

STRICKLINLY SPEAKING....

By
OLD
HE

Much has been said of late by Texas lawmakers and politicians about the farm program, and it seems it does not suit them. But the latest issue of Agriculture, official organ of the Texas Farm Bureau, does not seem to agree with the fellows that don't farm now, nor never have farmed. In fact, a statement on the first page says they endorsed a lot of the new ag. bill, and specifically recommended most of the other. And their parity was to start at 75 to 90, whereas the bill signed into law by Eisenhower starts at 82 1/2 and ends with 90. Not much difference.

But lots of times it is easier to please the farmers themselves than those who are looking out for the farmer's vote.

Heard something the past week-end that reminded us to be on our guard what we have to say in the presence of the small fry, even to the 4-year-olds that you think are paying no mind to what you say.

Anyway, a couple or more women were clattering away, when one remarked that she had heard that one religious sect maintains that people not married by their ministers are not legally wed, and their offsprings are therefore bastards.

A few minutes later the little 4-year-old asked: "Mamma, am I a bastard?"

Had a letter not too long ago from Brother Tom down there at Cowntown that he and Alice had just celebrated their 56th wedding anniversary, having married in 1898, during the Spanish-American war. And they have endured each other all that time, seemingly quite pleasantly.

That reminds us that the Old He and frau have battled off 44 years of married life, and so far neither have threatened to go back to mamma. At that length of time, people not only have children, but grandchildren that are their pride and joy, but we believe Tom and Alice have great-grandchildren to add to his joy of fishing and gardening.

Well, dog our buttons if we are not almost afraid to travel through old Lynn County here of late. Two weeks ago a beserk negro murdered the deputy sheriff over at Wilson, and last week, another man killed his son-in-law over at Needmore, near the Terry County line, just a few hours after we passed through the village.

The man who was killed has a sister living in Brownfield, and another at Tokio, and other relatives, including his parents at Seagraves.

It is really bad when young couples have trouble, and then try to divide the family. It always raises bad passions, and things are said and often done that leave regrets and sorrow in both families for many years to come. Family rackets are the worst of all, as others can sometimes be stopped by neighbors and friends.

And over in old Dawson, they are going to say "Vamoose" to Old Man Gloom, that has hung on for years, as they are going to harvest their best crop in three or four years this fall. And Lamesans decided on having a real ceremony to boot out Old Gloom in a big way.

For many years, Dawson county produced around 100,000 bales of cotton, while Terry averaged some 50,000 bales. And while Terry's crops have been far below average the past few years, especially last year, we have run well ahead

REV. W. F. KERBY

FOUNDER OF LOCAL PRESBYTERIAN CHURCH VISITED HERE LAST WEEK

Rev. W. F. Kerby, 84, a Presbyterian minister now living at Arlington, Texas, was here last week looking over files of the Terry County Herald and talking to old timers to get information on the organization of the Presbyterian Church in Brownfield.

Bro. Kerby was sent under the direction of the Abilene Presbytery to get this information. Also while here he was to get data on the Lamesa church. They are getting histories on all Presbyterian churches in the Abilene Presbytery.

There were only four Presbyterians here when the church was organized, being Judge W. R. and Mrs. Spencer, Mrs. J. R. Hill, and Mrs. M. B. Sawyer, now deceased. Bro. Kerby was sent here in 1911 by the Presbyterian Board of Missions USA, to organize the church.

Bro. Kerby was the guest of Mr. and Mrs. Arthur Sawyer while here. Mr. Sawyer's mother, the late Mrs. M. B. Sawyer, was a charter member of the church organized here in July, 1911. He also held a meeting at Gomez in the early part of July, 1911.

(Taken from files of The Terry County Herald, July 21, 1911.)

The big meeting at the Methodist Church, conducted by Rev. W. F. Kerby, Presbyterian missionary, continue to grow in interest. Good crowds at night and fair crowds at morning services. All enjoying the good music and splendid sermons being delivered. The meeting will continue over Sunday and into next week. Let's everybody go to church and enjoy the meeting, worship God and be good.

(The following is from the files of The Herald, on July 28, 1911):

THE REVIVAL
 The protracted meeting at Brownfield closed Thursday night with good interest. There were ten new members enrolled in the Presbyterian Church. Some will likely join other churches.

Bro. Kerby is a good preacher and an affable gentleman, and all denominations were pleased with his discourses, and it is freely granted that he did much good while here.

He will begin a meeting at the French school house between Lon and Pride tonight and will continue there for a week. Mr. Kerby was much pleased with the way he was treated while here, and is also pleased with the people and the country in general. Everyone is hoping he will see fit to locate with us permanently, as he has built up quite a good congregation.

A total of \$2,918.53 has been donated in Terry County, while Plains has reported \$715.71, and no returns have been received as yet from Denver City.

Methodist Church. Bro. Kerby is a forceful and fluent speaker, holding his audience beautifully through both discourses.

ENROLLMENT AT LOCAL SCHOOL REACHES 2,154

Building Program Studied

Enrollment in the Brownfield schools has hit 2,154 students, including 75 colored, during the second week of school ending on Sept. 15, according to Supt. O. R. Douglas.

"This year's figure is up 198 from last year's for the same period and there seems to be an increase each week," Douglas said.

Four members of the school board and Supt. Douglas toured area schools, Monday, in preparation for a meeting held Thursday night to discuss a possible building program here.

Cafeterias, grade schools, and auditoriums were inspected by C. G. Griffith, president of the board, I. M. Bailey, Bill Carter, and Hubert Thompson.

9 Area Men Called For Induction, 14th

Induction calls have been sent to nine area men by the local Draft Board No. 116, to report on October 14, for induction. They are:

Arlis Earl Brothers, Levelland. Billy Wayne King, Levelland. David L. Brooks, Denver City. James MacLuker, Levelland. William Mack Noble, B'field. Carson Marion Franklin, B'field. Tommy Jefferson Riggs, Plains. Robert Mack Williams, Levelland. Billy Dick Hamm, Wellman.

20 For Pre-Induction
 Twenty men will also be called on October 14, for pre-induction examinations. These 29 men will leave at 7:00 a.m. from Local Draft Board 116.

Emergency March Hits \$3,635 Mark

The Emergency March of Dimes drive in Terry and Yoakum counties has brought in \$3,635.24, according to R. V. Moreman, county campaign chairman.

Moreman said that he expected the total to come to about \$4,000 by which time all funds are brought in, which will be \$1,000 over the quota set for the two counties.

A total of \$2,918.53 has been donated in Terry County, while Plains has reported \$715.71, and no returns have been received as yet from Denver City.

Methodist Church. Bro. Kerby is a forceful and fluent speaker, holding his audience beautifully through both discourses.

CITIZENSHIP DAY PROCLAMATION

By The President of the United States

WHEREAS by joint resolution approved February 29, 1952 (66 Stat. 9) the Congress of the United States has designated the seventeenth day of September of each year as Citizenship Day in commemoration of the signing on September 17, 1787, of the Constitution of the United States and in recognition of all who, by coming of age or by naturalization, enjoy the privileges and assume the responsibilities of citizenship; and

WHEREAS our Constitution, which guarantees priceless freedoms to us as citizens of the United States and to our posterity and sets forth a concept of liberty that has been an inspiration to freedom-loving people everywhere, takes on still deeper meaning in these days of critical international affairs; and

WHEREAS the aforesaid resolution authorizes the President of the United States to issue annually a proclamation calling for the observance of Citizenship Day: NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, do direct the appropriate officials of the Government to display the flag of the United States on all Government buildings on Friday, September 17, 1954, and urge the people of the Nation to display the flag on that day at their homes and other suitable places.

I also urge Federal, State and local officials, and patriotic, religious, educational, civic, and other interested organizations, to arrange for appropriate ceremonies on Citizenship Day in which all our citizens may join for rededication to the great principles for which this Nation stands, And I call upon all our people to give special thought and commemoration on that day both to their rights and to their responsibilities as citizens of the United States, to the end that our citizenship may have deeper meaning and greater strength.

CUBS GET SET FOR FRIDAY'S TUSSEL WITH LOBOS AT B'FIELD

"We are a young ball club and we don't intend to make the same mistakes Friday night against Levelland Lobos that we did last Friday night in the game with Phillips," Coach Toby Greer said determinedly Wednesday afternoon, in reference to the Brownfield Cubs.

"We hope that we have stopped our fumbling, and except for a few bruises, all the boys are in good condition and they realize they 'gotta be ready,'" Greer remarked.

The Lobos were District Tri-Champions in Class 6AA last year along with Kermit and Andrews, the latter representing the district. The Lobos have to their advantage an average line weight of 180 pounds, and backs of 165 pounds, in comparison with the Cubs' line average of 162, and backs of 156.

The September 17th game will be the season's opener for the Lobos, and marks the second for the Cubs.

Greer stated that players whom the Cubs must be wary of are Quarterback Freeman, third year letterman; Halfback Becton, regular last year; Fullback Evans, who was hurt last year and was unable to play, but is "pretty speedy"; Right End Lawton, third year letterman, who serves as a punter, kicks off an dunks extra points; Ballew Cowan, and Moreland, regulars last year; and Center Price, not a regular last year.

FIRST LOAD OF NATIONALS ARRIVE HERE

The first two loads of Mexican Nationals for the harvest season arrived late Tuesday night at the Jaycee Barns where they were picked up by area farmers.

About 400 Nationals remained from the hoeing season, bringing the total number in this area to about 560. The group was obtained through the Terry County Farm Association.

BOY WANTS A PUP

Mrs. V. L. Short wants a male pup for her little boy. Anyone having one, phone 3418.

CPL. WHITAKER RECEIVES COMMENDATION Ribbon with Metal Pendant Award—In photo is Cpl. Martin Dawe Whitaker being decorated with the Commendation Ribbon with Metal Pendant for "meritorious service in Korea during the period 6 Aug., 1953 to 10 July, 1954" by his company commander, First Lieut. William E. Whelan. Both are members of the Depot Facilities Detachment, 8055th Army Unit. Whitaker was cited for "his unusual ability, outstanding initiative and constant devotion to duty" and for his material contribution "to the success achieved by his organization in accomplishing its vital mission." Corporal Whitaker is the son of Mr. and Mrs. Vernon Whitaker of Rt. 1, Brownfield, Texas.

CANCER SOCIETY VOLUNTEER WORKERS TO MEET IN BROWNFIELD, SEPT. 29TH

PROMINENT WEST TEXANS TO BE ON PROGRAM

Several prominent West Texans will take part in a program to be held here Sept. 29 for American Cancer Society volunteer workers from 21 counties.

The occasion is the fifth annual meeting of District Two of the Cancer Society's Texas Division. The program will be conducted by the district representative directors, Mrs. Paxton Howard of Midland and Dick Simpson of Vealmoor.

Other West Texans who will take part in the program include Mrs. Jake Roach of Flory, J. D. McPhaul, of Lamesa, Mrs. Wayland Parker of Brownfield, Mrs. John Guffy of Odessa, Mrs. W. F. Pennebaker of Midland, and Mrs. Lewis Simmonds of Brownfield.

All are active leaders in the Society's cancer control program. Delegates from each county in the 21-county area hope to find ways to improve West Texas' cancer control program during the meeting.

A highlight of the meeting will be the showing of a new film featuring some of the latest developments in cancer research.

A medical teaching conference will be held the evening of Sept. 29 for all practicing physicians in the district. The program, at the South Plains Health Unit, will be conducted by a team of physicians from the University of Texas Medical Branch at Galveston.

Dr. Thomas L. Treadaway of Brownfield is in charge of arrangements for the medical session. Dr. Roscoe B. G. Cowper of Big Spring is District Medical Director.

Scottish Rites To Celebrate Feast

Feast of the Tabernacle will be observed by the local Scottish Rites Association at 8 p.m., Oct. 12, at the Masonic Temple. At that time officers for the new association will be elected.

All members of the SRA are urged to make plans to attend this important meeting.

Re-organization of the association was planned at a meeting recently with Clovis Kendrick presiding.

Others attending included Monk Parker, Earl Jones, J. O. Burnett, Rev. Ralph O'Dell, Al Muldrow, Sawyer Graham, Will Fitzgerald, Skeet Robison, James H. Dallas, Johnny Kendrick, and J. D. Miller.

Cash Prizes Offered For Amateur Hour

Prizes of \$75, first; \$50 second; and \$25 third; will be given to winners of the Amateur Hour which will be held the afternoon of the Harvest Festival, October 28th.

Anyone may enter, whether living in Terry County or not, and should contact the amateur committee of the Rotary Club, sponsoring organization, at Box 89, Brownfield, or phone 2747.

The club is very desirous of presenting Terry's finest talent as the celebration will be a combination of the Festival and Terry County's Golden Anniversary, so put your bid in today.

All F-B Members Urged To Attend Important Meeting

All local Farm Bureau members are urged to attend an important District 2 Farm Bureau meeting Sept. 18 at the Lubbock Hotel at which current agricultural issues and policy development techniques will be discussed, according to Eulice Farrar, president of the Terry County Farm Bureau.

The Farm Bureau Queens from 13 of the 19 counties in the District will compete in a District Farm Bureau Queen Contest that will be held in conjunction with the meeting, which is scheduled to begin at 10 a.m. with the queen contest being held in the afternoon.

Jeanette Faulkenberry, 17-year-old daughter of Mr. and Mrs. W. C. Faulkenberry, Route 1, Seagraves, will represent Terry County, while other queens will be vying for the title from the counties of Briscoe, Farmer, Dickens, Lynn, Swisher, Bailey, Hockley, Floyd, Lubbock, Crosby, Castro, and Lamb. Winner of the event will go to the state finals in November in Galveston. She will also receive a wrist watch, an expense-paid trip to the TFB state convention and a week's stay at the Crazy Hotel in Mineral Wells. The state queen will receive \$500 in expenses to attend the American Farm Bureau Convention in December in New York.

The meeting is one of a series of 13 being held over Texas this month. Main speakers will be C. H. DeVaney, of Coahoma, vice-president of the Texas Farm Bureau; and O. R. Long, of Nashville, Tenn., southern region organization director for the American Farm Bureau Federation. DeVaney will speak on "Current Agricultural Issues" while Long will speak on "The Techniques of Policy Development in County, State and National Farm Bureaus."

Included on the days' program beginning at 10 that morning will be the invocation, group singing, speech by DeVaney, speech by Long, an open discussion, and the district queen contest that afternoon.

Gillham on Advisory Council of S-M-F

The Southwestern Medical Foundation, with headquarters in Dallas, has announced the appointment to its advisory Council of J. O. Gillham, of Brownfield.

Gillham will represent Terry County on the Council during the ensuing year, according to R. R. Gilbert of Dallas. Gilbert, a banker, is chairman of the Advisory Council.

The Southwestern Medical Foundation is a non-profit, philanthropic organization. It works to improve health and combat disease in the Southwest.

Membership in the Advisory Council extends to almost every county in Texas. This membership is now being broadened to include all of Texas, as well as Louisiana, Oklahoma and New Mexico, Gilbert said.

Skeet Whitley, son of Mr. and Mrs. R. A. Whitley, has enrolled in San Antonio Junior College and Texas Chiropractic College. Skeet, accompanied by his parents, left Sept. 2 to enroll. He was in the Navy 18 days and received a medical discharge, having left here for the Navy, August 2.

PUPPETS TO ENTERTAIN FAIR CROWDS—Oscar, the monkey, is one of many entertaining puppets, that will entertain youngsters at the Panhandle South Plains Fair in Lubbock from Sept. 27—Oct. 2. Five free puppet shows will be given each day by the famous Lesseli Marionettes in Puppet Palace, located right next to the new Fair Park Coliseum. This special attraction is only one of several free shows to be presented at the regional Fair.

The American Creed

We believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many states; a perfect union, one and inseparable established upon these principles of freedom—equality, justice and humanity, for which American patriots have sacrificed their lives and fortunes.

—Terry County Herald.

As we promised the week before our schools opened here in the area, we are going to keep on reminding those who drive cars, the danger of running into or over some little child, not old enough to be cautious. It is bad enough to hurt or kill an innocent child, even if we are not to blame, but when carelessness and indifference is added, we that may still have a bit of conscience, will regret the fact all our lives. It is not a pleasant thing to contemplate that all our living days, we are to see visions of a child sacrificed by our carelessness, in all our waking hours, as well as in our disturbed dreams. However, we still see people, mostly young blades in this city, who shove up and down the streets at a rate of speed that almost makes us dizzy. And many of the older ones among us are not entirely clear of blame. For instance, when we were getting up that "safety ad," we had one man to tell us that officers stopped him not too long ago, because he was driving too fast. He did not resent the caution, on the other hand he talked like he appreciated the fact that he was called down by an officer, and admitted that he unconsciously drove too fast at times. He stated that he sometimes came to himself all at once, realizing that the woods were not on fire, and that he was trying to escape; that he had plenty of time to reach his destination without undue speeding. And let us state here that he put his signature to that ad that was printed to caution one and all of the danger of fast and careless driving. Most of us will admit that when some 2000 way out in the country on a highway or FM road, and no other cars in sight, that it is "OK" to put a heavy foot upon the accelerator, and split the breeze for a piece. But there is one condition in that; are you alone in the car, or do you have your wife and children in the car to break and mangle. But maybe the wife and kids, and other people riding with you wish to spend a bit more time on this vale of tears. We do not wish to appear cranky about this matter, but it is a matter of serious thought. When we reflect back to the Labor Day weekend, and the number who met their untimely death suddenly, it is a thing that should stimulate us to careful thinking and driving. Most were killed on their way back home, as many started for home late, and tried to make up time.

The little political paper printed down at Austin, the State Observer, is still up in the air about the results of the election last Saturday in August, and we wonder if a physician will not finally have to be called in to quiet the editor's nerves. Most all the other papers we get, daily or weekly, pro or con Shivers, had very little in their papers last week concerning the election. For them it was all over, and they were trying to forget. But when a paper becomes so given to politics that politics is all they study, perhaps the ordeal of forgetting is a hard one. But no one is going to make any case of the matter now. The people have spoken, and you may call all the people who supported Shivers, Republicans, and all the people who supported Yarborough and McClellin, or what not, and

it will not make that a fact. Good honest people voted for each man, and if the some 770,000 people who voted for Shivers are GOPers, the "Good Old Party" sure has grown in the past few years in Texas. On the other hand, if all the people who voted for Yarborough were reds and pinks or at least leftists, there sure is a lot of them in Texas these days. But either assertion is as far from the truth as it is possible to be. In fact, we have read considerable of late, weeklies, dailies, and news magazines, and we have just about reached the conclusion that there should be a shift in both parties. The present Republican party is now made up of the old standpatter bunch that used to rule the roost in that party, then there is the middle of the roaders made up of the Eisenhower bunch, and the liberals on down to such men as Senator Morse that is just about as near a Socialist, according to some authorities as they get to be. The same is true of the Democratic party, with most of it old fashioned States Righters in the South and Liberals of every hue and color in the North. But the Observer is afraid of a "machine," according to its hue and cry—a Shivers machine to be exact. But most Texans are glad that we have a machine down at Austin, that when they give you a check for service rendered, you do not have to hold it for months, or take a huge discount, to get it cashed. On the other hand, you get the cash on the barrel head. We have good schools, roads, and they are paid for as we go, instead of a huge public debt like we have in the Federal Government.

It is good for most of us to view the other side of the picture, or at least get another angle on the same side occasionally. And we got one from the railroad, delivered before the Chicago Board of Trade, recently. One of the points brought out was that the railroad had to pay for their truckage out of their own earnings, and not one red penny from a subsidy by the government. He mentioned specifically the new line that is to be built from Dallas through Denton, and on to a connection with the main line of the Santa Fe, from Fort Worth on through Oklahoma, in the vicinity of Gainesville. This line is to cost the Santa Fe in the neighborhood of \$6,500,000. A few years ago we heard a lot more than today about the government subsidizing the truck lines by providing them with a paved road, at the expense of the taxpayers. At that time, the truckers would come back with the assertion that they were paying for the use of the road both through licensing fees and gas tax. Well, in fact, all of us that used cars were doing the same thing, but the question is, would the licensing fee and tax on the gas we used anywhere near pay our part and share for the multi-million dollar roads? To save us, we can hardly blame the railroads for their roar. From the very beginning, they obtained their own right-of-ways, and built their own rail lines through forests, over streams, gulches, and sloughs, and even through mountain passes. They hired their own crews to keep these bands of iron, the crossties and the roadbed in good workable condition, and in addition to that, they paid their state, county and local taxes just like

the rest of us. But, Mr. Gurley was not so insistent about that as he was a lot of other government subsidies and helps that our people, or many of them, presently expect. To quote a portion of his address, we find the following: "Freedom bargained through the gradual insinuation of the government into our daily lives may be lost just as definitely as if a tyrant had destroyed them against our will." He further declared that for the past 20 years the government policies reflected an attitude which is inconsistent to that under which the railroads and the commodity markets of our nation developed. We don't believe that Mr. Gurley was talking about any of the forms of loans promoted by the government to its citizens, but outright subsidies for compliance.

Some time ago, the Mrs. started out to write an editorial, seeing perhaps the botch we were making of them. It was written on a scratch pad at the home, and never completed. We decided that it was pretty good subject matter, and decided to copy what she had, as follows: "The greatness of any county is not in the wealth of the folks, but in their churches, the schools, clubs, etc., that make for the spiritual upbuilding, for growth and development. Our early settlers who fought at the polls and crossroads for these things that make Terry County great—were made by the men and women who stood for better conditions in which to rear their children and their children's children. Terry County's good schools, churches, and civic organizations attest that at the polls, they may have for the time being been beaten, and with bloody heads, perhaps, but those old heads were never bowed. The strides our county has made in the past 50 years, are a living memorial to the hardship by the early settlers that . . ." That was as far as she went with the article, but presumably she intended the article for the 50th anniversary edition of the Herald. But with the press of other matters in getting the paper out, she never got around to finishing the article. Anyway, most of us can agree that what she said was true and to the purpose under consideration at that time. Timid people just don't go to new countries to try to build them up. It is the hardy and the brave, that will undertake the making of a fine place for future generations, out of a lonely, bald prairie way out 100 miles from any railroad point. Especially is this so, when we must remember that 50 years ago there were only wagon trails and no automobiles or paved roads even in the vicinity of the rail points. Those old pioneers would have to leave the family for some 12 to 15 days each time a trip had to be made to the railroad, as there were certain needs for the household and the livestock, that could not be procured locally. It was the brave old mothers who had to spend that lonesome time at home with the children to keep watch out for their livestock and poultry, as the country was full of ravenous coyotes, after the chickens, and in some instances, the two-legged ones after the cattle, if the master of the pioneer shack was away. Those old pioneers that endured these hardships and inconveniences that we might have a good country, have our admiration and our praise.

We have for the past many years been hearing a great deal about "academic freedom," and most of us will remember that the idea of academic freedom was first broached to an understandable extent several years ago, when a mighty good man, and a university executive, made the race for governor in this state, but was defeated, and located in another state. If the truth was known, probably that man was a bit misunderstood as well as some presently about the matter. Perhaps some think the advocates carry the matter too far, and some of us approve censor for such persons. Many of us at that time believed that what was meant, was that such school instructors taught that they not only had a right to be a Communist if they wished, but should be allowed to preach that doctrine before their classes. This has all been cleared up of

Drs. McIlroy and McIlroy Return

Drs. McIlroy and McIlroy are back in their offices after a two weeks vacation. They with Mr. and Mrs. Lloyd McNabb spent a week in Ruidoso. Then they spent a week at their cabin on Colorado Lake where they had as their guest, Patti Gail Stevens, a granddaughter, city, and Dr. and Mrs. Bill Dougherty and Mrs. Howard Wayne McIlroy, of San Antonio. Dr. Howard Wayne McIlroy was up from San Antonio the two weeks to care for his parents' practice.

The Star-Telegram Announces Bargain Rates Now Effective

We notice under date of Sept. 10, that the Fort Worth Star-Telegram is announcing their Fall Bargain Rates, for the daily and Sunday, as well as the daily without Sunday, as follows:
Daily and Sunday, year, \$13.95. (Saving, \$4.05.)
Daily without Sunday, per year, \$12.60. (Saving, \$2.40.)

Mrs. Neal Jennings, of Tulia, visited with her parents, Mr. and Mrs. Ross Black, 602 East Tate, last week.

late by such men as Dr. Frank Munk, Professor of Political Science in a well known but comparatively small institution, as universities go, the Reed College of Portland, Oregon. Let us first take the fact that Dr. Munk was brought up and educated in Czechoslovakia, and had to live under both Nazism and Communism. But he likes the Republic form of government such as we have here in the United States, and is a full citizen, and a respected one. He believes however, that the belief in academic freedom should be on a limited scale, and knowing what he does about Communism, he is not for the doctrine of the Kremlin being taught in the public schools, or any other schools in the USA. This, for the reason, as he so aptly explains, that the Communist doctrine, wherever taught, is under the domination of a foreign country, and stands for the overthrow of the government of the United States, and a substitution of what Russia wishes. Then to make his point better understood, he quotes from the investigating committee: "We think membership in the Communist party by a faculty member today, with its usual commitment of secret domination by the party, goes beyond the realm of political beliefs and associations. It cuts to the core his ability to perform his duties with independence of thought and judgment . . ." it is beyond the scope of academic freedom." To sum up his conclusion of the matter, he states, "ultimately academic freedom will only survive if it will be equilibrated by academic responsibility to the profession itself, and to the larger community."

SOME RULES FOR PROTECTION OF CHILDREN'S LIVES

"We protect wild life. What about child life?"

Col. E. B. Tilley of Houston, President of the Texas Safety Association, and Services Advisor for the Gulf Oil Corporation asked this question today as he spoke in behalf of the child traffic safety program being sponsored in Texas this month by the Texas Safety Association, the Texas Department of Public Safety and the National Safety Council.

"The rules of good sportsmanship protect our wild birds and animals," he said, "but too often the rules of safety are neglected when it comes to protecting our children on the streets and highways of the nation."
Col. Tilley pointed out that 4,400 children under 15 years of age were killed in traffic last year, and another 225,000 were injured.

"The Texas Safety Association is solidly behind this September traffic safety program," he said. "We want to do everything we can to help educate people to their responsibilities for the safety of youngsters."

Col. Tilley listed eight rules for adults—parents and motorists—to follow to safeguard children in traffic.

- Parents should:
1. Set children a good example by crossing streets only at intersections, waiting for the signal, looking both ways and for turning traffic before crossing.
 2. Find out what traffic safety education your children are receiving at school and coordinate your own instruction with it.
 3. Impress upon your children the danger of playing in the street or near moving traffic. See that they play only in approved play areas.
 4. See that children are skilled in using outdoor toys such as roller skates, bicycles, scooters, tricycles and wagons, and that the youngsters practice safety rules when using the toys.
- Motorists should:
1. Keep a constant look-out for children. Even when children are clearly in view, their actions sometimes are unpredictable.
 2. Near school areas be constantly alert for signs, signals, traffic police, school patrols and for children themselves.
 3. Decrease speed and increase vigilance when driving near playgrounds and residential areas and other places where children are likely to be found.
 4. Don't compete with the bike riders. Be ready always to give them the right of way.

Mr. and Mrs. Herman Chesshir, 1008 East Tate, visited recently in Roswell.

Mr. and Mrs. Leonard Lang, 718 East Broadway, were in Cisco recently to take an aunt home.

Millions of Dollars Worth of School Buildings Burn

Almost a million dollars worth of Texas school classrooms went up in smoke in 1953.

Norris W. Parker, manager of the Texas Insurance Advisory Association, said that statistics kept by this fire insurance trade association showed that fire destroyed \$984,662 worth of school property last year. Records show that 71 Texas schools were damaged by fire in 1953.

To help reduce school fire losses, the Texas Insurance Advisory Association will distribute thousands of posters to schools this month as a part of the nation-wide observance of Fire Prevention Week, October 3-9, Mr. Parker said.

G. I. QUESTIONS and ANSWERS

Q. I have an unused certificate of entitlement for Korea GI training, but it states I must have started by August 20, 1954. Now that a new law gives me another year to begin, is this certificate still good?

A. The unused certificate still is valid. Present it to your school when you enroll, along with a photostat of your separation paper. The school will admit you under the Korea GI Bill, so long as your separation paper shows you are beginning within three years after your discharge.

Q. I was discharged from service on July 1, 1951. Will the new Korea GI Bill extension help me get into school this fall?

A. No. Under the new law, veterans separated before August 20, 1951, must have begun Korea GI training by August 20, 1954.

Q. Under the new law signed by the President, do all disabled veterans get an extra four years in which to complete Public Law 16 training?

A. No. The added four years apply only to disabled veterans who were (1) too severely disabled to begin in time; (2) were late in establishing that they have service-connected ailments, or (3) who originally received discharges barring them from training and later had them changed so that now they are eligible.

Q. I am a disabled Korean veteran, already out of service. I am not in any of the special categories listed in the new law having to do with training deadlines. By what date must I complete Public Law 16 training?

A. Training for disabled Korean veterans, out of service before August 20, 1954, must be completed no later than August 20, 1963.

Mr. and Mrs. Jack Hamilton and sons, Pat and Mike, and Mrs. Hattie Holgate, returned last week from a fishing trip at Buchanan Lake.

OCTOGENARIAN PICNIC

Los Angeles.—One of the new ideas for a picnic was one for couples married 50 years or longer. The first of these, held here recently, attracted 84 golden anniversary couples, the oldest of whom was 93.

Mr. and Mrs. W. H. Griffin, 204 East Broadway, returned Thursday night of last week from a few days business trip to Whiteboro and Dallas.

Thanks to Craig Wilkerson for his subscription, out on the Tahoma Road. Also Loyd Chambliss, out on Route 1, who wants to keep in touch with events of the day.

Farm exports from the United States were 36 per cent higher in June than in the same month a year ago. This brought to \$2,932,000,000, the value of farm products shipped abroad for the year ending in June. This was four percent higher than the preceding year.

Prospects are dim for any substantial price recovery in the livestock industry until the fall marketing season is past. Beef production is running at record levels.

If rain were as plentiful as fertilizer, the outlook for Texas farmers would be bright. There will be an abundant supply for 1955 crops, agricultural chemists say.

Simms Presented Week's Club Cup

Harold Simms was presented the Toastmasters Cup for his speech on "Money, How to Make the Most of It," at a meeting of the club Monday at 6:30 p.m., at Nick's Cafe.

J. C. Powell was toastmaster for the evening and other speakers included Grady Elder, who reviewed his trip to Canada on Highway 51, and Wade Yandell, who

spoke on "Why Drown." The club has divided into two groups for the purpose of beginning a drive for new members, the group getting the least members will feed the other group at a ladies night supper in about a month and a half.

Whenever nature leaves a hole in a person's mind, she generally plasters it over with a thick coat of self-conceit.—Longfellow.

AMA Will Support Aid For The Indigent

The American Medical Association has long been a whipping boy of those who want socialized medicine, or government-bossed medicine, or some variant thereof. The idea has been disseminated that this organization, which represents the vast majority of the country's physicians, is opposed to better medical care, and isn't at all concerned with the problems of indigent people.

Nothing could be farther from the truth. The AMA has been directly and indirectly responsible for some of the great medical advances of all times. It has thrown its weight solidly behind the voluntary health insurance movement, and has been a positive factor in that movement's extraordinary growth.

What the AMA does oppose are schemes which would inevitably reduce the standards of medical care and put the bureaucrat in the driver's seat. A spokesman put the case accurately when he said: "... it is essential to consider two groups of individuals: (1) those who are able to pay the normal costs of medical care, and (2) those who are indigent. Most of the American people fall within the first group. . . . The other group—the indigent—poses distinctly different problems. . . . If the medical care problems of this group cannot be solved by the individuals of their families, the responsibility should be assumed by the local and state government."

Every community's problem is different, and can best be solved locally. And aid for the indigent is a basic local responsibility—not a federal function.

Amarillo To Host Optometry Seminar

The second annual Tri-State Optometry Seminar, sponsored jointly by the Panhandle and the South Plains Optometric Societies, will be held in Amarillo at the Her-ring Hotel, November 4, 5, and 6, as announced by Dr. P. A. Preslar, the president of the Panhandle group. Final plans for the Seminar were made Sunday, Sept. 12, at a meeting in Amarillo attended by representatives of both the Societies.

Second of its kind to be held within a year, and although it is sponsored by the Panhandle and the South Plains Societies, the Seminar includes Colorado and Kansas as well as the tri-state area of Texas, New Mexico, and Oklahoma. Only optometrists who are members of their state and local societies will be present. Four hundred or more persons are expected to attend the three-day affair.

Featured speakers and clinicians on the program are three of optometry's most prominent men. They are Dr. Louis Jaques, Sr., private practitioner and author, of Los Angeles; Dr. Edmund Richardson, Sr., past president of the American Optometric Association and widely-known lecturer to optometrists of the United States, from Hollywood, Calif.; and Dr. Charles Stewart, Dean of the College of Optometry of the University of Houston, the newest school of optometry in the Southwest. Dr. Jaques will bring a series of discussions on Practical Analysis of the Difficult Case, while Dr. Richardson will speak on the general subject of Problems Encountered in Professional Practice.

Tentative plans for the entertainment for the ladies have been made and presently include a luncheon at the Amarillo Country Club, evening banquet and party, store visitation and shopping, and sightseeing of Amarillo's show places.

Grass Roots Opinion From Here and There

Cornelia, Ga., Georgian: "Kids used to get out about dark and throw up their hats and sing a song to the fluttering bats: 'Bat, bat, come under my hat, I'll give you a slice of bacon. And, if I bake, I'll give you a cake, if I'm not much mistaken.'"
"Votes are fluttering around in the skies now and a lot of hats are being tossed up in the air. There's hollering and wild promising. The old song definitely offers a slice of bacon. . . . Please note, however, as in the case of the children's son, there is a last line to wit: 'If I'm not mistaken.' There's a loophole left there, but the poor bat was not supposed to be analytical, nor is the voter. Let's not count on the cake. That 'if' is indefinite."

High Bridge, N. J., Gazette: "When an electric company develops a hydroelectric site, it constructs the project without using government funds. It markets the electricity to its customers at rates regulated by a governmental commission or its equivalent. It pays taxes on the revenues it collects in the course of these operations—about 22 cents of every dollar goes to federal, state and local governments as taxes. Under this sound business arrangement, the public gets more electric energy; government gets revenues; the river belonging to 'all the people' stays in the same place and everybody benefits."

Lewistown, Pa., Sentinel: "Any government with strongly centralized power poses a threat to personal liberty. Each time we take another step toward socialism, government control and higher taxes in our own country, we should pause and think what life offers for the individual in countries where power is vested in the state and government bureaucracy has been over expanded."

Deferred-rotation grazing is the best means of rangeland recovery. In a properly balanced livestock program, pounds of meat produced per acre, not the number of head per acre, is the real objective.

The war on cattle grubs is on. Few common cattle insects are as costly to the state's beef producers and dairy operators. Rotenone sprays, dusts and dips give practical control.

Build a circular dike around your ailing shade trees and give them a drink. Water and fertilizer may save your favorite ornamental. The diameter of the dike should approximate the shade canopy of the tree.

Progress Against Handicaps in US

People in the United States enjoy the greatest retail service in the world. It is easy to see why after reading examples of regulations under which Western European retailers live, as described by David Carson, of the School of Retailing, University of Pittsburgh.

In the Netherlands a store keeper has to get approval of local Chambers of Commerce before opening a store. In Norway he must notify the police if he plans to advertise a clearance sale, other than the two seasonal clearances permitted by law. In West Germany, stores are permitted to give away only souvenirs that bear promotional messages, and they are prohibited by law from advertising the event.

In Switzerland, in 1933 to 1945, that country prohibited establishment of new department and variety stores. A discriminatory tax against large stores has been in effect since 1940, varying on the gross receipts from 3/4 to 1 per cent on cooperatives and specialty stores to 2 1/2 per cent for department, and 4 per cent for variety stores.

In spite of it all, however, Mr. Carson says new developments are taking place because "of the increasingly closer integration of the peoples of the free world." But there can be little question that the government regulations and controls are slowing progress. The United States has seen political agitation against chain stores under the guise of helping independents. Fortunately, both for consumers and independents, such legislation was killed and retailing forged ahead in all its branches, as in no other nation.

Store grain only in bins which have been thoroughly cleaned. Old grain, trash, feed sacks and other objects furnish living quarters for insects which destroy thousands of bushels of farm-stored grain yearly.

Drillstem Test At Terry Prospector Recovers No Show

No shows of oil or gas were found on a drillstem test in the San Andres at the Mid-West Oil Corp. No. 1 M. F. Guetersloh, 9,500-foot wildcat venture in the south-central part of Terry.

The test was conducted from 4,960-4,995 feet and was left open for one hour. Total recovery in the drill pipe was 30 feet of drilling mud with no indications of oil, gas or water. Drilling was progressing at 6,510 feet in lime at last report.

Location is 660 feet from south and 1,980 feet from east lines of Section 20, Block C-37, PSL Survey, 11 miles south of Brownfield.

Drilling Reports

Joseph I. O'Neill, Jr., et al No. 1 Cacy Day, in Section 23, Block D-11, C&M Survey, drilling 5,338 feet in lime.

Honolulu Oil Corp. No. 19-B F. M. Ellington, Section 19, Block K, PSL Survey, rigging up rotary tools.

F. Kirk Johnson No. 1 Bertha Haybeck, Section 34, Block D-11, C&M Survey, waiting on cement to cure after setting 16-inch casing at 40 feet with 25 sacks of cement. Total depth is 40 feet in caliche.

Joint Meeting Held By H-D Clubs

Brownfield Home Demonstration Club met in a joint session with Gomez HD Club at 2:30 p.m., Sept. 9, in the home of Mrs. John McCraw, 1013 East Cardwell, for a program concerning the background of the living room with various points on rugs, floors and walls emphasized.

Present from Brownfield were Mesdames R. D. Shewmake, Carolyn Proctor, Leonard Issacs, Don Cross, and County HD Agent, Miss Mildred Cox.

Gomez members attending were Mrs. B. R. Lay, and Mrs. Martin. The clubs were honored with two visitors, Mrs. Alex Dakil, formerly of Brazil, and Mrs. Dale Johnson, formerly of Louisiana, both now of Brownfield.

MEADO-CHALLIS CLUB NEWS

The Meadow-Challis Home Demonstration Club met Tuesday, Sept. 7, at 2:30 p.m., in the home of Mrs. Merl Richardson.

Roll call was answered by each member with "A Mistake I have made in driving." Old and new business was disposed of. There were eight members present and two new members were taken in. They were Mrs. Clarence Clark and Mrs. A. A. Robertson.

Officers were elected for the ensuing year, as follows: President, Mrs. Tom Pettigrew; vice-president, Mrs. Loyal Henson; secretary, Mrs. Sam Gossett; parliamentarian, Mrs. W. J. Moss; reporter, Mrs. W. J. Henderson; council delegate, Mrs. F. H. Joplin.

Committees are: Finance, Mrs. W. J. Moss; Consumer Education, Mrs. Sam Gossett; Education, Mrs. W. J. Henderson; recreation, Mrs. Lence Price; yearbook, Mrs. Loyal Henson.

Mrs. Tom Pettigrew gave the report of the Texas H-D Association's 28th annual meeting, held in the Adolphus Hotel, Dallas, on August 11, 12 and 13. Theme: "Home, the Cornerstone of Freedom."

George Gins First Bale At Union

The first bale of 1954 cotton ginned at Union was grown by Sam George, Jr., who farms in the Union community. A total of 1740 pounds of pulled cotton turned out the 457 pounds of lint.

Sam planted Paymaster "54" pedigreed seed about May 18 and gathered and ginned the first bale Sept. 10, with 115 days from planting to harvesting. The bale was from about 5 1/2 acres of dry land cotton. The ginning was free and 40c per pound was paid for the cotton.

Meeting adjourned and punch and cookies were served to the 10 members present. The next club meeting will be Sept. 20, in the home of Mrs. Loyal Henson.

Humble's Comprehensive Program

of

FOOTBALL Broadcasts and Telecasts

There is no real substitute for a "seat in the stands" at a football game. Neither radio nor television can capture the full flavor of the game, with its dramatic moments, its color, its crowds. You will want to see as many football games as you can.

When you can't, you're invited to enjoy Humble's comprehensive program of *football on the air*:

RADIO:

Southwest Conference games will be brought to you every weekend. The schedule includes broadcasts of both non-conference and conference games. Kern Tips again heads Humble's staff of able announcers.

SPECIAL FOR WEST TEXANS:

Humble will again sponsor broadcasts of Texas Tech's football games over a network of West Texas radio stations.

TELEVISION:

Live! Humble will bring Texans live telecasts of outstanding college games every Saturday afternoon during the season, and on Thanksgiving Day. These are telecast under the program of the National Collegiate Athletic Association. Tentative schedules include four Southwest Conference teams.

On film! Humble's weekly television program, *Texas in Review*, will feature highlights of Southwest Conference play. This appears on Monday or Tuesday nights over 14 Texas television stations. Special arrangements enable you to see Saturday's action as early as Monday night.

Go to the games with

HUMBLE

"Your Health Is Your Wealth. Keep It That Way!"

There are two facts in our world today which, I feel, must be given high priority in the minds of every American, young and old. Our survival depends upon it. The facts are: (1) The world-wide Communist conspiracy, whose primary objective is to conquer the world, IS conquering the world. (2) Communism's Fifth Column force in America is more powerful and a greater menace today than ever before. During the next few weeks this column will discuss these two facts and what American citizens can do about them.

First, let's document our facts. FACT NO. 1—Communism IS conquering the world:

A special sub-committee of the US Senate Foreign Relations Committee has officially charted the world-wide growth of Communism, from a handful of Bolsheviks in 1917 to the enslavement today of more than 800,000,000 people in 11 countries, and the perfection of a Fifth Column of 5,000,000 hardened, disciplined conspirators working inside the 60 non-Communist nations.

Indo-China Added

In the few months since the Senate Committee published its report, Communism, aided by its Fifth Column inside the government of France, has taken over half of Indo-China and is expected to gobble up the remaining half as it consolidates its newest conquest. With the vast manpower of Red China and with a Red Indo-China flanking southeast Asia, the huge nation of India, with its millions, becomes vulnerable, and with it the whole of Asia.

In Europe, meantime, the major nations show definite signs of weakening before the rising might of the Communist giant. This weakening has been achieved by infiltration of Reds in the European nations, their cunning propaganda, and their insidious seizure of political power. The US Senate committee reports there are 450,000 Communist conspirators in France, with 100 Reds actually holding seats in the French Assembly; that in Italy there are 1,700,000 card-carrying Reds, with 218 occupying seats in the Senate and Chamber of Deputies. As this column is written, the leaders of England's Socialist-Labor Party—Atlee, Bevan and others—are on a good will visit in Communist China, kow-towing to Communism's new strong man, Red Dictator Mao Tze-tung.

Menace Grows

Now let's examine Fact No. 2—the Communist Fifth Column in America is more powerful and a greater menace today than ever before:

Attorney Gen. Herbert Brownell was interviewed by editors of the US News and World Report. They asked: "Is the Communist Party (within our country) more or less active, Mr. Attorney General, than it was, say, a year ago? What does the FBI find on that?" The Attorney General replied: "They think it is a greater menace now than at any time . . . they (Communist conspirators) are better organized and detection is more difficult."

And Attorney General Brownell could have added a fact which Herbert Philbrick, who was an FBI counterspy in the Communist underground for nine years, always emphasizes whenever and wherever he can get people to listen: "The truth of the matter is, and the Communists know this, we have not yet begun to win. We have not turned the tide. We are still losing."

Making preparations for the signal for internal revolution or for the big Soviet strike against the USA, are the Fifth Columns in South and Central America, right on our doorstep. The Senate Committee reports the following statistics: Argentina, 40,000 Reds (more, incidentally, than Lenin had with him when he seized control of Russia); Brazil, 60,000; Chile, 40,000; Uruguay 15,000; Venezuela, 20,000. Mexico, the Central American countries, and Canada have comparable numbers.

Communists in our own country continue to widen their effectiveness with propaganda calculated to subtly undermine our people's faith in the American political and economic institutions. Philbrick and all the authorities on Communism say the Reds are masters of subtle thought control, and that through infiltration and a vast army of unwitting dupes, they are effectively reaching the minds of many citizens.

So the actual facts do show that the strength of Communism is growing, expanding, and that it is a menace to America from within as well as from without. What can

Let's all go to Church Sunday where we are all one with the Lord

MEET YOUR MINISTER AND FAMILY—Rev. Charley D. Cooper, pastor of the United Pentecostal Church, and family, moved here the first of August this year from Upland, Calif., where he was pastor a year. Rev. Cooper formerly was an evangelist, preaching in Texas, California, and Oklahoma about seven years, after leaving an Apostolic College in Tulsa, Okla. Rev. and Mrs. Cooper and girls, Sharon Lay, 10, and Treva Miram, 7, enjoy music as a hobby and diversion, the little girls presenting special music at church services, accompanied by Mrs. Cooper at the accordion and Rev. Cooper playing the guitar. A revival is underway at the church, with Eugene Abbott, 12-year-old nephew of Mrs. Cooper, conducting the services, assisted by his father, Mack D. Abbott, of Oklahoma. The Coopers are shown above in the church, 304 South Third. (Staff Photo.)

PHONES 2244 and 2859

AWAY AT COLLEGE — The three graduates of Brownfield High School shown above and to the side are now enrolled in Lubbock colleges. The Merritt twins, Alta and Alton, son and daughter of Mr. and Mrs. Claude Merritt, 912 Tahoka Dd., began their college training in June at Draughon's Business College. Alton is majoring in television, and Alta is taking a secretarial course. Both White, shown at left, is the daughter of Mr. and Mrs. F. G. White, Magnolia Camp, and is now a coed at Texas Tech.

present to speak on Mothers and Pioneer Women. The group will honor mothers and pioneer women at this friendship day meeting. May 10 will be devoted to "Our Industrial Heritage," featuring a color film on "Texas and Its Natural Resources."

The club year will conclude on May 24 with an installation coffee.

DELPHIANS TO STUDY COMMUNITY FRIENDSHIP

"Building Our Community Through Friendship" will be the topic of study this year for the Delphian Study Club, with their Oct. 6 program to be devoted to "What Study Clubs Can Do with Adult Education in the Field of Community Development," having as their main speaker Curtis Sterling, of Brownfield.

"An Informed Voter is a Wise Voter" will be the theme of the Oct. 20 meeting which will feature a debate forum.

Federation Day will be observed Nov. 2 along with the other federated study clubs in Brownfield.

A fine arts program will be staged Nov. 17, with the topic being "Talents Are What You Make Them."

"Making Our Community More Beautiful Thru Our Homes" will be studied Dec. 1, featuring a lecture forum. A Christmas program will be Dec. 15.

Jan. 5 will be devoted to a new year's business meeting, and on Jan. 19 the group will study "Our Young People's Recreational Problem," with Brownfield High School student council members being special guests.

"Progress in Our Schools" will be studied Feb. 2, with J. B. Curtis, curriculum coordinator at BHS, as guest speaker.

"The Alabama-Coshatt Indians" will be the topic of the Feb. 16 meeting with a workshop on Indians being featured. Friendship Day will be observed March 2, at which all ex-members and charter members will be recognized.

THELMA CRITES TAKES MEDALIST IN 1954 GOLF TOURNAMENT HERE

The Brownfield Country Club started their 1954 tournament on Wednesday, Sept. 15. Playing in a high wind the women's scores soared with Thelma Crites coming in with Medalist Honors.

Low putts of the day was turned in also by Thelma Crites, with a 27 putt on 18 holes. This won here three golf balls for low putts.

Wednesday night a Calcutta Dinner was held at the Country Club with a mixed putting contest held under the lights, with the ladies and their husbands participating. Four golf balls were won by Lee Brownfield and Mrs. Helen Walker.

The women who entered and their scores are: Thelma Crites, 92; Mary Jo Hardy, 95; Evelyn Cruce, 97; Lydia Lopez, 97; Dorothy Kirschner, 101; Peggy Elliott, 101; Marion May, 106; Bugs Bailey, 106; Marie Chessier, 107; Helen McClain, 108; Mary Stretch, 109; Maxine McMillan, 118; and Dorothy Goble, 126.

For the nine hole flight the scores were: Bess Noel, 65; Floy Cadenhead, 66; Bonnie Reeves, 70; and Alma Taylor, 71.

The South Plains Women's Golf Association is over for the season, ending with a three-day tournament which was held in Littlefield on Sept. 8, 9, and 10. Two Brownfield women took honors winning the first and second flights. Peggy Elliott was runner-up in the First Flight and Thelma Crites was winner of the Second Flight.

The beautiful SPWGA trophy donated by Vivian Parks and won by the Brownfield girls, was not presented due to a broken figure on the trophy. It will be presented at a later date.

Love Circle Of WSCS Met Monday

Love Circle of the Woman's Society of Christian Service of First Methodist Church met at 3 p.m., Monday, in the home of Mrs. J. L. Newsom with Mrs. Kenneth Purcell as co-hostess.

Mrs. Fred Miller, chairman, presided at the business meeting, with Mrs. J. C. Criswell giving the opening prayer. Mrs. Miller read the poem, "How About You."

Mrs. Frank Jacobs was appointed chairman of the love offering. Mrs. Newsom was appointed on the Christian's Social Relations Committee for WSCS, and Mrs. James Warren and Mrs. Ernest Latham were appointed to serve on the projects committee.

Mrs. Uel Crosby announced the Young Peoples Planning Retreat for October 23 at Ceta Canyon.

Mrs. Vernon Henderson gave the devotional on "Jesus Concern for Cities," reading the poem, "The New City," and using as her scripture readings, 1 John 4:7-8, Acts 10:34-35, 1 Thes. 3:12. The devotional closed with prayer.

Mrs. Leo Holmes had charge of the program and led a symposium composed of Mrs. Fred Miller speaking on "According to the Scriptures" from Luke 4:43, and Psalms 121-1; Mrs. J. C. Criswell used as her subject, "One of Many Concerns;" and Mrs. James Warren spoke on "Wherever There is a City."

A slide picture on "Jesus

Students Honored At Banquet, Sept. 9

Over 70 high school and college age members of Crescent Hill Church of Christ were honored at a banquet September 9 at 7 p.m. in the church annex.

Main speaker of the evening, John Jones, who is associated with Abilene Christian College, spoke concerning "The Importance of Attending College."

Hostesses, Mesdames Jack Mason, Tom Cornett, Jack Griggs, C. A. Winn, Gene Gunn, Ernest Hyman, and John McCoy, served a chicken dinner. Red, yellow, and purple chrysanthemum floral arrangements decorated the banquet tables.

Special guests were Messrs. and Mmes. Tommy Hicks, Bill Andrews, John McCoy, and Miss Helen Rogers.

"As The Twig Is Bent," CWF Topic

Christian Women's Fellowship met at 8 p.m., Monday, at Fellowship Hall of the First Christian Church.

The program, "As the Twig is Bent," was given by Mrs. H. W. Peace, with Mrs. Jerry Stoltz giving the devotional.

Coffee and cookies were served by Mrs. Paul Farrell and Mrs. Al Hallbauer to the following members: Mesdames Don Webb, Joe Christian, T. W. Hall, Jack Hamilton, David Cowgill, Hattie Bish, Truett Flache, Johnny Venable, R. L. Lewis, R. L. Hamm, A. A. Sawyer, Peace and Stoltz.

Buy it in Brownfield and Save!

Mourns the City" by Artist Paul Hippolyte Flandrin, was shown by Mrs. Holmes, who gave a brief talk on it.

After the program, a discussion period was held. The city puzzles were passed to be worked by those present.

Cake, coffee, and cokes were served to Mesdames Burton Hackney, Wayland Parker, James Warren, W. E. Cox, Mitchell Flache, Ernest Latham, Vernon Henderson, Uel Crosby, J. C. Criswell, Fred Miller, Leo Holmes, and the hostesses.

MINCEMEAT, once baked solidly between two sturdy crusts of pastry and served hot with a slice of cheese for midwinter dessert, is nowadays made into the lightest and most tempting of warm-weather pastries, gelatin moulds, custards and frozen dainties. One of these treats is a mincemeat cream pie. It may be made from the 9-ounce condensed package of mincemeat or the mincemeat that comes ready to use in a one-pound, twelve-ounce jar. As it is mixed with vanilla pudding, it takes only a few minutes cooking. The pie shell may be baked in the cool of the morning or, if it is easier, the filling may be poured into a pie pan lined with cookie crumb crust to eliminate all oven heat on a hot day. Whichever way you make it, mincemeat cream pie is a cool and tempting treat.

MINCEMEAT CREAM PIE

1 box prepared vanilla pudding	1 1/2 cups mincemeat
2 cups milk	2 tablespoons granulated sugar
2 eggs, separated	Whipped cream
2 tablespoons unflavored gelatin	1 baked or crumb 9-inch pie shell

Gradually add 1 1/2 cups milk to vanilla pudding. Blend in egg yolks. Cook over medium heat, stirring constantly, until mixture is slightly thickened. Soften gelatin in remaining 1/2 cup milk. Add to pudding mixture and stir over low heat until dissolved. Fold in mincemeat. Chill, stirring occasionally, until slightly thickened. Beat egg whites until stiff but not dry. Gradually add sugar, beating until well blended. Fold into gelatin mixture. Pour into pie shell. Chill until firm. Just before serving spread with a thin layer of lightly sweetened whipped cream. 6-8 servings.

Friday Nite Couples Bridge At Hamiltons

Mr. and Mrs. Jack Hamilton, 902 East Broadway, were hosts Sept. 10 at 8 p.m. to the Friday Night Couples Bridge Club.

Mr. and Mrs. Nat Patterson made high score in couples bridge. Mr. and Mrs. Bill McKinney made second high, and Lee Brownfield and Mrs. Johnny Portwood won in bingo.

Ice cream and cookies were

CHIPBOARD FOR SALE: Price reduced for 5c each on small quantities or \$3.50 per 100, size 35x44. Fine for graineries. The Herald.

God sends meat and the devil sends cooks.—Thomas Deloney.

served to Messrs. and Mesdames Pat Patterson, Lee Brownfield, Bill McKinney, Johnny Portwood, Grady Goodpasture, and Edson Wilder.

CLUB PROGRAMS LIST NUMBER INTERESTING TOPICS AND EVENTS Out-Of-Town Speakers Are Featured

The coming year's programs for Brownfield Women's Clubs scheduled in the yearbooks offer the club women profitable and interesting meetings. Many out-of-town speakers will present programs for the clubs and local persons will also be featured throughout the year.

sented March 3, with Mrs. Bess Hubbard appearing as guest artist. A panel on negro segregation will be heard at the April 7 meeting. A reception honoring senior girls at Brownfield High School and their sponsors will be held May 2, and the club year will be concluded with a luncheon June 2.

ontology" will be the topic of the Jan. 18 meeting, a book review will be featured on the Feb. 1 program, and "Texas Denominational Colleges" will be discussed Feb. 15.

Dr. Per G. Stensland, head of Adult Education at Texas Tech, will be the main speaker for the Friendship Day, March 1, and he will speak on "Understanding American in Our Community."

"A Century of Progress in Public Education" will be the theme of March 15, a panel discussion on soil and water conservation will be heard at the April 5 meeting. Texas Day will be observed April 19, "Our Indian Heritage" will be discussed May 3, and officers will be installed at the May 17 meeting.

AAUW TO STUDY 7 FIELDS

The program for 1954-55 for the local branch of American Association of University Women is based on the seven fields of special AAUW work.

At the October 7 meeting, a book review will be featured. John Quinton will be guest speaker at the Nov. 1 meeting, using as his topic "Communism and Democracy," and guests will be civic clubs of Brownfield.

A panel of foreign students will bring the club a discussion on international relations December 2. Mrs. Barbara Culver, state chairman on Status of Women, will speak to the group January 6, and Miss Dorothy Lomax will be guest speaker at the February 3 meeting.

An art program will be pre-

Industrial Heritage, with Dr. Doyle D. Jackson, professor of education at Texas Tech, as guest speaker.

A Christmas Potluck Luncheon will be enjoyed by members Dec. 14. Forts, Missions, Landmarks, and Dwellings will be studied at the Jan. 11 meeting, with composers and music being the topic Jan. 25.

The group will visit the Texas Tech Museum, Feb. 8 to see the Texas Fine Arts Circuit Exhibit after which they will attend a tea at the Student Union Building. They will hear a lecture by Rodrick Parkinson, instructor in the department of Agriculture and Allied Arts, Texas Tech.

A chuck wagon supper honoring husbands will be staged Feb. 22 and J. Evetts Haley, director, Institute of Americanism at Texas Tech, will deliver the main address on "Cowboys and Cattle."

Development of the South Plains will be the topic of the March 8 meeting, with an exhibit of pioneer relics and cattle brands. A. M. Brownfield will speak on ranching, Lee Fulton will discuss farming, and A. J. Stricklin, Sr., will tell of the development of the City of Brownfield.

"Texas Folklore" will be discussed at the March 22 meeting by Mrs. E. C. Davis, of Brownfield, chairman of Folklore and Texas Writers, Texas Heritage Dept., TFWC.

"Texas Writers" will be reviewed at the April 25 meeting, with Mrs. Jack Hamilton giving a book review of "Egg Custard versus Black Strap Molasses" by Mrs. Effie Knox Cooper, who will be

gram on Leathercrafts will be presented.

"Character Building in Home and School" will be topic of the Oct. 11 meeting, and "Recreation for the Modern Home" will be studied Oct. 25.

The club will join with the other federated clubs in Brownfield on November 2, to observe Federation Day.

A review of the book, "Time Flew By," will be featured at the Nov. 22 meeting, with the Dec. 13 meeting being devoted to "Faith for Family Living."

Officers will be elected at the Jan. 10 meeting at which a panel discussion on "Making Housework Easier" will be featured. "Kitchen Know-How" will be the topic Jan. 24, and "Friendship Charm in the Home" will be studied Feb. 14.

Main event of the year will be a fashion review to be given the Feb. 28 guest day meeting which will be observed on Children's Day.

The March 14 meeting will feature the study of Home Economics, "Travel for Family Entertainment" will be the topic of the 28, and "Being a Gracious Guest" will be studied April 5.

Texas Day will be observed April 25, with a study of Folklore.

"The Home and International Relations" will be the topic of the May 9, and the last meeting of the year will be a covered dish luncheon on May 23.

Mrs. Proctor Lead Faith Circle Program

Faith Circle of Woman's Society of Christian Service met in the Webber Room of the First Methodist Church at 3 p.m., Monday, with Mrs. A. E. Proctor conducting the business session.

Mrs. Leo Holmes invited the Faith Circle to meet with the Love Circle, Oct. 11, when Mrs. E. M. Walker, of Grassland, will be featured speaker.

Tickets were presented for sale for the "House Beautiful" tour, sponsored by the Hope Circle, scheduled for Sept. 29.

Mrs. Proctor conducted a program from the monthly Outlook Lesson and a panel discussion was held on "Because Jesus Cared." Participants included Mesdames B. L. Thompson, Ida Bell Walker, Jim Griffith, J. H. Carpenter, and Proctor.

Others present included Mesdames J. W. Hogue, Cliff Fitzgerald, G. N. Brown, Glenn Harris, and W. B. Downing.

The Low Down from Hickory Grove

Boiled down, I say a good diagnosis of our USA prime ailments could be summed up as a state of "Confusion blended with speed." We tear around as if we were going some place. On the highways we run into and over some 100 or 200 persons per 24 hours. The only thing we accomplish by such speed is to assist the business of the Undertaking trade. We hop a plane for Europe, Asia and where have you, where the striped pants boys with their pea and 3 shells send us home; to ponder on what happened or how—and replenish our billfold.

This country is alright—a grand country, I say—but we don't seem to savvy our destination—just where we are headed. We need but a hint and we take off with a satchel full of cash to fix it. And on our backs we find we have 500,000 or a million free-wheeling, well fed "experts" who say pretty soon everything will be jake.

I am not against the Govt.—any Govt.—but our Govt. is not showing enough of ruggedness or thriftiness or 1776 vertebrae that it must soon show. We need a slowing down—we cannot read the signs—they are only a blur. A national mortician lurks out yonder—not too terribly far out yonder.

Yours with the low down,
JO SERRA.

COFFEE TIME

By Mary Winston Alsop

J. R. Duggan Thomas, representative of the City of Brownfield in acquiring right-of-way for Highway 62 through the city, met with the City Council, Thursday and Friday of last week to report on his progress thus far.

The policy to be followed in acquiring the right-of-way was discussed by the Councilmen, with not new business under consideration.

Boosters for the Sept. 27-Oct. 2 Panhandle-South Plains Fair in Lubbock, arrived in Brownfield, Tuesday about 9:15 a.m., carrying souvenirs and free fair tickets that were distributed among the school students.

The group of approximately 60 representatives of Lubbock business organizations divided into two groups, one group provided entertainment at the school and the other group visited with local business men and residents.

Dr. Everett Gillis, instructor of English at Texas Tech, will be featured speaker at the Sept. 21 meeting of the Maids and Matrons Study Club. Dr. Gillis has two books of poetry published, as well as numerous articles. He was one of the speakers at the Texas Folk Lore Society meeting last year, therefore is well informed on the subject that he will discuss, "Texas Folklore."

All farmers and interested persons are invited to attend the annual District 2 field day starting at 9 a.m., Sept. 21, at the Lubbock Experiment Station, according to County Agent Jim Foy.

About 18 area counties will be represented and county agents will act as guides through the station, in hopes that farmers, seeing the work being done, will like to carry out demonstrations on new practices.

Mrs. Goodpasture Wins High Score

Wednesday Afternoon Bridge Club met with Mrs. M. J. Craig, Jr., 606 East Reppito, at 2:30 p.m., August 8.

Mrs. Grady Goodpasture made high score in bridge and Mrs. Bill McGowan won in bingo. Orange cake and ice tea was served to Mesdames Bill Anderson, Chris Hafer, Loyd Hahn, Jim Finley, Bill McGowan, D. L. Pemberton, Edson Wilder, and Grady Goodpasture.

Rich protein foods head the August plentiful list and include turkey, beef, milk, and other dairy products, medium and small eggs and peanuts and peanut butter.

KING PRESIDES AT DIST. 2 MEET HONORING AREA COUNTY F-B QUEENS

District 2 of the Texas Farm Bureau played host to the 13 area County Farm Bureau Queens on Thursday of last week at a dinner in the Lubbock Hotel, with the queens receiving final instructions for the district queen contest to be held at the hotel tomorrow at 1:30 p.m.

Presiding at the dinner was H. L. (Hub) King, of Brownfield, the district's state director, who explained that the winner of the district competition will receive an expense-paid trip to Galveston for the Texas Farm Bureau Queen Contest in November, as well as a wrist watch, and an expense paid trip to Mineral Wells. The district queen will then vie for the state queenship at Galveston, the winner receiving a \$500 trip to New York to the American Farm Bureau Convention in December.

The judging will be based on attractiveness, personality and a short speech on "Why I am glad my family is a member of the Farm Bureau."

Preceding the contest Saturday, a business meeting will get underway at 10 a.m. at the hotel and will feature talks by Texas Farm Bureau Vice President C. H. Devaney and O. R. Long of the American Farm Bureau.

Terry County's entry in the contest is Miss Jeanette Faulkenberry, 17-year-old daughter of Mr. and Mrs. W. C. Faulkenberry, of Route 1, Seagraves. She is a senior at Seagraves High School and she plans to either go to college or

take a beauty course, after completing high school.

Other contestants include: Lubbock County, Verna Lee Stephens, 19-year-old daughter of Mr. and Mrs. Marvin E. Stephens, of Rt. 2, Abernathy; Lynn County, Carolyn Nowlin, 16-year-old daughter of Mr. and Mrs. C. B. Nowlin, of New Home; Crosby County, Peggy Bownds, 17, daughter of Mr. and Mrs. Lester Bownds of Ralls; Lamb County, Tam Pointer, 17, daughter of Mr. and Mrs. P. H. Pointer, Rt. 1, Anton; Bailey County, Ann Cole, 18, daughter of Mr. and Mrs. Cecile Cole, Goodland; Hockley County, Laura Hamill, 18, daughter of Mr. and Mrs. Paul Hamill, Levelland; Dickens County, Kathleen Kelley, 17, daughter of Mr. and Mrs. O. L. Kelley, of Spur; Floyd County, Joyce Hammonds, 16, daughter of Mr. and Mrs. C. T. Hammonds, of Floydada; Briscoe County, Betty Nan Tomlin, 17, daughter of Mr. and Mrs. Shellie Tomlin, of Silverton; Swisher County, Elizabeth Massey, 18, daughter of Dr. and Mrs. R. L. Massey, of Tulia; Castro County, Maurice Aren, 18, daughter of Mr. and Mrs. A. L. Aren, of Hart; and Parmer County, Phyllis Fairchild, 16, daughter of Mr. and Mrs. C. P. Fairchild, of Friona.

Attending the dinner at Lubbock, Thursday from Brownfield, were Mr. and Mrs. King; Eulice Farrar, Terry County Farm Bureau president, and wife; and Miss Faulkenberry.

Mrs. Vantine Named Honoree At Shower

Mrs. Joe Valentine was complimented with a pink and blue shower, Tuesday, August 14, at 4 p.m., at the home of Mrs. Hub King, 404 East Reppito.

Hostesses included Mesdames J. C. Seaton, Carroll Collier, Bill Andrews, and King.

Following the playing of games the honoree opened her gifts.

A pink stork was placed on the television set and favors were miniature pink flannel diapers filled with white mints with green centers. Punch and cookies topped with pink and blue icing were served.

Attending were Mesdames Walter Tomlinson, Bud Lassiter, Walter Johnson, Johnny Benson, Pete Curtis, and the hostesses, and several others sent gifts.

Colonial Bouquets Presented Star Point Officers at OES

Mrs. W. N. Lewis, worthy matron, and Bernarr Smith, worthy patron, presided at a regular meeting of the local Order of the Eastern Star chapter Tuesday, Sept. 14, at 8 p.m.

A program honoring the five Star Points was given with Mrs. J. W. Nelson in charge. Each Star Point officer was presented a colonial bouquet in the color appropriate to her station in an impressive manner by Mrs. E. O. Reeves, Mrs. W. F. McCracken, Mrs. C. L. Aven, Mrs. Jonnie Criswell, and Mrs. Wayne Brown.

During the social hour, sandwiches and fruit punch were served by Mrs. Lera Ellis, Mrs. June Burnett, Mrs. Thelma Chesshir, and Mrs. Esta Lee Cabiness to 16 officers, 29 members and two guests, Mrs. Bettie Ward, a member of Muskoga Chapter 14, Muskoga, Okla.; and Mrs. Goldie Bozart, a member of Chapter 131, Okema, Okla.

Guild Honors Local Women Teachers

Mrs. Jack Browder, Mrs. Martin Line, and Mrs. Virgil Bynum were hostesses at a tea given Wednesday night for the Wesleyan Service Guild in the parlor of the First Methodist Church, in honor of the local lady school faculty members.

The book, "Silver Chalice," was reviewed by Mrs. Geo. Weiss, when members and guests met in the sanctuary.

Lambert Speaks At Joint Legion Meeting

"If veterans don't take advantage of joining the veteran's organizations they will soon lose many of their benefits that they now enjoy, obtained for them through the organizations," Hilton C. Lambert, Dist. 19 Commander of the American Legion, said at a joint meeting of Seminole, Lammea, Brownfield, and Plains, Legion posts here, Tuesday night.

Lambert also urged that the posts should get started on the membership drive for the year 1954-55.

Donald R. Cade, Commander of the Howard-Henson Post, outlined the program for the local organization for this year, along with commanders from visiting posts.

Cade enumerated the following projects: to put pamphlets advertising the American Legion in bank statements at the end of the month; first and second Saturdays in October, tables will be set around the Square in order to take Legion dues; sponsor a float in the forthcoming Harvest Festival parade; and set goal for membership in local organization at 1,000. Cade also stated that several from the local post are planning to attend the Dist. 19 Convention in November at Big Spring.

Sandwiches and soft drinks were served to those attending, namely:

James H. Winn, Lee R. Johnson, Jr., Stephen L. Haley, H. A. Sims, Warren H. Limer, W. H. Cravy, A. T. Rowland, L. H. Sims, and C. W. Conway, from Seminole Post No. 204;

Frank Dennis and Wade Alverson from Lamessa Post No. 330.

Wm. C. Brown, L. L. Lincoln, T. P. Brown, Donald R. Cade, G. L. Nelson, J. D. Miller, A. J. Stricklin, Jr., and Dr. A. H. Daniell, of Brownfield Post No. 269.

Bob Snodgrass, W. W. Coffman, Tom Warren, and Guy Harrod, from Plains Post No. 585.

Mrs. Mae Crawley, who was injured in an automobile accident about 2 months ago, has been returned to the home of her sister, Mrs. Orby Neal, 605 North 5th. Doctors have said that it will be all right for her to have company, as she is showing much improvement.

Mrs. Albert Steell, 711 East Lons, accompanied her son, Lt. Albert Steell, Jr., wife and children this week, to Monterey, Calif., where they will make their home. Mrs. Steell plans to return in a about two weeks and while in Calif., will visit her other son, Willard Steell, who is stationed at Hamilton Air Force Base.

Protective controls, properly installed, will safeguard stationary farm power plants against burning out or severe damage. Power plants on irrigation wells, which often operate for many hours unattended especially need cut-out switches which shut down the engine in case of trouble.

Garden Club Studies Show Arrangements

"Flower Arrangements for Flower Shows" was the main topic of the Sept. 8 meeting of the Brownfield Garden Club at 3 p.m., at the Seleta Jane Brownfield Clubhouse, with Mrs. Robert W. Baumgardner giving a talk on the subject.

Mrs. Herman Chesshir acted as program chairman and typical arrangements were discussed by Mesdames Frank Jacobs, Mitchell Flache, and Ernest Latham.

Hostesses were Mesdames Ernest Latham, Arlie Lowmore, and Jess McWherter.

Hints for September were outlined in the yearbook as: order spring flowering bulbs; take cuttings from coelus and geraniums for house plants; when you have absolutely nothing to hold flowers in place, wrap wax paper around the stems, place more in rolls between the stems until the vase is filled and the flowers stand erect.

Mrs. Bill Neel reported on the club project, that of setting grass at the Girl Scout Little House, which is now completed. She also stated that each day recently a club member had been responsible for watering the grass.

Members present included: Mesdames Virgil Burnett, Carrie Avary, Nell Chesshir, Joe Johnson, Hubert Thompson, John Cadenhead, Leonard Lang, L. M. Rogers, Fred Bucy, Jr., Drew Hobdy, Ferrell Daniel, Tim Faulkenberry, Virgil Bynum, Bill Blackstock, Virgil Travis, Frank Jacobs, Ernest Latham, Mitchell Flache, Jess McWherter, Arlie Lowmore, Bill Neel, J. H. Carpenter, R. W. Baumgardner, J. R. Hissom, J. C. Criswell, Herman Chesshir, and one visitor, Mrs. Frank Daniel.

Convention Elects Muldrow Secretary

Al Muldrow, farmer, rancher, and oilman from Brownfield, was named permanent secretary of the Texas Democratic Convention held in Mineral Wells, Sept. 14.

Delegates from Terry County who attended the convention included Mr. and Mrs. Eulice Farrar, H. L. Holleman, Jake Fulford, and Felice Beasley.

Others attending from here included Burton Hackney, chairman of Terry County Democratic Committee, J. O. Gillham, and Jess McWherter.

4-H Boys, Green and Tatum's Pigs Place At Sears Show

Two Terry County youths were among boys winning cash prizes in the annual Lubbock store area Sears Pig Show, Saturday, at the beef cattle center of Texas Tech.

Peter Green, of Meadow, placed ninth in the gilt division with his Poland China pig, Vaughn Tatum, of Terry County, placed tenth in the boar division, showing his Poland-China pig.

All entries received cash prizes ranging from \$50 for first place to \$10 for the last two placements, with the gilt division having 13 winners and the boar division placing eleven pigs.

Competing in the district event were winners of 13 county shows, sponsored by the Sears Foundation. The winning gilt was a Poland-China.

W. C. O'Mara, manager of Sears store in Lubbock, was host at a barbecue luncheon to exhibitors, their parents and agricultural agents.

The Sears show has been held in Lubbock every year since 1938 with approximately 117 boys participating each year in the 13 counties of the Lubbock store area. Stock entered in the district competition here was won earlier by 4-H Club boys through the Sears Foundation. All of the pigs are registered.

Westerners Square Dance Attended By Local Circle Club

Five couples from the local Circle and Square Dance Club were among dancers from the South Plains, attending the first hoe-down at 8:30 p.m., Saturday of the annual dance of the Westerners Square Dance Association at the Mackenzie Park tennis courts in Lubbock. Mozelle Rathiff of Brownfield is president of the organization.

Dancers from as far away as San Angelo participated in the event, with music begin furnished

Mrs. Craig Presides At Alpha Omega's 1st Fall Meeting

The Alpha Omega Study Club held its first meeting for this club year at 4 p.m., Sept. 14, at the Seleta Jane Brownfield Clubhouse, with Mrs. M. J. Craig, Jr., president, presiding over the meeting, giving the president's message and a report on the General Federation meeting at Denver.

It was announced that Mrs. V. L. Patterson, community affairs chairman, will represent the club at the Cancer meeting to be held Sept. 29, in Brownfield.

Mrs. Mollie Goodpasture, chairman of the Style Show recently staged by the organization, reported that \$384 was taken in at the show for the club.

Mrs. D. L. Pemberton, projects chairman, presented the projects for the year, which will include the continuation of the milk fund, in which \$450 is set aside for milk to be furnished for expectant mothers and pre-school children, and \$50 set aside for clothing for needy school children. The club is also donating a wheel chair to the County Service Unit.

It was announced that a list of names is being compiled for a Newcomers Tea scheduled for Sept. 28.

Mrs. Jack Hamilton, hostess, served a sandwich plate and grape juice to the following members present: Mesdames Lee Brownfield, Joe Christian, Jack Cleveland, William Cope, M. J. Craig, Jr., J. W. Eastham, Truett Flache, Grady Goodpasture, Jake Gore, Tommy Hicks, Earl Jones, C. R. Lackey, Sid Lowery, Arlie Lowmore, W. T. McKinney, George O'Neal, M. R. Paddock, V. L. Patterson, D. L. Pemberton, John Portwood, J. C. Powell, Jr., Sam Teague, and K. L. Turner.

Wisdom is knowing what to do; skill in knowing how to do it, and Virtue is doing it.—D. S. Jordan.

by George Hughes and his Western Square Dance Band. Callers were from Lubbock, Abilene, Sweetwater, Sudan, Brownfield, Roscoe, and Carlsbad, N. M.

Attending from Brownfield were Messrs. and Mmes. Mozelle Rathiff, W. B. McMillan, J. W. Smith, Buck Howell, and J. B. Mitchell.

Decorational Designs Tour Program Includes Hr. Lecture

The annual Decorational Designs Tour will be highlighted by a lecture by Martye Poindexter, with Designs for Today, of Lubbock, from 2 to 3 p.m., Sept. 29, at Fellowship Hall in the First Methodist Church of Brownfield.

A tour of seven local homes will be made from 3 to 6 p.m. the same day, with programs describing the interior of the selected homes being passed out during the lecture period.

The following person's homes will be visited: Morgan Copeland, Orb Stice, Joe Henderson, J. L. Cruce, Sr., Alton Webb, Lewis Havran, and Arlie Lowmore.

Tickets of \$1 each are on sale from any member of the Hope Circle, sponsoring organization of the Women's Society of Christian Service, or from the Faith or Love Circles.

Mrs. Nathan Chesshir is general chairman and helping her on the various committees are the following chairmen: Mrs. Bill Gorby, tickets; Robert Baumgardner, program; Mrs. Bob Payne, courtesies; Mrs. Bernarr Smith, houses; and Mrs. Coke Toliver, publicity.

Jr. Study Club Studies The Home

The Junior Woman's Study Club met for its first meeting of the club year at 4 p.m., Monday, Sept. 13, at the home of Mrs. Frank Sydoski, 802 East Tate, with Mrs. Jimmy Billings serving as hostess.

Mrs. Robert Knight, president, presided over the business meeting, which included a project report being given by Mrs. Pete Curtis and a financial report being given by Mrs. Rufus Franks, following the reading of minutes by Mrs. J. E. Eakin, Jr.

The program consisted of the president's address by Mrs. Knight and a talk on "The American Home—Our Heritage," by Mrs. Harley Starnes. Mrs. Starnes also went over the new yearbook with the members.

Cookies and ice cream, topped with whipped cream and cherries were served to Mesdames Billie Blankenship, Pete Curtis, J. E. Eakin, Jr., Duncan Ellison, M. R. Fletcher, Rufus Franks, Bill Gorby, D. E. Hewitt, Robert Knight, Bobby Line, Mack Ross, Harley Starnes, and the hostess.

Next meeting of the club will be at 4 p.m., Sept. 27, at the Seleta Jane Brownfield Clubhouse, with Mrs. Gorby and Mrs. Blankenship as hostess.

COWGIRL MUSICIANS

Members of the Goree Girls String Band, popular and widely known musical organization from the women's unit of the Texas Prison System, don western regalia once a year to play for crowds attending the annual Prison Rodeo. This year they will play at each of the five big shows, October 3, 10, 17, 24 and 31.

WELLMAN SCHOOL NEWS

The Senior Class of Wellman High School met Friday, Sept. 3, in our home room, to elect officers for the school year 1954-1955.

Officers who were elected are: President, Alfred Tittle; Vice-President, Nila Rich; Secretary, Gail Berry; Treasurer, Geard Jordan; Class Reporter, Von Bolen; All-School Reporter, Margaret Ferguson; Representative, Daulton Smith; Sponsors, Mrs. J. D. Akers and Mr. B. H. Baldwin.

We appreciated the ones who served as class officers and sponsors last year. They were Beryl Parker, president; Nila Rich, vice-president; Dessie Oliver, secretary; Margaret Ferguson, treasurer; Gloria Ingram, reporter; Mr. L. T. Sewell and Mr. Homer Jones, sponsors. We all want to thank them for what they have done for us.

We are all looking forward to this school year! We want it to be

able to be home soon. Our new school building is nearly finished. We hope it won't be too long before we can move in it. We are very sorry that Geard Jordan is in the hospital with appendicitis.—Reporter, Von Bolen.

The "Sophomore" News
The class president, Freda Oliver; vice-president, Ellis Harlan; secretary, treasurer, and reporter, Gona.

The sophomore teachers this year are: Mr. Sewell, coach and algebra I; Mr. Stevens, world history; Miss Hines, homemaking II, for girls; Mr. Jones, V.A.II for boys; and Mrs. Akers, English II. Home room teacher is Coach Conwoop.—Reporter Gano.

It has been reported that Larry Breazeale, who is in Northwest Texas Hospital at Amarillo with polio, is much better and may be

able to be home soon.

Freshman Class

The Freshman Class of Wellman High School elected officers. They are as follows: president, Glenda Christopher; vice-president, Jimmy Weaver; secretary, Danny Loe; treasurer, Godfrey Baldwin; reporter, Jackie Cox.

The Freshmen have 21 in their class this year with two new pupils boosting the number. There is one pupil, Clyde Bolen, who was in an accident and is not able to go to school yet. The new pupils are Jackie Cox and Sue Sanders.—Reporter, Jackie Cox.

Future Homemakers
The Wellman Future Homemakers meters met September 1, in the Homemaking lab for a business meeting, Dessie Oliver, presiding.

The meeting was to select chapter mothers for next year. Those elected were Mrs. Winnie Burnett, Mrs. Willie Maye Oliver, Mrs. Ora Ingram, Mrs. Nelta Loe.

Mrs. Burnett, Mrs. Ingram and Mrs. Oliver were the chapter mothers last year and Mrs. Loe is the new mother selected.

The formal installation will be Friday, Sept. 10, 1954, in the Wellman gymnasium at 8 p.m.

The girls discussed having the concession stand for forthcoming football season. Candy, coffee, hot dogs, and gum and ice cream cones will be sold, which we decided because of the hot weather.—Reporter, Sabra Welcher.

Pep Squad
Wellman Pep Squad met Friday afternoon, Sept. 3. We chose our leader and officers. Our sponsor is Miss Doris Boland. We're proud to have her. She is new here, and she is also our music teacher.

Our cheerleaders are: Freda Oliver, Dessie Oliver, Glenda Christopher, Sabra Welcher. Our drummers are: Gloria Ingram, La Rue Rex. Our drum major is Diana Graham.

Officers are: President, Gloria Ingram; vice president, Dessie Oliver; secretary-treasurer, Barbara Falls.

As yet we have not elected a reporter for our pep squad. The Wildcat Annual staff had its first meeting, Sept. 6. With the exception of two, all the members were present, with one of the sponsors, Mrs. J. D. Akers, also attending.

With the addition of Gerald Jordan as elementary editor, the staff is now complete. The staff members are: Bobby Weaver, editor;

Dessie Oliver, assistant editor; Nila Rich, business manager; Beryl Parker, art editor; Gloria Ingram, girls sport editor; Alfred Tittle, boys sports editor; Gerald Jordan, elementary editor; and Bill Tom Goza, activity editor. Mrs. J. D. Akers and B. H. Baldwin are sponsors for the publication of the annual.

Ideas for a theme for the annual were discussed. Several were suggested, but as yet, no definite theme has been chosen.

The representative from the Balfour Company, Mr. Earl Ezzel, will meet with the annual staff and sponsors to get plans underway sometimes this week.—Reporter, Bobbie Weaver.

Junior High Girls

The Wellman Junior High School girls met in the Music Room to elect officers and cheerleaders for the coming year. For our officers we elected the following: President, Dixie Bowling; vice-president, Tommy Loe; secretary and treasurer, Barbara Bishop; reporter, Tootsie Hawkins.

For our cheerleaders we elected Patsy Runnels, Sammie Adair, Peggy Burnett, Leona Mac Smith, Karen Sue Hamm, and Tootsie Hawkins.

Our sponsor is Miss Doris Boland and our football coach is Mr. James Burnett.

Our first football game will be September 21, with Ropesville, there, at 7:30 p.m.

Fifth Grade News

There were 24 children in the fifth grade. Five of the children have never gone to Wellman school before.

This year the Fifth Grade has new seats, all of the children are proud of them.

Fifth grade teacher is Mrs. J. L. Lyons.

Donna and Darlene Bush came from Oklahoma to visit Sherry Hulse, Saturday. Sherry is a pupil in the fifth grade.

The Fifth Grade pupils were happy to get back in school after a long summer vacation.

In social studies we are studying Early New England. We enjoy our work very much.

We plan to organize a club in the near future.

Football Schedule

Our football schedule for Wellman High School is as follows: Sept. 9, Frenship, here.

Sept. 17, Whiteface, here.
Sept. 24, Plains, here.
October 1, Bovina, there.
October 8, Dawson, here.
October 15, open.

*October 22, Wilson, there.
*October 29, Meadow, there.
*November 5, Ropesville, here.
*November 12, Cooper, here.
*November 19, Lorenzo, there.

*—Denotes conference games.

CUBS BOW TO PHILLIPS, 54-7 IN FRIDAY'S GAME

The Brownfield Cubs were overpowered by the powerful Phillips Blackhawks, who are rated to go to State in the AA division, by an overwhelming score of 54-7 at Phillips, Friday night.

The only Brownfield tally came in the last part of the game when Lee Allen Jones bulled over from the four and Jesse Scott ran over the conversion to end the scoring for both teams.

The Blackhawks, coached by Chesty Walker, were helped greatly by Don Meek, who scored three touchdowns and scored 6 straight extra points. Don Smith caught two passes for scores and Stanley Wilder completed two for scores.

Phillips' scoring started in the first quarter when Meek went over from the 14-yard line. He got one from 23 yards out in the second and Larry Lane plowed over from the 22nd.

Wilder hit a seven-yard pass to Smith and in the third, connected from 55 yards out to Ben White. Meek went over from the nine in the fourth and Tommy Newman threw 30 yards to Smith.

Humble To Bring Full TV and Radio Coverage of Games

Humble Oil & Refining Company will bring Texas football fans full radio and TV coverage of games Saturday.

Heading the list will be a live telecast of all the action from the Oklahoma-California game to be played in Berkeley, Calif. The game will be telecast over stations in Wichita Falls, Lubbock, and Amarillo.

In addition Humble will broadcast play-by-play accounts of five games involving Southwest Conference teams and Texas Tech.

The Texas-LSU game will be broadcast direct from Memorial Stadium, Austin, by play-by-play announcer Kern Tips and color announcer Eddie Barker. Broadcast time will be 1:50 p.m. WFAA-WBAP-820, Dallas-Fort Worth; KWFT, Wichita Falls; KGNC, Amarillo; KCBF, Lubbock; KWEW, Hobbs, N. M.; and KPET, Lamesa.

Directly from Memorial Stadium, Lawrence, Kansas, the TCU-Kansas game will be described by Bob Walker and Jerry Doggett. Broadcast time will be 1:50 p.m. over WFAA-WBAP-570, Dallas-Fort Worth.

The Texas A&M-Tech game will be broadcast from Kyle Field, College Station, by Ves Box and Dave Smith at 8:00 p.m., over radio stations KFYO, Lubbock; KFAD, Amarillo; and KLEA, Lovington.

Humble to Feature Tech Game on TV

Highlights from three games to be played Saturday by Southwest Conference teams and Texas Tech will be featured next week on the Humble company's TV program, Texas in Review.

Kern Tips, who heads Humble's football announcing staff, will deliver a commentary on key plays from the Rice-Florida, Texas-LSU, and Texas A&M-Tex. Tech games.

Other items of interest to Texans on the program include films of a magicians' convention in Fort Worth and the Calvert homecoming convention in Calvert. On your TV station at 8 p.m. Tuesday.

Meadow Broncos Lose to Crosbyton

The Meadow Broncos lost their first game since the 1952 season to the Crosbyton Chiefs, 32-13, Friday night at Crosbyton. Meadow, a member of Class 4-B, coached by Gene Tyer, won Regional Championship last year. Crosbyton is a member of District 3-A, and is coached by Leonard Ehler.

Both of Meadow's scores were ground affairs with Quarterback Joe Longley doing the honors both times. He was the heart of Meadow's offense.

Ronnie Fargas, fullback, and Ken Leatherwood, halfback, added a touchdown apiece for Crosbyton, with Halfback Charlie Moore scoring three touchdowns.

Bargain Days Again For Abilene Daily

We have notice from the Abilene Reporter-News that bargain days are here again for that paper. So, if you wish the R-N as a new or renewal reader, hustle in and get on at the following rates: Daily and Sunday, 1 yr. - \$11.95 Daily only, one year - \$10.95

BECHTEL TAKES GUN AS WELL AS CAMERA ALONG

Well, here is that man L. L. Bechtel "loose" again in the wild-west. His main reason for the trip to the wild and woolly section of our northwest and part of Canada, is to get some shots with his camera of wild life. He admitted he took a gun along—just in case.

At the time he wrote, he was in Cheyenne, Wyoming, but hoped to make it to Casper by night. Thence to Hinton, Alberta, and then 90 miles by truck, and the rest of the way with a pack outfit to and beyond Smoky River.

Well, we aim to go up to his habitat some night this fall and see the beauties he snatched up there with his camera.

Henderson County Reunion, Sept. 26

The third annual reunion of former residents of Henderson County, Texas, will be held Sunday, September 26, 1954, at McKenzie State Park at Lubbock. Each family is to bring a basket lunch and drinks will be furnished. It will be an all day meeting, with lunch being served at 1 p.m. Signs will be posted at both entrances of the park to direct. Each person is urged to contact any former residents and ask them to attend.

Dates Set For Car Inspection in Texas

AUSTIN—Homer Garrison, Jr., Director of the Texas Department of Public Safety, said today that the Public Safety Commission has officially set the dates for the new inspection period for autos under the provision of the State's Motor Vehicle Inspection Act.

Texas motorists must secure the annual inspection of their cars between September 15, 1954, and April 15, 1955, according to the Commission Order.

At the same time George Busby, Chief of the DPS Motor Vehicle Inspection Division, said that the inspectors from his office have filed 106 cases against car owners who failed to have their cars checked during the current inspection period. These, he said, are in addition to those cases filed by members of the Texas Highway Patrol and by various local police departments throughout the State.

Unable to give an estimation of the actual number of violations for which arrests have been made during the 1953-54 period, Busby said that he "believed the figure to be comparatively low" due to the fact that frequent spot checks indicate that Texans have conformed with the law "almost 100 per cent."

News At Random

Families of the local Oddfellows and Rebekahs enjoyed a picnic and weiner roast Tuesday night of last week with about 60 persons attending at Coleman Park.

Local fishermen, Will and Cliff Fitzgerald and Arnett Bynum returned last weekend from a successful fishing trip at Possum Kingdom. The group, however, had the misfortune of their tent catching on fire and destroying some of their camping equipment, and Cliff's billfold containing some \$130 was burned. Cliff has sent in the remains for redemption.

First game this season by the Eighth Grade football team will be at Cub Stadium against Levelland, according to Coach Jim Elliott, who urges everyone to attend.

Weekly rehearsals for the Big "B" Jamboree, sponsored by the Brownfield Jaycees, will be held at 6:30 p.m., on Wednesdays at the Jaycee-Terry County Show Barns and all amateurs are urged to try out, according to the Jaycee's president, B. F. Hutson.

The Jamboree, which had the first weekly performance Thursday at 8 p.m. at the Barns, is under the direction of Ernie Walker, Meadow, who was formerly connected with a show of the same type in Carlsbad.

The performances are similar to the "Grand Ole Opry" and the

"Louisiana Hayride," and give area amateur talent a chance to perform.

Freeman's Mighty Chizad, a great dane owned by Elmer E. Harvey of Brownfield, was best of breed winner in its class at the sixth annual All-Breed Dog Show of the Panhandle Kennel Club at Amarillo, Sunday, the first show on the West Texas circuit.

The dog was also entered in contests in Odessa, Thursday; on Wednesday in Lubbock; and Tuesday, in Plainview.

Mrs. Crowder Still Likes The Herald

Mrs. W. S. Crowder over at Memphis, Texas, for the past several years, was one of the early-day settlers here before there was a railroad. But she complains that she gets the Herald irregularly, or late, and she feels the fault is not ours, but the mails. And don't wish to gripe.

She gets a big kick out of the oil news in the Herald about Terry and area. She gets some of the oil news in the daily before the Herald arrives.

Bro. and Mrs. John McCoy left Sunday for a ten-day trip to north and south Texas. Bro. McCoy is minister of Crescent Hill Church of Christ.

H. L. Kelly and family, of Whittier, Calif., visited here last week with his sisters, Mrs. Ross Black, Mrs. Earl Brown, and Mrs. Alton Webb, and their families.

HYDRA-MATIC GMC TRUCK OWNERS REPORTING!

"Far better gas mileage—" 

"Not 5¢ for repairs in 34,400 miles—" 

"More work done in less time—" 

"Only Hydra-Matic GMC's for me—" 

NOW—as mileage piles up on Hydra-Matic GMC trucks in service—the pay-off is looming large on the books of their cost-conscious owners. Reports are pouring in from farmers and florists, from diaper services and milk companies, from wholesale butchers and bakers and paper box makers, from owners and rental operators all over the land. They sum up to one conclusion:

Hydra-Matic GMC's are doing more work for far lower operating and maintenance costs—saving time—keeping drivers happier—improving safety records. Why handicap yourself with outmoded equipment? There's a Hydra-Matic GMC to fit your need, in every size truck from a Pickup to a heavy-duty tractor. Come in and let's talk it over—soon. Be careful—drive safely

Wellman Wildcats Lose to Frenship Tigers 25 to 0

Wellman Wildcats were handed a defeat by the Frenship Tigers, 25-0, Thursday night of last week at Wellman. Wellman was hampered by the loss of Gerald Jordan, one of the team's best halfbacks, who is in the local hospital recovering from an appendectomy.

Despite the fact that Wellman is in Class 4-B and Frenship is now in Class 3-A, Wellman's 202-pound fullback, Alfred Tittle, kept his team in the game throughout. Often after his interference had been wiped out by the heavier and more experienced Frenship line, he would keep plowing and racked up any number of five and six-yard gains.

Also showing up well for Wellman was Sammy McGuire, junior quarterback, although he was playing in an unfamiliar position. He never hesitated to call his own number when it appeared the Tigers had worn his ball carriers down.

Defensively, Wellman presented two outstanding boys in Tackle Bill Tom Goza and Guard Ronny Cowling, a sophomore.

Wellman's coach is Eustace Conwoop.

Touchdowns for Frenship were made by Kent Richardson, and Freddy Perden. Conversions were made by Rick Stapleton.

Ticket Price Increase Is Explained

Because of numerous inquiries regarding the increase in price of football tickets from 75¢ to \$1, the Wellman School Board and administration, wishes to state that the price was set by the district football league officials, rather than locally.

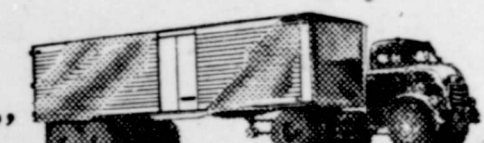

Mr. and Mrs. Homer Nelson accompanied Parilee to Abilene on Sunday, where she is a Sophomore in Hardin-Simmons University.

How New Trop-Artic Can Double Engine Life

"Far better gas mileage—" 

"Not 5¢ for repairs in 34,400 miles—" 

"More work done in less time—" 

"Only Hydra-Matic GMC's for me—" 

Phillips 66 Trop-Artic THE ALL WEATHER MOTOR OIL

Some motor oils give good protection at low temperatures. Other oils are effective at high temperatures. But new Trop-ARTIC all-weather motor oil gives protection at all temperatures... from below zero to 180 degrees!

This explains why Trop-ARTIC is so much better than ordinary motor oils at preventing engine wear... so much better that it can even double engine life. Trop-ARTIC lets you start easier... saves you gasoline... saves 15% to 45% on oil consumption.

Phillips 66 Trop-ARTIC is the first all-weather oil which has proved it meets the highest standard ever established for automobile motor oils... the Mil-O-2104 Supplement 1 test. You can't buy a better oil for your car!

Exclusive! Phillips 66 Flite-Fuel

FLITE-FUEL is the new gasoline with the added super aviation fuel component Di-isopropyl.

FLITE-FUEL gives you increased power, higher anti-knock quality and greater economy. You get the benefits of controlled volatility plus the clean burning qualities resulting from use of high purity components. Get Phillips 66 FLITE-FUEL for your car!

No Wonder -

Buick Sales are Soaring!

The fact is, for just a few dollars less than some models of those "low-price three," you get in this Buick 2-door, 6-passenger Sedan a whale of a lot more automobile—more room, more comfort, more ride steadiness, more V8 power. And that "more automobile for your money" goes for every Buick in the line—the low-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER, and the custom-built ROADMASTER. And the proof is in Buick's booming sales figures!

You want a car that will keep its style in the years ahead, and return more dollars when you sell it. That's today's Buick—for with the year-ahead styling that graces this winner—and with all the solid value built into this great automobile—you're bound to command a higher resale price when you sell it. Drop in—look over this beautiful buy—and learn the clincher: With our tremendous volume right now, we can offer you the top allowance on your present car. So you're way ahead on all counts!

The best sauce for food is humor.—Socrates.

Brownfield Hi Band Invited To Compete At Lubbock Fair

The Brownfield High School Band, along with other high school bands from throughout West Texas and Eastern New Mexico, has been invited to enter the competition for \$600 in cash prizes which will be offered in conjunction with the gala Parade of Bands marking the opening day of the Panhandle South Plains Fair here Sept. 27.

Letters have been mailed to approximately 50 schools in the area inviting the bands to participate in the huge parade. In addition, each school has been invited to enter floats which will follow the school band in the cavalcade.

Judging of the many bands will be according to regular Interscholastic classifications—Class AAA, AA, A, and B. The first place winner in each class will receive \$100 and the second place band in each class will win \$50. This will be the first time such cash awards have been offered by the Fair.

This year's parade, opening the 37th annual Fair, will begin at 10 a.m., Sept. 27 and move thru downtown Lubbock to the Fair grounds. Awards will be presented immediately following the parade at ceremonies in the new 5,500-seat Fair Park Coliseum.

The opening day will also be School Day for thousands of school children throughout the area. Every school student will be admitted to the grounds without charge. This is the first time that School Day has been observed on opening day and came after requests for such a plan were received from many school superintendents.

Last Year's opening day Parade of Bands attracted 60,000 and 75,000 persons—the largest crowd ever gathered in Lubbock for a single event.

Prof. D. O. Wiley, band director at Texas Tech, and Paul Branom, director of the Lubbock High School Band, are co-chairmen of the parade, according to Chick Morris, publicity manager for the fair association. The Lubbock

Cub Scout Pack Building Town

Cub Scout Pack, No. 43, sponsored by the Kiwanis Club, is busy this month building props for a western town in miniature for a program beginning at 7:30 p.m., Oct. 4, at the First Christian Church. The Cub Scouts are constructing the small building out of such things as refrigerator crates, painting rocks with gold paints and ore and etc. All families of the boys and invited guests will attend.

Treasure Hunt
At a weiner roast last week, a treasure hunt was enjoyed by Cub Scout Pack 43, whose Cub Master is Bill McGowan.

Each of the four Dens traveled in a different direction in the park, returning to find a buried treasure, and the first to arrive, Den 3, won a prize of craft work. McGowan served watermelon to approximately 100 Cubs, their parents, brothers, sisters, and to the new Den Mothers.

TERRY SINGERS MEET SEPT. 19

The Terry County Singing Group will meet for the 3rd Sunday singing at 2:30 p.m., Sept. 19, at the Nazarene Church. Everyone is urged to attend, according to H. O. Pipkin, secretary of the organization.

Singers are expected from Seagraves, Saminole, Meadow, and Lubbock.

Mr. and Mrs. Glen Mason, Mr. and Mrs. Weldon Mason, and Mrs. Wendell Mason, all of Meadow, went sightseeing around Friona Sunday. They reported good cotton and feed crops.

In the last fiscal year of 1952-53, 750,000 certificates in health and safety courses were issued to Junior Red Cross members in secondary schools.

Buy it in Brownfield and Save!

bands will be hosts for the event and will not compete for the prizes.

Mrs. Georgie McColloch and Mrs. Bill McDonald of Brownfield, visited in the Horace Castleberry home, Monday evening.

Mr. and Mrs. Arthur Curtis, Al-

Funeral Held For McCormick, Victim Car-Truck Crash

Cleave O. McCormick, 69, retired farmer, was killed about 6 p.m., last Thursday, at Welch, Texas, when a truck hit the side of his car as he was leaving a filling station where his son, Robert, worked, according to a report from the Brownfield Funeral Home.

He had been making his home with a son-in-law, J. A. Benthall, Route 5, Brownfield, and had been a resident of Terry County since 1946.

Funeral services were conducted at 2 p.m., Saturday, in the Church of Christ at Welch, with Minister Freeman Hayes officiating. Brownfield Funeral Home directed burial in the Pride Cemetery near Welch.

Pallbearers included: Vernon Parks, Henry Russell, Tom Ford, D. V. Phipps, R. V. Kerby, and Herman Kelly.

Among survivors were his wife; three sons, Homer, of Geneva, Ill.; B. A., of Grand Prairie, and Robert, of Welch; three daughters, Mrs. J. A. Benthall, Route 5, of Brownfield; Mrs. J. T. Tidwell, Hobbs, N. M.; and Mrs. J. W. Benthall, Anson; a brother, C. T. McCormick, Abilene; two sisters, Mrs. Mollie Wimbley and Mrs. Minnie Kelso, both of Abilene.

Mr. and Mrs. Arthur Sawyer attended the Sawyer annual family reunion at Buffalo Gap, Friday through Sunday. Mrs. Allie Graham and Mrs. Ida May went down Saturday and came back Sunday.

Mrs. R. D. Jones, Sr., has been in Oklahoma City for the past three weeks with her mother, Mrs. H. J. Cooper, of Stratford, Texas, who underwent a brain tumor operation.

lene, Jean, and Sonny were in Brownfield last week for a party in the home of Mrs. Homer Winston, given in honor of her daughter, Mrs. Dewey Alsop and Mr. Alsop, who were married recently in Lovington, N. M. The couple are at home in Brownfield.

Wilson Out—No More Football

PUZZLING—Elmer Wilson, 5 foot 4 halfback, last year was voted "Texas Tech's 'Most Handsome Male.'" In 1954 he has been chosen "Tech's Ugliest Man."

LUBBOCK. — Elmer Wilson, Tech's popular little halfback from Pampa, will play no more football.

After Wilson suffered a concussion in practice last week, doctors ruled that to prevent risking further injury he must give up the game.

The 5 foot 4 scooter made a hit with the fans the first time he got his hands on the ball, racing back a punt 80 yards against West Texas State in 1951. He lettered three years in football and last season in baseball.

Wilson's scholarship continues in effect, and he'll keep up with the Red Raiders as a spotter for the Humble Oil and Refining Company broadcasters.

Mr. and Mrs. W. M. Joplin and girls spent the weekend in Brownwood, visiting her sister, Mr. and Mrs. Tom Harris and family.

Mr. and Mrs. Oliver, of Brownfield, visited their daughter and family, Mr. and Mrs. Phillip Rogers, Thursday.

Several from this community attended a youth rally at Brownfield, Monday.

The people of this community extend their sympathy to Rev. and Mrs. Loyde and family upon the passing away of his mother.

Coke Toliver, 1109 East Buckley, returned this week from a visit with his mother at Mullin, Texas.

Submit and thou conquerest; serve, and thou'll command.

—Ovid.

CHIPBOARD FOR SALE: Price reduced for 5c each on small quantities or \$3.50 per 100, size 35x44. Fine for graineries. The Herald.

Cleveland and Robert Chambliss as hostesses.

Prison Rodeo Team Will Presents Five

HUNTSVILLE.—Fans of Texas' No. 1 rodeo will bet an extra chance to see the state's fastest and wildest show this year. And it's all due to the way the Gregorian calendar works to make October come out with five Sundays in 1954.

This makes possible five bigger and better than ever before in '54 performances for the 23rd Annual Prison Rodeo here, Oct. 3, 10, 17, 24, and 31.

H. H. Coffield, chairman of the Texas Prison Board's rodeo committee has announced that Governor Shivers will officially open the big prison show on October 3 and that date has been officially designated as "Governor's Day" in honor of the state's chief executive.

The first performance of the 1954 Prison Rodeo has also been named "Press Day" for editors and publishers of Texas newspapers and radio-TV people, who annually lend invaluable support to this widely known event with their generous contributions of space and time given to free advertising for the show.

This announcement came from A. C. Turner, rodeo publicity director, who added, "These folks have been 100 per cent supporters of the rodeo and its aims for the 23 years of its existence and the rodeo management is not the least bit hesitant in giving them full credit for its success."

During each Sunday in October the best inmate riders of the prison system, who volunteer to ride in the show, will compete in what is likely the meanest rodeo in the nation. These performers do not ask any quarter from the animals they have drawn to ride, and no one ever heard of nor saw a Brahman bull, who had been given respectful room 11 months of a year, give any when suddenly run into a chute and mounted by a spurred rider.

Tickets are available now for any date of the show by mail or wire from the Rodeo Ticket Office, Huntsville, at \$2.40 each. Check or Money Order should accompany all such requests, and prompt return mail service will be given.

Until I truly loved I was alone —Mrs. Norton.

Service Costs Money

There has been considerable criticism of the nation's food retailers, because declines in farm prices have not been fully reflected at the store level.

Senator Aiken has clearly explained why this is so. A main reason is the steady increase in marketing service demanded by the housewife. He said, "She now buys cut-up poultry, instead of live chickens. She buys frozen food, instead of canned food. She buys ready-to-bake biscuits, instead of flour. It should not surprise anyone that the providing of these extra services is a costly undertaking."

Retailing, in all its branches, is an extremely competitive enterprise, and profits are very moderate. The prices we pay for goods must reflect all the costs involved in bringing them to us. When we demand, as most of us do, expensive marketing and processing services, we must expect to pay for them.

Union H-H Club Met September 2nd

The Union H-H Club met Sept. 2 at the home of Mrs. Leo Huddleston, with five members and two visitors. Roll call was answered with "New Home Freezer Ideas." Miss Cox gave the program on background for the living room and showed different ways to refinish furniture, and ways of finishing walls. Refreshments were served to Mrs. W. T. Jones, Bob Luker, Aubrey Puryear, Rufus Dill, visitors, Mrs. Dink Garner, Mrs. Page and the hostess.—Reporter.

Mr. and Mrs. H. L. Gaither, and son, John Ross, formerly of Seminole, are new residents of Brownfield, and now live at Marson Apartments. Gaither is employed at Ross Motor Co., and was formerly with Seismic Explorations. Mrs. Gaither is the former LaRue Ross.

Mr. and Mrs. Arthur Green, former residents here and now of Colorado, visited this week with Mr. and Mrs. Haydn Griffin, Mr. and Mrs. Mon Telford, and with other friends in this area.

Pvt. Line To Be Sent Overseas

Pvt. Martin Line, Jr., who is stationed in Camp Kilmer, N. J., is awaiting transportation overseas. He and his wife, the former Harlene Glenn, have been in Camp Chaffee, Ark., for the past eight weeks, she returning home last week.

Mrs. Line plans to remain here with her parents, Mr. and Mrs. Harlan Glenn, for about a month and a half and then join her husband overseas.

Mr. and Mrs. Marvin Fletcher and son, 1312 East Lons, returned Sunday from a week's vacation in Portales, N. M.

Cornebie Attends College Conference

Wayland College at Plainview was recently represented by Al Cornebie, of Brownfield, president of Student Government Association at the college, at the fourth annual Student Body President Conference sponsored by the US National Student Association.

Student leaders from more than 100 colleges and universities throughout the US attended the four-day workshop on campus government problems held at the Iowa State College campus.

Dean Lucile Allen, president of the National Association of Deans of Women, made the keynote address advised the students to "build a generation of statesmen" and ignore "self-appointed wise men" who seek to evade the law, either on campus or in the nation.

Dean Allen called upon the student leaders to preserve campus freedom by carefully adhering to democratic procedure in running their governing bodies.

The US National Student Association is the world's largest Democratic student federation, representing more than 300 US colleges and universities through their student governments.

Need Farm Hands? Notify Your T-E-C

Cotton is opening earlier than anticipated. There is an immediate demand for boll pullers. There is insufficient local labor to fill the present demands. Crews are coming in daily from South Texas and a great many more crews will be needed this week.

Farmers, crews and individual workers are urged to make their needs known to the Texas Employment Commission in Lamesa or Brownfield. Several temporary Farm Placement men will be added to our staff within a few days and will be placed at various other towns within our area of six counties to aid local farmers in securing workers.

Activity is increasing in non-farm employment. There is current demand for women bookkeepers, waitresses and gin hands.

Marine Corporal Ted Williams, of Tokio, has returned from a four-year hitch in the Marines, part of the time spent in Korea, Japan and aboard ship. He said as a race of people, he believed the Japanese above the Koreans

SANTA FE CARLOADINGS

Santa Fe carloadings for week ending September 4, 1954, were 22,414 compared with 23,947 for same week in 1953. Cars received from connections totaled 11,827 compared with 13,260 for same week in 1953.

Total cars moved were 34,241 compared with 37,207 for same week in 1953. Santa Fe handled a total of 33,078 cars in preceding week of this year.

Drouth last year prompted the greatest expansion in Texas irrigation history. More than 5,000,000 acres were irrigated in 212 counties.

DEATH BY DISEASE AMONG CHILDREN CUT TWO-THIRDS

AUSTIN, Sept. 16.—Chances of today's school age children—five through 19—dying of disease have been cut by two-thirds in the past 15 years, a State Health Department statistical summary shows.

Thus, excluding accidents, the readin' writin' 'rithmetic set has three times as much chance of living to collect high school diplomas than had the class of '38. State Health Officer Henry A. Holle attributes healthier school life in 1954 to improved environment at home and school, immunization and vaccination programs, improved drug therapy, and education of the lay public on the importance of disease prevention.

One of every 594 school-age children in 1938 died of disease. By 1953 the ratio had been cut to one in 1785.

Parents of Texas one and three-quarter million scholastics can breathe easier knowing that 1953 diphtheria death rates have been reduced to one-tenth of the 1938 rate, influenza and pneumonia to one-sixth, scarlet fever to one-third, and malaria and typhoid fever to a flat zero.

Fifteen years ago, the summary shows, school child deaths from all causes reached 3389, compared with 1698 deaths last year. And enrollment in public schools last year was greater by 70,000 than enrollment in 1938.

"Typhoid fever and malaria are excellent examples of what can be accomplished by simply cleaning up mosquito and fly breeding places, improving sewage and garbage disposal, and improving housing conditions," Dr. Holle said.

Malaria caused the death of 39 school children in 1938, and typhoid killed 144. Neither disease claimed a single life last year.

Significantly, it was in 1938 that the State Department of Health began operating on its present scale. The figures concerning accidental deaths aren't as bright as these on disease-produced fatalities. Accidents accounted for only 22.3 percent of all school age deaths in 1938, compared with 46.7 percent in 1953.

Accident prevention programs probably represent the most urgent field for student health education, Dr. Holle believes.

Picture Perfect

MOTHER'S DAY is on the way. And the big question in everyone's mind... what to buy for the little lady who takes top position in our hearts. For example, take this "picture perfect" present to warm the heart of every gal who answers to the name of "Mom". It's Coro's lovely love locket, smartly designed with sparkling rhinestones, exquisitely set against a background of black or white enamel. Open the charming locket with a flick of the finger and tucked cleverly inside is space for four pictures, individually framed. Just what mother needs to show off junior, sister and you to admiring friends and relatives. And don't forget the delightfully designed earrings to match.

Mrs. W. T. Patton, 619 East Hill spent Sunday with Mr. and Mrs. Woodrow May in Gomez. She was in the Herald office this week to renew her subscription to the paper, a subscriber since 1921.

9 CALVES IN 24 MONTHS
Fremont, Mo.—Mrs. Alice Hoagland's Guernsey cow, Bossie, has had three sets of triplet calves in a row, and all within less than 26 months. All of the five bulls and four heifers were normal at birth and only two died.

LEAVES 139 SURVIVORS
Zanesville, Ohio. — When Mrs. Mary Brewer, 79, died recently, she left 139 survivors: four daughters, five sons, 70 grandchildren and 60 great-grandchildren.

Permit 115, P. R. Cates, 8-24-54, to construct a 65x31 residence and attached garage at 1013 E. Lake, with concrete foundation, comp. shingle roof at estimated cost of \$12,000.

Permit 116, P. R. Cates, 8-24-54, to construct a 65x31 residence and attached garage at 1013 E. Lake, with concrete foundation, comp. shingle roof at estimated cost of \$12,000.

Permit 117, P. R. Cates, 8-24-54, to construct a 65x31 residence and attached garage at 1013 E. Lake, with concrete foundation, comp. shingle roof at estimated cost of \$12,000.

Permit 118, P. R. Cates, 8-24-54, to construct a 65x31 residence and attached garage at 1013 E. Lake, with concrete foundation, comp. shingle roof at estimated cost of \$12,000.

Pounds of Beef; Not Numbers; Important

Pounds of meat rather than the number of livestock sound the real goal of properly stocked rangelands.

Producers conscious of this goal are faced with poor distribution of rainfall, drouth and just plain "habit," says A. H. Walker, extension range management specialist. Walker cites several steps which go to make a "pounds" rather than "numbers" livestock program.

Carry less than the estimated stocking capacity on a certain pasture, for instance. Run only 75 instead of 100 head, for instance. Some stockmen may wish to run only dry stock during the winter giving pastures a chance to come back during the growing season.

Studies have shown deferred grazing to be the best recovery

method. At the Sonora Experiment Station, "moderately" grazed pastures gave more pounds of meat per acre and resulted in the greatest range improvement when compared to heavily stocked grasslands. Deferred-rotation grazing, however, gave even faster improvement and livestock gained equally as well.

About one-half of the annual forage growth should be left for reproduction and maintenance. This means, leave about one and one-half to two inches of the sod grasses, two and one-half to three inches of the small bunch grasses and about five inches of the tall bunch grasses, Walker says.

Guides to Proper Grazing, bulletin C-335, available from county agricultural agents gives more information on this subject.

How rich a can is, all desire to know; But none inquires if good he be, or no.—Robert Herrick.

MARK OF PROGRESS

Here's General Telephone System's new symbol! It identifies your telephone company as a member of a fast-growing, national system that serves a 21-state area. It represents many different people... operators, linemen, cable splicers, surveyors, engineers, accountants... all dedicated to giving you the best of modern telephone service at the lowest possible cost. It's a mark of progress you'll see more and more of... as we keep on expanding... to meet your growing needs.

GENERAL TELEPHONE COMPANY OF THE SOUTHWEST
A Member of One of the Great Telephone Systems Serving America

GENERAL TELEPHONE looks to a future of growth... through service

FORD'S THE LEADER

(and looks it!)

In fine-car feature after feature, Ford's far out front in its field. Only Ford gives you styling that will stay in style... new Ball-Joint ride and handling... high-spirited V-8 "Go"

It's no wonder so many people are swinging over to Ford! Ford offers more fine-car features than any other low-priced car. You can see Ford's the leader in "looks." With its long, low, clean-cut lines, Ford's the acknowledged trend-setter in the industry. And Ford has interior luxury to match, with the latest in modern fabrics... the handsomest in trim. And Ford acts the leader, too. Riding and handling are always smoother, easier because of Ford's revolutionary Ball-Joint Front Suspension (exclusive to Ford in the low-price field) that cushions the bumps of even the roughest roads and helps keep that new-car "feel" far longer.

More people are trying Ford... More people are buying **FORD**

Ford is the only car in its field with a V-8 engine, the 130-h.p. Y-block V-8. And Ford offers this V-8 "Go" today!

You may choose from three great transmissions: Fordomatic Drive, Overdrive, or Conventional Drive. For still greater driving ease and pleasure, you may make your Ford as automatic as you like with power assists... Power Steering, Power Brakes, Power Windows (both front and back), and a 4-Way Power Front Seat.

And with Ford's many, many other fine-car features such as suspended clutch and brake pedals, Center-Fill Fueling and the new Astra-Dial Control Panel, Ford is worth more when you sell. It's a proven fact that Ford returns more of its original cost, at resale, than any other car in the low-price field! Come in... Test Drive a Ford today, and see why.

Stricklin Speaking

By OLD HE

(Continued from Front Page)

Dawson in cotton production the past three years.

But most of our 25,000 bale crop last year was irrigated.

Very likely this year, old Dawson will go back to something like its old time standings. Looked pretty good two weeks ago. At that time they were combining and hauling in the new maize crop.

Then there is Bro. Curry over there at Crosbyton, who admits that "long haired music" leaves him with a cold shoulder, but at the same time he don't give a tinker's dam for hillbilly stuff. And he was mouthing last week because he thinks that is all the kind of music they are going to have at the South Plains Fair, at Lubbock.

And from what we have gotten from that column in the Hubbock Herald under the picture of the bearded and hatted cowpuncher smoking a cigarette, that gentleman, who calls himself the Plainsman, is not too sympathetic toward the Grand Ole Opry style of music, that mostly originated in the old Volunteer State, where the Old He saw the light of day.

But for the special benefit of these ejuters, we will try to send the Brownfield Band up one day to play Dixie and Stars and Stripes forever, for them.

We are a bit sorry for the postal boys and gals since Ike vetoed the pay raise. But we can't altogether blame Ike, as he has cabinet officers and they are supposed to advise him on matters of this nature. The P. M. General had told the Congress plain as day that a raise could not be paid for without a raise in postage, and this being an election year, the Congress did not choose to raise the postal rates.

It was the same way some two years ago, when the legislature passed the bill to raise the pay of teachers some \$600 per annum. Many people, including the teachers, got the idea that Gov. Shivers vetoed the bill. As a matter of fact, it never reached his desk. It first went to the Comptroller, who stated that it would have to be paid with "cold checks", so the pay raise died while aborning.

Later on, when there were funds, among them some \$40 million dollars we saved on our tidelands, despite Truman and Stevenson, et al, there was money to pay the raise of teachers. So, Gov. Shivers called the legislature in extra session, and a pay raise of better than \$400 was voted the teachers. We hope the postal force finally gets a raise to justify the increase in cost of living. But who wants the postal rate raised? Or any other tax raise for that mat-

ter?

We learn a lot in traveling about over the country. We were under the impression that what irrigation there was, in Dawson County, was confined to the extreme northern part. But we found irrigation going right along down in the Spartenburg region in south Dawson.

As for that matter, irrigation was confined to northern Terry until the past two years, and now it is practiced all over the county.

Looks like things are shaping up for more war, this time to start in China and Formosa, between the Republic of China and the Red Regime. In fact, as far as the paper reports go, the war has already started with bombings and strafings. And it looks like it will involve the USA as we are pledged to see that the Republic is preserved.

The more we read about the world, the more we become an isolationist. If we had our way, every American trooper would be brought home, and the Navy so deployed that they might be of assistance to American interests. And the same would go for the Air Force.

Then, if those billygoats want to kill off each other, let 'em go it. We would have less mouths to feed all over the world. We cannot see any tire in the definite future that our tax will be much less, or our national debt much reduced. We have fought, bled and died since World War I, to keep the world safe for "democracy." And where are we? One war is no more than over until another starts some where.

There is always a lot of ambitious men who want to rule the world, as has been the idea almost as far back as history goes, and we still have the same old gangsters, and always will perhaps as long as this old world stands. The only thing that appears to us that may stop these wilful rulers, is the coming of the Judgment Day.

D. E. NEWS

The Distributive Education Club of 1954-55 has started its activities for the year off with a bang.

Monday night, the D. E. II students had a party at Coleman Park honoring the D. E. I members. The new members' initiation consisted of painted faces (textile paint at that) and all sorts of chores, including cooking for the D. E. II members.

Afterwards, we had a weiner roast, with the D. E. II students furnishing the food.

New members were welcomed into the club by Bobby Turner. A few of the new members are: Patty Sue Durham, Cecilia Calloway, Nona Sue Overman, Don Smith, Connie Jo Kueler, Doris Tuttle, Dwana Sue Wood, Earl Elwood, Peggy Meetze, and Dixie Brinson. —Nelva Bosher.

The Passing Of Albert Redford Smith

On Tuesday afternoon, September 14th, another old time and well known citizen of Brownfield passed from this life. Redford Smith moved to Terry County in 1923 and for the past 31 years has been one of us in trials or in prosperity. His field of work was such that he was well known to almost every one and to know him was to like and respect him.

Those virtues that are most greatly prized among men were found in his life: Truthfulness, honesty, faithfulness, soberness, dependability, were all commonplace with him, plus an unfailing sense of humor. He delighted to tell experiences of the past that were made to live in the telling.

Redford Smith was born in Athens, Georgia, on August 29, 1874, and passed away at the age of 80 years and 17 days, after an extended illness at the St. Mary's hospital in Lubbock.

He was married to Miss Dora Daugherty on December 6, 1924, and they would have celebrated their thirtieth anniversary on December 6th. They have made their home in our city during their entire married life and were at home at 221 Broadway.

He is survived by his wife and by a niece and two nephews in Athens, Ga. He regarded his wife's relatives as his own and there are a number of them also.

He was a member of the Crescent Hill Church of Christ and from its building, funeral services were held on Thursday, Sept. 16, at 10:00 o'clock in the morning. T. J. Finley, of Dimmitt and J. R. Chisholm, of Brownfield, were the speakers... with burial in the Memorial Cemetery.

Active pallbearers were Wynald Miller, Johnny Keith, Tress Key, J. W. Christensen, Paul Campbell and Wilson Collins.

Honorary pallbearers were Cecil Smith, Smith Murray, C. C. Primm, Henry Cargill, J. B. Knight, Lee Hulse, Curtis Hulse, Keith Gore, R. E. Self, Carl Adams, Tom Adams, Burton Hackney, T. G. Sexton, J. T. Hoy, Sherman Mitchell, Jewel Bell, M. R. Haddock, Tom Cobb, Everett Latham, Herbert Chesshir, Herman Chesshir, James Harley Dallas, J. J. Andrews, Vernon Townes, Willie Winn, Virgil Crawford, Ross Black, Val Graner, Bill Blackstock, Henry Chisholm, G. W. Chisholm, Arthur Sawyer, Truett Flache, Ray Brownfield, Morgan Copeland, and Mon Telford.

Asleep in Jesus' blessed sleep, from which none ever wakes to weep! A calm and undisturbed repose, unbroken by the last of foes.

Names of Four Terry Youths in 4-H Contest At Tech, Friday

Four Terry County youths were among boys and girls from 20 counties, whose names were entered in the various contests at the 4-H Award Program of the Agricultural Extension Service, Friday at Texas Tech.

Entries from Terry County included: Neva Jo Howard, of Pool, district dress revue, clothing; Peter Green, Meadow, meat animal; Genelle Cornett, Union, clothing; and Freddie Sedgwick, Wellman, poultry records. County Agent Jim Foy served as one of the judges.

The 4-H Award Program is on a national scale including county, state, region, and national competition. All states of the union participate and so do territories of the United States. The program is sponsored by nationally known business and industrial firms, who award many of the scholarships and prizes.

Brewer Emphasizes American Way of Life at PTA Meet

About 100 parents were welcomed by Principal Vernon Brewer at the first meeting of Jessie G. Randal PTA, held Sept. 9. His talk emphasized the American Way of Life and pointed out that here in our schools we are engaged in service rendered in the realm of human relations. Brewer said that it is in human relations that modern man needs most to improve, and "The ancients had wars, we need in modern times to teach men to live together."

Mrs. Mitchell Flache was elected first vice president to fill the vacancy left when Mrs. Bob Collier moved. Room count was won by Mrs. Grimland's room.

Mrs. Bill Neel, program chairman, called on Mrs. S. W. Miller to open the meeting with a prayer. Mrs. Truett Flache, president, introduced her officers and committee chairmen to the group. They include: Mrs. Tommy Hicks, second vice president; Mrs. W. B. Cope, secretary; and Mrs. Eulice Farrar, treasurer.

Brewer introduced his faculty, as follows: first grade, Mesdames Wanda Barnes, Jewel Bryant, Edith Creighton, Floy Grimland, Adalia Hernandez, Margie Mills, Bernice Peace, Thelma Taylor, and Misses Edith Creighton and Avenol King. Second grades: Mesdames Joe Chisholm, James Dallas, Mozelle Fitzgerald, A. G. Greer, Norene Hudspeth, S. W. Miller, Altha Lynn Mitchell, and Miss Creola Moore.

A social hour followed adjournment during which cookies and lemonade were served by Mrs. Bruce Zorns and Mrs. Alvin Hallbauer.

Mrs. Jack G. Best and son, Randy Glenn, of Port Arthur, have been visiting in the home of Mrs. Best's parents, Mr. and Mrs. H. O. Pipkin, for the past week and stated that they sure did enjoy the cool nights and some good old West Texas watermelons. Also Randy Glenn talked his Granddaddy into taking him down town and buying him a nice pair of western boots to wear back to South Texas. Without a doubt, they'll be back to see Brownfield again soon. Jack didn't get to come, as his employer made him work even on Labor Day.

NO SEA-SERPENT, just a 25-pound eel, makes this armload for Stockholm fish market men. Sometimes eels of this type run to as much as 65 pounds.

"Defoliation" Topic At Ag. Meeting

Four County Agriculture Workers Council met at 7 p.m., Tuesday at Nick's Cafe for a talk on "Defoliation" by E. L. Thaxton, who is with the Texas Agricultural Experimentation in Lubbock.

"Only about 5 per cent of the farmers use defoliant properly, and the farmers should know the kind, when, and how to apply defoliants," Thaxton said.

He explained that defoliants are chemicals applied to cotton to remove foliage thus making mechan-

ical harvesting easier. R. N. McClain, agricultural advisor of Brownfield State Bank and Trust Co., served as program chairman, with Leo White, president of AWC, of Plains, presiding.

Approximately 30 members attended from Terry, Yoakum, Gaines, and Dawson.

Mastitis is one of the chief causes of a heavy turnover in Texas dairy herds. More effective control of this turnover would go a long way toward improving the efficiency of the state's dairy industry and helping individual dairymen meet today's competitive standards.
