

COURTHOUSE RECORDS

- Property Transfers
- Oil & Gas Leases
- Court Proceedings
- Marriage License

The following instruments were filed for record in the County Clerk's office last week:

C. E. Allen to J. H. Barton, oil and gas lease. Big Three Welding Equipment Co. v Knox Mach. & Supply Co., abstract of judgment. Ed S. Britton to W. D. Hayworth, MD. Sebe Boyd to The Public, affidavit. W. N. Brigner to Citizens State Bank, Cross Plains, deed of trust. W. M. Baines to Neta Cross, warranty deed. M. J. Byrd to W. W. Bradley, assignment of overriding royalty.

Eva Barton to The Public, proof of heirship. J. H. Barton to Keith Werner, assignment of oil and gas lease. John D. Barker to The Public, cc probate. Billy Ray Buckley to O. A. Cooper, warranty deed. H. C. Bowers to The Public, affidavit. J. W. Cooper, Jr. to Vin Gamblin, oil and gas lease. Rosa Alice Collins to H. S. Osborn, quit claim deed.

F. E. Clark to The Public, affidavit. Charles L. Cofer to Mrs. Ed Aycock, quit claim deed. City of Ranger to Mrs. S. T. Marlow, deed. H. C. Chancellor to Louis A. Watson, quit claim deed. Dewey Cox, Jr., to Leslie P. Cruise, warranty deed. J. W. Clatt to The Public, proof of heirship. M. A. Clatt to C. E. Cooper, oil and gas lease.

Commercial State Bank to Aquila Sudderth, release of vendor's lien. C. E. Cooper to J. A. Johnson, release of judgment. C. E. Cooper to J. A. Johnson, quit claim deed. C. E. Cooper to J. D. Nantz, assignment of overriding royalty. Grant Daniel to The Public, proof of heirship. Eula V. Dabney to R. Kamon, oil and gas lease.

B. A. Donley to A. Gutowsky, Inc., oil and gas lease. Lela Day to Consolidated Gasoline Co., right of way. J. E. Emanuel to Keith Werner, assignment of oil and gas lease. W. J. Earnest to Frank Sparks, transfer of vendors lien. Wm. W. Fox to Bonnie Kerby, quit claim deed. R. J. Fryer to R. C. Hanson, assignment of oil and gas lease. First Bancredit Corp. to Ellis O. Johnson, release of ML. Mrs. A. C. Fore to E. A. Tate, warranty deed.

Carl E. Graves to First National Bank, Cisco, transfer of vendor's lien. C. B. Graham to The Public, affidavit. A. Gutowsky, Inc. to W. B. Ulmer & Co., assignment of oil and gas lease. Wiley C. Hittson, Jr., to The Public, proof of heirship. Lee S. Henry to S. D. Johnson, oil and gas lease. Maggie Hood to Cecil McCurdy, ML.

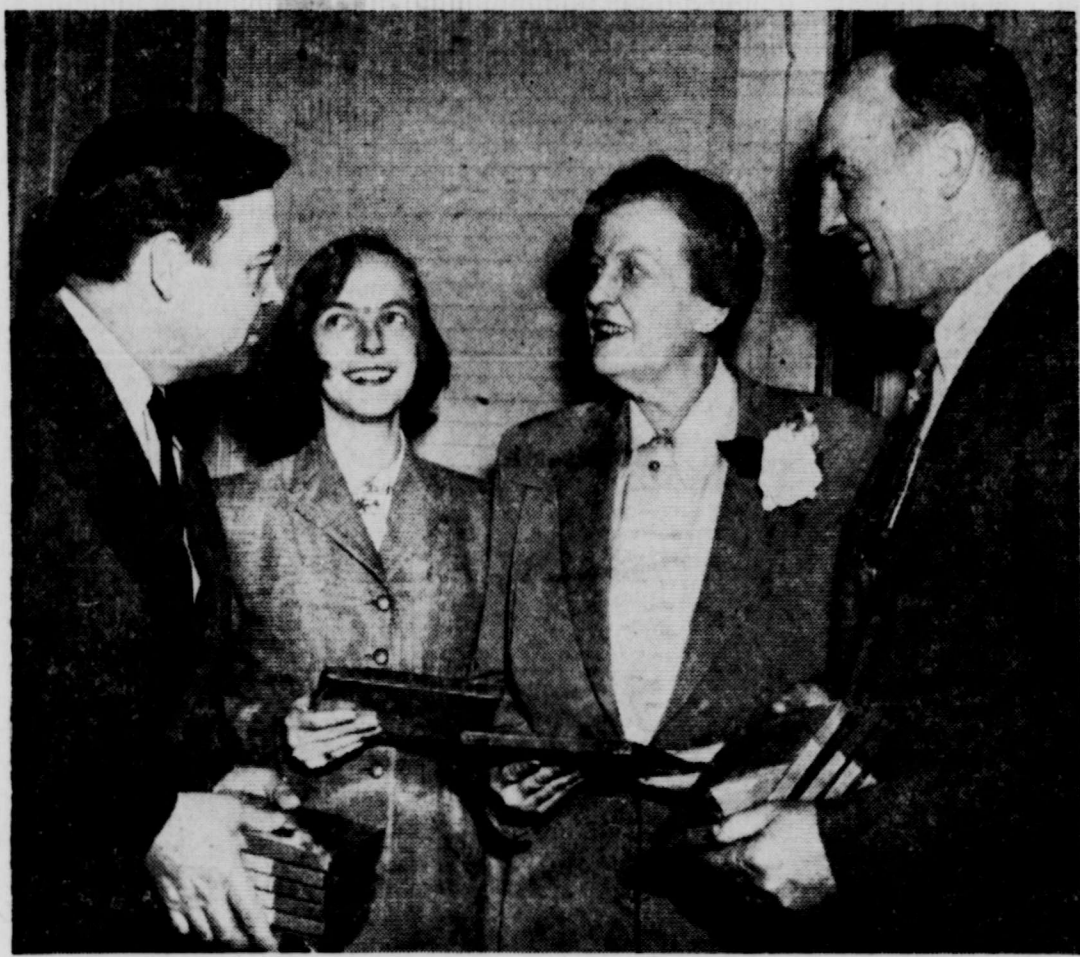

Leo A. Hatten to C. E. Cooper, oil and gas lease. B. R. Hatten to R. J. Fryer, assignment of oil and gas lease. H. J. Hensley to Ruby Could, oil and gas lease. E. C. Hightower to Bob Vaught, assignment of oil and gas lease. Howard B. Ingram to Farmers Home Adm., assignment of income. George L. Johnson to Irma E. Fox, warranty deed. E. O. Johnson to Hall Walker, quit claim deed. E. O. Johnson to Billy Joe Rhodes, warranty deed.

J. P. Production Co. to Lone Star Producing Co., agreement. J. A. Johnson to Johnson, et al, release of judgment. Robert Kamon to Esyard G. Hooker, assignment of oil and gas lease. Robert Kamon to Rudolph Kamon, assignment of overriding royalty. Robert Kamon to James Foy, release of oil and gas lease. Robert Kamon to W. L. Halsemeier, assignment of oil and gas lease. P. M. Kuykendall to Mrs. W. J. Lanford, extension of vendor's lien.

K. F. Kirk to A. Gutowsky, Inc., oil and gas lease. H. T. Lane to The Public, affidavit. Lone Star Producing Co. to Grand Lodge of Texas, release of oil and gas lease. Mrs. Georgie E. Lusley to Hattie Mae Jones, partition deed. Horace T. Lane to J. A. Ban Oil Co., oil and gas lease. A. V. Lester to M. R. Wood, warranty deed. D. O. Moffett to C. B. Pruett, warranty deed.

Samuel B. Mize to Pat Kelsey Trust, royalty deed. Victoria H. May to Joseph Perkins, MD. Victoria H. May to Joseph M. Perkins, oil and gas lease. N. A. Moore to Robert M. Garrett, assignment of oil and gas lease. Riley C. Montgomery to The Public, cc D. cert. Sue Gracey Martin v. Wm. Roy Martin, cc judgment. McElroy

Turn to Page Three

FOR POSTERITY—Recordings of the top musical performances from 1905 to 1928 were presented to the Library of Congress in Washington as a living document. The album, made by RCA, includes the voices of Caruso, McCormack, Schumann-Heink, Ponselle and Jeritza. At the ceremony were, left to right: Dr. Luther Evans, Librarian of Congress; Mrs. William Porter, daughter of Enrico Caruso; Caruso's widow, and Joseph B. Elliott, RCA Vice President.

CISCO AND SCRANTON TEAMS ARE LOCAL TOURNAMENT WINNERS

Cisco and Scranton divided honors in the first annual grade school basketball tournament held in the local gym Thursday, Friday and Saturday. The Cisco Midgets won in the boys division and the Scranton girls won in their division. The Scranton boys won second place and the Cisco girls took the runner-up post in their division.

Only 30 Women Sought By Navy

Only 30 women from the nation will be selected to attend the next class of the Navy's "Annapolis for Women" at Newport, R. I., the Navy said today.

The five-month course of indoctrination for WAVE officers commences July 1, but young women must apply before the end of March, it was announced by the Office of Naval Officer Procurement at the Customs House in New Orleans and 1114 Commerce St., Dallas, where WAVE ensigns are selected.

Applicants must be 21-25 in age, single, graduates of accredited four-year colleges, and able to meet the Navy's mental and physical requirements.

Women who will graduate from college in June will be considered, if they submit statements from the college dean certifying that they will graduate.

This class will be the sixth to turn out completely-trained WAVE ensigns since the school commenced operating in January 1949.

After indoctrination, WAVE ensigns are assigned to the shore establishment.

Midgets Will End Flag Race Tonight

The Cisco Junior High School Midgets will be at full strength for their final cage game in the district play-off series in Comanche tonight.

The Midgets, winner of the north half of district 8A, will play Comanche, winner of the south half, in the third and deciding game of the series. They lost the first game to the junior Indians two weeks ago and evened the score in the local gym last Tuesday night.

This marks the first year the district has declared a winner in the grade school division in basketball. Cisco went through the conference season and won the north half without a conference loss.

CHOIR TO PRACTICE
The Cisco Community Choir will have rehearsal at 7 p. m. Tuesday at the First Methodist Church, Director Robert Clinton announced today.

Red Cross Drive Making Progress In Rural Areas

The 1951 fund raising campaign for the American Red Cross, which got underway over the county this week in conjunction with the national campaign, is showing great progress, Mrs. John Love, county chairman said this week.

In the rural area of the county, the Eastland County Home Demonstration Clubs are sponsoring the Red Cross drive. Mrs. M. W. Grieger is chairman for the entire rural population of the county. She reports that the working areas have been assigned to the following clubs with the following women in charge of each area:

North Star, Mrs. Clara Burkhead; Pioneer, Mrs. H. C. Fridge; Sabanno, Mrs. J. L. King; Nimrod; Mrs. Ed Townsend; Salem, Miss Allene Fonville; Word, Miss Willie Word; Cheaney, Mrs. A. H. Dean; Olden, Mrs. J. F. Moseley; Flatwood, Mrs. J. S. Turner; Desdemona, Mrs. J. E. Heeter; Lake Cisco, Mrs. Nellie Housh; Morton Valley, Mrs. Raymond Beck; Okra, Mrs. Jim Ray Cox; Scranton, Mrs. L. L. Gattis; Crocker, Miss Vera MacBeth; Carbone, Mrs. C. W. Stafford; New Hope, Mrs. Joe Bob Browning; Pleasant Hill, Mrs. Marshall Berry.

Cotton Material Ready For Army

AUSTIN, Mar. 6.—A ney type cotton satene cloth eventually will replace herringbone twill as the material for Army fatigue clothing, the Department of the Army announced.

Developed by collaboration of the Army Quartermaster Corps and the textile industry, the new fabric has been found, after extensive testing, to have much better wearing qualities than herringbone twill.

The Quartermaster Corps plans to purchase 15,000,000 yards of the satene during the next several months. It will be manufactured into jackets and coats for use as work garments. However, the new fatigue clothing will not be issued to troops until present supplies of herringbone twill uniforms are exhausted.

The new satene, which, like herringbone twill, will be 8.5-ounce weight to the square yd., was tested in laboratories, at the Quartermaster Corps combat course, Fort Lee, Virginia, and by troops in the field. The so-called reverse side of the material was found to have the greatest resistance to abrasion with a wearing quality equal to nearly twice that of herringbone twill.

Mrs. W. E. Dean and Mrs. M. D. Bailey returned to Houston Monday to be at the bedside of Mrs. Gail Baily who is critically ill in a Houston hospital. They returned to Cisco Saturday night from Houston after spending all of last week there. Mrs. Bailey was reported as slightly improved.

The Gay Philosopher

By J. W. S.

THIS IS PUBLIC SCHOOL WEEK in Texas and there's a program for each day in the week. Last night, Dr. George G. Dickey of Howard Payne College, Brownwood, spoke to a very small crowd at the high school auditorium. We hope that Cisco school patrons and citizens turn out better for the balance of the week's program.

Today, the Cisco Junior College is having open house. Wednesday's program calls for a downtown band concert at 11 a. m., following which Manager B. A. Butler will speak. Rev. Lesley Seymour will talk on the school subject at the Lions Club luncheon.

Thursday's program calls for a Rotary Club address by E. P. Crawford, and an open forum meeting at the Masonic Temple. There will be an address by Dr. D. D. Tidwell of Howard Payne at the college Friday night.

Let's all back this special week in honor of our schools.

MR. BILL KENDALL, the fireman, tells us that the Cisco Volunteer Fire Department is planning a booklet in the near future. It will be the history of the local fire department. And Bill would like some authentic information and pictures of the early fire departments in our town. If you can help him, he will appreciate same.

THE LANHAM Fund, which was donated by various people hereabouts, was turned over Monday to the family pastor, Rev. H. G. Lohrmann, and he took it to the family. Pastor Lohrmann and his church has done considerable to help the family through trying times. In addition to donating their time and facilities, the pastor and the church helped out in a material way. The fund amounted to \$239. Checks came Monday from the employees of Johnson Oil Well Testing Service and from the employees at Brown Satorium.

Mr. Anton White advises us today that the employees of the Boss plant raised over \$70. This too, will go to Pastor Lohrmann to help out the family.

WAS UP TO Fort Worth over the week-end and driving home in the afternoon, we thought we might stop in to hear Billy Graham, the evangelist. But 17,000 other people had the same idea and there wasn't even standing room left.

The Paul Farrows got there early. They had been up Denton way and got into the meeting place at 1:15 p. m. It was half full then. By the 3 p. m. speaking time, the people were being turned away. Paul reports that Evangelist Graham lived up to his reputation in every way.

YOU NEVER CAN tell who you're going to run into or when. For example, Mr. and Mrs. Floyd Sharpe drove up to Denton last Sunday morning and visited for a time with son, Stanley, who is a student there. They then drove over to Dallas to visit her sister.

They were sitting in the living room and a knock came at the door. It was their other son, who is one of Uncle Sam's army men. He'd just got to town, flying in, for a 10-day vacation before being shipped out. He came home with them.

THE RED CROSS teams took to the field early today. Let's all do our part and get the drive over with in a very short time.

DEATH IS REPORTED

Word was received in Cisco today of the death of the father of Wallace M. Smith, former Cisco man now living in San Antonio. Funeral services will be held at 2 p. m. Wednesday in Hewett's Funeral Chapel in Temple. Wallace Smith managed the Joy and Palace Theaters while in Cisco.

UNDERGOES OPERATION

The condition of J. A. Krisell, who underwent surgery in Harris Memorial Hospital Monday, was reported as satisfactory Tuesday. Mrs. Krisell, who was with her husband in Fort Worth, stated that he would remain there a week or ten days before returning to his home.

New Oil Location Is Made One Mile Northeast Of City

CJC Has Open House Tonight

(An Editorial)

As a part of the Public School Week, which is being sponsored throughout Texas this week by the Masonic Lodges, an open house was being held today by Cisco Junior College. The day's program will be featured by the open house at the college tonight.

While peanuts, oil, manufacturing and other payrolls mean a great deal to Cisco each year, the funds that pour into the city from the junior college, directly and indirectly, means a very great deal. College officials have estimated that the CJC contribution to Cisco amounts to approximately \$750,000 annually. Much of this comes through the Veteran's School which holds night classes at the college. The money represents tuition paid the college, student's subsistence allowances, instructor's salaries and so forth.

Veterans come here from a large area from all surrounding cities, including Abilene, Brownwood, Breckenridge, and Albany. Classes are taught in salesmanship and various business and educational subjects, metallurgy, drafting, welding, auto mechanics, advanced electronics and others.

President O. L. Stamey has invited the general public to visit the college from 6:30 to 10 p. m. Tuesday when the night school will be in operation for the benefit of more than 500 students.

Patrons of the Cisco schools can well be proud of the college program and what it has come to mean to the area. They can demonstrate their appreciation for this program by attending the open house and visiting the various classes tonight. In sponsoring the Public School Week Project, the Texas Masonic Lodges are making a very big contribution to educate by giving the people an opportunity to know their schools and the people who run them.

WRANGLERS WIN THIRD HONORS IN AMARILLO CAGE TOURNAMENT

Coach Scot Russell and his Cisco Junior College Wranglers returned to Cisco Sunday from Amarillo where they won third place in the regional junior college cage tournament by defeating Howard County Junior College 75-55 Saturday night.

The Wranglers lost their first game to Clarendon Junior College Friday night by a 70-64 score. In the Clarendon game Doc Rainey made 22 points to take scoring honors for the Wranglers. English of Clarendon made 25 points for his team for game honors. In the Saturday game Rainey and Bill Gunn of the Wranglers each made 24 points to divide top honors in the scoring department.

Doc Rainey of Cisco was named the most outstanding player in the tournament and received a unanimous vote for the top place on the all-tournament team. Bill Gunn of the Wranglers received individual recognition and received sufficient votes to place him in fourth place on the all-tournament team.

The Wranglers wound up a successful season with the Saturday night game. They won the TJCC zone championship, second place in the TJCC state play-offs and third place in the regional tournament.

College athletes were to begin work this week on track and baseball. Due to the uncertainty

of the International situation no spring football training is planned, Coach Russell reported.

Local Group Attends Whitney Dam Opening

Mr. and Mrs. Hugh Greenhaw and son, Don and Jimmy Yates of Cisco went to the opening of the Whitney Dam Sunday. They were met there by Mrs. Greenhaw's sisters and their families, Mr. and Mrs. J. A. Smith of Port Arthur and Mr. and Mrs. Homer Burch of Meridian. Also in the party were Mr. and Mrs. Bill Greenhaw of Ranger, Misses Carolyn Pence and Patsy King of Cisco.

The group witnessed the opening ceremonies and enjoyed a picnic while at the site of the recently completed project.

VISITING IN CISCO

Mr. and Mrs. Ralph E. Frede and two daughters of Austin have been visiting here in the home of his parents, Mr. and Mrs. Elmer Frede. Ralph E. Frede and wife planned to leave today by plane for New York City to attend a meeting of the National Foundation for Infantile Paralysis, Inc. Mr. Frede is representative of the agency with offices in Austin. The daughters, Phyllis and Bethann, will remain in the home of their grandparents.

LOCAL GOLFERS HOLD LEAD IN COUNTY WITH VICTORY SUNDAY

Cisco Country Club golfers continued to hold the lead in inter-city golf play Sunday after they won 86 per cent of their matches with a team from Eastland. Cisco and Ranger teams will meet in the near future to conclude the tournament.

Results of Sunday's matches were as follows (Cisco player named first):

Norman Huston beat C. M. Townsley, 4 and 3; Paul Mosley beat Joe Sparks, 8 and 6; C. W. Blackburn defeated Everett Plowman, 2 and 1; C. L. Wilson won over Doc Poe, 4 and 3; Jack Miller bested Bruce Pipkin, 6 and 4; Bill Mitcham lost to E. K. Henderson, 2 and 1; Dr. Jim Lawrence beat Blair Lewis, 5 and 3. J. L. Thornton beat Willis Smith, 3 and 2; Pete Nance won over Don Doyle, 4 and 3; Grady Johnson won over E. M. Pritchard, 7 and 6; Gene Damron defeated Bill Collins, 8 and 7; Ralph Glenn, bested Dillard Morgan, 6 and 5; Charles Cofer defeated Hubert Westfall, 8 and 6.

Charles Graham beat B. Fagan, 7 and 5; Howell Sledge won over Wells Dalton, 6 and 5; Mike Cameron bested James Gann, 3 and 2; Bill Goff beat Gordon Smith, 7 and 6; Chesley Tipton bested Bob King, 3 and 2; Bob Latson won over Joe Stevens, 1 up; G. P. Mitcham beat Emmett Powell, 1 up; Jim Harris won over Gus Nix, 7 and 6; E. L.

Gaines beat Gene Haynes, 7 and 6.

Buddy Deen bested Ray Pryor, 5 and 4; Ben Tabor won over Jimmy Matthews, 3 and 2; Laird Locke lost to Woody Howell, 2 and 1; Elmer Chidress won over J. H. Hassell, 2 up; Dr. Paul Woods beat Sam Gamble, 2 up; Zan Burroughs lost to Tom Harris, 5 and 4; L. L. Vann lost to Cyrus Frost, 3 and 2.

PTA Art Exhibit Opens Wednesday

As one of its contributions to Public School Week in Cisco the West Ward P-TA invited all of Cisco to visit the art exhibit which will open Wednesday at 206 West 8th. The exhibit will continue through Thursday and all school children and those interested in the school were urged to attend.

Copies of the world's outstanding pictures will be on display in the building formerly occupied by McCracken's Grocery and Market and the money derived from the show will be used in the organizations work at West Ward school.

The P-TA, in its exhibit and work, is complimenting the teachers of the school in their efforts to train children to be valuable citizens, the students themselves and the parents.

Good Well Finished On John Hart Lease

The Big Six Oil Company of Wichita Falls will drill a wildcat oil test one mile northeast of Cisco on the B. W. Martin property, according to information here today. Located just across the road from the George Fee ranch home, the well was being staked and drilling equipment was being moved in today.

Location is 1,650 feet from the east and 650 feet from the north lines of the 150-acre lease in Section 80, Block 4, H&TC Survey. Permit calls for 4,000 feet with rotary equipment. Tommy Stewart is the drilling contractor.

Another new project for the area northeast of Cisco is the Cooper and Hemphill No. 1 M. A. Ciyatt, a semi-wildcat in the north end of the Bankline-Owens pool area. Location is 1,263 feet from the north and 330 feet from the east lines of the 160-acre lease in Section 31, Block 4, H&TC Survey. Drilling was due to start sometime today.

East of Cisco some five miles, the Bert Fields No. 1 J. H. Kendrick was drilling at 3,135 feet in shale and lime. The location is just south of Highway 80.

Gray Drilling Company of Cisco, contractors on the Kendrick test, was moving equipment to a location four miles northwest of Putnam today to drill the B. F. Phillips No. 2 Finley. Drilling is expected to begin Tuesday.

Bankline Oil Company's No. 2 C. E. Reynolds was running pipe to complete in the Lake Sand today. The hole was bottomed at 3,448, but was plugged back to the Lake at 3,363 feet. It was expected to make a good well for the Bankline-Owens pool, five miles northeast of Cisco.

Bankline was rigging up to drill their No. 6 C. E. Reynolds on a nearby location. Choate Drilling Company of Cisco has the contract.

Outcome of the B. F. Johnson No. 1 George Fee in the Owens pool area was expected to be known in the next day or so. It was drilling at 3,500 feet early today and expected to hit the Ranger lime tonight. There was a section of Lake sand in the well, according to reports, but is was hard.

The Woodley-Johnson No. 1 George Fee, off set to production on the John Hart lease, was drilling at 2,250 feet today. Gilchrist Drilling Company of Abilene has the contract.

A new well for the area is the E. C. Johnson No. 1 John Hart, which drilled into the Lake sand pay over the week-end. Tests indicated that the well will be good for 600 to 700 barrels per day.

The Blumquist et al No. 1 Mrs. Sam Hart took potential tests last week. It showed about a million cubic feet of gas and 35 barrels of oil per day.

Just east of Cisco, the E. C. Johnson No. 1 fee was plugged and abandoned over the week-end. It could have been completed as a small gas well, but the operators decided against it, according to reports.

The Savage Bros. No. 1 D. B. Perdue, an Owens pool west location, was drilling ahead. No reports on the depth were available.

Myrick Attends PMA Meet In Brownwood

A. Z. Myrick was in Brownwood Tuesday attending a PMA meeting called to discuss the proposed castor bean planting project in Eastland and Brown Counties.

At the meeting acreage problems, harvesting and hulling methods will be discussed and seed sold to those desiring to plant a part of their land to the strategic crop.

Mr. Myrick reported that the seed was available to those who wanted it at a cost of some \$2 per acre.

MRS. ANDERSON BETTER

Mrs. A. D. Anderson, who underwent major surgery in Baylor Hospital, Dallas, last week, was reported out of danger and progressing nicely today. Mr. Anderson was still in Dallas with her.

GEN. THOMPSON ASKS CONGRESS TO LEAVE INCENTIVES IN OIL

WASHINGTON, March 6.—Lieut. Gen. Ernest O. Thompson, of the Texas Railroad Commission, declared today that this country's oil supply position is "too tight" to permit any tampering with the incentives necessary for the discovery of additional supplies of vitally needed oil.

Gen. Thompson, who appeared as a citizen-soldier and conservation official, made this statement before the House Ways and Means Committee, which is considering a Treasury Department request to reduce by 45 per cent the industry's depletion allowance. It is this provision which enables oil men to regain some of the capital lost when their wells turn out to be dry holes. The General was the lead-off witness as the oil in-

dustry presented its case to the committee.

The oil supply situation in the United States is much tighter now than it was a year ago, Gen. Thompson stated in declaring that the time-proven depletion allowance is the "keystone" in the oil industry's production battle to find more oil to meet the skyrocketing demands of the American people and the nation's military forces.

So precarious is the domestic supply picture, the General said, that imports, which range around 1,000,000 barrels per day and would be subject to enemy submarine attack in event of war, spell the difference right now between adequate supplies and gasoline rationing.

He noted that "our men are fighting in Korea, and our national security is in peril," and declared emphatically that every possible incentive should be offered to the industry to find more oil, rather than weaken the tax structure which has enabled it to fuel two World Wars and take care of essential civilian requirements at the same time.

The Texas conservation official urged the committee to consider the plight of a hard-working industry which has been advised on one hand by the Interior Department that it must build up an additional million barrels per day reserve capacity, and on the other that the Treasury Department would like to pull out some of the financial props vitally necessary for exploration and discovery.

Gen. Thompson also pointed to press reports which told of Interior Department proposals to build two coal hydrogenation plants to obtain about 30,000 barrels per day. These, he said, will cost about \$300 million—the same amount that the Treasury Department hopes to gain by slashing the depletion allowances and sapping the industry's ability to search for not just 30,000 barrels per day needed for national security.

Gen. Thompson said the oil industry would have to drill more than twice the 44,000 wells scheduled for 1951 to obtain a million barrels per day additional reserve capacity. How, he asked, can oil men begin to think about anything like this when their depletion allowance is threatened, and steel is in short supply.

Gen. Thompson told the Ways and Means Committee:

"Certainly it is fair to assume that if the depletion allowance is tampered with, our oil supply will suffer, and we are not in any position to see our oil supply diminished. We cannot afford to let anything happen that would lessen the incentive to hunt for oil in the United States.

"It might be possible, if we get into a general war, that our tankers, unescorted, might be sunk and we would be denied the oil that we so badly need to keep our country going and at the same time fight a defensive war. It is well to mention too the fact that many of our planes of tomorrow will be jet propelled, and it is a well-known fact that jets consume vastly greater quantities of petroleum products per hour than do internal combustion engines.

"We are bringing out of moth balls two vessels per day for our navy. Tanks are being ordered by the thousands. Our army is properly being rebuilt. I say to you gentlemen that I do not believe that we should tamper in any way with the depletion allowance, which has been so successful in furnishing the incentive to hunt for new oil."

He expressed hope that the committee would continue the present depletion allowance untouched "so that we may build up a reserve of petroleum that will help us avoid World War III". Gen. Thompson stated succinctly: "It is not too much to say that petroleum protects freedom. Our tanks, our ships, our planes and trucks all require petroleum. If we are to remain free, we must remain strong. Petroleum propels the machines of defense, and it protects freedom. Make sure that our industry is able to keep us all well supplied."

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP
If Your System Lacks Vitamins B1, B2, Niacin and Iron. Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B1, B2, Niacin and Iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jimenez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B1, B2, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jimenez says she is always going to have HADACOL on hand for Floyd.

Floyd Jimenez

Here is Mrs. Jimenez's statement: "My son Floyd was very subject to colds. He's eleven years old, and he was rundown, didn't seem to have an appetite at all and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just recovering from a siege of a bad cold. He was very rundown, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could notice an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Men, women and children of all ages are praising HADACOL for supplying Vitamins B1, B2, Niacin and Iron which their systems lack. Don't let that "After-Cold Run-Down Feeling" drag you down—HADACOL can help you too, if you suffer such deficiencies. Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take or your money back. Trial size, \$1.25; large family economy size, \$3.50.

Get to the HEART of the matter:
THERE'S ONLY ONE RIGHT WAY TO PROCESS FOODS FOR FREEZING

Expert Cutting
We're specialists in cutting, trimming, and preparing your meat just the way you want it. We have the most modern equipment to do the job for you. If you want the meat aged, we have aging rooms to do a perfect job.

Careful, Safe Wrapping
Here you'll find approved wrapping materials for zero storage of foods. This, together with the knowledge of how to wrap food to keep in the flavor and freshness, assures you that your food will be kept in perfect condition in your locker.

Rapid Sharp Freezing
Below zero temperatures are needed to properly freeze foods... this is the basis of the whole food freezing miracle. It assures you of foods which have all of their original flavor, color, nutrition and goodness.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Child Study Club

Meets On Friday

The Child Study Club met on Friday afternoon, March 2, at the Club House with Mr. J. H. Denton as hostess.

The meeting was called to order by Mrs. J. D. Collier, president, and the secretary, Mrs. J. C. Fletcher, read the minutes and called the roll. The club voted to give five dollars to the American Red Cross drive. Officers for the coming year were elected. The program chairman, Mrs. O.

O. Odum, introduced Mrs. Joe Clements, who presented a talk on, "Your Child on Entering School." Mrs. Durwood Morris gave a report on, "Youth Program," taken from the Club Woman.

Refreshments were served to the following: Mesdames H. D. Cameron, J. D. Collier, J. C. Fletcher, Ray Kinard, Don La Casse, Durwood Morris, O. O. Odum, Ralph Rider, George Sledge, Blake Stephens, J. V. Heyser, Jr., J. H. Latson and Bill Huffman.

CLUB ORGANIZED

A Pleasant Hill Home Demonstration Club was organized on March 2 in the home of Mrs. J. B. Hagen. Mrs. Ethel Sparks, County Home Demonstration Agent, presided over the meeting. Officers were elected as follows: President, Mrs. Marshall Berry; secretary-treasurer, Mrs. J. B. Hagen; vice president, Mrs. Lionel Hale; Reporter, C. J. Biles; County Delegate, Mrs. Earnest Reich; and Alternate County Delegate, Mrs. H. G. Hines. In addition to the officers, four other members are included in the organization.

From The Seller's Point Of View -

... he may earnestly believe that just any kind of an abstract will do, but it makes a lot of difference to the buyer as to the kind of an abstract he gets. There is as much difference in the quality of title information as there is in people and personalities. Most attorneys try to protect their clients against the hazards of irresponsible and sub-standard abstracts, and they should. Waiting for the best, where waiting is required, will pay big dividends in the long run.

A Message to

OLDER PEOPLE

You often do not get enough

IRON and B VITAMINS

in your diet!

Yes, older people often eat a diet which is slightly deficient in B-vitamins and in Iron. Result may be weakness, Underweight, Feeling below par, "Nerves," Fatigue. New Bexel Special Formula may be just what you need. Bexel is a scientific product which combines the important B-vitamins with Iron. Everybody knows the importance of Iron in your diet to help your body maintain rich, red blood. Just one capsule of Bexel Special Formula a day (that's

all you take) contains 5 times the minimum daily requirement of Iron. Also 5 times the minimum daily requirement of Vitamin B₁!

Money Back Guarantee

Bexel is offered to you on a money-back guarantee: take Bexel Special Formula for 30 days. If you don't agree that you feel really better, are your own bright-eyed self again, your money will be refunded in full.

EDUCATION MOLDS OUR FUTURE

BETTER SCHOOLS-BUILD A STRONGER AMERICA

Weapons for Freedom

That's right - school books. From the first reader to the latest work on nuclear theory, school text and reference books are among the most powerful weapons for freedom we have. To them - and to our great system of free education - we owe in large measure our progress as individuals, our strength as a nation.

Yet today, throughout America, there aren't enough school books to go round. There aren't enough classrooms either - and there aren't enough teachers! Our children need millions more books, 270,000 more classrooms, and in the elementary schools alone, 75,000 more teachers.

These are shortages that can be downright

dangerous - to each individual and to our country as a whole. To maintain and protect our basic American freedoms, we must have more mature-minded, straight-thinking adults than ever before. And the best way to make sure we get them is to improve the education our children are getting right now.

Find out about our schools. Join our P.T.A. or any local group working to improve school standards. You couldn't devote yourself to a more vital task. For useful information on how other communities are solving their school problems, write to: National Citizens Commission for the Public Schools, 2 W. 45th St., New York 19, N. Y.

Like other American business firms, we believe that business has a responsibility to contribute to the public welfare. This advertisement is therefore sponsored by

BRIEFLY TOLD PHONE 37

Bob Fain, who has been residing at the Victor Hotel, left Sunday for Abilene to visit a friend, who is ill. He is enroute to Phoenix, Arizona, where he will spend the spring and summer months.

Jimmie Farnsworth has written his parents, Mr. and Mrs. M. P. Farnsworth, that he is enroute to a camp in Alabama and is with the 47th Infantry.

Sgt. Leonard E. Tipton (who is stationed at Sheppard Air Base in Wichita Falls, arrived Sunday

to spend a few days with his mother, Mrs. Carrie E. Tipton.

Ronald Rhodes of Fort Worth was in Cisco over the past weekend.

Mr. and Mrs. E. H. Tonne had as their recent guest, their daughter, Mrs. Sam Maddenberg of Chicago. Mrs. Maddenberg left on Monday for Dallas, where she will catch a plane to Chicago.

Mrs. Claude Blackburn visited in Albany on Monday.

Mr. and Mrs. William Jenkins spent the past weekend visiting in Marlin.

Mr. and Mrs. Arlin Agnew and Mr. and Mrs. Bill Bledsoe had as their weekend visitors, Mrs. Kate Bledsoe of Haskell, Mr. and Mrs. Slover Bledsoe, and Mr. and Mrs. Bud Dorn, all of Haskell.

Joe Philpott, son of Mrs. Barton Philpott, who is now working in Colorado City, spent the past weekend visiting in the home of his mother.

Mrs. Dee Cobb of 200 West 18th Street had as her guest the past weekend, her son and wife, Tech. Sgt. Dorris J. McGough of Killeen Base, Killeen, Texas, her daughter and family, Mr. and Mrs. Lloyd Fricks and son, David, of Texarkana. Mrs. Fricks is the former Miss Ruby Pugh.

Mrs. Max McCrary of Ballinger and her two sons, Steve and Scott, spent the past week visiting in the home of her parents, Mr. and Mrs. E. V. Hays.

Miss Virginia Lou Ford, Mr. and Mrs. S. C. Warren, and son, Excell Warren and Miss Betty Stevens, all of San Antonio, spent Sunday visiting Mrs. Lora Ford and Mr. and Mrs. J. A. Elliott.

Major J. A. Shelton and wife of Fort Sill, spent the past weekend visiting his mother, Mrs. Shelton, of the Moby Hotel.

Mr. and Mrs. William C. Marshall have announced the birth of a daughter, Elizabeth Brooks, born on Saturday, March 3, at Florence Nightingale Hospital in Dallas. Mrs. Alex Spears of Cisco is the maternal grandmother.

Mr. and Mrs. R. N. (Stormy) Davis were in Cisco early this week where Mr. Davis was transacting business. Mrs. Davis was visiting her parents, Mr. and Mrs. E. G. Damron, and friends and other relatives.

Mr. and Mrs. H. R. Garrett and daughter, Dorothy Jo, attended the wedding of a relative in Ft. Worth over the week-end.

AIRPORT NEWS

Pete Reynolds has a new Cessna airplane which a friend flew to Cisco from Longview. Mr. Reynolds flew his friend back to Longview and returned with the ship.

B. H. Gray and son, Daniel, 16, were flying on Sunday. Daniel, who has already soloed, is practicing for his private license which he will take as soon as he is old enough.

Francis Urban was out and checked out in the Ercoup.

Frank Coats has been flying some extra hours with the various pilots.

"I WANT TO TELL THIS TO WOMEN IN YOUR 40's"

I find Lydia Pinkham's Vegetable Compound wonderful to relieve distress of 'change of life'

"Any woman between the ages of 38 and 52 should be interested in my experience. I was going through functional change of life and I had myself terribly embarrassed from hot flushes, and I felt so nervous, easily upset because of this. "What really shocked me was when I overheard my husband explaining my shortcomings behind my back. He said, 'Don't mind Louise—she's going through change of life.' That made up my mind. I had heard how effective Lydia Pinkham's Vegetable Compound was for relieving such symptoms, and I decided then and there to try it. Thank heavens I did. "I find Pinkham's Compound simply marvelous to relieve embarrassing symptoms due to this cause. In fact I now take Lydia Pinkham's Compound regularly to help build up resistance against hot flushes, tense emotions, flighty, nervous, tired feelings—due to this cause. I wish anyone when troubled this way would try this great medicine." P. S. Pinkham's Compound tastes sweet in a little fruit juice or plain water. A wonderfully effective medicine made especially for women.

FEATURE: 7:20 and 10:10

It Will Rip the Roof Off the House Next Door!

Ten Reasons Why Women Prefer ELECTRIC COOKING

It's Fast! Electric "speed units" now cook faster than any other method! They bring food to cooking temperature almost instantly with accurately controlled heat.

It's Automatic! Electric cooking's automatic feature will "chef" for you, turning you oven on and off at just the right time, while you enjoy a game of Bridge or Canasta.

It's Cool! The heat goes directly into the food and not into the air and kitchen. Electric ovens are insulated on all six sides... so the days of hot, stuffy kitchens are over when you use flameless, clean electric cooking.

It's Clean! Since no flame can come out of an electric coil you're free from the smoke, soot and dangerous fumes caused by combustion. Kitchen walls and ceilings stay fresh and clean much longer; the clean, flameless heat helps keep pots and pans bright, too.

It's Safe! No matches, no flame, no fumes to bring hazards into your kitchen. Electric cooking is as safe as your electric light—even a child can learn to use it.

It's Healthful! Electric cooking requires less water; foods cook in their own juices, retaining the garden-fresh flavor and food values which are so often lost and carried off with the fumes of combustion in other methods of cooking.

It's Economical! There's no wasted heat. Electric cooking gets the job done quicker and with low-cost electric rates, brings the operating costs down.

It's Labor Saving! Set the controls, put in the food, and go on about your business. Its automatic features save you work time to devote more time to your family, and more time to the pleasures of life.

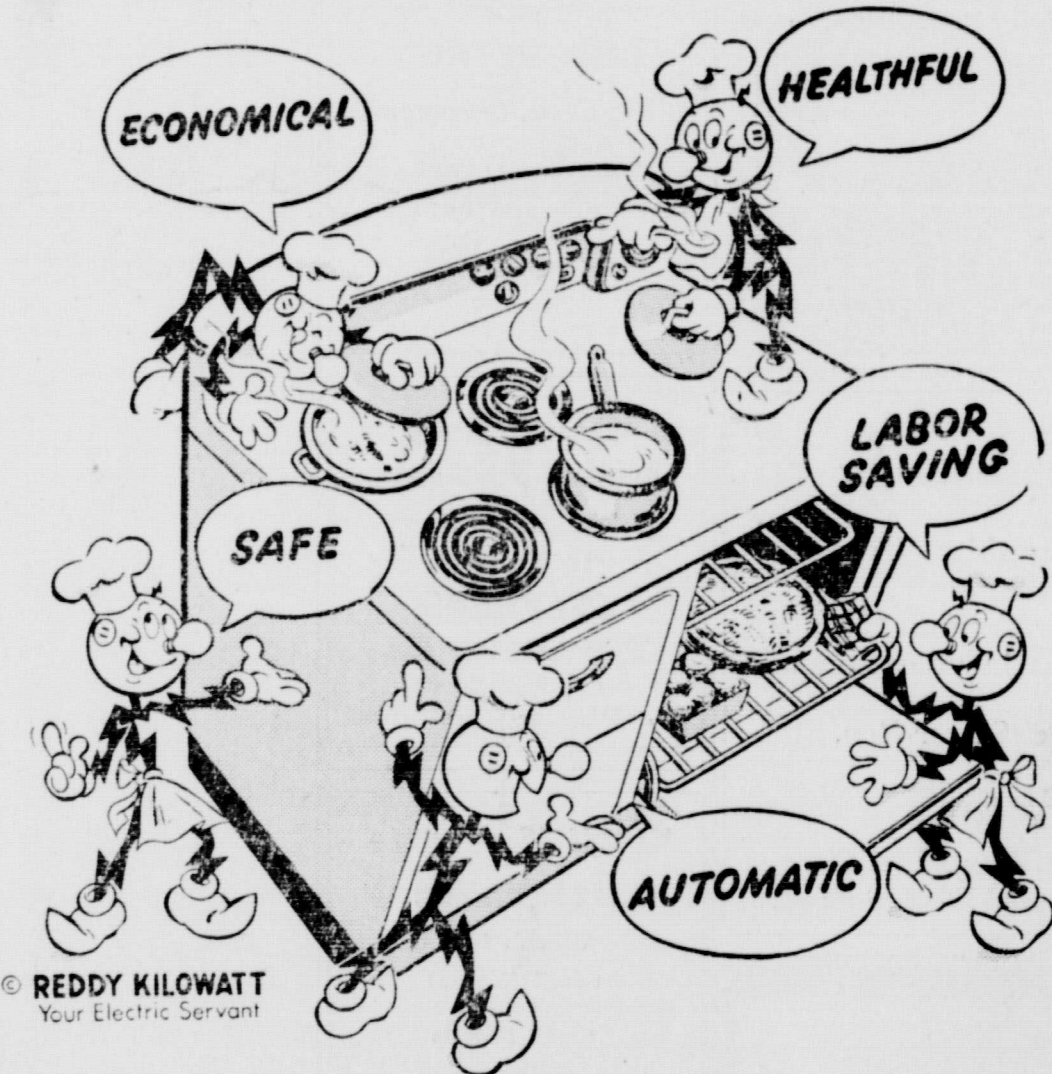

It's Modern! Electricity is the modern, low-cost fuel of today... and tomorrow! Once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods as old-fashioned as flame lamps.

It's Convenient! Think of cooking by just turning a switch! It's that convenient with a Modern Electric Range. Designed for today's kitchens, the special features of Electric Ranges mean extra conveniences.

It's the best!

Someday You Will Cook ELECTRICALLY

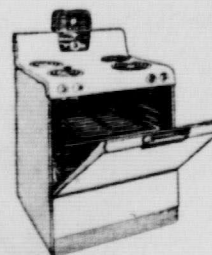

Why not now!
It's the modern way! It's...

© REDDY KILOWATT Your Electric Servant

EVERYDAY women are discovering how simple, easy and convenient it is to cook on an electric range. For it's not just a better range... it's a better way of cooking. Just ask a friend who cooks electrically... she'll tell you of the ease, convenience and economies that only modern electric cooking can give. And whatever your cooking needs are... whether you live in a big home or tiny apartment... there a new Modern Electric Range for YOU!

See Your Electric Range Dealer

He will tell you more of the advantages and conveniences of Electric Cooking and show you many other modern electrical appliances that will make your home more comfortable — your work easier and your family happier.
