FRENCH WAR VETS PROTEST PENSIONS—Disabled French war veterans, led by a brigade of wheel chair cases, gather before the National Opera in Paris, before parading to protest their government's handling of pensions. The vets claim that promised increases in pensions have not been made. The government denied permission to the men to stage their parade, but relented at the last minute. (Acme Photo by David S. Wheat Harvest Is Almost Complete

Wheat harvest made rapid progress in the important High Plains as open weather prevailed and the supply of equipment and hands was adequate. By the end of the week, harvest was nearing completion in all areas except the central and western parts of the Panhandle and with another week of open weather, most of the 1949 Texas wheat crop will be harvested.

Corn continued to develop favorably and prospects remained excellent in most areas, although additional rainfall would be helpful to limited acreage of late corn.

Cotton made excellent growth and continued fruiting in central and southcentral counties. Bolls were opening rapidly in the Lower Valley where harvest was underway. Dryland cotton in that area was suffering from the effects of continued drought. Rain was also needed in the Coastal Bend area, where fruiting had stopped and shedding of bolls and leaves was excessive. Plants made rapid growth over eastern and north-central Texas, with early cotton blooming. There was some increase in insect infestation. In northwest Texas where most cotton is late, chopping and plowing continued and plants made good growth. Most High Plains cotton had received first cultivation and growth was favored by the hot weather of the past week. Insect infestations remained light in northwest areas as many farmers carried out early control measures.

Ranges and pastures continued supplying good feed over most of the state. However, most coastal counties were getting dry. A heavy growth of grags was curbing in most Low Rolling Plains, western Plateau and southern counties. Needle and three-awn grass was causing injury to lambs in most plateau counties. Cattle continued to make fair to good gains, but grass was generally too coarse for sheep and lambs.

Local Scouts Leave For Camp Billy Gibbons Friday Morning

Some 14 Boy Scouts and one leader from this city will be among the more than 100 Scouts from the northern district of the Comanche Trail Council who will attend the annual summer encampment at Camp Billy Gibbons, July 8-15.

Headed by Charles Graham, scoutmaster, the Cisco scouts will leave here early Friday morning for the 165 mile trip to the camp site, located in San Saba County near the famed San Saba River. The group expects to arrive there late Friday afternoon.

Dedication of the camp, which was re-constructed in a new location three years ago by the council, was made in a ceremony last Tuesday. A gravel road has been recently completed to the camp which is situated some 15 miles south of Richland Springs.

In addition to the Cisco boys, whose troop is sponsored by the First Presbyterian Church, groups from Ranger, Woodson, Eastland, Olden, and Breckenridge will compose the northern district attending this year.

Upon their arrival and after the tents are set and other camp preparations are made, the scouts will register prepare for the beginning of camp activities. Sunday's program will include an all day hike, marksmanship shooting, swim and diving contests, and other features. Sunday also will be Parents Day.

For the past several years, Cisco scouts have won many of the athletic and other contest honors.

Cisco Scouts making the trip include Bobby Benny, Erwin Allen Brunkenhoefer, Bud Deen, Bob Marsh, Bill Mitcham, John Mank, Skip Porter, Barbee Smith, Freddie Smith, Blair Paul, Lonnie Shockley, Vandell Weathers, Harry Warren and Floss Wooten.

CHURCH LEAGUE GAME WILL TOP SOFTBALL PLAY AT ABC FIELD

The pulse of the City's current softball league activities will quicken tonight at Chesley Field when the First Baptist Blue Sox, still the team to beat in the Sunday School League, meet a rebounding First Methodist Church nine at 7:45 p. m.

Action will be a certainty in the Commercial League game between Putnam and Moran. The second bill begins at 8:45 a. m. Tickets can be secured at the entrance.

However, much attention is expected to be centered around

the church league battle tonight as competition has been driven to a fine point between the four contesting teams. At the top are the First Baptists, under the management of Rev. Otis Strickland. Next in line are the Methodists, followed by the East Baptists and the cellar dwelling First Christians. As before, the Baptists will begin their ace hurler, James McGowan, at the pitcher's mound, backed up behind the plate by Jackie Leech. So far, McGowan has sparked his team in each contest, setting the league afire with consistent wins.

The Baptists can rely on Durward Smith, center fielder; Buzz Sawyer at first base and Donald Kent, keen-minded short stop, to do the most hitting. Others in the starting lineup will include R. Jackson, D. Johnson, J. Kisner and B. Black.

Although they have been beaten on four occasions by the Baptists, the Methodists will be primed to the gill tonight, according to reports.

For one thing, a full lineup has been assured. Methodist managers, James Farley, who has shown rapid development with his pitching arm, will be the starting moundman, supported by Skip Porter, if the need arises. Good hitting should come from Sharley Cooper, second baseman, and James Porter. Others on the probable line-up will include Joe Ed Schaefer, Lewis Cooper and Tex McQuary.

WARNING ISSUED

Girl Scout officials today issued a warning against the purchasing of items from Scouts or those purporting to be Scouts, unless the girls could show proof in the form of an authorization card, that the sale or solicitation had the approval of the local Scout Council.

It was reported that recently two girls supposedly from Girl Scout Troop 4, had been selling pet lifters, leaving the impression the sale was being conducted by Scout officials.

Wooden Nickles Are Acceptable By Ranger Businesses

RANGER, July 7 — "Don't take any wooden nickles" does not apply in Ranger.

In fact, wooden 5-cent pieces are being issued here and are places of business. However, accepted at "face value" at most of them are retained by tourists and citizens as souvenirs.

The "nickles" are one of the ways that the Junior Chamber of Commerce is calling attention to the annual rodeo, July 20-23. At the same time, a homecoming will be held and old-timers, here during the huge oil boom of 30 years ago, will be welcomed.

Hugh Ewells Hosts For Picnic At Lake

Mr. and Mrs. Hugh Ewell had as visitors in their home over the Fourth of July her parents, Mr. and Mrs. J. W. Babb of Abilene; her uncle, W. P. Babb and Miss Corrine Birgess of

Dallas; and Mr. and Mrs. Milton Bradberry of Knox City, son-in-law and daughter of the Ewells.

The hosts and visitors went to Lake Cisco, where they enjoyed a basket picnic dinner which was attractively placed on a table in the park near the

water. Following the bounteous meal the group enjoyed conversation for a time after which they engaged in the pleasant recreation of swimming.

Others participating, not mentioned before, were Jim and David Ewell, sons of the hosts. Jim Ewell had just returned from a two week's stay at Camp Hood with the Texas National Guard.

Mrs. Truly Carter Hostess To Circle

Mrs. Truly Carter was hostess when Business Women's Circle of the First Baptist Women's Missionary Union met Tuesday evening in her home with Mrs. Paul Poe presiding.

The meeting was called to order with prayer, after which minutes of the last meeting were read by Miss Doris Joe Pyle. The resignation of Mrs. Poe as chairman of the Circle was accepted with regret. The assignment for the month — to visit new converts — was emphasized by the chairman.

The meeting was then turned to Mrs. Otis Strickland who brought a splendid Bible lesson.

During the social hour that followed refreshments of cookies and punch were passed to Mesdames Myrtle Anderson, Otis Strickland, Paul Poe, Mack Stephens, O. O. Love, H. N. Lyle, Misses Doris Joe Pyle, Mayme and Letha Estes and Mrs. Carter.

Mrs. Lucile Litton Was Circle Hostess

Circle Nine of the First Baptist Women's Missionary Union met Tuesday afternoon in the home of Mrs. Lucile Litton.

Mrs. Margie Grantz presided and called the meeting to order with prayer by Mrs. Bernice Falkenberg.

The secretary's report was read and approved and the treat-

menter's report followed. The assignment — to visit prospective members of the church — was read by the chairman after which the devotional was presented by Mrs. Margie Grantz. The scripture basis used was Luke 14:16-24. It was decided to present a gift to any member

who moves away and a committee was appointed by the chairman to collect 25 cents from each member to be used to buy a gift for Mrs. Billie McPherson, who has recently moved to North Carolina. The meeting was closed with prayer by the leader.

During the social hour, delicious sodas and sundaes were served to Mesdames Leon McPherson, leader, Bernice Falkenberg, Margie Grantz, Bebe Stone and Lucile Litton.

GOOD VALUES IN GOOD FOODS

Customers Corner

A good food store must be a clean store. We believe our customers are entitled to top quality food at low prices, served in clean, healthful surroundings. That's why we train and instruct our employees to keep all trays and cases and scales scrubbed and sanitary; to keep refuse and packing cases out of the aisles and off the sidewalks; and to keep floors and grocery racks clean and orderly.

Sometimes during rush periods it's hard to keep a store as neat as it should be. But that's our job, and you will be doing us a favor if you will let us know if your A&P store ever fails in any way to measure up to our high standards of cleanliness. Please write:

GETTING THE JOB DONE
... is a good answer to the student's question, "What success?" The same answer will serve for the rest of those who operate a business, engage in a profession, or who work for others. The division line between success and failure is drawn at this point. This is what the banker, the real estate broker or the lawyer does when he closes a real estate sale and sees that his client has a good title based on an abstract of title.
