CUB COMMENT

How long will B. H. S. continue to be good losers instead of good winners?
Why not have a Pep Campaign in B. H. S.? Do we need it?
Why not have an information booth at the Interscholastic League Meet?
We have only twelve weeks left of this school year. Let's make these last weeks really count!

If you fulfill what you owe to yourself, that's victory!

The Cub Reporter joins with the friends of Irene and Ralph Jeter in an expression of sympathy in the loss of their brother.

Sunshine keep the world alive. Radiate it!

There are only three weeks left in which to prepare to win the Interscholastic League Meet.

No adventure, no advance.

March 12, 1935 will be "Visitors' Day" in B. H. S. We want all of our parents to visit Brownfield High School on that day.

Is it hard work or something else that makes the "A" student?

We find as we go to press, that the Baseball Girls are going to Wellman this afternoon.

ma Fern Green, Luna Maude Gore, and Beatrice Perry.

Gold basket balls, with '35 engraved on them, were awarded to the following girls: Queenelle Sawyer, Darlene Tankersley, Elray Lewis, Clara Estes, Shirley Burnett, Wanda Graham, Ora Dee Eicke, Johnnie Mae Jenkins, and Mary Othell Fulton.

Silver basket balls were awarded to three girls: Iris Lewis, Betty Jo Savage, and Mildred Adams.

TEXAS PROGRAM WELL ATTENDED

On Friday morning the student body met in the auditorium for an interesting program given by the school. The auditorium was filled with High School, West and East Ward pupils, and visitors.

The students believe they should invite the other schools over to their chapel programs more often. It makes them happier to have all the Brownfield students in the auditorium at one time.

SENIORS CHARACTERIZE FACULTY

On Wednesday morning of last week the student body met in the auditorium for a short chapel program, whereby they were entertained by the Seniors.

The following pupils impersonated: Clyde Dallas as Mr. Lawlis; Truett Flache as Mr. Wester; Bill Childress, Mr. Penn; Kathy Hunter, Mrs. Penn; Bill Savage, Mr. Ledbetter; Irene Adams, Mrs. Wilkins; Ruby Nell Smith, Miss Winston; Queenelle Sawyer, Miss Rasco; and Logan Redford, Coach Daniel.

The student body was very sorry to see that only two of our teachers went to Paradise—Mr. Wester and Mr. Ledbetter. There has been a report from some concerning the two who were admitted; it seems they do not fit in the society there.

DEBATERS ATTEND TOURNAMENT

The B. H. S. Debaters were invited to attend a Practice Tournament at Levelland last Saturday, and so Saturday morning they started out with their hopes running high. However,

they did not set the world on fire. The girls lost their first debate to Levelland, while the boys won their debate against a girl's team with the unanimous decision of one judge.

Those attending the tournament from B. H. S. were Dorothea Mae Randle, Irene Adams, Roy Chambliss, Bill Childress, Nelson Smith, and Mrs. Penn.

CUB CLASSES

The Sophomores met in their class room Monday and were favored with a short program. Beatrice Perry sang "Rockin' Our Babies to Sleep."

There are big prospects for athletes in this class, mentioning C. B. Warren, Marner Price, and Robert Pharr, who are coming out for track in the Interscholastic Meet.

SENIORS

The Seniors are still the leaders of B. H. S. In the intra-class track meet Friday, March 1, the Seniors came out with colors flying.

FRESHMEN

The Freshmen met in the auditorium Monday, March 4. A number of business problems were discussed and settled, and a very interesting program was enjoyed.

Talk: What the Freshmen can do to win the Interscholastic League Meet—Jack Shepherd. Harmonica—Mr. Penn. Reading—Thelma Fern Harris. Song—Donnie Mae Smith. Piano Solo—Sue Bynum. Song—Evelyn Walls, Darlene Tankersley and Shirley Burnett.

CUB CHATTER

Margurite Burnett was in Lubbock Sunday afternoon.

Sunday, Virginia May visited her brother, Murphy, an ex-student who is now attending the New Mexico Military Academy.

Marlin Hayhurst was a visitor in Brownfield during the week-end.

Verz Jackson was in Hobbs, N. M. March 3rd.

Alma Fern Green attended the polo games in Lubbock Sunday afternoon.

Nelda Jim Hicks of Tahoka was in town Sunday.

Vondee and Elray Lewis "blew over" to Tatum Sunday afternoon.

Mary Louise Tinkler is back in school after a few days of illness.

We understand that the blizzard kept Kathy Hunter from going to Lubbock this week-end.

Lorene White is out of school on account of illness.

OPEN HOUSE FOR B. H. S.

According to Principal Jack D. Wester, Brownfield High will hold "Open House" for visitors all of Tuesday, March 12. Work of the various departments will be put on display for inspection, and classes will be conducted as patterns of the recitations commonly conducted in the school.

This Open House is sponsored by the Parent Teachers Association, and the event will last until the close of the P. T. A. program in the evening. Tea will be served all visitors, the H. E. Dept. acting as hostess for the school. Visitors will be expected to sign for one class in high school, and a picture will be given to the class collecting the greatest number of signatures.

enrolled. Last Friday B. H. S. was open to visitors. Some twenty-seven people visited in assembly and then attended classes during the day.

CUB CELEBRITIES

MONROE GILMORE—Monroe was born August 28, 1915, at Girard, Texas. He moved to Lost Lake, and started to school there in 1923. He attended school at Lost Lake until January 1929.

CUB CLUBS

The Science Club met February 26, and although the program was very short, it was interesting. It was an experiment on "Making the Storm Clouds Rise," by Jack Shepherd and Orval Pickett.

LILLIANNA CLUB

The Lillianna Club met Tuesday, Feb. 26 and the following interesting report was given: George Washington's Wife—Oleta Stanley.

DRAMATIC CLUB

The Dramatic Club is still following its plan to have a program each week. The program last week was as follows: The Memories of Edwin Booth—Virginia May. Piano Solo—Lucille McSpadden.

WEST WARD OBSERVES VISITORS DAY

One hundred and eighty visits were made in the Brownfield Grade School Friday, March 1, in observing their visitation day.

EXTEMPORANEOUS SPEECH

Extemporaneous speech has only a few representatives in B. H. S., but the few are working diligently toward the goal of county championship.

DECLAMATION

Work on declamation has been quietly, but seriously taking place for some time. According to Mrs. Penn, who has charge of this work, there is some excellent material among the contestants in this field.

B. H. S. DEBATE TOURNAMENT

On Saturday, March 9, the Brownfield debaters are inviting the neighboring teams to a practice tournament. This is the third tournament of its kind that has been held in the vicinity of B. H. S. this year.

The students of B. H. S. will be asked to be timekeepers and chairmen. The plan of this tournament is to begin debating at 10:30 A. M., furnish lunches to the debaters and their coaches and to give recognition to the winners of first and second place, and consolation. Many visitors are expected, and the Debate Clubs asks the co-operation of the Brownfield people in showing the visitors what a good school and town spirit we have.

COUNTY FACULTY PLAYS BASKETBALL

Playing before a crowd of some 350, the teachers of Terry county staged an interesting program of basketball in the local gymnasium, Friday evening, March 1.

The ladies, directed by Mrs. Lee Fulton, were divided into opposing squads by the process of choosing: Mrs. Ivy Savage of Brownfield and Miss Amelia Griggs of Wellman made the divisions.

A spirit of co-operation and friendliness was shown throughout the evening. Many teachers expressed the opinion that they would like to make the affair an annual social for the teachers of the county!

A small admission charge was made which netted \$30.36 at an expense of only \$1.50. The money cleared will be used by the County Executive Committee to make the Interscholastic League Meet a greater success.

Needmore News

Everybody is invited out to Sunday school each Sunday morning and be sure to come to singing on Sunday nights.

The high school pupils are staging a play Friday night, March 8th. Everybody come and bring ten cents as admission. There will be three acts.

Mr. Jimmie Langford and family, Mr. and Mrs. Glendon Stockton and little son visited Sunday with Mr. W. J. Hix and family.

Grandma and Miss Amie Savage visited Tuesday afternoon in the S. B. McCutcheon home.

Mr. and Mrs. Mort Watkins visited Sunday with Mr. and Mrs. Emmet Watkins.

Mr. A. F. Davis and family are moving to Brownfield. We are sorry to see them leave.

S. B. McCutcheon and family spent Sunday with Mr. and Mrs. A. D. McDonald.

Mrs. Gladys Hood and son, Lee Roy, returned to their home at Barstow Saturday after a few weeks visit with her sister, Mrs. J. C. Crownover.

CHALLIS CHATS

Most everyone has begun their spring work. The men are farming and the women are dusting and sweeping sand after each sandstorm.

Mr. W. J. George who has been sick with pneumonia is able to be up again.

Marvin Porter who has been very sick and who recently underwent a mastoid operation in a Lubbock sanitarium, is better at this writing.

Miss Orvalene Price, teacher from the Harmony school, visited her uncle, Money Price and family, Saturday night.

Mrs. Ada Howze of Union, visited Mrs. J. H. Howell Friday.

Francille and Evelyn Henson visited in the home of Mr. and Mrs. Dillard Graham Saturday and Sunday.

Buell Bill Biron Price and Pat George visited Ralph and Wayne D. Howell Sunday.

We are now having Sunday School each Sunday morning at 10 o'clock. We want the entire Challis district to join and help make this a good Sunday School.

The Herald is now going to Miss Wynona Burnett at Lindsay, Calif., complimentary of her parents, Mr. and Mrs. J. R. Burnett.

South Plains Sells 232,000 Head Cattle

Twenty-two counties of the south plains and adjacent territory sold more than 232,000 head of cattle to the federal government during its drouth relief campaign just closed according to figures given by J. Sam Lewis of the Lubbock Avalanche. He estimates that \$2,250,000 to \$2,500,000 were paid to the farmers and stock men of this section for these animals.

Of the number sold, 152,282 were accepted by the government and 79,760 were condemned.

In a little less than 200 counties in the state 1,969,387 head of cattle were sold, Mr. Lewis says. Probably as much as twenty million dollars have been paid by the Government to Texas farmers and stockmen for cattle during this campaign which began in July, 1934, and ended in January, 1935. —Tahoka News.

Federal Grand Jury To Question Many

At least 35, and possible as many as 50, West Texas persons will appear before a federal jury in Dallas beginning Monday.

It was presumed that the group would be questioned in connection with alleged sales of narcotics in this area or in connection with the slaying at Post of a federal narcotics agent by Sheriff W. F. Cato. The sheriff is under \$50,000 bond charged with murder.

DRUG ROUNDUP MADE

Known drug addicts were being sought in Lubbock and Littlefield yesterday. They were to be summoned to appear before the grand jury at Dallas.

Deputy United States Marshal Charles Brown of Abilene said at the sheriff's office yesterday that "about 25" Post residents had been instructed to appear before the grand jury. He estimated that possibly 10 others would be summoned from there. Most of them will leave today.

Tokio Paragraphs

Mr. and Mrs. Guinn Casey have purchased a Chevrolet coupe.

Mrs. Ollene Carson has recovered from an operation for appendicitis and is able to instruct her students again in music.

Mr. and Mrs. H. Jones returned last week from an extended visit to Ennis. Immediately upon his return Mr. Jones was operated on at the Brownfield Hospital to remove an infected eye. He has been released from the hospital and is getting along fine.

Miss Alma Goldstein was a Sunday visitor with Mary Martin.

Mrs. H. N. Johnson, who was operated on last week at the Brownfield hospital, has returned home and is reported to be improving rapidly.

The Seniors and Juniors of the high school presented a play "George in a Jam" at Scuddy on March 1st. Other presentations booked are at Turner, March 7; Plains, Mar. 15; and Seagraves, March 29th. All characters play their parts more like professionals than amateurs. The play has the best impersonations of a nagging wife and a hen pecked husband that we have ever seen. Since the admission is only 5c, 10c, and 15c, people of Terry county who miss seeing it will miss a treat.

Rev. Hawthorne visited in the community Saturday and Sunday, and preached at the Baptist church Saturday night, Sunday and Sunday night.

The Scuddy High School will present the play "Wild Ginger" at the Community Hall Friday night, Mar. 8th. Admission will be 5c and 10c. The school will hold a declamation contest at the Community Hall on Monday night, March 11th. The winners will have the honor of competing in the Interscholastic League Meet at Brownfield on March 22nd.

Under the direction of Rev. D. E. Moore of Lubbock the play "Prisoner at the Bar" or "Who's to Blame?" was presented at Turner Tuesday night using local talent. It was a good play, depicting the evil of beer drinking, and was well attended.

Tokio home Talent will put on this play at the Community Hall on Mar. 28th. Both prohibitionists and anti-pros should be present. Admission will be free.

John Lewis and family who went to Quanah for a short Christmas vacation have returned home after a ten weeks enforced stay on account of sickness. Their many friends are glad for them that little Miss Elizabeth is gaining strength after a serious attack of pneumonia, and expects to be able to start back to school in about two weeks.

The Dramatic class visited the Turner school Monday and during the noon hour dramatized a couple of sketches from their play "George in a Jam."

Announcing a Great Achievement...

Frigidaire On Its Fourth Million

An historic incident in man's everlasting battle to defeat the health and life destroying activities of poorly protected and preserved meats and foods occurred several years ago in Dayton, Ohio, when the 3,000,000th Frigidaire came down the assembly tracks, starting this General Motors division on its fourth million. Greeting the 3,000,000th Frigidaire were: left to right, C. A. Copp, general sales manager, and E. G. Biechler, president and general manager, who were members of the pioneer Frigidaire force, H. W. Newell, vice president in charge of sales, and Frank R. Pierce, sales manager.

Frigidaire Corporation is proud to announce that it has built its three millionth Frigidaire and is now on its fourth million. The public has purchased a million and a quarter more Frigidaires than any other make—a fact that tells you more about refrigeration leadership than a thousand claims and promises.

The Frigidaire '35 line of Household refrigerators is by far the finest and most complete line of Frigidaires ever built. From the smallest Standard Model to the largest De Luxe Model, all of these Frigidaires provide abundant refrigeration to keep foods safely and and freeze ice quickly, even in the hottest weather. They also provide many outstanding features of convenience and utility—amazing economy of operation—and genuine Frigidaire quality in every detail.

And, because Frigidaire is "The General Motors Refrigerator," the Frigidaire '35 gives you benefits resulting from almost unlimited research, engineering and financial resources. Frigidaire is the only refrigerator made by General Motors—and the only refrigerator that has the right to bear the Frigidaire nameplate. This year as in the past, Frigidaire leads the field by offering the finest refrigeration of the year at the lowest possible prices. Regardless of your particular requirements or the price you have in mind—you will find, among the many models of the Frigidaire '35, the right size to fit your kitchen at the right price to fit your pocketbook.

OLD AGE PENSIONS

I am just sitting here musing. Outside a southwester is raging and sand and dust has obscured the sky. Suddenly the darkness deepens, I rush out and the sand and dust has increased a hundred fold. There is nothing visible, even a short distance and the dust driven by a high wind

makes even breathing difficult. Oh well it is just another Plains sandstorm. The whole country side is ready to move if they just had some more congenial haven to anchor.

In a pamphlet before me is a picture of a sharp visaged individual, lean and lanky. In his hand he holds a bundle of papers, said to be a petition of twenty million men and women asking that congress give to each

and every one who have arrived at sixty years of age two hundred dollars a month pension. How many of them do you suppose ever had more than the bare subsistence they had eeked out from their labor in the past. How many of them have ever paid taxes—especially since the World War. Why should those who have worked from Morn to Dewy Eve to save something for that rainy day that is just in the offing for most of us, be taxed additional, not to provide them in the necessities of life, but with a super abundance that very few tax payers have ever enjoyed or will in the future have the time or inclination, or the two hundred a month on which to make a hog of himself.

The old man must have been sitting up nights reading Arabian Nights. Aladdin and his Lamp would be necessary to provide the cash necessary for his Utopian scheme.

How many are there above sixty years of age in this U. S.? Some say eight million. If this measure should become a law there would be two or three times that number and they would be able to prove it.

Even the prospect of a pension has made cripples in one way or another of half the men that took part in the World War. I have met very few of the veterans of any war that didn't think they were justly entitled to pay for even going.

It would be more than interesting and instructive to have the personal history of all those who will apply when an old age pension is provided. We shall have it in the near future and I am in favor of it. However their real wants and necessities alone should be the criterion. At sixty and beyond, their wants beyond food and clothing and a place to lodge and tobacco and pipe will cover most that should be provided. Thirty dollars a month or three hundred and sixty dollars a year should be ample and of that amount twenty a year should be retained to pay burial expenses. I forgot, a small amount should likewise be retained to pay doctor bill and drug account. Even the Federal Relief fails to provide adequately for a doctor's attendance on those receiving relief and the doctor is expected to go and they go, without pay for most of this class of work. In fact the doctor is as always the Good Samaritan in these cases, the balance of the population are the Priests and Levites. Of course there are exceptions but not in proportion to numbers.

Those having an income should not be eligible for relief. Most of us have gone through great trials and tribulation, privations, low wages, long hours, and managed to live without help. The vast majority could with a little forethought and industry have done likewise.

PREPARE FOR UNEMPLOYMENT

The ultimate goal of most young people who go on with their education after high school is to secure a well-paying position with chances for advancement.

With business steadily improving, there is an increasing demand for capable young people who possess a high school education PLUS specialized business training.

How the Draughon Training and Employment Departments are helping many young people to capitalize on their education and on the growing opportunities in business, and a proven plan for helping you to secure your first position, is fully explained in a new booklet called "Planning Your Future," which has just been published for young people who want to get ahead.

A post-card will bring your copy without cost or obligation. Write today. Draughon's Business College, Lubbock, Texas. (Or see this paper about Special Scholarship). 30c.

COUNTY TREASURER'S REPORT

In the Matter of County Finances in the hands of Mrs. C. R. Rambo, Treasurer of Terry County, Texas.

WE, THE UNDERSIGNED, as County Commissioners within and for said Terry County, and the Hon. R. A. Simms, County Judge of Terry County, constituting the entire Commissioners' Court of said County, and each one of us, do hereby certify that on this, the 25th day of February, A. D. 1935, at a regular term of our said Court we have compared and examined the report of Mrs. C. R. Rambo, Treasurer of said County, for the period beginning on the 1st day of January A. D. 1935 and ending on the 31st day of January A. D. 1935, and finding the same correct have caused an order to be entered upon the minutes of the Commissioners' Court of said County, stating the approval of said Treasurer's Report by our said Court, which said order recites separately the amount received and paid out of each fund by said County Treasurer since her last report to this Court, and for and during the time covered by her present report, and the balance of each fund remaining in said Treasurer's hands on the said 31st day of January A. D. 1935, and have ordered the proper credits to be made in the accounts of the said County Treasurer, in accordance with said order as required by Articles 1636-1637, Chapter 1, Title 34 of the Revised Statutes of Texas, 1925.

Our 23 Year Column

We find that in our issue of March 8, 1911, that a prize had been offered for the best two compositions on George Washington. Homer Winston was first, and Dube Pyeat second. These two boys are still good composers of stories, most of which they tell their wives when they stay out late. Announcement had been made that the Postal Department would let a daily mail contract from Lubbock to Bronco, through Meadow, Brownfield, Gomez and Plains about the first of April. Harris News: Oral Adams, Jay McPhaul and Glen Harris went to Knowles, N. M., after 120 head of cattle. T. C. Ivey attended the Cattlemen's convention at Okla-

homa City. Brit Clare sold Jay McPhaul 5000 pounds of maize at \$15 per ton. Range cattle had begun to look well. Farming operations had started. Gomez Dots: Little Peal Davis was bitten by a dog at the Oral Adams home, and later carried to a madstone at Lou. The stone stuck 15 hours. Bob Snodgrass had business at Sherman, Texas. Several parties reported in the community. Mat McPherson had rented the Wallace place and was moving on it. Oscar Adams came in from the Lane ranch to visit over Sunday.

Mrs. W. C. Smith was in Stratford, Okla., visiting her mother who was ill. Much shrubbery and shade trees were being put out in Brownfield. Rev. V. H. Trammell, desiring to become a permanent fixture in Brownfield, had announced as tax assessor.

Slot Machine Law Upheld By Court

The law imposing taxes upon the operation of various kinds of slot machines was recently upheld by the higher courts, according to tax collector Aubra M. Cade, and he requests that we publish the gist of this law for the benefit of the business men of the county who may have any of these machines in their places of business.

Machines which come within the provisions of this law are: Every coin operated phonograph electrical piano, electrical batter, graphophone, weigh-

ing machine, target pistol, miniature race track, stereoscopic machine, miniature golf machine, miniature football machine, miniature baseball machine, gum machine, candy machine; cigarette machine; handkerchief machine, sandwich machine, or any other class or kind of machine whether enumerated or not, where a fee is charged, which is used for the purpose of amusement, entertainment or for vending commodities, merchandise, confections or service of any kind and which is operated by coins or metal slugs or tokens similar to coins.

On such machines the following occupation taxes are levied: Where the fee is in excess of five cents, \$10.00;

where the fee is five cents, \$5.00; where the fee is one cent, \$1.00.

On every coin operated marble machine, marble table machine, marble shooting table or marble machine of any description, whether enumerated or not, operated for any of the above purposes with coins or slugs, where such fee is one cent or more, an annual occupation tax of \$10.00 is levied.

Every person found guilty of violating any of the provisions of this act shall be subject to a fine of not less than ten nor more than fifty dollars.—Tahoka News.

We strive to become what people expect of us.

Why Southwestern Life Registers Every Policy It Issues

INSURANCE laws of the State of Texas provide how a life insurance company of Texas may register its policies. A registering company must deposit approved securities in an amount adequate for the protection of policyholders.

The Registration Law requires the segregation of policyholders' funds, thus preventing substitution of assets without the knowledge and consent of the State Insurance Department. Experience of the last five years has demonstrated the effect and value of registration laws.

The Registration Law makes mandatory the valuation of the required securities at the current market. A company which elects to operate under a market valuation law evidences the intention to invest policyholders' funds with added caution.

Many good companies do not elect to register their policies, and we urge policyholders of such companies to maintain their insurance in force.
