CISCO, TEXAS, FRIDAY, OCTOBER 24, 1952

NUMBER 234

The Gay Philosopher

By J. W. S.

ONE OF THE BEST barbecues ever attended was the big annual meeting of the Eastland County Livestock Raisers Association in Eastland on Thursday night. They barbecued 585 pounds of good Eastland County beef, and it was very good. The menu included barbecued beef, goat, red beans, potato salad, bread, coffee and Cokes. Between 400 and 500 people turned out for the big event. A large number of Ciscoans were in attendance.

There's a big football game at Chesley Field tonight. And officials will definitely be there, reports Coach Red Lewis. He called them by telephone and wrote them a letter. One former Cisco High Lobo will be on the Midwestern team. The letter sent down by the Wichita school lists Don Watts as center.

Then into Mr. W. H. McCall, manager of the telephone company, this morning and he was singing "Rotary, My Rotary." He asked him if there was any special reason for him to be singing "Rotary, My Rotary."

No special reason, he said, explaining that he has just finished pretty good Rotary week. Monday he attended a luncheon of the Eastland club; Tuesday, the Breckenridge club; Wednesday, the Ranger club, and Thursday, the Cisco club.

It just happened that he was at each of the four towns on Rotary meeting day and he attended because he has a lot of good friends in the clubs of the four towns. All four of the meals were good, he added.

The telephone company has added another employee at the Cisco business office. Mrs. Bill Gorr went to work there Monday after spending three weeks at Mineral Wells for special business office training.

CISCO IS GOING to be mentioned in the Encyclopedia Britannica, we are advised. Page 724 will say as follows:

"CISCO, a city of Eastland county, Texas, U. S., 108 miles west by south of Fort Worth on Federal highways 80 and 283, and served by the M-K-T and the Texas and Pacific railroads. Pop. (1950) 5,216. It is in a gas and oil region; has several manufacturing industries; and is an important market for horses, hogs, cattle, corn, wheat, peanuts, poultry and other agricultural products. Just north of the city is Lake Cisco and William dam, and just below it is an immense concrete swimming pool. Cisco was founded in May 1881, and was incorporated in 1883. It was named after John W. Cisco, banker and director of the Texas Central railway."

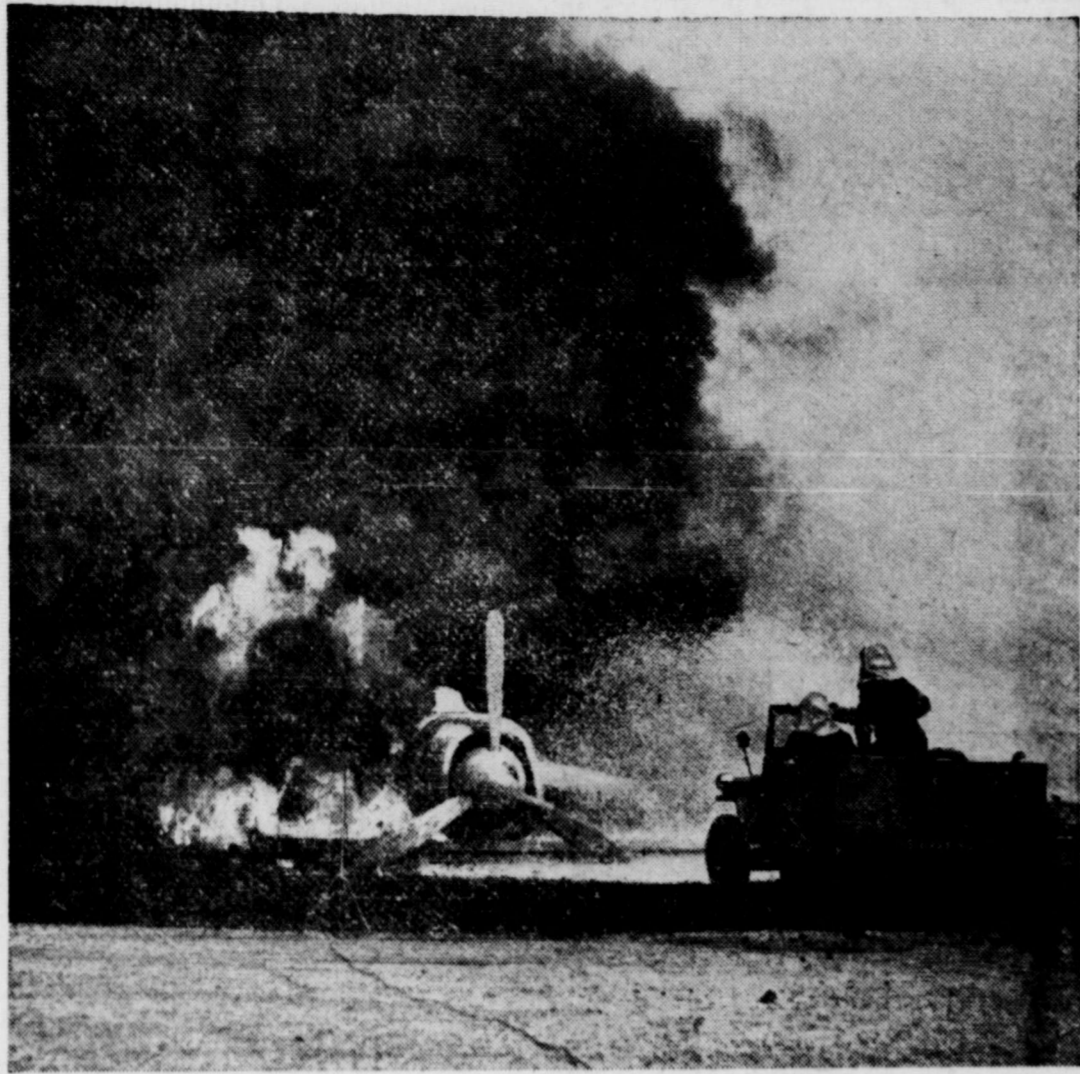

COMES A POSTCARD from Bill Hill of the Weatherford Livestock Club, and formerly of the Cisco club, to report that "we are starting our fall pro-am tournaments next Saturday, Oct. 25, at 1 p. m. at the Weatherford Club. All golfers are invited. Ladies are welcome."

YOU DON'T WANT to forget the big hallowe'en carnival out at the West Ward School on Saturday night. You can wear a costume if you like. There will be a lot of fine shows, and the proceeds will be used by the G.A. to buy things for the school.

Mrs. E. P. Huey and children and Mrs. B. S. Huey plan to leave Sunday for San Diego, California, where they will visit their husband and son who is captain of the new submarine, Tang. After a week's stay there, Mrs. E. P. Huey and children will board a ship in San Francisco for Pearl Harbor where Captain Huey will be stationed for two years.

Mrs. V. H. Bosworth, Mrs. Cecil Adams, and Rev. and Mrs. F. C. Bradley attended the Baptist convention in Fort Worth this week.

FOR GOOD PROTECTION on your Olds and Cadillac Osborne Motor Co. - Eastland

NAVY'S NEW FIRE FIGHTER—The Naval Research Laboratory demonstrated a new self-contained, fire fighting system, mounted on a standard jeep chassis, capable of delivering 1300 gallons of foam per minute. Tried out in Washington, the jeep is designed for use on aircraft carriers. Here, an old torpedo bomber was set afire and extinguished in two minutes.

Cisco Invited To Special Day At Fat Stock Show

Cisco has been invited to have a special day at the Southwestern Exposition and Fat Stock Show. The letter received by the Chamber of Commerce was written by W. R. Watt, president-manager of the Fort Worth exposition. The invitation says:

"Out here at the Will Rogers Memorial Coliseum we are busy with plans for the 1953 Southwestern Exposition and Fat Stock Show. The '52 show was, in many ways, a record-breaker. This was made possible only through your splendid cooperation. We hope to present a still better show, Jan. 30 through Feb. 3, and to do this we need your help. Your city is invited to have a special 'day'. Name a Cowgirl Sweetheart, bring the band and a whoopingly enthusiastic caravan of citizens displaying badges and hat-bands to civic enterprise. You will all enjoy the trip and the publicity department will do its best to give advance publicity to your plans."

"The Stock Show is yours — serving the livestock industry of the Southwest since 1896. We are counting on you and are awaiting your reply."

Rainbow Girls Plan Trip To Big Spring
The Rainbow Girls have been asked to meet at May's Cafe Saturday morning, October 25, at 5:30 o'clock and be ready to leave for Big Spring where they will attend the school of instruction which opens at 9 o'clock and closes at 4 o'clock. Lunch will be served by the women of the Big Spring Assembly.

EVERYTHING READY FOR ANNUAL WEST WARD HALLOWE'EN EVENT

A large crowd of Cisco area school patrons is expected Saturday night for the annual Hallowe'en Carnival at the West Ward School to be held under the auspices of the Parent-Teacher Association. Mrs. Don Choate, chairman, reported today that all preparations for the carnival have been completed.

A feature of the event will be the crowning of the Carnival Queen. The queen will be selected from one of five girls in the contest finals. Voting was to close today. Finalists are Kay Wallace, first grade; Joyce Ann Riffe, second grade; Janice Wendt, third grade; Nancy Park, fourth grade, and Molly Ingram, fifth grade.

Lobo 'B' Team To Meet Eastland

The Lobo "B" team-Eastland "B" team game, originally scheduled for 8 p. m. Thursday night, will be played in Eastland at 7:30 p. m. Saturday (tomorrow) night, it was announced by school officials Friday.

The game was changed at the insistence of Eastland school officials due to conflicts there. Coaches Jack Everett and Jay Williams announced that their starting line up would be about the same as in past games. Leonard Simmons, starting guard, was lost to the squad when he moved to Houston this week. The coaches were undecided as to a replacement for him Friday.

Leonard Tipton On Softball Team

WITH THE EIGHTH ARMY IN KOREA — Cpl. Leonard E. Tipton, son of Mrs. Carrie Tipton, 704 E. Eighth St., Cisco, Texas, ended the softball season in Korea this month by helping the 121st Evacuation Hospital team win the championship of its area. A clerk-typist at the hospital, which is under Eighth Army Advance Headquarters, he was an outfielder for his squad. During the season, it won 54 games while losing only 14.

Corporal Tipton, who entered the Army in January, 1951, arrived in Korea in October of that year and has been awarded the UN and Korean Service Ribbons.

Mr. and Mrs. J. P. Huey of Olney were expected this evening for a visit with his mother, Mrs. B. S. Huey, while enroute to San Antonio where they are to make their home.

Girl Scouts Will Hold Rally Event In City Saturday

More than 100 Intermediate Girl Scouts and leaders were expected to attend a rally day program in Cisco Saturday. The scouts and leaders will be from eight counties comprising the northern district of the Heart of Texas Area with headquarters in Brownwood.

The Cisco organization will serve as hosts for the affair which will be held between the hours of 10 a. m. to 3 p. m. in the gymnasium and on the grounds of Cisco Junior High School. Julia McCanlies will welcome the group to Cisco as the opening part of the program. The morning will be spent in playing games and in singing scouting songs. A nose-bag lunch will be held at noon.

After lunch the girls will be divided into two groups. The beginners will have relay races and competitive games and the older scouts will hold a session on personal grooming.

As the climax of the program the seventh grade scouts will sponsor a style show with the theme on what to wear and what not to wear. The meeting will be dismissed at 3 p. m. with the forming of the Girl Scout friendship circle.

Mrs. Don Choate, president of the local Girl Scout Association Board, and members of the board will work with local leaders and committee members in the planning for the day.

Musical Program Given For Rotary Meeting Thursday
Rotarian Kenneth St. Clair, program chairman for the day, presented a musical program for Rotarians and guests at the regular weekly meeting of the club at the Hotel Victor Thursday.

As the first number on the program, Rotarian St. Clair introduced Rotarians Jack Chambliss and Robert Clinton, Cisco Junior College music department instructors, in a vocal duet, "I Waited For The Lord." Ruth Beatty, a member of the college choir, introduced her number and told the story behind the song before singing "Steide la vampa." Jack Chambliss and Miss Beatty sang "Home To Our Mountains," and Miss Jane Huestis, Rotary Club sweetheart, sang "Since Mine Eyes Have Seen Him."

As the concluding number on the program Mr. Chambliss sang "Tower of Babel." The monthly governor's letter was read and it was announced that the Cisco club was in second place in attendance for the district during the month of September with an attendance average of almost 99 per cent. The Crowell club was in the number one spot.

Chest Campaign Nears Half Way Point In Drive

Cisco Community Chest campaign workers had turned in a total of \$3,550.50 at noon today, Treasurer Robert O. White reported. Returns were beginning to come in from the business district teams, and most of the residential teams had completed their work.

The drive quota is \$8,700 and Chairman George Davis urged all workers to make every effort to complete their assignments by noon Saturday, pointing out that "we want to finish the job as speedily as possible."

The community chest provides for the budgets of ten charitable and character building organizations this year.

West Texans Will Greet Nixon At Abilene Oct. 27

ABILENE, Oct. 24. — Thousands of West Texans and the Hardin-Simmons University Cowboy Band will be on hand, to greet Dick Nixon, vice-presidential nominee, and his attractive wife when they land at Tye Airport October 27 at 6:05 p. m.

The Abilene appearance of Sen. Nixon, running mate of General Dwight D. Eisenhower, is one of seven appearances which he will make during his flying tour of Texas.

R. M. Wagstaff and Ronnie Hermes, area leaders for the Texas Democrats for Eisenhower and Texans for Eisenhower, have issued an invitation to all West Texans to hear and meet Senator and Mrs. Nixon.

The H-SU Cowboy Band will give a band concert prior to the arrival of the party, and Senator Nixon will deliver his address from a speaker's platform set up in the big hangar. Several towns in the area have already announced plans for special motorcades to Abilene to hear the vice-presidential nominee.

The big DC-6 airplane, carrying Senator Nixon, his wife, Pat, and their party is scheduled to land at Tye Airport at 6:05. Following his address the party is scheduled to leave for Midland at 6:35 p. m., and following a brief appearance in that city, the final stop of the Texas tour will be in El Paso.

Senator Nixon's address will be broadcast over a network of West Texas radio stations.

Final Rites For Leon McPherson Held Thursday

Final rites for Leon G. McPherson, 63, veteran Cisco civic worker and deputy city tax collector, were held at 4 p. m. Thursday at the First Baptist Church. The services were directed by Dr. H. M. Ward, pastor of the church, and the Rev. Ralph T. Wootton of Hamilton, former local Baptist pastor.

Pallbearers were Clyde Karkakis, W. R. Huestis, L. G. Ball, James P. McCracken, Paul Poe, Hal Lavery, C. W. Reed and Yancy McCrea. Burial was in Oakwood cemetery with Thomas Funeral Home in charge.

Mr. McPherson died late Tuesday afternoon after a serious illness of about three weeks. He had resided in Cisco some 23 years and had been employed by the city for five years. He was a member of the First Baptist Church, the Masonic Lodge, and was a past commander of the John William Butts Post 123 of the American Legion. Mr. McPherson was an Air Force veteran of World War I.

Born Nov. 6, 1889, in Temple, Georgia, Mr. McPherson came to Texas in early childhood and lived in this state most of his life. He came to Cisco in 1929, two years after his marriage to the former Miss Mittie Pevehouse.

Survivors include his wife and one son, Dick L. McPherson, of the U. S. Coast Guard at Tillamook, Oregon, and two grand children. Also surviving are his mother, Mrs. W. N. McPherson of Lawton, Okla.; one sister, Mrs. L. T. Summers, Dallas; and two brothers, H. J. McPherson of San Fernando, Calif., and Nelson McPherson, Lawton, Okla.

Wranglers Ready For Contest With Midwestern 'B' Tonight

A GROUP PROTEST—In front of the Capitol Building in Seoul, these Koreans are protesting alleged violations of the former "MacArthur Fishery Line," which limited Japanese fishing grounds during the Occupation. The post-peace treaty line has not been established and Koreans have complained that the Japanese are entering territorial waters to fish.

GORMAN PUPS SCORE TWICE TO BEAT MIDGETS BY 13-0 SCORE

The Gorman Pups scored in the second quarter and blocked a punt to score again in the fourth quarter to down the Midgets of Cisco Junior High School 13-0 in Gorman Thursday night.

The first Gorman score was set up on a pass play after the Pups recovered a fumble on their own 45. The fumble came on a punt return when Bengi Lipsey took the ball at midfield and returned it to the 45. He lost the ball at that point. On the first play Gorman passed and Lipsey intercepted the throw but an official ruled interference and gave the ball to Gorman on the 30. The Pups worked it to the 10 where they lost it on downs. Lipsey kicked out to the Gorman 32 and from that point Clement scored. A try for the extra point on a running play failed.

The first Gorman score came late in the second quarter. After a scoreless third quarter the Pups began a march that took them to the Cisco eight. They failed on a first down try on the Midget eight and Cisco took over.

On the first play Cisco drew a five yard penalty, moving them back to the three. Lipsey attempted to punt out and his kick was blocked. Clement took the ball and ran the ten yards to score. The score came in the middle of the fourth quarter. Clement carried over for the extra point.

The Midgets showed up well in the game despite the score. Several Cisco drives were stopped by penalties and pass interceptions. Lipsey looked good on both offense and defense and Johnny Trigg played an outstanding game at his end position. Don Gray played an outstanding game on defense as did Jackie Reynolds at tackle.

Playing for the Midgets were Johnny Trigg, Don Gray, Jackie Reynolds, Ralph Berry, Gene Courtney, Harold Donica, Bobby Cluck, Bengi Lipsey, David Ewell, Don Price, Herbie Gallegos, Tuffy Carlisle and Larry McCanlies.

The next Midget game will be in Rising Star next Thursday night.

BENEFITS OF MARSHALL PLAN CITED IN TALK TO CATTLEMEN

The Marshall Plan prevented starvation in many European countries, stopped Communism in numerous foreign countries, and prevented a depression in the United States after World War II, D. S. Buchanan of Stephenville told some 500 persons in an address Thursday night at the annual barbecue of the Eastland County Livestock Raisers Association.

Mr. Buchanan, livestock specialist who has been touring Europe and Africa with the Marshall Plan Aid Program, was the principal speaker at the Eastland city park meeting where all officers and directors of the association were re-elected.

"Whatever we may think of the Marshall plan," Mr. Buchanan said, "it prevented starvation in many of the European countries. It stopped the spread of Communism, for without the Mar-

shall Plan aid the democracies would have lost Greece, France and Italy to the Reds.

"If it had not been for the Marshall Plan, we would have had a depression after World War II that would have been greater than that which followed World War I, because it provided the foreign outlet for many commodities, produced in this country."

Mr. Buchanan discussed the various livestock breeding and feeding practices in the nations he toured. He found few scrub cattle in England, Scotland and Holland, noting that "they raise only purebred cattle and a few cross breeds."

Livestock in most countries appeared in excellent condition and feeding practices were different from in the U. S. in that little grain was fed. Turnips and stock beets, along with green grass, hay and straw, provided the main feed crops.

Good Crowd Seen Grid Game Here

The Wranglers of Cisco Junior College will entertain the "B" team of Midwestern University, Wichita Falls, in a football game at 8 p. m. Friday (tonight) at Chesley Field. Although the contest will have no bearing on the conference race, Coaches Red Lewis and Paul Mosley are expecting a good crowd.

The Wranglers will have comparatively few cripples for this week's game, and the team will be near top strength. Only one regular, Pat O'Neil, probably won't see action. The Lampasas speedster has a bad knee, and he is expected to watch the game from the sidelines.

Lefty Sublett, southpaw passer, still has a bad shoulder that has hampered his passing accuracy for the past three weeks, and he probably won't see any action. Carroll Chambers is scheduled to handle only the punting chores to give his bad knee more time to heal. Bud Miller is scheduled to play defensive end, despite a bad knee.

The probable starting Wrangler offensive lineup was announced as follows: Dale Hatley and Harold Cheves, ends; Norman Boggs and Jack Voss, tackles; J. C. Suggs and Gerald Davis, guards; L. A. Noles, center; Burl Moses, Don Denard, Ed Lee and Eugene Pallett, backs. Hatley will call signals.

The defensive starting lineup was given as follows: Jim Cook, Henry Sollers, Gerald Davis, J. C. Suggs, Dale Hatley and Bud Miller, linemen; John White and Jim Spaulding, linebackers; Dell Wright and Charles Atkinson, halfbacks, and Ed Lee, safety.

A probable starting lineup for the Midwestern team was not available here. The school sent a list of some 25 players, giving only the surnames and the jersey numbers, showing no positions, weights or other information. The list included Don Watts, former star center at Cisco High School.

College officials said the Wrangler band would be out to provide music for the contest. Grade school students will be admitted free if accompanied by their parents.

C. P. Cole Boards T&P Special For Railroad Veterans

C. P. Cole of Cisco, retired agent for the Texas and Pacific Railway Company, boarded a special train here during the noon hour today to take a company sponsored expense-free tourist trip to El Paso.

The trip is sponsored each year by the T&P for veteran employees and some 250 were aboard the railroad special, a 15-car train. The veteran railroad men live through Texas, Louisiana and Arkansas.

The majority of the tourists were retired railroad men, although workers who are still active and have at least 40 years service also were on the train. The special was scheduled to arrive in El Paso at 1 a. m. Saturday and return Sunday afternoon.

While in El Paso, the veterans will board 15 buses and sightsee in the area, including a trip into old Mexico. The mayor of El Paso was scheduled to greet them.

Mr. Cole entered the T&P service at Hawkins as agent operator in 1910. He was transferred to Forney as operator in 1917 and to Grand Prairie as agent in 1921. He came to Cisco as agent on Dec. 10, 1924, and retired on Feb. 10, 1948, with total accumulated services on various railroads of 44 years.

The Coles reside at 709 West 13th Street in Cisco.

Rev. and Mrs. Ralph T. Wootton and son of Hamilton were the dinner guests of Dr. and Mrs. H. M. Ward Thursday evening.

Mr. and Mrs. J. T. Warren of Dallas visited Sunday and Monday in the home of their daughter and family, Dr. and Mrs. H. M. Ward.

A HOME AWAY FROM HOME

News of the December draft quotas for Texas has just been released by the State Selective Service Headquarters. Nearly 3,000 young men, most of them 20 years old or younger, will be called up.

This news points to the continuing need for the USO. Throughout the state now and in the remaining weeks of the year, county campaigns for the USO are in progress and the wonderful job which it is doing for our Texas boys and girls in uniform where they are. USO has established 104 new units during the past 12 months in the areas of greatest need at home and overseas, bringing the total number of clubs and lounges to 271. More are needed. Here in Texas alone 17 USO installations provide familiar "home-away-from-home" services to the thousands serving in the Armed Forces at the various military posts in our state.

Military leaders will see to it that the draft quotas are filled.

At home, we must see to it that the USO quotas are met.

We can no longer think of our Armed Forces without thinking of

new units during the past 12 months in the areas of greatest need at home and overseas, bringing the total number of clubs and lounges to 271. More are needed. Here in Texas alone 17 USO installations provide familiar "home-away-from-home" services to the thousands serving in the Armed Forces at the various military posts in our state.

We must strengthen all of our defense efforts, and USO is no exception, for these draft calls will continue to drain off our young people and to place them on duty on cold war fronts around the globe.

There is a big job to be done, and we are all a part of it. One sure way is through USO. We can give to our county USO campaign and let these youngsters know that they can count on us!

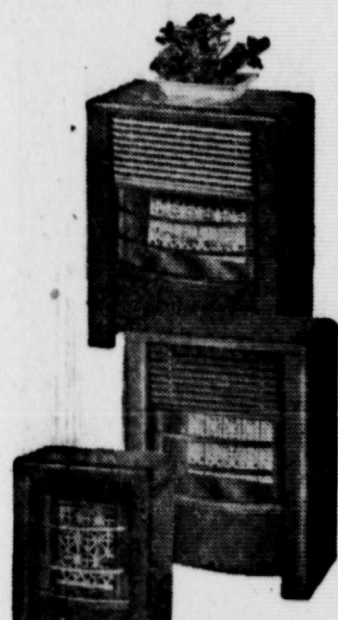

NEAR DEATH IN A WASHTUB—It was fortunate for nine-month-old Rudy Felix that someone was nearby to hear the splash when he fell into a washtub and almost drowned in Los Angeles. His mother, Mrs. Dolores Felix, left, was still upset about it when she visited her son in a hospital, and Mrs. Antonio Gonzales, a neighbor, was on hand to lend what comfort she could.

THREE TIMES 77—The oldest triplets in Germany exchanged bouquets during the celebration of their 77th birthday in the Amelinghausen district of Luneburg. They are Anna, Emma and Wilhelm Bensemann, born in 1875. Their children and grandchildren total 15, none of whom is a twin or a triplet.

Why Should I Have An Abstract?

... is a question often asked of abstractors and one we like to answer. When ownership of real property enters your business life then title problems also come in. Buying, selling, mortgaging and otherwise dealing with real estate require correct title information. The abstract reflects the true record title and therefore has everything to do with values. That's one answer, there are many others.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Mrs. Burnett Hostess for Circle Meeting

Circle One of the First Baptist Church met Tuesday in the home of Mrs. J. R. Burnett for their regular meeting with Mrs. D. Hazel presiding.

Mrs. Katie Richardson led in opening prayer and Mrs. W. P. Gann led the devotional. Minutes of the previous meeting were read by Mrs. W. F. Walker and the financial report given. The stewardship report was given by Mrs. Fred Grist and Mrs. W. C. Gann gave the Bible study report. Two visitors, Mrs. Katie Richardson and Mrs. Argye M. Briggs, were welcomed by the group.

Mrs. Burnett taught the lesson from the book, "Scattered Seed," and Mrs. Cates closed the meeting with prayer. Following the meeting Mrs. Briggs, who is the author of three popular books, "Root Out of the Dry Bones," "This My Brother," and "The Hem of His Garment," and writing her fourth book, was visited by other friends.

Those attending the meeting were Mesdames W. P. Guinn, F. Shepard, F. D. Wright, Fred W. F. Walker, J. V. Heyer, Sr., W. C. Cates, W. D. Hazel, hostess, Mrs. Burnett and two visitors.

Business Transacted at Rainbow Meeting

The Order of Rainbow For Girls met in regular session at the Masonic Hall Tuesday evening, October 21.

Routine business matters were transacted and money earned from selling cards and stationery was turned in.

Approximately twenty-five members were present.

Briefly Told

Mr. and Mrs. James F. Gann of Odessa were recent visitors in the home of her mother, Mrs. Ruby Lassiter and other relatives.

Mr. and Mrs. Paul Ivie of Avoca spent the weekend in the home of Mr. and Mrs. M. C. Ivie.

Mrs. W. Bogan Dunn of Sherman returned to her home today after a visit in the home of her niece, Mrs. W. F. Walker.

S-Sgt. James L. King and a friend, Paul Beals, of Waco spent last weekend in the home of his parents, Mr. and Mrs. D. P. King.

Mrs. Joe T. Cook of Mission, Texas, visited in the home of her father, H. A. McCannies, and other relatives Tuesday and Wednesday. She was accompanied to Fort Worth on her return by Mrs. J. R. Burnett who attended the last day of the Baptist State Convention.

INVITES YOU TO SUNDAY SERVICES

Rev. R. S. DAY
Pastor

Sunday School — 10:15 a. m.
Study the Bible — Chapter by Chapter, Verse by verse.
Preaching Service — 11 a. m.
Bro. Day will speak on "The Mutilated Bible."

Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints.

For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ. — Jude 1:3-4.

Evening Service
— 7:30 p. m.

HEALTH TALKS

Prepared by the
Texas Medical Association

You may have wondered how serious a minor eye injury is considered.

To begin with, you might as well forget the "minor" part of the expression. Any wound of the eye which fails to heal within twenty-four hours may become infected, and as a result the eye may be lost and even the opposite eye may be blinded.

Physicians who treat wounds of the eye strive for two results: (1) a seeing eye and (2) an eye that will not look ugly. Of course, the first is by far more important.

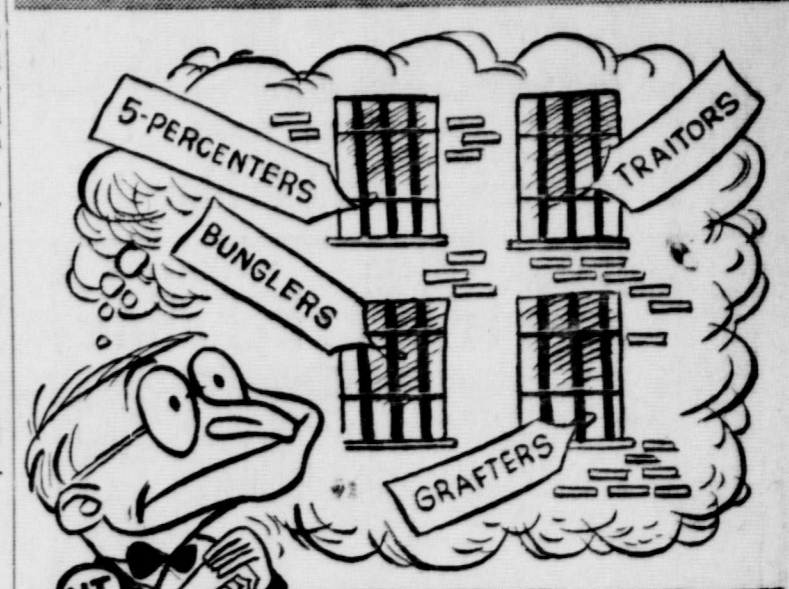

Eye injuries fall into two types. In the first, something like a foreign body or a harmful acid or alkali gets into the eye. In the second, the eye itself suffers a blow or a wound such as a scratch or cut.

If tears fail to dislodge a foreign body, the eye may be washed out with lukewarm water. Rubbing the lid should be avoided or the substance may become firmly embedded in the eyelid or the cornea, the hard covering of the eyeball. Following the flushing of the eye with water for acid or alkali, petroleum jelly may be applied to the lids and a piece of gauze placed over the eye. When pain persists after removal of a foreign body or any harmful liquid, medical attention should be sought.

If the eye receives a penetrating wound or is cut or scratched, it should NOT be flushed with water. Arrangements to see a physician should be made immediately and the patient told to lie down and close the eyes while he awaits expert care. Another injury requiring immediate treatment is a cut or any other kind of wound of the eyelid. Disfiguring scars can result if these wounds are neglected.

The patient should remain under the doctor's care and follow his instructions to the letter. The injured person may not see immediately the importance of a daily checkup, enforced rest, or hospital care. However, if he remembers that any so-called "minor" injury of the eye may result in blindness, loss of the eye, or loss of sight in the other eye, he will cooperate in the treatment.

Mrs. Argye M. Briggs of Bartlesville, Oklahoma, visited in the home of her parents, Mr. and Mrs. H. A. McCannies, Monday and Tuesday. She also visited her aunts, Mrs. Katie Richardson and Mrs. J. R. Burnett.

"Gee, but I'd give a lot to see that old gang of mine!"

Hunters Urged Watch For Fires Due To Drought

AUSTIN, Oct. 24. — The Executive Secretary of the Game and Fish Commission said cooperation of hunters and outdoorsmen generally is needed to avert a catastrophe to woods and forests from fire.

He said the woods and fields in most of the state have been reduced to extreme inflammability by the prolonged drought. He added that some fires already have caused great property loss as well as tragic loss to wildlife.

The Executive Secretary quoted a letter from the Texas Forest Service to emphasize his appeal. The letter, signed by D. A. Anderson, head of the Research & Education Department, said in part:

"Of increasing importance are the fires attributed to hunters. The fires charged to hunters are no doubt caused through negligence but nonetheless they are increasing our fire problem.

"... I feel that you could possibly assist us immeasurably by calling attention to hunters to the condition which presently prevails in the East Texas area and asking them to take every possible precaution in preventing fires. Not only are the forest resources at stake, but the wildlife as well.

"I assure you that any help you can give will be sincerely appreciated. It is urgent of course that action be taken at once since our problem is now critical."

The Executive Secretary suggested that Texans in the field can prove their understanding of the peril to conservation by not only preventing fires but by offering to help control any fires they may encounter.

Prison Rodeo To Give Final Show

HUNTSVILLE, Oct. 24. — Texas rodeo fans have just one more chance to see the 1952 edition of the famous Annual Prison Rodeo — the closing performance next Sunday, October 26th.

With attendance for the past three shows nearing last year's record attendance figures, prison officials and convicts alike are hoping that the 21st annual rodeo will break even those records. It means more money in the coffers of the inmates' Educational and Recreational Fund for rehabilitation purposes. The "opening day" performance played to some 19,000 persons and the second and third shows played to crowds who took "standing room only" to watch the tough convict cowboys contest the wildest rodeo livestock obtainable by the Texas Prison System.

With better than average rides scored by the inmates against the wild brahma bulls and bucking horses in the three past shows the fourth Sunday's performance should prove the best of them all.
