

Red Cross Funds Drive Shapes Up

George D. Self, who was chairman of the Foard county Red Cross chapter when the disastrous tornado struck Crowell a few years ago, will be the principal speaker Friday night, Feb. 21, at an important meeting of the Terry county Red Cross chapter. The meeting, which will be held in the district courtroom, beginning at 8 o'clock, will be for the purpose of completing plans for the 1947 Red Cross fund drive, which opens here Monday morning, Feb. 24.

James H. Dallas, chairman of the Terry county chapter, urges all appointed campaign workers and others interested in the success of the 1947 drive to attend the meeting. Mr. Self, said to be an excellent speaker, will tell of the assistance rendered by the Red Cross following the Crowell disaster.

Terry county's quota for this year's campaign is \$6,000, 70.2 per cent of which will be retained for use in the county. The chairman has announced that every effort will be made to reach the \$6,000 goal by the end of the first week of the drive, and asks the cooperation of everyone toward this end.

In connection with the fund drive, the schools of the county will be asked to provide window displays, and posters and counter displays furnished by the Red Cross will be put up throughout the county.

Worker assignments have been announced as follows:

Brownfield State Bank block: C. C. Primm and Darrell P. Moorhead.

Piggly-Wiggly block: V. L. Patterson and Jack Stricklin.

Block south of square: J. D. Akers and J. B. Worsham.

Block east of square: A. E. Cary and W. G. Smith.

First National Bank block: John Kendrick and Marshall Loyd.

Block north of square: N. T. House and Paul Campbell.

Wilgus Corner Drug square: Tom Harris and Tess Fulfer.

Craig Motor Co., square: Arlie Lowrimore, A. T. Stafford, B. W. Hahn.

Wholesale oil company area: Chick Lee and Lynn Nelson.

Grain company and gin areas: A. L. Muldrow and John Criswell.

West of track. Irby Petsick and Jack DuBoe.

Lubbock highway, south of traffic light: Andy Anderson and Frankie Szydloski.

Lubbock highway, north of traffic light: Prentice Walker and C. V. Ball.

Tahoka highway, east: Sam Houtchens and Perry Bryant.

West of track Mrs. D. S. Neal and Mrs. J. E. Thompson.

North of courthouse: Mrs. Roy B. Collier and Mrs. T. H. McIlroy.

Cordell Addition. Mrs. Dennis Q. Lilly and Mrs. Gay Price.

East Addition: Mrs. R. N. McClain and Mrs. Lee O. Allen.

West of highway and South main: Mrs. Jack Griggs and Mrs. Walter Breedlove.

Meadow community: J. M. Burleson, Don Swafford, Tom Brown, Herman Houser.

Needmore community: Mrs. Ann Bates and Lee Bartlett.

Union community: Vic Herring, Frank Sargent, Dee Hancock.

Wellman community: Miller Rich, J. T. Jones, C. H. Heafner.

Pleasant Valley community: Lloyd Dawson, Leo Willis.

Challis community: Mrs. Monev Price and Mrs. C. T. Edwards.

Scouts Take Over City Duties

Foot-And-Mouth Disease Warning

College Station, Feb. 13. —In livestock areas, especially in the Southwest, a sharp lookout should be kept for signs of foot-and-mouth disease, according to a recent report from the U. S. Department of Agriculture to the Texas A and M College Extension Service.

Outbreaks of the animal disease have been reported in Mexico and U. S. and Mexican officials are conducting a survey in the area to map out control measures. At present, no known infection exists near the United States border, the USDA report stated, but there is "danger of its sudden appearance in Texas and parts of the Southwest" if it spreads to the border.

Livestock areas are cautioned to continue with extreme watchfulness and report to proper authorities anything that looks suspicious, the report continued. No fence exists on the border to stop strays and wild animal with the disease from coming into the United States.

One previous outbreak of the disease occurred in a remote mountain area of Mexico in 1926, but prompt action on slaughter and quarantines held the threat in check.

Lions To Entertain Ladies And Visitors

The local Lions Club will banquet their ladies and visiting Lions from this region at the Legion Hall next Tuesday night. The main program will be put on by the Boy Scouts in an Indian dance. The cub scouts will be dressed to depict George Washington, Abraham Lincoln, Thomas A. Edison and Theodore Roosevelt, who were born in the month of February. This is also Boy Scout week.

BOY SCOUTS TO ENTERTAIN LIONS-ROTARY CLUBS

A group of boy scouts from local troops, dressed to depict George Washington, Abraham Lincoln, Theodore Roosevelt, and Thomas A. Edison, all born in February, with speeches to fit, will entertain at the Lions Club Wednesday noon luncheon, Feb. 19th.

Also the Rotary luncheon the following Friday noon.

Mr. and Mrs. J. C. Bingham of Welch were shopping in town Monday.

Brownfield Remains 1st Class Post Office

Well, the Brownfield post office will remain in the first class division by the skin of its teeth, according to James H. Dallas, Postmaster, this week. While we ran \$802.32 below the 1945 figures, by the grace of a \$12,632.41 take in during the December quarter of 1946, we stay a first class office another year.

Here are the figures by quarters for first, 1946 and second, 1945:

March	10,092.76
June	8,985.85
September	8,744.51
December	12,632.41
Total	40,455.53

March	10,115.92
June	10,177.77
September	9,770.98
December	11,193.18
Total	41,257.85

Burnett Says He is Getting Cooperation

Since the articles appeared last week in the press about the rejuvenation of the TCBD, Secretary-Manager Virgil Burnett states that the organization is really getting up and going. He has not gone to a single member or prospective member that did not offer 100 per cent cooperation in any undertaking.

With such cooperation as he states was manifest, surely TCBD will have fair sailing. But we must not for an instant lay down our oars; we must keep putting.

Death Claims Wife Of Local Man

Mrs. O. P. Ellis, age 41, succumbed to a two weeks heart ailment early last Sunday night at a Lubbock hospital. She was the wife of Mr. O. P. Ellis, manager of the Southern Auto Store, on West Main here. While Mr. Ellis has operated this store for some time, Mrs. Ellis had moved here only a month ago.

Funeral services were conducted at 3 p. m. Tuesday at the Broadway Church of Christ in Lubbock, followed by burial in a Lubbock cemetery. She is survived by her husband, and two young daughters, Coronal and Carolyn, and her father D. F. Owens of Brownwood and one brother, O. C. Owens, of Detroit, Texas.

Mr. and Mrs. F. M. King of Loop were in town shopping Monday.

Escaped Convict Captured Here

After an all night chase through the farm of the Meadow vicinity Tuesday night, John George, deputy sheriff at Meadow arrested the fleeing man on foot and brought him to the courthouse early Wednesday morning. The man readily admitted his identity, as Carl Oldham, 29, an escapee from the Huntsville penitentiary where he was serving a life term for robbery at Waco, officers said he informed them. The man also claimed he was a trusty and escaped last Monday night. Sheriff Ocie Murry stated Wednesday he got confirmation of these acts by telephone from the warden, who requested him to return the prisoner there as soon as he could as their "wagons" were all busy. Murry will return him immediately.

Deputy George stated he was present at the Meadow Bus station about 7 p. m. Tuesday, when the man got off, asked for a rest room, when it was pointed out, the man went on by, his actions aroused the deputy's suspicions and he gave chase, calling assistance from citizens, who in relays chased the fugitive, who was afoot through several farms, locating him in a barn several hours later. They said he had over \$300.00 on his person which he claimed he got gambling.

City Officers Arrest Drunken Truck Driver

City Policeman Charley West, gave his small car all it had to overtake a large oil field truck, speeding into town, Tuesday night and arrested the driver and lodged him in jail. A charge of driving while drunk was filed against the man, who stated he was enroute from Ft. Stockton, back to Lubbock. The truck was not loaded, but is of such weight as to be extra dangerous in motion.

Car Tags Now Being Issued At Courthouse

Quite a few 1947 automobile license plates are being issued at the Collectors office. These may be obtained anytime, but April 1 is the dead line. Collector Herbert Chesshir urges all to bring with them their certificate of title, and especially those having bought new cars, or traded for one and those from out of the state here. The laws have become strict on requiring evidence of ownership before new tags will be issued.

CITY BONDS TO BE SOLD TONIGHT

The City Council is to meet tonight, and open bids for the \$150,000 bonds voted Tuesday of last week, for light and power extensions. City authorities are expecting a number of bids.

Rotary Institute Speakers To Be Presented Locally February 26; March, 5, 12 And 19

The Rotary Institute of International Understanding will be presented to the citizens of Brownfield beginning Feb. 26th and continuing through March 19. This series of lectures is under the sponsorship of the Brownfield Rotary Club and is presented in the interest of world cooperation. The theme of the Institute is "Is Cooperation Possible?" The speakers have been chosen by Rotary International and have been carefully selected according to background, personal experience and speaking ability.

This presentation is something new in Brownfield and merits the interest and attendance of everyone interested in the propagation of world peace.

First in the series is Harvey Stowers, who will speak on Feb. 26 on the topic "Cooperation or Confusion." (Sketch).

On March 5, Michael Fielding will present the topic "Getting To-

gether in Europe." (Sketch).

On March 12, Nicholas R. Doman will discuss "United Nations. Vehicle of World Corporation." (Sketch).

The final discussion in the series will be given by Hubert S. Liang, whose topic will be "Getting Together in the Orient." (Sketch).

Time, 7:30, p. m., place—Rio Theatre.

Season tickets for the four lectures are \$1.00 and may be secured from any member of the Brownfield Rotary Club. Tickets for each individual lecture may be purchased at the Box Office of the Rio Theatre just before each lecture.

For the benefit of the high school students, the speakers will present their lectures at the High school auditorium each morning previous to the night address. No admission will be required for the morning lectures.

Tuberculosis Patch Tests Scheduled For Terry County School Children And Adults

Tuberculosis case finding to be done this year is among first grade pupils, high school freshmen and seniors, those who have been exposed to the disease and those moved here in the past year.

Those showing positive tests are referred to the family physician for check-up. The positive tests we are taught does not mean one has tuberculosis, it only serves to screen out those for thorough check-up including X-ray. It is not 100 per cent satisfactory but the best means available for screening.

All children must present requests signed by a parent.

For those over 12 years of age a mobile X-ray unit will be here April 3. This is only for those who have a record or short history written by County Health Nurse.

For those who show positive reaction to test under 12 years of age we suggest adults of family be included in case finding program come to Health Department at the Court House any Wednesday or Saturday morning for a patch test.

The schedule for TB patch tests in the Terry county schools is as follows:

February 17, Meadow; Feb. 20 Union; Feb. 24, Jessie G. Randal; Feb. 27, Wellman; Mar. 3 Brownfield high school and West ward; Mar. 10, Gomez and Wheatley.

New Department Store Opens

The Fair Department store owned by R. N. Kayl of Lamesa, will open Saturday morning to the public. The store will be in the Randal building on west side of the Square. The front has recently been remodeled installing display windows.

The store will be under management of Mr. and Mrs. W. C. Walding, who have already moved here to live, and assisted by Miss Jane Jobe, Mrs. Baggett and Bill Jobe, local people. Other help to be announced later. They will maintain a general department store featuring men's clothing and shoes.

Mr. and Mrs. Clyde Lewis and Mrs. M. B. Sawyer left Thursday of last week for Miami, Fla. Mrs. Sawyer will spend several months there with her daughter Mrs. Tillman Stitts.

Jaycees Are To Build Show Barns

The Junior Chamber of Commerce meeting Monday noon, got busy with immediate construction of the livestock show barn, to accommodate the Boys Clubs annual exhibit of fat cattle and hogs. The building to be of sheet iron, 60 by 120. Bids are pending, to be submitted next few days.

The barn and pens are to be located on N. E. corner of the County Park land, northeast of the Rodeo grounds.

On February 24th, this livewire club is to entertain their ladies, and select their outstanding "man of the year."

Mr. and Mrs. Tilden C. Brown and little granddaughter, Joan and Areta Brown, drove over Sunday from Levelland to visit his mother, Mrs. J. O. Brown, who has been in ill health for some time.

LUBBOCK TO HOLD LEGION COLLEGE

S. PERRY BROWN

MRS. MARY STRONG

LUBBOCK, Feb. 14 — A three-day American Legion College conducted by the Department of Texas will be held at Lubbock, Feb. 21-22-23, with a faculty of 20 experts teaching various phases of the American Legion program.

The College will be the first ever held by the Department of Texas. It will for the most part be dedicated to the thousands of

World War II veterans in Texas who have come into the American Legion and who desire to become better acquainted with the organization's program, Bertram E. Gieseche, Austin, Department Commander, has announced.

President of the College will be George Berry, Lubbock, Attorney and Department Vice Commander as head of the Fifth Division.

Dean will be G. Ward Moody of Austin, Department Adjutant.

Commencement speaker and guest of honor will be Harry Colmery of Topeka, Kansas, Past National Commander of the American Legion. Colmery will address the graduates of the College the afternoon of Sunday, February 23.

Other members of the faculty who will conduct classes and hold forums will be S. Perry Brown, Beaumont, National Chairman of the American Legion Defense Commission; R. C. Gusman, Bay City, Department Chairman of Civic Affairs Committee; John Fitzgibbon, Laredo, Department Judge Advocate; Herschel L. Hunt, Austin, Editor of Texas Legion News; Ralph Holman, Austin, Department Field Secretary; Richard M. Cummins, Austin, Department Director of Youth Activities; W. H. Sadler, Jr., Department Radio Relations Director; Mrs. Mary Strong, Austin, State Secretary of the American Legion Auxiliary; Ed Riedel, Austin, Head of the 10 and 8 of Grand Chef de Gare; Mrs. W. A. Cole, Dallas, State President of the Auxiliary; three

BERTRAM E. GIESECHE

G. WARD MOODY

of the five Department Service officers, Sid Lowery of Lubbock, Harry Ramsey of Dallas and Albert Brown of San Antonio and two National Field Secretaries, G. E. Heller and Barney Gates.

Classes will be held in the American Legion Home at Lubbock. Among the subjects to be discussed will be history of the Legion, National Defense, Rehabilitation,

Americanism, Public Relations, Community Service, Legislation, Child Welfare and Specialized Activities.

Classes will be held from 9 o'clock each morning until noon and from 2 until 5 o'clock each afternoon. Graduates will be given their diplomas by President Berry following Colmery's commencement address on Sunday afternoon, February 23.

Lajune Lincoln, one of the leading powers behind the scout movement in Brownfield, was in this week and stated that a mighty fine and full program had been worked out for the Boy Scouts for the next few days, and that the leaders of the three Brownfield troops as well as other Boy Scout fans were behind the move 100 per cent. Lajune falls into line with scouting like a duck takes to water—he was one himself.

At a meeting Monday night, presided over by his honor, Mayor Frank Jordan, 90 scouts as well as other interested parties attended, and the program devised. Lincoln stated that Mayor Jordan delivered a splendid lecture to the boys on the fine points of being an official, their duties and of course that never forgotten part, courtesy and good manners. Results of the meeting was about as follows: Election of officers both city and county to rule the city today, and you better watch your step. And remember, you can violate a law by jaywalking just the same as you can by incorrect driving.

City Officials:

Mayor, Jimmie Wilmer, Troop 49.

City Secretary, Paul Billings, Troop 74.

Chief of Police, Doug Tankersley, Troop 74.

Fire Chief, Eugene Hinkle, Troop 45.

City Marshal, Bobby Peterman, Troop 49.

Highway Patrolman, Gilbert Nunn, Troop 45.

County Officials:

County Judge, Billy Patterson, 74.

Tax Collector, Tommy Hord, 49.

Sheriff, Glenn Breshar, 45.

County Clerk, Carrol Vinson, 74.

County School Supt., Rawleigh Johnson, 49.

Justice of Peace, Pat McCord, 45.

County Attorney, Harold Hinson, 74.

County Commissioners, No. 1, Clyde Chambliss, 49; No. 2, Alfred Brian, 45; No. 3, Robert Wilgus, 74; No. 4, Rex Black, 49.

Before these boys are sworn in, each will be given a lecture and instruction in their duties by the regularly elected official, who of course will then clear out for the day. Fines collected will go toward paying for the banquet to be held at the American Legion Hall Monday night the 17th. At this banquet, not only will the Scouts and their leaders be present, but the parents of these boys will be expected and urged to attend.

Last Sunday the three troops of Brownfield went in a body to the Presbyterian church for a sermon on Scouting and its benefits, delivered by the pastor, Rev. Murphy.

Right here we wish to add our humble opinion on scouting. We believe that those who spend a dollar for scouting, get 100 per cent value for every dollar put out in return in the form of better future citizenship and righteousness and honesty in the community.

Further, we believe that if more places of innocent recreation is not provided for the boys and girls of our community, that we will pay for our negligence four-fold in the shape of courts and trials by jury, disrupted family ties and what have you.

In fact, folks, this talk of "juvenile delinquency" is a misnomer. It should be "adult delinquency." Spend a dollar for scouting and get back 100 per cent in good citizenship for the future.

Mr. and Mrs. K. W. Howell visited their son and his wife, Mr. and Mrs. Harlan Howell in Midland Saturday.

After being held up for four or five years during the war for lack of material as well as the skilled labor to carry on, Rural Electrification seems to be ready to steam ahead. We are getting reports through the weekly press from many sections of west Texas, and all are preparing to reach more and more farm homes with that modern convenience, light and power. With the rate they are starting out, in the next five years all except the most isolated farm homes should be served by electricity.

Speaking of a lack of housing, and who is not discussing that, one farmer informed us one day recently that there were four or five farm homes near him empty. Now of course these farm houses are not extra-ordinary, but are livable, and perhaps are better than some of the places available here in town. There might be some question of getting stoves, but the idea might be worth investigating, as we understand some of those wanting homes are oil field workers, and these houses are out toward the Slaughter pool.

A new use has been found for the ash of cotton burrs around gins. According to the Scurry County Times, Snyder, two cars of these ashes have recently been shipped from there, one car to Ohio, and the other to Connecticut, for fertilizer. In the good old days when we used to raise some cotton here in Terry county, we can remember the pungent odor coming from the five gins when in operation, using burrs from bollies for boiler fuel. These ashes surely have a high acid content, and if they are worth shipping to the far off New England states, our farmers could with some degree of assurance of benefit to their land, haul them out to their farms and try them. We know the manure and waste feed from the steer feeding pens is good, for some farmers have tried it. An analysis of your soil might reveal the fact that cotton burr ash is just what your farm needs.

Up at St. Louis, they have millions of dollars worth of bonds bought by service men during the war, who perhaps, were later killed, or their people moved elsewhere and left no address. The government is very anxious to get rid of these bonds, but if you have an idea that any of them belong to you, it is needless to write unless you give the name and rank of the service man, as well as the units he belonged to and a positive requirement is his serial number.

Last week we forgot to change the date on two pages of this great religious weekly, so had two pages reading Jan. 31, and ten dated Feb. 7th, which was right. But even with that we were some behind the O'Donnell Index

which had 'em dated Jan. 30, Feb. 6, and Feb. 13.

President Truman is sponsoring a fire prevention conference to be held in Washington May 6-8, at which representatives from state as well as federal government will be invited. The fact that death by fire is taking a toll of 10,000 persons annually, with a financial loss running around 560 million dollars is attracting the attention of all of us from the highest to the lowest. This is a waste in human life and money that must be stopped, or at least lessened.

Baptists of the area are now engaged in the task of raising the sum of \$250,000 to build a girl's dormitory at Wayland college at Plainview. Friends of that fine school say this money must be raised if the school is to go forward. With an enrollment now of 400 students, the new dormitory is a must. Donations can be forwarded to either of the Plainview banks.

Yep, sometimes we get "regusted," as Andy says with some of the commercials of both cigaret and soap operas, but as a rule, they have some real artists on these programs, and one will endure the fool announcements to hear the program. Some of the commercials almost sound vulgar, some silly, some just run of the mine. Take for instance, the Stucky Rike brand, there is the unmusical LS-MST, and the monkey chatter of the Kentucky and NC auctioneers. Next is Old Told—not a treatment but a treat. And Sir Salter Hawleigh, No. 6,411,922—and listen—w-h-e-e-z-e.—its moisturized. Next comes the Walk-A-Mile Ramel—more doctors use it than any other brand, but likely go after them in their cars. Now here's you Rell Mell w-h-o-o! e-e-e! The smoke travels a longer "root"—they're cooler. Last but not least, here comes the Old He's favorite the Testerfield. It has three T's, throat, tongue and taste. No there is the Johnny cigs. Remember the boy or it is a gal dressed like a boy, who yell 'em out like a Coney Island speller. Some day when we get time we are going to work over some of the soap operas.

Keep Only One Social Security Number

Elliott W. Adams, Manager of the Social Security Administration in Lubbock, Texas will be in Brownfield, Thursday, February 20, 1947 at 9:00 a. m. at the Post Office.

Those who are interested in filing claims for benefits or wish to make application for a social security account number card are urged to attend.

Elliott Adams stated that a number of individuals applying for social security accounts numbers by mail stated that they had never before applied for an account number had been previously issued to the applicant.

Adams stressed the fact that no individual should ever secure more than one account number. "To secure additional account numbers means possible loss in benefits to the individual as well as causing the government unnecessary expense in establishing a new account," he said. "Since no one number can be assigned to two different individuals, any employee for whom two accounts are established prohibits forever the Administration using the extra account number assigned for anyone else."

Herald Want Ads Get Results

Taking All Joy Out Of Life

There is always something or someone to take the joy out of life.

Since the GOPers have taken over there comes a report out of Washington that Federal Crop Insurance will be either thrown overboard, or placed on a business basis. Wonder who told them that Republicans that they cannot reduce taxes without reducing expenses.

Also we would like to know who told them that the crop insurance program has not been carried out on a business basis. Now comes President Truman to recommend a slash in soil conservation payments of almost one third.

Does that mean that one third of us farmers will be crowded off the Triple A gravy train and that the two thirds can still ride?

Here's hoping that the GOPers will entirely abolish the Triple A gravy train.

We have heard several farmers including some G I's say that they will farm this year without asking the Triple A office for anything.

Some G I's know that Gen. Bradley was right when he said if you ride the gravy train you later will have to pay your own fare.

Maybe some one needs to tell us farmers the same. Perhaps the reason some of our friends viewed with alarm the election of a Republican Congress is because they were afraid the gravy train would be abolished.

The depression is over and we would like to see several thousand bureaucrats taken off the public payroll.

Maybe you think I'm boosting Papa O'Daniel. All I have to say about Papa is that I aint a going to say anything against the Senator from Mississippi as long as we keep Papa in the Senate.

Some fear that the GOPers will slash the REA funds. We would hate for that to happen, as the farmers should have some of the modern conveniences.

Speaking of modern conveniences, we heard a man belly-ach-ing because the farm wife has to be taken to the hospital when she has a date with the stork. Said she ought to allow the stork to visit her home like the mothers did in pioneer times, and we'll bet a ten spot, that if that man had a have a 3 lb. baby they would have to fly him to the Mayo clinic in an airplane, and have at least two dozen nurses to administer to his wants and when it happened he would expect all the newspapers in the entire world to give him a "write up."

Speaking of country doctors we knew an old doctor and a young doctor who both lived in a small town during the seige of flu that we had in 1918 and of course that was during the horse and buggy days. Each doctor was working long hours, driving over roads that were impassable, striving to serve a large number of

Tech Does Not Test Seed Samples

LUBBOCK Feb. 13. — Seed samples which have been pouring in to the Texas Technological College department of plant industry are being returned to farmers and seedmen with the explanation that the department is not equipped to test them.

The branch seed testing laboratory, operated at the college by the state department of agriculture, was closed last October due to lack of trained personnel.

It has been suggested that farmers and seed dealers who feel a serious need for a free seed testing laboratory in this area write their state senators and representatives urging that adequate financial provision be made for this work, so that well trained personnel can again be found to conduct the tests.

people. Later they were telling, their experiences, their ups and downs and the young doc said that he had gone to bed one night completely exhausted. At midnight his phone rang and when he answered it was a man five miles away asking the doc to come at once as his wife had a severe headache. The doc says you go to the store there only one half mile and get some aspirins and give to your wife as that is all I would do if I were there. The man replied it is awfully cold doc for me to have to go to the store. The doc says it is cold for me to drive that five miles tonight but I will make that my first call in the morning. At daylight the next day the doc entered this farm home and found the woman somewhat improved to what she was the day before. The doc says did the aspirins that your husband got at the store for you last night help you? The man replied that it was so cold he did not go after the aspirins.

The old doc says I don't know who you are talking about, but there is one man that won't pay you for your services. Ten years later the young doc says he never paid me nary a cent.— Jake.

CRAIG - LACKEY WEDDING READ IN LACKEY HOME LAST THURSDAY EVE

Miss Billye Lackey, daughter of Mr. and Mrs. C. R. Lackey of Brownfield, was married to M. J. Craig, jr., son of Mr. and Mrs. M. J. Craig of Brownfield, at 3 p. m. Thursday in the home of the bride's parents.

Terry County H D Council Meets In Regular Session

Rev. R. N. Huckabee read the double ring ceremony before a background of calla lilies, fern and candelabra.

Mrs. Roy Herod, organist, presented wedding selections, which include "Because," "Libesträum" and "Roses of Picardy."

Edgar Self and Ted White were candle lighters.

The bride, who was given in marriage by her father, wore a white satin gown with a Venice lace bertha, fitted bodice and full skirt and train. She wore a finger tip veil of Venice Lace with a halo crown beaded with tiny pearls. She wore a necklace of pearls, a gift of the bridegroom, and carried a white orchid bouquet.

For "something old," the bride wore a cloverleaf pin edged in seed pearls belonging to her maternal grandmother. For "something new," she wore tiny pearl earrings, a gift from her parents. For "something borrowed" she carried an Irish linen handkerchief of Mrs. P. R. Cates. She wore a penny, dated 1862 and belonging to her maternal grandfather, in her shoe.

Miss Jean Craig, maid of honor and sister of the bridegroom, wore a dress of dusty rose faille and net with fitted bodice and a bustle effect, with matching net half-hat and mitts. She wore pearls, gift of the bride, and carried a colonial bouquet of pink rosebuds.

Robert Lee Craig, brother of the bridegroom, was best man.

A reception was conducted after the ceremony. The table was covered with a Madeira cloth and held a tiered wedding cake topped with a spray of white roses and narcissus.

Mrs. John Cadenhead, aunt of the bride, presided at the punch bowl and Mrs. A. C. Stephenson served cake.

The couple left on a wedding trip to South Texas. For traveling the bride wore a Belliciano original suit of gray with cutaway jacket and double pelum. Her hat and bag were designed by Milgrim and were of shantung straw trimmed with black faille. Her other accessories were black.

The bride is a junior at Texas Technological college and a member of San Souci club, social organization.

Mr. Craig is a sophomore in Texas Tech and is a member of Centaur social club. He served three years with the Army Air forces and three months overseas with the Eighth Air force.

The couple will be at home in Brownfield.

Mrs. Claude Hoffman, of Lubbock visited Ethelda Edwards Friday.

Mr. and Mrs. Phil Gaasch visited in Hobbs over the week end.

Christine McDuffie, of Lubbock was a week end guest in the home of Mr. and Mrs. J. E. Smith.

Mr. and Mrs. L. O. Lewis and Dr. and Mrs. E. C. Davis spent the week end in Fort Worth.

The Terry County Home Demonstration Council met in regular session Saturday, Feb. 8, in the Home Extension office. Mrs. Frank Sargent, Mrs. Roy Moore, and Mrs. Hill gave reports of 4-H club work in their communities. Miss Dunlap also reported on work being accomplished by the county-wide 4-H club. The girls are at present very much interested in the art of knitting and crocheting. Next month will bring the making of Frame Gardens.

The council's attention was drawn to a "Baking Achievement Day" by Miss Helen Dunlap, which will be sponsored by Bewley's Mills and be an exhibit this fall. The baked articles winning in this exhibit will be placed in Panhandle Fair at Lubbock.

Mrs. Mancil Henson moved each club buy a book this year to add to council library. This motion was seconded by Mrs. Jewel Bell. Motion carried and council will also add a book from overdue fees of the library.

Mrs. B. M. Harris, District Vice President of Plainview, will be sent an invitation to attend council at a convenient date. Mrs. Harris is a very influential person in club work and will be an inspiration to have her attend. Her expenses will be paid here by the council.

Miss Helen Dunlap and Mrs. Frank Sargent gave the explanation of election of delegates to District and State meetings. Also the purpose of paying annually to THDA fund.

There will be a Reporters meeting February 15 at 1:30 p. m. in the Home Extension office for all club reporters.

Council will meet again the second Saturday in March. Visitors are invited to attend.

Mrs. Kenneth Hodges, reporter.

WELLMAN SCHOOL DISTRICT ENTERS CONTEST

The Wellman school district has been entered in the Farmer Stockman "Better Neighborhood Contest" for 1947. A score card, with points earned for soil conservation, livestock improvement, better roads, more participation in community activities, better and more attractive farm homes, is to be kept and any improvement is to be reported to the Farmer Stockman magazine. The Wellman Veterans Vocational Agriculture class is helping to sponsor this project along with the Home Demonstration club and 4-H clubs. Participation by everyone is needed to make our entry a success.

There will be a meeting to lay definite plans is scheduled from 7:30 to 8:30 p. m. in the Wellman high school building Feb. 17. Everyone interested in helping to put the program across is urged to be present.

Terry Redford left Saturday for a visit through the Kaiser-Frazier factory in Willow Run, Michigan.

Mrs. Wood Honoree At Shower

Mrs. Dale Wood, who before her recent marriage was Miss Fannie Ruth Vernon, was named honoree at a tea and shower in the home of Mrs. C. L. Green Jan. 29th. Assisting Mrs. Green as hostesses were Mes. Arlie Lowrimore, Elmer Brownlee, T. A. Wartes, T. E. McCollum, C. F. Hamilton, Robert Noble and L. B. Forbus.

Mrs. Green, Mrs. Wood and Mrs. W. M. Vernon, mother of the honoree, greeted guests Miss Hazel Vernon was in charge of the bride's book which was white leather with a cluster of pink and white carnations and pink satin streamers marking the pages.

The tea table was laid with a lace cloth over pink and centered with pink and white carnations flanked with white candles. Table appointments were silver and crystal. Mrs. Bob Campbell and Mrs. Brownlee presided at the tea service and were assisted in serving by Mrs. Lowrimore.

Members of the houseparty wore corsages of small kitchen utensils and accessories. The honoree wore pink and white carnations.

Gifts were displayed by Mes. Wartes, Noble, McCollum and Forbus.

FARWELL TEA GIVEN MRS. MATHEWS

Mrs. Eunice Mathews, who has moved to Throckmorton was named honoree at a tea Feb. 4th in the home of Mrs. Ted Hardy. Mesdames J. P. Whitley and Jodie Hafener assisted Mrs. Hardy as hostesses.

Spiced tea and cup cakes were served from a refreshment table laid with a lace cloth and centered with red roses. Mes. Whitley and Hafener presided at the table.

Many lovely gifts were presented the honoree. Twenty-five guests registered in the guest book.

MESDAMES HOLLEMAN AND WARREN CLUB HOSTESSES

The Good Neighbor Club met with Ruth Holleman and Mary Belle Warren on Wednesday, Feb. 5.

The afternoon was spent sewing butterflies on quilt blocks.

Refreshments were served to Mesdames W. H. Wagner, L. V. Wagner, Jack Wagner, Henry McMillian, Lester Etter, Dalton Warren, Huston Stephens, W. V. Fenner. Two visitors, Mrs. Marvin Warren and Mrs. James Warren. The hostesses and nine children.

The next regular meeting will be with Mrs. Dalton Warren on Thursday, Feb. 20.

Everyone come and bring your thimble. We plan to quilt.

Reporter.

HARMONY H D CLUB HAS ALL DAY MEETING

Mrs. Brigrance was hostess at a covered dish luncheon and all day meeting held in her home Thursday Feb. 6, with eleven members present.

Program: cleaning clothes, Mrs. Bell gave the demonstration on cleaning woolen goods.

Those present were Mesdames A. J. Bell, W. A. Gil, C. E. Bartley, Walter Hogue, R. E. Townzen, Oden Miller, Sexton Floyd, Butler, Reed, Bill Smith and one new member, Mrs. Brigrance's sister-in-law.

Our next meeting will be with Mrs. Butler Feb. 20. All try and be there.—Reporter.

W. L. Bandy, who has been under treatment at the local hospital for sometime, was released early this week.

Tree Planting Time IS HERE!

Call 216 and we will landscape your place free. We have a nice supply of evergreens, rose-bushes, flowering shrubs, vines and ornamental trees. Also fruit trees and numerous other items.

BROWNFIELD NURSERY

Mrs. J. O. (Grandma) Brown Celebrates 93rd Birthday

Mrs. J. O. (Grandma) Brown, pictured above with her prize stamp book, celebrated her ninety-third birthday, Tuesday Feb. 11th at her home 121 W. Broadway. Because of her ill health only a few close friends called to remember her and wish her many happy returns of the day.

She would like to receive a card from anyone her age, as cards and stamp collecting are her hobbies. The book shown above contains over 18,000 stamps, many from foreign countries and dating back as far as 1820.

MRS. ROBERSON HOSTESS TO WEDNESDAY CLUB

Mrs. W. A. Roberson was hostess to the Wednesday Afternoon Club with two tables of bridge Wednesday of last week. Mrs. Ted Hardy scored high and Mrs. Joe Miller second high. Mrs. Logan Redford won in the game of Bingo.

Strawberry shortcake and coffee were served to Mesdames Crawford Burrows, W. O. Schellinger, Ed Perry, Joe Miller, Ted Hardy, Logan Redford and Phil Gaasch.

TOKIO H D CLUB MET WITH MRS. YOUNG

The Tokio Home Demonstration club met with Mrs. J. M. Young and her daughter, Mrs. Derah Gauldin, Feb. 5th. There were six members and three visitors present.

Some of the members made rug blocks for the hostess, while the meeting was in session. Cleaning with spot remover, was explained by Mrs. I. W. Bailey.

Our hostess served hot chocolate, coffee and cakes, and all enjoyed the social hour. The next meeting will be Feb. 19th, in the home of Mrs. G. C. Perry. Miss Dunlap will meet with us and demonstrate the successful cooking of tough steak, and of a better steak.

Revival At Meadow Baptist Church

The Baptist Churches in District 9, are cooperating in simultaneous revivals in February.

The revival at the Meadow Baptist church begins Sunday Feb. 16 and runs through Feb. 23.

Rev. R. B. Cooper, pastor Western Heights Baptist church, Dallas, Texas, is our evangelist. Rev. Cooper is a former pastor of the First Baptist church, Idalou, Texas, and is widely known in West Texas as a successful pastor and evangelist.

We invite everyone to attend the services, beginning at 10:00 a. m. and 7:30 p. m. daily.

R. L. Shannon, pastor.

Mr. and Mrs. Bruce Zorns left by plane for Dallas Tuesday evening to attend a banker's convention.

Addition of two per cent beryllium has been found to give copper the tensile strength and hardness of steel.

Wellman High School Crowns Queen

Before a large crowd of patrons and visitors, in the Wellman school auditorium, last Tuesday night, among a large number of candidates, Miss Velta Bradley, of the senior class was crowned queen of the school. Bobbie Gene Little acting as her escort.

The occasion was their annual coronation affair. The names of the other candidates were not available.

COUNTY SING SONG TO MEET

The Terry County Sing Song will meet at the Northside Baptist church next Sunday afternoon, Feb. 16, at 2:30 p. m. Everybody invited.

Citrine is topaz quartz. True topaz is a precious stone of great hardness and its color is a deep velvet saffron.

The only foreign trip George Washington ever took was to the island of Barbados in the West Indies.

If you wish to please that certain man with a gift of quality and beauty. --

GIVE HIM TOILETRIES IN THE ROMANTIC TRADITION OF THE KINGS MEN

Veterans' News

All former members of the armed forces who had active service between October 8, 1940, and Sept. 2, 1945, are eligible to apply for National Service Life Insurance, the Veterans Administration reports.

The only exception is when a person was specifically ordered to active duty for 30 days or less in the case of a few Reserve Officers, VA said.

A large majority of service men and women took out NSLI policies during their military service, but there were many who did not avail themselves of the government insurance and who are still eligible for the benefit VA said.

There is some land in Alaska available to veterans for homesteading or purchase, the Veterans Administration has been informed.

Some areas are suitable for

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Sold on 15 days' trial! Ask for "Willard's Message" which fully explains this treatment—free—at

GI Question And Answer Department

Q. May I claim my husband as a dependent in my income tax report, even though he is receiving compensation for disability incurred while in the service during World War II?

A. A veteran's compensation or pension is not subjected to Federal income tax. Therefore, if you are the family breadwinner you may claim exemption for him.

farming, but the chances for success on such farms are limited by lack of markets and transportation facilities, VA said.

Veterans interested in climate, farming conditions and markets in Alaska will find their best source for such information is the Director, Agriculture Extension Service and Experiment Station, College, Alaska.

Veterans in Texas, Louisiana and Mississippi filed more than 44,000 applications for government guaranteed loans on farms homes and businesses during 1946, the total of loans closed, 35,729 represented \$188,186,199 of credit expended by veterans in the Dallas Branch Area. All but 1,333 applications had been processed by December 31, 1946.

Three hospitals in the Dallas Branch Area of the Veterans Administration have been designated for the hospitalization of eligible veterans requiring neurosurgery.

These are the Veterans Administration hospitals at Dallas, Texas and New Orleans, Louisiana, and the U. S. Naval Hospital at Houston, Texas.

PANHANDLE PRESS

The Panhandle Press Association's annual Convention will be held in Amarillo, Friday and Saturday, April 11 and 12, according to an announcement made by Clyde W. Warwick of The Canyon News, secretary of the Association.

Q. May I transfer part of my eligibility for education and training to my wife who is also a veteran but who does not have sufficient entitlement to complete her college course?

A. No. A wife, even though she is a veteran, cannot use any part of her husband's entitlement under the Servicemen's Readjustment Act (G. I. Bill).

Q. Can a veteran of World War II secure insurance that will give him an income in case of total disability?

A. Yes, Total disability income benefits authorized by recent legislation can be added to any plan of National Service Life Insurance upon application, with proof of good health and payment of an extra premium.

Q. For how long can I carry the World War II National Service Life Insurance that I bought while in service?

A. National Service Life Insurance is issued originally upon the 5 year level premium term plan, which was extended three years for all policies issued before January 1, 1946. However, veterans have the privilege of conversion after one year from date of issue to permanent plans. The law provides that all level premium term policies shall terminate at the expiration of the term unless exchanged for permanent policies on or before the expiration date. If term insurance has been converted, it remains in effect as long as the premiums are paid.

U. S. Skill Said Real Secret of Atom Bomb

DENVER, Feb. 7 — Dr. J. Robert Oppenheimer, a leading scientist in the making of the atomic bomb, says the real secrets of the bomb lie not in written formulas that spies could steal but in this country's unsurpassed resources and skill.

"Mind you," he told a Denver Post reporter, "I do not say the formulas, blueprints, records and reports on the bomb should not be guarded carefully. They should be."

"Yet it is my opinion that even if we threw the books wide open and showed the Russians, for instance, all the facts and figures we have, it would only confuse them."

Topaz and citrine are the two birthstones for November.

Andros, one of the Bahama islands, has a lake which generates soap from from its alkaline limestone bed.

SIDELIGHTS From Washington

BY GEORGE MAHON

A number of cattlemen from the Southwest have recently come to Washington to ask the Government to protect their herds from the foot and mouth disease that has broken out in Mexico. The disease is the most dreaded affecting livestock. Mexico, over our protest, imported some Brahma bulls from Brazil last fall, and from these imported cattle the disease got its start in Mexico. The foot and mouth disease spreads easily and attacks cattle, hogs, sheep and goats.

A wide-spread infection in the Southwest would cost livestock producers millions of dollars and upset the economy of the whole area. Officials in the Department of Agriculture have convinced me that the threat is a real one, and I have joined with others here in the campaign to get appropriate action as soon as possible.

The threat of the spread of this disease into Texas and other Border States is so serious that the problem was considered last week at the President's Cabinet meeting. Cooperation between Mexico and the United States is urgently required, and it is hoped that the good-will flight of President Truman to Mexico early in March will expedite plans for combating the disease.

Already experts of the Bureau of Animal Industry are cooperating with Mexico in an eradication campaign, and it now appears that considerable U. S. money may have to be spent to arrest the spread of the disease and protect Texas livestock. I have promised cattlemen to support an emergency appropriation when the request comes before the House Committee on Appropriations. Money well spent to stop the disease south of the Border would be wisely spent, despite the urgent necessity for economy in Government.

I asked the Bureau of the Budget last week to approve a request made by the Geological Survey for additional funds for a more intensive study of underground water in West Texas. The program also embraces water studies in other areas and states. The chances are good that the Budget Bureau will approve the request and send it to the House Appropriations Committee for consideration. I hope the Congress will act favorably.

Legislative action in the House last week included passage of a bill sponsored by the Republicans and endorsed by President Truman which provides continuation for an indefinite period of the \$9 per gallon excise tax on whiskey and the 20 per cent tax on railroad tickets, theatre admissions, cosmetics, long distance telephone calls, jewelry and furs.

On every hand there are reminders of the hazards of modern traffic. The Chief of the Traffic Bureau for the District of Columbia reported a few days ago that in 1946 there were 10,437 traffic accidents in Washington, D. C. In these accidents 4,668 people were injured and 72 killed.

Possible Increase Seen In Sugar Rations

WASHINGTON, Feb. 7 — Sen. Lodge (R-Mass.) said today that there is a "possibility" that Americans will get about 12 more pounds of sugar per capita on a raw value basis than they did in 1946.

Basing his estimate on figures supplied by Undersecretary of State Clayton, Lodge told the Senate this year's allotment will average about 90 pounds a person, or approximately 87 per cent of "normal prewar usage."

Soil Conservation District News

Mr. L. M. Waters and sons applied to the SCS District program last week for conservation planning on three farms in the Poole Community.

A. R. Franklin, Route 1, Meadow, had the District plan a complete conservation program for his newly acquired farm. A contour system with necessary supporting practices will be used.

B. W. Robertson, Route 2, Brownfield, requested the assistance of the District program and a five-year conservation plan was developed for his farm, which will be largely stabilization of soil, better crop residue management, and improved land preparation, and also the gradual working in of some desirable grasses for pasture improvement on a gradual basis.

Soil without humus is dead. We can "wear out" any soil by excessive cropping and removing top soil through wind and water erosion.

W. T. Carter and several other irrigation cooperators are now preparing for irrigation. Some are doing pre irrigation now in order to have necessary moisture at planting time.

Terracing has been in such demand since November 1946 that the District Engineering crew has been very busy giving assistance in planning and establishing terraces. Among the cooperators who have completed terraces are J. J. Jones, Sam Park, D. B. Gordon, J. T. Fulford, T. B. Smith, J. Fred Bucy, R. L. Montgomery, and R. L. Walker. Among others in the process of building terraces are R. W. Wynn, Marvin Warren, C. E. Hicks, W. T. Bell, J. I. Butler, L. G. Covington, Lucile Morley, J. I. Parish and Chas. G. Tyler. Several others will start soon, whenever equipment becomes available.

Mr. and Mrs. Jack Holt, Mr. and Mrs. Graham Smith and Charlotte Ann, Mrs. G. W. Graves and Jackie Sue Horn spent Sunday afternoon in Seminole visiting Mr. and Mrs. Jim Graves.

More than half of the 93,918 patients hospitalized by Veterans Administration are veterans or wars other than World War II.

Louis XIV of France owned 75 diamond set buttons.

The record enrollment at United States universities requires a total of 18,000,000 textbooks.

Most municipal auditoriums in major U. S. cities operate at a loss and lie idle almost four months a year, says the American Municipal association.

Uncle Jimmie O'Connor, 91

Along with Washington, Lincoln, Edison and other February notables, including four members of our own household, the wife, Edith Stricklin, Herman Trigg and Jack T. Stricklin, Uncle Jimmie O'Connor celebrated his 91st birthday last Thursday, and he came in smilingly to tell us about it Tuesday.

February is a short month, but seems to be a great producer of humanity. Uncle Jimmie was born the year 1856 at or near Sparta, Tennessee, where he grew to manhood. He remembers the war between the states vividly, and can tell you many incidences, including some of the activities of the old Ku Klux Klan following the war. As a young man he was a brandy gauger for the government, but took no part in running down moonshiners. That was out of his line.

While the 6th was his birthday, the festivities happened Sunday the 9th, as one of his daughters, Mrs. S. F. Rodgers of Amarillo is a teacher in the school there and could not come till Friday nights. Others aside from his daughter, Mrs. Nannie Hamilton with whom he shares the home, who attended were, a sister-in-law, Mrs. C. S. O'Conner and her daughter and husband, Mr. and Mrs. E. C. Davis of Lubbock; a grand daughter and husband, Mr. and Mrs. David Mills and Miss Johnnie Mae Rice, all of the locale. Uncle Jimmie hopes to reach the century mark.

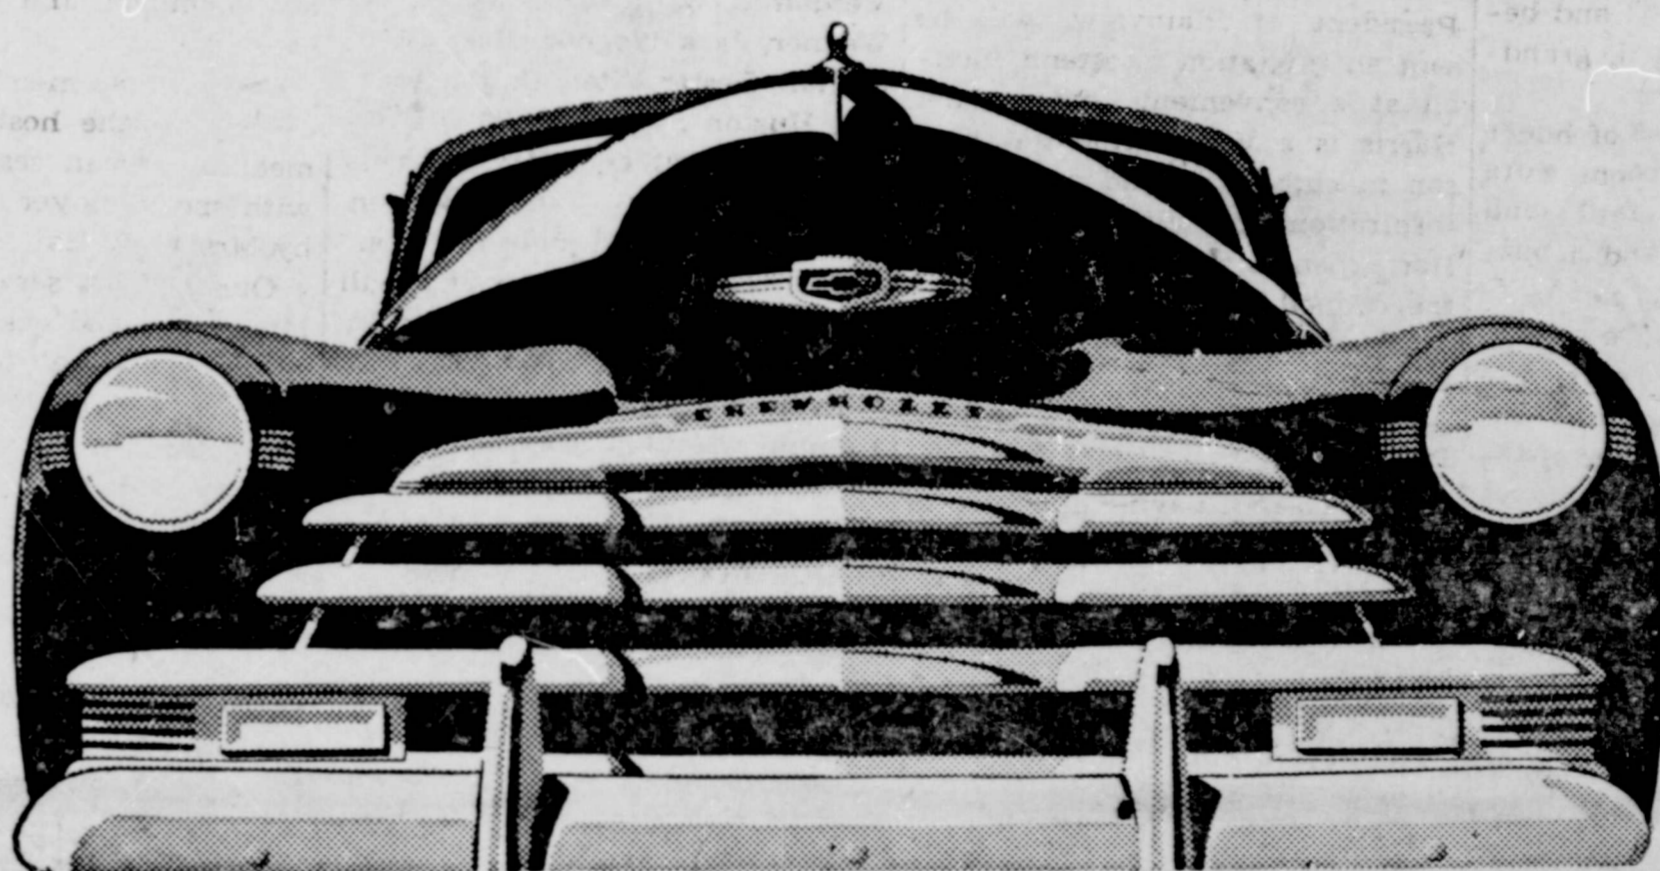

BARBECUE GIVEN FOR MR. TAYLOR

As a farewell gesture to Mr. Clarence Taylor, supt. of this district for the Magnolia Co., the employees of this district named him honoree at a stag dinner Jan. 31, at the Legion hall. Mr. and Mrs. Taylor are being transferred to the Alice District. To express their appreciation to the honoree the hosts presented him with a complete kit of fishing tackle. Mrs. Taylor was given a lovely chest of sterling silver in a service for eight.

Mr. L. L. Bechtel entertained the guests with movies of his various hunting trips. One hundred and fifty enjoyed the affair.

Good dairy management cannot be a hit and miss affair. Milking time and milking methods must be regular, and the cows handled so that they will be kept as comfortable as possible.

All America will welcome the
NEWEST CHEVROLET!

See it and you see

BIG-CAR QUALITY AT LOWEST COST

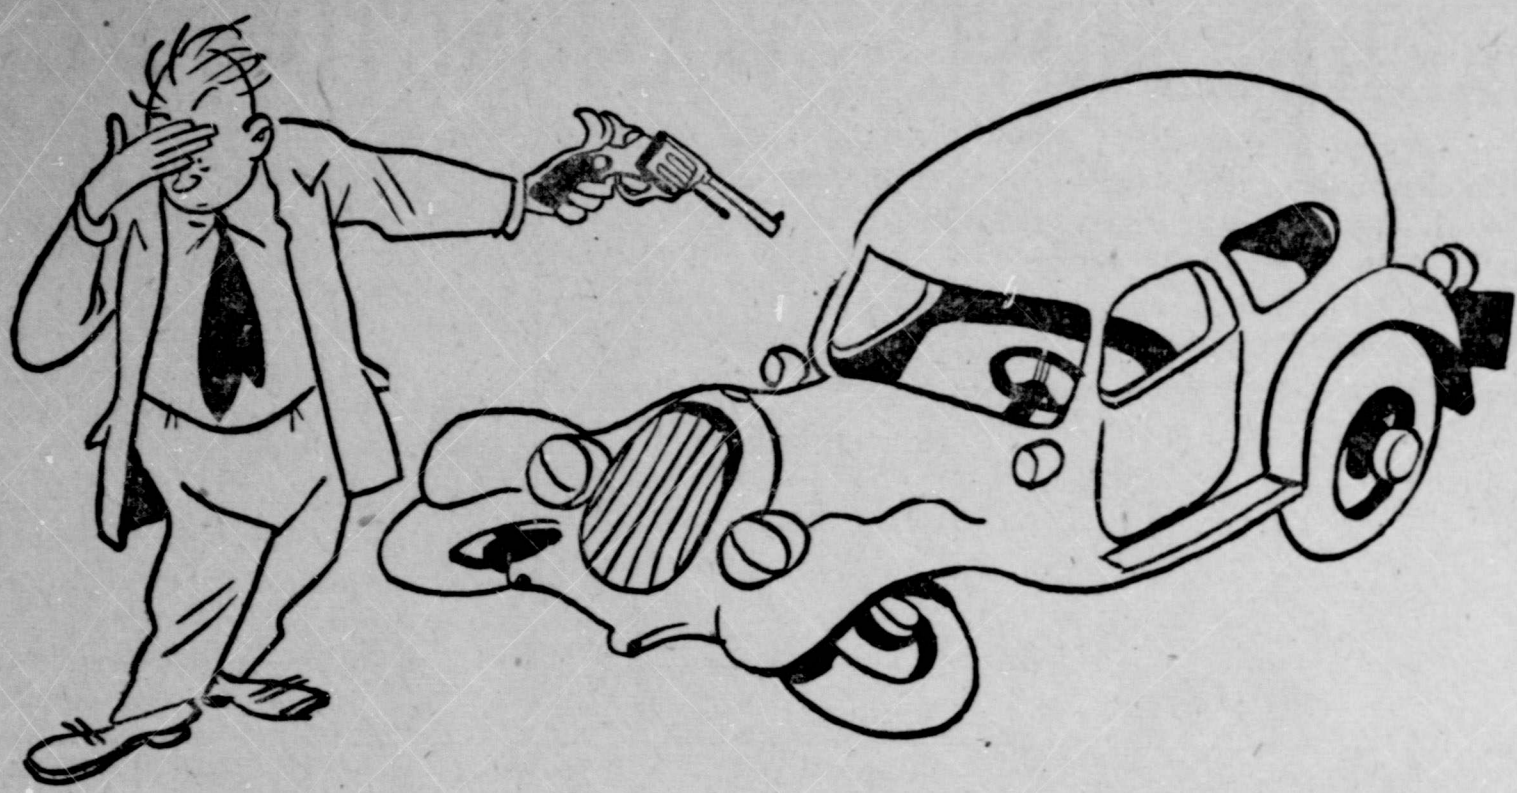

now made even bigger-looking, even better-looking even more beautiful and desirable in every way

Fat Stock Show Premium Lists Mailed

LUBBOCK, Feb. 8 —Premium lists and entry blanks for the Fourteenth Annual South Plains Junior Fat Stock Show are being mailed to FFA and 4-H club members in 29 West Texas and New Mexico counties. The Fat Stock show will be held in Lubbock, March 24-26, and is sponsored by the Panhandle South Plains Fair Association, the Lubbock Chamber of Commerce and the Lubbock Board of City Development.

Purpose of the show is to stimulate and advance the practice of feeding surplus feed to livestock for home and commercial use by the people of the South Plains and adjacent territory. With this in mind, several new classes have been added to the 1947 show.

Vernice Ford, general chairman of the show, said entries have already started coming in. Entry blanks postmarked not later than March 15, 1947 will be accepted.

Johnson News

The WMU met with Mrs. Wood E. Johnson Monday afternoon. The lesson was the first seven Chapters of Joshua. After the meeting Mrs. Johnson named Mrs. Jay honoree of a pink and blue shower. Six ladies were present.

BABSON DISCUSSES STOCK MARKET; MOVING WASHINGTON, D C

BY ROGER W. BABSON
BABSON PARK, Fla., Feb. 7— I advance the following ten reasons as to why this is no time to sell stocks which are paid for and held for income.

1. The huge amount of available money in circulation. This has increased from 7 billions in 1940 to 28 billions in 1947. It seems as if more of this would be coming into the stock market.
2. Only small amounts of listed stocks are outstanding, no more than in 1940. Hence, any concerted buying would send up prices.
3. Comparatively little speculation is now going on in stocks. In 1929 the stock transactions on

the N. Y. Stock Exchange equalled the total National Income; but in 1946 these transactions were less than 20 per cent of the total National Income.

4. Purchases now are possible only for 75 per cent cash. This keeps weak people out of the market and theoretically should prevent too severe market breaks.
5. Banks now pay no interest on checking accounts and only 1 per cent to 1 1/2 per cent on saving accounts; while Governments average less than 2 1/2 per cent. Hence to get from 3 to 4 per cent one must buy stocks. This should tend to stabilize safe income-paying stocks.
6. The monthly purchases by Investment Companies amounting to \$50,000,000 should be a market stabilizer. This, however, is only about 5 per cent of the total monthly N. Y. Stock Exchange transactions.
7. Corporations whose securities are listed on the N. Y. Stock Exchange have the greatest cash reserves in their history— huge sums. Many have also large backlogs of unfilled consumer orders.
8. Wage increases will give the masses more spending money. This especially should help merchandizing companies.

President Truman can balance the Federal Budget in 1947-48 if he so desires and could also reduce taxes. This should stabilize the markets and restore much confidence. The only uncertainty would be a severe draught or a very bad foreign situation.

10. The improved political outlook. The new Congress is determined to reduce expenses, cut income taxes, and amend the labor laws to treat fairly all interests. There may never be a real solution to the labor problem; but Congress can very much improve the present unfair situation.

Conclusions: Considering these ten reasons for higher stock prices, why does the market continue to drift around? Why are people now timid to buy for permanent investment and income? Millions would be content with a fair rate of interest with safety, irrespective of whether the market goes up or down, were it not for some hidden reason which I now will explain.

Strikes — Communism — Morals

We have witnessed the use of old-fashioned brute force in the settlement of political and labor disputes. It is this revived use of force, now apparent all over the world, which is frightening investors. Even Communism—as an economic philosophy—might not be feared if the Communists were willing to leave the question to the free vote of the people. But they use force. In fact, Communism is merely enforced Socialism, the same as Fascism is enforced Capitalism. Russians blame me for talking about the possibilities of World War III and questioning the success of the United Nations; but if labor, management and politicians cannot get along in this country peacefully and leave decisions to the courts, how can we expect over fifty different races to unite and do so?

lowering their standards by feasting drinking, carousing and the like. Modern "art" does not bother men, but with "sensible" people buying such crazy pictures it is not surprising that too many conservative investors are bearish on everything!

WASHINGTON, D. C. Jan. 24— Everyone who has seen the Pentagon Building here is astounded at its 'hundreds of rooms, its miles of corridors and its acres of windows. Most thinking people breathlessly gasp and ask: "But why did they build the headquarters of the U. S. Army at this exposed location on the Atlantic Seaboard? Why didn't they build it in the center of the country where it would be much freer from bombing or revolution?"

Decentralization Our Only Security

The same question can be asked about the great Agricultural Department buildings;—they certainly should be in the Central West probably in Kansas which is the geographical center of the country. The Interior Department buildings should be in Kansas or Colorado; certainly not in Washington, D. C. Let us remember that the only reason for the Capital being at Washington, D. C. is because that location then was the real center of the Thirteen Colonies which made up the original nation.

There is a debatable question as to whether all Departments should gradually be moved to one new central location in the West, or whether our Capital should be split up into perhaps a half dozen smaller capitals—so that "all of our eggs are not in one basket." I am inclined to the latter view; but the important thing is to lay plans immediately to start at least one new Washington somewhere. Let us not wait until World War III comes when our present Washington will probably be destroyed.

Babson Makes Suggestions

It might be well for the present to leave the Executive Department at the White House and leave Congress at the present

Fairness To Pacific Coast

Few people realize the great empire which is gradually arising on the Pacific Coast and in Texas. If the population of these four states continues to increase in the same proportion to the entire population, these four states in 30 or 40 years will have a majority of the congressmen. This certainly would result in moving the Capital to the Central West. Hence, why not begin moving now and be fair to the Pacific Coast and the Southwest?

I have been assured that if the move was up to the Senate alone, the change would be made at once because each state would then have the same number of votes. All would be equally interested in a central location. Only because the Eastern States now have so many more members in the House does the Capital remain on the Atlantic Seaboard.

Week end guests in the home of Mr. and Mrs. Estill Williams were Mr. and Mrs. Kenneth Pharr and daughter, Vicki and Mr. and Mrs. Jiggs Chaney, all of Lubbock.

Mr. and Mrs. Chris Quante took their son, Odell to Abilene Wednesday of last week to re-enter ACC. He has been out since last November because of illness.

Mr. and Mrs. A. A. Sawyer left the latter part of the week for Mrs. Sawyer to receive medical treatment in the Scott-White clinic. They will visit Mr. and Mrs. Truett Flache in Colorado City enroute.

Helen Duncan spent the week end visiting Mr. and Mrs. C. C. Moon and family of Dallas.

The Low Down From Hickory Grove

I been workin' my slide rule again—figures are gettin' too big if you just depend on a pencil or addin' machine. Take a figure like 37 billion which Uncle Harry says he needs if the Bureau Boys are to live in style to which they have been accustomed. That is no slouch—37 billion—but he glossed over it, saying we have large responsibilities and must keep on pullin' in our belt. He didn't say "style"—that is my idea—but "style is the right word. And now, that 37,000,000,000 buck budget—there is only one item where by slip-stick shows no hope of reduction—it is the 5 billion for interest. You don't duck interest. And that one item is \$35.71 for each man, woman and off-spring—and each year, and years to come. But there is 32 billion left to be cut down to horse sense size. But if folks don't get mad about it and haul out their pencil and tell their man there in Congress, nothing much will happen.—and pullin' in our belt, instead of being temporary, will become chronic and permanent, and even more painful than the March 15th that is now staring us in the face. And make your writing snappy—and no manana stuff. Yours with the low-down, JO SERRA.

Few changes should be made in feeding hens, and those that are made should be gradual.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. Get New
Super-Strength with Easy-Chair Riding

IN THE *Autocrat* BY DAYTON

Safety in your tires lies in the strength of the cords under the tread, which are the reinforcement against shock and road hazards.

Autocrats give you 6-ply rating. This is achieved by Raytex Fortified Cords of a military truck type, far stronger than those used in ordinary rayon automobile tires.

You get a smooth, easy-chair ride since only 4 plies of this super-strength cord are needed to give Autocrats this 6-ply strength.

Sure, quick straight-line stops. Toe-action tread with hundreds of silent, toe-action cogs, bites through road film for positive control of your car.
