BUDDIES—These friends are Spike, half Chesapeake retriever and half Irish spaniel, and Donald, a mallard duck. They belong to Donald Granath, of Milwaukee, Wis. The duck can fly but does so only if a strange dog enters the yard.

Diplomas To Be Issued To 68 At Commencement Services

1200 To Graduate At Texas A & M

COLLEGE STATION, May 28 — Commencement program at Texas A&M College will be held Friday, June 3 at 6 p. m. in Kyle Stadium. More than 1200 are due to be graduated. Dr. D. M. Wiggins, president, Texas Technological College, Lubbock, will deliver the commencement address. William Paine Ryman of Matagorda is the valedictorian of the class. He is majoring in geology. Pres. F. C. Bolton will give greetings, and the program will begin with the processional, music by the A&M band under the direction of E. V. Adams. The invocation will be given by the Rev. James M. Moudy of the A&M Christian church. Dean M. T. Harrington of the college will present the valedictorian and President Bolton will confer the degrees. Diplomas will be presented by G. R. White, president, board of the directors.

Local Guardsmen To Attend Two Day Encampment At Camp Barkley

Cisco's National Guard unit, the 648th Armored Field Artillery, will be among similar units over Texas making up the 49th Division's two day encampment at Camp Barkley June 4-5. Approximately 55 officers and guardsmen from here were expected to attend. Sgt. Frank Schlaepfer, administrative assistant, said today. A total of five trucks and two jeeps will compose the Cisco convoy which is slated to join with Ranger's 648th Service Battery at 6 a. m. Saturday. The Cisco-Ranger convoy is expected to arrive in Abilene about 7 a. m., Schlaepfer said. It will be the first time Cisco Guardsmen have participated in an overnight encampment since being organized in June of 1948. Once at the camp site, the Cisco Unit, along with other Texas units attached to the 648th Field Artillery, will set up battery operations. During their two day stay, the guardsmen will be instructed the use of rifle and side arms by former Army instructors. In the Cisco battery, each guards-

man will fire approximately 160 rounds of Carbine and 100 rounds of .45 automatic ammunition on the firing grounds. According to information here, the large howitzers, such as 155 mm and the 105 mm's, will not be used during the bivouac employments. However, the howitzers will be taken to Camp Hood later for a two week's training period. Meals will be prepared by each unit's field kitchen. In meetings here Sunday, quartermaster and supply sergeants completed the issuing of clothes and equipment to guardsmen planning to make the encampment. Full field equipment plus light machine guns, will be taken by the Cisco unit. Since being re-organized from the 961st Field Artillery to the present set-up, Schlaepfer said the gathering in Abilene Saturday and Sunday would be the first union of the 648th Armored Field Artillery, now under the command of Lt. Col. Marian H. Badger of San Angelo. The Cisco convoy was scheduled to return here Sunday afternoon.

Rev. Richard Crews, departing Cisco minister, will deliver the principal address on the subject "The Open Doors" at the Cisco High School commencement exercises at 8 p. m. tonight in the high school auditorium. Sixty-eight seniors will receive diplomas in the service. In his final talk before a Cisco audience, Rev. Crews will be climaxed three years of service as the pastor of the First Christian Church here. A former U. S. Army Chaplain, with two years service in the South Pacific and a year and a half in this country, Rev. Crews came to Cisco in April of 1946. He succeeded the late James Wright. A graduate of Texas Christian University, with BA and MA degrees, Crews became active in social work and civic advancement here. While a minister in Cisco, he reorganized the Christian Youth Fellowship, official organ of the church, and added approximately 100 new members to the church roster. Following his commencement address tonight, Rev. and Mrs. Crews and children will leave here Thursday for Denison, where he has accepted the pastorate of the First Christian Church. In traditional cap and gown, the seniors will file down the aisle with Miss Anita Carlin playing the processional march. Dr. Claude P. Jones, pastor of the First Methodist Church, is to offer the invocation. Miss Betty Brogdon, class salutatorian, will make the welcome address and a contralto solo, "A Glad Prayer," is to be sung by Miss Bette Rowe Wilcox, accompanied by Miss Lovell Paul. Stanley Sharpe, highest honor student of the graduating class, will give the valedictory address. His talk will precede Rev. Crews address. Then, Carlos J. Turner, high school principal, will make the presentation of awards to outstanding students of the departing class. After the acceptance of the class by Arlin Bint, superintendent of schools, diplomas will be handed out by Dr. Paul M. Woods, prominent Ciscoan. At the conclusion, the congregation will join the class in singing the school song, "Varsity."

Summer Playground Program To Begin Wednesday At 9 a.m.

The ABC Club's summer playground program, designed to reach every child and youth in Cisco between the ages of 6 and 15, will get underway Wednesday under the direction of Jack Everett and Buck Overgrall. The Club, in an effort to develop the athletics in Cisco and to combat juvenile unrest, employed Everett and Overgrall to handle the playground activities which will include softball, boxing, wrestling, volleyball, badminton, basketball, touch football, tumbling and archery. The program will begin Wednesday with boys in the age limit and will be broadened to include girls activities if the demand is sufficient to warrant it. The boys have been divided into two groups. One group includes those between the ages of 6 through 10 and the other will include those from 11 through 15. Boys of the first group were asked to be at the Community Gym Wednesday at 9 a. m. to register for the program and the older group was asked to meet at the gym at 2 p. m. The first two days will be spent in classification work. The younger group will meet from 9 to 11 a. m. Monday through Friday, throughout the summer and the older group will meet from 2 to 4 p. m. Everett pointed out that the program was designed for all boys and stressed the fact that boys over 15 would not be excluded if they were unable to play with a church or commercial team. The program is to be financed through proceeds from softball games and through membership. A drive for new members was started last week and officials urged every one interested in the building of character through athletics was urged to sign a membership card.

Questions On Netting In City Waters Are Answered By Lake Custodian

Since netting in Lake Cisco has been legalized it has stimulated much interest in the rules and regulations governing fishing there. Ray Judea, lake custodian, has been asked numerous questions regarding the requirements and the value of the program and he agreed to use the Press in answering the questions that have been asked the most frequently. The questions were submitted and will be published in two articles, beginning today. The second article will be published on Wednesday. The questions that have been asked many times and the answers are as follows: Q — What does one have to do to get a license to put a net in Lake Cisco? A — The first requirement is a city permit to fish in the lake. These can be bought at the city hall, the fire station or at the Lake Cisco Tourist Court. A \$10 bond must be posted as a guarantee that all rules and regulations will be observed. A metal tag will be issued as a net license and must be attached to the end of the net nearest the bank. When the net is removed from the water and the fisherman indicates he is through he may return the metal tag to the place he got it and receive his bond if he has followed the rules and regulations. The netting license is only being issued at the Lake Cisco Courts. Q — Will the net license permit netting in Lake Bernie? A — No, netting is not allowed in Lake Bernie. Q — Why is netting illegal in Lake Bernie? A — Because Lake Bernie has a different problem from Lake Cisco. Lake Bernie has little fish troubles and Lake Cisco has big and rough fish troubles. A legal size net would do no good in Lake Bernie. Q — Why would big fish and rough fish make fishing poor in Lake Cisco? A — It has been determined by the State Game, Fish and Oyster Commission that in our

best fishing water and under ideal conditions, that 200 pounds of fish per surface acre is all that can be supported with natural food. This 200 pounds can be in five big fish or 5,000 small fish. Since a fish grows from the food he eats and not necessarily from age, food is the big requirement. Lake Cisco water is too pure to make the best of fishing lakes because it does not develop the food requirements to supply a lake full of big fish. Q — Why not encourage the use of more hooks instead of nets? A — These big fish seldom bite on a hook and year after year remain in the water to spawn hundreds of thousands of their kind which continue to put even a greater strain on the already weak food supply. Nets are the only legal way to eliminate these fish short of "killing" the water. Q — What is netting supposed to do for the lake? A — It is an effort to rid the lake of undesirable fish to allow the desirable fish to stage a comeback.

LOCAL STUDENTS AT PARK TODAY

More than 200 students from Cisco and surrounding towns were at Lake Cisco Tuesday celebrating the beginning of summer holidays and enjoying the park facilities. Bus students from Humbletown, Cottonwood, Friendship, Romney, Long Branch, Bedford, and Dothan reached the park before noon for a picnic and swim. They were enjoying the golf course and were taking advantage of the Don Franklin show which is for a weeks stay. The senior class from Blanket was enjoying Senior Day at the schools were coming in. More than 175 students from Breckenridge were at the park Monday and two bus loads of local children had lunch at the park and went swimming. Bee Cearly, amusement company manager, announced that the pool would be drained tonight or tomorrow and that every health precaution was being taken. PLANS TO LEAVE Montie Lisenbee, daughter of Mr. and Mrs. T. E. Lisenbee, 805 West 7th Street, planned to leave Wednesday for a two week visit with relatives in San Diego, California, and vicinity. VISITS GRANDPARENTS Hank Cutting, small son of Mr. and Mrs. Dick Cutting, 1109 East 16th street, is in Abilene this week visiting his grandparents, Mr. and Mrs. C. Cutting. He is expected to return here Saturday.

Summer Softball Season Officially Opened At Chesley Field Monday Night

Officially, the wheels of the city's second annual season of softball completion was put into action at Chesley Field Monday night by school officials, ABC Club Officers and Mayor G. C. Rosenthal. Although the league has been underway more than a week, last night was designated as the official opening. Charles Burke, past president of the ABC Club, was introduced as the first speaker. He cited, briefly, the accomplishments of the athletic organization in its first year of operation. Wesley Smith, a representative from the Cisco School board, told a large crowd that the success of the ABC Club lies with the fans and their cooperation. He mentioned the competitive interests in athletics the ABC has stimulated among the youths of Cisco. The third and final speaker was introduced. He was Mayor G. C. Rosenthal who praised the ABC Club's feats in furnishing Cisco with a well-rounded summer athletic program. He called on the fans for continued support. He then tossed the ball onto the playing field. Prior to the program, a church league contest saw the First Baptist fold a fifth inning rally by the First Methodists and emerge with a 9-6 victory. Errors and home run smacks easily proved fatal to the West Texas Utilities Kilowatts at the Humble Oilers rolled up a 19-2 triumph in the nightcap. Swift and keen field play prevented Kilowatt batters from getting aboard the bases and it was not until the sixth inning that they registered the two runs. Earl Cumba, Oiler moundman, was partly responsible for the clean cut victory. Fielders Otis Strickland and Leonard Burzenski of the Oilers were first to launch the scoring drive. Strickland, with a hit to right field, ripped around the bases with a homer to bring in Callarman and Turner who got aboard with walks. Then, with two men out, Burzenski leveled off and fired a second home run. The four runs to the plate, plus two in the first, bounced the Oilers into the lead. In the sixth frame, Callarman slugged for a home run, the third of the night, and Cumba got his second curcuit clout for

the season, bringing the total to four base trippers. Games for tonight, slated to begin at 7:30 p. m. will include The East Baptist trying the First Christians in the Sunday School league and the Cisco Independents versus Scranton.

Health Department Warns Against Hookworms

AUSTIN — May 26, Hookworm disease is found frequently in those communities where sanitary toilet facilities are inadequate, and where infected human excreta is permitted to contaminate the soil. Persons who come in contact with that soil, either by going barefooted or by handling the dirt, contract hookworm disease when the hookworms from such soil bore through their skin and make their way to the human intestine. "The main characteristics of hookworm disease," says Dr. George W. Cox, State Health Officer, "are listlessness and apparent laziness, and many a child and adult has been called lazy, when in reality he was suffering from hookworm disease. Sometimes there is abdominal pain, nausea, and diarrhea, but this is unusual." Inability to perform efficient work, and general weakness of the patient make this disease not only a public health but an economic problem, and it can be eliminated only by carefully following two steps: first, providing sanitary disposal for human wastes, and by treating until cured, all infected persons. When the infected persons are cured, and can no longer transmit the worms to others, and when safe sewage disposal is at the command of all homes and communities, then hookworm disease need no longer cost the people of Texas the tremendous sum that it now does, annually, both in money and sickness.

Mercury Climbs To 98 Here Tuesday

A beaming sun in clear skies sent the mercury to the highest mark of the year in Cisco yesterday. At 2:30 p. m. the temperature stood at 98 degrees after steadily climbing throughout the day. After receding gradually from the high point the mercury bottomed at 65 last night. More summer weather was in prospect for today and tomorrow as forecasters called for continued clear and warm. The temperature stood at 91 at 1:30 p. m. today but was not expected to reach yesterday's peak. Presidio, the hot spot in Texas, registered 108 and Laredo had 101. Waco reported 99 and Abilene 95.

LADIES BOWLING NEWS

The Ladies in the bowling league have two more nights to try to reach the top of the ladder. Lemore Pharmacy lost 3 points to Cogdell Auto Supply last week while Home Supply took 4 points from Ideal Cafe. Team Standings W L Lemore Pharmacy 29 24 Nome Supply 26 26 Ideal Cafe 25 27 Cogdell Auto Supply 24 28 High individual honors went to Ike Fonville with a 462 series, and Betty Gann with a 165 high game. High team game and series were rolled by Cogdell Auto Supply with a 595 game and 1585 series. Individual scorings were as follows:

Table with 2 columns: Name and Score. Includes Dee Knight (98, 89, 107-294), Neida Bills (77, 77, 86-240), Iva L. Butler (105, 145, 123-373), Jewel Gregg (119, 95, 108-322), Wanda Joyner (91, 96, 116-302), Myra LaCasse (95, 61, 120-276), Louise Booth (91, 106, 119-316), Fern Reeves (139, 92, 122-353), M. Anderson (134, 95, 115-344), Oma Milner (116, 107, 99-322), Ike Fonville (161, 156, 145-462), Blind Score (107, 107, 107-351), Verna Tarver (118, 148, 162-428), Betty Gann (124, 161, 165-450), C. Abbot (147, 93, 153-393), Evelyn White (85, 114, 115-314).

R. F. Webb Will Speak At Junior College Conference

R. F. Webb, Dean of Cisco Junior College, has been selected to address the annual Texas Junior College Conference when it convenes in Austin, June 9 through 11, a report here said. His second address before the conference, Dean Webb is slated to speak on "The Duties of a Registrar."

Lions Club's 'Roaring Follies Of 1949' Is Postponed Until Friday, June 10th

Warren Waters, general director of the Lions Club's "Roaring Follies of 1949," announced today that the program would be held on June 10 instead of June 3 as had been previously announced. The change in schedule was decided upon when several members of the cast reported that they would be unable to appear at the original time, and because rehearsals were running behind schedule due to school activities. The program, which will feature a womanless wedding, has been planned as a laugh fest and a full two hours of fun has been guaranteed. The proceeds from the event will be used by the club in its work in the community. Tickets were placed on sale

Stamford Plans Golf Tournament

The Stamford Golf and Country Club has announced plans to renew its annual invitation golf tournament on June 24, 25 and 26, according to information here. This will be the first invitation tourney since 1941. There will be a big barbecue and Calcutta Pool in connection with the event. Qualifying will start Saturday, June 18, and continue through the 24th. The final 18 holes will be played on Sunday afternoon.

FOR SALE

The Jesse Penn and Sallie Belis residence in Cisco is for sale.

The only reason we are going to sell our Cisco home is because we have one of the finest and best country homes in the land, northwest of Cisco. No bills to pay out there as we had put in water works gas lights, and a Montgomery Ward light plant which cost us lots of money. I don't see any sense in us living in Cisco and paying a lot of big bills.

We expect to build us one more house at the ranch. The one out there now is Sallie Bell's individual house that she had moved to the ranch off her Cisco lot on 4th St. Cecil Penn and his family will live on the ranch with us and we will all work and try to make a living there. Mr. C. S. Surles is our sales agent to sell our town home. JESSE PENN

OFFICERS OF NEW NATIONAL CITIZENS GROUP

The newly formed National Citizens Commission for the Public Schools has named the above four officers. From left to right: Roy E. Larsen, Chairman, president of Time & Life; James F. Brownlee, Vice-Chairman, former Deputy Administrator of the OPA; John A. Stevenson, Treasurer, president of Penn Mutual Life Insurance Co.; and Leo Perlis, Secretary, Director of the National CIO Community Services Committee.

Prominent Laymen Form Commission To Help In Public School Crisis

Aroused by the continuing nationwide crisis in the public schools, a group of prominent men and women have formed a National Citizens Commission for the Public Schools which will work for concerted action by citizens in their local communities. It was announced May 16 the Commission has received initial financial support from the Carnegie Corporation and the General Education Board.

The Commission is composed exclusively of laymen, many of them outstanding in business, labor, law and publishing. Its twenty-eight initial members are convinced that because of the problems of the times, public schools have never before been so important to the nation.

"Professional educators, many conscientious school boards the Parent-Teacher Associations, and other groups are working hard for better public schools," Roy E. Larsen, president of Time & Life and chairman of the group, said "But the problems of public education are so broad that they concern all of us and it is time for all of us to understand and do something about them."

The initial twenty-eight members of the new Commission are: Mrs. Barry Bingham, V.P. Louisville Courier-Journal and Times; Stuart Bradley, Mem. Exec. Bd., Louisiana Education Foundation, New Orleans; James F. Brownlee (Vice-Chm.), Chm. of Business Education Committee, Committee for Economic Development, Fairfield, Conn.; John Cowley, Pres., Minneapolis Star and Tribune; Edward R. Eastman, Pres. & Ed., American Agriculturist, Ithaca, N. Y.; George Gallup, Dir., American Institute of Public Opinion; Mrs. Bruce Gould, Ed., Ladies Home Journal; Lester B. Granger, Exec. Dir., National Urban League; Ralph A. Hayward, Pres., Kalamazoo Vegetable Parchment Co.; Robert Heller, Pres., Robert Heller & Associates, Inc., Cleveland; Palmer Hoyt, Ed. & Insp., Denver Post; Roy E. SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

FISH FRY ENJOYED BY SS CLASS AT LAKE CISCO

The Couples Class of the First Methodist Church School and a few other friends were entertained with a fish fry at Lake Cisco Thursday evening. Mr. and Mrs. C. B. Midkiff, Mr. and Mrs. W. W. Smith and Mr. and Mrs. Marshall Jones were hosts for the enjoyable occasion.

The picnic supper was served from the long park tables near the water after invocation was offered by O. L. Stamey.

Following the bounteous meal the grownups enjoyed conversation while the younger members of the group took in the attractions at the lake.

A short business session of the class was held and a lovely parting gift was presented Mr. and Mrs. Robert Paschal, who are soon moving away.

Guests and members present were: Mr. and Mrs. O. L. Stamey and son, Joe; Mr. and Mrs. Tom Stamey and children, Hampton and Jamie; Mrs. S. A. Chambliss and children, Mary Alice

and Jeanette; Mr. and Mrs. C. J. Turner and son; Mr. and Mrs. W. H. McAnally, Clifton Osborn.

Mr. and Mrs. O. O. Odum and sons, Junior and Clark; Mr. and Mrs. Shy Osborn, Mrs. Chesley Tipton and sons; Dr. and Mrs. Claude P. Jones; Mr. and Mrs. Carrel Smith and daughters, Mary Ann and Beth; Mr. and Mrs. Bob Isbell and son; Mr. and Mrs. Robert Psschal and daughter, Pamela; Mr. and Mrs. David Gaines and daughter; Mr. and Mrs. R. E. Bradshaw, Mr. and Mrs. Marshall Jones and daughter; Mr. and Mrs. W. B. Broussard and son; Mr. and Mrs. Louis Yeates and daughter; Mr. and Mrs. C. B. Midkiff and three children; Miss Lela Latch, Mr. and Mrs. Harry Gurney, and Mr. and Mrs. W. W. Smith and son.

DOUBLE OCTET CLUB ENTERTAINED WITH PICNIC AT LAKE

Mrs. Paul Poe was hostess on Tuesday evening, May 24, to the Double Octet Birthday Club with a picnic at Lake Cisco

where guests and members met promptly at 7:30. The guests, Mrs. Mack Stephens and Mrs. Leo Keelan were welcomed after which a sumptuous picnic supper, served on the long park tables, was heartily enjoyed. The invocation was offered by Mrs. Keelan.

The group encircled Mrs. Poe after supper and sang the "Happy Birthday" song in her honor and presented her with a lovely birthday gift. A short business session was held after which the remainder of the evening was spent in friendly conversation.

Those present were the two guests and Mesdames Paul Poe, Truly Carter, Myrtle Anderson, W. V. Gardenhire, W. D. Hazel, Harry Schaefer, F. E. Shepard, O. J. Russell, W. F. Walker, Barton Philpott, Leon McPherson, and Miss Willie Frank Walker.

HOME DEMONSTRATION CLUB OF SABANNO MEETS TUESDAY, MAY 24

The Sabanno Home Demonstration club met in the Presbyterian church of that community on May 24 with Mrs. Aaron Gage presiding. Two visitors, Mrs. Grace and Mrs. Seamon of Scranton were welcome visitors.

During the business session, it was decided to have an all day meeting on June 15 in the home of Mrs. J. L. King where a Bed-room arrangement will be demonstrated. Members of Nimrod and Scranton communi-

ties are invited to be present and bring their pressure cookers for testing if they wish to do so. Everyone is requested to bring a covered dish for lunch which will be spread picnic style, at the noon hour.

The afternoon hours will be highlighted by a program and demonstration to be given by the 4-H girls and their sponsor, Mrs. Grace of Scranton; who will be guests of the Sabanno club.

At the close of the business session Miss Rosie McCoy, Home Demonstration agent of Eastland county, gave a demonstration on garden and shrubbery dusting and gave methods of preventing damage by insects. The club has changed the meeting days to the first and third Wednesdays of each month instead of the second and fourth as here-to-fore. Seven members and the two visitors were present for the meeting.

PARENTS ANNOUNCE COUPLE'S ENGAGEMENT

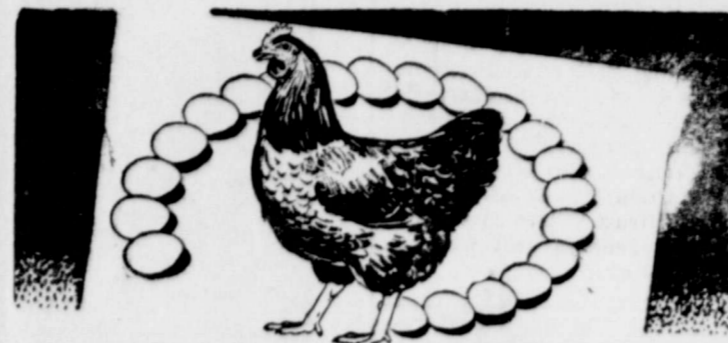

Mr. and Mrs. Richard Thomas have announced the engagement of their daughter, Doris, to Mr. Robert F. Hintz, son of Mr. and Mrs. W. F. Hintz of Milwaukee, Wis. The date of the wedding will be announced later.

Mr. Hintz has spent the past school year in Cisco where he has been in charge of the Par-

ochial school of Grace Lutheran church. He is a talented musician and expects to spend next year in New Orleans.

Miss Thomas is well known to Ciscoans, having been reared

here where she has many friends. She is a graduate of Cisco high school and Cisco Junior College, and has been employed by Merchants Credit Association the past two years.

A WELL-DEVELOPED PULLET LAYS about 2 Doz. EXTRA FALL EGGS

In Purina Pullet Growing Demonstrations, pullets fed Purina Growena laid 21 MORE eggs apiece during the early winter months — than pullets grown on a poor growing ration. How does that sound to you? Would you like lots of early Fall eggs? Come in — we have a Purina feeding plan to suit you.

PATTERNS IN PLAID—Shown at a fashion show in New York, these outfits were greatly admired. Plaid gingham of blue and yellow is used for a little brother and sister set, as well as for the grown-up of the family. The youngsters wear white blouses with appliqued cat tails of the plaid.

"That I can, friend... Fact is I'm headed that way myself. All you do is put part of your earnings in U. S. Savings Bonds regular-like. Those bonds grow like a giant's offspring. Why, in ten years, they pay you back four dollars for every three you put in today. Now, if you're a working man, like myself, you join up with the Payroll Savings Plan. If you're not on a wage or salary, you ask at your bank about the Bond-A-Month Plan. Either way takes you straight to Security. Shall we be off?"

Put more opportunity in your future! Invest in U.S. SAVINGS BONDS Cisco Daily Press "Your Home Paper"
