NUMBER 159

The Gay Philosopher

By J. W. S.

WE'RE ALL seeing and hearing a lot about television these days. And you'll be glad to know that there is at least one set in operation in Cisco. It belongs to C. H. Tennyson, the radio man, who has it at his home in south Cisco.

We went by his place the other night to see Jersey Joe, the heavyweight, get whipped. The program didn't come in to good, for lightning was flashing all around.

Mr. Tennyson reports that on several nights he brings in Fort Worth very nicely. He believes he could improve his reception by raising his antenna some 40 feet. He expects soon to install a larger set, which he believes will work better.

On a good night, he can sometimes pick up programs from cities in the east.

WHILE MR. Tennyson believes that television can be successful in Cisco, we've heard of at least one manufacturer who sent test equipment here and decided that we're too far from Fort Worth. Abilene has applied for a TV station, which ought to improve the local picture.

WHILE WE WERE in Dallas for a Naval tour recently, we had occasion to watch a television set virtually every night. As a whole, the programs didn't impress us much. They seemed to be lacking in good entertainment.

Television is awfully expensive. It takes a minimum of two or three thousand dollars to install a station. Fort Worth, we understand, has already spent well over a million for this reason, the smaller towns will be very slow to obtain stations.

TELEVISION programs are expensive, too, for you have to have stages with plenty of scenery. A favorite of all stations is sports. Wrestling and boxing matches are perhaps the easiest to shoot. Football is pretty good. Baseball, however, keeps the scene changing as the camera follows the ball.

Television is pretty interesting and the day will probably come before long when all the little bugs will be worked out and one and all will be enjoying the programs.

Tickets On Sale For Fort Worth's "Fiesta-Cade"

FORT WORTH, June 28 — Preparations for "Fiesta-cade" here in high gear today on a city-wide basis as reserved seats began for the immense outdoor spectacle July 16-23 which will celebrate Fort Worth's first century of existence. Indian raids, cattle trail episodes, the coming of the first train and other dramatic events of Fort Worth's past are being rehearsed daily by some 2,000 Fort Worthians who have parts in the spectacle. The 300-foot stage which will run the entire length of Farrington Field when "Fiesta-cade" will be given, is being prepared.

The City Council, recognizing that something like this comes only once every 100 years, has provided an anti-fireworks ordinance so that a spectacular fireworks display may be given this night to conclude "Fiesta-cade."

The reserved seats are on sale at the Central Ticket Agency, Hotel Texas, and mail orders accompanied by check may be sent there. Seat prices are general reserved, \$1.80 central reserved sections, \$2.40, and box seats, \$3.60, tax included. Eleven Texas cities and towns have already announced they will have a special day at "Fiesta-cade" and will send large delegations and an official queen to the spectacle. Latest announcement plans are Brown and Olney.

Rev. J. V. Wilson of Bellefontaine, Miss., 20,000th person to attend conducted tours of Humble Oil & Refining Company's Baytown, Texas, refinery, is greeted by Plants Manager Gordon L. Farmed, left. Reverend Wilson was accompanied by his wife and son who were honor guests at a surprise party following the tour.

Cisco's National Guard Unit Is Soaked, But They're Enjoying It

By JIM EWELL

North Camp Hood, Texas, June 28 — Heavy rains, accompanied by high winds and lightning, lashed military installations and encampments of the 49th Armored Division, Texas National Guard, here Thursday night, but no severe damage was reported.

While it was not definitely known if the storm reached the southern section of the camp, National Guard encampments and quarters to the north, in which Cisco's Battery A, 648th Armored Field Artillery unit, is situated, were given a thorough soaking. However, normal operations were again restored Friday morning.

Despite rain drenched grounds, 648th Armored Field Artillery gun crews resumed "firing rehearsals" Friday morning in preparation for target drills toward the end of the first week of training, a spokesman from the battalion headquarters said.

In rehearsals Tuesday and Wednesday, gun crews from Cisco's unit under the command of Captain Olin Odum, Jr. were praised by instructors and reviewing officers for "cool precision timing while under pressure of commands." They said the Ciscoans, although weak in some points, had reached the stage of "battle fitness."

Gun components of the 648th Armored Field Artillery, which is composed of Colorado City, Breckenridge and Cisco batteries, have been working feverishly in blistering summer heat since Monday, second day of training, on the army's newest artillery weapon, the M-41, a mobil, self-propelled gun. Since National Guard censorship is somewhat strict on the M-41, a report, released from the division headquarters, said the M-41, on which Cisco gun crews have been assigned, can reach a speed of perhaps 50 mph on straight thoroughfares. Heavy tracks enable the M-41 to maneuver freely over hilly and rough terrain with rapid speed, and is deadly to entrenchments with its mounted 155 mm Howitzer, capable of projecting a shell nine miles to the target.

Cisco, a report said, is to receive two tracks (M-41s) at the close of the two weeks training camp here, for the use at College Hill armory.

Meanwhile, other camp divisions, centered around the 648th, were in full swing here Wednesday. Bill Tabor, Cisco Guardsman, is holding the top berth in the battalion's boxing tournament, and a softball league with Cisco entering a strong contingent was to get underway Friday. Management of the Cisco nine will be handled by Elbert Tipton.

A dance and stage show was to climax the week's entertainment. Approximately 4,000 National Guardsmen of the 49th Division are now in training maneuvers here, and reports gave Cisco's battery the largest attendance of personnel in the entire division.

MEET JULY SIXTH LUNCHEON CLUB WILL The Moran Luncheon Club is taking a two weeks' vacation while the wheat harvest is on. The next regular meeting will be July 6th. Visitors are welcome.

Marine League Offices Moved

National headquarters of the Marine Corps League, located in Albany, New York, for the past ten years, will be transferred to Baton Rouge, Louisiana, within the next 30 days, it was announced in Albany today by Theus J. MacQueen, national commandment of the all-Marine veterans organization.

The announcement follows a ten-week survey, made by the national commandment, and a special committee, of bids presented by Washington, D. C., Philadelphia, Pa., and Baton Rouge. Other cities considered were Topeka, Kansas, and Dearborn and Muskegon, Michigan.

Lions To Install New Officers At Wednesday Meet

Sam Fuhr of Olney, Lions Club district governor, will install new officers and directors of the Cisco Lions Club at the annual Ladies Night Banquet at 7:30 p. m. Wednesday at the Victor Hotel Coffee Shop.

Jack Anderson, chairman of the arrangements committee, reported Saturday that reservations for some 85 persons have been made. Anyone wishing to attend who has not made reservations should contact Mr. Anderson.

The program will be short. In addition to the installation ceremonies, attendance awards for the past year will be presented to some 15 members.

Martha Graves To Attend Meet At San Francisco

LUBBOCK, June 26, — Miss Martha Graves, instructor, and Miss Lola Drew, assistant professor, in home economics at Texas Technological College, will attend the national convention of the American Home Economics Association in San Francisco June 28 through July 1. Accompanying them will be Angela Rattan, president of the Omega chapter of Phi Upsilon Omicron, national home economics fraternity, and Marion Woods, president of Tech's Home Economics club.

Miss Graves will go to San Francisco via El Paso where she will attend the city wide adult home economics program of that city. Miss Graves is the daughter of Mr. and Mrs. T. A. Graves of Cisco.

Dairymen To Observe Johnson County Youth Dairy Program

More than 50 Eastland County dairymen, chamber of commerce officials and business men attended the regular monthly meeting of the Eastland County Dairy Association Monday night at Henry's Produce Company in

Cisco and discussed plans for a tour of Johnson County for the purpose of studying the youth dairy program there.

The interest shown at the meeting was the greatest that had been shown since the organization was formed and leaders expressed satisfaction in the growth of the dairy program in the County. A. Z. Myrick of Cisco, president, was in charge of the meeting and proposed the tour.

A committee chairman from each town in the county was named to make plans for the tour and to arouse interest in the trip among business and dairy industry leaders. The committee chairman was to appoint his assistants. B. A. Butler was named chairman for Cisco.

The Johnson County Youth Dairy Program was begun several years to interest club boys and farm youths in the building up of dairy herds, both in quality and number. The Rotary Club of Cleburne was the originator of the project. The youths are furnished with a registered jersey heifer and agrees to return the first heifer calf to the foundation in order for the program to perpetuate itself. Other restrictions placed on the foundation jerseys pertain to breeding and care of the animal.

A meeting of the directors was held immediately following the general meeting which was closed with the serving of refreshments by the host, C. W. Henry.

NEIL AGNEW, RESIDENT FOR 73 YEARS, BURIED HERE TUESDAY

West Texas Oil Men To Meet Here Wednesday

Final rites were to be held at the First Baptist Church at 4 p. m. Tuesday for William Neil Agnew, 81, retired farmer and rancher, who had lived in and near Cisco for the past 73 years. Mr. Agnew died at 5:45 p. m. Monday in a local hospital after a week's illness.

He was taken to the hospital after suffering a paralytic stroke on June 21. Prior to the attack, he appeared to be in good health.

He was born in Longview on March 19, 1868, and came to this section of the state in 1876. He was married to Julia Mallon in 1902. His wife had been dead for approximately 35 years.

Rev. Paul Stephens and Rev. O. S. Strickland conducted the services at the church and at Oakwood Cemetery. Thomas Funeral Home was in charge of the arrangements.

He is survived by one daughter, three sons, 15 grandchildren and one great-grandchild. The daughter is Mrs. I. H. Skiles of Cisco. The sons are Alfred Agnew and Elvin Agnew of Moran and Lester Agnew of Cisco.

Also surviving are one brother, Walter Agnew, of Cisco, and three sisters, Mrs. John Tickner of Desdemona, Mrs. Lew Gossett of Cisco and Mrs. Charlie Yeager of El Dorado, Oklahoma.

Local oil men will act as hosts to the group and L. A. Warren, Don Choate and R. L. Ponsler are in charge of the arrangements.

V. C. (Bud) Perini of Abilene is president of the West Texas group. Warren is a member of the Executive committee and Choate and Ponsler are members of the board of directors.

CARNIVAL AT LAKE The Don Franklin Shows arrived at Lake Cisco today and workmen were busy setting up rides and concession stands in order to have them early for tonight.

The Franklin shows have the reputation of being the cleanest show in Texas. The carnival was here last year and was here for a week's stay earlier in the month. They will be at the lake for the annual Fourth of July celebration.

MORAN LAKE FULL Last Sunday morning the Moran City Lake ran around the pumps were stopped when it overflowed. It has been several years since this has happened — some say eighteen years.

Discussions have been held regarding the stocking of the city lake with fish, now that the water is there.

## COUNTERFEITING BOOMS

The age-old business of counterfeiting U. S. money, once a domestic problem, has become international since the war's end, states Federic Sondern, Jr., in The Reader's Digest for July. The dollar is the favorite security abroad; European businessmen and refugees, willing to pay premium prices for our greenbacks in the black market, are perfect targets for Continental fake-money men. One big counterfeiting gang whose trail led U. S. Secret Service agents through the underworlds of Paris and Marseilles, had two million dollars in high-grade American counterfeiters when finally apprehended. Domestic counterfeiters, too,

have gone back into business in a big way, says Sondern's article, condensed from The American Mercury. In 1948 the Secret Service seized more than three million dollars in counterfeit bills—the largest haul of recent times.

In New York and Chicago—traditional headquarters of the bogus money makers—are underworld syndicates which supply a "reputable" counterfeit with paper, ink and presses, and furnish outlets for his product, on a percentage basis. The syndicate pays the counterfeiter \$7 to \$15 for \$100 of average-grade fake bills, and charges its "dealers" two or three times as much. The dealers in turn make a profit from the passers. Counterfeiters are usually tracked down only after patient and arduous sleuthing by secret Service men work within the counterfeiting gang itself. These agents must know underworld talk and criminal psychology, and be able to assume any role "from embezzling bank clerk to murderous longshoreman." Despite the hazards of the profession, no Secret Service man has been killed in line of duty in the past 25 years, Sondern notes.

Counterfeiters have tried every method of imitating the work of the U. S. Bureau of Printing and Engraving without success, the author says. Our currency paper is made according to a secret formula by a mill whose product has never been duplicated. Printing plates are composites of the work of a dozen highly skilled specialists, and only a few exceptional craftsmen can engrave correctly the portraits of the Presidents. Nev-

ertheless some counterfeit notes are so cleverly made that fool even experienced bank tellers.

To help wipe out counterfeit, the article urges that everyone read the Treasury Department's booklet, "Know Your Money," obtainable at any bank, and examine bills carefully.

## Texas High School Musicians Will Meet At T.C.U.

FORT WORTH June 26, — High school musicians from all parts of Texas will invade the TCU campus July 4, when TC U's regular summer student body will recess for its only vacation of the summer term, for the second phase of the TCU Summer Music Camp, the high school band clinic and workshop.

Reservations for enrollment in the clinic will be accepted until July 1. The clinic will run for two weeks, from July 4 to 16, inclusive.

In addition to the regular TC U music faculty, the band clinic staff will include one of the leading high school band directors in the nation, Franklin C. Kreider, Collinsville, Ohio. In charge of the entire Summer

Music Camp program is Dr. Clarence J. Best, head of TC U's music education department.

Morning sessions of the band clinic will be devoted to instruction in fundamental theory

and appreciation and sectional rehearsals. Full band rehearsals will be held each afternoon.

Running concurrently with the students' clinic is the last two weeks of the three-week

teachers' clinic, planned to give the high school instructors practical experience in clinical methods.

A full social program of swimming, picnics and dances

is planned for the high school bandmen to break up the intensive clinic training program.

# SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

## MARY WEBER BECOMES BRIDE OF EARL WHEELER IN MORAN RITES

Mary Weber became the bride of Earl H. Wheeler in a double ring ceremony read Saturday evening in the First Christian Church in Moran.

The bride is the daughter of Mrs. Charles F. Weber of Moran. The groom is the son of Mrs. Mabel Wheeler of San Antonio, Texas.

Rev. O. C. Harper pastor of the Christian church officiated. Cathedral tapers in wrought iron holders lighted the wedding scene. White Shasta daisies and fern decorated the altar and piano.

The bride's brother, R. E. Weber of Moran, gave her in marriage.

The bride wore a ballerina length dress of White Birdseye Pique with fitted bodice and low neckline, trimmed with Irish lace. In her hair she wore a Bandeau of white lilacs tied with green velvet ribbon attached to a shoulder length veil. She carried a bouquet of white Gladiolus petals with a shower of white satin streamers. She wore a five strand Pearl necklace a gift from the Groom. For something old she wore an engraved gold bracelet belonging to Mrs. E. W. Morris.

Miss Betty Morris, of Moran was maid of honor. She wore dress of pink, French veil embroidered with rosettes of lace and beads. Her hat was a bandeau of Shasta daisies tied with brown velvet ribbon. She carried a nosey of Shasta daisies.

The best man was the bride's brother, Howard M. Weber of Abilene.

The ushers were Floyd C. Pool and Glen Cottle.

The candles were lighted by Mrs. R. E. Weber of Moran and Miss Peggy Johnson of Abilene.

Pre-nuptial music was given by Mrs. Garland Shelton. A trio — Mmes. R. L. Martin, Paul Harper and Glen Cottle sang "Because" and "Always".

Mrs. Wheeler is a native of

Mrs. William H. Hoffmann, the former Miss Dorothy Jean Anderson, who was married to Mr. Hoffmann in a double ring ceremony Saturday evening at 8 o'clock at local First Baptist church.

Moran and a graduate of Moran High School and John Tarleton College. She has held the position of Assistant Cashier in the Moran National Bank for the past seven years. After a brief honeymoon the couple will live in Abilene where the groom is employed by the National Biscuit Company.

Mrs. Glen Cottle and Mrs. R. L. Martin were hostesses Friday evening June 24th for the rehearsal dinner, honoring the Weber — Wheeler wedding party. The dinner was given in the home of Mr. and Mrs. Glen Cottle.

ly three course luncheon was served. The honoree was presented with a beautiful gift by the hostess and the bride-elect gave each attendant a nice gift.

The guest list included: Miss Dorothy Anderson, Mrs. Eldon Anderson, Miss Cathryn Shepherd, Mrs. Myrtle Anderson, Mrs. C. W. Langston, Miss Mary Katherine Hoffmann, Mrs. Arlin Hamby, Miss Marjorie Morehead, Miss Martha Harris, Miss Billie Jean Hall, Mrs. Richard Vickers, Miss Lovell Paul and the above mentioned hostesses.

## Luncheon Saturday Honored Bride-Elect

Complimenting their niece, Miss Dorothy Jean Anderson, whose marriage to Mr. William H. Hoffmann was held Saturday night at the First Baptist Church, Mrs. H. E. Skipper of Midland, and Mrs. M. A. Hamby, of San Angelo, entertained their niece and her attendants with a luncheon Saturday at 1 o'clock at Hotel Victor.

Guests were seated for the meal at marked places where the table was centered with a lovely arrangement of yellow carnations and gladioli. A live-

## Turknett Family Here For Reunion

Children of the deceased Mr. and Mrs. Frank Turknett met here Saturday, June 25, for a family reunion and get-together visit over the weekend. Three of the children live in Cisco and a cabin at Lake Cisco was rented for the weekend. A sumptuous dinner was served, in a park near the lake, which was heartily enjoyed by all participating.

Those enjoying the weekend together were Mr. and Mrs. Wiley Whitten of Brady; Mr. and Mrs. Tom Crozier and children of San Saba; Mr. and Mrs. E. L. McClelland and family of Odessa; Clifford Turknett of Breckenridge; Mr. and Mrs. Forrest Noble and children of Andrews; Mr. and Mrs. R. L. Garrett and children of McKinney; Mr. and Mrs. Raymond Turknett of Eastland; Mr. and Mrs. F. P. Curry and children, Linda and Mike; Mr. and Mrs. Richard Turknett and daughter, Sandra; Mrs. L. J. Schlaepfer, daughter and son, of Cisco. Two nieces, and their famil-

Mr. and Mrs. Oscar Penn were hosts to a number of visitors in their home southwest of Cisco over the weekend. Those with them were Mr. and Mrs. Hessie Cogolaton of Danville, Ill; Mr. and Mrs. Ralph Pisono and sons, Jimmie and Jackie and Mrs. Marvin Wade of Fort Worth; Mrs. Penn's brother and wife, Mr. and Mrs. Terrell Jones of Fort Worth; and her uncle, Oliver Phillips and wife and their daughter, Mozelle Phillips of Bluff Branch community.

Mrs. Wilbur Simms and daughter of Evansville, Indiana are here for a visit with her parents, Mr. and Mrs. W. J. Parsons.

Mr. and Mrs. Arthur Reese of Putnam transacted business in Cisco Saturday and while here visited her sister and husband, Mr. and Mrs. B. T. Leveridge.

Mrs. W. Bogan Dunn was expected to return from Fort Worth where she has been visiting in friends and transacting business.

Mrs. A. W. Dawson and her sister, Miss Mattie Lou Simmons spent the weekend at Stephenville with her sister and husband, Mr. and Mrs. W. A. Looney and other relatives there.

Mrs. K. L. Timm of Tacoma, Washington was expected to arrive today for an extended visit with her parents, Mr. and Mrs. J. E. Norris and family.

Mrs. M. A. Hamby and her

ies, Mrs. Opal Sanders and small son, Ronny, of Abilene; Mr. and Mrs. Clayton Daniel and daughter, Carolyn, of Big Spring, were also expected to be present.

daughter-in-law, Mrs. Arlin Hamby and Mrs. H. E. Skipper have returned to their homes at San Angelo and Midland after participating in the social affairs preceding the wedding and attending the church wedding of their niece and cousin, Miss Dorothy Jean Anderson and W. H. Hoffmann here Saturday evening.

Mr. and Mrs. G. E. Wende and daughters, Miss Emmalee and Mrs. Arthur Bauer left Sunday on a two weeks vacation trip. They will visit Carlsbad Caverns and go on to Iowa where they will spend ten days with another daughter and husband, Mr. and Mrs. Norman Moore, near Des Moines.

L. A. Harrison was here from College Station for a weekend visit with his mother and sister, Mrs. L. A. Harrison and Miss LeClaire Harrison.

Miss Ruby Love joined her nephew, Jack Love Blanton of Houston and her niece and husband, Mr. and Mrs. W. W. Stephenson of Fort Worth on a trip to Colorado where they will enjoy a vacation with other members of the family.

Born, to Mr. and Mrs. Roy Lee Williams of North Fort Worth in a hospital of that city Monday, June 27, a son — Hol-

lis Dale; Weight 7 pounds. The baby is the second son and child of Mr. and Mrs. Williams. The paternal grand parents Mr. and Mrs. R. L. Williams Sr. live in Cisco, and the mother's parents Mr. and Mrs. Euanok reside at Putnam.

Mr. and Mrs. J. Nelson Williams of Brownwood were visiting in Cisco Sunday with their parents, Mr. and Mrs. R. L. Williams and Mr. and Mrs. M. R. Surles.

Out-of-town relatives called here by the death of Mr. Neil Agnew include his three sons and their wives, Mr. and Mrs. Alfred Agnew and Mr. and Mrs. Elvin Agnew of Moran; and Mr. and Mrs. Lester Agnew who reside south of Cisco. The only daughter, Mrs. Inman Skiles lives in Cisco.

Mrs. Charlie Yeager of Eldo-

rodo, Oklahoma returned home Monday after spending the past week here at the bedside of her brother, Neil Agnew.

Word received here by Cisco relatives stated that Mr. and Mrs. Morris Williams and daughter, Pat, had left by boat for Caracas, Venezuela. They enjoyed a pleasant visit with relatives in Texas and Oklahoma. Mrs. Williams is the former Miss Juanita Yeager of Eldorado, Okla.

## For the Men Who Succeed

... and for those who will some day succeed them, our suggestion is that they invest part of their earnings in real estate. Wise investments in real properties have yielded fortunes to many people. And those who succeed in this venture never gamble on the title. They buy only quality abstracts made by those who have themselves invested wisely — in their plant — in their personnel — and in their responsibility to the public.

# New Motor Oil Placed On Sale By Humble Co.

HOUSTON, June 27 — At more than 2,000 retail stations in Texas, Humble Oil and Re-

fining Company today introduced new Esso Extra Motor Oil, companion product to premium Esso Extra gasoline.

The motoring public is hearing about this new detergent-type motor oil through one of the most aggressive advertising campaigns ever placed behind a product by Humble. Advertising is being carried in more than 400 Texas newspapers, and

this effort is being supplemented by radio, poster board, point of sale, and direct mail programs.

Service stations in cities, towns, and hamlets over the state are decorated for the occasion. On the driveways of these stations are more than 4,000 salesmen who have learned about the new product in a series of 30 educational meetings held in recent weeks.

The new Esso Extra Motor Oil is the result of several years of research and more than one million miles of test driving under all kinds of conditions, Humble sales executives announced. It contains a detergent agent which enables the oil to clean as it lubricates. It also holds in suspension such impurities as accumulate in the oil, Humble technicians explain, and thus makes for a cleaner motor.

## Relatives Guests At Lovely Dinner In May Witt Home

Mr. and Mrs. Max Witt entertained a number of relatives in their home Sunday. A lovely chicken dinner was served at noon with all the garnishings.

During the afternoon refreshments of home-made ice cream and cake were served. Those present at the noon din-

ner were Mr. and Mrs. Herman Witt and daughters, Janice, Gladys and Lorraine of Azzusa, Calif.; Mr. and Mrs. Melvin Stokes and baby son, Wallace of Dallas; Mr. and Mrs. Erwin Witt and children, Donald and Wanda; Mr. and Mrs. W. J. Prange and the hosts, Mr. and Mrs. Witt.

Others calling during the afternoon were: Mr. and Mrs. Ernest Reich and children, Rebecca and Timothy; Mr. and Mrs. Ben Wende and daughter, Linda; Mr. and Mrs. Edwin Wende and children, Danelda, David and Marcia, all of Cisco.

**Esso Extra MOTOR OIL**

*The Finest motor oil we've ever sold*

Your acceptance of motor oil quality is based on faith in the Company which supplies it. The new Esso Extra Motor Oil is the finest the Humble Company has ever supplied its customers. Exhaustive testing has convinced us that Esso Extra Motor Oil will give the engine of your car extra protection against heat, wear, corrosion and the formation of sludge, carbon and varnish. We recommend Esso Extra Motor Oil without qualification. It is the companion motor oil to Esso Extra gasoline.

## a Motor Oil to match the high quality of Esso Extra Gasoline

### Gives your car Extra protection

The makers of Humble Esso Extra gasoline present with pride the new Humble Esso Extra motor oil. Esso Extra gasoline proved its quality with performance in your car—you noticed extra anti-knock quality, you noticed extra power. The extra quality of Esso Extra motor oil is hidden inside the engine of your car. But it shows up in the three-way extra protection it gives your car.

**Extra 1** Humble Esso Extra Motor Oil gives extra lubrication quality—it covers and stays on metal parts.

**Extra 2** Humble Esso Extra Motor Oil gives extra cooling—hot engine parts are quickly

bathed with cooling Esso Extra Motor Oil.

**Extra 3** Humble Esso Extra Motor Oil keeps engines extra clean—its detergent action picks up, breaks up and disperses soot, sludge, varnish and dirt.

This extra performance is something extra for your money, for Humble Esso Extra costs no more than other premium motor oils. Stop at the Humble station in your neighborhood—today—and have dirty, dangerous motor oil drained from your car—then refill with new Humble Esso Extra. Your Humble station salesman can do this while you wait.

**HUMBLE OIL & REFINING COMPANY**

## Here's How New Humble Esso Extra Motor Oil Protects Your Car

 <p><b>CLEANS!</b></p> <p>You probably use a good detergent soap in your kitchen. New Esso Extra Motor Oil contains a detergent specially designed to be added to motor oil to keep engines clean. As a good detergent soap will not injure hands and delicate fabrics, the mild detergent in Esso Extra Motor Oil is safe for use in the finest, tightest automobile engines made.</p>	 <p><b>NO RING!</b></p> <p>You know how a good soft water carries dirt down the drain pipe—leaves no ring in the tub. Just like that, new Esso Extra Motor Oil breaks up dirt, soot, sludge and varnish and holds it in suspension in particles so tiny—as small as 38/1,000,000 of an inch!—that they can't injure the tightest bearing. When you drain the oil, you also drain the harmful substances which Esso Extra cleans out of your engine.</p>	 <p><b>GOOD FOR YOU—BAD FOR MOTOR OIL</b></p> <p>You need oxygen, but oxidized motor oil forms harmful sludge in the engine of your car. New Esso Extra Motor Oil contains a special anti-oxidizing agent that fights the formation of dangerous sludge.</p>	 <p><b>HOT OR COLD—ALWAYS THE SAME</b></p> <p>In cold weather, you want a motor oil thin enough to flow instantly to moving engine parts. In hot weather, you want an oil that stays full bodied and tough. Scientists rate the ability of an oil to stay the same, hot or cold, by its viscosity index, and, generally, the higher the viscosity index, the better the oil. New Esso Extra Motor Oil has the highest viscosity index of any motor oil in Texas—or oil!</p>	 <p><b>OVER A MILLION MILES</b></p> <p>New Esso Extra Motor Oil has been road tested in cars like yours for over a million miles of driving. In every test, whether the car was driven slow in city traffic or pushed on the highway, new Esso Extra Motor Oil proved to the engineers who made the tests that it gives extra motor oil performance.</p>
