Funeral Rites For John B. Stamey Held Here Sunday

Final rites for John B. Stamey were conducted by Dr. Claude P. Jones at 3 p. m. Sunday at the First Methodist Church. Mr. Stamey, a former Cisco resident, died at his home in New Orleans after a long illness. He was the brother of O. L. Stamey, president of Cisco Junior College.

He is survived by his wife, the former Miss Loma Bedford of Cisco, and his daughter, Mary Lou, of New Orleans; two sisters, Mrs. D. W. Westerfield of Robstown and Mrs. J. Roy Moses of Sinton; and two brothers, C. D. Stamey of New Orleans and O. L. Stamey of Cisco.

Out of town relatives who attended the funeral were Mr. and Mrs. Dixon Westerfield of Corpus Christi, Mr. and Mrs. Paul Winsett and family of Shattuck, Oklahoma, Mr. and Mrs. Roy Moses and family of Sinton, Mr. and Mrs. D. W. Westerfield and Harold of Robstown, Mr. and Mrs. S. D. Vanderwerth of Houston, Mr. and Mrs. C. D. Stamey of New Orleans, Mr. and Mrs. J. Bernard Stamey and family of Dallas, Mr. and Mrs. J. D. Higgins of Fort Worth, Mr. and Mrs. Ernest McClesky of Dublin, Mr. and Mrs. Mary Bedford of Bay City, Wendell Westerfield of Corpus Christi, Mr. and Mrs. Tom Stamey of Eastland, Forney McClesky of Fort Worth, B. D. Rambo of Fort Worth, and Godner Bedford of Mobile, Alabama.

Out of town friends attending the rites were Mrs. Charles Keen of Corpus Christi, Mr. and Mrs. Sam Moore of Pleasanton, Mr. and Mrs. Cyrus B. Frost of Eastland, Mrs. P. J. Lartigue of Beaumont, Mr. and Mrs. M. B. Dennell of New Orleans, Miss Mildred Blair of San Angelo, Mr. and Mrs. Wayne Morrow of Albany, Mr. and Mrs. Claude Hill of Sipe Spring, Mrs. C. E. Morrow of Sipsprings, D. E. Franklin of Wichita Falls, Mrs. Guy Patterson of Eastland, Dr. and Mrs. Annie of Aspermont, Miss Willie Lee of Abilene, Mr. and Mrs. Watt Foster of Bangs, Cecil Cone of Llano, Mr. and Mrs. Ernest Jones of Eastland, C. E. Pimlott of Wichita Falls and Miss Ray Holland of Wichita Falls.

Schools To Vote On Football Rules Changes

Texas schools will have the opportunity to vote on proposed football rules changes, it was announced Wednesday by the Interscholastic League. Ballot will be mailed out in April to all member schools and each school will be given a vote.

The following questions will be voted on: spring training, membership in the National Federation, limiting fall training to the home campus, and amending the Amateur Rule, defining professional sports, prohibiting an athletic contestant from using his name in the promotion of any item, plan or service and limiting ineligibility under this rule to one year.

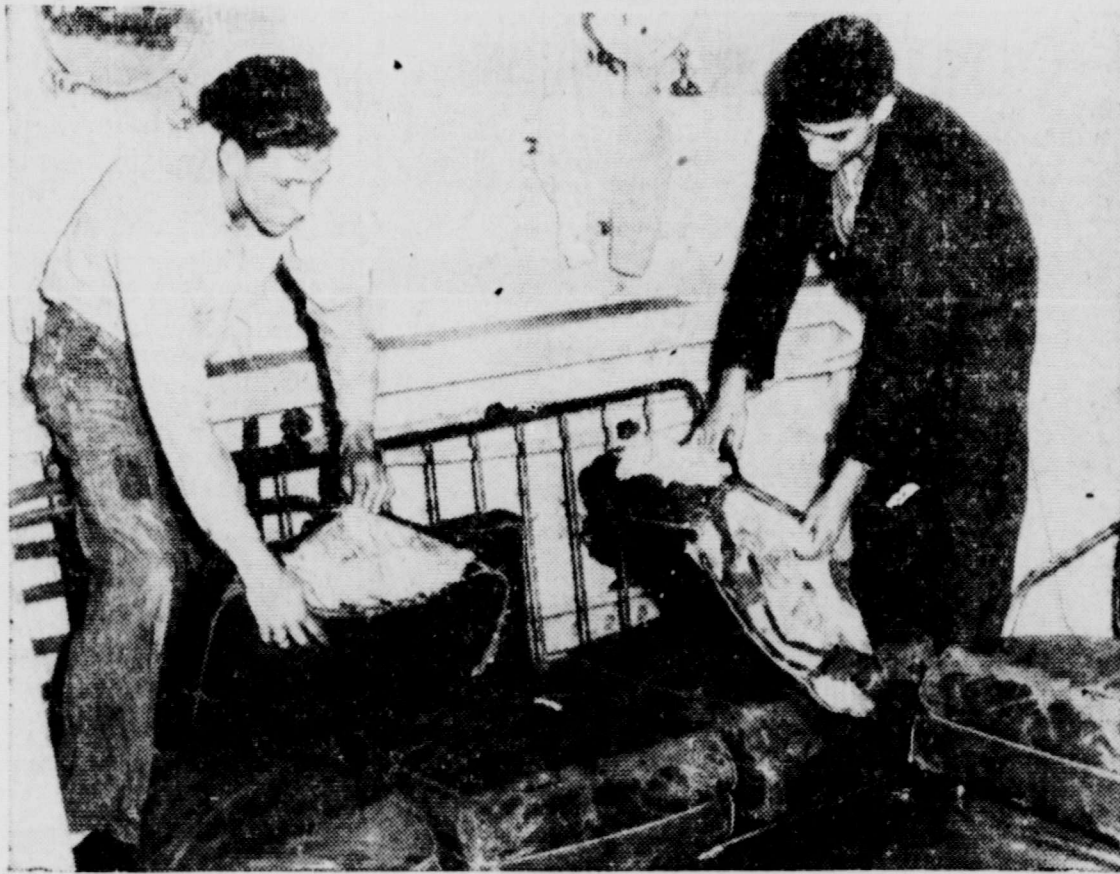

The ballots will be mailed on April 15 and league officials expected about 50 per cent of the schools in each conference to vote on the questions. Others, it was stated, who are dissatisfied with the rulings will claim that the rules were put over on the schools without notice. They urged all schools to vote.

NATIONAL GUARD SETS MEETING SATURDAY

Postponement of the 961st Field Artillery's regular Wednesday meeting to Saturday was announced here by Captain O. O. Odum, unit commander.

Mrs. John W. Brown of 504 W. 7th Street enjoyed as visitors in her home Sunday her daughter and husband, Mr. and Mrs. Roy Bentley and their son of Denton. Mrs. Bentley remembered her mother's birthday with several gifts among which was a lovely home made cake.

SHIP RETURNED IN POOR CONDITION

Seaman examine battered furniture in the wardroom of the Cruiser Milwaukee which has recently been returned to the United States. The ship was lend-leased to Russia during the war. Officers at the Naval Base in Philadelphia where the ship is undergoing repairs, said the Russians left the ship in poor condition.—ACME.

SHE SAW VICTIM LAST

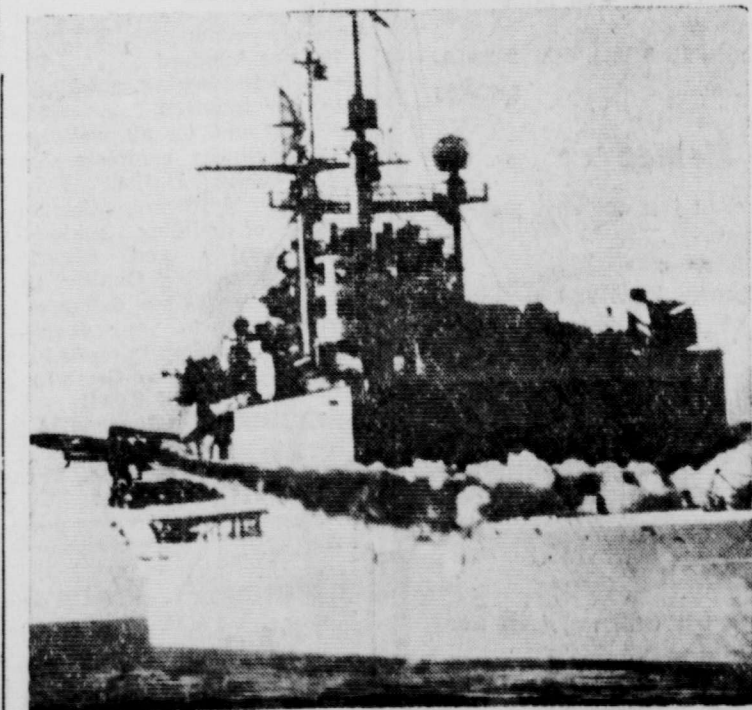

Mr. and Mrs. Albert Birmingham, whose daughter, Patricia, 16, was slain and her body thrown in the Milwaukee river, try to comfort Ruth Miller Patricia's friend and the last person to see her alive. Patricia's body was weighted down with a concrete building block when it was found in the river.—ACME.

Committee Will Sponsor Oil Recovery Meet

AUSTIN, March 23 —The Texas Petroleum Research Committee, established jointly by the University of Texas and Texas A & M College with Texas Railroad Commission cooperation will sponsor a petroleum recovery conference April 6-8 at College Station.

TEST GUIDED MISSILE

The USS Norton Sound, a sea-plane tender adapted for experimental firing of guided missiles, launches a "Loon," the U. S. version of the German "buzz-bomb," which caused extensive damage in London during World War II. An elaborate launching platform was required to fire the missile from the ship's deck during tests at sea. — ACME.

Local Girl Finds Life Interesting In Home on Small South Pacific Island

From a tiny Pacific Atoll, a mere dot on the map called Truk, came a weather worn letter the other day. It told Cisco relatives that a local couple was happy amid the native inhabitants, scenic landscape and the wonder of a new life in a bewildering world.

The letter was written by Mrs. Dwayne Doyle, wife of a Navy man, who joined him on Truk, last January. Doyle is with the U. S. Navy Medical Corps on the once Japanese stronghold.

Her reunion with Seaman Doyle, son of Mrs. Vivian Doyle of 600 East 10th Street, Cisco, was made possible through a government program to bring families of service men overseas together. Her jaunt over the Pacific was expense free — courtesy of Uncle Sam.

Mrs. Doyle left San Francisco aboard an Air Transport Command plane, stopped at Honolulu and Johnston Island for fuel and set down on the runway at Truk — some 20 hours of flying time later.

"The only time I became frightened during the flight," she wrote, "was in our landing on the small field at Truk. For a moment I was afraid the big plane would topple into the Pacific."

Just before the four motored DC-4 approached the island, a radio message told Mrs. Doyle that her husband was waiting for her at the receiving station.

The writer went into detail about the small three room barracks hut the couple will live in for the duration of Seaman Doyle's stay on Truk.

High School Track Team Shaping Up For Future Meets

"We failed to qualify in the Fort Worth field event held last week," said Jack Everett, "but the boys gained some experience by just sitting on the sidelines."

Everett, Cisco High School track coach, referred, of course, to the 14 "thinly clad" he escorted to the Southwestern Exposition track and field meet in which he had hoped to enter some of the team's standouts for experience's sake.

But Everett isn't one to throw in the towel, and neither is any member of his 17-man team, many of whom have been vigorously working to stage an impressive start.

By next year, it is Everett's contention, the Lobo track team should figure more prominently in district play after sacrificing one year for preparation.

Two hour work outs held daily at the athletic field have improved the Lobo squad considerably, and several prospective standouts have blossomed during the three weeks.

First competition for the Lobos will be at Brownwood's Blue Bonnet Track Meet this coming Saturday, and then the following week, Everett's squad will enter the Graham Invitational Relay Meet to come off on April 2. And then on April 9 the Lobos will plunge into district competition at Brownwood.

Lloyd (Bud) Sawyer, who will be entering four separate field events, is Everett's key man and has shown up as the fastest dash man in the field.

Hub Harwell and Jame McGowan have turned in impressive times around the oval during the sessions.

The team members and events are as follows: 100 yard dash — James McGowan, Russell Johnson and Stanley Sharpe.

220 yard dash — McGowan, Sharp and Johnson. 440 yard dash — Lloyd Sawyer, Conrad Miller, Hub Harwell.

880 yard dash — Sawyer, Bill Taylor and R. Johnson. Mile — Russell Johnson, Bob Foster and Barbie Smith.

Mile relay — Sawyers, Harwell, Miller and Leo Farmer. 440 relay — McGowan, Sharp

Stockshow Booster Trip Is Hailed As A Huge Success

Pictured is John Sebastian, Harmonica virtuoso, who will be presented by the Community Concert Series in a concert at Eastland on March 28.

Reports from the Livestock Show booster trip showed that the trip was a huge success and the caravan was well received in all the towns along the route. Reports came from persons who saw the trippers in Eastland, Ranger and Breckenridge and from the Breckenridge radio station.

The first stop on the North-east run was made in Eastland and reports were that the Cisco group really pua on a show. Most of the business men of Eastland were on hand to greet the local delegation and to participate in the 30 minute show.

The band put on a marching routine and entertained the crowd with snappy numbers.

The reception was much the same in Ranger as it was in Eastland and Breckenridge went all out to welcome the Cisco delegation. Some of the leading Breckenridge business men and Chamber of Commerce officials met the caravan at the edge of the city limits and escorted it into the city.

The Breckenridge radio station carried the entire program over the air and broadcast talks by A. Z. Myrick, and Charlie Burke, A. R. Collier and A. R. Westfall were introduced. The band was featured during the 30 minute program and the livestock show was well advertised.

The reception in Albany and Moran, though on a smaller scale, was equally as warm. Jay Garrett was manager of the trip and A. R. Collier was master of ceremonies.

The reports from the southwest group, headed by L. A. Hooker with B. A. Butler as master of ceremonies, received a warm reception in all the towns, but the trippers had not returned and a full report was not available.

Merchants and Stock Show officials expressed themselves as being gratified by the expressions of good will from neighboring towns.

Cheese Picture To Be Shown At A & M College

23, (Spl.) — A film, "Cheese making in Dairyland," will be shown at the Ice Cream and Cheese Makers Conference, to be held at Texas A & M College, March 24-25. The film will be shown through the courtesy of Damrow Brothers of Fond du Lac, Wisconsin.

Jack Johannes, Dallas lawyer dress at the banquet March 2. He will talk on "The Legal Aspects of Food Production, of cheese and ice cream manufacture, are on the program." Dr. A. V. Moore of the Dairy Department is general chairman of the conference which is expected to attract 75 from many sections of the United States.

Douglas Johnson and Russell Johnson. Broad jump — McGowan, Sawyer and Sharpe.

High jump — Sawyers, R. Johnson and Harwell. Shot put and discus — Paul Woods and Jimmie Waddell.

Harmonica Virtuoso To Be Presented At Community Concert

John Sebastian, Harmonica Virtuoso, will be presented by the Community Concert Series of Eastland County on Monday, March 28th. The concert will be at 8:00 p. m. at the Eastland School Auditorium, and admission will be limited to holders of membership cards.

Radio listeners heard Sebastian on the Carnation Hour, March 14th, at which time he played Rhapsody in Blue and one of his own compositions.

With unusual musical artistry and personality, Sebastian has elevated the hitherto lowly harmonica to a definite place in the music world. The son of a Philadelphia banker, he studied two years at Rome after graduating from Harvard College, and had all intentions of taking up law and a diplomatic career. He had, however, been an excellent performer on the harmonica since childhood and had been soloist with John Philip Sousa's band at the age of twelve. Other musical honors followed, and shortly after his return from Rome he decided to give up a life in the diplomatic service and make music his career.

TURTLE DIVER BALKED

Farmer Gale Harris, left, and Wayne Burd lower the bobnet of diver Woodrow Rigby, preparatory to an underwater search for the "fabulous turtle of Fulk Lake," in Churubusco, Ind. Rumors report that the reptile weighs 500 pounds and is some 500 years old. This attempt to capture the monster was foiled when Rigby discovered that one glove of his diving suit had sprung a leak. — ACME.

Football Schedule For 1949 Released

Athletic Director Jack Everett today released the 1949 football schedule for the Cisco High School Lobos and the roster includes the names of two new teams.

Cleburne and Ranger have been left off the roster for the coming season, and Graham and San Angelo have been added. The schedule is as follows:

- Sept. 9 — Open date.
- Sept. 16 — Big Spring at Cisco.
- Sept. 23 — Cisco at Grand Prairie.
- Sept. 30 — Open date.
- Oct. 7 — Cisco at Graham.
- Oct. 14 — Cisco at San Angelo.
- Oct. 21 — Cisco at Stephenville.
- Oct. 28 — Cisco at Mineral Wells.
- Nov. 4 — Weatherford at Cisco.
- Nov. 11 — Open date.
- Nov. 18 — Eastland at Cisco.
- Nov. 24 — Cisco at Breckenridge.

U. Of T. Professor To Attend School

AUSTIN, March 23 — Seven University of Texas professors will attend the American Chemical Society annual meeting March 27 - April 1 in San Francisco.

They are Drs. Norman Hackerman, Lewis F. Hatch, F. A. Matsen, George W. Watt, Orville Wyss, Wilson S. Stone and R. P. Wagner.

Dr. Hackerman will report on his corrosion research with Graduate Student E. L. Cook, an investigation carried on under an Office of Naval Research contract. Dr. Hatch's paper will deal with the University's Defense Research Laboratory. Dr. Wyss will report on certain aspects of some research being carried on at the University.

Avoid Foundation Planting for Houses Built Low to Ground

Front Yard Flower Beds Beautify Modern Houses

When a new home has been built without a basement, so that the floor is just a step above ground level, a different type of planting is required from the conventional "foundation planting."

The purpose of a foundation planting, which consists of a belt of shrubs or evergreens along the foundation line, is to "tie the house to the ground." It raises a green belt to the level of the floor, in effect bringing the house lower.

With the low-set new homes, now so numerous, the lawn provides the green belt, since it is so close to the floor level. There is no room for a foundation planting. If one is made, it will not improve the appearance of the house, since it will make the house already low enough, seem lower and the shrubs and evergreens will be likely soon to grow so tall as to obscure the windows.

Keep tall trees, shrubs and evergreens at a distance from small low modern houses. Plant flowers about them to provide an attractive frame for their simple design. In the illustration is shown a doorway garden, of the fashion which is rapidly spreading over the country.

The entrance walk, instead of dividing the front lawn, is placed at one side of the lot, and leads to a side entrance to the front porch. This leaves the lawn open, and increases its apparent size. Beds of flowers are planted at the angle of the walk.

Low growing flowers are used, in pink, blue and white. Dwarf phlox should be sown directly in the garden, where it will remain in flower all summer, covering the ground like a carpet, with its attractive florets. Pompon asters grow in low bushes, with many branches, with a flower at the end of each branch. They make excellent cut flowers, and the flowers should be cut before they fade, to prolong the blooming period.

Small evergreens are used to flank the porch entrance. These must be kept low by annual shearing. In a house of this design no shrubbery whatever should be used in front, and no tall trees or shrubs near the house.

Back in the Early 20's —

... we started out abstracting Eastland County land titles. Then as now, the abstract was a necessary part of every real estate or leasehold transaction. We learned early that an abstract was more than a bundle of pages with numbers on them. The lawyers knew, too, so did their clients. And we have built our business on the theory that if an abstract furnished complete, accurate and reliable information at reasonable cost, it met every requirement. In a nutshell, that's it!

APPROACHING RITES ANNOUNCED AT TEA

Mrs. T. E. Warden of 1207 South Seaman Street, Eastland, entertained Saturday afternoon

of the bridegroom to be, and Mrs. T. J. Wharton, aunt of the bride-elect.

Mrs. Claud C. Smith presided at the table where names of more than 100 guests were registered in the hand made bride's book, a gift of Mrs. Gerald Wingate.

Mrs. Allen D. Dabney had charge of the bride's table, which was laid with a lace cloth and centered with an arrangement of white gladiolus, carnations and blue flocked plumosus surrounding an arch bearing silver wedding bells with satin streamers attached which extended the table length; and bore the secret inscribed in letter of gold — "Martha and Jerry April 19." White candles in crystal holders lighted the table. Blue and white cake squares decorated with pink rose buds; blue and white mints and spiced tea was served by Misses Betty White Delores Warden, Maxine Smith, and Bobbie Shers under the direction of Mrs. W. D. Spain and Mrs. Jack Lee.

at the Women's club house, with a tea announcing the approaching marriage of Miss Martha Nell Warden to Jerry A. Myrick, son of Mr. and Mrs. A. Z. Myrick of Cisco.

Guests were greeted by Mrs. W. W. Linkenhog where they were received by the hostess and presented to the honoree, Miss Warden, Mrs. A. Z. Myrick and Mrs. Wayman Johnson of Cisco (mother and sister

of the bridegroom to be, and Mrs. T. J. Wharton, aunt of the bride-elect.

The honoree wore an ashes

of rose tissue faille crepe dress of street length, complimented by her shoulder corsage of vanda orchids surrounding a garland of blue pink color crepe; and Mrs. Myrick wore a gray crepe afternoon dress. Both wore corsages of gardenias.

The wedding will be semi-formal and will take place in the Church of Christ at Eastland. Claud C. Smith, minister, will officiate and Miss Warden has named as her assistant Miss Cleo Flenniken of Lamesa, Maid of honor; Miss Delores Warden, cousin, as bride's maid, and Carol Ann Smith as flower girl.

Wayman Johnson of Cisco will serve his brother-in-law as best man; Ushers will be Jim Tom Warden brother of the bride and Ely Black of Cisco.

NOBLE GRAND HONORED WITH BIRTHDAY PARTY

Following the regular meeting Thursday evening of Goodwill Rebekahs Lodge in the Hall over Jensen's store, members went to the home of Mrs. Dee Clements where they honored their Noble Grand, Mrs. Leona Hitt, with a birthday party.

The evening was spent in conversation, games, and the making a record recording birthday wishes of members present to the honoree. At the close of the entertainment the Vice Grand Mrs. Ka-

tie Cooper presented Mrs. Hitt with a lovely gift from the Lodge.

Refreshments of punch, coffee and cake were served to the members by the hostess.

JOHN HARVEY HAMMETT HAD BIRTHDAY PARTY

Mrs. C. H. Hammett complimented her son, John Harvey Hammett Saturday afternoon, with a party celebrating his seventh birthday. An Easter motif was carried out in the decorations and all appointments used.

Upon arrival of the guests, a number of peppy games were played which were climaxed with an extensive Easter-egg hunt.

At the close of the activities, the group came in and viewed

the birthday gifts brought for the honoree.

Refreshments of cold drinks and cookies were then served to John Harvey Hammett, Bettie White, Joyce Ann Redwine, Jan Johnston, Philip Surlis, Johnny Bob Richardson, Joan Lisenbee, Charles Strickland, Logan McGill, David and Billy Jack Whitten, Homer Smith, and Delbert Schaefer.

Mrs. Hammett was assisted in entertaining by Mrs. Harry P. Schaefer and Mrs. David Whitten. Those sending gifts were Mrs. H. H. Tompkins of

Cisco and her grandson, Tommy Tompkins of Fort Worth,

GIVE to conquer

CANCER

Cancer Can Strike Anyone

Give and keep giving to help science defeat the disease that strikes, on the average, one out of every two homes in America. Say to yourself... here is life-giving money to help those stricken by Cancer to live again.

EVERY NICKLE AND DIME I give helps support an educational program teaching new thousands how to recognize Cancer and what to do about it.

EVERY QUARTER I give helps set up and equip new research laboratories where scientists are dedicating their lives to find the cause—and cure of Cancer.

EVERY DOLLAR I send helps buy new equipment, helps establish new facilities for treating and curing Cancer, both still pitifully scarce in this country...

Guard those you love! Give to conquer Cancer!

AMERICAN CANCER SOCIETY

JUST MAIL IT TO "CANCER"

Give as generously as you can—today. Just mail your check or money order in an envelope addressed to "Cancer". Your local post office will deliver it to the American Cancer Society office in your state.

Here's my \$..... to help conquer cancer

High Blood Pressure

HARDENING OF ARTERIES, PAINS IN LEFT ARM AND SIDE—

Elmer G. Johnson, President of Harlingen State Bank, Harlingen, Texas, writes on Feb. 20, 1948:

"Please send another bottle of Liquid Garlic, also send a bottle to my sister-in-law, Mrs. Hulda C. Dutton, 45 Atwater Terrace, Springfield, Mass.

"I have some good reports to make on the effectiveness of garlic used. Mr. Turner, Texaco dealer here has taken two bottles and is much better, his blood pressure down about 60 points. Mrs. W. F. Nelson of San Benito, who was in bad shape, is also very much better and her blood pressure down considerably. This Garlic works, and you are doing a fine job of producing it for the benefit of those suffering from high blood pressure."
