

If you spend a dollar at home you have some hope of getting it back; if you don't, you just spend a dollar.

The Gay Philosopher

By J. W. S.

IF US should take some time once in awhile to count blessings. And today we'd count one that means a great deal to us all. We count the Graham Hospital. It is timely, too, for Sunday is E. L. Graham's birthday. The doctor had forgotten about the birthday, as usual, until he got to get in his car yesterday and drive to town for the Rotary Club meeting. He missed a meeting since he is a charter member of the club some 30 years ago. When he got outside, his old car was gone. Somebody suggested he try the shiny new Cadillac parked in front of his house. When he got in, there was a sign saying: "Happy Birthday to all of your in-laws." Graham's family had given him the new car. He was still in the car when he arrived at the Rotary luncheon.

ON THURSDAY night, the doctor and a few close friends gathered for a birthday dinner in honor. It was a little early, but it was held while the Graham daughter, Mrs. Layden of Dallas, could be here. It was a happy birthday, in-

DAY CISCO has better hospital facilities than Fort Worth or any other city on a per capita basis. In fact, the big cities have big hospitals but, considering the number of people they serve, the facilities aren't as good as

to cite you these figures to show you why Graham Hospital is a blessing to the people of Cisco's many blessings. Especially a blessing when you consider the trouble most of us towns have in keeping open hospital for their people.

THROUGH THE year Dr. Graham's reputation has grown as a surgeon in this section. He is a graduate of the University of Texas Medical School, a Fellow of the American College of Surgeons, has done post graduate work in many big hospitals of the East and in England. His vacation years have been and far-between.

any of the people who are on the hospital staff have worked for years. Mrs. Lannie Man-busness manager, has been in 12 years. Dr. Jim Lawrence led the staff last July 15 to Dr. Graham.

RS GRAHAM, the former Nova Shelton, is a native of Cisco. She has been the doctor's aide over the years. She has arranged his busy schedule to allow him as much relaxation as possible. They have two children — Mrs. Stroud, who is making a name for herself in music, and a son, Emmett, student at the University of Texas. They are Presbyterians and have always been as active in community affairs as their own life will permit.

GRAHAM HOSPITAL is "open house." This means that any doctor in the area can send his patients there and use the facilities of the hospital.

ONE OF THE doctor's hobbies is his small pecan farm back of the hospital. He has a midget orchard which he uses to cultivate for relaxation. For considerable reading. He has two books each night, some-thing to read.

WITHOUT DESTINATION—Among the last refugees to pull out of Seoul just before the Reds drove in from the north are these heavily-burdened women and children, fleeing across the frozen Han River in their flight southward. Most of these refugees, while traveling to the south, have lost their homes forever and have no actual destination during their travels.

In addition to Cisco employees and their families, those from Breckenridge will also attend the dinner.

Cisco drivers receiving awards for perfect 1950 records, the number of years and their total mileage follows:

Local Boxers To Fight At Graham

The boxing card scheduled for Friday night at the local gym, pitting local fighters with Breckenridge boxers, has been canceled and Coach Paul Mosley will take his team to Graham for the bout with fighters there.

Don Dorr, regular member of the team, fighting in the heavy-weight division, will be back in the ring for the Graham contest following a two weeks rest due to an injury received in Breckenridge on January 5. Ken Guthrie who took Dorr's place in the ring last week will not see action Friday.

Boys making the trip to Graham will be Dorr, David Robinson, Ben Tabor, Benny Pippen, Sonny Bosworth, and Tommy Barton.

8 JUNIOR BASKETBALL TEAMS WILL PLAY IN ABC CLUB LOOP

Plans for starting play in the Junior Basketball League sponsored by the ABC Club at 9 a. m. Saturday at the local gym were announced by the committee named by Mayor G. C. Rosenthal, president of the organization.

Felton Underwood, Ralph Glenn and Stormy Davis were appointed to the committee to work out the details of the league and to direct the play scheduled for each Saturday for the next few weeks.

Eight teams have been entered in the league and the winner of the play will be decided in play-offs at the close of the season.

The First Baptist Church and Seranton will share honors with the First Christians and the Ragnots in starting league play at 9 a. m. Saturday. Goals have been set up at each end of the floor in the gym and two games will be played at the same time.

Following the opening games Wesley Methodist and the East Cisco Baptist entry and the Lutheran team and the First Methodist will play their contests. The last two games will begin at 10:15 a. m.

The Ragnot team is composed of boys under 14 years of age who go to churches not sponsoring teams. The committee urged all boys in the age limit who desire to play with the Ragnots to be at the gym at 8:30 a. m. Saturday to sign up for the play.

Rules governing the play will be similar to those used last season, Rosenthal said. Coach Buck Overall will be in charge.

Both "A" team boys and girls were to play Moran at 3 o'clock today and will enter the semifinals at 2 p. m. Saturday.

Playing for the girls "B" team were Janice Hawkins, Nixie Gregory, Jerry Turner, Loretta McKinney, Bobby Sublett, Jane McCauley, Norma Scheffer, Carolyn Birt, Louella Downie and Vernelle Carey. Playing for the boys "B" team were Jerry Weisner, Jerry McMurry, Fred Anderson, Tommy Reynolds, Harold Pippen, Moose Morris, Joe Wayne Farrow, Milton Houston and Robert Fletcher.

FFA Boys Will Have May Camp

Gail Jones, F. F. A. instructor, wishes to remind all the students that the contest for Future Farmer Sweetheart is still on. Go to Mr. Conger's outer office and cast your ballot with a penny.

Hubbes McCrary reports that the Future Farmers have secured the use of Billy Holder Memorial Camp at Possum Kingdom Lake for the first week after school dismisses in May.

Part of the trip will be financed by the profits from a concession stand to be operated at the local fat stock show.

It is planned to travel to the camp in the charter pick-up.

VFW WILL MEET

Members of the Cisco Post of the Veterans of Foreign Wars will name a nominating committee to select new officers and plan for a visit by the national commander at their weekly meeting at 7:30 p. m. Friday. Adjutant J. V. Heyser announced. All members were urged to attend.

Mr. and Mrs. Bill Donohoe of Bethany, Oklahoma, arrived Friday to visit in the home of his mother, Mrs. W. W. Donohoe. Her daughter and family, Mr. and Mrs. J. F. Marsala, will arrive Saturday from Abilene to spend the weekend.

Re-Wiring Work Is Finished At West Ward School

The re-wiring project at the West Ward School has been finished at a cost of \$1,148 to give the school four times as much light as it previously had, Principal C. B. Midkiff told members of the Parent-Teacher Association at a regular meeting Wednesday afternoon.

The project was paid for largely through funds provided by the PTA. In addition to the wiring work, other new improvements at the school include a new hot water heater which cost \$150, towel dispensers and repairs to doors and windows.

Mrs. Delmar Johnson, president, presided over the meeting. It was decided that educational films will be ordered for the showing of the school. A committee composed of Mrs. W. L. Moore, Mrs. Carrel Smith and Mrs. C. D. Gorr was appointed to select the films.

It was decided to hold a special program at the high school auditorium on Friday night, Jan. 26, to feature the midget show which more than 500 persons applauded at the recent PTA carnival, and a rural school scene. Admission charges will be 35 cents and 15 cents.

The PTA will sponsor an exhibition of fine arts from March 5 through March 9 with the proceeds to go toward buying pictures for the school rooms.

Volunteers for the February meeting are: Mrs. Cole, Mrs. Buddy Dollingee, Mrs. Neal Moore and Mrs. W. L. Moore.

The treasurer's report showed that the organization had a balance of \$814.33 on January 17 with a total membership of 145 persons. Mrs. Jack Leech's room won the room count for the lower grades, and Mrs. Hallmark's won for the higher grades.

Recent visitors in the home of Mrs. Myrtle Anderson were Mr. and Mrs. H. E. Skipper of Midland, Mr. and Mrs. Eldon Anderson and children, David and Michael of Eastland, and Mr. and Mrs. Billy Hoffman of Eastland.

Mr. and Mrs. Gene Dawson are home in Breckenridge after their marriage December 24. Mrs. Dawson is the former Miss Geneva McMichael of Breckenridge. Mr. Dawson is the son of Mr. and Mrs. A. W. Dawson of Cisco.

WRANGLERS BEAT DECATUR BY 58-44 SCORE IN CAGE BATTLE

Coach Seat Russell's Cisco Junior College Wranglers out passed, out fought and out scored the Decatur Baptist College quintet at the local gym Thursday night to win by a 58-44 score and remain undefeated in conference play for the 1951 season.

The Wranglers went into the contest with wins over Ranger Junior College and Clifton Junior College and soon had the game with Coath Otis Strickland's Indians on ice. They took the lead

in the opening moments of the game and were never seriously threatened. The score at half-time was 28-20, with the Wranglers on top.

Bobby Huffmyer hit the basket from every angle to lead his team in scoring with 20 points. Bobby Travis and Doc Rainey tied for second place honors with 12 points each. Bill Gunn made nine points and Charles Hutchinson trailed with five.

The fast floor work of Huffmyer, Travis and Rainey, coupled with fine play off the backboard by Gunn and Hutchinson contributed to the comparatively easy win by the Wranglers.

Rev. Otis Strickland took over the active coaching of the Indians recently when the regular coach underwent surgery.

The box score of Thursday's game follows:

Schools Backing March Of Dimes Drive In Texas

AUSTIN, Jan. 19. — The 1951 Texas March of Dimes got a formal acknowledgement this week as the annual drive for funds to fight polio swept ahead throughout Texas.

The support came from Dr. J. W. Edgar, State Commissioner of Education.

Speaking for the more than one million and a half public school children and the thousands of teachers, Commissioner Edgar anticipated the backing of all educational forces in the state.

In a letter to Ralph Frede of Austin, Central Texas Representative for the National Foundation for Infantile Paralysis, Commissioner Edgar wrote in part:

"We are greatly interested in both the educational program and the fund-raising program of the National Foundation for Infantile Paralysis, and, along with the other school people of this state, we are glad to lend our cooperation and assistance to these programs in any manner that is fitting."

"We wish you success in the forthcoming March of Dimes program, and I know that you will again this year, as in past years, have the full cooperation of the pupils, teachers and administrators of the public schools of this state."

The Texas quota for the 1951 MOD is \$2,500,000. Ed. S. Stewart of Abilene, state chairman, said the success of the annual drive "is unusually urgent because of the record incidence of polio in the last three years."

Dallas Artists Provide Musical Trio At Rotary

Two members of the Dallas Symphony Orchestra and a Dallas pianist provided a musical program as the feature of the weekly luncheon meeting Thursday of the Cisco Rotary Club at the Victor Hotel Coffee Shop. Dr. E. L. Graham was program chairman.

Alex Fielder, one of the southwest's best known flute players, and Mrs. Gloria Graham Stroud, daughter of Dr. and Mrs. Graham, who has earned a wide reputation as a violinist, played Handel's No. 7, with Bob Anderson, Southern Methodist University advanced student, playing the piano accompaniment.

Rotarians enthusiastically applauded the work of the three young musicians for the manner in which they handled the long and difficult number. Mrs. Stroud, native of Cisco, also plays with the Dallas Symphony Orchestra.

Special guests for the program included Mrs. E. L. Graham and Mrs. R. L. Ponsler. Several visiting Rotarians were present.

Attendance Honor Won By Rotarians

According to the monthly letter from J. P. Tarry, governor of District 186 of Rotary International, covering club activities for the month of December the Cisco Rotary Club led the district in attendance for the month with an average of 99.27 per cent.

The district is composed of some 40 clubs with over 1,800 members. The Vernon club was in second place and Crowell was in third place. Eastland was in tenth place and Ranger was in 13th place. Breckenridge and Brownwood trailed in 14th and 15th place, respectively.

The district attendance average for the month of December was 88.90 per cent and for the past six months was 89.75 per cent. The Cisco club holds the honor of being first place in attendance in most of the monthly reports and is always high above the average for the district. The local club average has not dropped below 97 per cent in the past two years.

President C. W. Henry expressed his appreciation to local club members for their efforts in keeping the club on top of the list.

WHAT THE BIBLE SAYS

There are many honest people who object to the teaching of the Bible wherein it deals with baptism in water, in order to have the remission of sins. To those who follow man-made doctrines and practice and teach that one is saved from all past sins before obeying this inspired command we invite your earnest attention to these few lines. The Bible very plainly says there is "one baptism," (Eph. 4:5) Now if we can find what it does we will have learned its true purpose. Let us now study a few different versions of 1 Peter 3:21. Let us start with the King James Version: "eight souls were saved by water. The like figure whereunto even baptism doth now also save us (not the putting away of the filth of the flesh, but the answer of a good conscience toward God,) by the resurrection of Jesus Christ."

REVISED STANDARD VERSION

"Eight persons, were saved through water. Baptism, which corresponds to this, now saves you, not as a removal of dirt from the body but as an appeal to God for a clear conscience, through the resurrection of Jesus Christ."

THE EMPHATIC DIAGLOTT

"Eight persons were carried safely through the water. And immersion, a representation of this, now saves us; (not a putting away the filth of the flesh, but the seeking of a good conscience toward God.) through the resurrection of Jesus Christ..."

MOFFATT'S TRANSLATION

"Eight in all, were brought safely through water. Baptism, the counterpart of that saves you today (not the mere washing of dirt from the flesh but the prayer for a clear conscience before God) by the resurrection of Jesus Christ."

JOHN WESLEY'S TRANSLATION

"Eight persons were carried safely through the water: The antitype whereof, baptism, now saveth us, (not the putting away the filth of the flesh, but the answer of a good conscience toward God,) by the resurrection of Jesus Christ."

CHALLENGER-RHEIMS VERSION

"Eight souls were saved through water. Its counterpart, Baptism now saves you also (not putting off of the filth of the flesh, but the inquiry of a good conscience after God), through the resurrection of Jesus Christ."

My friends you have read your Bible to but very little profit if you have not arrived at this conclusion, namely, that the ark and it's saving of eight souls, was the figure of things to come... namely Baptism in water, which is a reality. Jesus said: "Ye are my friends, if ye do whatsoever I command you." (Jno. 15:14). Baptism is a command (Matt. 28:19). We invite all to attend our services.

Don't Talk About Troubles; Correct Them Says Mother

When many folks get to feeling badly they just don't know what to do. They fret and stew around, tell their neighbors, their friends and their family how badly they feel—and they usually do feel miserable. But they don't help matters any by telling other folks how badly they feel all the time, because most folks don't want to be around them when they act that way. Now, for example, take Mrs. Zina Lee Bowman, Route 6, Clees Ferry Road, Nashville, Tennessee. When she got to feeling badly, she began taking HADACOL and found that by taking HADACOL she gave her system Vitamins B1, B2, Niacin and Iron in which she was deficient.

Here is Mrs. Bowman's own statement: "I was so weak I could hardly do my housework. I am 30 years old. I am the mother of 9 children. I was so nervous I hardly wanted the children to speak. I had to rest after I got breakfast and before I cleaned my house. I have taken almost 4 bottles of HADACOL, and I feel fine. The children can make all the noise they wish, and it doesn't bother me. In fact I join them in their ball games and other games. We are a happy family, thanks to HADACOL."

Who Will Be King Lobo

THE LOBO LAIR PUBLISHED BY THE JOURNALISM CLASS OF CISCO HIGH SCHOOL

More Power to C. H. S. Boxers!

EDITORIAL

By Clem Newhouse These finals were fun, weren't they? But I have a suggestion - let's not have any more till next May. Beginning with Monday we will turn over a new leaf. Doesn't that sound funny, especially since we know perfectly well we won't.

We will faithfully study our lessons, be at every class on time, and have perfect attendance. We will cooperate with the school administrators, teachers, and our fellow students. We will do everything within our power to make this semester of progress for ourselves and our school. (Who's kidding who?)

NEW STUDENTS C. A. Dittmore enrolled January 15, in Cisco High School. He transferred from Scranton and is a Freshman. C. A. is fourteen years old.

BAIRD STUDENT ENROLLS Betty Sue Park enrolled in Cisco High School Tuesday. She is from Baird and is classified as a Freshman. Betty is fourteen years old.

The Band Banquet was a great success. The food was wonderful and the entertainment grand. Everyone was stuffed after a dinner of salad, turkey and dressing, English peas, candied yams, hot rolls, tea or coffee and delicious apple pie.

Our Skip Porter made a very inspiring speech. A girl's trio from Hardin-Simmons University sang three numbers. And, of course, the initiation of the new Freshmen band members proved to be interesting. Mary McCrea, Jane Huestis, and Shirley Hitt gave fifteen rabs for the Wranglers despite their skirts and high heel handicap. Jane Flint and David Gray, Mary Smith and Daniel Gray won the prize... a penny sucker.

FADS AND FASHIONS Bright shoe strings with matching socks are being worn by quite a few of the teenage boys and girls. (Remember these are strictly a fad, not a fashion.)

At last boys are getting their wish, long hair is preferred to short, even by noted hair stylists. Many girls have the mistaken idea that you have to buy expensive clothes to have that smart look. That old saying "clothes don't make the man," still holds true.

Where did Little'un acquire the name Mongolian blank and blank?

The little college on the hill used to give us such a thrill to watch the boys go up and down and wait for them to come to town.

What happened to four coke bottles at the dance last Saturday.

We hear four of our C. H. S.

THE ANGRY SOUL

By Jimmie Dan Cheshire (Poem accepted for National Anthology)

His Heart was like a stormy sea, Roaring, beating with agony. His eyes were like a long, long winter, Cold and dark and very bitter. His hair was flying like a flame, Long, wild and never tame.

girls had quite a party last night - strictly sag.

Hub began collecting dishes as of Saturday night.

Van's girl DOES NOT wear suspenders!!!!

Just who is the modern Florence Nightengale?

Why was Pat so gloomy Monday morning and so gay Tuesday? Beats me.

The Journalism Address...

by JEANELL MILLER Five months and four days ago our school brought forth in this building a new class, engrossed in journalism, and dedicated to the proposition that all news must be faithfully reported.

Now we are negaged in a great writers marathon, testing whether any student so engrossed and so dedicated, can contribute to The Lobo Lair. We are met in a classroom for that purpose. We have come to write a portion of that paper, as a starting place for those who are here to give their news that paper might continue to be improved. It is altogether fitting and proper that we should publish a paper.

But, in a larger sense, we cannot talk loud - we cannot chew gum - we cannot bother Miss Latch when she is busy - in this class. The brave students, working and writing, who struggle here, have concentrated on the paper to make it better than the first. This world will never know how much we struggle here, but we will never let it forget what we are doing here. It is for us, the students, rather, to be remembered here for the work in which they have thus far so nobly advanced. It is rather for us to be here working for a good paper, remaining after us - that from these honored editions we take increased devotion to that cause for which we gave our full measure of attention; that we highly resolve that these students shall not work in vain; that this paper, under proper guidance, shall have a new and better year of work; that The Lobo Lair of the students, by the students and for the students, shall not perish from C.

SADIE HAWKINS DAY RACE IS SCHEDULED FOR JANUARY 26

Friday, January 26, has been proclaimed "Sadie Hawkins' Day" at Cisco High School. This day has been dubbed "Sadie Hawkins' Day" to promote interest in the basket ball games at the local gym as well as to promote entertainment for the students at C. H. S.

At third period the Student Council will present the "Sadie Hawkins Day" Assembly program. And there will also be a "Sadie Hawkins' Day" race which is scheduled to begin at 1 p. m. Following the old tradition the girls will chase the boys. And the girls will be expected to take whoever they catch to see the Lobo Cagers play at the gym that night.

There will be an entrance fee of \$10 which the girls will have to pay to join in the race. After the game that night there will be a "Sock hop" at the gym and all the students and townspeople are invited to attend. The Student Council cordially invites the citizens of Cisco to witness the gala affair that is scheduled to come off.

Book Review...

by JOE STAMEY

The latest addition to Cisco High School Library in ARROW LIE STILL. This novel, a story of pioneer days in Texas, was written by Frank Cheavens.

This is one of the great pioneer stories to come out of the Lone Star State. Its Indian and pioneer love present a vivid picture of life in early Texas. Arrow Lie Still combines colorful reading with accurate rich details.

The Karankawa Indians were a unique tribe. They were warlike, cannibalistic, giants. One of their number, the beautiful Madalon, was abducted by Jean Lafitte's underlings. (of course, Lafitte is probably the most famous Rogue in American History.) Grannaton, Lafitte's lieutenant, fell passionately in love with Madalon, only to be separated from her during the fearful hurricane of 1818.

After this adventure, Madalon became attached to a pioneer family in Stephen Austins' colony. She soon fell in love with Naltron Turner, one of the settlers. Their son, Don-ai(grew up in the wilderness and later assumed leadership of the Karankawa tribe. Ultimately Don-ai falls in love with Mary Bronson and there is more heartbreak and long reputation before the traditional happy ending is accomplished with a joyful reunion.

"Arrow Lie Still is about the glamorous past, but it is written from the modern psychological viewpoint of human behavior. In this book we have hostility at its worst, deeply submerged in human personality and breaking out in destructive violence. Yet we have also the clear sign-post that points toward the attainment of peace in the human heart. The author, Frank Cheavens, is a graduate of Baylor and the University of Texas. He has earned two graduate degrees, the last in psychology at the University of Texas.

West Ward

Pupils of West Ward took mid-term examinations this week. The tests were finished by Thursday afternoon, and teachers were busy at school all day Friday grading papers, making out six weeks attendance records, and recording semester grades on the permanent record cards.

The District meeting of the County P. T. A. was held here last Friday afternoon. Mr. Clinton told the group what West Ward is doing in the music educational field. He demonstrated some of the record that are being used here for education purposes, and also sang two solos.

Ms. Johnson gave a report of the activities of the Cisco P. T. A. has carried on this year. The West Ward P. T. A. is one of the most active in this region.

The Cisco West Ward P. T. A. met this week on Wednesday afternoon at the school.

Six new pupils enrolled in West Ward this week. They are Nancy Ann Paks from Baird, who is in Miss Donaway's room; Karrol Bingham, from Oldale, California, in Mrs. Law's room; Ophelia Sigak in Mrs. Leech's room, and Gloria Sigak, in Mrs. William's room, both came from Rule; and Signlo Ciesino, in Mrs. Pollard's room, and Mary Jorris, in M. Midkiff's room, who were both formerly student at West Ward, re-entered his week.

Lonnie Smith, who was in Mrs. Leach's room, transferred to Farmington, New Mexico.

The March of Dimes Campaign for 1951 was begun at West Ward Monday.

This little seamstress has already been taught how to save her dolly's clothing by mending them before they are worn out. Though she has not yet attained great skill, she is learning the value of industry and thrift.

It is wise to give children good use of their spare time. Not only does it develop their skill and talents, but it keeps them from idle mischief. Let us not forget the essentials of life, however, in training our children.

While little hands are learning useful tasks, little minds should be taught of the Heavenly Father and His loving care, and little hearts should be filled with kindness and consideration for others.

Early religious training is the greatest gift for any child. Take your little one to Church and Church school for the foundation of a fuller, richer life. Do not wait; it can make the difference between happiness and sorrow, between success and failure.

HOLY BIBLE

THE CHURCH FOR ALL... ALL FOR THE CHURCH The Church is the greatest factor in the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to Church regularly and read your Bible daily.

ALL-STAR LINE-UP FOR '51!

Your first eye-smacking look at the line of lovelies pictured here tells you that they've got what it takes in visual charm.
But the fellow who said a picture speaks louder than a thousand words wasn't talking about these superbly able 1951 Buicks.
Sure, they're smart to look at—smart in style and smart in dress.
But they're also smartly powered—smartly engineered—smartly priced. And it would take a book to describe in full their deep-down goodness.
What's been done for '51 is to take the best automobiles that ever bore the Buick name—and top them.
Come, look them over, and you'll see what we mean.
There's the SPECIAL which can accurately be titled "the newest car in the world"—new in structure, new in power, new in dimensions, new in thrift—and potent in price appeal.
There's the SUPER—that looks and is a smart new edition of its "best seller" forebear.
Then there's the ROADMASTER—that coddles your anatomy on luxurious new fabrics and cloud-soft cushions—pampers your pride with its lordly bearing—shoots a delicious tingle right up your spine by the exuberance of its power and action.
We could go on and on. This is the car that "breathes through its nose." This is the car that sports a brand-new front-end styling. This is the car with new high-visibility instrument dials, more easily read at night. This is the car with glare-and-heat-reducing glass and a host of other news-making features you can't afford to miss.
So your No. 1 date this week end is with your Buick dealer. It won't take you long to conclude that he's offering the smartest buys of the year.
