Rev. Bell Takes Pastorate Call of Californians

Rev. W. H. Bell, pastor of the Moran Baptist Church for the past two years, has accepted a call to be pastor of a church at Highlands, California. He submitted his resignation to the Moran congregation Sunday, Dec. 24.

Rev. and Mrs. Bell and family left for California last Friday. He accomplished much during his stay in Moran and left with the best wishes of the entire city.

Captain Sharp and family of Atlanta, Ga., are visiting Olin Smith and other relatives for the holidays.

Mr. and Mrs. Clarence Gay are spending the holidays with relatives in Fort Worth.

Mr. and Mrs. C. A. Churchill of Midland spent Christmas Day with her parents, Mr. and Mrs. H. Breater, in Moran.

Rev. R. W. Brown and family spent Christmas with his father, W. Brown, in Sweetwater and returned home Tuesday evening.

Mr. and Mrs. B. A. Elliott and Mr. and Mrs. J. B. Montgomery and son, Ross, were guests for Christmas dinner last Sunday in the R. A. Elliott home. The Montgomerys returned to Dallas Monday evening after spending the week end in Moran.

Mr. and Mrs. Truett Jones of Carlton visited her parents, Mr. and Mrs. Cole Jackson, on Sunday. They drove to Dallas and had Christmas dinner with Mr. and Mrs. Lathan Jackson.

Miss Ocie Mozelle Suddum of Albany and Dossie G. Barte of Moran were married on Dec. 20th at 8 p. m. in the home of the officiating minister, Cole Jackson of the Church of Christ. Only immediate relatives attended the ceremony. The young couple will live in Albany where the groom is employed.

Mr. and Mrs. G. B. Wilkerson and Robert George of Snyder were holiday visitors of Mrs. M. E. Ward and Ellen Larue and Edward Hammons.

James A. Jackson and daughter, Christine, of Fort Worth spent the holidays with his father, Mrs. A. J. Jackson. Christine will spend the week with her grandmother while James returned home Sunday evening. James works at the Consolidated Aircraft.

Bob Burton and Billie Gaston, both in the Air Force, stationed at Sheppard Field, Wichita Falls, spent basic training spent Christmas in Moran with the former's parents, Mr. and Mrs. Grady Burton.

Mrs. W. A. Beyers was called to Roby on Wednesday by the illness of her mother, Mrs. L. P. Parsley.

Mr. and Mrs. T. H. Sherman are host to a family dinner on Sunday. Guests were Mrs. Stella Sherman of Camp Carson, Colo., and Mrs. Gene Royal of Abilene. The mother, Mrs. Stella Sherman, left later to spend Christmas Day with another son, Howard Sherman of Ranger.

Mr. and Mrs. N. L. Bailey had their children home for Christmas Day. They were Mr. and Mrs. Roy Bailey of Houston, Mr. and Mrs. R. R. Kelley of Marlin, Mrs. Floyd Smith and daughter, Mrs. Jerold Burke, all of Duncan, Okla.

W. W. Martin and Maggie Hopkins spent last week and the Christmas holidays with Mrs. W. P. Grace in Abilene.

MORAN STUDY CLUB

Mrs. R. A. Elliott was hostess to the Moran Study Club Tuesday, Dec. 26th for the annual Christmas Party. The house was beautifully decorated through out in the Christmas theme.

A large beautifully decorated Christmas tree from which gifts were exchanged was the focal point of the decorations. Mrs. H. R. Roberts presided as president for a short business session.

Putnam News

M. D. Heist Found Dead On Tuesday

This community was shocked and saddened to learn of the death of M. D. Heist on Tuesday morning of this week. He was found lying on the floor of his room. A fire was burning and one foot was severely seared by the fire. His wife is in Wichita Falls for medical treatment and Mr. Heist was alone at the time of his death. It was supposed he had suffered a heart attack and had probably passed away some twenty-four hours before he was found. He was in town on Saturday before Christmas and seemed as well as usual.

Mr. and Mrs. Heist had lived in the Deep Creek community about twenty years or longer and had been prominent oil operators for many years and had accumulated valuable oil holdings in this area.

Funeral arrangements are pending due to the arrival of relatives from other states.

Mr. and Mrs. Emmett Woods and children of Cisco spent Christmas Day in the home of her parents, Mr. and Mrs. W. A. Ramsey here.

Miss Bettye Mobley has been ill at her home here the past several days.

Mr. and Mrs. W. M. Tatom will hold open house at their home here on Sunday afternoon January 7, celebrating the 50th anniversary of their marriage. All their friends are cordially invited. Hours from four to six o'clock.

Foy Jobe and wife, the former Barbara Brandon, are home to spend the holidays with their parents, Mr. and Mrs. Earl Jobe and Mr. and Mrs. Charley Brandon. Foy is training commander of the soldiers stationed at Camp Chaffee, Arkansas, 5th Armored Division.

Mrs. Velma Hardman and son, of San Antonio and Mr. and Mrs. Roy Lee Williams and children of Arlington are spending the Christmas holidays here with their parents, Mr. and Mrs. S. M. Eubank.

Com. and Mrs. I. G. Mobley were visiting in Ranger on Thursday before Christmas.

Mr. and Mrs. R. B. Cunningham and mother, Mrs. Jno. Cunningham were in Cisco Thursday attending to some Christmas shopping.

Mrs. Earline Clark and daughter, Doris Clark of Platonia and Mr. and Mrs. Ralph Mitchell and sons of Houston arrived Friday night to spend the Christmas holidays with their parents here, Mr. and Mrs. J. E. Pruet.

W. J. Abernathy is reported seriously ill at his home here. Mr. Abernathy has been ailing for several months.

Mrs. Carl Wallace of Tyler left Monday afternoon after spending the week end here with her mother, Mrs. J. S. Yeager and relatives in Cisco.

Mrs. T. A. Butler is reported on the sick list this week at her home in Putnam.

M. M. Little and son, Osborne Little made a business trip to Abilene the first of the week.

Mr. and Mrs. W. M. Tatom visited in the home of their daughter, Mrs. Blan Odum and family of the Rowden community Tuesday and Tuesday night, returning home Wednesday.

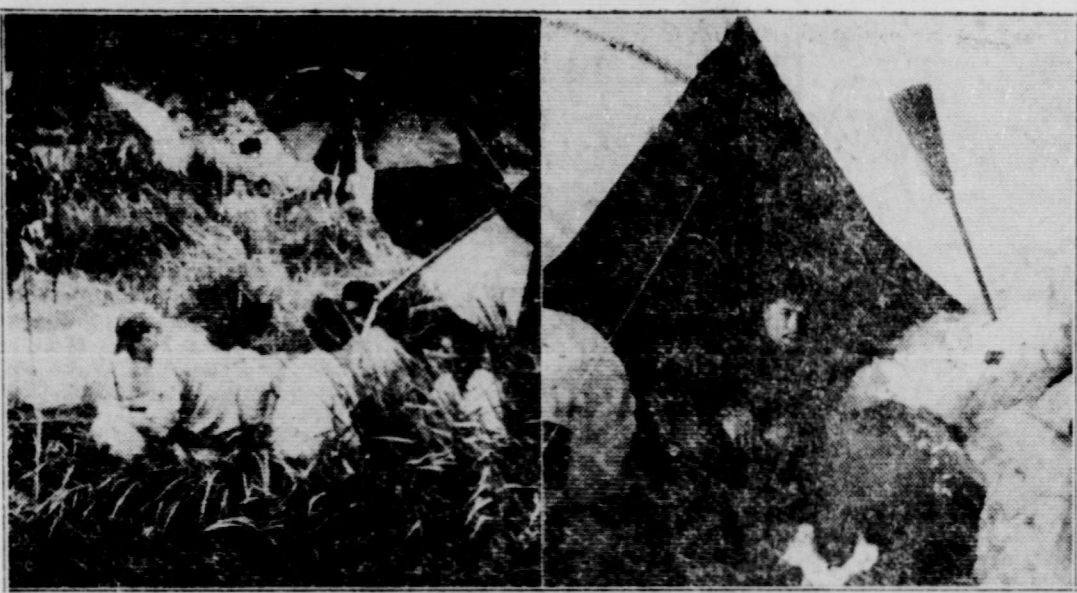

E. G. the small son of Mr. and Mrs. Harold Ingram is in the hospital at Baird this week suffering from an attack of pneumonia.

Mr. and Mrs. Ernest Whitaker of Weatherford spent Christmas here visiting in the home of their son and family, Mr. and Mrs. John D. Isenhower and other relatives.

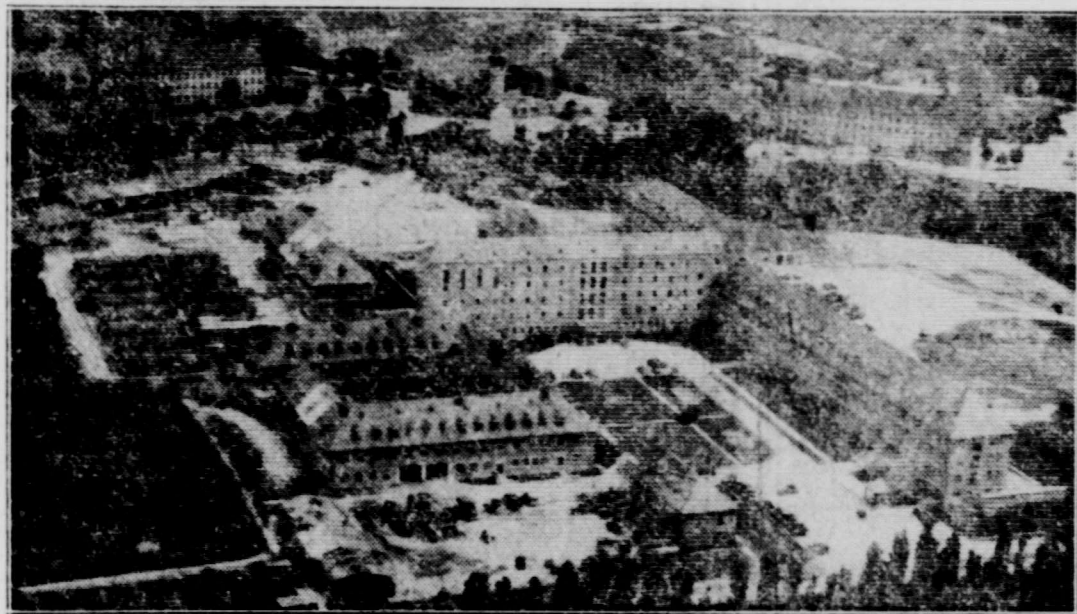

Miss Joan Smith, student in Ranger Junior College, visited in the home of her parents, Mr. and Mrs. Doc Smith through the holidays.

Mr. and Mrs. John Allen Pruet and small son, Mike of Rising

FAR-FLUNG ARMY MEDICAL RESEARCH—The contribution to science by the Army Medical Department covers unremitting work over a period of more than 100 years. Left, Malayan native volunteers expose themselves to jungle insects which carry scrub typhus to test a vaccine against this disease. Right, medical research in the Arctic test several different survival rations.

MODERN U. S. ARMY HOSPITAL IN GERMANY—A fine, thoroughly equipped installation is the Army's 97th General Hospital in Frankfurt. The Medical Department cares for American troops wherever they are stationed, so today it maintains facilities in numerous overseas areas.

LIVESTOCK AUCTION BARN HERE IS LEASED BY BROWNWOOD MAN

The Cisco livestock sales barn will reopen for weekly sales at 1 p. m. Monday, Jan. 8, 1951, under the management of S. K. Hardegree, veteran auction barn operator, it was announced today by J. E. Wood of Cisco, owner of the barn.

The barn has been closed since the recent death of Johnny Trigg, who operated it.

Mr. Hardegree, Brown County rancher, closed a deal with Mr. Wood this week to operate the Cisco barn, located on the Rising Star highway. He formerly operated a successful cattle and hog sales barn at Colorado City for a number of years.

Area stockmen were invited to bring their livestock to the barn for the weekly sales. Mr. Hardegree said the weekly sales would begin at 1 p. m. with experienced auctioneers and workers in charge.

East Ward Studies To Occupy Rooms At Junior High

Arrangements have been made for the 66 students of East Ward School to attend regular classes at the Grammar School Building, beginning with the re-opening of school on Tuesday, Jan. 2. Superintendent Arlin Bint announced today.

The East Ward School was damaged considerably by fire shortly before the Christmas holidays began. Mr. Bint said the board of trustees of the school system expects to meet soon to complete plans for repairing the damaged building.

The East Ward students will use two rooms at the junior high building. Mr. Bint asked them to report to the East Ward building as usual, adding that a bus would be there at 8:15 a. m. to transport them to their class rooms.

School authorities were awaiting final estimates of the damages before completing plans to repair the building. They expected to be ready to act within a few days.

Mild Weather Due To Return To Area

A year's end wintery blast was moving south today and mild weather was due to return to the Cisco area by Friday, the weather man said. A trace of rain fell in the city Wednesday night, but it wasn't enough to measure.

Temperatures dropped to the upper 20s Wednesday night and are expected to be in the 30s tonight.

Rain has been forecast for East Texas but it was not expected to reach this far.

The Primitive Baptist Church has announced plans for a three day meeting to begin Friday, Dec. 29. Services are planned for 11 a. m., 2 p. m. and 7 p. m. with visiting speakers assisting Pastor C. L. Coker.

ACCIDENTS WILL HAPPEN — And when two-year-old Ray Brown, of Electra, Tex., lost his trousers, he also lost his composure. But sister Mary Lou put an end to the embarrassing situation with her older experience. The tots had just arrived in New York after visiting relatives on the island of Sardinia, off the coast of Italy.

The Gay Philosopher

By J W S

THE LIONS CLUB is sponsoring a basketball game that should be very entertaining, indeed. It will feature a team of T. C. U. footballers being assembled by Homer (Spec) Tompkins and a club of Cisco All-Stars that Mr. Ralph Glenn is organizing.

Tompkins' team will include several stars of the past season's Horned Frog squad. And Glenn's team will probably include such stars as Glenn, Buck Overall, Jack Everett, Scat Russell and Ronald Rhodes. They will probably call on Coach Russell's Cisco Junior Wrangler to act as substitutes.

The odds are that substitutes will do most of the playing. SCEC SAID HE will try to bring along a film of one of the past season's TCU football games to show. So the evening's program should be well worth the price — 50c for adults and 25c for children.

ON THE FOOTBALL subject you'll be glad to know that three Cisco High players made the Abilene paper's all-district team. It was announced Sunday. Robert Jackson, Doug Johnson and Irvin Brunkenhoefer were the three local lads who made the team.

Our man, Donald Watts, got honorable mention as a center. We've campaigned all year to have him named all-state for Class A. We firmly believe he was the best center in the district, but the recognition didn't come his way.

CISCO HAD a visiting basketball team in town last night. Coach McNeely and his Pampa High School team stayed at the Victor Hotel. They were en route to Brownwood to play in an invitation tournament, beginning today. Ran into them at the Savoy Cafe early today and they were putting away bacon and eggs as fast as Nick and Sam could put it out.

Coach McNeely, by the way, is the son-in-law of Mrs. N. D. Gallagher of Cisco.

OUR SCOUTS report that the film, "King Solomon's Mines," currently at the Palace, is a top picture for entertainment. The film magazines report that it is packing in the customers everywhere it plays.

THE COUNTRY Club is getting all set for the annual holiday dance on Friday night. Leonard King's orchestra will be there and President Zan Burroughs reports that a goodly crowd is expected.

Pro Bill Dill tells us that Sunday and Monday last week were two very big days for the golf course.

EDITOR ROY Killingsworth of the Lions Club bulletin tells a good story this week, as follows: One of the unmarried girls in the office came in early one morning recently and began passing out cigars and candy, both with blue ribbons. Somewhat puzzled and more than a little surprised, we asked the occasion. Proudly, she displayed the solitaire on her third finger, left hand, and announced, "It's a boy — six feet tall and 187 pounds."

EDITOR Killingsworth is just back from a quail hunt in the Cap Rock country. He reports the birds were very plentiful and that his shotgun was really hitting them.

He suggests for the New Year: "Let's watch our minutes and hours and invest them in useful thinking and effort and prosperity will record for us the results of a successful life."

Fat Stock Show To Honor Vets

FORT WORTH, Dec. 28—Veterans' Day at the Southwestern Exposition and Fat Stock Show will be Wednesday, January 31 and one group of 1,500 ex-servicemen already is assured.

They are taking veterans' agricultural education in a nine-county region. The visit will be considered a field trip, such as the veterans frequently take to see the practical application of subjects studied in class.

They will attend the judging and will do judging themselves, with the instructor checking the student's finding with those of the official judges.

LIONS TO SPONSOR BASKETBALL GAME FEATURING TCU GRIDSTERS

Members of the Cisco Lions Club decided to sponsor a basketball game at the Community Gym at 7:30 p. m. Friday, Jan. 5, as a benefit for the club's charitable enterprises. The game

will feature a group of T. C. U. football stars playing a team of Cisco All-Stars.

Stormy Davis was named chairman of the ticket sales committee, and Ralph Glenn was appointed captain of the All-Star basketball team.

Now Is Time To Check On Health, Dr. Cox Thinks

AUSTIN, Dec. 28.—This is the time for the person that is just around the corner, says Dr. Geo. W. Cox, State Health Officer.

This is the time for the person forty and over to take stock of the situation as far as he is concerned. The best way to prepare for a continuing happy life is to begin early. An important thing is the periodic check-up by your doctor. A health problem discovered early is always easier to correct. Prevention is the watch word. The principal foes of health to confront in the middle years are heart disease, cancer, high blood pressure, hardened arteries, diabetes and arthritis.

Heart disease is the leading cause of death. A person with a damaged heart should learn his limitations and not exceed them. Many persons with heart disease lead useful and productive lives by following their physical instructions.

Cancer is the second leading cause of death. Many types of cancer can either be cured or brought under control if found early and diagnosed. This is another important reason why the periodic medical check-up is a "must."

Diabetes is a condition in which the body cannot use sugar. Did you have the Free Diabetes Tests during "Diabetics Detective Week, November 12-18? If not, go to your physician now and have this test.

Three of the diseases common to the after-forty group are concerned with the circulation of the blood. These are apoplexy, hardened arteries, and high blood pressure. You will want your physician to check your blood pressure.

A great deal can be done to arrest certain forms of arthritis. The person may be put on a special diet. The doctor may advise the removal of some hidden infections.

Information on prevention of these disabling diseases will be sent you on request. Let's plan to keep well during the New Year.

Light Showers Too Little And Too Late To Help

Widely scattered light showers in north central and northeast areas of Texas last week and more general rains in upper coastal counties reduced the threat of grass fires in those favored areas but were mostly too little and too late to be of much benefit. Over most of the State the droughty condition was becoming increasingly critical and general.

Rains were urgently needed to revive dying wheat and oats, to bring on winter grasses and legumes and to permit resumption of plowing operations. Activity during the week immediately preceding Christmas was limited largely to feeding of livestock, which was becoming more general, and to repairing of fences and general farm chores. Mild weather favored these activities, and prevented serious discomfort to livestock.

Shipment of all tender vegetables was ended. Cabbage, carrots and lettuce moved in fair volume and supplies of spinach from the Eagle Pass and Winter Garden areas were more plentiful at the end of the week. Temperatures were favorable for plant growth, but plenty of vegetables in non-irrigated areas was further delayed by continued drought.

The situation was particularly critical in the Coastal Bend where many growers had abandoned all plans for winter vegetables. Citrus fruits were being marketed in limited volume with considerable proportions still going to juice plants.

Hints Given To Guard Against Losses Of Hogs

AUSTIN, Dec. 28.—A question frequently asked by swine raisers, "How can I guard against losses brought on by swine enteritis?" was answered here today by the American Foundation for Animal Health.

Seven steps to help curb enteritis losses was suggested by the Foundation authorities: "Isolate newly-purchased swine from the home herd for at least three weeks, until they are known to be free of disease.

"Control internal and external parasites which weaken the animal's resistance.

"Keep swine away from old hogs lots, contaminated pastures, cow pastures, stagnant pools and other sources of infection.

"Keep feeding and watering equipment clean.

"Check rations carefully especially possible deficiency of B-complex vitamins. Prevent overeating of rich concentrates.

"Earmark sows and their litters to identify and weed out sow carriers."

"Watch for scouring, loss of weight, and failure to convert feed into gains. At the first sign of trouble, get a diagnosis and isolate the ailing animals from apparently healthy ones."

"Actually," the Foundation said, "swine enteritis is not a single disease. It covers a dozen different infections and disorders. Causes and symptoms vary so much that a veterinary diagnosis, herd survey and study of feeding and management practices may be necessary to stop a suspected outbreak."

Enteric diseases not only cause heavy death losses, the Foundation said, but often leave pigs in such a condition that they may never gain properly.

Bankline Well To Be Completed

Bankline, Old Company's No 1 C. E. Reynolds was given the hydraulic treatment today to begin completion work on another new oil well for the Bankline-Owens pool five miles northeast of Cisco. The well will be opened sometime Friday for the initial completion flow test.

The Gilchrist Drilling Company's No. Michael, southwest extension try for the pool, was drilled in the Caddo Lime below 3,000 feet today. The well is located just across Highway 80 from the Joy Drive-In Theater.

The Fred M. Manning No. 1 M. E. Louderdale, wildcat test in the Nimrod area, was reported to have failed to find anything in a drill stem test Wednesday night. The Mississippi lime was tested. According to reports, gas in commercial quantities was found in the upper Caddo lime.

Four and a half miles southeast of Cisco, Oil Associates, Inc., was testing in the Lake sand in their No. J. R. Bacon. Results were not available.

WILDCAT ANNOUNCED

The L. A. Warren Drilling Co. of Cisco has made location to drill a wildcat oil test five miles northwest of Ranger in Eastland County. It will be Warren's No. 1 Hamor Estate. Permit calls for 3,600 feet with cable tools.

1950 Passenger Car Production Is All-Time Record, Figures Reveal

DETROIT — Passenger car production established an all-time record during 1950, but truck and replacement parts output fell short of the records attained in 1949, the Automobile Manufacturers Association said today.

Other new records set during the year included employment and payrolls, number of motor vehicles in use in the nation, vehicle travel mileage, and special taxes paid by owners of motor vehicles.

PRODUCTION — A total of 6,672,700 passenger cars were built in 1950, a 30 per cent increase over 1949 which was the previous record year.

Truck and bus production for the year totaled 1,343,050 units, 18 per cent above 1949, but 2 1/2 per cent below the record total of 1,378,153 trucks and buses produced in 1949.

Total output of all vehicles in 1950 amounted to 8,015,750 units, or 28 1/2 per cent above 1949.

Replacement parts output figured at the wholesale value totaled \$2,000,000,000, an increase of six per cent over the previous year.

HAVE YOU A PUNY CHILD?

HADACOL May Relieve the Cause of Distress that is Dragging Your Child Down IF DUE TO A LACK OF VITAMINS B1, B2, IRON AND NIACIN

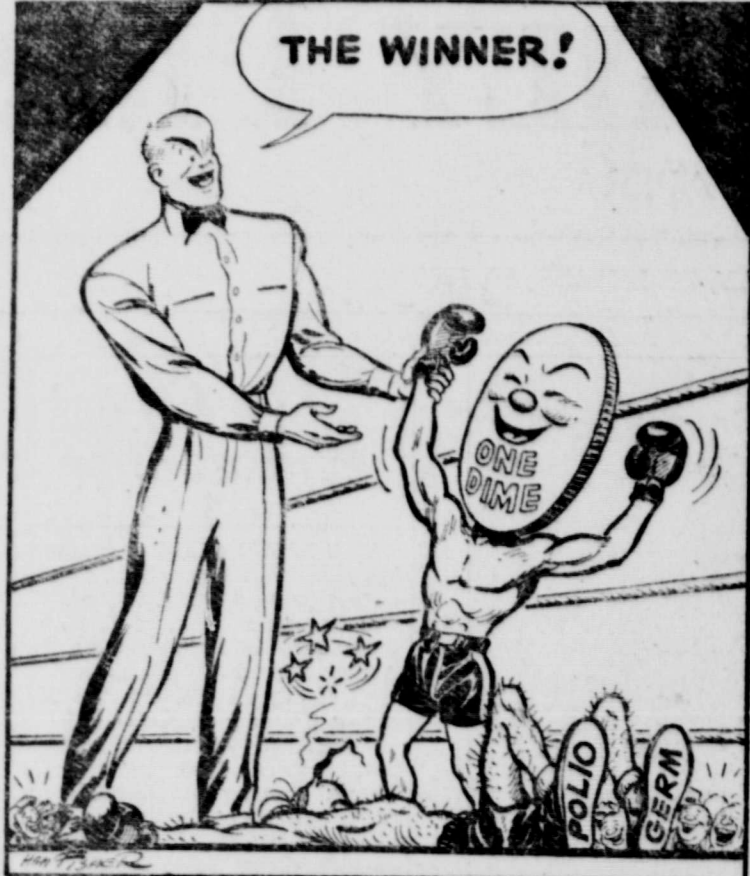

You don't want your child to lag behind, be below par, unable to keep up with the other kids. Medical science has verified the fact that a lack of Vitamins B1, B2, Iron and Niacin in the system can drag children down, cause them to fall behind in their development.

Here is just one example—a letter from Mrs. Edgar L. Johnston, Lake, Mississippi, whose son was suffering from a deficiency of Vitamins B1, B2, Iron and Niacin. Mrs. Johnston writes: "About two and a half years ago, our little boy, James Edgar had fever, and had to stay in bed for several months. He was so weak. We had to give him liver, and all kinds of food that would build blood. He couldn't run and play. Also his food hurt him. I heard about HADACOL."

could tell a great difference. He has taken fourteen bottles. He is eleven years old, weighs 92 pounds, plays on the school ball team, rides his bike, runs and plays like other boys and feels grand, sleeps all night, without waking. I can never praise HADACOL enough. I have recommended it to all my friends and got them to take it. They are thrilled over finding such a fine product. "If your child, like James Edgar, is run-down, lagging behind because of deficiencies of Vitamins B1, B2, Iron and Niacin, why not try HADACOL today. Many doctors recommend it for their patients, for their own families. Trial size bottle, \$1.25; large family or hospital size, \$3.50. Money-back guarantee. BOYS! GIRLS! BIG FREE COMIC BOOK! JOE PALOOKA SAYS "KNOCKOUT POLIO WITH YOUR DIMES" by HAM FISHER.

MORAN NEWS

From Page One

in which a box from the Club to a girl in Greece was reported. Mrs. B. A. Elliott gave a very interesting federation counselor report.

Mrs. Glen Cottle was program leader. Roll call was announced by giving a custom of Arabia.

"The Modern Holy Land" was discussed by Mrs. Ralph Snyder.

A Christmas story, "Why the Chimes Rang" was told by Mrs. Albert Thompson. Mrs. B. A. Elliott led the group in singing Christmas Carols.

The refreshment table was decorated with a Christmas arrangement in red and green and appointed with a silver service

billon above 1949.

Postwar surveys by city and state traffic engineers indicated that 52 per cent of passenger car trips were for the purpose of earning a living; 13 per cent were shopping trips, 19 per cent were for other "necessity" purposes, and 16 per cent for social or recreational purposes.

EXPORTS — Exports of American passenger cars continued to decline in 1950. A total of 145,000 cars were shipped during the year, or seven per cent less than the previous year. The truck exports numbered 135,000 units in 1950, or three per cent above 1949. The total shipments abroad of 280,000 vehicles amounted to less than 3.5 per cent of the industry's total production for the year. Belgium-Luxembourg, Venezuela and Cuba were the chief importers of U. S. cars, while Brazil, Columbia, Mexico and Belgium-Luxembourg led in U. S. truck imports.

SPECIAL TAXES — Motor vehicle owners in 1950 paid a record amount in taxes to federal, state and local governments. The total tax bill reached \$4,320,000,000, including \$905,000,000 in state registration fees, \$1,440,000,000 in federal excise levies, \$1,725,000,000 in state gasoline taxes, and \$220,000,000 in local taxes.

AVERAGE AGE OF CARS — The average age of motor cars in use in 1950 declined slightly to 8 years, but still remained much higher than prewar when the average age was 5.5 years. Over 40 per cent of all passenger cars and 33 per cent of all trucks in 1950 were 10 or more years old, whereas in 1941 only 17 per cent of cars and 18 per cent of trucks were in these overage brackets.

And, despite the relatively high production in postwar years, it is a fact that fewer passenger cars were produced in the 1940-1950 decade than in either of the two previous decades.

**DRY COLD UNIFORM**—The Arctic assembly shown here is worn by U. S. soldiers in Korea. The fur-edged hood is attached to a parka and may be worn over wool field cap or thrown back. Layers of woolen clothing are worn underneath in extremely cold weather.

members and their guests served hot spiced tea and various shapes. Mrs. Wallace presided at the tea. Each guests was presented with a corsage of silvered cedar and holly. Following the refreshments, the program was presented by Mrs. Davis. Fred David Shock presented in two piano pieces. Miss Marie Winston an interesting book review of "Mr. Jones, Meet the Girl" by the Rev. Peter Mar-

## Putnam News

From Page One  
and Mr. and Mrs. Arnold and family of Eastland Christmas here with their guests, Mr. and Mrs. J. E. Pruet.

J. E. Pruet and daughter, Earline Clark and Doris were visitors in Clyde today.

and Mrs. Milton Ramsey family of Andrews, Texas and in the home of his parents and Mrs. W. A. Ramsey through Christmas week end.

and Mrs. Elmer Harrison and Miss Lera Fleming of Abilene spent Christmas in the home of their mother, Lala Fleming.

and Mrs. Weldon Park and of Kernit are here visiting father, W. L. Park, who is ill, other relatives through the holidays.

and Mrs. J. G. Overton of Spring are spending the Christmas holidays here in the home of her parents, Mr. and Mrs. Butler.

and Mrs. S. Yeager and daughters Carl Wallace and Miss Ruth visited in the home of Yeager's sister, Mrs. J. R. Pratt and Mrs. Katie Richard in Cisco Sunday.

and Mrs. Eva Moore is reported on sick list this week.

and Mrs. Dot Moore of Cisco was a guest in the homes of her cousins the Moley sisters and I. G. Moley and family here through holidays.

and Mrs. Heysler and Mr. and Mrs. T. A. Hicks of Wichita Falls were in the home of their mother, Mrs. J. A. Heysler near Putnam through the past week.

and Mrs. Charley Davis Sr., who recently operated on for a herniated gall bladder at the hospital at Baird is reported doing remarkably well at this time.

and Mrs. Howard King and Mr. and Mrs. King and family of Ft. Worth spent Christmas week here in the home of their parents, Mr. and Mrs. Pete King.

and Mrs. Stedman Strickland and son Jerry Don of Ballinger were guests in the home of their parents, Rev. and Mrs. H. N. Berree through the Christmas end.

and Mrs. Charles Odom spent Christmas Day with Mr. Mrs. Charley Brown and family of the Bluff Branch community.

and Mrs. Charley Quigley is spending the Christmas holidays with relatives Modesto, Calif.

and Mrs. Gertrude Short, former

Putnam resident, but now of Big Spring was a visitor in the home of Misses Ruth and Bettye Mobley and Mrs. Mobile Carrico here through Christmas week-end.

Mrs. C. T. Hutchinson and Miss Laila B. Wells spent the Christmas week-end in Putnam. Mrs. Hutchinson in the home of her son and family, Mr. and Mrs. Alton Hutchinson and Miss Walls in the home of her mother, Mrs. N. W. Walls and family.

Mr. and Mrs. Junior Balderree and baby of Cisco, and Chuck and Harry Grung of Chicago spent Christmas with Rev. and Mrs. H. N. Balderree here.

A community Christmas tree at the local school building here was enjoyed by old and young on Friday evening, December 23. The tree was beautifully decorated and every child present received a gift. Santa Claus was there also, and proved himself quite capable and entertaining and caused quite a sensation among the children.

## Checks Agonizing Sciatic Pain Fast!

It's brand new! SURIN for speedy, temporary relief of local, superficial pains of arthritis, neuritis, rheumatism, bursitis, sciatica, lumbago and also fatigue and muscular aches and pains of simple colds. Here is the secret of SURIN's fast action and helpful temporary relief of local superficial pain. SURIN is based on a new application of a principle which permits a marked degree of absorption of the analgesic drug through the skin and treats the pain at the point of pain. SURIN contains a modern research drug - b-methas-holone chloride, a powerful ingredient to dilate surface blood vessels when used locally at the point of pain. SURIN has 2 way action (1) it increases the superficial blood supply (2) allows relaxing agents, camphor and menthol penetrate rapidly. SURIN acts fast. In a few minutes you feel a soothing warmth and get relief lasting 1 to 3 or more hours. No internal dosing with SURIN—use it locally! SURIN is quite different from old-fashioned ointments and liniments. SURIN may be applied without fear and is so easy to use. Has new ointment base that is smooth, creamy-white. Washes off quickly in warm water. Does not stain washable fabrics. Money back at your druggist if not satisfied.

### Texas 4-H Orators Win State Awards

Don McGinty Frances Jean Mullins

Don McGinty, 14, of Spur, and Frances Jean Mullins, 16, of McDade, have something to talk about. The ability to say it fluently, convincingly and clearly, has won them state honors in the new 4-H Public Speaking program. In public talks about personal 4-H experiences and accomplishments they have been able to inspire others to do things worth while. Don's award is a beautiful 17-jewel gold watch and Frances' gift a lovely set of silverware, both presented by the Pure Oil Company.

The great value of 4-H work, which can never be measured by dollars and cents was one of the underlying thoughts of Don's speech. The friendship of interested adults, the benefits from democratic organization, the glamorizing of agriculture, and the decrease of juvenile delinquency—all these are the rewards of 4-H work, according to Don. His speech ended with a poem expressing the role mature adult leadership can play in molding 4-H youth.

Miss Mullins' speech dealt with the role 4-H members can play in promoting good government. By taking the fullest advantage of their education, and by taking an active interest in American government, she expressed the belief that America's youth can become even greater leaders than their forebears.

This activity is under the direction of the State Extension Service with USDA cooperating.

Mrs. S. C. Wright had as holiday visitors, Mr. and Mrs. Ed Green of Kilgore. Mrs. A. B. Cloud and two sons of Waco visited in her home on Wednesday.
