

Daugherty Geo

The Terry County Herald

The truth about Terry County is good enough. We cover the territory thoroughly.

The HERALD goes into 80 percent of the homes in the Brownfield trade territory.

Printed in Terry County, on the South Plains, the last stand of the Cattleman and the future home of the most prosperous Farmers in the United States.

VOLUME THIRTY-TWO

BROWNFIELD, TERRY COUNTY, TEXAS, FRIDAY, MAY 28, 1937

NUMBER 42

Oil Field Supply Cos. Not Ready to Locate

J. E. SHELTON
Secretary Chamber of Commerce

After a prolonged absence from the columns of the Herald, which was caused by the fact that the writer has had a two man job on his hand for the past three months and while not out of the woods, by a large majority, can at least see daylight and before we become covered up again, think that a little publicity is needed for "this and that."

So here goes for several projects that the chamber of commerce has been working upon for a considerable period, some of which have been accomplished and others are still being worked upon with, we hope, some chances of success. The first activity that has been worked upon, is the location of the various Oil Field Supply Houses, which of course everyone desires to see located in Brownfield and which have been reported at various times to have located in another town. We desire to inform all and sundry, that none of the large supply houses have made any decision along this line and are not expecting to do so, until development in this section has reached a more advanced state, that is the case at present. A committee that had been appointed by the chamber of commerce, visited the offices of several of the larger companies about two weeks ago, and since that time representatives of one of the largest companies in the United States, visited out office, spending considerable time discussing conditions, procuring information and inspecting such sights as we had to offer. Which we admit are limited up to this time, but before leaving they informed us that their trip was merely one of inspection and that they were not yet ready to locate anywhere and would not do so until development had reached a much greater point than was the case at present. Now, each one of these companies is going to require at least 300 feet of trackage and any citizen of Brownfield that knows anything at all, is aware of the fact that it cannot be obtained within the corporate limits and that whatever they are offered, will have to be located either south or north of the city limits. Another visit is expected from company representatives for inspection of other sites that we are undertaking to procure.

Several weeks ago, the county judge, entire commissioners court and the writer had a meeting with Robert Lee Bobbitt, Chairman of the Highway Commission at his office in San Antonio and we afterward appeared before the high commission in Austin both meetings being held in connection with further construction of highway No. 84 from Brownfield to the New Mexico line. The situation was thoroughly discussed and we believe that the entire commission has become convinced that this highway is a very important link in the state system. At any rate, they promised us that they would undertake to comply with our request as soon as it was at all possible to do so and indicated that construction would be commenced upon it within the immediate future. At any rate, right-of-way deeds have been called for, from Plains to Bronco and from Brownfield to the county line, with the exception of a section between the junction of 84 and 51 and a point three or four miles west of Brownfield. This section is being held up until the highway department decides upon the route that is to be taken through Brownfield, which we believe will be decided upon within the next few weeks. The writer and Roy Herod, representing the city, had a conference with Mr. Garret, District Engineer, at his office in Lubbock, a few days ago and were promised a decision upon the route within the next few weeks.

Brownfield is going to have an opportunity to emerge from the "Crank" system telephone class and have modern equipment and service if they desire it and within the next few weeks or days, each subscriber, both in Brownfield and the rural system, will receive a questionnaire which they are asked to answer and

S. K. Grimes are entitled to a pass to the **RIALTO THEATRE** to see **"Three Smart Girls"** Be sure to present this clipping at the box office at the Rialto Theatre. Compliment: Rialto & Herald

Around Four Inches Of Rain This Week

Brownfield trade territory had a real drenching this week, a drenching that perhaps some of the farmers and ranchmen dreamed of but did not expect—that much—around four inches. The local government gauge showed 1.85 inches Monday morning, and with the pour downs of Monday afternoon and almost all night, the estimate here of four inches is not far from right. (Later: The correct amount was 3.81 inches.)

Reports from this entire area is about the same, only more rain fell west of town. A. C. Harvey says he got at least five inches of rain, and some hail. Other hail sections reported other than the Johnson community, was the Union community, the later community having part of a crop up, but will likely have to be replanted.

There was also some reports of damage to the fruit crop that was left both by hail and wind Monday night. There was considerable little peaches on the ground under trees belonging to the writer. As soon as the weather clears, and it seemed to have started about mid-afternoon Tuesday the planters will start with a vim, and we expect many of them to run day and night, especially tractor planters.

With these big rains on top of a good deep season already in the ground, the plows will likely fleck the ground and reduce sand blowing to a minimum. It will also assure the stockmen a fine coat of grass which will likely grow up and head out before the dry, hot weather of mid-summer starts, thus keeping the pastures seeded in places where it has been overstocked.

Latest Oil Doings Of Brownfield Area

Cochran County.
Harrison & Bond No. 1 Cameron Estate, labour 1, league 85, Greer County School Land, wildcat in Cochran County, Tuesday was drilling below 4,640 feet in lime.

Terry County.
Wildcat test in southeastern Terry County has been started by H. B. Anthony Jr., New York, and E. R. Rice, Los Angeles, Cal., to be known as their No. 1 Brownfield, in the center of the northeast quarter of section 28, block A-1. It is to be a 5-500-foot test, and is scheduled to be spudded on or before June 15.

Illinois Oil Company of Dallas has acquired one-half interest in the drilling block of approximately 8,000 acres, with drilling contract awarded to Hershbach Drilling Company.

Tatum, N. M., is now putting on a Third Monday Tradesday. The first was declared a success.

return to the telephone company, indicating whether they desire the change or not. If 85 per cent of the answers are favorable, the system will be installed. Brownfield will also have the district office of the company. So each telephone subscriber is earnestly requested to mail his answer promptly, as the sooner all questionnaires are returned to the company, the earlier the work will be started leading up to the change. The rates for the improved service are not going to be very much higher, being 25 cents monthly on residence and \$1.00 on business and even with that, it is cheaper than in some of the other towns in this section. This is another proposition that was put over by the chamber of commerce and we believe that it is going to be worth all of the effort that it cost.

Construction of a modern hotel is an activity that we have been working upon for the past several months, but have not yet reached a point to where we are able to promise anything very definite concerning it. But tentative plans are being made and if the cost is not too high, we may be able to finance construction. Some people say that we need and must have a modern hotel and some say not. The writer does not know, but is undertaking to follow instructions and develop a building that is not too costly and one that we may be able to finance at the proper time.

LATER: We have all been working hard for the road west from Brownfield to be improved. We are glad to advise that the Commissioners Court has been asked to get up the right-of-way for the same and the court is very busy looking into the matter. If you are interested, and own land along this road why not drop in and see Judge Simms and get your part of the road fixed up. The more quickly the right-of-way is secured, the quicker work will start on the same.

Billy Rose Turns Down Venus De Milo

"Sorry, sister," Billy Rose, world's foremost showman, who is director-general of the Fort Worth Frontier Fiesta, is saying to the Venus de Milo, "but your type of beauty is passe, declasse, definitely out—in short, you're too fat, and should go on a diet. Now, this little lady on my left represents modern, streamlined type of loveliness that will be seen in the Casa Manana Revue at the Frontier Fiesta this summer when 200 girls will appear on the world's biggest revolving stage." The heavy lines of the famous Greek statue which typified the ancient conception of beauty contrast with the smiling, almost boyishly-slender Miss Bebe French of Fort Worth.

To Stage Wrestling And Boxing Matches

Twice weekly, the Venetian Auditorium is to be the scene of a number of very good boxing matches, and later some wrestling. Cye Tankersley who will operate the Auditorium, has availed himself of the service of Woodie Windham, well known light weight fighter. Windham will act as match maker, and will have charge of the arrangements at the ringside.

Having actively participated in 294 battles, Windham knows the fight business from one end to the other, and his wide acquaintance with the fighters all over the country should enable him to present some very interesting matches.

Marlin (Country Boy) Owens, Anton; Sonny Smyer, Ralls; and Joe and James Elder from Fort Worth, are among the better know boxers, who will likely appear here. Several local ring aspirants will also be seen on each program.

The date of the opening card has not been set as yet, but will be announced in the near future.

Lubbock School Man To Speak at Johnson

Jos. R. Grigg, county superintendent of schools for Lubbock county will address the voters of the Tokio, Johnson, Pool, Happy and Harris communities at the Johnson school auditorium Saturday night on the question of consolidation and taxation.

Mr. Grigg has had two years experience with consolidated rural schools, and is therefore well qualified to speak on the subject. This information came to us from Mr. X. R. Banks, who is to be superintendent of the Johnson school next term. Mr. Banks is from Sparenburg.

John D. Rockefeller Called By Death

ORMOND BEACH Fla., May 23.—John D. Rockefeller Sr., founder of one of the world's most colossal private fortunes and the benefactor of humanity, died in his ninety-eighth year Sunday at his winter home, "The Casements."

Death came to the aged capitalist, who long ago had withdrawn from the tumult of the financial world, at 4:05 a. m. (Eastern standard time), in the quiet of a Sabbath dawn.

His physician, Dr. Harry L. Merryday, attributed it to sclerotic myocarditis, a hardening of the heart muscles.

Terry county officers are convinced that the Meadow Grocery that burned last week, was first burglarized and then set fire to try to hide the burglary.

Safety Highway Patrol To Be Here June 4th

Paying their second courtesy call in the past twelve months, the special trained unit of the Texas Highway Patrol will bring into this section beginning in June for one of their popular motor vehicle safety apparatus check ups according to information made public here today by Captain W. W. Legge of the Lubbock district.

The flying squadron of good will and courtesy evangelists will arrive in this city on June 4 according to the Lubbock Patrol leader. A number of innovations have been added to the program this year including the big white radio and loud speaker equipped Patrol ambulance which recently made a record run from Beaumont to New London school disaster with Sergeant Ross Dickey at the wheel.

The Patrol which will spend three weeks in this district will visit a dozen cities, carrying their message of safety to motorists. The program is strictly one of courtesy and is designed to assist motorists in keeping check of their brakes, lights, horn, muffler, steering gear and windshield visibility.

"We received such wholehearted cooperation from the officials and citizenship of this district last year that members of the Patrol were extremely anxious to return "Captain Legge stated, adding, "that we expect to find a much lower percentage of defective cars this year as compared to the first program held in this section in 1936. "I am informed from Chief Phares at Austin that 86 cities are now on the waiting list for this program and I feel that we are fortunate in being able to bill the crew for Brownfield this early in the year. It will enable many vacation bound motorists a splendid opportunity to receive a free check on their cars thus probably preventing many unnecessary accidents and possible tragic vacation sequences.

They will be here from 9 A. M. until 5 P. M., and request that everyone knowing their cars to have defective parts to have them repaired now.

Brownfield Rotarians Make Intercity Visit

The local Rotarians made a visit to Levelland this week in an intercity exchange, and to be fellowshiped by the Hockley county Rotarians. The Rotarians were accompanied by their wives, and expected to have a great time despite that fact.

As is the custom, the visitors always put on a program, and the writer knows several of that bunch that could and can put on a tolerably good show by themselves.

Herman Trigg left Monday for Brownwood where he will visit his mother and family and look for a summer job.

Wounded Man Rushed To Lubbock By Plane

Bill Jagers, 48, dance hall operator of Morton, was rushed to the Lubbock Sanitarium by plane, after being shot four times on the town square Tuesday morning. Only one shot was considered serious, and he is said to have better than an even chance of recovery if complications, such as pneumonia does not set up.

Another man arrested and jailed, claiming he shot when Jagers brandished a knife. However, the Cochran county sheriff failed to find any knife. It is said that the quarrel came up over a debt Jagers is alleged to owe the defendant.

Today is annual Feeders Day at Big Spring. Several are likely to attend from here.

No. 84 to Be Hard Surfaced This Summer

The State highway department will receive bids at office in Austin June 4th, for putting an asphalt preservative on highway 84, practically 12 miles from Brownfield to the Lynn county line. The advertisement appears elsewhere in this issue of the Herald. Wages run from \$2.00 for the water boy, to as high as \$6.00 per day.

According to R. T. Roane, resident engineer of this city, the caliche base for this job is almost complete, and will likely be completed early in June. He does not believe that bids on the road from the line to Tahoka will be let at this time; probably later in the summer.

According to local people who have visited Austin in the Highway Commission is thoroughly convinced of the importance of 84 as a throughfare, as it is just about the right distance between other well traveled routes, such as the Bankhead, to be of real service to most people. And since the New Mexico commission has agreed to meet the Texas commission at Broncho, the road will likely be rushed to completion.

Four Terryites Completing at Tech College

According to Sunday's Lubbock Avalanche-Journal, four young people from this county, two each from Meadow and Brownfield, are completing their four year course at Texas Technological college at Lubbock. We may have overlooked some in the small type used in printing their names, but we looked carefully.

Sam A. Teague, city, is completing science and agriculture; Beatrice Dodson Tiner, Meadow, home economics; Wynona Burnett, city, the B. A. degree, and Lona Hawkins Wright, Meadow, English.

Venetian Auditorium To Open June 1st

The writer was carried over to Brownfield's newest place of amusement Tuesday morning, and while the decorator's are not done applying their art, one can see that this is going to be a real swell place, said to be the finest of its kind this side of Fort Worth and Dallas. The place will be opened Tuesday night, June 1, with a dance, with music furnished by Dick Dickerson's 12 piece orchestra.

The building itself, setting on two acres of ground at the juncture of Highway 51 and the loop through town, one mile south of the city, on the Seagraves road, carries out the name in architecture, that of the famous canal street city in Italy. The grounds are also being decorated with trees and shrubbery to lend enchantment to the place.

The interior decorations are superb, the ceiling carries out a rainbow effect, with the slanting ceiling coming down to the porticos having the effect of clouds, moon and stars, which we were assured would appear almost natural when indirect lighting effect is turned on them. Forty-eight hundred feet of maple floor, polished until they shine like new money, and answers the dancer's ideal. Air conditioning assures the guests of a pleasant evening even in the hottest weather.

The place will be equipped with a soda fountain, where all soft drinks will be carried, as well as big city equipped sandwich service. The next dance after this one, will, we understand be sponsored by one of the civic clubs of the city, and many sporting events, such as wrestling, boxing, etc., will be carded from time to time. The sporting features for the immediate future are announced elsewhere, and will be under the direction of Woodie Wyndam, former light weight champion of Texas. All the old timers of the section will be honored with some special entertainment, soon, also.

The Auditorium will be in the hands of capable floor managers, as well as chaparones at all times, and carried on in decency and order, Mr. Tankersley assures us.

Fifth Sunday Meeting With Union Church

The Fifth Sunday meeting of Brownfield Association will be held at Union Baptist church, Sunday, May 30. All part time churches are urged to attend this meeting. The following subjects will be discussed by able speakers:

"The Church," "The Pillminence of Christ in the Church," "The Origin and Purpose of the Church," "Difference Between the Kingdom and the Church," "The Laity's Duties to the Church," "Bible Sanctification," "Fitting," "Sabbath Desecration," "Missions, the Life Giving and the Life Sustaining Power of the Church."

Everyone who can bring a basket of lunch and we will have lunch at the church, and enjoy the fellowship of our friends and neighbors at the lunch hour.

Everyone is welcome and urged to attend this service.

Ernest Phillips, Pastor.

All Meadow Teachers Have Been Named

MEADOW, May 22.—With the exception of three who are to teach elsewhere, all teachers have been re-elected by school trustees.

Next year's high school faculty includes: Supt. Homer Franklin, principle, H. C. Osborn, coach F. L. Ledbetter, A. L. Hartzog, Mrs. J. M. Burleson, Miss Stewart, Aubry Culp. In the grammar school are Principal, Mr. Padgett, Madeline Hughes, Mrs. Padgett, Mrs. Ledbetter, Mr. Crabtree, principle of grade school at Needmore; and Edna Brock.

Local Principal to Address Graduates

The seventh grade graduating exercises were held last night at the Tokio school auditorium the principal address being delivered by Emmitt Smith, principal of Brownfield High school.

A play, "Here Comes Charlie," will be presented tonight May 28. A hearty welcome is extended to all.

Jarvis Nowell Installs New Machinery

The writer called on Jarvis Nowell this week to see some new machines that he has recently installed in his shop in the rear of Teague Motor Co. We found that this splendid mechanic really had some up-to-date tools and machinery to work with, and for this reason, everyone that has ever entrusted him with a job has been pleased so far as we know.

He has a Tune Up machine, really two of them, that will test every electrical part of your machine accurately, including your car radio, such as lights, heat, spark plugs, and your carburetor. It even tunes your car up to where you get the most mileage per gallon of gas. He also has one of the latest reboring machines that finishes your job quickly, and you lose the use of your car the minimum of time. And like a new car, it runs when finished without having to drag it all over town with another car.

He has also installed a machine that will taper out bushing until they fit exactly. No guess work about it. His reboring machine will handle any job from the smallest car to the largest tractor cylinders. Jarvis has never tried to specialize on any make of car, but has devoted time and study on all makes.

We have known this young man since he was a knee pants boy, and we know that he honest and will tell you the truth about your job.

Mrs. Savage Pres. Of Lubbock Teachers

One Brownfield teacher in the Lubbock schools is succeeding another as president of the Primary Teachers in the Lubbock city schools. Thus, Mrs. Ivy Savage is succeeding Miss Margaret Bell as president, according to the Lubbock Avalanche.

Mrs. Savage and Miss Bell were both born, reared and received their high school education in Brownfield. The former is the daughter of Mr. and Mrs. J. C. Green, and the later the daughter of Mr. and Mrs. W. A. Bell. Both families still live here.

Mrs. Savage attended Simmons College, Abilene now known as Hardin-Simmons University, and finished at Tech. The later is also a graduate of Tech college.

Local Boy Makes Good Stock Judge

LUBBOCK, Texas, May 24.—A. T. Fowler, junior animal husbandry student at Texas Technological college, ranked high in recent sophomore-junior livestock judging contests at Texas Tech.

He was third in sweepstakes totals, which included results in judging sheep, beef cattle, dairy cattle, swine, and horses. Fowler placed third in swine judging, tied for third in dairy cattle. He is the son of Mr. and Mrs. Arch Fowler of Brownfield.

Forty-one juniors and sophomores competed in the contests, sponsored annually by the Texas Tech department of animal husbandry.

WILL ATTEND SPOHIE SPROULE DANCE RECITAL

Mrs. Ike Bailey, Mrs. Redford Smith, Miss Maude Bailey and Miss Lenora Brownfield will attend the dance recital given by the pupils of Miss Spohie Sproule, in Lubbock, Friday evening, when Joe Ann Bailey, niece of Mrs. Bailey and Miss Brownfield, will be presented in the program.

ONE KILLED AND ANOTHER BURNED AS WELL IGNITES

HOBBES, N. M., May 19.—Jim Powell, 45, was burned to death and Tom Holder, 50, suffered serious burns when a Shell Petroleum Corporation oil and gas well at Monument ignited.

Powell's body had not been recovered.

Mr. and Mrs. Lee O. Allen spent Sunday in Lorenzo as guests of her mother, Mrs. Robertson.

Tom May, Ike Bailey and Alvin White attended the Shriners convention in Lubbock, Tuesday.

W. A. Bell and son, Jira, left Tuesday, for Marshall, Texas, to visit relatives and transact business.

Jim Miller transacted business in Lamesa, Thursday.

Gloria Stuart, considered by many women to be one of the most attractive gowned screen actresses will give her admirers a full fashion parade in her forthcoming "Escape from Love." She had no less than sixteen changes of costumes in the picture!

Although Gloria is Hollywood born, has lived here all her life, and has had the means for much travel,

he had never taken the very popular Hawaiian Island trip. Its popularity is indicated by the regular twice-a-week sailings of passenger ships from Los Angeles harbor. So, having cleaned up her current film schedules, the actress and her mother now are on their long-awaited vacation in Honolulu. The fact that a certain young naval officer now is stationed there reputedly inspired the trip.

Paul and Dorothy Kelly are having problems with the cow they maintain on their San Fernando valley ranch. The odd problem is disposing of all the milk she gives! That averages 18 quarts a day, which is more than the Kelly family can use.

But a housekeeper, who came from

North Dakota where wheat was so all-important that cows were not and milk was a luxury rigidly opposed giving the milk away. What they can't drink the housekeeper insists be made into butter and buttermilk, or cottage cheese. And the Kellys are about fed up on this steady diet!

Leslie Howard had just done a scene in which pretty Olivia de Havilland had covered his face with kisses. Looking in a mirror at the mess of lipstick marks he commented: "This can't be me!"

"Don't act so innocent," shot back Director Anchie Mayo. "This isn't the first time you've looked like that." Spencer Tracey is combining a three weeks vacation with business. He's spending his days on a sailing yacht, and his nights at Director Victor Fleming's Balboa Beach house, where the two are going over the script of Tracy's next picture.

"Every night that I make port on time" Tracy said with a grin, "I get a nice free shore dinner on Vie too."

Some wit started two prize lines around Hollywood this week. One is that Joe E. Brown's mouth is "Hollywood's entrance to the Hudson River Tunnel!" The other twists an old saying for the benefit of Simone Sompone, who now is labelled "Poutin' on the Ritz."

Incidentally, for reasons not made public but obvious to those who hear that her last picture has been no box office smash, Simone's scheduled leading role in a picture started this week has been given to Loretta Young instead.

In a week's secret poll of the Screen Actor's Guild a vote of 99 per cent favoring a strike was reported to the movie producers last Saturday. There are 5600 actor members of the guild, of whom the 1200 eligible to vote are top ranking stars. Voting right is based on earning power, which must average \$250 a week or more.

"With such a powerful showing," said Evelyn Venable, who is one of the guild's board of directors, "the producers knew that a strike by the actors would completely cripple production. If we had struck, the present strike of the painters make-up and other small unions, would have been

over quickly."

However, just as the actors met Sunday night to declare for a walk-out, the producers surrendered. They gave the actors "all our demands—in fact more than we expected to get," said one.

The demand most important to the Guild was that of a "Guild shop" which means that every actor given work, and every new one brought in to the business, must join the guild.

It is to the great credit of the leading stars that they were ready to strike, not for more money for themselves, but for better pay and working conditions for such lowly people as bit players, extras, and even stand-ins. To cite figures, the guild forced the producers to abandon the \$3.20 a day rate for the lowest scale of extras, and boost it to \$5.50 with overtime pay. From there on up increases were granted as demanded.

One other grievance of the guild was not even brought up at the Sunday night meeting. That was the so-called "blacklist" of actors or various reasons. Members of the guild last week told me that definitely this was one of the things they intended to end. The producers declared no such thing exists, so that is a fight still facing the guild.

Uncle Jim Says

It is estimated by M. R. Bently, agricultural engineer of the Texas Extension Service that 75 per cent of the cultivated hilly land of Texas slopes two and one-half feet or more per 100 feet and is subject to erosion; 60 per cent of the total area of the State is subject to erosion.

In the entire United States, 100 million acres have been damaged by erosion; 35 million acres have been abandoned. It is estimated that the total annual loss to farms is not less than two billion dollars.

Texas farmers have terraced and contoured more than 12 million acres of land since 1916. Reports from county agricultural agents indicate that even more land will be terraced and contoured this year than in 1936, when more than two million Texas acres were protected against loss of soil and rainfall.

The Agricultural Conservation Program carried provisions for benefit payments which help farmers by refunding part of the cost of terrac-

ing their farms. County agricultural agents can give details of the program as it affects individual farms.

GRADY GOODPASTURE BUYS INTEREST IN IMPLEMENT CO.

Grady Goodpasture has purchased the interest in the Minneapolis Moline Implement Co., recently owned by C. E. Ross.

Mr. and Mrs. A. L. Turner and grandson, Rudolph Lewis spent last week end in Sweetwater with the former's children, Mrs. M. Hughey and Bill Turner.

"Starches, proteins, calories and vitamins are indeed hard to keep tab on. Isn't it nice to know that milk contains the proper food elements in the best and most digestible form—And the Brownfield Dairy furnishes the best milk," says The Brindle Bosy.

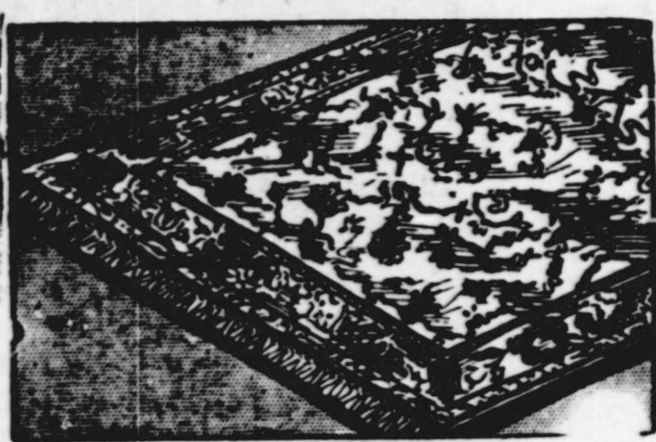

Brownfield Dairy Claude Henderson, Prop.

Barton G. Hackney was ill the first of the week with a throat trouble.

Mr. and Mrs. Robert Bowers and children spent last week end in Ruidoso.

Bill Fitzgerald is having his service station remodeled and modernized. About all we could get out of Bill was that he had lost a dime in a crack and was looking for it, was the reasons he was tearing up the concrete in front.

CELEBRATES BIRTHDAY

J. W. Howard, son of Mr. and Mrs. John A. Howard, was honored with a party on his fourth birthday, Tuesday afternoon, May 25. Refreshments were served to Gayle, Hugh and Peggy Lilly; Doyle, Donald, Delbert and Wanda Joyce Brown; Juanita Bolen; Billie Joyce and Gay Nellie Stringer; Brice Annille; Mrs. W. F. Bolen; Mrs. H. P. Brown and the hostess, Mrs. John A. Howard.

BIRTHDAY PARTY

Mrs. A. H. Daniell entertained Wednesday with a birthday party honoring her daughter, Scharlyn, whose birthday fell on that date. The guests were, Mildred Irene Hamilton, Arellia Ann Cobb, Mary Edna Tankersley, Betty Jean Holmes, Sarra Sue Bailey, Cynthia Black, and Frances and Nancy Wier. Birthday cake and ice cream were served.

Brownfield Students Win in Essay Contest

DALLAS, May 22.—Names of 48 Texas school pupils who will receive free trips to the Pan American Exposition in Dallas as first prizes in the greater Texas essay contest were announced today by E. P. Simmons, chairman of the greater Texas committee. He also announced the winners of 336 cash prizes awarded in the contest. Geneva Huntsacker of Morton won first prize in the high school division of the contest in district number 2, and James Bryan of Brownfield won first prize in the elementary division of the contest in district number 2. Each will receive a free trip to Dallas and the Pan American Exposition June 25.

Win Cash Prizes

Winners of the \$10 cash second prizes in district number 2 were Lois Chambliss of Brownfield, in the elementary division, and Melvin Brotherton of Lockney in the high school division.

Other prize winners in district 2, elementary division, were: Margaret Holland of Floydada, Roxie Pierce of Brownfield, Bobbie Newsome of Brownfield, Virginia Stroup of Brownfield, Charline Field of Floydada and James Wester of Floydada. Each will receive \$2 cash.

High School Division

Winners of the six \$2 cash prizes in the high school division were: Pearl Ansley of Lamesa, Vena Cordie Whitfield of Littlefield, Oneta Lemons of Earth, George Fry Linder of Floydada, Elaine Gibson of Petersburg and Louise Foster of Lamesa.

District number 2 embraces the following counties: Andrews, Bailey, Borden, Cochran, Crosby, Dowson, Floyd, Gaines, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Terry and Yoakum.

The contest was open to the sixth and seventh grade pupils of the white elementary schools competing in the elementary division; and to the pupils of all the high school grades, competing in the high school division. The statewide contest was conducted among all of the 24 supervisory districts of the state department of education, with Dallas county pupils competing in separate contests.

To Provide Escorts

The 48 Texas school pupils who won first prizes in the contest will receive their round-trip transportation fare to Dallas, and their lodging and entertainment while in Dallas. The Dallas Junior Chamber of Commerce will provide escorts for the visitors, and wives of members of the Junior Chamber will chaperone the girls in the party, both day and night.

Frank N. Watson, promotion director of the Pan American Exposition, announced that a special day, distinct from the first prize winners' days, will be designated for the winners of the cash prizes. Those winners who care to and can come to the exposition that day will be officially welcomed and awarded their prize money by officials of the exposition. Checks will be mailed immediately after that to those children who can not come to the exposition to receive them.

Judges in Contest

Judges in the contest were John W. Everman, former supervisor of utilities for the city of Dallas; W. F. Mitchell, president of the Dallas Junior Chamber of Commerce; W. R. Burns, president of the Dallas Railway and Terminal Co.; Alfonso Johnson, manager of the Dallas Insurance Agents association; and Harold M. Young, Dallas district manager of the bureau of foreign and domestic commerce of the United States department of commerce. More than 175,000 Texas school pupils participated in the contest.

GAINES COUNTY CLERK WEDS DALLAS MAN

SEAGRAVES, May 18.—The county and district clerk of Gaines County is a married woman now, but she is still the youngest holder of such an office in Texas.

It was announced here today that Miss Vera Lee Brown, daughter of Mr. and Mrs. J. L. Brown of Seagraves, was married Saturday night to Gordon T. McAlphin of Dallas.

Miss Verna Lee Brown was a week end guest in the home of Miss Laura Smalley at Seabrook last week. The two girls are students at Massey Business College, Houston, and Miss Brown is the daughter of Mr. and Mrs. N. E. Brown of this city.

Mrs. C. E. Ross of this city, underwent a minor operation at the Lubbock Sanitarium last week. She returned home Saturday.

Meadow Items

The Mesozoic seventh grade of Meadow Rural school graduated into High school last Wednesday night, May 19th. We say Rural because seven pupils from Needmore graduated also. After which an operetta was presented by the grade school. The operetta was entitled "The Wedding of the Flowers." It was beautiful and well presented. We consider it one of the most beautiful operettas ever staged here.

The Senior class of 1936-37 had (Edin) Commencement exercises last Thursday evening. The address was given by Judge Omar T. Burlison of Anson. He was a very interesting and fluent speaker.

The Junior class of 1936-37 went to Lubbock last Friday evening. They were accompanied by Mr. and Mrs. Homer Franklin and Mr. and Mrs. Roland Evans, their class parents. First they went to a park and went to playing. After some playing and picture taking, they had weiners, marshmallows, pickles, and lightbread. After eating supper, they went to a show. After the show everyone came back home. A good time was reported by all.

Mr. and Mrs. Fred Crabtree left for Erath county last Saturday. Mr. Crabtree will be principal at Need-

more next year. Mrs. Jimmy Cook of Wilson was over for the commencement exercises of the Seniors.

Mr. and Mrs. C. L. Padgett and Rex left for east Texas last Saturday morning.

Mr. and Mrs. F. L. Ledbetter took Fred Finley and J. W. Smith to John Tarleton college at Stephenville for the purpose of getting jobs for boys going to school there from Meadow.

Mr. and Mrs. A. L. Hartzog left to go fishing down about Sweetwater. Bro. John Burkhardt will leave Monday for Mason where he will lead singing at a protracted meeting.

Miss Cobe White left for Abilene to visit her sister attending Abilene Christian college.

Miss Estelle Porch is visiting Mr. and Mrs. J. H. Daniels. She is the niece of Mrs. Daniels.

Dwain Luak, who has been in the hospital, was brought home Sunday afternoon. We are glad he is back home.

We wish to extend our utmost sympathy to Mr. and Mrs. Henry McDonald and Julian in the loss of their store last Tuesday morning about 3:30 o'clock.

Miss Martha Lou Chessier ate dinner with Miss Opal Siak, Sunday.

W. R. McDuffie transacted business in Lubbock, Teusday.

Exposition Esplanade

Set amid luxuriant sub-tropical vegetation bordering a reflecting basin, over which a myriad array of colored lights will play by night, exhibit buildings at the Greater Texas and Pan American Exposition will be patterned after the colorful edifices of ancient American cities. Opening June 12 for a run of 142 days, the Exposition will be the only international event in the Americas for 1937.

PLAINS

The Juniors and Seniors of Plains High School left Thursday for a 15 days trip. They will go to Colorado, Montana, Arizona and other points. Mr. Hayhurst and Miss Wolf accompanied them.

Born to Mr. and Mrs. Roy Fitzgerald May 18, a baby boy.

Mrs. Till W. Read visited her brother at Tatum, New Mexico, Wednesday.

Mrs. E. J. Cobb is visiting her sister, Mrs. Walter Anderson this week.

Mr. and Mrs. J. A. Rushing and son and Mrs. Elmer Cross and son and Lena Mae Reed spent Thursday in the home of Mr. and Mrs. Carl Rushing.

Mrs. Addie Frazier of Rule is here visiting her sister, Mrs. J. H. Lynn.

Mr. and Mrs. Shern Henard are visiting in Wellington this week.

William Webber left Thursday for Jal, New Mexico, he will work there.

Mrs. W. H. Hague and Miss Sue Stevens are visiting in Dallas and Fort Worth this week.

Truitt Smith of Tahoka gave the commencement address, Wednesday night. Everyone enjoyed his talk and wish him to come back to see us some time.

Rev. McGraw filled his regular appointment at the Baptist church, Sunday.

Ruby Hobbs spent Friday with Minnie Ruth O'Neal.

Mr. and Mrs. Shern Fingle of Big Spring are here visiting Mr. and Mrs. Shern Henard.

Mr. and Mrs. Bert Bartlett and Wanda visited Mrs. Bartlett's parents at Ralls, over the week end.

Mr. and Mrs. F. M. Cox moved into their new home south of the school house, Saturday.

Miss Irene Thornton returned to her home in Ralls, Saturday after staying in the Bert Bartlett home during the school months.

Mr. Kit Morris and Miss Kathryn Chilton were united in marriage Saturday night at the home of Mrs. Lottie Lance. Rev. McGraw, pastor of the Baptist church performed the ceremony. We wish this couple lots of happiness.

Mrs. Olan Cox visited her mother, Mrs. Leslie McLaren, Saturday.

Mr. and Mrs. Charlie Duncan of Vernon is visiting Mrs. Duncan's parents, Mr. and Mrs. J. M. Story and family.

Exposition Eye-Opener

Enveloped in a Mexican serape and wearing a straw sombrero, Gay Delys, charming Texanita of the Greater Texas and Pan American Exposition which opens in Dallas June 12 for a 142 days' run, has gone Pan American from top to toe. Miss Delys was selected by McClelland Barclay, New York magazine illustrator, from more than 500 contestants as one of the lucky fifty girls who will serve the exposition as models and hostesses.

That's me—Your Mileage Merchant

I'LL OIL-PLATE YOUR ENGINE

Nobody but a Conoco Mileage Merchant like me can Oil-Plate your engine, because nobody else can change you to Conoco Germ Processed oil. There's a patent on it. The Germ Process is not like all the processes that "take away" from an oil—sort of like making skim milk. Instead of that, after the oil is refined in every right way, something altogether extra is put in Germ Processed oil. This is a great discovery, because then a genuine plating of oil is able to form in your engine. If you would imagine a slippery skin of oil really grown to every working surface—and not just floating around—that's a picture of Oil-Plating. A plating can't flow down while your car is parked, so you won't punish your Oil-Plated engine doing all the stopping and starting you please. Or if you're hitting a pace all day—maybe even pulling a trailer up the mountains—it does not make Oil-Plating rub away. That's letting you out of all the worst wear, at the same time that your Conoco Germ Processed oil is saving you quart after quart.

CONOCO GERM PROCESSED OIL

CEY-TEX MUSIC CLUB ANNUAL SOCIAL

Mrs. Redford Smith entertained with a nine o'clock breakfast, Tuesday morning in the Roy Wingerd home when she was assisted by Mesdames Eunice Jones, Roy Herod, Money Price, Mon Telford, R. A. Brown and B. L. Webb who made up the program committee.

Mrs. A. W. McKee, President of the 7th District Federated Music Clubs of Lubbock and Mrs. Robert Hester outgoing president of the Lubbock music club were present, and were introduced by Mrs. W. H. Dallas. Mrs. Redford Smith extended the welcome greeting.

Miss Laura Lee Jones sang a vocal number, Mrs. Roy Herod an accordion selection and Mrs. Hester a piano solo.

Mrs. Dallas was presented with a piece of Fostoria glassware in appreciation of her work in the club the past year.

Mrs. Paul Sevens of Glendale, Arizona, Miss Faye Brown of Lubbock and Mrs. J. M. Welborn were special guests.

MAIDS AND MATRONS EVENING TEA

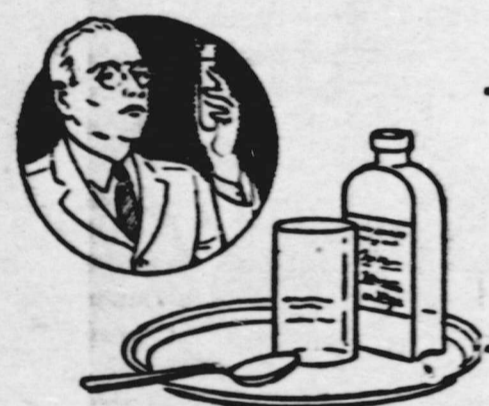

The Maids and Matrons entertained, Friday evening with a tea, in the home of Mrs. Roy Wingerd, when Mrs. Leo Holmes was named honoree.

"Confidence Built It"

Decorations were used in decorating the entertaining rooms and Mrs. Redford Smith incoming President was presented with a large bouquet of the same flowers.

Mrs. Holmes outgoing President was presented with a silver tray. A pleasant social hour was spent.

BIRTHDAY PARTY

Some sixty relatives and friends of Mrs. C. Sears surprised her Sunday, May 23rd, with a birthday dinner. Those attending were:

Messrs and Mesdames, J. W. Hogue, E. J. Mayfield, Oliva Chapman, J. S. Smith, Florence Minor, J. O. Wheatley and family, T. C. Hogue, W. L. Bandy, W. A. Tittle, B. B. Brown and family, A. A. Green and family, Kelly Sears and family, Elmo Sears and family, E. L. Redford and family, Howard Hogue and family, T. G. Sexton and family, Thomas, and Mrs. S. A. Shepherd, Mrs. Wayne Brown and family.

Many beautiful and useful gifts were brought to the honoree.

DOUBLE BIRTHDAY DINNER

Sunday, May 23, a dinner was served in honor of Mr. R. B. Perry and Levi Brazelton's 40th and 43rd birthday, at the home of the latter. Two large birthday cakes decorated in red with everything one could wish for was served to Levi Brazelton and family; L. M. Perry and family; R. B. Perry and family; Mrs. Henson and baby; Mr. Perry Bryant, R. J. Roden and Truman Pickett.

In the afternoon the wedding of Miss Kathleen Perry and Truman Pickett took place at the Baptist Parsonage, with R. J. Rowden, Ruth

Brazelton and Beatrice Perry as attendants.

Supper was also an event of the day and many greetings were exchanged for other happy birthday as well as a long, happy life for the bride and groom.

GOMEZ

The Ex-Students All-Community picnic at Two Draw lake, Post, was attended by some eighty-five people. "The best picnic ever attended," was the verdict of the jovial crowd.

Remember the first and third Tuesday evenings of each month are the regular meeting dates of the local Ex-Students Association. A "Liars Contest" will feature the evenings entertainment at the next regular meeting on June 1st. Prizes will be awarded the first, second and third best liars. Be there with your lie! Admission 5c.

Mr. and Mrs. Otis Kelley of Brownfield, Mrs. J. B. Draper and sons and Miss Wiona Waddell left Sunday for a week's visit with friends and relatives in the Quemado Valley.

We are sorry to report on the sick list this week Miss Norma Dean Fore and Master Gene Walker.

The planting season is well under way now since the nice rain which came during the first part of the week.

Mr. Raymond Green is home again and recovering from an appendicitis operation, which he underwent at the Treadaway-Daniell hospital about a week ago.

Misses Lora Howard and Vivian McLeroy of Lubbock were week end guests in the C. J. McLeroy home.

The seventh grade graduation exercises in the local Baptist church on Friday evening of last week terminated one of our most successful school terms despite the many handicaps encountered during the year. We are proud of the fact that we have been able to maintain our standardization. With plans well under way for the erection of a new school building, our efficient teaching personnel retained from this term just closed, and with our fine set of pupils and patrons, we are looking toward our next school year as the greatest in our history.

Mr. and Mrs. W. A. Fulton and son of Brownfield have moved back to the old home place on the farm in this community for the summer vacation.

Mr. and Mrs. Kellie Sears and sons attended the surprise birthday dinner given Sunday in the paternal, C. Sears home at Brownfield in honor of his mother.

Mrs. Richard Whitley was hostess to The Live and Learn Leaders Club on Monday evening of last week. Mesdames Elmer Lee and Kenneth Furr were in charge of the lively games of the evening which followed a short business session. Dainty refreshment plates were served to the twenty members and guests who were present.

Miss Agnes Eason left Sunday for Snyder, where she will spend the summer vacation visiting with friends and relatives.

Rev. A. L. Hicks of Paducah will hold his appointment at the local

TERMS

FOR SALE BY—
DAUGHERTY GROCERY

TO PREACH HERE

Rev. R. M. Hocker, Nazarene Pastor of Lubbock will preach at the Presbyterian church, at Brownfield, Sunday evening at 8 o'clock, May 30.

The weather was almost unseasonably hot last week until Saturday and Sunday, when it became cool enough to rain.

L. F. Hudgens of Lubbock visited in the homes of his sons, C. L. and Clarence Hudgens, Sunday.

Mr. and Mrs. Clyde Cave and daughter visited relatives in Dallas this week.

Miss Jane Brownfield will leave Friday for Corpus Christi, where she will visit with her father, A. M. Brownfield, who is spending the summer there.

Mr. and Mrs. W. R. McDuffie and Mr. and Mrs. A. D. Repp were dinner guests of Mr. and Mrs. E. D. Cooksey in Seagraves, Sunday.

A. M. Richards, former associate editor of the Ropes Plainsman, has accepted a position with the Dumas, Texas, News.

Thomas Welborn of Dallas arrived here Monday, and will be connected with his brother, J. M. Welborn in the oil lease business.

Baptist church, Saturday evening, Sunday morning and evening. The church roll will be called in Conference Saturday evening. The Lord's Supper will be observed by the church on Sunday morning. You are most cordially invited to attend these services, especially do we urge every member of the church to be present at the Saturday evening conference.

Miss Allene Bryant, charming daughter of Mr. and Mrs. C. Bryant and Mr. Weldon Banks, son of Mr. and Mrs. W. F. Banks, both of this community were quietly married in Lovington, N. M., on Saturday evening of last week. They will continue to make this community their home. May the best of martial happiness accompany this popular young couple through the years.

Where will the teachers be located during the summer? Current reports state that Miss Nora Grigg will tour the Western states, spending most of the time in California. Miss Ruth Tarpley will attend summer school at Simmons University in Abilene; Mr. and Mrs. Lee Fulton, summer school at Tech and Misses Rena and Nellie McLeroy will attend summer school at West Texas State Teachers College in Canyon.

Brownfield Edwards of Millersview, Texas, was a guest of Dr. and Mrs. T. L. Treadaway this week.

Rotan people are thrilled over an oil gusher that was brought in near that city last week.

County Seat Fight Up In Lamb County Again

Well the battle of ballots will come off in Lamb county again on June 19th, when it will be up to the voters whether or not the county seat remains at Olton, or is removed to Littlefield or Amherst. Those Littlefield fellows are smart, they always come in on an off election year, and we imagine the word is passed around for all Littlefielders to pay their poll taxes, and catch the other sections with few of those little slips of paper that permit Texans to vote. Now, some newspaper remarked lately that Olton was over in the sand and south Lamb was hard land. This is not true. There is a ridge of sandhills between, but it is good hard land around Olton. But it has no railroad, and is just about as close to the Hale county line as Littlefield is to the Lubbock and Hockley county lines.

As we understand the matter, it will take only a majority to move the county seat to Amherst, which is in the center of the county, or within five miles of the center, but will take two-thirds to move it to Littlefield. The latter is offering their \$50,000 city hall to the county free of charge for ten years, with option of renewal of the lease.

Heretofore, these fights have become rather rank, and while no "fur has flew" that we know of, verbal attacks have flown thick and fast.

ECTOR VOTES ROAD, COURTHOUSE BONDS

ODESSA, May 22.—With a majority of twelve to one, Ector county voters today approved a bond issue of \$135,000 to construct a highway from Odessa west to the Ector-Winkler county line to connect with a road proposed from Kermit east. An issue of \$150,000 for a new Ector county court house also carried six to one.

The vote on the road issue was 269 for, 22 against; on the court house issue, 251 for, 40 against.

Latest news from M. s. Herman Trigg, daughter of the editor and wife, who is in Lubbock Sanitarium, was that she was still improving.

D. W. Wallace of Slaton and Fred Tudor of Waco were visitors in the B. J. Wallace home Wednesday.

Mrs. Laura Butler of Plainview is the guest of her daughter, Mrs. James H. Dallas.

Mrs. J. W. Hayhurst and Miss Anderson of Plains were guests of Mrs. Jim Graves, Tuesday.

Ralph Bailey of Midland visited relatives here Thursday.

SOW HAS QUINTS, SETS OF THEM

MORGAN, N. C. May 21.—A sow owned by Horace Saulman gave birth Friday to quintuplet—four sets of 'em.

Local farmers said the litter of twenty pigs—all normal—was the largest they'd ever heard of.
