City-wide Clean Up Campaign To Start Monday

Spring Savings Bond Drive To Start Monday

The Treasury Department, US Savings Bonds Division, announced that everything was in readiness for its Opportunity Drive for the sale of Series E Savings Bonds which opens Monday, May 10. At the same time officials announced that the quota for Tarrant County had been set at \$26,000. Government officials set the National goal at \$1,040,000,000, which they hope to raise by June 30. The slogan for the drive is: "Put More Opportunity in Your Future." The name, "Opportunity Drive," was selected because the "contributor" is the principal beneficiary. The purpose of the drive is to distribute the National debt as widely as possible and to create a backlog of savings. Bonds may be purchased from the local banks or through monthly savings plans.

Reserve Courses Open In Army

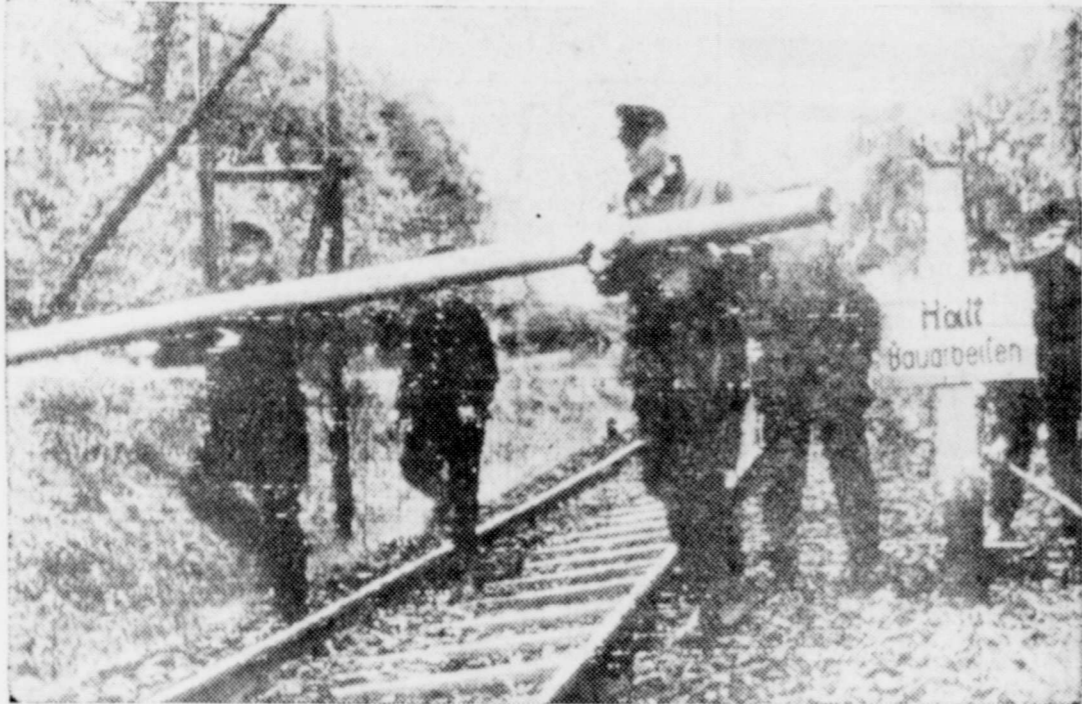

Mountain training courses for Organized Reservists are open again this year at Camp Carson, Colorado, Colonel Oscar B. Abbott, Executive for the Texas Military District, announced here today. There will be six special courses offered beginning June 4th with each course of two weeks duration. Each course will consist of demonstrations of rock climbing, mule packing and rope bridging, conferences on mountain operations, weather and evacuation; practical work in mountain walking, balanced climbing, rope management, night movement and individual cooking. Only officers under 40 years of age will be considered for this duty. Further information and application blanks may be obtained from the Organized Reserve Corps Instructor's Office.

Local C of C Officials Attend Albany Banquet

C. W. Guinn, president of the local Chamber of Commerce and B. A. Butler, secretary - manager, represented Cisco at the annual Albany Chamber of Commerce banquet in the gymnasium there Friday night. They were among the more than 200 members and guests to hear Dr. August O. Spain, professor of Government at Texas Christian University predict a world government in the future. New officers of the Albany group were introduced by Robt. Nail. They were W. V. Wheeler, president; Cecil Weaver, first vice - president; and Sam R. Webb, second vice - president; Ollie E. Clark was re-elected manager and was also introduced. Towns represented at the annual affair were Moran, Abilene, Coleman, Dallas, Fort Worth, Haskell, Stamford, Throckmorton, Wichita Falls and Cisco. Members of the cast of the Fort Griffin Fandangle presented three numbers from the show.

Mrs. A. S. Herring and daughter, Mrs. L. Harris, left Friday for their homes at Tupelo, Miss., and Memphis, Tenn., after visiting Mrs. W. E. Rachel and other relatives here.

RAIL TRAFFIC TO BE RESUMED

Barriers which have blocked rail traffic between Germany's British zone and the Soviet zone for the past 41 months are removed by German rail workers. Trains began rolling again at 12:01 a. m. Thursday when the Red blockade ended. — ACME.

Campaign To Enforce Traffic Regulations Is Announced

Mayor Rosenthal announced Saturday a campaign to remedy the ever increasing traffic problem in Cisco; and stated that instructions had been issued to the police department to begin an educational campaign for the purpose of schooling local drivers and pedestrians, in the proper observance of traffic laws and ordinances. After a short period of schooling, the laws will be enforced and violators will be issued traffic tickets. The campaign is a part of the present administration's plans to make Cisco a safe place in which to live by eliminating hazards which endanger life and property. It was also announced that a study was being made on the traffic problems created by through traffic on U. S. Highway 80, which flows through Cisco on 8th Street. Plans are being formulated whereby the traffic can be controlled and yet keep an even flow. The plans are to formulate regulations for the greatest protection to local and through traffic.

In announcing the campaign, Mayor Rosenthal issued the following statement: "Cisco, like other cities, has

traffic problems and it has become necessary to try to remedy the situation, as it has reached a point where something must be done. It will require observation of traffic laws and ordinances and this method of notice is being used to call your attention to violations of the law and ordinances. The police department has been instructed to call your attention to these violations and will explain to you in detail. After a brief period of advising and schooling, law will be enforced. Pedestrians are also included in these violations and should familiarize themselves with reg-

NETTING PAYS OFF

Lake officials reported Saturday that the netting program which was recently put into effect at Lake Cisco was paying big dividends in ridding the lake of undesirable fish. Many of the 12 fishermen using nets have reported nice catches of big carp. The biggest fish reported taken from a net was a carp that weighed approximately 40 pounds. Those wishing to use nets in the lake were asked to contact Ray Judia in order to obtain a permit.

WINNER ARRIVES FOR PREAKNESS

Trainer Jimmy Jones leads Ponder from train to a waiting van after the Kentucky Derby winner arrived in Baltimore, Md., to get ready for the second jewel in the triple-crown-the Preakness, this coming Saturday. — ACME.

ulations. Walking areas are to be marked off and traffic regulations enforced same as automobile traffic. I realize we have all become careless of these conditions and your co-operation will be appreciated and helpful. G. C. Rosenthal, Mayor

Special Education Workshop Planned

ABILENE, May 13 — In response to the increased emphasis by the Texas State Department of Education and the public schools that teachers meet degree requirements, McMurray College will offer a three-week education workshop beginning May 25. The course will carry three hours of advanced college credit, and will close June 14. Teachers and others interested in qualifying to enroll for this course if they have had one or more courses in education and/or one or more courses in psychology, Dr. Herbert S. Von Roeder, director of the workshop, said.

Rev. Otis Strickland To Deliver Baccalaureate Address on May 29

Rev. Otis Strickland will make the Baccalaureate address in the first of the graduation exercises of the Senior class of Cisco High School at 11 a. m. Sunday, May 29, at the high school auditorium, it was announced Saturday.

Rev. Strickland, Minister of the First Baptist Church, has been active in young peoples work in Cisco since he assumed the pastorage of the church.

Rev. Richard W. Crews was selected by members of the graduating class to make the Commencement address at the auditorium in services beginning at 8 p. m. Tuesday, May 31. Rev. Crews has accepted a call to preach at the First Christian Church in Denison and the commencement address will be the last talk he will make here prior to beginning his duties there on June 1.

There are approximately 70 members of the 1949 graduating class of the local high school. Among the class are regular members of the Lobo football squad and the Lobo band who have played their last season for the local school.

The graduation exercises will round out the senior activities which were high lighted by the senior class trip to Christoval the first week in May and the annual Junior-Senior banquet Friday night.

The honor graduates will be announced as soon as the final examinations are completed next week.

END OF HAGUE'S POLITICAL REIGN

Mayor Frank Hague's undisputed rule over Jersey City, N. J., politics came to a sudden end when his five hand-picked candidates for the Municipal Commission were defeated by the

Freedom Party led by John V. Kenny, Kenny, once a trusted lieutenant of Hague's, received congratulatory kisses from his wife, left, and daughter, Mrs. Paul Hanley. — ACME

Softball Season To Open Officially Monday Night; Two Games Scheduled

Monday will mark the official opening of the local summer softball league play at Chesley field, it was announced Saturday by M. F. Underwood, president, and Glen Boyd, secretary, of the ABC Club under whose sponsorship the schedule will be played.

The schedule calls for four games a week by Commercial League teams and three games each week by Church League teams. In games Monday night the First Methodist Church team will tangle with the First Baptist Church team in the opener and the Cisco Independents will play the West Texas Utilities Company entry in the night cap.

There are four teams entered in the Church League and six teams entered in the Commercial League. The First Methodist Church, the First Baptist Church, the East Cisco Baptist Church and the First Christian

Church have entered teams in the Church League and the Cisco Independents, the West Texas Utilities Company, Putnam, Stanton, Bill Bledsoe and the College Night Veterans School have entered teams in the Commercial League. ABC Club officials have placed the playing field and stands in shape for the season and have made all necessary plans for the season's play. Church League teams will play Monday, Tuesday and Thursday nights of each week and the Commercial League teams will play Monday, Tuesday, Thursday and Friday nights. Other games scheduled for the first week are East Cisco Baptists vs. First Christian on Tuesday night, East Cisco Baptists vs. First Methodists on Friday night, Bill Bledsoe vs. Night School, Thursday night, and the Independents vs. Putnam, Friday night.

Pick-Up Schedule Is Announced

The city-wide clean-up campaign is scheduled to get underway Monday, it was announced Saturday by Hugh Chief Brown, commissioner of sanitation, and Don Rupe, commissioner of streets. The campaign was designed to make Cisco a clean healthy place in which to live.

Plans call for the cleaning of all debris which has accumulated in alleys and around the premises. Particular attention is being given to old tin cans, bottles, automobile tires and other possible breeding places for mosquitoes and flies.

A regular pick-up schedule has been mapped out by the sanitary and street departments to cover the entire town. Citizens were urged to follow the schedule and to have trash ready for the trucks when the time comes for the pick-up. The trucks will go down alleys where possible, it was announced, but where there are no alleys, the pick-ups will be made from the curbs in front of the houses. In the report announcing the schedule, Brown and Rupe made the following statement: "If a truck misses you on the day scheduled — call the City office that day and the pick-up will be made the following day. No pickup will be made if the complaint is made after the day the pick-up should have been made. The success of this campaign depends on your wholehearted co-operation and to do this job economically and thoroughly we must have your help. We intend to keep your city a clean and healthy place to live, but we need your assistance. Check the day the pick-up will be your way. The starting time will be 7:30 a. m. every day."

The schedule is as follows: Monday, May 16th — On this schedule trucks will start West of Katy tracks to Front Street on the following streets: West First thru to West Tenth. Tuesday, May 17th — Pick-up in this area will be from Avenue D west to Front Street, beginning on West 20th thru to 23rd and finish on all streets and avenues east of Avenue D to the Katy tracks — from E 14th to Star Highway. Thursday, May 19th — Area west of Front Street — from Cemetery — south to Bullard Street. This pick-up takes in all streets in Harrell, Mancill, Belmont and Belmont Parks Additions — also Spears, Reynolds and College Heights Addition, north of Katy tracks. Friday, May 20th — east from Katy tracks, East 6th thru to Humble Avenue and continuing to East 16th — also the Mexican and Negro area north of T & P tracks. Saturday morning, May 21st. — area from East 17th south to East 23rd starting at Avenue C and thru to Humbletown.

Scholarships are Awarded to Large Part of Graduating Band Members

Of the 17 playing members of the High School Band who will graduate this spring, there is a large number who will go to college on full or partial scholarships. The band will lose 21 members in all, but one is the Sweetheart, Patricia Coats, and the other three are from the Color Guard.

Of the playing members, 11 have already received scholarships and are enrolled in the school of their own choice. There was no effort to shop for a special deal, the youngsters decided, when possible, the school preferred, and then contacts were made to determine scholarship merit. At least four others of the seventeen are probables so far as scholarships are concerned, but nothing definite has been decided.

In some instances schools interested in local band members have made offers which seemed attractive to the student, resulting in some indecision concerning the school originally preferred. Since these schools made the approach of their own free will and in their own in-

terest, it was natural that the players would give some consideration to offers from schools requesting them to attend because of their performance ability and musical knowledge.

Included in the list of scholarship students is Charles Beene, Chair bass player, co-manager and librarian of the band. An intended major in Chemical Engineering, Charles first went to Hardin-Simmons for investigation, but McMurray College was his final choice.

Miss Bobbie Jean Deen, Division I winner in Interscholastic League Contest, and Band Reporter, will play with the organizations at Texas State College for Women next fall. Miss Deen plays solo clarinet with the band and plans to major in music at TSCW.

One of the outstanding flutists in the state, Pat Grist is having trouble deciding between Howard Payne and McMurray. A music major, Miss Grist is anxious to continue her studies under a competent flute teacher, so that will be the deciding fac-

tor in her choice of schools.

Prudence Harris, Band Captain and chair Trombonist, is considering a scholarship at TSCW or a partial scholarship at Hardin-Simmons with the former school having preference.

Laura Lou Morris, like Miss Grist is trying to decide between McMurray and Howard Payne at Brownwood. A music major, Miss Morris would like to attend the Abilene school but finds it difficult to decide.

Miss Lovell Paul who plays string bass plans to go to Texas Wesleyan in Fort Worth as a music major in concentration. Other members of the band are: George Pippen, Drum Major and flutist with the local group will attend Howard Payne with full scholarship in recognition of her accomplishments and ability.

Miss Zeldia Sandler, has been offered a substantial scholarship with the orchestra and band at Southern Methodist University and has already enrolled in their school of music.

Jo Ann Scott, chair clarinet and President of the Band will

attend TSCW next fall under special scholarship arrangements. Both she and Miss Dean played auditions in the early spring for Dr. Lewis, head of the music department.

Coystal Smith, who plans to major in speech, has enrolled with the Fine Arts Dept., at East Texas State Teachers College in Commerce. She will play clarinet with both their band and orchestra.

Bette Rowe Wilcox, who plays drums in the local organization, expects to forsake her first love and play bull fiddle with the Texas Christian University Symphony next fall. A voice major planning study with John Brigham, she will do solo work with one of the Fort Worth churches. Another local student to enter TCU will be Miss Betty Dean Lennon who has played French Horn with the band during her year at the Junior College here. Betty will be associated with the symphony at the university and plans to major in public school music.

Huffmyer Rites To Be Held At 4 P. M. Today

Funeral services for John H. Huffmyer, scheduled to be held at 4 p. m. Saturday, were postponed until 4 p. m. Sunday, it was announced. The time of the services was changed because of the delay in the arrival of Guy Huffmyer of Los Angeles.

Mr. Huffmyer died at 19:35 a. m. Friday after a long illness. The services will be held at the Church of Christ with Brooks Terry, local minister, in charge.

Judge and Mrs. Fleming Walters have gone to Dallas for a weekend visit with relatives.

## Mrs. R. Campbell Dies At Clyde Tuesday Morning

Mrs. R. B. Campbell, 77, a pioneer resident of Clyde, died after a lingering illness for some time.

Funeral was held at the Clyde Methodist Church at 10:30 a. m. Wednesday with the pastor, the Rev. Darris Egger, officiating.

Mrs. Campbell was born

Frances Elizabeth Hamblin in 1872 in Tennessee. She came to Texas with her parents at the age of two. The family settled at Mansfield in Johnson County, later moving to Greenville, where she attended school and was married to R. B. Campbell October 5, 1890.

They moved to Stephens County the same year and lived three daughters, Mrs. Minnie there until they moved to Clyde.

Survivors are her husband, Byrd, of Clyde, Mrs. E. G. Connally of Glenrose, and Mrs. M. H. Brown, Orlando, California; three sons, Bryant Campbell of Lawn, Lloyd and R. B., Jr., both

of Austin, two granddaughters, Mrs. R. E. Dusek, of Abilene, and Mrs. R. C. Minor of Oklahoma City, who were reared by the Campbells in their home. Fifteen other grandchildren and 16 great grandchildren survive, in addition to one brother, Will Hamblin of Canyon, and one sister, Mrs. Mattie Bradley of Elurure City, Oklahoma.

She was buried in the Clyde cemetery following the funeral at the Methodist Church.

## Holland Elected Superintendent of Baird High School

The Baird High School Board met Monday night and elected Keefe H. Howland of Olney as superintendent for the 1949-50 term.

Mr. and Mrs. Rowland and six year old daughter will move to Baird in the near future to

be ready for the starting of the school in September. Mr. Howland succeeds A. H. Prichard who resigned the position recently to accept a like position at Itasca.

## Callahan 4-H Boys Given 8th Place

Callahan 4-H boys placed eighth in the livestock judging contest held in Stephenville on April 27. There were eleven West Texas counties that took a part in the contest. Nine

classes of livestock were judged by the county team. There were three classes of beef cattle, three classes of sheep, and three classes of hogs.

Thurman Atchley, of the Denton 4-H was top man on the county team with a score of 337 out of a possible 400 points. John McKee of Eula, 383, and Daniel McClure of Eula had 317, and Robert Armour of the Denton club had 309.

DEAR JOHN:  
Can you meet me on the 20th? I'm making all the arrangements for your children's sake. Don't fail me. JANE.

## A HOME YOU CAN BUILD

A WEEKLY SERIES OF HOUSE PLANS

THE BRADFORD has its entrance vestibule in a location which permits its narrow side to the street. This plan is expedient for a narrow lot.

The Bradford's plan calls for two bedrooms, a kitchen-dinette combination and a living room. All rooms in the house open into the bedroom hall, allowing privacy in circulation. Closet space is ample in The Bradford. There is a coat closet in the front vestibule. There is a linen closet and a general storage closet in the hall. And there are wardrobes in each of the two bedrooms.

The Bradford's attached breezeway and garage are optional. When present, they give width to the house. The Bradford's straight walls and low roof lines make it an economical house to frame. The Bradford is also adaptable to the use of concrete block construction.

Plans shown, call for frame construction with siding. The roof is covered with asphalt shingles.

Overall width of the Bradford is 59 feet. The main body of the house is 40 feet by 24 feet. The area is 947 square feet with 18,192 cubic feet.

For further information about THE BRADFORD, write the Small House Planning Bureau, St. Cloud, Minn.

# SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

## Luncheon Thursday In Home Of Mrs. O. G. Lawson

The Lydia class of First Baptist Sunday School met Thursday afternoon for a May Day luncheon in the home of Mrs. O. G. Lawson. Mrs. Eula Grantz was co-hostess of the nice affair. Beautiful bouquets of seasonal cut flowers made festive the rooms used for the occasion. Guests were seated at a long table at marked places and a favor of a pink rose was at each plate. Invocation was offered by Mrs. O. L. Mason. Antique American pressed glass was used.

The birthdays of Mrs. O. L. Mason and Mrs. Cecil Halbert were honored. Due to illness Mrs. Halbert could not be present. Mrs. Mason was encircled by the group after the meal had been enjoyed and the "Happy Birthday" song was sung to her and she was presented with a nice birthday gift from the class.

The hostess then invited the members into the living room for the business meeting. Mrs. C. S. Surles brought an interesting devotion, following which Mrs. F. D. Wright, class president, took charge and conducted a short business session. Report was made of sick members and minutes of the last meeting were read by the hostess.

The session was closed with prayer by Mrs. W. C. Clements. A recreation period followed and each woman was given some crepe paper and the privilege of trimming a May Day hat for herself. The results were mirth provoking as the hats were donned by the millinery piano music during the "ers." Mrs. J. V. Heyser furnished piano music during the busy period.

Those participating were Mrs. O. L. Mason, Mrs. G. M. Beene, Mrs. C. S. Surles, Mrs. F. D. Wright, Mrs. O. J. Russell, Mrs. W. C. Clements, Mrs. A. Birt, Mrs. Fred Grist, Mrs. W. D. Hazel, Mrs. Ina Pyle Martin, Mrs. D. R. Harper, Mrs. W. H. Hall, Mrs. Eula Grantz and Mrs. Lawson.

## Couple Complimented By Group Of Friends

The Engineering Department of Humble Pipeline Company entertained Thursday evening in the home of Mayor and Mrs. G. C. Rosenthal, honoring Miss Marie Hunterman and her fiancé, William D. Price, an employee of the Company.

Guests were met by the hostess and were seated in the living room where a spirit of informality and friendly conversation was enjoyed.

Decorations of beautiful cut flowers, placed in artistic ar-

angement, adorned the rooms. The guests enjoyed a tour of inspection of the nice new home of the hosts after which Mrs. Rosenthal was assisted by Mrs. A. W. Triplet in serving a refreshment plate of "Newlywed" rolls with a glass of iced tea to the group. Mr. Rosenthal, on behalf of the Department, then presented the betrothed couple with a lovely gift from the Department and their wives.

Those present were: Miss Marie Hunterman, William D. Price, Mr. and Mrs. E. H. Chaves, Mr. and Mrs. Roger Aude, Mr. and Mrs. A. W. Triplet, Mr. and Mrs. Lee McDonald, Mr. and Mrs. Ray Clark and the hosts, Mr. and Mrs. G. C. Rosenthal.

## City Federation Had Final Meeting

The City Federation met Monday at 3 p. m. at the Women's clubhouse for the last meeting of the club year. Mrs. A. J. Olson, president, was in the chair and a splendid representation was present from four federated clubs of the city.

The Club Collect was read after which Mrs. A. R. Day made report of the 6th district meeting. Mrs. Celia McCrea gave a brief report of work accomplished by the XXth Century Club during the past year.

Mrs. Eugene Lankford made report of the accomplishments of the Delphian Club; Mrs. A. J. Olson reported for the First Industrial Arts Club; and Mrs. J. P. McCaries made the report

of the Cisco Garden Club. Motion was made by Mrs. H. I. Lyle that the Federation assist with the Clean-up Campaign, which met approval of the body; Mrs. A. J. Olson suggested that all containers holding outstanding water should be emptied; and oil should be poured into marshy places and waste pools of water in order to make things as sanitary and as convenient as possible in the campaign.

Miss Melba Coker, representing the Cisco Music Study Club, was presented in two accorcion numbers, "Come Back to Samento," and "Cruising Down the River," which were appreciated.

Installation of new officers was postponed until the first meeting in the new fiscal year, due to the installing officer being unable to be present.

## Marie Hunterman, Bride-Elect, Honored At Bridge Party

Miss Marie Hunterman, bride-elect of Mr. William D. Price,

was honored Wednesday night with a bridge party and surprise kitchen shower at the home of Mr. and Mrs. E. P. Crawford. Hostesses were Mrs. Bill Berry and Miss Helen Crawford.

Refreshments and plate favors of small pink and white umbrellas carried out the bride's colors. Spring flowers were used to decorate the house.

The guest list included the following names: Miss Marie Hunterman, Mrs. W. F. Hunterman, Mrs. Jack Zauderdale, Mrs. Hugh Chief Brown, Mrs. T. G. Caudle, Mrs. Sterling Drumwright, Mrs. Bill Mitcham, Mrs. Don LaCasse, Mrs. Alton Lomax, Mrs. Reggie Henderson, Mrs. J. P. McCracken, Mrs. Jack Anderson, Mrs. Gene Abbott, Mrs. Bob Anderson, Mrs. Forbes Wallace, Mrs. Ted Waters, Mrs. Olin Odum, Mrs. V. C. Overall, Mrs. Don Choate, Mrs. Charles Spears and Miss Elizabeth, McCracken.

## College Offers 17 Scholarships

BELTON Mary Hardin - Baylor College is offering 17 scholarships for the coming year to Texas girls in honor of Mrs. Fannie Breedlove Davis and the Women's Missionary union of the state, according to Dr. Gordon G. Singleton, president of the college.

One of the scholarships is to be awarded to a girl in each of

### Your Home

By Frances Ainsworth

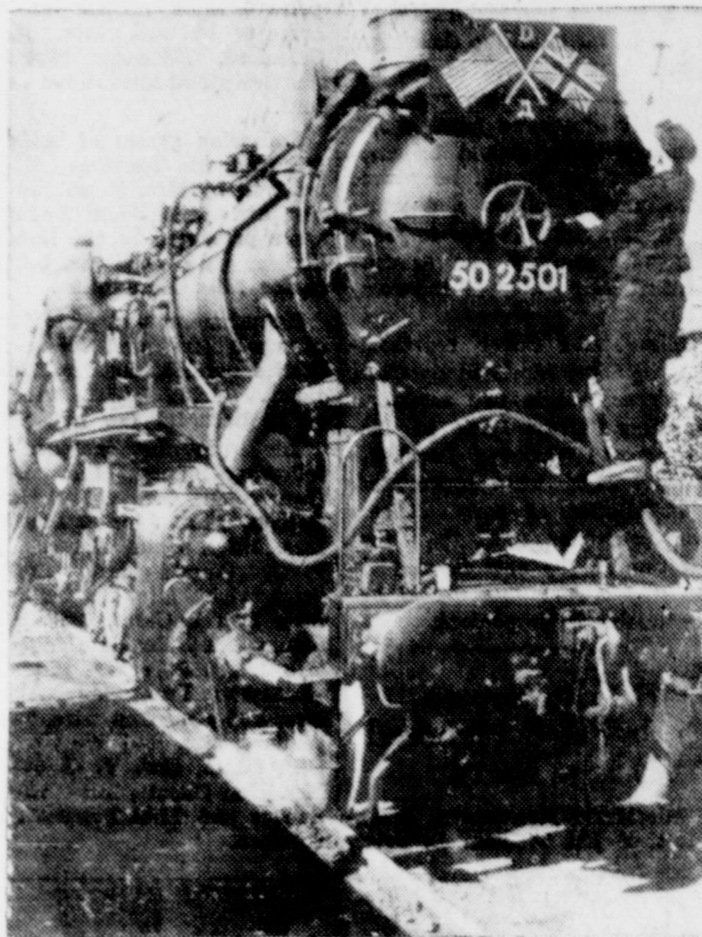

The famed Midnight Ride of Paul Revere is familiar to all of us. But I was amazed to learn that Paul Revere is also famous for many other things. Did you know that Paul Revere was the founder of America's copper and brass industry? Formerly all sheet copper came from foreign countries at a terrific expense, so Paul Revere was really one of this country's pioneers in industry! The original copper industry which he began has been handed down in his own family for three generations, and became the cornerstone for today's nation-wide Revere Copper and Brass, Inc.

It's really surprising how much we depend on copper, isn't it? Automobiles, ships, phones, trains, radio, refrigerators, and hundreds of other conveniences that we take for granted are dependent in part on copper.

You know, I've always been proud of the copper-bottom, stainless steel Revere Ware in my kitchen. It is so easy to use and to keep shining clean. But since learning the background of copper in America and learning the origin of the name on my pots and pans, I'm doubly appreciative of their convenience.

If it had not been for this great countryman, perhaps even today all the household equipment that is so necessary to good home-making would be priced beyond the reach of most of us. So I think we all have cause to be grateful to Paul Revere... don't you?

## BLOCKADE ENDS IN BERLIN

A railroad man decks a locomotive with a sign on which is painted the American and British flags, as the engine is prepared for the operation with the end of the Berlin Blockade on May 12. Other workmen in the Gruenwald railroad yard put finishing touches on other equipment being readied for service. ACME.

the 17 WMU districts in Texas. Each will amount to \$180 for the year 1949-50.

Mrs. Fannie Breedlove Davis, a Mary Hardin-Baylor graduate, led in the organization of the Texas Woman's Missionary union in 1880; she also aided in the organization of the Southern Baptist Woman's Missionary union and served as the first president of the WMU in Texas.

Applicants must be 1949 graduates of accredited high schools and must be in the upper 50 per cent of their classes. Applications must be filed with the secretary to the president not later than June 1, 1949. Forms for applications may be obtained by writing to the president's secretary, Mary Hardin-Baylor College.

## SUMMER SOBRIETY

As urban as an opera cape is this Dan River cotton with five, formal inches of sleeve. It comes in red, blue or green with tiny checks which give subtle decoration to the fabric. The dress costs about \$11 and is one of those shown on 19 pages of cotton fashions in the May issue of Good Housekeeping magazine.

Crook, Vera Joe Clemmer, Buck McClure, Clarit James.

## Kills Playmate

Thirteen year old Diane Allen, above, admitted drowning playmate Charles Johnson, 7, in a drainage ditch near Joliet, Ill. because of an uncontrollable urge to kill. State's attorney J. I. Pearce asked for delay of a recommended grand jury hearing to subject the girl to psychiatric examination. — ACME.

We've recently had the outside of our house painted with the new titanium dioxide paint and the improvement is simply amazing! We felt that we were very fortunate in having a close friend in the painting business, because there are many, many things that every home-maker should know about painting.

Do you know that the success of the paint-job on your house may rely on the way in which the surface is prepared before painting? That's why it is so important not to let your painting go. Experts at the Pittsburgh Plate Glass Company say that a good painting job will last about four years... and that poorly done work may look terrible in only a few months.

Two other factors in outdoor painting are also very important. The paint itself, of course, is something to consider carefully. The new paints made with titanium dioxide are best. A good quality paint also has plenty of oil, which is the life of the paint. In fact, Jim said without all there is nothing to resist the elements except a thin coat of pigment. Then, too, the weather must be right for painting. Naturally, no one will paint in the rain... but it's important, too, that the wood be completely dry before painting after a rain. And freezing weather for painting is especially undesirable.

In addition to all these factors, is the necessity for a good, professional painter who will know how to prepare the surface, to mix the paint and correctly apply it... not just "slap" it on. Painting your house regularly is an investment, for a house without this protective coating is at the mercy of the elements... and other repairs caused by lack of paint protection may become very costly indeed!

## Eula 4-H Boys Had Picnic At Cisco

The Senior Eula 4-H Club boys had a picnic at Cisco lake on April 20. The boys furnished all of the food and invited the 4-H girls and their sponsor to go along on the picnic. They made the trip by bus, which was furnished by the school board. Swimming, skating, fishing and hiking were enjoyed by all present.

Students making the picnic were Bud Logan, Nite Joynson, Earl Loving, Beth Farmer, Gerald Hall, Bud Farmer, Ann Burleson, Joan Gray, Tommie Harrie, Louise Smith, George

# THANK YOU!

We desire to express our grateful appreciation to the people of the Cisco area for the splendid reception accorded us since we opened our new business. Our formal opening last week was everything that we had hoped for — from every standpoint.

We reiterate our pledge to serve your lumber and building materials needs in the most business-like manner possible — our pledge to treat you fairly in every way. We say again that we are proud of our store and that our faith in the Cisco area's growth and progress is being justified every day.

Bring us your building problems — large or small — and we'll be glad to work with you in any way a builders materials store can.

heaviest pig in his litter was 43 pounds and the lightest was 32 pounds.

Dale Crawford of the Opin 4-H Club had only six pigs but they were third in the weight contest. These six pigs weighed a total of 323 pounds. This was an average of 54.66 pounds per pig. If the contest was based on average weight, he would have won the contest easily. Dale's heaviest pig was 32 pounds and the lightest pig was 35 pounds.

Robert Collins of the Clyde 4-H Club had 7 pigs that weighed a total of 275 pounds or an average of 39 and two sevenths pounds per pig. His heaviest pig was 45 pounds and the lightest was 36 pounds.

## Right Touch and Timing Reduce Home Garden Toil

Cultivating the garden not only benefits the plants, but gives posture training to the planter.

Though many predict that cultivators on the farm may soon be entirely replaced by sprayers, using weed-killing chemicals, cultivation is far from outmoded in the amateur garden. There is no practical substitute for the cultivating tool in killing weeds and breaking the soil crust, to insure aeration of the soil.

But with the right touch and timing, this once wearisome garden task can now be done as easily as sweeping the floor. The research scientists, in fact, say that the secret of correct cultivation is to take it easy. Cultivation should begin as soon as the young plants begin to grow.

At this stage, if the soil between plants is stirred, it will be found to be full of tiny white sprouts, which are weeds, beginning to develop. One easy stroke of a sharp hoe or cultivating tool will destroy scores of them before they have begun to compete with the vegetable plants for available plant food and water.

As long as weeds are killed in infancy, cultivation will be easy, but once they are allowed to begin substantial growth, not only do crops suffer, but work will increase, and the care of the garden may become a chore.

It is seldom necessary to stir the ground deeper than one inch. This is sufficient to kill young weeds, without disturbing the roots of the vegetable plants. It also breaks the soil crust, and allows air and water to penetrate readily.

Deep cultivation will dry out the soil, and may disturb the surface roots of your vegetable plants, which may do more harm than the cultivation does good.

Besides destroying weeds in the space between rows, those which grow in the row itself must be pulled when tiny. This requires hand work, and is always tedious, but if attended to promptly it takes little time, and once the vegetables have become well established, hand weeding will be unnecessary.

Free air circulation in the soil has been proved to be a vital factor in the growth of plants. In properly porous soil there is a complete change of air to a depth of eight inches every hour. When the soil becomes compacted and crusted on the surface, this exchange is seriously hampered. Crust formation can be checked by various methods, including the application of a mulch, or by growing a living mulch of fescue grasses. But lacking a mulch, frequent shallow cultivation is necessary, especially after every rain.

## Moran Area Hard Hit By Hail

The Moran area was hit by a devastating hail storm at 9 p. m. Saturday, it was reported today. The hail and wind storm caused extensive damage to crops and homes.

Hail stones as big as baseballs broke out windows and beat off roofs in Moran and damaged much of the wheat in that section — some fields 100 per cent.

Crops on the Wasley ranch and the Clarence Gay farm were completely destroyed and those on the Ben Waters and Mayden ranches were severely damaged.

The new Fred Wylie home in Moran suffered much damage when the hail broke out win-

dows and damaged the roof. 1 1/2 inches of rain fell in the area and all creeks were running. The city pumps were busy pumping the water from Deep Creek into the city lake.

# BRIEFLY TOLD

PHONE 37

Roy C. Davis of Rancho del Sur left Thursday for Indianapolis, Ind., where he will serve as a judge in a horse show. Mrs. Davis and the three children will visit in Big Spring and will go on to San Angelo where they will attend the horse show there.

Mr. and Mrs. E. G. Morris and Wanda Joyce of near Shal-low Water, have returned home two daughters, Patricia Jean after visiting their parents and her relatives in Cisco.

Mr. and Mrs. Laird Locke and baby and Mrs. C. E. Allen accompanied by Mr. and Mrs. Charlie Stone will spend the weekend at Brownwood where they will enjoy the diversion of fishing.

Mr. and Mrs. A. W. Triplitt and son, Teddy, will go to Fort Worth Saturday for a weekend stay.

Mrs. Preston P. Briggs (Mrs. Argye Mary Briggs) came in from Bartlesville, Okla., by plane Friday night for a brief visit with relatives in Cisco. She will leave by plane at 2 pm.

Mr. and Mrs. J. D. Browning had as dinner guests Friday evening Mr. Browning's sister, Mrs. Winnie Hoover and her two sons, Asa and Earl Hoover and their wives of Ranger.

C. B. McCoy, a long time citizen of Eastland County, was in Cisco Saturday and called to thank Mr. Sitton for placing his

classified ad so that he has had quick results and has rented the place which he had advertised. He is planning a trip to El Paso to visit his son and wife and will go on to California for a visit with relatives.

Cisco Assembly number 37, Order of Rainbow for girls, will have the regular meeting Tuesday evening at 7 o'clock in the Masonic hall. An initiatory service will be followed by installation of new officers. All members of the Rainbow, Eastern Star and Masonic Orders are invited to attend.

Mr. and Mrs. Earl Owens have as visitors, her parents, Mr. and Mrs. Owens of Dublin.

Fred Stroebel of College Station, a student at A&M College, was a visitor in the home of his parents, Mr. and Mrs. Fred Stroebel Sr., on Mother's day.

Miss John Gerhardt of Romney is spending the weekend in Cisco with her daughter, Mrs. Marie Fricke and children.

Rev. and Mrs. G. T. Naumann and their interesting young family left Thursday for San Antonio where they will make their home. Rev. Naumann having accepted the pastorate of one of the Lutheran churches of that city. Cisco regrets to lose this fine family.

Mr. and Mrs. W. E. Ricks have returned to their home in Shreveport, La., after a visit here with his mother, Mrs. W. E. Ricks.

Art Gutierrez of Albuquerque, N. M. was expected to ar-

rive Saturday to join Mrs. Gutierrez and their small son, James Harvey for a visit here in the home of her parents, Mr and Mrs. James Haynie.

Mrs. C. C. Newton left Saturday for Pampa where she will visit her daughter and son-in-law, Mr. and Mrs. Sharp and while there will attend commencement exercises where her granddaughter is listed among the number graduating.

The Society Editor is in receipt of an invitation to attend Commencement exercises of Sul Ross State Teachers College at Alpine. Her grand son, John L. Higdon, Jr., is scheduled to receive his B. S. degree.

W. J. Foxworth has returned from a visit with relatives in Alabama and other Gulf states.

Mr. and Mrs. J. T. Anderson were expected to return to Cisco Saturday from Alpine where they have been guests in their daughter and son-in-law's home. They have been with Mr. and Mrs. Paul Vogt since Mother's Day.

## Reception Shower In Tompkins Home Honors Bride-Elect

Miss Marie Hunterman, bride-elect of Mr. William D. Price, was complimented Monday evening with a reception - shower in the home of Mrs. H. H. Tompkins. Hostesses were Mrs. Tompkins, Mrs. J. J. Tableman, Mrs. Don Choate, Mrs. Frank Bond, Mrs. V. C. Overall, Mrs. Homer Slicker, Mrs. Standlee McCracken, Mrs. G. M. Stephenson, Mrs. H. A. Bible, and Miss Elizabeth McCracken. The house was beautifully decorated with cut flowers in

the brides chosen colors of pink and white.

Guests were met by Mrs. Tompkins who presented Miss Hunterman, who presented her mother, Mrs. W. F. Hunterman. They were then shown to the bride's book at which Miss McCracken was seated. Mrs. Forbes Wallace then showed them into the rooms which held the numerous lovely gifts. Mrs. Bill Berry and Mrs. Alton Lomax were in attendance here.

From the gifts the guests were directed into the dining room where the dining table was resplendent in pink and white. The table was laid with a cutwork and lace table cloth. The centerpiece was an elaborate arrangement of white snapdragons, mock orange blossoms, and pink carnations in a low crystal bowl; and tied with a

wide pink satin bow with streamers extending the width of the table. The floral arrangement was flanked by crystal candlesticks which held tall pink candles that provided an effective light for the room. Miss Helen Crawford and Miss Don La-Casse poured punch from large crystal punch bowls. Mrs. Art Gutierrez served pink and white mintz and white cake squares topped with delicate pink flowers. Mrs. Gene Abbott and Mrs. Standlee McCracken assisted in the dining room.

Approximately 100 guests called during the evening.

## Chicken Dinner And Book Review Held For YWA Group

Young Women's Auxiliary of First Baptist WMU was honored

with a chicken dinner Tuesday evening in the dining room of the church. The girls were seated at a table, covered with linen and centered with a beautiful arrangement of roses. Invocation was offered by Miss Charlie Laminack.

Following the meal, Mrs. E. J. Poe, and invited speaker who had arrived, was presented by the YWA president. Mrs. Poe gave a splendid review of the book, "Root Out of Dry Ground" by Argye M. Briggs. The review was much appreciated by the girls as the speaker held their closest attention while presenting the story.

Those present were Mrs. E. J. Poe, Mrs. M. F. Underwood, YWA sponsor, and Misses Erlene Steel, Patsy Wilson, Barbara Schaefer, Monterey Lisenbee, Mary Jeanette Poe, Charlie Laminack, Dorothy Butler and Jane Houston.

# Trading At Home

Too many of us are inclined to overlook the importance of Trading at Home.

Your home town merchant deserves your patronage. He pays taxes and contributes in a good many ways to the progress of your community. He generally has what you need -- or can get it -- and is at home when you need service or want to exchange what you bought.

You may pay a few pennies less for some item bought out of town. But add to the purchase price the cost of the trip you took to buy it or the freight charges and then see if you have saved anything.

A good thing to remember is that your home town merchant is the only business man who cares whether Cisco enjoys growth and prosperity.

Trading at home is the best policy, no matter how you look at it.

**As Time Goes Marching On**

more and more land titles become involved in an endless chain of normal, every-day events precipitated by marriage, divorce, lunacy, birth, death and other natural and unnatural happenings within the family circle. Thanks to Time, it cures some titles temporarily, but wrecks and changes the status of many others. Court action may 'quiet' titles for the moment, but not for long. The abstract is your safeguard - keep it up to date.

**A WELL-DEVELOPED PULLET LAYS about 2 Doz. EXTRA FALL EGGS**

In Purina Pullet Growing Demonstrations, pullets fed Purina Growena laid 21 MORE eggs apiece during the early winter months -- than pullets grown on a poor growing ration. How does that sound to you? Would you like lots of early Fall eggs? Come in -- we have a Purina feeding plan to suit you.
