

The Terry County Herald

Not Neutral—Not On The Fence—A Paper With An Opinion And A Purpose

The Herald has grown with this section from strictly a ranch country. This area now consists of thriving towns and cities, supported by scientific farming and stock farming, augmented by huge oil fields, with the nation's largest known oil reserves.

Best Advertising Medium

The Herald subscription list is a splendid blend of town and rural readers, folks who can and do pay for their papers—they do not ask or want it donated to them. Many 30 and 40 year continuous subscriptions.

VOLUME 46

BROWNFIELD, TEXAS

FRIDAY, OCTOBER 6, 1950

NUMBER 11

Contract Let For New City Hall

While there are some minor details to be worked out, according to Bill Aschenbeck, City Secretary, in a statement Wednesday morning, the contract for the \$132,000 new city hall and fire station has been let. The construction man to get the job was W. B. Abbott, of Lubbock, who built the Five County Medical Center here.

Some of the changes made in the new plans are in entrances to the building by the several departments, such as city offices and court room, jail, police department and fire department. We believe the latter will still occupy the rear end of the building.

The building is to be 70x150 feet, fronting on West Main, just across from the First Baptist church. Frank Ballard Plumbing and Electric got the plumbing and electrical job, and Nunn Electric Co., of Lubbock, the air conditioning part of the job. Southerr Steel Co., got the contract for the prisoners' cells, etc.

Aschenbeck said that work on the building is expected to start at an early date, and completed in some 240 days. He also stated that a picture or cut of the architect's drawing would be available for newspapers soon.

Local Woman Held On Forgery Charge

Mrs. Evelyn Burt, 27, is being held in the Terry county jail for forgery of numerous checks given local merchants.

Mrs. Burt has been a resident of Brownfield for the past three months and is formerly of Plains where she lived for the past four years.

She was caught Saturday afternoon by members of the sheriff's department when she gave a forged check at Cobb's for \$50. Earlier Saturday she had given a cold check to Mrs. Cliff Jones who checked with the bank and found that Mrs. Burt's account was insufficient. She has admitted that she has given one check in Lamesa and has made a written statement admitting these forgeries.

You're A Stranger In Brownfield But Once

Mr. and Mrs. Newcomer, perhaps you say that sign up along the highway as you came in, if not driving too fast. It says, "YOU'LL LIKE BROWNFIELD." And we are willing to wager the coffee that you will. Just tell folks you have just arrived, and see how they try to help you get comfortably located. Yes, we're a bit crowded, but we hope to be able to reasonably care for the new folks.

The glad hand is out, and you're as welcome as the flowers in May. We are all glad that you have decided to cast your lot with us. We need you, and maybe we can be of some service to you.

The following new comers have arrived week ending Sept 30th, according to a reliable source, and there may be others that have not been contacted:

Chester Brannan, Indianola, Okla.; Johnny Brewer, Ranger; J. J. Burney, Snyder; Emery Lee Ekel, Snyder; W. J. Ennis, Colorado City; Rayford Freeman, Rockdale, Texas; T. L. Hudson, Spur; Geo. D. Martin, Snyder; Hershel McAlpine, Spur; Mrs. James E. Pryor, Midland; John L. Silzey, Snyder; Robert R. Spinks, Monahans; Arthur J. Steffens, Rockdale; Mrs. Sullivan, Snyder; Gutherie Wright, Tulsa, Okla.

Brownfield Pioneer Passes To Reward

Funeral services for W. G. Hardin, Sr., 83, who died at his home, 404 W. Buckley, Monday, were held at 3 p.m. Tuesday in the Crescent Hill Church of Christ with Minister Jimmy Wood officiating, assisted by William J. Spreen.

Survivors include his wife; two daughters, Mrs. Robbie Webb of Levelland and Miss Kathleen Hardin of Houston; two sons, W. G. Hardin, Jr., of Port Arthur and Joe Hardin of Fort Worth and three sisters, Mrs. Mattie Livingston, Etowah, Ala.; Mrs. Pearl Cunningham, Florence, Ala.; and Mrs. S. O. Dilbeck of Springtown, Texas.

Honorary pallbearers were H. R. Winston, C. J. Smith, W. H. Collins, R. E. Self, Kyle Graves, G. W. Chisholm, A. M. Brownfield, A. R. Brownfield, G. G. Gore, Will Adams, Glen Harris, Roy Harris, T. G. Sexton, Walter Gracey, A. J. Stricklin.

M. R. Stroup, W. P. Forbes, J. A. Parks, W. R. Bridges, Willie Winn, James Harley Dallas, J. H. O'Connor, E. D. Jones, S. C. White, T. L. Treadaway A. H. Daniell, all of Brownfield, and R. H. Banowsky of Abilene; Arbrej Banowsky of Houston; L. F. Hudgens, Stephenville, and Gilliam Graham of Texas City.

Burial was in Terry County Memorial Cemetery under the direction of Brownfield Funeral Home.

Brownfield Telephone Expansion Announced

Mills Roberts district manager for Southwestern Associated Co., stated today that expansion plans for Brownfield's telephone service will not stop with present construction work. Accelerated business activity in the Brownfield area has made necessary a revision of previous telephone expansion plans.

Roberts explained that plans made last year called for an increase of approximately 35 per cent in switchboard and long distance facilities, but these plans have now been revised to provide better than a 100 per cent increase by the early part of 1951. Three new switchboard positions are being installed immediately with four more to follow by the end of the year.

Additional long distance circuits to be installed during the next few months will bring to 33 the number of long distance lines available at Brownfield. Roberts further commented that the telephone company has made some additions and improvements that make it possible to handle more local and long distance call.

Extension of present telephone lines and the addition of more switchboards will make service available to approximately 225 applicants and prospective subscribers. Capacity is also being increased so that telephone service may be extended to additional prospective subscribers with a minimum amount of construction. Roberts said that commercial surveys made by the telephone company periodically in all its exchange areas take the major element of chance out of expansion programs. "However," he added, "in a city which is growing as fast as Brownfield, it is difficult to forecast requirements for some areas before the need actually arises. It is our job then to install the facilities as quickly as possible after dependable information is available."

Some time ago a number of officials of the telephone company met with Chamber of Commerce officials in Brownfield to discuss the telephone service problem. Much helpful information was provided the company at this meeting and Roberts said he wished to express the company's appreciation to the Chambers directors for their suggestions, opinions and comments.

FIVE HUNGRY LAMBS—This ewe owned by stock farmer Ovey Taliaferro of Melvin, Texas, gave birth to five lambs. The ewe could only nurse two of them, so Taliaferro fed the others from soft drink bottles. The lambs soon forgot about their mother and began looking for the bottles. They follow Taliaferro like puppies. (AP photo)

Terry County Making Big Show In Oil News

Here we go with another oil report for the vicinity as we understand the oil news. A lot of it will be a bit off brand, but the oil people don't read this crap anyway. It is intended for the laity.

First off, we told you last week about that "mysterious" well, Willard No. 1, an Amerada project, that we'd lost sight of. And we'd learned that while two other wells near it had stopped at 8,000 plus and finished in the Wolfcamp for a pretty good well, this mysterious discovery well was to be carried to a total of 13,000 feet. We hope they don't drill into the heads of some of those Red Chinamen—might ruin a good drill.

And we learned something else about it this week. At something over 12,400 feet they have struck some "free" oil. All that we've been buying has cost us around 35¢ a quart that we put in the crankcase. Anyway, and seriously, the Willard No. 1 has struck another strata of oil, and after a test they are drilling ahead in the same formation. More later.

The two other producers in the Wolfcamp are Willard No. 2, and Carl Golden No. 1, both finished in the Wolfcamp. The Sinclair is also locating an offset in that field, and we've heard rumors of others.

In the meantime, there is another new location 2 1/2 miles north of the Mound Lake pool. And derrick and drilling machinery is being assembled at the first of the series of three wells on the A. M. Brownfield checkerboard arrangement, three miles east of town. All three wells are supposed to be drilling by Nov. 1.

As for the new wells drilling near the Cotten discovery, five miles southeast of town, or the Wellman section, there is just a period of "watchful waiting," but

Eight FHA Girls To Attend State Fair

A group of local FHA girls will leave this afternoon for Dallas where they will attend the State Fair this week end. They will be accompanied by Miss Wanda Terry, head of the BHS home economics department and her assistant, Mrs. Dorothy Smith.

The girls will stay at the NT-AS airfield one mile west of Grand Prairie. Those who will attend are Murrill Carter, Jaye Grissom, Georgia Martin, Deona Mabry, Wanda Baldwin, Julia Smith, Bobbie Bingham and Barbara Luker.

Members of the club were initiated at a formal candlelight ceremony Monday night, Oct. 2. Officers conducting the service were Glendora Stockton, president; Freda Edwards, treasurer, and Marilyn Willis, secretary.

Following the ceremony a short business meeting was held and delegates were elected to attend the State Fair.

CUBS WIN FIRST CONFERENCE GAME LAST FRIDAY NIGHT; PLAY WILDCATS TONIGHT

The Brownfield Cubs won their first conference victory last Friday night over the Mules, will meet the Littlefield Wildcats tonight at 8 o'clock at Cub stadium.

The Cubs made a good showing against the Mules, and will be fighting with the same Cub spirit tonight when they meet the Wildcats.

Billings, Chambliss, Mayfield and Jones may see little action tonight because of previous injuries received.

The Cub line up will remain the same as in the previous games with a few alternates filling in.

The probable starting line up for the Wildcats will be Gene Renfro, M. C. Northam, Jackie McCanlies, Bobby Cox, Arlen Wesley, Bobby Barker, Freddie Howard, George Heard, Dickie Hopping, Jo Paul Owens and Walter Brantley.

Carl Spautz To Draw Courthouse Plans

The Terry county commissioners met Wednesday at the courthouse.

During a meeting the group voted and hired Carl H. Spautz, architect from Austin, to draw up plans for the new addition to be made on the courthouse. Spautz will complete the plans and return them to the commissioners with an estimated cost.

Death Takes Noah Bell After Long Illness

One of the men who was here before Terry county was organized and there was a Brownfield, was Noah Bell, prominent stock farmer of the Needmore community. Mr. Bell has suffered much in the past two years, and he spent most of the past year in the local hospital. Only a strong body developed in the outdoor life of the cowboy, would have carried him to this time. He died Monday.

Noah Bell first appeared on the Plains more than 60 years ago, working for some of the ranchmen north and west of Lubbock. After he married the late Mrs. Bell, they settled down in the strip between Terry and Hockley counties, which was the first land to be open to settlers in the two counties. He came to this section from down about Austin.

Like all pioneers, the Bell home was always open to visitors and neighbors. He was always for that which would build up the community, such as school and churches. But so far as we know he was not a member of any church. He wanted the best schools and teachers for his and his neighbors children.

Noah always had a frank way of expressing himself, and doubtless many that were not well acquainted with him, took this

(Continued on page 12)

40,000 Bales Is Estimate For Terry Cotton Crop

Second Induction Call For 17 Men Oct. 10

The second induction from the local board No. 116 will be Oct. 10, according to Mrs. Joyce Glick, clerk of the local board. This board includes Terry, Yoakum and Hockley counties.

Those leaving in the second induction are Robert Earl Flowers, Levelland; Kenneth LaVern Shue, Levelland; Billy Joe Snodgrass, Plainview; Cecil Kellum, Levelland; Nathan Craig Lewis, Brownfield; Jerry D. Beavers, Jr., Levelland; Grady Arthur Akin, Brownfield; Sam Edd Langford, Levelland; Emory Leroy Jackson, Jr., Snyder; Melton Vinson Dixon of Plainview; Thomas Eddie Lance, Levelland; Tommie Talk, New Braunfels; John Roscoe Stogsdill, Levelland; Paul Monroe Nettles, Lubbock; Lawrence Donald Lunsford, Brownfield; Hulen Ray Pryor, Bentonville, and Donald Ray Tyler of Levelland.

FFA Boys Leave for State Fair Tonight

Thirty FFA members will leave Friday night immediately following the football game for Dallas where they will attend the State Fair of Texas.

They will stay at the Naval training station west of Dallas while attending the fair. They will pay 50¢ fee each night for beds and they will travel to and from the Naval base each day on buses. The group will be admitted to the fair grounds free Saturday and will receive free lunches at noon on that day.

Ray Hensley, assistant vocational ag teacher will sponsor the boys, and they will return Monday evening.

Initiation of 35 green hands highlighted this week's FFA activities. The initiation was held Tuesday night in the high school gym with opening ceremony by club officers.

Following the initiation refreshments were served to all members and green hands.

Highway 380 To Be Rebuilt By State

US highway No. 380 is to get a reconstruction, widening and re-topping job finally, we are glad to announce. For several years the portion of this road from Brownfield to the Lynn county line has been everything but what one would expect on a much traveled road.

At a recent setting of the highway commission at Austin, this and several other US-State roads were designated for improvement, the total being in the neighborhood of \$90,000,000.

The instructions appearing in Sunday dailies was as follows: Terry—380, Brownfield to Lynn county line, and two miles over in Lynn county, 13.7 miles, reconstruction and surface widening.

Pfc. Darrell Dodson Seriously Wounded

Mr. and Mrs. G. W. Dodson were notified by the War Dept. that their son, Pfc. Darrell A. Dodson was quite seriously wounded while in action in Korea, Sept. 18th. They later received a short letter from Darrell, who stated that he was getting along as well as could be expected, and was then able to stand.

The troop in which Darrell was a part, had just taken a hill from Red Koreans, but a sniper got him. The bullet struck him in the lower part of the left ear, going through part of his neck.

In conversation with Mrs. Dodson, she stated to the Herald that they were hopeful that Darrell would pull through OK, and soon regain normal health.

Mr. and Mrs. Hunt from Lovington, N. M. visited Mr. and Mrs. Corky Brooks Sunday.

Hugh S. Thomas

Public Accountants Locate In Brownfield

Merriman & Thomas, Certified Public Accountants are announcing the opening of their office here in the Brownfield State Bank Building. Hugh S. Thomas, who has moved to Brownfield with his family, is to be the resident partner. He is associated with Edwin E. Merriman, a widely known accountant of Lubbock.

Mr. Thomas has been with the Internal Revenue Collectors office in Lubbock. He was the first internal revenue agent assigned to the Lubbock office when it was opened. Their work will consist of filing tax returns, making audits, bookkeeping service and rendering tax advice.

Thomas is a graduate of Lubbock high school and Texas Tech. He served four years with the Navy as an executive officer on a destroyer escort. After the war, he got his master's degree from Pepperdine college in Los Angeles. He is a member of the Church of Christ.

Sam Chisholm, of Brownfield, who recently passed his certified public accounting examination, will work for the firm here.

Mr. and Mrs. Thomas have two daughters, Mary Ann 3, and Martha Ruth, 1. They reside in the Gilpark apartments.

The October 1 estimate by K. N. Clapp on the 21 counties composing what is usually termed the South Plains of Texas is shown below. Mr. Clapp, of Lubbock, represents the Anderson Clayton Company, and his estimates have always proven fairly accurate. While the late estimate is 28,000 short of the Sept. 1 estimate, most counties, including Terry, are the same as a month ago.

Two counties, Hockley and Lamb took the most cut, the former from 120,000 to 105,000 bales, and Lamb from 95,000 to 80,000 bales. While the total crop will be one of the largest and a good average, it falls far short of the enormous 1,644,000 bale crop of 1949.

But with the higher price of cotton and cottonseed, the income of these cotton counties should run in the neighborhood of from \$175 to \$200 million dollars, Mr. Clapp estimated. The depredation of insects and worms, as well as wet weather has taken toll on the crop this year, and cloudy, murky weather still prevails.

Much of the poison has been washed off by heavy rains, big dews, etc., and has not been as effective as usual in destroying insects. The crop standing as of Oct. 1, and Sept. 1, is given below:

County	Oct. 1	Sept. 1
Bailey	11,000	12,000
Briscoe	7,000	7,000
Cochran	25,000	27,000
Crosby	50,000	50,000
Dawson	76,000	70,000
Floyd	95,000	95,000
Gaines	20,000	20,000
Garza	13,000	15,000
Hale	70,000	80,000
Hockley	105,000	120,000
Lamb	80,000	95,000
Lubbock	155,000	155,000
Lynn	90,000	75,000
Parmer	3,000	3,000
Swisher	5,000	10,000
Terry	40,000	40,000
*Others	15,000	15,000
Totals	801,000	829,000

*—Borden, Castro, Deaf Smith and Yoakum.

FHA Girls Win At South Plains Fair

The Brownfield FHA girls won four prizes at the Mid-Century South Plains Fair in Lubbock this week.

Two second year home economics girls won prizes on the skirts they made this year. Deona Mabry won first place and Veneta Ann-Jowers won second.

Geraldine Forbes won third place ribbon on her pickled beets while Nelva Wiggins won second place with her white layer cake.

These products and garments were competing with those entered by FHA clubs all over the county and those counties participating at the Lubbock fair.

Trend Toward Better Service Stations

The Herald is glad to see our service station proprietors organize and get in line with others of the United States in better promotion of their business, as well as to guard against fraudulent customers who sometimes take advantage of quite lenient credit business, that is offered by service station men.

Over the years we have noted that there has been a decided trend for the "better" business methods in the service stations. Even in the small towns where there is no sewage system available they use the pit sewer system, and the toilets are kept as neat and sanitary as possible.

What is even more noticeable about the great majority of service stations is that the personnel meet you with a smile, whether you wish a fill of gasoline and a quart of oil, or merely wish your tires checked and the water looked after. Usually when you state that you regret that you gave them the "gimme" job, they'll just smile, and—maybe we'll get the fill job next time.

Once in a rare occasion you will run upon a careless, indifferent station attendant. Maybe you'll spend several dollars with him, but if you get your windshield cleaned, you will have to ask him, or do it yourself. He is not putting out any extra effort.

But did you ever notice that the next time you're down that road, there is a new man there, who is as accommodating as the next one. The careless and indifferent just do not last.

Mr. and Mrs. R. E. Townzen have returned home after a few days visit with their children, Mr. and Mrs. C. J. Richter, at Los Angeles.

Mr. and Mrs. Harvey Gage and Mr. and Mrs. Bob Thurston visited Rev. and Mrs. H. L. Thurston in Canyon Sunday.

WEIGHTY TOPICS UNDER DISCUSSION

This pensive young gentleman is giving some after-school coaching to one of his classmates. Modern philosophy or some weightier topic might be the subject under discussion, judging from his solemn expression. The flirtatious little miss is taking it all with a grain of salt, however. She is more interested in his neat, man-about-town cotton suit. With it, he wears a polka dot cotton shirt that is the masculine equivalent of her own western style cotton blouse. Both of the cotton school ensembles were designed by Johnston of Dallas.

Radioactive Detection Explained By Dr. Cox

At least four different types of radioactive detection instruments and computers are available for measuring radiation particles if and when an atomic bomb is ever exploded over a Texas community.

This encouraging bit of information was revealed by the state's chief health official, Dr. Geo. W. Cox. He's state director of health and emergency medical services, part of Texas civil defense setup.

Radiation is one of three principal harmful effects of atomic

explosions. Others are blast damage and burns. Using RADIAC instruments, it is possible to know what areas are safe from the tasteless, odorless, colorless radioactive particles.

All RADIAC instruments are designed for use by radiation monitoring squads. Squad members might be soldiers, or they could be civilians trained by the State Health Department's radiological division. In either case they would be trained for immediate action in atomic disasters.

"Planning emergency medical and health services in an atomic disaster has been one big mess of confusion," Dr. Cox admitted. "But we're beginning to see light now. Our radiology division is going to get right to work, now that we have it set up."

Radiac instruments got this official explanation:

Film badges can be pinned on to the lapel, strapped onto the wrist, worn in a ring, etc. They consist of a piece of photographic film, and are used to show the amount of radiation to which the monitor has been exposed. Radiation particles affect the film like light. Dozens of "tracks" are visible when the film comes in contact with heavy concentrations of radiation.

Film badges are a permanent record of the exposures to which the monitors have been subjected. Dr. Cox says they show whether or not the wearer has received the "maximum allowable lifetime dosage."

Pocket dosimeters, like the film badges are for the protection of the monitors. They look like fountain pens, and gauge on-the-spot amounts of radiation.

Geiger counters and ionization chambers actually count the number of radiation particles—gamma rays, and alpha and beta particles present in an area. So sensitive is the geiger counter that if it could be wired to a fly his footsteps could be heard distinctly.

GRAIN SORGHUM LOANS EXPLAINED

B. F. Vance, chairman of the state PMA committee, advises grain sorghum growers that the grain sorghum loan rate announced for Terry county is for grain sorghum stored on the farm. A deduction of 20.5 cents from the announced county rate will be made where grain sorghum is stored in a commercial elevator unless the storage is prepaid and so indicated on the warehouse receipt.

Vance says the 20.5 cents reduction is made on the assumption that the grain will have been in storage 230 days when the loan matures.

In some areas where harvest is late, farmers can save by pre-paying the storage and securing the full county loan rate on their grain. Vance advises all growers to check with their local county PMA office before closing the loan.

Truman Urged Not To Appoint Vatican Envoy

The American members of the Executive Committee of the International Council of Christian churches, sitting at Geneva, Switzerland, voiced their "unalterable" opposition to the appointment of a representative of the United States government to the Papal State. The statement followed one by President Truman, who said that he had under consideration such an appointment.

The Executive Committee's message to the President said, among other things, that an appointment of an envoy to the Vatican "would do great harm to the interests of Protestant missions. Our country cannot justly give advantage to any particular religious belief, and the effort to deal with the Roman Catholic church, which subordinates political authority to its own religious dogma, will give advantage both within and without our land."

The message further emphasized that "in our struggle with totalitarian Communism, we must not again make the mistake of advancing another form of totalitarianism at whose hands our Protestant fathers have suffered, with which the world may have to deal when the Communist peril has been faced. We strongly urge you not to connect our country directly or indirectly with the Roman See. . . . The prestige of our great free land must not be used to strengthen and advance the Roman Catholic church."
—Scottish Rite News Bulletin.

Notice To Lease County Land For Oil Development

Notice is hereby given, that I, H. R. Winston, County Judge, of Terry County, Texas, by virtue of an order of the Commissioners Court of said county, recorded in Vol. 5 at page 373 of the Minutes of said court, will on the 23rd day of October 1950, at the Court House door in Brownfield, Texas at 10 o'clock A. M. sell to the highest bidder for all cash, an oil and gas lease, on the following real estate belonging to Terry County, Texas as follows: one half interest in

The West One (1) Acre in Tract Two (2) of the Bandy Subdivision of the Northwest part of Section 114, Block T, D&W RR County Survey, as per plat recorded in Volume 83 at Page 81, Deed Records of Terry County, Texas, and being the only land owned by Terry County, Texas in the above subdivision.

The oil and gas lease on above tracts to be standard Texas form Producers 88, for five years term, to carry \$1.00 per acre annual delayed rental. Cash bonus for lease to be paid in cash, on completion of title.

I reserve on behalf of the County, to reject any and all bids. Witness my hand this 25 day of September 1950.

H. R. WINSTON
County Judge of Terry County, Texas and Commissioner, appointed for this sale.

Bailey-Holleman Vows Read In Home Ceremony Thursday

Miss Patricia Ann Bailey, daughter of Mr. and Mrs. S. W. Bailey of Seagraves, became the bride of Nuel Holleman, son of Mr. and Mrs. H. L. Holleman of Wellman, Thursday evening, Oct. 5, at 8 o'clock in a candle light ceremony read in the bride's parents home in Seagraves.

Rev. Preston W. Springfield, pastor of the Seagraves First Baptist church, read the double ring vows before a fireplace banked with green fir and baskets of pink and white gladioli. The altar was flanked by two candelabra with burning white tapers.

Mrs. Garland Phillips played a piano medley of pre-nuptial songs. P. W. Springfield sang "O Promise Me" preceding the ceremony and the "Lord's Prayer" at the close. Mrs. Phillips also played the traditional wedding marches.

Given in marriage by her father, the bride chose a tangerine gabardine suit with a navy blue velvet hat and accessories to complement her ensemble. She carried a white Bible topped with a white orchid showered with staphanotis and satin streamers tied with love knots.

Mrs. Shaffer Bailey, Jr., sister-in-law of the bride, was matron of honor. She chose for ensemble a hunter green velvet suit with matching hat and brown accessories. Her corsage was of white carnations.

Tom Warren, Jr., of Plains, brother-in-law of the groom, was best man.

Immediately following the ceremony the bride's parents honored the couple with a reception. The bride's table was laid with a white linen cut work Madeira cloth centered with a three tiered pink and white wedding cake. The cake was topped with a miniature bridal couple. The wedding take was flanked by slim white tapers tied with pink satin bows and a crystal punch bowl was at one end. Cake and punch were served by Misses June Lewis, France Huntley and Laverne Lewis.

Mrs. J. D. Ballew of Denver City presided at the white satin bride's book.

Guests attending the wedding were the couple's immediate families.

The couple will be at home in

Mrs. Beasley Hostess To Meadow Club

The Meadow Study Club met Thursday afternoon, Sept. 28, in the home of Mrs. Robert Beasley.

Mrs. F. A. Wilson, president, presided during the business meeting, and the club is sponsoring a book drive for the Meadow libraries. Arrangements are being made for the club to hold a rummage sale in the near future.

Mrs. Lewis Peeler, program chairman, led a pro and con discussion on "Compulsory and Voluntary Medicine." Those participating in the program were Mesdames Finley, F. Sharp, and Herman Pendergrass.

Tuna fish sandwiches and apple pie were served to 16 members. An autumn leaf corsage was presented as favors.

CHALLIS NEWS

Mr. and Mrs. J. K. Moss, of Levelland visited Mr. and Mrs. L. R. Bagwell Sunday.

Mr. and Mrs. A. D. Crowley of Slaton visited Sunday with Mr. and Mrs. Tommy Pettigrew.

Mr. and Mrs. W. J. Hennesson visited Mr. and Mrs. Morris Pate in Brownfield Sunday.

Rev. and Mrs. Edwin Kettler visited Mr. and Mrs. L. P. Price Sunday. In the afternoon, Rev. and Mrs. Kettler visited Mr. and Mrs. Lloyd Henson.

Mr. and Mrs. Doyal Henson of Levelland visited Saturday with Mr. and Mrs. Lloyd Henson.

Those who visited Mr. and Mrs. Robert Garner Sunday were Mr. and Mrs. John Garner, Mr. and Mrs. William Whitefield, Mrs. Ruby Willis and family, Mrs. Fred Willis and family, all of Seagraves, and Mr. and Mrs. Jim Phillips and family of Littlefield.

Mrs. C. S. Carroll and Mrs. Loyal Henson visited Mrs. J. L. Langford Monday afternoon.

Brownfield where the groom is engaged in farming.

Oliver-Simmons Wed In Portales, N. M.

Miss Lena Mae Oliver, daughter of Mr. and Mrs. A. A. Oliver of Brownfield, became the bride of Jack Simmons, son of Mr. and Mrs. F. P. Simmons of Brownfield, Tuesday, Sept. 19, in the Church of Christ parsonage in Portales, N. M.

Minister Ross of the Portales Church of Christ read the double ring ceremony.

The bride chose a pink gabardine suit with gray accessories for her wedding ensemble. Her corsage was of white carnations.

The couple's only attendant was T. S. Doss, Jr., of Brownfield.

The bride is a graduate of Brownfield high school, and the groom is a Lubbock high graduate. The couple is at home on a farm in the Needmore community where Mr. Simmons is engaged in farming.

Cen-Tex Club Met In Woods Home

The Cen-Tex Harmony Club met Thursday evening, Oct. 3, in the home of Mrs. Grace Woods at 8 o'clock with Miss Creola Moore and Miss Edith Creighton were hostesses.

The program for the evening included two talks, "Keeping Young with Music" by Mrs. S. P. Cowan and "Don't Take Your Music Too Seriously" by Mrs. Edith Creighton. Mrs. Mae Dallas played a piano solo. The program was concluded with group singing.

Cake and punch were served to Mesdames Fred Bucy, W. H. Dallas, Billy Moore, S. P. Cowan, John J. Taylor, Wayne C. Hill, Grace Woods and Miss Minerva Chesshir and the hostesses.

MRS. MOORE HONORED WITH SHOWER

Mrs. Erwin Moore was honored with a pink and blue shower Tuesday, Sept. 26, in the home of Mrs. Frank Dymartin. Mrs. J. A. Chambliss and Mrs. L. G. Chambliss were co-hostesses honoring Mrs. Moore.

Mrs. D. L. Patton and Mrs. Marie Holloway won game prizes and presented them to the honoree.

Cookies and lemonade with rainbow colored ice cubes were served to 30 guests. Those unable to attend sent gifts.

Mrs. E. R. Hensley assisted the hostesses in serving.

Dr. and Mrs. T. H. McIlroy and Daina, Mr. and Mrs. Howard W. McIlroy of San Antonio and Harley Starnes attended the McIlroy reunion in Lubbock Sunday.

Pictured above are Mr. and Mrs. Billy Blankenship who were married Sunday afternoon, Sept. 17, at 3 o'clock in the First Presbyterian church.

Circles Meet This Week...

BAPTIST WMU HOLDS MHD PROGRAM

The WMU of the West Side Baptist church met Monday, Oct. 2, for their Mary Hill Davis program.

Mrs. Jess Stewart was program chairman and led the candlelight ceremony before an open Bible and map of Texas display.

The group is making arrangements to sponsor a social Tuesday night in the parsonage for the intermediate girls with the intermediate boys as their guests. Plans were also made to sponsor the kindergarten school of the Mexican mission for a week.

The WMU met Sept. 28 at the home of Mrs. George Merritt and Mrs. E. J. Perkins and canned 50 quarts of pears for the Baptist camp.

The group wishes to extend their regards for a speedy recovery to Bruce Frost and Mrs. Dan Hulise who are patients at the hospital.

WESLEYAN GUILD TO MEET WEDNESDAY NIGHT, OCT. 8

The Wesleyan Service Guild of the First Methodist church will have their regular meeting next Wednesday evening, Oct. 8, at 7:30 in Fellowship hall of the church.

Miss Minerva Chesshir, president of the Guild, urges all members to attend the meeting, and welcomes any new members who wish to join.

MRS. MARCHMAN HONOR GUEST

Mrs. L. A. Marchman was the honored guest Thursday, Sept. 28, at a pink and blue shower, in the home of Mrs. W. F. Jones. 29 guests registered in the guest book, and several sent gifts. Guests called from 2:30 to 5:30.

Plate favors were tiny plastic dishes. Mrs. Marchman is the daughter of Mr. and Mrs. G. C. Shults of the Union community.

Hostesses were Mrs. W. F. Jones, Mrs. Aubrey Pureyair, Mrs. James Roe and Mrs. Dave Roe.

Mr. and Mrs. Lon Kerrick are announcing the arrival of a baby girl born Thursday night in the Brownfield hospital.

CARD OF THANKS

We find mere words inadequate to express our appreciation for all the loving deeds of kindness, the words of encouragement and sympathy, that was brought in, and the beautiful floral offerings, all of which, combined, said so plainly, that our anxiety and grief were shared by our friends, and made it easier to bear.

Mrs. W. G. Hardin
Mr. and Mrs. Bill Hardin and family
Mr. and Mrs. Joe Hardin and family
Mr. and Mrs. B. L. Webb and family
Kathleen Hardin and other relatives.

Calvin Prestridge, reservist, has been called to active service and is now in training at Camp Hood. He will leave for overseas duty in three weeks. Mrs. Prestridge is working in Dallas and will return home in three weeks.

Past Matrons of OES Hold Meeting Sat.

The Past Matrons Club of the Brownfield Chapter No. 785, Order of Eastern Star, met Sunday afternoon, Sept. 20, at 2 o'clock in the home of Mrs. W. B. Brown. Mrs. Lee Fulton was co-hostess with Mrs. Brown.

Installation and initiation ceremonies were held with Mrs. Cornelia Moore installed as president and Mrs. Iona Turner as a new member.

Following the business meeting cherry pie topped with whipped cream and coffee were served to Mesdames Jessie G. Randall, Ches Gore, Grady Goodpasture, Wayland Parker, Iona Turner, C. D. Moore, Della Thompson and the hostesses.

Co-hostesses for the next meeting will be Mrs. Ches Gore and Miss Minerva Chesshir.

To Celebrate Golden Wedding Oct. 14

There is another couple in Terry county that is nearing the half century stage since they took the vows to remain with each other until "death do separate." This couple is Mr. and Mrs. R. B. Smith, who live just across the road from the old Lassiter farm in the Johnson community.

Mr. and Mrs. Smith were married at Abilene on the 14th day of October, 1900, by a minister, whose name Mr. Smith could not recall. They moved to Stanton about 1901 and to Terry county in 1930. They are truly west Texas pioneers. Mrs. Smith was a Miss Effie Claunch.

Really Mr. Smith said he did not want an announcement; just wanted us to come out that day.

GOMEZ GOSSIP

Mr. and Mrs. Fred Igo of Lubbock were visitors last Thursday in the home of her parents, Mr. and Mrs. E. N. Corley.

Miss Dollie McLeroy of Seminole is spending her vacation visiting in the home of her mother, Mrs. C. J. McLeroy.

Mr. and Mrs. Bill Miller and children of Lubbock were week end visitors in the home of Mr. and Mrs. A. V. Britton.

Mr. and Mrs. J. C. Wooley spent the week end visiting in Lubbock with relatives.

Those who attended a family get together dinner in the home of Mr. and Mrs. T. A. Gresham Sunday were Mrs. D. M. Gresham and children, Mr. and Mrs. Earline Gresham all of Levelland, Mr. and Mrs. J. C. Gafford and children, Mr. and Mrs. A. L. Patton and children, and Mr. and Mrs. C. V. Glick and children, all of Brownfield.

Mr. and Mrs. Dorsey Martin of Looker, Okla., are the parents of a baby girl. Mr. and Mrs. Tyler Martin, the proud grandparents, left Monday to see the young lady. Mrs. Martin will remain for a few weeks visit.

Joe Bailey Whitley of Santa Ana, Calif., visited in the Alton Webb home Sunday.

Delphian Study Club Makes Tour Of Girls Town Monday

The Delphian Study Club made a field trip to Girls Town Monday afternoon, Oct. 2, for their regular club meeting. Mesdames George Steele and Lewis Simmons were hostesses for the occasion.

Mrs. F. L. Powers and Miss Amelia Anthony welcomed the group to Girls Town. Due to a previous engagement of Miss Anthony, Mrs. Powers toured the group over the grounds and buildings explaining their various uses.

The group missed seeing the six older girls who were in school at Whiteface, and the three small children were asleep.

Mrs. Leonard Chesshir, president, was program chairman for the day. The theme of the program was "Give a Child With His Gift a Chance." Before leaving Girls Town Mrs. Chesshir presented Mrs. Powers with a \$10 check as a gift from the club.

The group visited the kitchen, dining room, baby's building and the huge dormitory building equipped for 64 girls where the older girls are living. These facilities show that Girls Town offers ample opportunity for happy adjustment and learning about the domestic chores of life and having fun together.

The hostesses entertained the group in the private dining room of a cafe in Levelland cafe where they served refreshments

of pie a la mode and coffee.

Members making the trip were Mesdames Leonard Chesshir, Crawford Burrow, Herbert Chesshir, K. B. Sadler, L. D. Spradley, J. O. Burnett, Claude Buchanan, the hostesses and two guests, Mrs. Leo Holmes and Mrs. Ray Steele.

GOMEZ PTA TO HOLD STYLE SHOW THURS.

The Gomez PTA will sponsor a style show next Thursday evening, Sept. 12, at 7:30 in the Gomez school auditorium.

Models for the fashion review will be men from the community modeling women's clothes. The admission for the show is 45c for adults and 15c for children. The public is invited to attend.

Mrs. McDonald Feted At Birthday Dinner

Mrs. J. B. McDonald was honored on her 79th birthday Monday evening, Sept. 25, with a buffet dinner in her home.

American beauty roses decorated the house and gifts were presented the honoree.

Dinner was served to Messrs. and Mesdames Alfred Gore, Cliff Johnson, Bill Settles, Jack Thomas and Tommy, Arthur McDonald of Texico, N. M., W. G. McDonald, Bud McDonald, Mrs. D. W. Lang and the honoree.

Have news? Call the Herald.

Stafford's Teentime Lines

Hi kids! Things are really buzzing around of BHS with this school queen race and the Harvest Festival nominees running close competition.

Good luck to Peggy Black, senior; June Whitaker, junior; Lealdale Portwood, sophomore; and Juan Nell White, freshman, candidates for Harvest Festival queen race.

Carlton Brady is representing Terry county this week at the Mid-Century Panhandle-South Plains Fair in Lubbock.

Annie Grace Nicholson spent last week end at home and returned to Brownwood Sunday evening where she is a freshman at Howard - Payne. Annie Grace dated Doyle Drake while she was home.

Dorothy Nell Brownlee entered business college in Lubbock Monday.

John Thompson, freshman at Tech, began practicing with the Fish football team at Tech and is making a good showing. Keep the good work up John, and I hope you make the main string.

Daina McIlroy spent Friday and Saturday visiting in Lubbock.

Bobbie Stephenson of Meadow and George Ashburn are frequently seen around Brownfield as a steady couple.

Harlen Glenn spent last week end in Wewoka, Okla., visiting her grandmother. Harlene was recently elected assistant editor

of the BHS Cubs Den.

LaNita Brown give you prompt service at Primm's soda fountain. She always has a smile and friendly hello for you.

A steady couple at BHS is Charlotte Smith and Herbie Kendrick—it's so hard for Herbie to get to band on time. Casanova Lany Webb has been seen dating Pat Truly and Gloria Smith recently.

Orchids to the BHS band for winning the cup at Littlefield Friday afternoon for being the best marching band.

Movie dates this week were John Sutterfield and Freda Anthony; Dale Travis and Pat Truly.

A new boy around Brownfield is Charles Mitchell of Midland who is employed in abstract photography.

Dater at the Muleshoe game yesterday night were LaMoise Lindsey and Donald Price; Jackie Allen and Bill Green. Techans attending were Jackie Worsham, Don Andrew and John Thompson.

LaNell Duffey, France Price and Janelle Thompson returned to Lubbock Sunday evening after spending the week end at home.

Before signing off, I would just like to add a few words to the Cubs—if you will play the Wild-cats tonight with the fight that you played the Mules you can stack up another victory. We (the kids) will be supporting you win or lose all the way. Good luck! Bye now—

Primm Drug

"Where Most People Trade"

Stricklin Speaking

By Old He
There was quite a nice crowd here Monday, for Dollar Day or as some call it, First Monday. Then mixed in with the others were not a few strangers perhaps brought here by the oil play.

One of the newer makes of cars are claiming that their new light cars will make from 35 to 40 miles per gallon of gas. We have no right to dispute this assertion, and frankly don't believe the makers would advertise the matter so extensively unless it were true.

Way back in the early days when Henry's tin lizzie, and the Chivvy were both light weight cars with just four cylinders, there was a contest held here one time, not by the manufacturers or dealers, but the owners, to see which could go farthest on a gallon of gasoline.

The cars were stripped down of all surplus weight, and drained of gasoline, and refilled by the judges, one gallon each, and all were pointed in the general direction of Tahoka. Now, those old dirt roads, with an occasional band of sand blown across, was no comparison to the presently paved highway.

Anyway, about a half dozen cars, of several popular makes of the time took off, some fast, some slow and some medium. Most got over past the Lynn-Terry line, and one nearly to Tahoka. That fact was the talk of the community for several weeks.

We were just joking about matching the Cubs and Wellman for open date, as Wellman will probably have something to say about that, as well as the Cubs. But most people expected Muleshoe to down the Cubs pretty badly, but it went the other way. Which goes to show that all, including people who are football fans, can miss a mile.

But we are not looking for any such luck this weekend. The Cubs will be the decided underdogs in a contest with Littlefield, that

has not lost a game in a blue moon.

By the way, the Little Cubs or Juniors are doing fine, apparently. They lost their first game to Levelland by a wide score, but sorter eased the pangs of defeat Tahoka gave the Big Cubs, by drugging the Bulldog pups much worse than the seniors were beaten by the big Bulldogs. On top of that, last Thursday they whipped the Little Mules from Muleshoe to a standstill. The score was 37 to 0.

In fact, the first team was pulled soon after the game started, and the coach let just about all his men get a bit of practice. Perhaps we'll have a whale of a team in two or three years if not sooner.

Someone remembered lately that just about everything has been cut except prices, paupers, pension rolls, Truman give-away doles, bathing beauties and muscle shows.

And while on the frivolous side of the subject, about the latest lame stuff to come out of Washington, was the idea advanced probably by some braintruster to stop giving a spare with a new car sale. Probably the wise one didn't know that the extra tire is charged for in the sale of the car.

Anyway, there would be no law forbidding the new car buyer from purchasing one from some tire dealer. To offer a new car buyer an old re-capped job would be almost an insult.

Some funny and we might say ridiculous ideas originate with the boys up at Washington with nothing particular to think about except to inconvenience some one.

Speaking of the Democratic Convention down at Mineral Wells last week, Tim Parker of the AP says that while all the cigar stubs, tally sheets and pop bottles have been cleared from the convention hall, they left behind them a puzzler.

"What is a Conservative? A Liberal? A Dixiecrat? A States Righter? A Loyalist? A Fruitjar Democrat?" We had heard definitions of most of them elsewhere, some not sounding so good, but

"EAR-BANGER"—U. S. mortar crewmen in Korea hold their ears as they send their deadly missiles whistling into enemy lines. At right a communications man checks fire results with an artillery observer up front. Packages of C-rations, familiar to millions of ex-GI's, can be seen in foreground.

when they jumped the Fruitjar. Yes sir, he was one that had the marking of the fruitjar still on his nose from drinking corn whiskey back during the "dry era," when that drink came on in glass jars. They not only drink their corn whiskey straight, but vote the same way—Democratic of course.

variety in on us we got curious. Last week was another headache in the history of issuing a paper. Had to use some small sizes again, and that meant re-adjusting the forms, the press, folder, etc.

Had a regular size to come in to Lubbock about 7 p.m. Thursday, but the truckers refused to unload the car till Friday. Belonged to the union we guess. Anyway we got out about 2 P.M. From what we could find out, other papers were up against the same proposition. We heard that our competitor got some half sized paper and had to run two instead of four pages at a time. Some better off this week, and our regular supply is due any day now, about a month late.

Some of these items had to be left out last week, as well as some other local matter. Sorry, but it was just one of those things.

Some say it is better to be born lucky than rich. That may have happened to us this week, when two suits for slander were, not entirely withdrawn, but continued to the next term of court. All depends on our good behavior for the next few months.

The first suit was because we stated that a certain man's house consisted of "three paths and a room" instead of "three rooms and a path." The other was that a good lady was about to come down on our neck for calling her cafe a rather disrespectful name. But when we proved we just repeated what her husband called it, the case was continued, also. Thanks a lot.

The Herald for best results!

STATEMENT

of the ownership, management, circulation, etc., as required by an act of Congress on August 24, 1912, as amended by an act of March 3, 1933, and July 2, 1946.

Of the Terry County Herald, published weekly at Brownfield, Texas, for October 1950.

State of Texas, County of Terry: Before me, a Notary Public, in and for said State and county, appeared A. J. Stricklin, who having been duly sworn according to law, deposes and says that he is the Co-Editor-Publisher of the Terry County Herald.

That the names of the publisher, editor, managing editor and business manager are: Publishers, A. J. Stricklin & Son; Editor, A. J. Stricklin, Sr.; Managing Editor, A. J. Stricklin, Sr.; Business Manager, A. J. Stricklin, Jr., all of Brownfield, Texas.

That the owners are, A. J. Stricklin & Son; A. J. Stricklin, Sr., and A. J. Stricklin, Jr., all of Brownfield, Texas. It is not a corporation.

That there are no bondholders or mortgagees.

That the average number of copies of the paper distributed through the mail or sold to PAID subscribers for the past twelve months, preceding the date shown above, was 2255 copies. A. J. Stricklin, Co-Owner.

Sworn to and subscribed before me this 30th day of September, 1950.

M. A. Portwood.
(My commission expires June 1951).

ALL CHILDREN ATTEND MOTHER'S FUNERAL

All six of the Whitley children living in California, were here for the funeral last week of their mother, Mrs. J. J. Whitley. Another son, Sonny, lives here. They were: Ben, Austin and Mrs. Rosa Lee Parnell, of Santa Ana; Joe Bailey and Mrs. Ruby J. Doss of Tufton, and Mrs. Eva Barnett, of Alto, Calif.

MEADOW NEWS

Rev. and Mrs. Cecil Tune have a new son, Billie Carl, and the congregation sends congratulations to the proud parents.

Miss Mable Davis of Muleshoe and Miss Ruby Kempson of Levelland attended church in Meadow Sunday.

Mr. and Mrs. Odie Pope are the parents of a new son. Mr. Pope owns the Pope garage in Meadow.

Our sympathy goes to Mr. and Mrs. J. W. Cryer of Eunice, N. M. formerly of Meadow, in the loss of their daughter buried here Saturday and also to Mr. and Mrs. Tod Boyd the grandparents.

Mr. and Mrs. Pierce Warren were shopping in Brownfield Saturday.

Smith Tilger who teaches in Five Point school visited home folks last week end.

F. A. Foster of Ontario, Calif., is visiting friends and relatives in Meadow.

Mr. and Mrs. R. M. Pugh of Tahoka visited Mr. and Mrs. W. I. Walker Sunday.

Mrs. L. J. Carruth and daughter, Fontella of Amarillo attended the wedding of Elwood Carruth in Comanche Saturday.

The WSCS met in the church Monday evening with 14 present.

Meadow won another football game Friday night over Ropesville the scores 26-0. We are proud of our team and coaches.

Melvin Peek of Lubbock visited Mr. and Mrs. J. E. Peek Sunday.

Mr. and Mrs. Lawrence Renfro of Brownfield visited her father, Hemmie Sunday.

Mr. and Mrs. Hunt from Lovington, N. M. visited Mr. and Mrs. Corby Brooks Sunday.

WENZEL TAKES PRIZES AT DAWSON FAIR

A. D. Wenzel, Berkshire breeder of the Meadow-Needmore area, was in Monday to tell us that he did just about as well at the Dawson County Fair at Lamesa last weekend as he did at Levelland the week before.

He is leaving Thursday of this week for Dallas with 18 of his choice swine, and will exhibit them at the Texas State Fair. We hope Mr. Wenzel all kinds of good luck at the big fair.

PLAINS NEWS

Miss Caryl Marie Light is visiting in Hobbs, N. M., with Mrs. Craig Mays.

Mr. and Mrs. L. B. Curtis visited with Mr. Curtis' mother in O'Donnell over the week end.

C. F. McCargo who is doing some work on a ranch near Kermit spent the week end with home folks.

Mr. and Mrs. W. T. Clinton from Tahoka and their daughter, Mrs. Dawes from Rosenberg visited their daughters and sisters, Mrs. R. B. Jones and Mrs. Don McGinty this week.

Mrs. Riff from Odessa spent the week end with Mrs. Niccum.

Mrs. M. McGinty is visiting with her sister in Rankin.

M. E. Dumas is a patient in the Brownfield hospital.

The home demonstration club sponsored a tea Thursday afternoon at the courthouse. Mrs. R. B. Jones gave a book review, "The Greatest Story Ever Told."

Mrs. J. W. Moore will open a sewing room in the Hale building as soon as some redecorating can be done. She will carry a line of piece goods, etc.

Till W. Read has leased his building next to the postoffice to a firm who will put in a Fair Store.

Mr. and Mrs. Tommie McDonnell are announcing the arrival of a boy born in the Brownfield hospital.

Mr. and Mrs. Carl Casey from Alamosa, Colo., are visiting her parents, Mr. and Mrs. J. H. Morris.

Mrs. Ed Raymond of Roswell, N. M., spent several days with her parents, Mr. and Mrs. J. H. Morris.

HEALTH, too, may be hard to hold

Do you sometimes feel that the quest for Health is more than you can manage—alone? That's quite understandable. And there's every reason why you should have help in this all-important

matter. Go at once and have a talk with your doctor. Let him bring to your aid the greatly improved techniques and wonderful new medicines of this modern age. Naturally, too, we are hoping that you will bring the doctor's prescription to this professional pharmacy for careful compounding.

NELSON'S PHARMACY

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition When due to lack of Vitamins B₁, B₂, Iron and Niacin in your system!

Read How These Folks Benefitted Who Had Such Deficiencies

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress (gas pains, heartburn, indigestion after eating) due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Astorland, Cincinnati, Ohio. "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 12 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results... she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great "builder-upper" for sick, nervous, puny kids whose systems lack precious Vitamins B₁, B₂, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio. "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

IMPORTANT!

Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief—because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL. HADACOL not only supplies deficient systems with extra quantities of

Vitamins B₁, B₂, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.25. Large family or hospital size, \$3.50.

Record Attendance Expected at State Fair

Ready to open its gates in Dallas Saturday, Oct. 7, unveiling its long heralded Mid-Century Exposition, the 1950 State Fair of Texas appears destined to produce the biggest splash in its 65-year attendance.

More than 2,225,000 visitors are expected to throng the 187 acre showgrounds during the fair's 16 day run, Oct. 7-22.

The strong appeal of this edition, officials point out, is due to the most exciting lineup of special events, entertainment and educational attractions ever offered by a state fair, and to the Mid-Century staging which of-

fers "a nostalgic salute to the first half century and a fascinating preview of the second."

Heading the field of entertainment is "South Pacific" the musical hit of the mid-century, with Janet Blair and Richard Eastham, playing 24 performances in the auditorium. Sharing the spotlight, glamorwise, is the world premiere of the 1951 version of Ice Cycles.

Topped by Sally Rand and her all new musical revue, Midway shows will include Moon Mulligan, top hillbilly recording artist and composer of "Jole Blon" and eleven western stars in the State Fair Hillbilly Jamboree, and numerous other shows.

1951 Conservation Program Announced

Continuing stockpiling of fertility reserves in the nation's farm land to insure ample production of food and fiber is stressed in the 1951 Agricultural Conservation Program announced today by Ralph S. Trigg, administrator of Production and Marketing Administration, U. S. Department of Agriculture.

The list of practices approved today is the master list from which State Production and Marketing Administration committees will make selections for use in their states. Each state PMA committee with the assistance of a state technical committee selects those practices most needed to meet the state's particular conservation needs. Detailed specifications are drawn up for each practice. Each cooperating farmer, with the advice and counsel of his PMA committee, selects and secures approval for the installation of the practices agreed upon as most needed for his farm. When these practices are carried out according to specifications the farmer is entitled to the aid provided by the ACP for meeting part of the out of pocket cost of the practice.

Elected farmer committees in counties and communities admin-

POLIO VICTIM ARRIVES FROM EUROPE—Edward H. Rosenwasser, 22, Fort Worth medical student stricken with polio while on a European tour this summer, arrived in Houston, by special plane from Frankfurt, Germany, Sept. 12, in an iron

lung. He is comforted by his father, Louis Rosenwasser as he is removed in an iron lung from the plane. The youth will be treated at the Southwestern Polio center in Houston. (AP wire-photo)

Family Reunion At Our House, By Heck

The son-in-law and daughter, Mr. and Mrs. Herman Trigg, had not been under the Stricklin roof since last November till Friday night, when they came in from Snyder to spend the week end. Naturally they did not forget to bring little Sara Beth along, now near two months old.

Come Sunday noon, and the whole Jack Stricklin delegation was present for the feast, the central piece being boiled ham, but milk was substituted in the case of the youngest.

Grandpa and Grandma Stricklin therefore had the above mentioned, and Jack Jr., wife and three children, Jack T., 13, Robert near 3, and Miss Mary Ann, nearing 16 months of age.

So proud that we had all the family we forgot we were 3 score and 10.

OLD FRIEND TO BE MEADOW CO-OP GIN FIREMAN

Dave Odom was in this week, and informed us he had settled down at Meadow, where he will be one of the firemen of the Meadow Co-op gin this fall. Dave used to be a side-kick of the Old He down in Jones county, when we were on neighboring farms.

His first wife, who was a Beck-housen, and a niece of G. C. Aschenbeck of this city, died several years ago. He is now living with his second wife, whom he introduced.

LOCAL HOSPITAL REPORTED FULL UP

Some of the Herald personnel had business over at the hospital late last week, and came back to report that they believed that practically every bed in the institution was occupied.

Now this does not mean that if you or your folks are really ill that room will not be made for them. Occasionally this crowded condition comes about, and maybe in a few days some will clear out, leaving rooms and beds for new patients. But the trend is toward being crowded more and more as more people move here.

But Drs. Treadaway and Daniell still have an unoccupied quarter block now being used for parking purposes, which can easily be transferred into an addition to the hospital.

WAR INCREASES ROTC ENROLLMENT

Lubbock, Texas — The Korean conflict has brought an increased interest in military training on the Texas Technological College campus.

Enrollment in the Reserve Officer Training Corps at Tech, both in the Air and Army units, shows a large increase over previous years. Total enrollment for both branches for the fall term is 638, and increase of 131 over last year.

The military program at Tech is divided into Air Force and Army units. The Air Force unit includes both administrative and armament training, while the Army branches include infantry, signal and engineer groups.

The program. It is in operation in all 48 states and in Alaska, Puerto Rico, Hawaii and the Virgin Islands. Nearly 3,000,000 farmers are cooperating in the program.

Mrs. Etta Gillham was in this week to get her Herald started to her address on East Tate.

Local Farmers Make Own Fish Ponds

Fishing at home is the future plan of three district cooperators of the Cochran-Terry-Yoakum soil conservation district.

Stock fish were delivered early Monday morning, Sept. 25, to R. J. Purcell, Roy Barrier and W. A. Bynum. Purcell received 100 bass, 500 bluegill, and 25 catfish. Barrier, in the Poole community, has had his pond ready for over 12 months. The fish hatchery at San Angelo delivered to Barrier 25 bass, 250 bluegill and 12 catfish. Bynum is another Terry county farmer who had planned ahead for good fishing, so the hatchery delivered 37 bass, 370 bluegill and 9 catfish to him.

The above orders for fish were placed through Riley W. Carlton, work unit conservationist, Soil Conservation Service, Brownfield, about 12 months ago.

This service and the stock are free to landowners who apply ahead of time and prepare a suitable pond to grow the stock fish in after they are delivered.

The Fish and Wildlife Service, San Angelo, usually fills requests for stock for the South Plains. It is suggested that ponds be prepared now and request stock fish to be delivered about August or Sept. 1951. Good fishing at home is a good conservation practice to follow on your farm.

Shivers Proclaims Newspaper Week

National Newspaper Week is being observed in Texas Oct. 1-8. Gov. Allan Shivers said in a proclamation:

"The observance of National Newspaper Week focuses attention on one of the outstanding services of mankind. This service manifests itself in exercising one of the freedoms so characteristic of our nation—freedom of the press.

"All classes, sects, races and creeds are served by this group of people, who are stationed throughout the world. These newspapers keep our nation well informed on state, national and world events, in a world where many are deprived of the opportunity to read objective reports."

CARD OF THANKS

We wish to offer our sincere thanks for the many expressions and deeds of kindness and sympathy extended to us during the illness and death of our dear wife and mother. Also, for the many floral offerings. May God bless each of you is our sincere prayer.

J. J. Whitley and family.

Old Pioneer Quits The Walks of Men

It is a sad state of affairs with the writer when he must chronicle the passing of an old and tried friend. But when there are two the same week, yea, the same day, the task is even more bitter. These two aged pioneers were W. G. Hardin, and Noah Bell, both being here and active in the affairs of the county when the writer arrived in 1909.

The subject of this sketch was born over in Middle Tennessee in the year 1867, but the family moved to Moulton, county seat of Lawrence county, Alabama when Gaines Hardin was about four years of age. His father, he related to us on time, died when he was small, and his widowed mother had the care of the family.

Gaines finished the public schools, and attended the old Iuka Normal at Iuka, Miss., and some Texas schools after moving to this state. He started in teaching, but the lure of pioneering got into his blood. He and another young man of equal make-up, by the name of A. F. Small heard that Terry county was to be organized. They came out from Parker county and purchased the town section from Dick Brownfield, and named the proposed town for Dick.

Later on, he was manager here for a small branch of the Connell Lumber Co., and did a small amount of farming. He was selling lumber when the writer first met him. Mr. Hardin immediately took a great interest in the young fellow from Jones county who was to work on the Herald until he knew whether or not he wanted to buy it. We were provided a letdown bed in the lumber office, and like Mr. Hardin, we found a place nearby to board with the late Grandma Daugherty, who was later to become the mother-in-law of Gaines Hardin. He once served as Supt. of Brownfield schools, and later, as postmaster a few years.

There then being a half dozen members of the Church of Christ, three of them men, he with R. H. Banowsky took the lead in getting the few to work. It was an uphill go, but Gaines Hardin was an optimist. The little bant first met in the old school building about where Farmers' Gin No. 2 now stands. Later they moved to the district courtrooms of the old wooden courthouse.

There they met and had some protracted meetings and occasional preaching by Liff Sanders of Lubbock, a pioneer minister. About 1919, after the war was over, a nice little church building was put up on Main street, at great sacrifice by the small

TERRY COUNTY HERALD, FRIDAY, OCT. 6, 1950

REST FOR THE WARRIOR—During a lull in the bitter exchange of blood and bullets for Korean ground, an exhausted U. S. soldier stretches out on the muddy battlefield upon a makeshift mattress of straw. He'll sleep, with rifle ready for instant use, until the next call to combat against the relentless armored foe.

Camper-Winn Exchange Vows In Lamesa Saturday, Sept. 30

Miss Zareta Lou Camper, daughter of Mr. and Mrs. Arbie Camper, and Billy Winn, son of Mr. and Mrs. F. F. Winn, were married Saturday afternoon, Sept. 30, in Roberts Floral in Lamesa.

Rev. Davis, pastor of the First Presbyterian church in Lamesa, read the single ring ceremony.

Preceding the ceremony Patty Winn sang "Always" and "I Love

congregation, but other people of the town helped. R. H. McCormack did a fine job of building it just as cheaply as possible.

But there must then be the question of seats. A cotton crop was raised, to help pay for them. The question of a regular minister came up. By that time a few more were here to help, but only a consecrated individual such as the deceased would have gone on with a smile to success. He married in late 1909 or early 1910, and reared four fine children, two girls and two boys, who honor their parents, and have made good citizens.

We never heard Gaines Hardin mention the matter, but we firmly believe that there were times that things he and family wished for in their home, were deferred or forgotten, in order that they might put more funds into the church he loved.

For the past several years he has been in very poor health. And for the past three years almost an invalid. But his faithful wife and children never wavered in their devotion to their husband and father. May the Lord of glory comfort them.

You Truly" accompanied by Mrs. C. A. Winn, organist.

The bride, given in marriage by her father, chose a brown gabardine suit with green accessories and a corsage of pink carnations.

Miss Edith Camper, maid of honor, was her sister's only attendant. She wore a pink crepe dress with silver accessories and a corsage of white carnations.

G. W. Henson, Jr., brother-in-law of the groom, served as best man.

Guests attending were Mr. and Mrs. Arbie Camper, Mr. and Mrs. F. F. Winn, Tommy Winn, Verna Winn, C. A. Winn, J. W. Cooper, Mr. and Mrs. Ray Sparkman and Barbara and Mrs. G. W. Henson Jr.

Immediately following the ceremony the couple left for a wedding trip to Ruidoso, N. M. and are at home in Brownfield where the groom is engaged in farming.

Miriam Class Has Chili Supper

The Miriam Sunday school class of the First Baptist church were entertained with a chili supper Tuesday evening at 6:30 in the home of their teacher, Mrs. Fred Stumpp.

Following the supper a business meeting was held, and new class officers were elected. Those elected were Miss Ellouise Dodson, president; Miss Carol Reeves, membership vice president; Miss Maggie Nell White, stewardship vice president; Miss Betty Jo Luker, secretary. Plans for October were made, and each Thursday evening at 6:30 has been designated for the regular weekly visitation program.

Those attending the supper were Misses Shirley Jean Miller, Carol Reeves, Maggie Nell White, Nelda Key, Betty Jo Luker, Dorothy Elam, Virginia Chambliss, Bonnie Chappell, Mrs. Robert Noble, the host and hostess, Rev. and Mrs. Fred Stumpp.

Welcome Newcomers Via Birth Route

We just don't understand how folks that can mistreat little fellows are made up. They are not only pretty and helpless, but as innocent and unoffending as angels themselves.

We like to remember what Christ said about children, when He told His disciples to not forbid the children to come unto Him, for of such, He said, is the kingdom of heaven.

Here are the new comers via the birth route through Thursday, Sept. 29th. Welcome youngsters:

Elizabeth Karen Layland, daughter of Mr. and Mrs. Billy Joe Layland.

Jackie Thomas McDonald, son of Mr. and Mrs. Severe Thomas McDonald.

Jimmy Jack Martin, son of Mr. and Mrs. Tyree Martin.

Harry James Bryant, son of Mr. and Mrs. G. L. Bryant.

Thomas Earl Jones, son of Mr. and Mrs. Sammy Jones.

Charlotte Ann Stephenson, daughter of Mr. and Mrs. T. J. Stephenson.

Dorothy Lynell Thurman, daughter of Mr. and Mrs. James Thurman.

Deborah Askew, daughter of Mr. and Mrs. A. L. Askew.

JoAnn Kerrick, daughter of Mr. and Mrs. Lou Kerrick.

Claudette Collier, daughter of Mr. and Mrs. Pate Collier.

Michael Raymond Fitzgerald, son of Mr. and Mrs. Raymond Fitzgerald.

Bennie Dale Pope, son of Mr. and Mrs. Otis Pope.

Morris Gayle Arms, son of Mr. and Mrs. Paul Arms.

Guess What C. T. Edwards Is Doing?

Well, old C. T. Edwards up there in the Sooner state thought he'd just wait till we started another subscription campaign, and some other friend down here would pay for a year of the Herald and sent it to him for free. But as his subscription was nearing the vanishing "pint," C. T. thought he had better get on the dotted line with a renewal.

Don't know what all C. T. is doing up there at Dustin, but among his many other fads and fancies, the Chamber of Commerce put him to work as secretary of that organization, answering questions for those who want to come to Dustin.

Well, we are leaving the door wide open to all prodigals, C. T.

Editor H. G. Richards of the Anton News; jumping at conclusions, thinks we have left the party of our fathers to trail off after something else. We have not left the party of our fathers, H. G. The party seems to have left us, high, dry and cold. The "liberal" inclined party of the Roosevelt-Truman regimes, is not any more like the party of Jefferson, Jackson, or even Woodrow Wilson than a sow favors a hen. And we don't think it is just the photocasts in Texas or elsewhere that disagree or agree with things as is. Take Marshall Field interests of Chicago, as an instance. They are worth millions, but they are as radical as some of the "fellow travelers." On the other hand, most wealthy people are too busy to get mixed up with politics, and if asked, some would probably not know what party they belonged to, if any. As for fighting it out in the party, that stunt has been tried the past two years, and Mr. Truman and his National Committee is still running the show. No, the staunch old party of our fathers is silenced, for the time being anyway, and the radicals, with radical ideas have taken over. And speaking of cotton, do you remember what the price

was under Grover Cleveland's administration, Editor Richards, since you want to go back a few years? Well just check; it wasn't 6c to 10c however—much less. Do you remember how low, even unsalable it got under the last part of the Wilson administration and the first part of the Harding administration? Surely you do, as we believe you were farming at the time. Let us be reasonable. We ended a hot war five years ago, and have had a cold one ever since, and are now into another hot war. War always puts up the price of everything you eat, wear or use. The man in the White House has just about as much to do with prices during his administration as you or this writer.

A writer in some of the farm material we get, had a good article and very interesting, lately. It was sort of comparison of those longhorn brutes that were raised on the ranches a half century or more ago, and the white face and black cattle and other tony breeds that appear today on the farms and ranches of the state. Those old longhorns took from three to four years to make a really decent beef animal, and

then it took a lot of parboiling to make a good stew, chili or hash, and you had to have a mighty heavy pestle to get the stuff in shape for steak that could be eaten, other than by a young hound dog. In comparison, the animals that are now produced, are as big as the side of a barn in a year, and the meat is as tender and juicy as a milk fed chicken. However, we cannot be too disparaging toward the old range longhorn. It was upon his tough hide that the west was built. He could be driven up the trail for hundreds of miles to the railroad points, and the long, grinding mill didn't seem to hurt him. Even then, at night, the least unusual noise might arouse him to stampede, and it would take all next day to round up the herd again. The writer well remembers that most herds here 40 years ago was quite well mixed. Good bulls, but the females showed the old longhorn marks. It took many long, patient years to wipe out the last markings of the old, well remembered longhorns.

We ran across an article this week that was both interesting and amusing. The article in question appeared in the latest issue of Extensioner, of extension department of the A. & M. college of Texas. It is a little paper that always gets our attention, as the articles are always well written and illustrated. The article was about deep breaking of the sandier soils of Terry county, but it would have gotten our attention if written about Podunk or Possum Trot. The article and illustrations were about the tractor-deep breaking plows invented by Grady Goodpasture, local grain man. This plow, according to the writer, who simply signed FHK, was much cheaper to purchase than the regulation breakers, which have to be pulled by powerful caterpillar tractors, and the per acreage cost runs into money fast. But the new invention of Goodpasture can be pulled by two ordinary field tractors, reducing the cost of breaking to \$5 to \$10 per acre, according to depth broken. The "cat" breakers ran the bill to around \$20 per acre, the writer stated. Here's the amusing part: The writer stated that Grady originated at Lubbock, and moved to Terry county some ten years ago, Grady did live in Lubbock for a short time about ten years ago, where he had a dairy. But he was rearer right here in the edge of Brownfield, grew from childhood to manhood, attended all the schools from primary to senior graduate in high school. His dad had the first dairy in Brownfield. Here he made his first dollars. Here he married and began family life, and began business on his own. We might just gently suggest to FHK that Lubbock is

not the only town in which a man may hail from, and make a place in the world. Many people outside of Lubbock have made a success in life, just as many in Lubbock have been successful. But Brownfield claims Grady Goodpasture, lock, stock and barrel.

President J. Walter Hammond, president of Texas Farm Bureau Federation, made no bones in a recent address as to what he as well as many other farmers think of the Brannan plan, Mr. Hammond warned his hearers, however, that the Brannan plan was not dead, but just sleeping. The speaker stated that the plan was first attempted to be sold to labor unions in order that they might put pressure on congress to pass the plan into law. When the powers that be in government try to tell the rest of the people what is best for them, they, the people, are in a precarious condition, Hammond went on to state, and added that the farmers, and only farmers should represent farmers. No one is authorized to speak for them except such organizations as the Farm Bureau. As we understand it, just one of the big four farm organizations are for the Brannan plan. Recently a nationally circulated farm paper took a poll of farmers themselves, both organized and unorganized. Four out of six were strictly opposed to the Brannan plan, one was neutral, and one said he was for it, out of the thousands of farmers interviewed.

This is National Newspaper Week, October 1 to 8th, if you have not already read the news. Your favorite newspaper, whether it is a modest little weekly, or a huge metropolitan daily, seeks to give you the unvarnished news in their columns, whether or not the news slant coincides with the opinion of the editor or not. It is their duty to give the news as it happens. In their own editorial columns, they may take a decided different editorial slant from news reports. That fact is

Joe Never Lets His Left Hand Know . . .

what makes a free press and a free nation. No editor, no matter how modest, has to submit his copy to a bunch of secret police or gestapos. On the other hand, what is reported in the news columns is a verbatim report of the matter at hand as it happened, no matter how repugnant to the editor and publishers, or to their readers. The world news must be reported just as it happened. Sometimes, it is true that the small weekly will suppress some things that happen in the neighborhood, if it, in their opinion, will save the anguish of some fine old couple. This happened just

a few weeks ago with this newspaper. Two brothers had serious trouble, in which one inflicted serious wounds on his brother, and was himself thrown in jail. Knowing their parents to be among the best and most highly respected people of the county, we printed nothing about the trouble, leaving that for the area dailies. Dailies print what happens under all circumstances, whether it be good or bad. Often weeklies are so close to those involved that the publishers feel that a repetition of the affair will hurt the innocent more than those involved in the trouble. But that is one of the requirements of the publisher or a newspaper. He must be the sole judge. The sheriff and other officers turn all such affairs in, but they do not ask us to print the stuff. The officers leave that up to the newspaper.

The Herald does not like to be placed in the position of a warmonger. We dislike to see our young men leave for training camps as bad as the next one, but it seems that is all that is left us. The Red nations of the world have already been appeased too much. And unless the Red Koreans unconditionally surrender, it appears that the United Nations must march into the territory north of the 38th parallel. The Red world led by Russia is like a maddog on the prowl, and to cross the 38th may mean war with Russia or Red China. Not to cross it will put us in the position of appeasers, and Russia will then reach into their bag of tricks, and make the North Korean affair sound like a victory to them. The face saving stuff must come from Russia and its satellites. Our GI's and Marines saved us any face saving effort when they were outnumbered but not outfought.

SISTER HERE FROM REDLANDS, CALIF.

Mr. and Mrs. Hartwell Davis of Redlands, Calif., spent Sunday night in the home of Mrs. Davis' sister, Mrs. Stricklin Sr., before resuming their journey on to Memphis, Tenn. They were carrying a pickup to their son-in-law, who is assisting in teaching a class in fruit canning in Memphis.

Hartwell stated that the pickup sure got rough on that long journey, the first day, Saturday from Redlands to El Paso, 800 miles. They drove to the cavern Sunday morning and on here after going through.

They were to visit a sister of Hartwell, at Lubbock, Monday for an hour or two and thence on to Memphis. Davis is a Southern Pacific ticket agent.

Mr. and Mrs. Carl May and son, David of Colorado City, were week end guests of Mr. and Mrs. O. W. Schellinger.

FARM QUESTION BOX NO. 63
by ED W. MITCHELL
Farm Advisor
General Electric Station WG7

- Q. I would appreciate knowing the proper treatment for cutworms. They are becoming a menace to my flower and vegetable gardens.
- A. I think your best bet is to get some copper-lime or Bordeaux dust containing about four per cent DDT and dust this around the base of all plants every three or four days. The DDT kills cut worms and the copper acts as a carrier to reduce cost and improve distribution and also helps prevent fungus diseases. Early in the season you can mix chlorinated lime with the soil and kill them before you plant.
- Q. My baby chicks have had several attacks of a bloody diarrhea that medicine seems to check but does not cure. Is it coccidiosis and what is the remedy?
- A. It is probably pullorum (bacterial white diarrhea) rather than coccidiosis—and while various treatments may help, they seldom cure and the flock is pretty sure to have high mortality and low production as long as it lasts. Better fatten this flock for broilers and replace them with started pullets for your laying flock.
- Q. Can you harm your frozen food or refrigerator by placing dry ice in it?
- A. Yes—if it is a good, tight box because the expanding gas from the dry ice may spring the hinges or warp the doors. It would have no effect on the food itself. However, only a few freeze boxes and very few refrigerators are tight enough for the CO₂ gas to do any damage.
- Q. Our cellar does not seem to be damp, but it has such a musty odor we cannot store any fruit or vegetables there. How can we correct this?
- A. Ventilate more—even if you have to clean up and get rid of any old musty boards, crates, etc.—dust chloride of lime over the floor and use some of the air purifiers (Air Wick, Good Air, etc.) you can buy at the grocery store. Spray or sprinkle walls and floor with copper sulfate solution—one pound in five gallons of water.
- Q. I have a large cement septic tank, perhaps 7000 gal., in a trailer park and would like to know what to put in it to increase bacteria. It seems that I have to clean it out too often.
- A. That is probably because so much soap, detergent, and chemicals go in that the rot bacteria have a hard time of it. Various companies supply cultures of rot bacteria and several kinds of conditioners. Perhaps you could produce your own rot bacteria in an old manure heap and add a little of that to the tank from time to time.
- Q. Tell me how to grow tomatoes? I grow some nice plants, they started well and then the tops died, although the roots seemed green and healthy. I protected them with newspaper caps and a DDT-copper spray.
- A. What you did was correct and about all one could do. I suspect there was some blight or other fungus in the soil and the stems became infected. Try some more plants in a little distant location. Such things happen, and no one knows just exactly why or what to do to prevent it.
- Q. Can you tell me where to get well water tested, how, and the cost?
- A. The best and simplest method is to ask your local health officer to take a sample and have it tested for you free.

PLAINS NEWS

(Delayed)

R. S. Bearden of Terry county, formerly of Yoakum county, was in Plains the other day and bought four blocks from P. G. Stamford, in Standford addition to Plains, north of Sulphur Draw. Old timers still believe in the progress of Plains and Yoakum county.

Dr. Bauchman G. Hodge, centenary Methodist church of Chattanooga, Tenn., was guest speaker at the Methodist church Sunday.

The Assembly of God began a revival meeting Sunday, Rev. Fuller of Mountair, N. M., will assist the pastor, Rev. Pettit.

Mr. and Mrs. J. H. Morris visited their daughter, Mrs. LaMont and son, Buck, in Odessa last week.

Mrs. L. F. Kennedy of Ruidoso, N.M. returned to her home Friday after several days visit with the Robertsons.

Mrs. M. W. Luna visited her sister in Odessa last week.

Mrs. Caryl Light and daughter, Caryl Marie, were patients in Brownfield hospital last week.

Ted Murph of Seminole visited with home folks over the week end.

Students who left for college last week were Junior Rushing, Bob McCargo, Royneel Fitzgerald, all to Sul Ross; Dean Light to Tech and Elsie Carpenter to McMurray, Abilene.

Mr. and Mrs. Dick Robertson from Eunice, N. M., Mrs. M. Pheasant from Fort Worth, and Mrs. Reta Conner from Hobbs, N. M., were visitors Sunday in the Robertson home.

M. E. Dumas is ill in the hospital in Brownfield.

TWO COLLEGE STUDENTS TO READ THE HERALD

Mac Ross, son of Mr. and Mrs. C. E. Ross, is returning again this year to Baylor University at Waco. As usual his parents ordered the Herald to go to his address.

Mr. and Mrs. Joe Shelton ordered the Herald to go to their son, Lyle, out at Texas Western college El Paso. This was formerly known at Texas School of Mines.

We hope both Mac and Lyle get much pleasure out of weekly visits of the Herald.

PAVE PANHANDLE SOUTH PLAINS FAIR MIDWAY—A truck is pictured in the process of spreading asphalt on the Midway at the Panhandle South

Plains Fair grounds at Lubbock. No only will the midway be paved for this year's fair, but many other roads and walks will be paved also for the comfort and convenience of fair visitors. The entrance road from Broadway and the entrance road to the parking areas are also being paved.

CHALLIS NEWS

(Delayed)

Rev. Edwin Kettler couldn't be with us Sunday, so Rev. Jack Albright of Wayland delivered the messages but Rev. Kettler will be back with us next Sunday.

Mr. and Mrs. Delois Scitern and family of Lamesa, and Mr. and Mrs. Andy Campbell of Amarillo, visited Sunday in the home of Mr. and Mrs. Tommy Pettigrew.

Mr. and Mrs. Morris Pate and children, Mr. and Mrs. W. J. Henderson, Elijah Henderson and Rev. Jack Albright visited Mr. and Mrs. C. S. Carroll Sunday.

Mr. and Mrs. J. C. Armstrong, Billy and Wayne Bagwell visited Mr. and Mrs. John Garner Sunday.

Mr. and Mrs. Judson Henderson visited his parents, Mr. and Mrs. W. J. Henderson Sunday afternoon.

Mr. and Mrs. H. D. Kiser of Carlsbad, N. M. were visitors in our church Sunday.

Elijah Henderson will visit his parents most of this week.

Mr. and Mrs. Doyal Henson visited Mr. and Mrs. Loyal Henson Sunday.

MEADOW NEWS

(Delayed)

Mr. and Mrs. C. Z. Padgett of Douglas, Ariz., are visiting the J. H. Gobers.

Mr. and Mrs. Melvin Peek and daughter, Melva Kay of Lubbock visited Mr. and Mrs. J. E. Peek last Sunday.

Meadow won another game in football last Friday night.

Mr. and Mrs. Lloyd Hunt are the proud parents of a daughter. Mr. Hunt is coach in high school.

Mr. and Mrs. B. C. Horton visited the J. E. Peeks Sunday evening.

Mrs. Arthur Hatcher of Borger and Mrs. J. D. Hatcher of Plainview visited Rev. and Mrs. Tune last week.

Mrs. J. M. Bureson, Joe and Marcellie and Mrs. Miller spent the week end in Anson visiting friends and relatives.

Mr. and Mrs. Morris Finnegan and children, Nina and Bob of Lamesa visited the Rev. Cecil Tune and wife Sunday.

Roland Evans is back in the grocery business. He sold to Mr. Cook over a year ago and bought him out last week.

Mr. and Mrs. J. E. Peek were shopping in Brownfield Thursday.

NEEDMORE CLUB MET WITH MRS. SPAIN

The Needmore Club met in the home of Mrs. Ralph Spain. All members were present and Mrs. Reece was a new member.

Games were played and business was discussed.

We are having a bake sale on the courthouse lawn Saturday, Oct. 7th. Each club member is to bring a pie and a cake.

The Needmore club is going to serve dinner at Mrs. Dick Settles to the ladies going on the county wide tour Oct. 12th.

Next club meeting will be with Mrs. Lee Bartlett.

TOKIO HD CLUB MET WITH MRS. GAULDON

The Tokio Home Demonstration club met in the home of Mrs. Gauldon Sept. 20.

Five members and Miss Dunlap were present. Miss Dunlap gave a very interesting demonstration on cooking and vegetables and planning meals. She prepared a very tasty and colorful dish.

The next meeting will be in the home of Mrs. Elmore. Each member is urged to attend. This is to be a business meeting.

The Herald for best results!

Wellman FHA Club Has Initiation Service

The Wellman FHA chapter designated the week of Sept. 20 as initiation week for FHA candidates Sue Burnett, Patsy Moore, Patsy Ruark, Velda Foster, Joyce Newman, Norma Fore, Nita Chrestman, Patsy Hagan, Nelda Weldon and Phyllis Scott. Formal initiation was held in the homemaking department Friday afternoon, Sept. 29, at 2:45 with chapter officers Frances Gibson, president, Patsy Hyman, vice-president, Joyce Bryant, secretary, and Esta Fae Beavers, treasurer, presiding at the initiation service.

Twenty nine Wellman FHA and 40 FFA members, with Mrs. Willie Hyman, Mrs. J. D. Foust, Mrs. Lola Bruce and Mrs. Dugan Thomas, chapter mothers, and Miss Willie Mae Hines and Homer Jones, chapter sponsors, will leave by school buses the night of Oct. 6, to attend FHA and FFA Day at the Dallas State Fair, Oct. 7, Garland Parker and Mr. Jones will drive the buses for the two chapters.

Plans are to spend the night of Oct. 7, in Fort Worth, then tour Dallas before the return trip home.

Roy Fitzgerald was over from Plains last week, and renewed for his Herald for about the 7th-11th time. However, when the Old He came to Terry, the elder Fitzgerald got the Herald at the old Harris postoffice in northwest Terry, and that was, we believe, when practically the entire Fitzgerald family lived under one roof. But soon the marrying off started, and now several Heralds go to the Fitzgeralds.

Have news? Call the Herald

Gets Berkshire Prizes at Levelland

With a big grin on his face, A. D. Wenzel, the noted Berkshire breeder of north Terry, was in this week, showing us a stack of ribbons he garnered at the Hockley County Fair at Levelland last Thursday, Friday and Saturday. He had two grand champion ribbons, one for a boar and the other for a sow.

In addition, he had three blue ribbons, one each for a sow, gilt and boar. Also the champion ribbons on the grand champion boar and sow, and last a second place red ribbon on another sow. Mr. Wenzel will make the Dawson County Fair at Lamesa this week end, and then will be off to the opening of the State Fair at Dallas next Saturday the 7th.

Mr. Wenzel stated that Max Miller, who lives out north of town on the Levelland road, also had a nice display of his hogs at Levelland, and felt sure Max got some prizes, but in the confusion, he never did find just how Miller fared.

Wenzel did say however, that not only the management of the Hockley County Fair, but the merchants as well, came to him and told him how much they appreciated his coming to the fair with his Berkshire herd.

That is a good way to build good will, and people should do more glad-handing when strangers visit them and help them in their community endeavors.

Mrs. Leland Herod of Snyder visited Mr. and Mrs. Roy Herod Thursday through Sunday of last week.

Mrs. Nina King of Odessa visited in the Leonard Lang home this week.

Notice of Bids For Road Machinery

Notice is here given that the Commissioners Court of Terry county will receive bids at their office in the Courthouse in Brownfield, Texas at 10 o'clock a.m., October 9th 1950, for the purchase of the following machinery:

One John Deere; G. row crop tractor, One 7 1/2 foot one way disc plow, power control, with rubber tires. Commissioners reserve right to reject any and all bids. Witness my hand this Sept. 25th, 1950. H. R. WINSTON County Judge. (SEAL)

It's fair to share

Just as sharing a soda helps young love—sharing a party line helps improve telephone service.

If party-line neighbors use their telephone sparingly—space calls fairly—don't interrupt calls except in extreme emergency—and always hang up the receiver carefully—better service for everyone is bound to result.

Why not prove it on your party line?

WELL DONE!

This pretty miss is taking advantage of Old Sol's rays to acquire a flattering tan. For her tanning hours, she wears a cotton costume that permits her to make the most of her opportunity. Stephanie Koest designed the brief shorts of waffle pique and contrasting cotton print halter, the National Cotton Council reports.

Want to head the Hit Parade?

Better Buy Buick!

PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways—and it isn't just that boldly gleaming forefront that spreads this impression.

It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving.

Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. 1950 Buicks are breaking all past popularity records, as registered in sales.

So we suggest that you do some personal investigating.

Find out, for example, how masterful you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle.

Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.

Then there's Dynaflo Drive* which Buick owners vote the biggest automotive hit that has come along in years.

With all this, there's room, and comfort, and road-hugging heft combined with a light and willing response to

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

your hand on the wheel—and prices that start down with the sixes.

Seems like almost everyone wants to own one of these Buicks—and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

Only BUICK has Dynaflo—and with it goes: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube

R. L. Trimble Enters Local Law Firm

Robert L. Trimble, formerly of Midland, is now associated with McGowan-McGowan, lawyers and abstractors.

For the past three years Trimble has been assistant division manager in the land department of the Union Oil Co., in Midland.

Trimble is originally from Ft. Worth where he attended TCU and received his bachelor of arts degree in 1934. He has done extension work in the University of Texas law school. Before moving to Midland, he had his own private practice in Fort Worth.

Mr. and Mrs. Trimble and son, Robert Burton, 4½, are at home at 1005 East Buckley.

Mrs. M. McGinty is visiting with her sister in Rankin.

MAX MILLER GETS PRIZE ON GILT

We stated last week in these columns that Max Miller, who lives a few miles out on the Levelland highway, was a pork exhibitor at the Hockley County Fair. Our informer, A. D. Wenzel stated that he did not know how Max came out.

The Hockley County Herald last week stated that Max won 1st on a Hampshire gilt. Hampshire, if you don't know, are the porkers that look like they have had a wide white band painted around them just about the proximity of the fore shoulders.

Congratulations, Max.

Mrs. L. J. Carruth and daughter, Fontella of Amarillo attended the wedding of Elwood Carruth in Comanche, Saturday.

Noah Bell . . .

(From Page 1)
to be abruptness. But in truth he had the kindest feeling for one and all, and no one in need of a friend or any kind of assistance were overlooked by him. His heart as well as his door was open to all.

Men like Noah Bell have made Terry county what it is today—a land where the glad hand of welcome is always out to the stranger and new comer. We shall all seriously miss Noah Bell.

Funeral services were conducted at the First Baptist church by the pastor, Rev. Fred Stump. Arrangements in charge of Brownfield Funeral Home. Burial was in Terry County Memorial Cemetery with Masonic graveside services.

He is survived by one son, Jewell Bell, of Meadow; two daughters, Mrs. John Bingham of Meadow, and Mrs. Brock Gist of Santa Monica, Calif.; and a half-brother, Lewis Ramella of Austin.

Furr Building Reads Like Bible Story

Youngsters as well as oldsters will remember the Bible story, when the children of Judah were allowed to come home from captivity in Babylon and rebuild the walls around Jerusalem that had been destroyed in the siege 70 years before. The builders were greatly hampered by mixed-breed tribes that had taken over the land.

So, as the masons rebuilt the wall, others stood guard with bows and spears to keep the tribesmen at a safe distance until the breaches in the walls were repaired. The fast building of the walls at the new Furr Food store in a way reminds us of that incident.

Of course there are no men with bows and arrows, spears or guns on the walls—no need of them. The people hereabout are friendly and encouraging. But workmen are thick on those walls—masons and helpers.

On Monday, Sept. 27, the ground was unlevel and a lot of trees stood on the plot of land 44x200. Bulldozers were employed, and trench diggers for the foundation began immediately following. Then came the concrete foundations, and before the trenches for foundations were finished on part of the plot, masons were laying brick and tile on that which was cured.

Now the walls are up near 18 feet high, all except the front to the west, which will likely be steel and plate glass. Dr. Alfred Daniell remarked this week that we would have to have a daily with several editions each day to report the progress of this building.

Prediction: Furr Food will be in their new building come November 1.

LOCAL WOMEN WIN GOLF TROPHY

Brownfield women golfers won the Vivian Parks trophy recently, which is annually awarded the top club in the South Plains Womens Golf Association.

Members of the local club who participated in the tournament at Lubbock were Mes. Jane Shirley, Minnie Hazel Bowman, Helen McClain, Fanita Graham, Bess Baldwin, Mary Jo Hardy and Margie Williams. Mrs. McClain was consolation winner in the fourth flight.

Mrs. Shirley is president of the organization.

The Herald for best results!

HIGHEST SCORE—Airman George A. Buchanan, 21, above, upset some long standing Air Force recruiting records by making a perfect score on the Air Force entrance qualification examination. Buchanan is the son of the publisher of the Marlin Democrat and a 1950 graduate of

the University of Texas. Buchanan scored excellent and superior ratings in aptitude tests during basic training at Lackland Air Force Base at San Antonio. He has been assigned to the base newspaper, "The Tailspinner," and is being considered for officers candidate school.

Dallas Thinks He's Going To Like

James Harley Dallas, ex-postmaster, was over to do a bit of jawing this week. Had no business in particular, except to pass the time of day. So, we put on a kind of quiz program, sans prizes, and James intimated that he felt sorter like a "bird out of a gilded cage."

Not that he didn't like to be postmaster. He did, and he liked to try to keep all his customers in a good humor, and succeeded about as well as the next fellow, if you understand what we mean. Some folks, you know just refuse to be pleased. But he thinks being his own boss all the time is going to be much more to his liking.

He is interested with Glen Akers in all their projects over on the east side of the square, including both abstract and insurance. They are really getting ready to push the abstract part and make it as good as their insurance business presently.

A good team of men, we call it—Glenn and James. And the Herald expects this team to go places. Their building has recently been greatly enlarged to give them more work room.

United Nations Day Set For Oct. 24

United Nations Day is Oct. 24. On that day the United Nations flag will be flown in counties all over the nation. Women and girls, in preparation for the day, will be sewing flags to be flown.

This flag is a symbol of democratic life floating over towns and communities—standing up in the wind to speak in belief in the unity and goodness of a free mankind—shouting out its encouraging message of strength in the framework of a union of nations, who want to safeguard the right of men.

This flag-making plan is sponsored by the National Citizens' Committee for United Nations Day, and it has been endorsed by farm organizations and by labor, retail and industrial, veteran, religious, education and other groups. The Extension Service of the U. S. Department of Agriculture will lead this program for all groups in counties by making information and demonstrations available through the county home demonstration agents and the extension offices.

This is an opportunity for people to learn to know the flag. It is blue like a Texas sky, with a white globe in the center encircled with a wreath of peace. Miss Helen Dunlap, county home demonstration agent, recently received a kit. The plan is that it will be made up into a flag by one of the tailoring demonstrators in one of the home demonstration clubs. By displaying it, the public may learn to know and recognize the flag whenever it is displayed.

HEALTH REPORT FOR WEEK ENDING SEPT. 23

According to the Weekly Health Report of the State Health Dept. we find the following diseases reported in Terry:

Three cases of gonorrhea; influenza 8; polio 1, and pneumonia 2. Yoakum county did not report any communicable diseases. These reports are furnished us by the local Health Center.

Texas Venture

In Education • 1876-1951
Our first state college—Texas A. and M. is now in its seventy-fifth year

"... at the lowest possible cost, an education which is at the same time thorough, liberal and practical."

Richard COKE

Governor Richard Coke, first Democrat to hold the Governor's office in Texas after Reconstruction days, was more responsible than any other man for the founding of the A. and M. College of Texas. A well-educated (William & Mary) strong-willed man of vision, he pushed through the Legislature the acts which established the college as a going concern, and served as chairman of the college's first board of directors. In his speech dedicating the new institution, on opening day, October 4, 1876, Richard Coke laid the foundation stone for the educational philosophy on which A. and M. has grown. "The aim and mission of the Agricultural and Mechanical College of Texas," he said, "is, while preparing the young men of Texas for the high duties of American citizenship, at the same time to train their intelligence in the methods and appliances of science, and their hands to the skill which shall utilize them in the everyday pursuits of life. . . . It has been the constant aim of the board to bring down to the lowest possible figure the cost of an education which shall be at the same time thorough, liberal and practical." On this foundation, the A. and M. College of Texas has been built; in its first 75 years, into one of the outstanding technical schools for men in the nation.

INSPECTORS CAPTURE 3 ILLICIT STILLS

The Texas Liquor Control Board inspectors in August reported the seizure of 3 illicit stills. With the stills, which had a cubic capacity of 160 gallons, inspectors captured 300 gallons of mash and made 2 arrests. 7½ gallons of moonshine liquor were destroyed.

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending Sept. 30, were 24,781 compared with 25,273 for same week in 1949. Cars received from connections totaled 13,919 compared with 11,738 for same week in 1949. Total cars moved were 38,700 compared with 37,011 for same week in 1949. Santa Fe handled a total of 38,381 cars in preceding week of this year.
