YOUR HOME PAPER

**TRADE AT HOME**

If you spend a dollar at home you have some hope of getting it back; if you don't you just spend a dollar!

CISCO, TEXAS, WEDNESDAY, MAY 25, 1949

NUMBER 135

## The Gay Philosopher

Copyright New York Graphic Society  
By J. W. S.

THE DALLAS NEWS, one of the nation's leading newspapers, came out with a 442-page Text Unlimited Edition last Sunday. It was their way of celebrating the completion of a new building and the installation of new presses. Some 20 pages were in color.

UNDERSTAND THEY printed 200,000 extra copies which were sold out the next day. It was a splendid newspaper, weighing six pounds. We didn't get around to looking over our copy until Monday night and it kept us up until midnight.

DOING A BIT of rough figuring, the Daily Press would have a man sized job on its hands if it attempted to print the 442-page edition for the Dallas News. Their presses will run some 48 pages at the rate of some 150,000 copies per hour. Our press will print 8 pages at the rate of 2,000 per hour.

Printing the 442-pages, we would have to make 52 runs of some 300,000 copies. Running at 2,000 per hour, some 150 hours would be needed for each run. The 56 runs would take 8,400 hours. Working 8 hours a day, this would require 1,050 days — nearly three years if you worked on Sunday.

We couldn't have helped them on the 20 colored pages, as our press isn't equipped. That's not allowing for the typesetting either. Taking that into consideration, it would probably take another two years or so. All things considered, we would need some five years to turn out 300,000 copies of a 442-page newspaper with our equipment.

And, mind you, our newspaper plant is pretty well equipped for a town of 8,000 to 10,000.

WE'VE BEEN invited to tour the Dallas News' new plant. Understand they've worked out a deal for anybody to go through. They conduct three tours a day for visitors. If you're in Dallas it would be educational.

THE MOST RUGGED dream we ever had was some months ago. We dreamed that we'd been awarded a contract to print the Saturday Evening Post, which has over 1,000,000 copies a week. Don't you know that would be a big printing job.

JOINS MOTOR FIRM  
Earl Mayhew, formerly with the Charles J. Kleiner oil company, has accepted a position as bookkeeper at the A.-G. Motor Company. He took over his new job Monday. For the past several weeks, Mr. Mayhew had been in Fort Worth helping trustees for the Kleiner Estate in moving offices and records from Cisco to that city.

## More College Planned By CJC Graduates

With graduation exercises rounding the corner, twenty-one seniors at Cisco Junior College who will receive their diplomas Thursday evening, are already making plans to enter higher college study, a survey revealed today.

According to Dean R. F. Webb, the twenty-one seniors includes about three-fourths of the 1948-49 class. Students who intend to continue their studies in advance colleges are as follows:

Raymond Penn, Cisco — Austin College; Sam Gorman of Baird — Abilene Christian College; Tincy Underwood, Carbon, — Abilene Christian College; Bobbie Jean Kerley, Fluvanna, Abilene Christian College; Minter Hardin, Rising Star — Hardin Simmons University; Glenn Ford, Cisco, — Hardin-Simmons University; Austin Hollywood, Carbon, — Howard Payne; Betty Conner, Rising Star, — Howard Payne; Ouida Carlisle, O'Lonnell, — West Texas State Teachers College; Joey Baum, — University of Texas.

Jerre Westfall, Cisco — University of Texas; Robi Robinson, Cisco — University of Texas; Art Clifton, Cisco — Southern Methodist University; Leon Parish, New Castle, — Hardin College; Robert Jones, Cisco, — Texas Tech; Patty Williams, Putnam, — Nurse's Training School; Bill McGuire, Rochester, — University of Wyoming; Wesley Rutherford, Putnam, — University of Wyoming; Jimmy Pollard, Cisco, — McMurray College; Paul Mosley, Cisco, McMurray College, and Bill Stephenson, Southwestern University.

## 4 H Objectives Are Outlined

If there had been 4-H Clubs when George Washington was a boy, he probably would have qualified as a champion in the National 4-H Leadership awards program. Today's rural youth having the advantage of being trained for leadership by taking part in this program, as outlined 4-H'er aptly observed — initiative, patience, perseverance and resourcefulness are qualities to be desired in a leader, and there's no better place to learn them than in 4-H.

With these objectives in mind as they work in the various 4-H projects, Texas Club members are participating in the 1949 leadership contest, according to the State 4-H Club office. Alvin Davis, of Post, was one of the national winners last year. He and Patsy Delavan, of Devine, had the most outstanding records in the state, and were presented with a 17-jewel wrist watch appropriately engraved.

Besides the watch for state winners, there is an educational trip to the National 4-H Club Congress for the high-ranking boy and girl of the four extending sections. From these eight sectional winners, the boy and girl having the best record will be chosen to receive a \$300 national scholarship. The two runners-up will get a \$150 scholarship. Top boy and girl in each county will be awarded a gold medal of honor. All of the awards — totalini more than \$6,000—are donated by Edward F. Wilson, president of Wilson and Co., Chicago.

In addition to the state winners, county medals were awarded to 94 other Texas boys and girls. The Cooperative Extension Service supervises the program.

## ADVERTISING BETTER

AUSTIN, May 25, Advertising lineage of 35 Texas newspapers in April was 5 per cent greater than in March and 6 per cent more than in April 1948.

## KANSAS WHEAT ENDANGERED

Al Lowe, left, agronomist at the Graden City, Kansas, Agriculture Experiment station shows Kenneth the remnant of wheat affected by a virus disease, "Mosaic." Some of the wheat in this section has been plowed under. If the disease continues to spread, it is reported that the damage loss may be as much as fifty million dollars. (NEA)

## VOLUNTEERS NEEDED TO HELP CLEAN UP SOFTBALL FIELD

ABC Club officials today announced plans for a wholesale clean-up campaign at Chesley softball field tonight, beginning at 6 p. m. and an appeal for volunteer workers has been issued by H. O. (Andy) Anderson, grounds chairman.

"The clean-up will be a man-sized job for a man-sized town," Anderson said. "And not just a few can do the job, it's going to require the help of every man and boy who is interested in public welfare."

To illustrate the need for repairs and clean-up, Anderson recalled an incident which occurred at the park Tuesday night. At that particular time, an outfielder, Tom Smallwood stepped into a hole and turned his ankle.

Volunteer workers, fans and softball players alike, will assemble at the press box for instructions; then begin to clean-up operations. The officials' plan calls for the re-conditioning of both the out and in-fields, the clearing of weeds and rubbish around the bleachers and parking areas. Each worker will furnish his own equipment, Anderson said.

The brigades of workers are to remove trash, tossed onto the park, drain pools of stagnant water from recent rains to eliminate pests.

Anderson stated the organization had made arrangements with the city street department to assist in the work. The city is to furnish gravel for the purpose of filling in holes over the park. The ABC Club has planned for a genuine all-out effort on the part of public spirited Ciscoans, Anderson said.

## Small Decline In Air Freight Seen

AUSTIN, May 25 — April air express shipments from Texas cities totaled 19,662, a decline of 4 per cent from March and 25 per cent from April 1948, the University of Texas Bureau of Business Research reported.

Dallas had the greatest number of shipments: 6,135. Houston was second with 3,942 and San Antonio, Fort Worth and El Paso followed in that order. Although several Texas cities showed monthly gains, they were offset by decreases ranging from 2 per cent in San Angelo to 63 per cent in Fort Stockton.

The only increases over April 1948 were Palestine's 38 per cent, Lubbock's 18 per cent, and Temple's 13 per cent. Declines from a year earlier ranged from Mission's 8 per cent to Edinburg's 68 per cent.

# City Orders Installation Of Parking Meters In Busy Areas

## Dentists Sought For Civil Service Position

The United States Civil Service Commission today announced a Dental Officer examination for filling vacancies paying from \$4,479 to \$7,432 a year. Most of the vacancies are in the Children's Bureau in Washington, D. C., and in the Indian Service and the U. S. Public Health Service in Washington, and throughout the United States. Positions in other Federal agencies in Washington, D. C., and vicinity may also be filled.

To qualify, applicants must be graduates of an accredited dental school with the degree of D. D. S. or D. M. D. and must be currently licensed to practice dentistry. In addition, they must have had from one to four years of experience as a dentist. No written test is required.

Further information and application forms may be secured from the Commission's Local Secretary, Mr. Sam B. King, located at the Cisco Post Office, from civil-service regional offices, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications must be received in the Commission's Washington office not later than July 5, 1949.

## Eastern Star To Send Clothing To Flood Sufferers

The Cisco Chapter No. 461, Order of the Eastern Star, made plans to assemble clothing for the aid of Fort Worth flood victims at their meeting Tuesday night. The chapter also voted to donate \$10.00 in cash to a fund which The Press will send.

Members of the chapter who have articles to be sent were asked to bring them in boxes or wrapped, to the Sunset Motor Lines office at 104 West 9th Street or to call 850-W or 1023-J for pickup service.

The Volunteer Fire Department, another headquarters for the donations of articles, reported today that two boxes had been left there and that another call to report items had been received.

In addition to the Eastern Star check for \$10.00, The Press today received \$3.00 in cash for the flood sufferers from Mrs. Grady Laws and her fourth grade students. Checks should be made payable to the Fort Worth Flood Fund.

## Press Carrier Boy Undergoes Operation

Kay Jackson, 13-year-old Daily Press carrier, underwent a major appendicitis operation shortly after 6 p. m. Tuesday at Graham Hospital.

Attendees said he was under anesthetic in the operating room for almost 45 minutes. Later, his condition was reported satisfactory.

He is the son of Mr. and Mrs. T. T. Jackson of Cisco.

## TRANSFER FRANCHISE

Transfer of the city taxicab franchise to Mr. and Mrs. M. V. Strother from Troy Stewart and Marshall Wadley was approved by the city commission at the regular meeting Tuesday night. The Strothers had purchased the franchise and equipment.

## STUDENTS RESCUED FROM RAPIDS

James Hurst, 18, a Georgetown University student from Lynn, Mass., dangles in water as safety line fouls during a breeches-bow rescue of Hurst and his fellow student, Henry Owens, 18, (on rock at upper right). The boys were stranded on rock after failing in attempt to shoot rapids in their canoe. The rapids are near Washington, D. C., and the boys suffered only from exposure after their five hour wait. — ACME.

## High School Annual For 1948-49 Is Dedicated To People Of Cisco

Dedication of the 1948-49 Lobo annual, depicting a round-up of events at Cisco High School for the year, was made "to the generous people of Cisco who made the Community Center possible."

Some 300 or more annuals were distributed to the faculty and student body Monday afternoon. Principal Carlos Turner said. The issue of the 1949 annual represents the fourth straight year the senior class chosen to undertake the giant task of publication.

Edited by Betty Lou Brogdon, senior, daughter of Mr. and Mrs. Guy Brogdon, the 1949 annual features a new approach to past publications—it is printed on satin finish paper instead of the heavy grain as used previously.

Distribution of the yearbook revealed the class favorites in a secret by the staff until given the four respective classes, kept to the school. Miss Betty Sue Wagley, daughter of Mr. and Mrs. Virgil Wagley, and Robert Rendall, son of Mr. and Mrs. R. V. Rendall, were selected favorites of the senior class, the annual revealed.

Other class favorites include Virginia Weiser and Norman Boggs — Junior Class favorites; Dorothy Butler and Herbert Harwell — Sophomore Class favorites, and Mary Beth Maxwell and Robert Jones — Freshman Class favorites.

Another new feature, inducted first in last year's annual, is "Who's Who at Cisco High." Senior students are eligible for honors in six various fields, to be elected by the faculty, Turner said.

Stanley Sharp and Betty Brogdon were chosen Most Scholarly; Jim Cummins and Mary Philpott were chosen Best Personality; Stanley Sharp and Sue Wagley were chosen Most Likely To Succeed; Paul Woods and Alexander were chosen Most Handsome and Most Attractive; Durward Smith and Nophlet Sheehan were chosen Most Athletic; Stanley Sharp and Jo Ann Scott were chosen Best All-around.

Besides Miss Brogdon, the annual staff includes Doris Kurkin, Elaine Ziehr, Virginia Weiser, Patsy King, Betty Martin, Stanley Sarpe, Durward Smith, Carole Phippen, Phyllis Berry, Martha Whitaker, Dixie Hansen, Richard Moore and Mary McCrea.

## A. P. Tipton Visits Friends In Cisco

A. P. Tipton, former Cisco resident, is visiting relatives and friends here this week. Mr. and Mrs. Tipton lived at 300 West 18th until they moved to Riverbank, California, a few months ago. He is pastor of the First Pentecostal Church in Riverbank and reported that the congregation was growing rapidly. Mrs. Tipton assists him with his work with the church which they helped establish there. Tipton said that they kept in touch with their friends here through the Daily Press.

## Meters Seen As Solution For Cisco Traffic Problem

Installation of parking meters as a means of relieving congested traffic conditions in the business district of Cisco was ordered by the City Commission at its semi-monthly meeting Tuesday night. The meters were expected to be installed within four to six weeks.

The commission authorized Street Commissioner Don Rupe and City Secretary Hal Lavery to negotiate with meter manufacturers. Some 275 parking meters will be installed on Avenue D and Avenue E, from 9th St. to 4th St., and on 4th, 5th, 6th, 7th Streets from the Katp tracks to Avenue E, and on 8th St. between the two avenues.

Decision to install the parking meters was reached after the commission had spent considerable time studying the traffic congestion problem in the shopping area. One our parking limits were ordered for Avenue D and two hour limits elsewhere. The space in front of the bank will be limited to 12 minutes.

The meters will be installed without cost to the city and will be contracted for a period of one year, city officials said. At the end of the year, the meters will be taken up without cost if the city decides to remove them.

Contracts offered the city provide for the city to receive 50 per cent of the revenue from the meters until they are paid for, after which they will be owned by the City of Cisco. The city will assign one policeman to check the meters.

The parking limits will be effective daily from 8 a. m. to 6 p. m.

Traffic safety measures were discussed and instructions on control measures were issued to policemen.

## Snakes Are Often Friend Of Man

AUSTIN, May 25 — Don't kill that snake; it may be a friend of yours, warns University of Texas Zoologist W. Frank Blair.

An authority on Texas wild life, Dr. Blair says there are only four poisonous snakes among the many that live in the state, but most people kill every snake they see regardless of its species.

He points out that the coral rattlesnake, water moccasin and copperhead are the four poisonous types, but for every one of them, there are 10 non-poisonous snakes that help mankind by eating harmful insects.

## Rotary Awards 56 Scholarships

CHICAGO, Ill., May 25, — To enable outstanding graduate students to study abroad during the coming academic year, Rotary International, world-wide service club organization, has awarded 56 Rotary Foundation Fellowships to young men and women in 20 countries. Grants for these Fellowships range from \$1,800 to \$3,400, with the total awards amounting to \$142,000.

World wide in scope, the Rotary Foundation Fellowships were created as a means of extending the opportunities of potential leaders of tomorrow to help create the essential foundations of understanding and good will upon which a lasting world peace must be based.

## DANCE DATE CHANGED

The regular dance at the Cisco Country Club will be held on June 25, it was announced. The date had been previously announced as May 25.

No discount on carrier-delivered yearly subscriptions when paid in advance.

## MORAN NEWS

By MRS. C. C. CADY  
Mr. and Mrs. W. L. English and daughter, Donna, are planning a vacation trip to New York to visit Mr. and Mrs. D. W. Johnson. Mrs. Johnson is the former Marie English. They are to be accompanied by Mr. and Mrs. George W. Goree of San Antonio. Mrs. Goree is a sister of Mrs. English. The party will leave this week.  
Mr. and Mrs. C. S. Turner and infant son spent the weekend with their parents, Mr. and Mrs. A. C. Berg and brother, Leslie Turner. Other guests in the Berg home on Sunday were Mr. and Mrs. John S. Hart of Cisco, Mr. and Mrs. Wayne Brock and daughter Carolyn of Eastland, and Mr. and Mrs. Walter Brooks of Moran.  
Mr. and Mrs. R. L. Martin spent Sunday in Sweetwater with his sister, Mrs. Frank Pardue. They drove behind the storm from that place to Abilene where they had to take shelter for a while from hail and rain.

Mr. and Mrs. Foy Barnett spent last week-end in Dallas. Mrs. Ida May Boyd of Cisco spent Monday with Mr. and Mrs. A. C. Berg.

Miss Zelma Pope of Abilene was overnight guests Saturday of Mrs. E. W. Morris and attended the baccalaureate sermon Sunday in Moran.

Mr. and Mrs. B. A. Elliott spent the week-end in Ft. Worth and Dallas. They returned home Sunday evening at 1 p. m. through a big rain in Ft. Worth and Weatherford.

S. R. Plummer was taken to Scott and White Sanatorium in Temple for a check-up last Saturday. His many friends hope his condition will improve from now on.

Edd Rackley and son Horace drove down from Tatum, New Mexico, for a week-end visit with home folks here. Mr. and Mrs. Clyde Pettit of Moran also, Mr. and Mrs. Tommy Gore now of Arcer City. Mrs. Rackley and Betty who had been visiting here for some weeks accompanied them home on Sunday afternoon.

Miss Patsy Weir will be home

Friday from Hardin-Simmons University. She will enter TSCW at Denton next year where she will major in Home Ec. & minor in music.

Rev. and Mrs. H. W. Gaston will leave on Tuesday to attend North Western Methodist Conference at Amarillo for a period of five days.

Mr. E. M. Raymond returned from a two weeks visit in Oklahoma City. He reports floods and storms all the way to Texas. Traveling was precarious and he was glad to get back home.

Mrs. Ed Collinsworth attended Sunday School and Church last Sunday at Avoca and was the dinner guests of Rev. and Mrs. Knoys and family.

Miss Inez McCord returned from two weeks visit with Vic and Elizabeth Palmer of Houston.

Mr. and Mrs. S. G. Atkins of Eldorado, Arkansas visited in the home of Mr. and Mrs. Tim Hamilton last week. They were former residents of Moran and come back regularly to see

old friends.  
Don Allen of Lubbock spent Tuesday night in Moran with his parents, Mr. and Mrs. O. D. Allen. He was enroute to Mineral Wells to take a CPA examination.

Mr. and Mrs. Walter Cutler had as guests this week her parents, Mr. and Mrs. T. B. Smith of Frankell and her nephew, Nolan Knight of Las Cruces, N. M.

Mr. and Mrs. C. E. Hardwick of Stephenville were Sunday visitors in the home of Mr. and Mrs. R. N. Adair.

AND NEWS OF INTEREST TO WOMEN

## M-Day For Operation Small Fry

Children will delight in helping to prepare and package these wonderful little coconut apricot balls, to surprise Mother on Mother's Day. Of course, Mother may have to be in on the secret if the tot are as young as those in our picture—but they won't mind, so long as she acts surprised when she opens the box on Mother's Day.

This candy is so simple to make—it requires no cooking, you see—that after the preliminaries involving the food chopper, small fry will be able to take over operations quite readily, with a little direction. And it can be great fun shaping the little balls, rolling them in coconut, and packing them into a gift box. If, during the process, considerable "tasting" is required to make sure the candy is just right for Mother, you can be sure that these fruity little coconut balls are a healthful, and wholesome sweet for youngsters.

Once the grown-ups have tasted them, Coconut Apricot Balls will not be limited to Operation Small Fry. They take so little time to make, and they are so good and so economical, you will want to include parties, as hostesses and holiday gifts, or just to have around the house.

### COCONUT APRICOT BALLS

24 dried apricots 2 teaspoons orange juice  
1 can moist shredded coconut 2 tablespoons confectioners' sugar

Wash apricots and dry thoroughly. Put apricots and coconut through food chopper. Add orange juice and sugar and mix until blended. Shape into balls about 3/4 inch in diameter. Roll in shredded coconut. Makes 2 dozen balls.

ing into a chapel length train. Her finger tip veil of marquisette was edged with lace and satin ribbon. She carried a bouquet of gardenias and white carnations, tied with a large bow of white satin ribbon with white satin streamers.

Miss Dorothy Ivey, only sister of the bride, was maid-of-honor. She wore a pale blue gown of organza. Glenn Brown of Port Lavaca served his brother as best man.

A reception was held immediately following the wedding after which the couple left for a short honeymoon trip. For going away the bride wore a two-piece dressmaker suit of aqua gabardine with white accessories. The couple will make their home in Cisco where, he is em-

ployed by Standard Fryar Drilling contractors.

### GIRLS AUXILIARY HAD MEETING MONDAY

Baptist Girls Auxiliary met Monday afternoon at the church with their Counselor, Mrs. Collins, directing. The meeting was called to order by Linda Benjamin with prayer by Anna Jean Whitten. The song leader, Linda Cheves, led in the group singing of three songs.

"How to Get New Members" was discussed by the group after which program parts were passed out by the program chairman, Rita Jane Webb. Mrs. Collins gave a splendid talk on "Family-Worship in the Homes" which closed the program. The

## CONQUEST OF INFANTILE PARALYSIS NOW IN SIGHT, WRITER SAYS

The conquest of infantile paralysis is now within sight, Alton L. Blakeslee, noted science writer, predicts in a pamphlet published today by the Public Affairs Committee, Inc., of New York.

"No one can predict just when the victory will come, or in what way," he adds, "but medical science is making such progress that there is real cause for optimism."

Such striking progress has been made in treatment during the past ten years that only about 15 to 25 per cent of polio victims are now "left more or less severely handicapped. Forty to 60 per cent of the children or adults who get the illness in recognizable form will recover completely, without any visible evidence of paralysis."

Scientific study of means for preventing the disease has been slower, Mr. Blakeslee admits in his 20-cent pamphlet POLIO CAN BE CONQUERED, but he lists a number of recent developments that appear to carry great promise. Monkeys have

been inoculated against polio safely and effectively, he points out. Unfortunately, the vaccine does not protect the monkeys against all strains of the virus and thus could not offer satisfactory protection for humans.

Top scientists are cited as believing that a safe vaccine for humans will someday be found. The recent success of scientists in almost purifying one kind of polio virus should hasten this day, Mr. Blakeslee declares.

"Drugs and other chemicals have been found," he reveals, which "protect mice against viruses like the polio virus, or which help the mice recover when they are given the viruses." So far, however, none has been used successfully on humans.

Although little is known about the way in which polio spreads, the pamphlet carries a number of tips for parents in the event that infantile paralysis breaks out in epidemic form in their neighborhood. Parents are urged to:

- 1. Watch for the symptoms that may be weather-vanes of

polio: a tired feeling, headache, nausea, upset stomach, pains or stiffness in the muscles, or a fever. A big part of the victory in polio is immediate rest and immediate treatment.

2. Avoid crowds. There is no way of telling who has the virus, who is becoming sick, or who is a healthy, unaffected carrier.

3. Keep children from becoming overtired or chilled.

4. Do not let children swim in polluted waters. Attacks of polio have followed after such experiences.

5. Keep clean. Make sure that the children wash their hands before eating.

6. Keep garbage covered and screen the house against flies.

POLIO CAN BE CONQUERED, by Alton Lee Blakeslee, is Pamphlet No. 150 in the series of brief, popular, 20-cent pamphlets issued by the Public Affairs Committee, Inc., a non-profit, educational organization at

22 East 37th Street, New York 16, N. Y.

# BRIEFLY TOLD

PHONE 37

Mrs. E. T. Thomas who is a patient in All Saints hospital, Fort Worth is doing well and is responding to treatments she is receiving. She will remain there for two more weeks, it was stated.

Mr. and Mrs. James Jenkins of Fort Worth came in Sunday for a visit with her sister, Mrs. F. E. Shepard and family; Mr. Jenkins brother and wife, Mr. and Mrs. L. S. Jenkins and his sister, Mrs. E. N. Strickland and family.

Mr. and Mrs. D. A. Morgan and their guests, Mr. and Mrs. Howard Robbins and babies of North Cowden, attended a family gathering near Breckenridge in the home of their nephew and wife, Mr. and Mrs. Walter Vick. The get-to-get-

her honored Mr. Vick's father, Mr. N. L. Vick of Mineral Wells.

Mr. and Mrs. Howard Robbins and babies, Diane and Carolyn, came in Friday from North Cowden, Tex. for a visit with his parents, Mr. and Mrs. D. A. Morgan. They went to Brownwood Saturday and visited Mrs. Robbins' parents, Mr. and Mrs. McQueen.

Mr. and Mrs. Garland Lasater and baby of Alice, Texas are visiting here with his mother, Mrs. Ruby Lasater, while on vacation.

Mrs. J. T. Waddell Sr., returned Monday from Oklahoma City where she has been visiting her daughter and family the past twelve days. She reports a most enjoyable time while there; and said there was an unusual amount of rainfall there this year.

Mr. and Mrs. Reuben D. Wendt and small daughter, Janis of Houston accompanied by Mrs. Wendt's mother, Mrs. J. L. Turnage of Austin, left for their respective homes today after a few days' visit in Cisco with his parents, Mr. and Mrs. E. J. Wendt.

Mr. and Mrs. L. S. Jenkins spent Saturday in Fort Worth where they saw the ruins caused by the rain storm. They also spent some time transacting business.

The Althean class of First Baptist Sunday school will meet for a social and business meeting Thursday evening at 8 o'clock in the home of Mrs. S. B. Parks at 1008 West Eleventh Street.

**PRE-INDEPENDENCE FLAGS**—Depicted above are banners carried by American patriots when they first took up arms in 1776. At the left is the blue flag with its white crescent which was nailed to the staff at Fort Moultrie by Sergeant Jasper. In the center is the Rattlesnake Flag of the Virginia minute men at Culpeper. At the right is one of the New England pine tree flags.

This is the first Stars and Stripes. The Continental Congress on June 14, 1777, resolved: "That the thirteen United States be thirteen stripes, red and white; that the Union be thirteen stars, white in a blue field, representing a new constellation." According to legend the five-pointed stars were designed by Mrs. Betsy Ross.

With the admission of Vermont and Kentucky to the Union two stars and two stripes were added to the flag following an Act of Congress in 1794. It was a flag of 15 stars and 15 stripes over Ft. McHenry that inspired Francis Scott Key to write "The Star-Spangled Banner." Congress in 1818 restored the original number of stripes.

Cisco Chapter number 461, Order of Easter Star, will have a called meeting for the purpose of initiation on Friday evening, May 27 at 7:30. All neighboring chapters are invited and all members are requested to be present.

Dr. and Mrs. N. T. Mulloy returned Sunday night from visits at Plainview and at Rotan where they were overnight guests of her sister and family.

Mr. and Mrs. E. L. Short were expected to return this week from Pampa and Lubbock where they have been visiting

with relatives and transacting business.

Mr. and Mrs. J. W. Slaughter visited their daughter and son-in-law, Mr. and Mrs. Fulton Largent and their small son in Abilene last Sunday.

Mrs. W. F. Watson has returned from a week's visit with relatives in Houston.

Mrs. M. B. Parker and her son, Fred Parker and daughter of Fort Worth, were weekend visitors in Cisco in the home of their son and brother, H. B. Parker and family.

Mrs. H. B. Parker and daughter Halita Ann accompanied by Mrs. Parker's mother, Mrs. J. M. Simmons left today by train for Dallas where Halita Ann will have a check-up at a Dallas hospital.

### BOOKS NOW AVAILABLE AT CISCO PUBLIC LIBRARY

The following books are now available at Cisco Public Library: "Brave Bulls," by Tom Lea; "Cheaper by the Dozen," by Frank Gilbreath; "Pride of No Return," John P. Marquand; "Golden Fury," Marion Castle; "Crooked House," Agatha Christie; "Case of the Cautious Coquette," E. Stanley Gardner.

The following Westerns have been received as a gift: "Cabin

Fever," R. M. Bower; "Boss of the Plains," Will Ermine; "The Shadow on the Mesa," Jackson Gregory; "Outlaw of Halfaday Creek," James B. Hendry; "The Blue-eyed Kid," E. B. Mann; "Comanche Kid," E. B. Mann; "Rustler's Round-up," E. B. Mann; "Circle C Moves In," Brett Rider.

### Tommy Burroughs Slightly Injured

Tommy Burroughs, 2, son of Mr. and Mrs. Zan Burroughs, was recovering from painful scratches and bruises at the home of his parents on the Lake Cisco road, after being struck by an automobile late Tuesday in a downtown street.

The car which struck the boy was traveling slowly and quick thinking on the part of the driver saved the boy from serious injury.

### TSCW Homecoming Set For June 4

DENTON May 24 -- Homecoming for Texas State College for Women Ex-Students will be Saturday, June 4. Mrs. Herbert C. Hale, Dallas, president of the Ex-Student Association, has announced.

The ex-student Center will be headquarters and activities will begin with a breakfast 7:45 a. m. in Brackenridge Hall. The business meeting will follow and a slate of three officers will be voted on. Nominees are Mrs. Mary Beth Scull, Sherman, for first vice-president, Miss Agnes

E. Bracher, Houston, third vice-president, and Mrs. Elverde Lane Allsup, Dallas, recording secretary.

### Robert L. Martin To Assume Management Of Station KMHT

Robert L. Martin, Jr., son-in-law of Mr. and Mrs. P. R. Warwick, has been appointed Manager of Radio Station KMHT, Marshall, Texas. KMHT, a Mutual Broadcasting Company Station, went on the air in March, 1947, with Mr. Martin in charge of Scripts and Continuity. In June, 1948, he was appointed Commercial Manager, in which capacity he served until this week when he was made Executive Manager.

### Gas Has Got It!

KITCHEN MEMO BY JEAN CLARKE

There's something extra special about strawberry pie that puts a gleam in a man's eye. Strawberry Chiffon Pie mixture is cooked on the top burner, then turned into a pastry shell. Soften 1 envelope unflavored gelatin in 1/2 cup cold water in saucepan. Blend together 1/2 cup sugar, 1 tsp. flour, 1/4 tsp. salt. Add to softened gelatin. Mix thoroughly. Place over medium flame stirring constantly until gelatin is dissolved and mixture is thickened, then remove from flame. Add 1 cup crushed strawberries, 2 tbsps. lemon juice. Chill until mixture is slightly thicker than consistency of unbeaten egg whites. Fold it into 1 cup whipped cream or 1/2 cup icy cold whipped evaporated milk. Turn into 9-inch baked pastry shell and chill until firm. Garnish with additional whipped cream and whole strawberries.

If you like to scent your linens or underwear, put sachet powder in cheesecloth bag and toss in with the drying laundry in your automatic gas dryer. The tumbling action helps the aroma to penetrate evenly through the clothes.

At least 15 gals. of hot water of 140°-160° (F.) are needed to wash and rinse 8 to 9 lbs. of soiled cottons. Using less than this won't get clothes clean. An adequate supply of hot water will always be available where there is a quick recovery automatic gas water heater in the house because the supply more than keeps up with the demand.

To freshen dried lemons, cover with cold water and allow to stand for several hours.
