BELETED HONEYMOON—Actor James Stewart and his wife, accompanied by Mrs. Stewart's two sons by a previous marriage, look over the port of Southampton upon their arrival by ship in England. The Stewarts had no honeymoon after their marriage last year, but they're having it now that Jimmy is making a picture over there.

A DAY IN THE SWISS ALPS

By MINNIE L. HILL

After spending a day in beautiful Lucerne, nestled at the end of Lake Lucerne, in a narrow valley between snow-peaked mountains, seeing the war memorial "Lion of Lucerne," visiting the jewelry establishments of Butherer and Gubelin, walking over the 16th century covered bridge with its marbled roof, and visiting the flower booths along the sidewalks, we were ready for a bus trip through the Alps in that region.

We left Lucerne in the early morning of July 28, looking like a group of Eskimos. The air was piercingly cold, and we wore all the sweaters and coats available. Driving along the shore of Lake Lucerne, said to be the most beautiful lake in the world, we came to a tall pole with a huge bell mounted on the top. Out in the lake a short distance, on a small island, is an inn that was once a castle. The guide explained that hungry or thirsty customers rang the bell, and a rowboat came out from the island and rowed them to the inn. Next, we passed the place where King Leopold of Belgium had the car accident that killed Queen Astrid. They had started to their summer home in the Alps when the king, wishing to get a road map from a pocket in a rear door of the car, leaned back and the car plunged over the embankment. A small marble cross marks the spot where the queen's body was found and a memorial chapel has been built on the opposite side of the road.

As we went through the William Tell country, the guide showed us the statue of William Tell and his son, in Altbühl, bearing the inscription: "As long as these mountains stand, will this town remember William Tell." The paintings and carvings on the monument tell the story known to every American child. We also saw the lake where, during a storm, Tell escaped from his captors who were taking him to prison after the second arrow was found on his person. It was in this section that in 1806 a landslide covered the entire valley, burying beneath it the forests and villages. Huge boulders cover the surface, giving a weird and desolate appearance to the area, and stone crosses mark the spots where villagers were buried under the slide. One cross is said to mark the grave of 609. An old castle still stands in the little village of Schwyz, settled by the Helvetians in 450 B. C. and in the same valley we saw the bridge built in 1792 by Napoleon for his army to cross. The bridge is built of stone in an arch and is very narrow. The highway through this valley was first built by Caesar, then rebuilt by Hannibal, and later worked in by Napoleon.

Inside the highway tunnels are massive double steel doors opening in the mountainsides. In these cavernous storerooms the Swiss have munitions of war for the national defense, and at strategic spots on the mountainsides are bunkers for artillery. Switzerland maintains no standing army, but every boy, on reaching the age of 20, takes four months military training; then every year for ten years he must take an additional three weeks training. In case of attack, bicycle riders furnish their own bicycles, farm boys ride their own horses, etc. Switzerland claims that she could be ready to repel an attack in three days.

We stopped at the kennels where the famous St. Bernard dogs are raised and trained. Here we learned that the father of a fine litter had been sold to the American movies for 150,000 francs (approximately \$37,500).

On through this glacial valley we traveled on a road built in 53 B. C. and for a long time it was the only opening over the Alps. The Reuss River flows through the valley. This is known as the Gotthard country and it is here that the 11-mile railroad tunnel was built in 1869-69. We traveled by train through this tunnel on leaving Switzerland.

The chalets in the valley are very artistically built and carved. The name of the owner or builder is carved on some of the houses, and Alpine scenes are painted across the entire front of some of them. Here we saw large ice hooks hanging on the outside on the buildings. We saw, also, the low stone houses, high up on the mountainsides, where the cheese and butter are made when the flocks are taken up for the summer pasture. The valley and the slopes were covered with wild flowers, the streams spanned by artistic stone bridges, and hundreds of waterfalls cascaded down the mountains. This portion of Switzerland is all glacial, and the thawing ice keeps the waterfalls constant and the streams swift.

In the afternoon we stopped at Turn To Page Four

PTA Sets Meeting For Wednesday

The West Ward Parent-Teacher Association will hold its first regular meeting of the 1950-51 school year at the West Ward school building at 3:45 p. m. Wednesday.

All last year members, mothers of first year students and others interested were urged to attend and to become members of the organization. Dues for the year have been set at \$1 and both parents of all the students were invited to become members.

The meeting Wednesday will be on the order of a social affair with members, visitors and teachers being given the opportunity of getting acquainted. Light refreshments will be served.

Mrs. Delmar Johnston is president of the association for the coming year.

Girl Scout Troop To Hold First Meeting

Girl Scout Troop No. 4 held its first meeting of the fall season at 4 p. m. Thursday in the American Legion Hall under the supervision of the leader, Mrs. Austin Flint.

Plans for work for the coming year were discussed and the girls voted to hold a bake sale to raise funds to go to the Icecapades in Fort Worth next spring.

The group also sang songs they learned at summer camp in Mineral Wells.

Refreshments were served by Mrs. Flint to the 14 members who were in attendance at the first meeting.

GIRLS WILL MEET

Girl Scout Troop No. 10 will meet Thursday afternoon immediately after school at the First Methodist Church. All members were urged to attend the reorganization meeting.

PMA Opens Cover Crop Program

The Eastland County PMA Office has now opened the 1951 legume and cover crop program. The program is approximately the same as that of last year. Each farm is limited to 1-3 of the cropland for the vetch or peas as cover crop, and 1/2 the cropland for a straight rye cover crop. The payment on the Vetch is 12c per pound and peas .0055c per pound.

The PMA may help on the phosphate under winter legumes at the rate of 200 pounds per acre. The straight rye cover crop will pay \$2.00 per acre if a good stand and growth is obtained and the rye not harvested. Those who wish to sow a cover crop on their farm were asked to get in touch with the office for the details of the program.

OKLAHOMAN ACCEPTS CALL TO BECOME PRESBYTERIAN PASTOR

Rev. H. Grady James of Wewoka, Okla., has accepted a call to become pastor of the First Presbyterian Church of Cisco and will take over the pulpit here on Oct. 22, according to an announcement today.

The call was extended to Rev. James after he occupied the local pulpit by invitation some two weeks ago. He has been with the Wewoka church for six years. He plans to move his family here Thursday of this week in order that two daughters, ages 9 and 13, may enroll in Cisco schools.

Members of the local church's pulpit committee are: Charles Graham, Elmer Frede, Ernest Hittson, Miss Helen Crawford, and Miss Titia Belle Simmons.

Wesley Methodists To Have Conference

Rev. Leslie Seymour, district superintendent, will conduct the business session and bring the message at the regular quarterly conference at Wesley Methodist Church at 7:30 o'clock tonight.

It will be the first quarterly conference of the church year. All members were urged to attend. Rev. C. A. Warden reported that all business for the coming year would be set up at the conference.

Pairings Are Announced For Scotch Foursome Tourney At Country Club

Pairings for a Scotch foursome tournament scheduled for Wednesday afternoon at the Cisco Country Club golf course were announced today by Pro Bill Dill. The players will complete in two flights, and all matches will tee off between 3:30 and 4:30 p. m.

Dill said that prizes would be awarded to the low medal score in each flight and to the winners of each foursome. Following the tourney, a picnic lunch will be served at the club house.

Pairings were announced as follows:

First Flight: Norman Huston and Mrs. Charles Cofer vs. Claude Wilson and Mrs. Punk Thornton.

Claude Blackburn and Mrs. Bill Dill vs. Red Milner and Mrs. C. M. Townsley.

Pete Nance and Mrs. L. M. Surles vs. C. M. Townsley and

Mrs. Reggie Henderson. Ralph Glenn and Mrs. Howell Sledge vs. Charles Cofer and Mrs. Laird Locke.

W. C. McDaniel and Mrs. Grover McGowan vs. Howell Sledge and Mrs. Pete Nance.

Second Flight: Dr. Paul Woods and Mrs. Peggy Carothers vs. Guy Morris and Mrs. Zan Burroughs.

Derwood Morris and Mrs. Jack Anderson vs. E. P. Crawford and Mrs. Ralph Glenn.

Bill Burrows and Mrs. W. M. Cotton vs. J. W. Sitton and Mrs. Bill Burrows.

Zan Burroughs and Mrs. Albert Hansen vs. Sutton Crofts and Miss Elizabeth Coleman.

Ronald Rhodes and Mrs. Lee Farley vs. R. L. Ponsler and Mrs. Paul Woods.

Laird Locke and Mrs. W. J. Foxworth vs. Jack Farley, Jr., and Mrs. I. J. Hensen.

Wranglers Drop Opener, Begin Work On Game Here This Week

The Cisco Junior Wranglers, dropping their season's opener in Stephenville to John Tarleton College last Saturday night, were busy today with preparations for the beginning of their home schedule Thursday night against the McMurtry College Freshman team.

The Wranglers lost to John Tarleton by a top-heavy 54-to-6 score in a game that was decidedly better than the big score might indicate. The Wrangler's loss might well be summed up by saying that the Cisco team was playing in the wrong league.

Tarleton's Plowboys, numbering some 50 players, had a weight advantage of 20 or more pounds per man. And their team was strong with one and two-year lettermen. Cisco's lone touchdown came early in the game — the contest's

first score. The Wranglers kicked off and after the Plowboys made three first downs, Cisco held and took over on their own 20 yard line. Cisco then worked the ball up to Tarleton's 40 yard line and Jimmy Payne got loose for a touchdown.

After then, Marvin Brown and his Tarleton mates went to work. Brown scored four touchdowns and engineered several others. The first string played most of the game.

Cisco ran out of tackles during the game. Alton Kite was carried off the field with a neck injury. He spent Saturday night in the hospital at Stephenville and Sunday night in the local hospital. He was taken home to Hamlin Monday. He will be out two or three weeks.

Lee Kinard and others left the field with knee and other injuries, but they were expected to

be ready to play again this week. The Wranglers looked good as a team, considering the stronger club they were playing. Local fans are convinced that CJC will give a good account of itself as the season goes on and they meet teams in their class.

Coaches Scat Russell and Paul Mosley had only three days to prepare for the opening of the home season, and Monday was a busy day. Another busy session was scheduled for this afternoon and Wednesday.

Statistics of the Tarleton game were as follows: Wranglers: 11 first downs, 160 yds. gained rush, 23 7 of 14 passes comp., 8 of 11 75 yds. gained passing, 91 7 for 39 punts-avg. 3 for 31 8 for 80 yds. penalties 11 for 85 fumbles. Plowboys: 20 first downs, 230 yds. gained rush, 8 of 11 75 yds. gained passing, 91 7 for 39 punts-avg. 3 for 31 8 for 80 yds. penalties 11 for 85 fumbles.

CHRISTIAN CHURCH PASTOR IS ORDERED TO DUTY WITH ARMY

The Gay Philosopher

By J. W. S.

WE WERE ONE of the scores of persons who didn't wear a coat to Stephenville last Saturday night for the football game. Shortly before the game began, a cool south wind started blowing. And it was cold.

There must have been 300 Ciscoans at the game. And everybody agreed that our Wranglers were playing in the wrong league. Heard somebody tell Dr. J. H. Denton that Tarleton could have beaten Texas A&M College. We would say that the Plowboys could give a good account of themselves against a lot of senior college elevens.

The Wranglers looked good enough to convince one and all that they will hold their own in their own league. So don't let the big score discourage you.

COUNTRY CLUB members are staging a Scotch foursome Wednesday afternoon to be followed by a picnic. This will probably take the place of the regular family night, since Thursday night is football night and everybody will go to the football game.

Claude Wilson, the local golfer, did himself proud Sunday afternoon. He carded a 31 — four under par — for one nine-hole round. He had a 37 on the other round.

SEE OUR OLD friend O. J. Russell back on the job at West Texas Utilities Co. He has been ill for a few days. The college football team had a new tackle today. He's Jimmy Gray, Breckenridge, and he weighs 200 or more.

THE UNITED Nations has before it for consideration something that we consider a very good deal. And that's a new calendar for all the world to adopt. It provides for 30 days in every month. That gives you 360 days. Some provision is made for the other five days. But what attracts us about the deal is that the months all begin on the same day of the week, Christmas is on the same day each year and so on. The UN will probably get around to considering this when the war situation is under control.

MR. JESS Proctor of the Cisco Ice Company tells us they're ready to start buying No. 1 eggs any time anybody wants to bring them in. They're planning to try to buy some in adjoining counties, too, for No. 1 eggs are scarce in these parts.

OUR SCOUTS report that Mr. Fleming Waters, the attorney, is planning a new home out in the southwest part of our town. Haven't heard what the construction schedule is.

HEARD THAT Rev. Maurice D. Swisher will become Captain M. D. Swisher, U. S. Army, very soon now. All Cisco wishes him well and joins the congregation of the First Christian Church in expressing regrets that he is leaving. The Swishers have made good citizens for Cisco and we sincerely regret seeing them depart.

WENT BY TO see the crowd at McCauley Tire & Supply Saturday for the open house. There were 749 22 calibre gun shells in the container. Nobody guessed that number but nine persons guessed 750 so duplicate prizes were awarded. These guessers were Cloris McCollum of Moran, Mrs. A. O. Lenz of Rising Star, C. L. Kirby of Eastland and Mrs. Jim Baird, Mrs. W. A. Gray, D. O. Naylor, Mrs. W. H. Wright, Donald Langford, and Ellis Hayes, all of Cisco. Mrs. C. M. Pogue of the Lake Road won the dish washer. And lamps were given to Gertrude Meroney and Mrs. E. D. Posey.

A PAIR OF shoes for a very small boy were found in the street yesterday by Mr. Bill Fellwell. They're in a box with pictures of bears, chickens, rabbits and so forth on it. If you lost them, drop by our office. Mr. Fellwell left them at The Press office.

FIRE and THEFT PROTECTION. 1c Per Day For Safety Deposit Box. 1st NAT'L in Cisco—Mbr. F. D. I. C.

Rev. Maurice Swisher, minister of the local First Christian Church, received word Tuesday that he was being called to active duty in the U. S. Army. Rev. Swisher holds a reserve commission as captain in the Chaplains' Corps.

He was ordered to report to Fort Leonard Wood, Missouri, on Oct. 13 for assignment to the 6th Armored Division now in training there.

Rev. Swisher, who served as a chaplain during World War II, has resigned as minister of the local church effective Sunday, Oct. 8. He came to Cisco in September, 1949, from Craig, Colorado.

Sears Pig Show Planned Sept. 23

The Annual Eastland County Sears Pig Show will be Saturday, September 23, at the Ranger Show Barn, according to Ed Steele, Eastland County Assistant Agent.

Eight gilts will compete for five prizes and the chance to go to the Area Show at Breckenridge the next week. Only the first prize gilt and the boar pig are eligible for the Areas Show Competition.

Steele believes the pigs are much better than they were last year and the competition will be very stiff.

The Sears Roebuck Foundation sponsors and finances this program and furnishes eight gilts and ten boar pigs each year for winning 4-H Club boys. The pigs are Registered Duroc Jerseys. The purpose of the program is to encourage the raising of better pigs in the state.

Boys with 1950 Sears pigs are Carol Sandland, Carbon, Boar Pig; Leon Rodgers, Alameda; Jack Jones, Ranger, Don Jobe, Don Starr, Carlie Rice and Marvin Anthony, Scranton; Lawrence Ingram, Nimrod and Glen Fleming, Pioneer, all with gilts.

Primo Test Down 2,640 Feet West Of Dothan Area

Primo Oil Company's No. 1 Irvin Pippet, wildcat oil test west of Cisco in the Dothan area, was drilling at 2,640 feet today in a projected Ellenberger lime exploration. The location is some 15 feet east of the Callahan County line in this county.

According to reports, dead oil was found in the Strawn sand. The Pippet well will test various formations to and including the Ellenberger, expected to be found at about 4,100 feet in that area.

Location is 990 feet north of the south line and 1,537 feet west of the east line of section 3166, TE & L Survey.

The M. & S. Drilling Co. of Graham has the drilling contract. W. E. Butler is tool pusher for the company, and P. J. Johnson, Jr., is in charge of operations for Primo. The Primo company has some 860 acres of land under lease in the area.

Five miles northeast of Cisco, the Gilchrist Drilling Co. No. 1 Ayres was due to reach the Lake sand horizon today.

Bankline Oil Co. was rigging up for their No. 5 Clark after completing another well on the Briggs Owens lease.

Southeast of Cisco, the C. W. Payer No. 1 Lewis was drilling at 2,460 feet early today.

Just east of Cisco, Hickok Producing Co. was drilling ahead with cable tools in their No. A-2 Owens, a deepening operation.

13 Men Will Be Inducted Sept. 27

Thirteen young men from Eastland and Stephens counties have been called to report for induction into the armed forces on Wednesday, Sept. 27, according to the Selective Service offices in Eastland. Names of the first inductees were not available.

The Selective Service headquarters office was moved Tuesday to the Petroleum Building in Eastland. It formerly was located in the courthouse.

The Farmers' Side Of The Farm Program

Except for the potato fiasco, a true balance sheet of the farm price support program shows negligible losses, Harold D. Cooley maintains in an article entitled "The Farmers' Side of the Farm Program" in the October issue of The Reader's Digest.

Mr. Cooley, member of Congress from North Carolina and chairman of the House Committee on Agriculture, complains that critics of farm subsidies ignore the fact that all of our price supports over 17 years of the program represent a loss of but \$47 million dollars — only 32 millions a year. Eliminate the potato program, which resulted in a loss of \$147 million dollars, and which is now being sharply curtailed, and the cost works out to eight million dollars a year. For this investment, we've not only stabilized agriculture, but made other, intangible gains as well, Mr. Cooley writes.

"We have given away five billion dollars' worth of commodities to feed areas occupied by our armed forces and to cover

ECA commitments. We have sold other commodities abroad at a loss of 262 millions, sometimes to compete with other sellers, sometimes because countries we wanted to aid could not pay full price. More than 890 millions in food and other commodities has been distributed to our own people on relief, to welfare institutions and to schools for use in children's lunches. Another 103 millions' worth has been diverted to other than standard uses and to numerous programs of experimentation in search of new utilizations." These balance sheet "losses" were made possible, Mr. Cooley points out, because we made a 248 million dollar profit on cotton, a five million dollar profit on tobacco.

SITTING IT OUT—Jackie Robinson, the Dodgers' ace second baseman, looks glum as he watches a Brooklyn-Giants game in New York, with his son on his lap. After pulling thumb ligaments in a game, he's wearing a cast on one hand, and doctors estimate he'll be out of action for three weeks, or the rest of the season.

It Was Just An Accident —

... that Columbus discovered America, or was it luck? He himself said that his journey would be hazardous and he didn't know where he was going. But he had faith that he would discover a great land, and he did. Likewise, the person who buys land without an abstract is embarking on a dangerous course. Like Columbus he must have faith that he won't lose his all and plenty of luck to avoid disaster.

Earl Bender & Company

Eastland, (Abstracting since 1923) Texas

GO to the GAMES

with HUMBLE

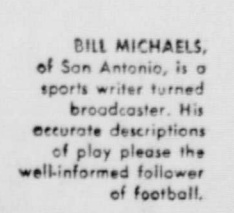

KERN TIPS, ace sports announcer of the nation. Chief of Humble's football announcing staff since 1935.

CHARLIE JORDAN, popular wherever football is talked and listened to in the Southwest. Charlie takes you right into the stadium with him.

VES COX, leading sports commentator of Dallas and keen follower of all sports. Ves' vivid descriptions of Southwest Conference games have established his reputation as one of the best sports announcers in the country.

BILL MICHAELS, of San Antonio, is a sports writer turned broadcaster. His accurate descriptions of play please the well-informed follower of football.

This fall, drive to as many football games as you can. Before you start, service your car at the Humble station in your neighborhood—along your way, stop for service under the Humble sign.

When you can't go to a game, tune in one of Humble's broadcasts of Southwest Conference games. Again this year the Southwest's top announcers will bring you vivid, play-by-play descriptions direct from Southwest Conference stadiums. You'll enjoy every second, from tense start to exciting finish.

Follow the best football in the U. S.; go to Southwest Conference games with Humble.

HUMBLE OIL & REFINING CO.

Still the Leader! Esso Extra GASOLINE

At many Humble stations, you'll find this interesting book, "Humble Football for '50." Contains pictures of outstanding players, conference and high school records, statements from coaches, etc. Supply is limited—ask for yours early.

Free at any Humble sign. Bright, transparent windshield stickers with the colors and mascot of your favorite Southwest Conference school; also, 1950 Pocket Schedule of all games played by Southwest Conference Schools.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Mrs. W. J. Poe Hostess To WMU Circle Two At Final Meeting

Mrs. W. J. Poe was the hostess when Circle Two of the First Baptist WMU met Monday in her home for the final meeting of the church year. Mrs. C. S. Surles

presided and called the meeting to order for prayer by Mrs. J. D. Collier, Jr.

The business session was held first and minutes of the past two meetings were read by Mrs. C. H. Hammett and were approved. Other routine business was transacted and it was voted to fulfill the assignment of purchasing clothing for the children of Buckner Orphans' Home.

The meeting was then turned to Mrs. E. L. Jackson who brought a splendid devotion and the Bible lesson, based on scriptures from the Book of Matthew, discussing a portion of Jesus' Sermon on the Mount. She supplemented the lesson with an article from the Reader's Digest entitled "The Perfect Blueprint for Happiness," by T. E. Murphy.

The meeting adjourned with prayer by Mrs. O. L. Mason.

During the social hour which followed, refreshments were served to the following:

Mesdames C. S. Surles, A. F. Ashenbust, J. D. Collier, Jr., C. A. Farquhar, C. H. Hammett, E. L. Jackson, O. L. Mason, D. A. Morgan, and Mrs. Poe.

Mr. and Mrs. John O. Gibson of Odessa who were married July 15 in San Antonio. Mrs. Gibson is the former Miss June Halbert, daughter of Mr. and Mrs. Cecil Halbert of Cisco. Mr. Gibson is a teacher in Odessa Junior College.

All Church Banquet At Christian Church Honors New Members

New members of the First Christian church will be honored at 7 o'clock Thursday evening with a banquet in the church dining room. All members of the church were invited to be present.

After members are seated at the table at the same time, invocation will be offered by Rev. M. Swisher, church pastor. The bounteous meal will then be served by the committee. While dinner is being served a "Hymn Sing" will be led by C. W. Henry. While tables were being cleared and dessert served special music will be furnished by Mrs. Troy Powell and her sister, Mrs. Ben Krauskopf.

L. A. Warren will be toastmaster for the occasion.

Welcome to new members, Rev. M. Swisher; Vocal Special by Men's Quartet; Address, Rev. J. E. Montgomery "God Be With You"; All joining in singing, Benediction, Judge Brown.

Mrs. W. W. Wallace Hostess Here Monday To D. A. R. Meeting

Mrs. W. W. Wallace was hostess for the first meeting of the club season of the Daughters of the American Revolution which convened in her home Monday at 9:30 a. m. Decorations were in keeping with Constitution Week. The meeting was opened with the Pledge of Allegiance repeated in unison and group singing of "Star Spangled Banner," led by Mrs. Randolph L. Clark. Mrs. Pettit was leader of the program on "The Constitution."

Plans for the Year Book were outlined by the chairman, Mrs. M. H. Hageman of Ranger. Other members of the Year Book committee are Mrs. F. E. Harrell of Cisco and Mrs. Owens of Eastland.

At the close of the meeting delicious refreshments were served by the hostess.

Methodist Youth Fellowship meet held in DeLeon Monday night.

Some 143 young people from the district met for an evening of fellowship and entertainment.

A report on the Mt. Sequoyah youth encampment held at Mt. Sequoyah, Ark., this summer was given to the group by Miss Phyllis Berry of Wesley Methodist and John Lightfoot of the First Methodist.

The local group was accompanied to DeLeon by Rev. and Mrs. C. A. Warden, Rev. Leslie Seymour and Rev. E. H. Lightfoot.

PROPOSES WAR MEMORIAL—President Truman points to a suggested memorial to the dead of World War II as he tours the White House grounds in Washington, D. C., with a group of visitors. The memorial has been in the Rose Garden for several weeks and here the President points it out to, left to right, Mrs. Franklin D. Roosevelt; Mary Ann Long, and Charlotte Ingraham.

Legion Auxiliary Meets Monday Night At Legion Hall

The regular meeting of American Legion Auxiliary was held Monday night at the Legion Hall with Mrs. Gorum Pollard presiding.

The U. S. Flag was presented and the Pledge of Allegiance was led by Mrs. Ethyle Berry, Sergeant-at-arms. A verse of the National Anthem was next sung, followed with prayer by Mrs. Truly Carter.

Minutes of the last meeting were read by Mrs. Beatrice Guthrie, acting secretary; who also read the various correspondence. Treasurer's report was made by Mrs. Barton Philpott. Report was made of illness in the homes of members.

A fine report of the State Convention was given by Mrs. Truly H. Carter, Mrs. Ethyle Berry and Mrs. Pollard, where Mrs. H. N. Lyle, Cisco member, was elected

State president of American Legion Auxiliary. She was nominated by Mrs. Truly Carter who made a most convincing and splendid speech, the local president and others report. The meeting was adjourned after the reports.

Those present were: Mesdames Opal Blackstock, Irene Hallmark, D. J. Gorman, Don McEachern, Charles Roberts, Gorum Pollard, Beatrice Guthrie, Ethyle Berry, G. P. Rainbolt, Truly Carter, Barton Philpott, and Misses Letha Estes and Lela Latch.

Young People Attend District Youth Rally

Some 30 members of the young people's groups of Wesley Methodist Church and the First Methodist Church attended the District

Control...that has no equal!

Take this beautiful car out on the road... and you'll discover the most important driving difference in cars today. For here is the only automatic gear shifting that gives you full control of your car at all times! Here is the only automatic transmission that takes its orders from you... that shifts when you want to shift... that can't shift you up and down when you'd prefer another gear. See... feel... and hear the difference in slow moving traffic. You cruise smoothly along in high, even at 12 miles an hour... saving gasoline... saving wear and tear on your engine. But at 12 miles an hour, other automatic shifts drop you down into lower gears—and there's nothing you can do about it. Try Chrysler's Fluid Drive and automatic transmission... learn how Chrysler has kept far ahead of all others. And discover the built-in value all the way through that has no equal today!

CHRYSLER IMPERIAL 4-DOOR SEDAN
... the car that has no equal at any price.
One of 21 beautiful Chrysler body-styles.

Prestomatic Fluid Drive Transmission... simple, cool-running, with three rugged compact units designed with a minimum of moving parts... 97% fluid Drive, the Safety Clutch, and Prestomatic Transmission. Ruggedly built for trouble-free service.

See it—drive it... there's built-in value all the way through!

Advantages of Chrysler's Fluid Drive
Automatic Gear Shifting—with full control of your car! Better traction—safer on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.

Advantages of Chrysler's High Compression Spitfire Engine!
Waterproof Ignition—prevents stalling in rain or high water! Chemically Treated Cylinder Walls—for greater wear. Floating Power—helps eliminate vibration. Superfinished Parts—reduce friction, last longer. Exhaust Valve Seat Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean longer!

Chrysler's Advantages in Comfort and Safety
Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe Guard Hydraulic Brakes—smoother stops. Easy-Lock Parking Brake—holds car on any hill. Electrically Operated Windshield Wipers—constant speed all the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds. Double-width Arm Rest—for arm chair comfort.

The Beautiful **CHRYSLER** with Fluid Drive

Mr. and Mrs. George Irvine who recently were transferred to Cisco from Longview will move soon to Cottage 2105, Humboldt, in the residence recently occupied by the M. M. Tabor family. The Tabors have moved to 2098 into the cottage recently occupied by Mr. and Mrs. I. J. Henson and family.

Mrs. M. M. Tabor and daughter, Kay Tabor, spent Friday evening at Breckenridge with her mother, Mrs. Castleman.

Mr. and Mrs. J. J. Porter and son Philip planned to go to Austin Saturday to spend the weekend with their daughter and husband, Mr. and Mrs. Marsh and their two young daughters; and also with the Porter's son, James Porter, who is entering the University of Texas.

Mr. and Mrs. Alfred Fish left for their home at South Pasadena, Calif., last week after spending a few weeks here following their wedding in Breckenridge.

Mr. and Mrs. W. J. Armstrong spent Sunday with their friends, Mr. and Mrs. L. E. George at their ranch home near Bangs.

Mr. and Mrs. Irving Dean and baby of Moran visited in Cisco Sunday in the home of Mr. and Mrs. Zed Kilborn.

Charles E. Kilborn of Fort Worth visited here over the weekend with his parents, Mr. and Mrs. Zed Kilborn.

Mrs. J. J. Livingston has returned home after a pleasant visit with her children at Seminole and Odessa, Texas.

Mrs. A. Z. Myrick has returned home after visiting last week with her daughter and son-in-law, Rev. and Mrs. James R. Wright and their infant son, James Ro-

bert Wright 111 in their home at Walters, Oklahoma. She reports that her daughter and infant son are doing nicely.

Mrs. Wayman Johnson and small daughter, Becky, are visiting at Walters, Okla., this week with her sister and husband, Rev. and Mrs. J. R. Wright and baby.

Mr. and Mrs. Donald Porter and two children of Dallas spent the weekend in Cisco with his grand parents, Mr. and Mrs. H. S. Stubblefield.

Mr. and Mrs. C. R. West left Sunday for Lexington, Kentucky, where they will visit their daughter and husband, Mr. and Mrs. George Swinebroad.

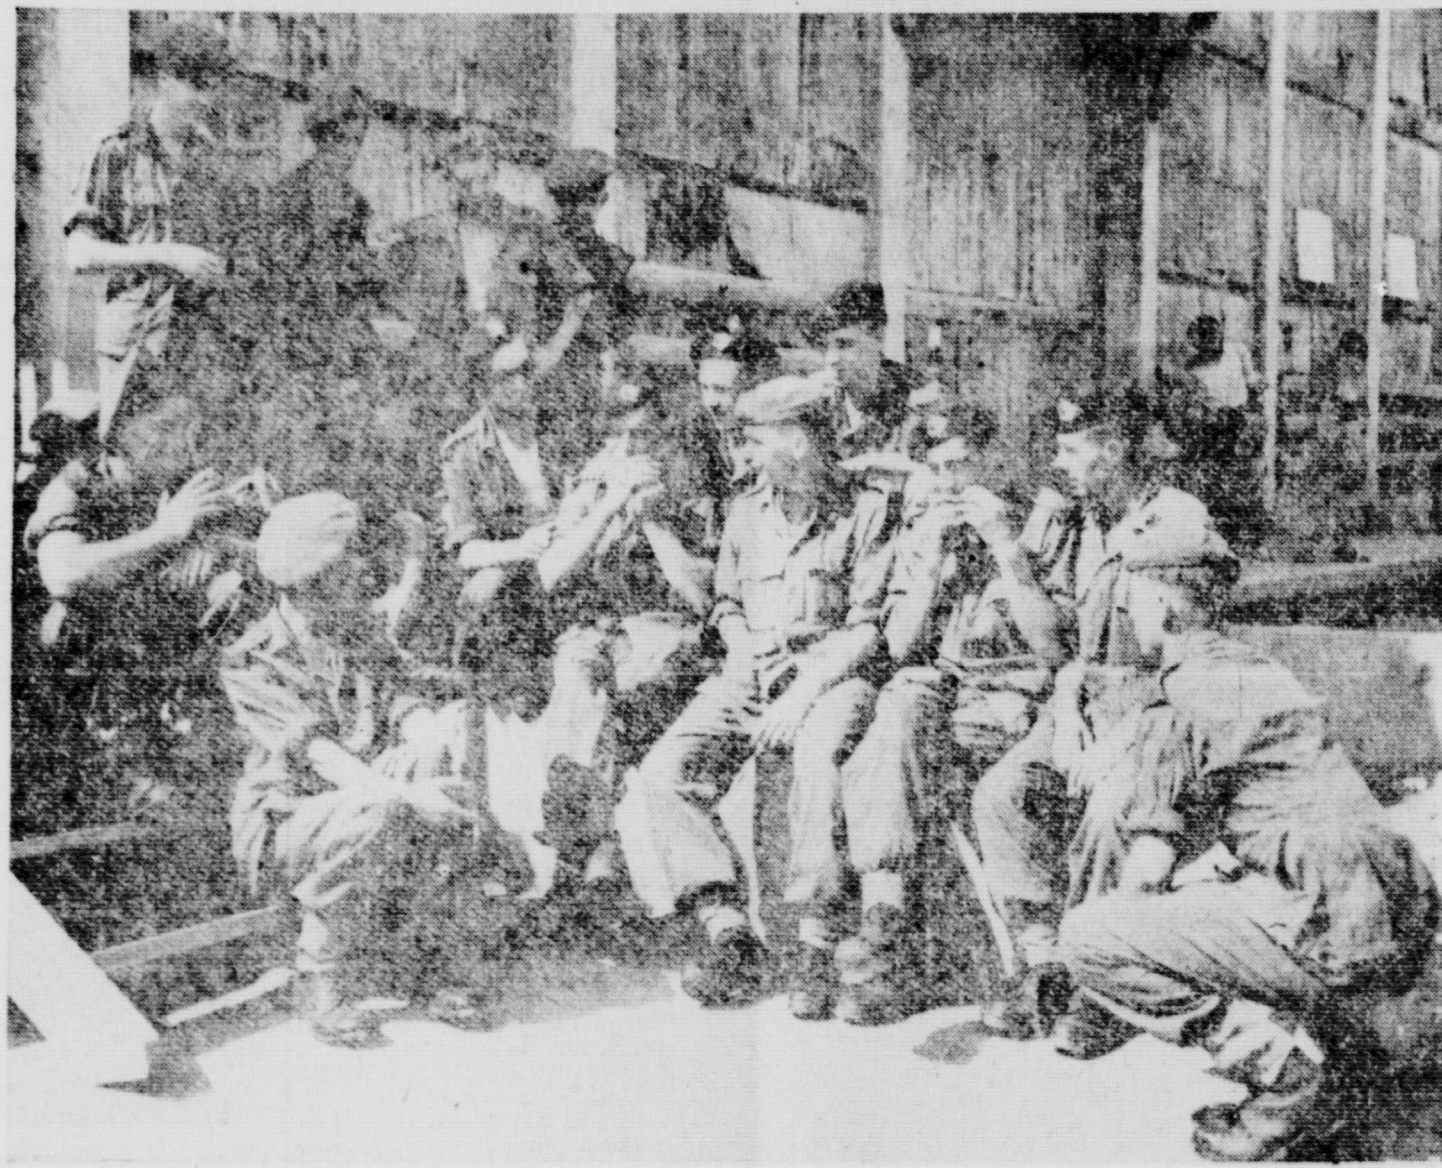

Mr. and Mrs. F. E. Shepard were accompanied home from a weekend visit in Dallas by Mrs. Shepard's sister, Mrs. Minnie Bracewell of Fort Worth who will visit them while on a two weeks' vacation.

Mr. and Mrs. Troy Powell transacted business in Fort Worth today.

STEWART TO RANGER
Tommy Stewart of Potts and Pepper Drilling Co., who has been staying at the Victor Hotel here for some time, has moved temporarily to Ranger. He plans to return here in about 10 days.

Civil Service To Hold Job Exams

The United States Civil Service Commission today announced an examination to fill Clinical Psychologist positions in the Veterans Administration in Washington, D. C., throughout the United States and Puerto Rico. A few Clinical Psychologist (Speech Pathologist) positions will also be

BRITISH JAM SESSION—British combat troops, relaxing at a grouping area in South Korea, are entertained with lilting British tunes by a couple of harmonica playing buddies. The men were getting ready to leave for the front line and action.

filled from this examination. The positions pay \$5,400 to \$10,000 a year.

To qualify, applicants must have completed all requirements for the doctoral degree from an accredited college or university. In the graduate study, the major emphasis must have been in the field of psychology. In addition, they must have had from 2 to 6 years of experience as a clinical psychologist in a medical setting, or in teaching psychology; the teaching must have included responsibility at the graduate level. No written test is required.

Full information and application forms may be obtained from the Commission's Local Secretary Sam King located at Cisco Post Office.

A DAY IN THE SWISS ALPS

(From Page 1)

The Hotel Belvedere at the face of the Rhone Glacier. Here we went into the Ice Grotto, a tunnel of over 200 yards in length chopped out of the glacier. The interior is all blue-green ice and one of the most beautiful sights ever beheld. This glacier is the start of the Rhone River and just across the valley at Furka Pass is the glacier that feeds the start of the Rhine.

Here our guide told us the story of the two brothers, one 30 years of age and the other 32, who years ago started out to explore the Rhone Glacier. The older brother slipped into a crevasse and when the younger brother returned with help, his body had

slipped from sight. Forty-five years later, the glacier, in its forward movement, brought the body of the brother into sight. At the funeral, the younger brother, was now 75 years of age, looked upon his brother who was still only 32 and looked just as he had the day they started the exploration.

As we moved forward toward Grimsel Pass, we saw three of Switzerland's tallest peaks, the Dom, the Weisshorn and the Matterhorn. Near the pass we saw the Lake of the Dead that had just begun to thaw. The lake is so called because in a battle at the pass in 1799, Napoleon and the opposing general are said to have buried their dead in the lake to keep each other from knowing how many men had been lost. The great Arre Glacier is in the background near Grimsel Pass and just over the pass a great power dam is being built. Everything in Switzerland is run by electricity because water power is so plentiful.

A most spectacular sight was the Handegg waterfall at the confluence of the Arre, a river of yellow water, and the Erlenbach, a river of blue water. The fall is approximately 200 feet and is distinctly half yellow and half blue to the very bottom.

In the valley beyond Grimsel Pass, we went through the village of Guttannen where Herbert Hoover's grandfather was born, and saw where he walked 11 miles to school. In the valleys it was haying time, and balls of hay that looked much like huge sausage patties, all tied up with string, leaned against the fences or were loaded on two-wheeled carts. It was in this long valley by the lovely Lake of Briens that we met the cyclists on their fifth day of the seven-day international bike races. Our guide was a sports fan and pointed out the cyclist who was leading at that time.

At Interlaken, we saw the Jungfrau with its glacial face and lofty peaks. More than two thirds

of the mountain was ice covered, and it presented a dazzling sight in the afternoon sunlight. At a park in Interlaken we saw another huge floral clock with three comical bronze figures with hammers and anvils — one struck the quarter hour, one the half and the other the hour.

On the road from Interlaken to Luberne, we saw many small herds of Swiss dairy cattle, each one wearing a Swiss bell of a different size. Also along this road Henry, our guide, pointed out that the mountain looks like a reclining man, and said that tradition had it that the man was Judas Iscariot, who fled from his

ACTUAL CASES WHERE HADACOL HAS RELIEVED NEURITIS PAINS

Due to Lack of Vitamins B₁, B₂, Iron and Niacin in Their Systems!

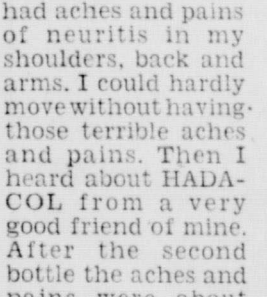

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio: "Before I started HADACOL, I had aches and pains of neuritis in my shoulders, back and arms. I could hardly move without having those terrible aches and pains. Then I heard about HADACOL from a very good friend of mine. After the second bottle the aches and pains were about gone. Now am just starting on my fourth bottle and I'm on top of the world. I eat well, and the aches and pains are completely gone. I recommend HADACOL to all my friends." (HADACOL actually relieves the REAL CAUSE of neuritis pains when due to such deficiencies.)

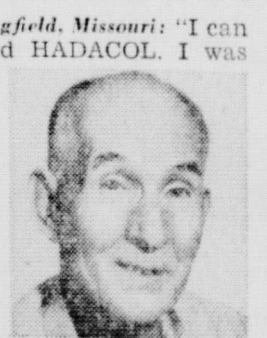

Mr. W. L. Daniels, Springfield, Missouri: "I can definitely recommend HADACOL. I was bothered with neuritis pains, had little appetite and had stomach distress. I was nervous and in a general run-down condition. There is no doubt in my mind but that HADACOL has been a real and definite help in all these ailments."

Mr. Harry Springer of 5608 Greer Avenue, St. Louis, Missouri: "I had neuritis pains for some time. I took expensive treatments but I continued to suffer pain. Then I read about HADACOL in a newspaper. I bought the first bottle and within a week I felt quite a bit better. And since taking the third bottle I have no pains at all. Right now five of my co-workers are taking HADACOL on my recommendation."

Mrs. Ethel Caraway, Box 192, Clay, Louisiana: "I had been suffering from neuritis pains in my neck so bad I couldn't sleep and had no appetite. I took many medicines without success and decided to try HADACOL, since the testimonials of so many people convinced me it was worth a chance. After taking only one bottle, all the pain and soreness had left my body. I found my energy had returned and now I feel better than I have in years."

ONE OF THE GREATEST BLESSINGS OF THE TIMES!

ACT NOW—HADACOL is not a quick-acting pill which gives symptomatic relief—HADACOL gives such remarkable results because it actually relieves the REAL CAUSE of neuritis aches and pains when due to lack of Vitamins B₁, B₂, Iron and Niacin in the system. And continued use of HADACOL helps prevent such agonizing neuritis pains from coming back. HADACOL has brought relief in case after case

where all hope of obtaining relief had been given up.

WHAT HADACOL DOES—This great product not only supplies weak, deficient systems with extra quantities of Vitamins B₁, B₂, Iron and Niacin but also beneficial amounts of precious Calcium, Phosphorus and Manganese—elements so vital to maintain good health and guard against such deficiency ailments.

BE FAIR TO YOURSELF. Start taking HADACOL to-

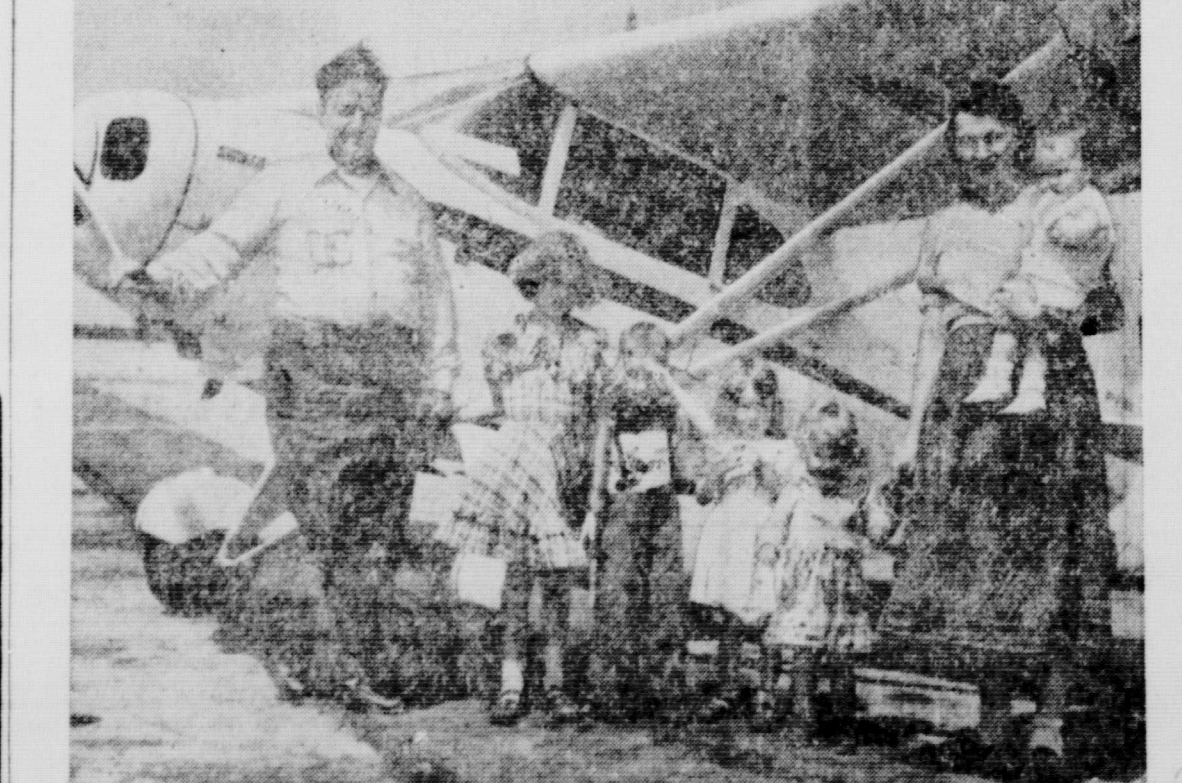

day. Don't keep dragging yourself around when relief is so inexpensive and near at hand—your neighborhood drugstore. Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50.

HADACOL comes in special liquid form so that it's quickly absorbed and assimilated by the blood—ready to go to work at once. A big improvement is often noticed within a few days.

© 1950, The Lellane Corporation

MISS CONFEDERACY—Miss Virginia Hamilton of Dallas has been chosen as Miss Confederacy by Southern manufacturers sponsoring \$15,000 "What Dixie Means to Me" contest. Her costume is Confederate money. The contest is part of a South-wide campaign to call attention to the many advantages of living and working in the South.

FLYING FAMILY—When Chicago salesman Morton S. Hart takes his wife and five children for a week-end jaunt, they never have to worry about clogged highways or traffic lights. Symbolic of the growth of private flying, Hart, Bonita, 7, Bill, 4, Claudia, 3, Sharon, 2, Geraldine, 1, and mother pose in front of their light plane in Detroit on their way to Canada.
