P. M. on said day, I will offer for sale and sell at public auction for cash, at the Court House Door of Terry County, Texas, in the Town of Brownfield, all the right title and interest of the above named defendants in and to the above described tract of land.

Witness my hand this the 2nd day of April, 1929.

Official paper of Terry County.

Well, we at least have one candidate for Governor next year in the offing. Former Mayor Oscar Holcombe, of Houston, has decided that he is the man to save the state for two years. Well, he might not be so bad after all, for he has made Houston, a good, business mayor for the past eight years. But he is mighty far from us, and if he has not traveled extensively, may decide this is still a land of bad cowboys and wild Indians, and give us no heed. Remains to be seen.

In the passing of Senator Joseph Weldon Bailey, the state loses one of its most interesting and at the same time best posted citizens. One of the strangest things about Sen. Bailey, was the fact that his bitterest political enemies had to acknowledge that he was one of the brainiest men ever before the American public, and whether you liked him or agreed or disagreed with him, he would interest you as a debater or platform orator. It was one time written to one of the New York papers by one of its Washington correspondents, when both Bailey and Culberson were in their prime that Texas was the best represented state in the union in the Senate. His only regret was that New York did not have their equals.

Everything now gives promise of one of the largest fruit crops ever harvested in Terry County. Every variety of fruit, including those that seldom ever have anything on them, and that have been the despair of orchardists here since the settlement of the county began, are hanging full of fruit this year, and unless we have an unusually late spring freeze, the fruit crop this year will be the talk of this section for years to come. In 1918 we believe, we had a bad freeze early in May, but there never has been another year on record with a freeze so late anywhere in Texas, that we are aware of.

"Why We Trade At Brownfield" might be the title of a theme for a contest by our merchants, offering attractive prizes to the pupils of our rural schools for the best, second best, third best, etc. Anyway, the young man who is taking a farm census jointly for the Tudor Sales Co., and the local chamber of commerce, has come to the conclusion that the above is a very interesting study even among the farmers themselves in Terry county. He informed us that he had never seriously thought about why we have such large Saturday crowds here until he got out in the various points of the county and found the reason. One of the questions propounded is, "Where do you do your trading," or "What town is your trading point." He says that no matter in what section of the county he is in, the answer is that they are nearer so and so, but they do most of their trading Saturdays at Brownfield because our mer-

chants offer special prices that not only pay the gas and oil bills for them to come here, but extra money besides, and that they can get what they want here. Lots of times new people, who have only been here a few weeks come in to subscribe for the Herald, saying that the news features in it will not right then appeal to them very much as they know so few people, but that mainly they want the Herald for the specials the merchants are offering.

GYP SHOWS

Jayton of late has been the unsuspecting victim of quite a number of "Gyp Shows" and we think, personally it is about time someone raised a howl.

About every so often a nicely decorated car comes to town, and goes around tooting a horn, etc., and gets quite a crowd to the local theatre by advertising some high class picture, when in fact they only have a cheap imitation to say the least. Some bird buys an old film of the vintage about pre-Volstead and gives it a high sounding name similar to some picture that is running in the larger cities and goes around to all of the smaller towns and "cleans up." Personally we think a much more honest way of making a living is to take a gun and rob people honestly!

So folks, it seems as there is only one way to stop such "frisking" and that is: next time one of these band wagons come to town, pay no attention to it whatever popular name it may have, or how appealing the supposed theme might be, just stay "to home" and read a dime novel and we'll guarantee you will have a higher class of entertainment, and what's more you suffer no disappointment and add nothing to the coffers of some gyp showman.—Ed. Jr. in Jayton Chronicle.

All right-thinking people, wet or dry, disapprove and deplore the terrible tragedy enacted by peace officers at Aurora, Illinois, a couple of weeks ago when they raided the home of an alleged boot-legger, knocked him down, crushing his skull, when he showed resistance, and then shot the wife and mother in the home when she apparently reached for the dying man's gun. All good people too admire the loyalty and "nerve" of the little son of the slain parents who then seized a gun and wounded one of the assaulting officers. The act of these enforcement officers was so unusual and apparently so uncalled for as to call forth the condemnation of the nation. The lesson we should get from this is that it is always dangerous to elect or appoint as peace officers hot-headed, excitable, or over-bearing men. Positions of this kind require the services of cool-headed, sensible, considerate men—men who not only obey the laws themselves but who have a proper regard for the rights of others, even of those suspected or accused of crime. It is to be hoped that the courts mete out to those "peace" officers the punishment that their crime deserves.—Tahoka News.

The city council at Roscoe voted to present each member of the town's volunteer fire department with a \$2,000 accident policy covering accidents while on duty. It is a worthy move. Often we do not appreciate the work of the volunteer firemen. He runs the risk of being killed or suffering injuries every time the alarm is sounded. His work is one of civic pride and duty.—Merkel Mail.

SANDY'S SHORT STORY

"There are four requisites to a good short story," explained the English teacher to the class. "Brevity, a reference to religion, some association with royalty, and an illustration of modesty. Now with these four things in mind, I will give you 30 minutes to write a story."

Ten minutes later the hand of Sandy went up.

"That is fine, Sandy," she complimented, "and now read your story to the class."

Sandy read: "My Gawd, said the sountess, take your hand off my knee."

CONSTITUTIONAL AMENDMENT

H. J. R. No. 7.
A joint resolution proposing an amendment to Section 5 of Article 4 of the Constitution of the State of Texas fixing the salary of the Governor; providing for its submission to the voters of the State of Texas as required by the Constitution, and making appropriation therefor.

Be It Resolved By The Legislature of The State of Texas:
Section 1. That Section 5 of Article 4 of the Constitution of the State of Texas be so amended as to hereafter read as follows:
"Section 5. The Governor shall, at stated times, receive as compensation for his services an annual salary

of Ten Thousand Dollars and no more and shall have the use and occupation of the Governor's Mansion, fixtures and furniture; provided that this amendment shall not become effective until the third Tuesday in January, 1931."

Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on July 16, 1929, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment to the Constitution of the State of Texas fixing the salary of the Governor." And those voters opposing said proposed amendment shall write or have printed on their ballots the words: "Against the amendment to the Constitution of the State of Texas fixing

ELECTRICITY MAY BE BROADCAST BY RADIO

The possibility of broadcasting electric power by means of radio waves in sufficient quantity to be of commercial value was forecast by Dr. Phillips Thomas, research engineer of the Westinghouse Electric Company, in an address before the St. Louis electrical Board of Trade.

Dr. Thomas, who invented the first microphone to broadcast very faint sounds such as heart beats, has devoted considerable time to research in the field of power broadcasting by radio.

By means of a small oscillator, similar to the large ones which give out the electrical waves used in radio broadcasting, which was set up on a table at one end of the long dining room, Dr. Thomas demonstrated that the waves of electrical energy given out by such a machine would light small incandescent lamps brought within the wave field.

A bulb was mounted on a small copper rod, and when the latter was placed in the right position in the wave field, the bulb burned brightly.

The waves used in power broadcasting, however, are very short, differing in this respect from the wave used in radio broadcasting. The length of the wave generated by the small machine used by Dr. Thomas was two meters, and to be of practical value, the waves would have to be about four inches in length, he said.

"The length of a wave depends on the frequency of the oscillations," explained Dr. Thomas, "and the obstacle which now confronts us is the mechanical difficulty of constructing a vacuum tube which will oscillate with the high frequency necessary to produce four-inch waves.

"The entire work is still in the experimental stage. The shortest wave which I have been able to produce yet is about 32 inches, which will generate about 100 kilowatts of power. That would be a mere handful, and of no commercial value."

Should the broadcasting of power become a reality it would not be broadcast indiscriminately, Dr. Thomas said, but would be directed toward the home of a consumer in the form of a beam, and the apparatus which would be necessary to receive it would be in the nature of a mirror the length of the electrical wave.

Meadow Briefs

By Ansculapian

MEADOW BRIEFS

The papers this morning tell us that our former U. S. Senator Joseph Weldon Bailey closed his earthly career at Sherman, Texas, Saturday the thirteenth after a court room speech.

Thus has ended the career of a very remarkable man, one of the Sons of the Old South who loved his section and its traditions to the day of his death. A democrat of the old school he believed in the Doctrine of State Rights, Local Self Government, the liberty of the citizen to eat and drink what he pleased and conduct his life in his own way so long as he did not infringe the rights and liberties of others.

He lived however to see the General Government usurp pretty much all the powers of the states and the statutory attempt to make the habits of the individual subservient to the will of the majority of the states. To his credit he never failed to denounce it and warn us of the trouble ahead.

In ten short years we have seen the criminal element increased by fifty percent, we have seen in that time many men and women also who had previously borne good character sent to prison for violation of the prohibition law, daily the sanctity of the home is invaded by hirelings in search of hidden intoxicants and the government taking the lead in poisoning its citizens. Do christian men and women get any glory out of it? No statute can make a crime in fact out of an action that is not in itself, personally injuring the individual or taking something of value without their consent. Men and women of all classes continue to drink intoxicants in open violation of the law. They will undoubtedly continue to do so and take the consequences when caught.

The Baptist Brethren have had a meeting in progress during the past week. The Rev. Horton of Plainview did the preaching. The attendance was good and the preaching above the average but there were no additions to the church. Doubtless there was good done as a result of his ministrations hence we would not call his efforts a failure.

Our City Council recently revoked their traffic regulations as there was much dissatisfaction among out of town visitors to the berg and it was felt that harm might result from enforcement. So let all who were scared at the possibility of violating the regulations and being made pay for your carelessness, come right along and drive and park where ever fancy dictates.

Sunday afternoon a cloud about as large as a couple saddle blankets came by and hailed the mischief out of a few gardens and knocked off considerable fruit.

The trustees, I understand, have offered the old teachers their places another year if they desire to remain. We have had a good school for the past two years and I am glad the old bunch are to be retained.

A baseball club has been organized and practice commenced. One gentleman-bystander caught a foul on his right cheek, Saturday afternoon and put his eye in eclipse. Unless spectators could learn not to crowd the lines accidents will continue to mar the pleasures of the game.

ELBERT HUBBARD

Wherever he went admirers said: "Why, Mr. Hubbard, how young you look! You do not look a day older than when I saw you twenty years ago. How do you do it, busy as you are and as hard as you work?"

Here was his secret (for as he himself has said, a secret is something that you tell somebody else and that somebody else tells somebody else until finally everybody knows it):

"Eat less and breathe more. Worry less and work more. Hate less and love more. Complain less and laugh more. Nothing is so hygienic as happiness. Good cheer is prophylactic."

"I say, mamma," asked little Tommy, "do fairy talks always begin with 'Once upon a time'?"

"No, dear; not always," replied mamma, "They sometimes begin with 'My love, I have been detained at the office again tonight.'"

Anson's growing interest in aviation has been acted upon by the Lion's Club of that city which appointed a committee from its members to finance the clearing and marking of a field just east of the city limits. The name of the town will be painted in large letters on the top of some building.

for planting and seed bed preparation

ONE FEATURE of the Case 2-Row Lister you'll like right off the bat is the heavy tongue truck with reversible gang wheels which steadies the machine and prevents weaving motion and pole lashing. This is especially important when bursting ridges or when planting.

There are other outstanding advantages too—particularly its extremely simple construction. It is smooth-running, easily handled. Covers a lot of ground in jig time and does a fine job on a wheatland lister with planting attachment removed.

You can easily change spacing because beams are not fastened to the axles. There are 2 variable drop planting attachments—one for corn and one for corn and cotton—take your choice. Also plates for kafir and similar crops. Popular types of subsoilers and covers are available.

Let us show you this long lasting quality-built money and time saver—drop in soon. Best of service in farm implements.

OLE AT DE CORNER STORE

Vell, by yumpin yiminee, Aye tank Aye an't tal you bout Yim Johnson. Jim he run store down road yust bout mile, and odder night yust ven Aye tank Aye gat chores done and gat to bad kinda early, Olga she say, "Ole, Aye want you to go down to corner store and gat me some shuff for bakin."

Vell, Aye tank, by yudus, Aye walk down to store. Aye knows yust how mach yolk it bane to walk down dar; but ven Aye have to shart old ford vonce to go down and vonce to come back, den Aye an't know how mach yob dat bane.

Aye gats down to store and dar bane bunch of fallers sattin round chewin tobacco and spittin tobacco yuice in box vat Yim got by stove wid sawdust in it. And by yumpin yiminee, how dem fallers can spit too. Dar bane von faller by name of Louis Yohnson and Aye tank he spit bout a rod, maybe, but yust same he hit box all right.

Vell, Aye tank Aye an't gat stuff and go back right away. Dey was all purty good fallers sattin round, so Aye tank Aye sat round too, maybe Aye learn something. Den yust bout time Aye gat perched up on coun-ter

wid rast of fallers, Bill Bullace he come in wid basket of eggs on arm; and Yim he run around and take the basket. Bill he say, "How mach bane eggs bringin now?" And Yim he say, "Dey bane thirty-tra cants a dozen." Bill he say, "Yumpin yiminee, Aye tank Aye ought to get more mon-ey as dat. Aye tank Aye an't able to broduce eggs for dat." Yim he say, "You an't have broduce 'em; de hen she do dat anyway." And Bill he say, "Vell, by yudus, you now vat it manes yust same. It manes full days work for hen for every egg she lay." And Yim he say, "Vell, anyway, Bill, you an't gat any kick acomin ven Aye gives you tirty-tra cants a dozen. Aye lene girvin you bout twenty-two cants for pint of vater vat hen she put in it, cause de egg it bane yust bout sixty-sax per cant vater." Den Bill he say, "Vell, by yudus, dey bane von ting, de hens dey gat planty vater after dis, you bat your life on dat."

"Vell," Yim say, "speakin bout chickens and all dat, Aye no-tice von ting. Most everybody is gattin purty inter-ested in cows nowadays. Aye an't know if it bane source of profitable income or to yust have something tok cool off dar tea and keep de cat contented."

And Bill Bullace he speak up. He

say, "Yah, but yust same Aye can remember times ven cows bane yust cows, eider-red cow or brindle cow or spot-ted cow. But it bane all different nowadays. Every cow she got her pedi-gree now. Dar vas all pedigrees and cow tasin and records and everything now."

And der Yim he say, "Vell, Ole, speakin bout pedigree, dey tal me you got purty good bunch of cows dar, too, up by your house. You belong to tasin association." And Aye say, "You bat your life, Aye belong to cow tasin association. Aye an't keep lot of scrub cows round yust for fun of milkin. Aye an't want to go out and milk and bring all milk back in yust von pail." And den he say, "Vell, vat it cost you to belong to association?" And Aye say, "It cost me about four dollars each month vat faller comes round." And den he say, "You have to keep him all night too? You have to give him his board besides dat?" "Yah," Aye say, "but dat bane nothin, cause ve got de board anyway."

"Vell," Louis say, "Aye keep a bunch of cows too; but Aye an't pay four dollars yust to know vat dey vas adoin lak dat, cause Aye an't make wery mach mon-ey from 'em anyway." Aye say, "Vell, dat bane yust de reason. Maybe, you got tra or four odders bane makin." "Vell," he say, "Aye an't care anyway cause Aye an't want to sallow any of 'em." But he say, "Aye an't know if de pasture keeps gettin shorter all de time maybe Aye vill have to spill some of 'em, yust de same. Ven Aye turn cows out on pasture dey yump right up on milk so Aye bane gattin bout four cans a day; but now dey bane down again so dey an't give only bout two cans." And Aye say, "How many you bane milkin?" He say, "Vell, Aye an't milkin only tirteen. Von bane a heifer and von of 'em she ban old and den dar bane two or tra vat bane yust bout dry," and ye tank all of em bane most dry. But Aye an't tal it to him.

"Vell," Yen Yensen he say, "you fallers hear bout Yene Smith? He tast his cows for T. B. and he lost de nicest von he have in whole bunch." Bill he say, "Vell, Aye know von ting. Dey an't tast my cows. Aye know bout Yene Smith too; and dey put a great brand on cow and dey tal him to go up to slaughter yards wid her; and she an't bring him wery mach mon-ey atal. By yumpin yiminee, if faller come to my place and tal me Aye got to tast, Aye tank Aye gat

out oldshotgun and Aye shoot him, dat bane yal Aye do." "Vell," Yim Yohnson he say,—Yim bane faller vat run de store—he say, "Now, look har, Bill. You wouldn't do nothin of de kind. You live har yust bout twenty-sax yar now and Aye know you bane damn good faller; and now you gat on coun-ter and spit tobacco yuice and try to make some fallers tank you bane some rough old sun-ot-shot-gun. Don't you know," Yim say, "dat cows dey have dat tuber-culosis? And faller vat bane studyin it all de time, dey tal us dat dat can come trough de milk to de human bein's. And maybe you could gat it, or maybe Annie could gat it. (Annie she bane Bill's wife), and maybe lettle Yunion he could gat it. Anyvay dey say de lettle fallers dey gat it batter as big fallers—dey gat it more quicky as big fallers." And ven he say sometin bout Yunion, dat he might have T. B. den Aye n-tice Bill he scrutch down a lettle bit and tears come in eyes. Yim he say, "Aye know damn vell you an't shoot faller vat come cause you ban too good faller; and anodder ting Aye know too, Bill Bullace, you an't van't your lettle Yunion boy to gat bad disease and die maybe. And Bill Bullace you bane too good faller and you an't want my lettle boy or any odder body's lettle boy to gat trouble yust cause yur cow got bad disease. Mopey an't mane cyeryting."

And purty-ty quick Aye no-tice all fallers tank dey have to go home. And forst von he slide off of de counter and sneak out from door; and den anodder and purty-ty quick dar an't any of us left dar. But yust same Aye tal you von ting. Aye make up mind right den dat Aye tal Olga ve gat our cows tasted yust so quick some ve can.

CONSTITUTIONAL AMENDMENT

HJR No. 6
A joint resolution proposing an amendment to the Constitution of the State of Texas providing for a Supreme Court of nine members, and for continuous session of that Court. Be it resolved by the Legislature of

the State of Texas:

Section 1. That Sections 2 and 3 of Article 5 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Article 5, Section 2. The Supreme Court shall consist of a Chief Justice and eight Associate Justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case; in other matters, until otherwise provided by Law, the jurisdiction of the Court shall be exercised under such regulations and orders as the Court by a majority vote may prescribe. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he be, at the time of his election, a citizen of the United States and of this State and unless he shall have attained the age of thirty years, and shall have been a practicing lawyer or a judge of a court, or such lawyer and judge together at least seven years. Said Chief Justice and Associate Justices shall be elected by the qualified voters of the State at a general election, shall hold their offices six years, or until their successors are elected and qualified, and shall receive such compensation as may be provided by law. In case of a vacancy in the office of Chief Justice of the Supreme Court, the Governor shall fill the vacancy until the next general election for State officers, and at such general election the vacancy for the unexpired term shall be filled by election by the qualified voters of the State. The Judges of the Supreme Court who may be in office at the time this amendment takes effect shall continue in office until the expiration of their term of office under the present Constitution, and until their successors are elected and qualified. When this amendment takes effect, the Governor shall immediately appoint six additional Associate Justices of the Supreme Court for terms of office so that the terms of two of such appointed Associate Justices shall expire with the term of office of each of the present members of the Supreme Court, and, upon the qualification of such new Justices, the Commission of Appeals of the State of Texas shall terminate."

"Article V, Section 3. The Supreme Court shall appellate jurisdiction only except as herein specified, which shall be co-extensive with the limits of the State. Its appellate jurisdiction shall extend to questions of law rising in cases of which the Courts of Civil Appeals have appellate jurisdiction under such restrictions and regulations as the Legislature may prescribe. Until otherwise provided by law, the appellate jurisdiction of the Supreme Court shall extend to questions of law arising in the cases in the Courts of Civil Appeals in which the Judges of any Court of Civil Appeals may disagree or where the several Courts of Civil Appeals may hold differently on the same question of law, or where a Statute of the State is held void, and shall extend to such other questions

as may be within the Court's Appellate Jurisdiction under the Statutes of the State in force when this amendment takes effect. The Supreme Court and the Justices thereof shall have power to issue writs of habeas corpus, as may be prescribed by Law, and under such regulations as may be prescribed by Law, the said Court and the Justices thereof may issue the writs of mandamus, procedendo, certiorari and such other writs, as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified, except as against the Governor of the State.

The Supreme Court shall have power, upon affidavit or otherwise as by the Court may be determined, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. The Supreme Court shall be open at all times and shall sit at the State Capitol for the transaction of business at such times as may be designated by the Court.

The Supreme Court shall appoint a clerk, who shall give bond in such manner as is now or may hereafter be required by law, and he may hold his office for four years and shall be subject to removal by said Court for good cause entered of record on the Minutes of said Court who shall receive such compensation as the Legislature may provide."

Sec. 2. Said proposed Constitutional amendments shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on Tuesday, July 16, 1929, at which election each voter opposing said proposed amendment shall scratch off of the ballot with a pen or pencil the following words printed on said ballot: "For the amendment to the State Constitution providing for a Supreme Court of nine members, and for continuous session of that Court," and each voter favoring said proposed amendment shall scratch off the ballot in the same manner the following words printed on said ballot: "Against the amendment to the State Constitution providing for a Supreme Court of nine members, and for continuous session of that Court." If it appears from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published and said election held as provided by the Constitution and Laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary is hereby appropriated out of the State Treasury to pay for the expenses of said publication and election.

Approved February 19, 1929.

Miss Banks: "How many senses are there?"
 Kyle: "Six."
 Miss Banks: "I only have five."
 Kyle: "Well I have six."

Miss Banks: "I think you are mistaken. I have five and five only. I have hearing sense, feeling sense, seeing sense, smelling sense and tasting sense."
 Kyle: "Well I still have six, I have feeling sense, hearing sense, seeing sense, smelling sense, tasting sense, and common sense."

Samuel: "I have a great burden off my shoulders."
 Otis: "What! You haven't lost part of your brain have you?"
 Samuel: "Oh no, I washed my neck."

Annie Letha: "I should think you would be ashamed to beg in this neighborhood."

Everyone most is planning to attend the Terry County Singing Convention at Brownfield next Sunday. We hope that we'll have a pretty day for it.

Tokio has a new addition in a blacksmith shop. Mr. Jesse Collins has put in a shop in the rear of the Tokio Garage. This will save the farmers time.

The B. Y. P. U. arrived at Wellman late Sunday night but rendered the program anyway. Wellman gave us a good crowd and treated us so nicely that we'll be tempted to go again sometime. We invite them to come to see us.

The Tokio Singing Class went to Johnson Sunday night. The singers report some good singing and a fine time.

Mr. J. M. Young who is in the Lubbock Sanitarium is fastly recovering from his operations. We hope to see him home again soon.

The party at Mr. Sam Day's last Saturday night was attended by a large crowd.

There was a baptizing at J. R. Trout's tank last Sunday evening at 4:00 o'clock.

**CHINESE NEW YEAR
COMES IN FEBRUARY**

Shanghai, China, Feb. 15, 1929.
C. F. O. Box No. 1234.

Dear Editor,

We are in the midst of the Chinese big feast—Chinese New Year. Every one's birthday comes on this day. Should a child be born in even the last hour of the last day of the old year it would be two years old on New Years. New Year came on Sunday, February 10th. Every store was closed. All work stopped. But it was not quiet! It was like many Fourth of July's in one. Oh! the fire-crackers!! At midnight I was wakened by a vast broadside of large and small fire-crackers and they kept it up for days. In the morning the ground was covered as by red snow—the "confetti" of exploded fire-works. Fire-crackers are but a part of the feast—the noisy part.

The last day of the year everybody is busy—the men at closing up their accounts. All bills must be collected and all debts paid. Woe be to the man who does not pay his debts. The women are very busy. The house must be made as clean as a pin and decorated, and the brooms hidden—bad luck if they appear on New Year. Before the New Year sun rises all kinds of food must be gotten ready! Guests—many will come during those days and they must be feasted. Few people see slumber the last night of the old year. But when the sun rises, calm reigns over the household. As

one walks out between 6 and 9 a. m. the whole town is asleep. Sunday indeed! But excitement arouses them and about 10 o'clock you'll find the streets alive with people dressed in their best "bib and tucker" and you hear, "Kong Hyi Fah-dzai"—"Congratulations and abounding wealth to you," shouted from one to another. The closed doors are plastered with appropriate sayings written on blood-red strips of paper. Go to open spaces of the city and see crowds encircling puppet shows, acrobats, monkey performers, squirming dragons, entertainers of all kinds, and peddlers of sweets and children's toys—Vanity Fair! Go to the temples and you find thousands burning incense and candles before all the idols, praying for wealth, old age and bliss.

One interesting god connected with the New Year is the god-of-wealth which is worshipped especially on the 5th—his birthday. The money spent on fire-crackers in his honor would pay China's national debt. Few begin work again until he is properly worshipped. Another is the kitchen-god. He is a paper god and sits over the stove in the kitchen where he spies on the doings of the family for a year. On the 23rd of the 12th month he is given a big feast. Sweet syrup is put on his mouth and he is put in a beautiful paper sedan chair and burned in glorious style, accompanied by fire-works—which is sending him to the Upper-god to report on their year's doings—all this fuss and sweetness is to bribe him to speak

well of their family to his majesty. When he returns on the last night of the old year—a new idol is bought and placed with little ceremony—in the old niche—it will be a year before he reports again—why "taffy" him now? Next to idol-worship gambling takes a big place in New Year celebrations—gambling everywhere! What they eat and drink, and the fire-crackers, and gambling, all, in some way or other, symbolize or point to the sound "Kao-sen"—excelsior! in the sense of rising high in wealth and station—especially in wealth. It's indeed! a wonderfully interesting time, and is indulged in even by beggars—for they receive a harvest of alms.

The National Government ordered that Chinese New Year should not be observed this year. It might as well have tried to turn back the greatest tidal wave of history! National

commands stop the observance of Chinese New Year's customs!! Only the conversion of these people to Christ will stop this idol worship and lead to the worship of the true God. And to us the glad part of it is that each year more leave the false and adopt the true as the Chinese one by one are born anew. We are not discouraged. Pray much for China. Kindest regards and best wishes.

Yours in Christ's glad service,
(Rev.) H. G. C. Hallock.

WE GAINED LEGION

It has frequently been stressed that this country did not enter the World War with an expectation of gain, and when hostilities ceased and treaties were being signed, the United

States took no new territories, demanded no trade concessions, sought no reparations. The war cost us millions and millions of dollars and thousands of lives, and out of it we took no material rewards.

More than ten years after the end of that struggle, however, it might be noted that this country gained one thing—an organization that is inestimable value. It is The American Legion. And every community where World War Veterans have organized Legion posts has gained thereby.

The service which the Legion has rendered in helping disabled veterans, in securing financial aid for widows and orphans of slain soldiers, in promoting patriotic enterprises, cannot be measured. As a national organization the Legion has many times over justified its existence, and is con-

In community activities Legion taining to do so.

posts are no less active, and we are coming to a fuller appreciation of their worth with the passing of time.

The Legion in Texas has striven mightily for community advancement. It did its share, perhaps more than its share, in making several municipal airports possible. It has been responsible, to a greater or lesser degree, for many other forward steps taken.

In speculating on the things that America "got" out of the World War, don't overlook the fact that we at least have the Legion, and that it is an asset not lightly to be passed over.

Texas has about 600 miles of street railways.

More than 537,000 Texas homes are served by electricity.

G. W. Stice, who carries the mail on the Tatum route, has become a reader of the Herald, as he got tired of borrowing his dad's paper.

**Terry Co. 4-H Clubs
To Serve Banquet**

The Board of Directors of the Brownfield Chamber of Commerce recently decided to have a County Wide Meeting in the form of a banquet on Wednesday night, April 24th. The meeting has a two-fold purpose, one to bring the business men and the farmers of Terry County together, the other purpose is to make it possible for Terry County to have judging teams at the Short Course at A. & M. College this summer.

This banquet is a County Meeting. It is not for the members of the local C. of C., for the business men of Brownfield, or for a few farmers, but is for all the business men and all the farmers of Terry County, in other words a Terry County Reunion.

Will it be worth coming too? Will it be worth the cost of a plate? Well you had better ask, Can I afford to Miss It?—or What will my life be worth if it is just impossible for me to come?

Could eighteen clubs with a membership of more than three-hundred boys and girls get behind anything without putting it over? That is the bunch that is guaranteeing that you will get your money's worth at the table and it is the same bunch that will help make it an enjoyable evening. This bunch is not only the cream of all Terry County but they are almost the whole county. You will be greatly disappointed if you fail to attend and get the spirit that the 4-H Clubs have.

There will be some out of the county men who will appear on the program and bring us something worth carrying home. Among these men will be Andy Bourland, Pres. of the West Texas C. of C., Homer D. Wade, Mgr. West Texas C. of C., Arthur P. Duggan, past President of the above organization and others who will make inspiring talks.

Mr. Bourland is a successful farmer who lives near Vernon. He will have a talk that will be of great interest to the farmers of this county. A long program is not planned but a few speeches together with plenty of excellent music, songs and yells by the club members will make this occasion one of benefit as well as a pleasure to everyone.

The entire proceeds from the sale of plates will go to the Terry County 4-H Clubs and will be used to defray the transportation of the members making the judging teams this year.

Ed. Newberry was in from the Union community Monday and informed us that his parents, Uncle Ike and wife, and brother, Clay and family, got in Sunday for South Texas, where they moved during the winter to make their home. They have returned to stay, and although they got in with the sandstorm from the cloud in the north Sunday, Ed said they seemed to be real tickled.

W. G. Hardin and family received a letter the past week from Sam Dillbeck who moved back to old Parker from here several years ago and has been ashamed of it ever since, but has not raked up the courage to return here yet, saying that we had forgotten to mention some guy that had moved back to Parker from here this winter. In fact, the fellow lived over in Yoakum, but maybe when he returns to this country, he'll call and get acquainted with us, Sam. We didn't know such a fellow existed. 'Taint like it uster be here Sam. Some people here now.

Mrs. J. T. Gainer, of Tatum, N. M., was here Sunday visiting with her friend, Mrs. Chas. Moore.

William Hardy, out on route one, is one of our new readers which we highly appreciate.

School Children Plan Beautiful Spring Festival

All of the teachers with Mrs. W. B. Toone as leader, and practically every child in school are planning a beautiful Spring festival Tuesday, April 30, out in the open when the May Queen will be crowned.

Much interest has been centered in the selection of the Fairy Queen, who is Miss Queenelle Sawyer, daughter of Mr. and Mrs. Arthur Sawyer, and the May Queen who is yet not decided upon. The Fairy Queen is elected from the Grammar School and the May Queen from the High School.

A duke and duchess from each of the neighboring schools will be invited to appear at the Court of the Queen.

These festivals have long become the symbol of spring when the whole earth proclaims that life has again conquered death.

Mrs. R. L. Harris Entertains Club

Mrs. R. L. Harris entertained the I-Deal Club Wednesday afternoon at her home in the west part of town at four o'clock.

Three tables were laid for bridge with table prizes which were corsages, going to Mrs. Holmes, Mrs. Self and Mrs. Bowers.

Returned From Hot Springs

Mr. H. W. McSpadden went to Hot Springs, New Mexico and returned Sunday night with Mrs. McSpadden who went to Hot Springs in a very bad condition of rheumatism. After taking the hot baths, she now seems perfectly well. Mrs. McSpadden's sister, Mrs. Glokler of Jacksboro returned with her.

Ladies Attend District W. M. U.

Mrs. J. T. Auburg, Mrs. W. W. Price, Mrs. Dunn and Mrs. W. H. Collins left Monday morning for Plainview to attend the annual district Women's Missionary Union. They report a very profitable and pleasant trip. Mrs. Leight, the State corresponding secretary spoke Tuesday on "Individual Responsibility." Her address is on the cooperative program.

Sunday School Class Shower Bride

The Philathea Sunday School Class of the Baptist church complimented Mrs. Bob Brown, who was Miss Bebe Auburg until her recent marriage, with a miscellaneous shower Tuesday evening at the home of Mrs. Clyde Bond. Many pretty gifts were received by the bride. Miss Lillie Mae Warren toasted the bride and Mrs. Ben Hilyard, the girls left behind. Punch and cake were served, Mrs. Dube Pyeatt and Mrs. Frank Ballard assisting Mrs. Bond in the serving. The class also went to see Mrs. Chris Quanto and her new baby. The guests were Misses Bernice Weldon, Irene Lindley, Marie Brown, Lela Duke, Lucy Drury, Lillie Mae Warren, and Mesdames Bob Brown, Orb Stice, Ike Bailey, J. B. Curtis, Frank Ballard, Dube Pyeatt, Marion Brown, Ben Hilyard and Clyde Bond.

Convention Delegates Return

Mrs. Lottie Head, financial secretary of the Woodmen Circle and Mrs. Cornelia Moore, Past Guardian, returned Friday night from the state convention of the Woodmen of the World and Woodmen Circle held April 8, 9, 10 and 11 at Mineral Wells. The program was dedicated to National Junior Past President Henrietta A. Thomas of Cleburne, affectionately known throughout the state as the "Mother of Texas Woodcraft." Mrs.

Thomas made an address at the convention. Seven other National officers were present.

The "Rainbow of Progress" march was an impressive presentation of several thousand applications by the delegates to the National officers. This month the drill teams of Texas are sponsoring the Rainbow of Progress Campaign and all applications received are in honor of National Drill Instructor Willard. May and June will be dedicated to Mrs. Thomas. The different months are dedicated to the National officers.

Mrs. Head complimented the juniors for their demonstration of ritualistic work in the competition drills in which the Blue Bonnet Drill Team of San Antonio won.

Many household linens, quilts, pillows, pictures and books were donated to the Home. The local grove giving 5 sheets, 6 pairs of pillow slips and 15 in cash. A large sum was raised for the Home.

The total combined membership in Texas is now 41,588, this being a gain of more than 5,000 since the last state convention held two years ago. Many Texas members are working for the trip which the society is offering to Sherman where the first building of the Woodmen Circle Home for aged members and orphan children is dedicated in May 1930. This trip, with all expenses paid, may be won by getting new members.

Senator Morris Shepherd and Sovereign Commander Fraser of Nebraska spoke on Woodcraft, Tuesday morning.

Mrs. Head and Mrs. Moore were accompanied by Mr. Head. On their return trip they visited Mrs. Moore's sister at Breckenridge.

Young Women's Missionary Society

The Young Women's Missionary Society met at the church Thursday afternoon in a business meeting and in study of "Foreign Religions" which was led by Mrs. J. B. Knight. Several interesting papers were read. Mrs. Downing and Mrs. Boone Hunter, conference delegates, gave a good report of the Missionary Conference at Plainview which they attended last week.

Several guests from the other Missionary Society were present. Members and guests were Mesdames J. C. Hunter Price, Hamilton, Ebone Hunter, Cecil Smith, Finney, Clyde Coleman, Knight, Alvin Owens, Davis, Thompson, Michie, Downing, Dodson, W. D. Smith, Wheeler and Misses Hester and Ballew.

The next meeting will be with Mrs. Stice in a study lesson with Mrs. Owens as leader.

Methodist Missionary Society

The Methodist Missionary Society met Monday afternoon at three o'clock at the church for a Missionary lesson on Africa which was led by Mrs. Wheeler. Present were Mesdames Webber, Powell, Linville, Jackson, Cleve Williams, Michie and Wheeler.

Officers of Terry Co. 4-H Clubs Hold Meet

The officers of the following clubs met in the district court room last Saturday afternoon. Brownfield Busy Boosters, Forrester Fearless Fighters, Gomez Go-Getters, Happy Handy Helpers, Harmony Hen Hog & Hominy, Hunter Happy Harvesters, Johnson Joyful Juniors, Lahey Lively Leaders, Needmore Merry Hustlers, Pleasant Valley Boosters, Prairie View Busy Bee Workers, Wellman Willing Workers, Terry's Best, Tokio Trophy Takers, and the Scudday Club. The clubs of Meadow, Chalis and Sawyer were not represented. You can look over the names which these clubs carry and tell that the clubs are composed of real live boys

and girls, and it was plainly shown in this meeting that the clubs of this county are going to make a better showing this year than the splendid start that was made a year ago. The eighteen community clubs above were organized into a County organization and the following officers elected: President, Harlan Howell; Vice President, Joseph Young; Secretary, Ray Brownfield; Reporter, Mildred Tapp. Harlan served as president of the Brownfield Club last year, was re-elected this year, was a member of the grain judging team that was fifth in the State last year and was a member of the Dairy Judging Team that won third place at Plainview recently. He is a steady and a persistent worker and the clubs have an excellent leader in Harlan. Joseph Young served as President of the Tokio Club last year, was re-

lected this year, and was a member of the livestock judging team that went to A. & M. College last summer. Joseph has made a very credible record as a club leader and will doubtless make a better one this year. Ray Brownfield was not in the club work last year but through hard work he made the dairy judging team and has the job as Vice Pres. of his club as well as the position of County Sec. Mildred Tapp, who was elected as County Reporter, served her club, Pleasant Valley, as secretary last year and was elected to the presidency this year. Mildred is an enthusiastic club worker and will make the county an excellent officer. These officers together with a board of directors, composed of one boy or girl from each club, together with the County Agent will outline the Club work for the year and they will with the cooperation of all the clubs

and club members will put over a program that will be a real benefit to Terry County. One of the first tasks that will be taken up and will be put over by the clubs is the serving of a banquet to the local C. of C. and farmers of Terry County on Wednesday night, April 24th. All of the proceeds from the sale of tickets will be given to the Terry County 4-H Clubs and will be used to pay the transportation of the judging teams to A. & M. College during the short course that will be held the last of July. There is one thing which if the merchants of Tahoka will lend their cooperation in that we can save the city several hundred dollars each month and perhaps thousands during the fall months. Never donate to any out-of-town advertisers, Societies and beggars of any kind unless they have a letter from the Chamber of Commerce stating that they have been investigated and found worthy. Your Secretary has had some very valuable experience in this line, and wishes to guard against your donating toward worthless institutions, of which there are many making this country. When they come to you just ask them if they have a letter from the Chamber of Commerce. If they do not have a letter on Chamber of Commerce stationery and signed by the Secretary simply tell them to come to the office for a letter, and they will be investigated before being given a letter.—Lynn County News. You will find, as most towns have found, that the beggars will soon quit coming to your town if they have to secure a letter from the Secretary of Chamber of Commerce before they can solicit funds, they know their case is not a worthy one, and they will pass the word along to other solicitors to "cut out Tahoka on their rounds." And the quicker the business men of Tahoka do as the above article states the better off they will be financially.—Lorenzo Tribune.

advisable to issue bonds of the said City for the purpose hereinafter mentioned:— Therefore, Be it ordained by the Mayor and City Council of the City of Brownfield, Texas:— That an election be held on the 20th day of May, A. D. 1929, at which election the following proposition shall be submitted:—"Shall the City Council of the City of Brownfield, Texas, be authorized to issue bonds of the City of Brownfield, Texas, in the sum of Sixty Thousand (\$60,000.00) dollars, payable as follows:— \$1,500.00 in each of the years 1930 to 1960, both inclusive, from the date thereof, bearing interest at the rate of five and one-half (5½) per cent per annum, payable semi-annually, and to levy a tax sufficient to pay the interest on said bonds, and to create a sinking fund sufficient to redeem them at maturity, for the purpose of constructing street improvements in said city as authorized by the Constitution and General laws of the State of Texas with reference to cities and towns. The said election shall be held in the Commissioners' Court room in the Courthouse in the City of Brownfield, Texas, and the following named persons are hereby appointed managers of said election: J. D. Miller, Presiding officer, J. E. Shelton and J. B. Knight, Judges Jake Hall and Leo Holmes, Clerks. The said election shall be held under the provisions of the Constitution and General Laws of the State of Texas, now in force with reference to such elections and bond issues, governing cities and towns, and only qualified voters who are property taxpayers of said City of Brownfield, Texas, shall be allowed to vote. All voters who favor the proposi-

tion to issue the bonds shall have written or printed on their ballots the words:—"For the issuance of Street Improvement bonds and the Levy of the Tax Therefor." And those opposed shall have written or printed on their ballots the words:—"Against the issuance of Street Improvement Bonds and the Levy of the Tax Therefor." The manner of holding said election shall be governed by the laws of the State of Texas governing general elections. A copy of this order signed by the mayor of the City of Brownfield, Texas, attested by the City Secretary of said City of Brownfield, Texas, shall serve as proper notice of said election. The mayor is authorized and directed to cause said notice of election to be posted at the courthouse door, and at one public place of each of the voting places in the City of Brownfield, Texas, for at least thirty full days prior to the date of said election. The Mayor is further authorized and directed to have said notice of election published in some newspaper of general circulation in said City, to-wit: The Terry County Herald, which notice shall be published once each week for four consecutive weeks to the date of said election, the date of the first publication being at least thirty full days before the date of the election. Joe, J. McGowan, Mayor Attest: City of Brownfield, Texas. Roy M. Herod, City Secretary, City of Brownfield, Texas. (Seal) 39c. Born to Mr. and Mrs. Jasper Proctor, on the 4th, an 8 lb. girl.

Model A Town Car Here On Display

A Lincoln dealer will be here April 22nd with a Model A Ford Town Car, which will be on display in our show rooms. It will be demonstrated to any prospective purchaser.

This Town Car is, as you know, our highest priced car, and delivers here for approximately \$1500.00. This price, of course, includes the bumpers, which are standard equipment, the sliding glass partition that separates the chauffeur from the passenger compartment, a high grade eight day clock, smoking and vanity sets, and the highest quality broadcloth trimming with colored hardware to match. The front compartment is upholstered in genuine long grain black leather. The body, of course, is custom-built by the Briggs Manufacturing Company, who have spared no expense in building into this car all the refinements and qualities embodied in the highest priced bodies. This Body is designed after the small chauffeur-driven cars of France, and represents the first quality body to be mounted on a small chassis in this country.

NEW AMARILLO CITY OFFICIALS AGREE

Col. Thompson, newly elected mayor of Amarillo and Commissioners Stone and Vernon have agreed to employ only taxpayers in city work. They will also have a monthly audit of the city books published in a local paper and will ask the newspapers to carry a report of all unfinished business to come before the commission each week in order that the public may know what business is to be transacted at each meeting. They report that all of their business will be done in the open.

ONE FOR PAT

An Irishman was seated in a train beside a pompous individual who was accompanied by a dog. "Foine dog ye have," said the Irishman. "Phwat kind is it?" "A cross between an Irishman and an ape," the man replied. "Shure, an' it's related to both of us," the Irishman rejoined.—Ancient Forester.
