

The Gay Philosopher

By J. W. S.

MEMBERS OF THE Cisco Post of the American Legion are planning to meet at 5:30 p. m. Thursday at the Legion Hall for an evening of work.

Mr. Fleming Waters and Mr. E. L. Jackson are in charge of the program. And if anybody has some extra shrubs and rose bushes or some such flowers that they'd like to see growing around the Legion building, contact Mr. Waters or Mr. Jackson or bring same to the Legion building Thursday late.

All members of the Legion were asked to turn out for the event. They'll need several implements, including a pick and a shovel, a wheelbarrow, and rakes and the like. Mr. Gail Jones and his FFA boys at the high school have volunteered to prune and trim the trees around the building as a class project.

Mr. Doc Cabaness of the Legion Post will turn chef for the evening and feed all ex-service men who out for the work party.

WE'RE LOOKING forward to a splendid chicken dinner in about eight weeks. Mr. E. C. Henry of the feed store has just received 25 Southwestern chickens at his place. They're a cross between pheasants, Cornish Games and some other kind of chicken.

The chicks arrived at the age of one day. Mr. Henry will have them on display during the growing experiment. He says these fryers sell for a premium of about 10 extra cents per pound. The chickens came from a hatchery at Plainview and they've been featured in recent magazine articles. You can see them at his store.

A FRIEND ASKED us yesterday what we thought of radio. He had in mind a proposition that a radio station in a neighboring town was making here.

And we can't get too excited over it, because the station is competing with us for advertising dollars. We explained to our friend that The Press has a payroll in Cisco of more than \$2,000 per month. And this money all stays at home. The radio has no payroll here and spends no money here.

The Press backs every community project that comes along, contributes to local charities and projects and works in every way that a little country newspaper can for the betterment of its community. The radio's only interest in Cisco is what it can take out in dollars and cents.

We told our friend that if he felt like the radio would do him any good to go ahead, that we'd continue to be here and working for the town and trying in every way we can to be a good country newspaper. That's our answer. What do you think of it?

THE T & P RAILROAD was strutting its stuff today. It brought through a tank that was 126 feet long. It was on three flat cars, each 40 feet long. The engineer had his orders to slow down to 20 miles per hour for curves. It was quite a tank.

MRS. M. F. Watts reports that a tan Pekinese dog is visiting at her house on the Abilene Highway. The dog has a collar and tag with the number 33025. If you've lost a Peke, check with Mrs. Watts.

WE'RE GLAD the Red Cross is coming along nicely. It would already be over the top if everybody was as interested as Mrs. Randolph Lee Clark. She wasn't home Tuesday morning when the canvass was going on. So she called up the workers in her district and apologized and asked if they wouldn't come back for a donation. And they did.

ATTEND BANQUET

President E. L. Jackson and Manager B. A. Butler of the Cisco Chamber of Commerce represented this city at the annual banquet of the Abilene Chamber of Commerce Tuesday night.

BACK WHERE IT STARTED—A 23-karat diamond, which mysteriously vanished from its show place in Havana, Cuba, has been returned to the Salon of Lost Steps in the national capital. No explanation was given either for the disappearance or the recovery. Now it's back on public display, surrounded by a metal grating and guarded by police.

PLANS COMPLETE FOR STYLE SHOW AT GYM THURSDAY NIGHT

Plans were being completed today for the Spring Style Show to be held Thursday night at the Community Gymnasium at 7:30 o'clock.

The stores taking part in this style show are Mode O'Day, Altman's Style Shop, Ferguson's J. C. Penney Co., and the store for children's clothing owned by Mrs. Stamey and Mrs. Starr.

Although a complete list could not be obtained at this time, most of the models for the occasion follows: Mrs. Bill Berry, Mrs. T. H. Carter, Miss Bobbie Reynolds, Mrs. R. B. Carswell, Miss Helen Crawford, Miss Peggy Carrothers, Mrs. Bill Hogue, Mrs. Don Choate, Mrs. J. L. Mathews, Miss Jane Huestis, Mrs. Randy Steffen, Mrs. George Gafford, Miss Lois Lester, Miss Pat Agnew, Miss Johanna Chapman, Miss Betty Carroll King.

Miss Vicki King, Miss Lynn Jones, Miss Gail Graham, Miss Jane Flint, Miss Barbara Schaeffer, Mrs. Rowena Moad, Miss Geneva Birt, Miss Billy Hailey, Miss Judy Sittion, Miss Linda Aldridge, Miss Mary McCrear, Miss Joanna Blackwell, Mrs. Willard White, Mrs. Paul Wood, Miss Janet Ferguson, Mrs. Ruby Latson, Miss Betty Gallagher, Mrs. Ray Chapman, Mrs. W. M. Collins, Miss Doris Lee Glenn, and Miss Shelia Sneed.

All these models will be complimented with shampoo and set from the Elite Beauty Shop and facials from Mrs. C. L. Guinn, distributor of Merle Norman Cosmetics.

This style show is being sponsored by the Cisco High School Annual Staff. All income from the show will be used to help pay for the 1951 annual.

The price is fifty cents for everyone. Refreshments are to be served.

Former Ciscoan Sees Many Changes Since He Left Here 34 Years Ago

Time has wrought many changes in Cisco since 1917. That would opinion expressed here today by R. B. Huey, well known in West Coast engineering circles, who finished school here in 1917 and has hardly been back since that time.

Mr. Huey and wife were visiting his mother, Mrs. B. S. Huey, on a tour on Texas and other southwestern states. He is head of the R. B. Huey Company, land survey and engineering company in Los Angeles. He has property in the Rio Grande valley and expects to visit there after other stops, including Little Rock, Ark., and New Orleans, La.

Mr. Huey said he finished high school here 34 years ago and attended the old Brittain Institute, which is now Cisco Junior College. He served briefly in World War I and spent several years in the Navy's civil engineering corps during World War II, including service in the South Pacific.

Most of Mr. Huey's work in recent years has dealt with survey and engineering work with big west coast projects. He is the author of a book used extensively by engineers and surveyors.

The Hueys spent Tuesday night at the Victor Hotel and planned to visit his brother, Pete, in Olney today before continuing their tour. His father, the late B. S. Huey, formerly owned a Cisco newspaper and instrumental in beginning the first daily newspaper here. He was a cotton buyer and very active in civic activities.

Mrs. Livingston Dies; Rites Will Be Held Thursday

Mrs. J. J. Livingston, a resident of Cisco for almost 60 years, died at her home on Ave. E at 8:30 a. m. Wednesday. She had been ill only a short time.

A native of Tennessee where she was born on June 30, 1879 she came to Cisco when she was 12 years old and had lived here since that time. She was the daughter of the late Mr. and Mrs. Will Hazlewood who were Tennessee natives. She was married to J. J. Livingston on August 1, 1897. Mr. Livingston died in 1843 and was buried in Oakwood Cemetery.

Funeral services for Mrs. Livingston will be conducted at the East Cisco Baptist Church at 2 p. m. Thursday by Rev. Roy Shahan of Memphis and Rev. Paul Stephens, local pastor. Burial will be in Oakwood Cemetery with Thomas Funeral Home in charge of the arrangements.

Survivors include two daughters, Mrs. Don Rupe of Cisco and Mrs. Emmett Johnson of Stamford; four sons, Ocie Livingston and Charlie Livingston of Cisco, J. D. Livingston of Seminole and J. R. Livingston of Odessa; three brothers, W. E. Hazlewood of Stanton, L. J. Hazlewood of Comanche and Oscar Hazlewood of California; two sisters, Mrs. Hattie Sawyers of Scranton and Mrs. Bill Giesler of Omaha, Nebraska. Also surviving are 13 grandchildren and two great grandchildren.

Palbearers will be W. L. Lewis, J. O. Warren, Orval Nance, Claude McBeth, Ennis Qualls and Quy Abbott.

Final Rites Held For Pastor's Wife

Funeral services were held in Rising Star at 1 p. m. Tuesday for Mrs. D. E. McVey, 61, wife of the pastor of the First Methodist Church in that city. Services were in charge of Rev. Leslie Seymour, Cisco district superintendent, and Rev. J. Morris Bailey, Eastland pastor.

Burial was in the cemetery at Springtown. Mrs. McVey died Saturday after a brief illness.

Survivors include her husband, two sons, Vernon of Tucumcari, N. M., and Tilman McVey of Memphis, and two daughters, Mrs. Arvilla Foster and Mrs. Imogene Storey of Fort Worth.

HAS PRICE DATA

The Cisco Chamber of Commerce has received pamphlets giving information concerning the new price control regulations for distribution to anyone interested, Manager B. A. Butler reported today. Anyone desiring a copy may have it by calling at the Chamber of Commerce offices.

Cutting Horse Contest Will Be Held Sunday At Arena

As a preview of the top horse performance to be seen at Cisco's Fourth Annual Horse Show to be held in conjunction with the Eastland County Livestock Show on March 29, 30 and 31, Randy Steffen has announced there will be a gathering of some of Texas' top cutting horses here Sunday.

Cutting horse activity has been increasing steadily throughout the past several years until it has become one of the most popular performance events of any horse show or rodeo. The cutting horse contest, approved by the National Cutting Horse Association, will highlight the performance events of the Cisco Show, and promises to attract the best cutting horses in the Southwest.

This Sunday's performance is the result of a friendly challenge from a group of Abilene cutting horse men... they claimed they were ready and able to take on any team Cisco could get together... and come out top dog. Randy Steffen, editor and publisher of Back In The Saddle, called their hand and proceeded to call in the top cutting horse men and their prize mounts from the "suburbs" of Cisco, not reaching any further than Fort Worth!

Cisco's representation will sound like a roll call of the cutting horse hall of fame. H. Calhoun, (last year's president of N. C. H. A.), and son, Jim, both of Cresson, Texas, will bring Caesar's Pistol, and another horse

Plans Complete For Square Dance Program Friday

The Cisco Lobo Band had completed plans today to sponsor a square dance party Friday night at the old high school gym for the purpose of raising funds to buy additional instruments. Mr. and Mrs. J. D. Browning are in charge of the affair.

The band recently netted \$300 from a similar program that attracted fans and dancers from throughout this section. The money was used to buy a new set of matched drums.

Mr. and Mrs. Browning have arranged for some of the area's best known callers to be here for the program. The dance this week was planned by popular request.

Members of the band will sell tickets Thursday and Friday throughout the city. In addition to dancers, the old gym has seats for 600 persons who might want to watch the program.

Midgets Lose In District Playoff To Comanche Five

The Cisco Junior High School Midgets were unable to take advantage of the opportunities to score in Comanche Tuesday night and lost to the junior Indians in the third game of the playoff series to determine the basketball championship for grade schools in District 8A.

Failure to work the ball under the goal and the loss of Bill Miller and George Callerman in the third quarter on fouls cost the Midgets the championship. Harold Hammett took high scoring honors with nine points. Bill Miller accounted for only one point and George Callerman made two. The two boys usually can be counted on to ring up impressive figures for the team but were unable to get going Tuesday night.

Freddy Hayes made four points and James Brogdon made two. The two players replaced Miller and Callerman when they fouled out. Bill Smith and Herbie Locke failed to score.

The Tuesday night game wound up the season for the Midgets and the junior high career for Miller, Callerman, Hayes, Smith and Locke who will be playing for the Lobos next season. The graduating members will begin working out with the Lobos in spring training while the members who remain in junior high school next year will join other Midget squads in spring football training which is scheduled to begin Monday.

Talk And Open Forum Will Be Thursday School Events

GOOD PROGRESS IS REPORTED IN ANNUAL RED CROSS FUND DRIVE

The annual Red Cross roll call was progressing nicely in Cisco today, Mrs. Willard K. White, chairman, reported after early returns indicated that the city's \$1,500 quota was one-third completed. Treasurer Robert White had \$588.85 in 1951 funds early today.

Mrs. White said there was a large turnout of campaign workers Tuesday morning. She expressed appreciation for the large group of women who were conducting a canvass of residential areas. Chairman Austin Flint said a full quota of workers had turned out for the drive in the business district.

The campaign will be conducted in all city schools on Thursday, Mrs. White said. She said that anyone not contacted by a worker could make a donation by calling her or leaving it with Mr. White at the First National Bank. "We all know how important it is for us to have a strong Red Cross organization," Mrs. White said. "And everyone is sold on the value of the Red Cross. This makes it easy to conduct a financial campaign."

"We would like to conclude the drive this week, and we hope that all canvass committees will turn in their final reports as speedily as possible. Let's be the county's first city to reach its quota."

CHS Golf Team Beats Eastland

Cisco High School's newly organized golf team, coached by Pro Bill Dill of the Cisco Country Club, recently won team victories in two meetings with the Eastland High team, it was reported today.

Last Friday, Ciscoans won a majority of matches with Eastland. Results were: (Cisco players named first) Ben Tabor beat Jim Harris, 1 up on 20 holes; Buddy Deen defeated Herman Hassell 5 and 3; Andy Mosley bested James E. Willam, 5 and 3; Bill Bennie beat Topper Conner, 5 to 4; Bobby Bennie defeated Charles Collins, 7 to 6; Bill Mitcham, Jr., lost to Bobby Isabell, 1 up.

Dill said the team would hold regular practice sessions and would play other matches with neighboring cities. It was understood that the Texas Interscholastic League would sponsor a golf tournament for high schools this year.

166 BUY CAR TAGS

Only 166 Cisco area motorists have registered their autos and trucks for 1951 at the deputy collector's office at the Chamber of Commerce, Mrs. Peggy Gallagher reported today. March 31 is the deadline for registering motor vehicles for this year, she added.

No written test is required for any of the above examinations. Age limits for the statistician and training instructor jobs and the junior statisticians and engineer jobs paying \$3,825 a year, are from 18 to 62 years; for the intern and the junior statisticist jobs paying \$3,100 a year, from 18 to 35.

Further information about the examinations and places to send applications, as well as application forms, may be obtained from the Commission's Local Secretary Sam B. King, at the Cisco Post Office.

Training Instructor jobs are located at Scott Air Force Base, Belleville, Ill. Applicants for these jobs must have had appropriate training or experience or both.

Thursday's program at the Rotary Club will feature an address by E. P. Crawford, local real estate man. The open forum will be in the form of a report to the people by members of the school board and school officials. The general public has been invited to the Temple to take part.

Friday's program will feature an address at the college auditorium by Dr. D. D. Tidwell, a Howard Payne instructor.

Friday's program will feature an address at the college auditorium by Dr. D. D. Tidwell, a Howard Payne instructor.

The opinion poll was conducted at the request of Air Force officials who wished to ascertain campus sentiment concerning reserve officer training installations.

PTA Art Exhibit Is Begun Today

An art exhibit, featuring reproductions from the works of master painters, opened for two days today at the Eighth Street building formerly occupied by McCracken's Grocery. The exhibit, which will continue through Thursday night, is being sponsored by the West Ward Parent-Teacher Association.

Proceeds from ticket sales will go to buy pictures for school rooms.

Civil Service To Give Job Exams

The United States Civil Service Commission today announced the following examinations for filling jobs at the salaries shown: Mathematical, Analytical, and Survey Statistician, \$3,825 to \$5,400 a year; Junior Scientist and Engineer and \$3,825 a year, and mathematician and electronic scientist positions at \$3,100 a year; Intern in Hospital Administration, \$1,600 a year; and Training Instructor (Communications-Radio Equipment Maintenance), \$3,100 and \$3,825 a year.

The Statistician positions to be filled are located in various Federal agencies in Washington, D. C. and vicinity. To qualify, applicants must have had appropriate experience in statistics. Pertinent college study may be substituted for all part of the required experience, depending on the grade of position.

The Junior Scientist and Engineer jobs are also located in Washington, D. C., and vicinity. To qualify for this examination, applicants must have had appropriate education or a combination of education and experience.

The positions of Intern in Hospital Administration are in various Veterans Administration hospitals. The internships are 12 months in length, after which the interns are eligible for promotion to positions paying \$3,825 a year. To qualify for an internship, applicants must have completed the necessary academic requirements for a master's degree in hospital administration.

Training Instructor jobs are located at Scott Air Force Base, Belleville, Ill. Applicants for these jobs must have had appropriate training or experience or both.

Thursday's program at the Rotary Club will feature an address by E. P. Crawford, local real estate man. The open forum will be in the form of a report to the people by members of the school board and school officials. The general public has been invited to the Temple to take part.

Friday's program will feature an address at the college auditorium by Dr. D. D. Tidwell, a Howard Payne instructor.

Butler Tells Value Of Schools In Talk

An address at the weekly Rotary luncheon and open forum meeting at the Masonic Temple at 7:30 p. m. will feature Thursday's events on the Public School Week program that is being observed this week in Cisco.

Today's program was highlighted by two talks and a downtown appearance of the Cisco High School band, directed by Kenneth St. Clair. The band played a 30-minute concert at 11 a. m. This was followed by a talk by Manager B. A. Butler of the Chamber of Commerce and by Rev. Leslie Seymour at the Cisco Lions Club.

In his talk, Mr. Butler quoted statistics to prove the worth of the school system to the community from a business standpoint.

The city schools, exclusive of the college, have investments worth \$500,378 against which is owed \$382,000 in bonded indebtedness, he said. He added that since 1947 the schools have paid \$21,000 on the debt principal, paying obligations through November 1956, due dates.

The school payroll amounted to \$164,112 last year and other items paid locally amounted to \$36,899. This means that \$201,011 went into local business channels through the city schools last year, he said. Of this amount, the taxpayers paid \$79,000 and the state paid \$122,000.

The college plant is worth \$350,000, has no debts, Mr. Butler said. The plant represents an original investment of \$2,000 to city schools plus \$2,000 more in improvements at that time. The government gave the college 28 apartments, a shop building and a class room building at no cost. The college has added a cafeteria, a girls' dormitory and made other improvements at a total cost of about \$50,000. Thus, Mr. Butler pointed out, the school has a \$350,000 investment for \$54,000.

The college payroll last year was \$111,217 and general upkeep cost about \$25,000, totaling \$136,217. Ciscoans who attended the college saved \$90,000 that they would have spent if they had been forced to go elsewhere for the same educational benefits. Subsidy payments to veteran students amounted to about \$750,000 last year.

The college cost the taxpayers only \$8,000 last year plus tuition paid by students amounting to about \$10,000. The state paid \$22,000 to the school and the federal government paid the balance.

Mr. Butler concluded that for \$87,000 paid by local taxpayers last year, the school system poured a total of \$1,080,000 into the area. This, he concluded, is big business.

Thursday's program at the Rotary Club will feature an address by E. P. Crawford, local real estate man. The open forum will be in the form of a report to the people by members of the school board and school officials. The general public has been invited to the Temple to take part.

Friday's program will feature an address at the college auditorium by Dr. D. D. Tidwell, a Howard Payne instructor.

TAX-EXEMPT COOPERATIVES

The tax-exempt status of cooperative corporations is the subject of an article by Dr. Roswell Magill, Professor of Law at Columbia University and former Under Secretary of the Treasury under President Roosevelt. Dr. Magill is recognized as one of the leading legal tax authorities in the nation. The article, based upon an independent study of the currently existing question of the need for plugging loopholes in the Federal tax structure, was published in the current issue of the Michigan Law Review (University of Michigan) and has attracted wide attention.

Dr. Magill finds that the corporate incomes of cooperative corporations, like those of other corporations, are taxable under existing law. However, at present, cooperative earnings are exempted from Federal income tax, both by Congressional action and Treasury Department regulations.

With Congress now considering increases in both business and individual income taxes that will boost them to all-time high levels, there has been a National clamor in favor of taxing the profits of cooperative and mutual company before increasing income taxes on present taxpayers.

Referring to the statutory exemption of cooperatives from income tax, Dr. Magill states as follows in his widely discussed opinion:

"In general the statute seems to contain too many express exemptions for times like these when many taxable corporations and many individuals must yield to the Government more than half of all they make. For a competitor to be completely free of tax under such circumstances is to bestow upon him an overpowering competitive advantage."

"The original concept of an exempt cooperative was a crossroads organization of a few farmers, banded together to buy or to market collectively for mutual advantage," Dr. Magill states. "The cooperative was simply the agency the few farmers utilized for their purposes; its acts were their acts, and its income...

If You Don't Feel Good

Don't Put Off Finding Relief

HADACOL May Bring the Relief You Are Seeking If Your Condition Is Due to Lack of Vitamins B1, B2, Niacin and Iron.

Luther Harris

If more folks would remember the old saying, "Don't put off until tomorrow what you can do today," there's no telling how much better off they'd all be. And the worst thing about it all is that folks usually put off the most important things until a later date.

Here is what he says: "For quite some time I was nervous and run-down, and I suffered from aches and pains. I was weak, and I could hardly do a day's work. I started taking HADACOL and from my first bottle I felt better. Now I feel good, and I can do a good day's work."

HADACOL Attacks Real Cause Remember, HADACOL is not a quick-acting product that only attacks the symptoms of your ailments, but actually relieves the real cause of these disturbances when due to such deficiencies.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Lake Cisco Club Has Meeting On March 5

The Lake Cisco Home Demonstration Club met on Monday, March 5, at 1:30 for a work meeting in the home of Mrs. Elbert Ezell. The lesson was illustrated on tailor made buttonholes by Mrs. Walton Baum and was very interesting and informative. Refreshments of hot tea, pecan pie and mints were served to the following: Mesdames W. W. Fewell, D. Ball, W. Z. Latch, C. H. Housch, W. D. Hazel, Walton Baum and A. T. Gorr. The next meeting will be held

on Monday, March 19, in the home of Mrs. W. W. Fewell.

Shower Is Planned For Miss Lisenbee

Miss Monterey Lisenbee, bride elect of Bill Valentine, will be honored with a miscellaneous shower in the home of Mrs. C. E. Reynolds at 1404 Bliss Street on Thursday evening, March 8, at 7:30 o'clock. Hostesses for the occasion are as follows: Mesdames A. B. Byrd, C. C. Phippen, W. E. Dean, Roy Phippen, R. H. Turknett, J. H. Hyatt, Luke Phippen, Joe Coats, Cliff Phippen, H. L. Thompson, J. D. Browning, W. W. Sawyer, R. R. Jones and Leon McPherson.

Legion Auxiliary Has Buffet Supper

The winning team in the recent American Legion Auxiliary membership drive, captained by Mrs. D. J. Gorman, Sr., was honored with a buffet supper in the Legion Hall on Monday night, March 5, at 7 o'clock. About thirty-five members were present for the buffet supper. A short business meeting was conducted.

PETAL MINK — Wild mink frames petals of pleated taffeta for a striking spring stole, part of Pierre Balmain's 1951 collection in Paris. The floral fur piece is here modeled by Praline, one of the top Parisian cover girls, who adds a note of distinction to the stole.

NEWCOMER—Someone new to Hollywood pictures is Lucille Barkley, from Rochester, N.Y. Her career is going full blast and she'll be seen in several films this year. Lucille's beach robe is also something new and different.

Texas Chickens Win New Honors

DALLAS, March 6.—Like every thing else in Texas, The Lone Star State's chickens are a little larger.

And if Texas broilers are not the best in the nation they at least are in the running for top honors.

Joe Fechtel, young president of Western Hatcheries at Dallas, is the man responsible for getting the state's name in the finals of the 1951 national Chicken-of-Tomorrow Contest at Fayetteville, Ark. Selection of his strain of White Rocks for competition in the championship judging on the campus of the University of Arkansas was an honor sought by America's foremost broiler breeders — and attained by only 40.

Winning a place in the finals, however, should have come as no

surprise to Western Hatcheries which has placed high in all five of the annual state Chicken-of-Tomorrow Contests, taking the coveted A & P Food Stores sweepstakes trophy, symbolic of broiler breeding supremacy in Texas, for the past three consecutive years.

Right now Fechtel has two cases (720) of eggs being incubated at Fayetteville under the supervision of poultry specialists from the United States Department of Agriculture and the College of Agriculture.

The blue-ribbon chicks from all 40 final entries will be hatched out on March 16 and reared under identical conditions for 12 weeks. Select birds from each of the two score lots will be judged on June 12. Hanging in the balance are the first prize of \$5,000.00 offered by A & P, the national sponsor, and the prestige that goes with victory in this country's foremost broiler competition.

Mrs. S. C. Wright reports that her daughter, Mrs. Ed Green, who resides in Kilgore, recently underwent major surgery in Shreveport, La., and is improving satisfactorily.

BEHIND THESE DESKS...

Very Important People

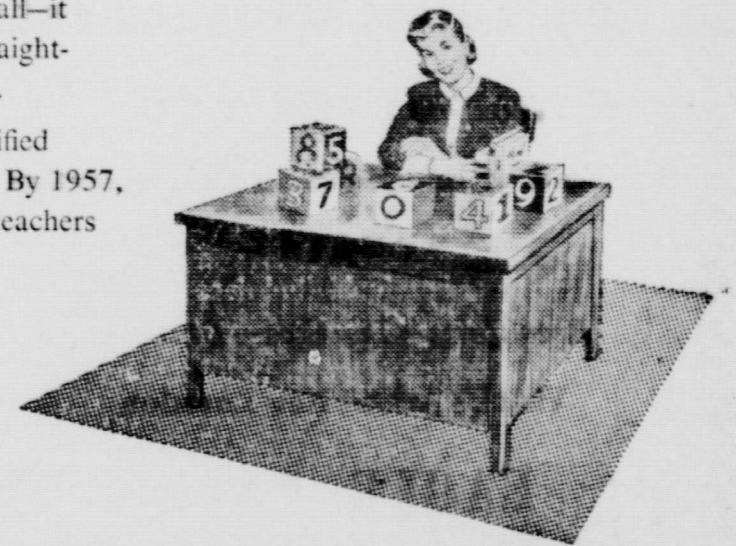

- They're not captains of industry . . . political leaders . . . military officials. They're teachers—and they do more to shape your own and your country's future than almost any group you could name.

Before you decide on your profession, *consider teaching.*

Teaching gives you the priceless opportunity to guide young minds to their full potential . . . to help young personalities adjust to the realities of living . . . to *educate* children into purposeful adults. If America is to survive as the country of freedom, equality, and a decent life for all—it needs well-qualified, mature-minded, straight-thinking teachers more than ever before.

Today, there's a shortage of 75,000 qualified teachers in the elementary schools alone. By 1957, we'll need hundreds of thousands more teachers than we had in 1947—many right here in our own community. If you want to work where you can help best, *decide now on teaching.* It may be the most significant—and the happiest—decision of your life.

For information on how citizens can assist in solving their school problems, write to: The National Congress of Parents and Teachers, 600 South Michigan Boulevard, Chicago 5, Ill.

Weekend visitors in the home of Mr. and Mrs. Jay Warren were their daughter, Mrs. Johnnie McGee and her two children, of Ft. Worth, and Warrant Officer and Mrs. H. C. Warren, who are en route to Germany for assignment with the Army for a three year period.

Mr. and Mrs. J. R. DeArmond spent last Sunday in Haskell, where they attended the services at the First Christian Church and heard a sermon by the pastor, Francis Nickerson. In the after-

Mrs. D. E. Waters spent Tuesday in Austin.

Mrs. A. T. Gorr spent Tuesday visiting Mrs. Jimmie Lee of the rural area.

Mr. and Mrs. W. H. LaRoque and son and wife, Mr. and Mrs. Truitt LaRoque of Abilene, spent the past weekend visiting in Arlington in the home of another son, Lloyd LaRoque and wife. They also visited Mrs. A. D. Anderson in the Baylor hospital at Dallas and reported her to be recovering nicely.

"HOW I RELIEVE
DISTRESS OF MONTHLY
FEMALE AILMENTS
which make me so nervous
several days before!"
Read why Lydia Pinkham's
Vegetable Compound
is 'the woman's friend'

"Almost every month I suffered from cramps, headache, or backache—due to female functional ailments. What bothered me most was that I'd start feeling so nervous, tense and strangely restless several days before my period."
"My druggist recommended Lydia Pinkham's Vegetable Compound to relieve this distress. He told me to take it regularly throughout the month to help build up resistance against such female misery. It comes well in a little fruit juice. I must say Lydia Pinkham's Compound is simply wonderful and gives me amazing relief—not only from monthly pain but pre-period nervous tension and tired, dragged-out feelings of this nature. I urge every girl and woman troubled this way to try Pinkham's Compound."
P. S. Many women prefer Lydia Pinkham's TABLETS with added iron. Write to us for name.

Pigs Are Popular With 4-H Clubs

Pigs are the most popular project among the 393 Eastland County 4-H Club boys in the 13 different clubs over the County, reports C. V. Whitaker, assistant county agent.

There are 115 head of swine as club projects. This includes hogs of all ages and of several breeds. Many of these are gilts and sows that are expected to farrow in the next two months. This should raise the number of swine projects to above 500.

There are 134 head of cattle as club projects. Of this number 74 are beef animals. The remaining 60 are dairy animals. Many of the dairy animals are cows and heifers that are expected to calve in the next few months. This should raise their number to 80 or above that are kept as club projects.

Other livestock projects of club boys over the county are 2,071 chickens, 92 rabbits, 7 sheep, and 6 goats.

Crop projects planned or started for the year include 23 acres of peanuts, 48 gardens of at lease 1-10 acre each, 3 acres of cotton, 4 1/2 acres of oats, 10 acres of other feedstuff, 1 strawberry patch, and at least one entry in the Texts hybrid corn contest.

TALKS AT STAMFORD

B. A. Butler, manager of the Cisco Chamber of Commerce, addressed the Stamford Rotary Club at noon Tuesday.

When your cold gets into your throat and chest and cough develops, work fast. Creomulsion relieves quickly because it:

1. Soothes raw sore throat and chest membranes.
2. Loosens and helps expel germicidal phlegm.
3. Mildly relaxes systemic tension.
4. Aids nature fight the cause of irritation.
5. Has stood the test of millions of users.

You must be pleased or your druggist will refund your money.

"I got the story on
50,000 Miles-No Wear
and changed to New Conoco Super Motor Oil"

says J. D. Gladwin,
Pontiac Dealer,
Clinton, Iowa

Yellow Cab Co.

"THE LOWEST OPERATING COST IN 12 YEARS in the Yellow Cab business—that's what we got when we changed to new Conoco Super Motor Oil," reports J. D. Jackson, Owner-Manager, Tyler, Texas. "Our operations are day and night the year around—a tough job for a motor oil. I recommend Conoco Super."

"AFTER AN OVERHAUL JOB, MY CUSTOMERS who change to Conoco Super Motor Oil have no difficulty driving their cars 50,000 to 75,000 miles without any more work on them," writes R. K. Comstock, Garage Owner, Oklahoma City, Oklahoma. "Conoco Super keeps engines clean and cuts way down on wear."

"50,000 MILES—NO WEAR!"—PROVED HERE:

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, use less gasoline and oil.

Ask Me About
"50,000 Miles
No Wear!"
