

The Gay Philosopher

By J. W. S.

IF CISCO MAKES its quota in the March of Dimes drive, every person in town will have to contribute 25 cents. That doesn't seem like much, does it? That's what it will take. Your part is 25 cents. You can give it by buying dance tickets, by contributing in the Mother's March on Polio, or by dropping a check in the mail to Treasurer James McCracken.

The Mothers March on Polio will take place next Tuesday night. From 7 to 8 p. m., a group will tour the town. Where ever they see a porch light burning, they will stop for a donation. Mrs. Fleming Waters is chairman of this phase of the drive. You'll hear more about it soon.

THE BIGGEST cat we've ever met is the 16-pound tom at the S. H. Nance home. In fact, he's twice as big as any other two cats we ever met. He enjoys the run of the Nance home during the days, but at night he must retire to his bed in the garage. During the recent cold weather, the big cat would hide in the house, hoping they wouldn't be able to find him. Smart animal, huh?

THE NATIONAL COURTS out on the east edge of town are bright and shiny today. Mr. Geo. Davis, the owner, has just completed a repainting job. And all looks very well, indeed.

GUESS MR. LEWIS Starr, the auto supply salesman, will probably go in for plain and fancy sewing. He has just won an electric sewing machine for his work in a recent contest. His company here finished high in the national contest. Congratulations to Mr. Starr.

MR. R. J. Stevenson, local boss man for the T. & P. Railroad, advises us that the 15-car General Electric super demonstration train will be in Cisco at 2 a. m. on Thursday, Feb. 15. It will be here five minutes, and will switch from the Katy to the T. & P. to continue west. It's highly advertised as a 100 per cent diesel job, and is GE's exhibit train No. 1.

Mr. Stevenson invited us to come down to see it. We told him we'd meet him there.

THERE WILL BE a large number of basketball players and their families in Cisco this weekend — starting today — for a tournament. Let's all be on our toes to give them samples of good Cisco hospitality. Let's be sure they enjoy their stay in Cisco and help out in assuring a very successful tournament.

MEMBERS OF the Cisco Lions Club were asked to vote yesterday on the proposition of admitting Red China as a member of the United Nations. While most of us voted, "no," one man asked us this question: "Don't you think you ought to do business with the people in charge of China?"

What do you think?

Scranton Teams Win Cage Games

Scranton high school basketball teams won two games from Carbon in the Scranton gym Tuesday night. The girls defeated Carbon by a 51-17 score while the Scranton boys were winning 41-21.

In the girls game Jane Starr of Scranton led in scoring with 31 points. She was followed by Wheatley with 14 points. Horne, Naylor and Ingram each contributed two points. In the boys game Douglas Speegle led in scoring with 11 points. Don Starr was in second place with 10.

On Friday night the Scranton girls play in the county tournament in Desdemona and the grade school teams will enter the Putnam tournament.

TAKES BEAUTY COURSE

Mrs. Thomas H. Lee of the Broadway Beauty Shop has just completed a two weeks post graduate course in hair styling at Ft. Worth. It was reported here today.

READY FOR ACTION—A new innovation for fighting fires caused by air raids is a two-sided, four-wheeled dolly fire truck, equipped with axes, helmets, firecoats, sand, hose and other fire-fighting material. Here, air raid warden Norma Solberg directs fire-fighters John McClosky, left, and John McGrath during a mock air raid in New York.

Miss Yeager Is Winner Of Annual Merit Certificate

Miss Mildred Yeager, formerly of Putnam, who is now employed by the federal Department of Agriculture in Dallas, has been announced as winner of the annual Certificate of Merit offered each year to the employee of the Department who has performed the most outstanding services for the employees.

Miss Yeager began work in Dallas, in October, 1949, and was appointed as editor of the USDA News for 1950. The USDA Club means all employees of the Department of Agriculture. An employee automatically becomes a member of the Club upon acceptance of employment with this Department. The Certificate was awarded pursuant to resolutions passed by the Board of Directors and was presented Miss Yeager in appreciation of outstanding work performed as editor of the USDA Club News. There are 84 USDA Clubs in 42 states of the United States.

Certificates of Merit were awarded also to William F. Farrell, president of the USDA Club of Dallas and Miss Anna L. Tydings, Chairman of the Employee Welfare Committee.

Miss Yeager was employed by the Federal Government several years in Washington, D. C., before accepting employment in Dallas. She is the daughter of Mr. and Mrs. J. S. Yeager of Putnam.

The Woman's Study Club of Putnam met in the home of Mrs. Leo Clinton in Cisco on Feb. 6. The following program on "Education in Texas," was given.

Roll Call — Current Events. Texas Educational System — Mrs. L. A. Williams. What Democracy Demands of Education — by Dr. Kathryn A. Hanna — Mrs. R. B. Taylor. Texas Colleges — Mrs. Harry West.

The hostess served a salad plate to 19 members and one guest.

Mrs. Lena Kelly of Dallas spent the weekend in Putnam visiting relatives and friends.

Mr. and Mrs. Bob Williams of Eunice, New Mexico, were weekend visitors of Mrs. W. A. Buchanan.

George Biggerstaff is able to be out again after a lengthy illness.

Mrs. W. D. Fleming and Miss Laverne Rutherford spent Monday in Abilene.

Mr. and Mrs. Linden White of Cisco were Sunday visitors of Mr. and Mrs. Lee White and family.

Mr. and Mrs. Rus Lamb of Ft. Worth. Turn To Page Five

BUTLER ASKS LIONS TO HELP IN CIVIC PROGRAM IN LUNCH TALK

Manager B. A. Butler of the Cisco Chamber of Commerce urged members of the Lions Club to help "keep our city on the march" in an address at their weekly luncheon meeting at noon Wednesday at the Victor Hotel.

Butler told the club that Cisco is one of the few cities in this section that showed a population gain in the 1950 federal census. He added that Cisco gained more than 500 dwelling units in ten years, while Eastland County lost more than 1,000 and most area cities showed losses.

He told the Lions that considerable income comes to residents of the area. Last year's income included some \$2,000,000 from livestock, nearly \$1,000,000 from oil and more than \$1,000,000 from industrial payrolls.

Butler said the school system's payroll was in excess of \$200,000 a year and that more than \$750,000 is distributed here through the veteran's school at Cisco Junior College each year.

He said that \$1,800,000 worth of oil has already been taken from the ground in the Bankline-Owens oil pool northeast of Cisco. Looking in retrospect, Butler called Cisco's comeback after the bankrupt depression days as "a shining example of what can be done when people refuse to give up."

He urged Lions to help the Chamber of Commerce work out a program that will continue the upward trend in civic progress and prosperity.

Lion C. E. Hailey was in charge of the program. Luncheon visitors included Joe Fraley, Fort Worth; G. P. Poe, Eastland; Bob Huston, College Station; Bob Shetter, Fort Worth, and Lewis Starr, Cisco.

Venereal Disease Cases Averaged 98 Per Day In State

AUSTIN, Feb. 8. — Here are some ominous statistics to ponder. State Health Officer George W. Cox reveals an average of 98 venereal diseases cases were uncovered each day of 1950. Total new cases of syphilis and gonorrhea for the year just passed reached 35,863.

"We had more cases of syphilis last year than the combined total for tuberculosis, smallpox, scarlet fever, polio, diphtheria, malaria, and typhoid fever," the state health officer said. Venereal diseases far outnumbered any one of the eighteen other communicable infections reported in the state, with the single exception of influenza.

"It isn't an enviable record," Dr. Cox declared. "Not for gonorrhea, anyway." Statistical records kept by the state health agency show a sharp reduction in syphilis rates, but gonorrhea cases have remained almost constant, with 1950 showing a slight increase over 1949.

Dr. Cox said it indicates a "large segment of the people are not aware of the seriousness of gonorrhea infections, or else they are indifferent to their own health and that of others."

"It is a common misconception that gonorrhea is a minor ailment, when the truth of the matter is that it's a serious disease, capable of causing permanent body damage. Untreated gonorrhea can cause blindness, sterility, arthritic conditions, and have other serious consequences," Dr. Cox asserted. "Sometimes it requires operative procedures."

Recruit training is the sharp break between civilian and Naval life in which the new Navy man learns the fundamental principles of the Naval service. In the course of his training the recruit is taught seamanship, Navy customs, terms basic ordnance, gunnery, signaling and navigation. Upon completion of his training the recruit is assigned either to units of the Fleet or to a service school for specialized training.

District Cage Tourney Begins Today At Community Gym

Moran News . . .

2 FFA Boys Win Calves In Show

Two Moran FFA boys — Winfred McCoy and H. H. Wagley — were among the winners in a calf scramble contest held at the Houston Fat Stock Show on Sunday, Feb. 4. In the event, 20 boys competed for 10 calves. According to the rules, the boys had to catch a calf, put a halter on it and lead it across the finish line.

J. T. Hudgins, Moran vocational agriculture teacher, said the show gave the boys \$125 each to use in buying a calf. They must show the calves at Houston next year. Others going to the show included Mr. and Mrs. J. T. Hudgins and Ray McCoy.

Sixty guests enjoyed a fried chicken dinner at the Wednesday meeting of the Moran Luncheon Club. Mrs. J. M. Townsend and her group served the guests. Visitors included Dr. and Mrs. G. M. Stephenson of Cisco, Mr. and Mrs. Bob Black of Albany and Mr. and Mrs. Thompson of Breckenridge.

The First Christian Church is planning a Fellowship Dinner at the church on February 22 at 6 p. m. This event will be a highlight of the church's Week of Compassion. Miss Ruth Musgrave, Belgian Congo missionary, will be the speaker.

Ronald Harris, student at John Tarleton State College, spent the week-end in the home of his parents.

Mr. and Mrs. C. W. McCollum had as guests Saturday, Mr. and Mrs. James Wheeler of Oklahoma City and Mrs. Bruce Willis of Strawn.

Word was received in Moran Monday that Jay Prichard was buried in Weatherford. Mr. Prichard lived in Moran until about 6 years ago and had many friends here.

Mr. and Mrs. Charles J. Gardner are here visiting their parents, Mr. and Mrs. Bud Booth and Mr. and Mrs. John Gardner. Charles has been stationed at Ft. Hood, near Killeen, but will be transferred to Ft. Mammoth, New Jersey for schooling. Mrs. Gardner will remain in Killeen until later, as she is a nurse at the base hospital.

Mr. and Mrs. Claud Brooks and their son, Don, of McCamey visited their parents and grand parents, Mr. and Mrs. Bert Brooks, recently. Don was in the fighting in Korea since it started. He was wounded and was sent to Japan for treatment, reentered and fought until his feet were frost bitten and sent to the states for hospitalization. Don was full of pep and will sign up again for service as soon as he fully recovers.

Evangeline Bootm has resigned as nurse at Albany Memorial Hospital and accepted a position as nurse at an Abilene hospital.

Mrs. Walter Callahan returned from Crystal City Saturday where her husband is employed drilling water wells. Mrs. Callahan was there during the freeze.

Miss Avis Waters and Miss Mary Baker of Fort Worth were weekend guests of Mrs. Bell Waters. They returned to Fort Worth Sunday afternoon a little ahead of the big storm at Fort Worth.

Mr. and Mrs. G. A. Young of Abilene visited Mrs. Young's parents, Mr. and Mrs. E. E. Harris, on Sunday.

Rev. Sam Cluck of Waco will preach here Sunday at both morning and evening services, Sunday at the Moran Baptist Church, on Tuesday February 13 the Association Workers Conference will hold an all day meeting. Dinner will be served at

Members of the post are competing for two awards for enrolling the most members. Prizes of \$15 and \$5 are being offered to the post member who enrolls the most.

BAPTISTS DECIDE TO PREPARE PLANS FOR EDUCATIONAL ANNEX

The congregation of the First Baptist Church voted Wednesday night during a business session to prepare plans and specifications for an educational annex to their building at the corner of 9th St. and Avenue E, Chairman F. E. Shepard of the Board of Deacons reported today.

Preliminary plans call for a one-story annex, 34x71 feet, to be erected across the back of the church. The foundation and walls would be sufficiently strong for the addition of a second story later if it is needed, Mr. Shepard said.

The church, anticipating the building program for several months, now has in excess of \$15,000 in a special building fund, Mr.

Mrs. White Will Head Red Cross Drive For Cisco

Mrs. Willard K. White has accepted the chairmanship of the annual Red Cross Drive for 1951 which is scheduled to begin on March 1, it was announced Thursday by Mrs. John N. Love, drive chairman for the county.

The quota for the year has not been announced but the figures will be released in the near future, it was reported. It is expected to be near last year's figure.

Mrs. White plans to have her drive workers lined up when the gun sounds to begin the drive and to complete the work as quickly as possible.

Local Child Is Severely Burned In Home Mishap

Linda Lanham, six year old daughter of Mr. and Mrs. Horace D. Lanham was in Graham Hospital Thursday in a very serious condition from burns about the body received when her clothing became ignited when she was standing in front of a room heater at her home, 609 W. 11th, shortly after 7 a. m. Wednesday.

First and second degree burns covered most of the front of the child's body from her knees to her chin with third degree burns appearing on parts of the body.

She was receiving blood plasma and every treatment known in an effort to save her life. To further complicate the treatment Doctors were having to wage a fight to keep down the threat of pneumonia due to the fact she had a severe cold at the time of the accident.

Doctors reported that her condition would remain very serious for several days. She showed slight improvement Thursday afternoon.

Methodist Dinner Is Planned Tonight

The weekly fellowship dinner at the First Methodist Church will be held at 6:30 p. m. Thursday instead of Wednesday this week only, Rev. E. H. Lightfoot reported. A "wire recorded" message from Ralph Nance, missionary to Brazil, will be heard.

The board of stewards will meet at 7:30 p. m. Thursday instead of Monday. These changes were necessary due to minister's week in Dallas at SMU. The pastor and others were attending the meeting.

VFW Post Conducting Membership Campaign

The Cisco Post of the Veterans of Foreign Wars is conducting a membership campaign as a means of bringing the organization up to full strength for 1951, Commander Robert Donovan reported today.

Members of the post are competing for two awards for enrolling the most members. Prizes of \$15 and \$5 are being offered to the post member who enrolls the most.

Shepard said. Estimates of the probable cost of the annex will be available after plans are prepared.

The annex is being planned by the church to take care of increasing demands for space for the Sunday School and training union, Mr. Shepard added.

Funeral Plans For John A. Garrett Are Pending

Funeral services for John A. Garrett, a cabinet maker and planing mill operator here for many years, were pending Thursday following his sudden death at his home at 1205 East 18th Street at 3:15 a. m. Mr. Garrett's death came as a surprise as he appeared to be in good health when he retired Wednesday night.

Thomas Funeral Home was in charge of the arrangements and will announce the details when available.

Humble Man Will Head Oil Group

HOUSTON, Feb. 7. — Roy M. Stephens, rancher-turned-oil-man is the new Texas chairman of the Oil Industry Information Committee. He will administer the industry's information program in the Lone Star state for the next two years, according to an announcement by Madison Farnsworth, newly-elected chairman of the six-state Gulf-Southwest OIIC district.

Stephens, born on a ranch in Orange County, Tex., is acting sales manager of Humble Oil & Refining Co. He began his career in petroleum with the old Bonner Oil Co., in 1912 and, as a filling station employee, worked at the first curb pump in the city of Houston.

When Bonner Oil was purchased by Humble in 1919, Stephens went into the accounting department. In 1923, he shifted to marketing. In 1945, the new OIIC Texas chairman was promoted to assistant sales manager and since Jan. 1, 1951 has been acting sales manager, replacing F. A. Watts, who is on leave from Humble for an assignment in Washington, D. C. with the Petroleum Administration for Defense.

The project will go to the Ranger line from which Johnston's No. 1 Mahan-Edwards is producing. Johnston's has 80 acres in the lease.

Two miles north of Cisco, the Benson-Montin No. 1 E. B. Hayes was being watch by area oil men today. It had topped the Caddo line at about 3,000 feet. Best prospects for the well, it was believed, will be the Lake sand sector.

H-SU Cowboy Club To Hold Ice Show

A big-time musical ice show, "Icelandia," will be presented in Abilene for three performances Friday and Saturday, Feb. 9-10. The show will be under the sponsorship of the Hardin-Simmons University Cowboy Club.

The show will be staged in the Rose Field House with performances scheduled for 8 p. m. Friday night, a matinee Saturday afternoon and the final performance Saturday night.

World Prayer Day Will Be Observed

Observance of a World Day of Prayer on Friday, Feb. 9, will be held by the Council of Churches at the Church of the Nazarene in Cisco at 10 a. m., it was announced today. The public was invited to take part.

Women of 93 nations will join in the world event in praying for a lasting peace, it was said. This will be the 64th annual World Day of Prayer.

One of the reasons why mesquite trees are hard to kill is that they produce root-collar sprouts at ground level where stem and roots merge.

Seven Teams To Play For Crown In 3-Day Event

Boys and girls basketball teams from seven cities of this section will take part in a district inter-scholastic league tournament at the Cisco Community Gym Thursday, Friday and Saturday. The tourney was to begin at 1 p. m. today.

Competing will be teams from Eastland, De Leon, Comanche, Ranger, Dublin, Hamilton and Cisco. The event will conclude the 1951 championship race. Programs were planned for this afternoon, tonight, Friday afternoon and night and for Saturday night.

Today's program called for Eastland and DeLeon girls to play at 1 p. m. DeLeon nad Eastland boys were to meet at 2:30 p. m. Ranger and Comanche boys will begin at 6 p. m.

Tonight's program will begin at 7:30 o'clock with the Cisco and Dublin girls playing. At 9 p. m., Cisco boys will meet the Dublin boys.

Semi-final rounds will begin at 2 p. m. Friday with two games on the schedule. Two other games will be played at 7 and 8:30 p. m. Friday. The finals for both boys and girls will be played at 7:30 and 9 p. m. Saturday.

Officials for the tournament are Curley Hayes and Shorty Lawson, both of Anson. Admission charges will be 25 and 50 cents. The general public has been invited to attend.

Johnston Begins Work On New Oil Test East of City

A new oil well location for the Cisco area is the E. C. Johnston No. 2 just east of the city limits, and drilling operations began Wednesday, according to reports. The Johnston Company owns the land in fee and has one well in the area.

The project will go to the Ranger line from which Johnston's No. 1 Mahan-Edwards is producing. Johnston's has 80 acres in the lease.

Two miles north of Cisco, the Benson-Montin No. 1 E. B. Hayes was being watch by area oil men today. It had topped the Caddo line at about 3,000 feet. Best prospects for the well, it was believed, will be the Lake sand sector.

In the Owens pool, five miles northeast of Cisco, Kupp and Dixon were reported to have made location for their No. 3 Otto Chance. Their No. 2 location set pipe Wednesday after drilling some four feet into the Lake sand and recovering oil on a drill stem test.

Safety Conference Slated For March

The Twelfth Annual Texas Safety Association Conference will be held in San Antonio, March 26-27, at the Gunter Hotel. Mr. A. W. Breeland, Assistant Director of Personnel for the Lone Star Company, and President of the Texas Safety Association, expects this meeting to top all previous conferences in importance and in attendance.

Each year, hundreds of Texans gather for a two-day working conference on accident problems in industry, agriculture, schools and in traffic. Foremen, supervisors, safety directors — these, as well as Mayors, Police Officials, civic leaders, school people, and many others, set in motion a long train of events which reaches directly several million Texans with both information and persuasion.

LEGION WILL MEET

Members of the Cisco Post of the American Legion will hold a regular business meeting at 7:30 p. m. Thursday at the Legion Hall. All members were asked to attend.

Progress Is Reported In Program To Improve Texas Range Grasses

AUSTIN, Feb. 7.—The University of Texas Plant Research Institute is making solid progress in its program to lay a scientific base for improvement of Texas range grasses.

one project to produce mutations and other inheritable changes in grasses by radiation, and another project to attempt to double the chromosome numbers of certain grasses by exposing them to the drug alkaloid colchicine to produce superior plants. The two projects are expected to be finished sometime this year.

A general project is being conducted to discover and study natural hybrid plants and attempt to reproduce them artificially.

In addition to on-the-scene experiments, Institute scientists are doing their best to meet the growing demand for outside consultations.

When requested, we have given what assistance members of a basic research group can to people with immediate grassland problems," Dr. Whaley said.

"One of the important factors likely to be overlooked in our work is the training we are giving a small group of unusually capable young scientists. They are learning research techniques and building an interest in grassland problems. Unless military manpower needs cut too deeply into our junior research staff, we anticipate being able to send out from the Institute a number of highly trained people with well-developed interests in Texas plant problems generally and in grassland problems specifically."

On many farms, timber pays the taxes besides supplying all the wood and timber needed for the home and farm upkeep.

Uncle Sam Says

"A Pyramid of Cash Savings." It's not alone possible but it can be made a certainty. Your government offers you a proved, sure-fire savings plan that can change your entire life. It's the Payroll Savings Plan for the purchase of U. S. Savings Bonds. Ask yourself: "out of all the money I've earned in the past 10 years how much can I show today?" Now look ahead—say to 1961. During these years you can build a pyramid of savings by enrolling for the Payroll Savings Plan where you work, or if self-employed, the Bond-a-Month Plan at your bank. "Here's to 1961!" U. S. Treasury Department

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

First Baptist Circle Has Meeting Tuesday

Circle Three, First Baptist Church, met Tuesday, February 6, at 3 p. m. in the home of Mrs. C. S. Surles.

Mrs. J. E. Burnam opened the meeting with prayer, and Mrs. Sawyer brought the lesson from the Mission Book, "A Century in Nigeria." The regular business was transacted and assignment for the coming month was designated as an allocation of funds to a seminary student. The meeting was closed with prayer by Mrs. D. L. Kisner.

Refreshments were served to the following: Mesdames J. E. Burnam, D. L. Kisner, W. J. Par-

sons, Rider, Sawyer and a guest, Mrs. E. G. Damron. The next meeting will be February 13 in the home of Mrs. Rider.

Presbyterian Circle Meets On Tuesday

Circle Two of the First Presbyterian Church met Tuesday, February 6, with Mrs. Alex Spears as chairman.

The program, an epitome of the parting of Jesus from the disciples and his prayer, which is considered the greatest prayer, was presented by Mrs. W. W. Wallace, Mrs. Rudolph Kamon, Mrs. F. Harrell and Mrs. Alex Spears.

Mrs. Frank Harrell was presented with a foreign Bible by Mrs. James McCracken, Sunday School superintendent, for her perfect attendance over a year's period. Others, receiving this honor were James Brogdon, Harold Donica and Miss Willy Word. Presentations were made on another occasion.

Those in attendance were: Mesdames Alex Spears, Rudolph Kamon, A. J. Olson, Frank Bond, W. W. Wallace, Jamison and F. Harrell.

Billie Sue Green Becomes Bride Of Kenneth Clayton

Miss Billie Sue Green, daughter of Mr. and Mrs. Gerald Green, became the bride of Corporal Kenneth Clayton of Moran, recently stationed with the U. S. Air Force in San Antonio as an x-ray technician, in a simple ceremony in the home of Rev. Paul Stephens of the East Cisco Baptist Church last Saturday night.

The bride wore an aqua blue gabardine suit with pink accessories. Miss Betty Lou Green, twin sister of the bride, was her only attendant.

Following the ceremony, the couple left for a short wedding trip.

Miss Nancy Cross Is Shower Honoree Monday Evening

Miss Nancy Cross, bride-elect of Jerry Farley, was honored with a miscellaneous shower on Monday evening, February 5, in the home of Mrs. Mart Agnew.

Hostesses for the occasion were: Mesdames Howard McDonald, Paul Johnson, Sam Draganis, and Billy Jack Johnson of Eastland.

Guests were welcomed by Mrs. McDonald and presented to the honoree, Mrs. Aubrie Cross, mother of the bride-elect, and Mrs. A. L. Farley, mother of the groom elect.

Miss Catherine Draganis presided over the bride's book, which was a gift to the honoree from the hostesses.

The table was laid in the bride's colors of pink and white. The centerpiece was an arrangement of white pom mums and pink sweet peas. White tapers in cry-

stal candelabrae completed the arrangement. Refreshments of white bride's cake, mints and punch were served to the guests signing the register. Mrs. Billy Jack Johnson ladeled punch and Miss Betty Gallagher served.

A medley of soft music was furnished by Mrs. Alpha Elder, through-out the evening. Miss Pat Agnew sang several appropriate songs. The honoree was presented with a lovely gift from the hostesses and received a lovely array of gifts from those registering and sending gifts.

Miscellaneous Shower Honors Miss Noland Saturday Afternoon

Miss Fly Beth Noland, bride elect of Joy Dean Laws, was honored with a miscellaneous show in the home of Mrs. N. A. Brown, on the afternoon of Saturday, February 3, from 3 to 6 o'clock. The home was beautifully dec-

orated in seasonal flowers and plants. The receiving line was composed of Mrs. Brown, Mrs. Ona Noland, mother of the bride-elect, Mrs. Grady Laws, mother of the groom-elect, and the honoree. The guests signed the bride's book, presided over by Mrs. Pearl Donaway, and were ushered to the dining room.

The table was laid with a handmade lace cloth. The centerpiece was an arrangement of white pom mums and sweet peas. Appointments of white tapers and silver candelabrae completed the arrangement. Mrs. Callie McAfee and Mrs. F. E. Shepard presided at the dining table, and Mrs. Gorum Pollard poured from the silver service.

Mrs. Irene Hallmark ushered the guests to the gift room, where an array of gifts was displayed.

Music for the afternoon was furnished by Mrs. Roy Camfield, who played soft background music. Miss Pat Agnew sang, "Always" and "Harbor Lights."

Other members of the house party and hostesses were: Mesdames A. M. Baird, John Shertzer, C. B. Mitkiff, L. C. Williams, R. E. Grantham, Karl Turner, Frank

Leach, L. J. Leech, and Joe Clements. More than one hundred guests called or sent gifts during the afternoon.

We Like to Talk About Abstracts -

... because making abstracts has been our business for many years. And it is an interesting subject. Every day people come to us with their title problems. Some cases are tragic. Take the example of the couple who have spent their all for a home to find out later they have no title. Most title problems are simple and the abstract helps to make them simple. So before buying real estate of any kind have the title examined.

JUST LIKE BALLERINAS—A high-jumping Tottenham Hotspur forward heads the ball toward the Charlton Athletic goal during the Football League Division match at White Hart Lane, in London, England. This kind of fancy stepping is the sort generally seen behind footlights.

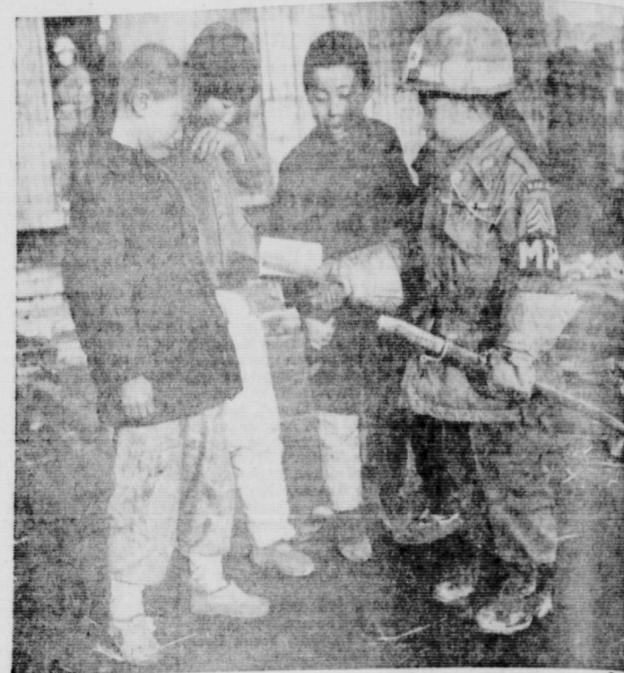

Follow these easy steps

1. BUY YOUR MEAT AT WHOLESALE. It's the modern way to buy meat and you'll save up to 20% on your meat bill. That's quite a saving in these days of higher living costs. Let us show you the fine meat we have at wholesale.
2. RENT A FROZEN FOOD LOCKER. Store quantities of meats, fruits, vegetables, poultry, etc., in one of our frozen food lockers. You'll like the convenience and economy of having a supply of delicious foods always on hand in a locker of your own.

Phone 200

WHAT HAVE WE HERE?—A Korean youngster, obviously connected with the UN forces, is looking at the papers of other Korean small fry. Almost indistinguishable from regular Military Police, except for his size, this lad attached himself to a U.S. MP battalion three months ago.

BATTLE CHURCH FIRE—Walking through a screen of smoke, firemen leave the front entrance of the Church of the Sacred Hearts of Jesus and Mary and St. Stephen in Brooklyn, N. Y., as a five-alarm fire raged through the 90-year-old structure. The fire fighters said the blaze, which threatened to destroy the entire house of worship, apparently started in the belfry.

SNOW FUN—Pausing on the slopes of Sun Valley, Ida., are actress Rosalind Russell and her husband, Fred Brisson, with their son, Lance. Mother and son seem interested in some skiing, but pop seems to be standing this one out.

COUNTING U.S. MONEY—Mrs. Mary L. Mundie, a counter-clerk in Washington, D. C., is surrounded by stacks of worn-out currency which represent a day's counting, or \$40,000 worth. The new electronic counter developed by the National Bureau of Standards counts 30,000 bills per hour. The new paper currency has been machine-counted for years, used notes were too much of a pain and had to be counted by hand. The machines will save taxpayers \$250,000 annually.

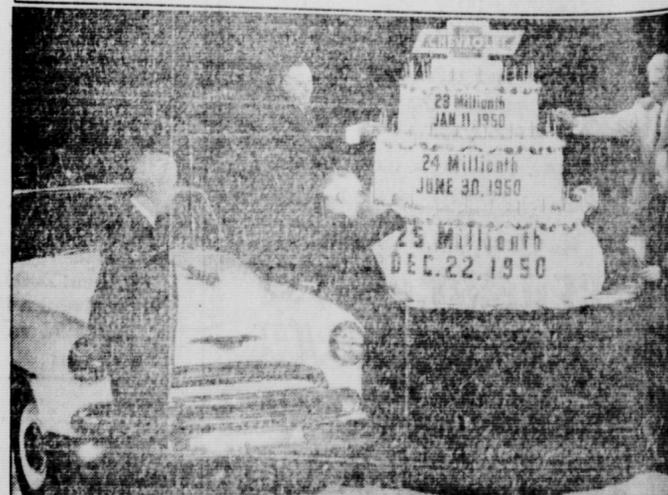

ALL CALLED UP—Three-year-old Sinbad, latest gorilla attraction at the Lincoln Park Zoo in Chicago, is already replacing the late Bushman in local affections. Sinbad is regarded as the most playful gorilla in the monkey house, and although no one knows what he's doing in this position, visitors enjoy such antics—and Sinbad seems to enjoy the visitors.

NOT AN ILL WIND—The bitter, below-zero weather in Korea has played havoc with the UN fighting men and their vehicles, but Korean youngsters find winter a time for play. Oblivious of the death struggle going on about them, these youngsters use improvised wooden skate-and-sled combinations as they romp over a pond.

Car Maker Boosts Record to 25 Million

A giant cake lettered with the production milestones of the company marked Chevrolet's observance of its twenty-fifth millionth automobile. Above, T. H. Keating, general manager of the division, watches his top assistants light the candles (l. to r.) E. W. Ivey, administrative assistant to Keating; W. J. Scott, general manufacturing manager; W. E. Fish, general sales manager; and Kelley, chief engineer. Registering an achievement out precedent in the history of the auto industry, Chevrolet built its 25th millionth car on January 11, 1951. The last milestone was reached with new 1951

co spent Saturday night with Mr.
and Mrs. Walter Brooks.

Putnam News . . .
From Page One
Worth spent Sunday with her
mother, Mrs. John Cunningham.
Mrs. Cunningham returned with
them for an extended visit in their
home.

Mrs. A. S. Reese is still a pa-
tient in the Baird hospital but
her condition is slightly improved
at this time. Her daughter
from Houston is at her bedside.

Capt. and Mrs. Chris Sunder-
man are visitors in the home of
Mr. and Mrs. E. E. Sunderman.
Capt. Sunderman has just re-
turned from New England and
Mrs. Sunderman has been living
in Ft. Worth while he was away.

Mr. and Mrs. Joe Coleman have
recently moved to Odessa. Their
many friends wish for them hap-
piness in their new home.

Mr. J. S. Yeager's daughter re-
ports that Mr. Yeager will likely
have a series of operations on his
eyes beginning soon. It is the
hope of his friends in Putnam

that he will regain his sight and
soon return home.

Mr. and Mrs. Olen White of
Cisco spent Sunday in Putnam
visiting in the home of Mr. and
Mrs. W. L. White.

Mrs. R. D. Williams and Mrs.
Fred Cook were Baird visitors
Monday.

The Junior Basketball Tournam-
ent to be held in Putnam last
weekend was postponed on ac-
count of the weather but will
start Thurs. Nite Feb. 8th through
the 10th.

Mrs. Safrana Snodgrass of Cis-
co is visiting her sister, Mrs. W. A.
Buchanan.

Mrs. Hargrove of Cross Plains
spent Sunday with her sister, Mrs.
Andrew Hearst.

Mr. and Mrs. D. C. Morgan of
Abilene visited Mr. and Mrs. Geo.
Biggerstaff Friday. Mrs. Morgan
is the former Dr. Vera L. Martin
who practiced at one time in Put-
nam.

Mr. and Mrs. Tom Butler is still
confined to her home but is still im-
proving.

Mr. and Mrs. Gene Butler of
Clyde visited P. L. Butler Sunday.
Gene Butler was editor of the
Clyde Enterprise for a number of
years. He is now mayor of Clyde.

Mrs. Lena Kelly of Fort Worth
visited her sister, Mrs. Tom Ram-
sey, and Mrs. F. P. Shackelford
and other friends recently.

Today You Can Start to
RELIEVE THE
CAUSE of YOUR
SICKNESS

Aches, Pains, Gas, Heartburn,
Indigestion, due to a lack of
Vitamins B1, B2, Iron and Niacin

Why be a burden to yourself, your
family, your friends, because of de-
ficiency diseases that are stealing
your energy, robbing you of vitality,
making you miserable. Thousands of
folks now know that today's great
HADACOL provides, not mere symp-
tomatic relief, but real relief for the
very cause of distress due to a lack
of Vitamins B1, B2, Iron and Niacin.

Ray C. Watson, 4428 Cassie Road,
Midland, Michigan. "Well, here's my
thought for HADACOL. It's really
wonderful. Before I started to take
HADACOL, I was always tired. I
ached all the time. I'm an operator
at a chemical company and my job
requires a lot of climbing stairs. At
the end of my shift, I was all in,
ready to drop. But since I've taken
HADACOL, I feel fine. I've taken 5
bottles of HADACOL. So I really
can thank HADACOL and will con-
tinue to take it as I need it."

HADACOL supplies deficient sys-
tems with more than the average
daily requirement of Vitamins B1,
B2, Iron and Niacin plus helpful
quantities of Phosphorus and Cal-
cium. HADACOL builds up the
hemoglobin content of your blood
(when iron is needed) to send these
precious Vitamins and Minerals
couraging throughout your body to
every body organ. Many doctors
recommend HADACOL. Only HAD-
ACOL gives you that Wonderful
Hadacol Feeling. Trial size, \$1.25;
large family or hospital size, \$3.50.
© 1951, The LeBlanc Corporation

Extent Of Losses
Due To Weather
Still Uncertain

The week of sub-freezing tem-
peratures caused extensive dam-
age to winter vegetables and cit-
rus fruits, and some injury to cat-
tle, sheep and goats. Shrinkage
of livestock was heavy, but ac-
tual death losses were believed
to have been comparatively light,
with deaths limited mostly to
some new born calves and lambs
in western areas and to weakened
cattle succumbing to the effects
of frozen rains in south and south
east Texas. The most recent
norther was accompanied by ben-
eficial moisture in the form of
sleet and snow in some north-
central and northeast counties,
but precipitation continued in-
adequate over most of the State
and rains were urgently needed.

It was too early to determine
the full extent of damage to
wheat from the cold. In the im-
portant High Plains area where
readings of 19 degrees below zero
were recorded, early reports
indicated that most of the dor-
mant wheat would survive, and
that some benefits might have re-
sulted from possible killing of
greenbugs and other insect pests.
In areas of the High Plains, how-
ever, already weakened wheat
appears to have been damaged

from a visit with her children in
New Mexico.

Raymond DeBusk of Cross
Plains and George Biggerstaff of
Putnam were transacting cattle
business Monday. George states
that he is glad to be out following
his recent illness and is now feel-
ing fine.

Across from National Courts

with considerable loss of stands
likely from the limited acreage
growing in those areas. Much
seeded acreage had not been ger-
minated and Young wheat recent-
ly brought to a stand following
earlier moisture in the northern
Blacklands area was feared to be
badly hurt.

Commercial vegetables suffer-
ed severe damage in all winter
growing areas. Sub-freezing
temperatures prevailed contin-
uously for over three days in most
sections with official low's report-
ed to be 10 degrees at Eagle Pass;
12 degrees in the Winter Garden;
19 degrees at Laredo, and 18 to
22 degrees in the Lower Valley.
Light rains and mists with a
heavy over cast resulted in a
heavy coat of ice over crops in
practically all sections. Tops of
leaf crops were frozen through-
out all root crops were frozen and
out. The extent of damage to
leaf crops is uncertain, but is
expected to be very severe.

Damage was severe in all cit-
rus areas. All fruit contained ice
crystals, but appraisal of total

loss of fruit and damage to trees
cannot be made for a few days.
Total loss of young trees was ex-
pected to be heavy and consid-
erable wood damage to older trees
was probable. Preliminary re-
ports on utilization of the re-
mainder of the fruit indicates
that most of it will be used by the
processing plants and marketed
as juice, provided weather condi-
tions favor full utilization of the
crop in this manner.

Cattle, sheep, and goats appear
to have survived the freeze re-
markably well in consideration of

the extremely low temperatures.
Supplemental feeding had been
active throughout most of the
winter, however, the stock were
generally in good condition. Feed-
ing was materially stepped up as
the cold weather covered the
State and animals were moved to
protected areas where possible.
Cattle and sheep were drawn

and some death losses to weaken-
ed cattle resulted from freezing
rains in south Texas and upper
coastal counties. Losses in these
areas to date have been much
lighter than had been anticipated,
however, and the mild, clear weath-
er following the freeze should
lessen the danger of additional
losses.

Episcopal Church To Have Lenten Service

The first of a series of Lenten services will be held Friday night at 8 o'clock at Trinity Episcopal Church in Eastland. Rev. E. Lucian Malone of Weatherford will conduct the service.

Services will be presented by a meeting of a confirmation class, which will be conducted by Father Albert of Breckenridge. Each succeeding Friday during Lent, an Episcopal minister of note will be presented.

Approximately 18 per cent of the rubber cut in 13 Southern States is used for fuel, as compared with the 23 per cent average for the nation as a whole.

The forest products industry in Texas is the second largest employer of labor in the State, surpassed only by the petroleum industry.

A&P Super Markets

Customers' Corner

Did you ever hear of "quality control"?

At A&P this means that we set high quality standards for the food we sell... and then we stick to those standards through thick and thin.

You won't find us lowering our high quality standards because supplies happen to be scarce, or because we want to put on a "bargain" sale.

That is why you can shop at A&P day in and day out, with complete confidence that if, for any reason, you are not satisfied with any purchase, your money will be cheerfully refunded.

We will be grateful for any suggestions you may have that will help us maintain our high quality standards. Please write:

A&P'S PRICE POLICY

- Storewide low prices on hundreds of items every day... instead of just a few "one-day" or "week-end" specials.
- All advertised prices (including those items not subject to price ceilings) are guaranteed for one week, even though market prices go up.
- We believe this policy helps our customers save more money.
- With the correct price marked on every item, plus an itemized cash register slip... you know what you save at A&P.
