Ranger Jaycees Set Rodeo Date

Members of the Junior Chan per of Commerce announced to day that July 19-22 has been set Slatton was placed on as the dates for the annual Jayce Rodeo in Ranger this summer.

Buck Steiner and his son, Tom nie Steiner, of Austin will furn sh the stock for the rodeo which the fifth annual Jaycee show.

The usual rodeo events will be the program plus some very attractive special features. The otal in prize money has not beer ounced but Jaycees have stat d that the winner of each event vill receive a sterling silver belt buckle in addition to the prize

Two Forgers Are **Given Sentences**

Two forgers were found guilty s charged in 91st. District Court t Eastland trials Tuesday, Sher-

to Eastland last week from Carlsbad by Sheriff Willams, was sentenced to three years in the state penitentiary. His wife's three year sentence was suspended They pleaded guilty.

Sheriff Williams said the pair was wanted in Colorado City or similar charges and would be turned over to authorities there.

Roundup Club To Meet Thursday

An important meeting of the Roundup Club has been called for 7:30 p. m. Thursday in the basement of the First Christian Church. All members were urged to attend as important business will be discussed.

Plans for the completion of the rodeo arena will be among the business brought before the club and the group's part in the coming Eastland County Livestock Show will be presented.

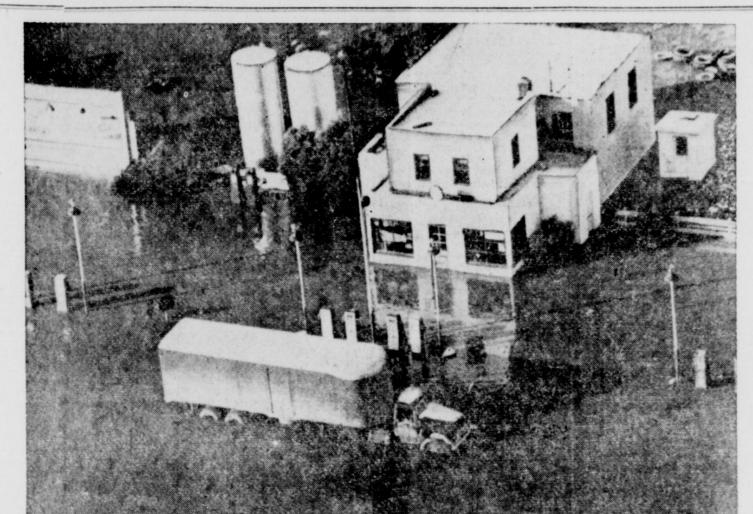

Club officers issued a special appeal to all members to be present to aid in working out details of the two projects.

Lone Star Will **Seek Completion**

Lone Star Producing Company was moving in tools today in their J. W. Dennison No. 1, wildcat oil test five miles southwest of Cisco, to begin completion efforts Memorial Hospital there probably Thursday. The well was cemented last week.

It was understood that completion would be attempted in the Ranger Sand and in the upper Caddo lime. Electric logs reportedly indicated most favorable prospects in these sectors.

A. D. Anderson who underwent surgery in Fort Worth recently was released from the hospital ick Anderson spent the Tuesday and will return to Cisco in about a week.

FULL FILLING STATION-This filling station on U.S. Highway 66, near Valley Park, Mo., would be happy to trade its gasoline pumps for one that works with water. The transport truck was abandoned by the driver when it stalled in two feet of water from the overflowing Meramec River. Flooded river basins in Illinois, Indiana and Missouri left nearly 4000 persons homeless

Water Resources Meet To Make Recommendations On Future Needs

ding to a request from President cy Commission for recommen- policy. dations on a unified program for maximum use of the water resources of the West Texas region, officers of the West Texas Domestic Water Association convened in Lubbock Feb. 17 to traft a proposal seeking national recognition of "inadequate water as a menace to the wel-

desirable.

The request was addressed to Homer D. Grant, WTDWA pres- TRAIN DELAYED HERE dent, and J. M. Willson, president of the West Texas C. of C. by Morris L. Cooke, Philadelphia engineer and chairman of the Policy Commission, and was grams dispatched to Texas' Senators and Representatives seek-

discussing the domestic and in-Truman's Water Resources Pol- dustrial water problems and

> Cook's communication stated that "in view of the interest you have expressed, I am inviting you to assist us by a full presentation on such aspects of the matter as you would want the Commission to consider in coming to conclusions which it wil report to the president.

"We would appreciate receiv WTDWA officials directed D. ing five copies of your presenta A. An All Electric Kitchen saves you time, money and work

When a Kitchen is Practical and Pretty

When all of your appliances are electric it costs less to use them than when you have a combination of services. That's because each time you take another step towards an all-electric kitchen you also step down the cost of each unit of electric service. The more you use the lower the rate. Yes, an all-electric kitchen is easier, cleaner,

> West Texas Utilities Company

cooler, and costs less!

of Course, It's Electric!

AN ALL ELECTRIC KITCHEN INCLUDES:

The Electric Range automatically provides the exact cooking tempera-ture needed. Surrounding work surfaces and storage cabinets keep cookingutensils and food shining clean, and supplies within dries them without arm's reach.

Dishwashing Center: Ample work space for stacking used dishes and cooking utensils. The Electric Dishwasher handles not only dishes and silver, but pots and pans as well — washes them

Refrigeration Centers The Electric Refrige erator provides ample food storage, and large freezing capacity. Adjacent work surfaces provide space for food preparation. Adequate Wiring: This

For the next few days our store will be operated with ly one registered Pharmacist on duty instead of the regular two. Hours open will be shortened to 8. a. m. till 7 p. Please let us have your prescriptions, particularly the refills during these hours.

MANER'S PHARMACY

THAT GLD FAMILIAR PHRASE-When William Hanke, 28, was arrested by police in Chicago, Ill., on a charge of holding up a cab driver, he protested in a most ungentlemanly manner. He kicked a little, scratched, bit, then wound up the struggle by shouting, "You can't do this to me."

IN ON HER ACT-When actor producer Ken Murray invited Daisy, a movie star in her own right, to appear on a television show in New York, she called on him for a rehearsal. With justifiable motherly pride, she brought her five sons and daughters along to emote before the cameras. Daisy says she can use some extra cash.

Mrs. Ina Pyle Martin Hostess To Class

The Lydia Class of First Baptist Sunday School met Thursday, Feb. 16, for a social and business meeting in the home of Mrs. Ina Pyle Martin. Mrs. G. M. Beene, class president, was in charge and opened the meeting with the devotion, brought by Mrs. C. S. Surles. Prayer was offered by Mrs. O. L. Mason, class teacher, preceding the business session.

Minutes of the last meeting, read by Mrs. Fred Grist, were pproved, and the treasurer's reort was given. It was agreed y the class to pack a "sunshine" ox for a shut-in; and other roune business was transacted. A social hour followed during nich interesting games, directed by Mrs. W. D. Hazel, were en oyed by the group.

visitor, Mrs. Richard Bollinger; and Mmes. O. L. Mason, C. S. Surles, G. M. Beene, A. Bint, R. L. A. Burkett, D. A. Harper, F. Grist, Eula Grantz, and the hostess, Mrs. Martin.

50,000 Miles - No Wear!

7. Five Years' Driving in 70 Days! To test the wear-fighting ability of amazing new Conoco Super Motor Oil, six brand-new cars raced over blistering highways along the Mexican border . . . 14 hours a day for 10 weeks. After 50,000 miles of continuous driving, engines showed no wear of any consequence . . . in fact, an average of less than one one-thousandth of an inch on crankshafts and cylinders! Astounding proof: factory polishing marks were still visible on

2. New-Car Mileage! For the last 5,000 miles of this gruelling test-equal to 5 years of normal mileage-gasoline mileage was as good as for the first 5,000 miles . . . actually there was an average difference for the fleet of only 4/100 of a mile per gallon! Proved: Conoco Super Motor Oil-with crankcase drains at proper intervals and regular care—can keep your new car new! New Conoco Super Motor Oil conclusively showed itself to be the great new modern wear-fighter!

New-Car Power! Quicker Starts!

Yes-Conoco Super Motor Oil's extra protection keeps that factory flash . . . that showroom smoothness . . . year after year! Conoco Super Motor Oil's exclusive ability to OIL-PLATE metal surfaces makes your engine last longer, perform better, use less gasoline and oil! Conoco Super Motor Oil virtually stops wear before it starts . . . keeps your engine new and clean!
