

Horn Gives Instruction About School Band

The Band program for the Brownfield Schools has been drawn up by Mr. C. L. Horn with the assistance of Supt. T. E. McCollum. Emphasis will be placed on the former band members to re-enlist and continue their work in the band in the high school. In Junior high a campaign is being made to enroll new members along with the ones who have played in bands before. The big problem is getting instruments. The people of the town and community are urged to contact Mr. Horn or the prospective buyers so that all instruments not being used can be made available to these youngsters so eager to learn music.

Many questions have been asked regarding band work. The instruction is free, for it is part of the curriculum. The student must provide his own instrument, with the exception of the larger and more expensive instruments such as: basses, bass drum, etc. Those students from the fifth to the twelfth grades are eligible for band.

During Monday and Tuesday Mr. Horn reported over 100 had signed up for band; 75 per cent of these enrolled. No specific date has been made for the beginning of regular classes, but in all probability it will be two weeks before plans are completed. Those who have had band before will not be started with the beginners but will have a brief review before starting new material. The schedule calls for a beginner's band and a high school band in the top four grades as well as a beginner's and a Junior band in Junior high. Notices will be posted on the bulletin boards in each building when classes are to begin.

Mr. Horn urges the whole-hearted co-operation of the parents in getting their children started in one of the more worthwhile activities of the school. He promises an interesting hobby in school which might become a valuable aid in further education. Many are making it a profitable career.

Wounded At Okinawa Home On Furlough

Pfc. Jesse H. Criswell, his wife and small son of Plains, Texas, have been visiting his brother, J. C. Criswell and sisters, Mrs. Chick Lee and Mrs. Edna Blankenship. He is on furlough from the Bruns general hospital, Santa Fe, N. M. Pfc. Criswell went into service June 1944. He was shipped overseas in December. He entered Okinawa in the invasion April 1. Was wounded and sent to the States in May. He has been at Bruns general hospital since that time. He is the youngest son of Claude and Bettie Criswell, who lived here when the county was organized, but later moved to Yoakum. He holds a purple heart, one bronze star in the Asiatic-Pacific theatre, also a service star in Philippine liberation. He is to report back at Santa Fe, Nov. 15.

S/SGT. OLLIE WARREN RECEIVES DISCHARGE

San Antonio — S/Sgt. Ollie W. Warren, son of Mr. T. D. Warren, has been separated from the Army Air forces at the San Antonio District, AAF Personnel Distribution Command.

Sgt. Warren served 16 months as gunner on a B-24 with the Eighth AAF in the European theater of operations, and wears the purple heart.

P. G. Stanford of Plains came through by mail with his renewal last week. P. G. has been on our list the whole 36 years the Herald has belonged to the present owners.

Due to the fact that the printing crew wished to take off for Thanksgiving, we are printing early this week, and giving you a pretty short paper. Will do better next week—we hope.

Lack \$750 of Having USO Funds in County

Frank Jordan stated this week that only about \$750 remains to be raised to put Terry county over the top in the USO drive. He has been promised help by individuals and civic clubs as well as committeemen to help put Terry over the top.

Mr. Jordan stated that as Mr. J. O. Gillham is district chairman, and a citizen of Brownfield, he hated to see his home county fall down on the job. As soon as he returns from the TFBF convention at Waco, he aims to pitch in and get the rest of the funds.

Brownfield Cubs Lose To Plainview By Score of 54-7

The Cubs were taken in last Friday night here in an AA conference game by the Plainview Bulldogs in an almost score at will game by Plainview, who run the score to 54 while the Cubs were chalking up a hard earned 7.

The Plainview team in our opinion is the best team that has played in Brownfield this year. However, most of their scoring was done on long end sweeps or passes, with very little gain through the Cub line. This has been the case in most all of the games, Brownfield's lack of pass defense and lack of enough plays.

James Smith Helps Carry Fight To Japs

James C. Smith, coxswain, USN, Route 4, Brownfield, and other men of the destroyer USS Miller carried out the dual role of rescue ship and "fighting tincan," the newly revised records of her action in the Pacific have disclosed.

The Miller fought the war from the Marshall Islands to Tokyo Bay, steaming the equivalent of seven times around the world with fast carrier forces during its 20 months of action, and taking part in a total of 27 engagements.

It was the Miller that rescued some of the first survivors of the blasted carrier USS Franklin while explosions and fires were raking that vessel from stem to stern. The destroyer pulled away to transfer the rescued personnel to another carrier, but quickly returned to the Franklin.

Pausing along the way to pull 11 exhausted survivors from the water, she spent most of the afternoon and evening alongside the carrier, pumping water into her fires until the gauges of her pumps blew out from the strain.

The skipper of the Miller received the Navy Cross for his part in helping save the Franklin.

EUGENE JENKINS IN OCCUPATION OF JAPAN

With the 77th Infantry Division in Hakodate, Hokkaido—Pfc. Eugene Jenkins, Box 471, Brownfield is now serving with the 77th Infantry Division in Japan.

He was inducted into the Army December 22, 1944 and received his basic training at Camp Roberts, California. He joined the 77th (Statue of Liberty) Division in July 1945. Prior to his induction into the Army he was employed by Stanolind Pipe Line Company of Brownfield, Texas.

He is authorized to wear the Asiatic-Pacific ribbon.

His wife and son live at the Brownfield address.

Messrs Bascom Morris and Wilbur Morris, of Lubbock, spent this week in south Texas, deer hunting.

Mrs. F. M. Meador and daughter, Linda, of Plains were in Brownfield, Tuesday, shopping.

Claudine Garrett and Estelle Swain spent the weekend in Lubbock with Irene Branter.

A/s R. H. Norrell, Jr., of San Diego, Calif., is here on a short leave, visiting his parents, Mr. and Mrs. R. H. Norrell, Sr.

THE BANE OF CATTLEMAN IS THE WEALTH OF THE CHEMIST

—GWN—

Earliest ranchmen who historically preceded the development of the west, as did the pioneer settler, considered the chain of lakes near the Lynn-Terry county lines, down into Gaines and Andrews counties to be worthless. They were known as Akali lakes. Their water was undrinkable, as was well water for some distance away, especially to their east. They are all alike, pear shaped, with a spring of brackish water, at north end of the stem. Sandy shinary slopes down to the west side, while a ridge of short grass is on the east, perhaps caused by centuries of wind erosion, over behind this is a hard land valley.

They vary in sizes from a few acres, mostly a section or more, to Cedar Lake, in NE Gaines county, which covers 14 sections. In wet seasons they contain water of a few inches to very few feet deep. No fish, but a refuge to many ducks during the season. Around the edges of the water, and during extreme dry seasons, they look like snow, as a white substance that mushrooms up from the ground. This was known as alkali, or gyp. In 1919, a stranger came along, analyzed these substances and informed the writer that the lakes contain seven different chemicals: Potassium, Salts, Globular Salts, for making glass, Alkali, and a sodium, and others whose big names we can't repeat. He later informed us he doubted if sufficient quantity could be had to justify Congress to raise high tariff against foreign imports, which they asked before developing it.

Anyway some leases were taken and a few years later a company bought up the title to most of these lakes, for a very nominal sum. Their valuation for taxes were accepted at low figures. Our chemical hopes dissolved till 1936-37, when the Arizona Chemical Company came along, took leases on several sections in the Brownfield east pasture about 12 miles southeast from town and erected a

large building five stories high, filled with machinery. Four huge boilers fueled by natural gas from the main line through the country, built a road to it and have an electric high line to it. Many shallow wells furnish the product extracted by steam, flowing it to the plant, where one chemical, sodium phosphate, is extracted, flows from a drum like cotton off the gin stand, but similar to wet snow. It is dried, carried by trucks built for the purpose to an elevator loading station, on to the railroad cars here. It is used in the pulp wood bleach, making paper.

The plant, under management of Mr. E. L. Sturges, who resides here, employs thirty people who commute from their homes here to the plant and operate day and night shifts. It has been running continuously since 1938, and has shipped thousands of tons. It is noticeable that the ground for several feet around each well has sunken. While no doubt the supply is exhausted in each well, they have such a similar territory, there seems to be plenty more where this comes from.

Their other plant near O'Donnell, produces potash.

No future plans of the company was revealed, but it is possible they may sometime shift gears and develop the other chemicals at hand.

History dating back before our pre-settlement era, named the draw that heads in the Tatum, N. M., vicinity, running diagonally through Yoakum, Terry, Dawson and Howard counties, into the Colorado river, below Big Spring, Sulphur draw. How come it got that name? It is known that many recent oil well tests near it encounter heavy sulphur water. Perhaps we are just sitting here, living the life of least resistance, waiting for some one to, and likely will, open up sulphur mines or wells.

Indeed, pioneering didn't cease with the covered wagon.

Governor Stevenson Proclaims Christmas Seal Sale

Austin—Calling attention to the fact that tuberculosis is communicable, Governor Stevenson yesterday issued a proclamation officially designating from November 19 to Christmas for the sale of Christmas Seals.

Governor Stevenson pointed out that the Texas Tuberculosis Association and its affiliated county associations which conduct the Seal Sale, use Seal funds for a health program which should be supported by all residents of Texas.

The Governor's proclamation follows:

WHEREAS, tuberculosis is a communicable disease which last year took 3,006 lives in this State; and

WHEREAS, a rise in the incidence of the disease in several states last year may portend a general post-war increase in tuberculosis, as has already occurred in Europe; and

WHEREAS, the sale of Christmas Seals by the Texas Tuberculosis Association and its affiliated county associations supports a health program designed to protect the citizen of our State from the spread of this insidious disease:

NOW, THEREFORE, I, Coke Stevenson, Governor of Texas, do hereby officially designate November 19 to December 25, 1945, as THE PERIOD FOR THE SALE OF CHRISTMAS SEALS and urge the people of this State to give this campaign their generous support.

COKE R. STEVENSON

More Than Half of Taxes Already In

Tax-Collector Virgil Burnett, for the county and state reported to the Herald this week that 61 per cent of the taxes were collected in October, when 3 percent discount was possible. There is a discount of 2 percent this month, and up to now, Mr. Burnett stated that collection for November was good.

There is a total of \$136,741.72 charged out on the 1945 tax rolls, and of this amount \$84,084.96 was collected in October. He expects many to take advantage of the discount this month, and by December 1, hopes to see the bulk of taxes in. He issued 707 poll tax receipts in October compared to 710 for the same period last year.

Coxswain Brown Helps Take Ie Shima

T. P. Brown, coxswain, Brownfield, went ashore at tiny Ie Shima (where the famed Ernie Pyle met his death) to carry on the work of a Fleet unit bearing the legend of "GroPac," while the fighting still raged 200 yards from the beaches, Navy records of that operation have disclose.

"GroPac" became a highly respected term in the Navy because of its performances at Ie Shima and other bitterly-contested islands in the Pacific. The term is short for Group, Pacific, which served as a part of the Service Force, Pacific Fleet.

The job of "GroPac," after landings had been effected, was to unload the huge quantities of supplies from the LSM's, LCT's and barges, supplies without which the island beachheads and advances could not have been sustained. Group, Pacific also included a small boat repair which worked 24 hours a day to put wrecked and damaged craft back in shape.

Texans Have Reasons To Be Thankful

Austin—The first Thanksgiving day in this country was proclaimed for the purpose of expressing thanks not only for the bountiful harvest which the colonists had reaped but for the bountiful harvest that had permitted them to survive the hardships and exposure, that first rigorous year in America. On the occasion of this Thanksgiving Day the State Health Officer, Dr. Geo. W. Cox, is appealing to every citizen of Texas to give serious thought to the preservation of his own health and that of his community.

"We have much to be thankful for in that our national health level has remained high despite the nervous tension, the sacrifices, the deprivations of war," Dr. Cox stated. "Our people have maintained a remarkably high health level and even under existing war conditions, Texas has shown a continued decline in maternal and infant deaths.

"The people of Texas have reason to be thankful for the steadily increasing interest and cooperation being shown in matters pertaining to general sanitation and the control of communicable diseases," Dr. Cox asserted. "Responsibility for the success and advancement of the public health program lies not with the State Health Department primarily but with the people who support and encourage the local community efforts exerted and who apply in their own individual lives the health rules with which they have become acquainted through public health education."

Dr. Cox pointed out that one direct result of public health efforts in this nation has been the lengthening of the normal life span by more than 15 years.

"Certainly this is something to be thankful for and it should lend incentive for further efforts to promote and maintain community as well as statewide public health programs."

Shorty Brown called his wife Monday that he had landed in the States and would get his discharge in San Pedro and be home Saturday.

Car In Collision With Ambulance

Shortly after a collision about 1:30 A. M. Sunday, on the highway just south of the Roy Herod station by a Dodge driven by Joe Falukenberry of Lamesa and a Ford, driven by Irvin Horn, the local ambulance in charge of Louis Simmons was stopped at the scene, another passenger car driven by Calvin Newberry, came round a corner and collided head-on with the ambulance.

No one was hurt in the latter instance, and minor damage was done. One passenger in the first wreck sustained only minor lacerations.

Farm Bureau Holds Meeting Here Saturday

With President H. R. Winston in the chair, the Terry County Farm Bureau met in the district court room Saturday afternoon, the 17th, to elect new officers and delegates to the state convention at Waco, Nov. 27th. Winston was re-elected president, Riley Jones, vice-president and Joe W. Johnson, secretary-treasurer.

The following precinct chairmen were elected: No. 1, Frank Jordan; No. 2, Frank Walters; No. 3, B. M. Tuttle and No. 4, Lee Fulton. Jordan and Tuttle are the delegates to the state convention. A resolution by Jordan was offered and passed to ask full parity on account of increased cost of labor and machinery.

Mr. Jordan stated that monthly meetings would be held in each precinct, probably beginning at Union, then Meadow, Johnson and Wellman, to begin January 1.

Mr. and Mrs. Jordan are leaving this week for a hunt in the Del Rio area, and will leave there for the convention at Waco.

"GI" Bill of Rights Provides Education

Under the provisions of the "GI" Bill of Rights young men of seventeen to twenty-five years of age may go to college four years, tuition paid and \$50 per month living expense, in return for three years spent in the army. The new Voluntary Recruitment Act passed by the US Congress in October extends the privileges of the "GI" Bill to the men who enlist in the Regular Army.

For the young man who enlists immediately after high school, his military training will be completed by the time he reaches 21 or 22 and he will have received incomparable and valuable experience during that period. He will travel and see much of the world.

At the end of his enlistment, he will be eligible under the "GI" Bill to continue his education at government expense at any college for the same length of time he was in the Army plus 12 months.

Capt. R. T. Hammond of the Lubbock Army Recruiting Station announces to the young men of this community that the Army offers them a real chance to get an education, not only college training is offered but if the young man desires to attend a vocational or trade school, he may do so under the provisions of the "GI" Bill of Rights.

Rules Governing AAA For Next Year

Terry County has been allotted \$111,953.39 for carrying out soil building practices in the year 1946. The County and Community Committee, at their meeting Thursday November 15th, selected the following practices which the farmers may use in Terry County in the year 1946 in earning the above stated money. However, any producer who wishes to carry out a practice must secure written prior approval from the county committee before carrying out the practice or payment will not be made. This is necessary in order that the committee will not give approvals in excess of the money appropriated.

Terraces, \$1.50 per linear foot.
Drilling Wells, \$1 & \$2 per linear foot.

Deep Plowing, \$1.50 per acre.
Contour farming, \$0.75 per acre.
Grain sorghum stubble, \$0.35 per acre.

Deferred Grazing, \$0.12 per acre.
Fall Seeded Cover Crops, \$1.50 per acre.
Green manure or cover crops, \$1.50 per acre.

Fire guards, \$0.06 per 100 linear foot.

Control of Destructive plants on pasture land, not to exceed \$5.00 per acre.

At the community and county committee meeting on the 15th the community committeemen selected a nominating committee from each community, and their duties will be to select two names for each position to be filled in the community to be placed on a ballot. These ballots will be printed in advance of the election date, which will be Sat. Dec. 8th, and the voting place for each community will be announced at a later date. The polling station will be open all day for the convenience of the farmers in the community, and it is hoped that each farmer will go vote and select the committeemen, who will serve in his community in the year 1946.

Those selected on the nominating committee from each community are as follows: Meadow, Carl Russell, Horace Castleberry and M. R. Watkins; Challis, R. L. Montgomery, D. A. Lowe and R. L. Bowers; Pleasant Valley, Loyd Dawson, T. C. Hogue and T. B. Wood; Union, G. C. Shults, J. C. Herring and H. A. Cullifer; Scud-dy, L. A. Brock, Whitt Coor and H. L. Holleman; Wellman, Sewell Dean, D. BOYD MOORE GETS HIS DISCHARGE

Boyd Moore received his discharge from the Army Air Forces at Amarillo, Nov. 2nd. He has been in the cadet program 19 months, during which time he was stationed at Shepherd Field, Randolph Field, Frederick Army Air Field and Amarillo. Previous to his discharge he was in B-29 training, which was discontinued because no more engineers were needed. Boyd and wife, with 15-month-old daughter, have gone to California to make their home, where they lived before he volunteered in March, 1944. Before settling down they will visit Mrs. Ruth Moore at San Diego, Otis Moore at Long Beach and Mrs. Moore's mother, sister and two brothers at Salinas, Calif.

Terryites are glad to see R. N. McClain again installed as county agent. He has just been discharged from the army in which he had reached the grade of lieutenant.

Mesdames W. B. Hinton and Hayden Griffin and daughter, Judy, were in Lubbock Saturday, shopping.

Anybody who ever tried to steer a boat can understand why they call one "she."

The prices set by the OPA on new automobiles didn't seem to suit anyone in particular, unless it is the buyer—if the buyer could buy one. Well, perhaps it did suit the unions, unless in cases where the manufacturer was allowed some advance. But in no case did the dealer have anything to laugh about. And just why some were allowed an advance in price, while others was cut, is a supreme mystery to the lay person.

President Truman shot his wad the past week on socialized doctors and medicine, and from this some 1500 miles distance from the nation's capitol, it appears to the kinty edjuter that the bill will be neatly pigeonholed in a big desk in committee, and that will be as far as it will ever get. Sometimes we wonder if that smiling and jovial president of ours really believes in all he hands out, or is just passing the buck on to congress. In the past century, American physicians and medicines have made great strides.

In fact, army and navy men tell us that we are at least 50 years ahead with our medicine, nursing and doctors of the best they have in Europe, and we have done this unhandicapped by laws, rules and regulations, except that the medicine must be pure, the doctors must pass a prescribed test, and the nurses must know what they are about. Also, more and more families are taking out hospital and medical insurance, and in doing so, they wish to reserve the right to call the doctor they wish, one that understands the whims of their families, and not have to take what the big boss in some office sends them. They also like to choose their own hospital when they or their loved ones get sick.

If the big boys up at Washington would spend more time trying to get stuff to sell and help to sell it, they would go a long way toward solving that mythical 60 million jobs. Instead, they seem to be trying to conjure the foundation of "a job for everybody" by starting their building in the attic instead of in the cellar. When we get the small businesses of the country in high gear, there will be a lot of jobs. These places make the jobs for most working people.

At this time last year, the Santa Fe railroad was moving from fourth-fifths to three fourths more cars than this year. Yet there seems to be a dearth of cars moving the grain crop on the south Plains. Maybe in other sections not served by the Santa Fe, they have more cars to move.

Dr. Pat M. Neff has not changed greatly from what he was as Gov. Pat M. Neff, nor as district attorney of McLennan county. Then as now, he ran his own affair, and he don't want any back seat drivers. It really takes intestinal fortitude for a man in Texas to buck the Southern Baptist convention on anything, but in his usual offhand way, he advised the convention that the Board of Directors and himself were running Baylor University, and if they and he wished to give an LLD degree to President Truman, that was their affair. In other words, he vetoed their resolution. So-o-o, when and if President Truman comes to Tex-

as, he may visit Waco, as pre-arranged and take his LLD degree.

One of our exchanges came to our desk last week with 16 pages; four printed at home; eight in Fort Worth and four in Dallas. The four pages that were printed at home were interesting.

Glenna Faye Ross, Wanda Hahn and Janelle Turner were among the Tech students home for the weekend.

Mr. A. E. McCarver came in Thursday of last week from Los Angeles with papers saying he is a civilian once more. He has been stationed in New Hebrides with the Seabees for the past two years.

Mr. and Mrs. A. E. McCarver left this week to spend the Thanksgiving holidays with his mother and sisters in Ada, Okla.

Mr. and Mrs. Don Peachee and Donna Kay, of Lubbock, were weekend guests of her parents, Mr. and Mrs. Hayden Griffin.

Mrs. W. B. Hinton, of Lockhart, visited her brother and family, Mr. and Mrs. Hayden Griffin, for several days last week.

Johnny Davidson, who has been stationed on Guadalcanal for the past two years, called his wife, Helen, Monday morning from San Diego, Calif., saying that he would be in El Paso the latter part of the week to receive his discharge papers. Mrs. Davidson and daughter, Jan, will meet him there.

Messers Earl Denton, M. G. Tarpley and son, G. W. (Boy), P. R. Cates, Lee Orville Lewis, Jack Hart, and Dr. E. C. Davis spent a few days last week in Vanderpool, Texas, deer hunting. Luck was with them as they brought back seven.

MRS. BROWN HOSTESS TO UNION HD CLUB

The Union Home Demonstration club met Nov. 15 with Mrs. Brown. The house was called to order by the president, Mrs. Shepard. The club discussed what kind of hand craft each member would display in the window of Cobb's store Saturday. We also decided we would have Hop Halsey's Drug Store Cowboys down Nov. 27, at the Union gym.

As there was no other business refreshments were served to Mesdames Shepard, Garner, Luker, Felt, Rhodes, Montgomery, and the hostess. The next meeting, Dec. 6th, will be with Mrs. Shepard. —Reporter.

WESLYAN SERVICE GUILD ENTERTAINS WITH THANKSGIVING DINNER

The Wesleyan Guild of the Methodist church entertained their husbands and friends with a pre-Thanksgiving dinner, Thursday evening of last week in Fellowship hall.

Mesdames C. F. Simes, R. N. Huckabee, Sue Christopher and Miss Elizabeth Upton were in the receiving line welcoming the guests and members and performing introductions.

Mrs. Christopher was in charge of the program for the evening, which was most interesting to all present. Mr. Tommy Zorns, who was stationed in India while in military service, gave a very interesting and enlightening talk on that country. Mrs. Gene Helms gave excerpts from Stephen Ben-

ets "Western Star," as a musical reading, accompanied at the piano by Mrs. Roy Herod.

The table arrangement consisting of a large center table and two smaller ones used the Thanksgiving motive for decoration. An artistic arrangement of yellow and lavender mums, flanked by yellow tapers in crystal holders, centered the large table. A dignified turkey made of crimson oak leaves was used for one of the small tables while the other had a huge horn of plenty filled with nuts, fruits and vegetables, as its centerpiece. Long sprays of flowering almond trailing the length of the linen covered tables completed the decorations.

The traditional Thanksgiving menu was served in three courses under the supervision of Mrs. Dennis Lily to 40 members and guests. Mrs. Huckabee gave the invocation and Mrs. Simes the benediction.

DINNER GIVEN FOR A. E. MCCARVER

Mr. and Mrs. John Walls entertained with a dinner Sunday noon for their son-in-law, Mr. A. E. McCarver, who has just returned from overseas duty with the Seabees.

Guests were: Mr. and Mrs. A. E. McCarver, Mr. and Mrs. Bob Colson and son, Noel, Mesdames Juanita Gibson, Nita Jean Marchbanks, Patsy Walls, and Miss Doris Walls.

Future Farmers Of America

The Brownfield Future Farmers and Homemaking girls are doing their part for war relief. These boys and girls are bringing at least one can of food each. Five cases of this food was sent to the area office at Lubbock and will be sent overseas to help feed the allies. There is a plan in Texas for each Future Farmer to bring one or more cans, and from the Future Farmers in Texas alone this will mean about a thousand cases of canned food for our allies. The Future Farmers have their feeding program well under way. Many of the boys are feeding calves and hogs, while others have registered gilts or heifers.

The Women's Society of Christian Service met Wednesday of last week at the church to study the fifth chapter of their study book, "The Cross over Africa." Opening the meeting was the song, "Dear Lord and Father of Mankind," followed by the devotional given by Mrs. Glen Harris, using the 96th Psalm as her text. Mrs. A. J. Loyd conducted the study and Mesdames Carpenter, House, Ward and Culver gave a playlet based on the study book.

Monday of this week the group met to finish their study book. Mrs. Cleve Williams gave the devotional from the 15th chapter of St. Mark. Mrs. Glen Harris talked on the "Era of Sacrifice," and Mrs. House on "The American Eagle." Mrs. Huckabee closed the study with a prayer.

Next Monday there will be a social with a covered dish luncheon, followed by the election of officers and the World Outlook lesson. Mesdames House and Ward will be hostesses.

December the 17th is the date for the Christmas social with Mesdames Loyd, Huckabee and Alton Webb as hostesses.

EAT CABBAGE WHEN FIRST COOKED

College Station—If cooked cabbage is on the menu, the family should answer the dinner call promptly, says Edith Lawrence, specialist in food preparation for the Texas A. and M. College Extension Service. Otherwise, the cabbage, kept over hot water to keep it warm for serving, loses a very large per cent of the vitamin C. Shredded cabbage cooks in five minutes so it may be cooked while the family washes and gathers for dinner. Freshly cooked cabbage at best contains only about half the vitamin C of raw cabbage. Strange as it may seem, cooked cabbage held in the refrigerator two or three days and then reheated does not lose as much vitamin C as that kept standing on the stove an hour or so. When warmed up after refrigeration it contains 24 to 32 per cent of the vitamin C it had when fresh and raw, Miss Lawrence states.

We learn that the Hockley county road bond election for \$500,000 last Saturday got one vote over the required two-thirds majority to carry.

O. H. Murray of Harmony was in last week to renew, and stated he had two hogs ready to butcher as soon as it got a bit cooler.

S1/c James W. Duke called his wife, Wima Frank, Thursday of last week from San Diego, Calif., and said he had just landed on good old U. S. soil. He has been stationed in the south Pacific for the past fifteen months.

Mr. and Mrs. Winston Jones of Ropesville were hosts to the following for Sunday dinner: Messers and Mesdames R. D. Jones, J. J. Jones and children, Earl T. Jones, Lewis Jones, of Morton, Gay Price and children and Grandmother Jones.

Mr. and Mrs. Hamilton Stalaker of Lubbock were guests of Mr. and Mrs. R. L. Walker, Thursday.

Mr. and Mrs. L. J. Dunn were in Munday, Texas, Nov. 13th for the silver anniversary tea of the Munday Study club, of which Mrs. Dunn was a former member. They spent several days there visiting old friends.

MRS. HARMON NAMED HONOREE

Mesdames Chad Tarpley, M. G. Tarpley and Ike Bailey complimented Mrs. Don Harmon with a bridal tea shower at the home of Mrs. Bailey, Monday afternoon from 4 to 6 o'clock. Mrs. Harmon is the former Margean Bell.

Mrs. A. J. Bell, of Meadow, the bride's mother registered the guests. Mrs. Burdine, of Lubbock, presided at the tea service while Mesdames Carrol Hulise and Afton Verner, of Lubbock, sisters of Mrs. Harmon, displayed the many lovely gifts.

The tea table was covered with a lace cloth and centered with an arrangement of pink and white roses. A silver tea service and crystal were used in the table appointments.

Fifty guests called.

HOUSE WARMING

The Levi Gray family who have just moved into their new home four miles north of town, were very pleasantly surprised Thursday afternoon when their neighbors and friends from far and wide ran in on them for a house warming.

After each guest had been shown through the house a delightful hour of games was enjoyed by all. Last but not least was the presentation of the many lovely gifts.

Punch and cookies were served to the 50 guests. Guests were from Lamesa, Wells, O'Donnell, Lubbock and Brownfield. Those attending from Brownfield were: Mrs. Hestia Key, Mrs. A. R. Tyler, Mrs. Askew, Mrs. R. E. Townzen, Mrs. Holgate, Mrs. Boyd Howze, Mr. and Mrs. R. L. Stallings, Mrs. G. D. Wade, and Mrs. E. D. Yeatts.

Mrs. Edna Duke, of Hobbs, is here visiting Mrs. Wilma Frank Duke and children.

Sgt. Bill Gore, who has been here on furlough, returned to his camp in Topeka, Kansas, Monday morning.

Announcement
Tea Highlights
Social Week

The highlight of the social week was the tea given Wednesday afternoon from 4 until 6 o'clock, by Mrs. A. W. Turner, announcing the coming marriage of her daughter, Juanda Ruth to J. E. Smith.

In the receiving line were: Mrs. W. E. Latham, Mrs. A. W. Turner, Juanda Ruth Turner, Mrs. Jess Smith, mother of Mr. Smith, Mrs. Guthrie Allen, his sister, and Mrs. Kenneth L. Turner, sister of the bride-elect.

Mrs. J. C. Powell registered 200 guests in a white leather bride's book tied with streamers of satin ribbon. The table was covered with white satin on which was placed a beautiful bride doll standing under an arch. Tapers in three-tiered candelabra were used on either side. Green fern, twined in and out, added color to the arrangement. Little engraved folders bearing the words "Guess Who" on the outside and inside disclosing the announcement, Juanda Ruth and J. E., Dec. 9th, were given the guests as they registered.

The tea table was covered with a white maderia cloth and centered with a bowl of huge white mums flanked by white tapers in crystal holders. Silver tea services and crystal were used for the table appointments. Serving were: Christine McDuffie, Jean Knight, Billy Lackey, Joyce Dungan and Maidy Claiborne, of Lubbock.

The buffet was decorated with a bridal scene placed on white ruffled satin, on which small clusters of yellow daisies and fern were scattered. White cascade candles illuminated the scene.

The bride-elect's chosen colors of turquoise and yellow were used in the flower arrangement on the mantle and flanked with white cascade candles. The colors were also used in the corsages of white mums tied with yellow and turquoise ribbon worn by members of the house party. Juanda Ruth wore a brown orchid. All were dressed in formals.

Glynnia Fay Ross furnished a background of music with her many selections on the piano during the hours of calling. Members of the house party assisting with the entertaining were: Mesdames J. B. Knight, Clovis Kendrick, Spencer Kendrick and E. L. Sturges.

Mesdames H. H. Lawler and Clifford Henry of Seagraves visited Mrs. R. L. Walker, Wednesday of last week.

THANKSGIVING LUNCHEON
GIVEN BY MAIDS
AND MATRONS

Members of the Maids and Matrons club enjoyed a Thanksgiving luncheon at the home of Mrs. J. M. Teague, Tuesday noon. Before the meal was served, Jane Weir, Gloria Hughes and Marian Wingerd sang, "Lift Thine Eyes." Mrs. R. N. Huckabee said Grace.

A delicious chicken dinner was served buffet style with the guests seated at beautifully appointed tables. Mesdames C. F. Simes, Lee Fulton, Roy Wingerd, Rudy Wright and R. N. Huckabee assisted with the serving.

Following the luncheon, Mrs. M. G. Tarpley, as chairman, announced Mrs. Wingerd's subject, which was "Religion's Influence on the American." Mrs. Huckabee conducted a contest in the form of Bible Baseball, for amusement of the guests.

Those present were: Mesdames J. D. Akers, W. A. Bell, W. B. Brown, Lal Copeland, E. C. Davis, Ralph Ferguson, Lee Fulton, Leo Holmes, R. N. Huckabee, Looie Miller, O. L. Peterman, Money Price, J. L. Randal, C. F. Simes, M. G. Tarpley, J. M. Teague, J. M. Telford, L. M. Wingerd, T. E. McCollum, Miss Olga Fitzgerald.

MRS. BECTEL ENTERTAINS
WITH BRIDGE

Mrs. L. L. Bectel entertained with two tables of bridge at her home Friday afternoon of last week. Mrs. Bob Bowers scored high and Mrs. O. L. Peterman second high. Mesdames Harry Mathews and W. H. Collins won in games of Bingo.

A delicious refreshment plate of congealed fruit salad, pinwheel sandwiches and coffee was served to Mesdames Harry Mathews, E. O. McIver, O. L. Peterman, R. L. Bowers, W. H. Collins, Preston Sigley, R. M. Kendrick, C. F. Simes and C. E. Wilson, Myron Mook and Jessie Loggins, of Dallas, as tea guests.

Mr. and Mrs. J. C. Lewis and daughter, Patsy, spent Thanksgiving with Mr. Lewis' family in Plainview.

and Mrs. I. M. Bailey, associate member and Mrs. J. C. Criswell, honorary member.

MRS. WATERS ENTERTAINS POOL H. D. CLUB

Pool Home Demonstration club met November 14 at Pool school house. Mrs. L. M. Waters, Sr, was hostess. Order was called by the president. Six old members and one new one answered roll call. We welcomed Mrs. Howard in our club.

Miss Reast gave a very interesting program on re-seating chairs. The members completed one chair. Cookies and pop was served to all.

Mrs. Wilma Frank Duke has been confined to her bed since Tuesday of last week with a severe case of flu.

Mr. and Mrs. C. L. Balch and children spent Sunday in O'Donnell, visiting Mr. Balch's sister, Mrs. D. P. Reed.

Mrs. Jessie Loggins, of Dallas is here for a short visit with her sister, Mr. E. O. McIver, before going on to California to visit her son.

LAS AMIGAS CLUB

Mrs. Edith Stricklin entertained members of the Las Amigas club with three tables of bridge at the home of Mrs. A. J. Stricklin, Sr., Thursday evening of last week. When scores were tallied Mrs. Frank Ballard was awarded high, and Mrs. Lal Copeland second high. Mesdames Clovis Kendrick and Burton Hackney won in the game of Bingo.

A salad plate, cake and coffee were served to Mesdames Troy Noel, Burton Hackney, Al Muldrow, Clovis Kendrick, Spencer Kendrick, Orb Stice, Everett Latham, Frank Ballard, Lal Copeland, Ike Bailey, Madeline Tierman and Miss Gertrude Jones. Mrs. Herman Trigg, of Brownwood, was a tea guest.

Mr. and Mrs. A. J. Burnett are expected home soon according to Mr. Burnett's father. Mr. John Burnett, who was a visitor in the Herald office last week. He received his discharge from the seabees at Shewmake, California on Nov. 3rd. On their return home Mr. and Mrs. Burnett will make their home at Wicketts, where he is employed with the Gulf Oil Corp.

Try Hot Water Plus After Meals For Acid Indigestion

If the thousands of unfortunate people who suffer from so-called dyspepsia, acid indigestion, food fermentation, sour stomach, flatulence, gas or other stomach distress brought on by excess acid would just try drinking slowly after each upsetting meal half a glass of real hot water containing one spoonful of Neutracid they can usually get amazingly quick relief in a very few minutes.

Neutracid is not a laxative—it is soothing and comforting to the mucous membranes and very agreeable to take. Neutracid—a physician's formula can now be obtained at Nelson-Primm Drug Co., Palace Drug, or any first-class drug store.

Mrs. Walter Bond and son, Wally returned Tuesday after visiting in Tulsa, Sapulpa and Oklahoma City for the past several weeks.

Hop Halsey's Drug Store Cowboys will be at the Union Gym, Nov. 27, at 8:00 o'clock. Admission, popular prices.

Mrs. Don Harmon is here visiting while her husband is in California getting his discharge from the Coast Guard.

L. E. Mabe with the Brownfield National Farm Loan Association, started a series of ads in this paper last week. Mr. Mabe says there is a business organization for farmers, and he believes in using space to tell farmers of Terry, Yoakum and Gaines counties about it.

THE TRAVIS BYNUMS ALSO HAVE THEIR TROUBLES

Had a letter this week from Mrs. Travis Bynum way out there at Marian, Calif. They are doing OK, and as she wanted just a bit of private information, she just shot in her two dollars for renewal. Along with her good news she named the following in rebuttal.

All well at the time, but Bob broke his leg last December, and Travis was operated on in August. Along with that they are now tied up with a cleaners strike, and to top it off, a baker's strike—and no bread to be bought.

But she added, and we could imagine a sly smile. "The men folks don't seem to mind that—they get more biscuits."

Mr. and Mrs. Bill McGowan and baby son left Tuesday morning for New Braunfels to spend the Thanksgiving and Christmas holidays. They will be back out here the first of the year.

And, there is no use wasting breath to ask Rev. Ed Sharp about why he is building a large home. He and Mrs. Sharp are not expecting to raise another family. They just want plenty room when the children and in-laws as well as the grandchildren come to visit them. Ed confided this much to us when he came in to renew, Tuesday.

Bernice Blevins, after spending 18 months with the Navy, mostly in south Pacific, discharged a few weeks ago, has taken over his old position as Janitor at the Court house, which he left on entering the service.

Mr. and Mrs. W. I. Kluting are spending this week in Dallas with Mrs. Kluting's sister, Patsy Lewis.

Mesdames Everett Latham, Clovis Kendrick, Al Muldrow and Spencer Kendrick were in Lubbock one day last week, shopping.

R. O. Black gives us the official ginning report for Terry county up to Nov. 1, as 1313 bales. This is in comparison to 12,426 at the same date a year ago. Mr. Black is in charge of the cotton census of this county.

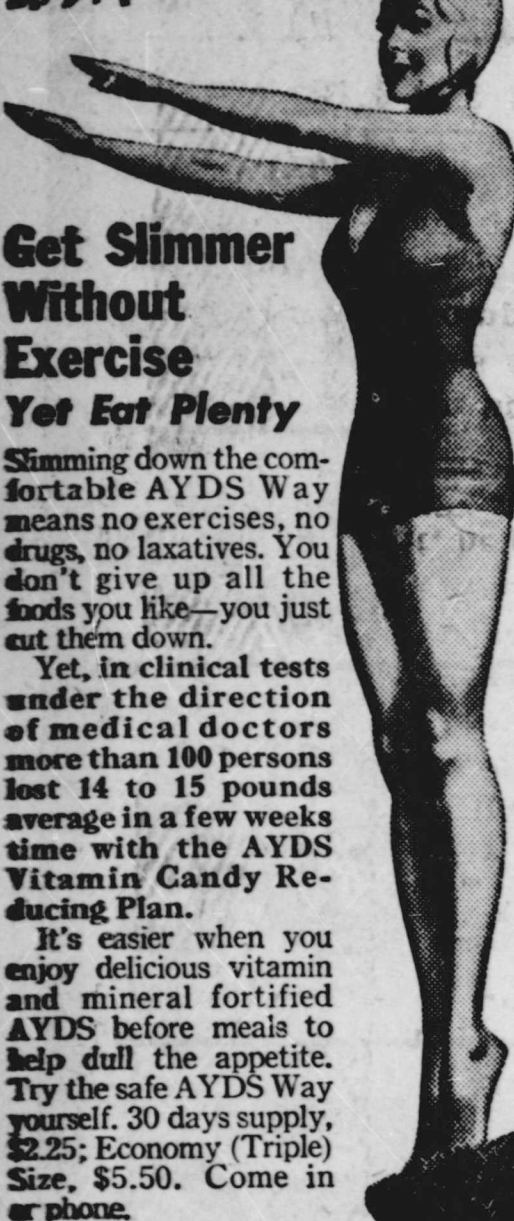

Mrs. M. F. Shappard, of Dallas, is here visiting her parents, Mr. and Mrs. Arthur Nunn.

Monroe Akers is now on land duty from the navy, again, and has settled down at San Leandro, Calif., according to his mother, here.

R. D. Hansburger and son, Charles, of Milersport, Ohio, were here this week for several days looking at the Hansburger property in the Johnson community. Both men were carried away with their reception while here, stating they never met friendlier or more accommodating people in their lives.

Have a supply of T. B. Xmas seals for sale for anyone wanting them for mailing packages. Call County Health office or see Mrs. O. L. Jones.

The self-lifting tractor is now a reality. It rises any height, up to four inches, virtually drawing itself up "by its own bootstraps." The lifting operation is accomplished by placing light tubular frames beneath the axles, connecting the rear to the two arms of a Ford-Ferguson tractor's hydraulic linkage and lightly touching the "finger-control" lever which is one feature of the Ferguson System. The entire operation takes less than one minute.

a good man to know

Probably you know your nearby U. S. Royal Dealer. He's a good friend and a good man to know . . . especially these days when we're all faced with the job of making our tires last until we can get new U. S. Royals.

He may operate a super-service station and employ dozens of helpers. He may own a small one- or two-man shop in a rural area. But regardless of size, his neighbors and customers look to him as the best tire man in town. That is why he was selected as a U. S. Royal Dealer.

The best tire man in town!

He is a good man to know because he has made tires and tire care his life work.

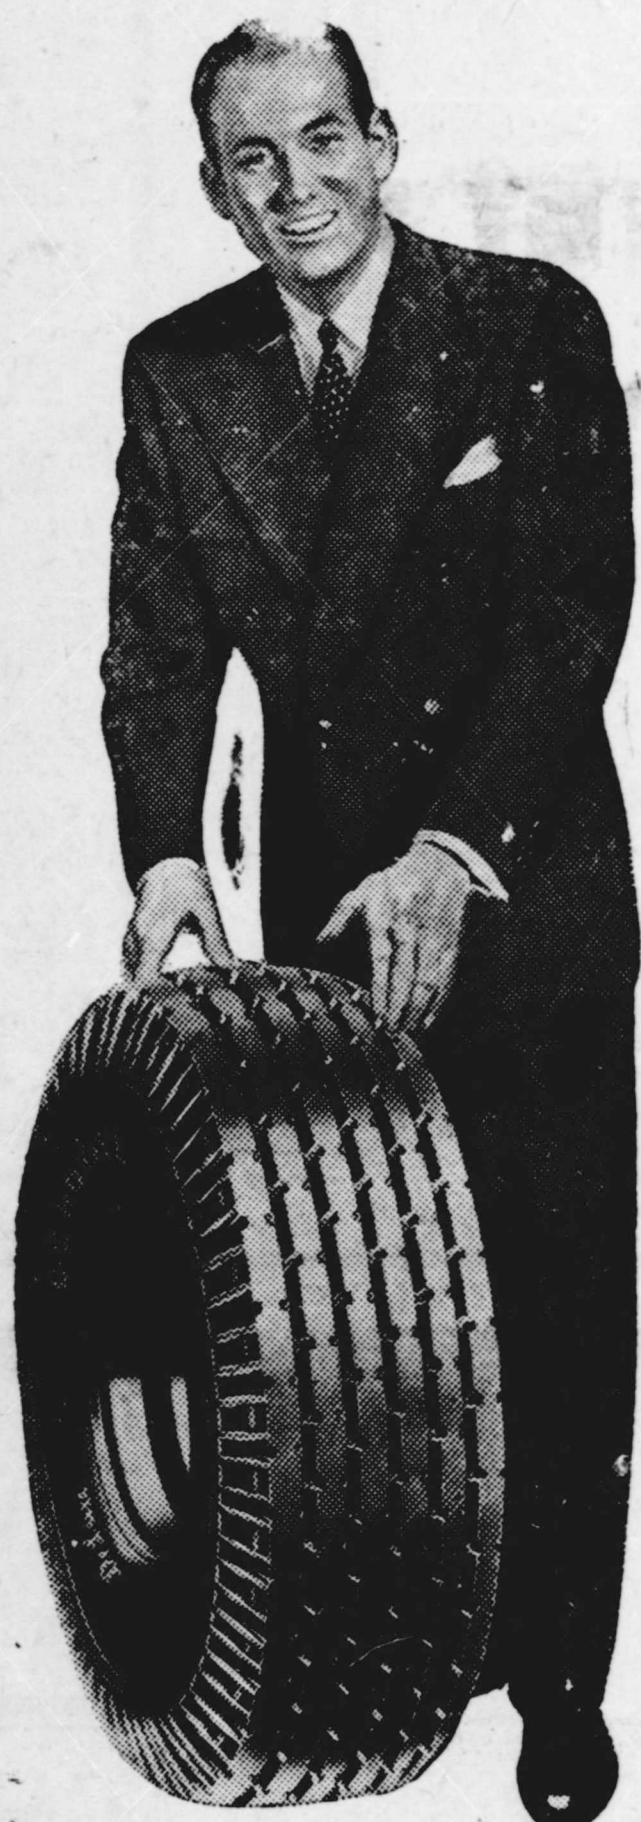

When you go to him with a troublesome tire problem, he finds the answer with the skill of a highly trained tire service engineer. He knows the latest and best in repair and maintenance methods . . . He's not a Jack-of-all trades . . . but a master of one.

When it comes to having the right tools and the latest information on how to do the job right, he proves his right to the title . . . "The best tire man in town."

And to back him up with scientific and technical help, a corps of United States Rubber Company engineers brings him up-to-the-minute knowledge of factory service methods direct from the factory.

A good man to do business with!

Like every good neighbor, your U. S. Royal Dealer has community pride and personal ambition. His success or failure as a local, independent merchant

ence the outstanding service that U. S. Royals have given in your community during the war.

When he tells you about the growing preference U. S. Royals have earned with service records often equalling and even exceeding the performance of prewar tires, you see the sparkle of personal satisfaction in his eye.

If you know your U. S. Royal Dealer, you'll agree he's a good man to know. If you don't know him, get acquainted soon: He is the most important man in United States Rubber Company's post-war plan to give you the finest tire service ever offered to American motorists.

He has a good plan, too!

He recognizes his responsibility to help you keep your tires rolling until you can get new U. S. Royals. He offers you this specific plan to do that job:

1. He invites you to drive in today for a thorough inspection of your present tires. If you are in urgent need of new tires, he will show you how to get them at the earliest possible moment.
2. If your needs are not immediate, he will use his expert knowledge of tire care to help you keep your car on active duty until new U. S. Royals are available.

HOLD OUT FOR U. S. ROYALS

Register your tire needs with your U. S. Tire Dealer now. He's a good man to know. He can help you better than any other man in town to hold out for U. S. Royals.
