County School Board Adds 100 Square Miles To Cisco District

Recent action by the County School Board marked the end of the dormant school districts in Eastland County, it was announced by Carl Elliott, county school superintendent, Tuesday.

The Bedford and Grapevine districts were combined with the Eastland system and the southern tip of the Romney district went to Rising Star. Some 43 students from the Bedford-Grapevine Districts will go to Eastland and seven from the Romney districts will go to Rising Star.

Central, Shady Grove, Reich, Sandy, Cottonwood, Bluff Branch and Friendship Districts were consolidated with the Cisco District and a large part of the Romney District and approximately half of the Pleasant Hill and Long Branch Districts were added to the local area. Rising Star received a small part of Romney, and Carbon received approximately 50 per cent of the Pleasant Hill-Shady Grove Districts.

The County Board also set July 5 as the date of an election to be held in the Dothan District to decide upon consolidation with the Cisco Independent School District. A petition calling for the election was filed with the county clerk, who set a tentative date. It was confirmed by the County Board.

Mr. Elliott said that the non-operating school district was a thing of the past in Eastland County. Board action has received 29 dormant districts from their independent status since March 7. The action was taken under the provisions of Article 2922-A of the State Laws and the recently approved Gilmer-Aiken Bill.

Local Golfers Urged To Qualify Before Friday

An Appeal for Cisco golfers to plan to enter the 14th annual Invitational Country Club Golf Tournament which begins Friday, to qualify before arrival of out-of-town participants, was made today.

Charles Burke, president of the club, said some 125 golfers from local and visitors, have made arrangements to enter the tournament. Qualifying scores are to be turned in Friday afternoon.

Due to the large enrollment, Cisco golfers were urged to qualify between now and Thursday night.

Girl Scout Cook-Out To Be Held At Lake Cisco Park Thursday Evening

The Girl Scout Cook-out, under the direction of Miss Bobbie Walsh, Girl Scout executive in Brownwood, will be held at Lake Cisco on Thursday, June 16. The affair was arranged to acquaint leaders, assistant leaders, committee members and mothers of scouts with the fundamentals of camp-

preparations for the cook-out will be made at a meeting of the participants at the First Methodist Church at 3 p. m. Wednesday. Miss Walsh will meet with

the group to outline the details. Each person attending the cook-out must bring a one pound coffee can with a lid, a sharp pocket knife and a drinking cup. The entire group must take two shovels, two buckets and hats.

All leaders, assistant leaders, committee, leaders, scout mothers and others interested in Girl Scout work were invited to attend the meeting Wednesday and the cook-out Thursday.

On Wednesday at 10 a. m. Miss Walsh will meet with the three troops from Junior High. All members and leaders were urged to attend.

Eastland Physician And Wife Are Killed In Airplane Crash

A youthful Eastland and his wife died in the crash of their plane near Meridian, Mississippi, Sunday night.

The victims were Dr. and Mrs. Marion Bailey Murdock. Dr. Murdock, a physician for many Cisco families, was 31 and Mrs. Murdock was 30.

Their bodies were found early Monday morning in the wreckage of their new plane at Top-ton Airport, ten miles northeast of Meridian. They were enroute to Eastland from the American Medical Association convention in Atlantic City.

The couple apparently ran into difficulty during a wind and rain storm. A Meridian deputy sheriff said the plane was heard over Meridian about 6 p. m. while the storm was at its peak.

The crash was discovered by Barney Gunn, Jr., of Topton, who saw the plane's tail assembly sticking up from the ground. The engine was driven into the cockpit.

Mrs. Murdock's body was found partly clear of the wreckage. A dachshund was thrown clear and killed upon striking the ground.

The bodies were carried to Meridian after Van Stephens, coroner, held an inquest at the scene of the wreckage.

The couple moved to Eastland two years ago. Dr. Murdock

was a physician and surgeon. Mrs. Murdock ran a laboratory adjoining his office. They were prominent in social affairs at Eastland.

Both were graduates of Richmond University. Funeral arrangements were incomplete Tuesday.

HOSPITAL NOTES

The following patients were admitted to Graham Hospital for treatment this past week: Mrs. Jesse Hubin, Rising Star; Frank Bond, Cisco; Mrs. Brenda Stensill, Glade-water.

Mrs. Clyde Stensill, Duncan, Oklahoma; Mrs. Billy Ray Swindle and baby, Cisco; Mrs. R. A. May and baby, Cisco; Mrs. Allen Burnam and baby, Cisco.

Mrs. Walker McClain, Cross Plains; Mrs. Jack Townsend, Cisco; Cecil Larry Jessups, Cisco; D. L. Blackburn, Cisco.

Sue Harrelson had the misfortune to sustain a broken arm while skating Saturday evening. She was taken to Gorman where the arm was set and she is now at home reported doing fine. She is the daughter of Mr. and Mrs. F. J. Harrelson.

Mr. and Mrs. M. P. Farnsworth Jr. of Fort Worth visited here over the weekend with their parents, Mr. and Mrs. M. P. Farnsworth and Mr. and Mrs. Eugene Watson. They were accompanied home by Mrs. Watson's sister, Charlene Watson who will spend the week with them.

Mrs. A. R. Schmitt and little daughter, Suzanne, left Monday for their home in Houston after a pleasant visit in Cisco with her mother, Mrs. John Shertzer and her sister, Mrs. T. G. Caudle. She was accompanied to Fort Worth by her sister and Miss Helen Crawford.

Scheduling nearly 1,600 daily newspapers in the United States, Alaska and Hawaii for twice-a-week insertions ranging from 1440 to 660 lines, Lucky Strike has embarked on one of the greatest Summer advertising campaigns in history. The ads, which began appearing June 7, will run on Tuesdays and Thursdays.

Themes of the campaign is that Luckies pay millions of dollars more than official parity prices for fine tobacco to provide finer cigarettes.

All the ads feature testimonials of independent tobacco experts — warehousemen, auctioneers and buyers — with pictures of the men quoted.

The same theme will prevail in magazine advertising, with Lucky Strike using the publications on its schedule, and will be co-ordinated in radio commercials. "Your Hit Parade" will continue on Saturday nights over NBC, while "Your Hit Parade on Parade" will be heard on Sunday nights over CBS until Jack Benny's return to the air in the Fall.

A stepped-up merchandising program accompanies the huge advertising campaign.

IN ADDITION TO FLYING, our training has included considerable time in a Link Trainer — a gadget that simulates flying on instruments. Then, there have been movies of "what's new in the Navy."

We had figured that the two week period would be something of a vacation. But it hasn't turned out that way. Our tour will end Thursday night of this week, and we'll be back at our desk on Friday.

We're hoping to get home in time to play in the Cisco Invitational Golf Tournament. We shot an 18-hole qualifying score of 109 before leaving. Maybe it'll be good for the last flight.

RETURNED HOME Karl Kyle, 39, Cisco driver who has been convalescing in a Rising Star hospital for injuries sustained in an auto crash last month, was returned to his home here Monday. Attend-ants described his condition as "better."

MISSING IN THE EAST J. P. McCracken accompanied his wife and baby, his sister Miss Elizabeth McCracken and Miss Marie Winston to Dallas Saturday where they left by plane for points in the East. Mrs. James McCracken and small son will stop in West Virginia where she will visit her father and family.

Miss McCracken and Miss Winston will go on to New York where they will spend two weeks and where Miss McCracken will take an advanced course in hair cutting and design at the M. Louis Hair Dressers. Miss Winston plans to spend the time in sight seeing.

DALLAS, June 13 — We had intended to write fairly often when we reported to the Naval Air Station here on June 3 for two weeks of active duty. But the program they have for a reserve pilot's two weeks is pretty full.

After we completed the checking in procedure, which Mr. E. L. Jackson outlined, they put us to work. They make every effort to give reserve pilots as much flying time as possible, which is commendable.

In the course of training activities, we have had flights to Pensacola, Florida, to Chicago, to Joplin, Missouri, to Midland and other points. The Florida trip was interesting. The weather was beautiful and we had a lunchtime gas stop at Jackson, Mississippi.

Last Thursday, we flew to Midland and San Angelo. Returning, we came over Cisco and circled town. It was the first time we had ever seen Cisco from the air, and our town is most attractive from upstairs.

Lake Bernie Goes Over Spillway As 2.5 Inches Rain Fall Monday, Tuesday

Lake Cisco caught approximately three feet of water Monday night and Tuesday when heavy clouds deposited 2.5 inches of rain on the Cisco area. The rain was accompanied by high winds and a small amount of hail but little damage was reported in Cisco.

Lake Bernie was running around early Tuesday and the overflow was pouring into Lake Cisco. This marked the first time Bernie had been full in a number of years and since it is on the watershed of Lake Cisco, none of the water that fell on that section went toward increasing the local water supply.

The Monday and Tuesday rains brought the total for June up to 5.5 inches and the total

for the year to 23.4 inches which is 9.7 inches more than was recorded for the 12 months of 1948.

Streets Flooded In some sections of town streets were flooded with water running across them at a depth of 18 inches. Two dips on 9th Street were full and cars were drowned out as they attempted to go through. Flooded sections included the low area south of 14th and west of Avenue E, and some sections of the east and north parts of town.

No water was reported as entering houses but residents of the low areas were watching anxiously as the water continued to rise.

Grain Crop Damaged

One of the county's largest grain crops in recent years was standing in muddy fields awaiting suitable harvesting weather, according to Emmett Powell, County AAA Administrator, who reported that heavy winds and rains had seriously damaged the crops in some areas.

Approximately 20,000 acres were planted to small grains this year; and falling grain, and rust will cut the yield as high as 40 per cent in some areas. Oats were particularly suffering needed harvesting badly.

The rains covered a wide area with the Rising Star-Brownwood section receiving the brunt of the storm. Streets in Rising Star were flooded and farm lands were badly washed. Putnam and Baird received heavy rains and Highway 80 was blocked at one time. Moran and Albany reported damaging winds and rains.

Local Students Enrolled At H.S.U. For Summer Term

Six students from Cisco are enrolled in Hardin-Simmons university classes for the first summer term. Classes will continue through July 9. The second term will begin July 12. Enrollment has reached an all high of 1165 students for the summer terms.

The students are Norman Lee Anderson, Raymond Davis, Arthur Erwin, Linda Fee, Paul Johnson, and Betty Lennon.

Miss Anderson, a senior, is the daughter of Mr. and Mrs. L. J. Anderson.

Davis is a graduate student. He is the son of Mr. and Mrs. Claude C. Davis of Cisco.

Erwin, a freshman, is a son of Mr. and Mrs. W. H. Erwin of Cisco.

Miss Fee is the daughter of Mr. and Mrs. George P. Fee. She is a member of the senior class.

Johnson is a member of the senior class.

Miss Lennon is the daughter of Mr. and Mrs. E. E. Lennon. She is a member of the sophomore class.

Eighteen fields of study are being offered during the summer at H-SU. The courses include those in art and penmanship, Bible, biology, business administration, chemistry, education and psychology, English, French, government, history, journalism, mathematics, physical education, radio, Spanish, speech, and music. Special workshops are being conducted in art, reading, curriculum, music education and child study.

Two special summer schools, for band and vocal students, are being sponsored by the University School of Music. The tenth annual school for band directors will be held August 15, to 27. The John Finley Westminster Choir college will be held from July 6 to 16.

Commencement exercises for graduates will be held Friday, August 19.

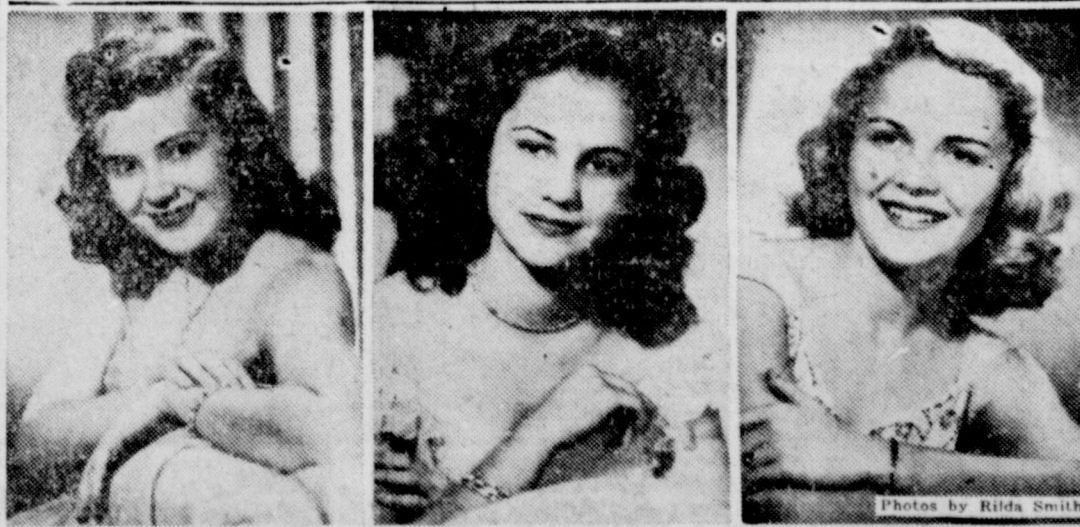

Warning Issued To Gold Fish Owners

The arrival of the city's newest weapon against the threat of polio a "fog machine," was announced today by city officials, and at the same time a warning to owners of gold fish was issued.

The "fogger," so called since the machine sprays with a fog mist spouting, will be using deadly chemicals, designed to put down the Fly and Mosquito menace. But, said a department official, the chemical is deadly to gold fish.

Owners of fish were urged by the city to take precaution by covering up the aquarium when the machine is being used in the vicinity. The city will be doing their part to warn residents of its approaching too. A loudspeaker will be mounted on the truck warning residents of its approach.

LUCKIES PAY MORE to give you a finer cigarette!

Yes, at tobacco auctions Lucky Strike pays millions of dollars more than official parity prices for fine tobacco!

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco—and pay millions of dollars more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are—how much more real deep-down smoking enjoyment they give you. Yes, smoke a Lucky! You'll agree it's a finer, milder, more enjoyable cigarette!

CURTIS A. WALKER, veteran independent warehouseman of Wendell, N. C., says: "Season after season, I've seen the makers of Luckies buy fine tobacco...tobacco that makes a mild smoke. I've smoked Luckies myself for 20 years." Here's more evidence that Luckies are a finer cigarette.

EAST CISCO W.M.S. HAD FINE PROGRAM

Women's Missionary Union of East Cisco Baptist Church met Monday afternoon at the church for a Royal Service program with Mrs. Carlton Holder presiding.

The meeting was opened with

THE LONG VOYAGE HOME—Shirley Larsen welcomes a well-traveled St. Bernard in San Francisco. Her merchant seaman father bought the dog in Switzerland, brought it to New York. Transferred, the dog was left with a friend. It vanished, turned up in Manila and vanished again. It finally showed up in a San Francisco pound, was sold to highest bidder.—Mrs. C. E. Larsen!

prayer by Mrs. J. D. Hall after which a short business session was held. The hour of meeting was changed from 3 p. m. to 2:30 o'clock and routine matters were transacted.

The meeting was then turned to Mrs. B. F. Thames who directed the program at which the topic, "Christ is the Answer for Questioning Youth" was discussed. Mrs. Paul Stephens gave the devotion in keeping with the topic and others assisting with program parts were: Mrs. Ray Reeves, Mrs. M. Slaughter, Mrs. Roy Little and Mrs. Carlton Holder. The meeting was adjourned with prayer.

Those present were: Mesdames Paul Stephens, J. E. Shir-

ley, Bob Mitchell, Roy Little, M. C. Ivie, Carlton Holder, J. O. Warren, A. W. White, M. Slaughter, J. D. Hall, Ray Reeves, B. F. Thomas and Mrs. Claude Tucker had charge of the Sunbeams.

For the Men Who Succeed

... and for those who will some day succeed them, our suggestion is that they invest part of their earnings in real estate. Wise investments in real properties have yielded fortunes to many people. And those who succeed in this venture never gamble on the title. They buy only quality abstracts made by those who have themselves invested wisely — in their plant — in their personnel — and in their responsibility to the public.
