

GILLHAM GIVES OFFICIAL COUNTY ELECTION RETURNS, CITES NOMINEES

The Terry County Democratic Executive Committee met Saturday, Aug. 3rd, at the Court House, and after canvassing the returns from the 1st Primary held July 27th, declared the following candidates nominated:

H. R. Winston for County Judge.
H. M. Pyeatt for County Clerk.
H. B. Virgil Crawford for County Attorney.
Herbert Chesshir for County Tax Assessor-Collector.
Lee Fulton for County Superintendent.
Mrs. Eldora A. White for District Clerk.
Mrs. O. L. Jones for County Treasurer.
Lee Bartlett for County Commissioner Pct. No. 3.
J. O. Gillham, Chairman of Dem. Exec. Committee.
Tom May, Pct. Chairman, Pct. 1.
John Cadenhead, Pct. Chairman, Pct. No. 2.
W. R. Nilson, Pct. Chairman, Pct. No. 3.
H. L. Holleman, Pct. Chairman, Pct. No. 4.

Mr. Winston received 2091 votes, W. A. Bynum received 557 votes and C. T. Edwards received 813 votes giving Mr. Winston a clear majority over both of his opponents.

Mr. Pyeatt received a total of 1946 votes while his opponent, W. E. Winn received 1561 votes.

Mr. Fulton received 1708 votes, while his opponent, Mrs. Lucille Blackstock Shinn received 1668 votes.

Mr. Bartlett received 279 votes, and his opponent, Wood E. Johnson, received 230 votes.

The other candidates nominated in the first primary had no opposition.

The committee also certified the following candidates for the Aug. 24th run-off primary:

For Sheriff:
O. H. (Ocie) Murry
Joe B. Price

For Commissioner, Pct. 1:
Earl McNiel
Marion B. Stone

For Commissioner, Pct. 2:
W. T. (Bill) Settle
Sam H. Gossett

For Commissioner, Pct. No. 4:
J. L. (Lee) Lyon
H. R. (Horace) Fox

For Constable, Pct. 1:
Luther Jones
C. H. (Chic) Holmes

Mr. Murry lead the ticket for Sheriff with 1232 votes while Mr. Price clinched a place in the run-off with 893 votes. The other candidates for sheriff were C. D. Gore with 661 votes, R. L. (Bob) Burnett with 469 and R. E. (Bob) Thompson with 236 votes.

In the race for Pct. 1 Commissioner, Mr. McNiel led the ticket with 352 votes, while Mr. Stone gained a place in the run-off with 229 votes. The other candidates in this race were L. A. (Joe) Brock with 213 votes, T. D. Warren with 171 votes and L. V. Wagner with 98 votes.

In the Pct. 2 Commissioner's race, Mr. Settle led with 480 votes with Mr. Gossett in second place with 440 votes. The other candidates in this race were E. C. Willis with 201 votes and G. E. Kissinger with 179 votes.

In the Pct. 4 Commissioner's race, Mr. Lyon led with 221 votes while Mr. Fox had 158 votes to gain a place in the run-off primary. The other candidates in this race were J. R. (Dugan) Thomas with 123 votes, E. D. Duncan with 75 votes and C. K. Wilmet with 23 votes.

In the Constable's race Mr. Holmes had 1157 votes, Mr. Jones had 1103 votes, with Wilson (Slick) Collins, a writ-in candidate, receiving 65 votes to force a run-off between Mr. Holmes and Mr. Jones.

The ballot for the second Primary on Aug. 24th was made up. The ballot will be much shorter than first primary ballot, with the above county candidates and candidates for Governor, Lt. Governor, Commissioner of Agriculture and Judge of Court of Criminal Appeals.

CHILD BREAKS LEG IN JUMP

Duggie, the 3 1/2 year old son of Mr. and Mrs. Bus Mason of east Broadway, sustained a broken leg, in the lower part, when he playfully jumped off the fender of a neighbor's parked car, near his home, late Monday afternoon.

X-ray at the local hospital revealed a break crossways and fracture upwards.

Congress Approves Freeze On Social Security Taxes

Washington, Aug. 2 — Congress headed off a \$2,000,000,000 rise in 1947 old age and survivors insurance taxes today, as both houses shouted approval of a compromise social security bill freezing the tax another year at the present one per cent level.

As it went to the President's desk, the measure provided approximately \$150,000,000 additional annually for 2,000,000 needy aged persons, 75,000 blind, and 772,000 dependent children.

This would amount to about \$5 a month additional for each aged and blind person and \$3 for each dependent child.

Without the "freeze," the security tax would jump automatically January 1 from one per cent to 2.5 per cent against employes' pay and employers' payrolls.

The compromise, worked out last night by a 14-member conference committee, was approved overwhelmingly on voice votes by both houses.

Lions-Rotarians Play Donkey Ball Game

Thrills and spills greeted one of the largest crowds of the season Tuesday night at the ball park, when the Lions and Rotarians played a game of soft ball on donkeys. Many of the players thought the ball was the softest part of the equipment. Apparently the donkeys were trained—mostly to do the wrong thing. The donkeys did most of the pitching, but the riders made a hit. While the game was orderly, many of the payers are sore over it.

The Gene Gunn Tire Store played Hamilton Tire Store on the donkeys Wednesday night.

Goodpasture Pushing Construction

Thousand of yards of dirt is being filled in on the site of the Goodpasture Grain Company's feed mill plant here and material is being assembled to erect a large addition to their elevator. They will also construct other buildings on the grounds.

Date Set For Board Of Equalization

The Commissioners Court was in session this week, checking the tax renditions for the year and have set August 26 to sit as Board of Equalization. They will likely at that time make up their financial budget and fix the tax rate.

Because of the Road Bond issue, the rate will have to be some higher than last year.

Rodeo Caravan Going The Rounds

Accompanied by the Welch String Orchestra, some fifteen automobiles, filled with boosters, set out yesterday on a tour of the south plains, advertising the Brownfield Rodeo to be staged here August 15, 16 and 17.

They went to Plains Tatum, Lovington, Hobbs, Seminole, returning by Denver City and Seagraves. Today they go to Levelland, Lubbock Slaton, Post Tahoma, and Lamesa. Their cars were decorated with rodeo emblems.

Al Muldrow Gets Dodge Truck

Fort Worth (Special) Aug. 1—Alvan M. Muldrow, Box 768, Brownfield, a field artillery veteran of World War II, was among the successful purchasers here yesterday at a special invitational sale of surplus used motor vehicles conducted by the War Assets Administration at the Marine Corps Air Station, Eagle Mountain Lake.

Muldrow selected a 1 1/2 ton combination stake and platform truck on his certificate of eligibility, paying \$578.00 for a 1941 Dodge which he plans to use in his grain business in Brownfield.

Mrs. L. R. Pounds is on vacation this week.

VOLUME 42

BROWNFIELD, TERRY COUNTY, TEXAS, FRIDAY, AUGUST 9, 1946

NUMBER 2

Jester Ignores Rainey's Cry For Help In Run-Off

"When you have a fellow out, there is no use getting him back in the ball game," declared Beauford Jester, leading candidate for governor who was over 150,000 ahead in last Saturday's election.

This statement was issued after Homer P. Rainey, ousted University president, issued a challenge Tuesday to Jester to join him in a series of debates over the state.

"Results of the voting in Texas last Saturday, indicate clearly the people of Texas have little interest for my opponent's program which had its origin among radicals who would overthrow our Democracy," declared Jester. "I therefore do not feel it necessary to abet and encourage his futile effort to impress upon the people of Texas that any change is necessary in our Democratic processes."

Rainey's vote in last Saturday's election is considered as representing his total strength in Texas which is far below his loud predictions before the first primary.—Lorenzo Tribune.

Death And Injury Hits Rodeo Booster Caravan

Judge Geo. W. Neill, special writer of the Herald, phoned in about 2 p. m., Thursday, stating that the Rodeo Booster Caravan had some very bad luck about ten miles north of Lovington, N. M., when one of the cars was in collision with a commercial truck.

Aubrey Jones, driver of the car, and son of Mr. and Mrs. R. D. Jones of the Johnson community, was instantly killed, and C. C. Copeland Jr., 416 East Hill St., city, and Billy Winn of the Johnson community, were seriously injured and rushed to a Lovington hospital.

The car was a complete wreck. Neill stated that no others of the caravan were injured, nor was anyone in the truck injured.

Democrats Hold County Convention

Local democrats held their county convention at the Court-house room last Saturday evening. After passing resolutions commending the National Administration, and memorializing the GI's for their excellent job, they elected the following delegates to the State Convention, to be held at San Antonio early in Sept.:

J. O. Gillham, R. M. Kendrick, O. L. Peterman, A. M. Muldrow, Tom May, E. O. McIver, B. G. Hackney and Frank Jordan.

J. O. Gillham, county chairman, presided, and elected Virgil Crawford as secretary.

Carl Hogue Gets Discharge From Navy

The Navy department announced last week that Henry Carl Hogue, son of T. C. Hogue, of Rt. 2, had been discharged from the Navy. Before entering, he was engaged with his father in farming. He entered the navy in October 1944 at El Paso.

He served as a CASU-6 NAS in the American Theatre, and wears a victory medal. He graduated from Brownfield high, and aims to return to farming and ranching after reaching home.

MAYOR APPOINTS HOUSING COMMITTEE

Mayor Jordan has named C. L. Aven, W. T. McKinney, Bruce Zorns, R. P. Menefee and Roy Wingerd as a committee to confer and co-operate with Federal Agencies in procuring more houses for Brownfield, and to seek allocation for materials for buildings and utilities here.

A Mr. Kerr, district agent of the FHA, of Lubbock, is to confer with the committee this week.

Mahon Back In Washington For August

Congressman Geo. Mahon who spent the month of July in the District campaigning for reelection is now back in Washington attending to an accumulation of official business there. He plans to return to Texas in September.

He expressed his gratitude for the continued support and good will of the people, and said that he would do all in his power to be of service to the District and Nation.

Electrical Storm And Wind Does Damage

During the sudden rain late Monday afternoon, accompanied by lightning, near fires were started in the O. L. Peterman home, when the wiring burned out, damaging a radio, almost at the same time the Goodpasture Elevator, across town turned in a fire alarm, when the wiring in top of the elevator burned out, damaging a motor then running. The fire department quickly responded to each place. But little other damage was done to them.

Mayor Frank Jordan reports that a severe windstorm, of the twister type, twisted and blew down a windmill on his farm in the Johnson community, and Odell Fulton lost two windmills, several small houses were blown over in that vicinity. Others stated that community also got four inches of rain Monday evening. Brownfield received 42-100-inch of rain. Many farmers, having crops up and barely living, are elated over the prospects of yet making some products.

Swart To Open Optometric Clinic

The Herald wishes to announce at this time that Dr. Millard F. Swart, of Lubbock, with Dr. Gordon E. Richardson, a member of the staff in charge of the Brownfield clinic, are completing arrangements for the opening of their offices here. The opening date is set for next Monday.

Dr. Swart is too well known to people of this area to need an introduction from us. However, we will state that Dr. Richardson, who has recently been discharged from the Army, has had years of training under Dr. Swart.

HOW DO YOU LIKE THE REGIONAL SUPPLEMENT

This week, most if not all local readers will get a supplement to the Herald, called for the present, "Regional Section." This supplement will become a regular weekly feature after September 1st, and will bear the Terry County Herald masthead, but underneath will be "Western News Week." We believe the readers appreciate this addition to the Herald.

No one weekly newspaper could possibly add to its news section a supplement of this kind. But, with some 200 west Texas, eastern New Mexico and southwest Oklahoma newspapers behind the move as charter members, we believe the regional news section will be a go from the start.

This section was to have been started the last week in July, but the paper shortage is a thing that must always be taken into consideration at the present time. That hurdle has been overcome, and the publishers promise regular weekly production September 1st.

Yes, we know we have had some very pointed things to say about weeklies that carried certain supplements. But hold your horses and keep your shirt on till you hear all the story. Those supplements we spoke about had to be purchased by the publisher, at so much per 100, who also had to stand the postage to send them to his readers. He got not one penny out of the ads.

On the other hand, the Western News Week sends us the papers free of charge, and we get a good fat percentage of the net proceeds

Champions to Meet At Levelland

Levelland, Texas, Aug. 1—Toots Mansfield and Trop Fort, two of the world's best known calf roping event in the Levelland rodeo arena on August 11. The long awaited contest is expected to attract roping fans from a several-state area.

Slated to get underway at 2 p. m. on Sunday, August 11, the match roping will be sponsored by the Levelland Rodeo Association.

Association President W. J. Robertson, long-time friend of the two ropers, was responsible for arranging the contest of champions in Texas' largest rodeo arena.

Mansfield, whose hometown is Rankin, Texas, is the present world champion calf roper — a title the Texan has held for five out of the last eight years. At 32 years, the champ roper stands six feet, one and a half inches and weighs 187 pounds.

Fort, New Mexico's champion roper who has challenged the world champion, is from Lovington, N. M. The challenger is three years younger than Mansfield (29) and is two and a half inches shorter in stature (five feet, 11 inches). Fort's weight is 168 pounds.

There Is Still A Chance For The Ambitious

Many people have about reached that conclusion that the day of Horatio Alger in modified form is about over. Of course the Alger stories were considerably overdrawn in most instances, but even at this day and time, there are almost parallel cases.

Who, for instance, ever heard of Andrew Higgins, of New Orleans, or Henry Kaiser, of the Pacific coast, until the war came on, except perhaps a few intimates, in a small area of our country? Now their names are familiar to millions in America as well as most countries abroad.

In this week's Herald, or perhaps one soon to follow, we have the story of an unknown country boy, raised in west Texas, when neighbors were far apart, right down here in Ford county. The boy had ambition, he had nerve, and he had the push. Now he is head of one of the big steel companies.

You say he was lucky. Well, if you call close attention to business; an eye to making each job better than the other; an ambition to please his employers and give them full hours of useful work, luck, work, and that alone, is the secret of success.

Legion Auxiliary Meeting Announced

Mrs. J. D. Miller announces that there will be a meeting of the American Legion Auxiliary at the hall, Monday night, the 12th, at eight o'clock. All eligible women are urged to be present at this meeting, as the following new members will be installed:

President, Mrs. J. T. Bowman; Secretary-Treasurer, Mrs. Graham Smith; Chaplain, Mrs. Tommy Habrell; Sgt.-At-Arms, Mrs. Ted Hardy; Reporter, Mrs. Tommy Hicks.

Mr. and Mrs. Wilson Copeland and daughter left Sunday for Fort Worth on business.

Mr. and Mrs. Lloyd Hinkle, from California, are visiting in the home of Mr. and Mrs. Doc Boyer for several days.

of all advertising in them, which we hope to be considerable when the News Week is really going.

None of the ads will conflict with any now being run by the Herald either as local or so-called "foreign" ads. They will be solicited by the headquarters crew at Amarillo of manufacturers and distributors in Texas or elsewhere, as offices are also established in Dallas and Memphis, Tenn.

Jake For Rainey, Come Hell Or High Water

The first primary election has come and has went and the sun still rises in the east and goes down in the west and that is something we hardly expected when we learned certain fiddlin' politicians had gone down in defeat. Service and not hill billy music is more attractive to some of our serious minded citizens. We must admit that Terry county had some worthy citizens to go down in defeat. And to those we say that "our greatest glory is not in never falling, but in rising every time we fall," and remember that "Faint heart ne'er won fair lady."

We see that the GI's did not take over to run the country like it ought to be run as so many said they would do only a few months ago. The patriotic emotions of the people toward the GI's did not last long after V-J day, and many of the GI's knew that to be the case, so they did not ask for a political office. To those who seem to think that Mr. Jester is certain to be our next governor, I wish to say that we learned years ago that anything can happen in Texas politics. We have no fight to make against Mr. Jester, but Homer P. will do for me. You may see what a governor he will be.

A few years ago, Pappy O'Daniel told us it was wrong for a candidate to hold onto one office and at the same time run for another office and Pappy never has misled "We, the people." So if it were wrong a few years ago for a man to hold on to the Railroad Commission office, and at the same time run for governor, it must also be wrong day, or does it make a difference who is doing those things, or who he is running against. They do say that Mr. Jester's platform represents the American way of life, and that Mr. Rainey's platform does not represent the American way of life, and I believe that is the truest statement I have ever heard in Texas politics. The American way of life is for the fiddlin' politicians to wait until they get in office before they come out in favor of additional taxes, and that is also good politics. If Mr. Jester can build us farm to market roads, pay higher pensions and higher wages to school teachers and do the many other good things he says he will do—and we believe he can because he says he can and a man running for office cannot afford to lie—and at the same time not raise our taxes, then we admit that he will be a wonderful governor, and later if he should be elected U. S. Senator, no one would have the occasion to say that the Democracy of Texas should have its "haid" examined.

Mr. Jester says he can build farm to market roads without a bond issue—in fact he says he is opposed to a bond issue—and any one who has the courage to oppose a road bond issue, ought to have the courage to make a good governor.

We are still for Homer P. because he has the courage to tell us during the campaign that it will take an increase in taxes to do the things he proposes to do, and that is something out of the ordinary for a candidate to admit that we cannot have an increase in expenses without an increase in taxes. If you want to vote for a man who can do the impossible, then do not vote for Dr. Rainey, as he is not a Superman. They do say that the negro votes went for Rainey. Don't forget that a poll showed a majority of GI's were for Rainey, and does anyone doubt the Americanism of the GI's. Any one who had a loved one in combat near the 99th Negro Fighter Squadron, or near the 333rd Negro field artillery, might be glad to tell you that he thinks any one who is worthy to fight under the Stars and Stripes ought also to be worthy enough to choose his own political party and to vote therein. No one knows whether the unknown soldier was white or black, Protestant, Catholic or Jew. He

Cut In State Tax Rate Saves Terry Thousands

The recent cut in the State tax rate from 77c down to 37c, will save Terry county tax payers approximately \$35,000.00 on its eight and a half million dollar valuation, for the year 1946. However, an additional tax of about 15c on the one hundred dollar valuation to take care of the road bonds voted last year will have to be levied by the county. The present county rate is 95c. This will run the county rate to \$1.10 unless the Commissioners reduce some of the other funds. The court is to make such levy, and fix the rate later this month.

This tax cut will not benefit the small property owner, as his homestead, up to \$3,000.00 value is exempt from State advalorem taxes already, but the saving will inure greatly to the heavy tax payers.

Brownfield Co-Op Begins Expansion Work

The Brownfield Co-Op. Society, one of the strongest and most successful in the state, has begun work on rearranging their several buildings preparatory to erecting a large grain elevator on their site just west of the railroad. They are placing their scales and office on the north side of the street to accommodate both gins and the elevator and will move their filling station west to the site now occupied by the Boots Cafe, which will likely be moved north across the street, and a railway spur is to be built out to the elevator.

Manager Criswell expects to begin actual construction of the huge building next week. Ground work is advancing. When finished, it will be one of the most complete plants in the state, serving every need of the farmer.

Local Child Injured In Car Collision

Bobbie Jean Rowe, aged ten, sustained slight injuries in an automobile collision on the Levelland highway Tuesday afternoon. The car in which the child was riding was driven by her mother, Mrs. Burton Rowe of Brownfield, when it was struck by another car, driven by a lady from Sundown, at the intersection of the Sundown road. The victim was brought to TreadawayDaniell hospital, but was dismissed later the same day.

Ed Thompson Off To Rock His Grand-Baby

Mrs. Ed Thompson and the children were in Monday and reported that Ed was on his way to California, in order to see and rock and bounce on his knees the recent grand-offspring. We hope Ed doesn't get into anything more serious.

He went with the J. P. Draper family, who also aim to visit and eat off some California kin for awhile. Those deserts are mighty hot this time of year, and we hope the whole works are not cooked to a nice brown barbecue on their return.

COLEMAN PARK NOW OPEN TO PUBLIC

City authorities announced this week, that after planting more shrubbery and grass in Coleman Park, and getting it started, the public is now invited to use it for their family picnics and personal enjoyment.

Vehicles, however, are not yet desired within the grounds. Officials expressed thanks for the co-operation of the public.

was an American soldier which is a greater privilege than to be a king or a dictator; in fact the greatest privilege on earth is to be a loyal American soldier and regardless of race, color or creed, we owe each of them a debt of gratitude.—Jacob Sandage.

Our copy of the Abernathy Weekly Review was kinder "swunk" up this week. Instead of the usual 7-column, four pager, it came in as a 4-column, four page sheet. The editor did not explain whether he was taking a vacation, too hot to work, or was still counting the votes his candidate didn't get.

And while we are riding our exchanges, and we love all of 'em from the smallest to the greatest, and feel just like the editor in person has visited us each week, we want to register our objection to the new head of the Donley County Leader, Clarendon. We want them to pull that freak, dump it in the pi can and dig up the old one. That criss-crossed new one hurts our eyes.

What is reported to be a state weekly down at Austin seems to be greatly disturbed over the vote in the governor's race last week. That little sheet hates Gov. Coke Stevenson worse than we hate the devil, or for that matter anyone who is friendly to the governor. If we hated folks like that little radical sheet, we'd be afraid old Satan would call for us before we kicked off. One of its special hates is what it terms "big business."

The term is almost as popular now with radicals as "professional politicians." We often wonder what would become of our nation without some big business. Our big business nation has only recently loaned labor governed Britain 3 3/4 billion dollars to keep them on their feet, and the radical's great friend, Uncle Joe Stalin of Russia is now fishing to get his dirty paws on a huge loan from "capitalistic America." Those "capitalistic" dollars look awful good to all the left wing nations. Just why any American, knowing as they do how much better we live than any of those "controlled" nations, will take their bait, hook, line and sinker is beyond us.

Dawson is a great county, filled with some of the best of the good earth, and for that reason, we can't understand what possessed them to sideswain George Mahon, and give their vote to his opponent. There must have been some valid reason. But we can't help remember they received one of the best Federal Labor Housing projects in Texas, costing perhaps \$250,000, and most everyone knows that Mahon had a big hand in put-

ting this project near Lamesa.

Fire losses in the USA continue to mount, according to Fire Underwriters, and the June past record showed an increase of 29 percent over the same month in 1945. It seems that all the states will have to tighten up on their larceny laws, as well as better inspection of buildings that are either built or become fire traps later. Strangely, the increase does not seem to be so much in residence as in large buildings, particularly hotels and big warehouses.

Price rises in general did not reach the dire proportions predicted by OPA, when its power was cut off June 30th. Some skyrocketed, it is true, but since that time many of them have come down considerably, particularly butter, and the cheaper cuts of meats are not much higher than June 30th, and not near as high as reported in black markets. Being as this is a meat producing more than a meat consuming section, we had no black markets at any time that we know of. And most people had all the butter they wanted. Bacon was the hardest item to get, but that is fairly plentiful now. We believe the American people as a whole have sense enough to lay off articles that go too high, until they are forced to come down. Many people got a lesson from the post-war period of 1918.

President Truman will probably become known as the "veto president." He has probably vetoed more measures in the time he has been president than any predecessor, and many wise lawmakers think he vetoed a better OPA bill than the one he later approved. Both are skeleton measures at best, and hard to enforce. His recent veto of the marginal oil land law leaving this land to states, where it belongs, is a direct slap at congress, and Mr. Truman using his veto power so often, is not putting himself in an attitude to get the support of congress in some of his reform measures. After all, it is the prerogative of congress to say what laws are just to their states and their people, and not the US Supreme Court. Luckily Texas reserved its public lands when it went into the union, and even a leftist supreme court is not expected to change that provision.

We have never been able to figure out the matter, but have you ever noticed that northern papers and magazines always support middle of the roaders or right wingers up there against left-wingers and isolationists. But in the south, they are apt to line up with the CIO-PAC to try to elect a radical. What's the big idea? In any event their power to dictate to the south is just about as effective as a small sized snowball is to stop the fires of hades.

Pic Larmour, well known editor of the Scandal Sheet at Graham says: "If absence makes the heart grow fonder, a lot of members should love Rotary more than they do." (AMEN-Editor.)

A consultant is a man who knows less about your business than you do and gets paid more for telling you how to run it than you could possibly make out of it even if you ran it right instead of the way he told you.

TRYING TO CONTROL SOUTHERN VOTERS BY SLANDER

Had a letter and remittance from Sam Branch out at Dalles, Oregon, 'tother day. Sam takes pencil in hand and announces that if he could write like the Old He, he would tell something about that beautiful country. Did you really ever try writing for the papers, Sam? Our efforts, in a measure are just space killers, and we don't have any idea that more than one in a 100 readers actually read them.

But what burns Sam up is the slander that the newspapers up there pour out on the whole south, maybe the USA, because of an isolated case of some outlaw white trash murdering four negroes in Georgia, and according to the clipping Sam sent us, tried to make it appear that the south as a whole approve such doings. Nothing is further from the truth. And in that connection, probably the Oregon Statesman, a Portland daily, did not mention the fact that far more negroes were murdered in race riots in Detroit, Mich., and Philadelphia than in Georgia. No, those race affairs happened in the north by northern people.

And while we are at the matter, we might as well state that the newspapers and magazines in the north are helping to elect men most of the south would like to see defeated. Take Bilbo in Mississippi, for instance. Bilbo would at least have had a runoff with probable defeat if the northern papers and mags had stayed out of the race. Their support of the opponents of Bilbo and Rankin fixed those boys up with re-election.

And then they pounced over in Georgia and fought old red suspender Eugene Talmage with the result that old rabble rousing

Vote for
BEAUFORD
JESTER
OF CORSICANA
Candidate for
GOVERNOR

"The Political Action Committee of the CIO is not going to dominate the people of Texas."
"I am opposed to labor monopolists as much as I am opposed to capitalistic monopolists."
"There must be no threat to the life, livelihood or property of any citizen."
"In Texas we want equal responsibility from both labor and management—responsibility to the public itself."
"I am urging the people of Texas to return to first principles in government."
"The Home, the Church, and the School are the foundation of our society and well-being. As Governor of Texas I shall ever strive to strengthen these foundations of Texas."
"I am a liberal Democrat, but I am not a loose Democrat."

Beauford Jester long has been an active worker for the better things in life—church, welfare, civic development, education, agriculture and athletics. He has served with distinction on the Texas Railroad Commission. His record as a citizen and as a public official justifies his promotion to the governorship of Texas.

Vote for
Beauford Jester
FOR GOVERNOR

FIRST WOMAN CLERK . . . Mrs. Frances E. Dustin, Dexter, Me., who has become the first woman clerk to enter the senate chamber during a session. Intensely jealous of its members' prerogatives, senate previously barred women.

WANTS TO QUIT . . . Pres. Higinio Morinigo of Paraguay, who is reported to have asked permission from the armed forces to resign and leave the country, following upheaval in neighboring Bolivia.

Gene was re-elected, although his election is being contested by better Georgians. But when northern people try to interfere with southern voters, they just make bad matters worse.

Have you seen the last issue of Look magazine? Well, it is supporting Dr. Rainey to a fare-you-well, and shows a huge picture of rabble rousing students of the U. of T. Half those students don't know the difference between "academic freedom" and catnip tea.

Watch the papers and listen to the radio for results on the night of August 24th, Look. The real voters of Texas will speak that day, and we're afraid Look won't like it.

H. J. R. No. 62 HOUSE JOINT RESOLUTION

proposing an Amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 49-b which shall read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the issuance by said Board of not to exceed Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in such form, denominations, and upon such terms as shall be prescribed by law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum.

"In the sale of any such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds; such bonds to be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.

"The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.

"The lands of the Veteran's Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold at the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.

"All moneys received and which have not been received and which have not been used for repurchase of land as provided herein by the Veteran's Land Board from the sale of lands and for interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period of eight (8) years from the effective date of this Amendment; provided, however, that so much of such moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment, all moneys received by the Veteran's Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Thursday in November, 1946, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of such publication and election.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: D. Zweig, his heirs and legal representatives, H. M. Anthony, his heirs and legal representatives and Jack L. Toone, his heirs and legal representatives,

GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 26th day of August, A. D., 1946, at or before 10 o'clock A. M., before the Honorable District Court of Terry County, at the Court House in Brownfield, Texas.

Said plaintiff's petition was filed on the 11th day of July, 1946. The file number of said suit being No. 3217. The names of the parties in said suit are: Fred C. Smith, individually and independent executor and

sole devisee under the will of Mattie Smith, deceased as Plaintiff, and D. Zweig, his heirs and legal representatives, H. M. Anthony, his heirs and legal representatives and Jack L. Toone, his heirs and legal representatives, as Defendants.

The nature of said suit being substantially as follows: to-wit: Suit in trespass to try title, for damages and rents of the Northeast Quarter of Section 24, Block C-37, P. S. L., in Terry County, Texas, for judgment for the title and possession of said land and premises, for writ of restitution and for costs of suit; plaintiff pleads the three and five year statute of limitation.

Issued this the 11th day of July, 1946.

Given under my hand and seal of said Court, at office in Brownfield, Texas, this the 11th day of July, A. D., 1946.

ELDORA A. WHITE, Clerk District Court, Terry County, Texas. 42-2c

Behind the Scenes in American Business

By John Craddock

NEW YORK, Aug. 5 — Cotton mill production increased in June to the 1940-41 level, but the higher output is not likely to put more sheets, pillow cases and other cotton goods on the shelves of retailers in the immediate future. Price uncertainties have since intervened to stem the benefits of higher production. This week new price schedules are expected to be announced granting a 16 per cent increase over the June 30 level. Manufacturers talked with O. P. A. officials about prices last week and reached a tentative agreement. The following day raw cotton prices advanced \$10 a bale

throwing out of line the calculations made at the Washington conference. Thus the crux of the cotton goods situation seems to be that ceiling prices are on the wrong end. As long as the price of the raw material continues to rise, there is little for manufacturers to do but raise their own prices or sell at a loss. Most manufacturers have the (selfish?) idea that it is not good business to lose money.

ROBOTS AT WORK — Story behind the story of the success of four "drone" airplanes which penetrated the atomic cloud at Bikini during the first Crossroads test was revealed by high Army and Navy officers at Kwajalein recently. Untouched by human hands or radio control, the four specially modified B-17 bombers moved through the mushrooming atomic cloud minutes after detonation of the world's mightiest bomb and were returned to their base even though scientists were certain that at least one of the "drones" would be lost. Not only was invaluable scientific data acquired through the use of the drastically new "Mother and Babe" Flying Forts, but airmen predicted their skilled performance in the Crossroads operation would result in a sweeping new era of guided missiles and aircraft built to carry a bomb instead of bombs constructed to fit

aircraft. Responsible for bringing the "drones" through unscathed were C-1 automatic pilots which had been specially modified for the tests. In a report to the Minneapolis-Honeywell Regulator Company, designer and maker of the electronic control instruments, an Army official at Kwajalein was quoted as saying: "From a close scrutiny of radio-controlled take-offs and landings, as well as of the Bikini maneuver itself, it is my opinion that the systems and equipment now being used — including the C-1 autopilot — are as modern and well developed as any now in operation in the world."

BITS O' BUSINESS — Demand for silver products is at an all time high. Restaurants, hotels, newlyweds all want flatware. Truman's signature to the silver bill, makes materials available . . . More fresh ham, less smoked ham and bacon are likely in coming months. Reason: farmers and packers have speeded meat to consumer outlets for fear of price roll-backs . . . Price of American cotton puts it at a price disadvantage in foreign markets despite government subsidy of four cents a pound. With a relatively small crop, growers do not worry, but some wonder how export markets will be regained in a big crop year . . . Heavy fruit and vegetable crops will flood the markets soon . . . Corn belt farmers think that land bought at prices higher than today's will not pay off . . . Lower taxes for individuals are likely for next year as vote-hungry Congressmen plan their election campaigns . . . Shortage of reinforcing steel is boosting the price of concrete construction.

GI Question And Answer Department

Q. How can a veteran get assistance with his unemployment problems?

A. The veteran may consult a veterans employment representative in a local office or in the state central office of the employment service, a local service organization, a school or a community veterans center.

Q. If a veteran is unable to find work, where can he obtain specific information concerning unemployment allowances?

A. Inquire at the public employment office or the offices of the unemployment compensation agency in the state or territory in which the veteran resides.

Q. Are there any penalties in case the veteran accepts readjustment allowances to which he is not entitled?

A. Any veteran who knowingly accepts an allowance to which he is not entitled shall be ineligible to receive further readjustment allowances. Also, the law provides for fines and imprisonment for anyone who fraudulently obtains payment or makes a false statement in order to cause allowances to be issued under the act.

Q. Does a veteran who is partially unemployed have a right to readjustment allowances?

A. Yes, a veteran who works less than his normal number of hours and who receives less than \$23 per week should inquire at the nearest public employment office of the state unemployment compensation agency as to his eligibility for partial readjustment allowances.

Q. Can a veteran have a loan guaranteed or insured to buy or construct more than a single-family home?

A. Yes, but one veteran cannot get a guaranteed or insured loan to buy or build more than a four-family home. If more than one veteran is buying, then the basic four-family home is allowed for the group and this may be increased by one additional family unit for each veteran participating; thus two veterans can buy or build a six-family home, three veterans a seven-family home, etc.

MANY TO WORK WAY THROUGH COLLEGE

Lubbock — Students of Texas Technological College working their way through school partially or entirely may be employed an unlimited number of hours beginning in the fall, provided they have 2.1 point, or 86, average, the Council of Academic Deans has announced.

The provision has been set up as an experiment. Students with lower grade average will be permitted to work a limited number of hours as stated in the catalog, it was announced.

Young men everywhere are taking advantage of the new increased Army pay in every enlisted grade! \$75 a month for private—and all expenses paid.

CONSTITUTIONAL AMENDMENT

H. J. R. No. 49

HOUSE JOINT RESOLUTION proposing an amendment to Article VIII of the Constitution of the State of Texas by adding thereto a new section to be known as "Section 7-a"; providing that subject to legislative appropriation, allocation and direction all net revenues derived from the taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicles registration fees shall be used for the sole purposes of acquiring rights-of-ways for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrant voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the pledging of the State credit for any purpose; providing for the submission of this amendment to the voters of the State; prescribing the form of ballot; and providing for the proclamation of the election and the publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as 7-a and to read as follows:

"Section 7-a. Subject to legislative appropriation, allocation and direction, all net revenues remaining after payment of all refunds allowed by law and expenses of collection derived from motor vehicle registration fees, and all taxes, except gross production and ad valorem taxes, on motor fuels and lubricants used to propel motor vehicles over public roadways, shall be used for the sole purpose of acquiring rights-of-ways, constructing, maintaining, and policing such public roadways, and for the administration of such laws as may be prescribed by the Legislature pertaining to the supervision of traffic and safety on such roads; and for the payment of the principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible prior to January 2, 1945, for payment out of the County and Road District Highway Fund under existing law; provided, however, that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; and, provided, however, that the net revenue derived by counties from motor vehicle registration fees shall never be less than the maximum amounts allowed to be retained by each County and the percentage allowed to be retained by each County under the laws in effect on January 1, 1945. Nothing contained herein shall be construed as authorizing the pledging of the State's credit for any purpose."

Sec. 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General Election to be held in November, 1946, at which election each ballot shall have printed thereon the following words:

"For the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the

motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose.

"AGAINST the Amendment to the Constitution of the State of Texas providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percent-

ages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose.

"Each voter shall strike out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting FOR or AGAINST said proposed amendment."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for Amendments thereto.

Announcing . . .

We are happy to announce to our many friends and patients in Brownfield and the surrounding trade territory the opening of a Swart Optometric Clinic in Brownfield on August 12, 1946. The Clinic will be located on the south side of the courthouse square.

Dr. Gordon E. Richardson, who has recently been discharged from the Army, will be the Optometrist in charge. Dr. Richardson was a member of the staff of Swart Optometric in Lubbock prior to his entrance in the military service and has already had the pleasure of serving many of our friends and patients in this territory.

We are proud to announce to you that Dr. Richardson will be able to offer to you in Brownfield the same efficient professional service that you have been receiving from our office in Lubbock for these past many years.

Sincerely,

SWART
OPTOMETRIC CLINIC

DR. GORDON E. RICHARDSON—

DR. MILLARD F. SWART

Frozen Food Study Center At Ithaca

Schenectady, July — A community-wide experiment in food freezing is in progress in Tempkins County, centering at Ithaca, N. Y. So stated Dr. Kurt D. Butler of Ithaca, director of research for the Cooperative G. L. F. Exchange, Inc., in a General Electric Farm Forum address here over WGY.

"In the study now in progress it is hoped to determine what the home freezer and the locker plant contribute to family living," Dr. Butler pointed out.

"Some of the work is centered at 'Mother Zero,' a G. L. F. farmer-owned locker plant with processing facilities and an accompanying slaughterhouse," he explained. "The community frozen-food center is being used as a laboratory where studies are being made on all phases of slaughtering, freezing and storage of frozen foods.

"Farmers and townspeople use

T-4 Lowell Young On Way Home

With The Eighth Army in Aomori, Japan (Delayed) Technician Fourth Grade Lowell Young, 23 year old Brownfield, Texas paratrooper with the 11th Airborne Division, is now on his way "State Side."

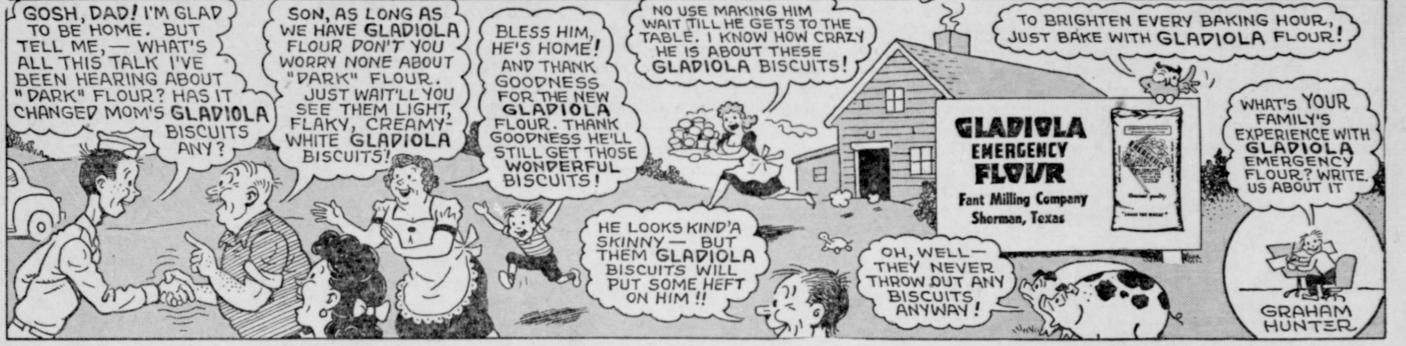

Young served as code clerk while with Headquarters Company 3d Battalion, 511th Parachute Infantry, at Aomori, Honshu.

His parents are Mr. and Mrs. Young who also reside in Brownfield, Texas.

the locker plant to freeze their home-grown fruits and vegetables, and for slaughtering and processing their meats. This includes the curing of hams and bacon, the rendering of lard, and the making of sausage."

To date almost everyone who has rented or purchased a farm or home freezer has continued to demand the use of his or her locker plant, and the community is almost unanimous in its demand for using the processing facilities at "Mother Zero," Dr. Butler said.

POSSUM FLATS . . . "WORTH COMING HOME TO"

Shivers Hits Back At "Radical" Groups

Austin Texas — Senator Allan Shivers, who led in the lieutenant governor's race in the first primary, lashed back at what he called "radical, minority pressure groups" after learning that his name had been struck from his home precinct's list of delegates to the Jefferson County Democratic convention.

Shivers received a three to one majority over his four opponents in his home precinct and 75 per cent of the votes cast for lieutenant governor in Jefferson county.

"I accept the challenge of radical, minority pressure groups who are trying to flout the will of the people as shown at the polls in the first primary," Shivers said.

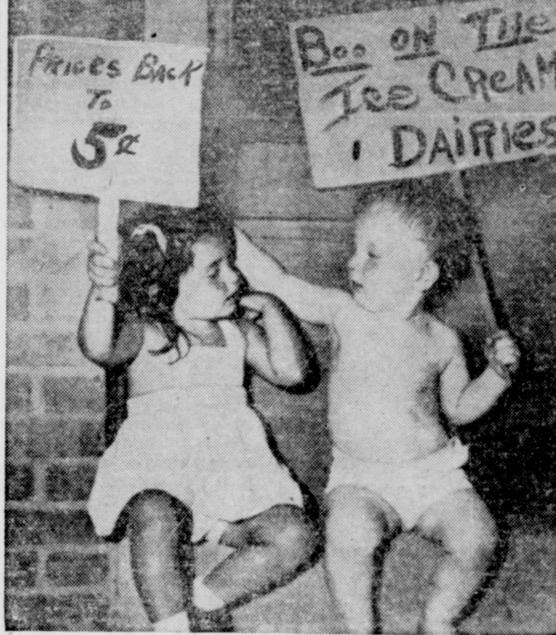

He quoted a part of a story in a Beaumont paper which said the precinct action was taken during a "CIO dominated precinct conclave."

"I am glad that the issue is now in the open," Shivers commented. "I knew that the radical, selfish minority group did not support me in the first primary. This group now has tipped its hand for the public view. I do not want their endorsement. My opponent is welcome to it."

"The noisemakers and radicals are opposing me now because they could not dictate to me during my service in the senate, and they know they will not be able to dictate to me as your lieutenant governor," Shivers said.

The 38-year old World War II veteran replied to a CIO leader who questioned his Democratic party loyalty. Shivers said he voted the Democratic ticket two years ago while on a battlefield in Germany.

Bernice Blevins, janitor at the Courthouse for the past several years, resigned last Saturday and J. M. Morris, the yard man, takes over. He also served while Bernice was in the Navy through 1945.

The Low Down From Hickory Grove

Next to getting over our complex that we gotta appease labor and give it more money every Monday A. M.—our next task is to go over to the school-house. And not just the junior or high school, but also the university which latter needs some squinting into, also.

No country is going to amount to a whoop if it brings up its offshoots under the teaching of some guy who thinks its is Utopia in Sweden or the Ukraine, etc., and that everything is wrong with our U. S. A. system. It don't take much poison or vaccine to get a youngster off to the wrong start. You let his teacher harp on the idea that the people should own the mines, and the water-power, and the forests, because the rains fall free upon all the land and trees and that nature put the coal in the earth, and have him say nothing about the work and effort and cost of bringing these things to the people, and you are preparing the ground for socialism.

What would you do first, says Henry. A good question, I says. First off the bat I would call in the principal, or the president of the university and quiz him on why do his teachers recommend socialism. And if his answer was dubious, I would get a pinch-hitter to take his place.

Yours with the low down,
JO SERRA

Mr. and Mrs. W. L. Cappell, of Weslaco, Texas, are spending the week here visiting Mrs. Cappell's sisters, Mesdames J. R. Burnett, S. H. Holgate and W. W. Price, and other relatives.

YOU'LL HAVE all the hot water you want IN YOUR NEW FREEDOM GAS KITCHEN

GAS THE WONDER FLAME THAT COOLS AS WELL AS HEATS

West Texas Gas Company

In the laundry— at last, you'll be able to get the most out of one of the new "do-everything" washing machines. For your automatic GAS water heater provides the abundant hot water . . . and quick replacement of supply . . . every automatic clothes washer requires.

In the kitchen—dish washing will be a cinch! Thanks to an automatic GAS water heater you will now have all the hot water you need . . . yes! even enough to run a modern, automatic dish washer.

In the bath—there'll be enough hot water for long "soaks" and showers by the hour . . . even on wash day. Yet, with all its luxuries—your GAS water heater costs surprisingly little to run!

That's not all! Your New Freedom GAS Kitchen boasts two other indispensable time and work savers . . . an automatically controlled cooking marvel, the new GAS range built to CP standards . . . and a roomy, economical and silent new GAS refrigerator.

1,080,000 Pounds Of **BLACKEYED PEAS** Are Needed From West Texas Each Day By **GILBERT C. WILSON LABORATORIES** At Pittsburg, Texas

We will need 1,080,000 pounds of blackeyed peas per day. Our plant will have a maximum daily production capacity in excess of 30,000 cases per day.

Our plant is now operating, canning peas from South and Central Texas. West Texas blackeyed peas harvest will begin after harvest season in East Texas is over. We will start buying here when peas are first available, and will continue to buy until the first killing frost.

We will set up receiving points at convenient places throughout the Brownfield territory, and peas will be paid for when they are received. We will pay market price for the peas, which should be in the vicinity of \$65.00 per ton.

The demand for canned blackeyes appears to be far in excess of what canners can supply this year.

According to the experienced blackeyed pea growers in West Texas, less moisture is required for producing a good yield of blackeyed peas than cotton, and they can be planted 20 to 30 days later than cotton and yet still in time for maximum yield.

Blackeyed peas, being a legume, will serve to build up the soil, and will also serve somewhat as a cover for the soil to keep down erosion during the winter months.

We will also buy dried blackeyed peas this year.

The location of our buying points in the Brownfield territory will be announced in the near future.

Texas Boys Winners In Aircraft Modeling

Dallas, Texas, July 30 — Boys who displayed outstanding craftsmanship in the construction of model cars have been declared the winners in the junior and senior divisions of the Fisher Body Craftsman's Guild model car competitions in Texas.

First place in the junior and senior divisions of the car competition went, respectively, to Jean Carson, age 15 of Borger, Texas, and Chas. McLendon, age 19, of Longview, Texas. Dan Barton, age 15, of McAllen, Texas, won a similar award in the junior division. Because Carson was the son of a General Motors employee, there will be an additional first award.

The model constructed by Carson also triumphed over entries from other states in this region, winning one of the four trips to the national Guild convention of the General Motor-sponsored educational foundation at Detroit next month, which were offered the winners in each age division.

Runners-up in the model car competition, junior division, were James Megrail, age 15, of Grand Prairie, Texas, second, and Billy Barnett, age 16, of Grand Prairie, third. Second place in the senior division went to Marc Vernon of Dallas.

Cash awards in the car competition for both age divisions were, first, \$100, second, \$50, and third, \$25. In addition, the four regional winners will receive expense-free trips to the national Guild convention in Detroit August 19-22.

Announcement of the award winners was made by E. D. Walker, Supt. of Personnel, Dallas Schools, last night at the close of the judging in auditorium studios of Station WRR.

South Plains Fair Increases Premiums

Lubbock, August 3 — County and community premiums for the 29th Annual Panhandle South Plains Fair to be held in Lubbock October 7-12, have been increased, officials of the Fair Association announced today.

In the county classification cash prizes have been upped as much as \$35 with both third and fourth awards jumping from \$40 to \$75 and from \$25 to \$60 respectively. First and second prizes are \$100 and \$85 this year, an increase of \$25 each. Fifth place got a similar increase to \$50. The county ranking sixth will receive a \$40 prize, \$15 more than heretofore. Those ranking seventh through fifteenth receive \$25 apiece.

With the exception of seventh and eighth places, which received \$5 increases this year, premiums for the best community display remain the same. First prize is \$25, second is 20, third receives \$15, and fourth through eighth get \$10 apiece.

Community exhibits must be obtained from within the bounds of the eight school districts in Lubbock County and are confined to those district only.

A GRAND-NIECE CAME IN FROM TENNESSEE

Arriving in Brownfield about nine Sunday night some five hours ahead of the schedule, Miss Elizabeth Jacobs, grand-niece of the Old He, got in after leaving Memphis Saturday night. All by bus, and that gal looked and probably was less worried and tired than we, if we had made a tenth of that journey.

And being as a mutual kinsman, Phillip Rogers, was out in June, and let the cupid bug bite him, the folks at the old home town, Middleton, had said farewell with some misgivings, as Elizabeth left them the weekend before.

But, we assure the old home folks that contrary to the generally accepted theory back there, the male youths of west Texas do not grow horns. Some of them look nearly like humans. And if Elizabeth and one of them become enamoured with each other, the folks back there probably will accept him as a member of the family.

But we are talking too fast. Nothing like that may even happen. Elizabeth may like her job in Memphis better than a Terry county, Texas, boy friend.

They used to refer to them as kitchen matches. Now they call 'em Union, because they will strike anywhere.

From Oil Driller To Steel President

DALLAS — A native Texan who worked his way up from a driller in the oil fields of Clay County today becomes president of the National Tube Company, one of United States Steel's largest subsidiaries, with headquarters at Pittsburgh, Pa.

JOHN E. GOBLE

Election of John E. Goble, born in Margaret, Ford County, Texas, in 1895, was announced by Benjamin F. Fairless, president of U. S. Steel. Mr. Goble succeeds Chas. R. Cox, who acceptance of the presidency of Carnegie-Illinois Steel Corporation, U. S. Steel's largest subsidiary, was announced yesterday.

Mr. Goble has been with U. S. Steel and with companies now affiliated with U. S. Steel for 21 years. He attended Crowell High School in Foard County and Wichita Falls Business College as a boy. Later he became a production worker in oil fields near Petrolia, in Clay County, Texas. In 1917 he enlisted in the United States Navy and served until 1919. Following the war he returned to the oil fields of Texas and worked as a driller until 1925 in the famous Burkburnett oil boom in Clay County. In 1925 he joined Oil Well Supply Company, another U. S. Steel subsidiary whose national headquarters is now at Dallas. Becoming South American representative, he maintained offices for four years at Maracaibo, Venezuela, and during this period travelled extensively throughout South America and Europe.

In 1929 he was transferred to the New York office of the Oil Well Supply as assistant manager of the Export Division. He was promoted to manager of the Division two years later, and remained in this position until he became a vice president of National Tube in 1936. Mr. Goble is well known throughout the Texas oil fields because of his production experience and in his later contacts as vice president in charge of sales for National Tube Company.

Messrs and Mesdames Ike Bailey, Jack Shirley, Lad Brownfield, Lee Brownfield, Lal Copeland and A. M. Brownfield, attended the birthday party of Miss Laura Lou Bailey in Lubbock Saturday.

Mr. and Mrs. L. O. Turner left Sunday for Temple, where Mr. Turner is to receive medical care.

Misses Carolyn Harriss and Joyce Evelyn Dungan were in Lubbock Tuesday afternoon, shopping.

BAD CHECKS INCREASING IN COUNTY

County officials advise complaints for worthless checks are increasing lately. They are receiving many every day. While writing worthless checks is against the law, its enforcement is not as easy as many think it is. The officials are very liberal in their efforts to apprehend cold checkers, and often to collect them, but they are

not, and should not be made, a collection agency. Many of the culprits are transients, others leave the county and state, incurring too much expense to return them. It is much easier and safer, to stop this evil at its source. County officials, while standing by and ready to enforce this and all laws, warn local businessmen to use strict caution in taking checks.

Mr. E. D. Yeatts had as her guest, her grandson, Donald Pierce of Palacios. He will spend his vacation here visiting relatives.

Miss Dorothy Chaffin is visiting friends in Dallas this week.

Mr. and Mrs. Arthur Nunn had as their guests Monday, Mr. and Mrs. Gilbert Eubank and children from Cisco.

CRAWFORD THANKS VOTERS

The fact that I had no opponent, and received the full vote in recent primary makes me doubly thankful to the good people of Terry County for my renomination as County Attorney.

H. B. Virgil Crawford

Bobby and Buddy Duke spent the week-end in Lubbock visiting Mr. and Mrs. Irie Duke.

TEA INTRODUCES NEW BRIDE

Mrs. Mon Telford, Sr., honored her daughter-in-law with an introductory tea last Friday afternoon from five to seven. Mrs. Telford, Jr. came in from California with her husband last week.

Those in the receiving line other than the hostess and the honoree were Mesdames Roy Wingerd, Bit Copeland, G. B. Spivey and Stafford Day of Lamesa. Mrs. A. J. Stricklin and Mrs. Money Price registered the guests. Mrs. W. A. Bell poured punch and Mrs. A. R. Brownfield served cakes. Those assisting in the dining room were Mesdames J. E. Smith, Tom Hart and Misses Jean Knight and Ida May May.

The dining table was beautiful with white net cloth, tall white tapers, and a centerpiece of red roses.

Mrs. Jack Shirley, assisted by Miss Marion Wingerd, furnished music throughout the evening.

Others in the house party were Mesdames J. B. Knight, M. G. Tarpley, Clarence Lewis, Looie Miller and Roy Herod.

Approximately one hundred and thirty friends called.

Jimmy and Don House returned last Friday night from a two week visit in Paris, Texas.

Mr. and Mrs. C. R. Lackey are in Ruidosa this week.

Mr. and Mrs. C. E. Ross, and son, Mac, Mr. and Mrs. A. W. Turner, and Billy Wartes were in Ruidosa last week-end.

Miss Mary Troy, of Honey Grove, visited in the home of C. E. Ross last week-end.

Sherry McIver visited friends here for several days early this week.

Mr. and Mrs. Lad Brownfield came in this week after vacationing in Colorado.

MR. AND MRS. TOMMIE HICKS ENTERTAIN

Mr. and Mrs. Tommie Hicks entertained Monday night with bridge at their home. Refreshments of apple pie a-la-mode and cokes were served to Messrs and Mesdames C. A. Williams, Bill McGowan, Bruce Zorns, and the host and hostess.

THOMAS BRUCE ZORNS HONORED

Mrs. Bruce Zorns honored her son, Thomas Bruce, with a party Wednesday morning celebrating his fourth birthday.

After games were played, sherbert cones and birthday cake were served to Rosalene Barrett, Mary Margaret Bell, Becky Edwards, Vickie Norriss, Sheila Kay Primm, Sally Jones, Twilla Ann Amo, Bobbie Nell Richardson, Renee Amo, Latrice Teague, Ann and Donald Copeland, Richard Lee Collins, Kenny Kendrick, Darrell Scott Moorhead, and Thomas Bruce.

Peg Beauchamp and family were here the past week end visiting Mrs. Beauchamp's brothers, the McNeil boys of south Terry. Also the Bingham families, which are old friends. They had been attending a Primitive Baptist Association at Midland. With them was Peg's mother, a niece of the editor, who stopped a few minutes to see us.

A. C. Harvey and wife, former resident farmers of the Happy community, but now of Portales, New Mexico, vicinity, were visiting here late last week. They are on an extended vacation to Arkansas and Missouri.

J. T. Jones, superintendent of schools at Wellman, with his family, returned late last week from an extended visit to relatives at Weatherford, and incidentally J. T. enjoyed most of his stay, nursing in poison ivy on himself.

COFFEE HONORS MRS. MON TELFORD, JR.

Mrs. Mon Telford, Jr., was honored Tuesday morning with a coffee from nine until eleven in the Tom May home. Co-hostesses with Mrs. May were Mesdames Clarence Lewis, Looie Miller, J. B. Knight, M. G. Tarpley, A. R. Brownfield, W. A. Bell, J. E. Smith, Tom Hart, A. J. Stricklin, Money Price, and Misses Jean Knight, Jo Pete and Ida May May.

The centerpiece was cleverly arranged in a plastic mixing bowl on table place mats. It consisted of kitchen utensils each tied with bows. The honoree wore a corsage of be-ribboned spoon and fork matching the mixing bowl. The co-hostesses wore corsages of steel wools, can opener, mouse trap, funnel, scoop, measuring spoons, strainer, tea ball, sprinkler, potato peelers, or olive for each tied with gay ribbons.

Coffee and sweet roll were served by Mrs. A. J. Stricklin, assisted by Mrs. Money Price. Mrs. W. A. Bell registered approximately seventy-five guests. After the coffee Mrs. Telford was presented with the centerpiece and the corsages and a serving of four in pottery.

MRS. MON TELFORD JR. HONORED

Mesdames Roy Herod and Jack Shirley honored Mrs. Mon Telford, Jr. with a kitchen shower and cokes party Monday morning from nine until eleven in the home of Mrs. Herod.

Mrs. Telford received many lovely gifts from the following guests: Mesdames Bill Kluting, R. L. DeBusk, R. B. Walls, Mon Telford, Sr., Carroll Collier, Ulee McPherson, J. E. Smith, and Misses Glenna Faye Ross, Carolyn Harris, Billie Lackey, Marion Wingerd, Jean Knight, and Jo Pete May.

TRIPOLI FOR NEWCOMER

Misses Marion Wingerd and Ida May May entertained Monday afternoon with tripoli for Mrs. Mon Telford Jr. in the Wingerd home. Following the game, punch and cokes were served to Mesdames Bill Kluting, R. L. DeBusk, Mon Telford, Sr., J. E. Smith and Misses Jo Pete May, Glenna Faye Ross, Carolyn Harris, Billie Lackey, the hostesses and the honoree.

COUNTY 4-H GIRLS IN ALL DAY MEETING

A day of fun and work was enjoyed by twenty-five 4-H club girls, their mothers, small sisters and brothers, two sponsors and Miss Helen Dunlap, county home demonstration agent. The meeting was held at the American Legion Hall in Brownfield Tuesday, when the first 4-H club encampment for girls in this county was held. The day was spent in swimming and handicrafts. Each one made a headband, decorated with colored shells. Velma Jean Bruce, Yvonne Herring of Union; and Juanice McBeth of Wellman gave the instructions for doing the handicrafts. All three of these girls received these instructions at a district meeting held in Plainview in June. A part of the time was also spent in a sing-song, when they learned some new songs and sang some familiar ones.

At noon the mothers spread the home prepared food to the group. The 4-H girls and sponsors attending this encampment were: Patsy Tipton, Robbie Currie, Jackye Jameson, Louise Ballard, Patsy Ann Moore, Ruth Jameson, Marjorie Scales, Linnie D. Hawkins, Peggy J. Jones, Juanda Marie Crews, Juanda McBeth, Beth Zo Dean, Beth Golden and Mrs. Clyde Heafner, all of Wellman. From Union there were: Willa Dean Snow, Reba Mae Cullifer, Dorothy June Hollman, Yvonne Herring, Violet Ruth Faught, Jean Sargent, Velma Jean Bruce, Joyce Lanell Bruce, Sadie Myrle Shults, and Mildred Irene Brock. From Meadow there were: Betty June Howard and Mrs. T. J. Locke.

Mr. and Mrs. Tom Grimes of Greenville visited in the home of Mr. and Mrs. Andy Anderson over the week-end.

Mr. and Mrs. J. T. Bowman spent Sunday in Lubbock in the home of Mr. and Mrs. Cecil Cassey.

COOKING QUEEN . . . Dorothea Fagnano, 15, Yonkers, N. Y., school-girl, samples some of her own cookies following her selection as cooking queen. She disclosed that she now is working on a new recipe for making bread without flour—a tall order for a teen-ager, but not too hard for Dorothea, who recently captured first prize in a competition which attracted entrants from 512 cities. Miss Fagnano is experimenting with potato flour as a basic ingredient for her new flourless bread.

THE MEADOW HD CLUB

(Delayed)

The Meadow Home Demonstration club met Friday, July 26, at the school lunch room, with Mrs. H. P. Pendergrass as hostess. We answered roll call with "My dress fitting problems." After a brief business session Miss Dunlap gave us some new methods of canning fruits, then brought us a very instructive lesson on dress fitting problems and alterations.

Refreshments were served to six regular members, one visitor and Miss Dunlap. We meet next time at the lunch room on Friday, Aug. 9th, at 2:30 p. m. with Mrs. W. T. Bell as hostess. All members are urged to be present and visitors are invited.—Reporter.

WELLMAN HD CLUB HOLDS MEET AT SCHOOL CAFETERIA

Another splendid meeting of the Wellman Home Demonstration club was held at the school cafeteria Wednesday, July 31st.

House was called to order by the president. Song, "America the Beautiful," was sung. Roll call was answered by "My individual fitting problems." Minutes of the previous meeting were read by the secretary. Report of the council was given, which was interesting.

We talked of the county-wide picnic and decided we would like to go to the Brownfield park.

Plans were made to go to the Carbon plant Wednesday, August 7th, to help organize a club there. We are glad the Wellman club has the honor of helping organize another club for we think clubs do wonderful work.

An awfully good receipt for pickle peaches was given out by the president.

Miss Dunlap was with us. Her demonstration was on fitting problems. It was well carried out. Some brought garments which had problems to be corrected. It doesn't take Miss Dunlap long to get them fixed to fit O. K.

Our next meeting will be the first Friday in September at the home of Mrs. Clyde Heafner's. Bring some needle work with you of some kind. Will you come. You are always welcome to our club. —Reporter

REPORT OF WOMEN'S ATHLETIC CLUB

With the conclusion of the softball league season Thursday evening, August 1, much interest was centered on the playoff of a tied game between the Portwood Slick Chicks and the White Bears. With a final score of 10 for the Bears and 7 for Portwood Motor.

The White Bears, being undefeated during the entire season, are the winners of the league cup. Brownettes won second place, losing only one game.

Plains Liquefied Gas won third place, losing two games.

September 1st will begin the volley ball season for the club. Some very exciting games are to be expected during the season, watch for the opening game.

There will be a meeting of the Women's Athletic Club Friday August 9, at 6:15 P. M., for the purpose of planning a club social. All members are urged to attend.

IDEAL BRIDGE CLUB MEETS IN SUNDOWN

The Ideal Bridge Club met Wednesday morning in the home of Mrs. Regan Peeler in Sundown.

Mrs. Peeler served breakfast after the bridge game. Those attending from Brownfield were Mesdames J. J. McGowan, Harold Crites, A. A. Sawyer, Helen McClain, Tommie Hicks, Wilson Collins, Dick Meyers, Roy Herod and Glen Akers.

Mrs. McGowan won high and Mrs. Hicks won bingo.

Miss Loretta Goin of Corpus Christi came in this week to visit several days in the C. E. Ross home.

WOMEN'S SOCIETY OF CHRISTIAN SERVICE

The Women's Society of Christian Service met August 5th for their regular meeting in Fellowship Hall at the Methodist church.

Mesdames Johnson and Power conducted the program, "Stewardship." Mrs. Power sang two solos with Mrs. Longbrake at the piano. Responsive reading and prayer was conducted by the leader and group and the meeting closed with the benediction. Those present were Mesdames House, Downing, Miller, Power, Carpenter, Thompson Johnson, Thomas, Longbrake, Huckabee, Culver and Walker.

LUBBOCK SWIMMING POOL CLOSED INDEFINITELY

The City swimming pool in McKenzie State Park will remain closed indefinitely, because of the uncertain water situation, officials said Friday.

The park's wading pool also will remain closed until the water supply is substantially improved.

Grass in McKenzie park and in city parks were in the third week without water, and it was rapidly turning from green to brown. — Avalanche.

Under a new pay bill now in effect, an Army career now becomes more attractive than ever! Privates now earn \$75 a month.

BIG PERCENT OF STUDENTS ARE VETS

Lubbock — More than one-fourth of the students enrolled for the present summer term at Texas Tech are married veterans of World War II. Total enrollment is 2,010, surpassing the 1934 total of 1934.

There are 520 married veterans, 191 of them freshmen, 134 sophomores, 103 juniors, 72 seniors and 20 graduate students.

Mr. and Mrs. M. S. Goza and sons, M. S., Jr., and J. B., who has just returned from the Pacific area, are visiting a few days with Mr. and Mrs. Lee Lyon. Mr. Goza is a brother of Mrs. Lyon's.

Santa Fe Reports On Texas Crops

Little change is expected in the level of harvested acreages in Texas this year. Cotton and wheat show increases over 1945, while corn, oats and peanuts are down slightly.

Drouth conditions west of a line north and south through Dallas prevented the planting of peanuts, cotton, corn and other crops until very late. This resulted in a lower acreage.

Farmers east of this line were handicapped by too much rain. In general, feed crops are fair to good, cotton poor to fair, while rice ranges from seed just planted to fields heading. Heavy damage to truck crops was experienced throughout this area.

The rice acreage remains about the same as last year, 400,000 acres. The crop is estimated at 16,400,000 bushels, compared with 18,000,000 bushels last year.

Cotton acreage in cultivation July 1, was placed at 6,350,000 acres, an increase of 4 per cent over that of 1945. Drouth conditions in the northwest and central west reduced planting. Early planted cotton elsewhere looks good but the late crop was stunted by too much rain and insect damage may be heavy.

Corn in general looks good in color and has a chance of making at least a fair crop, although ear worms are plentiful and considerable damage will result.

Heavy rains and high temperatures cut watermelon production some 60 per cent this year, and harvest is practically over. Mildew also reduced the cantaloupe crop. Parker County reports a record peach crop, with an estimated value more than \$300,000. Elbertas are moving at present.

Drouth continues to hold on in Northwest Texas. Although sufficient moisture was received in July to germinate most of the cotton and grain sorghums and give the plants a start, this part of the state is badly in need of rain. The wheat harvest is over and a large part of the land, much of it summer fallow, is ready for the next crop.

"Tis said of Reuther, "e went to college, but he also has brains."

ALAMO POST 2 SIGNS UP MEDAL OF HONOR WINNER

San Antonio, Texas — Sgt. Cleto Rodriguez who won the Congressional Medal of Honor for wiping out 82 of a force of 300 Japanese in Manila on February 9, 1945, has enrolled in Alamo Post 2 of The American Legion here.

Rodriguez received his American Legion membership card from Department Commander Herman G. Nami during post initiation ceremonies.

Congress Votes Funds For GIs

Washington, Aug. 2 — The senate sent to the White House today a \$2,636,289,000 supplemental appropriations bill carrying funds for enlisted men's furlough pay.

It also provides money to buy specially-fitted automobiles for some 20,000 ex-GI's who lost their legs in the war.

Without discussion or recorded vote, the action came on accepting the recommendations of a joint congressional committee on settling differences between the House and Senate. The House earlier today agreed to those recommendations.

Get all the facts concerning the new pay bill at your nearest U. S. Army Recruiting Office.

Why they call money "dough" we don't know. Dough sticks to the fingers.

HORSE, BUGGY RED TAPE BINDS COPS

North Adams, Mass. — Among the duties of North Adams policemen is "to give special attention to horses and vehicles left unattended for five minutes." But not for long, they hope. Police Chief John F. Flaherty and a city council committee plan to streamline police rules, unchanged since the horse-and-buggy days of 1897.

A Private in the Regular Army now draws a base pay check of \$75 per month. Enlist today.

After six months service in the Regular Army a Private is automatically promoted to Private-first-class with a monthly base pay check of \$80. Enlist today.

Veterans News

Interest rates on government life insurance policy loans have been reduced from five to four per cent annually effective August 1.

The new rate is in keeping with the present trend of interest rates on policy loans made by commercial life insurance companies.

Approximately 127,000 veterans of both world wars have loans of more than \$115,000,000 outstanding against U. S. Government Life or National Service Life Insurance on an annual basis.

The new rate will mean a savings of over \$1,000,000 to these veterans. The new four per cent rate represents the second reduction in government life insurance loan rates within the past seven years.

Loans may be secured on permanent plans of U. S. Government Life and National Service Life Insurance after the policy has been in effect one year.

The Veterans Administration is serving veterans in small towns and rural areas through itinerant Contact Representatives to a greater degree than at any time in its history. About 40 per cent of the itinerant contacts are with sick and disabled veterans.

Nearly 12,000 loans totaling approximately \$50,000,000 were made to Veterans in Texas, Louisiana and Mississippi under the GI Bill up to June 28. The government guaranteed portion of the loans amounted to \$24,306,543. Almost 90 per cent of the veterans applied for financial aid to buy homes. Increased farm loans are expected as soon as more farm machinery appears on the market.

Khiva Temple Aid To Crippled Children

Khiva Temple wants to help, says Mr. C. K. Kendrick, Potentate's Aide. Khiva Temple is seeking unfortunate children under fifteen years of age regardless of race, creed or color, who may be helped, benefited, or healed through the facilities of the Shriner's Hospitals.

Khiva Temple has handled several hundred cases within the past three years, said Mr. Kendrick. He urges all Shriners to attend the monthly meeting on Wednesday, August 14, at which time a complete report will be made of the Imperial Council and Shriner's Hospitals for Crippled Children session.

Conditions would be better if all the isms was wasms.

ARMY PAYS BETTER THAN TRUCK DRIVING

Centralia, Ill — Albert George, 34-year-old Centralia father of seven children, tried in the war to enter the armed forces but was rejected because his truck driving at the St. Louis Ordnance depot was regarded as essential.

A year after the war, George was accepted as an Army private

with allowances and base pay amounting to \$258 monthly. He said he had averaged \$33 weekly as a truck driver.

PEACE ON EARTH . . . As Old Glory was lowered in the gathering dusk of V-J Day, 1945, a marine kneels in silent prayer beside the grave of a comrade in the cemetery on Okinawa. Peace came for him after the war as it came for many on the battlefields. Insert shows Air Vice Marshall Isett, New Zealand, as he signs the surrender aboard the USS Missouri in Tokyo bay, while General MacArthur looks on. One year later, on August 14, all the world will honor those who willingly gave their lives that their's might live in peace. While V-J Day marked the end of the war, hundreds of thousands of veterans are still on active duty, finishing their job to see that war never lifts its head in the world. The nation honors all who contributed to success of the war against Japan, many who formerly fought against Germany.

JUDGE SAYS —

The drought seems to have hit Texas politics too. It wasn't near so Rainey as prophets predicted.

With the war in Tennessee settled, we now have only Palestine and Manchuria to worry over .

While us Democrats are wrangling over the left wing and the right wing, the Republicans claim we haven't sprouted either.

General MacArthur is getting so popular in Japan that they may change the title of their ruler to McCado.

The Press and Radio are making much ado about them two Congressmen, May of Ky., and Coffee of Oregon, for receiving \$2500. and \$3000.00 from war contractors. Cheap skates! If they got \$25,000.00 from each of two oilin-aire, like O'Daniel did, and come to Texas, they may become Senators.

Maybe we better send them Tennessee GI's to that Paris Conference.

DISTRICT COURT IN SHORT SESSION

District Judge Louis B. Reed held a short session of Court here Monday, disposing of several cases. Court again convenes here August 26th in regular term, at which likely the Grand Jury will return. Several important cases have been set for that time.

Glenda and Leon Blevins, spent last week in Lubbock, visiting relatives.

Jester Says Campaign Is Democracy Vs. Left-Wing Radicalism

With an expression of sincere gratitude to the more than 435,000 Texas Democrats who voted for him in the first primary, Beauford Jester this week defined the main issue of the gubernatorial campaign as a choice for Texas between Democracy and left-wing radicalism.

"The principal issue in this campaign," Jester declared, "is whether the government of Texas shall be conducted according to Texas tradition, or according to the tactics of outside forces unfamiliar with our heritage and ignorant of our beliefs and personal freedom.

"The time has come, and right now, when Texas must choose between Democracy and left-wing radicalism.

"During the first primary, my opponent was supported by the CIO Political Action Committee, and he still is."

GOMEZ BAPTIST REVIVAL

The Gomez Baptist Revival will begin Sunday, August 18th. The preacher for the revival is Rev. Lloyd Gentry from Redwine. Bro. Gentry is one of our most successful pastors. Every one will want to hear his great Gospel messages.

The singing will be under the direction of the home forces, Alton Webb in charge. Every one is cordially invited to come for these services. You will find a friendly spirit among the Gomez people.

W. T. Sparkman, pastor.

Dr. Bell Says Bubonic Plague Wiped Out Animals

Recently Dr. M. C. Bell, rancher in western New Mexico wrote in concerning the story recently appearing in the Herald concerning the bubonic plague on fleas in certain "low laying areas in the Brownfield area." Dr. Bell says that a few years ago it was almost impossible to raise beans or wheat near timber, as prairie dogs and jackrabbits would simply eat it up.

They hired men with guns and poison, but as soon as a few victims kicked over, others would refuse the poison bait. Even the coyotes soon learned to avoid dead rabbits, and turned to calves and lambs. But he says you can hardly find a prairie dog or rabbit now, and he believes the disease got them. Dr. thinks fumes from a model T is a good remedy to get rid of rodents.

They are now cutting wheat, and have had some scattered rains. The Bell ranch is near Quemado, N. M.

Mr. and Mrs. Ellis Andrews and family, from Matador, Mr. and Mrs. Tom Andrews, from Matador, and Mr. and Mrs. I. D. King and family of Brownfield, spent Sunday visiting in the home of Mr. and Mrs. John Andrews and family.

Mrs. E. A. Graham and Twilla returned Tuesday from Temple, where Mrs. Graham underwent surgery. Mrs. Bill Amo and daughters, from Little Rock, Ark., met them in Temple and returned with them for a visit.

DORIS BINGHAM AND OWEN HERRON WED

Miss Doris Bingham, daughter of Mrs. Sally Bingham of Seminole, and Mr. Owen Herron, son of Mr. W. A. Herron, were married in a double-ring ceremony last Sunday afternoon. The wedding took place in the church of Christ with Minister Cline Paden officiating.

The bride was lovely in a yellow dress with black accessories and wearing an orchid corsage. Mr. Logan Herron served as his brother's best man. The only guests were Mrs. Fred Lowe and daughter, Freddie, and Mrs. Mattie Lynch. Immediately following the ceremony the couple left for Ruidosa. After their return they will be at home in their residence on the Tahoka highway.

DELTA HAND BRIDGE CLUB MEETS

The Delta Hand Bridge Club met last Thursday in the home of Mrs. Tom Crawford.

A salad plate was served to Mesdames Ed Mayfield, Thelma Blair, Elva Benton, Eva House, Martin Line, and Lawrence Dean, a guest.

Mrs. Benton won the prize for high and Mrs. Line won second high. Mrs. Dean and Mrs. Benton won bingo.
