Sponsors And Boys For Junior Auto Races Here July 26, Will Be Listed in Herald

At least 100 boys have signed applications to enter the first Junior Auto Races to be staged in Brownfield July 26, F. N. Martin, Lions Club committee chairman for the project, announced late Tuesday.

A list of the boys' names and their sponsors will be printed in the Herald each week, and nine are listed this week. A continuation of the list will be printed weekly.

Terry County boys 11 to 15 years are eligible to enter, and official soap box derby rules will be followed. The project is a part of the Lions Club youth program.

The first list of entrants and sponsors is as follows:

Jerry Don Huckabee, J. B. Knight Co.
Mike Hamilton, Jack Hamilton Tire & Electric
Gene Mason, Hoy's Flowers
John Patterson, Piggly Wiggly
Jack McIntosh, Sutherlands
Joe Cloud, Bayless Jewelry
Charles H. Inscore, Higginbotham-Bartlett
Jim Collins, Plains Implement Co.
Wayne Jackson, Brownfield Ice Co.

E. S. Tankersley For Com. Precinct 1

In a statement made this week, E. S. (Red) Tankersley announced his candidacy for the office of Commissioner Precinct One, subject to action in the July Democratic primary.

Mr. Tankersley said, "I would like to take this means of announcing as a candidate for Commissioner of Precinct One."

"I have been a resident of this county since 1920, and have had a number of years' experience in road work. I feel I know the duties of this office, and am also capable of carrying them out."

"If elected, I will serve you to the best of my ability, and will make you a fair and impartial county commissioner."

"Your vote and support will be deeply appreciated."

Gene Gunn Features New Goodyear Tube

Motorists may now have protection against both the hazards of tire blowouts and the inconvenience of punctures through a new 100,000 mile safety tube just announced by Goodyear Tire & Rubber Company, according to Gene Gunn, Goodyear dealer and proprietor of the Gene Gunn Tire Store in Brownfield.

The new product constitutes a further development of Goodyear's long-established blowout-protective tube—the LifeGuard—introduced by that company in 1934. Gunn explained, stating that there now have been added to this product definite puncture sealing features that offer positive protection against dangerous blowouts.

The new LifeGuard has additional advantages, too, Gunn said. This tube is manufactured of American-made rubber that retains air five to 10 times better than natural rubber.

The new LifeGuard gives the motorist's pocketbook a break, Gunn declared, since it offers the added puncture-proof protection at no extra cost.

Other economy features of the new tube include the fact it can be re-used throughout the life of at least three sets of tires, Gunn said. Furthermore, he pointed out, the tube can be purchased and immediately installed in the car owner's present tire. Any competent tire repair shop can repair the LifeGuard, which is easily removed from the tire, he concluded.

Lee Lyon Makes Statement to Voters

At the request of a large number of voters of Commissioner Precinct No. 4, who had my name placed on the primary ballot for this office, will say if the taxpayers of this precinct want some one with experience, I have had that. I have one promise and that is to serve all the people of Precinct 4, and Terry county. And when I spend your tax dollars, make them count for better roads and a better place to live.

If I miss seeing any voters between now and election time, this message is an appeal for your vote and influence.

J. L. (Lee) LYON.

Roy Moreman Asks For Constable's Job

I take this means of announcing my candidacy for the office of Constable of Precinct No. 1. This precinct includes all voting boxes in Terry county except the Meadow box.

My reason for wanting the office is because I desire and like that kind of work, and because it pays a regular salary.

If elected I will do my best to make you a fair and reasonable constable. Your vote will certainly be appreciated.

ROY MOREMAN.

Overwhelming Vote To Incorporate Plains

For the second time within two months, the citizens of Plains went to the polls, Tuesday, April 29, and voted for incorporating the city, by a majority of 102 to 43. If we don't have our figures mixed this was a bigger majority than at the first election.

As we understand it the incorporating took in more territory than is allowed for a town of the population of Plains. So, the last election called for the town section, 640 acres, alone. The election for city officials will also have to be done over again, and is scheduled for next Tuesday, the 13.

Candidates are, for Mayor, C. D. Bass, and for councilmen are, Foy Cogburn, Amos Smith, D. C. Newton, D. B. McGinty and Geo. R. Burke. For city marshal, O. D. Smith.

FIRMS TO BE CLOSED MEMORIAL DAY

Red Smith, manager of the Chamber of Commerce, stated this week that local firms will be closed May 30, for Memorial Day.

They will not be closed November 11, Armistice Day, he stated.

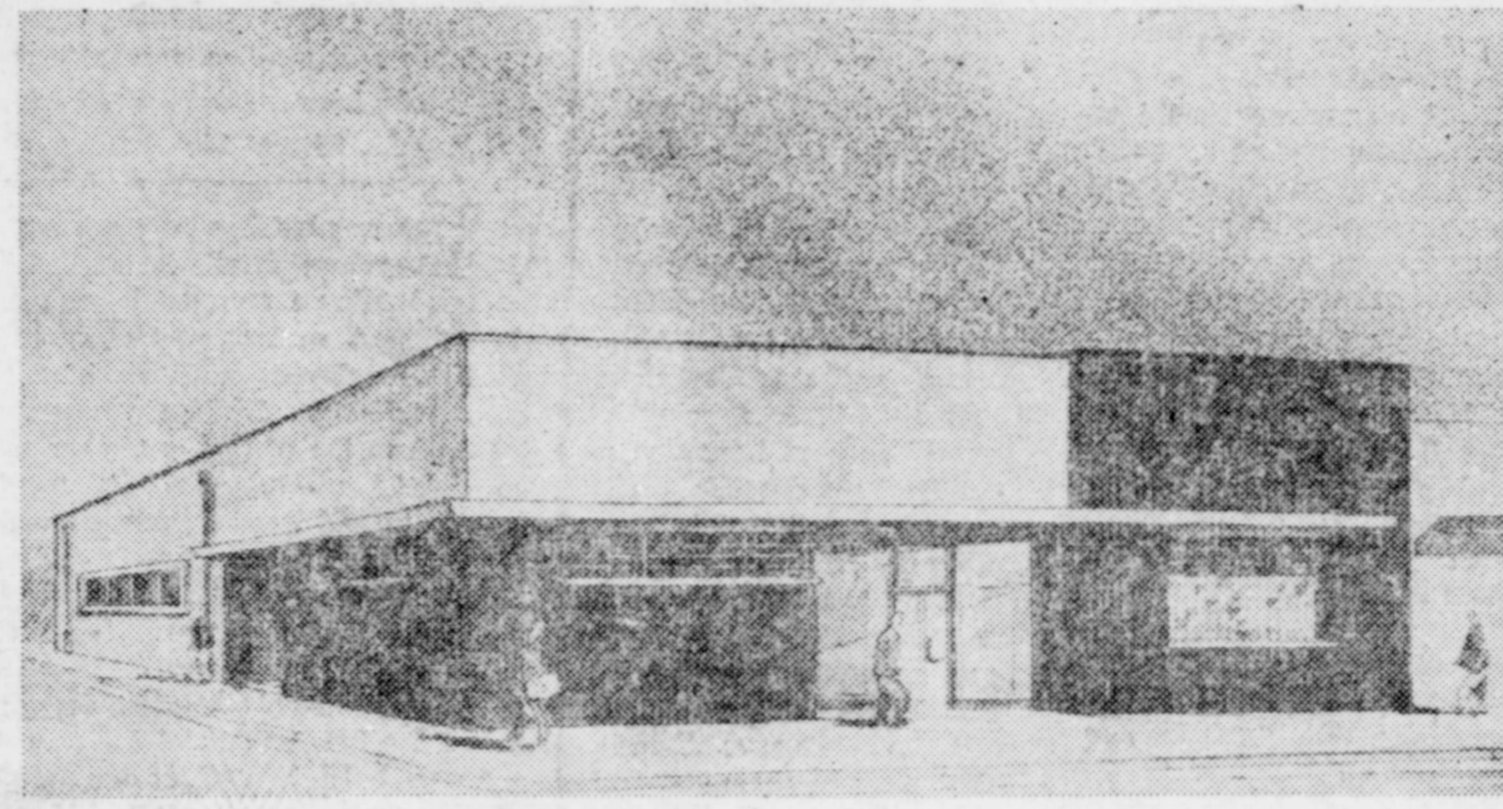

Several Named to Advisory Board

Bill McKay of Lubbock, who is with the Texas Youth Development Council, met with a group of citizens here Friday night and discussed the establishment of an advisory board for juvenile delinquents, according to county judge L. M. Lang. The group met in the district courtroom.

Judge Lang announced that he had appointed Herbert Chesshir, J. C. Powell, Wayne Smith, Kenneth Purcell, Burton Hackney, Mrs. L. V. Wagner, Mrs. A. J. Bell, Tess Fulfer and Dr. Geo. W. Sibley as members of an advisory group for Terry County. Judge Lang said he planned to ask a few other citizens to serve with this board.

Several from Terry County will attend a conference in the county court room in Lubbock on May 22, starting at 10 a. m., and work with juvenile delinquents will be discussed further, Judge Lang said.

The New Southwestern Associated Telephone Company Building

The above building is the new Southwestern Associated Telephone Company's building in Brownfield, now well under construction. It is though they will be able to enter the new building in late summer or fall. It is on the site of the old building, which has been moved into the street, corner Main and Fourth. The exchange is still operated in the old building, while the business department is located in the Chisholm building on south Fifth.

A New Oil-Gas Co. Comes to Town

We have seen the Shamrock gasoline advertised in papers from the Panhandle for several years, but at that time there was no Shamrock stations on the south Plains that we knew about. But they are here now. And Saturday and Sunday will be Shamrock Day in Brownfield.

The first Shamrock station is being formally opened Saturday by Allen Bros. McLain Oil Co. The station opened April 15, but Saturday-Sunday will be the formal opening day. At that time, souvenirs will be given the ladies and children. At that time you may register for a prize, of which there will be several.

The Shamrock Super Service station will be operated by Jewel and G. W. Allen, neither of whom are strangers, as they formerly lived here.

May Make Four Lane Highway Brownfield-Lubbock

County Judge Leonard Lang was one of a delegation of some 30 people from this area who recently appeared at Austin to request that the highway commission widen Highway 51 from Lubbock to Odessa, Lubbock, Brownfield, Seagraves, Seminole, Andrews and Odessa were pretty well represented. Judge Lang, as well as Senator Kilmer Corbin of Lubbock, made short talks before the commission.

Judge Lang stated that the delegation was well received, and got some fine encouragement from the Highway Commission. Also that the Commission Chairman, Thornton, stated that the traffic count between Brownfield and Lubbock was sufficient to justify a four-lane highway. And he intimated that it was possible that this section of the highway might be built within the next year.

Kay Szydloski Named Lions Club Queen

Miss Kay Szydloski, daughter of Mr. and Mrs. Frankie Szydloski, 802 East Tate, has been selected as Lions Club Queen, to represent the Brownfield club in the district 2 T-L and T-2 convention, which will be held in El Paso May 18-19.

The club voted to enter Miss Szydloski in the contest at their regular luncheon meeting Wednesday of last week. Members of the club and guests enjoyed a picnic at Coleman Park.

President Wayne Smith read a letter of appreciation from Mrs. Robert Cross in behalf of the district PTA conference here on April 25. Bob Tobey, secretary, introduced the following guests: Capt. Waters of the Texas Rangers and Ranger Helm; District Judge Louis B. Reed of Lamesa, Jimmie Lovell of the West Texas Chamber of Commerce, Gene Quest of Lubbock, and John Quattlebaum, J. V. Boen and Harmon Howze.

Quest, who has been a judge for the annual Soap Box Derby race in Lubbock several years, discussed the proposed Junior Auto Races to be held here in July, sponsored by the Lions Club. F. N. Martin, chairman of the Junior Auto Races committee, reported more than 100 boys had signed cards to make racers for the contest, and there are only about 80 sponsors.

Mr. and Mrs. Jack Griggs and Mr. and Mrs. F. N. Martin prepared the picnic lunch for the club.

National Guard to Present Magician

The "now you see it, now you don't" art of Zolo, Master Magician and Company, will be on display Friday night at the High school auditorium, when the star opens his show of "Twentieth Century Phantasies."

For theatre goers who like magic reviews, the appearance of Zolo and Company is an adventure into the impossible. The trend has been toward the sleek and sophisticated trickery which requires sleight of hand at close distances.

Zolo is unique at the moment, in that he presents a performance that runs a full two hours and utilizes over a ton of equipment. Of course, there are the small deceptive effects which are a highlight of the master showman.

Some of the highlights in the show are "Where Do the Ducks Go?" "The Dancing Handkerchief," "The Girl Without a Middle," "The Girl Burned Alive," and the ever-popular phantasy in flowers.

Zolo is a master in his field and his artistry and skill of presentation all rolled up with the dramatic touch makes one of the most entertaining two hours you have ever witnessed.

M & M Club to Tape Bicycles

Announcement was made at the regular meeting of the Maids and Matrons Club of the arrival of the supplies of Reflecta-Tape, ordered previously by that organization for the purpose of taping all bicycles belonging to Brownfield children.

This tape has highly reflective qualities and is being placed on bicycles by various civic organizations throughout the state as a safety measure recommended by the highway department. Bicycles on the street at night which have been taped in this manner become readily visible when caught in the headlights of approaching cars.

The taping of local bicycles has been adopted as the annual project of the Maids and Matrons. The organization reports there are over 800 bicycles in Brownfield.

Doings in District Court Past Week

According to Mrs. Eldora A. White, one civil suit was tried before a jury last week, but we did not learn the results. At the same time there were three non-jury cases, and two divorce suits.

There were seven pleas of guilty in criminal cases, but the disposition of them was not revealed. The Wickson trial, for alleged shooting of his wife was continued on account of illness of a witness, now living in El Paso.

Mr. and Mrs. Harvey Gage spent last weekend in Cisco where they attend a Gage family reunion.

Jaycees Announce Committees For Annual Event . . . And . . . It's Rodeo Time Again!

Forty-four additional rindside box seats have been built at the rodeo grounds, and plenty of parking space will be available this year for the annual Jaycee Rodeo, scheduled for May 22, 23 and 24. Banners will soon decorate the town for the event that promises to be the "biggest and best."

General chairman this year is Hub King, and Loyd Hahn is co-chairman. Stock will come from Bob Estes of the Lone Star Ranch. In charge of publicity in other towns are the following committees:

men: Wellman, Denver City, Livingston and Hobbs, Clyde Trully, H. Howze and Red Smith; Seagraves, Seminole, Lamesa, Meadow and Ropes, Buddy Gillham and Curtis Sterling; Gomez, Tokio, Plains and Bronco, Deverle Lewis; Levelland, Littlefield, Sudan and Morton, Ray Hailey and Tess Fulfer, Tahoka and Post, Alvin Davis, Loyd Hahn is chairman.

Harry Goble is program chairman and in charge of street decorations; Tess Fulfer is parade chairman, and those planning to enter the parade are asked to contact him. He will also arrange for the Terry County Sheriff's posse to appear in the parade. Ted Old-

Gillham Is Only Candidate For Representative

With the withdrawal of Forest Weimhold, Levelland publisher, from the race for Representative of the new 98th district last week, leaves only J. O. Gillham of this city in the race. At least we have heard of none that filed for a place on the ticket by the deadline, Monday.

The new district, as created by the last session of the legislature, after stalling for 30 years, is composed of Cochran, Hockley, Terry and Yoakum counties.

"ARENA SECRETARY."—Marjanne Estes, Baird, Texas, will act in that capacity at this year's annual Jaycee Rodeo, May 22, 23 and 24. Also she appears three years at Madison Square Garden Rodeo at New York City, representing the State of Texas as a Ranch Glamour Girl.

Winners Announced In Talent Show

Gene Mason and Mike Hamilton were declared winners with their comedy pantomime of "I Love You, A Bushel and A Peck" in a Talent Show sponsored by the Student Council at Junior High school Friday afternoon. The show was staged in the school auditorium, and proceeds will be used for activities of the Student Council.

Second place winner was Diane Adams, who played "Bumble Boogie" as a piano solo. Students in the eighth grade won third place with the presentation of a skit, "Mary Had A Little Lamb," depicting the lamb going with Mary from elementary grades through college. Those in the skit were Barbara Chesshir, Betty Dawson, Beverly Brown, Kenneth Murphy, Billy Green and Donna Henson.

Masters of ceremonies were Sammy Kendrick and Johnora Haynes. Other students participating in the talent show were: Carl Young, Ruedell Bradley, Maurine Webb, Wanda Cornelius, Verna King, Sue Shumake, Glenda Fay Moore, Treasa Sharon, Clea Harbin and Sue Ammons.

Student Council Officers and Cheerleaders Are Named At Local High School Friday

Jerry Anderson was elected president of the Brownfield High school student council for next year, and votes were canvassed in home rooms at the school Friday morning. Vice president will be Billy Thomason, and secretary-treasurer, Betty DuBose.

At a party in the recreation center at the First Presbyterian Church Friday afternoon, Jo Ann Shelton and Ted Hartly were named head cheerleaders for the pep squad. Other leaders named were Carole Dallas, Gloria Angus, and Parilee Nelson. Students voted on candidates Friday morning, but the names were not revealed until the party in the afternoon.

"Candidate Speeches" were made by those in the contest in assembly at the school last Thursday afternoon.

Dean Murphy has been president of the student council this year, with Jerry Anderson vice president and Freddie Anthony secretary-treasurer. Mrs. J. D. Miller is council advisor.

We Wish We Could Have Been There, Too!

The Herald received a "whole state of Arizona" Tuesday from Wynelle Webb who is a high school senior. Forty-seven seniors and their sponsors are expected to return tonight from a week's trip that took them to the Grand Canyon and Salt Lake City. They were in Denver, Colo., Monday night.

Wynelle wrote they were having "loads of fun . . . and wish you were here, etc." The card is in the shape of the state of Arizona. The group spent their first in the trip in Holbrook, Ariz.

That's another way your savings bring you profitable returns.

"I'd like to suggest," he said, "to folks who don't have a savings account that they open one here now and join with us in going after our second million."

Well, folks, you can now get out the old red hat and shirt and bandana hanky, and begin to doll up for the big annual rodeo that the Jaycees sponsor in this neck of the woods. Old Paint might stand a currying and brushing to spruce the old nag up a bit. Perhaps a few extra oats might make him step a bit higher. Anyway, all the boys and gals that like the smell of the horse and cattle, the sage brush fire and the simmering bacon and scrambled eggs and percolating coffee, as strong as horse radish. These folks like the likes of that, and we nesters get a kick out of watching them perform. Way back when we used to chip in to get some fellow to ride a bronc that was said to be an outlaw, there was no timing. In fact, a stop-watch was unknown to most of us. The cowpoke just "rid" the animal until the old boy took a tumble or Spitfire got out of breath and stopped. Now days, both the rider and the horse or steer as the case may be, go by time. In fact, the modern rodeo, while still rough and ready, is conducted more on the style of the circus than the haphazard way they used to ride 'em at the picnics and barbecues here in the early days. The method of today is better in many ways, and the way they are conducted, there is no long waits between events. Everything is on the dot, and stopped on the dot, and another performer gets under way. We have the red shirt and the bandana. Now, if we can just get some one to furnish the 10

gallon hat and the fancy topped boots, we'll be in full style, come May 22, 23, 24. Anyway, the old town will be dressed in its best togs, and the bunting and other decorations will be up, and all of us will be trained to say, "Hi, feller!" and other welcome greetings. Cow folks will be here from all over west Texas and New Mexico, perhaps from Arizona, Colorado and Oklahoma on that glorious occasion. All will be as welcome as the flowers in May.

President Frank H. Kelley of the West Texas Chamber of Commerce, in a recent statement down at Colorado City, came out very emphatically against so much government spending. And we agree with him that we should call a halt. The idea of spend and spend, elect and elect, seems to have taken hold on Washington, and many of them seem ready to surrender to socialism for votes in return. For instance, Mr. Kelley goes on to state that during the five year period between V-J Day and the outbreak of hostilities in Korea, the government spent more than \$200 billion; a sum greater than that spent in the first 40 year of this century. In that time we also allowed our military strength to run to a low ebb. We practically gave away billions of dollars worth of military supplies, etc. In making trips to Brownwood in those days, we remember that the highways were full of houses being moved from Camp Bowie and Barkley at Abilene. We often

stated then that the government was playing with fire, and still do. But the American people are all feeling the pinch of higher and higher taxes. When those earning just a few dollars a week, has 20 per cent taken from the amount in withholding and social security taxes, it hurts. This is particularly true when it is realized that the present dollars buys very little. That heavy load of inflation is hurting the common, hardworking people worse than anyone. They are not organized, and their demands for more pay usually falls on deaf ears. And while there are many of them, their concerted influence is not realized by the average politician. Now, however, the people are awake. They are determined that there will be a house cleaning at Washington. A man just recently said to us, "I have voted the Democratic ticket all my life, but this is one time I balk. I believe we should put in a Republican, and then at the end of four years if he fails and refuses to clean up the mess, put him out and some one else in." Just between us, we don't think there is a thing wrong with that citizen's idea. It is a cinch the present administration has no pity on the American taxpayers. They are now asking for 7.9 billion dollars for foreign aid, but congress seems determined to make a big cut in this sum. Election year, you know. Just to give you an idea what this sum will cost Texans, it would be \$342,860,000. Now divide 7 million people into that sum and see what you get.

May is here, and while apparently the farmers are not too nervous over the prospect of plenty moisture to plant on, we may expect them to begin to get a bit fidgety in the next 15 or 20 days. Along about May 20 is the best time to plant cotton here, and maize and other quick maturing feed seem to thrive just as well if planted in June as in May. So, there is no use worrying much for awhile. Frankly, while we have not looked into the matter much, although easily seen into, we believe the record will show that no more rain had fallen last year up to this time than this year. And with the exception of south Terry, the county made from fair to average crops. In fact, we made the

"SWAMP IRISHMAN"—"Kagen Kid" from deep down Louisiana way, young rodeo clown who is fast gaining a reputation as the "front man" in the clowning and bull fighting business. Kagen will be featured at this year's Jaycee Rodeo, May 22, 23 and 24.

champion of all time cotton crop. On an average, this section gets little moisture in the first three months of the year. The Weatherman seems to forget the fact that this is a farming country, mostly without irrigation, and dependent on rainfall. They seem to conclude that this is just another desert. But usually in April, May and June, the rainfall begins to pick up. For the last several years the snowfall has been shy. Back many years ago, most of the winters gave us good snows. True most of them fell in November and December, but we had snows. But a good snow like the old timers knew are now almost forgotten. Perhaps one of the biggest was that of Christmas, 1918, which definitely broke the drought of 1917-18. It not only had a very high moisture content, but was some 20 inches deep anywhere. Few drifts, as very little wind accompanied the two day and night fall. As we had little winter moisture, unless there is a big departure from normal, we will have a minimum rainfall again this year.

It is generally understood among people that patronize the local stores, that when the store sells an article that costs \$1.00, the same article cost the merchant on an average of 61 cents. This leaves, apparently a clear profit of 39 cents, the average buyer will say, without thinking, and will naturally conclude that is a pretty good profit for the merchant. The 39 cent part is called the markup, but

let's see what has to come out of that. There is all the expense of conducting a merchandising establishment, such as rents, payroll of the employees, utilities, supplies, advertising, displays, insurance. And on top of that, often the merchant has to take a reduction price for unsold goods, some of which because of competition in the next block or down the street, or because the customers just didn't think the article worth the selling price in the first place. So, when all the ins and outs of the business have been figured at the end of the year, instead of the 39 cent profit on each dollar of merchandise, it is nearer 2 cents on the average, 1.9-cent to be exact. When all the bills connected with merchandising have been met, the merchant and stockholders have two pennies or nearly so, to jingle in their pockets. If they did not have a large volume of business in a year's time, many more business men would grow old without any money to finance them when age demanded their retirement.

Those good old days seem to be past and gone, when the president of the United States, elected by one part, was expected to be the president of all the people. And when the president was called upon to make an address, he confined his remarks to the state of the nation, and to the good of all the people, whether Democrats, Republicans or Socialists. The president usually surrounded himself with a cabinet and advisors of a bi-parti-

WELCOME MAT OUT TO EIGHT NEW FOLKS

The welcome mat of Brownfield is out to eight newcomers for the week ending April 26th. As most of them give street addresses, it is presumed they are family people. Even small families live in trailer camps these days, however. The following is the name of the head of the family, and where they are from to Brownfield:

R. J. Lewis, Levelland; Freddie Gene Harrell, Haskell; L. D. Henley, Terrell; O. J. Holcomb, El Paso; John Kimbrough, Big Spring; Lee Roy Simmons; Muskogee, Okla.; C. E. Puryear, Neosho, Mo.; T. H. Turk, Jr., Ozona.

At the same time, three left for the following cities, Pampa, Amarillo and Lamesa.

Had the pleasure of seeing the usual smiling countenance of Miss Beulah Davis, now of Tahoka, but who was a resident here for many years. She is now taking care of some ailing relatives, on a farm near Tahoka.

The United States has a production capacity of approximately 105 million tons of steel a year.

san nature, mostly a few more of his own political faith, but usually pretty well balanced. This went up to the Supreme Court, that was fairly well divided politically. In those good old days, we heard nothing about a "loaded" supreme court, all members of the party, and perhaps political pals of the president. In those days, the presidents of the USA had no more influence on the decisions of the supreme court than Puss Irvin's chamber maid. The president was expected to be the president of all the people, and his appearance either before the public, or a press conference, was dignified. There was no harsh language, no use of the low, s.o.b. expressions that might be heard in a bawdy house or "cusser's" convention. He was the president of all the people, and all the people of whatever political faith loved and honored the president. A rebirth of this dignity is needed in high places. A man should be elected that will respect the views of all the people, such as Teddy Roosevelt, Woodrow Wilson and Calvin Coolidge. Today's speechmaking president goes in for abuse of the opposition party, the "special privilege" people and others, real and imaginary, to fit his plan of staying in office, or to keep some of his own henchmen in.

It makes each drop of gas say uncle

ACCORDING to combustion experts, there's as much energy locked in a drop of gasoline as there is in a drop of nitroglycerine.

But the problem is to put that energy to work.

So Buick engineers aren't content just to mix that drop with air and touch it off. They've designed an engine that brings it catapulting into a cylinder head where it strikes a turbo-top piston—gets whipped into a churning, swirling ball of tight-packed energy.

Then it's fired. And when that happens, a drop of gasoline certainly lets loose power.

This isn't something that happens in a "car of the future."

It happens in a Buick Fireball 8 Engine today. It's a high-compression engine. It's a valve-in-head engine. But it's also a Fireball in performance as well as name.

And it puts extra power under the hood—and extra miles in the fuel back in the gas tank.

Now, power is great, but what goes with it?

Mister, that's something you ought to find out—and soon.

What goes with it is an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a faster beat.

It's a car that seems to know what you

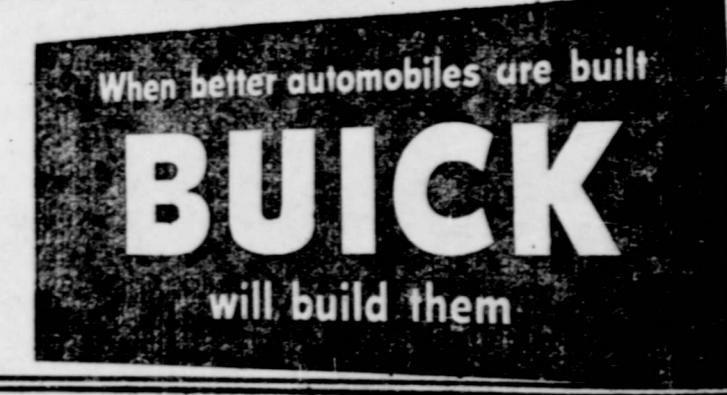

want it to do—true and sure in its course on a straightaway—beautifully balanced on curves.

It's a car with Dynaflo Drive* to feed power with infinite smoothness—and a road-hugging levelness of ride that took a million in cold cash to perfect.

And it is, with all this, a very tidy bargain. Why not price it, drive it, know it for yourself? We'll be glad to arrange a demonstration.

Members of Commissioners Court Honored Thursday Night By HD Council and Officers

Mrs. Aubrey Russell, of Lubbock, district home demonstration agent, was guest speaker at the annual entertainment for members of the commissioners' court and their wives, given by the Terry county home demonstration council officers and delegates, at Seleta Jane Brownfield clubhouse last Thursday evening.

Mrs. Russell, who was introduced by Mrs. A. J. Bell, chairman of the council education-expansion work, talked about "Homes and Family Life."

A buffet supper was served before the program. Bouquets of purple and yellow dutch iris decorated the table and the mantel in the clubhouse.

Mrs. Lee Bartlett of Needmore gave a report of home demonstration activities, followed by a discussion of 4-H club work by Mrs. Thurman Solsbury of Pool, who, with her husband, is leader of 4-H club work in that community. Mrs. Bell introduced the county judge and his wife, Mr. and Mrs. Leonard Lang, and commissioners and their wives, Mr. and Mrs. Sam Gossett, Mr. and Mrs. Bruce White, Mr. and Mrs. Horace Fox, and Mr. and Mrs. Lee Bartlett.

Mrs. Bartlett also discussed "Cycles of Family Life."

Others attending were Mr. and Mrs. O. D. Kennedy, Mr. and Mrs. S. G. Lamm and Betty Kinney of the Willow Wells community; Mr. and Mrs. A. J. Bell and Mr. and Mrs. Harry Cornelius of Needmore; Mr. and Mrs. Ocie Murry and Mr.

OES Worthy Matron To Honor Officers

A program honoring those who have served as officers this year will be presented by Mrs. J. W. Nelson, worthy matron of the Brownfield chapter of the Order of Eastern Star next Tuesday night, May 13. An initiation service will also be held.

At the last meeting on April 22, Electa's night was observed, and Mrs. Nelson presented a gold cup to Mrs. W. H. Moore. Mrs. Nelson also gave Mrs. Moore a booklet about Electa, and she presented a book to each of those who have filled the station of Electa in the past. Mrs. Geneva Bryant reviewed a book, "Electa, The Mysterious Lady of Rome."

Refreshments were served by Mr. and Mrs. Roy Fleming, Mr. and Mrs. Clyde Truly, and Mrs. Lee Brownfield.

MRS. HATIE HOLTGATE VETERAN PTA MEMBER

In last week's issue of the Herald, a report was given that Mrs. Hattie Holgate was recognized at a luncheon at the First Methodist Church honoring life members of the Parent-Teacher Association, for being the holder of a life membership the past 21 years.

Mrs. Holgate came to Terry county in 1906 from Erath county and taught music in Gomez two years. She was married to the late Simon Holgate in 1908 at Gomez and three children were born to them. They moved to Brownfield in 1916 where Mr. Holgate was in the hardware business, and she continued to teach music.

A "first" in lots of things, Mrs. Holgate is a charter member of the local First Christian Church, which was organized in 1920. She is also a charter member of the Women's Federation of Churches, and served as president for three terms.

Always interested in child development programs, Mrs. Holgate joined the Parent-Teacher Association when she first moved here, and served in every office in the local organization. She was given a Life Membership in 1931, having served as president in 1930 and 1931. At that time she was elected to the office of district vice president, serving one term.

Mrs. Holgate resides with a daughter, Mrs. Jack Hamilton, 902 East Broadway, and she, like so many of those who came to Terry county when it was "very young," can tell some interesting experiences about the "days away back when."

Her other two children are Mrs. Vonelle Williams, San Angelo, and Barney Holgate, Lubbock.

HAYRIDE ENJOYED BY INTERMEDIATES

Fifty-two intermediates from the Training Union of the First Baptist Church enjoyed a Hayride last Friday night, climaxed with a wiener roast at the new home of Mr. and Mrs. L. G. Smith, five miles southeast of town.

Smith, accompanied by other leaders, Mr. and Mrs. Don Cade, took the group from the church on a trailer pulled by a tractor. Mr. and Mrs. J. B. Ray and Mr. and Mrs. Gene Coward also visited in the Smith home.

Those going on the Hayride were Carolyn Burnett, Bobbie Quigg, Betty Claborn, Frances Floyd, Margaret Sue Coward, Clara Jo Ray, June Moore, Joanna Cook, Royada Dumas, E. V. Murphy, Lynn Casey, Wayne Jackson, Bob Dumas, Ronnie Grant, Joy Fay Martin, Wayland Seily, Leodell Gorman, Jo Beth Dumas, Ray Holmes, Clea Habin, Sue Ammons, James Early, Marie Boots, Mary Louise Riley, Cecil Baker, Jim Milburn, Jimmy Duke, Ollie Little, Niles Lackey, Patsy McAnally, Donna Newsom, Annette Barnes, Cluadel Johnson, Carolyn Author, Sammy Jenkins, Norman Minshew, Josephine Grissom, Benny Green, Dale Wilson, Lary Gary, Linton Barbee, Lewis Chambliss, Juaneva and Renay Smith, and Linda and Neva Lois Ray.

Cooper-Hodge Vows Read In Lovington

Announcement is made of the marriage of Miss Fayenell Hodge, daughter of Mrs. Ima Hodge, to James Cooper, son of Mr. and Mrs. Andrew Cooper, route 5, which was solemnized at 10 a.m. on Saturday, April 12. Vows were exchanged in the First Baptist Church in Lovington, N. M. Rev. Watts, pastor, officiated with the single ring ceremony.

The bride was attired in an aqua blue gabardine suit with black accessories and she wore a pink carnation corsage. She also wore a penny in her shoe "for luck," a blue garter, and a strand of pearls belonging to the bridegroom's mother. She carried a handkerchief that was a gift from the late Mrs. Hopson, which had been in her family a number of years.

Mrs. Neal Thompson attended her sister as matron of honor, and she wore a rose dress with black accessories.

Mr. Thompson was best man. The bride has been a resident of Brownfield almost all of her life, and is a student in the Brownfield High school. The bridegroom is a graduate of the local high school, and is employed by a drilling company.

Accompanying the couple to Lovington for their wedding were her mother and sister, Barbara Kay Hodge, and Mrs. Andrew Cooper and daughter, Virginia Lee.

Personal Shower Honors Bride

Mrs. James Cooper was honored with a personal shower the day before she married, at the home of Mrs. Robert Orr, 720 West Tate.

Hostesses were Mrs. Donna White and Misses Roma Farris, Jo Marie Crowder, Charlotte Jones and Gwen Kuehler.

A bride's book served as a guest register. Arrangements of Easter flowers made the entertaining rooms more attractive. Refreshments of punch, cookies, sandwiches and mints were served from a table covered with a crocheted cloth. The table was centered with Easter lilies.

About 50 guests were invited.

TELEPHONE OPERATORS HAVE WIENER ROAST

In celebration for reaching a goal set by themselves, that of completing 90 per cent of all calls received during the month of March, local telephone operators and "chiefs" enjoyed a wiener roast at Colman Park Monday night of last week.

Mrs. Delores Ramsey, chief operator, stated that the Southwestern Associated Telephone company officials asked each office to set its own goal, during March, for a percentage completion of calls coming through local circuits. The operators here set 100 as their goal, and completed 90 per cent.

At the wiener roast at the park, Miss Faye Smith, evening chief operator, was surprised with a birthday gift, presented by the employees.

WMU Has Business, Program Planning

The First Baptist Missionary Union met Monday, April 28, at 4 p. m., at the church. Business and program planning were discussed. The hymn, "All Hail the Power," was led by Mrs. Ellery Jones and was followed with prayer by Mrs. Ame Flache. The minutes were read and approved. New members and visitors were recognized.

The president, Mrs. Jerry Dumas, read a letter from the health unit thanking those who assisted with the Crippled Childrens Clinic recently.

Mrs. R. M. Alamarode of Monday, president of the state association, spoke to the group. Mrs. B. H. Rucher of Ropesville is vice president of district 2.

Mrs. Era Moorhead, benevolence chairman, called a meeting of her committee for Wednesday to select

wall paper to be used in papering Mother Vinson's living room, which will be a birthday and Mother's Day gift combined. A tea was given on Wednesday at the home of Mrs. Erma Riley, 219 Fourth street, from 1:30 to 4:30 p. m. for Mother Vinson, 86, who is a former pastor's wife.

The resignation of Mrs. Gladys Moorhead as YWA counsellor was accepted. Miss Doris Mahaffey was elected in her place. Mrs. Melvin Moore was named Jr. G. A. Counsellor.

The president announced that G. A. Focus Week would be in the near future. Counsellors and representatives of each circle will assist with Focus Week, and they met at the church at 6 p. m. Wednesday, to plan activities.

Mrs. Gladys Moorhead gave a report on the school of instruction

for Baptist counselors which was held Monday and Tuesday in Abilene. Attending were Mrs. Gladys Moorhead of the First Baptist Church, Miss Janelle Thompson from the First Church, who took the intermediate Girl's Auxiliary course, Mrs. E. E. Jackson of the West Side Church, and Regina Thomas of the First Church who took the Sunbeam course, and Mrs. William Conlee of West Side Church who took the Royal Ananias course.

There were reports from four circles and an announcement was made of the Young Peoples Study at Wilson for Tuesday night. Volunteers were asked to take care.

Stewardship chairman, Mrs. H. B. Grant, gave the devotional from 1st Peter 5:5-7. She told a story from the Home Life Magazine. After Man's Testimony On "Praying"

NEW, MODERN FURNITURE IS EASY ON BRIDE'S BUDGET

TIME was, budget-bound newlyweds found themselves faced with a sorry alternative. Either they exhausted their bankroll on one or two fine pieces of furniture, leaving the rest of their home bare; or else it was necessary to content themselves with less than best in order to do a complete furnishing job. In both cases, it was usually with covetousness and envy that they visited the comfortable homes of an earlier generation.

Now, a bride need not think longingly of her mother's furnishings when she surveys her own domain. There are coming upon the market, with increasing regularity, smartly designed lines of furniture within the reach of not-too-well-padded bank accounts.

As a matter of fact, mother can learn something herself from a daughter who takes advantage of the many desirable features that characterize today's furniture. Clever young matrons find they can avoid an over-furnished look by ruling out cumbersome pieces. Instead, they choose light, airy designs that require a minimum of floor area.

If children are planned as an early project, most young wives feel they must take this factor into consideration when choosing furniture. They'll have little time for dusting fancy curlicues; they'll have little money for repairing chairs that proved too fragile for small-fry antics; they'll have little energy for fighting a battle with soil on impractical upholstery fabrics.

Among answers to these very real and important problems is that offered by a firm which originally gained its reputation for sleekly designed dinette sets. Now it has transferred its mar-proof techniques to furniture for the living or dining rooms. Particularly attractive are barrel-backed chairs upholstered in a modern pattern of gold brush-stroke over chartreuse. Strong but airy bases are plastic-breathed tubular steel in muted finishes of either statuary bronze or a soft, sand tone. These may be used, with handsome results, wherever a young hostess has need of a chair.

There's pride for a bride when she entertains mother and shows off her attractive, inexpensive barrel-backed chairs. They feature mar-proof frames of plastic-sheathed tubular steel, double hand-somely for either living room or dining area.

West Ward Junior High Parent-Teacher Association Has Installation of Officers

Mrs. John Criswell of Levelland, who is a past president of Jessie G. Randal Parent-Teacher Association, was installing officer for leaders for the coming year of the West Ward Junior High P.T.A. at the last meeting of the year last Thursday afternoon in the Junior high school library.

Mrs. Mike Kelly was installed as president; Mrs. Leonard Chesshir, first vice president; Mrs. James Warren, second vice - president; Mrs. Buddy Norris, secretary; and Mrs. Bob Land, treasurer.

Mrs. Tess Fulfer, president this past year, was presented a P-T.A. pin from the organization, by O. B. Stamper, principal of Junior high school.

Committee reports were read during a business session, with Mrs. Fulfer presiding. Mrs. James Gunn, goals and projects chairman, reported that a \$48 check was given to the Junior high school library, and \$50 will be given for use in the West Ward school library. Mrs. Jack Griggs reported that a life membership was presented Mrs. V. L. Patterson.

A report of the 14th district conference held in Brownfield April 25, was given by Mrs. Kelly and Mrs. Patterson. Mrs. Griggs from the local organization was named district headquarters chairman.

The following report was made by Mrs. Fulfer:

"I will not say how well we did because I am not the one to judge, but I can say we kept busy. Even before our first meeting of the year, we worked with Randal P.T.A. in representing the associations in Brownfield. We served as a "round-up" committee for the X-Ray clinic and thus had a part in the most successful TB X-Ray clinic in this section of the country.

"Members of this association then assisted the South Plains clinic in examining the children here in school.

"In September, eight of our officers worked hard for one whole day and completed the Parent-Teacher procedure course.

"We were instrumental in securing the help of the city, under the direction of Mr. Davis, mark off our safety lanes and bus stops.

"Then again in cooperation with Randal P.T.A. we held a school of instruction which was led by our district president, Mrs. M. C. Butler of Lubbock, and Mrs. Patterson, our district vice president. Eleven of our members attended this school.

"We sponsored a "Family Night" program in which approximately 200 students performed. At this affair we had a candy sale, and all candy was donated by our members.

"A parliamentary procedure course, which included 12 hours of group study led by Mrs. Patterson, was completed by five of our officers.

"We took part in programs for Texas Educational Week.

"T-shirts were ordered and sold to students, and the profits were designated for library books for the two schools.

We were presented 386 books by the Ted Hardy family, and these books were marked with appropriate memorial stickers and were given to the schools, thus establishing the Jim Neill Memorial Library. Later we gave \$20 in cash to the library fund that had been presented by the Neill family.

"We honored Mrs. V. L. Patterson for faithful service and devotion, by presenting her a Life Membership.

"Our last and most pleasant work was in helping with plans, and doing our part in helping make the district conference a success."

At the close of the meeting last Thursday, refreshments were served to 46 members and visitors.

Mrs. John Criswell of Levelland, who is a past president of Jessie G. Randal Parent-Teacher Association, was installing officer for leaders for the coming year of the West Ward Junior High P.T.A. at the last meeting of the year last Thursday afternoon in the Junior high school library.

Maids and Matrons to Sponsor Bike Safety

Members of the Maids and Matrons Study Club voted to sponsor a Bike Safety program, to see that all bicycles in town are equipped with scotch lights, at the regular meeting Tuesday afternoon at Seleta Jane Brownfield clubhouse. Mrs. Frank Weir is chairman of the safety committee for the club.

Before the meeting started, Mrs. A. J. Stricklin Sr. served punch, sandwiches, cookies and nuts from a table covered with a linen cut-work cloth. The table was centered with an arrangement of spring flowers.

Mrs. Loe Miller, president, was in charge of the meeting, and amendments and by-laws to the constitution that had been recommended at a previous meeting were voted upon.

Mrs. Leo Holmes and Mrs. A. W. Butler, delegates, reported on the Seventh District Federation of Women's Clubs they attended in Borger on April 17, 18 and 19. They stated the district meeting will be held in Hereford next year.

A parliamentary drill was led by Mrs. Roy Wingerd to conclude the meeting.

Mrs. Ernest West was a visitor, and members attending were: Mesdames W. B. Brown, Butler, E. C. Davis, Lee Fulton, Holmes, Eunice Jones, Ernest F. Latham, W. F. McCracken, Miller, E. B. McBurnett Jr., E. O. Nelson, Money Price, J. L. Randal, A. A. Sawyer, Gaster Spencer, Frank Weir, Stricklin, J. M. Teague, F. G. White and Wingerd.

WELLMAN NEWS

(Delayed)

FHA News

Wellman Future Homemakers sent two chapter members, one mother, and one sponsor to the state Future Homemakers of America meeting held in Dallas April 24 through the 26. This trip is included in the year's program of work with all expenses paid by the local chapter.

Those going to the meeting were Fae Beavers, Nelda Bowlin, Mrs. Jim Beavers and their sponsor, Miss Willie Mae Hines.

The first stop was at Abilene, Texas, where the group spent Wednesday night and then saw several places of interest before going on to Dallas Thursday morning. On Thursday night the group saw the picture, "The Greatest Show on Earth." Friday and Saturday were busy days of FHA activities. Fae Beavers was the voting delegate for the Wellman chapter. The party returned late Saturday, April 25, by way of Mineral Wells, Breckenridge and Snyder.

Thursday, April 25, the second year homemaking class spent their class time in observation of the first grade children.

Another FHA chapter project that was started last year is the raising of broilers and fryers. The chapter members care for them at school and then the proceeds from the sale of the birds are added to the chapter treasury.

First Grade News

Those making the B honor roll for the last six weeks were Wayne Abbott, David Adair, Danny Carmichael, Dwight Hill, Roy Jones, Howard Moorhead, Bettie Adair, Gayle Herron, Elaine Jackson, Wynona Jones, Andrene Sedgwick, Mary Lou Harris, Margaret Pre-rich.

First graders making the A honor roll were: Clyde Watkins, Lynn Womack, Janet Ann Smith. The following students were neither absent nor tardy: Danny Carmichael, Dwight Hill, Howard Moorhead, Clyde Watkins. Achievement tests are over for this spring. Parents who wish to know how their first graders rated are asked to please contact the child's teacher.

Several children have been absent because of illness. Dwight Hill has the mumps. The health nurse came Friday and gave the second typhoid shot to the children.

The Interscholastic League was held in Junior High school at Brownfield at 9 o'clock Saturday, April 26.

The participants entering from Wellman grade school were: Story telling, Charles Jackson, second grade, winning first place; spelling, seventh and eight, Laura Lea Burnett, Sabra Welcher, winning third place; ready-writers, Glenda Oliver, winning second place.

Eighth Grade News

Eighth graders graduating exercises will be held on May 15. The eighth grade students are: Leon Abbott, Robert Baldwin, Bobby Bowlin, Carletta Bullock, Laura Burnett, Claude Chambers, Janelle Cottrell, Peggy Dean, Patsy Hock, Myrna Lindsey, Mary Alice Moore, Glenda Oliver, Rudent Rich, Beverly Rogers, Burkie Slaughter, Robert Womack, Edgar Frerich.

E. H. Boutor will be our principal speaker. The five highest in the class are: Mary Alice Moore, 93.25 (valedictorian); Rudene Rich, 90.87 (saultorian); Glenda Oliver, 89.75; Lea Burnett, 89.18; Burkie Slaughter, 88.93. May 2, the class will go on a picnic to Lubbock. We plan to visit the ice cream plant, coke plant, and the airport.

Declaimers of Wellman Elementary School showed interest in the betterment and improvement of public speaking when they participated in the county Interscholastic League meet held in the Brownfield Junior High school building April 26. Although Wellman did not cop all first places in the declamation contest, they did create for themselves a place in the sun toward speech improvement, for each contestant placed in his division. Those placing were the following:

Trucene Crowder, sub-junior declaimer of the girls division, second place; Jackie Bradley, sub-junior declaimer of the boys division, second place; Peggy Burnett, junior declaimer of the girls division, first place; Jerry Carmichael, junior declaimer of the boys division, second place Danny Lee, senior declaimer of the girls division, second place; Robert Baldwin, senior declaimer of the boys division, second place.

Several parents showed that they were interested and that they were for speech improvement by being

present in the Brownfield auditorium where speech contests were being held. Mrs. L. R. Guest, Wellman grade school principal, along with other county elementary principals helped to organize a county meet that went off smoothly and efficiently. This idea was expressed by both teachers and parents. At Wellman a local contest was held on April 10 by Mrs. H. A. Hightower, third grade teacher to determine the contestants to participate as declaimers in the county meet which was held April 26. Poise in appearing before the public, naturalness in speaking, and interpretation and expression of true meaning of patriotic and citizen-building selections of poetry were goals for which to strive when a student entered a declamation contest. It is true that Wellman declaimers did not master all of these goals perfectly, but another step was taken toward that mastery. Parents of Wellman declaimers present at the meet were Mrs. G. M. Bradley, Mrs. W. H. Carmichael, Mrs. R. J. Rowden, Mrs. R. L. Burnett, Mrs. Joe Crowder and Mrs. Allon Loe. Linda Kay Warren, Glenda Christopher and Lewayne Rowden declaimed also, but they were not included in the judging, for they were alternate speakers.

Junior High Spots

Saturday, Wellman went to the meet at Brownfield. The Junior High boys entered in four of the events. They were the 50-yard dash, with Willie Salsbury and Burkie Slaughter entering; the 100-yard dash, Salsbury and Slaughter and Edgar Frerich, and the broad-jump with Salsbury and Slaughter entering. The girls played Brownfield in baseball and got second place, with Brownfield winning ten to seven. The players were Mary Moore, Lea Burnett, Patsy Hock, Sabra Welcher, Janelle Cottrell, Diana Graham, Yvonne Oliver, Barbara Smith, Rudent Rich and Glenda Oliver. Next Saturday the boys will play baseball and volleyball. The boys and girls volleyball will start at 1 o'clock and the baseball will start at 9.

Fifth Grade News

A Honor Roll—Buddy Hawkins and Winston Livesay.

B Honor Roll—Roy Brackett, Larry Cabe, Clevis Chambers, James Jolly, Sammie Adair, Barbara Bishop, Dixie Bowlin, Oleta Frerich, Tommy Loe, Jane Salsberry and Leona Smith.

Mr. and Mrs. Lee Lyon visited in Oklahoma during the Easter holidays.

ANOTHER NEGRO STORY

According to Columnist Crume, who writes "Big D" on the front page of the Dallas Morning News, a new porter was hired at a Dallas service station. He was given a job of repairing a bunch of heavy duty truck tires. But the manager noticed that the colored boy would let the air out of the tires before loading them.

Then after they were loaded on the delivery truck, he would re-inflate them. Asked why, the new employee stated, "the days are long, and there's no use straining lifting 100 pounds of air up into the truck, when it can be put in after they're loaded."

Opportunity Knocks on Wood

In classrooms, boys' clubs and home workshops throughout the country, scenes like this are taking place every day. Here, Donald Harbin, a Detroit, Mich., Boys' Club contestant in the 1952 Fisher Body Craftsman's Guild model car competition, sands his miniature automobile to a satin-smooth finish. Donald, like thousands of other American boys, has his eye on one of the \$63,000 worth of university scholarships and cash awards offered by the Guild for the best models.

Badly Handicapped, Keeps Up Classes

A nephew, Benton Stricklin, of Paris sent us the front page of the Paris News recently, that had an intriguing story. A boy had no arms, and his legs are minus the upper portion from the knee to the hip; just from the knee to the foot. He is seven years old, walked at 2 years of age, and attends Blossom school, some eight miles east of Paris. Benton's wife, who drives from Paris to Blossom each morning has been teaching there several years, and presently is the boy's teacher.

Evidently the youngster has a bright mind, and he can use the toes of his feet just about as well as most of us can use our fingers. One photo showed the boy holding a book between the big toe and the one next to it, while he held it open at the right place with the other foot. And one scene showed him using scissors to cut paper.

The last picture shot, a photostatic copy of his writing (printed), as most youngsters are not taught script in early school years now days. The message stated that he "attended school at Blossom, and that Mrs. Stricklin was his teacher," just as plain as anyone could write it. In fact, one lady to whom we showed the article said the writing was far better than the average normal seven year old child.

When we have to do things, we put forth more effort.

Cpl. Wm. G. Scott Sees Atomic Explosion

CPL. WM. G. SCOTT

Camp Desert Rock. (Spl.) — Marine Corporal William G. Scott of Brownfield, last week witnessed an atomic explosion, and then joined in the mock assault on an objective near the center of the atomic impact area.

He is one of 2,000 Marines taking part in the latest series of atomic tests at the Atomic Energy Commission Proving Grounds here.

The exercise includes training in operations employing the use of atomic weapons, the handling and use of equipment exposed to an atomic explosion, and the newest developments in physical protection.

Corporal Scott is a member of a provisional battalion of Marines from Camp Pendleton, Calif., which along with other battalion from Camp Lejeune, North Carolina, was flown to this desert site to participate in atomic attack problems. Corporal Scott enlisted in the Marine Corps in July of 1951, at the Marine Corps Recruiting Office, Post Office Bldg., Abilene, Texas. He is the son of Mr. and Mrs. M. L. Barker, who reside at 207 East Main street, in Brownfield.

Final Rites For John P. Shults Wednesday

Funeral services were held at 3 p. m., Wednesday, April 30, in the high school auditorium in Tatum, N. M., for John P. Shults, 60, who died Monday at 4:55 a. m. in the local hospital. Mr. Shults had lived in Gladiola, N. M., since 1914, where he was a rancher and oil operator. He was a veteran of World War I.

Shults is survived by two brothers, Clyde Shults of Carrizo, N. M., and Bill Shults of Tatum, N. M.; three sisters, Mrs. J. F. Johnson of Tyler, Mrs. S. L. Houston, Sunset, and Mrs. Tiff Covington of Bowie.

Rev. Joe Beckley officiated at the services and burial was in the Tatum cemetery.

Plains Attorney Publishes Book

Was over at the First National Bank one day last week, and was presented a book, "Poems, Love Letters and Writing" by Johnny Kendrick. The volume was autographed by the author, Paul Gordon Stanford, a Plains attorney. Mr. Stanford happens to be Johnny's uncle, a brother of his mother. As P. G. had remained a bachelor all his life, we asked Johnny how come Paul G. knew so much about love and love letters? Well, says Johnny, he, P. G., explains that in one poem.

Anyway, the author came to Plains the same year the Old He landed in Brownfield, 1909, and both of us came from Jones county. So we have been seeing P. G. around in these parts a long time, since both of us were young men, and he was a fair looking male in those days, and when he offers any excuse why he's not married, there's nothing else to say than—what a whopper!

Another thing, why did P. G. wait till the evening of his life to do his writing? Just another quirk of human makeup, we guess. Anyway, we thank Johnny for the autographed volume of P. G.'s book, which was printed by Story Book Press of Dallas. The volume is also on sale at Brownfield State Bank and Trust Co., as well as the First National Bank.

TWO ILLICIT STILL

The Texas Liquor Control Board inspectors in March reported the seizure of two illicit stills.

With the stills, which had a cubic capacity of 100 gallons, inspectors captured 380 gallons of mash. One still was taken in Cass County and the other in Titus County.

CONFEDS FINALLY WIN

It has taken some 90-odd years for the Johnny Rebs to pass the Yankees of 1961-65 in numbers, but the point has been reached. There was recently a meeting of the old Confederates in Georgia, and they mustered in seven men all past 100 years of age, whereas only four Yankee soldiers are known to be still living.

Of course, the old Johnny Rebs have to be carried, wheeled or otherwise assisted to the reunion, but seven made it, probably all of the mighty fighting force the south mustered into service in the 60ties.

NINETEEN ATTEND WSCS MEETING

Nineteen members were present at Monday's meeting of First Methodist Women's Society of Christian Service in Fellowship Hall, with Mrs. E. F. Latham, president, presiding.

Opening prayer was led by Mrs. Ida Belle Walker. During a business meeting, Mrs. Bob Tobey resigned as first vice president, and Mrs. Leo Holmes was elected in her place. Mrs. Bernarr Smith was elected second vice president.

Mrs. J. Fred Bucy led a prayer after the group sang "The Voice of God Is Calling." Mrs. J. H. Carpenter gave the devotional, reading scriptures from Mark 9: 19-29. She also read an article on "Pledge to the Children." Mrs. George Weiss was program chairman, and Mrs. Robert Baumgardner discussed four chapters of the study "How the Family Served Itself." Mrs. Weiss discussed the next chapter, "How the Community Serves the Family."

Circle meetings will be held next Monday afternoon.

ALTRUIST CLUB PLANS PRESIDENT'S DINNER

When members of the Altruist Study Club met at the home of Mr. and Mrs. L. M. Lang, 718 East Broadway, Monday night, the annual President's dinner was planned and the date set for Tuesday night, May 27.

Mrs. Bill Glick will be hostess for the covered dish dinner, and Mrs. Thurman Skains was named chairman of the planning committee. Mrs. Russell Stephens and Mrs. H. G. Weatherford are also on the committee.

Mrs. Hub King was hostess to the club at her mother's home Monday night. Mrs. Louise Watson, president, was in charge of a business session, and she read a note of thanks from Mr. V. L. Patterson for the club's assistance with a breakfast given for the board of managers for the district P-TA on Friday morning, April 25. Mrs. Watson made the place-cards for the breakfast. Mrs. Stephens reported on parliamentary procedure.

For the program, Mrs. Watson discussed canning, and Mrs. David Platt talked on gardening.

Refreshments of cake and coffee were served to Mesdames Bill Liles, Skains, Stephens, John Waddell, Watson, Gene Coward, Platt, Norman Grine, Weatherford, Lee Lidzy, and Lang.

Earl McNeil was in after his candidate cards last week, and said he caught lots of fish at Lake Bridgeport, but brought none home. After delivering him a chunk of a cussing, he promised to go back just before the election and bring all his friends a mess of fish.

POOL NEWS

Rev. Ray Douglas preached here Sunday, and 49 attended.

Mr. and Mrs. Charles Dunn spent Sunday with Mr. and Mrs. Homer Dunn.

Mrs. Major Howard and family attended church in Seagraves Friday night.

Mr. and Mrs. Will Terry, Wanda, and Pat Joplin spent Saturday night in Ackerly visiting relatives.

Rev. Prichard preached at Pool Sunday evening, and 30 persons attended.

Mr. and Mrs. W. M. Joplin and Janice spent Sunday in Slaton visiting their son and brother, Mr. and Mrs. L. P. Joplin, and Kathy.

The young people of Pool visited in the home of Mr. and Mrs. S. M. Fowler Saturday night for a fellowship meeting.

Mr. and Mrs. Jack Robertson of Clovis, N. M., Mr. and Mrs. Robert Drennon of Seagraves, and Mr. and Mrs. B. W. Young of Brownfield spent Sunday in the home of Mr. and Mrs. E. J. Duncan.

Mr. and Mrs. Banard Bishop and girls of Snyder spent the weekend with her parents, Mr. and Mrs. Roy Barrier.

There was a good crowd at prayer meeting Wednesday night. Everyone is invited to attend these meetings.

ATTEND SONS GRADUATION

Dr. and Mrs. T. H. McIlroy were in Austin Friday where they witnessed the graduation exercises at the Texas Chiropractic College, and their son, Howard Wayne, received his Doctor of Chiropractic degree. Also attending from Brownfield were Howard Wayne's sister, Mrs. Harry Starnes and daughter, and his sister-in-law, Miss Charlie DuBose.

BROWNIE TROOP ONE HAS SLUMBER PARTY

A slumber party was enjoyed by members of Brownie Troop 1 last Friday night at the Girl Scout Little House. Leaders are Miss Eleanor Miller and Miss Rachel Dunaway.

Those attending were Ann Patterson, Ann Copeland, Judy Teague, Judy Keenan, Carolyn Kelly, Bobbie Sue Nicholson, Yvonne Parker, Janice Nowell, Sheila Kay Primm, Janet Hefflin, Rosalee Barrett, and Valdean Garner.

Members of the troop entertained their parents with a tea Monday night of last week at the scout house. A play, "Girls From Many Lands," was presented, with each girl representing a Brownie member for a different country.

Small story books were given the children, and badges of a green Girl Scout emblem on a yellow background were given the parents.

Parents attending were Mr. and Mrs. Val Garner and family, Mr. and Mrs. Mike Kelly, Mr. and Mrs. David Nicholson and children, Mrs. Waland Parker and children, Mrs. J. M. Teague, Mrs. Lal Copeland, Mrs. C. C. Primm, and Mr. and Mrs. Farris Nowell.

Visitors last weekend in the home of Mrs. Minerva Chesher and her mother, Mrs. Sarah Banks, 706 East Lake, were Mrs. Banks' daughter and son-in-law, Mr. and Mrs. Guy Byrd of Amarillo.

A Small Book Is Delivered from NY

Well, they do things up according to Hoyle these days. Somewhere back in the dark, dim distant past, we put our John Henry on a card and mailed it off to New York for a book. We thought it would be delivered by Uncle Sam's mail, but it was delivered in person. Another was delivered this week. No charges.

The booklet? The name is, "Are You An American?" and Great Americans Speak. The book was edited by Frederick C. Packard Jr., and published by Charles Scribner's Son, New York, N. Y. Tell you more about it when we have the time to read it.

HONOR STUDENTS TO BE NAMED AT H.S. MONDAY

Mother of 'Doc' Perry Dies After Long Illness

Funeral services for Mrs. Florence Perry, 71, mother of P. W. (Doc) Perry, were held at the First Baptist church in Merit, Texas, Wednesday afternoon, April 30. Burial was in the Merit cemetery beside her husband who passed away in 1941.

Mrs. Perry died Tuesday, April 29 at the home of another son, George Perry, in Lancaster, after a prolonged illness. She was born and reared in Hunt county.

Mr. and Mrs. Doc Perry had been at his mother's bedside for some time. Their business establishment, the Best-Yet cafe, was closed the day of the funeral services.

Other survivors are another son, John, of Greenville; and three daughters, Mrs. Hayden Armistead and Mrs. Pauline Williams, both of Dallas, and Mrs. O. L. Bailey of Kendrick, Okla.

RETURN HOME

Rev. and Mrs. Dallas D. Denison returned home Saturday from San Francisco, Calif., where they attended sessions of the General Conference for Methodist churches. They accompanied Dr. and Mrs. Luther Kirk of Midland to the meeting, and Dr. Kirk was a delegate from the Northwest Texas Conference.

Couple Visit Scenes Of Their Childhood

We have had such a delightful journey, we feel like sharing it with our friends in the Brownfield area.

Having treated ourselves to a new Ford, we felt the time was right to do a thing we had planned for many years, so on April 4 we set out on a long, long trail a'winding, back over the scenes of our younger days, which we had not visited for forty years or more.

Our first stop was at Fort Worth, where we saw our daughter (Edna), now Mrs. R. A. Springer, and mother of three fine (of course) children. In Waco we visited relatives and friends, and from there we went to Fairfield, in Freestone County, where Mrs. Paschal was born and reared, in the area where we were married many years ago.

After visiting in many homes, of friends and kin there, we visited others in Palestine, Athens, Troup, Texarkana, several points in Arkansas, and in Oklahoma, before heading homeward again, to the Panhandle plains farm home we have learned to love so well.

It has been forty years or more since we had seen most of the persons, places and things seen on this wonderful trip, and we just don't have the words to tell how we have enjoyed it. Everywhere, old friends and kin have received us with open hearts and homes, and shown us every possible courtesy.

If we had to record one disappointment, it would concern our effort to get back to the old Day homestead in Freestone County, old Rock Springs, which was just that, big rocks and many springs, which Nature now has simply stepped in and overgrown, to its old status of Forest Primeval. We had no axe, and even the sturdy Jeep of our friends was not equal to the conquest.

You may say for us that we are glad to be home again. We love Terry County, winds and sand and all.

Mr. and Mrs. W. P. Paschal (Gomez).

Services Tuesday For Mrs. Denison's Mother

Funeral services were held at 3 p. m. Tuesday for Mrs. Elmo Condron, 69, mother of Mrs. Dallas D. Denison, at the First Methodist Church in Elgin, Texas. Interment was in the Elgin cemetery.

Mrs. Condron had been in ill health for some time, and she passed away at her home near Elgin about 6 p. m. Sunday. Rev. and Mrs. Denison left Monday

morning to attend funeral services.

Survivors are her husband, Mrs. Denison, who is the oldest of nine children, four daughters in Austin, a daughter at Elgin, a son in Houston, a son in South Carolina, and another son at Elgin.

She had been a resident of the Elgin community all her life. Rev. and Mrs. Denison will return to Brownfield Friday.

Mr. and Mrs. Warren Orr visited relatives in Canyon last week end.

Praises BIG 12 For Relieving Her Nagging Aches and Pains

Mrs. Blanche Styron

Every day from all over Texas write in telling how BIG 12 has helped them regain their old time feeling of well being. For instance, take Mrs. Blanche Styron of 402 West Henderson in Cleburne. Mrs. Styron is a nurse and it wasn't long ago that she had a hard time carrying on her profession. Then she heard how BIG 12 was helping other people with a similar condition caused by deficiencies of Vitamin B₁₂, B₆, Niacin and Iron and decided to try it. But let Mrs. Styron tell her experience with BIG 12 in her own words.

"For some time I had aches and pains all over my body. I suffered terribly all during that time. Then I heard about BIG 12 and out of sheer desperation I got a bottle. With that first bottle I felt a great change for the better and I have since taken thirty or forty bottles. I have now returned to my work which is practical nursing. At present I am walking two miles each day to take care of my patient. I am still taking BIG 12 and will continue to take it for it has helped me more than I can ever say."

There is nothing miraculous about BIG 12 but sometimes results like those secured by Mrs. Styron almost make it seem so. It is a proven fact that lack of Vitamin B₁₂, B₆, Niacin and Iron can cause nagging aches and pains, stomach distress, sleeplessness, nervousness, poor appetite and a general run-down condition due to a deficiency of Vitamins B₁₂, B₆, Niacin and Iron but get a bottle of pleasant tasting BIG 12 from your drug store today.

Turning Back the Time
 By A. J. S.

Seeing an article in the dailies recently that the Game and Fish Department might permit limited hunting of prairie chicken, or grouse, as they are sometimes called, sometime this fall, recalled to mind what the old pioneers thought of this bird. So far as we remember, very few people ate them. Generally, were tough, dark meat, and in summer an fall tasted like the shinnery oak acorns they lived principally on. If you happened to kill a few young ones after the maize and cane grain ripened, they were fair eating material. But the birds were usually regarded as a pest.

We have seen them so thick on feed shocks out in the Pleasant Valley and other sections of Terry county, or even just south of the draw here in town, that the shocks would look like they were covered by a brown cloth. But they were protected by the game laws even then. One time a rather old gentleman of Lubbock was the area game warden, and he had many complaints from Austin that the chickens were being killed here promiscuously. So one day the gentleman came down, taking him all day in his buggy. Next day he had a talk with the then sheriff, the late Geo. E. Tierman. Of course the game warden understood the situation here the same as we, but he was on the spot and had to act. So, George, being a good friend and wanting to shut the matter up down Austin way, agreed to get two men to plead guilty, and two fines of \$25 each was made up quickly.

The funny part of the matter was that the aged game warden, leaving the third day could not have gotten much further than the Magnolia headquarters, when a hawk chased five prairie chickens into the courthouse park, where they had some protection by trees. They had come from what is now the Santa Fe addition, then an open section, where the town cows grazed in daytime, free. It belonged to the late M. V. Brownfield. Anyway, the birds had no more than settled, until the late J. R. Hill came out of the hotel and George E. out of the sheriff's office with their automatic shotguns. The hawk was first knocked off a telephone pole, and then the five prairie chickens killed. If the game warden had been listening, he could have heard the shots.

But people in those days just did not regard killing prairie chicken and antelope as a crime, and no jury in any of the counties hereabouts would have convicted a man for killing them—any time of year. The favorite hunting ground for antelope was in the area where the Pioneer Salt Works now stands. And Earl Hill, Will Ed Harris and the late Chock Hamilton were the main hunters, and they usually came in with one or more. They had fast ponies to ride, and were crack shots with rifles. The one that Earl Hill would kill was usually brought to the Hill Hotel, and for several days we boarders would get no beef, but "goat" meat. That was what we called the antelope meat when a stranger was about. You never knew when you might be talking to or in the presence of a game warden.

Which reminds us that J. R. Hill himself once spouted off to a man about such game being plentiful. "Do you ever get to kill any of them?" the stranger asked. "Lots of them," was J. R.'s reply. "Do you know that I'm a game warden?" the man then said. "And do you know that I'm the biggest liar in this section?" was J. R.'s reply. So that ended that.

Now for a short story of our own poaching, and we're through. The plot of land in the area of the Lions' swimming pool and soft-ball ground and down to about the Seagraves highway, and up on the hill south of the draw belonged to the late W. G. Hardin. He had planted cane there that year, and the blue quail were there by the hundreds. So we bought some No. 8 shotgun shells, borrowed Mr. Hardin's shotgun late one afternoon and took off down there for a mess of quail, which the cook would prepare for individuals at the hotel, where we boarded at that time. We were knocking them down going and coming, as we considered ourself a pretty good

1952 Cotton Price Changes Announced; Program Differs From That In Past

Details of the price support program for 1952-crop upland cotton were announced Saturday by the U. S. Department of Agriculture. The program differs from previous programs principally in that it gives greater encouragement to the use of local lending agencies and local administrative committees in the granting and servicing of loans on cotton, and makes purchase agreements on cotton available for the first time. Equity transfer agreements also will be available to producers.

The Department announced on November 29, 1951, that 1952-crop cotton would be supported at 90 per cent of parity. On February 21, 1952, the Department announced that the average loan rate would be not less than 30.91 cents per pound, basis Middling 7/8-inch cotton, or 90 per cent of parity at the beginning of the marketing year (August 1, 1952), whichever is higher. The final loan rate will be announced about August 1, 1952.

To facilitate granting and servicing of loans, loans will be made this year (1) by local banks, production credit associations, and other qualified local agencies that have entered into agreements with the Commodity Credit Corporation to make the loans, or (2) by the Production and Marketing Administration county committees, which will be authorized to issue sight drafts drawn on CCC. The loan documents will be kept in the local area, either in the local lending agency or in the office of the PMA county committee.

In the past, equity transfer agreements were supplied to producers at the time of making loans. Under the support program for 1952-crop cotton, an equity transfer agreement will be made available to a producer after he has agreed to sell his equity in one or more bales of cotton covered by a particular note. Such agreements will be available at the local PMA county office where they will be dated as of the day of issuance and will have a valid life for loan redemption purposes of seven days.

(Note: A producer uses an equity transfer agreement to sell his remaining equity in cotton over and above amount of the CCC loan, plus interest and other charges.)

Premiums and discounts for all qualities of 1952 upland cotton also were announced. The premiums and discounts have been determined in the same manner as in previous years, on the basis of actual market differences for the various grades and staples.

The basic support rate for 1952-crop cotton will apply to middling 7/8-inch cotton at average location. The loans and purchase agreements will be available through April 30, 1952. The loans and purchase agreements will be available through April 30, 1952. The loans will mature July 31, 1953, or earlier upon demand and producers must deliver any cotton tendered upon purchase agreements by August 3, 1953. If the loans are not repaid prior to maturity CCC may take over the cotton from producers, sell the cotton to others, or pool the cotton for producers' account.

Loans will be available on cotton stored in warehouses approved by CCC and in farm storage structures approved by PMA county committees. Any cotton delivered under purchase agreements must be in a warehouse approved by CCC. Approved lending agencies may make advance loans to producers prior to the time loan values can be determined.

France recently completed a man-made port at Abidjan, capital of Africa's Ivory Coast.

shot back then.

The first we knew, a voice behind us said, "getting any, Jack?" That was September and long before the season was supposed to open. It was the District Judge of the old 72nd judicial district, the late Judge L. S. Kinder, one of the finest men you ever met.

There was no use lying, so we said, "yes, a few." "Which way did they go," he then asked. "Up on the hill," and quickly, "let's get after them." We did and killed several more and had a fine feast at the Hill Hotel for supper.

But you know, for a few minutes we thought about a \$25 fine, and we'd have had to borrow the money. We did not hear Judge Kinder say this, but it came pretty straight. "No farmer will ever be convicted for killing prairie chicken in my court. They are a pest."

Too Late to Change Back to Cattle Now

According to a release from "Love Star Agriculture," put out by the State Department of Agriculture, much of west Texas stands to go the way of some of the ancient nations mentioned in the Bible.

It was stated that some of the old-fashioned men used to remark that much of the lands now in cultivation, not being badly eroded by wind, should never have been plowed up.

Of course he recommends cover crops, terracing and contouring to make the water walk instead of run. But the trouble in this area is not so much the water as the wind erosion being the thief that is draining the country.

Mr. and Mrs. J. A. Carpenter of Hamden visited last week end with their daughter, Miss Inverness Stowell, who recently purchased Lowell's Studio here.

Mrs. Bernarr Smith is now employed as clerk in the local Selective Service board office, replacing Mrs. John Waddell, who is recipient of the City Hall Mrs. Waddell replaced Mrs. Oscar (Gay) Allen who joined her husband at Camp Pendleton, Calif.

Local Business Men To Put on Show

An All-Male Burlesque show will be presented by 22 local business men at the Country Club Friday and Saturday nights, and tickets are on sale for \$1.50.

The show is sponsored by the Country Club Women's Association and proceeds will be used to remodel the club.

Warren Wahlgreen will be master of ceremonies and organ music will be furnished by Bernie Howell of Lubbock.

Draft Quotas to Increase in July

State draft boards will be called on in June for only 384 men, Brigadier General Paul L. Wakefield, State Selective Service director, announced last weekend.

Quotas to local boards for this call, smallest received by the state since July, 1951, was to be placed in the mail on or about May 7.

The June state quota of 384 is Texas' share of a national quota of 10,000.

General Wakefield predicted that calls on Texas will increase greatly, beginning in July.

He pointed out that the first draftees inducted after invasion of South Korea will be eligible for release late this summer and early this fall.

He said everything points toward heavier call the remainder of this year and the first four of five months of 1953.

The June induction call probably can be filled with examined and acceptable men 21 years old or older.

General Wakefield indicated that the state will have a physical examination schedule of around 3,000 men a month during the summer, beginning in June.

A total of 2,965 are scheduled for the pre-induction physical and mental examination in May. In addition, a May call for the re-examination of 624 4-F registrants was mailed to 43 boards from state headquarters April 23.

BROTHERHOOD MEETING NEXT TUESDAY NIGHT

The Brownfield Association Brotherhood meeting will be held at the Calvary Baptist Church next Tuesday night, May 13, and the program will start at 8 o'clock.

Supper will be served, and Rev. Doyle Pearson will lead a devotional. The guest speaker for the evening will be Rev. Joe Morman, pastor of the First Baptist Church in Hale Center.

Pfc. Doyle V. Crowder May Come From Korea

Pfc. Doyle V. Crowder, son of Mr. and Mrs. H. L. Crowder, 407 West Lake, may come home from Korea in the near future, he writes his parents.

Pfc. Crowder, who was graduated from the Wellman High school in 1946, is operating a radar machine in Korea, and has been on the front lines the past few months.

His mother stated that Doyle is "ready to come home," and hopes that it will not be too long until he is sent back to the states.

Oil Situation About Same As Usual

There is no great upheaval in the way of oil business in the area this week, but as the old saying goes, running in the even tenor of its way.

In the meantime a new location has been made in the Adair-Wolfcamp, 12 miles south of Brownfield, or as the A-J. would say, 20 miles northeast of Seagraves.

Two wells were finished the past week in the Adair field in south Terry, one being the Amerada Co., No. 6 F. T. Hogan in section 6, block C-31.

In the same field the Union Oil Co., No. 2 T. I. Miller, section 18 block C-37, was finished at 8,512-54.

Bank Holidays Are Hard to Remember The average citizen has a rather hard time remembering the bank holidays during the year, even though the banks go to the expense of publishing the closing date on a holiday, a week or nearly so in advance.

We would suggest that those who have that trouble clip this out, as it gives all the closing dates for the rest of the year:

May 30, Decoration Day June 3, Jeff Davis' Birthday. July 4, Independence Day. July 29, First Primary. August 23, Second Primary. September 1, Labor Day. October 13, Columbus Day. November 4, General Election. November 11, Armistice Day. November 22, Thanksgiving Day. December 25, Christmas Day.

Some of County Conventions Rough

As far as Terry County was concerned, the regular Democrats took charge of matters right off Tuesday p. m. As we understand it, some three or four of the "loyal" to Truman men objected to an un-instructed delegation to the State Convention at San Antonio, May 27.

The GOPers had no convention in Terry County so far as we learned, but over the south Plains generally speaking, it was like by a long shot.
