

CHURCH NEWS
EXPANSION PROGRAM PLANNED
HERE BY CHURCH OF CHRIST

Plans for future expansion in Cisco were announced by local church of Christ officers following a business meeting held this week.

Plans call for the immediate expansion of the work among the colored people of the city by the purchase of lots and the erection of a meeting house in the colored section. The new building, now being used as an educational building by the church on West Eighth, will be moved to lots facing the Breckenridge Highway and turned over to the colored congregation for their use.

HIGHLIGHTS
Of Next Sunday's Lesson
By P. W. S.

Lesson Text: Acts 15: 13-20, Gal. 2: 9-12.

One of the most interesting lessons of the biographical series which we are studying this quarter is next Sunday's study concerning James, a leader in the Jerusalem church. Let us notice briefly some important things that qualify him to be a great leader.

His Childhood

James was one of the four half-brothers of Jesus (Mark 6:3) and we may be sure that during his childhood days in the home of Mary and Joseph, his parents, that he received sound training as a lad. No doubt, they would send their other children on their many trips to the temple to worship.

Although he was reared in the same home with the Lord Jesus Christ, there is no record that he ever accepted Him as Savior until after the resurrection. This brings us to the most important part of his life.

His Conversion

The Scriptures are not clear as to the exact time of his conversion; however, 1 Cor. 15:7 tells us that one of the post-resurrection appearances of Jesus was to James. Many believe that the Lord's appearance to James was similar to his appearance to Saul of Tarsus, who was converted in the powerful preacher, Paul the Apostle. Of this we may be sure somewhere along the way, he received Jesus as his Saviour because James and the other half-brothers of Jesus were with the 120 in the upper room prayer meeting (Acts 1:14).

His Consecration

His consecration was essential to James' being a real leader in the church at Jerusalem. It should be essential for leaders in churches of today. He was a man of prayer and because of this he was a man of power. The New Testament reveals that his outstanding actions became such that everyone knew that something had happened in his heart.

His Convictions

Our lesson texts reveal that although he was tolerant enough to listen to the ideas of others, he stood by his convictions. When the apostles wanted to put a yoke of Old Testament ceremonies upon Gentile converts, James said, "Wherefore my sentence is that we trouble not them, but from among the Gentiles we should turn to God; but that we abstain from pollutions of idols, and from things strangled and from blood." And in his book, which we know as the Epistle of James, under the inspiration of the Spirit of God, he spoke his convictions which were summed up in the words of our memory selection this week. "Ye doers of the word and not hearers only, deceiving your own selves." (James 1:22).

Methodist Youth To Attend Rally At DeLeon Monday

Young people from the First Methodist Church and the Wesley Methodist Church will attend the District Methodist Young People's Meeting at DeLeon Monday night, it was announced here today.

The meeting will be conducted at the First Methodist Church of DeLeon, and all young people of the Cisco Methodist churches were urged to make their plans to attend with their groups late Monday afternoon.

The Wesley Methodist Church is planning a campaign to increase attendance in all the services of the church. "We want all our people to be conscious of their responsibility to be present at all the services," Rev. Warren said.

The first quarterly conference of the new conference year will be conducted at the Wesley Church at 7:30 p. m. Tuesday evening. Rev. Leslie Seymour, district superintendent, will be in charge. All members of the church were urged to be present for this service.

Pastor Warden will speak at both worship services Sunday.

Save 20 per cent on Appliance Loan Repay From Your Bank 1ST NAT'L in Cisco-Mbr. F. D. L. C.

NOT PART OF THE EXHIBIT—Tiny Josephine Masters was absorbed in hanging one of her uncle's pictures in an open-air exhibit in London, England. The fact that she had nothing on but her slippers does not mean it was an exhibition of nudes, but she had that policeman puzzled for a little while.

Christian Church Announces Services And Banquet

At the 11 a. m. worship service of the First Christian Church this Sunday, Rev. Maurice D. Swisher, minister, will bring a message on the teachings of Jesus concerning the Holy Spirit. New time for the evening services during the fall and winter months will be 6:30 for Christian Youth Fellowship and 7:30 for evening worship.

An all-church banquet in honor of new members to the church during Pastor Swisher's first year with the congregation is being planned for Thursday, Sept. 21, at 7 p. m.

The Women's Christian Fellowship will have charge of the arrangements for the banquet and the men will plan the program. Speaker for the occasion will be Rev. J. H. Montgomery, new minister of the First Christian Church of Breckenridge. Rev. Montgomery was formerly assistant to the president of Texas Christian University at Fort Worth.

Future Farmers Enter 3 Heifers In Annual Fair

Jersey heifers given to Daniel Gray, Virgil Cozart, and Jimmy Webb of the Cisco FFA chapter will be exhibited today and Saturday at the Rising Star Fair.

The boys won the heifers last year by writing essays on the care and feeding of Jersey heifers. The contest was sponsored by the Eastland County Dairy Association.

The heifers were given away by the Cisco Chamber of Commerce, the Lions Club, and the Rotary Club.

The chapter had its pickup in the parade at Rising Star Thursday. The '50 Ford pickup was given to the boys last March by the Nance Motor Company of Cisco.

On the door of the pickup is painted the FFA emblem and the words: "Future Farmers of America, Cisco Chapter, Courtesy of Nance Motor Co."

Wranglers Ready To Open Grid Season

Coaches Scat Russell and Paul Mosley and their entire 35-men Cisco Junior College Wrangler football squad will leave at 1 p. m. Saturday for Stephenville to open their 1950 football season against the John Tarleton Plowboys at 8:15 p. m. Saturday.

Students of Cisco Junior College had elected five cheer leaders and were preparing to be present at the game in big numbers. A college bus will leave at 5 p. m. Saturday. It will carry any college students who want to make the trip and, if there is

John Tarleton Plowboys Ready For Cisco Team

STEPHENVILLE, Sept. 14—The John Tarleton Plowboys will be ready for Cisco and Jimmy Payne, Coach Willie Zapalac said today.

Drawn by the prospects of facing Jimmy, the squad went through twice daily workouts this week in preparation for the Saturday night tilt. They know they have the line to keep the former Plowboy smothered. Tarleton linemen, much larger than last year, are working on rushing Jimmy, the fast and accurate little passer for the Cisco team. Once a Plowboy star, Payne may find himself smothered too often for his quarterbacking to be effective.

The Plowboy line this season averages around 200 pounds. Jack Jones, Charles Goff, Donald Deel and Dan Coultas are looking the best in the line. Others who have shown up well in scrimmage are James Coble, guard; Lee Wise tackle; Dean Roberson, guard; Floyd Stiles and Joe Edgar, ends. Lewis Holt, Elton Baker and Harold Thomson also look good at end.

"Marvin Brown, Lloyd Corder and Elmer Shaw make a good junior college backfield," Coach Zapalac said. Brown, a fast broken line runner, and a good defensive man, looks even better than he did last year. Corder, the Plowboys' hardest running back, is capable of going all the way when he breaks into the open.

And Elmer Shaw, 190-pound halfback from Sweetwater, is making the coaches forget Bobby Cavazos, who transferred to Texas Tech this year. Pence Dacus has shown marked improvement at quarterback. He is a good passer and best defensive man on the team, the coach thinks.

So Saturday night may be a rough night for Coach Scat Russell's Cisco eleven. — Stephenville Daily Empire.

Miss Mary Frances Keough of Dallas is visiting her parents, Mr. and Mrs. E. J. Keough.

Loboes Open Home Football Season In Contest Tonight

The Gay Philosopher

By J. W. S.

GOING TO Stephenville to see the Wranglers open their football season Saturday night? It's 61 miles if you go the way we're going. Drive out toward Fort Worth and turn left on Highway 108 somewhere beyond Ranger. The roads are good. But drive carefully.

READING THE ADS in The Press, we see that Mr. J. R. DeArmond has gone into the hearing business. He sells hearing aids and supplies. It's a new business in town.

WE'VE BEEN asked to remind Country Club members that there will be a Scotch foursome at the golf course next Wednesday afternoon. A Scotch foursome is where men and women play partners and hit alternate strokes.

The local women golfers will have a business meeting Tuesday at 1:30 p. m. Bet Miss Linda Fee starts playing every day. She went out the other afternoon for the first time in weeks. And a 20-yard pitch shot went into the cup.

IF YOU'LL look elsewhere in today's Press you'll see the Lobo Lair, which will be a weekly feature during the school year. The students are writing their own news under the direction of Miss Lela Latch. Some ten members of the Journalism class were to visit The Press today to see the big press run.

THE McCauley Tire & Supply will conclude the 4-day open house Saturday. They're giving away 200 General Electric Refrigerator Circuses, which comes in 60 pieces and everything stands, moves or does tricks. The first 200 children, accompanied by the parents, who call at the store on Saturday will get the circuses.

McCauley has a guessing game in the window. You will win a prize if you guess closest to the number of 22 calibre target shells in a container. We guessed 356. But we probably won't have a chance. Saw Nick Miller and Stormy Davis using a slide rule to compute their guess.

The store is giving away a dish washer Saturday afternoon.

WENT OVER TO Rising Star to see the parade late yesterday opening the annual Free Fall Fair there. The parade was the longest we've seen in a long time. There were plenty of pretty floats, plenty of horsemen and novelty entries. Cisco was represented by the Roundup Club and by the FFA boys in their new Ford truck.

Took a quick tour of the exhibit building, where there were a galaxy of attractive booths. One booth was arranged by Mrs. Herman Schaefer and Mrs. Bill Wendle. It has one big word, "Cisco," over it. And it contains some very attractive farm products and other items.

One of the most attractive of the booths was that of the Eastland County Vocational School. It contains items made by the students including chairs, tables, desks and others.

If you have time, you should run over to Rising Star and see the fair. Several thousand people applauded the parade. The fair runs through Saturday night.

LINDA DARNELL, a native of Texas, now starring in 20th Century-Fox's colorful adventure drama, "Two Flags West, says, 'I'm justly proud of the South, its distinguished citizens and its plain, everyday people.' Southern manufacturers are sponsoring \$15,000 "What Dixie Means to Me" contest to call attention to the South's many advantages as a place to live.

Tidelands Case Is Subject Of Rotary Address

Texas schools and the general fund stand to lose millions of dollars annually if the recent Supreme Court ruling in what is internationally known as the Texas Tidelands Case is allowed to stand, W. B. Wright, local attorney, told Rotarians at their weekly luncheon meeting at the Hotel Victor Thursday.

In his talk Wright criticized the soundness of the Court's decision and warned that it was possibly the beginning of a plan to take over the schools and possibly the oil industry in a further inroad into State's rights.

He went back to the annexation agreement which was accepted by Texas on July 4, 1845, in which it was agreed between the Republic of Texas and the United States that Texas would retain all lands within the boundaries known as state lands, including all tidelands within the three mile limits.

He started with what is known as the California Case in 1847 and brought court decisions up to the recent ruling by the Supreme Court.

Wright appeared on the program at the invitation of his fellow Rotarian, R. L. Ponsler, who was program chairman for the day.

Visitors at the meeting included Rotarians H. A. McFarland and H. E. Strickland of Abilene and Maurice Bailey of Eastland. Other visitors were L. E. Henry of Eagle Pass, Aubrey Morrison of Pampa, Dr. J. Stuart Pearce of Catalina and Paul Mosley and Scat Russell of Cisco Junior College.

Miss Dorothea Pingree was returned from Maine where she had been visiting relatives the past several weeks.

Big Brady Team To Invade Local Field For Game

Everything was ready at Chesley field for the opening of the 1950 home football season at 8 o'clock tonight when the Cisco High School Loboes take on the Brady High School Bulldogs. And school officials were expecting a large crowd for the opener.

Students of Cisco High School, doubly enthusiastic about Lobo prospects after last week's victory at Neoma, planned a 6 p. m. snirtail parade and pep rally in downtown Cisco. The Cisco High School band was ready to make its first public appearance of the year at the pep rally and between halves at the game.

Brady was planning to send a large delegation of fans here for the game. The delegation will include their high school band.

Coach Jack Everett reported that his Loboes were ready to meet the Brady team. The odds were slightly in favor of the visitors due to the lack of Lobo reserves and to the fact that the Bulldogs will have a weight advantage of some 14 pounds per man.

The Loboes went through a light workout Thursday afternoon, spending most of the drill period studying defensive tactics for use against the Bulldogs. Considerable time was spent on polishing the passing attack and perfecting offensive plays.

Work was progressing on a new fence around Chesley Field. Officials of the schools hoped to have two sides ready by tonight. The stands have undergone repairs, and the field generally had been cleaned up.

Advance ticket sales had been sufficient to indicate a large attendance for the game.

Probable starting lineups were announced as follows:

Table with 3 columns: CISCO, POS., BRADY. Lists player names and positions for both teams.

Good Attendance Reported At The East Cisco Church

The best attendance in many months is being enjoyed at the East Cisco Baptist Church, according to an announcement made here today. Last Sunday, 205 were present for Sunday School and large crowds came to both morning and evening preaching services. The Training Union has also showed marked increases in recent Sundays.

Sunday, September 24, has been set as Promotion Day in the Sunday School and Training Union. All members were urged to come next Sunday to help make plans for promotion.

Paul Stephens, pastor, will be preaching at both morning and evening services this Sunday.

TO MEET TONIGHT

The Brotherhood of the East Cisco Baptist Church will meet at 7:30 p. m. today, according to Roy Marcontel, president of the organization. All male members of the East Cisco Church were urged to be present and visitors were invited. During the meeting, new officers for the associational year will be elected, Marcontel said.

Mr. and Mrs. R. N. Cluck will accompany their daughter, Miss Scrippy Cluck, to Dallas Saturday where she will enroll as a student in Southern Methodist University.

YOU HAVE THREE CHOICES

By JOHN REDDITT State Chairman Texas Economy Commission

(Editor's Note: This is the second in a series of articles on the Texas Economy Commission) You who are worried (or should become worried) about the ever-increasing demands for taxes to run your Texas state government, you have three choices before you:

(1) Pay more taxes and grumble about it. (2) Pay lower taxes and under-go a reduction in public services and grumble some more. (3) Examine your state government for inefficiencies and waste; then on the basis of your factual findings, improve service without increasing taxes, or lower taxes without cutting service.

The first and second choices appeal to no one. The third choice clearly is the one to make. The Texas Economy Commission has undertaken to make the third choice. But our eyes are open to certain pitfalls that must be avoided if we are to succeed in bringing economy and efficiency into our government.

This requires some explaining. In 1929, the Legislature created the office of State Auditor and Efficiency Expert to look into the government. This new office, after nearly a year of study, reported that inefficiency, waste, and disorganization were growing as the government's expansion continued unrestrained.

Alarmed, the Legislature named a joint committee of both its houses to give thorough study to the problem. This committee employed an impartial, professional staff of experts in government management, Griffenhagen and Associates, which had been going this sort of thing successfully for a generation.

The Griffenhagen firm made an extensive study and presented a detailed report calling for extensive reorganization of the government. One hundred and thirty-one more or less independent state agencies would have been con-

It is the cause of wars and every kind of oppression, which fill the earth with pain, sighs, and bitterness." 507 Reynolds Bldg. - Phone 356

Minute Interviews

with folks who suffered stomach disturbances due to lack of Vitamins B1, B2, Iron and Niacin in their systems! By RANDY DURAND THE QUESTION Have you ever taken the great new HADACOL everyone is talking about for such stomach distress? What has been your experience?

THE ANSWERS Mrs. Ann Poling, 609 Delaware Street, Indianapolis, Indiana: "Three months ago a friend of mine told me about HADACOL. She knew how I suffered from stomach distress. Anything with acid or fried foods I just couldn't eat. It affected my sleep too. Then after I started taking HADACOL, I began to feel better. I've got a bottle in the house now and will continue to take HADACOL from now on. Now I eat anything I want and I get a good night's sleep. I can't praise HADACOL enough."

Mr. Arthur Trasierra, 1416 Desire Street, New Orleans, Louisiana: "I had been sick for quite some time. The trouble was mainly a stomach disturbance. I was unable to eat any fried foods at all. I was very nervous, and it affected my work. Now that I've been taking HADACOL, my stomach is in tip-top condition and my nerves are just fine. My appetite has returned, and I can eat fried foods on our menu at least several times a week. That's because I've been taking HADACOL, and you can bet I won't stop taking it."

Mrs. Alma Kincaid, 2125 E. Adelaide Street, St. Louis, Missouri: "I've been taking HADACOL for over a year. Before that I had been suffering stomach distress. Imagine how awful hard it was when you can't eat such delicious things as tomatoes and oranges without upsetting your stomach. Then I took my husband's advice and got some HADACOL. Now that I'm taking HADACOL, I can eat anything I want and really enjoy it."

Mr. Seymour Marks, 1229 Morrison Street, St. Louis, Missouri: "Before I started taking HADACOL, there was many a night I lay awake. I just couldn't get any sleep. Food just didn't agree with me. I took only two bottles of HADACOL before I was feeling much better. Now I am in the best of condition and have only HADACOL to thank."

NOTE: HADACOL is bringing wonderful relief to thousands of men and women who suffer from indigestion, heartburn, gas pains, bloating after eating, when their condition is due to lack of Vitamins B1, B2, Iron and Niacin in their systems. Remember this great new HADACOL actually relieves the cause of these troubles when due to such deficiencies. And continued use helps prevent such stomach distress from coming back. That's the kind of product you want! HADACOL comes in special liquid form so that it's easily absorbed and assimilated by the blood — ready to go to work at once. A big improvement is often noticed within a few days' time. Why don't you get that wonderful HADACOL feeling everyone is talking about? Hundreds upon hundreds of doctors recommend HADACOL. HADACOL costs only a small amount a day. Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. © 1950, The LeBlanc Corporation

It Was Just An Accident — said that Columbus discovered America, or was it luck? He himself said that his journey would be hazardous and he didn't know where he was going. But he had faith that he would discover a great land, and he did. Likewise, the person who buys land without an abstract is embarking on a dangerous course. Like Columbus he must have faith that he won't lose his all and plenty of luck to avoid disaster.

Today we have, not 131 separate state agencies, but nearly 200. In 1930, the Texas state government spent \$103,100,000. In 1940, \$165,700,000. This year the state is spending \$500,000,000. That's half a billion dollars!

What's more, this sum is spent, not through logically and carefully controlled means. It is spent out of more than 230 separate, disconnected checking accounts. Many of these accounts are earmarked for special purposes and no other purposes. Thus, if some accounts should have a surplus while other accounts are exhausted, more taxes must be raised to replenish the exhausted accounts. That's silly, I know. But, that's how it is.

We know that a new structure of efficiency and economical public service, provided through intelligent taxation, cannot be erected without the public's understanding of its need.

The people of Texas, through this series of newspaper articles, through public discussion and debate, through their local branches of the Economy Commission, will be advised of and take part in every stage of the Economy Commission's work. If you don't like a certain recommendation that has been submitted to you, and if you come up with a better suggestion, the substitution can be made.

Then, the revised recommendations will truly be your recommendation. You will know what is needed. The Legislature will know what you want, and you, by your own effort and understanding, will succeed.

The next article in this series will discuss how the Economy Commission operates at the local level close to every Texas home. The writer will be Mrs. Charley Ward, of Louise, state vice-chairman of the Texas Economy Commission.

Mrs. Mary Abbott has returned to her home in El Paso after visiting in Cisco with her son, Gene Abbott, and family, and other relatives here.

Miss Ida Collins of Fort Worth is expected for a weekend visit here in the home of her mother, Mrs. J. J. Collins.

Mr. and Mrs. H. C. Richardson of St. Martinsville, La., have been visiting in Cisco with their daughter and husband, Mr. and Mrs. C. J. Collins, and son Mickey.

LOBOS SCALP INDIANS 26-0 TO BREAK LONG LOSING STREAK

Cisco High's Lobos scalped Nocona Indians by a score of 26-0 Friday night in the 1950 season opener at Nacona. Cisco kicked off to Nocona who carried the ball over for three tries to enter the territory the Indians were to punt. This punt was blocked by Watts, the Lobo center on Nocona's 35 yard line. The Lobo carried the ball over for the first score for Cisco. Jackson kicked the extra point. A little later Nocona was forced to punt again. Johnson grabbed the ball and galloped 58 yards for a second Lobo touchdown. Jackson again kicked the extra point. At the second quarter, after several unsuccessful attempts by the Indians to enter Lobo territory, the Lobos took the ball on the 28 yard line. Black carried the ball over for another Lobo touchdown. The Lobo attempt for extra point was unsuccessful. Early in the third quarter the Lobos took the ball deep in Indian territory and did some brilliant passing for a touchdown. Again the extra point was unsuccessful. During the last quarter the Indians did some brilliant passing but was unable to score. Game At A Glance

Cisco: Watts, Coats, Suggs, Farmer, Voss, Brunkenhoefer, Black, Evans, Jackson, Johnson. Nocona: Hathorne, Stout, White, Hankins, Bowerman, Jameson, Pounds, Byrom, Fenner, Lee, Pennaman.

Class Officers Are Introduced

Highlighting Wednesday morning's Assembly was the introduction of class officers and sponsors, plans for shirt tail parade and pep rally for the Brady game, and new seating arrangements for the band and student body at Chesley Field. This year for the first time there is a chairman for the sponsors of the classes in Cisco High School. Chairman for the Senior sponsors is Miss Lela Latch with J. C. Suggs as class president. Miss Marie Winston is chairman for the Junior class sponsors and Hughes McCrary is the Junior Class president. Chairman for the Sophomore sponsors is Miss Doris Jo Pyle with Irvin Brunkenhoefer as class president. Mrs. C. E. Whitaker is chairman for the Freshman sponsors with Buddy Deen as class president. Plans were made for a shirttail parade Friday night with the band and student body participating. They will meet at the Mobley Park at 6 o'clock and parade down main street and back to the park where they will be dismissed in time to see the game. This year the band and student body will be seated on the North side of the stadium at Chesley Field, instead of the South side.

DOROTHY BUTLER AND CARLENE PENCE HEAD CHEER LEADERS

Enthusiasm, spirit, and brains are predominating in the pep leaders for the 1950 football season. The girls elected by the student body for this work are Dorothy Butler, Carlene Pence, Barbara McCauley, Mary Hill, Wynne Bint and Allene Clark. Heading the leaders this year are Dorothy Butler and Carlene Pence. Dorothy is now completing her last year in Cisco High school and has served for two years as pep leader. She is an honor student, and was one of Cisco's two delegates to Girls' State in Austin last summer. Carlene Pence, also a senior in high school, is starting her second year of pep leading. Carlene is an honor roll student last year. Barbara McCauley and Mary Hill will finish two years of service as leaders for the high school this year. Mary and Barbara are fourth juniors. The beginners this year are Wynne Bint and Allene Clark. Wynne is a member of the honorary staff last year and is an honor roll student. Wynne and Allene is a sophomore, and is also an honor roll student. These six girls have been practicing for their work the past few weeks. Miss Fern Gurney, pep squad sponsor, said, "My pep leaders have been working very hard and are expected by the students and faculty members to do a good job at all the games which are coming. Every one of our pep leaders certainly has the pep which will help to win those football games."

JUNIOR HIGH

The Cisco Junior High School has often and rightly been called the "Lobo Hatchery." This term is true in that they do develop into first rate Lobos, but the Grammar pupils prefer to be called the Midgets, shortened from the Midget Lobos. Tuesday or Thursday of next week the Midgets will go on the field against the Eastland eleven, at Eastland, in the season opener. They will wear their new suits for the first time. They have white jerseys with blue numerals, khaki trousers, and dark blue helmets. The Midgets have been working hard every afternoon under Coach Bill Sledge, and the chance of winning and the team spirit are good. The Grammar school newspaper, The Midget News, began publication last year. This year the Midget News has been published twice already with Mr. Roy Killingsworth, principal, editing from items and stories suggested by students and teachers. The papers are printed on the new rex-o-graph machine, which incidentally is one of the nicest things around Cisco schools. It was paid for by the students. They made \$150 selling magazines and \$100 on pictures last year. This year for the first time there will be a \$0.50 library fee. The money collected from this fee will go to buy new books for the library. At mid-term \$0.50 will again be charged and with this money the cost of Achievement Tests and school papers will be paid. Last year the Achievement Tests were successful as many almost perfect grades were made. The Freshman class of Cisco High School, the eighth grade of last year, was described and praised by Mr. Killingsworth as "a very exceptional class," and "we feel certain that the high school will be very proud of them both in scholastics and athletics." The students will sell magazines again this year and the percentage out of that will be used to buy athletic equipment and to fix the library.

Journalism is Taught At CHS in Roaring Twenties

In the roaring twenties the Journalism class of Cisco High school published the Gusher and several years later changed the name of this paper to the Lobo. In the past seven years the Lobo became just a mimeographed copy but now after seven years of Journalism classes Miss Lela Latch has organized one. The 10 members of this class began work with the first issue of the school paper. To be a member of this class one must have a "B" average in English and be classified as a junior or senior. Each student will be assigned by Miss Latch to news beat to cover each month. Each student will write a story on the activities of his assignment and it will be published in the Cisco Daily Press. Each member of the journalism class will have an opportunity to report a Lobo game. The sports writer of the month will receive a pass to the game and have a seat in the press box.

EX-ITS

There comes a time in every senior's school life when he or she would like to be remembered in some way by their Alma Mater. Remembered, not only by the "Fish" of his or her era, who probably are horrified when someone mentions "Seniors" anyway, but by future classes long after he or she graduate. Here we will endeavor to have the monarchs of last year, 1949-50, pass again in review. So... on with the roll: Homelovers who chose Cisco Junior College were: Gu-Ree Stowe, Barbee Smith, Gordon Dunaway, Sonya Sims, Joe Ed Schaefer, Lloyd "Buz" Sawyer, Bob McMurray, Monterey Lisenbee, Franklin Leach, Jean Kurkulin, E. L. Hazelwood Jr., Harold Huntington, Morris Day Hill, Dixie Hansen, Dorothy Jo Garrett, Pearla and Pearlina Farley, Lavilda Cagle, Patsy Nance, Bill Taylor, and Pansy Pippen. Scrippy Cluck and Anita Carlin are attending S. M. U. in Dallas. Mary Dale Stinson and Pat Tillery are going to Texas Tech in Lubbock. Betty Keller, Evelyn Elam, and Andrew Weatherby, are married. Nada Rue Wagley is attending Hardin-Simmons in Abilene. Bernie Ann McCrea and Jimmy Waddell will attend T. C. U. in Fort Worth. Kathryn Scott, who took a post graduate's course, and Mary Ellen Sanders are employed by the Bell Telephone Company. Clarence Weatherby is employed by the A and P Grocery. Pierre Kendrick is working at Kendrick's Dairy on Eastland Highway. Anna Ruth McCrary is attending Bthany Nazarene College in Bethany, Oklahoma. James McGowen is employed by the City Electric Shop, now, but plans to enter Cisco Junior College at mid-term. Renabel Bible is studying at Texas Wesleyan College in Fort Worth. Norman Boggs is working at Curry's Grocery. Bonnie Erwin is employed by Dean Drug. John Edward Farley is attending John Tarleton in Stephenville. Virginia Weiser has left for St. John Lutheran College in Winfield, Kansas. Betty Johnson is going to a Beauty school in San Angelo. Mary Ellen Harper is studying at Parkland Nursing School in Dallas. Neal Callerman is employed by Huffmyer's Service Station. James Porter chose Texas Texas University in Austin. Laura Bess Cowan is studying to be a nurse at Hendrick Hospital in Abilene. Emmett Graham plans to enter S. M. U. soon. Martha Smallwood is going to work but at present is unemployed. D. Ball is working at present but plans to enter North Texas State College in Denton, the 18th. The following 1950 Seniors could not be located for this writing: Rayford Taylor, Betty Green, Erna Fay Graham, Frances Leopolds, Ross Finley, and Glen Yeats.

EAST WARD

Seventy-seven students enrolled in East Ward September 5th, 32 first and second graders, 33 third and fourth graders, and 12 in the nursery class. Only three rooms of the building are in use. Mrs. H. R. Garrett, teacher of the first and second grade classes, who was injured seriously in a car wreck in August, will not be able to teach for some time. Mrs. Roy Killingsworth will teach until then. Mrs. J. E. Temple Peters is the teacher of the third and fourth graders. Little painting or yard cleaning.

The Churches Of Cisco Welcome You

The House that CONVICTION BUILT

When many people have the same conviction about a thing, they usually get together. They become members of a party, or a society, or a congregation. Every Sunday in the churches of our community many people get together. They have the same conviction about God—they worship together. When they worship, they offer thanks, they ask help. They sing to express their happiness. They listen to enrich their minds with the truth that comes from God. And before they bow their heads to receive final benediction, they give such gifts as they can to their Lord's work. All of us have need for worship—it is a part of human nature and the divine will of God. So for your greatest benefit and happiness, choose a Church in this community —attend its services and join in its work. Make it YOUR CHURCH.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Table with columns: Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday. Rows: Psalms, Chapter, Verses.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Home Demonstration Clubs Meet Wednesday For Council Meeting

Eastland County Home Demonstration Council met Wednesday, September 13 in the Commissioner's Court room. Mrs. M. W. Greiger, president, called the meeting to order and Mrs. Bill Tucker, secretary, read minutes of the previous meeting.

Clubs responding to roll call were Bass Lake, Cheaney, Flatwoods, Howard, Lake Cisco, Morton Valley, North Star, Pioneer Gun, Salem, and Word clubs with 27 members present. Many interesting reports were given.

The Eastland County Home Demonstration clubs are entertaining the Federated clubs of the county, Saturday, September 16 at 2 p. m. in the Women's club house at Eastland. A nice program is planned and all club women are urged to attend. Mrs. Eloise Trigg Johnson, Eastland County's first Home Demonstration agent, now Family Life Education specialist for the Extension service, will be guest speaker.

Mrs. Henry Wilson and Mrs. Bill Tucker gave interesting reports on the state Home Demonstration meeting which was held during August in Big Springs. Miss Evelyn Bigby, the assistant agent, was introduced. Miss Ethel Woodward, agent, told of the United Nations flag day which will be October 24. It was voted that each club will make a United Nations flag and fly it on that day.

Mrs. M. F. Underwood Hostess To Y. W. A. Tuesday Evening

The Young Woman's Auxiliary of the First Baptist Church met Tuesday evening, September 12, in the home of Mrs. M. F. Underwood.

President Earline Steel called the meeting to order, and Miss

Pat Agnew led in prayer. After a short business session the girls present gave parts that were to be presented to the church Prayer Service Wednesday evening. Earline Steel opened the program and gave the devotional Misses Barbara Schaefer, Pat Agnew, Soyna Sims, and Jane Houston gave the remainder of the program.

Refreshments of pineapple punch and brownies were served to the girls mentioned and hostesses, Mrs. M. F. Underwood, who offered the benediction. The next Y. W. A. meeting will be September 26.

Naomi Circle Meets Tuesday Afternoon For Program & Prayer

The Naomi Circle of the WSCS of Wesley Methodist church met Tuesday afternoon at the church for the regular meeting. Mrs. C. C. Cooper was in charge of the business meeting at which the above name was selected for the Circle.

The program was next presented and began with prayer by Mrs. G. W. Horn, followed by the song "Help Somebody Today." Mrs. C. C. Cooper brought the devotion "Health Through a Brotherhood of Nations," the scripture used was Jeremiah chapter 33; verse 6. Mrs. Forrest Miller gave a talk on "What Health Means." Mrs. Sarah Lucas discussed, "A Child in India." Mrs. Harvey Woodward, "A Child in the United States." There was a period of silent prayer preceding the closing prayer by Mrs. J. R. Slaughter.

It was decided by the Circle to meet for a 15 minute period of prayer, each Sunday morning before Sunday School, for the services of the day.

Those present were: Mrs. Cora Meglasson, Mrs. John Aivey, Mrs. Sarah Lucas, Mrs. Harvey Woodward, Mrs. C. C. Cooper, Mrs. Jessie Youngblood, Mrs. G. W. Horn, Mrs. J. B. Slaughter and Mrs. Forrest Miller.

School News —

Students Issued Books With Year's Program

For the first time in Cisco High School history free hand books have been given to high school students. The purpose of this hand book is to acquaint students and parents with the program of studies, student organizations, and practices of Cisco High School.

Included in this hand book is the Lobo football schedule, the school song, a summary of the school organization, general regulations and customs of high school, a program of studies, and the constitution of the student council.

200 Fans See Lobos Defeat Nocona Team

Three buses carrying more than 200 enthusiastic students and sponsors left Friday at 3:45 for the season's first game at Nocona where they cheered the Lobos on to a 26-0 victory.

Sponsors on the first bus were Miss Gurney, Miss Gafford, and Mr. Massey on the second, Mrs. Bragg; the third, Miss Andres.

After the game a pep rally was held in a cafe where the football players ate. Buses left for home shortly after the rally.

The buses were provided thr-

ough the courtesy of Principal Conger and Coaches Everett and Overall.

Lobo Band Outlines Program For Year

Cisco Lobo Band under the leadership of Kenneth St. Clair will begin its program at Chesley Field Friday night when the Lobo team affronts Brady.

The band will play for 13 football games, nine Lobo and four Wrangler at Chesley Field. Thru November the band will concentrate on marching and playing for football games. Concert season will begin during the Christmas holidays.

Mr. Maurice McAdoo, from North Texas State College at Denton, will hold a Band Clinic at Cisco in the early fall. All 46 band members are practicing for the Annual Regional Contests to be held in San Angelo in the spring.

Six New Teachers Join HS Faculty

Cisco High School welcomes its new faculty members: Miss Margie Gafford, girls' P. E. instructor; Mr. Kenneth St. Clair, band director; Mr. Nolan Massey, math, science and history; Mrs. W. H. Bragg, librarian; Mr. Norris Young, Distributive Education; and Principal M. D. Conger.

Mr. and Mrs. Bernice Nichols and children, Vernon and Nell Nichols of Baird visited here the past weekend with her parents, Mr. and Mrs. J. H. Latson Sr.

J. H. Latson Sr. was taken from Graham hospital to his home here at 1500 west Fourth street, the past week where he is reported resting well and is now slowly improving.

Mr. and Mrs. Jack Huffman returned to their home in Houston last weekend; and in a telephone conversation Thursday with her mother, Mrs. Lloyd Surles, Mrs. Huffman stated that her husband had left by train

Mr. St. Clair graduated from Andrews, Texas, High School and received a Bachelor of Arts and a Bachelor of Music degree from North Texas State College. He played solo cornet two years at North Texas State.

Mr. Nolan Massey graduated from Throckmorton High School and received a Bachelor of Science degree from North Texas State College where he majored in physics. He played basketball at North Texas State.

Mr. Norris Young graduated from Greenville, Texas, High School. He majored in Business at Texas Technological College and East Texas State College from which he received his B. S. degree. He was a member of the Friars Club at East Texas State and a member of the Kamos Club at Texas Technological.

Mr. M. D. Conger, new principal of Cisco High School, is a graduate of Daniel Baker College where he received his B. S. degree. He is also a graduate of Texas Technological where he received his M. S. degree.

Mr. Conger majored in Education and came to Cisco after 13 years of principalship at O'Donnell, Texas.

Homemakers Trek To Stephenville Sept. 16

Mrs. R. E. Bradshaw, supervisor of the Homemaking department in Cisco High School, plans to make a trip to Stephenville on Saturday, September 16 to take some members of the FHA to attend an area workshop there. These girls, who will not be selected until Friday, will use the information they receive at Stephenville to help them attain the various Future Homemakers degrees.

The Homemaking Department of 50-51 has a good enrollment this year. It consists of both boys and girls.

The first year students are studying personality development. The second year students will use food preservation as their major project. Family relations is the chief subject of the third year class.

HUNTERS PLEASE!
THERE I WAS, SITTING ON A TELEPHONE WIRE, MINDING MY OWN BUSINESS, WHEN ALL AT ONCE A BLAST FROM A SHOTGUN KNOCKED ME RIGHT OFF MY PERCH
WELL, SIR, I CAME OUT PRETTY GOOD—ONLY A FEW TAIL FEATHERS MISSING—BUT THE HUNTER THAT MISSED ME CLIPPED A COUPLE OF TELEPHONE WIRES. ONE WAS MY FAVORITE ROOSTING PLACE, TOO.
THAT "ROOST" WAS ALSO CARRYING AN IMPORTANT LONG DISTANCE CALL. THAT'S WHY WE ASK HUNTERS: PLEASE DON'T SHOOT AT BIRDS ON TELEPHONE WIRES OR POLES, THANK YOU.
