

The Terry County Herald

Not Neutral—Not On The Fence—A Paper With An Opinion And A Purpose

VOLUME 44 BROWNFIELD, TERRY COUNTY, TEXAS FRIDAY, FEBRUARY 25, 1949 NUMBER 31

Member Associated Press
Member Texas Press Assn.
Member South Plains Press Assn.
Member Panhandle Press Assn.

The Herald has grown with this section from strictly a ranch country. This area now consists of thriving towns and cities, supported by scientific farming and stock farming, augmented by huge oil fields, with the nation's largest known oil reserves.

Brownfield City Council Stamps H. U. Approval

The city council at their last meeting voted to accept the plan for the five county health unit to be constructed in Brownfield at the estimated cost of \$60,000.00. This estimate includes complete equipment for the unit. The Federal government will pay one-third of the total cost, and the city, and county have voted to take care of the balance, a third each.

HIGHWAY 51 MEETING—Representatives from fourteen West Texas counties, members of the Texas Division of the International Parks Highway Association, met in Levelland Wednesday to formulate plans for securing completion of Texas State Highway 51 as a part of an International Parks Highway connecting Mexico City with points in Canada.

Old Timer Celebrates His 89th Birthday

J. M. Noble and family came to this area in the early part of this century, and settled on a body of land in west Lynn county, part of his holding being in Terry county. He built a commodious home on the land for that day and time, as he had boys coming on, as well as one daughter.

Annual Red Cross Drive Scheduled Start March 2

C of C Directors Elected; Officers To Be Announced At City-Wide Meet

A. M. Muldrow, J. H. Dallas, Prentice Walker, G. D. Wade, Virgil Crawford, Herbert Chesshir and Lee O. Allen have been elected directors of the Brownfield Chamber of Commerce.

Efforts Pushed To Top Former Highs

The Red Cross fund raising drive will begin here on Wednesday, March 2, and continue through next week. Clifton Jones chairman of the drive informs us that his volunteer workers are ready to start a city wide canvass Wednesday morning.

City Wide Census Almost Completed

David Nicholson, secretary of the Chamber of Commerce has informed us that a rough count of the census takers figures to date shows a total population of 6,700. This figure is not quite complete, but does cover all sections of the town including the negro section.

Brownfield Motors Making First Public Showing Of New Dodges Today

Sammy Teague, of the Brownfield Motor Co., is unveiling the new Dodge cars today in his showrooms at 7th and Broadway. The new Dodges will make their appearance in more than 4,000 dealer showrooms across the country.

Still Working On East Terry Well

Drove out in the Pleasant Valley section Friday to see our new cousin, son of Mr. and Mrs. Phillip Rogers. Left the hospital here with his mother the day we took off for Brownwood. A fine lad, we must say. Phillip was in the field turning the soil, so just saw his wife and the girl and boy and Grandpa and Grandma Oliver.

ONE WEEK MORE FOR CONTESTANTS CASH IN WITH "HIGH BONUS COUNT"

Local Guard Unit Takes New Recruits

The Heavy Mortar Co. of the 142nd Inf., the local national guard unit, reported that several new members have joined the unit. They are: Kearby W. Saxton, Billy Jack Little, Billy Rex Lindsey, Leo Hawkins, Billy Faight, Herbert A. Dean, Troy Currington, and Ira Brackett.

The all-important "first period" in The Terry County Herald's prize contest ends March 3rd. Go the limit for your favorite now.

General and concerted effort has taken place during the past week in the Herald's big prize subscription contest—with honors almost equally divided among the leading contenders for grand capital prize—and the "battle royal" now in evidence is attracting county wide attention.

Table with 2 columns: Contestants' Name and Amount. Includes Mrs. Bill Williams (Meadow) 43,680.00, Mrs. Sawyer Graham (Brownfield) 43,675.00, Mrs. Mary D. (Price) Mason (Brownfield) 43,665.00, Mrs. Jack Mason (Gomez) 43,540.00, Mr. Alvin Strickland (Brownfield) 43,280.00, Mrs. Lillie McPherson (Brownfield) 42,890.00, Mrs. Ethelne Alsop (Brownfield) 42,890.00, Mrs. Marguerite Adams (Plains) 42,320.00, Mrs. Lena Lewis (Wellman) 180.00.

Hundreds of thousands of votes yes, millions of votes—were cast by the various contestants. First one, then another, would hold sway for supremacy; battles were fought won and lost, and the race waxed fast and furious.

Yet, so closely arrayed and with honors so equally divided at this time it depends largely on individual results during the next few days—while the MAXIMUM schedule of votes are allowed on subscriptions—as to who the ultimate winners will be.

Enter Personal Pride A striking feature of the past few days is the personal pride that is becoming so noticeable. One contestant declared that to accept defeat would be a lasting disappointment, and she doesn't want that to happen to herself.

Hiram Parks' Name To Appear On Ballot For Mayor

Article 3162 of the Revised Statutes of our State requires that candidates for city offices file application with the mayor 30 days before the date of election in order to have name printed on official ballot.

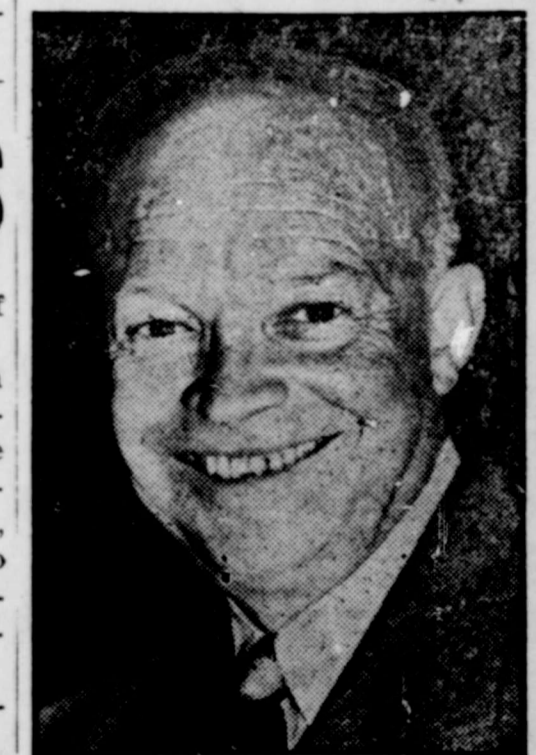

Criticism Of Chamber Of Commerce Old Stuff

We read a fine editorial in the Lubbock Morning Avalanche one day this week that really caught our eye, and reminded us that all humans whether in the small town or city, the middle sized or large ones, all have feet of clay.

HERE FROM TAHOKA

Mrs. English of Tahoka spent Tuesday with Mrs. Elsie Treadaway.

Ike Drafted

Gen. Dwight D. Eisenhower, former Army chief of staff who graduated to the presidency of Columbia University, has been returned to temporary duties in the National Defense Department in Washington.

Gospel Meeting At Crescent Hill Church Of Christ

Beginning next Lord's Day, Feb. 27th, and continuing through March 6th, the Crescent Hill Church of Christ of Brownfield, will be engaged in a series of Gospel Meetings. Bro. Paul McClung, widely known Evangelist of this area, will be the speaker for the meeting. Services will be held twice daily, at 10:00 a. m. and 7:30 p. m.

PAUL MCCLUNG

Transfers Made In Stanolind Employees

FT. WORTH (Spl.)—Stanolind Oil and Gas Company has announced several transfers and promotions of personnel. They include:

Neil S. Whitmore, made assistant plant superintendent at the Slaughter gasoline plant near Levelland, Texas. He has been at the site during construction as a field project engineer.

Robert T. Packard, named assistant district clerk, East Texas district office, Longview Texas. He was field clerk in the Slaughter area, Brownfield, Texas.

Joseph W. Tribble, made a farm boss in the Slaughter area. He was a head roustabout in the East Texas area, Gregton, Texas.

ROSWELL CADET

Cadet Virgel Short of New Mex. Military Academy at Roswell, spent a few days this week visiting in the home of his parents.

VISIT IN NEW MEXICO Mr. and Mrs. R. E. Self spent the past week-end in the home of his mother in Melrose, New Mexico.

Cub Scout Meeting Called

Cub Scout Dens 1 and 4 are called to meet at the Presbyterian Church, Friday, February 25 at 4:00 p. m. Those two dens will be split up to make four dens, bringing the total to five dens in Brownfield.

District Court To Convene Monday

Judge Lewis B. Reed will hold District Court here Monday, February 28. Monday will be spent in a pre-trial concerning School bond issue.

Tuesday a jury will be empaneled and several civil cases will be tried.

KERMIT VISITOR Ted White of Kermit, and Miss Mary Beth Baker of San Angelo were visitors in the home of Mr. White's mother, Mrs. Eldora White on Sunday.

JOINS McWILLIAMS STAFF

Dale Brown, formerly of Brownfield State Bank and Trust Co., has accepted a position as bookkeeper at McWilliams Furniture Co.

American Legion Organizing Junior Ball Teams

Club Rules Defined For Mode of Play; Boys Urged to Join

All boys interested in the American Legion Junior baseball program are invited to attend a meeting at 2:00 o'clock Saturday afternoon, March 5, at the Veterans' Hall, at which time preliminary steps will be taken to put this season's program into operation.

ball competition is open to boys who will not have attained their 17th birthday before January 1, 1949. A boy born prior to January 1, 1932, is not eligible.

Boys need not be in school to be eligible, and can play on any team of their own choice within the community in which they reside providing their legal residence in that community was established prior to February 15, 1949. However, if no team is sponsored in the community of his legal residence, he may play with the team geographically nearest to his legal residence. State lines cannot be crossed.

The primary purpose of the American Legion Junior baseball program is the teaching of good sportsmanship and good citizen-

Takes Over Curry Freight Lines Here

AMARILLO, Feb. 23—R. C. (Art) Jordan, president of the Curry Motor Freight Lines, today announced the appointment of D. H. McMillin as agent at Brownfield.

Wave Of Bad Checks Hits Brownfield

Local law enforcement officers are having considerable trouble with a recent influx of bad checks in Brownfield. In the past sixty days local merchants have reported several forged and cold checks. Officers are now trying to locate a crew of Magazine peddlers that worked this city the week ending January 15th. It is thought some of their crew left forged checks here, cashed with local business firms. The officers are anxious to see those who subscribed to these magazines, and especially to see the receipts given them, so names can be compared.

Club Rules Defined For Mode of Play; Boys Urged to Join

club competition is open to boys who will not have attained their 17th birthday before January 1, 1949. A boy born prior to January 1, 1932, is not eligible. Boys need not be in school to be eligible, and can play on any team of their own choice within the community in which they reside providing their legal residence in that community was established prior to February 15, 1949. However, if no team is sponsored in the community of his legal residence, he may play with the team geographically nearest to his legal residence. State lines cannot be crossed.

Library Adds Many New Books

The Maids and Matrons Public Library has added a number of new books to their shelves. Miss Olga Fitzgerald, librarian informs us that the list includes several of the very popular Grace Livingston Hill novels, and a few western by Ernest Haycox, and Max Brand.

On the rental shelf they now have the following current best sellers: "The Lonely Carrot" by Walker, "Blood of the Martyrs" by Mitchison, "Three Roads to Valhalla" by Stewart, "Asylum for the Queen" by Jordan, "Queen's Physician" by Mass, "Cleft Rock" by Hobart, "Bride of Fortune" by Kane, "Marry for Money" by Baldwin, "Wild Country" by Bromfield, "Lonely Passage" by Erdman, "Dinner at Antioch" by Keys, "Young Lion" by Shaw, "Peony" by Buck, and "High Towers" by Castain.

Several donations have been made to the library. Earl Davis Jr. contributed a number of the Judy Bolton books, so popular with young people. Mrs. E. C. Davis also donated some current fiction.

EMMETT TUCKER LEASES HAYNES CAFE

Emmett Tucker has announced that he has leased the Haynes Cafe from J. H. Haynes. The cafe is located at 512 West Hill.

Mr. Tucker invites the public to visit him on Saturday, February 26 when he will serve free coffee to all his friends and customers.

Mrs. C. W. Avery, mother of Mrs. Herman Chesshir, was operated on at Lubbock Memorial Hospital in Lubbock, on Tuesday, Feb. 22.

Miss Olga Fitzgerald was in Lubbock Saturday on library business.

The neighbors of W. C. Chenault of Tokio who is confined in the local hospital, are to meet and plow his land.

Mrs. Spreen gave "God is My Co-Pilot" by Scott, and a Spanish presented the library with "Zotz" by Karig, and "Coming Home", by Lester Cohen.

The library now has the latest and most complete edition of Webster's Dictionary.

Three Aldermen To Be Elected Here In April 5th Balloting

Notice is given in this issue of the paper of an election of three city aldermen to be held on April 5th, 1949.

Anyone desiring to have their name appear on the ballot should file application with the Mayor of Brownfield 30 days before the date of the election.

J. D. Miller has been appointed presiding officer at the election and will select the judges and clerks necessary to assist him in the election.

GOMEZ GOSSIP

Mr. and Mrs. Lester George of Pleasant Valley visited in the home of Mr. and Mrs. M. C. Wade Sunday.

Mrs. Robert Hall and Mrs. Spencer Murphy of Brownfield spent Sunday in the Wes Key home.

Mr. and Mrs. Homer Britton of Union visited Sunday in the A. V. Britton home.

Mr. and Mrs. W. F. Porsch and family of Slaton visited in the home of Gordon Carter home Sunday.

Miss Louise Wade spent last week with her parents, Mr. and Mrs. C. Wade. Miss Wade suffered a badly sprained knee when she fell at the skating rink in Plains last Monday night.

Mr. and Mrs. J. A. Fox and daughters visited relatives in Lubbock Sunday.

Mr. and Mrs. W. F. Lewis and children visited in Tulia Saturday.

A number of cases of measles are reported in this community. Among those missing school this week because of this epidemic are Charles Landes and Emily Sue Blackstock.

Those from Gomez who attended the Baptist Workers Conference at Wilson Thursday were Rev. and Mrs. T. L. Burns; Mr. and Mrs. Wes Key; L. L. King; J. C. McKee; A. W. Buchanan, J. L. McQuary and Mmes. R. A. Whitley; A. V. Britton; Tyler Martin; Kelly; Sears; W. G. Swain and Miss Nellie Carter.

Mr. and Mrs. Ted Fox, and Mr. and Mrs. T. C. Hogue Jr. spent the week end in Snyder visiting Mr. and Mrs. Howard Howard Hogue.

T. B. Oliver, of southwest Terry was in this week to renew, and did the job up right by buying it for three years in advance.

Sheriff Ocie Murry and the District Attorney were in Clovis, New Mexico, on Thursday investigating a car theft.

Deputy Sheriff Buel Powell was in Colorado City investigating some forged checks on Thursday of this week.

F. L. York is now employed at J. B. Knight Co. Furniture, He assumed duties Saturday.

No Intention To Criticize Local Crew

We understand that our article last week got under the hide of some of the local postoffice force just a bit, with the exception of Postmaster James H. Dallas whom we have always talked to like our own son. He knew we were not aiming that article at the Brownfield office and we want to state once and for all that we have no intention of criticizing them.

Fact of the matter is, we believe the local postoffice officials and personnel have more than one time gone beyond their line of duty to accommodate the writer and the Herald. We consider every member of the PO force a personal friend, and would not for anything hurt their feelings.

So much for that. We also do not believe for a moment that the delays in either incoming or outgoing mail can be laid on this office here in Brownfield. In fact we are pretty positive that newspaper mail leaves here within a few hours after it hits the local office, or as soon as any mail goes out. No, the trouble is not at the Brownfield office.

As for the mail between Brownfield and Meadow, or Brownfield and Seminole, no one perhaps but the Second Assistant Postmaster General can do anything about that. That would require an early morning mail from here to Meadow, and you have to show them high up birds that such a thing, 1st, is needed, and 2nd will pay part of the expense at least. That would be a hard nut to crack.

When we get some improvement in the incoming and outgoing mail, you cannot just sit down and let James H. Dallas and his boys do that. It is going to take the concerted effort of the people of Brownfield and the other offices involved.

Our only reason for comparing the arrival of the Herald at Brownwood and Grandview, was to point out the fact that the Herald's evidently leaves here and Lubbock at the same time and on the same train, a south bound Santa Fe out of Lubbock.

Yep, the local PO force is right up to the know how. Indeed they have done a magnificent job on handling the heavy Christmas mails for the past several years.

Tuesday Was George's Birth Anniversary

Last week we had a mite to say about Abraham Lincoln whose birthday comes this month. This week it is the birthday of the Father of his Country, General and later President George Washington, falling Tuesday the 22nd this year. We once heard a man get it a bit mixed. He said it was "Mr. Birthington's Washday." Anyway, as a lad we always liked to read about the man who was, "First in war, first in Peace and first in the Hearts of his Country-men."

And in spite of all the intellectuals have said since that time 217 years ago when Washington was born, and a few years later as a lad, we have kinder believed the story of the cherry tree incident and that our first president stated that "he could not tell a lie." All honor to our leaders in 1770ties. Less stout hearted men would have faltered and given in to the tyrant king of England.

There were great bunches of prominent pessimists at that time just as there had been in every war they railed at Lincoln during the Civil War, as well as at Jefferson Davis. A less determined man would likely have dismissed his ragged troops, and returned to his comfortable plantation life in Virginia.

Few leaders have the heartihood to lead a half clothed and starved army like that which crossed the Delaware in zero weather to thrash the Hessians hired soldiers of England. Nor would they have stood the sufferings and mutterings of an encamped Revolutionary army at Valley Forge.

All honor to George Washington.

We note that former County Agent A. L. Hartzog, of this city and county, who went to Floyd county three years ago, has resigned and will move up to Palmer county to grow wheat. Robert H. Gibson, of Post, Garza county, is taking his place.

Mr. and Mrs. Alton Meeks of Slaton were the guests of Mr. and Mrs. B. C. Farris over the week-end. While here, they purchased a 1949 Chevrolet from Teague-Bailey Chevrolet Co.

Mr. and Mrs. Tom Harris and son, Tommy, and Miss Jessie Harris spent the past week-end in Altus, Oklahoma, visiting their parents. Mrs. Harris and Tommy remained for a longer visit.

Week end visitors in the home of Mrs. O. L. Jones were Mr. and Mrs. Kenneth Jones and daughter Karen of Slaton, and Mr. and Mrs. Bud Patterson and family of McCamey.

Telephone Company General Offices Move To Dallas

The Southwestern Associated Telephone Company will move its general offices to Dallas from Lubbock starting Friday, Roy Autry, vice-president and general manager announced Saturday.

The company will occupy two floors in the new Reserve Loan Life building at 505 North Ervay Street. It expects to complete the move in time to open for business Monday Feb. 28.

Company officials, headed by R. B. Fairly, president will make their home in Dallas. Approximately 130 members of the Lubbock staff will be moved by the company to Dallas. G. P. Norton, a representative of the firm, is there making advance arrangements for homes and apartments.

The revenue accounting department will remain in Lubbock, Au-

Awful Language For A President

The language reported in Tuesday's papers as being used by President Truman concerning what some of the commentators and columnists had to say about his (Truman's) military aid and military friend, was real Billingsgate stuff, and would be permitted now in the red light district.

In fact, the news reports in the dailies had to use initials instead

tray said.

Southwestern Associated Telephone Company is one of the country's large independents. It operates in 350 towns and cities in Texas, Oklahoma, New Mexico, Arkansas, Kansas and Louisiana. It has 192 exchanges with more than 67,000 telephones in service. At present the company has about 1,500 people on its payroll, Autry added.

of words in order to be allowed the use of the mails. His defense was for his retention of Major Gen. Harry S. Vaughan. Drew Pearson and others had reported that Vaughan had received decoration from District Perron, of Argentine.

The humble writer does not think too much of the writings, generally speaking, of Pearson, but we agree that our high officials that play around with dictator's, either Nazi, Fascist or Communist, is not exactly the kind of man we think should hold high office in our government.

EDITOR'S GRAND NIECE TO WED MARCH 12

Mr. and Mrs. Robert Lee Burton of Fort Worth, are announcing the marriage of their daughter, Virginia Ruth to Mr. Charles Williams Stocker, Jr., March 12, 8 P. M., at the Southside Church of Christ, Fort Worth.

Miss Burton is a grand niece of the elder Stricklin, was born reared and educated in Fort Worth. Reception immediately follows the ceremony at 4321 Ridgeway Court.

A Herald want-ad will sell it.

IS YOUR YEAR UP?

CHEVROLET
is the most Beautiful BUY of all

STYLELINE DE LUXE 4-DOOR SEDAN

The most Beautiful BUY for Styling

Millions of people all across America—and undoubtedly your friends and neighbors, too—are hauling the "luxury look" of Chevrolet for '49. It's the beauty-look, all right—inside, outside, and from every point of view! For the bodies are by Fisher—finest of all car bodies—found only on Chevrolet and higher-priced cars.

The most Beautiful BUY for Comfort

You'll enjoy a new and finer kind of comfort in this car. The perfectly relaxed comfort of "Five-Foot Seats" plus extra-generous head, leg and elbowroom. Moreover, it's a "car that breathes" for an advanced heating* and ventilating system inhales outside air and exhales stale air.

*Heater and defroster units optional at extra cost.

The most Beautiful BUY for Driving and Riding Ease—with new Center-Point Design

What a thrilling experience will be yours when you take your first ride in Chevrolet for '49! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity and Center-Point Rear Suspension—provides driving and riding results heretofore available only to owners of more costly cars. Here is another "first" for Chevrolet—another vital contribution to low-cost motoring—another treat for Chevrolet owners! Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

The most Beautiful BUY for Performance

For real thrills and thrift—for the finest balance of performance and economy—owner after owner will tell you there's nothing like a Chevrolet! Its world's champion Valve-in-Head engine—now setting a trend for high-priced cars, but remaining exclusive to Chevrolet in its field—holds all records for miles served, owners satisfied, and years tested and proved.

The most Beautiful BUY for Safety

To buy one of these brilliant new Chevrolets for '49 is to give your family *finest* safety protection found in no other low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisted Body Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Unitized Knee-Action Ride.

Did You See The New Cadillac
If you have not called at the Bowman Motor Co., to have a view of the new 1949 Cadillac car, or you have missed something. Indeed that car carries just about as many gadgets and aid to comfort as the finest pullman. And it is not too late to see it yet if you hurry.
We read a story recently in some short story magazine about a movie producer who had to move a large part of his actors from one locale to another. He used four Rolls Royces, some of which have had more than 300,000 miles put on them.
Some of them had never had a dime's worth of repairs, not even new tires, as everything about them is hand made. He maintains that the old saying, "you pay for what you get" holds good in cars as well as anything else.
JOHNSON NEWS

CONTEST —
(From Page 1, This Section)
basis of personal pride and supreme confidence in their ability to finish victoriously, the race is being waged zestfully.
Shedding lustre on the determined attitude of contestants is the community sentiment that manifests itself. This mighty factor is the bulwark behind the various contenders for first honors and attendant award—that beautiful Ford automobile.
In short, each city and town represented in this race is solidly behind their favorite, and no community or faction that values their reputation for doing things is going to stand idly by and let another ride away in the most desirable prize when a little concerted effort on the part of friends might change the picture and swing the highest award to where they think it really belongs.
What a Difference!
For this reason, and for the reason that the difference in value between the grand prize of this contest and secondary awards is a matter of over \$2,000 (quite a sum in itself—not to mention the desirability of a brand new 1949 automobile at this time!) a lively struggle among present leaders may be expected to acquire top honors.
Don't forget that this a battle where strategy plays an important part. Craft helps; speed, too, but the rugged strength and lasting qualities of an unusually good bunch of subscriptions RIGHT NOW means victory here as the same reserve strength wins any race.
BOOST FOR YOUR FAVORITE NOW!

NEW DODGE —
(From Page 1, This Section)
style with graceful body and fender lines and a new low silhouette. Massive sheet metal fender section have been avoided. Fender units have been bolted on and, if necessary, can be quickly and easily replaced at minimum inconvenience and at least cost.
All Dodge models have larger the windshield area being increased 24 percent. Better driver vision is provided by new hood contours and higher seats. Vent wings have been added to rear windows for better rear seat ventilation.
To meet modern driving needs, the Dodge "Get-Away" engines lists a number of improvements. Much faster acceleration and better idling and low-speed performance are obtained by a higher 7.0 to 1 compression ratio and a new carburetor, intake manifold, camshaft, fuel pump and generator.
The Coronet and Meadowbrook lines include three four-door sedan models, a club coupe, a convertible, an 8-passenger sedan and, for the first time in a number of years, Dodge will have a station wagon. The Wayfarer line will include a two-door sedan, a 3-passenger coupe and a new roadster which is scheduled for later production.
Mrs. Ernestine Lewis of Pampa spent the past week-end visiting with relatives here.
Mr. and Mrs. Joel Hyman spent Sunday in Denver City visiting Mr. and Mrs. Rex Miller.

CURRY MOTOR FREIGHT Lines INC.
ANNOUNCING
A NEW AGENT FOR
BROWNFIELD
Curry is happy to announce the appointment of
D. H. McMILLIN
The New Agent at Brownfield and feel that the many Curry customers will be glad to welcome him. "Mac" has been a resident of Brownfield for some five years. He is an experienced motor freight man and was formerly employed by Curry in Amarillo before he moved his family to Brownfield. "Mac" worked for a motor freight company in Wichita Falls, Texas, for several years.
Curry officials feel that with "Mac's" experience and his many friends, the shippers and the receivers of freight in Brownfield can be assured the very best in motor freight service.
Curry pledges its full cooperation to "Mac" in his new job as agent in Brownfield. Other personnel will remain, including Miss Peggy Bradley, clerk in the Brownfield office for the past two years.

HERE it is!
THE NEW DODGE THAT DARES TO BE DIFFERENT!
Come and see the car built for today's bigger, taller, more active Americans
IT'S a daring new car... new in its own distinctive style... new in the fresh, natural beauty that comes from truly basic design! It's the new car that dares to be different. It's narrower outside... yet wider inside, for the extra elbow room and shoulder comfort you want.
It's shorter outside for easier parking and garaging... yet this new Dodge is longer inside for stretch-out roominess. It's lower outside... yet higher inside, to give you the head room that spells added comfort every mile you ride.
See how Dodge gives all those things car owners really want today... sleek styling with plenty of room... flashing performance with economy... the proved smoothness Dodge All-Fluid Drive makes possible. Come in... get the whole Dodge story... now!
DODGE CORONET
New GYRO-MATIC... Frees You From Shifting... Available at Extra Cost
LOW'S OUTSIDE... HIGHER INSIDE
SHORTER OUTSIDE... WIDER INSIDE
NARROWER OUTSIDE... WIDER INSIDE
It's the new Dodge!
KNEE-LEVEL SEATS—give full support. Front seat travels five inches... rises one inch in moving forward for better vision.
DOORS OPEN WIDE—and stay at angle of almost 90 degrees. Easy to get in and out. No arm rests to climb over.
ALL-WEATHER COMFORT—new heating and ventilating system brings fresh air to all passengers. Bulky parts under hood.
NEW "GET-AWAY" ENGINE—gives flashing pick-up, faster acceleration. Higher compression engine saves gasoline dollars.

Terry County Council Has All-Day Meet

Nine of Ten County Clubs Take Part; Reports Featured

The Terry County Home Demonstration council held an all-day meeting Feb. 9, in the H. D. agent's office at the courthouse. Miss Kate Adele Hill, district agent, met with the council. Mrs. Hinson, vice-chairman, presided.

Mrs. E. V. Riley, recreation committee chairman, led the group in a game. Reports were given by the following committee chairmen, Year Book, Mrs. J. H. Massingill; Education Expansion, Mrs. D. D. Ovalls; Finance, Mrs. Dock Settles; Sponsors, Mrs. R. E. Jore. The council adopted these reports.

The T. H. D. chairman gave a report and stated that the district meeting date had been changed from May 5 to April 16. The meeting will be in Floydada. An election was called to be held at the council meeting March 12 for the purpose of electing delegates to attend the district meeting.

Various reports were presented and Miss Hill gave advice where it was needed throughout the meeting. The county home demonstration manual was studied. It was announced that a short course would be held at Tech in August 2, 3, and 4. Each county will have 10 representatives. The 4-H girls camp is to be held in the McKinney Park at Lubbock, July 12, 13, and 14. Each county will be allowed six representatives.

An all day meeting for the purpose of studying the program of work will be held Feb. 26, beginning at 10 A. M. A training school on cleaning and care for electrical appliances and house cleaning made easier will be held Feb. 28.

Those attending the meeting were Miss Kate Hill, Miss Helen Dunlap, and twenty-two council members. Nine of the ten clubs in the county having representatives. The March council will be in the Presbyterian Church March 12.

Mrs. Swanke Hostess To Study Club

Mrs. R. R. Swanke entertained the Delphian Study Club at her home on Monday, February 21. A short business meeting was held at which plans for the bridge party the club will sponsor at the Brownfield Country Club on March 11th were discussed.

Mrs. Ted Hardy was program chairman. Mrs. J. O. Burnett, Jr. reported on Slip Coverings, and Mrs. Lewis Simmons discussed Combinations of Fabrics. Chocolate ice box pie and coffee were served to the following members: Mmes. Robert W. Baumgardner, Wayne Brown, J. O. Burnett, Jr., Crawford Burrow, John Brooks Leonard Chesshir, Ted Hardy, Joe Hardin, Lewis Simmonds, K. D. Suedeker, L. D. Spradling, Crawford Taylor, Joe Preston Murphy, and the hostess.

POUR YOUR OWN—If you walk into John Crenshaw's cafe in Meridian, Tex., don't expect him to throw down his paper to wait on you. You will probably pour your own coffee as these two customers are doing. Crenshaw, shown above reading his paper, has gained fame for heckling his customers, most of them go to the kitchen, wait on themselves and pay on the way out. The help yourself service started during the war, and Crenshaw said he kept it because it made it so much easier for him. (AP Photo).

Music Topic of Alpha Omega Guest Fete

The Alpha Omega Study Club entertained with a Guest Day Tea on Tuesday, February 22, at the home of Mrs. John Portwood. Mrs. Portwood and Mrs. J. O. Rodgers were co-hostesses. The guests were registered at the door by Mrs. Lee Brownfield, and presented with a tiny flag, in keeping with the George Washington Birthday theme that was used in decorations.

The club president, Mrs. Jack Hamilton, presided, and Mrs. P. R. Cates acted as program chairman. The first number on the program was a vocal duet by Mrs. Wayland Parker and Miss Arnita Lukas, accompanied by Mrs. Richard Young. Mrs. Parker and Miss Lukas sang "Little Grey Home in the West." Mrs. Jack Hamilton gave a report in Texas Musicians. Mrs. Wayne C. Hill offered a vocal solo, "The Hills of Home." She also was accompanied by Mrs. Young. The stories of Texas songs were discussed by Mrs. V. L. Patterson. In closing, guest artist, Mrs. Richard Young, played a number of piano selections.

Mrs. C. R. Lackey presided at the silver tea service. The refreshment table and refreshments carried out the Washington Birthday theme. The table was centered with an arrangement of red,

Officers Are Installed For Club's Auxiliary

At the monthly luncheon of the Women's Auxiliary of the Brownfield Country Club, the following officers were installed for the new year: President, Mrs. L. M. Wingerd; 1st vice-president, Mrs. Grady Goodpasture; 2nd vice-president, Mrs. Walter Hord; treasurer, Mrs. Crawford Burrow; reporter, Mrs. Frank Wier.

Mrs. Wingerd appointed the following committees to serve during the coming year: Planning, Mmes. Goodpasture, Hord, Burrow, Lee O. Allen, Weir, Jack Shirley, R. N. McClain, Buddy Tarburton, E. C. Davis, J. M. Teague, Kyle Graves, J. O. Gillham, Tom Harris, Hiram Parks; By-Laws, Mmes. Kyle Graves, John Cadenhead and O. L. Stice; Golf, Mmes. Jack Shirley, J. T. Bowman and Lee Bownfield; Entertainment, Mmes. Grady Goodpasture, Glen Akers, A. L. Muldrow, Sawyer Graham, Hiram Parks, C. R. Lackey, W. F. Heflin, V. L. Patterson, Prentice Walker and Johnny Portwood; Bridge, Mmes. R. N. McClain, Jack Bailey and Sam Kirschner; Telephone, Mmes. J. V. Haynes, Leo Holmes, Ted Hardy and J. C. Criswell; Publicity, Mmes. Frank Wier, Buell Price and W. A. Roberson; Membership, Mmes. J. M. Teague, J. M. Telford and Graham Smith; Finance, Mmes. Fred Baldwin, Crawford Burrow, O. W. Schellinger, Mike Barrett, Paul Campbell E. C. Davis, Chad Tarpley, Tess Fulfer and Miss Twilla Graham.

Hester D. West Circle Meets

Mrs. J. T. Criswell, and Mrs. Barnarr Smith were co-hostesses for the Hester D. West Circle of the First Methodist Church, on Tuesday, February 22, at the home of Mrs. Criswell.

Mrs. Earnest Latham presided at a short business meeting. It was decided that the group would help purchase pictures for the twenty rooms in the new addition of the hospital.

Mrs. Wm. Glick led a song to open the program. Mrs. James Warren gave the opening prayer. Mrs. Val Garner and Mrs. O. A. Wheat discussed two women in the bible for the days study. Mrs. Wm. Glick closed the meeting with a prayer. Coffee and cake were served to the following: Mmes. M. E. Bay, O. A. Wheat, Chick Lee, R. J. Purtell, James Warren, J. F. Anderson, Kenneth Purtell, Wayland Parker, Wm. Glick, Verne Coleman, Val Garner, J. L. Newson, Alton Webb, Russell Nelson, J. T. Proctor, Leonard Chesshir, Earnest Latham, and the hostesses.

Delphian Study Club Entertains Husbands

The Delphian Study Club entertained their husbands with a covered-dish buffet supper, on Thursday night, February 11, at the Legion Hall Auxiliary Room.

The evening was spent playing bridge, 42 and bingo. Mrs. R. R. Swanke arranged a Hat Review, in which Mrs. Leonard Chesshir, and Mrs. Sawyer Graham modeled hats created from kitchen utensils.

Mmes. Wayne Brown, Herbert Chesshir, J. O. Burnett, R. R. Swanke, and John Haynes were hostesses. The following guests and members were present: Mesrs. and Mmes. Kenneth Sadler, James Warren, W. N. Lewis, Toby Greer, Pat Patterson, Guy S. Walker, Robert Baumgardner, Crawford Burrows, Sawyer Graham, Ted Hardy, Tom Harris, Geo. Steele, Mrs. Leonard Chesshir, Mrs. Lewis Simmonds, and the hostesses and their husbands.

Mr. and Mrs. Bill Kluting of El Paso, are the parents of a son, named Randy, born on February 6th Mrs. Kluting is the former Peggy Lewis of Brownfield.

Mr. and Mrs. M. G. McCain and Mr. and Mrs. Rudolph Lewis of Shallowater, and Mrs. G. G. Stinnett spent the past week in El Paso.

14 State's Counties Get Awards For Top 4-H Clubs

Fourteen Texas counties naming a blue award group of clubs in the 1948 National 4-H Recreation and Rural Arts awards program have each received \$25 for the purchase of recreational equipment, the National Committee on Boys and Girls Club Work has announced.

Counties receiving awards were: Bastrop, Bexar, Castro, Dallas, Frio, Guadalupe, Somervell, Nacogdoches, Calhoun, Atascosa, Tom Green, Parker, Terry, and Cooke. All awards are provided by the United States Rubber Company. The program is conducted under the supervision of the Cooperative Extension Service. Purpose of the recreation and

rural arts program is to encourage 4-H Club members to lead a balanced life of play, work and rest; to make friends by participating in groups which enjoy recreation and rural craft arts; to learn to lead and follow recreation activities; to make 4-H Club membership more attractive and self-satisfying, and to promote better health.

Some outstanding activities carried out by club members in winning counties include recreation leadership training meetings, 4-H May Day program, talent shows, hikes, softball and baseball games, folk dance festivals and parties.

Twenty seven community 4-H Clubs received blue ribbon awards or recreation activities in 1948.

Mr. and Mrs. Sammy Jones of Lubbock visited relatives here Thursday night.

Brownfield Youths Attend Club Dance In Seagraves

A number of the Brownfield younger set were guests at the Las Creasas Club dance in Seagraves on Saturday night, February 19. Decorations for the dance were carried out in a night-club theme. A floor show was offered as an added attraction.

Miss Bennie Ruth Wartes, pianist from Brownfield, played her own composition entitled "Boogie Woogie," as one of the numbers in the floor show.

Mr. I. L. StClair of Muleshoe and Mr. L. G. Grimm of St. Clair's Variety Store, are in Dallas attending market this week.

POLITICAL ANNOUNCEMENTS
Election to be held March 15, 1941.
FOR MAYOR CITY OF BROWNFIELD
C. C. Primm

From reading the last issue of International Teamster, we gather that labor unions are not too well pleased with action of congress on the Taft-Hartley act. In fact the teamsters appear to be down right disappointed. They infer that they expected the 81st. congress, in the first few days of its session to forthrightly throw the T-H law out of the window, as the "unions elected Mr. Truman president in November." The real facts of the matter is that it was not the labor unions that put Mr. Truman over, but midwest farmers. The big labor union states like New York, Pennsylvania and Michigan went for Tom Dewey. However, maybe the teamsters imagine they influenced the farmers.

It's just owing to whose ox is gored. As we know, the medical men don't want their business to be turned over to some Washington bureau to manage, and now apparently they are opposed to any competition from any other sort of healing practice. Nearer home, down at Austin, while most newspapers are pulling for prison reforms, and a new four million dollar plant, the printers are opposed to setting up the prison as a competitor of their plants in printed matter for state, counties and state supported institutions. And we imagine this would obtain if they compete with any other private manufacturing business. The latest complaint we have is from a Congressman up in Minnesota, who reminds us that while there are 2,500,000 dairy farmers in the U. S., there are only 28 oleomargarine manufacturers in the country. This in argument against taking the tax off oleo. The gentleman from Minnesota might be reminded that there are 5 million cotton farmers, whose products, cottonseed, go to make margarine. So, that's the size of it.

A speaker and statistician who has made a complete study of the matter, says that visual advertising is four times as effective as audible advertising. He maintained that 80 percent of people who read remember what they read as against 20 percent who heard. For that reason, he says that newspaper advertising is by far the most effective advertising in existence to date.

A gentleman from Indiana known here as the "goldfish king," is making inquiries of State Land Commissioner Bascom Giles about locating a gold fish farm on some of the public lands in Texas, now on sale. The Indian is said to have a stock of 25 million gold fish including the calico telecope breed. He wants to find out as much as possible before moving to Texas, such as what effect our blue northerners will have on fish hatching. Fish eggs, he says start hatching when the water reaches 60 degrees, and the fact that water in Texas reaches that degree much earlier than in the north, and stays warm longer, should be taken into consideration. His sales run into millions annually and he raises them as long as 18 inches. That should silence any Texas brags.

Another very controversial piece of legislation at Austin is coming to the fore since the legislature went in session, generally known as the Basic Medical Practice bill, which would understand exclude chiropractors and osteopaths from practice in Texas. The Lubbock Morning Avalanche is our authority for the statement that Representative Preston Smith of Lubbock is against the bill, while Senator Kilmer Corbin, of Lamesa is for it apparently as the M. D.'s. helped him in his campaign that paper stated. The medical men say they are being attacked by vicious advertising in newspapers and magazines, and that their only object is to protect the public health by professional training. Both sides have their friends, as the Herald has had phone calls asking for names of the senator and representative from this district. And if you wish to start an argument, that is also easy, as there are plenty around town ready to "spout".

What appears to be a major part of the Texas press are making an attack on the bill introduced by senator Moffit, known as Senator Bill No. 24, which is alleged to be detrimental to land and royalty owners, as well as independent oil concerns. Not only that, but opponents say the bill will tend to weaken Texas anti-trust laws. Should readers of the Herald feel interested, they might write Representative Preston Smith and Senator Kilmer Corbin to get their stand on this measure.

Some one giving a Moscow, Russia address, but not otherwise identifying themselves, or whether or not they are entitled to receive such literature, have written Dr. Oscar A. Kitchen, asking for a copy of his book. The book in question is known as "Lord Russell's Canadian Policy," and was printed by the Tech college press in 1945. The book is said to be used in history study at Tech. Copies will not be sent to the address.

Most people do not think that President Truman will do to much to wreck the Taft-Hartley law, or ask that one as weak as the Wagner act will be substituted for it. They think that the president will be satisfied with a compromise bill with the good features of both, and the elimination of the bad features of both, but bearing a new name, perhaps. Just as this time many of the commodity prices are falling, but as is always the case, the farm products began the tumble first. While union labor is making a big cry that they elected Truman, that man Truman is too smart a politician to let anything like that fool him. He knows as most other people do, that the midwest farmers elected him, and he'll look after his own, first. So, a ceiling will be put under farm products and quick, if the tendency to go down keeps bobbing up.

Mrs. John Walls employee at the Go're Fashion Shoppe is ill at her home this week.

Nanken cloth is said to derive its name from Nanking, China, where it is said to have been first manufactured.

Angels of Mercy, Ethiopian Style
Only a hundred doctors and a few dozen nurses were available until recently to care for Ethiopia's total population of some 12,000,000. Now, with the aid of the U.N. World Health Organization (WHO), training programs in all parts of the country are turning out the necessary help to relieve the critical shortage of medical personnel.

Ticklers By George

"You asked for leg of lamb. We're sorry we have no lamb—so we brought you very delicious leg of elephant."

QUESTION AND ANSWER

Q I am an honorably discharged World War II veteran. At present, I am in prison for minor offense. May I receive a correspondence course under the provisions of the GI Bill?
A Yes. The Veterans Administration makes contracts with approved schools and will pay for accredited courses, but no subsistence allowance will be paid.
Q I am a World War I veteran and have been working out my income tax report. Do I have to show my compensation from VA?
A Disability compensation is exempt from federal income tax. However, this is a matter within the jurisdiction of the Internal Revenue Bureau.
Q I would like to know why the pension I had been receiving under the law is now called compensation?
A Public Law 494, 79th Congress, provided that the term

WHEAT GRINDINGS SLIPPED 19 PERCENT
AUSTIN, Feb.—Wheat flour production in Texas slipped 19 percent from December 1947 to 1,451,000 sacks in December 1948, the University of Texas Bureau of Business Research reported.
The downward trend showed itself in wheat grindings, which in December 1948 fell 18 percent below December a year ago.

Santone Fiesta Centered Around April 18

SAN ANTONIO—Themes have been announced for four of the big events of San Antonio's 54th annual Fiesta San Jacinto, to be held April 18 through 24.

The events are the river pageant marking arrival of King Antonio XXVII, the Coronation of the Queen, the Battle of Flowers Parade and the Illuminated Night Parade.

The river Pageant, sponsored by the colorful Texas Cavaliers, will have as its theme "Fantasy of Song" and His Royal Highness will lead a gayly decorated Royal Fleet down the San Antonio river

as he makes his formal entry into the city on Monday evening of fiesta week.

In many savage tribes, a person's name is thought to be so intimately connected with his personality that it is seldom if ever used.

Economic Highlights

HAPPENINGS THAT AFFECT THE DINNERS, DIVIDEND CHECKS AND TAX BILLS OF EVERY INDIVIDUAL NATIONAL AND INTERNATIONAL PROBLEMS INSEPARABLE FROM LOCAL WELFARE

Immediately after the election when it was known that the Democrats had not only elected a President but had gained substantial working majorities in both House and Senate, it was felt by some that Mr. Truman could have anything he wanted. But there were those whose knowledge of the workings of politics went deeper, who were not so certain. Even Franklin Roosevelt had plenty of trouble with Congress which were overwhelmingly Democratic. Mr. Truman is in the same boat.

The Taft-Hartley Bill is a conspicuous example. If the labor groups really thought that outright repeal of this act and a return to the Wagner Act was likely, they were badly misinformed. The temper of Congress certainly is not giving labor a free hand. The Republican minority is solidly in favor of many Taft-Hartley provisions, and so are a considerable number of Democrats. The fight against unqualified repeal has been ably led by two young Republican senators—Ives of New York and Morse of Oregon—and they have developed a large following on both sides of the aisles. The day has long been over when party members voted as a group, and statistical majorities do not necessarily mean much when some particular piece of legislation is involved.

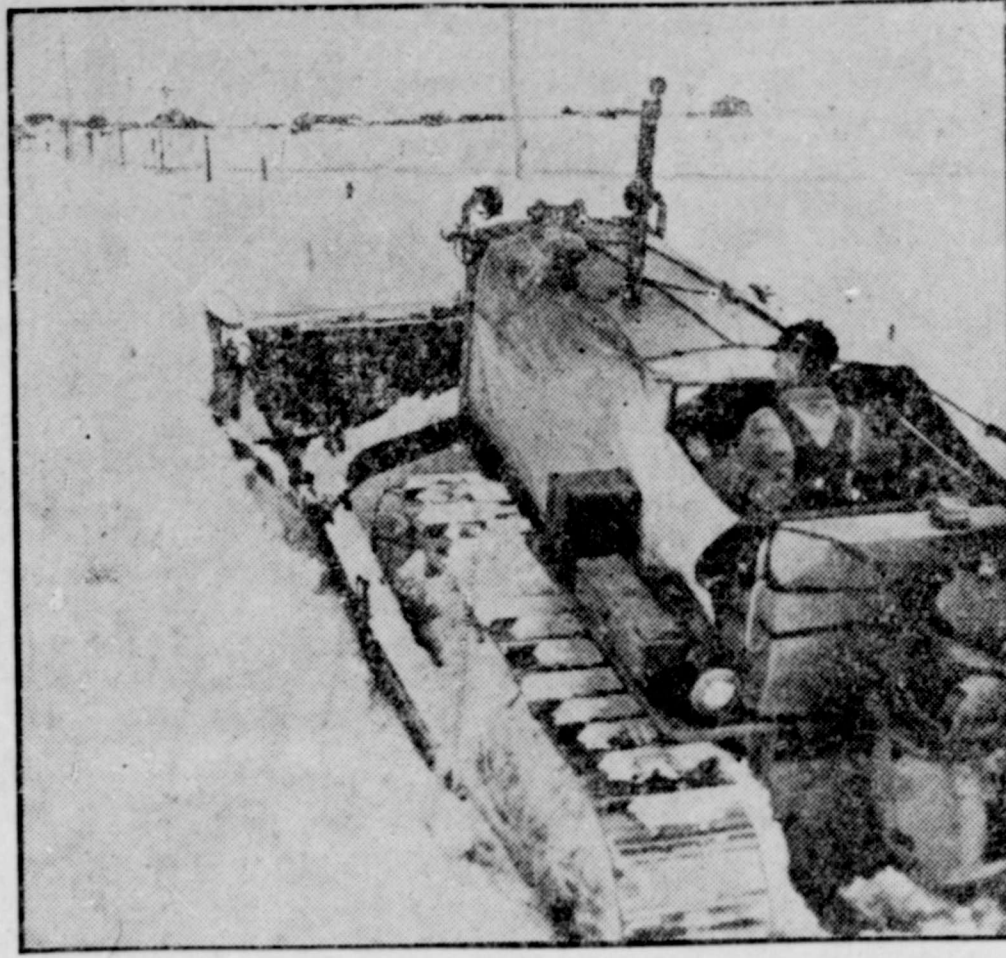

Other parts of the Truman program will also, in all probability, be extensively modified. Sentiment against heavy new taxes on business is strong—this, it is feared in some quarters, might produce a dangerous drop in business activity and employment. Large elements in Congress—and these are also bipartisan—think the first step should be to cut the cost of government, and that new or higher taxes should only be levied if there is no other way out. The Hoover reorganization plan, which is estimated, would save \$3,000,000,000 a year, largely in administrative expense, is providing the ammunition for those who think that.

The middle-of-the-road elements are also laying plans for extending social security on less costly basis than that proposed by the President. The Administration's concept of the welfare state has fears in its own ranks no less than those of the opposition. Such matters as compulsory medical insurance for everyone face tough going. Here Senator Taft, who is one of the best strategists in Congress, has met fire with fire, and come up with a modified program of medical aid to the needy, housing, etc., which has strong backing.

"Modern politics," wrote Henry Adams, "is a struggle not of men, but of forces." This Congress is affirming that truth. — Industrial News Review.

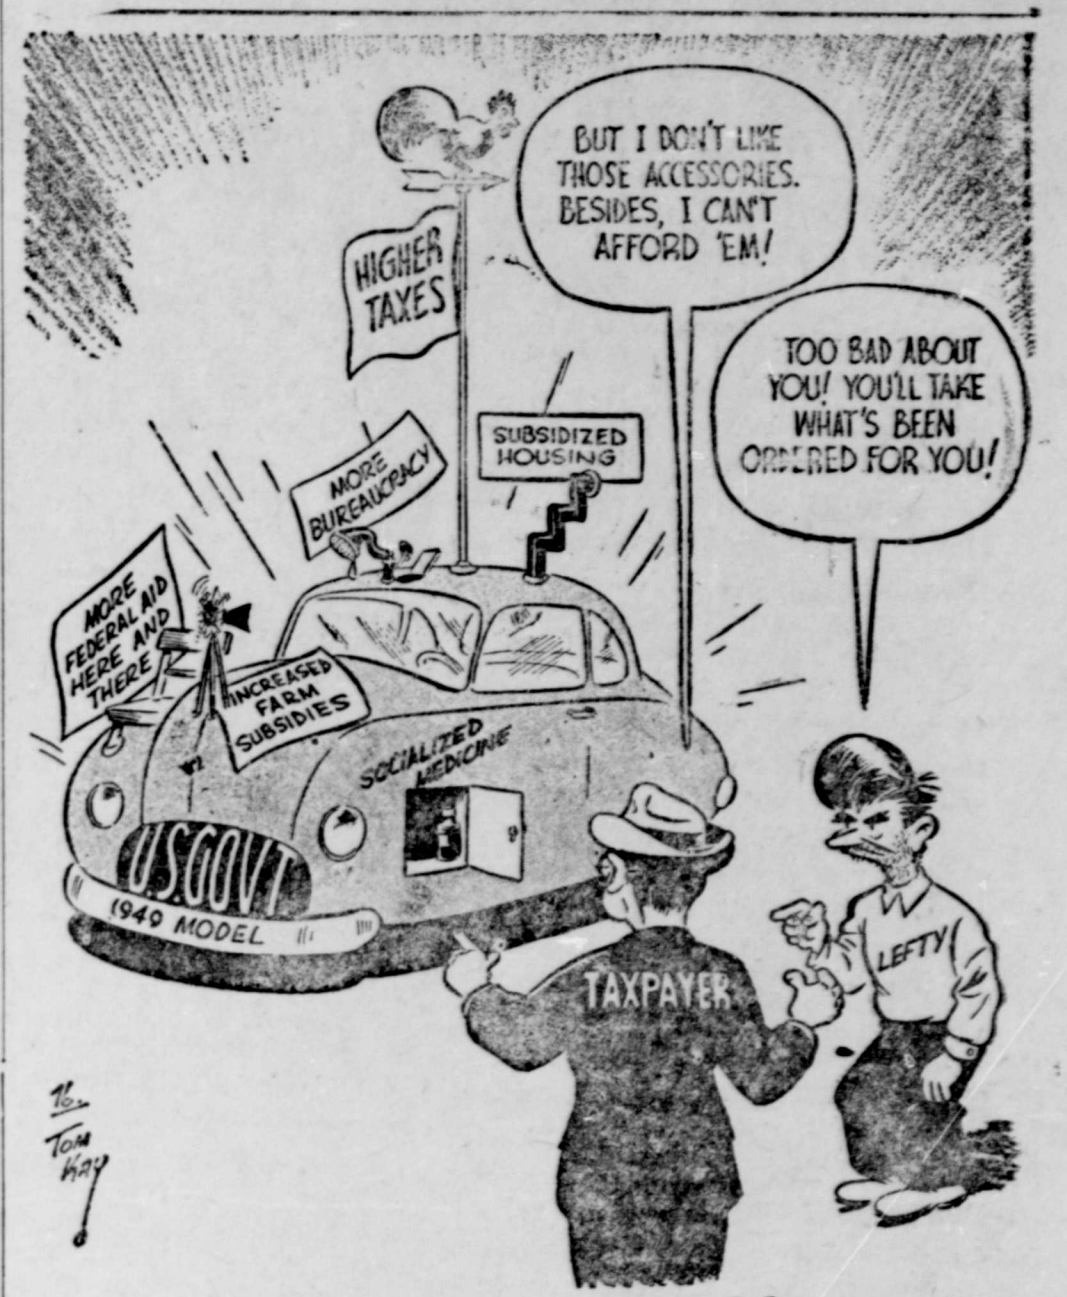

Mr. and Mrs. Truman Bishop and family are moving to Slaton this week.

Snow Belt Still Digging Out

Near Crawford, Neb., a bulldozer operator pushes his machine through high drifts of snow toward isolated farms as the huge operation of digging out hard-hit blizzard areas continues.

THE AMERICAN WAY

The Un-Streamlined Model

Getting Tomato Plants Started

COLLEGE STATION, Feb. 23—In order to get an early start with tomatoes, it's necessary to plant the seeds now in a plant box or hot-bed.

The tomato seedlings can sprout from seed now and spend the next six to eight weeks under protection from the cold, growing big enough for transplanting, when all danger of frost has passed.

For the average home garden says J. F. Rosborough, extension horticulturist of Texas A. & M. College, a small plant box can be built 18 inches wide, 30 inches long and four inches deep. The soil should be made up of equal parts of compost material and good garden loam soil, thoroughly pulverized and packed.

It's suggested that the rows be four inches apart, and the tomato seed planted three per inch in rows running the width of the box. Cover the seed one-fourth inch deep and sprinkle the soil well with warm water to speed up germination. On warm days the plant box may be left in the sunlight on the porch, but brought inside when the temperatures drop below 40 degrees F.

When the plants get to be two or three inches high, it's a good idea to thin them to a spacing of four inches between plants. But don't throw away the ones you thin out. Shift them over to another box, or give them to a neighbor who may have also prepared a tomato box.

After growing in the box for six or eight weeks, the seedlings will be about eight inches high. Then they're ready for transplanting into the open garden when all danger of frost is over, and water them good before setting them out, suggests Rosborough.

In order to have your tomato seedlings ready to set out in the garden on time, it's a good idea to start the plant box preparation around seven weeks before the usual date of the last killing frost.

Chickenpox Incidence Running Very High

AUSTIN, Feb. 23—With the present incidence of chickenpox almost twice as high as records indicate for a seven year median, Dr. Geo. W. Cox, State Health Officer, issued a statement today declaring, "It is a great mistake to treat even light cases of childhood diseases such as chickenpox, measles, mumps, scarlet fever or whooping cough as though they did not amount to much. That sort of treatment makes it possible for these diseases to spread and cause serious outbreaks among children and the resulting lowered resistance makes them easy victims to other forms of infection."

"Some of the most serious epidemics of chickenpox which we have had, have been traced to mild cases—that is, to cases so light that a doctor was not called. In some instances the children have continued to go to school and to associate and play with other children. In others, after they have been kept at home for a few days, they have returned to school and have scattered these germs around among their schoolmates. Eventually a group of cases—sometimes very serious ones—have developed from the carelessly-handled mild cases. The result was another epidemic that could have been prevented."

The State Health Officer said that the family doctor is the best judge of the seriousness of such childhood diseases, and suffering and anxiety will be avoided if the child showing symptoms of illness is put to bed and a doctor's advice sought and followed.

Ping-Pong Ace

Gizi Farkas, 22-year-old Hungarian girl, smiles happily in Stockholm, Sweden, after winning triple honors in world championship table tennis tournament held there. She won the singles title, and was a member of the winning women's doubles and mixed doubles teams. Shortly afterwards, however, Gizi was arrested by police on charges of taking blouses from a downtown shop. Released after returning the blouses, she tearfully explained: "I've never seen such nice things at home. I just couldn't stand it."

TEST YOUR I. Q.

1. What is a furlong?
2. What is the name of the administrative district in England comparable to the American county?

3. Who first popularized creases in men's trousers?
4. What is the historic and literary name of the district comprising Nova Scotia and eastern New Brunswick in Canada?
5. What is the pentateuch?

ANSWERS TO TEST YOUR I. Q.
1. A unit of length measurement equal to one-eighth of a mile.
2. Shire.
3. Edward of England.
4. When he visited the U. S. S. in 1869.
5. The five books of the Bible that were created at the time of the Prince of Wales, he wore the best as the front on the neck. The best as the front on the neck. The best as the front on the neck.

Good health really is the prime factor in her glowing, radiant beauty. It is a double influence — in that because you do feel richly the beaming health, the reflection to your personality — lends to attractiveness. That doesn't mean, however, that we wholly disagree with the philosophers who say that Beauty is only

SKIN DEEP

Beauty is "more than skin deep" in perfect health, but we will go along with the philosophers in that beauty aids do accentuate brimming health—emphasize beauty and charm.

We feature such famous brands of cosmetics as the ever-wanted names in—COTY, MAX FACTOR, MARCELE and TUSSY—and many others in sets or in individual pieces and packs.

Prescriptions

Whether it's a prescription for health, or for beauty, we can fill it. Make a practice of making our store your "Health and Beauty Headquarters."

"WHERE MOST PEOPLE TRADE"

Phone 33

TEXANS IN WASHINGTON

By TEX EASLEY

Washington, Feb. 23 (AP)—The Panhandle's Congressman Gene Worley of Shamrock is interested in a matter which may not make big headlines but can help a lot of people if it pans out.

It's a proposal to build ramps alongside the steps of every federal building in the nation, to help cripples get in and out.

The idea came during a recent dinner conversation here between Lewis Nordyke of the Amarillo News Globe, Mrs. Nordyke, the congressman and Mrs. Worley. The newspaper man told Worley a survey had shown one-third of the nation's people are disabled to an extent that ramps instead of stairs would be a godsend.

This number, he noted included victims of infantile paralysis, accidents, war veterans and the aged. It doesn't account for innumerable mothers who would find it easier to push a baby carriage up a ramp than bumping it up steps.

The more Worley thought of the idea, the more practical it seemed. He then made a little survey of his own, and concluded that most able bodied individuals would welcome the change to use ramps.

He conducted his checkup in the block-long tunnel that connects the Capitol and the two House office buildings. Ramps are placed to one side of the steps at each end of the tunnel, for the convenience of the few legislators who use wheel chairs.

"I've discovered that about 90 per cent of the congressmen prefer to use the ramps instead of the steps as they hurry back and forth to the House Chamber," observed Worley.

Anticipating sponsorship of legislation which would provide for such ramps Worley has asked the Public Building Administration for its views. He has asked the Public Health Service and other agencies for data as to the number of handicapped people in the country. He hopes also to get the views of individuals throughout the country, to see what they think of the idea.

If the cost isn't prohibitive—and he says it shouldn't be since little work and material would be involved at each building—and if there are enough people who would be benefited by the availability of ramps, he intends to push legislation to get them constructed.

Around The Capitol
The Texas Forum of the Air, a regular weekly transcribed radio broadcast originating in Washington, is scheduled to go back on a number of Texas stations Sunday, Feb. 20.

The feature was dropped about two years ago.
Rep. Wright Patman of Texas-kanan manages the Sunday evening forum, aided by Robert Coar, director of the House radio studio where the recordings are made.
Each week, Patman plans to have different members of the Texas congressional delegation and various high government officials talk on topics of current interest. Speaker Sam Rayburn and Senators Tom Connally and Lyndon Johnson are lined up to speak on the first forum.

Hal Sayles, editor of the Abilene Reporter-News, stopped here en route to New York to attend a seminar conducted by the American Press Institute for leading newspaper men over the nation. He visited with his congressman, Omar Burlison of Anson.

In the capitol he encountered Speaker Sam Rayburn, who paid tribute to the late Bernard Hanks, publisher of the Reporter-News. The meeting with Rayburn took place just as the speaker had turned away from the door-step

Making Democracy Work

De Witt Wallace, left, editor of The Reader's Digest, hears George I. Hall, Grand Exalted Ruler of the Benevolent and Protective Order of Elks, outline the Order's campaign to help the nation's schools teach democracy. Elks lodges are equipping their local schools with sets of "Our American Heritage" filmstrips that dramatize the birth and development of our democratic freedoms from Magna Charta to the present, bring the Freedom Train right into school rooms. The campaign is part of Elks' program to "make democracy work." The Digest produced "Our American Heritage" at request of the National Education Association and The American Heritage Foundation, sponsor of Freedom Train.

It's Done With Mirrors

Martha Mitchell isn't skiing in the sky above Cypress Gardens, Fla. It's simply that the cloudy sky above is reflected in the clear water over which she glides. Martha, herself, is very real, though a little like a dream.

conversation, at the House wing of the capitol with Senator Johnson and Amon Carter, publisher of the Fort Worth Star-Telegram.

Rep. Lloyd M. Bentsen, Jr. of McAllen, new congressman from the Rio Grande Valley, makes this comment about pending labor legislation:

"The Taft-Hartley bill was, in many ways, a revenge bill against labor. Now we must be careful not to swing too far the other way. Those conservatives who vote for the final bill will probably refer to it as a 'modified Taft-Hartley Bill.' The liberals voting for it will probably call it a 'revised Wagner Act.'"

Carl Miller, one time Texarkana newspaperman, now is one of the guides who show tourists through the Capitol. He worked for Senator W. Lee O'Daniel until the latter's term expired Jan. 3. Before going with O'Daniel he had worked for Patman.

Tatum People Visit Hospitalized Boys

Rev. and Mrs. Nelson, of the Baptist church in Tatum, Mr. and Mrs. W. D. Peveler, and Mmes. Jule Burns, and E. M. Green, all of Tatum, were in Brownfield Monday to visit Roy and son Peveler in the local hospital.

Called At Two Farm Homes Sunday P. M.

Had been quite some time since we have been able to call among our farmer friends, to see how the bedding and breaking was coming along, as well as to actually call on some of them. Sunday afternoon was so spring like that we made a stab of seeing a bit of Terry.

First went out about seven miles north to see the fine new Lense Price home, but he and wife were gone, and nothing about the place to indicate life, except a drowsy looking dog that refused to be disturbed.

Happened to think that Lense and wife go to Sunday School and church at Challis in the afternoon. Perhaps that would be much better for them than to hear the blowoff of a country editor. So, we left with a mental promise to return.

We then called on the Ed Thompsons out Harmony way, and had a real nice Sunday afternoon visit with them. All the children except the eldest daughter, Mrs. Forrest Earnest and family were there.

Tried to get us to stay for supper, but nothing doing. We're going to wait till our appetite thoroughly returns to damage Eds table.

Tech To Stage Huge High School Agriculture Judging

LUBBOCK, Feb. 23—April 23 is the date fixed by the Agriculture division at Texas Technological college for the annual high school vocational agriculture judging contests.

Invitations go from the college this week to agriculture departments in high schools in Areas 1, 2 and 4 which includes north, west and southwest Texas. The boundaries are the Oklahoma line on the north; Wichita Falls and Stephenville on the east and south-east and Del Rio and El Paso on the west.

Dean W. L. Stangel said the largest participation in the history of Texas Tech sponsored high school competition is expected this year.

Ray Chappelle, head of agriculture education department, will be general superintendent of the contests. Included for student teams will be judging of meats, livestock, dairy cattle and poultry; crops and cotton classification; and dairy products.

BIBLE COMMENT

FOR FEB. 27

'Of Such Is The Kingdom Of Heaven'

IT was of little children that Jesus said the above (Matthew 19:14). He also said, "Blessed are the poor in spirit, for theirs is the kingdom of heaven." (Matthew 5:3.)

It is the child-like whose characters can be formed by God. Those whose every poverty of spirit makes possible their enrichment by being filled with the Spirit of God are fit subjects of Christ's kingdom.

Such declarations reveal and emphasize what Jesus meant when He said, "My kingdom is not of this world." He did not mean that the kingdom was remote, somewhere else, or in a far-off future. On the contrary He said that it was here and now. It is "within you," or "in your midst," in whichever way we may translate His words.

The point was that, being here and now, and in this world, the kingdom, which He proclaimed was not of this world because its nature and principles were different from those of the kingdoms of this world, and the ideas, rules, and principles that govern earthly kingdoms.

Not poverty in spirit, but physical strength, brute force, aggressiveness, conquest, and dominance, have been the historic and characteristic ends of worldly kingdoms. If peoples or governments have displayed anything better, it has only been through ideals akin to those proclaimed by Jesus.

The principles of the kingdom that Jesus proclaimed were love and service; not getting, but giving. "It is more blessed to give, than to receive."

To the materially minded it seems visionary and impractical. But there where the world would be, if, instead of 20 centuries of acquisitiveness and aggression, we had had 20 centuries of the practice of the Golden Rule, founded in the love of God and in brotherly love.

KITCHEN MEMO BY JEAN CLARKE

For that individual touch to a meal for guests or when you feel the family would especially appreciate your adding a decorative food, serve Orange Sweet Potato Baskets. Squeeze the juice from 6 large orange halves. Remove and discard the membrane. Cut the edges of the orange shells in a scallop design. Mash 2 cups cooked sweet potatoes and beat in 1/2 cup orange juice, 1 tsp. brown sugar and 1 tsp. salt. File sweet potato mixture into orange shells. Dot with 1 tbsp. melted butter or margarine. Place on broiler tray under a medium flame and broil 12 mins. Save time and gas by serving a complete broiler meal including thick ham slices and broiled grapefruit halves.

An 1890 cook book advised cooks to drop water on the oven bottom. If the water hissed, the oven was supposed to be hot enough for baking. Today the thermostat on modern gas ranges keeps baking temperatures at exactly the degree needed.

Yellow and light green celery tops combined with brown onion skins simmered in water over a low flame for about 20 minutes makes a nourishing and tasty drink. The liquid can be added to soups and gravies for flavoring.

All water has some sediment in it. To keep your automatic gas water heater free of this sediment, once a month draw off a quart or two of water until it flows clean.

When washing windows in cold weather add a little vinegar or household ammonia to the water to prevent it from freezing on the glass.

Cardinal Tried

Joseph Cardinal Mindszenty, above, 56-year-old Catholic primate of Hungary, was sentenced to life imprisonment by a people's court in Budapest for crimes against the state. The trial of the cardinal, along with six co-defendants, for alleged treason and black market operations, touched off a series of denunciations of communism from church and civil authorities in all parts of the world.

Mr. and Mrs. Dick West of Sudan spent the week-end in the home of Mr. and Mrs. Harvey Cage. Mrs. West is a niece of Mrs. Cage.

CARD OF THANKS

We wish to express our sincere appreciation for all the kind deeds rendered, the ones who called, and for the lovely flowers and sympathy, shown us in our recent bereavement. Special thanks to all and God bless each one.

Mrs. Mollie Perkins and Family.

Mrs. Henry Chisholm is visiting her parents, Mr. and Mrs. E. J. Purcell, in Burnet.

Mr. and Mrs. Henry Davis of Richmond, Calif., are visiting Mrs. Fannie Lee and the Crawford Burrows, this week.

Mr. and Mrs. Jay King were business visitors in Tahoka, Monday.

Pamper your Buick?

You bet we do!

HOW WELL CAN YOU SEE?

Headlights dim or discolored? Let us give you easier, safer night driving with a new pair of low-cost Sealed Beam units.

In addition, we'll line up the headlamps — check generator-charging rate — inspect voltage regulator — clean battery terminals and cables.

When they do a tune-up or repair job on your Buick it's more than just a scientific, thoroughgoing, conscientious piece of work. They'll baby it a bit — and on the road you'll feel the difference in their craftsmanly touch.

This priceless kind of care costs you not a penny more. In the long run — by keeping your Buick always a Buick — we save you money!

YOU touch the starter — and your car wakens with an expectant purr. You touch the gas treadle — and off you sweep, on a wave of buoyant power. Minutes, miles tick past, with a lift in every one of them . . .

A dream, you say?

Not for a Buick. Not for your Buick, if it's kept always at its brilliant best — by Buick specialists!

We have nothing but Buick specialists in our service department — men who know the heft and feel of every wire, washer or widget under a Buick hood, without looking!

Buick care keeps Buicks best

The Low Down From Hickory Grove

You know, getting down to brass tacks—we are a passel of buck passers. We blame the mayor—and congress—and Uncle Harry for our aches and pains, and especially at tax-paying time. We forget how we voted for more playground and leap-frog directors, and another half dozen dams on Cow Creek.

Until this nation gets over listening to the barkers telling us how wonderful it is on the inside and it costs a mere nothing to get in—we are going to have aches and pains on tax day. It is easy to get into all these side-shows but getting out, there is the bad news—our gold watch is missing.

If you ever slow down on Main Street somebody will collar you with his idea on how to fix everything. And at the lunch club, if you have no problem for the guy to solve, he will cook one up and tell how to fix it.

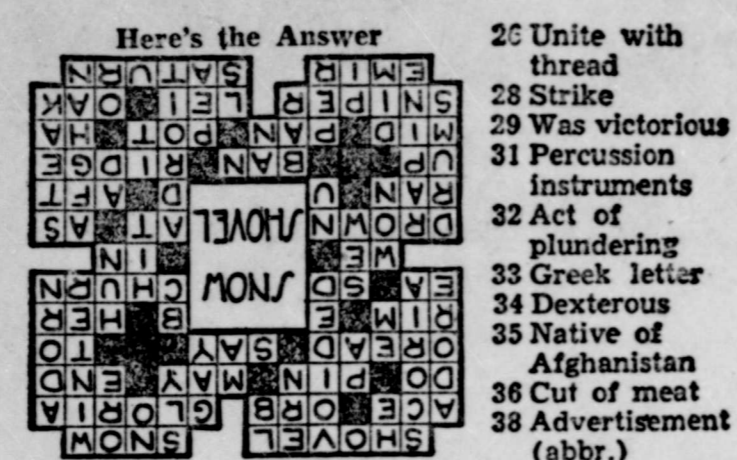

In a month's time, if every Mr. and Mrs. Good Citizen would write their mayor, and congressman, and Uncle Harry—3 postcards in all—and tell the old sports to act their age, and that you can hardly wait until the next election, the atmosphere would clear up quick.

Yours With The Low Down, JO SERRA

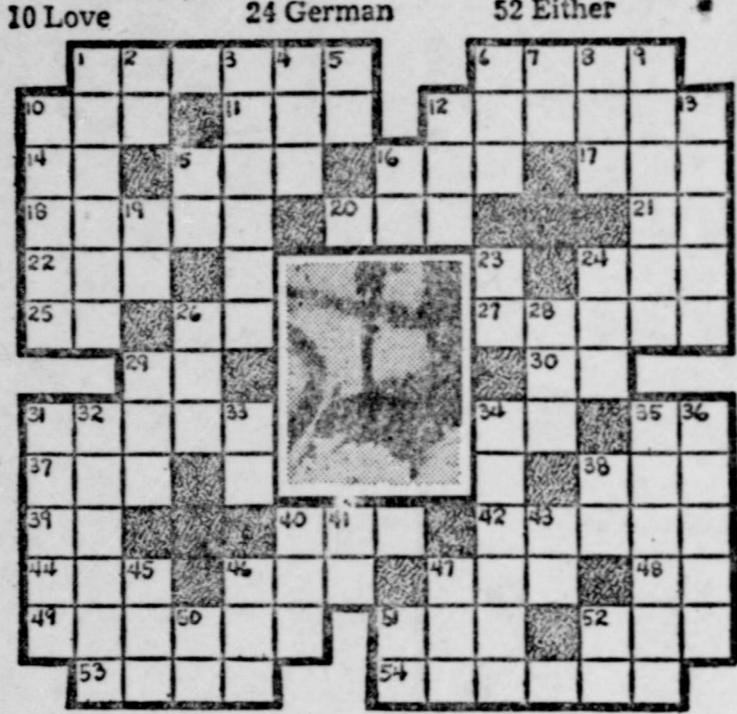

Mr. Hiram Parks is in Dallas this week booking March pictures for the Brownfield Theatres.

STRICKLINLY SPEAKING

Serious—Sincere—Silly

Well, here we go with another week of this stuff. There may be a few fertile thoughts in the bunch that we have gleaned from other writers. Otherwise when you get tired reading, just do like they do in telegrams, STOP.

This weekly has a lot to say about fires; maybe the reader thinks we are subsidized by the fire insurance men, but we are not. The reason is that most fires are usually the result of careless handling by human beings.

A lot of this is by careless handling of inflammables in the house, or leaving it where innocent children can get it. Then there is the careless smoker ever present.

When we pamper our senses, we don't cultivate our sense.

No wonder a lot of us can't keep our heads above water. When we go out to pay a few overdue debts, we see something else we want. "Charge it, please!"

When you can't solve your own problem, why not ask God to help us?

There is still a drive on for a 75c minimum wage, despite the apparent start of a slight deflation. There are many people that just can't earn 75c per hour or even 50c for that matter. Some people that do odd jobs and getting up in years, will frankly admit they can't earn that much.

Reason is they have to rest occasionally, and at no time can they hit the ball like a young sprout. To try to enforce this law will keep a lot of elderly men who like to potter on a job from getting one, as employers don't want to be persecuted about the matter.

There are still a lot of people that don't like to see a public man drinking on the job. They feel that they didn't hire him for that part.

Sure is strange what demand will do. Here in the west where wood fuel is scarce, we have had helpy-sely laundries for so many years that we have forgotten. Up to recently there was not a one in the county seat town of our old home county in Tennessee.

And in the same paper from back there, appeared a statement that up to two and one-half years ago there was but one in Memphis; now 33. Yet some people don't believe in the law of supply and demand. Some are willing to start a business. If it don't pay, just get a parity from the government.

Some one with a flare for figures has figured you pay for 175 gallons of water each month that drips out of a faucet, one drop a second.

A New Hampshire editor has figured that about all this country got out of the Dove of Peace was the bill.

We have had some peculiar nuts visit the Herald office. Most of them represent themselves to be newspaper men from such and such town. Maybe they want to buy the second hand press out in front. Next thing we know they will try to get us say something about our competitor or his business. We don't know anything about their business.

You will note that since 1940, many things have advanced in price. But insurance is not one of them, except hail and tornado.

This reminds us that some of the nearby towns are being socked 10 to 20 percent for bad fire records the past year. That's not so good and we mean both the fires and more premium money.

The first diesel powered streamlined passenger from Houston to California came through Lubbock recently on its westward run over the Santa Fe. Further east they are no novelty, but something to talk and write home about out here.

The little 600 or 800 inhabitant town that we visit when we want to see our folks in Tennessee, has two railroads; one north and south and the other east and west. For several years both have had the streamlines passenger trains, and about half the freight trains are pulled with diesel engines now.

Mmes. O. L. Stice, Clovis Kendrick, Glen Akers, and Gordon Richardson, left Tuesday by plane for Dallas where they will spend several days.

Mr. and Mrs. Roy Jenkins spent the week-end in Friona visiting relatives.

Now Is The Time To Plant A Garden

LUBBOCK, Feb.23—If you are planning a "good garden" for late spring and summer, now is the time to do the work, warns Dr. A. W. Young, head of Texas Technological college's plant industry department.

The spading, plowing and fertilizing should be finished in the next few days, and English peas, radishes, lettuce and onions planted at once.

Rich barnyard fertilizer ought to be worked into the soil several times, using about 10 tons per acre, Dr. Young said. Fertilizer that is pretty well rotted does give best results that is worked well in the upper 68 inches of soil. The amount of straw (which should be very slight) will make a lot of difference in garden results by determining the nitrogen content of the soil and the way the 'round retains water.

By planting a garden now, better selection of seeds and plants that will actually be put in the ground later may be accomplished.

Tech To Give Degree In Engineering

LUBBOCK, Feb. 23—An agreement reaches between heads of the petroleum and mechanical engineering department at Texas Technological college, with the approval of academic deans, will make possible for future students in petroleum engineering to gain a degree in both petroleum and mechanical engineering.

After completing requirements for a bachelor's degree in petroleum with a production or natural gas option, a student may complete 32 hours more in mechanical engineering and receive another degree in mechanical engineering.

W. L. Ducker, head of petroleum engineering, said representatives of the oil and gas industry have expressed a decided preference for graduates with the double degrees.

Details of the new plans were worked out by Ducker and Prof. H. P. Godeke, head of mechanical engineering.

Mrs. Threet, Mrs. Jack Browder, and Miss Margaret Goza spent the week-end in Pecos visiting Mr. and Mrs. Norwood Browder, and Jack Browder, Jr.

WELLMAN 4-H GIRLS MEET; STUDY CARE OF FLOCK

The Wellman 4-H Club girls learned how to feed chickens at their meeting this week. Three new members were present—Wanda Hadaway, Betty Smith and Gloria Ingram. Two members were absent with the measles. At the next meeting Miss Dun-

lap, the county demonstration agent, will be present.

Mr. and Mrs. Roy Jenkins spent the week-end in Friona visiting Mrs. Jenkins' sister, Mrs. Laura Goldiron.

Mrs. Money Price, and Mrs. Buell Price and daughter, Kathy,

spent the week-end in Pecos and Marfa visiting Mr. Buell Price.

Mr. and Mrs. Charlie Skupin of Odessa spent several days in the home of her parents, Mr. and Mrs. J. R. Chisholm. Mr. and Mrs. Skupin are moving to Rosebud where Mr. Skupin has purchased a grocery store.

GROW A BIGGER GARDEN. GARDEN NEEDS AND EQUIPMENT For Spring. Many people who grow their own gardens already know the value of them in cutting table costs of food—but if you have not been growing a garden, and have a small plot of ground that you could use, by all means try to put in one this year. The cost of a few tools will be negligible, and the profits great in fresher, home-grown vegetables. The regular gardeners, too, will need some new tools this year, and we have them. Come on in and let us get you started with your Garden Equipment. You may also need them for work in your flowers. J. B. Knight Co. Hardware

Meadow 4-H Club Gets Two New Members

The Meadow 4-H girls met February 10, in the grade school building. The meeting was called to order by Ethel Fuller. The recreation leader, assisted by Runez Patton, led girls in the club prayer, motto, pledge and one song.

The secretary, Peggy Keese, called the roll. She read the minutes and they stood approved. We have two new members. We dis-

cussed ways of making money. The meeting was turned over to Miss Dunlap. She gave a demonstration on poultry and how to take care of chickens.

Then the meeting was adjourned.—Runez Patton, reporter.

Mrs. Scott Murphy, Mr. Boyd Blackstock and Mr. Tom Blackstock, all of Falmel, Georgia, have returned to their home after a visit with their brother and uncle, Mr. L. L. Blackstock, who is seriously ill in the local hospital.

See For Yourself How Much Better Our SANITONE Service Treats Clothes

:SOCIETY:

—CONTINUED FROM PAGE ONE, THIS SECTION—

MISS LORENE McCUTCHEON AND FLOYD HARMERSON WED

Miss Lorene McCutcheon, daughter of Mr. and Mrs. Sam McCutcheon, and Floyd Harmerson, both of Meadow, were married at the groom's home in Meadow on Saturday, February 19. Rev. F. B. Harmerson, the uncle of the groom, officiated at the single ring ceremony.

The couple left for Carlsbad immediately after the ceremony. Mr. Harmerson is employed there, and they will make their home there.

Evening Couple Club Entertained By Mr. And Mrs. Howze

Mr. and Mrs. W. T. Howze were host and hostess to their mixed night club on Thursday evening February 17. Mrs. Ike Bailey won high score, and Mr. Hiram Parks won second high.

Apricot pie, topped with whipped cream, mints, nuts and coffee were served to the following: Messrs. and Mmes. Hiram Parks, R. E. Self, R. L. Bowers, A. M. Muldrow, Ike Bailey, and Misses Gertrude, and Earlene Jones.

Mrs. Leo Wenzel Is Honored With Shower

Mrs. George Hudspeth Sr., and Mrs. S. Walker were hostesses at a tea shower Saturday afternoon, Feb. 19, given for Mrs. Leo Wenzel, the former Mary Ellen O'Neal, in the home of Mrs. Hudspeth.

The guests were greeted at the door by Mrs. Wenzel, and her mother, Mrs. O'Neal. They were registered in a bride's book of white leather, with pink and white satin steampans.

The refreshment table was laid with a lace cloth, with an under cloth of pink satin. The center decoration was a low cut glass bowl of pink snap-dragon. Cake, punch and mints were served. The punch bowl was presided over by Mrs. Guy S. Walker, and she was assisted in serving by Onagene Walker.

Mrs. George Hudspeth Jr. directed the guests to the display of gifts. About 35 guests registered and many more sent gifts who were unable to call.

Mrs. Mary Nell Diffey, former bookkeeper for McWilliams Furniture Co., has accepted a position as bookkeeper and secretary for Robert L. Noble Insurance and Real Estate.

George C. Jefferies, 59, general manager of Santa Fe western lines, was found dead in his home at Amarillo, Monday.

Margaretta Harmon, 16, of Philadelphia, smiles over her successful electrostatic generator. She was one of two Philadelphia girls chosen as finalists in the annual science talent search conducted by Science Clubs of America.

Another Woman's Angle

We are suffering from a terrific case of spring fever this week. It seems a little early, but we have all the symptoms. If the Brownfield social calendar had not been so full we would have been sorely tempted to forget duties at Ye Olde Herald and escape to the country. However it seems the club women of Brownfield are outdoing themselves with spring activities.

All reports about the Alpha Omega guest day tea have been glowing. The guests and members were quite impressed with the very clever Washington's Birthday decorations, and the most enjoyable musical program offered. We would like to compliment this club on their many ambitions and well executed activities.

The new officers installed at the last meeting of the Women's Auxiliary of the Brownfield Country Club, and their appointed committees are busy on a spring project. We think many will remember with pleasure the Gay Nineties program presented by this group last year. We have heard that they are now working on a Spanish Fiesta program to be given sometime in March. We will be watching eagerly for the date, and anticipating an evening of good entertainment.

We are not soliciting Red Cross Ads from the merchants in connection with the Red Cross Drive. This drive as you know, starts next week. We feel that with a vital cause such as this, it is better that every penny spent should go directly to the Red Cross fund.

The male members of the Brownfield Country Club have been busy roofing the club house this week. We hear rumors that some of the workers had rather original ideas about the application of roofing. The effect may be a bit unusual. The Country Club is jumping with a burst of spring activity. The slogan seems to be a swimming pool this year or bust. We are certainly for that.

Talking of a swimming pool starts us day dreaming about warm summer days. We had best send this idle chatter to the linotype and do our day dreaming privately.

County Line HD Club Meets

The County Line Home Demonstration Club met in the home of Mrs. Clay Henson, Friday, February 18. Their new year books were distributed and partially filled out. It was voted that Miss Hunt be assisted in opening the new hospital in Denver City in the near future.

After the business meeting, Miss Hunt gave a demonstration on towels, sheets, and pillowcases. She showed samples of each and gave out some information. There were seven members present at the next meeting will be with Mrs. Charley Jones on March 18.

Will Osborne To Play For Legion Dance

Will Osborne, who brings his famous Orchestra to the American Legion Hall on Thursday, night, March 3rd, has always featured smooth, rhythmic music. Osborne is considered one of America's leading vocalists. He is a composer in his own right, having written such well known numbers as, "Pompton Turnpike" and "Between 18th and 19th on Chestnut Street" He has recorded for leading record companies, Columbia, Victor, and Decca. He and his orchestra have been featured on radio shows sponsored by Coca Cola, DeSota Automobile Co., and the Fitch Bandwagon.

The Legion is bringing Osborne to Brownfield as a fund raising project, and in so doing offers Brownfield popular music lovers an opportunity for a most enjoyable evening entertainment. Table reservations can be made. Tickets will be on sale at the door for \$1.80 per person

Miss Earlene Jones Honored At Coffee

Miss Earlene Jones, who was visiting her mother Mrs. W. T. Howze, while enroute from California to Dallas, was honored with a coffee Friday morning, Feb. 18 by her sister-in-law, Mrs. Bobby Jones.

Coffee, sweet rolls, stuffed prunes, and pineapple sections, were served from a refreshment table covered with a floor length cloth of deep green, and decorated with dark red sweet peas.

The following guests were present: Mmes. Jack Shirley, Sam Teague, Truitt Flache, Hiram Parks, W. T. Howze, John J. Kendrick, Buell Price, Crawford Taylor and Misses Sue and Gertrude Jones, Twilla Graham, and Mary Ballard.

PHI Beta Crasus Meets Monday

Miss Nancy Weir was hostess to the Phi Beta Crasus Club at a special meeting called Monday, Feb. 21. Plans were made for a dance to be held on Friday, March 4. A party for the near future was also discussed.

Sandwiches, cakes, and punch were served to Patsy Hill, Glenda Blevins, Phillis Basher, Joe Anne Blevins, Barbara Stice, Harlene Glenn, Lynn Sturges, Annie Nicholson, Janelle Thompson, Mary Chisholm, Nan white, Onagene Walker, Nancy Weir, Ann Snedeker, Juanelle Jones, Wanda Stafford, and Peggy Black.

Mrs. Stricklin Hostess To Study Club

The Maids and Matrons Club met in the home of Mrs. A. J. Stricklin, Sr., on Wednesday, Feb. 16. At the business meeting it was decided that Senator Kilmer Corbin of Lamesa would be invited to speak at the club's friendship tea to be held at the Jesse G. Randall School on April 5. The club voted to send Mrs. Money Price to the district Federation meeting in Lubbock as a delegate from this club.

Mrs. Karr Austin reviewed the book, "The Hickory Stick," by Virgil Scott. "The Hickory Stick" is the fictional story of a school teacher in a small town, and presents some of the behind the scene activities of small town politics.

Toasted cheese sandwiches, heart-shaped cherry tarts, and tea and coffee were served to 18 members, including two new members, Mrs. John R. Turner, and Mrs. E. C. Davis, who has been associate for the past year. Mrs. Robert Bowers, a guest, was present.

STRICTLY FRESH

THE British Parliament says that future generations of Britishers must remove slang from their speech. Aw, they're just beating their gums, kids.

Duke University scientists are wrestling with experiments concerning extra-sensory perception. Shucks, any ordinary married man can tell you anything you want to know about that.

There is no solid standing room on the sun, scientists say. And, of course, it's too hot to sit down.

Headline: Californians have difficulty determining damage of recent cold waves. To what—their fruit crop or their climate?

One man says if you look a bear straight in the eye he'll run. Which way?

How To Relieve Bronchitis

Creamulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creamulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. **CREOMULSION** for Coughs, Chest Colds, Bronchitis

Methodist W. S. C. S. Holds Meeting

On Wednesday, February 16, the W. S. C. S. of the First Methodist Church, met in Fellowship Hall. Mrs. U. D. Gorton led a study lesson from the World Outlook. She also read scripture from the 26th chapter of the Acts, and gave the meditation. The meeting was opened with a group song, "In Christ There Is No East or West". Mrs. Tobie Power, and Mrs. J. H. Carpenter also took part on program. The Society voted to give a picture for every room in the Treadaway-Daniell Hospital.

Members present were: Mmes. Joe Johnson, Ben Hill, Glenn Harris, Herschel Thurston, G. S. Webber, C. T. Mote, Ed Thorp, Cleve Williams, Ida Belle Walker, W. B. Downing, U. D. Gorton, Tobie Power, J. H. Carpenter, and Miss Maude Bailey.

W. S. C. S. met again on Monday

HD Club Sponsors Talent Club

The Wellman Home Demonstration Club met Friday, February 18. Miss Helen Dunlap gave a demonstration on the essentials of a good bedroom. The club voted to sponsor a talent club for the 4-H club girls. Three of the highest ranking girls will be given \$10 each to invest in poultry. The girl showing the most profit at the close of the contest will be given an additional \$10.

One new member, Mrs. Loyde C. Foster, one visitor, Miss Mary Belle Warren, and eight regular members were present for Friday's meeting.

Watch for the date of the style show to be sponsored by the club. The men will do the modeling. The latest fashions in hats, dresses and bathing suits will be shown. Don't miss it.

Better-Built.

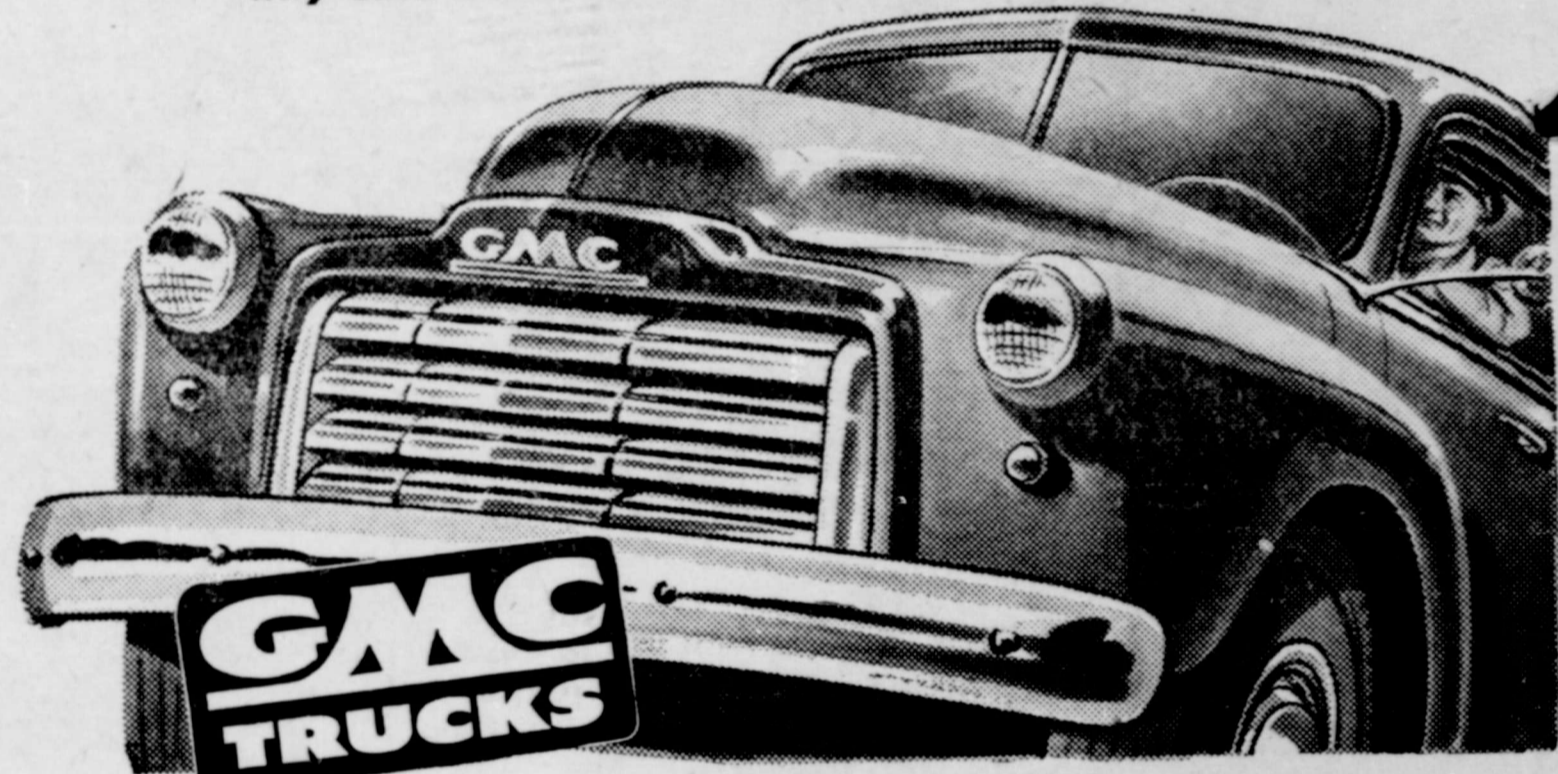

FOR THE LONG PULL

Engineered in GMC's modern, new Engineering Laboratories... among the finest in the industry... and only one example of the complete facilities of this largest exclusive producer of commercial vehicles.

Tested on the famous General Motors Proving Ground... where GMCs are subjected to exhaustive engineering tests and operated for thousands of miles under some of the world's roughest, toughest road conditions.

Proved through the years and for millions of economical, dependable miles. Endorsed by hundreds of thousands of owners and operators covering every truck transport vocation.

These are some of the reasons why GMC Trucks are Worth More
