

WHY WE SHOULD HAVE A HOME DEMONSTRATOR

One Lady Accepts Herald Challenge and Offers Some Real Arguments For a Home Demonstration Agent. We Anticipated This. Therefore the Challenge.

When we think of the enormous amount of work which the average housewife accomplishes daily on the farm and her lack of modern conveniences we wonder why every one does not see that a home demonstrator is needed to give her the help and training which will make her an efficient home builder. Her sister in town also needs the help of this home demonstrator, though not in so many ways, as a rule.

tests, this means the greatest improvement at the smallest expense. Eloise Lewis, a second year club girl of Scurry county chose to enter the gardening contest last year so that she and her parents could have leafy and succulent vegetables at least three times per week. She cleared from her garden \$126, besides canning \$75.00 worth of food products from the home garden and orchard. With all this she did not neglect her clothing work; it value was \$82.75, making her total for the year \$283.75.

Leading educators tell us that a large number of our school girls never reach high school and only about one out of every ten that finish high school ever enter college! We can readily see that comparatively few of our girls are receiving home economics training in our high schools and colleges.

In Garza County last year forty-one farm homes were brightened and made better work shops as a result of the county-wide kitchen contest in that county. Accounts of these and other prize winning contestants, written by the contestants themselves, makes interesting reading and we wish all of our readers might read each article in full but space forbids us going into details.

In experienced young women are daily taking up the responsibility of home making little dreaming of the heart aches they will feel while learning under that hard task master, Experience. The little failures of every day life are serious things if we have built our hopes around them and the success or failure of the home depends upon the woman's ability to successfully carry on her many duties as wife and mother. Let us give our girls a course in home economics with a home demonstrator for the instructor and, since older women are daily meeting problems which they need help with, they also will receive valuable aid and instruction which they have not had the opportunity to learn before. Right here we will add that the demonstrator actually works with the women. She really demonstrates the various kinds of women's work in the home.

Mrs. J. W. Baird, special writer for the Semi-Weekly Farm News, in an article concerning the 4-H Pantry which was published in that paper not long since said: "The home demonstration club women are studying food in its relation to the needs of the differently aged members of their families in order to make and keep them strong and healthy. Their teachers are home demonstration agents who have received special training in the most advanced knowledge concerning dietetics, the kinds of foods needed in the spring, summer, fall and winter, also how to can and conserve food for winter use." The home demonstrator also helps the women with their sewing and in improving and beautifying their homes. Beautiful homes make people happier and happiness is closely allied to health.

In 1929 Mrs. Ed Schroeder of Lubbock County entered the home demonstration club-women's living room contest and won first place in the county, first place in the district and third place in the state. Economy is the main factor in these con-

ditions. The question is not: Will it be necessary to raise our taxes in order to secure a home demonstration agent? But is: Will it pay our county to hire a home demonstration agent? The answer is: Most assuredly it will pay. Enough food products go to waste every year in Terry County to more than pay for a home demonstrator. When we learn to can and conserve foods our county will be far richer.

In conclusion we will say, this article is not in reply to the editor's challenge to come on and beat what he did but merely to present a few facts as we see them and because we believe the home paper is the best means in the world to reach the people. A number of ladies have voiced their appreciation of the editor's article in last week's paper, among them the writer of this article. We, one and all, wish to thank him for the interest he has shown in this campaign for a home demonstrator. —Mrs. Brit Clark.

The Great Outdoors Is Calling

Sewerage Disposal Plant in Fine Shape

City Marshall E. Brown is very proud of the condition of the city disposal plant at present, and justly so, for he and City Supt. Eunice Jones have put in a world of work on the plant this spring. Mr. Brown informs us that he found the plant in bad condition. In fact, he says the plant was not functioning at all, and it took weeks of labor of both himself and Jones and a crew of colored laborers to put the plant in normal condition again.

Mr. Brown called by for us one day recently and carried us down to the plant, about one mile southeast of the city in the draw to show us just what had been accomplished, and we found that there was very little odor except right up to the plant, and as the plant functions properly during the summer, what little odor there is expected to almost entirely disappear. The big earthen tank where the water goes as it clarifies and leaves the vat is almost full of water, and as it is drained out for irrigation purposes, it will become almost clear, it is thought.

Mr. Brown has all the weeds and grass cut from around the vats and tanks, so there is no place for mosquitoes and other insects to harbor. He had recently covered the earthen tank with a barrel of kerosene so that it is now mosquito hatching proof, as they cannot live or hatch under a scum of kerosene. The Herald is proud for Mr. Brown and Mr. Jones, as well as for the city that these precautions for the guarding of the health of the city have been taken.

Body of Mrs. Lively Carried to Marshall

Mrs. J. W. Lively, whom we reported to have been in a very serious car wreck between Post and Tahoka last week, passed away at the Lubbock Sanitarium last Friday, never having regained consciousness. It is reported that there were few spots on her body that did not show bruises. Two of her sons from Marshall, came immediately after hearing of the accident, and carried the body after death to the old home town to be laid beside that of her husband who preceded her in death a few months ago.

Her daughter, Mrs. Jenkins, who was also in the wreck, is reported to be some better, but at the beginning of the week had never realized what had happened to her, although she recognized her sister, Mrs. W. A. Bell, of this city. She was informed that she was ill and in a Lubbock hospital, and that seemed to satisfy her for the time being. The fact that her mother is dead will be carefully kept from her for some time. The many friends of the Bell and Toone families here offer sincere sympathy to them in this sad hour.

New Star Route Out of Brownfield Aug. 1st

While over at the postoffice this week, Postmaster Carpenter informed us that a brand new star route would be inaugurated out of Brownfield on the first of August. This route will, we understand turn north at the west edge of the town section, and go one mile, thence west over the old Tokio highway to or near Tokio, thence northeast into the Poole community, and into Brownfield again through the Harmony community, being something like 45 or 50 miles long. It will give daily service.

At this time it is not known who the carrier will be as like all star routes, will have to be bid in, and this will not be known probably until about the last of this month. Carl Lewis was the successful bidder to carry the mail on the south route, which is another star route, having taken Mr. Eubank's place on that route July 1st. Mrs. Lewis, we understand will carry the mail most of the time as she is substitute carrier. This gives Brownfield another of many mail services. It has two rural routes, 1 and 2, and five star routes. To Tatum, N. M. and return daily, the south route daily, the one mentioned above daily. From Post and return daily. Train mail daily each way, and a late afternoon mail to Lubbock daily. So you see this city has good communication with its trade territory, thanks to the never tiring work of Postmaster Carpenter and his predecessors.

Candidates Make Four Other Appointments

The Herald has been authorized by the Terry county candidates to announce four additional speaking dates for them, and to further say that these will be all that they can possibly fill this year owing to the lateness of which invitations began to come in. They wish it understood that they are very sorry that they will be unable to fill any more dates.

- Wellman July 16
 - Tokio July 21
 - Meadow July 23
 - Brownfield July 25
- As usual, of course, these dates will all be filled at night, and the people will assemble at the above places accordingly. District and precinct candidates are invited to speak also. We understand that Jno. N. Thomas, of Lynn county, who is making the race for Representative, was with the bunch at Johnson Monday night.

We have been informed that the race for County Judge is now warming up, and we are likely to have some fun from this on out. Also, one or two of the commissioners races promise to take on some heat before the end of the campaign. We do not mean by that there is any likelihood of bodily encounters, but that oratory, reasoning and insistence is going to be used with all the force possible. All are good men, and may the best man get there. Go out and hear them.

Few wives believe that their husbands have to work at night.

Terry Heifer 10th in The United States

According to the 50 pound list as put out by the American Jersey Cattle Club, and published in the Jersey Bulletin, Tormentor's Fernette S, stood 10th in the United States in her class during the month of April.

This two year old heifer, owned by Mr. Causseaux, produced 920 lbs. of milk and 58.5 lbs. butter fat, and the highest in this class made 1062 lbs. milk and 65.1 lbs. fat.

There were 45 cows that made the National Honor roll in the Jr. 2 year old class, and only one other from Texas. This report gives Mr. Causseaux's heifer as the state leader for April, and it will be remembered that she was tested that month while at the Plainview dairy show, where incidentally she won first prize in her class.

Mr. Causseaux reports that he has received a silver medal from the American Jersey Cattle Club that was won by his other registered Jersey cow, Masterson's Pearl S. This cow just liked a fraction of producing 500 pounds of fat, which is equivalent to 600 pounds of butter in 305 days of last year.

Masterson's Pearl S. is the second cow in Terry county to qualify as a register of merit cow. Mr. R. H. Timmons having received a register of merit certificate on his three year old cow, Bonnie Cecilia, several months ago.

Mr. Timmons, Mr. Causseaux and Mr. C. R. Rambo are doing official testing now and judging from the monthly production there will be some Plains records shattered when the year is up.

PIONEER TERRYTE PASSED AWAY AT LUBBOCK

Funeral services are being held this afternoon at Plains for Walter T. Gainer, 57, of Tatum, N.M. who died at a local hospital last night at 9:05 o'clock after an illness of one month.

The body was prepared for burial and taken overland by Rix-Sanders. He is survived by one son, Roe of Slaton; three brothers, W. B. of Tatum, Paul of Tatum and D. B. and two sisters, Mrs. E. B. Ambler of Ysleta, Texas, and Mrs. Cora Reed of Plains.—Tuesday afternoon Lubbock Journal.

Walter Gainer was one of the pioneer settlers of Terry county, and has a host of friends here to mourn his departure.

METHODIST CHURCH

Parents are invited to meet our conference Sunday School Supt., Bro Watson, and Director of Religious Education, Bro. Richardson, of the First Church, Lubbock, who will be here Friday at four o'clock, with the Vacation Bible School faculty at the church. Our Sunday School made a gain of 30 over the preceding Sunday. The pastor will preach on John III, 16 at four o'clock Saturday on the court house lawn. Plan to attend both services Sunday.

Geo. E. Terrentine
Union School Services
Rev. Geo. E. Terrentine, pastor of the Methodist church, will preach at the Union School house at 3 o'clock Sunday afternoon.

SOME CHANGES IN THE BUSINESS FIRMS IN CITY

Many of Our Merchants Enlarging and Improving Their Quarters. They Are Not Content to Remain Small Town Merchants. Stocks Complete in Every Detail.

While there has not been any changes in the style and makeup of any of the firms of the city in the past few months that we know of, there has been several changes with regard to location of the firms and other improvements that go to make up a better appearing store or shop, and better and well arranged stocks. Merchants and other shop keepers are no longer content to go along in the even tenor of their way as of old, and like daddy think that the business methods of the preceding generations are good enough for them. Neither do they think that because Brownfield is not as big as some places that their stocks and the appearance of their stores is to remain as it was when they found it. When one of our business men visits the cities in quest of new stocks, they also note the appearance and arrangement of the city stores, and come home with the determination to copy the city methods as close as possible. That is the reason that the stores of Brownfield have always kept as nice stocks and as complete stocks as can be found in many towns twice or three times our size.

A few months ago, Cleve Williams put in a stock of hardware and furniture at Levelland, but found that city already had all such businesses as it would stand and is moving the Levelland stock back to Brownfield. In order to care for the increased stock as much as possible his store is being remodeled and rearranged on the inside, which will not only make it hold a bigger stock, but have a decidedly better appearance. What goods he cannot get in the store will be stored in the warehouse, he informed us.

Craig & McClish are now domicil-

ed in their fine new building on west Main street, and are about to get their stock of auto parts and accessories straightened up again. They are going to have one of the prettiest stores of this kind in this territory when they finally get straightened out. Mr. Craig is temporarily over at Hobbs, N. M., running a filling station, and we were informed that this firm has quite a bit of real estate in that city, and in order to more readily dispose of it one of them decided to move there this summer, run a filling station and dispose of this property.

We understand that Burks & Winston have leased the front end of the building recently occupied by Craig & McClish, and will conduct a filling station there and carry a stock of tires and auto accessories. They have a good filling station and tourist camp at the juncture of the Lubbock and Tahoka roads in the east edge of the city.

Miller & Gore have leased the tourist camp in the east edge of the city, which was recently built by Mrs. Weldon and daughter, Miss Bernice. They are fast getting ready to put in their gasoline pumps as well as getting the camp houses in shape for the summer tourist trade. They also have a modern filling plant, battery station, tires and auto supplies down town on west Main.

Roy Harris has leased the old Brick garage building, we understand, which has recently been greatly remodeled and a beautiful drive in front put on it. Very likely a filling station will be put in front, as we understand that is his plan.

Popular Pastor Turned In Resignation Sun.

Rev. E. V. May informed us Monday that he had turned in his resignation Sunday night to the board of Deacons, effective on or about August 1st. This came as quite a surprise to both the Baptist church here and the people in general. Rev. May informed us that it would be left up to the church through their board of Deacons as to whether or not their revival as announced recently would go on as per schedule, but that if they wanted it to go on, or he could help them in any way by staying after August 1st, he would do so.

Rev. May has been with the church here some four years and has made a steady and consistent growth during all that time, and is now one of the leading churches of that denomination in the Brownfield Association. Not only has he been a helpful aid to his own people, but has taken a big interest in social work of the community. As Boy Scout captain for two or three years, he put them on a real permanent basis and the second troupe has been organized. He has always been a favorite member of the Rotary Club since its organization here, and their membership will greatly miss his work.

Pastor May did not inform the Herald anything concerning his work in the future.

Ball Team Still Losing But is Doing Better

The local ball team is still in its losing streak, but is getting better and better as the players become more familiar with each other, and Manager Poor hopes to have the team up to where it will begin to win in a few more weeks, and possibly by the last part of the split season will be in shape to do some winning.

Their game with Lubbock on the 4th should have been our game, but some costly errors and a Russian thistle weed pile over in left field let in several runs for the Hubbers, which the local team were unable to overcome. It was said that Brownfield people furnished at least two-thirds of the admissions, as all Lubbock people seemed to be out of town on that date. The score stood 8 to 10 in Lubbock's favor.

The game Sunday was played against Southland on the Southland diamond. Southland is regarded as having the strongest team in the South Plains League, and stands a good show of winning the first part of the split season. The Sunday score with Southland was 11 to 1 in Southland's favor.

The Wednesday game of this week will be played with Lamesa, and the Sunday game with Southland. Both games will be at home.

JOHNSON JOYFUL JUNIOR'S 4-H CLUB REPORT

The 4-H Club of Johnson met July 3 and talked over the Rally Day and the trip to the Short Course. Mr. Davis met with us. Both he, and our President made very interesting talks. Business was talked over, then each club member gave a report on what he, or she had done toward club work. The reports were all fine, and we are sure, that if we do as good all the year, as we have started, that the Johnson Club will be better this year than ever before.

We are going to have a pie supper at Johnson school house, July 15, for the benefit of sending members to the Short Course.

Everybody come and bring somebody with you.

—Reporter.
"I feel tired. I've been getting along on only two hours of sleep a day."
"Only two hours a day?" How do you manage?
"Oh, I take the rest at night."
Mr. and Mrs. Byrnie White, of Big Spring, were up over the week end visiting with her parents, Mr. and Mrs. Ame Flache.

Texas Terrace Record Smashed the Past Year

College Station.—All records were broken in saving Texas soil from washing away during the year ending May 31st, with 568,000 acres terraced or contoured in 202 counties by farmers, county agents and 4-H club boys, according to figures just announced by M. E. Bentley, Farm Engineer of the Extension Service. The total acreage in the State terraced or contoured to date is now placed at 3,689,000 acres, of which 3,000,000 acres have been done since 1920, and more than 2,000,000 acres since 1925. Of the land protected last year about 200,000 acres were contoured, Mr. Bentley says.

West Texas is saving the soil at a rate ten times as fast as Central Texas, he believes, if figures from typical counties in each section may be considered a fair sample. These showed that about 3,500 acres per county terraced annually in the Blackland Belt, while around 35,000 acres per county are put under terraces or contours in the West. Runnels county is given the distinction of having the greatest total area terraced or contoured to date with about 150,000 acres protected.

SUCCESSFUL

"My wife explored my pockets last night."
"What did she find?"
"About the same as any other explorer—enough material for a lecture."

Talkies are to be produced in Paris.

Brownfield School Offer Commercial Course

The Brownfield school board will offer next year typewriting, bookkeeping, shorthand, commercial law and other course to pupils who are working. Pupils that can take one hour per day, or two hours per day, or pupils that can work one week and go to school one week, or work two weeks and go to school two weeks, pupils that have completed the high school course and wish to take a business course, these are the pupil that the board wishes to help.

If there are young men or young ladies who wish to improve themselves for better service, or older men or matured ladies who wish to do the same thing, please let me know.

Mr. N. S. Hunsden, State Supervisor of this Department says of Mrs. J. M. Roundtree, our teacher in this department: "I wish to give her my most hearty endorsement as being fully capable to do you a splendid job. She is very thorough in her work, has a fine personality and understands the needs of her pupils. I predict for you a great success in this department if you can secure her services." Mrs. Roundtree is a B. A. graduate of Baylor College, Belton Texas and has taught five years. For the last three years she has taught the commercial course at Runge, Texas.

Very truly yours,
W. B. Toone, Supt.
Rev. and Mrs. M. D. Williams left last week after visiting here a few days with old friends. They make their home at Glendale, Ariz.

Hunter News

Well we are having some sure enough hot weather now. We all wish for a little shower to cool the atmosphere.

Mr. and Mrs. John Jenkins took dinner with Mr. and Mrs. Joe Smith Sunday.

Mrs. Lee Lyon was a Lubbock visitor. Saturday.

Mr. and Mrs. Raymond Adams of Brownfield visited the latter's parents, Mr. and Mrs. M. S. Williams Saturday night and Sunday.

Mr. and Mrs. Lonie Reatherford from over near Lahey visited the latter's parents, Mr. and Mrs. O. M. Edwards, Sunday.

Mr. and Mrs. W. H. Hight and family went to Artesia, N. M. Thursday and returned Saturday. They visited Mr. Hight's sister.

Deward Williams spent Saturday night and Sunday with Narvel and Lawrence Edwards.

Garland Sims and Cecil Smith have returned from Oklahoma and Kansas where they have been at work.

Mrs. Loyd Sims and little son and daughter are visiting friends and relatives at Vernon, Texas.

Mr. and Mrs. J. H. Fitzgerald and children visited the latter's uncle and aunt, Mr. and Mrs. E. L. Williams and family Sunday.

Mrs. Fordson from Brownwood who is visiting her daughter here, Mrs. H. L. Halleman and family, says she likes out here one reason because we have nice cool pleasant nights.

Buford Williams has returned from Post, Texas.

Albert Buchanan visited Mr. and Mrs. Cecil Smith, Sunday.

Robert Smith and Orvis Bockmon visited C. G. Smith Sunday.

H. L. Halleman visited Mr. Orvis Breechland, Sunday.

Mr. Sam Johnston from over near Happy visited his brother-in-law Mr. O. M. Edwards and family Sunday.

We ask the Forrester reporter to bear in mind that Mr. and Mrs. O. M. Minnix live in this community.

T. J. and W. H. Hight visited Herman and Olen Edwards, Sunday.

Ralph Hall and W. H. Hight visited, Mr. Antone Hansen, Sunday.

Lester Snow had the misfortune of getting his nose broken and other bruises as the result of being kicked by a mule or horse Sunday morn. He was carried to the doctor and is doing nicely.

Mr. Halley Smith who has been in the Navy the past 12 years is visiting his parents, Mr. and Mrs. W. R. Smith and family. He will return soon to serve another 5 years.

Mrs. Carroll Lyles is visiting her sister, Mrs. Thelma Blair at Amarillo, Texas.

Miss Ethel McDonald from Tipton, Okla., is visiting friends and relatives here.

Arule Snow is working for Elmer Machen over near Lahey.

Mr. and Mrs. Travis Jenkins with Mr. and Mrs. Virgil Jenkins and R. L. Jenkins visited relatives and friends near Lahey Sunday.

We were glad to have at Sunday School Sunday, Mr. and Mrs. L. O. Reatherford from near Lahey also Dale Hutchins of Brownfield. We welcome visitors.

Laurence Edwards and Deward Williams are going to Montana to spend a month or so.

Little Glendale Rodgers, infant of Mr. and Mrs. Freeman Rodgers, has been real sick, but he is better at this writing.

Mrs. Jewell Rentfro and son, Dale from Brownfield, are visiting Mrs. Rentfro's sister, Mrs. J. L. Lyon.

We are sorry to hear of the death of Mrs. Bob Machen, who resides in the Union community. She passed away Monday morning. She has several relatives living in the Hunter community. They and Mrs. Machen's family have our sympathy.

Mr. and Mrs. Arris Brelend attended the funeral of their aunt, Mrs. Bob Machen, who was buried at Brownfield, Tuesday. Also Mr. Joe Smith, who is a cousin of Mrs. Machen, attended the funeral.

Messrs. Loyd and Garland Sims left Tuesday afternoon for Vernon, Texas, to visit and bring Mrs. Loyd Sims and children home.

LARGE COTTON CARRY OVER ON HAND

AUSTIN, Texas.—The indicated supply of cotton in the United States on June 1 was 5,840,000 bales against 3,935,000 bales on June 1 last year and a seven-year average on that date of 4,312,000 bales. This is the largest indicated supply at the beginning of June since the crop year of 1920-21, according to Bernard Nichols, editor of the Texas Business Review, monthly publication of the Bureau of Business Research of the University of Texas.

"The relative increase since last month is due to a falling off in consumption and in exports," Mr. Nichols said. "During May, the supply was reduced but 638,000 bales, whereas in May last year, disappearance amounted to 981,000 bales. Total disappearance for the first ten months of the present cotton year is 1,825,000 bales under that in the same period of the year previous. The carryover, therefore, on August 1 is likely to show a material increase.

"On June 1, the indicated supply of cotton in the United States was 1,905,000 bales larger than that on June 1, 1929. Changes in the supply on June 1 in the past seven years have totaled 6,850,000 bales, and price changes have amounted to 2,545 points, or a change of 37.2 points for each change of 100,000 bales in the supply. At this ratio, an increase in supply of 1,905,000 bales should be accompanied with a decline of 708 points from last year's price. On this basis New Orleans spots should be about 12.53 cents. On a replacement basis and allowing for price changes, New Orleans spots should be about 10.83 cents. However, last year's actual price was two cents under our calculated price based on supplies. When the two cents is added, New Orleans spots based on the United States supplies alone should be about 12.83 cents."

You can lose your money playing poker, or speculating on the stock market. Some people do it both ways.

Our extra slice of pie for this week is awarded to the advertiser who says, "I don't believe in free publicity."

A MOB FRUSTRATED

It is all foolishness about its being impossible to prevent a mob from getting away with a prisoner. Chief M. B. Word of the Port Arthur police force proved that when he slipped a prisoner out of the city jail into the automobile of the fire department's head and roared down the highway to Beaumont, mob or no mob.

The prisoner deserves no sympathy, perhaps; certainly none if his confession to eight criminal assaults is in accord with the facts. But however black his heart or his skin, he is within the pal of the Constitution of the State of Texas; he is within the bounds of a civilized State. Both the Constitution and civilization have been outraged before now. But repetition of what happened at Sherman and at Honey Grove will sooner or later weaken both law and social progress, if not destroy them. Texas has suffered too much in pride and in reputation

already at the hands of mobs.

If Chief Word showed courage and resolution in performance of duty, Sheriff Walter W. Covington showed no less at Beaumont, where the prisoner was put for safe keeping. The example of these two men should be an inspiration to peace officers of Texas generally. They made good their oaths of office when it could have been easier to let events take their course. We can be proud of men like that. Texas ought not to hesitate to say so.—Dallas News.

R. M. Kendrick, president of the First National Bank was a business visitor to Hobbs and Lovington, New Mexico, Tuesday.

G. E. Lockhart, Lubbock attorney, failed to speak Wednesday night in the interest of his candidacy as representative of this the 122nd district. He will address the voters at a later date.

Bandmaster E. E. Blackwell of this city, has organized bands at both Seagraves and Seminole. The latter band made its first appearance last week and received very favorable comment from the Seminole Sentinel.

\$30,000,000 PIPE LINES TO BE LAID TO ST. LOUIS

Two new pipe lines, one of them for the transportation of gasoline are to be laid into the St. Louis industrial district, according to announcement. The eight-inch gasoline pipeline, extending nearly 1,000 miles from the Texas Panhandle to St. Louis, via Kansas City, will be laid by the Phillips Pipe Line Co., subsidiary of Phillips Petroleum Co., of Bartlesville, Oklahoma. A new twin 10-inch pipe line between Tulsa, Ok., and Wood River, Ill., refinery town northeast of St. Louis is planned by the Standard Oil Co. of New Jersey. The cost of each of the lines is estimated at about \$15,000,000.

Existing pipe lines into the St. Louis district are those of the Shell Petroleum Corporation, from Hous-

ton, Texas, to Roxana, Ill., of Standard Oil from Southwestern fields to Wood River, and of the Mississippi River Fuel Corporation from Louisiana natural gas fields to St. Louis and Alton. The Shell and Standard pipe lines transport crude oil. Plans for a natural gas pipeline from Amarillo, Texas to Indianapolis, through St. Charles County, north of St. Louis have been announced.

The Phillips Co. announces that its projected line will be the longest gasoline pipe line ever laid. It will extend from Borger, Texas to Oklahoma City, Wichita, Kansas City and St. Louis. Ten pumping stations will be located along the line. Distributing terminals will be at Wichita, Kansas City and St. Louis. At the St. Louis terminal it is planned to pipe gasoline to river barges, for transportation to river points north,

south and east.

With a capacity of 10,080,000 gallons of gasoline, the line will be so operated as to transport gasoline of different grades, one after another, without loss or intermingling. Equipment for handling the gasoline by pressure and gravity flow will be provided at the terminals, with tank trucks and trailers. Bulk stations at intervals of 50 miles along the line will serve the territory adjacent to them with distribution by tank trucks or rail, in the same manner as at the Wichita, Kansas City and St. Louis terminals.

It is planned to handle the construction work in six sections, and to complete the line early in 1931. Pipe has been purchased and construction will begin soon after its delivery. More than 1000 men and about 100 inspectors will be employed on the various sections.

EASTERNERS KIDDING THEMSELVES

Visitors to New York return to the Southwest disgusted with the attempt of Easterners to imagine that they are going to work at eight o'clock, when in reality it is only seven o'clock. Railroads are using standard time while it seems that others are using any time that suits. Officially, New York daylight saving time is just one hour earlier than standard time.

The rest of the country can hardly understand a contrition of mind that will subscribe to faking the time of day in order that workers may leave their jobs one hour earlier in the afternoon when they could accomplish the same purpose by beginning work one hour earlier in the morning without bringing about confusion among the clocks. It may be that the average New Yorker has such a high opinion of himself that he believes that the old earth will slow down in its revolutions at his command. Kidding themselves that it is eight o'clock when it is only seven does not make it so, but if New Yorkers want it that way, the rest of the country will have to put up with it. We are curious, however, to hear of just one, sane, logical reason for daylight saving time—Farm & Ranch.

It is a rare witness who testifies satisfactorily to plaintiff and defendant, but some people try it.

It is easy enough for Hoover and MacDonald to agree, but no two statesmen can guarantee peace.

Maybe if the Congressmen can't relieve the farmers the farmers will be able to relieve the Congressmen.

Practical Understanding of People's Problems Fits Him For Governorship

ROSS STERLING

It is said that Lovington, N. M. entertained at least ten thousand people June 28th, the day the railroad officially reached their city.

FLYING MISSIONARY BROTHER G. J. FELTES

New York, June 30—Destined for a career of humanitarian and spiritual usefulness in the snowbound back country of Alaska, a "Missionary Plane," christened "The Marquette Missionary," was presented by the Marquette League at Roosevelt Field, Long Island, yesterday to Brother G. J. Feltes, S. J., the first "flying missionary" of the Jesuit Order.

Plans to leave June 30th with George Pickenpack as co-pilot, for the Pacific Coast, and officials of the League state that he will thus win the distinction of being the first member of a religious order to attempt a trans-continental flight.

The plane, which was presented to Pilot-Brother Feltes by the Marquette League, of which Judge A. J. Tully is President, and the Rev. William Flynn is Secretary-General, to further its objects of rendering aid to Eskimo missions of Alaska, is a Bellanca Pacemaker, powered by a Packard Diesel Motor and fueled and lubricated by Texaco Aerodiesel Fuel and Airplane Oil. It is said that "The Marquette Missionary" will be the first Diesel powered plane to fly on the Pacific Coast and in Alaska. It was given to the Jesuit missionaries at the earnest request of Venerable Bishop of Alaska, the Rt. Rev. Joseph Raphael Crimont, S. J.

Much interest has been manifested in the many unique features of this plane which will be exhibited at important transcontinental way-points, including Buffalo, Detroit, Dubuque, Des Moines, Wichita, Albuquerque, Phoenix, Los Angeles, San Francisco and Seattle.

Upon arrival in Alaska, where it will be shipped from Seattle, "The Marquette Missionary," with headquarters at Holy Cross Mission, about 400 miles up the Yukon, will be utilized for humanitarian as well as spiritual work. It is equipped to serve as an emergency ambulance, can carry quick flights and by the use of its radio equipment, maintain contact throughout the winter months that will relieve untold hardships and suffering. The main use of the plane will be to connect up the various missions which are completely isolated from

one another and from the outside world, for the greater part of the year. The Superior of the Missions, who now requires several months to make his circuit by dog team and boat, will be able to visit even the most isolated posts in a total of less than two weeks.

Realizing the importance to the progress of Alaska of adequate landing facilities, the United States Government has established seventy-three landing fields, beside the many natural fields to be found in many parts of the North. In the winter time, a plane can land on its skis in the snow most anywhere there is a level stretch free of obstructions.

Brother Feltes, the Jesuit Pilot, who is 32 years old and a member of the Jesuit Order for 15 years, is the only Jesuit holding an aviator's license in America. He has had about 100 hours of flying in many types of planes, and has received various types of instruction from some of the world's most famous pilots. He started his training on the sixteenth of last July, under the able tutelage of Captain Royle at the Alameda Airport, across the bay from San Francisco. After eight hours of dual instruction, he made his first solo flight on the 28th of August, being the first time a Jesuit ever flew an airplane alone. He won his Private License on the 26th of August, and then continued his instruction with the Curtis Company, receiving his instructions in mechanics at the hands of Roy Hunt. The first training he received was in an OX5 Robin. On finishing his mechanical course, he received his Limited Commercial License, having been supervised by Dillard Hamilton, Inspector of the Department of Commerce, in going to New York.

Last January Brother Feltes has inspected a large number of different makes of planes. He has flown Bellanca Pacemaker with Captain Haldeman, Wesley Young, and Howard Haldeman with Captain Pickenpack and Elmer Stinson-Detroit with the New Crescent with Captain Melchior; the Ryan

Brougham with "Red" Harrigan; and the "Spokane Sun God" Buhl with J. M. Johnson. He also flew the Diesel Powered Stinson with Walter Lees, chief test Pilot of the Packard Company.

After studying the different makes and types of planes, Brother Feltes decided the Bellanca Pacemaker, powered by a Packard Diesel Motor, fueled with the new Texaco Aerodiesel Fuel and lubricated with Texaco Airplane Oil, was best suited for the work he will be called upon to do in the frozen north. The fact that Texaco Aerodiesel Fuel has a sub-zero pour test and can be handled by unskilled labor without the slightest danger of explosion greatly influenced this decision. Pilots George King and Alger Graham, noted Alaskan pilots, gave him valuable information on flying in the extreme weather conditions to be met in the North. He also received valuable technical information on the different makes and types of planes and motors from the late Captain L. M. Woolson, inventor of the Packard Diesel, and from Command-R. D. Weyerbacher of the Naval Aircraft factory at Philadelphia. On the west-bound trip, Brother Feltes will receive further instruction on flying and care of the motor under Arctic conditions from the Packard Aircraft factory at Philadelphia. Officials state that this is the first transcontinental flight of a plane powered by a Diesel Motor and the first notable flight in which the new Texaco Aerodiesel Fuel has been used. He has had 14 years experience in mechanics and has studied the Diesel Motor before it was adapted to use as an aviation engine.

The first leg of the transcontinental flight will take the Flying Missionary over the little village of Auriesville, on the Mohawk River, where he will drop a wreath on the spot, where, in the middle of the seventeenth century, three Jesuit missionaries were cruelly tortured and put to death by their Indian captors. These martyrs are to be canonized by Pope Pius XI in St. Peter's, Vatican City, on the 29th of June; the first American Saints.

CANDIDATE SPEAKING, PIES AND LEMONADE AT GOMEZ

There will be one of the greatest pie suppers ever held in West Texas at Gomez, Friday night (TONIGHT) July 11th. You can't afford to miss it. Everybody is invited. All the boys bring a little money and all the girls bring a pie. If there are enough pies, they will go to a limit of fifty cents each. So every girl bring a pie. There will be ice cold lemonade served.

The candidates will also speak—So everybody come to Gomez and listen to the candidates and eat pie and drink lemonade.

Mrs. Clyde Bennett and two sons, Dwayne and Val Gene, are here visiting relatives and friends.

The Federal number given the Carlsbad Caverns highway through here, in No. 62. This highway likely will some day be one of the leading arteries of the nation.

WILLIE FIXED IT

The minister called at the Jones home one Sunday afternoon, and little Willie answered the bell. "Pa ain't home," he announced. "He went over to the golf club." The minister's brow darkened and Willie hastened to explain: "Oh, he ain't gonna play any golf. Not on Sunday. He just went over for a few highballs and a little stud poker."

Dick McDuffie and Ralph Carter returned last week from Chicago and Detroit where the former went to attend the Rotary International, and the latter went to Detroit in connection with his agency for Chevrolet cars. Dick says they saw a real Jap prince while in Chicago, who was a delegate to the Rotary convention. He also tells us that a big policeman's horse like to have stepped on Ralph, while the police were guarding the lines of the Prince's march. Just two more country boys seeing the sights of the city, he said.

Mrs. C. C. Thompson of Abilene, and Mrs. Rand Redell, of Tuscola, are here this week visiting their sister, Mrs. E. Brown and family.

G. S. Webber has rented the brick residence recently occupied by Dr. DuBois and family, and will move in right away.

W. A. Bynum and family, accompanied by Mrs. J. M. Tinkler and children of Fort Worth, and Ralph Bynum, left Sunday for their vacation in the mountains of New Mexico.

South of Courthouse Brownfield, Texas

THE PUBLIC'S REACTION TO THE VERDICT IN THE JOHN W. BRADY CASE

John W. Brady, the former eminent jurist, who recently was tried in Dallas on a charge of venue for the killing of Lehlia Highsmith, escaped with the very light sentence of three years. But there's no other verdict that has grown out of the case, and it seems to be so general and so positive that it may sooner or later, bring about a decided change in dealing with criminals in Texas. All over the state articles have been written by various and sundry people from many walks of life deploring the "injustice" of the "so called justice" that was meted out. Up in Wichita County, at Iowa Park, one C. C. Hudson voices his private opinion in a rather bold public way. The following utterances from Hudson emphasizes the thought that has run through the minds of many people since the trial above mentioned. It reads:

"Well, old John Brady is out on bond. About all the damage to him has been a Keely cure confinement in jail."

"Brady isn't crazy and never was crazy. He is a depraved old stud. He was fine looking, a proud lawyer, high in the councils of the bigots. He was a high-cock-alorum around Austin. He sat on the bench, played poker, drank liquor, cut up with the girls, etc. He got by because it was "Judge Brady."

"A little spindling girl from a country town sought his help in getting a job—a political job. He took her in. He got her a job. He wrapped the willowy, youthful girl about his fingers, while her heart went out in appreciation for his influence in getting her a job. It was a dear employment agency. Brady took all she had in life, and then took that."

"Had Lehlia Highsmith ever wronged Brady? Had she ever lifted her

hand against him? Had she uttered a word against him? No! She was as faithful as a dog to its master. Brady was skidding down the slippery road of debauchery. His money was gone. His credit was gone. His friends were going. He wanted to drag the young woman, of whom he had been master, down into the gutter with him.

"When Miss Highsmith went out of his drunken path to avoid him—to save herself from the spectacle of his public brawl—the old sot waylaid her as a bushwhacker would a freeman at his cabin door. She cried out in piteous pleading that her life be spared. She had no weapon or no friend to help her. Out under the stars of heaven, the big man—sober enough to leave his home with the devil in his heart; sober enough to waylay the girl without confiding his intentions to others; sober enough to recognize the girl the minute she arrived, sober enough to wield his knife with unerring aim, when he thrust the blade into her breast.

"And a jury of human beings, wearing man-sized clothes and hats all but turned Brady loose. We deplore the burning of a court house. Courts should lend about the majesty of the law, and we talk reverently about justice. Court houses are defiled with such forces as the Brady trial. The law is a broken stick, a buried barrel, with sinister lawyers standing guard to deaden the sap and fetter the twigs from every sprout. Justice is a blind and starved orphan; above the din of bigoted lawyers, as its deplorable cry comes from the wilderness."—Exchange.

E. D. Ballard, prominent local farmer and builder, was found in his room with the gas turned on Monday morning. He was carried immediately to Lubbock for treatment, and is reported to be better. Mr. Ballard has been in poor health for the past several months.

SKIM MILK CHEAPENS EGG COST

Albany—Skim milk in the poultry ration has reduced the cost of producing eggs nearly 5 cents per dozen for five Shackelford county poultry demonstrators. The milk permitted a cheaper grain ration and resulted in a feed cost of 7.7 cents per dozen for eggs from these flocks as compared to an average cost of 12 cents per dozen in five other demonstrations flocks where no milk was used.

It is pointed out by A. C. Magee, county agent, that 100 hens will consume with profit about three gallons of skim milk daily, and that when this amount is available the expensive protein in the mash may largely be omitted. If cows are good, 100 hens to each dairy cow is a good balance to maintain between the dairy and poultry branches of the farm business, he says.

Cam Sears claims to have a good one on the candidates for county Judge, but let him tell it as it is too dinged hot for us to take a beating.

Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called **Rezall Orderlies** has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rezall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rezall Drug Store. Alexander Drug Co.

6 plies of

U.S. TIRE

QUALITY

now available in

PEERLESS

Now the same high value which has made the U. S. Peerless one of the most popular tires in America is available in the New U. S. Heavy Duty Peerless. Six plies of U. S. tire quality make the Heavy Duty Peerless an exceptionally fine tire for use on heavier cars. Yet this tire is priced just as surprisingly low in proportion to the service it renders as the standard U. S. Peerless. If your car requires heavy duty equipment, come in and inspect this great new U. S. tire.

Announcements

We are authorized to announce all the following candidates for the offices indicated for nomination in the Democratic primaries to be held on July 26, 1930.

- For District Judge 106th Dist. Gordon E. McGuire.
- For District Attorney, 106th Dist. T. L. Price.
- For County Judge: Geo. W. Neill, W. E. Henson, Jay Barret
- For County and District Clerk Rex Headstream
- For Sheriff and Tax-Collector J. M. Telford
- For Tax Assessor: T. C. Hogue, Sam L. Pycatt, John W. Cadenhead, E. H. (Elmer) Green
- For County Treasurer: Mrs. J. L. Randal, Roy Ragsdill, Mrs. Lula L. Smith, J. T. Pippin
- For Commissioner Pre. No. 1 L. L. Brock
- For Commissioner Pre. No. 2 J. R. Whately, W. A. Hinson, S. T. Miller, J. L. (Jim) Langford
- For Commissioner Pre. No. 3 J. W. Lasiter, Will C. Brown, R. L. Cook
- For Commissioner Pre. No. 4 G. M. (Mack) Thomason
- For Weigher Pre. No. 4 P. R. Cates, F. W. Little
- For Public Weigher Precinct 2 T. E. Verner, W. E. (Gebo) Culwell

The Gambill chain stores have followed the way of the Acorn chain, and are now in the hands of receivers. Is this the result of the anti-chain fight, or is it just too much of Mr. Hoover's prosperity.

Farm products have come down from their peak prices, and the Herald is of the opinion that manufactured products are due for a tumble, and our business men had best be a little careful of loading up on goods at this time. No country can or will exist with half the people prosperous and the other half reduced to almost want. As soon as manufactured articles get all out of reason with the price the producer receives for his raw material, things are bound to tumble.

From what we can gather from the O'Donnell Index, that city has a real water famine, although they now have nine wells and the officials, and people are wondering how they are ever going to relieve the situation. Brownfield has twice the population of O'Donnell and has but one well, but has all the water it can use and no strings on how we use it. So if suggestions are in order, run a pipe line over to old Terry. We are always ready to divide with our neighbors.

IT IS MY BUSINESS

to see that you are properly protected against financial loss from all common perils. One frequent source of loss is Fire and Windstorm damage.

It is not unusual for a Banker to refuse to make a mortgage on a piece of property until it has been safeguarded with Fire and Windstorm Insurance. You know, I know, and the Banker knows that it is not safe to be without Fire and Windstorm Insurance.

—SEE ME ABOUT INSURANCE TODAY—

C. R. RAMBO

Bonded Abstractor of Land Titles, Loans and Insurance.

A wise idiot writing on the distressed condition of the farmers' market says "The farmer should learn to consume more of his own products." Now isn't that one wise crack. The fool killer sure missed a pot shot when he let that gink get out away from him. We met a farmer the other day that told us he had eaten eggs until he smelt terrible, chickens until he had feathers on his feet, lambs quarter until he could blate like a billy goat, and cotton was still going down, and chickens were going down, and eggs were down under, and he had got no relief yet.—Jayton Chronicle.

Say, let's quit so much hot air business and cast our votes for business men to hold our offices from this on. If we were going to hire a man to work in our store, our shop or on our farm, it would not be the loud mouthed, braying jackasses that we would employ, but the quiet, sober minded, intelligent man that would give us an honest day's labor for the money he receives would get the job, and you know he would. Then, why can't we be as intelligent beings, and reason the same way when we go to hire a man to represent us at Austin or Washington?

A Seagraves merchant who is in the feed business, informed us last week while down there that he was selling lots of feed to farmers who sold all their corn last winter and bought new cars and other things not absolutely necessary. He says he cautioned some of the farmers when they were selling close last winter and spring that they would be buying feed in the summer if they were not careful. We don't know but what some of our farmers are pulling the same cork. If so, it is a very poor business policy, and no farm relief on earth can help farmers who practice such a policy.

It looks to the Herald as if it would be a great interest to the people of west Texas to support Clint Small at least in the first primary, and we believe if they will, he can then clean anything easily in the runoff. Not only is he a clean man with a clean cut business platform, but he is just about the only man in the race that has an ounce of a pull for the governorship that is not full of isms and mixed up in some factional fight, and for gosh sakes we have had enough factional fights for the past ten years to last Texas for the next century. Texans, let's slow up politics and try business for a spell and see if the change will not be the better for us.

A returned soldier of this county is reported to have lost his mind—and is fighting the battles with the Kaiser's troops again. A prominent specialist on mental diseases says a very high percentage of insanity will develop among the veterans when they begin to reach the age of from 40 to 45. We hope this is a mistake, but whether it be true or not, we have already seen enough of the horrors of the World conflict to cause any reasonable person to put forth every effort possible in helping reestablish universal peace, if possible. People who do not have blood in their eyes should use all the influence they have to get their representatives in congress to vote for any measure that looks toward the establishment of peace among the nations of the world.

The jury system was given another knock when that Eastland jury brought in its verdict in the Davis case a few days ago. The jury found the defendant guilty and gave him a five year suspended sentence. A jury a year or two ago had found him guilty and assessed the death penalty. Presumably the evidence was about the same in both trials. Yet one jury says "Death" and the other swings the jail doors open and tells the defendant to walk out a free man. The News does not favor the abolishment of the jury system but it does favor transferring from the jury to the trial judge the power to assess the penalty in every criminal case just as they do in the Federal courts. This would require a constitutional amendment, and the people should demand that this and other amendments to our state constitution should be submitted.—Tahoka News.

The Sheriff of Lynn county has a standing reward of \$25 for the apprehension, or information leading to the arrest of chicken thieves. However, we imagine that Lynn Co. is really offering the reward thru their sheriff, and if so, it would not be a half bad example for Terry county to follow. Of course we do not expect chicken thieves to be quit so bad after them since the market has declined so much, but chickens are just as hard to raise, and just as much trouble to the ladies as when prices were sky high. When several months have been spent at all times of the day and night, much feed given the poult, not to mention the medical attention if the flock or any part of it gets droopy. Then let a low down chicken thief come along when he has the shades of night for the protection of his dirty hide, and take months of work and dollars in feed bills away from the owner. It makes one feel that a good shotgun loaded with buck shot would be none to good for such low cattle.

Forrester Items

The singing Sunday night was fine. A large crowd was present. Mrs. Charlie Hester of El Paso is here visiting her sister-in-law, Mrs. G. M. Thomason. Mr. and Mrs. E. D. Duncan and family and Mr. and Mrs. Lonnie Johnston visited Mr. and Mrs. John Johnston of Scudday Sunday. Mr. and Mrs. Frank Drury and family were guests of Mr. and Mrs. O. M. Minnix and family Sunday. Mr. and Mrs. G. M. Thomason, Mrs. Charlie Hester and family, Miss Viola Polk, Mr. and Mrs. Cowan and family and Mr. Auburg were guests of Mr. and Mrs. W. J. Baldwin and family Sunday. Mrs. Rose Baldwin was the guest of Misses Gladys and Myrtle Mae Seales Wednesday and Thursday of last week. Everybody remember the Singing convention at Lahey next third Sunday. Be sure and go and take well filled baskets with you.

Wellman Writings

The meeting at the Church of Christ started Friday evening. There has been a good attendance. Lurch was served on the grounds Sunday. There has been visitors from Seminole, Seagraves, Brownfield and all the adjoining communities. Among the visitors were Mrs. and Mrs. Jack Stricklin, editor of our county paper. Bro. Curry filled his regular appointment at the school house Sunday. There was a good attendance. The union Sunday School also had a good attendance Sunday.

Mrs. Lula Singletary visited Mrs. C. M. Stark, Saturday. Mrs. Helms and Mrs. W. L. Lawrence were shopping in Brownfield Saturday. The 4-H Club met Saturday evening at the school house. Some of the members met early and went away before others arrived, but we understand that they are to try for the prize on Rally Day.

We were told by Mrs. Wilson that her son, Paul, who went away to find work before the rains, had never been heard of since. Mrs. Wilson said this was somewhat unusual for Paul as he had always written to her when he reached the place he had intended going to.

We are afraid Paul has met with foul play. If any one should chance to know anything about where he is, please notify Mrs. Alice Wilson, Wellman, Texas. Paul is something like six feet tall, weighs about 150 lbs., has dark hair, eyes that are almost black and has a dark complexion. His mother is very anxious about him as he left home April 17. The little niece of Mr. and Mrs. G. A. Ross had the misfortune of getting her leg broken last week. She is reported to be resting well.

Mr. and Mrs. Bill McIlhenny of Lubbock visited Mr. and Mrs. W. M. Schroeder, Thursday of last week. Mr. and Mrs. W. M. Schroeder celebrated the 4th by visiting the Carlsbad Caverns.

Miss Lillie Mae Whitaker of Seminole has been visiting Miss Annie Woodard and attending the meetings.

Elder J. Thos. Barr, of Lamesa, filled the pulpit at the church of Christ, Sunday morning. He had a very fine message for the church at that hour. We understand that he is a prospective minister for the local church.

We are glad to see our old friend, M. C. Crawford on the streets again. He does not expect much rain until about the later part of this month.

each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 106th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 106th Judicial District, to appear at the next regular term of the District Court of Terry County, to be holden at the Court House thereof, in Brownfield, on the Fourth Monday in August A. D. 1930, the same being the 25th day of August A. D. 1930, then and there to answer a petition filed in said Court on the 30th day of June A. D. 1930 in a suit, numbered on the docket of said Court No. 1513 wherein Teresa Martin is Plaintiff, and Willie Martin is defendant, and said petition alleging that she is a resident citizen of Terry County, Texas, has resided in the State of Texas, for a period of twelve months, and has resided in Terry county six months prior to the exhibiting of Plaintiff's petition filed herein.

This plaintiff would allege that by reason of cruel treatment and criminal excesses, she was forced to leave said Defendant, that she has not lived with said defendant as his wife since the 12th day of March, 1930, that she was lawfully married to said defendant on the 1st day of October 1929. That said defendant would not support her, that he had been unbeknowing to this plaintiff convicted of a felony.

That further living with said Defendant is unthinkable.

Herein Fall Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office this 30th day of June A. D. 1930. (SEAL) Rex Headstream, Clerk District Court, Terry County. 49c

HUNTER DRUG

—The Nyal Store—

MEADOW BRIEFS

By Aesculapias

This is the Glorious Fourth. The day when in times past we were wont to imbibe freely of liquid fire take a twist at The Tail of the British Lion, make the Eagle Scream and descant on liberty of the individual. Those were good old days that exist in memory only and are meaningless to the present generation who have bartered whatever liberty they may have possessed to the Anti Saloon League which McBride declares was borned of God. This may be so but it found correct it is a bastard. The love of liberty is inherent in every native American and he or she proceeds to exercise it and take the consequences.

Recently we have kinder kissed and made up with Albion and have agreed to occupy the Seven Seas on equal terms allowing to Japan sufficient armament to keep us out of the East when she cares to assert her overlordship over Asia.

Perhaps it is well enough to curtail our activities abroad as we have a darned sight more to look after at home than we can do a decent part by.

Our Army and Navy will have to be called into action soon to help the Prohibition Enforcement Gang clean out bootleggers and moonshiners, guard prisoners and convicts until and penitentiaries.

Yesterday a wild eyed cadaverous individual rushed into the drug store with an armful of papers and thrust one into my hand, which he gave an affectionate squeeze, and promptly departed. The boys had sent him over to do me.

The name of the sheet which is a misnomer is "The Southern Advance." Its motto "Turn the Escobots Out." Well as a matter of fact the Escobots have never been in and if they had they are a darned sight more respectable than the dirty gang who betrayed the Party in 1928 and saddled on the nation the Hoover Administration.

A hasty glance at the sheet is sufficient to tell all that a sure enough democrat cares to know. Nineteen columns of the sheet is devoted to the speech of Tom Love, who of one cares to believe what he

says, has given Texas all the good laws of the past fifty years. But he is running strictly on Tammany and Al Smith—a year before last bird nest.

On page three in the upper right hand corner they have pasted a picture of Old Tom as he appears on the back yard fence. His squint eyes and bald pate which looks as if Maggie had just landed him with a rolling pin, should give any one who is a physiognomist a good insight into his character. That mouth he carries looks like a crack in a pie.

On page one column one "Dr. Cranfill Comments." The writer gets rather reminiscent at sight of the good Doctors name. I have known him for fifty years, lived in the same village with him and if he was ever a democrat I never knew him accused of the offense.

There was a time when the good Doctor did not think or at least did not act as if booze was the worst enemy of mankind. There was a time when he did not refuse to run with those who imbibed too freely, also when if he condemned liquor at all it was in private.

The good Doctor and two other companions—one Kennedy and Mike Holmes once held this writer up on the highway at night with a big nickle plated revolver and forced him to put up his hands, for no other offense than being on the highway. Holmes managed the revolver and the Doctor and Kennedy were his companions. Holmes was beately drunk, whether or not the Doctor and Kennedy had imbibed I do not know. In any event they did not interfere with their companion except to ask him not to shoot and I am glad that he didn't. Neither of them had anything against me.

Later Doctor Cranfill began the publication of a strictly prohibition paper and has continued so for more than fifty years.

I have always been a prohibitionist. Took part in the State Campaign of 1887 and was present in the Fort Worth Rally along with Dr. Cranfill who had moved his printing plant to Waco. I have always voted for Local Option and thought that Federal Prohibition would be the acme of legislation against liquor—but it is the most dismal failure in promoting the cause of temperance ever foisted on a people. Why not

try to right it? Cranfill, Moody or Love to the contrary notwithstanding.

Wonder who is financing this "Southern Advance?" Not Moody, nor Love, nor the good Doctor. It is also pretty sure thing that Hoovercrats are not squandering any wealth in that way. It must be either the Anti Saloon League or Republicans, perhaps both.

In this campaign for the Governorship where is the necessity for a special paper devoted to the interest of one or more candidates? Can't the people be relied on to vote for whom they please? No, it is evident throughout this "Southern Advance" that the intention is to hoodwink the Dries and those who voted for Hoover, that the only hope of prohibition enforcement is in Tom Love, Morris Sheppard, C. M. Cureton, for the Supreme Court, and R. E. Bobbitt for Attorney General. Every one of the above named are old cronies and will champion anything they believe will get them across.

After a rather careful perusal of the paper, with the exception of Tom's Mixture, which I don't drink, it is the largest aggregation of misfits any political bunch ever tried to foist on the State.

It is a tissue of falsehood from Caption to Finis.

"He who thinks one thing and another thinks my

Heart despises as the gates of Hell." These Knights of Hoover are making a special appeal to the women of the state and the churches. Why? Possibly each of them have fooled at least one good woman apiece and they consider them easy marks. The churches have largely allowed the League to think for them in matters political and this bunch of political bums are endorsed by this organization.

I have always valued and treasured the fact that Texas was the state of my nativity, that my forebearers fought for liberty and freedom from Mexican Domination, but if this bunch of Pis-sivus can crawl into office, then I was borned and reared in any old place in other parts of the planet.

This sheet slanders all the newspapers of the country by alleging that they are all controlled by the low grade civilization forces of the Eastern Cities." It is of course a malicious libel.

I have devoted more space than Jack would care to allow this make believe newspaper but he is a long suffering cus and belongs to the bunch of "Low-grade civilization forces" proscribed by Alvin Moody and is supposed to pour out the "filth of liquor propaganda." The paper is marked Vol. 1, No. 45. It will die a burning and relegated after the Primaries to the limbo among the things that were. The paper is fifteen cents for three months. Which is fifty cents more than its worth. "Resquet in pace."

A lady from Brownfield left a petition here at the drug store asking the Commissioners to appoint a Home Demonstration Agent. I have not had the time to carry the petition around but have called the attention of those entering the store. It is being signed by every one whose attention is directed to the matter. However it is much better for some one to carry it around as store keepers can't always think to call attention to the petition.

The advantages derived from an active agent are so very apparent that it should require little argument or explanation to get the necessary signatures.

SCUDDAY SUCCESSFUL STRIVERS

The Scudday 4-H Club had a regular meeting June 24th.

The meeting was called to order by President Vernon Townsend; the roll was called by Secretary Willie Cunningham. We then had some interesting talks about our projects. Everybody reported fried chickens to eat, and their crops were coming along nicely, also every pig is almost big enough to eat.

We have 23 club members now. We may not have as many members as some of the other clubs in Terry County but the number does not count every time.

Scudday sure is going to be present at the Club Rally and we are going to strut our stuff as Orville told us to.

We looked for Mr. Davis at the meeting Tuesday night but he didn't arrive. We will expect him July 8. Eunice Norris, Gladys Green and Willie Cunningham were appointed to make our banner and get a program up for the Rally.

All the parents in Scudday community who are interested in canning are to be present at our next club meeting to talk about it. We have our club meetings every other Tuesday nights.

We will have a program at the next meeting and we might have something good to eat.

Everybody is invited to our club meetings at all times. We are glad to have visitors. We want people to know what our club is doing. Let's hear from other clubs.

SHAMBURGER

WHEN THE INSANE ARE "SANE"

Any person who casually keeps up with the news of the United States frequently reads of instances where persons released from insane asylums as cured have a relapse and kill somebody.

Last week in Vermont a man, who had suffered previous attacks of insanity but had been released from the hospital for the insane, killed his grandmother and nine-year old niece before committing suicide.

It is easy to understand that hospital officials, under continuous pressure from relatives naturally anxious to have their loved ones released, yield to their importunities and release patients whose mental recovery is a matter of doubt. At the same time, it is of great importance that these officials realize the dangerous character of the individuals that they turn loose on an unsuspecting community.

The eel has two separate hearts. One beats 60 and the other 160 times a minute.

A kind-hearted old gentleman saw a little boy trying to reach the doorbell. He rang the bell for him, then said, "What now, my little man?" "Run like blazes," said the little boy. "That's what I'm going to do."

Ira Lee Watkins of Meadow made the honor roll for the spring term at Texas Technological College with an average grade of B plus on 15-18 term hours of work, according to the report of the registrar's office.

INFORMATION WANTED

Can one use, when shingling the roof of his mouth, the nails from the ends of his toes?

Can he sleep in the shade of the palm of his hand?

Can he beat the drums of his ears?

Can the crooks of his elbows be sent to jail?

Do the calves of his legs eat the corns of his toes; if so, why not corn on the ear?

TRUE FORTUNE

"Were you lucky at the races yesterday?"

"I'll say I was. I found a quarter on the way out of the grounds, so I didn't have to walk home."—Washington Star.

HELP YE ONE ANOTHER

A traveler in the South returns with the tale of two signs he saw. One was on the only restaurant in a small town and it said boldly, "Eat Here Stranger Or We Both Starve." The other was on a road along a soggy bayou. It read: "When This Sign Is Under Water This Road Is Impassable."—Pathfinder.

"Mother, may I go out to swim?" "Yes, my darling daughter; Put on your new jade two-piece suit And the sun hat that you bought yer. Perhaps you'll wear your satin coat (the pink one trimmed with otter) Also silk hose upon each limb— But don't go near the water!" —London Opinion.

FOR TWO TRIPS, MAYBE

"Did you know, dear, that tunnel we just passed through was two miles long and cost \$12,000,000?" said the young man to his sweetheart.

"Oh, really, did it?" she replied, as she started to re-arrange her disheveled hair. "Well, it was worth it, wasn't it?"

Mrs. S. T. Newman of Brownfield, made the honor roll for the spring term at Texas Technological College with an average grade of B plus on 15-17 term hours of work, according to the report of the registrar's office.

Misses Doris and Jannie Marchbank have entered Draughon's Business College of Lubbock, where they are taking a course in Secretarial Training.

Conscience is what makes a man tell his wife something that he thinks she is going to find out.

Legal reserve life insurance plays no favorites. The man or woman of moderate income can secure it on the same basis as their wealthier neighbors.

Have you enough life insurance?

W. A. BELL

SERVICE MAN FOR

Tremendous Power from the Wind

THE Aermotor Co. is now making a self-oiling windmill 20 feet in diameter. If you have a well 1000 feet deep, or if you want to raise a large quantity of water from a shallower well, this is the windmill you need. This new Auto-Oiled Aermotor weighs nearly 2 1/4 tons without the tower. It is a giant for power.

Whatever your water requirements may be there is an Auto-Oiled Aermotor of the right size for the work. They are made from 6 feet to 20 feet in diameter. Use the smaller sizes for the shallow wells and the larger ones for the deep wells or large quantities of water. Our tables, sent upon request, tell you just what each size will do.

The Improved Auto-Oiled Aermotor, the genuine self-oiling windmill, is the most economical and the most reliable device for pumping water. It works every day and will last a lifetime.

Every size of Auto-Oiled Aermotor has double gears running in oil. All moving parts are fully and constantly oiled. One oiling a year is all that is required.

The Auto-Oiled Aermotor is made by the company which originated the steel windmill business. For full information write

Plains Social Items

Mr. and Mrs. I. W. Sawyer have been entertaining two old time friends from Nearwisa, Okla. Prof. and Mrs. Tiner of Meadow are moving to Plains to take charge of the school this coming year. We are sure glad to welcome them to Plains as we need them, but am sure they will be greatly missed at Meadow.

Mr. and Mrs. John Cadenhead of Meadow came by for a short visit with her mother, Mrs. Moreman after a vacation in the mountains. They reported a nice time.

Mr. and Mrs. Leslie McLaren and children left for Paducah, Texas for their daughter's, Miss Winnie Mary, health. While there they will visit her grandparents, Mr. Lynn and Mr. McLaren's parents. The friends of Winnie Mary are hoping she will return soon and in good health, and will have a nice time while she is away.

Mrs. Edna Blankenship and son, Billie Clenton, spent the Fourth with her mother, Mrs. Criswell. She returned to her home in Tatum, N. M., Monday.

Tommie McDonald spent Saturday night with Mutt McClellan.

Mr. and Mrs. Wade, Otis Roper, Mr. and Mrs. Lawrence Cleveland, and Mr. and Mrs. J. A. Rushing were dinner guests of Mrs. Criswell, Sunday.

Mrs. Cates visited Mrs. Lusk Monday evening. Mrs. Lusk named her baby, Billie Fay.

Born to Mr. and Mrs. K. W. Whisenant on July 7, a 7 lb. boy. Mother and baby are doing nicely.

Mr. M. Rich of Clyde, Texas moved his family to Plains this week, to be one of Yoakum's citizens. We are indeed glad to welcome them to our town. They are living at the Boyd house now. Our county isn't very large but we will move over and give room to them, there is always room for one more. We welcome them to church and Sunday School.

The Masons were very much surprised by a moonlight ice cream party given by their wives out in the street as lodge adjourned, Saturday night. They wouldn't mind if they were surprised many more times in that way.

Mrs. J. W. Sawyer was in Brownfield on business Monday of this week.

Mrs. W. L. McClellan was ill Sunday and was unable to teach her S. S. class and Mrs. Larence Cleveland taught the class.

Mr. Marshall has as his guest this week, a brother from Fort Worth.

Mrs. Mat Williams spent Friday night with her mother, Mrs. Bettie Long.

Miss Irene Williams and little Miss Annie Mae Keller of Brownfield are spending this week with their grandmother, Mrs. Long.

Ralph McClellan visited from Thursday till Saturday in the home of Mr. and Mrs. Bean.

Mr. and Mrs. H. E. McBride of Brownfield were visiting Mr. and Mrs. W. L. McClellan Wednesday. Mr. McBride in Supt. of Highway No. 84.

Mrs. Wade filled her appointment Sunday.

Miss Jewell McClellan visited in the home of Mr. and Mrs. S. McDonald, Thursday and Friday. She was accompanied home by Misses Rosa and Naoma McDonald, Friday evening.

Mrs. Vernon Lane and children who have been visiting her aunt and uncle, Mr. and Mrs. L. B. Nevils for the past three weeks returned to their home in Oklahoma. They were accompanied by Lynn Shoemaker, who went to recuperate from a serious operation.

Thirty-four were present at the old fashioned ice cream supper at Mrs. McClellan's Fri. night. Games

were played by the young folks and "42" by the elder ones. Everyone present had a nice time and lots of fun.

Mrs. Loyd was ill Thursday and Friday, but is able to be going and visiting the other sick ones at this writing.

Mr. and Mrs. Odis Lusk are the proud parents of a 6 lb. baby girl born to them July 3. Mother and baby are doing nicely.

Mrs. Grant Trumble who has been spending the week with her sister, Mrs. Loyd, returned to her mother's, Mrs. J. A. Gibson, Friday.

Mr. and Mrs. Will Smith and son, Dale and Mr. George Bryant of Warren, N. M., were business visitors in the Stamford Valley community Saturday and were the dinner guests of Mrs. Loyd.

The hail Monday night hailed out most everything in the Stamford Valley community. A little cotton was saved and most all the feed, but two renters on Bro. Heath's farm lost everything. They moved Friday to other communities. The farmers there were busy this week planting over.

Rev. and Mrs. Loyd and Mrs. Trumble visited in Stamford Valley Tuesday evening.

Mr. and Mrs. Lusk of Dickens are visiting their son, Odis and wife.

The ladies met at the home of Mrs. Bettie Criswell Wednesday afternoon and finished the Missouri Star quilt which was started a few days ago. It was finished ready for quilting and one was quilted for Mrs. Criswell, Wednesday of next week was set to meet again to quilt.

Ice cream and cake was served to the following guests: Mrs. Marion McGinty, Mrs. Ruth O'Neal, Mrs. Moreman, Mrs. Dixon, Mrs. Camp, Mrs. Long, Mrs. McLearn, Mrs. McClellan, Mrs. Essie Mae Carter, Mrs. Cox, Miss Jewell McClellan, Mrs. Loyd, Mrs. Arnette, Mrs. Turner, Mrs. Moreland, Mrs. Cates, Mrs. Grace Rushing, Mother Cox of Garden City and Mrs. Holloway as visitors, Mrs. Criswell and daughter, Mary. Every lady is invited to take part in these quiltings. We will meet at Mrs. Marion McGinty's this following Wednesday.

Mr. and Mrs. L. B. Nevils were seriously ill Saturday night from eating a sandwich in town Saturday afternoon. They are able to be up at this writing.

There is going to be a play at the school house Wednesday, July 16. Everybody come. The funds will go to help finish both churches.

The following are our teachers for the coming year: Prof. and Mrs. Tiner, Miss Newsome, Miss Heath, Miss Odem and Miss Thelma Myers.

Mr. Miller helped Mr. Nevils vaccinate his lambs last week.

Dorothy Greenfield spent Sunday night and Monday with Misses Vesta Sue and Esta D. Holliday.

Mr. and Mrs. Walser and children, Mr. and Mrs. L. O. Greenfield and children, and Mr. Graham visited in the home of Mr. and Mrs. Music and ate ice cream Friday.

There was quite a few from here visited Mr. and Mrs. McCravy the Fourth and carried dinner.

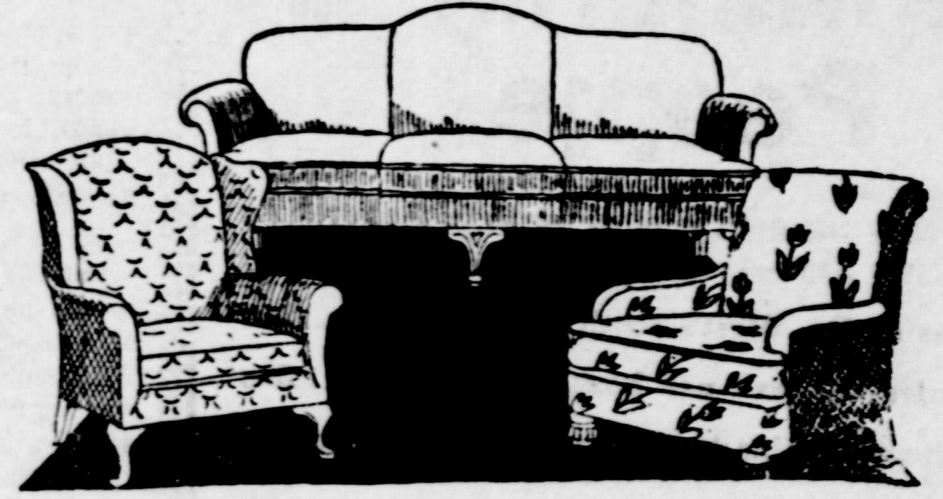

There was a nice crowd at Singing Sunday afternoon. All seemed to enjoy the good singing. Quite a few visitors from different communities were present. The singing school was put off till further in the summer on account of the farmers being so busy planting over.

There was lots of wind as well as hail that came with the cloud Monday night of last week, causing lots of damage to windmills, barns and small buildings in and around Plains.

Our candidates are friendly visitors this week, as time grows shorter they become more anxious and still have just a few more words to say to you before you cast your vote.

Mrs. Dick Free and children of Abilene are visiting her parents, Mr. and Mrs. C. I. Bedford.

Miss Wilma Conrad of Lubbock is visiting Misses Dixie and Ruth Free at their grand mother's, Mrs. C. I. Bedford this week.

WHITE & MURPHY

C. B. Markham was over this week from the new town of Humble, N. M. which he is helping to promote. It is situated on the new rail line between Hobbs and Lovington.

A. L. Turner has started up his filling station again. He leased it out for awhile and reports that he found everything in bad shape when he reassumed management.

Konjola Ended 2 Years Of Stomach Misery

Again This New and Different Medicine Shows Why It Has Become Famous.

MRS. BERTIE COWAN

Strange, but absolutely true—Konjola, the new and different medicine seems at the very peak of its powers when pitted against the stubborn cases that have held on with bulldog-like tenacity. Take for example, the experience of Mrs. Bertie Cowan, 614 West Second St., Fort Worth, Texas, who says:

"For two years the lightest of foods caused misery. At times I had to gasp for breath, and I belched up bits of undigested food. I took soda constantly. My kidneys gave me trouble too. I had back-ache and had to rise many times at night. But Konjola ended all this, and today my back is free from pain, my nerves are steady, I sleep soundly and wake up every morning rested and refreshed."

Thus Konjola works, swiftly yet surely. It is strongly recommended however, that a complete treatment of from six to eight bottles be used if best results are to be obtained.

Konjola is sold in Brownfield at Alexander Drug Co., and by all the best druggists in all towns throughout this entire section.

Teacher—"Herbert, how many seasons are there?"
Herbert—"Do you mean in the United States?"
Teacher—"Yes."
Herbert—"Two."

Teacher—"Only two? Name them."
Herbert—"Base ball and foot ball."
The energetic workers and builders in life have learned to grip the good in everything and turn it to account.

A PRACTICAL HOG SHED

Simple and economical to construct.

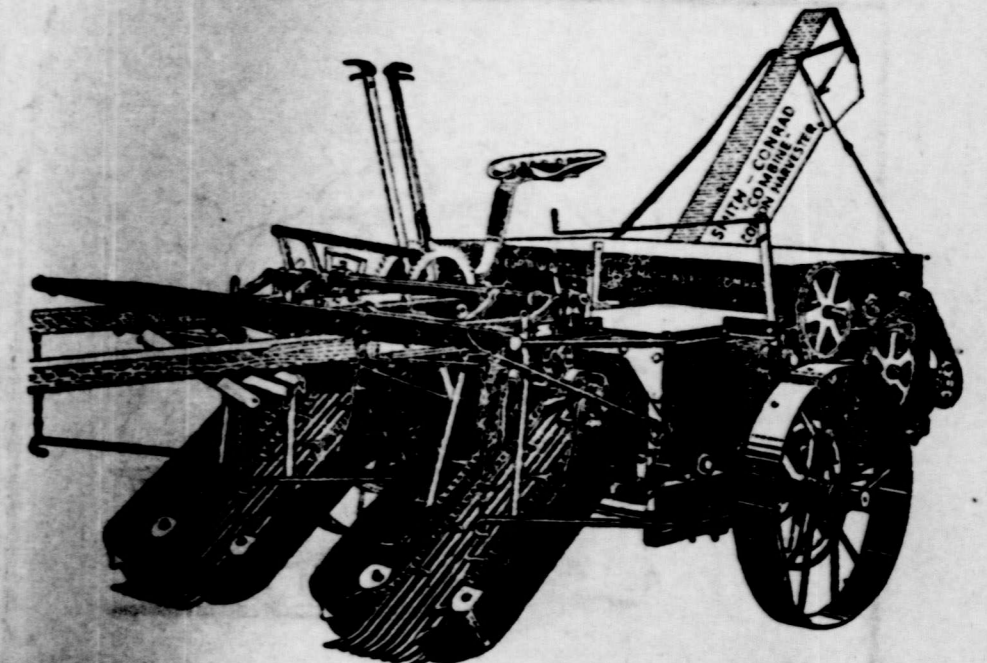

Provides a cool shady retreat in hot weather. North walls let down for protection in cold weather.

Every farmer knows that shade in summer means more meat on the hog.

This is Plan A2 of the Farm Building Service Bureau of College Station, Texas. You may have it for the asking at our office. There is no obligation. Many other building plans are available in this free service. Ask to see them.

CICERO SMITH LUMBER CO.

A TIME SAVER

FROM STALK TO TIES

Make Possible A Three-Fold Profit on Cotton Production

- 1st, A PROFIT of from \$15.00 to \$30.00 per bale on gathering and ginning over old methods.
- 2nd, A PROFIT of \$10.00 per ton of burs and trash in fertilizing value to the land in the retaining of all burs, sticks, trash and dirt on the field where the cotton is grown.
- 3rd, A PROFIT in the saving of time as the Smith-Conrad "Combine" Harvester will gather cotton from 15 to 20 acres per day—Time is money in cotton harvesting season.

BARBECUE Tuesday Thursday & Saturday

All the stores closed here July 4th until late afternoon when the drug and meat stores reopened. Nothing doing here, but many attended picnics and celebrations at nearby places.

Mrs. Paul Robertson, has returned from Waco, where she visited her mother who was ill.

Tom May informed us this week that he had finally got fire insurance adjustment on his home which was satisfactory, and would start in the next few days remodeling his home. Most of the upstairs section will have to be rebuilt, and the lower part will have to undergo some repairs.

Ulysses Sawyer and family of Caprock, N. M., were over the week end visiting friends and relatives. Miss Queenelle, daughter of Mr. and Mrs. Arthur Sawyer returned home with them for a visit.

The Hargrave dry goods store is being sold at auction as we go to press, and we understand will be closed out at this place to the regret of their many friends here.

Back Little, who on account of sickness in his family failed to get his name on the ticket for public weigher at Wellman, was up this week to get some advertising matter advising his friends to write his name on the ballot.

Gordon Treadway of Brownfield, made the honor roll for the spring term at Texas Technological College with an average grade of B plus on 15-17 term hours of work, according to the report of the registrar's office.

"I never could understand why a fellow should not be allowed to have more than one wife."
"Well, after you're married, you'll realize that the law protects those who are incapable of protecting themselves."—Pathfinder.

SOCIETY and Club

Recent Bride Honored

The young ladies Bridge Club, assisted by Mrs. W. H. Dallas and Mrs. W. B. Downing, very charmingly entertained a large number of guests on Thursday afternoon, July 9th. This social event was given in honor of Mrs. Cye Tankersley, a recent bride and former member of the young ladies Bridge Club. The Downing home was attractively decorated in cut flowers and in flags. Our National Red, White and Blue also was used in the "Guest Book" which was in the hands of Miss Olga Fitzgerald.

Guests after registering were served punch and colored mints from a delicately decorated table in the dining room, where Misses Rebecca May, Frances Brownfield and Miss Flache presided.

Little pieces of the bride carried gifts, suspended from "hangers" on a pretty rod. Queenelle Sawyer and Wandis Graham being preceded by Elroy Lewis and Virginia May, who in union gave a pretty verse on "Love." The little ladies wore party dresses of taffeta and net, and caps were worn by those entertaining.

A brief program prefaced the "shower of gifts." Miss Fay Brown gave a most pleasing toast—"To The Bride."

"We mingle our wishes sweet bride of today, And pledge you our friendship forever."

May the new love which thrills you now—brighten life's way. Refreshing like wine and falling never;

And your gay winsome manner, compelling and sweet— Will lead all your battles to victory complete."

followed by Mrs. W. H. Collins in a consoling pretty original manner, "To The Girls Left Behind."

"Let's fill up the cup to the girls left behind Though they be intelligent, pretty and charming— Here's hoping some day a gay handsome young swain will propose—"

And you will be his forever. Be true to the end, though His money you spend, And your cooking may give indignation—

The dread rolling pin will save home from sin. And make him your slave forever."

Miss Lenore Brownfield read an amusing "Proposal" in true costume of a young swain.

The "shower" included a varied collection of beautiful and useful articles. The bride, happy in the knowledge of her host of friends, expressed sincere thanks and appreciation. Mrs. Tankersley was before her marriage, Miss Larue Sawyer, daughter of Mr. and Mrs. M. B. Sawyer, Terry county pioneers.

Mr. and Mrs. Tankersley will reside in Brownfield, and plan the erection of a modern home in the near future.

Those attending were Mesdames C. L. Hudgens, W. H. Collins, Felix Proctor, Jay Barrett, H. H. Longbrake, E. A. Graham, C. L. Green, A. A. Sawyer, H. W. McSpadden, H. H. Hughes, G. W. Warren, J. C. White, L. J. Dunn, L. R. Pounds, M. V. Brownfield, Ralph Carter, Walter Gracey, S. H. Holgate, I. M. Bailey, A. M. Brownfield, C. R. Baldwin, J. J. McGowan, Ivy Savage, Jack Jackson and Clyde Lewis; Misses Lucille Flache, Gladys McSpadden, Olga Fitzgerald, Marie Bell, Vivian Winston, Lenore Brownfield, Fay Brown, Elizabeth Hargrave and Emma Jane Alexander.

Sending presents were: Mesdames J. E. Michie, W. C. Smith, J. H. Griffin, S. L. McDonald, J. C. Green, J. M. Telford, Ben Hurst, A. J. Stricklin, Cecil Smith, Earl Hill, Roy Herod, Fred Smith, E. V. May, G. E. Turrentine and G. S. Webber; Misses Veda Headstrom, Bernice Weidon, Addie Hamilton and the City Drug.

Mrs. McBurnett Hostess

Cut flowers were used in profusion when Mrs. A. M. McBurnett was hostess to the Ki-Kare Club with three tables of bridge.

In the games Mrs. Morgan Copeland scored high, receiving a mayonnaise dish and Mrs. Collins, second, and was awarded a compote.

Iced punch was served throughout the games and after the games the hostess served sherbet and cake to Mrs. W. C. Smith, Mrs. Fred Smith, Mrs. Dick Brownfield, Mrs. Ray Brownfield, Mrs. Copeland, Mrs. I. M. Bailey, Mrs. Claud Hudgens, Mrs. Weber, Mrs. Kendrick, Mrs. Collins, Mrs. Carter and Mrs. M. M. Smith of Glendale, Arizona.

Mr. Gladys Green of the Alexander Drug, had a slight operation on his nose at the Lubbock Sanitarium on Tuesday.

Bride-Elect Honored

Miss Grace Hulce, bride-elect of Mr. J. P. Newton of Union community, was the recipient of many nice and useful gifts on July 2nd, when Mrs. Earl Wilson, Mrs. Roy Collier and Miss Bernice Weidon honored her with a shower in the Collier home on North 5th.

Miss Robbie Marion Hardin gave the "toast to the bride" and Miss Winnie Davis to the girls left behind. "Just Keep On Keeping On." Bill Savage Jr. read "Home" by Edgar A. Guest.

Little Misses Laverne Collier and Florene Williams presented the gifts to the honoree. There were thirty-five present and quite a few sent gifts.

The hostesses served cake and cream.

Announcement of Coming Wedding Made at Lovely Party Tuesday Evening.

White score cards in a dainty bride design with tallies to match were used in the lovely bride party given by Miss Sue Flache at her home in honor of her sister, who is to be married on July 24 John Mays Hill.

The spacious rooms were made unusually attractive with Shasta daisies and bowls of lovely red and white carnations. The rosy glow of shaded lights lent a cozy atmosphere to the already lovely rooms.

The pastel shades of orchid and pink were carried out in the novelty organdie table covers. Miss Alyce Cross of Lubbock was favored with a lovely set of Peppercell bed linen for high and Miss Marie Brown drew a novelty bon-bon dish for low. The honor guest was presented with a beautiful Maderia luncheon set. High and low prizes were also given to the honoree.

At the close of the games dainty angel food squares and pink and white brick ice cream were passed. On each plate a scroll tied with sweet peas and pink ribbon held the words, "Lucille Flache and John Mays Hill" July 24, 1936.

The honor guest was lovely in a model of cream and orange chiffon and was her usual sweet self.

Lucille has lived in Brownfield for quite a number of years and has endeared herself to all who know her. Mr. Hill has been in and out of Brownfield for the past two years with the government work.

Out of town guests included Misses Beatrice Mitchell of Winters, Texas, Letta Alyce Cross and Mrs. J. T. Von Tungen of Lubbock. Other guests were Misses Robbie Marion Hardin, Lois Adams, Kathryn Stinson, Faye Brown, Frances Brownfield, Vivian Winston, Addie Hamilton, Sue Flache, Marie Brown, Elizabeth Hargrave, Kathleen Alexander, Elizabeth Dumas, Olga Fitzgerald and Emma Jane Alexander; Mesdames Cye Tankersley, Claude Hudgens, Ike Bailey, Paul Lawlis, Ivy Savage, Roy Davis, Roy Herod, Homer Nelson and Ame Flache.

Christian Church

Miss Irene Pippin read the devotional the 14th chapter of St. John and Mrs. Simon Holgate was leader of the lesson "Consciousness" on Monday, when the Ladies Society met with Mrs. F. Walters.

Hostess served sandwiches and tea to Mrs. Sawyer, Mrs. Miller, Mrs. Joe Price, Mrs. Flippin, Mrs. Gracey, Mrs. Geo. Snodgrass, Mrs. Holgate and Miss Pippin. Next meeting will be with Miss Pippin.

Mr. and Mrs. L. M. Gofourth of Dallas and Mrs. Dock Pitts and daughter, Elizabeth, sister and niece respectively of Walter and John Gracey are here visiting.

Senior M. E. Society

The Senior Missionary Society of the Methodist church met Monday at 4 o'clock. Mrs. Linville led the lesson in study book "Jesus Our Ideal." 32 visits, 6 trays and 3 bouquets were reported given to the sick. Members present were Mesdames Cook, Wheeler, Longbrake, Linville, Powell, Turrentine, Williams, McDaniel, and Downing.

Bible Class

There were eleven members present at the Bible Class of the Church of Christ. Mrs. Travis led a very interesting lesson on the "Kingdom of Judah."

Kiddies Class

Mrs. Roy Collier's class of children of the Church of Christ will meet each Sunday evening at 7:30 and the lesson for Sunday will be "Ananias and Sapphira" and the memory verse is Prov. 12-22.

Newton-Hulce Nuptials

A quiet but impressive wedding was solemnized Tuesday afternoon when Miss Grace Hulce and Mr. J. P. Newton were married at the home of the Baptist pastor, Rev. E. V. May. Rev. May said the words that made them one.

Miss Rowena Hulce, sister of the bride and a few other friends were the only attendants at the ceremony. The bride was beautifully dressed in blue, while the groom wore a business suit of gray.

The happy couple left immediately after the ceremony for a few days honeymoon at Rowell and other points west.

Mrs. Newton is the daughter of Mrs. Jennie Hulce of this city, and has been one of our popular grade teachers several years. It is understood she will teach here again next year also. Aside from her school duties she takes an active part in the social and church work of our little city, filling a place regularly in Sunday School as teacher.

Mr. Newton is counted as one of our successful and well to do farmers, and has just recently erected a nice brick home on his farm in the Union community.

It is the wish of their many friends that a greater share of the joys in life may be theirs.

Young Matrons Circle

The young matrons of the Baptist church met with Mrs. Frank Ballard on Monday. Discussion of the book of Esther was very interesting and was led by Mrs. E. V. May.

Next meeting will be with Mrs. Jack Benton.

Mrs. Ballard served a refreshment plate to Mrs. Roy Davis, Mrs. Homer Nelson, Mrs. May, Mrs. Green, Mrs. Garrison, Mrs. Searson, Mrs. Bailey, Mrs. Brown, Mrs. Burrows, Mrs. Swan, Mrs. Ballard and Mrs. Ralph Carter.

Mr. and Mrs. Luther Croce and son, John L., are vacationing on the Texas coast and will return some time next week.

Quite a few town people are taking advantage of bearing Elder Kirby Bentley, who is holding services for the church of Christ of Wellman. Elder Bentley is one of the church of Christ's foremost young preachers.

Mrs. W. R. McDuffie and children returned last week from central Texas where they visited the past month. Her sister, Miss Christine Owens accompanied them home.

Mr. and Mrs. Ulysses Sawyer and daughters, Fern and Myrl, of Cross Roads, N. M., visited relatives and friends here over the week end.

Mrs. Dr. Graves who has been in the Lubbock Sanitarium the past two weeks is reported improved.

Mr. and Mrs. Robt. L. Bowers and children and Mr. and Mrs. Morgan Copeland spent the 4th at Ruidosa, New Mexico.

WHOLE HAM—GOOD TO THE LAST BITE

A whole ham baked or cooked in water is a decided asset during the hot summer weather when quickly prepared meals are or should be the order of the day. "A whole ham may be prepared in so many attractive ways that the family will declare it was good to the last bite," says Miss Inez S. Wilson, home economist. Here are a few ways of proving this statement.

Savory Ham

1 cup cold cooked ham, chopped
3 hard-cooked eggs
1/2 cup cream
1/2 teaspoon salt
Pepper and paprika
1 teaspoon minced parsley
Add the ham to the cream which has been heated. Rub the yolks of the eggs through a sieve; chop the whites finely and add to the ham mixture. Season, heat thoroughly; serve on toast. Sprinkle with the finely minced parsley.

Baked Ham Hash

Add equal parts of finely chopped ham and diced cooked potatoes to enough thick cream sauce to moisten well. Put in a shallow baking dish which may be taken to the table. Cover with buttered crumbs and sprinkle with minced parsley. Brown nicely in the oven.

Deviled Ham Delight

Cream 1/4 pound soft, fresh American cheese and blend it with a small can of deviled ham. Soften the mixture with 1 tablespoon of mayonnaise. Spread on thin buttered slices of rye bread with a crisp lettuce leaf between.

And the very last appearance of the whole ham may be the bone as the source of flavor in split pea soup which will be most acceptable on one of these cool evenings that happen along now and then, even in the very nicest summer, and it is hearty enough for the main dish of the meal.

Split Pea Soup

Soak 1 cup split peas over night. Next day add 2 quarts of water and simmer with the ham bone for four hours. Add 1 large sliced onion, 1 large diced carrot and 1 can of tomatoes. Twenty minutes before serving add 1 cup diced potatoes.

Cakes, Pies or Breads—Baked to Your Order

Special cakes of the most delicate designs... handsomely decorated in colors if desired to make them suitable for the occasion for which they are wanted. See us for your next special cake order. Phone 74.

THE BON TON BAKERY

Vacation Bible School At Methodist Church

The children of Brownfield will have a treat during two weeks, beginning Monday, in having a school where they learn to live abundantly the Christian life while they play together, sing new songs suited to their ages, and hear Bible stories told in an interesting manner. Each day at nine the school will begin and continue thru 11:45. Most of the school will be held at the Methodist church, the part of the organized play will be given on the grade school ground. Friday at five, a picnic will be given and registration made at the church. The following will constitute the faculty and the courses taught:

Supt., Gen. E. Terrentine.
High School Dept., Dramatics.—Mrs. Herman Heath.

Juniors, Mrs. Carpenter, Principal. Mrs. E. M. Fox.
Primaries, Miss Fay Brown, principal. Miss Margaret Bell.

Beginners, Mrs. Boone Hunter, Mrs. J. C. Hunter, handwork.
Piano games and worship music. Mrs. Clyde Coleman and Miss Fay Brown.

Playground instruction, Mrs. Larue Tankersley and Miss Francis Carpenter.

Enrollment chairman, Mrs. Denton Moore.

Entertainment chairman, Mrs. J. B. Knight.

Ira Burke, son of Mr. and Mrs. J. B. Burke, of the Gomez community, died Wednesday, July 2, and was buried the 4th, after a lingering illness of almost three years, most of which time he was bed ridden. Rev. E. V. May conducted the funeral services.

J. C. May and family from Post were over the 4th visiting his brother, Rev. E. V. May and family.

A very enjoyable trip was reported by Judge and Mrs. Homer Winston in California. They saw many of their old friends and also saw how the movies are made.

Where It's A Pleasure To Eat

At this cafe you don't have to select from just a few of the staple articles of diet, but have an extensive menu equal to the large city cafes. All sea and land foods in season. Best cooks and courteous waiters.

HANCOCK CAFE

Hotel Brownfield Brownfield, Texas

Gleaming scintillating glass—what can be more ideal for that console table, or the candle-lit dinner table? The attractive bowl and candlesticks to match can be had in Rose, Azure, Green, Amber, Topaz and that rich and popular Ebony which is opaque and makes an excellent foil for a table set in either Crystal or Topaz glass. The quality and perfection of these items need no further assurance than the fact that they are made by Fostoria.
