CISCO, TEXAS, FRIDAY, FEBRUARY 11, 1949

NUMBER 62

Putnam News

It is reported that the City
Council paid off a considerable
amount of their indebtedness
against the new lake the past
week. The city only has a cur-
rent debt of about \$400 at the
present time. And has a lake
that has sufficient water to run
the city if it rains any at all and
it doesn't rain any, there will
be no water in the other towns.

Expansion was carried on in
the big way during 1948 and ex-
pected to reach more people in
1949 than was reached in the
past year in Callahan County.
The members of girls 4-H clubs
has increased from eight to ten
and three clubs were divided in
junior and senior groups and
the club was disbanded due to
school consolidations.

During the year, the number
of women's clubs was increased
from eight to ten with combined
enrollment of 170 women. One
club was organized at a demon-
stration given by leaders in an
organized community. Women
in another unorganized commu-
nity requested a H. D. club.
The county home demonstra-
tion council held ten regular
meetings, an annual with an
average attendance of 25 coun-
cil officers and members and
sisters. A special Christmas
dinner and party was held with
the Commissioners as well
as 85 women attending. The
Council sponsored and financed
a landscape exhibit in a local
store window during National
Home Demonstration week. The
annual county encampment was
held at Lake Brownwood in Aug-
ust.

STILL SNOW BOUND

One of the hundreds of "Operation Snow-bound's" bulldozers labors to dig out Nebraska's blizzard belt. The huge plow hurls itself into a gigantic snow drift on the Donald Lewis farm near Dolton, Nebraska. Building at right is Lewis' feed barn where plenty of feed was stored, but Lewis, unable to reach or distribute the feed, has suffered a heavy cattle loss. — ACME.

Bruce Wilbanks Is Recovering From Severe Burns

Bruce Wilbanks, 16, son of Mr. and Mrs. Ray Wilbanks, was recovering in a Cisco hospital Thursday from first and second degree burns received late Saturday at the home of his parents' boardway in a gasoline explosion between Putnam and Moran.

The explosion occurred when Bruce was repairing a gasoline line under the family automobile. A gasoline lantern was used to furnish light for the job and fumes from the leaking line became ignited, catching young Wilbanks' clothing afire. He was badly burned about the face and arms. The quick thinking of a younger brother, Harold, saved Bruce from more severe burns. He smothered the flames with a rug and ran more than a mile to obtain a neighbor's car to bring the injured youth to a hospital. After the explosion Bruce drove the burning car from the garage which is attached to the house and saved both the house and garage. The car, a 1948 Plymouth was almost a total loss.

Comanche Man Is Held In Eastland

L. F. Marshall of Comanche was being held in the Eastland County jail today on charges of passing worthless checks in Eastland. The sheriff's office reported that four cases were filed which checks were drawn on the First National Bank of Cisco. The checks were for small amounts. Officers said he used both L. F. and Lewis F. Marshall in signing the checks.

Mrs. Homer Slicker, Mrs. W. F. Watson, Mrs. P. R. Warwick and Mrs. A. E. Jamison spent Thursday in Albany where Mrs. Slicker was called by business.

Lobo Hoopsters Play Weatherford In Closing Game

The Cisco Lobos will move to Weatherford where the local gladiators will close out the 1949 basketball season with the tricky Kangaroos in a slated two game affair.

A b-game attraction will begin at 6:30 p. m. with Hub Harwell, Stan Sharpe, Joe Ed Bacon, Donald Watts and Robert Rendall composing the starting line-up for the Cisco seconds. The varsity quint will clash at 7:30 p. m.

With renewed hopes culminated after the Buckies went twice before them, the Lobos will enter the contest in fine shape and capable of pushing the game to the Kangaroos' corner in every sense of the word.

If such cagers as Kent, Rylee, McDaniels, Smith and Porter are in a shooting frame of mind tonight, the game will develop into a fast and vigorous affair, Coach Buck Overall avers.

Saturday Declared "Coffee Day" To Aid Lagging March Of Dimes Campaign

Saturday has been set aside as "Coffee Day" by local cafe men to boost the lagging March of Dimes Campaign, it was announced.

All local cafes will charge ten cents for each cup of coffee served that day and five cents per cup will be turned over to the "dimes" drive committee.

The campaign which got off to a late start due to the bad weather will end Monday, and unless local citizens contribute much better than they have in the past two weeks Cisco will fall far short of the \$1,500.00 quota.

A. R. Collier, local drive chairman, urged all citizens to help put the project over in Cisco. He pointed out that half the money collected remained in the county for the treatment of cases in the county. He said that it was not a "let John do it" proposition but one in which every one should be interested.

"Polio is no respecter of persons," he said. "It strikes the rich and poor alike and no home is without danger. Your contributions will go toward treating actual cases and into a fund used for research into the cause and cure for the dread malady."

Citizens were asked to leave contributions at the Chamber of Commerce or with Mrs. Lyle at the Victor Hotel Clear Store.

Vet's Families Not Entitled To V. A. Hospitalization

Mr. Robert D. Deputy, Itinerant Contact Representative of the Veterans Administration, wishes the following information brought to the attention of all veterans in this area.

Wives and children of veterans are not entitled to the hospital and outpatient treatment allowed the veterans themselves. This statement is made in answer to "a number of recent inquiries."

Many wives of veterans were treated by Army and Navy doctors while their husbands were in the service, Mr. Deputy said. Now some of the wives erroneously believe they are entitled to treatment under veteran's laws.

Only ex-servicemen and women, if discharged under conditions other than dishonorable, are entitled to hospital treatment under the following priority system.

- (1) Emergency cases.
(2) Those suffering from injuries or diseases incurred in or aggravated by military service.
(3) Those who state under oath they are unable to pay hospital charges for treatment of non-service-connected disabilities or illnesses. The veterans, if not in the emergency category, must wait until a bed becomes available.

Mr. Deputy is at the Cisco Junior College from 1 to 2 p. m., the first and 3rd Mondays of each month.

Lutheran Church Scene Of Pastor's Winter Conference

From Monday evening to Wednesday noon Grace Lutheran Church on Avenue D was the scene of ministerial activity as twenty-five Lutheran Ministers met for their winter conference.

Cars brought clergymen from points as far as Waco, San Angelo, Edin, Brady, Marlin, Odessa, Big Spring and other outlying towns. Pastors from the neighboring parishes were also present, such as Abilene, Saertown and Brownwood.

A communion service on Monday preceded the sessions. In this service Rev. Louis Pabor of Fola spoke on the theme "Be of Good Cheer, Thy Sins Be Forgiven Thee" and all the pastors partook of the Lord's Supper.

The general topic of the conference was "The Holy Ministry." Rev. C. Mutschink of Pottsville spoke about the Biblical Qualifications of a Minister. Rev. L. Warner of Copperas Cove presented an essay entitled, "Moses as Leader of His People." Rev. C. Zoch of Taylor presented a heart-warming discussion on the Minister as Pastor. The essay, "The Minister as Preacher in the Pulpit" rendered by Rev. H. Driessner of Saertown, evoked some interesting discussions regarding the idiosyncrasies and habits of the preacher. Pastor G. Buchschacher of Waco, offered some timely hints regarding the pastor's work as domestic counselor.

Grace Lutheran congregation housed and fed the pastors in their homes. The Ladies Aid Society of the church served dinner and supper to the group in the basement of the First Christian Church. Both visiting pastors as well as the local Lutheran congregation gratefully acknowledged the assistance of the First Christian Church in offering the use of their basement and kitchen.

Our Greatest Asset

Have you a heart? Of course you have. And yet it is not really your own. For hearts were given us that we might give them away. If you have come to yourself, you know that your heart belongs to the child whom you love. It is only when we have lost ourselves that we forget; that we try to satisfy these loving hearts with things. Not even gold or precious stones will long satisfy the hearts of men. Not even grown women and men will permanently satisfy us; we were made to be lovers of children. Only after they come into the house do we really have a home. So our children are the spiritual assets of every life and of every home.

How true must this be in the life of the nation! Why did the Pioneers seek a home in this new land? Surely not primarily for themselves, but for their children. Why do you toil through the long, hot day? Only partly for yourself and for the things that will satisfy your appetite. Children make our lives worth living; and they remain our real reason for being, no matter how old they may become.

How foolish then to deceive ourselves into serving other earthly causes! Like the great Father in Heaven we were made for loving; love is the very essence of our nature. God is love; man at his best also is love. And only our children give us adequate room for loving.

The future of our nation is with our children; the Kingdom belongs to them. Why not set them in the very midst of our planning and of our hoping for the future? We shall build wisely if we care not only for their physical well being, but even more for the furnishing of their minds and hearts. What great thoughts are we putting into their minds? What noble souls are we teaching them to love and to cherish? They are our insurance for the days ahead; they alone will be able to bring to pass the dreams that have urged us on. Let's invest our best in our greatest asset; the child of today; the woman and the man of tomorrow.

26 Years of Continuous Service

... is a long-time record for any business or profession to achieve. Some do it, but many others do not. Common with the experiences of our contemporaries we have witnessed good years mingled with the bad. Some booms and more busts. And always the inevitable failures and consolidations. But we are still here with a fully equipped abstract plant of state-wide reputation, a force of trained employees, and a long record of successful operation in this county.
