The Gay Philosopher

By J. W. S.

MR. ROBERT Clinton is a very valuable asset to our community. We heard a man say that last night at the Lions Club banquet after Mr. Clinton had presented a fine musical program as the entertainment feature.

In addition to heading up the music department of the Cisco Junior College and helping with music in the city schools, Mr. Clinton directs the choir at the First Methodist Church. There is seldom a week that passes in which he isn't called upon to arrange one or more programs for some kind of meeting. And he does it admirably.

Mr. Clinton deserves much credit for the organization and success of the Cisco Community Choir. This group now is at work on an Easter cantata for local presentation.

Last summer, Mr. Clinton received his Master's degree in music from North Texas State College. And next summer, he starts to work on a doctor's degree. He has been accepted by the University of Texas for this work.

He is a good citizen, indeed.

THE LIONS BANQUET went off in grand style. Tailtwister Dr. E. E. Addy and his assistant, Gene Abbott, levied fines right and left for the benefit of the March of Dimes. Dr. J. H. Denton, who was fined for some violation of the tailtwister's rules, was reluctant to pay off. So they cut off his neck tie.

It was Mrs. E. L. Jackson's birthday. And everybody sang to her.

OUR SCOUTS report that snow and cold weather don't mean a thing when you want to play golf. Mike Cameron and Bill Mitcham played a round at the Cisco Club yesterday. Didn't hear if they had trouble finding their golf balls in the snow.

ONE OF OUR friends handed us some clippings of interesting things he has read about. One concerns synthetic blood. Sources of factory-made plasma now include gas, corn, and okra. The newest plasma substitute is made of okra, a green vegetable common in the south. Its discovery by scientists at Marquette University was recently announced.

Another clipping might interest local poultrymen. It concerns budget turkeys, a new half-size bird that bids to end a week of one picking after you have roasts turkey on a holiday. Twice as many turkeys now are being eaten than ever before. Turkey raising now is a \$250 million-a-year business.

Texas ranked second last year in turkey raising. Beltsville whites are the first broiler and grey turkeys on the market. They are full-sized at five and a half months. At 13 or 14 weeks, they weigh three and a half to six pounds. They'll compete with broasting chickens and will be cheaper to raise than chickens, pound for pound, contends Arlo Turner, president of the Grange Co., Modesto, Calif.

The clipping quotes W. T. Jones, Jr., manager of the Simpson Turkey Hatchery at Coleman, that these dwarf turkeys promise much for the industry in that they will sell the year round. This year's turkey crop is expected to be about four and a half million birds.

CJC All-Stars Win Over Knox City '5'

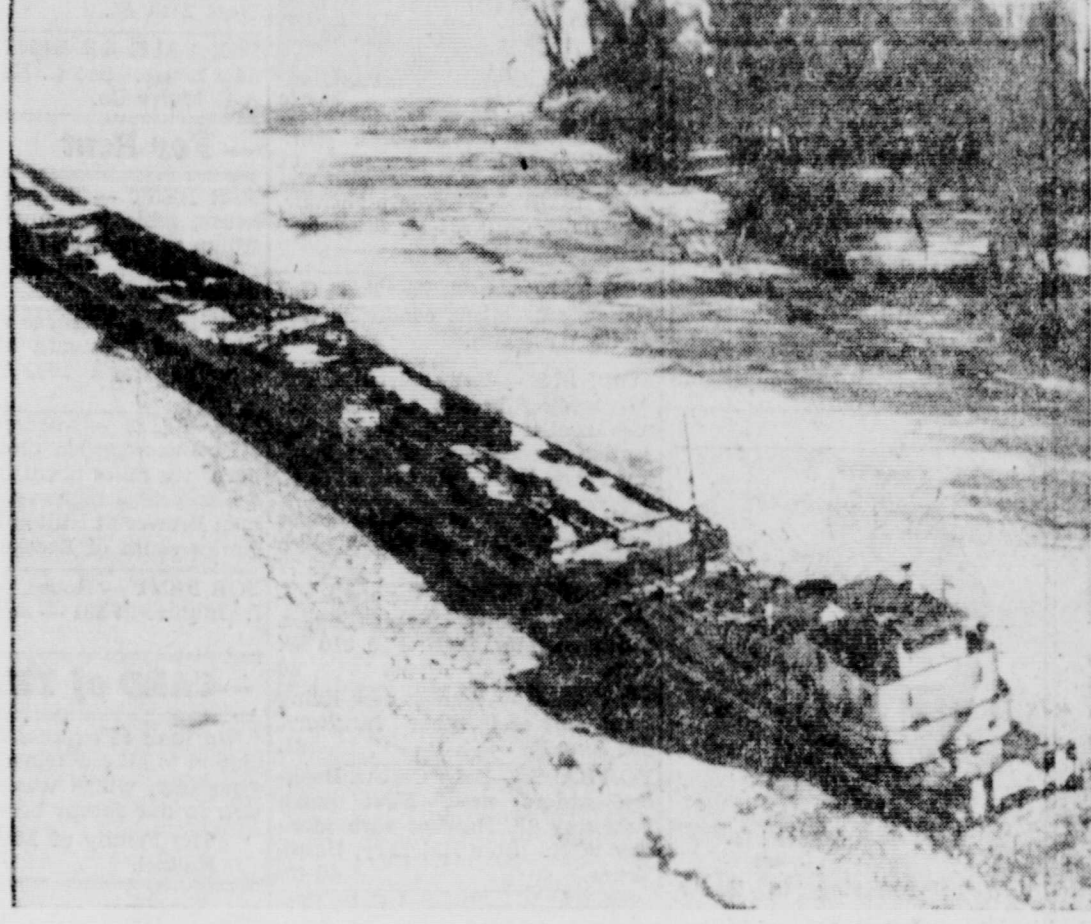

The Cisco Junior College All-stars, a cage team made up of college students not on the Wrangler roster, defeated a strong Knox City all-star quintet in a Knox City Wednesday night 39-37 score.

Wade Mitchell won high point honors when he counted for 15 of the Cisco points.

Other members of the local team playing in Knox City were Don Dorr, Don Coffman, Jim Robertson and James Couch.

BAKE SALE PLANNED

A bake sale will be held Saturday, beginning at 9:30 a. m., at the Norvell and Miller Grocery and Market under the auspices of the East Ward Mother's Club. Proceeds from the sale will be used in the school's remodeling program. The club invited the public to visit their booth and buy cakes and pies.

COMING THROUGH—A tugboat is following the channel broken by ice-breakers in the Illinois waterway near Beardstown, Ill., while towing barges loaded with fuel oil for Chicago. Low temperatures have forced the ice-breakers to work around the clock to keep the channel clear.

Social Security Man Spends Day In Cisco; Gives Data On New Changes

Glen McNatt, representative of the Abilene office of the Social Security Administration, was in Cisco, Thursday assisting people of this vicinity in filing claims for retirement payments and death payments. He also was here to contact various individuals and groups regarding provisions of the new social security law.

Among the important changes in this law, said Mr. McNatt, are those bringing into the social security system domestic workers in private homes, farm-hands, ranch-hands, and owners of businesses. Employees of non-profit organization and two-thirds of the

Income Tax Book Has Large Sale

"Your Federal Income Tax, 1950," the official tax guide published by the Bureau of Internal Revenue, has again established itself near the top on national best-seller lists, according to information released today. Over 220,000 copies of this 138-page booklet, available from the Superintendent of Documents, Government Printing Office, Washington 25, D. C., at 25 cents per copy, were sold during the first seven weeks since publication.

This revised and improved edition of "Your Federal Income Tax" answers, in a series of short articles, many of the numerous questions which may come up concerning tax returns; it covers the latest changes under the Revenue Act of 1950, bureau rulings, and court decisions; includes several chapters on installment sales; taxation and appeals procedure; and shows several facilities of tax forms. A detailed index is added for the readers' convenience.

All-Stars Win Over Night School, 49-48

The Cisco Junior College All-stars handed the Cisco Junior College Night School cake team a 49-48 defeat in the community gym Thursday night. Wade Mitchell was high point man for the game with 18 points.

Playing for the All-stars were Mitchell, Don Darr, Don Coffman, Jim Robertson and James Couch.

On the night school team were Paul Mosley, Bill Burrows, J. V. Heyser, Jr., J. B. Wilson and Spec Bapkins.

Methodists Will Hear Visitors In Sunday Services

Dr. Rob. W. Goodloe of SMU will preach at First Methodist Church in the 7:30 p. m. service Sunday. Rev. Wm. H. Cole, executive secretary of the board of christian education and former district superintendent of the Cisco district, will preach at 10:50 a. m.

The choir will sing Woolcott's arrangement of the hymn, "More Love To Thee." Mrs. E. H. Lightfoot and Jack Chambliss will do the solo and duet parts. Special music is being arranged for the 7:30 p. m. service. Attention is called to the change in hour of the evening service from 7 to 7:30 p. m.

A district training school for christian living and work will begin Sunday at 3 p. m. at the Eastland Methodist Church. Drs. Goodloe and Cole, Mrs. Cole, and Mrs. Claudia Zurns will teach courses on "The Church, The Adult Classes, Children and Youth Work."

Episcopal Church To Have Lenten Service

The second in the series of Lenten services being held in Trinity Episcopal Church in Eastland will begin at 8 o'clock tonight with Rev. Robert Collins of Camanche as the principal speaker.

Confirmation class will be held just prior to the Lenten service. The public was invited to attend.

CONDITION UNCHANGED

The condition of Mrs. C. H. Fee was reported as unchanged at Graham Hospital Friday morning. She rested a little better Thursday night, it was reported. Mrs. Fee has been in the hospital since last week.

Displaced Man And Wife Arrive To Make New Home In This Area

Leon and Helen Kakulia, formerly of Salzburg, Austria, arrived in Cisco Thursday to make a new home in a new land. They became the first of Europe's displaced persons to come to this area.

Mr. Kakulia, formerly of the Russian Ukraine, and his wife came to this country under the auspices of the Methodist Church. Their passage to New York was paid by the national organization, and the young people of the Cisco District paid their fare to Cisco.

The Kakulias are at home on the farm of Ray Agnew, located near Rising Star on the Cisco Highway. Mr. Agnew operates a grocery store in Rising Star.

2000 More Marine Officers Needed For Ground Duty

Headquarters U. S. Marine Corps has announced plans for the additional requirement of approximately 2000 Marine Reserve ground officers, and approximately 2500 additional staff non-commissioned officers, to be called to active duty in the near future. In addition about 250 Marine Corps Reserve aviation personnel, and aviation ground officers will be required, it was learned. The officers to be called will be principally in the grade of Lieutenant.

Under this new strength requirement the four month minimum-advance notice to Marine Corps Reserve personnel ordered to active duty has been found to be impractical, and henceforth a minimum of 30 days between receipt of orders and reporting for extended active duty will be authorized for both officers and enlisted personnel.

"Of the total officers to be called approximately 350 are in the Eighth Marine Corps Reserve District, comprising Louisiana, Arkansas, Oklahoma, Texas, and New Mexico." Major C. G. Rollen, Director of the Eighth Marine Corps Reserve District announced. "There are about 300 Staff non-commissioned officers in the district subject to call," he continued. "These figures represent between 15 and 20 percent of the needed requirements of the overall increase in Marine Corps strength."

"It is not presently known just when these men will receive orders," Major Rollen said. "This is simply a projected plan to bring the Marine Corps to a state of readiness."

CJC Will Meet Brownwood Team

The Daniel Baker College Hillbillies from Brownwood will furnish the opposition for Coach Seat Russell's Junior college Wranglers at the local gym Saturday night in a non-conference tilt.

Coach Russell has been working the Wranglers this week on setting up a defense against the fast breaking Ranger of Ranger Junior College in preparation for the first of the play-off series for the conference crown to be played in the community gym Tuesday night. Thursday night they will play in Ranger and if a third game is needed a decision will be made as to where it will be played.

The two teams wound up the regular season in a tie for the championship.

R. D. Vanderford Is Ill In Hospital

R. D. Vanderford of Cisco was in Graham Hospital this week where his condition was described as fair. He was entered in the hospital Thursday morning following a heart attack.

At his bedside are his daughters, Mrs. Gorum Pollard of Cisco and Mrs. B. B. Gregory of Dallas and his sons and their wives, Mr. and Mrs. A. O. Vanderford of Big Spring and Mr. and Mrs. Earl Vanderford of Mineola.

WILDCAT OIL TEST FLOWS FROM MISSISSIPPI LIME NEAR MORAN

A Mississippian lime discovery for the Cisco area was reported today in the Fair and McGaha No. 1 Elliott, wildcat oil test located some four miles southwest of Moran and about 15 miles northwest of Cisco. According to reports here, the well flowed 20 barrels per hour during a drill stem test.

Location is in Section 54, Land Asylum Survey, Callahan County.

Just east of Cisco, the E. C. Johnston No. 2 Fee test was drilling at 2,350 feet. The well is an offset to production from Johnston's recently completed No. 1 Mahan-Edwards.

Just north of town, the Wampler Bros. No. 2 George P. Fee was drilling at 3,240 feet and expected to encounter the Lake sand by Saturday morning. The well is located back of the Fee Ranch home.

Two miles northeast of Cisco, the Benson-Montin, No. 1 E. B. Hayes has set pipe in the Lake sand and expects to begin completion work probably on Monday. Oil and gas showed on a Lake sand drill stem test.

At least one completion was underway in the Bankline-Owens pool, five miles northeast of Cisco today. It was the Kupp and Dickson No. 2 Otto Chance. The same firm was drilling on its No. 3 Chance, offset to good production expected in the No. 2.

Missionaries To Appear In Week Of Baptist Work

Cisco's two Baptist churches and a number of others of the Cisco Baptist Association will offer training union study courses during the coming week with the help of a group of foreign missionaries, according to an announcement today.

The missionaries will visit the various churches of the association, beginning Sunday, to take part in the week's program.

The First Baptist Church's program, to be announced in Sunday's paper, will feature the missionaries as speakers. Rev. Stockwell B. Sears, recently returned from China, will be the speaker at the East Cisco Baptist Church on Sunday evening at the regular services.

Miss Helen McCullough, foreign missionary who recently returned from China, will speak at the First Baptist church training Union at 6:15 p. m. Sunday. Rev. Aaron W. Hancock, noted for his work among the Indians of Oklahoma, will speak at the Chuck Wagon Supper at the First Baptist Church here Monday night.

Rev. and Mrs. Hancock will both appear at the Moran Baptist Church for morning and evening services on Sunday.

A complete report on the week's program will be carried in Sunday's edition of The Press.

2000 More Marine Officers Needed For Ground Duty

Headquarters U. S. Marine Corps has announced plans for the additional requirement of approximately 2000 Marine Reserve ground officers, and approximately 2500 additional staff non-commissioned officers, to be called to active duty in the near future. In addition about 250 Marine Corps Reserve aviation personnel, and aviation ground officers will be required, it was learned. Funeral Services For Mrs. Martin Set For Saturday

Funeral services for Mrs. Ina Pyle Martin, who died in a local hospital at 8:25 p. m. Thursday after an illness of ten days, will be conducted at 2 p. m. Saturday at the First Baptist Church. Rites will be in charge of the Rev. Ralph T. Wootton, pastor, assisted by Rev. Chapman, pastor of the First Baptist Church at Cross Plains.

Burial will be in the Cross Plains cemetery, following the final rites here. The body was to be brought to the family home here, 611 West 7th Street, to be held in state until Saturday afternoon.

Mrs. Martin had lived in Cisco for the past nine years, making her home with her sister, Miss Doris Jo Pyle, teacher in the Cisco school system. She suffered a severe heart attack ten days ago.

Born at Harrold, Texas, Mrs. Martin had lived near Cross Plains most of her life. Survivors include two brothers, E. J. Pyle of Hammett, Calif., and Earl W. Pyle of Cross Plains, and three sisters, Mrs. Stella Baker of San Antonio, Mrs. Caroline Hefner of Ranger and Miss Pyle of Cisco.

Excise Tax Hike On Cars Scored

WASHINGTON, D. C., Feb. 16 —The proposed 200 per cent increase of the excise tax on new passenger cars will make it impossible for millions of motorists in the low and middle income brackets to buy urgently needed automobiles, R. D. McKay, president of the National Automobile Dealers Association, declared today. His statement followed emergency meeting of the association's Public Affairs Committee here.

"This will be the second step taken in the past six months to plug the average American's chances to purchase a new car," he said. "We realize the necessity for additional revenue to finance the vast defense program but this tax should be evenly distributed. It is obviously discriminatory and unfair to force motorists to bear such a heavy proportion of the increased tax load."

Several Buildings Burn At Gorman

Fire which broke out in a Gorman tailor shop about 9:30 p. m. Wednesday quickly spread to surrounding buildings and before it was brought under control had destroyed three wooden buildings housing the tailor shop, a barber shop and a building used to store fertilizer and peanut seed.

Firemen were hampered by frozen fire hydrants and a frozen fire station siren which could not be used to summon members of the voluntary fire department.

The blaze was fought all night in an effort to keep it confined to the three buildings. The heat damaged the walls of the Gorman Hotel and smoke and water damaged the building occupied by the Texas Electric Service Co.

Texas Children Are Fair In Penmanship

It looks as though Texas school children had better pay more attention to their penmanship, if they want to keep pace with the rest of the country. Or maybe it's just that Texas schoolteachers set higher standards.

A survey of 5,000 grade and high school principals indicates that while nationally 64.4 per cent of the responding educators think pupils' penmanship today is as good or better than it was a generation ago, in Texas the percentage is only 57.

OFF FOR A VISIT—When Sgt. Paul A. Schmidt of Tinley Park, Ill., froze both feet in Korea, he was sent to an Army hospital in San Francisco. Because he was lonesome for his pet chow, Private Pe'ie, Schmidt's mother, Mrs. H. P. Schmidt, crated the dog in a flight kennel and had him flown out west to visit his master.

MUSICAL PROGRAM IS FEATURE OF LIONS VALENTINE BANQUET

A musical program arranged by Robert Clinton, music director at Cisco Junior College, was the entertainment feature at the annual Lions Valentine Banquet given by the Lions Club Thursday night at the Victor Hotel Coffee Shop. One hundred persons attended the event.

The program opened with Miss Jane Huestis and Jack Chambliss singing two duet numbers, accompanied by Mr. Clinton. A choir of nine members then sang several numbers. This group included Misses Pat Agnew, Patsy King, Jane Huestis and Marjorie Gafford, Mrs. Lester Matthews, Mr. Clinton, Mr. Chambliss, Kenneth St. Clair, and Fred Shockley. They were accompanied by Miss Wilma Thomas.

E. L. Jackson served as master of ceremonies. Guests, in addition of the wives of Lions, included Mr. and Mrs. Bill Hogue, Mr. and Mrs. Jim Porter, Mr. and Mrs. Bill Huffman, Mr. and Mrs. Guy Brogdon and Mrs. D. E. Walters.

Room decorations, which featured the Valentine motif, were arranged by Ted Waters, Ralph Glenn and Gene Abbott. The program was prepared under the direction of Roy Killingsworth, Lester Matthews and Carlos Turner, and the menu was arranged by A. R. Westfall, Bob Ellison, A. G. Sander and C. B. Mickif.

Tailtwister Dr. E. E. Addy turned all money collected in fines over to the March of Dimes.

THE CIVIL AIR PATROL

The Civil Air Patrol — popularly known as CAP — is now in the process of expansion. The work of this group during world war II will be remembered, especially in the field of submarine spotting. CAP pilots flew some 100,000 missions in search of subs then, and spotted 173 enemy underwater vessels.

The organization of CAP is extremely unusual, perhaps unique. It is commanded by Air Force Major General Lucas V. Beau, and is an auxiliary of the Air Force. USAF officers staff its national headquarters. Members of CAP wear the same uniform as the Air Force, save for insignia. Yet, on the operating level, it is a purely voluntary civilian activity, made up of businessmen, students, farmers, professional people and others who share a common interest in flying and a desire to be of service to the country in an emergency. Incidentally, much, though by no means all, of CAP's duties lie in the area of civil defense.

The magazine "Flying" recently carried an article by General Beau which describes in some detail CAP's mission. Here, in brief is what is planned.

First, CAP will maintain a pool of at least 100,000 selected cadets trained in ground and preflight subjects to help furnish pilots for the Air Force. This goal has not yet been reached but General Beau says CAP is moving steadily toward it. Cadets may attend a two-week summer encampment at Air Force bases.

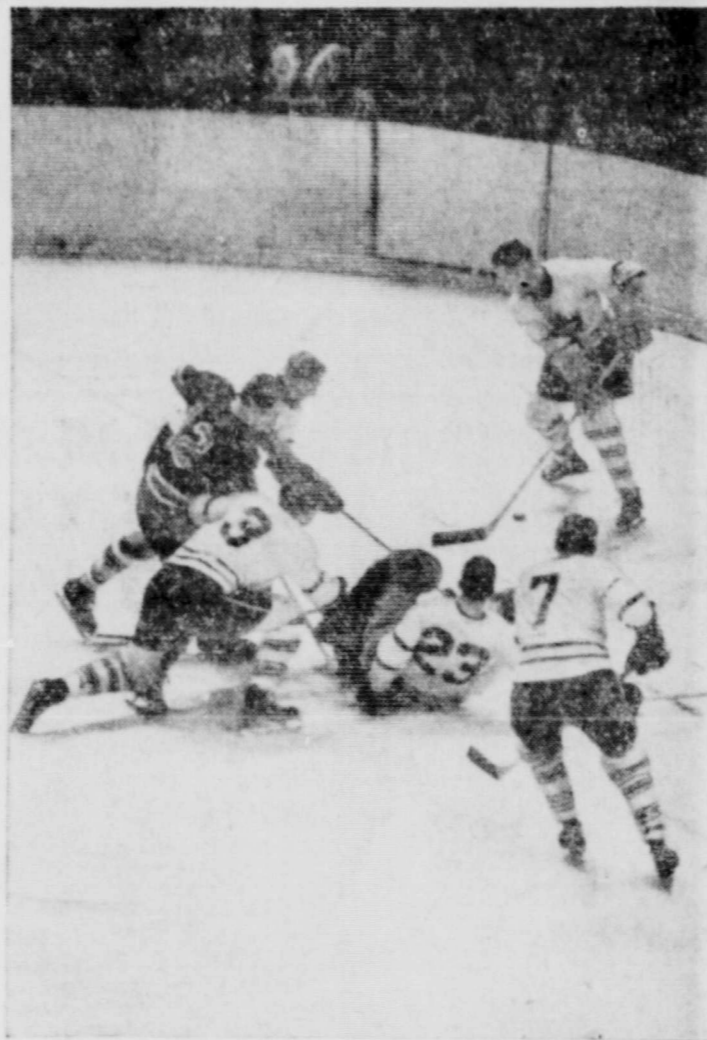

Second, CAP is to develop an auxiliary radio communications net within its geographic boundaries. In event of war, this net would be made available to civil defense agencies, except for CAP stations near USAF bases that would be required by the military.

Third, CAP, if so required by the Air Force or Navy, will maintain anti-submarine patrols along the coasts of the continental United States, Puerto Rico and the Hawaiian Islands.

Fourth, the organization will participate in search and rescue work as an auxiliary of MATS-Air Rescue Service.

These are primarily military missions. However, General Beau says, "The Air Force has assured us that we will be able to give most of our effort to civil defense." CAP wing commanders will cooperate closely with the civil defense coordinators.

A number of mobile support units, each consisting of 42-man teams with 10 planes, three trucks and a jeep, will be set up, and will be prepared to move swiftly to any critical area if trouble develops.

THE ODD MAN—Zellio Toppassini (12) of the Rangers finds himself outnumbered, outflanked and outplayed by five Toronto players in his lone drive for a goal in the second period of a game in New York. Maple Leaf players include Gus Morton (3), goalie Al Rollins (23), Max Bentley (7) and Joe Klukay, in background.

Electra To Hold Birthday Of Oil

ELECTRA, Feb. 16.—Electrans will pay tribute to an oil well on Saturday, March 31. That date will mark the 40th anniversary of the discovery of oil at Clayco No. 1.

Western hospitality will be in evidence as friends and neighbors from surrounding communities in Texas and Oklahoma are being extended an invitation to the party. Discovery of oil in Electra opened up the entire field in this section of Texas. For that reason, Electrans are of the opinion that other people would like to join them in the celebration.

Allen Krohn, chairman, has announced plans for the affair. He emphasized that major oil companies, independent operators, supply houses, etc., are co-operating in an effort to make the affair the "biggest ever staged here."

A mammoth parade, featuring a million dollar's worth of oil-field equipment, will open the festivities. There will be entertainment of all types for young and old. Highlighting the affair will be a pipe-laying contest and a rededication ceremony at the site of Clayco No. 1.

Pioneers will be special guests at a chuck wagon feed. There will be a luncheon for pioneer women as well as a chuck wagon feed for all persons connected with the oil industry.

Krohn declared: "Electra's history is unique. Forty years after the initial discovery, oil is still our principal industry. Electra has every reason for celebrating."

CAP's capabilities for civil defense work are many. The organization will patrol roads and flooded and snowbound areas, evacuate the sick and injured, transport medical and food supplies, take over the job of traffic control if normal facilities are disrupted, provide communications by the use of mobile generators if the power supply fails, and so on.

Finally, CAP has no intention of trying to dominate civilian flying. In General Beau's words, "We invite other civilian flying organizations to cooperate with CAP to establish a civilian air force that may be used throughout the country in an emergency — We can, and we will, cooperate with and assist all other organizations who join in civil defense." CAP is particularly interested in having volunteers join now, while there is time to train them adequately.

AND NEWS OF INTEREST TO WOMEN

Ruth Class Holds Business Meeting

The Ruth class of the First Baptist Church met on Monday night, February 12, in the home of Mrs. Bessie Rider for their regular monthly business meeting. Co-hostess for the occasion was Mrs. Jimmie Sledge. Mrs. Nora Fleming led the group in the opening prayer and the class teacher, Mrs. Ralph Wootten, read portions of Chapters of the Book of Isaiah: 53-54, for the devotional Scripture and led an open discussion entitled, "Meeting Life's Quotas."

Minutes of the last meeting were read and approved and the treasurer's report submitted by Mrs. Ruby Latson. A discussion of old and new business was led by the president, Mrs. Jimmy Preslar. During the social hour, refreshments of cherry pie topped with whipped cream, and coffee were served to the following: Mesdames Jimmie Preslar, Mary Louise White, Zona Allen, Inez Smith, Joyce Jenkins, Marjorie

Lane, Hazel Damron, Elva Morrison, Jo Wooten, Noma Fleming, Evelyn McGuire, Evelyn Adde, Gene Taylor, Gloria Turner, and Ruby Latson.

Nazarene Council Meets On Friday

The United Council met at the Nazarene Church on Friday, February 9, for election of officers and regular meeting. The meeting began by the group repeating the Lord's Prayer in unison. The regular business was conducted by Mrs. Don Choate, group leader, and roll call and minutes were read by Mrs. James Flournoy, secretary-treasurer.

New officers were elected as follows: president, Mrs. Robert White; vice president, J. B. Elder; and secretary-treasurer, Mrs. W. W. Wallace.

Program parts were presented by Mesdames S. L. Cook, Charles Cleveland and J. V. Elder. The meeting dismissed with prayer by Mrs. J. F. Benedict.

W'SCS Circles Meet At Church Tuesday

The Circles of the Women's Society of Christian Service of the First Methodist Church met on Tuesday, February 13, for their regular meeting. The meeting opened with the group singing, "Church in the Wildwood," followed by prayer by Mrs. Leslie Seymour. The devotional from the 23rd Psalm was brought by Mrs. William Joyner. Mrs. Paul Woods gave an introduction to the study topic, "Rural Projects." The lesson was brought by Rev.

WELL, IT'S A GOOD IDEA—At a meeting in Paris, "Joseph Stalin" shakes hands with "Harry Truman" in a greeting that indicates that all's well with the world. The get-together, however, wasn't all that could be hoped for because the international leaders were just two Frenchmen wearing masks. It was part of the celebration of National Carnival Day.

Leslie Seymour, followed by a short business session conducted by Mrs. Carrell Smith. The meeting was adjourned with prayer by Mrs. John Shertzer.

Refreshments of hot tea and cookies were served to the following: Mesdames S. H. Nance, Paul Woods, William Joyner, E. H. Lightfoot, B. J. Osborn, John Shertzer, G. P. Rainbolt, O. H. Doss, J. T. Fields, D. P. King, S. H. McCannies, O. C. Lomax, Sam King, Leo Clinton, R. W. Murkett, F. J. Harrelson, Carrell Smith, and Rev. and Mrs. Leslie Seymour.

Baptist Training Union Groups Hold Sweetheart Banquet

The Baptist Training Union was host to the Intermediate and Young Peoples' Departments of the Church at the annual Sweetheart Banquet on Tuesday evening, February 13, at 7:30 o'clock.

The Social Hall was beautifully decorated in the Valentine motif. Centerpieces on the tables were miniature fences with sweetheart dolls on each side. The center table had a lovely bouquet of red carnations.

Following the banquet, the program was presented. The program began with King of Hearts, Donald Kent, presiding and the program parts followed: Selection of the Sweetheart of the evening, Miss Dorothy Butler and escort Leo Farmer; Thankful Hearts, Mrs. R. R. Jones; Hearts Content, Heart Strings, Musical selections by Kay Tabor, Fay Redwine, Dot and Dash Crofts; Cupid's Capers,

by Roy Autry (David) Pippen; Hearts Refrain, Charles W. Jones; Love Song, Mrs. Ralph Wootton; Message, Rev. Ralph Wootton, and, Thankful Hearts, Mary Nell Whitten.

There were about one hundred people in attendance.

Christian Circle 3 Meets On Tuesday
Circle Three, Women's Fellowship of the First Christian Church met Tuesday, February 13, in the home of Mrs. J. M. Flournoy for their regular meeting. Mrs. George Estill gave the opening prayer.

The devotional on, "The Un-easiness of the Far East," was brought by Mrs. J. R. DeArmond. Scripture readings were brought by Mrs. James Flournoy. Minutes were read by Mrs. W. R. Huestis. The meeting was concluded with the group repeating the Missionary Benediction. During the social hour, which the members drew paper Valentines for game

We Like to Talk About Abstracts —

because making abstracts has been our business for many years. And it is an interesting subject. Every day people come to us with their title problems. Some cases are tragic. Take the example of the couple who have spent their all for a home to find out later they have no title. Most title problems are simple and the abstract helps to make them simple. So before buying real estate of any kind have the title examined.

ONE GREAT TIME OF Sharing

Time to SHARE LENT 1951

The churches of America are making a united appeal during Lent to share our plenty with the less fortunate of other lands. It is a challenge for us to help the millions who need food and warm clothing, who are destitute and homeless. Can we look at this living picture of suffering humanity and still say no?

The rewards of giving are many! In helping others we help ourselves. That is one of the paradoxes of life. For it is in giving that we receive. We receive joy in giving gifts to our friends and to the needy near us for whom we have compassion. A mother finds joy in giving to her child even if it means a sacrifice for herself. We need to extend the scope of our giving to include those in far away lands made homeless and helpless by war and calamity. We in America, a land of comparative plenty, need the priceless blessing, the spiritual enrichment that rewards Christian charity.

But that is not all. Helping others means helping extend the Kingdom of God. "Verily I say unto you, Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me". These are the words of Jesus asking for our help. Can we refuse?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character, and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Carpenter Feels Good Once More

Gets Appetite Back and Feels Fine. HADACOL Supplied Vitamins B1, B2, Niacin and Iron Which His System Lacked.

W. L. Berry, 5420 West 33rd Ave., Little Rock, Ark., is a carpenter and a good one and he's mighty proud of his work. Mr. Berry says that to do a good day's work and do it right, a man has got to feel good. That's why Mr. Berry began to worry when he began losing weight, had no appetite and felt just generally run-down. But Mr. Berry didn't sit around worrying; he did something about it. Mr. Berry started taking HADACOL. In a week's time he noticed a wonderful improvement. Many folks from all over the country have found that HADACOL has relieved the real cause of their troubles, when they are due to deficiencies of Vitamins B1, B2, Niacin and Iron, and continued use of HADACOL helps keep these troubles from coming back.

Here is what Mr. Berry says about today's great HADACOL: "I was run-down, had lost weight and just didn't have an appetite. I just couldn't even force myself to eat at all. I heard about HADACOL on the radio and tried a bottle of it. In a weeks time I noticed a big improvement in my appetite—was actually hungry and wanted to eat. I had lost, and have now regained the weight I had lost, and have an amazing appetite. I have since taken about twenty-five bottles of HADACOL and do recommend HADACOL to all my friends. I always have HADACOL in the house and just wouldn't be without it."

WHAT SHALL A MAN GIVE IN
EXCHANGE FOR HIS SOUL
MATT. 16:26

Human life is more precious than wealth, fame, or social position. But the worth of a human life is small indeed when compared to the immortal soul. Yet men are today literally exchanging their eternal souls for a few pieces of silver, fleeting fame, or the plaudits of men. Your soul is without price — Do not neglect it.
